THIS IS THE WEEK that most of the county's seniors graduate. Once they have their diplomas in hand, do you suppose they run out looking for work or for some college to attend, so they can delay going to work for four years?

Well, maybe some of them will do those things later (a few will get married), but I was really wondering what most of them would do that night after the graduation exercises.

Some probably will go drink all the beer they can find, but most of this county's graduates, I believe, are better citizens than that and it's these responsible young persons I was wondering about. How will they carry out their well-earned celebration?

I asked one young woman who graduated here just two years ago, and she said she just went home—and started to college just five days later.

Usually there is some kind of school-sponsored function for seniors and their dates, but these have not been attended as well as some private parties, which usually go all night or far into the night.

That sounds more like what we did when we graduated, both from high school and college.

I remember that several guys (most of us would be called "nerds" these days, because we were all pretty good students) stayed up all night after graduating from high school. We spent most of the night in an all-night cafe, playing the juke box (songs by the King Cole Trio and tunes like "There Ain't Nobody Here But Us Chickens" by Louis Jordan, a black saxophonist-vocalist who later was stabbed by his girl friend) and eating hamburger steaks and french fries. There were no girls in the group; we heard later that some of the girls who graduated had slumber parties. And although we were 17 years old, girls were still pretty much strange and mysterious, but very desirable creatures to us.

Anyway, we talked about the mysteries of life, our hopes and ambitions, and ate a lot of stuff so we could stay in that restaurant all night. Finally, bloated and sleepy, we all went home about dawn. Somebody in the group must have had a car, but I don't remember who. I know it wasn't me; my first car was bought for \$300 the day after I graduated from college.

I don't remember celebrating at all when I got my degree (major in journalism and minor in pin-ball machine operation). I probably was just tired of the grind and ready to find a job.

I did, too. It paid me \$15 less a week than the job I had quit four years earlier so I could go to college and get smart and make a lot of money.

## Commencement Exercises Set For 103 County Seniors

Commencement exercises for 103 Lynn County seniors are scheduled this week, with Tahoka, Wilson, New Home and O'Donnell graduation ceremonies all set this Friday night.

Tahoka High School commencement exercises for 46 seniors will be held at 8 p.m. in the high school gym. Seniors are taking final exams this week, with a valedictorian and salutatorian not determined as of press time.

Wilson High School's 12 seniors will graduate in ceremonies at 7 p.m. in the school auditorium. Cindy Ramirez, daughter of Janie and Mike Ramirez, is valedictorian with a grade point average (GPA) of 96.00. Kathy Trevino Guzman, daughter of Angie Valdez and Bonifac Trevino, is salutatorian with a GPA of 92.27.

New Home graduation ceremonies

will be held at 8 p.m. in the high school gym for 13 seniors. Valedictorian is Kara Lenn Askew, daughter of Eddie and Carolyn Askew, with a GPA of 94.6. Shannon Lane Zant, son of Leland and Susan Zant, is the salutatorian with a GPA of 87.8.

O'Donnell High School commencement exercises will be held at 8 p.m. in the school auditorium for 32 seniors. The top two students in the 1994 graduating class are sisters, Luz and Teresa Contreras, daughters of Salvador and Maria Contreras.

Luz Contreras is the valedictorian and has a weighted grade point average of 3.46 on a four point system. Her numerical average is 96.12. The salutatorian is Teresa Contreras who graduates with the same 3.46 weighted grade point average and a numerical average of 96.02.

## Bill Alcorn Named New THS Principal

Bill Alcorn, Jr., 39, was named Tahoka High School Principal for the 1994-95 school year by Tahoka Independent School District Board of Trustees Monday morning. Alcorn, high school principal of Eula I.S.D. in Clyde, was offered a two-year contract and a 226-day annual salary of \$46,500 in a unanimous 7-0 decision by trustees. The contract begins July 1, 1994.

Trustees interviewed Alcorn last week and called a special meeting at 7:45 a.m. Monday to act on the principal position. Incoming Superintendent David Hutton recommended Alcorn for the position, and met with trustees in the interview process last week.

Alcorn has been principal of grades 7-12 at Eula I.S.D. since 1991, was principal for grades K-8 at Peaster I.S.D. for four years, and was a teacher and coach at Lipan I.S.D. He received his B.S. from Tarleton State University in 1978, and his Masters Degree in Education Administration in 1985 from Tarleton. He completed his Mid-Management Certification in 1989.

A graduate of Graford High School, Alcorn is married and the couple have three children. His wife, Vicki, is a Home Health Care nurse. Their oldest daughter, Michelle, is 21, and Kimberly, 12, and Jennifer, 10, will attend school here.

Alcorn was recommended by Hutton to trustees as a strong disciplinarian with high moral standards and a "down-to-earth" attitude.

"I feel very strong about student discipline, staff development, school pride and spirit, communication, and teaching students good sound moral characteristics," Alcorn said. "I am very supportive of athletic and vocational programs because I feel these programs teach students characteristics needed for life such as responsibility, dedication, motivation, and pride," he explained.

