**THERE HE GOES AGAIN** - Monty Hale did all kinds of good things with the ball, leading Tahoka to a 41-7 win over Ralls here Friday. Here is one of his many ground-gaining efforts. He had more than 200 yards in total offense. (LCN PHOTO by Gary Jones)

## Hale, Brewer Lead Dogs To Big Win

By DALTON WOOD

Monty Hale scored two touchdowns on long pass plays, averaged 44 yards per carry (on just one carry), and intercepted two passes Friday night to lead Tahoka to a 41-7 win over the visiting Ralls Jackrabbits in a district game.

The junior split end caught touchdown passes of 88 and 64 yards from QB Shawn Brewer, who also had a very good game, rushing for 43 yards on two carries, including a 21-yard touchdown romp as the Dogs put their highest point total on the scoreboard since the 1986 team beat Crosbyton 62-14. The win evened Tahoka's season record at 3-3-1, 1-3 in district.

This week the Bulldogs play a non-district game against Boys Ranch at Plainview's Bulldog Stadium, which perhaps is why Tahoka is listed as the home team. Last Friday,

Stinnett West Texas beat Boys Ranch 61-14.

Hale and Brewer played great games, but it wouldn't be fair to say they did it all, because just about every Bulldog started played very well, especially the offensive and defensive linemen. Jermaine Rodgers from a defensive guard spot dealt Ralls misery, and was counted in on more than a dozen tackles. Gerold Cantu also had a lot of tackles, as did Reggie Moore and linebacker Jesse Perez, who also recovered a fumble.

Tahoka drove 68 yards for the first score of the game, as Cantu ran 15 yards, then Hale escaped for a 44-yard gain. Tailback Steve Wiseman, who gained 93 yards on 15 carries, scored on three straight runs from the 15, struggling across from the 5 with 5:26 left in the first period. Mike Rodriguez kicked his first of 5 extra points in the game to make it 7-0.

Ralls tied the score with 7:24 left in the half after taking over at the Tahoka 37 when the Bulldogs tried a running play on 4th and 4 from that spot. Aided by a penalty, Ralls moved to the 6 from where Ralph Gultron scored and J. L. Quintero kicked the point.

Striking back quickly, Tahoka went ahead when Hale caught Brewer's pass and outran all pursuers on a play which covered 88 yards, with 2:35 left in the half.

Hale then intercepted a pass with just 59 seconds left, and then scored on another long pass play, as Brewer hit him perfectly on a long throw, a 64-yard play, with just 20 seconds left. Rodriguez' kick made it 21-7 at halftime.

Opening the second half, Tahoka drove 67 yards to score, mostly on running by Brewer and Wiseman, who scored the touchdown from the 6 with 8:18 left in the third. Brewer scored from the 21 with 4:04 left in the third.

Early in the final quarter, Cantu ran 8 yards for a touchdown, on a drive engineered by Mike Rodriguez at quarterback. The PAT was missed, but it was 41-7 and it ended that way.

Hale had 208 yards receiving and rushing; Brewer had 207 passing and running. Wiseman had 93 on the ground. Cantu gained 30 in 9 carries; Mike Rodriguez carried 4 times for 15 yards and Mario Luna ran for 11 in 3 efforts.

## Wilson Man Dies In Wreck

William Destry Walzel, 26, of Wilson, was killed Friday morning after he apparently fell asleep while driving home from work and his car overturned into a ditch about a mile west of Wilson.

Walzel had just finished working at a Wal-Mart store in Lubbock, according to an investigating trooper with the Dept. of Public Safety. Walzel was driving a 1988 Chevrolet when the wreck occurred at the intersection of FM 211 and FM 2192.

DPS also investigated another one-vehicle rollover Sunday. Lacy Robinson Jr., 33, of Slaton was not injured when his 1978 Toyota pickup overturned on a county road in the northeast part of Lynn County, .7 of a mile south of U.S. 84.

A 31-year-old Slaton woman was charged with possession of marijuana under two ounces after being stopped by Tahoka Police while driving on U.S. 87 in Tahoka. She also was charged with possession of drug paraphernalia.

Alan Barrett reported to Lynn County sheriff's officers that someone had stolen a stereo from his 1980 Ford while it was parked at his residence in O'Donnell.

