Three More Teachers Hired; Trustees Look At Tax Hike

by JUANELL JONES

Resignations of three teaching staff at Tahoka Independent School District (TISD) were noted, and approval of three new personnel was given the nod by TISD Board of Trustees at the beginning of a budget workshop Tuesday night. Trustees looked at the 1994-95 budget and discussed a two-cent tax hike from the current rate of \$1.15 per hundred dollar valuation.

Gwen Cate, Elementary Learning Resource Specialist, high school math teacher Kay Goswick, and middle school English teacher Pamela S. Duty have resigned their positions from the district. Superintendent David Hutton informed the board. Trustees approved offering contracts to Mrs. Karen J. McMinn, or Mrs. Shawna Peek (alternate choice, if Mrs. McMinn cannot accept the position) for eighth grade Language Arts; to Norma Jean Burns of Lubbock for high school keyboarding/reading; and to Philena J. Farmer for high school Algebra II/Trigonometry.

Supt. Hutton told the board that elementary teacher Margaret Carter would be reassigned as Elementary Learning Resource Specialist, and that high school English/Art teacher LaJuana Ashcraft would be reassigned as Middle/High School Learning Resource Specialist.

One high school math teaching position and one special education aide position in high school remain to be filled for the upcoming school year. Trustees expect to fill those positions at next week's regular board meeting.

Supt. Hutton presented a 1994-

95 budget to the board with just over \$3.6 million in expenses budgeted in the General Fund, compared to last year's figure of \$3,538,120. Trustees also looked at a two-cent tax hike from the current rate of \$1.15 per hundred dollar valuation, which would give the district an additional \$16,000 in local tax money for the coming school year and an additional \$40,000 in matching state funding the following school year from Tier II funds.

Trustees are also looking at a list of seven projects in the Capital Projects Fund at an estimated total cost of \$91,565 for the coming school year, including (costs are estimates):

1. Tucking (structural repair) Middle School building - \$27,446; Tucking auditorium - \$7,200; Tucking elementary gym - \$21,770, for a total of \$56,416.

2. Six-foot fence for south elementary playground - \$4,673.

3. Replace and update phone system in the district - \$7,990.

4. Sidewalks for secondary buildings - \$5,486.

5. Sidewalks for north side of elementary building - \$7,000.

6. Air conditioning high school gym - \$7,500.

7. Repair south wall in auditorium - \$2,500.

Trustees may also designate an amount to set aside to begin a fund for a high school track facility.

The board will again discuss the budget at next week's board meeting, as well as set a date for a public tax hearing.

MONDAY COLLISION—This 1993 Ford Mustang was pulled in by the wrecker after a collision Monday afternoon at Lockwood and Ave. L. There were no injuries. Driver of this car was a 15-year-old Lubbock girl. (LYNN COUNTY NEWS PHOTO)

Reward Offered In Shooting 4-H Playday Of 14 Wilson Street Lights Set Aug. 8-9

A \$250 reward has been offered by Crime Line, 998-5145, for information about who shot out 14 street lights in Wilson on the night of July 13, a Wednesday. The lights were on Green Street and on FM 400, and some of the lights were of an older type which requires replacement of more than just bulbs, according to the Lynn County sheriff's office. Total damage was set at \$2,716, making the case a felony.

Crime Line callers need not identify themselves. They are given a number and if the information supplied leads to clearing of the case, they may receive the reward and still remain anonymous, if desired.

Three applications to revoke probations on prior convictions were heard by 106th District Judge George Hansard in Tahoka last Friday. Robert Lee Mims Jr., 30, of Tahoka had his probation on a burglary conviction continued, but was ordered to serve 60 days in county jail. Joe Andrew Valdez, 26, of Tahoka was ordered to serve 30 days in jail and had his probation on felony DWI charges continued.

Probation for Victor Charo Jr., 31, of Tahoka, was revoked by Judge Hansard, and Charo was ordered to serve 15 years on a prior conviction for delivery of cocaine. A more recent charge on delivery of marijuana resulted in the revocation.

