Muleshoe Forward Wall

POWER-CHARGED LINEMEN FOR THE MULES are, left to right, back row, Mike Cabrera, Jerry Wright, Bob White, Wayne Malone, Alvin Reasoner and Dixon Ray. Second row, left to right, are Mike Con-

nell, Don Gardner, Nelson Shipman, Gerald White, Stacy Lackey, Ronnie Heard and Jerry Hutton. Front row, Barry Lewis, Archie Evans, Dick Plyant and Mike Miller.

Muleshoe Backfield

MULES BACKFIELD is shown above. Left to right, top row, they are Kenny Heathington, Gary Pierce, Jim Young, Larry Lumpkin, Billy Gilbreath and Jerry Har-

risson. Front row, left to right, are Ronnie Black, Joe Bob Stevenson, Don Finn, Jerry Gilbreath, Francis Creamer and Kenny Splawn.

Mules To Tackle Clovis Cats Friday

Going up against a team com- last year carried the Clovis Wild- posed mostly of lettermen who cats to the New Mexico state finals, the Muleshoe team will find the season opener a tough proving ground for the 1961 version of the Muleshoe Mules. Muleshoe lettermen returning to the field this year will find a formidable opponent in this winning Wildcat team. With 13 returning lettermen on the Muleshoe Mules team, this may prove to be a disquieting experience.

However, the Mules have been looking good in practice and may show the Wildcats that past performance of a year ago is not the all-important factor in the game of football.

Probable starters for the Mules are Kenny Splawn or Larry Lumpkin at right halfback; Jerry Gilbreath, left half; fullback, Don Finn or Garry Pierce; quarterback, Billy Gilbreath; left end, Dixon Ray; Mike Cabrera at right end; right guard, Jerry Wright; left guard, Wayne Malone; right tackle, Jerry Howard; left tackle, Alvin Reasoner; and center, Bob White.

History of the competition between the two teams shows one win, one loss and two ties for the Mules. Winning in 1957 with a score of 14-13 and losing in 1959 with a score of 13-26, the Mules now find themselves outclassed.

Years 1958 and 1960 found the two teams tied up, 6-6 and 22-22, respectively. The 1960 score certainly proved that size of school

had little to do with power of a football team.

If the Muleshoe Mules make a triumphant march across the New Mexico real estate Friday night, it is the prediction of this reporter that they will go on to cop the district title.

If this game is close, there is a fine chance of having a district

Grain Growers, Operators Will Meet

Grain Sorghum growers and elevator operators will meet in the District Court room in Muleshoe at 8 p.m., Thursday.

Pouncey Finishes Basic Course In Management

Carroll Pouncey, manager, Muleshoe Chamber of Commerce, has been awarded the Certificate of Graduation for the basic course at the Institute for Organization Management at the University of Colorado.

The Institute is sponsored by the Chamber of Commerce of the United States.

The course is a concentrated training program in the management of associations and chambers of commerce. The program is aimed to equip the executives with the basic skills, techniques, and methods of management work; and also to lead him to a better understanding of himself, his organization, and the social economy of which he is a part. Throughout the course, there is constant emphasis upon continued personal development.

Institute training program was organized by the Chamber in 1921 as a means of assisting the executives of associations and chambers of commerce to better equip themselves for the responsibilities of their jobs.

R. G. Peeler, Hereford farmer, and W. W. Anthony Jr, Friona farmer; both association directors, were at the Friday meeting. Meeting will start promptly at 8 p.m.

With Other Retailers

Journal Also Feels Effect Of Sales Tax

The Journal management is making preparations, as are all retail businesses in Texas, to comply with the new 2 per cent Sales Tax Law, which will go into effect Friday, September 1.

The newspaper will be obliged to collect a 2 per cent tax on all subscriptions sold to subscribers who reside within the state; all subscriptions sold to go to addresses outside the state will be exempt from provisions of the law.

Mrs. Bulloch Dies, Sister's Death Follows

Mrs. Alice Stell Bulloch, 71, and Mrs. Mary Amy Stell Self, 73, sisters, died in Muleshoe this past week.

Mrs. Self, who lived in Denton, came to Muleshoe to attend her sister's funeral and, while here, suffered a heart attack August 28.

Mrs. Bulloch, who died August 25, was buried August 27 in Bailey County Memorial Park following services in the First Baptist Church, of which she was a member. She had lived here with her husband, Pat Bulloch, since 1943, when they moved to Muleshoe from Lomita.

Survivors include Mrs. Bulloch's husband, Pat Bulloch, two sisters, Mrs. Frank Meeks, Bakersfield, Calif., and Mrs. Bob Dyer, Lipan, Tex.; a brother, Bill Stell, Midland; nephews Irvin St. Clair and Bill Jim St. Clair, both of Muleshoe.