He was recognized by the Texas Education Agency in 1992 and 1993 with a Texas Successful Schools Award for Eula I.S.D.

Alcorn lists his hobbies as horses, woodwork, dirt track racing, and computers. He and his family will be moving to Tahoka in June.

## Burglaries, Wreck, Fights Investigated

Burglaries in the county and in Tahoka, several fights involving juvenile girls, thefts and one traffic accident in Tahoka were investigated by city and county peace officers during the last week.

Involved in the collision at Main and Lockwood last Wednesday were a 1989 Oldsmobile driven by Dianna C. Silvas, 22, of Tahoka, and a 1986 Ford Taurus driven by Susanna Ruiz Tello, 31, also of Tahoka. One possible injury to a passenger in the Tello vehicle was listed, but the passenger refused treatment.

Several wrenches and other tools were reported stolen from a Case 2590 tractor owned by Weldon Seay of Lamesa May 20 or 21 when the tractor was located on a county dirt road east of New Moore.

More road construction signs and a flashing light were reported stolen from construction sites between Tahoka and O'Donnell on U.S. 87, it was reported by Barricades Unlimited, owner of the signs. An orange 4-foot-square sign "Road Construction Ahead" and another reading "End of Construction" were stolen. The items were valued at \$163.

Steve Pain of Rt. 2, O'Donnell,

reported that his barn located on FM 213 west of Wells Gin had been burglarized Sunday or Monday and a Regency channel scanner valued at \$400 stolen from a tractor near the barn.

A scanner and jewelry valued at a total of \$1455 was reported stolen in a burglary of the home of Oscar Gutierrez on N. 6th St. in Tahoka May 17, but some of the items later were found outside the home by the victims of the burglary. Still missing were a ring, ear rings, and a diamond horseshoe necklace.

Tahoka Police Dept. answered four calls to fights involving juvenile Hispanic girls on Saturday and Sunday, including two calls to the softball field Sunday and one call each Saturday and Sunday to the school, with one fight reported outside the cafeteria where a dance was held Saturday night.

In jail during the last week were six persons, one for terroristic threat, and the others all on charges related to first offense driving while intoxicated, including judgement and sentencing, two applications to revoke probation, and failure to appear.

### Tahoka Students Win Writing Competitions

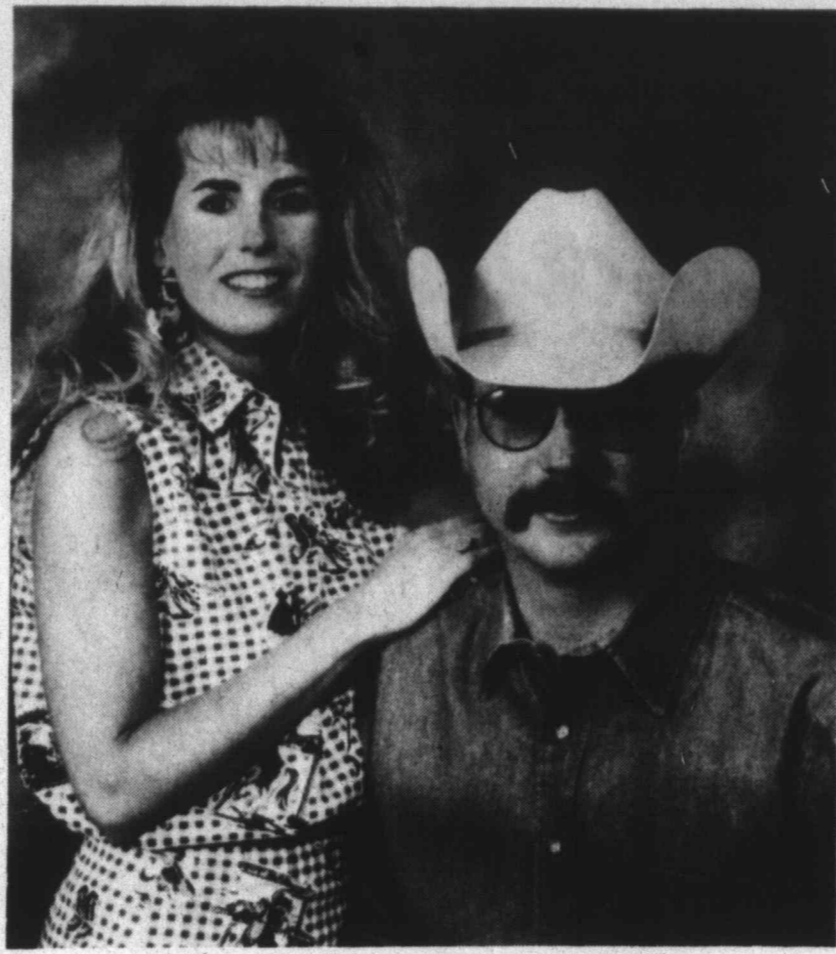

Five Tahoka ISD students took first place awards in state in the GFWC Writing Competition. Contests in both poetry and short story were sponsored in the local school by Phebe K. Warner Club. First place winners locally were entered in the state competition.

