Tahoka City Council Sets 67.5-Cent Tax Rate

Tahoka City Council members approved the 1997-98 budget (including a \$2 increase in basic water rates) and a 5-cent property tax increase at their regular monthly meeting held Monday night. Several citizens also attended the council meeting, expressing opinions about several issues concerning the city.

Council members unanimously approved the 1997-98 city budget, which will be funded by an increased tax rate of 67.5 cents per \$100 of property value. The 5-cent tax increase was also approved unanimously by the four council members present at the meeting. The new budget showed a General Fund total income of \$557,326, and General Fund total expenses at \$556,580, leaving a surplus of \$746.

Also approved in the budget was a \$2 increase in basic water rates in the city, raising minimum residential rates to \$15.25.

Tahoka citizens Phillip and Dana Barnett addressed the council, stating their opinion that city traffic signs were in disrepair, failed to meet height requirements, or were blocked from view by tree limbs, and also stated that more stop signs were needed at several intersections. They presented a petition signed by approximately 200 citizens stating their concerns, targeting the area in a two-block area around the school.

Grady Herrin, Manuel Lechuga, and Ron and Ellen Fant also attended the meeting as concerned citizens. Lechuga told the council that the city should tear down dilapidated buildings in the city, and Mrs. Fant voiced

her concerns over the general appearance of the town and lack of community pride.

The council took no official action, but gave assurance that these issues were being addressed. City Administrator Jerry Webster said that during recent months city officials had already discussed the need for, and in fact already ordered, several hundred dollars worth of new traffic signs to replace the dilapidated signs.

"Any new traffic regulation signs (where there is no previous sign) must be approved by city ordinance," Webster said, noting that he and the police chief had already spoken about the need for new signs at several intersections, and the council was considering those needs.

City Attorney Cal Huffaker addressed the issue of dilapidated buildings, saying that the city was aware of the problem and is continuing research in that area.

In other business, no action was taken after discussion of three bids for roof repair at City Hall, with Webster citing differences in roofing materials as a concern. The council will seek more quotes for the repair job to consider at another meeting.

John Williams, General Manager of the Canadian River Municipal Water Authority, met with the council to discuss the Lake Meredith Salinity Control Project, but council members held off signing a contract until all cities involved in the contract gave approval. Williams told the council to hold off until all the cities agreed on the contract because some changes might still be made. He expected, however, that the contract should be ready for approval in October.

Council members awarded Joe Hays as auditor for the city for the year ending September 30, 1997. Monthly bills were approved, and Police Chief Steve Chance reported on his department's activities for the month.

Presiding at the meeting was Mayor Mike Mensch, and councilmen present included Jay Dee House, Ray Box, John Chapa Jr. and Rudy Tejeda Jr. Councilwoman Amy Preston was absent from the meeting.

FUN AT THE BANK CELEBRATION - Four-year-old Michael Paris, son of Danny and Kim Paris of Tahoka, was one of many who enjoyed the horse carriage rides provided by John (shown here) and Mary Bess Edwards of New Home at First National Bank of Tahoka's 90th celebration held Saturday evening. A good crowd turned out for the event.

Burglaries Head List Of Crimes

Three burglaries and an update on a previous burglary headed the list of criminal activities reported to Tahoka Police Dept. and the Lynn County Sheriff's Dept. during the last week.

A 22-year-old Post man was arrested and charged with criminal mischief and burglary of a vehicle after Jessie Rodriguez of Tahoka reported Sunday that an equalizer valued at \$200 had been stolen from his Chevrolet Monte Carlo.

Vicky Powers, who lives on N. 6th St., reported Sunday that \$15 cash had been stolen from the billfold of her son, Chris, which had been left inside their home.

Items valued at a total of about \$300 were reported stolen from the residence of Reynaldo Garces in Wilson on Aug. 20. Missing articles included a gold necklace, Sterling silver rings and costume jewelry, plus some video games and music tapes.

Sheriff's officers were given a list of items stolen from T-Bar Golf Course in a recent burglary of the clubhouse. Included were golf balls valued at \$2732 and other items with the total value of missing items, including \$500 damage, being \$4008. The burglary occurred on Aug. 18.

Police were advised by Gary Stennett of Tahoka that someone had broken a windshield out of his John Deere 4850 tractor parked at a location in the east part of the city.

In jail during the week were two persons for public intoxication, and one each on the following charges:

Driving while intoxicated (DWI) second offense, DWI first offense, assault on a family member causing bodily harm, DWI third or more plus driving while license suspended, burglary of a motor vehicle plus DWI first and criminal mischief.

Eagles Stun Bulldogs 16-6

By DALTON WOOD

The O'Donnell Eagles soared in their season football opener at home Friday night, flying over and around the Tahoka Bulldogs 16-6.

Tatum Bessire, a speedy 145-pound junior running back, delighted the hometown fans and dazed the startled Bulldogs with 148 yards rushing, including a 38-yard touchdown run in the second period. And the Eagle defense, led by such big linemen as Cody Dorman (6-5, 253) and Eric Cruz and Patrick Wells and a whole bunch of other folks, had no problems stopping the anemic Tahoka offense.