In jail during the week were six persons, on these charges: possession of marijuana and paraphernalia, driving while intoxicated (DWI) first offense, possession of marijuana with intent to deliver, public intoxication, DWI first plus no drivers license, and failure to appear on charges of driving while license suspended and DWI.

## Hospital District Submits Cumulative Voting Plan

Lynn County Hospital Board of Directors last week signed a compromise settlement agreement in a voting rights suit, agreeing to a cumulative voting method for election of directors to the board. The settlement is being submitted to Federal District Court for approval, and will then be submitted to the U.S. Department of Justice. If the plan is approved, the cumulative voting method will be implemented for the May 1996 election for hospital directors.

In cumulative voting, every qualified voter may cast as many votes as there are places to be filled, and may cast all votes for the same candidate if they so desire. For example, if there are three places to be

filled on the board, a voter may cast three votes for one candidate, or two votes for one candidate and one vote for another candidate, or may cast one vote for each of three different candidates.

Currently, hospital directors are all elected at-large.

In other business during the directors' monthly meeting, medical staff privileges were approved for several physicians for emergency room coverage, and monthly bills and a financial statement were approved.

All directors were present for the meeting, as well as Hospital Administrator Louise Landers and attorney Cal Huffaker.

## Woodwork...

by Dalton

I HAVE NO IDEA who gave it to me, or where it came from, but in a basket on my desk labeled "Things I May Get Around to Looking At Someday" there was a three-century calendar, a single sheet of paper which will tell you what day of the week any date from 1753 to 2059.

I have never needed to know this, but like most people exposed to the chart, I couldn't resist looking up the day I was born. I knew the year (I'm not putting it down here, either) and the date, which has been the same for as long as I can remember.

Anyway, I looked it up and found that I was born on a Tuesday. The next thought that brought on was an old poem that starts out, I think, "Monday's child is full of woe. . ." For the life of me, I can't remember what Tuesday's child is full of (and I'll thank all of you wise guys out there to refrain from uncouth suggestions).

I don't really remember being born on Tuesday, but I do remember laying there and wondering if it was always going to be that cold (it was Dec. 4). But someone did wrap me in a blanket and feed me. I've never been treated so well since.

According to the information under the chart, a General Electric Co. engineer named Arthur Merrill came up with it, probably on company time, although the information didn't say that. This is a 1952 chart, devised before computers really took over the world, so you have to admire old Arthur.

My birthday will be on Monday this year. Please send gifts; your presence won't be required. Just kidding. Last year my birthday fell on Sunday, injuring several people.

## Fire Chiefs Meet To Discuss Emergencies

Seven persons were present for a meeting in Tahoka Tuesday night in which fire chiefs discussed coordinating responses to fires and other emergencies in the county. The meeting was called by Emergency Management Coordinator Robbie Roberson, who explained that he recently has been setting up sessions involving the fire chiefs from Tahoka, O'Donnell, New Home and Wilson.

"We're all working together to promote better cooperation between the chiefs and officials in the four cities in the event of fires or other emergencies in the county," Roberson said.

## Spray Plane Crash Cuts Power Here

A spray plane defoliating cotton about five miles northwest of Tahoka Friday evening struck a power transmission line, cutting off electric power to Tahoka, Wilson, Post and part of O'Donnell for about 45 minutes.

Pilot of the plane, retired Navy Adm. Bruce Bremner, crash-landed the aircraft near Tahoka Lake, about a mile east of where it struck the line. He walked away from the crash and reportedly was not injured. The plane lost one wheel as he was trying to fly above the power line, the prop was bent and a wing was damaged. The plane later was retrieved from the area and taken to Tahoka Airport.

Doyle Webb, manager of Southwestern Public Service in Tahoka, said the line cut was a main transmission line coming from Lubbock. He said the areas affected by the crash included the cities named above, served by SPS, and some portions of Lynn County served by Lyntegar Electric Cooperative.

## Early Voting Being Held

Early voting for registered voters of Lynn County is now being conducted at the Lynn County Clerk's Office in the Lynn County Courthouse until Nov. 3, to adopt or reject 14 amendments to the Texas constitution. The clerk's office is open from 8:30 a.m. until 5:00 p.m. Monday through Friday. Early voting began Oct. 18 for the election which will be held Tuesday, Nov. 7.

Included in the amendments are the proposed approval of \$1.2 billion in general obligations bonds, abolishment of the Texas State Treasurer's office and a private property rights provision for agricultural land transformed into wildlife management.