On Monday afternoon a collision of two autos at Lockwood and Ave. L resulted in no injuries, but considerable damage to two cars. A 1993 Ford Mustang driven by Ashley

Denise Gibson, 15, of Lubbock and a 1992 Buick Roadmaster driven by Jerolene Aldridge Brooks, 58, of Tahoka collided.

A sheriff's deputy July 16 chased and arrested a 31-year-old Wilson man who was charged with DWI, driving while license suspended and fleeing.

Theft of welding supplies and equipment valued at more than \$500 was reported by the owner, James Williams of O'Donnell, who said the items were taken from a trailer parked about a mile north of O'Donnell near U.S. 87 last Sunday.

In jail during the week were two persons for public intoxication and one each for driving while intoxicated first offense plus no seat belt, DWI second plus no seat belt, criminal trespass, application to revoke probation on burglary charges, and violation of probation on charges of theft.

Football Two-A-Days Begin In Tahoka

The 1994-95 Tahoka High School Varsity Bulldog Football team began their summer two-a-days with a midnight madness practice on Wednesday, Aug. 3 at 11:59 p.m. The public is invited to attend any or all practices.

The regular two-a-day practice time will begin after Wednesday from 8 to 10:30 a.m. and 5 to 7 p.m.

Team pictures will be taken Monday, Aug. 8 from 8-10 a.m. The public is invited to take pictures of the team at this time.

Shots To Be Given At Clinic Friday

The Texas Department of Health will hold a school shots clinic all day Friday, August 5, from 9-11:30 a.m. and 1-4:30 p.m. No appointment is necessary.

Payment for shots will be based on a sliding scale fee and on ability to pay. No one will be turned away.

City To Increase Library Support

The City of Tahoka will increase its financial support of the city-county library in Tahoka by \$50 per month, it was voted at Monday night's regular monthly meeting of the city council.

Starting in October, the city will contribute \$350 per month to the library. Representing the library board at Monday's meeting was Carl Reynolds.

The council also voted to seek bids on repair of the water tower at Lockwood and Ave. P, with bids to be opened at the next regular meeting. The tower needs painting and other repairs to prevent further deterioration, according to City Manager Barry Pittman.

No one showed up at a public hearing on the 1994 Texas Community Development Grant application. The city is seeking grant funds for two sewer lift stations.

A budget for the coming year was discussed.

Present were Mayor Jim Solomon, Pittman, Reynolds and council members J.D. House, Mike Mensch, Ray Don Box and Todd Henry. Councilman Wayne Huffaker, in the hospital recuperating from a heart transplant, was absent.

'Country Doctor of the Year' Award

Dr. Wright Nominated For National Recognition

Dr. Richard Wright, physician for Tahoka and Lynn County for the past 21 years, has been nominated for the national award of "Country Doctor of the Year" by some of his friends and former patients who believe he has never received proper recognition for the high quality medical care he has provided for the community over the years.

"There are a number of reasons why Dr. Wright never received the public accolades he deserved," said a spokesperson for the group pushing for the award. "The primary reason is because he shunned publicity. He went about providing the medical care he was trained to give, never seeking praise for what he was doing."

On April 30, the City of Tahoka took action to publicly recognize the contributions Dr. Wright has made to the community and its citizens when Mayor Jim Solomon presented to Dr.

Wright the first "Outstanding Citizenship" Award ever presented by the city. When Dr. Wright accepted the award he commented on how much he loves the community where he decided to carry out his life's work as a medical doctor.

The "Country Doctor of the Year" award is given each year by the Country Doctor Museum in Bailey, NC, and by Staff Care, Inc. of Irving.

Staff Care is an interim physician staffing firm which provides qualified physicians to health providers on a temporary basis.

