## Saturday's Harvest Festival To Offer Fun, Food, Prizes

A wide variety of entertainment is expected to lure county residents to the 21st annual Lynn County Harvest Festival this Saturday, an event which offers prize giveaways, games, contests, and other activities at the courthouse square in downtown Tahoka.

The all-day event begins at 9 a.m. with games for children, and booths opening by 10 a.m., with merchant drawings beginning at 11 a.m. and continuing on the hour throughout the day. "Bandgora," a country dance band, will perform on stage during the day as well as for the Street Dance from 8 p.m. until midnight.

Children may bring their frogs and turtles for the frog and turtle races from 9-10 a.m., under the direction of 4-H members. From 10-11:30 a.m. children may participate in a three-legged race, a sack race, and a water relay, under the direction of Todd Keller.

Lots of prizes will be given away during the day, including \$1000 cash and a Zenith 46" Big Screen Color TV from the Harvest Festival Committee and Ray's TV & Appliance, \$250 and \$100 prizes in Cow Patty Bingo, a trip for two to Mexico from Queen ticket sales, two bicycles and a Texas Tech game package weekend in Lubbock from a drawing from Princess contestant ticket sales.

The Princess and Queen contests will held during the afternoon.

Queen contestants in this year's contest include Ashley Abell, Kassidi Andrews, Rebekah Curry, Amy Garcia, Amie Lopez, Robin Martin, Crystal McAllister, Marissa McCord, Amy Sanchez, Micah Smith and Cynthia Solorzano, all Tahoka High School girls.

There are 17 Princess contestants, including Salena Alvarez, Samantha Andrews, Krista Cloe, Carissa Hall, Kelee Harcrow, Jennifer McCleskey, Porscha Mitchell, Sonya Moralez, Michelle Pena, Candice Quintero, Amanda Roberge, Meghan Saldana, Adriana Segovia, Apolonia Sepeda, Tara Stanley, Jenny Teague and Ashley Wilson. All are students are Tahoka Elementary School.

The Tahoka Man and Woman of the Year awards will be presented by the City of Tahoka during the Queen and Princess ceremonies.

Several vintage cars will be on display on the square from the Nifty Fifties Car Club in Lubbock for residents to view. The City/County Library will have a booth displaying auction items for their annual Silent Auction, where bidders write their bid on slips of paper placed beside each auction item.

Booths will close at 5 p.m., with the exception of the Tahoka Rotary Club's sausage booth which will remain open for the Street Dance that night.

**HOMECOMING QUEEN CANDIDATES** - Tahoka High School 1996 Homecoming Queen candidates are Jennifer Dotson, junior (standing), Shana Harris, freshman (seated left), Amanda Fuentes, sophomore (seated right), and Lisa DeLeon, senior (center front). The Homecoming Queen will be crowned by the 1995 Queen, Micah Smith, during halftime ceremonies at Friday night's football game. (LCN PHOTO)

H - 7:30 p.m.  
New Home vs. Klondike  
T - 7:30 p.m.  
O'Donnell vs. Plains  
H - 8:00 p.m.

## Bulldogs Begin Season With Win Over Eagles

By DALTON WOOD

Tahoka and O'Donnell opened their football seasons here Friday night, and Tahoka won 28-0 as the two county schools renewed a rivalry which last was played in 1967.

Quarterback Brent Raindl scored one touchdown and passed for another as the Bulldogs overcame a tough Eagle defense which kept the game scoreless in the first quarter. And Tahoka led only 9-0 at halftime.

This week O'Donnell will host Plains, while the Bulldogs will play Lorenzo in Tahoka's homecoming game. Plains lost 20-19 to Abernathy last week and Lorenzo beat Happy 27-8.

In the first quarter Friday, O'Donnell took the opening kickoff and Felix Perez had a 10-yard gain before the Eagle offense stalled. Tahoka tailback Dustin Burlison ripped off a 29-yard run which started off his super rutting game of 164 yards in 20 carries. This drive also stalled, but after Randy Burlison intercepted an O'Donnell pass at the Eagle 30, Tahoka cranked up a short drive which was capped by Raindl's 1-foot dive across the goal line on the first play of the second quarter. A point kick try was no good, and it was 6-0.

Another Eagle drive was stopped by Rocky Moore's interception. Later in the period, Matt Garcia kicked a field goal to make it 9-0. After the kickoff to O'Donnell, Eagle running back Ramiro Montez broke away on a 36-yard run to the Tahoka 39, the longest play from

scrimmage for O'Donnell in the game. A fumble recovered by the Bulldogs thwarted that drive.

Tahoka's top pass receiver last year, Monty Hale, showed that off-season surgery won't slow him much, as he took a 68-yard touchdown pass from Raindl, running about the last 40 yards very early in the third quarter. Garcia's kick made it 16-0.

Tahoka cranked up another drive, and with 7:52 left in the third, running back Reggie Moore ran 11 yards for a TD. The kick was no good, and Tahoka then led 22-0.

Still in the third, Tahoka wound up the scoring with a 32-yard run by Dustin Burlison, after Hale had caught a 17-yard pass to keep the drive going. The extra point kick was blocked. An earlier Bulldog drive had been halted by good Eagle defense, led by linebacker Mark Montez and tackle Arthur Sanchez. Sanchez, linebacker Calley Conner and safety Ruben Nambo all turned in good defensive work for O'Donnell.

In the fourth, big defensive plays by Tahoka kept the Eagles from scoring. One was a pass interception by Adrian Graves and another was a fumble recovery by Reggie Moore. Later in the quarter, O'Donnell got a drive going with back-to-back passes of 16 and 11 yards from QB Manny Gutierrez to Nambo. But Bulldog defensive end Joseph DeLeon sacked Gutierrez for a loss of 15 and this stopped the Eagle drive which had gone down to the Tahoka 19.

Tahoka's Matt Chancy intercepted another O'Donnell pass late in the game.

For O'Donnell on offense, Ramiro Montez gained 42 yards on 6 carries and Perez had 26 on 10 carries. But the best average went to Tatum Bessire, who gained 34 yards on just three carries. Nambo caught four of O'Donnell's five completed passes, for 53 yards.

