Bulldogs Win Area Playoff, Head For Regional Tourney

ADRIAN FLYING HIGH - Tahoka's Adrian Graves goes up for 2 of his 9 points in the Bulldogs' 53-44 win over Coahoma for the Class 2A Area Championship trophy. Tahoka advances to the regional tournament this weekend in Abilene, with their first game set for 8 p.m. Friday against Idalou. (LCN PHOTO by Gary Jones)

by JUANELL JONES
 It was a history-making win for Tahoka Tuesday night, when the Tahoka High School Varsity Boys basketball team claimed a spot in the Regional Basketball Tournament for the first time ever. Coach Toby Villa's quick and speedy Bulldogs overcame the taller Coahoma Bulldogs 53-44 to claim the Class 2A Area Championship title in Snyder, and will take on Idalou in the first round of regional playoffs Friday night.
 The Dogs will play at 8 p.m. in Abilene Christian University's Moody Coliseum Friday night, against the Idalou Wildcats, who beat Clarendon 71-54 in Area. Should Tahoka win that game, the Dogs will be in the regional finals at 1 p.m. Saturday against the winner of the Stratford-Shallowater game. The Shallowater Mustangs, who were District Co-Champions with Tahoka, won their area playoff game just as the buzzer sounded in overtime play, 67-65 over Jim Ned. Shallowater will play Stratford at 6 p.m. Friday night, just prior to Tahoka's game.

According to records dating back 30 years, this is the first time for a Tahoka team to advance to the regional playoffs. Last year the Bulldogs made it to the area playoffs before losing a close game to Stratford, and the 1976-77 Bulldogs were district and bi-district champions but lost in the area playoffs. The Dogs have only had seven playoff appearances in the 30 seasons prior to this year.

Tahoka's Rocky Moore led scoring in Tuesday night's Area win with 18 points, and Adrian Graves contributed another 9, the same as Monty Hale, who also had 10 rebounds, and Randy Burleson scored 8. Lee Rash added 5 points, Brad Long tossed in 2, and Matt Chancy contributed an important 2 points just before half-time to widen the lead against Coahoma by 3.

Tahoka trailed by six points (1-7) early in the first quarter against Coahoma, but an offensive effort

pushed the Dogs to a 10-8 lead with two minutes remaining, before ending the quarter at a 12-12 tie. The Dogs pulled ahead to 19-14 early in the second period, but two 3-pointers from Coahoma gave them the edge with four minutes remaining. For the next four minutes until halftime, both teams scrambled for the lead, with Tahoka's Monty Hale and Rocky Moore tossing in 4 and 5 points respectively (including a 3-pointer from Moore), and another 2 points by Matt Chancy contributing for a 30-27 half-time lead.

Coach Villa's Blue Dogs were never behind after that, owing largely to some great defensive play by the team, who hounded Coahoma's bigger Bulldogs mercilessly with lots of energy, keeping them down to 8 and 9 points in the last two quarters respectively. Moore added 11 of his 18 points during the second half and the Blue Dogs scored 11 and 12 points in the third and fourth periods to claim the championship trophy.

"Everybody's really excited - I don't think Tahoka has ever qualified for the regional tournament," said Coach Villa. "I'm very proud of the team," he added.

The Bulldogs had another great game at bi-district, one of Tahoka's finest performances on a basketball court in years last Thursday in Snyder as the Bulldogs played a super game to beat Stanton 78-69 for the Bi-District title.

Randy Burleson led Tahoka scoring with 23 points, and had plenty of good help as Coach Toby Villa's team fell behind 0-4 at the start, then came back to lead 13-9 after the first period. Stanton came back to take the lead at 17-15 with 6 minutes left in the second, but Burleson had 12 points in that quarter, six times hitting 2-pointers to give Tahoka the lead as the two teams played it close.