Winners in the poetry contests and their winning poems were Kalese Hammonds, "Love" (grades 1-3); Ryan Curry, "Dinosaurs" (grades 4-6); and Annie Dunlap, "The Shy One" (grades 10-12).

Winners in the short story contest and their winning entries were Clay Sosa, "Clay and Ernest Go To Bat" (grades 1-3); Klyssa Kelln, "A Journey of Faith" (grades 4-6); Annie Dunlap, "The Long Walk Home" (grades 10-12).

The winners were recognized in high school and elementary awards assemblies and presented certificates. Bettye Green is the local chairman.

### Hospital Board Members Take Oath

Three directors took the oath of office at the Lynn County Hospital Directors meeting last Thursday. Newly elected directors Virginia Griffing, Boyd Barnes and incumbent Billy Tomlinson were sworn in,

followed by an election of officers for the new board.

The current slate of officers was re-elected for the year, with Leland White serving as president, Billy Tomlinson as vice president, and Hospital Administrator Louise Landers as secretary.

Directors approved paying monthly bills, and discussion was held on several items, including legal correspondence and a physician recruitment update.

The board was slated to interview a physician candidate for the hospital last week, but the interview was cancelled. Two candidate interviews are scheduled within the next two weeks, according to Mrs. Landers. Directors were to interview Dr. Armando Moreno today (Thursday) at 1:30 p.m.

The next monthly meeting will be held June 23, a change from the second Thursday of the month, due to the hospital's involvement in appealing a Texas Employment Commission ruling on unemployment pay for a former employee.

Present at the meeting were directors White, Tomlinson, Barnes, Mrs. Griffing, Harold Barrett and Norman Ledbetter, as well as Mrs. Landers. Absent was director Jackie Stidham.

### Safe Driving Urged For Holiday Weekend

Major Lamar Beckworth with the Department of Public Safety says, "In Texas, Memorial Day weekend signals the start of the summertime season for vacation travel. There will be increased dangers to motorists because so many people are anxious to get away from it all. Each of us should remember that due to heavier traffic, the potential of having a traffic accident on any given holiday weekend is greater than a regular weekend; therefore we should adjust our driving habits for the extra crowded highways this Memorial Day weekend."

All available troopers will be out with emphasis on intoxicated drivers, speeders and other serious violations.

### Meet Our Staff ...

#### EVA CALVILLO

Eva Calvillo is a 22-year employee at Lynn County Hospital, who began her career here as a nurses aid on Oct. 11, 1971. She was promoted to Operating Room (OR) Technician to assist with emergencies, deliveries and surgery in May, 1974, and is now in charge of Central Supply as well as continuing her duties as OR Technician. Her co-workers describe her as very agreeable and easy to work with. "Eva is quite good in the operating room, and does a very good job," says Hospital Administrator Louise Landers.

# Out of the Woods

The wayward thoughts of Juanell (Wood) Jones

This week marks the first of many milestones for high school seniors, as they participate in commencement exercises and take the first steps in planning their futures. There's nothing more exciting than planning for your future ... knowing full well, of course, that things don't usually turn out the way you expected. Best-made plans and good intentions are left by the wayside, but in return you may find wonderful surprises and discover unknown talents.

Nineteen years ago this week, I, too was a high school senior, busily planning my life for at least the next few years and structuring how I thought it should turn out ... which turned out to be ... well, different.

Here's what I thought would happen:

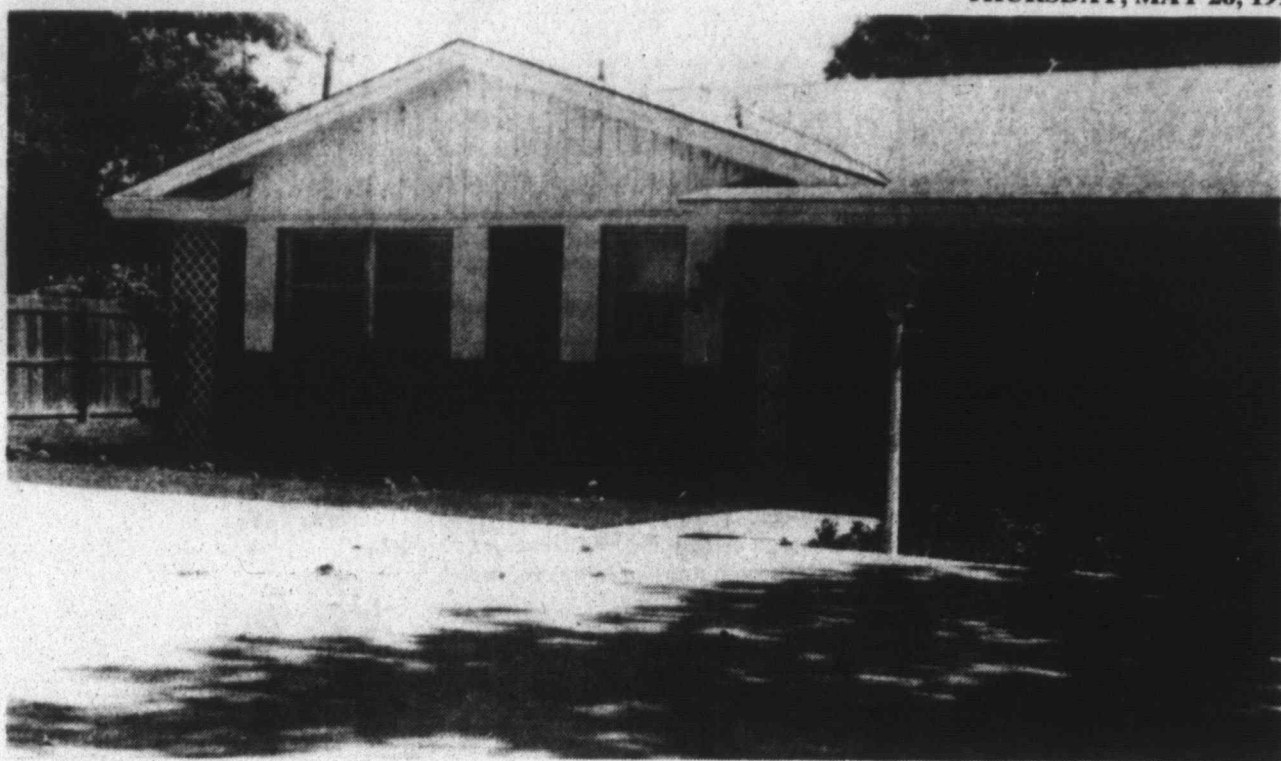

1. I would have an exciting career.
2. I would make lots of money.
3. I would marry a wonderful, exciting, romantic man ... and he would make lots of money.
4. I would have two children, preferably one of each kind (boy and girl, that is).
5. I would live in a beautiful well-kept home.
6. I would play tennis and stay slim and healthy forever. Uh-huh. Right.

Now, here's what really happened:

1. Career-wise: I am now, lucky me, indebted to the ears for the next 199 years or so as the co-owner of a weekly newspaper (this one, in case you haven't noticed) and occasionally it's pretty exciting. Why, just this week, I've been to several meetings already. And talked with the mayor. And the chief of police. And the city manager. Just this week. Really.
2. Money-wise: Big washout, Zip. Zero. Nada.
3. Man-wise: Got one. He's pretty wonderful. Excitement and romance was something I'm pretty sure we had back before, say, our third wedding anniversary. And, who needs money, anyway?
4. Children-wise: Got two. Boy and girl. Best thing that ever happened to us. Talk about surprises - children will take your life in directions you never thought about. We are responsible for things like: a) teaching them responsibility and building character, and b) teaching them the finer things of life, such as the fact that cheese doo-dads make mighty fine snacks, but nothing beats a hot plate of nachos.
5. Home-wise: Bought three in 19 years. Paid for two. The home we're living in now is ... uh ... almost beautiful and well-kept. Or at least it was before we redecorated it ourselves.
6. What's tennis? I passed slim a long time ago, but, hey, I'm pretty healthy! Really. The newspaper business is a tough world, and you've got to be mentally and physically prepared for any eventuality, so I try to maintain a healthy lifestyle. Just this morning, as I write this column, I am fortifying my beautiful bod with a high-protein breakfast of coca-cola and M&Ms.

So, there's my life. It turned out ever so much better than what I had planned for, don't you think?

So, plan your futures with serious attention, grads ... then, lighten up, roll with the punches and surprises life gives you, and enjoy life. It's a kick.

## Chief's Comments

By Jerry W. Webster  
Tahoka Chief of Police

With summer quickly approaching there will be more and more use of the sandlot volleyball court. Here are some guidelines for all who plan on using the court:

1. All volleyball games will end at midnight. This is the same time the use of the tennis courts conclude.
2. There will be zero tolerance for possession and consumption of alcoholic beverages in the city parks. All volleyball games will be terminated if any alcohol is found. Periodic checks will be made by city officers.
3. Music will be allowed as long as it does not get too loud.
4. There will be no parking or driving on the grass.

Also, the city administrator wishes to encourage all citizens to keep their alleys clear and clean. If you have brush or limbs the city will chip it. Please place the brush in the alley behind your own house. Do not put any brush by the dumpster. Any junk placed in the alley will not be picked up by the city. All Lynn County residents can carry junk to the Lynn County Citizens Collection Station.

## Luz, Teresa Contreras Top Graduates At OHS

The top two students in the 1994 graduating class of O'Donnell High School are sisters, Luz and Teresa Contreras, daughters of Salvador and Maria Contreras.