O'Donnell came out fired up and eager to play, and Tahoka lost the ball on a fumble on the opening kickoff. This pretty well set the tone for the Bulldogs offense, as they lost four fumbles and had three passes intercepted in the game. Cruz kicked a 30-yard field goal for the Eagles on their first possession.

In the second quarter QB Manny Gutierrez passed 38 yards to Felix Perez for an O'Donnell touchdown to make it 9-0 after a failed extra point try. Later in the quarter, after Tahoka lost the ball trying to make a first down on 4th and 3 from their own 36, Bessire raced 38 for another touchdown. Cruz kicked the point and it was 16-0 at halftime.

Tahoka reached the O'Donnell 16 on a 15-yard run by Auggie Cantu late in the first quarter, but lost the

ball on a fumble at the 15 three plays later.

The Eagles didn't score in the second half as the Tahoka defense stiffened a bit, and FB Steve Wiseman of the Bulldogs scored on a 1-yard push in the third quarter, the final score of the game, as a try for two points failed. Tahoka had another opportunity after linebacker Gary Chapa intercepted an O'Donnell pass and returned to the Eagles 34, but QB Brady Raindl's pass just after that play was intercepted by O'Donnell. Raindl, a sophomore making his first start at quarterback, completed 5 of 17 passes for 75 yards, and had three intercepted.

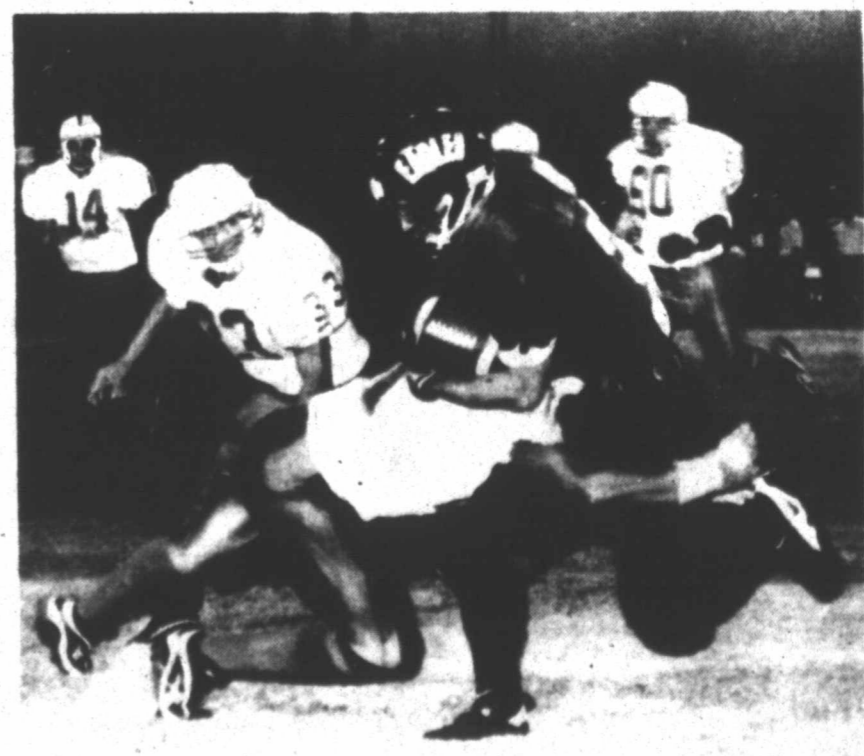

Tahoka had just 71 yards rushing, with Cantu making about 50 of that. The Eagles had 16 first downs to 10 for Tahoka.

Bulldog Head Coach Troy Hinds summed up the opener with the comment that "We went over to O'Donnell and we weren't prepared to play and they were... Any time you have that many turnovers, it's hard to win."

He said the Bulldogs were made aware of their mistakes at halftime, and that the defense did get more aggressive in the second half and made some good plays, but there still were some mistakes made.

"I can promise you we'll look better Friday night," Hinds said, referring to the Bulldogs' scheduled game at Lorenzo, which lost last Friday 28-7 to Happy.

Hinds said the Bulldogs had several injuries, but all were minor, except a hamstring by Adrian Graves, who will miss a couple of games.

GAIN FOR O'DONNELL-Felix Perez carries the ball for a gain before being tackled by a Tahoka Bulldog. Other players here are Tahoka's Auggie Cantu (14), Gene DeLeon (33) and Ricky Cloe (60).

Property tax rates were set by Wilson, New Home and Tahoka city councils during the past week, with O'Donnell already approving a 3-cent tax hike last month, to 89 cents per \$100 of property value.

Area Residents Invited To Walk Fridays At School

Beginning Friday, Sept. 12 Tahoka Elementary would like to invite community members to come and walk or jog with students during P.E. classes.