Shots by Brad Pebsworth, Monty Hale and Lee Rash in the second quarter helped give Tahoka a half-time lead of 32-29 over the favored Buffaloes, who were ranked fifth in

the state in Class AA boys basketball. Tahoka led throughout the last half, but Stanton kept it very close up to the last 1:19, when the Buffs, trailing at that point by 70-69, hit a goal which didn't count because of a charging foul. After that, Tahoka pulled away on free throws as Stanton kept fouling in the last 50 seconds trying

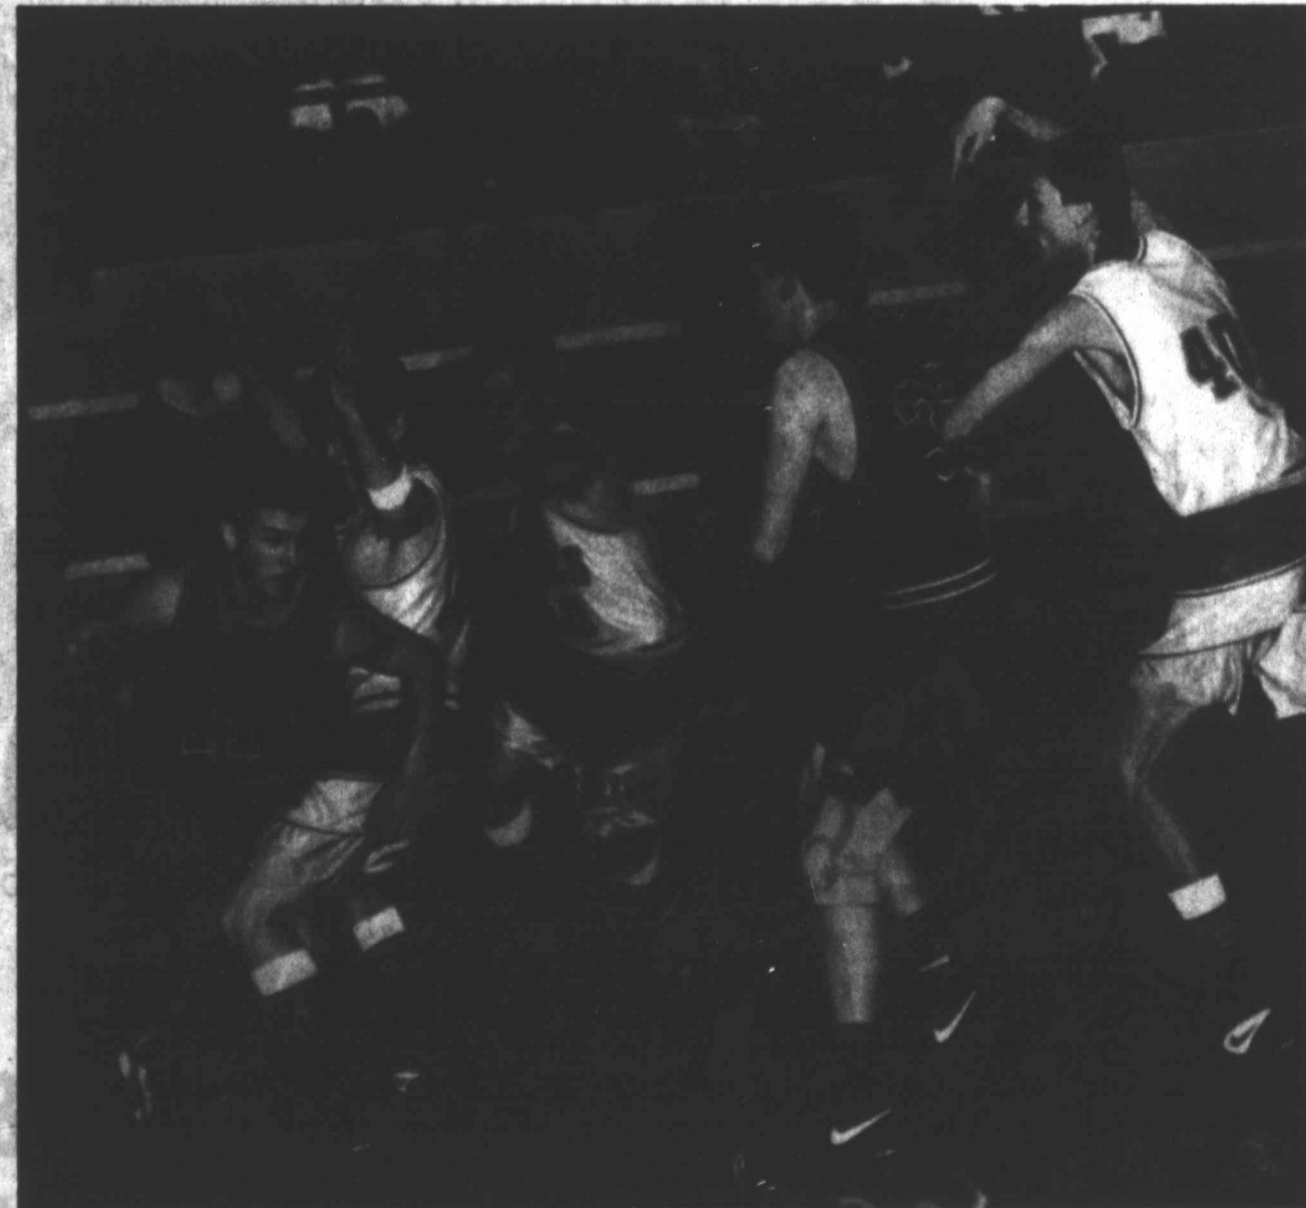

to get the ball back. In the last 50 seconds, Rash hit four free tosses and Rocky Moore put in four more.

Leo McAlistler led all scorers with 26 points for Stanton, which wound up the season at 28-3, with two of those losses being to Tahoka. The Bulldogs also got 21 points from Rash, 16 from Moore and 9 from Hale. Moore had two 3-point shots; Rash and Burleson had one each. Each team had 22 personal fouls.

Support The Bulldogs
 The Bulldog Booster Club encourages everyone to support the Bulldog Basketball Team in their quest for a Regional Title and State advancement.
 "We invite everyone to come to Abilene and boost the boys - be sure and wear your Bulldog Blue and White," said a booster.

A MAN named John Kaufeld has written a bunch of books which are really helpful to those of us struggling with computers, which is most of us sooner or later, if we do anything other than watch television.
 I have one of Kaufeld's books, called *American Online for Dummies*, and he has authored several others, such as *Windows 95 for Dummies*, *PC's for Dummies*, *DOS for Dummies*, *Macs for Dummies*, *Internet for Dummies*, and other titles. These are all publications which make computing a little easier for all of us dummies.
 Please note that I said *easier*, not *easy*. Because, even though these books are a lot more understandable than the nerdy manuals the computers come with, they still talk about a lot of stuff which is incomprehensible to some of us.