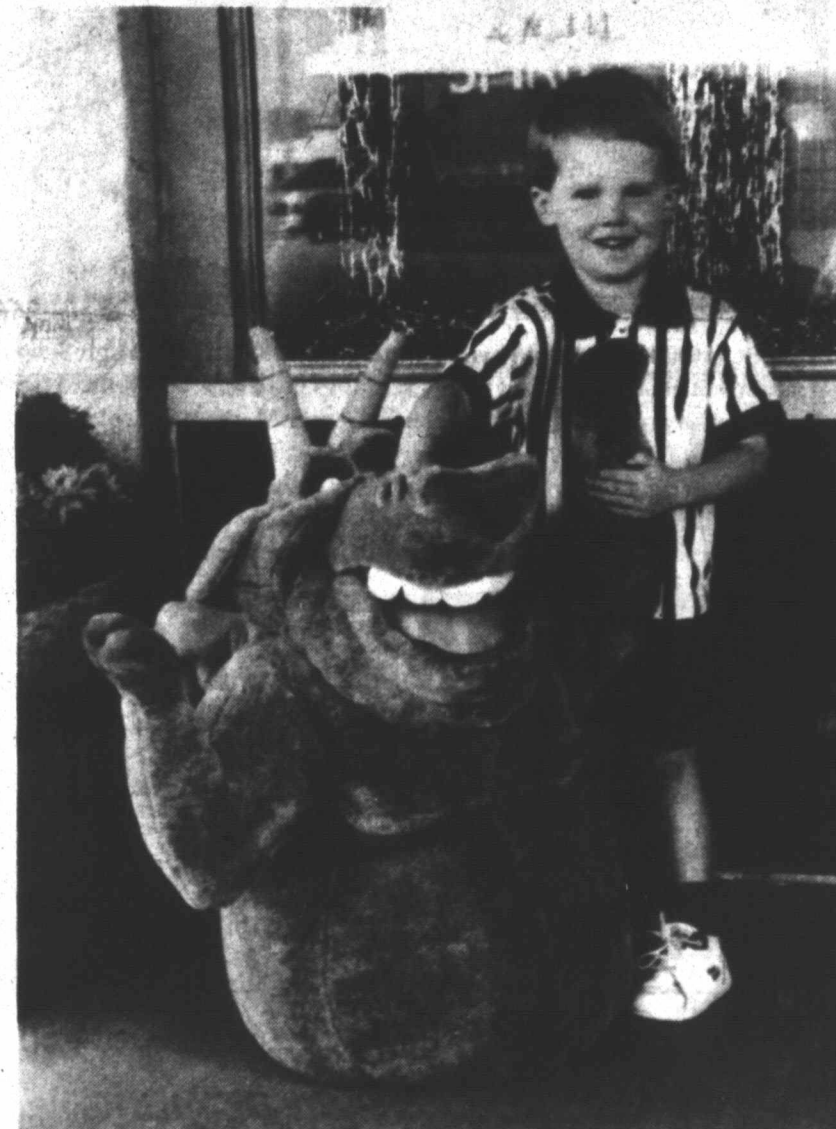

Burlison led Tahoka ground-gainers with his 164 yards. Reggie Moore rushed 6 times for 27 yards. Hale caught three passes from Raindl for a total of 93 yards. The only other completions were a 43-yarder to Rocky Moore and a 13-yarder to Garcia.

On defense, DeLeon, Garcia and Davy Stone were leaders.

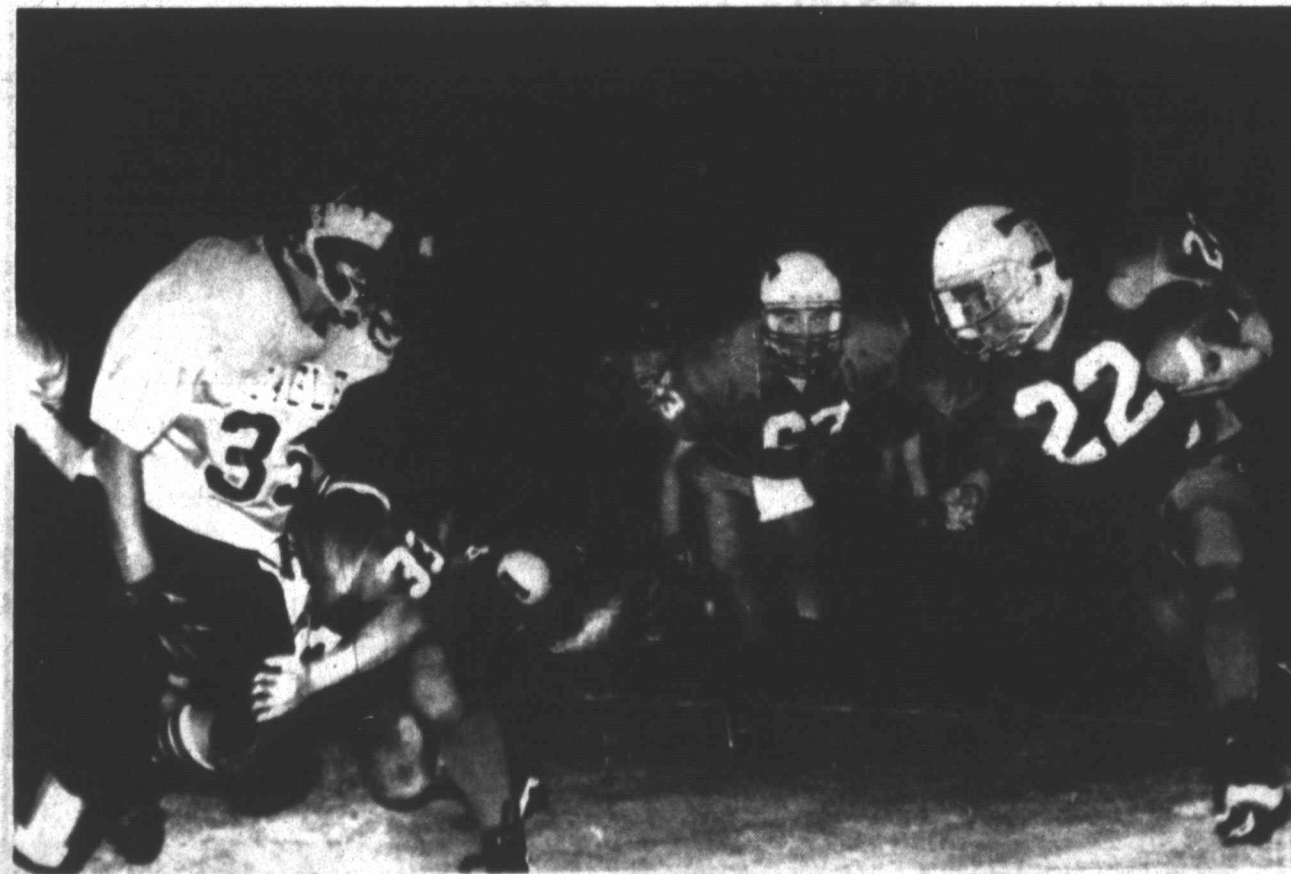

Since 1945, the earliest year of complete football scores in the Lynn County News' files, Tahoka and O'Donnell have played each other 23 times, with O'Donnell winning 9 and Tahoka 14. The last time they played before this year was 1967, when Tahoka won 42-0. O'Donnell's last win was 24-18 in 1963. The Eagles also won in 1961 and 1962.

## GAME AT A GLANCE

	TAHOKA	O'DONNELL
12	First downs	9
206	Yds. rushing	83
149	Yds. passing	59
5-13-0	Completed by	5-15-4

**GARGOYLE TO BE AUCTIONED** - Three-year-old Patrick Wells, son of Haney and Tanya Wells of Tahoka may have to persuade his parents to bid on this gargoyle, an auction item donated by Thriftway to the silent auction benefitting the City/County Library. The stuffed gargoyle is from the animated movie, "The Hunchback of Notre Dame," and is almost bigger than Patrick. The Library Silent Auction will be held this Saturday at the Lynn County Harvest Festival.

**RAMBLING**-Dustin Burlison (22) gained 164 yards rushing and scored once on a 32-yard run as Tahoka beat O'Donnell in the opener for both teams here Friday night. No. 63 for Tahoka is Armando Pallanes. Blocking on the Eagles' No. 33, Ramiro Montez, is No. 33 for Tahoka, Reggie Moore. (LCN PHOTO by Gary Jones)

**PREPARING FOR THE PARADE** - It may have been 45 years since they've graduated, but the members of the THS Class of 1951 may feel like it was only yesterday they were decorating their high school parade floats. Here, they are preparing the skirt for the float which will carry members of their class in the 1996 Homecoming Parade on Friday. The Class of '51 will meet late Friday afternoon and go to the ballgame together, and will meet after the ballgame, and again Saturday at 2 p.m., all at the Church of Christ annex. Shown here (not in order) are Jerry and Veta Ford, Jodie Corbett, Jodie McNeil, Margaret Craig, Minnie Lou Ash, Wanda Houck, Abie and Jane Reed, Billie Reed, and Dan Lockaby. (LCN PHOTO)

**MED SCHOOL GRAD** - Rusty Jennings, a 1988 Tahoka High School graduate and son of Philip and Peggy Jennings of Tahoka, graduated from the University of Texas Health Science Center Medical School at Houston, on June 7, 1996. He is shown here with Dr. Red Duke in the hooding ceremony during the graduation exercises. Jennings and his wife Karen moved to Little Rock, Ark. during the summer, where he is an intern. Jennings' medical field is internal medicine.