Luz Contreras is the valedictorian and has a weighted grade point average of 3.46 on a four point system. Her numerical average is 96.12.

The salutatorian is Teresa Contreras who graduates with the same 3.46 weighted grade point average and has a numerical average of 96.02.

Both girls have been active in the UIL Academic program in high school, National Honor Society, and the yearbook staff.

Luz has competed in UIL Persuasive Speaking, Literary Criticism, and Ready Writing. Her senior year she was in the One Act Play of "God's Country" which placed third at the state meet.

She has received the top ranking girl academic award each year of her high school career. This year she has served as the secretary of the student council. She is also the co-editor of the Eagle Yearbook staff.

Luz plans to attend San Angelo State and major in International Business and Political Science.

The salutatorian, Teresa, has competed in UIL Extemporaneous Informative Speaking and won the district championship in that event this year. She also placed fourth in Literary Criticism. Teresa serves with her sister as co-editor of the yearbook staff. She was also a Ready Writer in UIL.

Teresa has also received OHS Salute awards in both English and Spanish.

Teresa also plans to attend San Angelo State and major in accounting and minor in psychology.

Robert Eaker, son of Kenneth and Ann Eaker, is the third ranking student in the class. Eaker graduates with high honors with a weighted grade point average of 3.283 and a numerical average of 94.57.

Eaker is active in sports, UIL number sense, mathematics, and science. He has served as class president all four years of high school. He was also a member of the national qualifying Seiko Youth Challenge Science team that will compete in New York the last of this month.

## Contreras Sisters Receive Clayton Scholarship

Luz and Teresa Contreras of O'Donnell High School are recipients of the Jessie Clayton Memorial Scholarship.

"There was only one Jessie Clayton. Her entire life was dedicated to helping young people," Glenn Hopkins, O'Donnell High School principal said. "She was very instrumental in getting a bond passed to build the new high school. She was a super nice lady."

Coincidentally, Mrs. Clayton lived and reared her children where Luz and Teresa presently live. "My father used to work for Mr. and Mrs. Wayne Clayton when we were young," Luz said.

According to school superintendent Dale Read, Mrs. Clayton worked diligently and long to promote education in O'Donnell. "She was proud of her community and wanted the best for the students of O'Donnell," said Read.

The annual scholarship in Jessie Clayton's memory is in the amount of \$5,000.

Mrs. Clayton was a believer in education for all students and for good buildings and facilities for the young people.

"I feel very honored to receive this scholarship," Teresa said.

Both Teresa and Luz have been active in UIL literary activities and plan to attend San Angelo State University.

## Letter To The Editor

Dear Mr. Editor:  
I am writing to you about the articles that have appeared in the Lynn County News on May 12 and May 13. I am a County Agent for "County Agent Share of Duties Here" and I am accountable for County Agent Share.

First I would like to state that the inaccuracies stated in the articles have received \$27,000 in reimbursements to date. \$214.99 taken from that was from December, since January 1994. I have spent the county at stock: County 4-Her's and my own, with a total of \$2118.19. This makes \$58,838 spent each year. If you have many days away from such as Odessa, Ft. Worth, Houston and so on, the actual travel figures for themselves.

As for the remainder I have received, \$71,000 in expenses in the county. I was out of the county and there was no reimbursement (A Texaco card provided by the county). Expenses are as follows: County Agents Assn. Dues, \$113.00 for \$17.00 for stockholders.

## Letter To The Editor

Dear Mr. Editor,  
I am writing to you in regards to the articles that have appeared in the May 12 and May 19 editions of the Lynn County News concerning "County Agent Shackelford Relieved of Duties Here" and "Expense Account for County Agent Discussed Again".

First I would like to clear up some inaccuracies stated in both articles. I have received \$2780.73 in travel reimbursements to date. There was also \$214.99 taken from my 1994 budget that was from December 1993. Therefore, since January, I have spent \$2565.74 in actual TRAVEL expenditures. I have spent 36 days out of the county at stockshows with Lynn County 4-Her's and adults since January, with a total expenditures of \$2118.19. This makes an average of \$58.838 spent each day for meals and motels. If you have ever spent that many days away from home in cities such as Odessa, Ft. Worth, San Antonio, Houston and San Angelo then the actual travel figures should speak for themselves.

As for the remaining \$662.54 that I have received, \$78.27 was for fuel expenses in the county vehicle when I was out of the county and needed gas and there was no Texaco station around (A Texaco credit card is provided by the county). Other misc. expenses are as follows: \$65.00 Texas County Agents Association Annual Dues, \$113.00 for motel deposits, \$17.00 for stockshow parking, \$5.00

for stockshow grounds admission and \$7.54 for airport parking (transporting county clientel to and from airports at stockshows). If you are following along with your mathematics, we now have a total of \$375.88 unaccounted for. Since January, I have spent 28 days and 8 nights out of the county at district extension meetings (in which I am required to attend) and searching for cattle and swine projects for the 1994/95 show season for Lynn County 4-H members. I have driven approximately 10,730 miles searching for projects, only 6280 miles were in the county vehicle since January 1, 1994. I have had at least one and sometimes as many as ten adult leaders with me at all times on these project searches and I have had a valid receipt for every penny that I have spent in the combined 64 days that I have been outside the county. Yes, I'm sure the bulk of any agent's travel is spent in January-March and in October because this is when all the stockshows are held.