Services were conducted by Rev. Don Murray, assisted by Rev. J. E. Moore of Abilene.

Pallbearers were Mrs. Bulloch's nephews, Love Stell, Bill Stell, Burl Stell, D. E. Bulloch, Doyle Bulloch, Cliff Reynolds Jr., C. E. Bunkley Jr., and Wayne Graham.

Honorary pallbearers were Jack Oehausen, Ray Carter, Jack Cox, F. L. Shelby, John Adrian, Lewis Stewart and Clifton Finley.

Singleton Funeral Home carried the body of Mrs. Self to Denton, where funeral services were to be arranged. Interment was to be in Roselawn Cemetery in Denton.

Mrs. Self is survived by her husband, S. F. Self, three daughters, Mrs. Mable Sligh, Waco; Miss Ona Self, Richardson; and Miss Louise Self, Denton; son Quimby Self, Denton; sisters, Mrs. Frank Meeks, Bakersfield, California; and Mrs. Bob Dyer, Lipan, Texas; and brother, Bill Stell, Midland. She is also survived by five grandchildren.

Roger Pool Joins Insurance Firm

Roger Pool

Pool Insurance Agency here in Muleshoe announced this week that Roger Pool has joined the agency to be in charge of the life insurance department.

Roger Pool will sell all forms of life, accident, sickness and hospitalization insurance for the agency and for South Coast Life Insurance Company.

Art Lara, agency manager for the Panhandle and Plains Area of South Coast Life, said Pool will be attending three home office schools within his first year with the company. Thereafter, he will go to school each year.

These schools cover different phases of the life insurance business, Lara said. In addition, Pool will complete two study courses which will supplement his classroom training.

Enrollment figures in the Muleshoe School District August 28 showed a drop of 153 in the expected number of students. This figure should come up to the anticipated number, however as students continue to enroll through this week.

Thus, since the subscription rate locally is \$3.00 per year, a 6 cent tax will be added. For subscription outside the trade territory, the rate is \$3.50 per year, and 7 cents tax will be added.

The Journal also will pay a 2 per cent tax on all printing done in its commercial shop. Price to the customer will include this tax, figured on the regular price for the printing. Advertising is exempt from the tax.

Likewise, The Journal's office supply store will comply with the law by collecting a 2 per cent tax on the set price for any article, with the exception that there will be no tax on an article costing up to 24 cents. But if a group of articles is bought and the price for all totals as much as 25 cents, a tax must be collected.

Were a customer comes to the office to buy a single paper at 10 cents a copy, there will be no tax. But The Journal will collect a tax where the cost of several papers reaches at least 25 cents.

This is a brief statement of the effect the new law will have on just one business in Muleshoe and all over Texas.

But, while there is confusion in many lines of business about the tax law and how it will affect certain businesses, the general attitude of the people is that the law was made necessary by the need for money to run the state. The General Fund now being on a deficit basis.

The law was passed because, in the words of the Legislature, "the State of Texas, facing the greatest financial crisis in its history, requires additional revenue to retire the General Fund Deficit and to provide money for schools, mental hospitals, medical aid to elder citizens, the prison system, and the orderly operation of State Government for a growing population and an expanding economy."

The bill reads, "this shall be a tax upon each separate sale at retail of tangible personal property made within the state of 2 per cent of the sale price on each item or article sold." There is a long list of exemptions, and this and other factors will cause each businessman to study and thoroughly understand how the law affects his operation.

There is a 2 per cent tax levied also upon the lease or rental of all tangible personal property, and that is described as "any property which may be seen, weighed, measured, felt or touched, or is in any other manner perceptible to the senses." Pennies, it appears, are going to have a new popularity in Texas.

Weed Control Meet Tonight

A noxious weed control meeting will be held following the meeting of the Grain Sorghum Producers Association tonight.

A group of farmers from Plainview will be present at the meeting to explain how their weed control method works.

School Opens For 1,747 Muleshoe Students Monday

Enrollment figures in the Muleshoe School District August 28 showed a drop of 153 in the expected number of students. This figure should come up to the anticipated number, however as students continue to enroll through this week.

Total enrollment Monday came to 1,747 in the school district, while pre-enrollment figures exceeded 1,900. Richland Hills Elementary Monday had a total of 503, while De Shazo had 494, Junior High School had 299, High School had 408 and Hilltop enrolled 43.

