

Valentines Add Up For Lynn County Couples Married Over Half A Century

by GABE WILSON
 Texas Tech Journalism Student

Valentine's Day comes around once a year, on Feb. 14, when sweethearts express their love for each other... and some couples have been expressing those sentiments for well over half a century.

Lynn County boasts of a good number of couples who have held on to Cupid's magic for more than 50 years, and in the case of Hubert and Mallie Eudy of Tahoka, for 66 years. The couple met at Citizens National Bank in Abbott, were married on Dec. 14, 1929, and have counted their blessings with a great deal of humor and commitment since then. They have lived in Tahoka for the past 46 years.

The couple consider themselves

to be a great team. Both are involved with the Methodist Church here, and Eudy's favorite hobby is playing games on his computer. Mrs. Eudy takes great pride in being the best housewife she can be. And on Valentine's Day, Eudy says he never fails to get his wife her favorite - a box of chocolates.

As for the best advice this couple can give on being married 66 years: "Always turn a deaf ear to what you don't want to hear," says Mrs. Eudy with a smile.

Ross and Elvira Smith, who have lived in Tahoka for 53 years, also met each other at a bank many years ago. Both originally from Aspermont, they are celebrating their 60th anniversary in just two weeks, having married on Feb. 28, 1936. Mrs.

Smith, a first grade teacher, met her future husband at the bank in Peacock, where he was employed at the time.

The Smiths moved to Tahoka in 1943, where he was employed with Production Credit Association. Mrs. Smith continued in the teaching profession here.

Both feel very fortunate that they have enjoyed such a good life. They say that to stay happily married for so many years, couples must have a good sense of commitment, along with good intentions of having a successful marriage - good advice which has helped them through the years. "Don't ever go to bed mad at each other," Mrs. Smith advises.

Trustees Make AD Position Administrative; Approve Pay Hikes, Contract Extensions

by JUANELL JONES

In a move geared to allow the Athletic Director more time to fulfill his duties, Tahoka Independent School District Board of Trustees changed the AD position from teaching to administrative, approving a salary hike and extending Coach Darrell "Tooter" Draper's contract for another year.

Other administrative positions were discussed as well at last Thursday night's meeting, with contract extensions and salary increases given a unanimous vote of approval by the seven trustees. Trustees set an election date for May 4, approved Policy Update 50 and voted to keep employee health insurance with the current provider for another year, among other routine business.

Trustees voted unanimously to extend Coach Draper's contract for a year, changing his contract to an administrative 226-day contract and increasing his salary to \$37,000. Draper will continue to serve the district as head football coach and Athletic Director, but will not have regular classroom duties next year.

Principal contracts were renewed for all three campus principals in the district, with one-year extensions added to contracts for Elementary Principal Ronald Roberts, Middle School Principal Glo Hays, and High School Principal Bill Alcorn. Trustees voted to increase Roberts' salary by \$3,000, bringing his salary to \$43,000; Mrs. Hays' salary was increased by \$2,000 to make \$37,000, and Alcorn's salary was also hiked \$2,000 for a total of \$49,500. All

salary increases and contract renewals were approved unanimously by the seven trustees.

Business Manager Loretta Tekell's contract was renewed for a year, with a \$2,000 salary increase, and Counselor Sheri McCord's contract was renewed for another year.

Trustees went with the recommendation of an ad-hoc insurance committee composed of district staff, and renewed employee insurance with Horace Mann Insurance Co. for the next year. The committee had evaluated five different proposals for insurance.

The school trustee election date was set for May 4, 1996, with Dean Bartley appointed as election judge, Jackie Stephens as alternate judge, and Jerry Webster as early voting judge. Two places on the board expire this year, in Districts 3 and 4. Trustees Clint Gardner and Brad Hammonds currently serve in those districts.

Candidates may file for election at the school business office from Feb. 19 through March 20. Trustees do not have to live in the districts they represent, but only those who reside in those districts may vote. A map showing district lines is on display at the school.

Bids for two surplus school vehicles were looked at by trustees, who accepted the highest bids, of \$615 for a truck, and \$525 for a van. Trustees adopted Update 50 Board Policy as presented.

