Boy, 8, Struck By Pickup

A third grade student headed for school Monday morning suffered a broken wrist and other bruises and lacerations when he was struck by a pickup.

Daniel Dunlap, son of Mr. and Mrs. Andy Dunlap of Tahoka, was treated at Lynn County Hospital after being transported by Lynn County EMS ambulance. On Tuesday, he had his arm in a cast and was reported doing well at home, according to his father.

Driver of the pickup, which was pulling a stock trailer, was Clay Taylor, 18, who told officers he did not see the boy crossing at the intersection of Lockwood and Ave. P. No charges have been filed in the case, according to Police Chief Randy Smith.

Two other traffic accidents were investigated by Tahoka Police Dept. during the last week. On Saturday in the 2000-block of Lockwood, a 1985 Chevrolet Suburban driven by Jor-

dan Vega, 13, struck the Jolly Time Video building, causing an estimated \$1000 damage, but no injuries.

Christine Martin Askew of Tahoka was listed as driver of a 1992 Suburban which struck a parked Mercury Cougar owned by Roger Williams of Tahoka at 1729 Lockwood on Saturday.

Estella Amador Resendez, who lives on S. 3rd, reported that she found all eight of her chickens dead in the pen when she went to feed them Saturday.

Damage to equipment at a car wash on US 87 access road was reported by owner Todd McNeely of Tahoka last Wednesday.

Ben Franklin of Rt. 1, O'Donnell, reported that on Aug. 13, someone had taken his tractor, which was later found about a mile away, stuck on a

county road about two miles east of O'Donnell.

Two more persons were jailed during the week, one for felony intoxication plus assault, and the other for first offense driving while intoxicated.

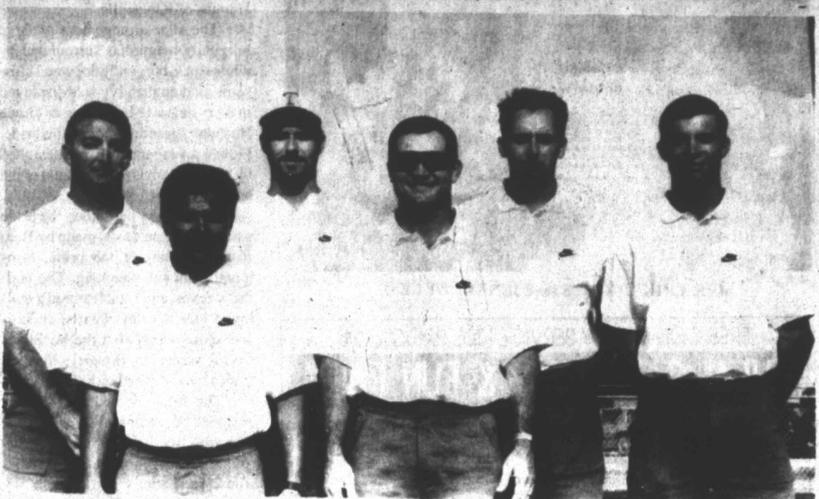

Donations Now Being Accepted For New Center

With the promise of \$100,000 grant making the dream of a new community/life enrichment center in Tahoka within reach, area organizations, businesses and individuals have an opportunity to contribute donations to the project. Donations are being accepted at Tahoka City Hall for the \$218,000 proposed facility.

A \$100,000 "grant challenge" was given by a West Texas foundation who wishes to remain anonymous, providing more than half the funding needed for the facility. With \$29,359 worth of volunteer "in-kind" donations already pledged, the dream is only \$89,000 away from becoming a reality.

City grant writer/project director Retha Pittman is currently working on other grant packages to request funds from several other foundations for the remaining \$89,000, but local contributions in the form of memorials, honorariums and donations will be appreciated.

All donations will go into a separate fund set up specifically for the life enrichment center, and not into city coffers, according to Mrs. Pittman. Carl Reynolds, Vice President at First National Bank, is chairman of the steering committee which heads up the project. The fund will be opened at First National Bank of Tahoka, and donations will be accepted at City Hall during business hours.

TISD Board Okays School Budget, New Tax Rate

Following a public hearing (which no citizens attended) on the proposed budget for Tahoka Independent School District, the Board of Trustees Monday approved a budget with total expenditures of \$4,712,553 for the 1996-97 school year, and hiked the tax rate by three cents in other action at the noon meeting.

Trustees voted 6-0 in approving the budget, and were also unanimous in setting the tax rate at \$1.224 per \$100 of property valuation. That rate is within the limit allowed by law without a public hearing, and is just under 3-cents higher than the current rate of \$1.195 per \$100 of property valuation.