## Food, Drink Okayed For Gym Here

A decision to forbid food and drink in the seating area of the Tahoka High School gym was reversed Tuesday night during the Board of Trustees meeting. Food and drink will now be allowed in the gym, according to Superintendent David Hutton, and school maintenance personnel will apply sealer to bleachers and floors to help prevent damage from food spills.

In other action, trustees approved monthly bills and a policy update, and some discussion was held regarding location options for another portable building to house Pre-Kindergarten classrooms, although no firm decisions were made.

Campus principals gave monthly reports to the board, and Supt. Hutton conducted Tier II Team Building training for the board. Plans were reviewed for the annual school board convention, scheduled in Houston the last weekend of September, which the board will attend.

The next meeting was set for 8 p.m. Oct. 10.

All seven trustees were present at the meeting, as well as Supt. Hutton and other school officials.

## Housing Authority Awarded \$831,997 In Grant Funds

The Tahoka Housing Authority has received notice that it has been awarded a grant from the U.S. Department of Housing and Urban Development in the amount of \$831,997. According to Bill Miller, Executive Director, these funds will be used to improve the existing housing units and construct a facility which will house the Authority's office, educational facilities, and meeting rooms. This facility will be for use of the Housing Authority and will also be available to the public.

The Housing Authority began its application process for the grant several months ago and received notice of approval just last week.

"Miller and the Board of Directors are very pleased that such a positive thing as this will be affecting our community over the next several months," said one director.

The Tahoka Housing Authority has 50 housing units in Tahoka, which are currently 100 percent occupied. Directors say renovation on the housing units will begin soon.

Plans for the new office/education meeting room facility are still under discussion but the board expects to develop plans and begin the construction process in the near future.

## Letter To The Editor

Subject: Middle School 5th Quarter Party

I have never taken the opportunity of writing a letter to the editor before. However, I would like to share some good news with the community. Everyone needs good news every so often.

Last Friday, the Church of Christ sponsored a 5th Quarter Party for the Middle School students. We have never had a party just for the Middle School - 58 students attended and had a great time.

I am writing to talk about the students. They were the best behaved and most fun-loving young folks I have been around in a while. I would like to thank the students for making the party a pleasure for the ones who provided it. It was a joy.

I would also like to compliment the parents of these students. You have done a great job with them. They were a joy to be with. Keep up the good work.

As a member of the community I was impressed and given a greater sense of hope when I think about the future. With such great kids rapidly becoming great adults, the future looks wonderful.

Ron Fant, minister  
Tahoka Church of Christ

## Service News

**RAY NEWSOM**  
Ray Newsom, 19, son of Dennis and Linda Newsom of Lubbock, and grandson of Dixie Newsom of Tahoka, recently completed boot camp training at the Navy training station in Great Lakes, Ill.

Newsom will continue his Navy training at the Navy base in Meridian, Miss. for the next nine weeks, after which he will be assigned to a Navy base.

Newsom is a 1996 graduate of Estacado High School in Lubbock. He and his wife, Tracy, have a three-month-old son, David.

### School News (by Arlene Stephens)

#### Most Beautiful, Most Handsome Contest:

The Most Beautiful, Most Handsome Contest at Tahoka High School will be held Saturday night at 7:00 in the high school auditorium. Judges will be instructors from Robert Spence Success School.

The students elected for the contest were:

Girls - Chloe Jan Huffaker, Jill Edwards, Sue Woodall, Lexi Adams, Jan Roberts, Arlene Stephens, Debbie Wright, Judy Gossett, Melanie Leverett, and Janice Renfro.

Boys - Mitchell Williams, Mike Lankford, Cliff Thomas, Richard White, Billy Curry, Jody Edwards, Jim Adams, and Jiggs Taylor.

The public is invited. Jan. 20, 1967

### William Tells

(Column by Bill Salter, editor)

One of my favorite columns (other than my own) is Uncle Zeb by Carl C. Wood which appears in the Claude paper, among several others.

The following is something I gleaned from one of his recent columns, thinking it was cute, and that our readers (especially with "time" in the headlines) might find it worthwhile:

#### "Notice To Callers"

- Friendly calls - 10 minutes
- Salesmen with "real deals" - half a second
- Life insurance agents - 15 seconds
- Salesmen with sample you can eat or drink - 2 hours
- Friends letting us "in on the ground floor" - 1 second
- Friends talking hunting, fishing or golf - most of the day
- Those wishing to pay bills - all day
- Customers - 8 hours
- Wealthy relatives in their 80's - any time
- Relatives wanting jobs - 3 seconds
- Bill collectors and tax collectors - all day (tomorrow)

June 8, 1967

## Your HEALTH TIP

DAYTON PARKER

### Taking Calcium Linked To Safer Births

Preeclampsia (toxemia) is a serious pregnancy complication that threatens the lives of both mothers and babies. Preeclampsia is characterized by high blood pressure, kidney malfunction, and swelling of the face and body. According to the study in the *Journal of the AMA*, it could be prevented 60% of the time if pregnant women got enough calcium. Guidelines say pregnant women should get 1,200 to 1,500 milligrams of calcium daily from diet or supplements. But check with your doctor before starting to take any supplements.

**ADULT LEADERS HONORED**—Adult leaders of 4-H in Lynn County given special recognition at the annual Achievement Awards banquet Monday are, from left, Russell Barnett, Outstanding Adult Leader; Mary and Denny Belew, 4-H Alumni Award, Rebecca Dimak, Outstanding Adult Leader, and Kelly Livingston for Wilson State Bank, winner of the Friend of 4-H award. (LCN PHOTO)

**TOP YOUTH AWARDS**—These Lynn County 4-H young persons were named recipients of the top awards for youth at the annual 4-H Achievement Awards banquet Monday night in Tahoka, with the two on the right getting two awards each. From left are Cade Miller, Outstanding First Year 4-H member; Sarah Griffing, Best Junior Record Book; Krystin Kelln, Best Senior Record Book and also Gold Star award; and Casey Griffing, Gold Star award and the I Dare You award. (LCN PHOTO)

**Awards Highlight 4-H Achievement Banquet**

Young members and adult leaders involved in activities of the Lynn County 4-H clubs were presented awards as the annual 4H Achievement Banquet was held in the Tahoka school cafeteria Monday evening.

The two most prestigious awards for members are the Gold Star award and the "I Dare You" award. Gold Star award winners announced were Casey Griffing, son of Bill and Ruebeth Griffing, and Krystin Kelln, daughter of Jay and Karen Kelln. Krystin also served as mistress of ceremonies for the banquet.

The I Dare You award also was presented to Casey Griffing.

Cade Miller received the award for the Outstanding First Year member of 4-H. He is the son of Mr. and Mrs. Steve Miller.

Krystin Kelln also was honored for having the Best Sr. Record Book, and Sarah Griffing, daughter of Mr. and Mrs. Bill Griffing, won the award for Best Jr. Record Book.

Receiving plaques as Outstanding Adult Leaders were Rebecca Dimak of Tahoka and Russell Barnett of New Home.

Wilson State Bank was named for the Friend of 4-H award; the award was accepted by Kelly Livingston.

The 4-H Alumni award was presented to Denny and Mary Belew of

Tahoka.

Horse Show award winners recognized were: High Point—Casey Griffing, senior; Klyssa Kelln, intermediate; Cody Tomlinson, junior; and Delci Willis, Pee Wee. Second High Point—Jeff Compton, Kendall Barnett, Kalah Durham, Callie Botkin. Third High Point—Kimberly Compton, Sarah Griffing, Emily Botkin, Brandon Tomlinson.

About 60 adult leaders were recognized, with Billy Davis having the longest record of service with 24 years.