 I saw a newspaper ad the other day which offered a couple of computer books called *Windows 95 for Complete Idiots*, or some such name.
 I don't know who the author of that one is, but it sounds like they may be getting closer to my computer knowledge level. I am looking for someone to write a book called *Computer Operations for People Who Can Just Barely Chew Gum and Punch Keys with One Finger, All at Once*.
 Of course, it will have to be really simple, like the stories about *Green Eggs and Ham*, or the phrases such as "See Dick Run" and "See Dick Run Fast."
 When I was a little kid, I always wondered who was Dick, and where could I go to watch him run.
 I never did find out, either. But I'll bet that information is somewhere in my computer, if only I knew how to get it out of there.

NEW HOME WINS - The New Home Leopards beat Ropes in bi-district basketball play at Cooper High School Friday, winning 58-46. Travis Smith leads the conga line here, and No. 35 is Heath Brown of New Home. Smith and Brown each had 16 points in the victory as New Home advanced to area playoff against Valley in Floydada Tuesday night. (LYNN COUNTY NEWS PHOTO by Gary Jones)

Who Makes The Best Chili?

County Fire Departments To Don Aprons For Chili Cookoff Fundraiser March 8

Lynn County firefighters will put on a different uniform—their cooking aprons—instead of their usual firefighting gear for the first annual Lynn County Firefighters Chili Cookoff on Saturday, March 8. County residents are invited to come taste the results and contribute a donation at the Lynn County Showbarn from 5-7 p.m.

Each fire department will concoct their own special "recipe" of chili, and it is rumored that the Lynn County Sheriff's Department may also contribute their own specialty chili in the cookoff.