Classes in the high school, junior high, Richland Hills and

VAN ROGERS DOES IT AGAIN — Van Rogers, who last year delivered the first load of milo in Bailey County, again brought in the first load Monday. Shown above with Bill McKowan and Boone Alli-

son, Rogers grew the grain on a dryland farm near Shafer's Gin, in the southwest part of the county, four miles west of Baileyboro. He estimates 1700 pounds per acre yield from the 608 Texas Hybrid.

Blocker Captures Golf Honors Here

Chris Blocker, of Jal, N.M., "sizzled" the Muleshoe Country Club Golf course Sunday afternoon to win championship honors in the club's annual invitational Tourney. Blocker, a blond, stocky golfer, had a 63, 9 strokes under par in the 18 hole finals, 12 strokes ahead of his nearest opponent, Don Nix of Hobbs. Blocker's score for the 36 holes semi-finals and finals Sunday was 131; Nix had 143.

Others in the championship finals were Bob Cryer, of Denver City, the tournament medalist, who wound up with a 147; and Howard Axtell, of Lubbock, 149. Russell Haberer of Muleshoe a sharp contender in tournament circles had been defeated by Cryer Saturday.

The tournament committee, composed of Russell Haberer, chairman; Clarence Weeks, Russell Bryant, and Lowell Irvin St. Clair, termed the tournament the best that he local club has ever staged. Players entered in the tourney numbered 128.

Winners in each of the eight flights received a set of woods; the runner-up in each flight was awarded a set of iron clubs. Consolation winners in each flight won a fine golf bag.

Bill Jim St. Clair had tied Cryer for medalist honors; he and Lowell Irvin withdrew from the tournament upon the death of their aunt, Mrs. Pa Bulloch of Muleshoe.

Other members of the Muleshoe club gave a good account of themselves: Don Bryant went to the semi-finals in the first flight, Fluff Myers went down in the second flight in the semi-final round, E. A. Flatt was a contender in the semi-finals of the second flight consolation.

The third flight saw plenty of Muleshoe action. In the semi-finals Golden Ferguson defeated Don Moore 5 and 4; Delma McCarty defeated Joe Butler of Dimmitt 2 and 1. McCarty won the flight by winning over Ferguson 2 and 1.

Jerry Angeley lost in the semi-finals of the fourth flight to O. C. Garner 1 up.

Earl Richards won his fifth flight consolation semi-final round over James St. Clair of Morton, 1 up; Morris Douglass lost his round in the semi-finals of this flight to Shorty Burkett 3 and 2 and Burke defeated Richards to win consolation honors.

Two Muleshoe men won flight and consolation honors in the tournament.

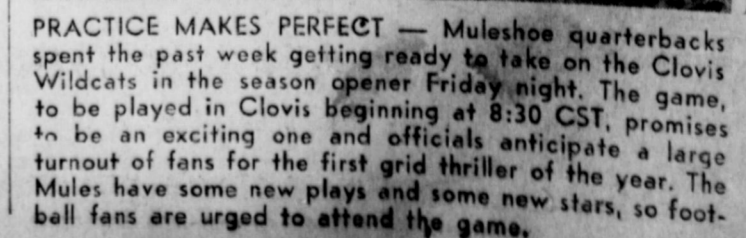

Harold Newsom gained the finals by defeating Bill Boveff then won over McCullough of Clovis 3 and 2. D. H. Sneed was consolation winner, winning over Randy Johnson 5 and 4.

Rex Andeley lost his semi-final match in the seventh flight, 1 and 1. Thurman White was defeated in the consolation round semi-finals in this flight 1 up.

The club served a barbecue for those who had entered and their wives. The ladies served luncheon Friday, Saturday, and served some suppers each evening.

A large gallery of fans watched the finals and semi-finals un-

wind Sunday.

PRACTICE MAKES PERFECT — Muleshoe quarterbacks spent the past week getting ready to take on the Clovis Wildcats in the season opener Friday night. The game, to be played in Clovis beginning at 8:30 CST, promises to be an exciting one and officials anticipate a large turnout of fans for the first grid thriller of the year. The Mules have some new plays and some new stars, so football fans are urged to attend the game.

MONDAY IS DOLLAR DAY IN MULESHOE

News FOR Women

Mr. and Mrs. Jack Roubinek

Ceremony Unites Juanita Burkett, Jack Roubinek In Church Chapel

Miss Juanita Burkett became the bride of Jack Roubinek Tuesday morning, August 9, at 10:00 in a simple ceremony in the sanctuary of the First Methodist Church in Muleshoe. The Rev. J. Frank Peery, pastor of the church, read the double ring service in front of the altar which held an arrangement of white and pink carnations.

The bride is the daughter of Mr. and Mrs. Bob Burkett and the bridegroom is the son of Mr. and Mrs. R. L. Roubinek all of Muleshoe.