"We will walk every Friday except school holidays and/or inclement weather," said P.E. teacher Lynn Lankford. "Because our West Texas weather is so unpredictable, please do not call the school to find out if we are walking that day. Generally just use good judgement," she added.

P.E. classes are:
6th grade - 8:00 to 8:40 a.m.
3rd grade - 8:50 to 9:35 a.m.
5th grade - 9:40 to 10:25 a.m.
4th grade - 10:30 to 11:15 a.m.
2nd grade - 11:55 a.m. to 12:40 p.m.
1st grade - 12:40 to 1:25 p.m.
Kindergarten - 1:30 to 2:15 p.m.

"We are adding the number of miles we walk for the year so every lap you walk with us will help us reach a higher total mileage. Meet us at the track with your walking shoes on and make a few laps with us. You'll enjoy the exercise and the students," added Mrs. Lankford.

For more information, call Lynn Lankford or Vivian McAfee at 998-4233.

The Wilson juniorclass will be washing cars this Saturday, Sept. 13 from 11 a.m. to 4 p.m. at the Taco Cabana on 19th Street just east of University, in Lubbock. Donations will be accepted and the funds will be used to help with the junior-senior banquet costs.

The Wilson Lions Club met last Thursday and after the meal a representative from Texas Blood Institute gave a report on their activities and some of the changes that have affected the blood bank's activities. The representative stated that the blood bank needs an average of 175 pints of blood a day and that they are currently only drawing about 65% of that amount. The rest of the requirement comes from other banks with the main source being the Oklahoma Blood Institute. She also stated that each pint donated has the potential to help four people since there are four major components in blood. The club held a blood drive prior to the meeting with 13 potential donors showing up and 11 of them being able to donate blood.

The Wilson marching band is practicing every Tuesday evening from 7-9 p.m. The band will march in the South Plains Fair Parade of Bands on Saturday, Sept. 20 and will march with other bands later that day for Tech Band Day during Texas Tech half-time activities.

The annual "See You At The Pole" is tentatively set for Wednesday, Sept. 17, at the school flag pole.

The Mustang Booster Club meets every Tuesday at 8 p.m. in the school cafeteria. However, there will not be a meeting on Sept. 23. The Booster Club reminds everyone that weekly pep rallies are held from 3:10-3:30 each Friday before all varsity football games. The pep rallies are open to the public and are held in the new gym.

School pictures are scheduled to be taken on Wednesday, Sept. 24. Information on the various packages and prices will be sent home with student as the time approaches.

Several members of the Wilson School Board will be attending the annual Texas Association of School Administrators and School Boards the weekend of Sept. 26-29. Those in attendance are able to visit with others in the same field to discuss and learn about the newest and most successful educational tools. Classes are also offered which enable the members in attendance to earn some of their required continuing education hours.

The Wilson Mustang junior high and JV football teams will host their counterparts from Whitharral this Thursday (today) at Mustang Field. Kick-off for the first game is scheduled for 5 p.m. The varsity will travel to Whitharral on Friday for a game to begin at 7:30.

The 1997 Wilson Homecoming activities are scheduled for the week of Sept. 15-19. These scheduled events are tentative at this time, and a complete schedule will hopefully be available in time for next week's column.

Community Story Time will be held on Thursday, Sept. 13 from 2:30-3:00.

LEOPARDS READY—The New Home Leopards at right line up to start a play against the Loop Longhorns last Friday. New Home won the game 40-8 and will be looking for its second win Friday as Klondike comes to town.

Leopards Rip Loop 40-8 In Season Opener

by Robert Kyle

It took the New Home Leopards just four plays and 1:28 to score their first touchdown of the 1997 football season as they overcame 17 penalties en route to a 40-8 pasting of the Loop Longhorns last Friday.

Senior receiver Ricky Torres got the Leopards off on the right foot as he hauled in a 17-yard touchdown pass from senior spread back Travis Smith. Torres also added the first of his five P.A.T. kicks staking the Leopards to an early 8-0 lead which they would never relinquish.

Senior running back Jody Clem sliced through the Longhorn defense for 145 yards on 14 attempts and added two touchdowns on runs of 48 and 13 yards. Smith also added a 3-yard touchdown run as the Leopards opened an insurmountable 32-0 half-time lead. Smith later scored the Leopards' final touchdown of the night on a 1-yard plunge early in the fourth quarter giving New Home a 40-0 lead.

The Longhorns finally penetrated the stingy Leopard defense as they scored their only points of the night with 1:01 left in the contest on a 13-yard pass. The Leopard defense was led by Senior linebacker, Eric Rodriguez as he was in on 16 tackles. Junior end Josh Gandy added 9 tack-

les as the New Home defense held Loop to 75 yards on the ground and 62 passing yards. The Leopards will try to remain undefeated for the young season as they play host to the Klondike Cougars this Friday at 7:30 at Leopard Field.

The New Home junior varsity also started the season with a victory over Loop as they were paced by Pablo Gomez's three touchdowns en route to a 27-6 victory. The Leopards junior high will open their season Thursday at Klondike at 5 p.m. followed by the J.V. contest.