The nomination and the associated paperwork have been completed by James Lee (Jim) Smith of New Home, a patient and friend of Dr. Wright. "The nomination is supported by testimonial letters from Tahoka and Lynn County residents who have known and loved Dr. Wright during his years of service to the commu-

nity," Smith said, adding:

"I have been a patient of Dr. Wright's for several years, and I respect and appreciate him and his knowledge of medicine. As justification for the nomination, we believe we have someone unique in Dr. Wright. We have a man who was reared and educated in England, and decided 21 years ago to migrate to the United States and Texas. During his time here, he has not only proven his skills as a doctor and surgeon, but also has become a loved and respected citizen of our community. We believe that Dr. Wright is deserving of the award of 'Country Doctor of the Year'."

Winner of the award will be determined by late October of this year, and the presentation of the award will be made in the local community of the winning doctor sometime in November.

IN THE MAIL last week I received a neat little membership card with my name on it, advising me that if I would send in some dollars, I will immediately be a member of the National Audubon Society.

I have heard of the organization, and I had the vague notion that it was somehow connected to birds, like protecting them, feeding them and otherwise being tweet. But I didn't know the meaning of the word.

"What does 'audubon' mean?" I wondered aloud. And sure enough, my oldest daughter came up with the same answer that immediately occurred to me: "That's a highway in Europe." (Where everybody drives like crazy because there are no speed limits for cars).

Reading the literature they sent me indicates that the Audubon Society sponsors 82 wildlife sanctuaries and is interested in preservation of all kinds of animals, birds and other endangered species.

Save the whales. Save the whooping cranes. Save the coyotes and armadillos. Save the redneck cotton warblers.

Anyway, I didn't join. I have more cards in my wallet now than I can use, and never can find the one I want.

I looked up the word "Audubon" in the dictionary, and sure enough, it is a proper name. Webster said James Audubon was a French-born American naturalist. It didn't say any more about him, but it did have a drawing of him, and he looked sort of like a toad frog. So far as I know, frogs are not an endangered species. But I may be jumping to a conclusion here.

IRA WHITE and REV. ARTHUR KELLY JR. Couple To Wed Aug. 13

Mr. and Mrs. T.C. White of Tahoka announce the engagement of their daughter, Ira Lynn White, to Rev. Arthur Doison Kelly, Jr., of Post. He is the son of Mr. Arthur Kelly, Sr. of Abilene.

The couple plans to wed August 13, 1994 at the First United Methodist Church in Tahoka.

The bride-elect is a graduate of Tahoka High School and Texas Tech University and is employed by the Lubbock State School.

The future bride-groom is a graduate of San Angelo High School. He is pastor of the Pleasant Home Baptist Church in Post and is employed by the City of Post.

Registration Set Aug. 8 For Tahoka Elementary

Registration Day for previously enrolled students in grades kindergarten through sixth grade has been set for Monday, Aug. 8 at Tahoka Elementary School. The following times have been established for registration in the respective grade levels:

Kindergarten and 1st grade: 8:30-9:30 a.m.
2nd grade: 9:30-10:30 a.m.
3rd grade: 10:30-11:30 a.m.

Lunch break for staff: 11:30 a.m.-12:30 p.m.

4th grade: 12:30-1:30 p.m.

5th grade: 1:30-2:30 p.m.

6th grade: 2:30-3:30 p.m.

Registration will be held in the school cafeteria. "This day is only for students who were enrolled at Tahoka Elementary School last year or if in kindergarten, pre-registered last spring. It is not for new students," explained Dr. Molly Helmlinger, Elementary Principal. "A parent may register all the children in his/her family at the same time. It will not be necessary for the parent to return at each of the designated grade level times," noted Dr. Helmlinger.

Any student enrolling in Tahoka Elementary for the first time should come on Wednesday, Aug. 10. This will be held in the main office between the hours of 8:30 a.m. and noon. No new student may register without at least one parent or legal guardian being present to enroll the child. The parent will need to bring the child's immunization-health records, birth certificate, and social security card for verification purposes. The parent should also bring any previous school report cards, records, etc. that will provide assistance in the appropriate placement of the student. New students should not enroll on August 8. However, no parent should wait until the first instructional school day, August 15, to enroll the child.