Mrs. Tekell reported an account balance in all funds of \$2,167,795.69, and monthly bills

were approved as presented. Principals Hays and Roberts reported successful initiations of accelerated reading programs on their campuses, and said both campuses are also looking at the Saxon math programs in their curriculums for next year. Principal Alcorn provided information on the district realignments, as well as enrollment figures.

Counselor McCord reported she had tested nine in the GED program in January, and will offer the test again in March. THS students will have an opportunity to take the exit TAAS test on March 5-7, she said.

Trustees and their spouses were treated to a dinner preceding the 7 o'clock meeting, in recognition of Board Appreciation Month. Students had written letters and cards to trustees, which were read at the dinner. A group of several second grade students presented a short musical program for trustees before the board began their business session.

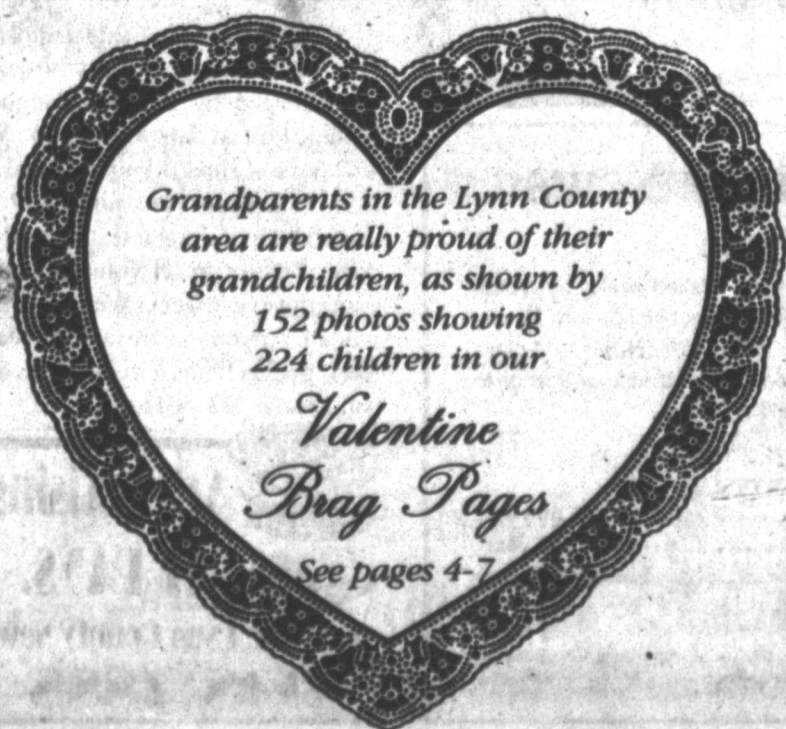

Trustees retired to executive session at 8:15 p.m. to discuss personnel, and returned to open session at 12:53 a.m., concluding business in just a few minutes to adjourn at 1:05 a.m.

The next board meeting was set for Thursday, March 14, at 7 p.m.

All seven trustees were present for the meeting, including Greg Henley, Clint Gardner, Brad Hammonds, Carmen Chapa, Joe Calvillo, Rex Rash and Juanell Jones; as well as Superintendent David Hutton, several district staff, and representatives from site-base councils.

HEADING FOR COUNTY SPELLING BEE - These Tahoka Elementary students will compete in the Lynn County Spelling Bee, as top winners in the Tahoka Elementary Spelling Bee's intermediate division. Seated in front are fourth grader Kyndra Selmon and fifth grader Garrett Ferguson, who tied for first place after completing 28 rounds (both went 10 rounds before officials declared a tie). Standing from left are sixth grader Crystal Jones, 3rd place; fifth grader Blake Ashcraft and fourth grader Cristal Amador, who tied for 4th place; sixth grader Lesley Chapa, 6th place; and fourth grader Emily Botkin, alternate. These students, along with last year's County Bee winner, sixth grader Nicole Green, will represent Tahoka in the County Bee on Monday, Feb. 19 at 7 p.m. in the school cafeteria. (LCN PHOTO)

Thursday, Feb. 15, chapter members celebrated the end of the fourth six weeks period and their accomplishments at regional competition by going to the 50th St. Caboose for a fun night. Chapter sponsor is Mrs. Barbara Jaquess.