Present at the meeting were six trustees, including Greg Henley, Rex Rash, Bríd Hammonds, Joe Calvillo, Carmen Chapa and Juanell Jones, as well as Superintendent David Hutton and Business Manager Loretta Tekell. Trustee Ginger Henry was absent from the meeting.

Jury Cancelled For Aug. 26

The jury that was called for Aug. 26 has been cancelled, according to Sandra Laws, Lynn County District Clerk.

Those who received jury notices for that date do not have to report.

One of the attorneys in the criminal case asked for more time and the court granted a motion for continuance.

Nine civil cases were set to be heard, of those - four settled out-of-court and one went into mediation.

If anyone has any questions, they may contact Mrs. Laws at 998-4274.

Nominations Being Sought

Nominations are now being sought for the Tahoka 1996 Man and Woman of the Year awards, presented annually at the Lynn County Harvest Festival by the City of Tahoka. Deadline to submit names and reasons for the nomination will be accepted until Sept. 1.

Nominations should be submitted to Mayor Jim Solomon, P.O. Box 300, Tahoka, Texas 79373. A committee will make the final decision, and the awards will be presented Saturday, Sept. 14 at the Harvest Festival.

Youngsters' Welfare Top Priority For New Head Football Coach

Troy Hinds, new athletic director and head football coach at Tahoka High School, wants everyone to know that his primary objective in football and other athletics is to do the best he can "for the kids, not for myself."

Hinds, who really is not new to the school, but who has the new duties listed above, says there are two kinds of coaches—"those who want to build a good resumé and those whose main goal is to help the kids." He added that he is very proud of the hard work that the football team candidates are doing, and also very appreciative of his all-new coaching staff.

Coach Hinds, now in his third year as a coach here, was defensive coordinator for departed Coach Darrell Draper, and he will continue that job as head coach, parceling out many of the other duties to his assistants, Brent John, Toby Villa, Scotty Bruington, Michael Langan and Darren Haseloff. Villa also will be head boys basketball coach, a job handled very well last year by Hinds.

This year's Bulldogs will scrimmage at Post at 6 p.m. today (Thursday) and will scrimmage Coahoma here next Thursday. First game is at home at 8 p.m. Sept. 6, against the O'Donnell Eagles. The second game on Sept. 13, also here at 8 p.m., will be homecoming, with Lorenzo as the opponent.

Running out of the I formation

with some variations, the Bulldogs are likely to line up like this on offense:

Senior Brent Raindl, 6-2, 185 at quarterback; he's new at that position.

All district running back Steve Wiseman at tailback. A 185-pound junior, he may share time with senior tailback Dustin Burleson, 153-pounder experienced at that position.

Junior Davy Stone, 180, at fullback, and Monty Hale, the district's leading pass receiver last year, at wingback. Hale is recovering from knee surgery, but should be ready by the first game.

Rocky Moore is working out well at split end, said Coach Hinds, and Matt Garcia, another good receiver, is at tight end.

Although Hinds has 13 lettermen returning, including four offensive starters and five on defense, the offensive line is inexperienced and unproven, but working hard, he said. At center should be Gary Chapa, 155-pound sophomore; working at guards are senior Armando Pallanes, 170, and junior Ricky Cloe, 178. Tackles are senior Aaron Long, 185, and senior Victor Herrera, 200, who was honorable mention all-district tackle last season.

Heading the list of returning defensive starters from last year's team, which had a 4-5-1 record, is all-district end Joseph DeLeon, a senior weighing 185. Matt Garcia, senior,

200, and 210 senior Reggie Moore return at tackles; Herrera or David Ayala, 180, senior, will be at nose guard.

Linebackers will be new at that position, with Wiseman, Stone, Chapa and Burleson expected to answer the needs. In the secondary should be Mario Luna, Jaime Luna, Rocky Moore and probably Hale, when he returns.

Tahoka is in a new district alignment this season, with other district foes to be Morton, Shallowater, Seagraves, Sundown and Plains. Plains has moved up from Class A and Shallowater has moved down from AAA, where they had a lot of success.

Regardless of what happens, Hinds says he is proud of his athletes and proud of his coaches. "Since we've been here, our kids have worked harder than any of the new coaches have ever seen, and that says a lot for these young men."

WE WENT to see the bridge over Royal Gorge in Colorado recently. Twice, because the first time they made us so angry that we drove away, but after we cooled down a few days during a Colorado trip, we went back.