A non-partisan "Voter's Guide" to the proposed constitutional amendments, prepared by the Free Market Foundation, is available free at The Lynn County News.

### County To Discuss Suit

Lynn County Commissioners met in regular session Monday morning, approving bills and discussing employee health insurance, and noting that the county's attorneys had answered the suit against the county, acknowledging the suit filed by two former Lynn County deputies.

Elton Childress and Willy V. Turner filed suit in U.S. District Court recently, seeking back pay wages amounting to \$250,000 each. Lynn County and the Sheriff's Dept. were named as defendants in the suit. The county has employed the firm of Crenshaw, Dupree and Milam of Lubbock to represent them in the case, and were to meet with a representative of that firm Wednesday at 9 a.m. to discuss the case, in executive session.

At Monday morning's meeting, the court named Cindy Gregg as New Home Emergency Coordinator, as approved by the New Home city officials. Also, Jeff Wyatt, representing Mutual of Omaha, met with commissioners to present an employee insurance plan, and commissioners said they would take the plan into consideration when the time came to renew insurance policies.

Three commissioners were present for the meeting, including Sandy Cox, J.T. Miller and Jacky Henry, as well as Judge J.F. Brandon, treasurer Janet Porterfield, and county clerk Ima Robinson. Commissioner T.A. Stone was absent, due to illness.

**Local Couple Active In Jail Ministry Here**

by KEVIN FRANKS  
Texas Tech Journalism Student  
When Reggie and Gloria Moore felt the Lord call them to serve in their community, they believed that the Lynn County Jail would be the perfect place to minister.

In August, the Moores began their local jail ministry called "Lord Remember Me". Since then, they have witnessed to almost 200 inmates, visiting every Wednesday and Sunday at the Lynn County Jail. Gloria Moore, a teaching assistant at Tahoka High School and an associate minister at Pleasant Grove Baptist Church, said that they meet separately with the prisoners in a one-on-one setting. They teach, preach, and do anything they can to be helpful.

"We do not push religion or denomination on them," she said. "Instead we let them know that they have an option to receive eternal life, and be forgiven if they ask for forgiveness."

Reggie Moore, the truant officer at Tahoka High School, agrees. He feels like ministering to inmates is what the Lord wants him to do. He also felt the need to do something positive for the Church and community. One of the most important things that the jail ministry does is to show the inmates that people do care about them, Reggie said.

In addition to ministering, they have travelled to the homes of people in the area who do not have phones in order to let them know that they have family members in the county jail. In the two months that they have been involved with the jail ministry, they have talked to people who have come from as far away as California, Denver, and Florida.

Most of the inmates are very receptive to their efforts, they say. One inmate left a letter with the Moores when he was transferred, thanking them for their help and asking them to keep praying for him. Gloria said that they have baptized two men.

According to the Moores, the only problem they have had is with people in the drunk tanks who are too intoxicated to understand what they are saying. They prefer to talk to these people once they are sober.

"The difficulty with this," Gloria said, "is that many of these people get drunk on Friday nights and make bail before we come in on Sunday." As a result, they are considering adding Saturday morning to their jail ministry schedule.

Some of the inmates at the county jail are waiting to be transferred to serve out prison terms and they get to visit with these people weekly. The majority, however, pass through quickly, and the Moores attempt to witness to these inmates before they get out of jail.

Reggie and Gloria never ask anyone what they are in jail for. They say they are interested in the souls of the prisoners, and do not believe they need to know what crimes they have committed.

The ages of the inmates at the Lynn County Jail vary, but the Moores are most concerned with the younger ones, since they still have their whole lives ahead of them, Gloria said.

The Pleasant Grove Baptist Church has been supportive of the jail ministry since it began, and donated about 75 Bibles to the cause. Jake Diggs, the Lynn County Sheriff, has also been very helpful, they said. Another major influence on the jail ministry has been Gilbert Herrera, the Lubbock County Jail Chaplain. He says he was saved through jail ministry himself, and Gloria reasoned that if it happened to him, it could happen to others.

In addition to her work at the county jail, Gloria Moore is also a member of the New Zeal Association, and through this group she speaks at churches in Lubbock, Slaton, Abernathy, and Post. She also has an open invitation to speak at the First Progressive Baptist Church in Lubbock every Father's Day.

