Accidents, Theft of Sheep, Tire Punctures Reported

Two traffic accidents in Tahoka and thefts of sheep, gasoline and wooden pallets were investigated during the last week, and three tractors west of Tahoka had all four tires punctured by vandals.

Last Wednesday at S. 2nd and Ave. J, a 1989 Ford Escort driven by Barbara Ann Amador, 19, of Tahoka and a 1999 Ford Explorer driven by Christina Chapa Rangel, 48, of Tahoka collided. Both drivers suffered minor injuries, with Ms. Rangel taken to Lynn County Hospital by EMS ambulance. She was treated and released.

On Saturday at Main and Lockwood in Tahoka a 1998 Ford Expedition driven by Lula Philpot Ashbrook, 76, was involved in a collision with a 2000 Dodge Ram pickup driven by José Angel Deleon, 23, of Tahoka. No one was injured.

Town and Country convenience store reported Sunday that someone

drove off without paying for \$19 worth of gasoline, and another person drove away Tuesday without paying for \$9.40 worth of gas.

Lanny Brewer of Rt. 1, O'Donnell reported Tuesday that five black Barbados sheep valued at \$225 were missing from a field near his residence on County Rd. 36. And Geneva Branch, owner of Back to Earth Resources near New Home, reported Friday that 50 wooden pallets, painted pink and valued at \$400, were stolen from the location on FM 211.

Sheriff's deputies were advised that on or about July 21 or 22, all 12 tires on three John Deere tractors owned by Jay Kelln had been punctured by a sharp instrument at a location near U.S. 380 and Airport Rd. Amount of damage had not been determined.

In jail during the last week were four persons for driving while intoxicated, two for delivery of a controlled substance, two for no drivers license, and nine others on charges including organized crime, no seat belt, driving while license suspended, application to revoke probation on conviction of evading arrest, expired license, no liability insurance, bond surrender, displaying fictitious license plate and public intoxication.

Dispatchers at the Lynn County Sheriff's Dept. processed 289 phone calls during July, including 130 for the sheriff's office, 109 for Tahoka Police Dept., 19 for O'Donnell Police Dept., 19 ambulance calls and 12 fire alarms.

THE SONY Corporation is one of the largest in the world, but there is no way to reach anyone who can explain why they ripped me off for \$30.

Several months ago we purchased for one of our computers at the newspaper office something called a CD-RW, which stands for "Computer Device-Really Weird," because although it does the job of the plain old CD-ROM which it replaced, we have no idea of how to use the "RW" function. But that is not the problem.

The problem is, we bought this thing for \$150, and got two little slips of paper from the seller which said we would get rebates of \$20 and \$30 from Sony if we mailed both the papers to the same address, which we did. Later they sent a check for the \$20 rebate, but we were unable to contact the source of the check to see why they didn't send the other \$30.

I went to the seller in Lubbock and they looked up a phone number, and I called it. It was customer service for the device and all they knew was answers to problems of operation of the equipment. I went to the web and found about half a zillion Sony sites, all related to different electronic things they make. I found nothing about rebates. There apparently is no number to call for problems with rebates.

It's possible that someone Sony designated to pay rebates is deliberately keeping some of the money, which means Sony could be getting ripped off for millions of dollars, along with some of their customers. But I don't know any way to warn them of that.

I OWN a really unique vehicle, several years old, but it runs fine and now is paid for. What really makes this vehicle different from nearly all the others on the roads around here is that it is a CAR.

There are almost no cars left in Lynn County. Everybody drives an SUV, Minivan, Suburban or a big pickup you can't see around and whose headlights are so high they blind you in your rear-view mirror even when dimmed. There are especially large flocks of SUVs. People are buying them like crazy so they will have a neater one than their friends drive. And they are getting them with sun/moon/star roofs and four-wheel drives, which add thousands to the cost, although for most folks they are about as useful as Dick Gephardt.

Anyway, if you want a really different vehicle, buy a car.

New Physician Assistant Now Seeing Patients Here

John Benson, physician assistant with about 30 years of experience in treating patients, this week began seeing patients at his clinic office at Lynn County Hospital, occupying offices formerly served by Dr. Bruce Fried, who recently resigned.

Benson, who has been in practice at Fort Stockton for the last four years, will live in Tahoka with his wife, Lee Henry, and their two daughters, Kristine, 16, and Heather, 15.

The hospital board last Thursday night approved medical staff privileges for Benson at the regular meeting of the board.