We had stopped at the deep ditch on the way to points north of there, but we were pressed for time, so just figured we'd park and walk across the bridge and come back and be on our way. But it's blocked off by a ticket booth and gate and a bunch of carnival stuff like merry-go-round, train rides, tram rides and such. And they wanted \$11 for each of us three adults and \$8 for the one child, just to walk across the bridge, look down and come back. My wife told the ticket man (who wore an eye patch so he wouldn't be recognized in a lineup) that it was ridiculous, so we left.

The price included all the rides, but we didn't want to ride anything. We just wanted to go across the bridge, which was free the last time we visited it (yeah, it has been awhile, just shortly after the invention of the automobile).

We went back there on the way home and paid the required admission and even rode a couple of trains, just so we'd get our money's worth. But it's a shame the way so many natural attractions in this country have been turned into commercial deals with junk around them which detracts from the natural beauty. At least Canon City, Colo., which has leased the whole area, should be ashamed that there's no minimum fee for senior citizens and people in a hurry who just want to see the gorge from the bridge.

Of course, they're making all kinds of money, so they probably could care less.

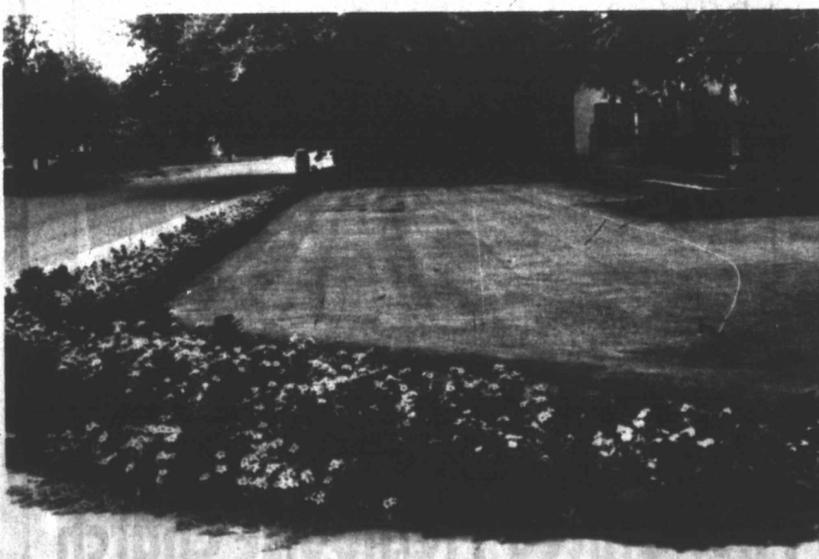

And we did get to see the hole thing.

MRS. ERIK HUGHES (nee JENNIE WELLS)

Wells-Hughes Vows Exchanged August 10

Miss Jennie Wells and Erik Hughes exchanged wedding vows Saturday, Aug. 10, 1996 at 7 p.m. at the First United Methodist Church in Tahoka. Rev. Ron Colwell of Ralls First United Methodist Church officiated the double ring ceremony.

The bride is the daughter of Jim and Chloe Jan Wells of Tahoka. She is the granddaughter of Grace and Maurice Huffaker, and Ruth Wells, all of Tahoka.

The groom is the son of Phyllis Hughes of Kingsville.

The altar arrangement of large burgundy magnolias surrounded by white stock, burgundy dogwood blossoms, and english ivy was displayed in a crystal vase belonging to Grace Huffaker, grandmother of the bride. Flower arrangements were designed by Leasa Thomas of Ralls, aunt of the bride.

Escorted by her father, the bride wore an elegant dress, made by Beth Huffaker, aunt of the bride, fashioned from silk shantung. The bodice, sleeves, and back featured a scalloped lace overlay. Pearls, crystals and sequins accented the bodice as well as a dress length panel which fell from a bow attached at the back waist.

The bride carried a bouquet, designed by Jonama Allen of Tahoka, featuring two large white lilies surrounded by burgundy dogwood blossoms, stephanotis and english ivy accented with pearl filament, tied with a sheer ribbon bow, carried atop a white Bible covered in lace and beads made by Ruth Wells, grandmother of the bride. The Bible was carried by the bride's mother in her wedding, and represented "something borrowed". The bride also wore a blue garter, and wore the groom's great-great-grandmother's ring for something old. Her dress represented something new.

Kelly Wells of Tahoka served her sister as Maid of Honor. Abby Wells of Tahoka, sister of the bride, and Aleisha Hughes of Kingsville, sister of the groom, served as bridesmaids. Their long, straight, sleeveless dresses were fashioned from floral burgundy and mauve chintz fea-

turing a low V-back accented by a large bow of the same fabric, made by the bride's grandmother, Ruth Wells.