Mr. Editor, in regards to this segment of your article, it sounds like I have been on vacation at the "Beverly Hills Polo Club" in which I have not. I feel that it is my responsibility to the youth of this county to hustle my tail off to find them the very best projects that their funds will allow them to buy. I also, at the same time, try to travel as cheap as possible and yet still eat and stay at the same motels and restaurants that the majority of my 4-H families do. I'm sorry, I personally see these things as my job and find nothing wrong with that!

Secondly, I was not informed of last weeks court meeting in which my travel was again discussed. Furthermore, I was never asked by anyone to relinquish my duties as County Agent on May 10, 1994. The real story is that during the entire court meeting I was in my office working. At 2:30 p.m. I received a phone call while I was out checking swine projects and was informed that as of 5:00 p.m. that day I was relieved of my duties in Lynn County. I do realize however that this topic was on the commissioners court agenda for that meeting but I had no other notification. Always before when I have been on the court agenda, I have been asked 2 or 3 days prior to that meeting to please be in attendance.

Third, I am allocated \$4500.00 per year for out of County travel and \$1500.00 per year for fuel and oil for a total "Travel" budget of \$6000.00 per year not \$4500.00 which was previously printed. In my last years budget I was allocated \$5800.00 in travel expense. This year both agents travel allocations were increased \$200.00. I, in no way asked for a \$1500.00 per year vehicle maintenance fund. When I left my offices budget hearing for the 1994 physical year with the County Commissioners Court, it was understood that \$4500 would be used for travel only and \$1500 would be used for gas and oil. Any vehicle maintenance expenses would come from other line items. I have no control over what kind of fuel mileage the counties vehicle gets and I am sure your figure of \$3900 previously reported and now \$4224.74 included fuel, oil, oil changes, vehicle repairs and upkeep on a vehicle that has approximately 129,000 miles on it and a lot of mechanical problems. A new motor was put in at 90,000 miles, however the rest of the vehicle is "Flat Worn Out". Maintenance and upkeep on the vehicle are not travel expenses and should not have been reported as travel. If my fuel, oil and travel reimbursements don't add up to \$4224.74 then extension funds are not being spent in the correct manner. Actually people were flat-out lied to when you printed the fact that the budget only had "approximately \$600 left in it". When in reality, at the time of your article it should have had in excess of \$2000.

In fact, the only thing that is totally true and correct in your articles is the fact that I have resigned my position as County Extension Agent in Lynn County effective June 1, 1994. I realize that in today's society false rumors, false accusations and down right trash sell and make the media money, but I would hope that your paper would always want to print the truth. I challenge you the editor, of the Lynn County News, to give this letter the same front page notoriety as you did in the May 12 edition and not the 6th page coverage as you did last week.

In closing, I would like to say to the people of Lynn County that these are the facts and nothing more. They are not backed up by "hearsay" but by documentation. I applaud those of you that have stood by me over the past two years and I can honestly say I have enjoyed working with you and your families.

Sincerely,  
/s/ M. Wade Shackelford

\*\*\*  
(Editor's Note: This letter is reprinted here as it was received. County funds are a matter of public record and are open to inspection. Figures reported

in The Lynn County News were taken from county treasurer's records, and designated as "travel expense" account, as listed in those records and reported at the county commissioners meeting. County agents receive monthly reports from the county treasurer of their fund expenditures and are responsible for designating expenditures to separate funding accounts (i.e., "Travel Expense" or "Vehicle Expense"). The "Vehicle Expense" account has not, to date, shown any expenditures and remains at a balance of \$1500. As for "downright trash selling and making the media money," I believe we sold two extra newspapers the week of May 12, so thanks for the 70 cents. We have always, and will continue, to strive to print all news stories objectively and resent accusations of falsifying the facts.

— Juanell Jones, editor)

### SPS Employees Are 'Watching Out For Kids'

Southwestern Public Service Company is reminding children that the employees driving SPS trucks can find help for them if they are lost or feel threatened or in danger while outside playing this summer.

SPS's KidCare program was initiated

five years ago with the cooperation of the International Brotherhood of Electrical Workers Local #602. The program formalized and publicized a service that has always been available. "Our employees have always helped people who have needed help," said Doyle Webb, SPS Tahoka Manager. "KidCare simply lets the community clearly know that a marked SPS truck is a place where children can go to get help."

SPS employees serve only as a contact for help. They radio the dispatcher to notify the proper authorities, and they stay at the site with the child until help arrives.