A native of Redwood Falls, MN, Benson attended laboratory and X-ray school at Medical Institute of Minnesota, hospital corps school at the U.S. Navy Regional Medical Center in San Diego, later graduating from the Physician's Assistant Program at the same facility, the University of Nebraska, health care sciences courses at the University of Maryland's Far East Division while on active duty in the Navy. He also was a Hospital Corpsman in Vietnam and in the Philippines.

He is board certified from the National Commission on Certification of Physician's Assistants.

Prior to coming to Tahoka, Benson served in the emergency room of Pecos County Memorial Hospital in Fort Stockton and also for the last eight years was PA to a family practitioner in Madisonville. He

has treated patients at Houston and Huntsville, in four cities in California and in the Naval Regional Medical Center in Yokosuka, Japan in the 70s.

In other board business, tentative date for the long-awaited opening of Lynnwood assisted living center now has been delayed to mid-September or later in the month, according to Dan Powers, hospital administrator. Powers and the board visited the building following the meeting, and all said they were impressed with the size of the facility and the layout of the rooms for residents. Some cabinet work already has been placed, and furniture for common areas has been ordered.

Lynnwood Director Susie Sosa has been getting additional managerial training and experience recently working with assisted living centers in Lubbock.

Progress on another popular project of the hospital, a new physical fitness center, is awaiting word from a possible source of grant financing, Powers told the board. If constructed, the center is expected to cost about \$800,000. Many county residents have expressed interest in the facility, which would be manned by the physical therapy department of the hospital.

Board president Billy Tomlinson presided. Members attending were Jerry Ford, Dalton Wood and Joan Knox. Absent were Virginia Griffing, Mike Rivas and Peggy Morton.

Carter Schildknecht Appointed Judge, 106th Judicial District

Texas Governor Rick Perry has announced the appointment of Carter Tinsley Schildknecht of Lamesa to serve as Judge of the 106th Judicial District Court. The court serves Lynn, Garza, Gaines and Dawson counties.

She was chosen from among a slate of eight applicants for the position, whose names were released to The Lynn County News from the Governor's Office under the Texas Open Records Act. Other applicants for the position included District Attorney Ricky B. Smith of Lamesa, Lynn County Attorney James Napper of O'Donnell, W. Calloway Huffaker of Huffaker & Furlow law firm in Tahoka, Gerald Huffaker of Huffaker Green & Huffaker law firm in Tahoka, attorney Bryan L. Kingston of O'Donnell, who reportedly works for the Lubbock DA's office, attorney Steven B. Payson of Lamesa, and attorney Bonnie C. Ericson of Seminole.

Schildknecht replaces Judge George Hansard, who retired in April. Retired Judge Gene Delaney of Snyder has been serving the 106th District as judge until the appointment was made. Schildknecht will serve for a term extending through the next general election. This appointment requires Senate confirmation, according to the Governor's office.

Schildknecht is a partner in the

law firm of Renner, Snell & Schildknecht in Lamesa. She is a graduate of the Stephens College, Texas Technological College and Texas Tech University School of Law, and a member of the State Bar of Texas and the State Bar College. She is a Fellow of the Texas Bar Foundation and a past-president of the Lamesa Bar Association.

Active in many professional and civic organizations, Schildknecht has served as president of the Dawson County United Way, Lamesa Area Chamber of Commerce and Lamesa Rotary Club. She has served on the board of the Lamesa Association of the Arts and the Lamesa Industrial Foundation.

THE HOSPITAL IS RIGHT OVER THERE - Lynn County Hospital District Administrator Dan Powers (second from left) points toward the hospital and the possible location of a new physical therapy center (if grant funding comes through), from the front entrance of Lynnwood Assisted Living Center, currently under construction just north of the hospital. Powers took hospital directors Jerry Ford, Dalton Wood, Billy Tomlinson and Joan Knox on a tour of the facility following Wednesday night's board meeting. Some walls and cabinet work are in place, but opening date for the \$1.7 million facility has been delayed until mid-September at the earliest. (LCN PHOTO)

COLBY GARDNER Gardner Named Award Winner

The United States Achievement Academy announced recently that Colby Gardner of Tahoka has been named a United States National Award Winner in science and leadership.

Colby, who attends Tahoka Middle School, was nominated for the national award by Mary Belew, a teacher at the school. His name will appear in the United States Achievement Academy Official Yearbook, which is published nationally.