Present for the wedding of their grandchildren were the bride's grandparents, Mr. and Mrs. J. A. McGee of Muleshoe and Mr. and Mrs. T. A. Kennedy, the bridegroom's grandparents, from Pocosset, Oklahoma.

Miss Sonja Pass, organist, played traditional wedding music during the service.

The bride, who was given in marriage by her father, wore a white lace street length dress with a full skirt, ballarina jacket, and white satin cummerbund. Her shoulder length veil fell from a circular crown and she carried a bouquet of white gardenias and stephanotis atop a white Bible.

For her daughter's wedding, Mrs. Burkett wore a toast colored lace dress with white accessories. Mrs. Roubinek was dressed in a blue floral dress, accented with black accessories.

Both mothers wore white gardenia corsages.

To carry out tradition the bride wore a blue garter, a penny in her shoe dated the year of her birth for good luck and carried a white Bible belonging to L. Nelle Booth for something borrowed, and a white lace handkerchief belonging to her mother.

For a wedding trip to Colorado the new Mrs. Roubinek had a suit of aqua and white with white accessories. She wore a white corsage from her bridal bouquet.

The couple will be at home in Canyon where the bridegroom will be a sophomore pre-med student at West Texas State College. The bride will be a Senior in high school. While attending Muleshoe High School she was an honor student and belonged to the National Honor Society. Her husband is a 1960 graduate of Muleshoe High School where he was an outstanding member of the high school band.

CARD OF THANKS

To say thank you so very much for all the kindness shown our loved one, Mrs. L. L. Reese, during her long stay in the hospital here. The flowers, food and those who sat with her in the hospital meant so much to all of us. May God bless each of you is our prayer.

The family of Mrs. L. L. Reese

Richland Hills Parent-Teacher Group Plans Beneficial Year

Plans were made for a very beneficial year for members of the Richland Hills P.T.A. when the Executive committee met Monday afternoon at the school.

II. Roland McCormick; budget Program, Mrs. Charles Lenau; education for family living, Mrs. and finance, Mrs. Eugene Black; yearbook, Mrs. Roland Gibson; congress publication, Mrs. Jack Morris; hospitality, Mrs. Herb J. A. Nickels; public city, Mrs. Jim Shafer; notes to parents, Mrs. Harmon Elliott; newsle-

ters, Mrs. Lyndal Murray and Mrs. George Haskins, Jr.; safety, Mrs. Spud Thomas; education relations, Mrs. Gerald Allison; room representatives, Mrs. Neal Dillman; nursery, Mrs. Bernard Phelps; life membership, Mrs. Clarence E. Mason; and civil defense, Mrs. Earl Ladd, Jr.

The first regular meeting of the P.T.A. will be held Monday, September 18, at 4:15 p.m. in the cafeteria of Richland Hills School Principal Milton R. Oylar will introduce teachers of the school and a skit will be presented by Mrs. J. A. Nickels and Mrs. Bernard Phelps to conclude the program on "Back to School Through P.T.A."

A Bi-county council meeting will also be held in Springlake Tuesday, September 19, at 2 p.m. It is especially recommended for all officers and committee chairmen.

Eugene Broyles - Ada Pierce In Friona Candlelight Service

MRS. EUGENE BROYLES

Baskets of white gladiolas, stock and pom poms flanked by candelabras and greenery decorated the altar of the First Baptist Church in Amarillo for the Saturday wedding of Miss Ada Marie Pierce, of Amarillo and Eugene Broyles, formerly of Muleshoe.

Mr. and Mrs. W. Pierce of Wheeler and Broyles is the son of Mr. and Mrs. Owen Broyles of Muleshoe.

Officiating in the double ring ceremony was the Rev. J. R. Stroble, Mrs. Sam Wilson, pianist, presented nuptial music.

Escorted to the altar and given in marriage by her father, the bride wore a dress of silk organza and Chantilly lace fashioned with a bouffant skirt and a lace bodice featuring short sleeves and a decollete neckline touched with sequins.

Her shoulder-length veil of French illusion was held by a half hat of French lace embroidered with sequins. She carried a bouquet of white roses and stephanotis.

Mrs. Tom Whitson, sister of the bride, was matron of honor. Berdean Broyles, brother of the bridegroom, served as best man.

Ushers were Cecil Pierce of Wheeler, brother of the bride, and Tom Whitson, her brother-in-law.

Following the ceremony a reception was held at the church. After a wedding trip to points along the West coast, the couple will be at home at 3514 Bryan Street in Amarillo.

Mr. and Mrs. Broyles are both employed at the Pioneer Natural Gas Company.

