

Friday Night Opener

The Tahoka High School Bulldogs, under the direction of head coach Bryan Gerlich, will host Floydada in the season opener this Friday, with kickoff set for 7:30 p.m. at Kelley Field. The Dogs performed well in scrimmage action against Plains and Crosbyton during the last two weeks, and are enthusiastic about the upcoming season. Assisting Gerlich this season are coaches (shown from left on back row) Scott Bruington, Robert Webb, Jody Bolin, (Gerlich), Brent John, trainer John Lowe, and John Ramos. See the Bulldog roster on the back page of this issue for a complete listing of Bulldog players. (LCN PHOTO)

O'Donnell Man Pleads Guilty of Drug Possession

A 106th District Court jury was still deliberating Wednesday morning in the case of Rafael Ramirez of O'Donnell, who pleaded guilty of drug possession charges before Judge Gene L. Dulaney in Tahoka earlier this week. A jury had been called to try the

case, but the defendant pleaded guilty and then requested that the jury determine his punishment.

Tahoka Police Dept. this week processed several calls on domestic disturbance, public intoxication and other misdemeanor offenses.

A 22-year-old Tahoka woman reported the door to her residence was kicked in Sunday by a male acquaintance. Damage was estimated at \$100.

One man stopped last Thursday for driving while intoxicated also was charged with possession of drug paraphernalia.

Five persons were jailed during the last week for public intoxication, plus two more for DWI second offense and two others for DWI first offense. Others were jailed for failure to appear on child support violation plus motion for enforcement, no drivers license plus failure to appear, theft by check, application to revoke probation on conviction for possession of marijuana, assault on family member and possession of narcotics paraphernalia.

City Pool Closes

The Tahoka City Pool will not be open for the Labor Day weekend, and in fact has closed for the season, city officials reported this week.

The pool will reopen next summer.

Tailgate Supper Planned Before Friday's Game

The Tahoka Bulldog Booster Club will host a tailgate supper prior to Friday's game against Floydada. Serving time will be from 6:00-7:15 p.m. Game time is 7:30 p.m.

A hamburger, chips, and drink will be served for \$3 per plate.

Tax Rate Set; TISD Receives High Accountability Ratings

Tahoka Independent School District Board of Trustees met in a special budget/tax rate hearing Monday night, keeping the tax rate at current levels as expected and getting a good report on accountability ratings for 2000-2001 for the district.

Trustees unanimously approved keeping the current tax rate of \$1.475 after a public hearing at which no members of the public attended. A budget of \$6,086,354 for 2001-2002 was also approved.

Superintendent Jimmy Parker

gave a report on the district's accountability ratings from the Texas Education Agency, telling trustees that the High School and Middle School received the highest marks possible, with both earning Exemplary ratings, while the Elementary campus and district as a whole earned Recognized ratings, also good indicators that the district is meeting the needs of students.

The superintendent conducted Level II Board Training, as required annually by state law. Parker also

informed the board that Jeff Parker has been hired as District Resource Officer, filling the vacancy left by the resignation of Abraham Vega.

No action was taken on an agenda item regarding authorizing bids for an ag pickup.

The board met in closed session for two hours to discuss personnel, but no action was taken upon return to open session. The meeting adjourned at 10:45 p.m. All seven trustees were present for the meeting.

HELOISE (who offers tips on various things in daily newspapers) recently offered a solution to one of today's really vexing problems, one which no doubt has caused lots of folks to fret and lose sleep and have nervous breakdowns: how to keep your dog from turning over his water pan. She suggests use of an angel food cake pan, which I will explain later.

What happens is this: you put out a pan of water, and your dog, being a little bit stupid and clumsy, steps on the side of it and turns it over, losing all the water. Or maybe, in the hot summer, the dog just tries to lay down in the pan to keep cool, not realizing how much smaller than the dog is the pan.

Our dog, Cleo, never turns over her water, mainly because it is in a 5-gallon bucket pretty hard to overturn when it's full. And besides, Cleo (who, as I mentioned once before is part collie and part backhoe) has a long-term plan for staying cool. She is trying to dig under the foundation of the house until the house tilts about 20 degrees to the east, causing more shade on that side in the afternoons.