Colby is the son of Cindy Gardner and Clint Gardner of Tahoka. His grandparents are Clifton and Joan Gardner and C.W. and Linda Slone, all of Tahoka and Linda and Wayne Linder of Lubbock.

BREK PARIS Paris To Attend South Plains College

Brek Paris, a 2001 graduate of Seagraves High School, will attend South Plains College in Levelland this fall.

She is the daughter of Pam and Pug Paris of Seagraves. Her grandparents are Leslie and Maxine Paris of Tahoka and Bob and Betty Stewart of Lubbock.

NOW AT THE LIBRARY Texas Law in Layman's Language Sixth Edition

This latest edition of *Texas Law in Layman's Language* breaks through the cumbersome technical jargon surrounding our laws and makes them easy to understand. Updated to include the latest changes in the law, this handy reference clearly explains current legislation.

This book guides you through all the legal issues that affect Texans at some time or another, such as: civil and criminal laws; marriage, divorce, and family issues; wills and estates; landlord-tenant relationships; and employer-employee relationships.

The book also answers questions such as: What do you do if someone sues you? What constitutes a legal marriage?; and What are sufficient grounds for divorce?

Texas Law in Layman's Language is one book that every Texan should have at their fingertips.

Available at the City-County Library, located inside the Life Enrichment Center, 1717 Main Street, Tahoka, phone 998-4050. Open Mondays and Wednesdays, 9 a.m. to 5:30 p.m. (closed 12:30-1:30 p.m. for lunch), Tuesdays and Thursdays, 2-7 p.m., and Saturdays, 10 a.m. to 1 p.m.

News from the Tahoka Care Center

by Renee Brooks

What a blessing our community volunteers have been this week! We continue to be grateful for weekend refreshments provided by Pat Hogg, Dorothy Norwood, Betty Cranford, and Betty Jolly. Special thanks to Bertha Brewer for her donations of beautiful robes, gowns, and much-needed personal items.

On Sunday, Ron Fant, pastor of the Church of Christ, and two of his members led us in singing old-time Bible School songs. They really brought "Joy, Joy, Joy" down in our hearts. Our faithful friends Dan and Frances Thomas entertained us during their regular 2:00 Gospel Hour on Monday. Frances has been volunteering at the Tahoka Care Center for 26 years, and Dan has joined her for the past 12 years. Dan and I agree that visiting with the residents is uplifting to us!

Time passed quickly this week with our regular bingo and domino games and a special "Fun at the Beach" afternoon with a water-filled wading pool and "fishing" game that helped cool us down during this hot summer weather. Everyone enjoyed the fun and the watermelon afterwards.

DOG SHOW WINNER—Sam the Akita was the winner of the Family Night Dog Show at Tahoka Care Center last Thursday. Sam, who belongs to Mary and Junior Lopez, is three-years-old, 2 1/2 ft. tall and weighs 125 pounds.

Thursday's Family Night Dog Show was a "howling success." First place went to Mary and Junior Lopez's Akita, Sam. Sweet Sam is 2 1/2 feet tall and weighs 125 pounds. One of the residents wondered if we allow horses in the building after seeing him! Second place was awarded to Lauren Botkin's Dachshund, Savannah, and her Poodle, Jasmine. Third place went to Shayne Scott's Boxer, Baxter. Thanks to all who shared their pets with us!

On Friday, we wished good luck to Beverly Zuniga with a going-away luncheon. Tahoka I.S.D.'s gain is truly our loss. Thanks Beverly, for sharing your many creative talents this past year. We will really miss you, but will look forward to your visits as a volunteer.

Thank you again to our community volunteers for all you give of your time and prayers. We ask special prayers this week for Hazel Hogg, who is still in Lynn County Hospital, and for Diana Riojas's grandchildren, Larry and Adriana Coronado, who are recovering in San Antonio from a train-truck wreck. We wish them a speedy recovery!

Member/Guest Tourney Set at T-Bar Club

Federal Funds Available For Rural Communities

Bryan Daniel, State Director, Texas USDA Rural Development, announced that federal funds are available for USDA's Rural Development Community Facility Loan program. The effort is part of USDA's national program to help rural areas build and enhance essential community facilities.

"USDA Rural Development's Community Facilities program helps rural communities keep pace with the needs of their rising populations," said Daniel. "With lower populations and tax bases than urban areas, rural residents can utilize our programs to help provide essential public services that will enhance the quality of life

for all rural residents."