Youngsters who took part in district and state events were recognized. In state events were Brad Ashbrook, Chris Ashbrook, Kendall Barnett, Riley Barnett, Shiloh Braddock, Jeff Compton, Dustin McNeely, C.J. Sims, D.J. Sims, Travis Smith and Trey Smith, all in trap and skeet shoot; April Braddock, Cody Donald, Brandi Gickhorn, Casey Griffing, all in consumer decision making; Jeff Compton in method demonstration; Cody Donald and Krystin Kelln in record book competition; and Sarah Griffing in horse show.

Project pins, completion certificates and district event awards also were presented. The dinner was provided by Lyntegar Electric Cooperative and the Lynn County 4-H Adult Leaders Assn.

### THS Class Of '76 Sets Reunion

The Tahoka High School Class of 1976 will celebrate their 20-year reunion this Friday and Saturday, Sept. 13 & 14. Activities will begin Friday at 1 p.m. with the ex-students' assembly in the gym. Registration will be at 12:30 in the foyer of the gym. The class will ride together on a float in the parade. Line up for the parade is at 2:30-2:45 p.m. on the north side of the high school gym.

The National Honor Society will sponsor a Homecoming supper in the school cafeteria from 5:00-6:30 p.m. They will have a table reserved for the honored class. Tickets are \$6 for adults and \$4 for children. There will also be a reserved area at the game for everyone to sit together. Pregame festivities begin at 7 p.m. and kickoff

is at 8 p.m. against the Lorenzo Hornets.

The Tahoka Country Club will be the site for the after game party which will begin immediately following the game. The class will be having dinner together on Saturday evening at the Fifty Yard Line in Lubbock.

For additional information or questions call Tommy Botkin, 998-5462 or Karen Kelln, 998-4825, or Charlsie Tekell, 998-5336.

### Tourney Benefits Harry Howell

## 55 Youth Attend Hospital's Health, Safety & Fun Fair

The Kids Health, Safety & Fun Fair, sponsored by Lynn County Hospital under the direction of Community Services Coordinator Carol Botkin, was well attended by 55 children on Aug. 31, despite the fact it was a Saturday during Labor Day weekend.

Several topics were included in the fair, such as fingerprinting, photographing and identification, under the direction of Lynn County Sheriff's Deputy Charlie Smith and his wife Mindi, and Abraham Vega of the Tahoka Police Dept.; Access into the 9-1-1 Emergency System; Drug, Alcohol and Stranger Awareness and Safety, with DPS Trooper Jay Druessedow; and First Aid and Basic CPR, with Carol Botkin, Betsy Pridmore and EMS personnel Barbara Cook, Sharon Gandy, Michael Angely, Ginger Henry and Jeanie Stone.

Local physicians, Dr. Donald Freitag and Dr. Griffith Thomas, assisted with the day's events, as did Lynn County Hospital employees Kathy Hale, Jana Engle, Stephanie Bruton, Denise Villarreal, Lynn Ortiz and Elsa Nambo, along with a support staff of 4-H members, and hospital dietary and maintenance staff.

The children also received a special visit from Roni the Drug Dog, under the supervision of Officer Vega.

A picnic and party was held on the front lawn following the training sessions, with Cliff the Clown on hand for entertainment. A menu of hot dogs, chips, soft drinks and fried pies were served by Steve and Judy Sanders, courtesy of Thriftway, Dr. David Midkiff, Coca-Cola Bottling Co., and August Pie Co.

Also on the agenda for entertainment was a visit from two Lubbock Cricket team members and Davy Cricket mascot, but they failed to attend the event.

"Special thanks to the following fair sponsors, because without your support and contributions this fair would not have been possible," noted Mrs. Botkin. Sponsors included Dr. Richard White, Lynn County Sheriff's Deputies, Tahoka DPS Troopers, Tahoka Drug, Dr. Donald Freitag, Lyntegar Electric Cooperative, Poka Lambro Telephone Cooperative, Dr. Griff Thomas, Thriftway, Lynn County News, Dr. David Midkiff, International Awards, Mr. and Mrs. Gilbert Gandy, Lynn County Hospital employees, Coca-Cola Bottling Co., August Pie Co., Lynn County Hospital, Lynn County EMS, KAMC Channel 28, Bigham's Smokehouse, Children's Protective Services, Lubbock Animal Shelter, Lynn County 4-H members, Perrys, Air Liquide, and News Channel 11.

**NOT A STRANGER** - DPS Trooper Jay Druessedow lifts his daughter, Kindace, up in the air for a hug, for a little fun at the Kids Health, Safety & Fun Fair held at Lynn County Hospital. Druessedow and Dr. Donald Freitag taught the children about Stranger Safety and alcohol and drug awareness.

**A LITTLE FIRST AID** - Jynna Askew lends a helping hand to Samantha Pridmore during the EMS bandaging and splints training at the Kids Health, Safety & Fun Fair held at Lynn County Hospital.

### STORK REPORT

Laura and Daniel Bass of Goldsboro, NC, announce the birth of a son, Andrew Joseph Bass, born Aug. 25, 1996. He weighed 8 lbs 2 ozs. He has an older brother, Austin, one year old.

Grandparents are Susan (Brazil) and Johnny Houser of Hope Mills, NC, and maternal great grandmother, Idell Brazil of Tahoka. Paternal great grandparents, Lloyd and Glenna Houser of Lambertville, NJ, and Alberta Hawks of Florida.

Jesse and Sara Alvarado of Tahoka announce the birth of a daughter, Megan Nicole, born Sept. 7 at 5:45 p.m. She weighed 7 lbs., 1 oz. and was 18-3/4 inches long. She has a brother, Jason Michael Alvarado.

Grandparents are Maria Ortiz, Jesse Alvarado, and Gertrude Alvarado.

### Tejeda Cafe

is open everyday this week for lunch and open Wednesday and Friday nights from 6:00-9:00 p.m.

### Criminal Mischief, Wreck Reported

A traffic accident in Tahoka, with no injuries, and a glass door shattered by a rock at Allsup's in O'Donnell headed a list of activities reported to law enforcement officials in Lynn County during the last week.

Maria Aguirre Bretteaux, 27, was driver of a 1995 Chevrolet pickup which was involved in a collision Saturday with a 1989 Ford Escort driven by Waldo Benavides Segovia, 39, at the intersection of S. 4th St. and Ave. F in Tahoka. Both drivers are Tahoka residents.

A glass front door at Allsup's in

O'Donnell was shattered by a rock on Wednesday, Aug. 28. No value for the door was listed.

Three persons were jailed during the last week for possession of marijuana under two ounces and possession of narcotics paraphernalia. One person was jailed for driving while intoxicated plus excessive acceleration and disregarding stop signs at N. 2nd, N. 4th and N. 5th streets in Tahoka. Two others also were charged with DWI, with one of them also charged with no proof of insurance, expired motor vehicle inspection sticker and expired registration. Another person was jailed for driving while license suspended, plus application for drivers license revocation.

### Survey Being Taken For Computer Classes

Computer classes will be offered again this fall for any interested community person in the IBM Lab at Tahoka High School. Evening classes are tentatively scheduled to begin the first part of October.

At this time, a survey is being taken to see what computer programs need to be taught (WordPerfect, MicroSoft Word, Lotus or Excel) and the level of needed instruction (beginners and intermediate). Also, there is a possibility of a keyboarding class being offered for those who want to learn to type.

If you are interested in a computer or keyboarding class, please contact Barbara Jaquess after 5:00 at 998-4975 or leave a message for her at Tahoka High School (998-4538).

### Tahoka School Menu

- Sept. 16-20
- Breakfast
- Monday: Donut, Mixed Fruit, Milk.
- Tuesday: Breakfast Burrito, Apple Juice, Milk.
- Wednesday: Cinnamon Roll, Pineapple Bits, Milk.
- Thursday: Sausage Links, Biscuit, Orange Juice, Milk.
- Friday: Cereal, Toast w/Jelly, Choice of Juice, Milk.
- Lunch
- Monday: Spaghetti w/Meat Sauce, Tossed Salad, Sweet Peas, Hot Roll, Blueberry Cake, Milk.
- Tuesday: Chili Dog, Garden Salad, Mixed Fruit, Milk.
- Wednesday: Chalupa, Lettuce & Tomatoes, Spanish Rice, Cornbread, Apple, Milk.
- Thursday: Turkey Roll w/Gravy, Green Beans, Mashed Potatoes, Hot Roll, Peaches, Milk.
- Friday: Bulldog Burger, Trimmings, French Fries, Purple Plum Cobbler, Milk.