Anyway, Heloise suggests that you take an angel food cake pan and drive a stake down in the hole in the middle so it won't overturn, and then put in the water.

Well, gee, that might work, but I see a problem with it. Most people, including us, have only one angel food cake pan. So if you leave it out there for the dog six days a week, then decide to cook an angel food cake for Sunday, people in the know are not going to want to eat any of that cake.

So be warned. Don't eat any angel food cake in homes where they have a dog and also read Heloise.

AN OLDER couple had just celebrated an anniversary and the next evening, another older couple was visiting them. The two women went to the kitchen, and the men were talking in the next room. The visiting man asked the other man how they had celebrated their anniversary.

"Well," said the old gentleman, "We went out to eat and found this really great restaurant, with delicious food and good prices."

"Really?" said the visitor. "That's great. What's the name of that restaurant?"

"Let me think a minute," said the homeowner. "Let's see... what's that red flower that has thorns on it?"

"You mean a rose?"

"Yeah, that's it!" exclaimed the man. And he turned his head toward the kitchen and called out, "Rose, what was the name of that restaurant?"

Library's Silent Auction Planned Again This Year

The annual City-County Library Silent Auction will be held in conjunction with the Lynn County Harvest Festival on Saturday, Sept. 8. Proceeds from the auction go toward books and operating expenses.

Anyone wishing to donate an item for the auction may do so by contacting the library at 998-4050 or dropping it by the library during regular hours.

"The community has been so generous with their time, energy, and donations in the past, we hope we can count on everyone again this year. We appreciate any help we can get," said one library board member.

School Pictures Set For Sept. 11

Tahoka High School and middle school students will have yearbook pictures taken Tuesday, Sept. 11.

Students will receive information on packages prices. Pictures must be paid for the day they are taken.

Retake and make-up pictures are scheduled for Oct. 22.

For more information, contact Rachel Lehman at 998-4538.

I have been blessed to have established such an outstanding clientele -- especially since my business is located in a rural area. Most of you have become more like family. We at Mr. Bernie's thoroughly enjoy having you in our salon. Since we are family around here, I need to ask a favor of you all.

As you know, I have taken on a ministry that I devote most of my "free" time to. I love the beauty industry, but we all know that my true calling is to the music ministry. In my best effort to incorporate the two jobs, I am going to be working less hours at Mr. Bernie's. So what does that mean to you?

If you could please help me out by booking your appointments in advance, as much as possible.

During each work week, I can do approximately 4-6 chemical services after school or regular work hours. That includes perms, color, and highlights. If you notice that your haircut only lasts about 6 weeks, let's go ahead and pre-book your next one so that you can be assured an appointment.

There will be "hair emergencies"!! I will continue to do my best to serve you with the same sense of urgency as always; however, if you cannot get in with me, I would encourage you to book with Patti. She is quite competent and loves to do hair.

Thanks again for your patronage and cooperation and patience!!

Voting Boxes Consolidated For November Election

Lynn County Commissioners Monday voted to consolidate voting boxes in Lynn County to one in each city for the November General Election, which is an amendment election only (no local races). One voting box each will be open in Tahoka, New Home, Wilson and O'Donnell.

Commissioners approved creating a justice technology fund, effective after Sept. 1, which would require a defendant convicted of a misdemeanor offense in a justice court to pay a technology fee of \$4 as a cost of court. This fund may be used only to finance the purchase of technological enhancements for a justice court and must be administered under the direction of the commissioners court.

Discussion on retirement was tabled until the next regular meeting, but commissioners accepted a new plan for health insurance because of a rate increase, to take effect Oct. 1, 2001.

A 2002 budget hearing was scheduled for Monday, Sept. 17 at 9 a.m. in the County Judge's office.

All four commissioners and Judge J.F. Brandon were present for the meeting.

WHO LET THE DOGS OUT? -

All proceeds will be donated to the Lynn County Child Welfare Board, with the Harvest Festival donating matching funds to the Lynn County Christmas For Kids program. (LCN PHOTO)

Energas Forecasts A Brighter Outlook For Customers This Winter

According to the American Gas Association, residential gas customers across the country paid 70 percent more, on average, for natural gas last winter (2000-2001) than they did during the previous winter. Thanks to some innovative gas purchasing practices and the fact that market prices have dropped this summer, Energas is forecasting good news on the cost of natural gas this next winter. Energas residential customers should see gas costs in the range of \$5-\$7 per thousand cubic feet, far less than the \$10 prices that customers experienced last winter for the same amount of gas.