Community Facility loan funds may be used to construct, enlarge or improve community facilities for health care, public safety, and public services. These loans and grants are usually made to public entities and non-profit organizations. Examples of eligible projects include rural healthcare clinics, town halls, fire trucks, county safety equipment, jaws of life, early warning systems, community centers, libraries, day care centers and schools.

For more information regarding USDA Rural Development programs, contact the Lubbock local office at 806-785-5644, extension 4.

LONE STAR DEGREE—Jordan Bednarz, a member of Wilson FFA, received his Lone Star FFA Degree during the annual State FFA Convention held in Houston, July 9-13.

FRIENDS—Tahoka residents Lindsay Preston, Brandi Tekell and Meredith Pittman pose for a picture at church camp in Floydada recently. Lindsay's parents are Amy and Danny Preston; Brandi is the daughter of Charis and Mark Tekell; and Meredith's parents are Retha and Barry Pittman. *The News* will publish Summer Fun photos at no cost through August as space permits (one photo per family please.)

Wilson Students Attend State FFA Convention

Wilson High School FFA students Aaron Bednarz, Jordan Bednarz, Justin Brannan, Blake Talkmitt, and Chance Talkmitt attended the 73rd Texas State FFA Convention in Houston, July 9-13. The State FFA Convention provides an opportunity for students to hear speakers, participate in shaping the future of FFA, and interact with 7,500 other FFA supporters.

First, the students spent a day of recreation at AstroWorld on Tuesday. Second, the students observed as Jordan Bednarz received his Lone Star FFA Degree, the highest individual state honor. Next, the students participated in the election of the 2001-2002 State FFA officers. These officers will represent the Texas FFA throughout the coming year by visiting local FFA chapters.

Dave Roever, a nationally acclaimed motivational speaker, made a presentation to students. Also, the students attended the FFA Fun Night on Thursday and heard musical talent from fellow students. The Fun Night was followed with a student dance in the Astrodome.

The convention concluded with the installation of the new FFA officers.

Wilson Volunteer Fire Department Tip of the Week: Candles are all quite popular now, and that's all well and good, but several recent area fires have been linked to leaving candles burning and then leaving the home. Please be sure to see that all of your candles have been extinguished before you leave home. Another safety measure for candles is to make sure that if the candle is not in a container, that it is placed on a metal dish. Many of today's candles come with a small metal tray that is intended to catch the wax run-off.

As the start of school approaches, the summer library hours have come to an end. This will give the library staff time to make sure that everything is ready for the opening of school.

Students new to Wilson Elementary School may register Thursday, Aug. 2 (today) from 9-11 a.m. in the elementary office. Students new to Wilson High School and Wilson Junior High School may register on Friday, Aug. 3 from 9-11 a.m. All new students should bring their Social Security card, birth certificate, immunization record, proof of residence and prior records.

High school students may pick up schedules Friday, Aug. 3 as follows: freshmen and sophomores from 8:30-9:00 a.m.; juniors from 9:00-9:30 a.m.; and seniors from 9:30-10:00 a.m.

Wilson faculty and staff will report for work on Tuesday, Aug. 7 and then students will report for classes on Monday, Aug. 13.

There are quite a number of changes in the staff and faculty at the school this year, so as the year opens and things begin to settle down, it is our intention to have a little biography on each of the new faculty members.

Community members are invited to help kick off the new Mustang football and band season at the annual "Midnight Madness" to be held Sunday, Aug 5 beginning at 11 p.m.

The booster club has developed a new incentive program that will be explained at the event. Take this opportunity to sign up for the booster club, which supports all students at Wilson ISD.

Midnight Madness is also a great time to come out and meet the new coaching staff, and see the football team in action in a short practice. Free watermelon will be served and drinks will be sold for 50¢.

Coach Mantle has planned the first full-length practice for 8 a.m., Monday, Aug. 6. Supporters are welcome to watch this practice also.

CARING FOR INJURED—Ambulance attendants and a police officer load patient Chris Rangel of Tahoka onto a stretcher after this Ford Explorer driven by Ms. Rangel and a Ford Escort driven by Barbara Amador of Tahoka collided last Wednesday at Ave. J. and S. 2nd. Ms. Rangel was not seriously injured. From left above are Shorty Rangel, Police Chief Doyle Lee, EMS ambulance driver Daniel Garvin and EMT Billy Flores. (LCN PHOTO)

SURE SHOT—Chris Ashbrook, son of Mr. and Mrs. Charles Ashbrook of Tahoka, was named to the Amateur Trapshooting Association Youth Hall of Fame recently. He is a member of the South Plains of Texas 4-H Claybusters team.