Other guests were Messrs. Bob Clakins, Schertz; John Blevins, San Antonio; David Voelter, Marlin; Miss Peggy Sue Vandiver, Hobbs, N. M.; and Mr. and Mrs. C. C. Blackwell, Amarillo.

Mrs. Don Copley

Patsy Anthony Weds Don Copley In Candlelight Service

Miss Patsy Ruth Anthony became the bride of Don Copley in a candlelight service at 7 p.m. Saturday. The Methodist Church of Friona was the scene of the vows and the Rev. Wallace Kirby, pastor, officiated.

Parents of the couple are Mr. and Mrs. A. W. Anthony, Sr. Friona and Mr. and Mrs. A. W. Copley of Muleshoe.

Given in marriage by her father, the bride wore a formal gown of peau de soie, gracefully styled with a fitted bodice, elbow length sleeves and tiny seed pearls outline the scalloped neckline. The pleated cummerbund extended into a back bow atop a bouffant bell shaped skirt with back fullness flowing into a chapel train.

Her veil was of imported illusion outlined with embroidery and flowers and fell from a circular queens crown of seed pearls. She carried a cascade bouquet of mystry gardenias with stephanotis atop a white satin pearl covered Bible.

Cecil Bolton, Lubbock, played traditional wedding marches and accompanied Harold Dutton, also of Lubbock, in wedding selections.

Matron of honor was Mrs. Dick Hudgins of Amarillo. Maid of honor was Miss LaVon Copley of Dallas, twin sister of the bridegroom. Bridesmaids were Miss Doris Copley, Dallas, sister of the bridegroom, Miss Marsha Kimmel, Fort Worth; and Miss Phyllis O'Brian of Dallas.

The attendants wore strawberry pink deep lustrate satin sheath dresses designed with bateau necklines, set-in sleeves and soft pleated skirts. Over-pleats complemented the dresses.

Each attendant carried a pink rose across a white chapel Bible opened to the Book of Ruth. They wore matching bows for headpieces.

Barbara Sue Bass, niece of the bride was flower girl. Candelights were Malda Chandler, Clarksville, Va., cousin of the bridegroom, and Betty Bass, Friona, niece of the bride.

John Hamilton served as best man, Groomsman was Bob Collins of Shertz.

Ushers were John Blevins, San Antonio; Lewis Wimberly, Plainview; Bob Sanders, Muleshoe; and David Voelter of Marlin.

Junior ushers were Charles Bass and Larry Anthony, nephews of the bride. Ring bearer was Dennis Anthony, also nephew of the bride.

A reception followed in the church. Assisting in the hospitalities were Mmes. H. C. Biggers, Alexandria, La., sister of the bride; Orval Blake, Ronnie Wilson, R. N. Ginsburg, John Southerland of El Paso; Graham Chandler, Clarksville, Va., aunt of the bridegroom; Miss Danny Gardner of Amarillo; and Dewayne Key of Amherst.

For travel to Cowles and Santa Fe, N. M., Mrs. Copley wore a magenta featherweight wool dressmaker suit with matching accessories and a corsage of gardenias.

She is a graduate of Friona high school and Stephen College in Columbia, Mo., and a June graduate of Texas Tech. Mrs. Copley will begin her internship as a dietitian at the Veteran's Hospital in Houston in September.

Copley is a graduate of Muleshoe high school and a summer graduate of Texas A&M with a degree in mechanical engineering. Upon his graduation, he was commissioned into the Air Force as a Second Lieutenant, however, he has a deferment to do graduate work in mathematics at the University of Houston.

After September 15, the couple will be at home at 1917 Carrol Apartment 4, Houston.

Logan - Robinson Betrothal Told

Miss Sue Logan

The engagement of Miss Sue Logan to Robert Robinson, both of Muleshoe, is being announced by the bride-elect's parents, Mr. and Mrs. Odell Logan.

The future bridegroom is the son of Mrs. Jessie Robinson and A. K. Robinson of Muleshoe.

Vows will be pledged at 7 p.m. on September 30 at the First Methodist Church.

All friends of the couple are invited to attend.

BILLY GARNERS ARE

Mrs. Ruby Garner has just returned from Duncanville, Texas, where she spent two weeks getting acquainted with her newest grandchild, Kimberly Ann daughter of Mr. and Mrs. Billy Garner. The young lady weighed 7 pounds and 11 ounces.

Great-grandparents are Mr. and Mrs. Walter Damon of the Circleback community, Kimberly is their first great-granddaughter.

The Walter Damons and Floyd Damon of Bovina went to Duncanville the past weekend to visit and also return the three sons of the Billy Garners, who have been visiting here.

Muleshoe Motors To Sponsor Punt, Pass, Kick Competition

An opportunity for Muleshoe area boys to compete in a football punting, passing and place-kicking contest, with trips to National Football League games along the prizes, was announced today by Jack Morris, owner of the Muleshoe Motor Co.