### Museum Sets Annual Meeting

The Board of Directors announce the annual meeting of the Tahoka Pioneer Museum will be held Saturday, Sept. 4, at 5 p.m. in the museum. The museum will be open all day Sept. 4, and local artist Bill Craig will be displaying his art.

"This will be a good time to visit the museum and stay for the annual meeting," said one director, adding, "Your support is appreciated."

### Fire Department Selling Tickets For Rifles

The Tahoka Volunteer Fire Department members are now selling tickets for a chance to win two rifles, to be given away at a drawing held Oct. 25 at the Tahoka-Seagraves football game. Tickets are \$5 each, or six for \$25. Tickets are available from individual members or at a booth at the harvest festival.

One rifle is a Remington Model 700 223, and the other is a Remington 870 12-gauge Wingmaster.

### StuCo Fundraiser To Benefit Life Enrichment Center Here

The Tahoka Student Council is sponsoring a fundraiser to benefit the proposed Tahoka Life Enrichment Center, with some events for participants to have some fun while getting a chance to win dinners for two, and an ultimate grand prize of a new car from Al Griggs Autocenter in a hole-in-one golf contest.

Student Council members will operate a booth at each Tahoka High School varsity athletic home game for the next several months, including football, volleyball and basketball games. The event begins this week at the Homecoming football game on Friday night.

Prior to the game, tickets will be sold in exchange for a \$5 donation to the Life Enrichment Center. During the second quarter of the game, two names will be drawn from those ticket sales, and during halftime (if time) or right after the end of the game, those two contestants will have an opportunity to kick a field goal from the 10-yard line. If the kick is good, the contestant will receive a complimentary dinner for two (from various sponsors). Additionally, both names drawn will be entered in the grand prize hole-in-one contest for a chance to win a new car from Al Griggs Autocenter. The hole-in-one contest will be held at T-Bar Country Club sometime after Feb. 1, 1997.

At each varsity volleyball home game, two names will be drawn, and the contestants may serve the volley-

ball from the service line into a target on the other side of the net, for a chance to win dinner for two. At the basketball games, contestants will shoot 3-pointers. All of the names drawn from each athletic event will be entered in the grand prize hole-in-one contest.

"The Student Council would like very much to support our community, by helping contribute to the Life Enrichment Center," said one representative. "We want to stress that every dollar contributed in this fundraiser will be donated to the community center project."

Participants in the fundraiser must be 18 or older, due to UIL guidelines concerning prizes for students.

"Once we have completed the athletic game events, after Feb. 1 we will set up the hole-in-one contest where all the contestants who have been drawn during each game will have the opportunity to try for a hole-in-one at T-Bar Country Club golf course. Whoever makes the first hole-in-one will win a brand new car from Al Griggs Autocenter. We especially want to thank Mr. Griggs for providing this opportunity and participating in this community fundraiser," said a Student Council representative.

For more information on the fundraiser, contact a Student Council member or T.I.S.D. counselor Sherri McCord.

CONGRESSMAN IN WILSON—Walter Steen, right, of Wilson, may be telling U.S. Rep. Mac Thornberry a fish story (or "we need cotton bolls this big") as Thornberry was honored by an informal reception at the Green Building in Wilson Sunday afternoon. (LCN PHOTO)

THERMOMETER SHOWS FUNDS AT \$103,000 — Municipal Judge Jerry Ford built this thermometer to show funds collected for the proposed Tahoka Life Enrichment Center project, with a goal of \$189,000 needed. Already, \$103,000 has been collected in a grant and donations. The thermometer is displayed at City Hall, where donations may be collected. Ford also shows a brochure with information on the proposed facility, which is available at City Hall. (LCN PHOTO)

### Rotary News

The Tahoka Rotary Club met for their weekly meeting Thursday, Sept. 5, at the Tahoka First United Methodist Church. Doyle Webb introduced the speaker, Troy Hinds, Athletic Director and head football coach at Tahoka High School.

Coach Hinds brought the club up to date on the upcoming football season. Plagued with some injuries, the coach assured the Rotarians that Tahoka would do well this season. Evidence was forthcoming on Friday night as the Bulldogs defeated O'Donnell 28-0. Rotarian Marvin Gregory was introduced as the new football announcer at Tahoka Kelly Field.

Besides football, the coach highlighted other athletic programs at the school and discussed his new coaching staff. This is Hinds' third year at Tahoka, this being his first as athletic director. He and his wife, Elsie, have two young sons, Andy and Alex.

Preparations were being made for the annual Rotary District Governor visit which will be Sept. 11-12.

Marvin F. Sentell from Snyder, is the Rotarian's governor for district 5730. Plans are underway for the club's German Sausage Sale, which takes place at the Harvest Festival this coming weekend.

Rotarian George McCracken was welcomed back after being gone for a few weeks due to surgery. Visiting the club were Lacye Scott, from Lynn County Abstract, and Brad Hammonds, who is an area farm operator.

### NHS Supper Slated Friday

The National Honor Society will sponsor its annual Homecoming dinner on Friday, Sept. 13, from 5:00 to 6:30 p.m. in the school cafeteria. The menu consists of brisket, beans, potato salad, cobbler, and tea.

Adult plates will cost \$6.00 and \$4.00 for children twelve and under.

For more information or to reserve a table for class members to sit together, please contact Patti Rambo at 998-5285.

### SPS, PSCo and Intervenors File Merger Settlement Agreement

Southwestern Public Service Company (NYSE: SPS), Public Service Co. of Colorado (NYSE: PSR) and intervenors today filed a near-unanimous settlement agreement at the Federal Energy Regulatory Commission, urging the FERC to approve expeditiously the merger of the two electric utilities.

"This settlement agreement is a major milestone," said SPS Chairman and CEO Bill D. Helton, who will become chairman and CEO of New Century Energies, the holding company that would be created by the merger. "We are making excellent progress toward completing our merger as early as January 1997."

SPS and PSCo on Aug. 23, 1995, announced plans to merge. Public utility regulators in Colorado, Wyoming and Kansas have approved the merger; regulators in Texas and New Mexico have completed hearings on the proposal, and are expected to announce their decisions later this year.

The FERC had set a hearing on two issues. The settlement agreement

addresses both: that the proposed merger's "hold harmless" commitment provides adequate protection for wholesale ratepayers, and that the merger, as conditioned, will not have an adverse effect on competition.

Under the hold harmless commitment, SPS and PSCo will not request recovery of any merger-related transaction or transition costs, unless such costs are offset by merger-related benefits. Competition is protected by an agreement that any interested parties may participate in a detailed, regional planning and solicitation process for a transmission line proposed to be constructed to interconnect SPS and PSCo.

Course is mandatory for anyone 12 years and older by the State of Texas  
Sponsored by Lynn County Farm Bureau

### In Appreciation

Tahoka Mayor Jim Solomon presents a plaque to Todd Henry in appreciation for his service as City Councilman from 1994-1996.

"We appreciate Todd's service to our community as a city councilman, as well as his service and involvement with the EMS and Little League programs and other areas. Small communities could not function without the generous support and giving of our citizens who volunteer their services," said Mayor Solomon.