Energas is currently negotiating hedging agreements with its suppliers to reduce market volatility in its prices for next winter. Energas has been able to lock-in portions of its gas costs for next winter now and stabilize the gas prices the customers will be charged.

Energas Gas Company continues to offer a budget-billing plan for those customers who want to levelize their monthly gas payments. Based on previous usage, budget billing avoids the highs and lows customers normally experience by setting an average amount to pay each month. "We strongly encourage our customers to sign-up for such programs when available with whatever source

of energy they use since programs like this enable you as a customer to budget making better use of your dollars," said Energas Company President Tom S. Hawkins Jr. For more information on budget billing, call Energas at 1-888-363-7427 or visit www.energasc.com and click on the customer service icon. At this web site, customers can find conservation tips for more efficient use of energy. "Based on last winter, we strongly encourage customers to begin now making the necessary repairs and inspections of their gas appliances to ensure a safe, efficient, comfortable winter," said Hawkins.

Low income households were particularly hard hit by last winter's gas costs. Many customers are still trying to get caught up on last year's utility bills. Customers can apply for energy assistance through local agencies that will assist them in the qualification process through the Low Income Home Energy Assistance Program (LIHEAP). Based on total household income and the type of housing in which people live, customers may receive a benefit that will be paid directly to the energy provider.

Energas Company serves over 311,000 customers in 92 communities in the Panhandle and South Plains area.

TAHOKA TIN MAN - This Tin Man, in front of the home of Mr. and Mrs. Bill Craig at 1828 S. 8th in Tahoka, looks ready to set off to see the Wizard of Oz. Craig, an artist and designer, built the tin man on a whim, using scrap tin which he had accumulated "after cleaning out 45 years of junk," according to his wife. The lifesize figure closely resembles the famous "if I only had a heart" tin man from the Wizard of Oz, but there's no yellow brick road that leads to Oz - just a concrete driveway. (LCN PHOTO)

NOW AT THE LIBRARY

The Bronze Horseman
 by Paullina Simons

From the author of the international bestseller *Tully* comes an epic tale of passion, betrayal, and survival in World War II Russia. Leningrad, 1941: The European war seems far away in this city of fallen grandeur, where splendid palaces and stately boulevards speak of a different age, when the city was known as St. Petersburg. Now two sisters, Tatiana and Dasha Metanov, live in a cramped apartment, sharing one room with their brother and parents. Such are the harsh realities of Stalin's Russia, but when Hitler invades the country, the siege of its cities makes the previous severe conditions seem luxurious.

Against this backdrop of danger and

uncertainty, Tatiana meets Alexander, an officer in the Red Army whose self-confidence sets him apart from most Russian men and helps to conceal a mysterious and troubled past.

Once the relentless winter and the German army's blockade take hold of the city, the Metanovs are forced into ever more desperate measures to survive. With bombs falling and food becoming scarce, Tatiana and Alexander are drawn to each other in an impossible love that threatens to tear her family apart and reveal his dangerous secret - a secret as destructive as the war itself. Caught between two deadly forces, the lovers find themselves swept up in a tide of history at a turning point in the century that made the modern world.

Teachers Offered Loan Forgiveness

An elementary school teacher from Tarant county ISD was the first applicant to satisfy all requirements to qualify for the Department of Education's Teacher Loan Forgiveness program since regulations that govern the program were put into effect July 1.

To qualify for the forgiveness program, a borrower must be able to certify that he or she has taught fulltime for at least five consecutive, complete academic years at a low-income school that qualifies for Title I funds. The borrower must also certify that he or she had no outstanding balance on a federal Stafford loan at the time he or she obtained a loan on or after Oct. 1, 1998, in addition to other criteria.

Borrowers may qualify for up to \$5,000 in loan forgiveness through the program.