All contributions will go in a county fund to be used by the Tahoka, New Home, Wilson and O'Donnell Fire Departments to refill air tanks used by the firefighters, or for other needs in the equipment trailer which is shared by all four departments.

"We invite everybody to come join the fun while donating to a worthy cause, and come judge for yourself who makes the best chili in Lynn County," said a Tahoka Volunteer Fire Dept. representative.

County Names Depository, Votes To Sell Lots

Lynn County commissioners Monday voted to continue using First National Bank of Tahoka as depository for county funds. The action was taken on a 3-1 vote after hearing from John Krey of the Tahoka bank and Dan Cook of Wilson State Bank. Commissioners Sandy Cox, Mike Braddock and J.T. Miller voted for the motion, and Commissioner Don Morton voted against it.

Commissioners voted to authorize County Judge J.F. Brandon to

FHA Members Hold Baby-Sitting Clinic

Tahoka FHA members held a baby-sitting clinic for 5th and 6th grade students on Feb. 6, at the Home Economics Department. Kelly Boone, Chelsey Miller and D'Lynn Stone prepared and presented the workshop to 39 students.

The FHA members explained the responsibility of a baby-sitter. A video entitled "Baby-Sitting the Responsible Way" was shown. Posters were used to explain and emphasize parts of the video.

Each student completed a baby-sitting form which gave information about themselves, and dates and times they could baby-sit. This data was collected and will be shared with parents of young children.

At the close of the workshop, a meal was served.

FHA member Mandy Sanders also helped with the workshop. Donna Stone is the advisor to the Madeline Hegi FHA Chapter.

Pre-Kindergarten Classes To Be Offered Here

Tahoka Independent School District announces a new program for four year old children. Beginning in August, 1997, the district will begin Pre-Kindergarten (Pre-K) classes. These classes will be conducted for half-days (3 hours) Monday through Friday and will be designed to help children develop skills necessary for success in the regular public school curriculum in language, mathematics, and social skills.

The District is currently in the process of identifying children who are eligible for this important new program. Children who are at least four years old, and with one or more of the following qualifications are eligible for enrollment:

1. Children who have limited ability to speak or comprehend the English language.
 2. Children who are educationally disadvantaged because of low income (eligible for free or reduced lunch).
 3. Children with physical or handicapping conditions.

Two Wrecks, Thefts Are Investigated

Two traffic accidents in the Tahoka city limits and thefts in and out of the city were among reports investigated by law enforcement officers in the county during the last week.

About 7 p.m. last Friday, a 1986 Ford pickup driven by Manuela Madrid Yanez, 69, of Tahoka, struck an elm tree in the 1200-block of S. 4th St. The driver was not injured.

There also was no injury to Lonnie Charles White, 46, of Temple, driver of a 1997 Peterbilt trailer-truck which jackknifed on US 87 in Tahoka last Thursday afternoon.

O'Donnell High School student Christy Parsons reported a wallet stolen from her locker at the school on Feb. 10. Among the missing items were a Casio scientific calculator and some health and identification cards, total value listed at \$34.

Police also took a report from Senaido Hernandez of Tahoka that a battery and alternator had been stolen from vehicles at his residence on Ave. C. The items were valued at \$130. The battery later was located.

A Tahoka woman reported she had been struck by a co-worker at a food service facility Tuesday, and a warrant was issued for the arrest of the man named.

Jailed during the last week were three persons for possession of marijuana under two ounces, and one for two traffic warrants in Lynn County and Lubbock County warrants for no drivers license and expired license plates. Also, one person each for judgment and sentencing on charges of driving while intoxicated, first offense; public intoxication; DWI first offense; Dept. of Public Safety warrant for speeding in Lubbock County; and failure to appear on charges of DWI first offense.

qualify for this program, should contact the office at Tahoka Elementary School at 998-4350 as soon as possible, or before May 30, 1997 to enroll children.

We believe that those who suffer can be consoled through the love of God and God's family.

Much enthusiasm was aroused by the striking remarks made in connection with the State Federated Clubs. Tahoka Senior To Play Football In Australia's Down Under Bowl

by JUANELL JONES

Tahoka High School senior Monty Hale is a busy guy ... not only is he coping with all the activities and events which compose the teenager's last year in high school, as well as currently being involved with his teammates as the varsity basketball team competes in playoff games ... he's also making plans to go "down under" for two weeks to play on the Texas All Star Football Team.