Ashbrook, Lankford To Compete In Trapshoot In Ohio

Chris Ashbrook and Lance Lankford, both of Tahoka, will be among six area young men to represent the state of Texas at the National Scholastic Trapshooting Program (STP) Championship held during the Grand American World Trapshooting Championship in Vandalia, Ohio on Aug. 9-18.

Ashbrook is the son of Mr. and Mrs. Charles Ashbrook of Tahoka. Lankford is the son of Mr. and Mrs. Mike Lankford, also of Tahoka.

To qualify for the Grand American Shoot, Ashbrook and Lankford, members the South Plains of Texas 4-H Claybusters, competed in the STP Texas contest held in Amarillo on July 14. The team is sponsored by the South Plains Shotgun and Archery Club of Lubbock.

The National Shooting Sports Foundation (NSSF) and the Amateur Trapshooting Association (ATA) established STP in an effort to return trapshooting programs to national prominence.

The South Plains Gun Club will host a "Pond Raising Shoot" this Saturday, Aug. 4, at 10 a.m. The shoot will include skeet, trap and sporting clays in junior and senior divisions. All proceeds from the shoot will help with team expenses to the National Championship.

Parents of team members will have a concession stand and a BBQ lunch will be served. Area residents are invited to come shoot at clay targets and have lunch.

For more information, or to make a donation, contact the South Plains Gun Club at 806-885-2618.

PUBLIC NOTIFICATION OF NONDISCRIMINATION IN CAREER AND TECHNOLOGY EDUCATION PROGRAMS

Tahoka Independent School District (TISD) offers career and technology education programs in Business Technology, Family, Career and Community Leaders of America, and Agriculture. Admission to these programs is based on attendance, attitude, and career goals.

It is the policy of TISD not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of TISD not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

TISD will take steps to insure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator, Glo Hays, at P.O. Box 1230, Tahoka, TX 79373, (806) 998-4538 ext. 226, and the Section 504 Coordinator, Jimmy Parker, at P.O. Box 1230, Tahoka, TX 79373, (806) 998-4105.

FORMA DE MUESTRA

Tahoka Independent School District (TISD) ofrece programas vocacionales en business technology, family, career and community leaders of America, y agriculture. La admision a estos programas se basa en asistencia, actitud, y carrera goals.

Es norma de TISD no discriminar por motivos de raza, color, origen nacional, sexo, impedimento, en sus programas, servicios o actividades vocacionales, tal como lo requieren el Titulo VI de las Ley de Derechos Civiles de 1964, segun enmienda; el Titulo IX de las Enmiendas en la Educacion, de 1972, y la Seccion 504 de la Ley de Rehabilitacion de 1973, segun enmienda.

Es norma de TISD no discriminar por motivos de raza, color, origen nacional, sexo, impedimento o edad, en sus procedimientos de empleo, tal como lo requieren el Titulo VI de las Enmiendas en la Educacion, de 1972, las Ley de Discriminacion por Edad, de 1975, segun enmienda y la Seccion 504 de la Ley de Rehabilitacion de 1973, segun enmienda.

TISD tomara las medidas necesarias para asegurar que la falta de habilidad en el uso de la lengua ingles no sea un obstaculo para la admision y participacion en todas las programas educativos y vocacionales.

Para informacion sobre sus derechos o procedimientos para quejas, comuniquese con el Coordinador del Titulo IX, Senora, Glo Hays, en P.O. Box 1230, Tahoka, TX 79373, (806) 998-4538, ext. 226 o el Coordinador de la Seccion 504, J.Senor Jimmy Parker, en Box 1230, Tahoka, TX 79373, (806) 998-4105.

NOTICE OF FLUORIDE LEVEL IN WATER

The City of Wilson has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum constituent level for fluoride established by the department's "Safe Drinking Water Act."

The samples of water from the Wilson system contain 4.1 milligrams of fluoride per liter, and the department requires the city to notify all customers. There is no immediate health hazard for drinking water containing fluoride at this level except that it could cause mottling (brown stain) on the teeth of children under 14 years of age.

All the dentists in this area are aware of the fluoride level.

The City will continue to search for alternate sources of supply and will investigate any available treatment techniques to lower the level of our fluoride if they are affordable at all.