Since the final rules for the program were issued in Nov. 2000, Texas Guaranteed's customer assistance team has been developing systems and procedures to process Teacher Loan Forgiveness applications in a timely manner. Tracy Lindsay, customer assistance team leader, has been overseeing the preparations and was involved in processing the first application. She is confident that this is just the beginning of what TG hopes will be a successful and effective program to motivate people to enter and continue in the teaching profession.

"TG is ready to process applications to help borrowers take advantage of the Teacher Loan Forgiveness Program," said Lindsay. "We are please to be able to offer teachers the option, under the federal program, to pay off some or all of their student loan balance."

For more information about the Teacher Loan Forgiveness Program, call TG's customer assistance department at 800-845-6267 or send an e-mail message to etust.assist@tgsic.org.

BUILDING A CHURCH - Lots of progress was made last weekend and continues this week at Tahoka Trinity Church, where volunteers are building a new church building. The new facility is located directly behind the current sanctuary at 1925 Lockwood. Saturday was "community workday" and approximately 50 volunteers offered helping hands, raising the walls of the church in one day. Additionally, eight volunteers from other areas of Texas, South Carolina, Colorado, and even one from as far away as Canada are here on a mission to help build the church. The front of the church sanctuary is shown in this photo, and the building will also include classrooms, a nursery, kitchen and fellowship hall area. (LCN PHOTO)

New Traffic Laws To Take Effect Beginning Sept. 1

Some of the laws regarding traffic and safety issues will change beginning Sept. 1. Following is a summary of a few of the new laws, provided to *The Lynn County News* by Jay Druessedow, DPS Officer in Lynn County.

SEATBELT LAW

The law states that wearing a safety belt means to wear all portions of the belt (shoulder strap and lap belt) as the manufacturer intended and designed it to be worn (if it was originally equipped with a shoulder strap or it has been added to the vehicle, you must wear it and wear it properly to comply with the safety belt law) (This clarifies the law passed two years ago that required you to wear all parts and wear them properly).

Now 1 ton pickups, all cars, all pickups, all trucks, all sport utility vehicles and all truck tractors are included in all of the safety belt law (Old Law—did not include one ton pickups or truck tractors). All people must be properly secured by the safety belt system in the front seat of all of these vehicles.

All people 16 years of age and younger must be properly buckled in all places in the vehicle (Old Law—under 15 years old).

All children under 4 years old OR less than 36 inches in height must be properly secured in a child passenger safety seat system. This means even 3 year olds that are over 36 inches tall must be in this system. (Old Law—under 2 years old).

Minimum fines for violations of the safety belt law were raised to \$100. This does not even include court costs!!!!

OPEN CONTAINER LAW

It is against the law to have any open container of any type of alcoholic beverage anywhere in the passenger compartment of the vehicle.

AUTOMATIC LICENSE REVOCATION

If you get arrested for DWI and refuse an intoxilyzer test or fail an intoxilyzer test, your license will be taken IMMEDIATELY. You will be given a receipt that you can use to drive for 40 days and then your license will be suspended.

All driver's license suspension periods under the DWI Law were increased.

The fee to get your driver's license reinstated after suspension was increased to \$125

CHILD IN OPEN BED OF PICKUP

It is illegal for any child younger than 18 years old to ride in the open bed of a pickup or open flatbed truck or on an open flatbed trailer. This applies at all speeds. (There are several "defenses" but you will have the

burden of proof on these items) (Old Law—no child under 12 could ride in an open bed if traveling over 35 mph).

FLEEING / EVADING ARREST

The offense of running from a police officer while in a vehicle was increased to a State Jail Felony.

Pierce "GM Country" will be disposing of 200 Used & New Vehicles for Only \$59* down payment. Then arrange Payments with THE BANK*

Lamesa, TX. - Due to defaulted automotive loans, returned lease inventory, we are initiating a \$59* vehicles and daily rentals, banks are having to store and stockpile vehicles. Usually these stockpiled vehicles go to auction and are sold at wholesale to other dealers who then turn around and sell them for retail to their customers. Bargain-seekers take heart: This week Pierce "GM Country", to expand its customer base and increase market share, is going to change all that.

This Wednesday August 29th through Saturday September 1st and Monday September 3rd Pierce "GM Country" will offer 200 New & Used vehicles at below market values, and pass the savings on to consumers.