It is very important that at least one parent or legal guardian accompany the previously enrolled child to Registration Day, according to Dr. Helmlinger. Information from the registration card must be verified, emergency care forms completed, pick-up procedure forms completed, supplies list distributed, parent/legal guardian signature verification forms signed, and homebase assignments announced.

Any family that has moved out of the Tahoka Independent School District should notify the school immediately so that students may be removed from the homebase rosters. Any person unable to attend the designated dates should contact the main office and make other arrangements with Dr. Helmlinger at 998-4350.

Driving Safety Urged With School Beginning

The Texas Department of Public Safety State Troopers are asking all drivers to begin thinking about the safety of our school children as the beginning of a new school year commences.

The first few weeks of school are the most dangerous, said Major Lamar

Beckworth of the Texas Department of Public Safety. "Many youngsters are attending school for the first time and others might be going to a different school where they are unfamiliar with local traffic conditions."

Texas State law requires drivers on the same roadway as a school bus that is stopped to load or unload students, to also stop until the school bus has turned off the flashing red lights. This law applies unless the vehicle is separated from the bus by a divided highway with a median strip.

THE PRIORITY OF PRAYER

Decisions are a part of everyday life. We cannot escape the demand of making decisions. Is there a better way to come to proper decisions that will honor God? Yes!

Every decision we make will have some impact on our lives, be it minor or major. But we should not fear decisions. They are essential to our existence. Christians enjoy the great blessing of prayer when making decisions. They also have the written word of God, which forecasts the results of some decisions before they are made. Both prayer and God's word need to be our constant companions throughout life, for they lead us into sober reality when decisions are demanded of us.

When young Solomon was crowned king over Israel, he asked God for an understanding heart that he might distinguish between right and wrong. We, like Solomon, need wisdom, love and grace from God to assist us. The greater life's experiences and responsibilities, the greater is our resolve to look to heaven for guidance.

We invite you to come worship with us. That would be a good decision for you to make today.

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE, ESTIMATED UNENCUMBERED FUND BALANCES, AND DEBT SCHEDULE

This notice concerns 1994 property tax rates for the five taxing entities listed below. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before it must hold a rollback election. In each case these rates are found by dividing the total amount of taxes and state funds by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at

Cities Show Decrease In Sales Tax Rebates

"A special analysis by our office shows that sales tax returns in cities across the state are averaging 7.57 percent ahead of the first half of last year," State Comptroller John Sharp said. However Lynn County cities all showed a decline.

The adjusted local sales tax revenue for the first half of 1993 was \$708 million, while the adjusted revenue for the same period in 1994 totals \$761 million.

In Lynn County, O'Donnell showed a 35.88% decrease from 1993, Tahoka showed a 32.68% decrease and Wilson a 74.74% decrease.

There will be a bridal shower honoring Malinda (Mindy) Isham, bride-elect of Steven Edward Dunlap, Sunday, Aug. 7, from 3-5 p.m. in the Parish Hall of St. Paul Lutheran Church. Selections are at Service Merchandise and J.C. Penney in Lubbock and at Nanny's Attic in Wilson.

Wilson Chamber of Commerce will meet Saturday, Aug. 6 at 9 a.m. at Jan's Piggery. Discussion will include ongoing projects. All Wilson area residents are invited to attend and participate in the group.

AAL Branch 2383, Redeemer Lutheran Church of Lubbock and St. Paul Lutheran Church of Wilson will sponsor their annual BBQ event on Sunday, Aug. 14 beginning at 5:30 p.m. The benefit will be held at Lutheran and Lillian Rose Foerster's barn which is located 5 miles west and 1-1/2 miles south of New Home.

Proceeds will be used to help place additional carpet in the hallways of the Lutheran Home of West Texas in Lubbock.

Those attending are asked to bring a salad, relish dish, or dessert along with their own lawn chairs. Tea and lemonade will be furnished; other desired beverages are listed as BYO.

The sponsors have several donated items with more expected by the day of the event. These items will be door prizes with tickets sold at the door for the drawings during the night.

There will also be a large hand-pieced, hand-quilted quilt on display which will be raffled off at a later date. Tickets for the quilt will be available at the benefit. For more information contact Clifford Gruetzner at 765-8809 or Cynthia Merrell at 745-3893.