Assisting as Flower Girls were Sarah Thomas of Ralls, and Morgan Carpenter of Lubbock, cousins of the bride. They wore floor-length mauve satin dresses accented with white lace and a large double bow in back.

Bill Franklin of Lubbock served as Best Man. Chad Hughes of Kingsville, brother of the groom, and Matthew Wells of Tahoka, brother of the bride, were groomsmen.

Ushers were Pat Robertson of Lubbock and David Thomas of Ralls, cousin of the bride.

Wedding music was provided by pianist Southern Bush of Idalou and organist Haney Wells of Tahoka, with special music by Byron Norwood of Tahoka who sang "The Lord's Prayer" and "I'll Be There." Lara Ferguson of Lamesa sang "Surely the Presence of the Lord is in This Place."

Betsy Huffaker, cousin of the bride, registered guests.

A reception followed in the fellowship hall of the church.

The bride's table featured the altar arrangement, bride's bouquet and crystal candelabra. The three-tiered cake edged with white icing scallops accented with a topper of two hearts made of crystal beads was designed by Leasa Thomas. Punch was served from a crystal punch bowl.

The bride's table was attended by Terri Solomon of Lubbock and Chasity Hood of Canyon.

The groom's double layer chocolate cake, accented with strawberries, was served from his table decorated with ivy, double wooden hearts inscribed with the couple's name and wedding date, and a brass coffee server. Attending the groom's table were his cousins, Krystal and Kaycee Krieg of Plano.

After a honeymoon in San Antonio, the couple will reside in Lubbock where the groom is employed by the Small Animal Care Clinic, and the bride is a student at Texas Tech.

Rotary News

The Tahoka Rotary Club met for their weekly meeting Thursday, Aug. 15, 1996, at the Tahoka United Methodist Church. Louise Landers introduced the speaker, Jimmy Owens of Floydada, who is an amateur archaeologist. Owens, who is employed by the City of Floydada Water Department, is helping archeologists from four states excavate parts of Blanco Canyon, which lies between Floydada and Crosbyton, in search of evidence that the Spanish explorer Coronado was in the area in the 1500's.

Coronado started from Pecos Pueblo in New Mexico with an army of 1500 Mexican Indians and 5000 head of livestock and went East and South, eventually ending up in central Kansas, in his search for a golden treasure. He was on the South Plains and Panhandle of Texas 350 years before Charles Goodnight blazed across the area. The exact area of his stay in Texas has been under debate for years, but recent excavations in Blanco Canyon leads experts to believe that is where he made camp. Coronado was the last of the Spanish

explorers to use crossbows, and evidence of these has surfaced in the area. The canyon protected the Spaniards from the harsh weather of West Texas.

Owens showed a video tape of other archeologists at work in the area, then answered the curious Rotarians' many questions. Most pieces of Coronado's journey on the plains are still missing and Owens hopes to help put the 300 year old puzzle together.

Get well wishes were sent to charter member, Dr. Kenneth Durham, who is undergoing tests at Methodist Hospital in Lubbock.

Hospital Board Approves Budget

Lynn County Hospital District Board of Directors approved the hospital's annual budget in a routine meeting Tuesday evening, with six of seven directors present.

Hospital Administrator Louise Landers said the board would discuss setting the tax rate at next month's meeting, but indicated that the hospital district's effective tax rate was being eyed, which would bring in the same revenue as the prior year.

Attorney Cal Huffaker met with the board to give an update on the voting rights case against the hospital, and said he is still submitting information to the Justice Department.

Other routine business included approval of monthly bills and the

financial statement. Mrs. Landers also reported that the hospital would be visited Friday by a team to determine the Level IV Trauma certification designation for the local hospital. Directors present at the meeting were Virginia Griffing, Boyd Barnes, Billy Tomlinson, Jimmy Dorman, Norman Ledbetter and Mike Rivas. Director Peggy Morton was absent.

The NEW HOME News by Karon Durham 924-7448

New Home School News
New Home schools began classes on Thursday, Aug. 15. The enrollment is 185 for kindergarten through 12 grades. A general assembly was held to recognize new students and changes that were made in the school system. A report on the TAAS tests was given to let the students know that their school is now a "recognized campus" due to the good TAAS results in May of '96.

Glenn Kreger has now been named superintendent of the school system following the resignation of Tom Templeton. Kay James is the new business manager following the resignation of Gerry Turner in July. Replacing Kay is Lonette Smith as principal's secretary and lunchroom coordinator.