These vehicles have been acquired from banks, auctions, credit unions and other sources. "It's a car buyers dream," says Shannon Pierce, Owner of Pierce "GM Country". "We've been asked to sell this inventory immediately - without regard to warranty, or qualifying for extended the loss of Dealer profit. If that means selling these vehicles for below market value, then that's what we'll do," says Pierce.

"I've been asked to sell this inventory immediately - without regard to the loss of Dealer profit."
Shannon Pierce, Pierce "GM Country"

In order to dispose of the vehicle inventory, we are initiating a \$59* Alternative Event. According to Pierce, "It's simple - give us \$59* down payment, fill out some paperwork, then the payments are directed right to you. These are purchases not leases. It's easy just pick a vehicle or pick a payment. Vehicles will be marked with your monthly investment right on the windshield."

According to Pierce, all trade-ins, no matter what condition will be accepted. Due to the urgency of this event all participants are encouraged to please bring their title or payment book, registration, trade-in and all decision makers because everything is first come, first serve. "So you better hurry," says Pierce.

"The opportunity Texas bargain-hunters have been waiting for happens this Wednesday through Saturday and Monday, at Pierce "GM Country". "Customers won't see inventory like this again all year," said Pierce.

The \$59 down payment Auto Auction Alternative ends at 8:00 pm on Monday September 3rd. Any questions can be directed to 806-872-2144 or 800-530-4544. Pierce "GM Country" is located at 202 South 3rd Street, Lamesa, TX

The New Home varsity cheerleaders will be hosting the Little Leopard Camp on Saturday, Sept. 8 from 10 a.m. to 2 p.m. Jumps, motions, a cheer, chant, dance and stunts will be taught to those who are interested.

The fee is \$15 and includes a picnic lunch and two snacks. A mini pep rally will be held at 2 p.m. and the Little Leopards will participate in the varsity pep rally on Sept. 14. Forms and fees are due by Sept. 4.

There will be a district FFA meeting at Seminole on Monday, Sept. 10 at 5 p.m. Zac Morris of New Home FFA is district president and Keaton Askew is area II president. James Tabor is advisor to both FFA officers.

Mrs. Dunn's fifth grade class will attend the Lubbock Symphony Orchestra Concert on Sept. 13 and have lunch at Cici's Pizza.

Homecoming will be Sept. 28 at 7:30 p.m., with the homecoming parade and pep rally preceding the game against Three-Way. The bonfire and hamburger supper will be held Thursday, Sept. 27 at 7:30 p.m.

Box Tops for Education were collected in the spring and summer for the Accelerated Reading program. Students who returned to school with 20 coupons got to put their name in a drawing held Aug. 28. Dustin Laseman's name was drawn as the winner of a 13" television.

There will be a school holiday Monday, Sept. 3 for Labor Day.

The JV football team will play host to Patton Springs at 6:30 p.m. Thursday, Sept. 6 and the varsity Leopards will travel to Loop on Friday, Sept. 7. The cross country team will travel to Seminole for a meet on Saturday, Sept. 8. The football teams have games each Thursday and Friday.

YOU TAKE IT—Mustang QB Aaron Bednarz hands the ball off to FB Steven Deanda as Wilson scrimmaged Guthrie last Thursday. Ruben Rodriguez (22) is blocking on the play. Wilson will scrimmage Amherst this week, and Coach Larry Mantle's six-man team will open the regular season at home against Lazbuddie Sept. 7. (LYNN COUNTY NEWS PHOTO by Vondell Elliott)

TIME TO GO—Wilson Senior Tailback Brian Arrellano is being menaced by two large Guthrie players in a scrimmage at Wilson last week. The Mustangs have seven seniors on a squad of 14 players for the upcoming six-man football season. (LCN PHOTO)

The Wilson News
by Buster Abbe • 628-6368

Wilson Volunteer Fire Department Tip of the Week: When is the last time you checked the batteries on your smoke detector and on your carbon monoxide detector? That's too long! Batteries should be tested at least every month and then replaced at least twice a year. Most people change the batteries when they change their clocks in the spring and fall.

The Wilson Mustangs will travel to Amherst Thursday (today) for their

final scrimmage of the season. The game will begin at 6 p.m. and all those Mustang fans that can go are urged to do so.