Morris said the Muleshoe competition is part of a nationwide program sponsored by Ford Division of Ford Motor Company in cooperation with the National Football League. Known as "P. & K.", the competition will culminate with all-expense trips by five national winners and their fathers to the National Football League Championship game, and an official reception at the White House.

Selection of the National Champions will be made as a result of televised competitions at a home game of each of the 14 National Football League teams.

Muleshoe P. P. & K. competition is open to grade school boys aged six through ten, and will be held early in October. Registration for the event will be at Muleshoe Motor Co., at the Crossroads in Muleshoe, from August 28 through September 25. There is no cost, but entrants must be accompanied by a parent or guardian. Each entrant will receive a P. P. & K. badge, an instruction book written by NFL stars Johnny Unitas, Yale Lary and Paul Hornung, and an official 1961 NFL Guidebook.

After the Muleshoe competition is held, the scores of the most skillful punters, passers and place-kickers—one in each age group—will be compared with the scores of boys in the other competitions held in the area covered by telecasts of the Dallas Cowboys.

The top five boys in this region and their fathers then will be given an all-expense trip to see a home game of the Dallas Cowboys, and the boys will punt, pass and kick at the stadium either just before the game starts, or during half-time.

The date and site of the Muleshoe competition, and the judges and other officials, will be announced in the near future, Morris said.

The top five boys in this region and their fathers then will be given an all-expense trip to see a home game of the Dallas Cowboys, and the boys will punt, pass and kick at the stadium either just before the game starts, or during half-time.

The date and site of the Muleshoe competition, and the judges and other officials, will be announced in the near future, Morris said.

BALD FACTS

A bank president, extremely sensitive about his baldness, wore his hat much of the time inside and out. One day while the porter, an employee of long standing, was sweeping out his office, the president asked jokingly, "Sam, why is it after all these years you don't have an account with us?"

"Because, Boss, you always look like you're about to go somewhere."

BIRDSONGS HAVE GUESTS

Dr. and Mrs. Birdsong have had as their guests, Mr. and Mrs. Ira Muse and son, Ira Jr. from Wilson, N. C. They arrived here Saturday and returned to North Carolina Monday.

Mrs. Muse is a sister of Mrs. Birdsong.

Mr. and Mrs. Amos Sedgwick and children of Brownfield visited the past weekend with friends in the Three Way Community. The Sedgwicks are former residents of this community.

Mr. and Mrs. Paul Carlsile and Ginger and Kay Lemons spent a few days visiting last week at Carlsbad and Ruidoso, N. M.

Sandra Lemons will go to Austin for a state examination September 5. She recently graduated from Isabell's School of Beauty Culture of Lubbock.

Mrs. Rosa Wittner is spending a few days in the home of her son and family, the Adolph Wittners.

Dorothy Tucker, daughter of the D. L. Tuckers, underwent surgery at Levelland last Wednesday. She returned home Thursday and is reported to be doing well.

Mr. and Mrs. Pete Tarlton spent the weekend at Alamogordo Lake near Ft. Sumner, N. M.

Mr. and Mrs. Jack Furgeson and children visited the past week in Florida with friends and winter the Cyprus Gardens in Winter Haven. They returned home Sunday.

Mr. and Mrs. Cecil Cole visited recently in Lamesa, Texas.

Mr. and Mrs. Conrad Williams were honored on their twentieth wedding anniversary with a supper in the Jack Lane home. Only members of the family were present.

Shirley Bateas has been sick the past two weeks. Her doctor diagnosed the illness as encephalitis.

Mrs. Clara Gresham of Temple, Texas, is visiting in the Baker Johnson home. She is the aunt of Mrs. Johnson.

Chiquita Kyser of Lincoln, Arkansas, is visiting Linda Sims. Chiquita formerly lived here with her parents, Mr. and Mrs. James Kyser.

Making preparations to enter various colleges this fall are: Butch Tucker and Carter Williams to West Texas at Canyon; Bonnie Bateas and Mike Flainken to Wayland College at Plainview; James Long, Kenny Sims, Nan Johnson, and W. C. Eubanks to Texas Tech at Lubbock; James Tarlton to South Plains at Levelland.

By Mr. and Mrs. Rufus Carter Golden Anniversary Observed

Mr. and Mrs. Rufus Carter were honored Sunday with open house in their home 4 miles east of Lubbock in observance of their fiftieth wedding anniversary.

Wedding vows were solemnized between the couple on August 23, 1911, in Mangum, Oklahoma.

Both Mr. and Mrs. Carter are natives of Texas, she of Corsicana and he from Wise County.