The second annual Neighborhood Beans and Cornbread Meal will be Friday, Aug. 26 at 7 p.m. The location will be Luther and Lillian Rose Foerster's Barn. Tickets for this event are \$10 per person and are available at the door. There will be a dance with a live band after the meal.

The highlight of the evening will be an auction with a number of small items and a hand-pieced, hand-quilted quilt. (This is not the quilt shown at the Foerster's barn on Aug. 14.) Proceeds from this event will benefit the Neighborhood House in Lubbock and the Parish Nursing program.

Several Wilson boys have participated in the Slaton Boys Basketball Camp. Those from Wilson receiving awards in the junior division include Steven Follis, most improved passer; Kyler Livingston, most improved dribbler; Michael Wied, best jump shot; Randall Follis, best rebounder; Shaun Wied, best rebounder and free throw champion; Blake Talkmitt, best defensive player; Ryan Wied, most improved offensive player.

Award recipients in the senior division include Kenny Follis, best jump shot and best offensive player; Dusty Follis, most improved rebounder.

If there are any boys who participated in the camp and were not included in the above list, please excuse the omission and contact Buster Abbe.

The Wilson City Council met Monday, Aug. 1 in a regular meeting with the presentation of the annual financial audit being the only action item. The report revealed that the city was in "pretty good shape."

Sky and Wacey Moore attended the national Jr. Rodeo Finals last weekend, but were unable to compete due to Sky's prior injury. They both had earned enough points that they were able to place in the averages and earn jackets and prizes.

The Wilson Mustang Booster Club will meet Aug. 23 at 8 p.m. in the school cafeteria. Anyone who would like to be a part of the booster organization is asked to come to this meeting. Dues are \$10 per family or \$5 per individual. Officers will be elected at this time. They will also discuss fundraisers, upcoming events, and will have signups for concession stand and chain gang duty.

The Booster Club will also be sponsoring "Meet the Mustang Night" following the Wilson vs. Loop scrimmage on Aug. 26. Cookies and lemonade will be served. "We would like to encourage everyone to come meet and support all our kids," said a spokesperson.

USDA Soil Conservation Forums Scheduled

Nearly 60 years ago, the U.S. Department of Agriculture's Soil Conservation Service was created to address a national resource crisis called the Dust Bowl. Since then, the agency has undergone a number of changes, resulting in the agency now known as the Soil Conservation Service or SCS. In its reinvention process, the agency aims to create the natural resources agency of the future.

To do this, the SCS in Texas has scheduled six forums around the state to solicit recommendations on the agency's future direction.

The first forum was held in Stephenville on Aug. 2. Other forums are as follows: Plainview on Aug. 9, San Angelo on Aug. 11, Nacogoches on Aug. 16, and McAllen on Aug. 18.

Two sessions will be held at each location with identical agendas. Registration begins at 1 p.m. and 6:30 p.m. and the sessions will start at 1:30 p.m. and 7 p.m. Each session will last approximately two hours.

"The SCS is at a crossroads, and we and our customers have an unprecedented opportunity to anticipate future needs and refocus the agency's mission," said Texas SCS State Conservationist Wes Oneth.

"Predicting the future is a difficult task. However, we believe that one of the best ways to prepare for

tomorrow is by looking at the past and by asking our customers and employees what they anticipate will be needed in the future," Oneth said.

Anyone with an interest in natural resource conservation is invited to participate. A survey form is available for those who are unable to attend the forum(s). More information and copies of the survey may be obtained from local SCS offices. They are listed in telephone directories under U.S. Government, Agriculture Department.

Carrie Taylor Crowned Lynn-Garza TFB Queen

Carrie Taylor was crowned Miss Lynn-Garza Texas Farm Bureau Queen Saturday, July 23. She also received a \$200 scholarship from the Lynn-Garza Farm Bureau and will compete for a \$650 scholarship at Regional competition in Abernathy on Aug. 9. If she wins she will compete at state for a \$2000 scholarship.