Young-At-Heart will meet today, Aug. 30, in the educational building at St. John Lutheran Church. The meeting will begin about 1:30 p.m. and continue for an afternoon of fellowship and games. You are invited to come out and meet the bunch and have a good time.

Monday, Sept. 3 is Labor Day and as such, most businesses, government offices, financial institutions, the post office, and many schools will observe the holiday by being closed. If you and your family are traveling for this weekend, please be careful and make it back home safely.

Saturday is Sept. 1 and this is the effective date for many new state laws. Some of these new laws include the new law for age limits on who can ride in the back of a pickup, there are a few exemptions on this one.

Another is the law that requires a child aged four and under or under 31 inches tall be confined to an approved infant seat. Finally, it will now be against the law for anyone in a vehicle to be in possession of an open container of an alcoholic beverage.

There are many more new laws but these have generated quite a bit of interest.

The Wilson Lions Club will host their annual Caravan for the Blind broom, mop and other household supplies sale on Friday, Sept. The caravan truck will be parked on the school parking lot and products will be available from about 8 a.m. to around 5 p.m. In addition to the truck locations, groups of Lions will fan out over the area with items for your selection. The Lions Club portion of the sales will be used for various Lions club charities.

The ladies of the First Baptist Church of Wilson are planning another Bible Study which is planned to start on Monday, Sept. 10. The 11

week study will begin at 7:30 p.m. and continue until 9 p.m. For more information, please contact the church at 806-628-6333.

Sept. 16, and the opening of the Faith Chapel Community Church is just around the corner. Opening day services will include Sunday School at 9:30 a.m., morning worship service at 10:15 a.m. and Sunday night worship at 6 p.m. There will be a special concert and grand opening house at 3 p.m. on Sunday afternoon, Sept. 16.

Well, it's almost September and harvest time is just around the corner. After discussions, cussings, and all sorts of area meetings and big-wig planning sessions, it has been decided, by the local board, that the Wilson Coop Gin will open as usual for this year's harvest season. All the rumors and stories can be laid aside as it is official: Dan, Stephanie, Bruce and crew will be there to gin the 2001 crop. The crop will be a little on the thin side, but what's there will get the best attention right here in Wilson. So, bring yourself, your cotton, and the donuts and fill your coffee cup as the fall sounds of gin machinery will once again fill the air, even if just for a little while, right here in good ole downtown Wilson.

The Wilson High School senior class will hold a car wash, Saturday, Sept. 15 at the Wal-Mart at Loop 289 and Quaker in Lubbock. The event will be from 8 a.m. to 3 p.m. Advance tickets are \$5.

The Mustang Booster Club hosted "Meet the Mustangs" last Thursday night and according to a club member they had a great time watching the team scrimmage and meeting all the football players, the band, cheerleaders and the cross country teams.

A good turnout was reported for Monday night's meeting with coach Mantle narrating the game film from the scrimmage.

The next meeting will be Monday, Sept. 10 and will be a "working" meeting as members will put up Mustang signs. Members are to meet at the football field at 7 p.m. and will watch game film at 7:30 p.m.

Door prizes will be given out. "Remember, it pays to be a Mustang Booster," said club president Carol Yowell.

BIG WINNER—Bretton Engle, 10-year-old son of Jana Jolly of Tahoka, scored big at the T-N-T Summer Night Series motorcycle race in Idalou recently. He was first in the 60cc TT, and second in both the 60cc Novice and the 80 cc.

Card of Thanks

Dear Friends,
Thank you so very much for your extreme generosity, kindness and thoughtfulness during our time of sorrow. We are overwhelmed by the abundance of memorials, food, flowers and cards that have been sent. We would like to express special thanks to Danny, Kim and Maxine Paris and Ernest Isbell. Your extreme generosity of self are true marks of your steadfastness to Tim. Also we would like to thank the Lynn County Hospital and staff for their care of Tim during his hospital stay. Special thanks goes to Rebecca Childress, Dorothy, Teresa, Ruth, Lucy, Toni and Joey. And to those who journeyed far for their last farewell to Tim, thank you; Kerry and Jim and many others too numerous to mention. Thank you each and everyone for your expressions of love and friendship.

Sincerely,
The family of Tim James