Reggie Moore has found that his work at the Lynn County Jail has benefited him in his job of dealing with students at Tahoka High School. He tries to help every young person he can and has often spoken with children who have come to him from outside the school.

Reggie and Gloria ask for people in the community to donate Bibles to the jail ministry. They leave the Bibles with the inmates and encourage them to keep the Bibles when they get out of jail. The Moores once ran out of Bibles for about three weeks, and hope to avoid a similar situation. Anyone willing to donate Bibles can bring them to the county jail, Pleasant Grove Baptist Church, or directly to the Moores, they said. They do not want to be paid for their efforts and do not ask for money, Gloria said.

For now, the Moores are happy to be doing what they feel the Lord has called them to do, and they anticipate continuing their jail ministry for as long as possible.

Tatum Bessire rushed for 43 yards and one two-point conversion. Albert Gloria caught one pass for a two-point conversion.

Eric Gandy completed seven passes for 114 yards and two touchdowns. Gandy also had one two-point conversion.

"This was a good game for us. We were able to run and throw the ball well. I believe we learned a lot about ourselves and gained a lot of confidence. More importantly, every kid got some playing time and had fun in the process," said Steve Patridge, coach.

The Eagles have a record of 3-3 and will host Lubbock Christian at 6:30 p.m.

**Eagles Lose To Whiteface**

by ANDREA RODRIGUEZ  
O'Donnell Varsity Eagles suffered a loss to Whiteface as well as two more injuries. The final score was 2-28.

Victor Barrientos suffered a severe bruise to the hip and Felix Perez injured his knee.

The Eagles scored a safety with 8:28 left in the game avoiding a second shutout.

Juan Luera led in rushing yardage with 40 yards on 11 attempts. Bryan Inklebarger led the receivers with 30 yards on one catch.

Israel Costa racked up 28 yards on his 14 carries. Junior Costa had 17 yards on one catch and Luera completed two passes for 47 yards.

**Ralls Takes Out 7th Grade Dogs**

by REBEKAH CURRY  
The Tahoka Bulldogs seventh grade football team was defeated 8-20 as the Ralls Jackrabbits hopped to victory, Oct. 19.

Matt Sanders scored the six yard touchdown on a reverse. Ryan Curry scored the two point conversion.

"We got off to a slow start," said coach Cory Barnes. "Defensively we played our best half of football by holding Ralls scoreless in the second half. Michael DeLeon, Lucas Gutierrez, Michael Garcia, and Pedro Hernandez contributed to our good defensive playing."

"Offensively we played well in the second half by being able to move the ball behind some good blocking by our offensive line," said Barnes. "Gutierrez, Clay Pittman, DeLeon, Garcia, Hernandez, and Raul Garza all did a fine job of blocking. Tyson Harris and Curry both did a good job of running the football."

The Bulldogs will play at Sundown at 5 p.m., Nov. 2.

**8th Grade Dogs Fall To Ralls**

by BRENT RAINDL  
The eighth grade Tahoka Bulldogs were defeated by the Ralls Jackrabbits 14-34, Oct. 19.

The Bulldogs, who might have played their best half of the season, put themselves in a hole early and were never able to recover, according to Coach Barnes. "We came out and played really well in the second half," he said.

Sedrick Williams helped lead the Bulldogs to their highest point total of the year with two rushing touchdowns. Brady Raindl hooked up with Brad Pehsworth on one of several completions for a two point conversion.

Coach Barnes praised the offensive line for the good job of blocking they did and Cayetano Calzoncit for his defensive effort.

The Bulldogs will take a break in action this week and will play next at Sundown, Nov. 2.

### Boxing Team Goes To Morton Jan. 23

The Tahoka High School boxing team will travel over to Morton Jan. 23 for a return match with the Morton boys.

Recently the Morton boxing team came over to Tahoka and now the Tahoka team is returning this match.

Some of the boys on the Tahoka team looked pretty good, but we didn't see any A.L. White's or H. L. McMillan's or Billy Driver's. However this is the first year that boxing has been taught here for the last couple of years and a new crop of boys are coming up and may show up a lot better after a few more fights and a little more training. In fact we saw one or two good prospective fighters up there the other night. Jan. 10, 1947

### Disastrous Fire Destroys Three Stores At Wilson

Three business buildings in Wilson, occupied by the Wilson State Bank, the Wilson Drug Store, and the Lemons Grocery, were totally destroyed by fire which broke out in the rear end of the drug store about twelve o'clock Wednesday night. Practically all of the stocks of merchandise and furniture were also destroyed, only a part of the Bank furniture being saved.