**WORKING OUT CAN'T BE THIS FUN** - Taboka High School athletes Robin Martin, Amanda Fuentes and Kalie Krey demonstrate some of the new equipment donated by Leighton Knox and the Masonic Lodge in the girls athletic weight room. Robin is on "The Katy," a horizontal jumping machine Knox designed and named after Katy Huffaker, a 1995 THS graduate and athlete. Normally, the girls don't work out in their cheerleader uniforms, and it's possible they may not have such cheerful smiles on their faces during actual workouts. (LCN PHOTO)

**NEW WEIGHT ROOM EQUIPMENT** - Leighton Knox (far right) built and donated 11 pieces of weight equipment to the Taboka I.S.D. girls athletics program, donated in the name of the Masons, of which he is a member. Shown here with some of the equipment is, from left, THS Head Girls Coach Cindy Gardner, and Taboka Masonic Lodge 1041 members Don Williams, Milt Draper, Doug Taylor, and C.J. Renfro. (LCN PHOTO)

### Sheriff's Dept. Sponsoring Patch Contest

The Lynn County Sheriff's Department is sponsoring a "Patch" contest for Lynn County elementary students in grades 1-6. Students have been invited to design and color a patch which will be displayed on the department's uniform shirts.

"Use your imagination to give us a professional look we all can be proud of," says Deputy Charlie Smith.

The only requirements are that the word "Lynn County Sheriff's Department" must appear somewhere on the patch. The four county schools, Tahoka, O'Donnell, Wilson, and New Home are participating in the contest.

### Booster Club To Host Tailgate Party

Booster Club will host a tailgate party prior to the homecoming game. Bulldog burgers will be ready to serve at 6 p.m. at the east gate.

Booster Club will have the new caps for sale and chances for the autographed homecoming game ball will be available before the game. The winning ticket will be drawn at

All patches will be judged by the department and one will be chosen from each school. A prize will be awarded to this student and then a grand prize given for the patch adopted by the Sheriff's Department.

"We are looking forward to seeing your ideas and talent. Your finished design should be completed by Sept. 16 and turned in to your school principal," said Smith.

half-time and the winner can get the football after the game.

Due to street repairs, the paw prints will not be painted this year.

Booster Club encourages everyone to participate in all the homecoming activities, visit the school, and attend the Ex's program. The students and clubs spend much time decorating and planning to make homecoming week a big success.

Students at Tahoka High and Middle school are busy with a full schedule of activities. Middle school volleyball games will be on Mondays and high school volleyball games will be on Tuesdays. Football games are on Thursdays and Fridays. Cross-country will begin soon on Saturdays.

Booster Club congratulates the Bulldogs and Lady Bulldogs for their win last week and wishes them success in the future.

## Masons Credited: Weight Equipment Donated To THS Girls Athletic Program

by JUANELL JONES

Over \$8,500 worth of weight equipment has been donated to the Tahoka Independent School District girls athletic program, through the generosity of Leighton Knox and Tahoka Masonic Lodge 1041. Although Knox built the equipment, he donated it in the name of Masons, and in honor of his hometown Masonic lodge, because of the Masons' history in helping to improve the public school system.

Knox, who owns and operates Wildcat Manufacturing just south of Tahoka, has been a Mason for many years. And he has been working on the weight equipment - some of which he invented specifically for the girls to use - for the past two years. This year, 11 pieces of equipment have been placed in the new weight room for the girls athletic program.

It's a first for the girls to have their own weight room, built just off the foyer in the high school gym during a renovation project this year. And the athletes are even more delighted that the weight equipment in the room was designed specifically for them - one piece is even called "The Katy," named after Katy Huffaker, a THS athlete and graduate of 1995.

Knox designed the Katy to improve leg strength for girls involved in leaping/jumping athletic events, such as basketball and volleyball. However, unlike other weight machines, the Katy places no strain on the back muscles because the jumping is done horizontally instead of vertically, on a spring-tension board.

Other equipment he built include the Super Cat, designed to

build thighs, calves and hamstrings for jumping; Leg Extension machine, for hamstrings and thigh strength; Sit Up Bench; Roman Chair, for mid-torso strength; Incline Bench and Bench Press, to improve arm and shoulder strength; Lat Machine, for lats (upper body muscles) and shoulder strength; Curl Bar, for biceps and triceps; and a Calf Machine to build strength in the calves. He also donated about ten weight belts and rubber mats to cover the entire floor of the weight room. Knox credits Frank Eaker with helping him build the equipment and putting in the floor mats.

"We want to say a sincere thank you to a special group and especially to Leighton Knox for his dedicated commitment to Bulldog athletics and his concern and interest in helping our Lady Bulldogs become more competitive," said Cindy Gardner, head coach for the THS girls athletic program. "Strength has been an area where our girl athletes are behind, and this will definitely improve our competitiveness!" she added.

Knox has designed and built weight equipment for the past few years, for Tahoka and other school districts, and says his business is really building in that area. "Five or six years ago, I built 30 lockers for the Tahoka varsity boys dressing room ... this year I have built and sold over 3000 lockers," Knox said.

He is working with over 100 school districts this year in designing and building weight equipment and lockers, including two school districts in Houston. Closer to home, he built new lockers and fully equipped a weight room for the O'Donnell Independent School District boys athletic program, and has several pieces of equipment in the Tahoka boys field house.

He says he donated the weight equipment to the girls athletic program here because, in keeping with his Masonic beliefs, he wanted to help in providing better facilities for youth in the public school system.

"Masons started the public school system in Texas," Knox explained. "Most of the Masonic Lodges in early Texas history built two-story buildings with the Masonic Hall meeting upstairs and schoolroom downstairs, and in fact, Masons often paid the teachers salaries until the communities could do so," he added.

"We're (Masons) still very involved in the public school system. In Lubbock, there is a Scottish Rite school where children - and teachers - can go to learn how to deal with dyslexia (a reading impairment)," Knox said.

He said he is still not finished

with the girls weight room here. "I still want to add mirrors on the walls and put in a sound system, so the girls can work out to music," he said, adding with a grin, "Anything to help them take their minds off the work they're doing!"

He and his wife Joan, who is the school nurse for Tahoka I.S.D., have been involved with the school system here for many years. "These girls are just close to my heart ... I just wanted to do this - for the Masons and for the school," said Knox.

### Sharp Delivers September Sales Tax Rebates

John Sharp, State Comptroller of Public Accounts, recently issued a total of \$165.8 million in sales tax payments to 1,084 Texas cities and 114 counties, and reported that the year-to-date returns are running about 9 percent ahead of the total for the first nine months of last year.

Local city sales tax rebates for September are 150.8 million, 23.2 percent above the payments one year ago of \$122.4 million. Rebates of \$14.9 million to Texas counties reflect a 14.6 percent increase over the \$13 million payments of September 1995.

O'Donnell's net payment this period of \$1,098.36 was up compared to prior year of \$816.97. Total 1996 payments to date of \$13,174.79 reflects a 15.69 percent increase over last year's total of \$11,387.68.

Tahoka's net payment this period of \$7,769.94 increased from last year's total of \$4,903.55. 1996 payments to date of \$60,904.05 reflects a 21.98 percent increase over the 1995 payments of \$49,929.14.

Wilson's net payment this period of \$358.35 increased compared to last year's payment of \$275.41. 1996 payments to date of \$3,947.29 decreased 7.33 percent from 1995's payment of \$4,259.66.

Visit Your Local CITY-COUNTY LIBRARY - OPEN - Mondays & Wednesdays 8 a.m. - 12 noon & 1-5 p.m. Thursday 12 noon - 5 p.m.

Attend The Tahoka NHS Homecoming Dinner Friday, Sept. 13 5:00-6:30 p.m. in the school cafeteria. Brisket, beans, potato salad, cobbler and tea will be served for \$6 per adult and \$4 per child.

The New Home Leopards started their football season on Sept. 6 against Loop. They will travel to Klondike on Sept. 13, with the game starting at 7:30 p.m. Homecoming will be Friday, October 4, against Dawson.

Pep Rallies will be held at 3 p.m. each week in the high school gym.