Additional information can be obtained at the local SPS office.

We're proud of your achievements -- may you attain every goal you strive for!

**Your HEALTH TIP**

A Drug That Prevents Heart Attacks And Strokes?

The humble aspirin, according to a report in the British Medical Journal, could prevent 100,000 premature deaths from heart attacks and strokes each year. Just half an aspirin a day could also help millions who have already suffered heart attacks and strokes. "Aspirin is so familiar that many doctors and patients still don't recognize its importance. Perhaps if aspirin were 100 times as expensive it would be used more widely." Check with your doctor and see if you would benefit from a daily aspirin.

### Thank You

To the New Home Community and New Home ISD Staff: Sandy, Brayden, and I would like to thank everyone in the New Home area for their support and friendship during our four years here. The friends we have made are lasting ones and all the personnel at the school have been terrific to work with. We will miss you and wish the best for you and your families, and all of the up and coming students at New Home. Thanks again, Curry Blackwell.

### FFA Banquet

The annual FFA Banquet was held Thursday, May 19. A brisket meal was served and the FFA officers presented a slide presentation.

Awards were as follows: Bobby Brown, High School Principal, a plaque of appreciation; Jace Moore, Star Greenhand Award; Mike Peek and Kary Durham, Star Chapter Award; Kara Askew, Dekab Award; Jade Foerster, Specialty Animal Award; Jose Torres, Outstanding Ag Mechanics; Jody Clem, Jr. FFA Lamb; Lisa Vineyard, Jr. FFA Barrow; Riley Barnett, Jr. FFA Steer; Rebecca Liseiby, FFA Lamb; Lee Jay Liseiby, FFA Barrow; and Jace Moore, FFA Steer.

### 'Hop On The Bus' For Reading Trip At Library Here

Children ages 6 through 12 are invited to join Ms. Frizzle and her Magic School Bus friends for "Reading Is a Magic Trip" at the City-County Library in Tahoka. The library is launching a reading program that encourages children and families to discover the world of information, entertainment and adventure at their library and in books.

"Reading Is a Magic Trip" is a free, noncompetitive reading program which begins June 13 at the City-County Library.

Children who participate will receive free personal reading logs to record the titles of books they read and the adventures they have had in reading. At the end of the program, children will receive a reading certificate from Ms. Frizzle.

"We think this program will help children and families learn to love reading and to better use all the resources of the library," said Shirley Draper, director. "Learning to enjoy reading as a child sets the stage for a

lifetime of learning, enjoyment, and success."

This program, featuring characters from the popular book series The Magic School Bus was developed by the American Library Assn. with the support of McDonald's family restaurants.

For more information, or to sign up a child for the program, visit the library or call 998-4050.

## The Wilson News

by Buster Abbe • 628-6368

The Wilson Little Dribblers Assn. will hold a meeting on Monday, May 31 at 7 p.m. in the school cafeteria. All parents of Little Dribblers players or parents of children who will be 3rd graders next school year are invited to attend. They will discuss the summer basketball camp.

Memorial Day is Monday, May 30 and several local government offices and businesses will be closed. The City of Wilson office will be closed all day Monday and because of this, the Monday meal for the meals program will not be available.

Wilson State Bank will be closed as will several other businesses.

Those citizens who have a flag are urged to fly them in honor of this day.

The Wilson City Council met recently and discussed the street situation and possible ways to repair them. They also accepted bids from Southwest Tank and Tower Company to do some much needed repairs on the water tower.

The City sponsored rabies clinic was held this past Saturday and 18 animals were provided with their shots.

The Wilson Mustang Booster Club held their annual UIL banquet last Friday night. Students in all areas of UIL activity including academics, band, and athletics were recognized for their achievements and special awards were made.

The band leadership award was presented to Jessica Creswell.

Athletic awards were presented to Adam Garza, football award; Ronnie Rios, boys basketball; Raychelle Mendez and Kerri Wied, girl's basketball; Claudia

Gonzales, girls track; Jason Marshall, boys track; Cindy Ramirez, girls athletic leadership; Adam Garza, boys' athletic leadership; Greg Castillo, boys Fighting Heart Award; Teresa Buxkemper, girls Fighting Heart Award.

Wilson's athletic program added the sports of tennis and golf this year and although no awards were given out for these sports, those who participated were recognized.

Jr. High and High School One Act Play teams were presented and those students who participated in events were recognized. Several of these students had previously received awards on the district level for their performances.

The Wilson PTO held their final meeting of the school year Monday, May 23. During the business meeting, it was decided to do two projects during the summer. June 25 is scheduled for a day of levelling and grass planting on the elementary playground. Volunteers with fertilizer spreaders and other garden tools are needed to do this job. August 13 is scheduled for cleaning up and painting all the playground equipment.

The PTO is also looking for a few cooks and servers to help with the playday lunch on Friday, May 27. Serving time is 11 a.m.