Football practice has been underway and their season opens with a scrimmage against Jayton on Aug. 22 starting at 6 p.m. The opening game is against Loop on Sept. 6 at 7:30.

The extended day will still take place on Wednesdays but a note will be sent home to let the parents know when that will begin.

If you have news that you would like published under the New Home heading, please call Karon Durham before Friday at noon.

Classic Cars To Be Displayed At Sept. 14 Harvest Festival

Area residents will have a chance to see classic cars at the Lynn County Harvest Festival this year, as members of the Nifty Fifties Car Club of Lubbock will have several cars on display at the downtown square on Sept. 14 for the Saturday festival.

The cars are another new addition to this year's 21st annual event, held on the courthouse square in downtown Tahoka. This year's festival committee is also offering two new grand prizes to be given away in a drawing that day. The first 200 people who donate \$20 to the Lynn County Harvest Festival receive a ticket for the drawing for a 46" Zenith Big Screen Color Television or \$1000 cash. Two names will be drawn, with the first name drawn to have their choice of the TV or cash, and the second name drawn to receive the remaining prize. Tickets are now available in Tahoka at The Lynn

County News office or from Balloons & Flowers.

Several other drawings will be held throughout the day, including Cow Patty Bingo, with cash prizes of \$250 and \$100 offered in the event in which the cow determines the winner. The Tahoka Junior Class is sponsoring this event.

Harvest Festival Queen and Princess contestants are selling 50-cent and \$1 tickets for opportunities to win two bicycles, a Texas Tech football game weekend in Lubbock which includes hotel accommodations, and a grand prize trip for two to Mexico including airfare and hotel accommodations. The winner chooses the destination and date of the trip.

Merchant drawings are held throughout the day, and food and game booths will offer a variety of food, drinks, games and crafts. Booth Chairman is Dustie Cook, phone 998-

COLD SUMMER FUN — Ridge and Bailey Hall, children of Ricky and Marita Hall of Tahoka, shivered by this sign at the top of Pikes Peak in Colorado long enough for this photo to be taken on Aug. 9. It began snowing on the family soon after the picture was taken.

The Wilson School Board met last Thursday, Aug. 15, to interview and employ an interim superintendent. Ray Kinnison, retired superintendent from Seagraves, was hired as the interim superintendent. Ray is a veteran school administrator. He was also principal and superintendent in Olton for a number of years. He will be at Wilson I.S.D. two days a week, beginning Sept. 3.

The Wilson Mustang Booster Club held its first meeting of the 1996-97 school year on Aug. 14. Newly elected officers for the new year are: President, Karen Wilke; First Vice-President, Tami Bolyard; Second Vice-President, Dennis Bednarz; Secretary, Susan Wied; and Treasurer, Donna Fields.

After the officer elections, a discussion about the upcoming year and the booster club activities was held. Items of discussion included concession stand workers, people to help with the chain gang at the home football games, the annual meet the mustangs night which is scheduled for Aug. 30 following the Loop scrimmage, cap sales, the annual Mexican stack supper, and participation in the fall festival.

The second meeting was held on Aug. 20 in the school cafeteria and planning for the meet the mustangs event continued.

The booster club always welcomes new members. Those who would like to become members of the club are urged to contact any club officer, club member, or contact the school. This year's club officers have set a goal to build a bigger and better booster club for the benefit of the students and the school.

The Wilson Elementary P.T.O. held their first meeting of the year and decided

to sell blue and white pom-pom type shakers. These will be on sale for \$1.50 and may be purchased from any P.T.O. officer or by contacting Patricia Borrayo at 628-6405.

The P.T.O. is seeking new members and those interested may join at any of the club's meetings by paying the dues of \$1.00 per person.

St. John Lutheran Church said goodbye to Pastor Jerry Thomas last Sunday with a pot-luck meal after church. Pastor Thomas came to Wilson a year ago as part of his training for the ministry and after the year's internship, he is returning to the seminary to complete his studies. St. John will welcome their new intern-pastor and his family on Sunday, Aug. 25th.

Wilson Elementary students are off to a great start, with an exciting year of learning ahead. Please make sure that your child arrives at school by 8:05 a.m. each morning. Absences should be limited to illnesses and emergencies. Students must bring a note for any absences the day he or she returns to school. We appreciate your cooperation. We look forward to working with you and your child!

Congratulations to the Wilson Elementary students who earned Academic Recognition on the TAAS tests taken last spring. Academic Recognition is awarded to students who correctly answer 95 percent or more of the items on a particular subject area test. This is a tremendous accomplishment! We are proud of all of