Lonnie Lumsden is president of the Bank and Howard Cook cashier. K.M. Stewart was owner and operator of the drug store and W. I. Lemons of the grocery.

The drug store was a combination drug store and cafe, and the fire originated in the kitchen, just how is unknown. Mr. Stewart, the owner, was the first to discover the fire, and the Wilson Fire-fighting apparatus was rushed to the scene, but soon after it was gotten into operation the engine died and they were never able to start it again. The terrible gale which had been sweeping across the Plains all day was still blowing strong and the fire spread rapidly. Wilson people declared that if the engine had not failed, the fire could have been extinguished easily.

In the meantime, the fire departments of Tahoka and Slaton were called and rushed to the scene, but upon arrival they found that they were practically helpless in rendering aid for no water was available...

The town is fortunate in that the high wind was blowing out of the west and not out of the northeast, from which direction most of our winter winds come, for in that case, the whole town doubtless would have been wiped out. The post office, housed in a little frame building some thirty feet south of the drug store, and the big building occupied by the Wilson Mercantile Co. on the southeast corner of the block, the largest building in town, were not touched by the fire... Each year many tourists come to the Hill Country to enjoy the old-world atmosphere of this picturesque area. Original German architecture, with gingerbread buildings and limestone houses, still is preserved in quaint shops and restaurants that dot Main Street.

The Hill Country is also the home of Opa's Smoked Meats, renowned throughout Texas for its premium sausage and other smoked meat products. Now run by third-generation sausage makers, the company is dedicated to product quality, using only the best ingredients and smoking methods. "Opa", an affectionate German nickname for grandfather, reflects this strict adherence to family traditions.

## City Urges Residents To Approve Expanded Local Calling Option

Tahoka residents, and some rural customers, on General Telephone (GTE) service will have a chance in the next few weeks to decide whether they want toll-free calling to Lubbock and four other area towns through Expanded Local Calling (ELC). City officials are encouraging residents to vote for the optional service when they receive a ballot in the mail near the end of November.

According to city officials, ballots for the ELC option will be mailed between Nov. 14 and Nov. 29. If seventy percent of those who return

to Tahoka at no charge. The toll-free service is only to/from Tahoka to these other exchanges, however. O'Donnell residents will not be able to call Lubbock toll-free.

City Attorney Cal Huffaker said there are 1,185 access lines on the Tahoka exchange which will receive ballots. Each billing customer will receive one vote.

Ballots must be returned to GTE within 15 days after they are mailed to Tahoka customers. If Expanded Local Calling is approved, GTE must install equipment to provide the ser-

vice, but it is expected that the toll-free service would be operational by the beginning of next year.

"This is such a good opportunity for us," said Mayor Solomon. "The service would represent a major savings for our hospital and school, as well as for most businesses in town. And I expect that most residents make at least \$3.50 worth of calls to Lubbock or one of the other towns on the service," he added.

Tahoka exchange customers will receive a ballot and letter from GTE, which must be completed and returned to the Public Utility Commission, who will canvass the results. If 70 percent of the ballots are in favor of Expanded Local Calling, PUC will direct GTE to provide the service. If 70 percent of the ballots are not in favor of the ELC option, phone service will remain the same for Tahoka exchange customers, with no additional monthly charges, but phone calls to Lubbock, O'Donnell, Brownfield, Lamesa and Post will be toll calls, just as they are now.

The total cost for toll-free service to all five exchanges will be \$3.50 per month for residential lines, and \$7.00 per month for businesses.

If 70 percent of the voters approve the ELC option, all Tahoka GTE customers will be required to pay the increased local rates for the service. The service is not a per-line option - all Tahoka exchange customers would have Expanded Local Calling.

"We want to stress that the \$3.50 monthly charge is for toll-free calling to all five towns," said Mayor Jim Solomon. "It won't be \$3.50 per month per town - that amount is the total monthly cost that residential customers here will pay," he added.