Friday, Sept 6, ended the third week of school. Notices of concern will be sent out on Wednesday, Sept. 11. The end of the first six weeks is Sept. 27.

Community birthday calendars are now on sale. The cost is \$3.50 per calendar and \$.50 for each birthday or anniversary listing. Forms may be picked up at the post office or from Mrs. Scott at the high school. Forms should be returned, with payment, by Friday, Sept. 13 to Marsh Scott, Box 248, New Home, Tx. 79383. Checks should be made payable to New Home Student Council.

The Hot Dog Cookout has been changed to Friday, Sept. 13. They will start serving at 11:10 a.m. Prices are \$1.50 for visitors. Please send word ahead of time with your children if you plan to

eat with them.

The New Home FFA Officers for 1996-97 are as follows: President-Brandi Nettles, Senior; Vice Pres.-Josh Gandy, Soph.; Sec.-Travis Smith, Junior; Treas.-Brooke Filligim, Soph.; Reporter-Lisa Vineyard, Soph.; Sentinel-Kriston Durham, Junior.

The FFA Chapter Sweetheart is J'Lynn Clem. The chapter advisor is Dale Schaffner. Kriston Durham is serving as district secretary for 1996-97. She will be attending the Mesa District meeting in Brownfield on Sept. 16.

Craig and Brandi Graves are the parents of a baby boy, Draven Timothy, born August 30. Draven weighed only 3 lbs. and 7 ozs. but is reported to be doing well. They live in Kerry, Idaho. Craig is a graduate of New Home schools. Grandparents are Mickey and Mary Graves of New Home.

Mary Bess and John Edwards placed second in the Cowboy Symposium parade on Thursday, Sept. 5. Kayla Durham was their outrider on her horse, Precious. Mr. and Mrs. Edwards carried four of

Tech's coaches on the 6th during a special tribute as a part of the Cowboy Symposium activities.

New Home's seventh grade Texas History class went on a field trip to the Cowboy Symposium on Sept. 6. Their sponsor was Julie Goodloe. They attended

various activities and enjoyed the brisket sandwiches prepared there.

Plans are currently underway for Red Ribbon week for New Home Schools. The activities will take place Oct. 21 - Oct. 25 and the public is invited to participate. If you are interested in helping, please call Karon Durham at 924-7524.

**Leopards Lick Loop 44-18**

The New Home Leopards opened their six-man football season with a bang Friday, battering Loop 44-18 as Travis Smith scored two touchdowns and passed for two more. He also ran the ball 17 times for 132 yards.

Ernie Caballero caught two of Smith's touchdown passes, one for 36 yards and one for 12 yards, and also connected with Smith on a 26-yard scoring pass. Smith scored on a 52-yard run in the big 23-point second quarter for New Home.

In the second half, Joseph Villarreal scored on a 48-yard pass from Smith, and Jody Clem ran 69 yards for a touchdown.

**TWO ON ONE**-Tahoka defenders Randy Burleson and Adrian Graves (20) are contesting O'Donnell receiver Ruben Nambo (24) for the football in last Friday's game at Tahoka. Nambo caught four passes for 53 yards in the game won by Tahoka 28-0. (LCN PHOTO)

**Tahoka Care Center News**

We would like to thank Dixie Dog for donating cokes and ice cream on our van ride. Residents that attended were Neva Maynard, Estelle Cook, Juanita Chambers, Mozelle Banks, Velma Lane, Raul Sepeda, and Donald Lewis. We also would like to thank Patricia Hogg and Mrs. Gaither for donating Bingo prizes.

Family Night will be on Thursday, September 26 at 6 p.m. Gloria Moore will be here for the entertainment.

Several of the residents will be in the Homecoming Parade, riding in the van. Tahoka Care Center Homecoming King and Queen are Henry Hood and Estelle Cook. The employees of Tahoka Care Center voted, using secret ballots.

We would like to thank all our volunteers that come out each week and spend time with our residents. Bingo prizes are needed and appreciated.

Tuesday: Turkey, Cornbread Dressing, Green Beans, Cranberry Sauce, Tossed Salad w/Thousand Island Dressing, Hot Roll, Apple Cobbler, Milk.  
Wednesday: Taco, Pinto Beans, Picante Sauce, Tortilla chips, Apricots, Milk.  
Thursday: Baked Fish, Macaroni/Cheese, Broccoli or Carrots, Coleslaw, Cornbread, Cherry or Plum Cobbler, Milk.  
Friday: Pork Chop, Baby Limas, Harvard Beets, Tomato Slices, Hot Roll, Pumpkin Crunch, Milk.

**BBB Report**

Consumers look to financial planners to provide objective, knowledgeable advice about managing an important aspect of their lives: their money. Because the field is largely unregulated, however, the title "financial planner" does not guarantee any level of qualifications or expertise. Consumers therefore need to exercise caution when choosing someone with whom to entrust financial resources.

Recommendations from friends, relatives and colleagues may be a good first step to finding a financial planner. Carefully consider the education and professional background of prospective planners. Once you have selected a prospective planner, schedule a preliminary interview. Question them about their professional background, education, employment history, investment philosophy and areas of specialization.

Ask for references. Does the planner keep current on financial matters through continuing education and training? Ask how the planner expects to be paid and get a written estimate of the cost for services. Check the reliability report of the financial planner with the Better Business Bureau at 763-0459 or 800-687-7890.

**August Much Wetter Than Usual**

The weather across the Texas south plains during the month of August 1996 was considerably wetter than normal with near normal temperatures, according to the National Weather Service, Lubbock office.

Temperatures averaged 1 degree below normal and ranged from 3.3 degrees below normal at Matador to 0.8 degrees above normal at Muleshoe Wildlife Refuge.

Maximum temperatures averaged 3.1 degrees below normal and ranged from 5.6 degrees below normal at Matador to 0.7 degree below normal at Dimmitt. The highest temperature reported during the month was 105 degrees at Paducah on the 2nd.

Minimum temperatures averaged 1.1 degree above normal and ranged from 1 degree below normal at Matador to 2.7 degrees above normal at Muleshoe Wildlife Refuge. The lowest temperature reported during the month was 53 degrees at Dimmitt on the 12th.

Precipitation averaged 2.12 inches above normal and ranged from 0.35 inch below normal at Lockettville to 6.34 inches above normal at Tahoka.

**Dallas, Houston Adding Area Codes**

GTE announces two upcoming area code changes for telephone customers in the Dallas and Houston areas.

Suburban areas surrounding Dallas will change Sept. 14 to area code 972. The central Dallas area will retain the 214 area code.

Suburban areas surrounding Houston will change Nov. 2 to area code 281. The central Houston area will retain the 713 area code.

To ensure calls are completed to the party called, GTE urges callers to use the proper area code when calling numbers in the Dallas area beginning Sept. 14, and in the Houston area beginning Nov. 2.

GTE officials remind telephone users to change equipment that uses the new area code, such as telephone equipment that stores or analyzes telephone numbers, business telephone systems, modems, speed call lists and automatic dialers.

Most calls will be completed for a six month period when either the new or old area code is dialed. However, to complete a call in the Dallas area after March 15, 1997, the correct area code must be dialed. The correct area code must be dialed beginning May 3, 1997, in the Houston area.

BioFlora Industries, Inc. invites area farmers and their families to join us for a tour of our test plots in the O'Donnell area followed by a barbecue on

**Wednesday, September 18, 1996.**

We will meet at Woolam Gin in O'Donnell at 10 a.m. for the crop tour.

Following the tour we will gather at the Bobby Martin Farm at Draw for the barbecue.

**Please join us for an informative and interesting day!**

SEPTEMBER 12 1996

**CRP GRASS BALED**—Jack Scott, Lynn County Producer, Keri Bilbo, NRCS employee, and Danny Cook, contractor, are standing next to CRP grass that was baled under the emergency haying program of the Conservation Reserve Program. Jack and J. Lemuel Scott were allowed to hay their CRP grass due to the drought of 1996. The Scotts were required by USDA regulations to obtain a haying plan prior to baling their CRP grass. NRCS employees assisted the Scotts with developing their haying plans.