Bottled water is available for families with children under the age of 14 years at the City Office at no cost.

Roy Isham, Superintendent
City of Wilson Water System

My last week at the Care Center was good but sad. A luncheon was hosted for me by the staff on Friday at 1 p.m. I received red roses from my dear friends Mickie Harcrow, Laura Montemayor and Connie Riojas, and a potted plant and a notepad from the staff and residents. I enjoyed the cutest cake which said, "Good Luck Beverly" and was decorated with bingo call numbers and music notes. Thank you all so much, I appreciate and love the residents and staff at the Tahoka Care Center. I will miss you, but I'll always have you in my heart.

TRACK RESURFACING - The track at Tahoka High School is being resurfaced this week, with the old surface scraped off with this machine and a completely new surface to be placed. School officials remind residents to stay off the track until the project is completed. (LCN PHOTO)

Extension Service Changing Name, Keeping Commitments

The Board of Regents of The Texas A&M University System on Friday approved changing the name of the Texas Agricultural Extension Service to Texas Cooperative Extension.

"The new name ties the agency's roots to the broader services it currently offers and will offer in the future," said Chancellor Howard Graves. "Our hope is that more Texans will take advantage of the variety of programs and services available through Extension."

Citing the state's tremendous urban growth, among other changing demographics, Dr. Ed Hiler, vice chancellor and director of Texas Cooperative Extension, explained that the change was necessary to maintain and improve service to all Texans.

"Our mission always has been to provide education to help farmers

and ranchers increase their productivity, to help families succeed, to empower young people to grow into productive citizens, and to help communities develop economically," Hiler said. "But some people, especially in our urban centers, never realized we offered all those opportunities because our name seemed to emphasize only one area."

"We are very pleased to make this change and to renew our commitment to serving all Texans."

Despite the change in the name, Extension leaders affirmed that the agency's commitment to Texas' \$15 billion agricultural industry will remain as strong as ever.

"Throughout our history, agriculture has been an integral part of what we do, one of the primary reasons for our work - and that won't change," Deputy Director Chester Fehlis said. "However, our mission has always

been broader than just agriculture, and we want all Texans to feel comfortable requesting assistance for the wide array of Extension educational programs designed to serve their needs."

Why the word "cooperative"? Texas Cooperative Extension is an agency founded on the cooperation of federal, state, and county governments, Fehlis said.

"The U.S. Department of Agriculture, The Texas A&M University System, and the County Commissioners Courts of Texas are the funding partners that make Extension possible. We are also part of the national Cooperative Extension System found in every state and U.S. territory."

With more than 1,500 employees statewide, and 250 offices serving Texas' 254 counties, Texas Cooperative Extension has provided informal education to Texans for 86 years. Established by federal legislation in 1914, the national Cooperative Extension program was designed to extend the educational opportunities and the scientific research of the nation's land-grant universities to the people. Texas Cooperative Extension is a member of The Texas A&M University System.

Kelln Named ASA Junior Member

Klyssa Kelln, a 2001 graduate of Tahoka High School, has recently become a junior member of the American Simmental Association (ASA).

"We want to offer a sincere welcome," said ASA Executive Vice President Jerry Lipsey. "This organization takes great pride on the quality of its junior program which emphasizes a meaningful, hands-on learning experience."

Founded in 1968 when the first Simmental cattle were imported from Europe, ASA was founded on a philosophy that stresses performance in the production of breeding cattle.

The ASA junior program focuses on herd management and self-improvement in addition to live evaluation and exhibition of cattle. Four Regional Classics and a National Classic are held annually. The Association provides 20 Merit Award Scholarships each year to deserving junior members.

Headquartered in Bozeman, Montana, ASA has responsibility for maintaining the herdbooks of the Simmental and Simbrah cattle breeds. The Association has a junior membership of nearly 5,000.

4-H Horse Club County Play Day Slated Tuesday

Members of the Lynn County 4-H Horse Club will participate in eight events at the County Play Day on Tuesday, Aug. 7 at the 4-H Arena just south of the baseball complex in Tahoka. Area residents are invited to come watch as the youth put their horses through four timed events and four judged events. The Play Day begins at 7 p.m.

Admission is free for the Play Day, and hamburgers will be served for a donation.

Ten to 15 youth participate in the 4-H Horse Club, and they have been practicing for the past nine weeks in preparation for the Play Day events. Additionally, members have had classes on grooming and safety, according to a sponsor.