The 18-year-old son of David and Kathy Hale of Tahoka was chosen by Huntsville head coach Joe Clements to play in the annual Down Under Bowl in Melbourne, Australia during June. The event is sponsored by International Sports Specialists Inc. (ISSI), and players from throughout the United States are chosen by invitation only. This year marks the ninth annual for American All Star Football Teams to perform in front of Australian and New Zealand fans. The players will have an opportunity, during their two-week stay, to sign autographs, appear on television and radio, and interact with Australian and New Zealand students as they exemplify American sporting traditions.

Hale will not meet his team-

MONTY HALE

mates until June when the team will meet in Houston to board a flight for Australia. Team practices will be held after the team arrives.

Although ISSI sponsors a portion of each player's funds, Hale's portion of the funds needed amount to \$2800. He has already begun seeking sponsorship and, according to his mother, has received some funding but has not yet met that amount. Anyone wishing to contribute for Hale's trip may contact Mr. and Mrs. Hale at

998-4256. Contributions are tax deductible and checks may be made to Down Under Bowl IX.

During his senior year here, the 6'2" 185-lb. running back earned two honors for his football prowess, including First Team All-District Safety and Honorable Mention Wingback. KCB Channel 11 named him Student Athlete of the Week during his football season. Last year, he was named to the First Team All-District Safety and Honorable Mention Receiver, as well as being named to the First Team All District Basketball and Baseball teams. An all-around athlete, he was also a regional qualifier in the 1600 meter relay and in cross country, and was named Outstanding Bulldog Athlete of the Year. During his sophomore year, Hale was named Second Team All-District Cornerback, and Honorable Mention Basketball.

Hale also succeeds academically, as attested by consistently being on the A Honor Roll during his high school years and his involvement with Business Professionals of America, Who's Who, Student Council, 4-H, National Honor Society, Speech Club, Calculus Club, FFA, and Fellowship of Christian Athletes.

JUMPING ROPES—Josh Gandy (50) is ready to shoot here despite the Hell Hitler tactics of a Ropes player as New Home beat the Eagles 58-46 to win bi-district last Friday. (LCN PHOTO)

New Home Wins Bi-District, Loses To Valley In Area

The New Home Leopards won a bi-district title over Ropes last week, then lost to talented Valley 67-44 in the area Class A playoff game at Floydada Tuesday night.

The Leopards fizzled in the second quarter with just 3 points while the Patriots scored 15, and it was just too much to overcome. Ernie Caballero led New Home with 21 points. Josh Gandy had 8 and Travis Smith 6 in the game. Smith and Caballero each had two 3-point shots. The Leopards closed their season with a record of 13 wins and 16 losses.

New Home surprised favored Ropesville 58-46 at Cooper High School last Friday night to win bi-

district and advance to the area playoff game.

Caballero scored 19 points for Coach James German's Leopards and Heath Brown and Travis Smith each had 16 in the game for New Home. Jimmy Nevarez scored 3 points and Gandy 4. Nine of Caballero's points were on 3-point shots.

Brown, Smith and Caballero all scored well in the first period as New Home took an 8-0 lead and then boosted it to 18-5 at the end of the quarter. Ropes never overcame this deficit, but did come back to trail 30-23 at halftime. But it was 44-30 after three, and the Leopards won going away.

Rotary Club News

by Haney Wells

The Tahoka Rotary Club met Thursday at noon at the First United Methodist Church. Dr. David Midkiff introduced Sharon Bell, R.N. for the program. Ms. Bell is the coordinator for the American Parkinson Disease Information and Referral Center, located at Methodist Hospital in Lubbock.

Arriving in full costume as her alter ego, Nurse Feelbetter, she entertained the club with riotous humor. The topic of the program was "Healing with Humor", and for over 30 minutes the nurse had the Rotarians screaming with laughter at her jokes and banter. Her comedy routine was a way of introducing her program about the importance of a healthy funny bone.