They came to Bailey County first in 1932, settling first, three miles north of town, then moving to the Lazbuddie community in 1938.

Hosting the celebration were the couple's children. They include three daughters: Mrs. B. Bradshaw, Farwell, Texas; Mrs. Duke Baker, Big Spring; and Mrs. Gene McGuire of Tularo, Calif.; one son, Harvey Carter of Tularo, Calif., all of whom attended. They also have 11 grandchildren and 5 great-grandchildren.

Guests were registered in an anniversary book. Assisting in the gift display room was their daughters.

The refreshment table, laid with a lace cloth over gold, was centered with a bouquet of gold-toned roses and was flanked by silver and crystal appointments completed the table decorations.

The four tiered anniversary cake was beautiful decorated with golden wedding bells.

Sharing in the courtesy were approximately 175 guests. Many came from Oklahoma, California and Texas including sisters, uncles and aunts of the couple as well as many friends.

Mr. Carter said "My wife and I got cotton sacks for a wedding present, have worked hard, but known much happiness. A greater part of the success and pleasure for us can be attributed to my wife who has always been an ideal manager, cook and homemaker."

About 60-65 town guests registered.

Bailey County Men To Serve On Plains Cotton Post

George W. Pfeiffenberger, Executive Vice President of the Plains Cotton Growers, Inc., announced this week that details for the release and distribution of the new all cotton bale bagging developed by the organization will be disclosed at the annual meeting Saturday, August 26. The new bagging which has throughout the entire cotton belt is now being manufactured by a Texas mill and patterns will be available for use this fall. Present plans call for the patterns to be distributed to ginners throughout the Plains Cotton Growers 23 county area. Interested ginners can sign up for the bagging either at the annual meeting to be held in Fair Park Coliseum, Lubbock, or by contacting the Plains Cotton Growers office a 1720 Avenue M, Lubbock. Because of the limited number, early application will be necessary. Many ginners and farmers throughout the area have already expressed an interest in this project which has the potential of greatly improving the cotton bale package and creating a sizable new market for our cotton.

Pfeiffenberger also announced that thirteen newly elected county directors will be installed at the annual meeting. The directors will take office at 9 a.m. when officers of the PCG for the coming year will be elected.

Two directors from each of the 23 High Plains counties are elected annually at county-wide meetings. These county representatives, one a cotton producer and he other a businessman, make up the PCG Board of Directors.

Directors reelected from Bailey County to serve another term include W. T. Millen and Guy Nickels.

OLLIE JONES AND LYNDOL KINSER have completed the signing of a Flight Log statement to the effect that O. E. Scot made a qualified landing on his cross-country glider flight. That he did, but in quite an unexpected manner and place! Jones, mounted, is preparing to move his cattle from the pasture to avoid damaging the craft.

DPS Operation Motorcide To Regulate Holiday Driving

Captain E. L. Posey, Highway Patrol Commander in this area, today announced that traffic law violators will be severely dealt with during the Labor Day weekend.

Captain Posey said, "The regular Highway Patrol Service will be augmented with Patrolmen from the License and Weight and Motor Vehicle Inspection Services. All days off and holiday leaves have been cancelled for this period enabling a concentrated effort by the Patrolmen to be watchful for violations that contribute to accidents."

Operation Motorcide, from 12:01 a.m. Saturday, September 2, through 11:59 p.m. Monday, September 4, 1961, will be in effect. "During this 72 hour period an all out effort will be made by our enforcement personnel to hold the official traffic death prediction of 30 persons to a minimum. All available radar units will be in operation, with instructions being given to our Patrolmen to be particularly watchful for the SPEEDER and the DRINKING DRIVER," Posey stated.

City Police officers jailed eleven for drunk and one for transporting. Highway Patrol officers held one for DWI, one for drunk and one for insufficient mudflaps.

SHERIFF'S REPORT

Sheriff's officers this week two for possession, each of whom were fined \$200. Others held included one for DWI, one for failure to appear and one picked up for Levalland.

Complete without a parking lot. And all our children take great pride in learning how to read and drive.

We had no sports car, low and sleek. To drive to school five days a week.

No station wagon called for us. In fact we rarely rode the bus; But new efficient schools are not. In learning how to read and drive. Statistics show that the general run of pedestrians is a little too slow.

films and narration of all regulations of air traffic and other facts specified by the Civil Air Regulations.

Off the Runways

Doings At Muleshoe Airport
By MRS. NOAH KINSER

Mr. and Mrs. Morgan Locker and children and their guests, Barbara Harper and Donnie Heard spent two days camping on the Conchas river last week.