I STILL HAVE SOME February stuff to dispose of, so now I'd like to comment on St. Valentine's Day and Leap Year.

St. Valentine was two people, the encyclopedia tells me. It was a name given to two Christian martyrs whose feasts were formerly observed on Feb. 14. One was believed to be a Roman priest martyred "during the persecution of Claudius the Goth, and buried on the Flaminian Way; the second was probably a bishop of Terni martyred in Rome. It is possible that these two legends were based on real people or, as some believe, one person. The association of St. Valentine's Day with love and courtship may have arisen from the coincidence of the date with the Roman festival of Lupercalia, a feast day dropped from the Roman church calendar in 1969."

So the St. Valentines had their feasts on the same day the Romans had a love feast, so the day comes to be a day of love and courting.

The book digressed into birthstones and associated beliefs, and told me that the purple amethyst is St. Valentine's stone and it also protects its owner from drunkenness. I never saw a purple amethyst; it sounds like some kind of demon. Nor do I need any protection from intoxication.

LEAP YEAR is the result of various rulers messing with the calendar since about 46 BC, when one year went on for 445 days to make up for past errors. Anybody born in one of those extra 80 days presumably never got any older, which would be neat. My reference tells me:

Romans, during the late republic, used various lunar-solar calendars. These calendars were supposedly based only on observation, but in fact they were influenced by political considerations. The Roman calendar was in error by several months during the reign of Julius Caesar, who recognized the need for a stable, predictable calendar and formed one with the help of an astronomer, Sosigenes. The year 46 BC was given 445 days, to compensate for past errors, and every common year thereafter was to have 365 days. Every fourth year, starting with 45 BC, was to be designated a leap year of 366 days, during which February, which commonly had 28 days, was extended by one day. The rule was not correctly applied, but the calendar was corrected by Augustus Caesar by AD 8.

The Julian leap-year rule created three leap years too many in every period of 385 years. As a result, the actual occurrence of the equinoxes and solstices drifted away from their assigned calendar dates. As the date of the spring equinox determines that of Easter, the church was concerned, and Pope Gregory XIII, with the help of an astronomer, Christopher Clavius (1537-1612), introduced what is now called the Gregorian calendar. Thursday, Oct. 4, 1582 (Julian), was followed by Friday, Oct. 15, 1582 (Gregorian); leap years occur in years exactly divisible by four, except that years ending in 00 must be divisible by 400 to be leap years. Thus, 1600, 1984, and 2000 are leap years, but 1800 and 1900 are not.

The Gregorian civil calendar is a solar calendar, calculated without reference to the Moon. However, the Gregorian calendar also includes rules for determining the date of Easter and other religious holidays, which are based on both the Sun and the Moon. The Gregorian calendar was quickly adopted by Roman Catholic countries and, eventually, by every Western country and Japan, Egypt, and China.

That no doubt is more information on Leap Year than you wanted; there was a lot more about calendars, some of it pretty confusing, and by the time I could absorb all that stuff, February would be gone. (For instance, one part said that by the calendar used by the British at that time, George Washington was born on Feb. 11).

I recall that when I was courting age, Leap Year was the time when females could ask males to marry them. I haven't heard much about that tradition in years. No female ever asked me to marry her.

Big Turnout For Blood Drive Here Exceeds Expectations

There was such a good turnout for the Blood Drive held for Jacky Henry here that some folks were turned away, because United Blood Services ran out of bags to contain the donated blood.

Tahoka Volunteer Fire Department sponsored a blood drive for Henry at the old fire station here Saturday afternoon, and United Blood Services brought enough equipment to service 50 blood donations. But to the amazement of UBS personnel, more than 50 people volunteered to give blood. UBS serviced three people every 15 minutes, from 2:00 until 6:30 p.m., when they ran out of supplies.

"They were very impressed with how this community turned out for Jacky," said one local sponsor. "They were busy the whole time, and said it was unusual for more blood to be offered than they could take," he added.

"The Fire Department would like to thank everyone for the wonderful response to the blood drive for Jacky — once again, the community joined together for one of their citizens," said a representative.