For years, medical professionals have proven that laughter is a vital component of one's health. Laughter is the body's natural stress reliever. Humor can help heal the sick and injured. After her costume was shed, Ms. Bell showed the Rotary club how

important it was to maintain a good sense of humor, and gave many pointers on how one might improve theirs.

Visiting the club again was new Tahoka Police Chief, Steve Chance. Visiting with Cal Huffaker and Marinda Tyler was Jill Whitley, a computer systems specialist. Howard Hohn, from the O'Donnell Rotary Club, and Tommy Hicks from the Brownfield Rotary Club were visiting Rotarians.

Get well wishes were sent to Ray Box, treasurer of the Rotary Club, who has been out recently with back surgery.

A&M Names Honor Students

Texas A&M University has named its honor students for the 1996 fall semester, recognizing several thousand students for outstanding academic performance.

The Dean's Honor Roll recognizes students taking at least 15 student credit hours who have maintained at least a 3.75 grade point ratio (GPR) out of a possible 4.0 during the most recent grading period.

A second designation, "Distinguished Student," recognizes students who earned a 3.25 to 3.75 GPR while taking at least 15 hours.

Among those recognized on the Dean's Honor Roll was Kara Lenn Askew, an Agriculture Development major from Tahoka.

Jade Russell Foerster, an Animal Science major, of Route 4, Tahoka was named to the Distinguished Students list.

CRP Sign-Up Begins Soon

The 15th Conservation Reserve Program (CRP) sign-up period will be from Monday, March 3 through Friday, March 28. All contracts that expired prior to 1997, contracts that expire on September 30, 1997, or any land not under contract may be bid if the land meets the eligibility criteria.

The new Conservation Reserve Program is designed to target the most environmentally sensitive land. The primary goals of CRP are erosion reduction, water quality improvement, and wildlife habitat enhancement. All eligible offers will be ranked using an Environmental Benefits Index (EBI). The index is used to evaluate all offers based on the potential environmental benefits. The criteria that will be used to determine the EBI ranking include: wildlife benefits, erosion control; water quality, air quality, and cost. Producers who bid their land into the Conservation Reserve Program will sign a lease with the United States Department of Agriculture if their bid is accepted.