Carrie was crowned by the 1993 Miss TFB, Marla Rudd, who was last year's winner of the \$2,000 scholarship. Marla is from New Home and currently attends Texas A&M University.

Carrie is the daughter of Mr. and Mrs. Douglas K. Taylor of Tahoka.

QUEEN CROWNED — Carrie Taylor, daughter of Mr. and Mrs. Douglas K. Taylor of Tahoka, was crowned Miss Lynn-Garza Texas Farm Bureau Queen Saturday, July 23.

Consider Wildlife Options On CRP Acres, Says SCS

The first Conservation Reserve Program (CRP) contracts signed by Texas landowners will begin expiring in 1995. According to Soil Conservation Service officials, now is the time to start making plans for the use of those acres.

Congress established CRP in the 1985 Farm Bill to take marginal cropland out of production and most often, plant it to grass. Texas landowners traded 4 million acres of cropland production for 10 years of annual rental payments. Eighty percent of those acres is in a 55-county area in the southern high plains and panhandle area.

Charles Coffman, Soil Conservation Service resource conservationist, Lubbock, said landowners shouldn't overlook the wildlife options available to them on CRP acres.

"We have developed a management note that outlines options to consider when planning the future of CRP acres," Coffman said. "Wildlife habitat options are important whether you plan to leave the acres in grass or return them to crop production."

The management note is targeted for the high plains and panhandle area and describes four basic options:

1. Managing the total grass acreage for wildlife habitat.
2. Managing the grass acreage for grazing livestock and wildlife habitat.
3. Returning part of the acreage to crop production and managing the remaining grass for wildlife habitat.
4. Returning the total acreage to crop production and managing for wildlife habitat.

Wildlife and other options will be discussed at a CRP meeting scheduled for Aug. 25 at the Lubbock Civic Center Auditorium from 9 a.m. to 4 p.m.

Card of Thanks

We would like to express our sincere appreciation to all our many friends and family for the prayers, visits, food, flowers, and support you've given us during the loss of our loved one.

May God Bless You,
Leona, Cecil, Connie, Ronia, Bill,
Denisha, Mandi, Sandi, Ty, Chase,
Bertha, and Burley

A simple "thank you" just isn't enough to express my gratitude for the kindness that's been shown to me the last few weeks. The prayers, visits, food, phone calls, and cards have meant so much. Carl and I are blessed to be part of such a caring community. God bless each of you.

Diann Reynolds.

We want to thank each and everyone who helped in any way when Ellwayne passed away. The EMS people, Nelda Hill who was here in three minutes, and my family who came so quickly. Also Sweet Street Baptist Church for serving lunch and their love and kindness. The choir and their music and Maxine Paris who never sang so beautifully. Especially Bro. Clifton Igo who was so dear to both of us. Thank you again for the food, flowers, phone calls - just being there for us.

June Chandler,
Lisa and Tim Looper,
Tom Chandler and family,
Betty Hersey and family.

The Lynn County chapter of the American Cancer Society would like to thank all those who donated money and time to the Ice Cream Social fundraiser held Saturday, July 30.

A special thanks to Stan and Julia Gill and their children, Martin, Abby, Emily and Matthew, for so graciously opening their home to us. Thanks to all who brought items of food.

Thank you to all who helped in addressing invitations and to all who so generously gave donations. We sincerely appreciate your open-hearted kindness.

You Need To Know...

by PATSY SANDERS of O'Donnell

(Editor's Note: Patsy Sanders of O'Donnell is a representative of Communicating for Agriculture (CA), a national organization of farmers and ranchers. She is concerned about the plight of rural America.)

Many of the health care reform proposals center on a concept known as "managed competition" and propose "mandatory health alliances" as the way we will all purchase our insurance. Last week we addressed the "managed competition" issue. The other aspects of managed competition are mandatory health alliances and freedom of choice.

The government plan wants people to be assigned to "alliances."

They want to run the alliances and set the rules.