Revival Set Here February 18-21

Rev. M.F. Hankins will be the evangelist at the Assembly of God Church, 1929 Lockwood in Tahoka. The revival will begin Feb. 18, on Sunday morning and continue through Wednesday night. The service on Sunday will be at 10:45 a.m. and again at 6 p.m. on Sunday night. Services Monday night through Wednesday will begin at 7:30 p.m.

In 47 years of ministry, Rev. Hankins has served as pastor and evangelist. He has pastored churches in North Texas, West Texas, and Colorado. He served as the West Texas Youth President for six years while pastoring at Kermit, Texas. Rev. Hankins has preached youth camps in Oklahoma, New Mexico, Florida, and Central America. He has preached revivals from Washington D.C. to San Diego, Calif. Rev. Hankins also made a missionary trip to Russia in 1995.

"Everyone is welcome and encouraged to come and hear Rev. Hankins as he ministers the word of God, while enjoying the fellowship with some of God's wonderful people getting ready for the return of Jesus," said Pastor James K. Mayo.

For any further information please contact Rev. Mayo at 998-5317, or contact anyone who attends the church.

Teachers Disregard Dress Code To Promote Reading

O'Donnell Elementary teachers wore pajamas and Mack Lowe, elementary principal, shaved his beard Friday to reward OISD students for reading.

Earlier in the year, the students accepted the challenge of accumulating 500 points through the Accelerated Reader Program.

"The students decided that if they met this challenge, they would like their teachers to wear pajamas to school," Lowe said. "They also wanted to see me shave my beard."

The challenge was to be completed by the week of spring break, but the students met the challenge much sooner, amassing a total of 57206 points. This translates to something between 700 and 1,000 books.

"I think it's amazing that they've read that many books in such a short amount of time," Lowe said. "It tells us that our reading program is working."

Friday's festivities included Lowe publicly shaving his beard and each of the pajama-wearing teachers taking a walk across the stage.

Future plans involving the reading program include a balloon launch to take place before spring break. Every student will receive a balloon for each book he/she read.

One possibility for the next challenge is a school-wide ice cream party, and while it would "cost the kids a bunch," Lowe says that shaving his mustache is "not completely out of the question."

Tahoka Placed In New District

Tahoka has been moved into District 5-AA from District 4-AA as the UIL did its semiannual realignments. District members other than Tahoka starting in the fall term will be Morton, Sundown, Seagraves, Plains and Shallowater, which dropped down from AAA. Plains moved up from Class A.

PCG To Elect Business Director

Lynn County cotton producers and agribusiness representatives will elect a Business Director to Plains Cotton Growers, Inc. at 7 p.m. Monday, Feb. 19. The meeting will be held at Southwestern Public Service Reddy Room, Tahoka.

Announcement of the election comes from Wayne Huffaker of Tahoka, Lynn County Producer Director to the 25-county cotton organization, and Joe D. Unfred of New Home, current business director.

Each county in PCG's service area has two directors, one a business person and the other a cotton producer. They are elected on alternate years for two-year terms. Each is eligible for re-election every second year.

All producers and business people are invited to the meeting. However, under PCG By-Laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election. This provision of the by-laws will be fully explained at the meeting.

A PCG representative will conduct the election, review and answer questions about recent and planned PCG activities.

Tahoka BPA Students Win 40 Awards; 18 To Advance To State Competition

The 1996 Business Professionals of America (BPA) Regional Leadership Conference was a big success for Tahoka High School BPA students in both Mrs. Barbara Jaquess' chapter and Mrs. Valli Fell's chapter. Bringing home 40 regional awards, THS will be represented by 18 students at the state level conference held in Corpus Christi. Thirty-two THS students participated in Lubbock on Feb. 10-11.

Twenty-one students in Mrs. Jaquess' chapter brought home 29 awards, with 13 advancing to state competition. They are Erica Handley, Gerold Cantu, Robin Martin, Kerri Bryan, Misty Nance, Felicia Davis, Jeremy Brandon, Rebekah Curry, Gary Gandy, Robert Fant, Bonnie Stennett, Blanda Miller and J'Lyn Williams.

Eleven students of Mrs. Fell's BPA Chapter placed in their individual events, with five students advancing to the state level, including Marisa Martin, Georgia Williams, Abbie Gill, Kristi Chapa and Amanda Fuentes.