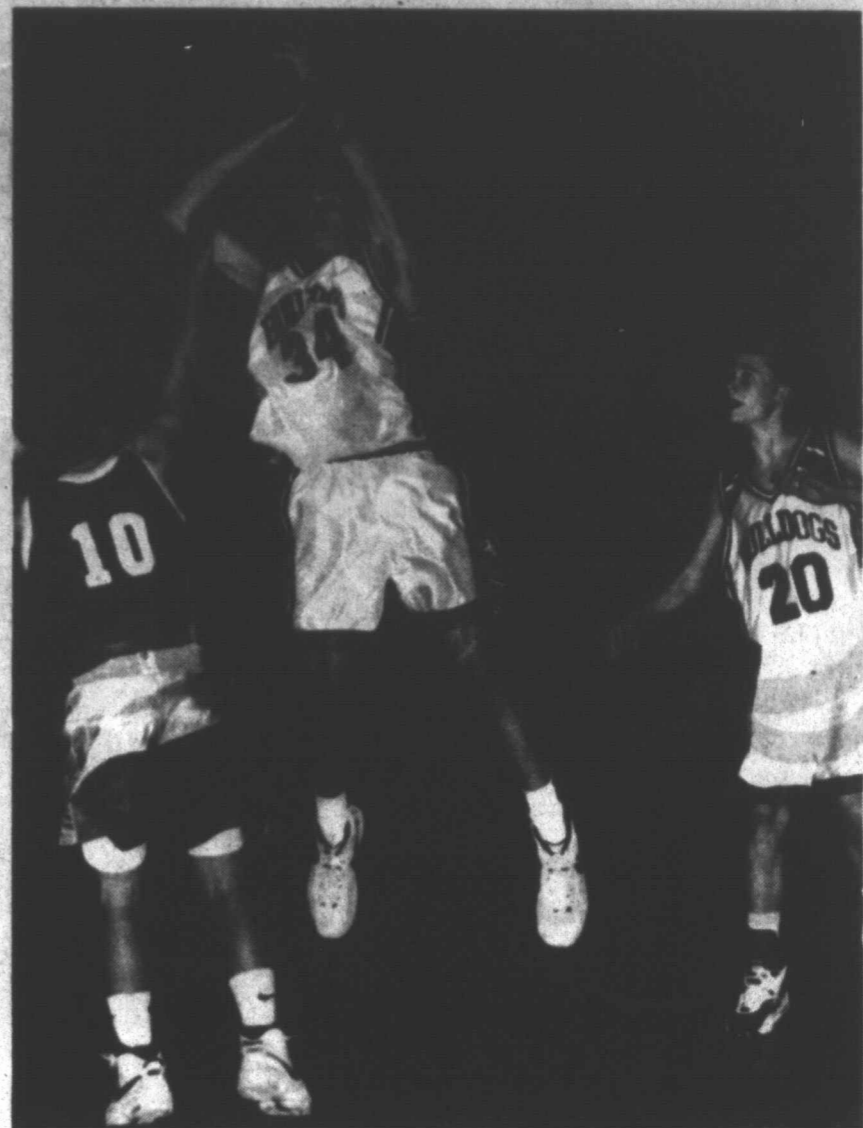

Participants must establish a cover on the land that is accepted into CRP. They receive cost-share assistance for establishing the cover, as well as, an annual rental payment for taking the land out of production. After the cover has been established,

the producer must maintain the cover for the life of the contract. CRP payments will include an incentive for performing any required maintenance.

Acres that are accepted into the new CRP program must benefit the nation more from the land being retired than keeping the land in agricultural production. Owners who are interested in bidding their land into the Conservation Reserve Program, or have any questions about CRP, please contact the local Natural Resources Conservation Service at 998-4507, or come by the local office at 1647 Avenue J in Tahoka. Information is also available at the Farm Services Agency located at 1601 South 2nd in Tahoka, or call 998-4501.

Producers, who know they are going to bid land into CRP, are encouraged to contact the local Farm Service Agency as soon as possible for an appointment. Appointments should be scheduled early in the sign-up to ensure all documentation can be completed.

If producers wait until the last few days of the sign-up to schedule an appointment, it may not be possible to get all documentation completed before the deadline.

RASH ACTION—Lee Rash (34) shoots a basket for the Tahoka Bulldogs as he and his teammates, including Brad Pebsworth (20) beat Stanton 78-69 to win bi-district. No. 10 for Stanton is Kyle Herm. (LCN PHOTO by Gary Jones)

It's Finally Happened!!!

A company called "Essentially Yours" in Canada has developed the first and only product in the world that enables people to:

Less Weight Without Dieting + Increase Energy

Sounds too good to be true? Of course it does. But the product does exist and has already been time tested and proven to work for hundreds of people through clinical tests by professional health experts. In fact, over 400 doctors of Chiropractic are actively marketing this product to their patients.

All you have to do to lose weight is to simply not eat for three hours before bedtime. Take one tablespoon of *Caloral* along with 8 oz. of water. **YOU LOSE WHILE YOU SNOOZE!!!**

No more calorie counting - no more starvation diets - no more gimmicks. What could possibly be easier??

Is it safe? There is not one single questionable herb or drug as an ingredient. In fact, each actual ingredient is natural and synergistically working together, causing the body to lose unsightly fat while gaining lean and better muscle tone.

Undeniable proof that it really works is available through taped or written testimonials. If you still have doubts, get a bottle and try it for one month without risk. An exciting new life awaits you.

Wilson Falls To Smyer In Playoff, 67-62

The Wilson Mustangs led for most of the game, but were outscored 20-14 by Smyer in the last quarter, and the Bobcats won the bi-district playoff game Friday night at Cooper school in Woodrow by 67-62.

Coach Bruce Hirt's Mustangs wound up with a good 21-5 mark for the year and were district champions.

The Mustangs led 19-14 after the first period, 32-31 at halftime and 48-47 after three quarters. Top scorer for Wilson in the game was Karl Platte, with 25 points. Cody Donald had 14 and Michael Johnston scored 12. Platte had two 3-point shots, and Steven Johnston had one 3-pointer in his 8-point total. Mario Perez scored 3 points.