## Producers Have Opportunity To Hay CRP During Drought

By: Rodney Dues

Livestock producers in Lynn County are talking advantage of a USDA Program that allows emergency haying of Conservation Reserve Program (CRP) lands during the 1996 drought. The haying program allows participants to hay their CRP fields, provided they obtain a haying plan from the USDA Natural Resources Conservation Service (NRCS).

The haying period runs through the summer and expires the last day of September. The cost to the producer for haying the CRP land is 25 percent of their annual rental payment.

The USDA-NRCS office in Tahoka is currently working with producers in developing haying plans for their CRP acres. The haying plans address all aspects of hayland management. Most of the producers who

are taking advantage of this program are owner/operators who are utilizing the haying opportunity to provide feed for their own livestock.

Haying CRP fields provides low-cost forage to producers. The haying also benefits the CRP fields by removing thatch and allowing for additional seedling development over the long term. Haying CRP fields will also increase plant vigor and rejuvenate the stand, that may be decadent from a lack of grazing.

Wildlife is addressed in haying plans. The plans are written so at least 25 percent of each field or contiguous fields must be left unharmed for wildlife habitat.

Producers who are interested in haying CRP grass are encouraged to call the local Natural Resources Conservation Service at 998-4507 or come by the office located at 1647 Ave. J in Tahoka.

## Producer Meeting To Look At Salt Problems In Cotton

Cotton producers will have the opportunity to tour demonstration plots relating to high salt concentrations in area fields, according to Bryan Reynolds, Lynn County Agriculture Agent. The meeting will begin at 10 a.m. on Wednesday, Sept. 18, at Woolam Gin in O'Donnell. Stops will be made in several fields

around O'Donnell to view plots where solutions are being looked at to help those producers who irrigate with water that contains high salt concentrations. Representatives from Bioflora Industries will be on hand to discuss their research and its possible use on the South Plains. Following the tour, a BBO lunch will be served.

## Pest Management News

by Tommy Doederlein, Dawson/Lynn Ext. Agent

**Sticky Cotton Associated with Aphids:** (from "Focus on Entomology" by Dr. Jim Leser) A small amount, maybe as few as 5 percent of our total bales, of cotton produced in the High Plains area in 1995 had a sticky problem associated with late aphid infestations. This sticky cotton does not cause a problem during the ginning process but does cause considerable problems at the mill. This was an unusual event caused by an unusual set of circumstances.

Most, if not all of the sticky cotton was produced on limited production fields—those fields which had insufficient moisture to prevent premature cutout. Heavy September rains caused a major regrowth problem in these fields which attracted and supported late season aphid infestations. These aphids excreted honeydew on the open bolls. There were no further rains to wash off this honeydew. It is very unusual not to have a late rain which will wash off this honeydew. A quarter inch rain is sufficient.

Sticky cotton is difficult to detect until it adheres to machine surfaces in the textile mill. Therefore, sticky cotton was shipped undetected to mills. Even when blended with clean cotton, there was often still problems. Sticky cotton also collects fine soil particles which cause excessive wear of certain machine parts at the mill.

The bottom line was that sticky cotton caused a severe disruption in the manufacturing process and a substantial loss of money for the textile mills.

Word of our sticky cotton problem has quickly spread among mills around the world. There is now a understandable reluctance on the part of many mills to buy our 1996 crop without some sort of assurance that there will be no sticky cotton prob-

lem. It is important that we undo the damage to our reputation for the 1996 and future crops. The West Texas Sticky Cotton Committee was formed several months ago to do just that. We have already communicated to concerned mills about our awareness of the problem and our goal to minimize the chance of this problem for developing again.

## Ten Free Shade Trees To Be Given

Ten free shade trees will be given to each person who joins the National Arbor Day Foundation during September, 1996.

The free trees are part of the non-profit Foundation's Trees for America campaign.

The ten shade trees are Sugar Maple, Red Oak, Pin Oak, Green Ash, Thornless Honeylocust, Weeping Willow, River Birch, Tuliptree, Silver Maple, and Red Maple.

"Spectacular fall colors are among the many benefits of these beautiful shade trees," John Rosenow, the Foundation's president, said.

The trees will be shipped post-paid at the right time for planting between October 1 and December 10 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow, or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 contribution to TEN FREE SHADE TREES, National Arbor Day Foundation, 100 Arbor Ave., Nebraska City, NE 68410, by September 30, 1996.

**ANNUAL LYNN COUNTY AG TOUR PLANNED FOR SEPT. 20**—Lynn County Agriculture Agent Bryan Reynolds (left) and Mario Avila, District Conservationist, prepare for the 1996 Lynn County Ag Tour, set for Sept. 20. Producers will have the opportunity to view demonstrations on insect control, fertility, minimum till cotton and peanuts, putting CRP back in production along with other information. Registration will be from 8 a.m. to 8:30 a.m. at the Lynn County Showbarn. Tour stops will begin at 9 a.m. and conclude at 12:00 noon in Tahoka where lunch will be served. Following an update on the Enhanced Dipanese Control Program, several awards will be presented after lunch. Transportation for the Ag Tour will be provided by the Tahoka Independent School District. Private applicators will receive 2 CEU's. For more information, contact Bryan Reynolds at the Lynn County Extension Office; (806) 998-4562 or Mario Avila at the NRCS office at (806) 998-4507.

## ATTENTION FARMERS:

If you are planning to spray Roundup this fall, we would like to invite you to a special meeting with the Monsanto (Roundup) representative.

The meeting will be held on Tuesday, September 17 at 7:30 a.m.

Coffee and donuts will be served. Come and join us at Terra. We are located on Hwy 380 East.

## Petition for the High Plains Weevil Eradication Zone

If you have not received a petition from us you may use this blank form. Please print all information and sign in ink. You may sign a petition for each entity you represent. Please return the petitions to us at the address below.

The following are some of the reasons why we feel the current program should be recalled:

1. The possibility of a large debt for this zone similar to the debts in other zones.
2. The possibility of damage to the beneficial insect populations.
3. The possibility of having the program rules changed at any time, as has already been done in some cases.
4. The current program has been ruled unconstitutional by a district court judge and several other law suits have been filed in other zones.
5. The current program has been recalled in the Rio Grande Valley and recall efforts are underway in other zones.
6. Thousands have already signed a petition but we would welcome your help and support.

If you would like more information please call or write us.

Sincerely,

Tommy Applewhite

Tommy Applewhite, President

## Safety Rules Can Prevent Tragedies

New clothes, backpacks, lunch boxes, school buses. The first day of school is exciting for students, but the new school year can bring tragedy if school bus safety rules are not followed. The Texas Department of Public Safety reminds motorists to obey traffic laws and watch for children boarding or exiting school buses. Parents and teachers should talk to children about school bus safety.

In 1995, no school bus drivers or passengers were killed while riding on school buses in Texas, but 1,370 people were injured while traveling on them. Seven people were killed in accidents directly or indirectly involving school buses, while 2,556 were injured.

The most common time for accidents is when school buses are loading or unloading students. Students should be taught to follow safety rules

and to watch for traffic before crossing streets. Students also should watch for vehicles illegally passing stopped school buses on either side of the bus. According to the National School Bus Loading and Unloading Survey, most children injured or killed while getting on or off buses are under the age of 10.

A safe, reliable and efficient system for transporting children to and from school is part of the total education program. To ensure the proper operation of school transportation systems, the DPS oversees and updates the state's school bus driver training program.

"Practicing good school bus safety requires a combined effort of the motoring public obeying the traffic laws, parents and teachers educating children to be safe and school bus drivers being properly trained to decrease the number of school bus related accidents," said Debbi Goertz, DPS program administrator for school bus transportation.