FUN WITH ELEMENTARY STUDENTS—Tahoka High School FHA students Felicia Davis, Jennifer Sepeda, Kerri Bryan and Amanda Charboneau are shown with Tahoka Elementary students during an FHA-sponsored workshop designed to help elementary children achieve independence after school hours by preparing snacks and managing home chores.

Tahoka FHA Members Present Elementary Workshops Here

Tahoka High School Future Homemakers of America (FHA) recently presented workshops on helping elementary children achieve independence during after school hours. FHA members are aware that many school children go home after school and must prepare snacks or manage home chores independently.

The first workshop was held last Dec. 14. Elementary children were informed on safety issues during the holiday season, prepared a variety of nutritious Christmas snacks, and constructed several gift ideas for parents. Thirty-five Tahoka elementary students participated in this workshop. FHA members focused on nutri-

tious Valentine snacks, safety measures when using kitchen equipment, and gift ideas for parents during the second workshop presented on Feb. 8. Fifth grade students were the targeted children during this workshop.

The workshops are part of a project called "Declaration of Independence" presented by FHA members Felicia Davis, senior; Liz Solorzano, junior; Jennifer Sepeda, junior; Roxanne Villanueva, senior; and Amanda Charboneau, junior, for STAR event (Students Taking Action for Recognition) competition to culminate with the Region 1 Leadership Conference in March at Midland High School. Other FHA members who participated in the project are Kerri Bryan and Blanda Miller, seniors.

FHA members determined a need within the community to educate elementary children on after-school safety measures and nutritional snacks. The project was also designed to provide children with a place to be with their peers and affiliate with older high school students.

"The high school students are all in a Child Development class, and they are gaining valuable knowledge about how to participate and educate younger children," said Mrs. Patti Rambo, adviser. "They are rising to the challenge of young children's special needs."

FHA members are in the process of planning a St. Patrick's Day activity for the elementary children. The dates will be announced later.

FHA is a national youth organization with the family as its central focus. It is sponsored on the state level by the Texas Education Agency, and there are two local chapters at Tahoka High School.

SPELLING BEE WINNERS—Third graders (from left) Sarah Box and Whitney Ferguson tied for first place in the Tahoka Elementary Spelling Bee's primary division (grades 1-3) last Friday, after completing 41 rounds. Both girls went ten rounds before bee officials declared a tie between the two girls. Third grader Kayla Selmon took second place, and her sister Klyssa, a first grader, took third place. LOTS OF CENTS—Grassland Church of the Nazarene Children's Church collected 32,000 pennies to help a work and witness team to build a church in Lamarta, Old Mexico. Shown here, standing from left, are Macie Alvarado, Matthew White, Jared White (class helper), Danny Rieter, Israel Huff and Byron Mason, and in front are Sierra Rieter and Whitney Ferguson.

THS Implements "Zero Hour"

Tahoka High School administration and faculty have implemented a new program to try and help students perform better on daily assignments. This new program has been named "Zero Hour" and will be held in the Learning Resource Center from 3:40-4:40 p.m. each afternoon.

Any student who does not have his or her complete homework assignment for class will be assigned to "Zero Hour" for that afternoon. Students will be responsible for contacting parents and/or employers to inform them of the changes in schedules.

"Hopefully, this new program will help and encourage students to make better grades while achieving greater success," explained High School Principal Bill Alcorn. "This study time will afford an opportunity to work in a quiet learning environment. The overall aim is to convey to the students that the teachers will not accept zeroes and that the teachers demand an honest effort from each student," he added.

Sandy Cox Named To Directors Board

Lynn County Commissioners Monday approved a resolution naming Sandy Cox, Commissioner, Prec. 3, to the Board of Directors for the West Texas Judges and Commissioners meeting in San Angelo. The decision was unanimous by the other three commissioners.

In other business, commissioners approved a request for extended

hours for secretarial duties for the next two months in the Justice of the Peace office here, and approved monthly bills and financial reports.

A resolution for 9-1-1 emergency service through South Plains Association of Governments was approved as presented, and some discussion was held concerning comp time for Sheriff's Office personnel, but no action was taken on that item.

All four commissioners were present for the meeting, including Mrs. Cox, Jacky Henry, T.A. Stone and J.T. Miller, as well as County Judge J.F. Brandon and other county personnel.