Two Wilson Girls Are All-District

Tina Garza and Sofie Valdez of Wilson were named to the first team All-District 10A in girls basketball, with Tina also to be included in the 6-man All-Star group this summer in Lubbock.

Named honorable mention from Coach Tracy Sievers' team were Jodi Wied, Veronica Valadez and Kimberly Martin, and the Academic All-District for girls maintaining a 90 or above average during the 3rd and 4th six weeks included Crystal Bolyard, Jodi Wied and Lexi Wied of Wilson.

Among the other all-district first team players chosen was Brandi Nettles of New Home.

Tina Garza shot 41 per cent from 2-point range and 30.7 per cent from 3-point range for the Lady Mustangs, who had a record of 18-8 after losing in bi-district play. Garza averaged 13.4 points per game and shot 50 per cent from the free throw line.

Valdez shot 42 per cent from the field and averaged 10.9 points per game.

April Jordan, Ursula Thomson and Lynsee Bayer, all of Meadow, also were on the first team all-district.

The WILSON News by Buster Abbe 628-6368

It's time to "horn" in and brag on two Wilson Band members who have been "an instrumental" part of the Wilson Marching and Concert Band. The entire band is to be praised for their work and dedication. Twelve of the Wilson students who participate in the junior high and high school band went to regional tryouts and made the All-Region Band. Now two of the students have excelled to the point of being chosen to participate in the All-State Band. Lori Yowell has continued the Yowell and Young family history of excellence in the music field. Lori will be in the baritone section of the All-State Band. Billy Cavender, who has been a band member at Wilson for a short period of time, will be in the saxophone section of the band.

The Wilson Whip-Its performed at Denver City on Friday, Feb. 14. They helped to kick-off the community's Jump Rope for Heart event. They will be performing one more time for the home crowd at the "I Feel Good" P.E. program which will be held on Tuesday, March 11. The Whip-Its have been invited to perform at O'Donnell on Friday, March 14 to help the O'Donnell group conclude their Jump Rope for Heart event. The Whip-Its are a group of elementary and junior high students who perform a variety of jump-rope routines. Many of the routines are set to music and are quite complex. The group is under the direction of Wilson P.E. teacher Kim Oglesby.

Tuesday, March 11 will be a day full of events for Wilson residents and students. The Wilson P.T.O. will have a regular meeting, which will be followed by the 5th Annual Elementary P.E. Program. Following the P.E. program will be the Celebration of Learning Fair and Open House. Students have received information and entry forms for the Celebration of Learning Fair. The entire community is invited to attend all the events.

Wilson Elementary students from Pre-K through 6th grade will take to the gym floor in the new gym for the 5th Annual Elementary P.E. Program on Tuesday, March 11, beginning at about 7 p.m. This year's program is titled "I Feel Good" and will feature almost all of the Wilson Elementary students from Pre-K through 6th grade. These students, under the direction of Kim Oglesby, will perform and demonstrate a variety of the skills used in the P.E. classes. It is reported that several parents and teachers

OVER THE TOP—Surrounded by Bobcats, Karl Platte of Wilson nevertheless goes up and over them all for two of his 25 points against Smyer Friday. The district champion Mustangs lost this bi-district contest 67-62. (LCN PHOTO)

have shown an interest in "crashing" the event and "being in" the program. Those adults interested in being kids again are urged to contact Kim Oglesby at 628-6261.

Several Wilson students have qualified for the regional science fair to be held in the University Center on the Texas Tech campus March 7-8. Student projects will be set up and judged on March 7. The projects will be open to public viewing at this time. The awards ceremony will be held on March 8 and the projects will be available for the public to view at this time. Parent permission slips are required for this event and have already been sent home with the students qualifying for the event. For more information contact Mrs. Hirt at the Elementary office. Names of those students participating in the science fair and the results will be listed in this column next week.

Community Story Time will be held Thursday, March 6 at 10:30 a.m. in the Home Economics Building. Children from birth to five years are invited to attend and listen to a story. Children may then check out books to read or to have read to them at home.

Thanks to all of the parents and guardians who completed and returned the Wilson Elementary Parent Survey. The elementary administration appreciates your time, effort, and input.