After the business meeting and planning session, the program was presented by the elementary band, under direction of Alan Gregory. Prize winners of \$5 were Althea Usher, Sara Bednarz, Lauren Wied, Brian Arellano, and Megan Burson. Mrs. Shelly Livingston received the teacher's potted plant.

Wilson High School graduation is Friday, May 27 at 7 p.m. in the high school auditorium.

During the summer, any reader who has information to be printed in the Wilson News column of The Lynn County News can contact Robert Abbe. He asks that the reader contact him so he can have the column finished and to the paper by noon on Tuesdays.

## CONGRATULATIONS, GRADUATES!

Tomorrow is your last day of school. Then comes graduation. Finally, your day has arrived. Many of you will be leaving Tahoka in the next few weeks or months for jobs or college. Congratulations.

We want you to fully realize how proud we are of you all. You have been an asset to your family, school and community. When we look back on the class of '94 in memory, a smile will come to our face.

We will pray for you as you embark on a new phase of your journey through life. You have a place in our hearts forever.

Let us bid you one more piece of advice before you go: Your parents, church and community have tried to prepare you for your journey away from the nest of home. Now, heed that good advice. We have tried to spare you from the pains of life. Now you must go out on your own. Heed the advice of Solomon: "Listen, my son, to your father's instruction and do not forsake your mother's teaching" (Proverbs 1:8). Go on, try out your new wings of independence. But, remember this proverb and avoid many a pain. Again, congratulations.

### Public Notice

On March 23, 1994, GTE and Contel ("The Companies") filed applications with the Public Utility Commission of Texas ("PUC") to restructure the Companies' Switched Transport rate category and reduce the Carrier Common Line (CCL) charge of its Switched Access Service. The tariff sheets in GTE and Contel's applications, if approved, will bring the Companies' state access tariffs into structural parity with their interstate tariffs for the Local Transport rate category, which became effective on December 30, 1993.

GTE and Contel propose to implement the new tariffs on a revenue neutral basis. The Local Transport category of GTE and Contel's Switched Access Service is primarily for interexchange carriers.

Persons who wish to intervene should file a motion for intervention with the PUC by June 17, 1994 with reference to Docket No. 12866 (GTE) and/or 12865 (Contel). Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deal.

## Kalie Krey Gets All-American Scholar Award

The United States Achievement Academy has announced that Kalie Krey of Tahoka has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in academics. Winners must earn a 3.3 or better grade point average. Only scholars selected by a school instructor, counselor, or other qualified sponsor are accepted.

**KALIE KREY**

Kalie, who attends Tahoka Middle School, was nominated for this national award by Mrs. Sherri McCord.

Kalie will appear in the All-American Scholar Directory, which is published nationally.

Kalie is the daughter of John and Cheryl Krey. Her grandparents are Milford and Joy Lambright of Lubbock and Fred and Irene Montis of Shallowater.

**FUN FLIGHT** — Cade Miller, son of Mr. and Mrs. Steve Miller of Tahoka, enjoyed his 20-minute ride on Methodist Hospital's AeroCare Helicopter recently. The ride was auctioned off at the Lynn County Hospital Fun/Food Festival in late April, and Cade got his ride on May 4.

### Joyce Hancock, Manuela Gomez Receive Conservation Awards

Joyce Hancock and Manuela Gomez, both of New Home, were honored at the Area I Soil and Water Conservation Awards Banquet held at the Ollie Line Center in Plainview on May 12.

Mrs. Hancock was named Outstanding Conservation Homemaker for Area I, which consists of 52 counties. Manuela, a sixth grade student at New Home Elementary, submitted the Outstanding Poster on soil and water conservation awareness. Her poster was selected as the first place poster among several hundred posters in the 52-county area.

The purpose of the awards program is to recognize and honor a soil and water conservation district and individuals who have dedicated their efforts and talents to making wise use of renewable natural resources.

Sponsors of the regional awards program are the Texas State Soil and Water Conservation Board, the Association of Texas Soil and Water Conservation Districts, and the 211 local Soil and Water Conservation

districts in Texas. Mrs. Hancock and her husband Donald have two children and four grandchildren, and have lived in the New Home community since they married. She enjoys oil painting, needle point, embroidery, quilting, cooking, photography and sewing.

She says she has 14 photo albums containing a history of family conservation, which one day will be passed on to their grandchildren. "Soil and water conservation has always been an important part of our farming operation," says Mrs. Hancock.

A complete conservation program has been carried out and maintained on 710 acres they own and an additional 1697 acres they operate, according to Mrs. Hancock. Their farming operation consists of row crop farming and grain sorghum. She helps out wherever needed, including hoeing cotton, spraying chemicals, hauling water or cotton trailers, operating the module builder and maintaining the bookkeeping operations for the farm.

"Conservation to me is educating ourselves to know how to preserve our natural resources for the next generation," says Mrs. Hancock. "We can protect our resources by careful use of our soil, water, air and by managing these practices in the most economical way," she adds.

### Student Council To Host Grad Dance