DAYTON PARKER

#### Benefits of Cancer Drug Surpass Risks

Women who take Tamoxifen to prevent breast cancer recurrence are likely to live longer than those who do not. Studies followed more than 20,000 women for 2 to 5 years. There was a 35% drop in deaths from recurrent breast cancer for those on the drug, reported Dr. Joseph Ragaz of the U of British Columbia. There is some evidence that Tamoxifen raises the risk of uterine cancer and blood clots, but the studies also showed the benefits of taking Tamoxifen outweighed the risks.

## Letter To The Editor

Dear Editor:  
In your Sept. 28 edition I noticed with great interest a letter from Lois White concerning the 1945 dispute between the superintendent and the football coach that resulted in considerable controversy among the citizens of Tahoka.

At the time this dispute arose, I was a navigator on a ship in the general vicinity of the Philippine Islands. Almost daily we listened to the Armed Services Radio, this being about our only contact with news back home. One day the news reported a human interest story originating in Tahoka, Texas. The community was involved in a controversy involving the football coach, the players and the superintendent of schools. This report talked about the football players, with the help of their parents and friends, had thrown what was referred to as rotten eggs at the superintendent's

house. You can imagine how the people with whom I worked kidded me about the big city of Tahoka, Texas, making the Armed Services Radio news.

What I have reported to you is not world shaping, but it does demonstrate over again that it is a small world. When I saw Lois White's letter, it recalled that incident to my memory. Incidentally, Lois White is correct in saying the superintendent was E.E. Hancock.

I always look forward to receiving the Lynn County News because it brings back many fond memories of the years that my family and I spent in Lynn County.

Sincerely,  
Travis D. Shelton  
Lubbock

Dear Editor,

We appreciate the news coverage from the Lubbock Avalanche-Journal and the Lubbock TV and radio. But sometimes they go far past their duty.

We recently had a citizen arrested in Tahoka for driving while intoxicated. This citizen also happened to be on the school board, and he may have been on many more boards, I'm not sure. It doesn't matter, in this case it doesn't matter what the charge.

This did not happen on school property, yet this reporter brought it upon himself to go to our school, while school was in session, to try to interview faculty and students. This was not a salaried employee of our school system, he was not on school property, so why was it so important to interrupt and disrupt our children in the process of getting an education?

I believe this TV station owes our teachers and students a public apology.

Sincerely,  
Pat Green

## Farm News From Lynn County FSA Committee

Lynn County Farm Service Agency  
Jimmy Woodard, County Executive Director

**Committee Elections:** As the next phase of the reorganization of USDA begins the election of County Committee member will be completed. The Lynn County Farm Service Agency will hold elections for the 1996 County Committee from Nov. 24 to Dec. 4, 1995. The present members of the Committee are Larry Moore, Community "C", Chairman, Leland Zant, Community "B", Vice-Chairman, and Tony Bishop, Community "C", Member.

All three Communities will be electing Committee members this year. All eligible voters in Lynn County will receive a ballot this year. Each voter will be voting for the County Committee member from their community. The individual with the most votes in each community will be the County Committee member. The individual with the next high number of votes will be the first alternate to the Committee. Each term will be for a maximum of three years. The terms will be staggered with one community electing a Committee member each year beginning next year. This means that following this election one member will serve only one year before an election will be held in that community. Another member will serve two years before that community will hold an election.

Eligible voters may request a nominating petition and eligibility requirements at the Lynn County FSA office. The completed nominating petition must be returned to this office by Oct. 30, 1995. Generally the eligibility requirements are the same

as in years past.

**Additional Reorganizational Changes:** The local Rural Economic Community Development (former FmHA) office in Lynn County is completing changes that are required by the reorganization of USDA. The headquarters for the Credit Team members for Lynn and Terry Counties is Brownfield. It is not known at this writing what days members of the Credit Team will be available in Tahoka. For now the same telephone number and mailing address can be used.

**Failed Acreage:** Operators are reminded to report all acreage of crops that will not be harvested no later than 15 days after the abandonment and before destruction of the crop evidence. This reminder includes program as well as nonprogram crops. You will be asked to certify the number of acreage of failed crop when making this report.

If the crop is insured, be sure to notify and follow the instructions given by the agent before destroying insured crop evidence. Failure to make the report of failed acreage can cause loss of benefits and history. Operators are reminded that some owners have different insurance agents and a report will be required to the owner's agent.

**Name Change Again:** Please be aware of the change of our name. Our office is now the Lynn County Farm Service Agency (FSA). This name includes the office of the Lynn County Rural Economic Community Development.