Through these assigned alliances we would be required to receive our medical treatment. We would be at their discretion, not ours, as to whether we would be referred to a larger medical center or not. Even though we live near the high tech facilities at Lubbock, we might just as easily be assigned to a facility going the other direction - possibly Midland, Snyder, or another facility of lesser medical technology. It would all depend on where they choose to draw the lines for the alliance. We stand to lose another freedom through this system - "freedom of choice" if we choose to

sit by and not voice our concern. Freedom of choice must not become a causality of a reformed health system. Yet that is a likely outcome of too much government meddling and a "one-size-fits-all" reform plan.

True, there are advantages to rural Americans joining together to purchase health insurance. Farmers believe in cooperatives, and businesses in purchasing groups. But, we always do so with the belief that we, the people - not the government - will manage and run the cooperative or purchasing alliance.

Jeff Snehdsrud of Communicating for Agriculture says it right. "Mandatory alliances are monopolies. Monopolies stifle competition. Lack of competition limits choices, and limited choice can reduce quality." As rural Americans we must speak out loudly and forcefully and say no to this "one-size-fits-all" scheme.

Already all across America, new voluntary alliances in many shapes and sizes, with differing names and structures are changing the face of health care. We, the people are forcing our own American solutions to the health care crises. And, with common rules, standard practices and a level playing field, the people will continue to find better solutions than would be achieved by the government monopolies. Quite simply the government doesn't have to run the system in order to make it better. The proposals are empty promises to rural America.

So what is the answer? Part of it lies in growing our own solutions. As rural Americans, we already have cooperatives and associations in place. Many of them have group health plans. Let's improve on what we have, make changes necessary, and keep our choices in our hands - not the government.

The threat or possibility of being assigned to a particular alliance should frighten all of us in rural America enough to contact our elected representatives and let our voice be heard. Call now before it's too late.

Plans are for congress to try to act on this issue before fall elections - so act now. For more information, call 1-800-335-CHOICE or (806) 428-3861.

Next week we will look at "what does reform mean for jobs?"

Awards Given At Basketball Camp

Art Benefit Slated At Indian Canyon Ranch

The Lamesa Association of the Arts will sponsor its 12th annual "Denim and Diamonds" art exhibit, sale and auction on Saturday, Aug. 13. The Dean-Boswell-McCall Indian Canyon Ranch will host the benefit for West Texas Rehabilitation Centers of Abilene and San Angelo.

Seventeen artists representing 13 towns and cities will be participating in the event this year and includes Barry Pittman of Tahoka.

The preview of auction pieces

will begin at 6 p.m. followed by an authentic chuck wagon barbeque at 7 p.m. Bill Gerber will emcee and Jack Aull of Lubbock will conduct the auction at 8 p.m.

Entertainment will be provided by country band Stone Blue, and trips to San Francisco, New Orleans, and Dallas will be given as door prizes.

Tickets are \$20 per person and reserved tables are available. The public is invited and tickets may be purchased at the gate or from Bill Gerber at 806-872-6248 or Shirley Pearce at 806-872-7010.

Your HEALTH TIP

Danger - Undercooking Hamburgers At Home

Undercooking hamburgers at home is just as risky as ordering rare burgers in restaurants. Dr. Thomas Boyce of the Centers for Disease Control and Prevention, reminds consumers to "cook ground meat until the middle is no longer pink." In a California town, an outbreak of E. coli bacteria was traced to store-bought meat cooked at home. Annually there are 200-400 deaths linked to E. coli infection.

Special Education Assistance Available

MetroCountry Special Services is a special education cooperative serving Frenship, New Home, Shallowater and Wilson school districts. Services are provided to children between the ages of 3 and 21 years who have a speech, physical, and/or other problem which interferes with their learning. Services can also be arranged for children from birth through 2 years who are considered to be at risk.

Anyone knowing a child who may need special education assistance or anyone who has questions may call 866-4276 in Wolforth.

Records for children served through MetroCountry Special Services are confidential and are kept while the child receives special education services. Once these services have not been provided for 5 years, the records will be destroyed. Records for children who last received special education services in the 1986-87 school year and before will be destroyed.