Locker, Don, Freddie, Karen and Barbara flew up in the Skimmer and Mrs. Locker, Gail and Donna went by car.

After setting up camp near the south dock early Wednesday morning, the group enjoyed swimming and riding over the lake in the skimmer.

Mr. and Mrs. Locker shot touch and go water landing in the Skimmer then took off and flew along the river some distance from the lake. They spotted what appeared to be ruins of an old Indian dwelling. Circling low over the area located in the vicinity of Corazo Peak, they could see the crumbled walls of the structure and the stockade nearby. No roads lead to the ruins. They have flown over this area a number of times and had never noticed the buildings before.

Highlight of the trip for the children was a moonlight ride in the Skimmer over the lake. The children rode on the wings and cabin as Locker taxied slowly around the lake.

They returned to Muleshoe late Thursday afternoon.

GROUND SCHOOL

Ground School Instructor, Fred Boyd, has just completed the radio phase of the Sanderson Aviation Visual Aid films. Seven area pilots attended the classes.

The school is entering into the regulations division of study, which Boyd said would be an excellent time for all students who are not enrolled to begin. This will consist of showing the

THE LOST MONTH

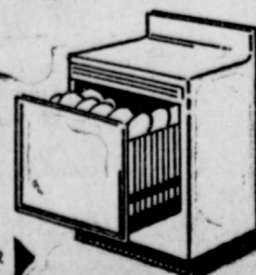

This dream girl turned dreary drudge has only 11 months each year to ENJOY life. She spends the other month doing dishes by hand.

It's true. On the average, it takes two hours a day to wade through three stacks of dishes—breakfast—lunch and dinner. That comes out to 730 hours a year. And, friends, that's a month. A month of full 24 hour days.

Don't be a drudge and do dishes — and lose a month a year. "Dial" dishes in an electric dishwasher and enjoy life all year long. It costs just a cent and a half a day to wash and dry dishes electrically. You couldn't buy the hand lotion for that little money — and you get another month to live better electrically.

Cover Crops Protect Soil

Farm land is left unprotected during the most critical season of the year on the plains of Texas. The SCS says Bailey county farmers are becoming aware of this fact and are giving a second thought to the use of cover crops to provide the needed protection through the critical seasons. Land that has good crops and vegetation cover on it through the dry still summers of our area are too often left bare and

unprotected from the winter and early spring winds and driving rains. Cropland during this season may be protected and left in a condition that will allow it to take in the moisture received from rainfall and hold it back from the dry spring winds. Cover crops such as rye that are planted now in row crop middles will give needed protection after crop is harvested and until seed bed is prepared in the spring. These crops will improve soil structure, fertility, and tilth. A good stand of cover crops may

be seen on the Buster Kiltrell SCRAPBOOK JUDGING. Bro. Earl Hord will be in Tulsa Thursday of this week for District Judging of the Church Achievement Scrapbook. Other pastors helping will be Bro. Don Murray and Bro. Roland Burnett of Finny will judge the books from district 10. Others will judge district 9 scrapbooks. farm seven miles south on the Morton highway. E. N. Darsey, Doug Bales, L. S. Blower and Ernest Martin also advocate use of cover crops

Jerie Lynn Wilhite, Glenn Saul Married In Plainview Service

Mrs. Glenn Saul

The Chapel of the First Baptist Church of Plainview was the setting for the wedding of Miss Jerie Lynn Wilhite and Glenn Saul at 8 p.m. Friday, The Rev. Dorman Kinard officiated. Parents of the couple are Mr. and Mrs. H. L. Wilhite of Fort Collins, Colo., and Mr. and Mrs. Doyle Saul of Plainview. Groomsmen were Leslie MacDowell, Richland, Wash., and Jim Reid of Abernathy. Ushers were Carrell Wilhite, brother of the bride, and Gene Johnson, Detroit, Michigan. Candles were lighted by Rodney Wilhite and Roland Saul, brothers of the bride and bridegroom respectively. Flower girl was Karen Osborn and ring bearer was Daven Holton. Attending the wedding from Muleshoe were: Mr. and Mrs. Clarence Wilhite and Mr. and Mrs. Freddie Harvey. The Wilhite family were long time residents of Muleshoe before moving to Fort Collins some years ago. Jerie Lynn attended Muleshoe Schools.

3 Way School Opens Sept. 4

Three Way School will open Monday, September 4, for classes. High school students will register 9-12 September 1, and a football game will be played in Roaring Springs that night. Superintendent Archie Sims announced this week that the facility is complete for this year, with only one teacher new to the system. Vernon Bundrant will teach English. The school plant has been painted this summer and a new trophy case was built, in addition to the improvement of the school grounds and some minor improvements. Faculty members and their assignments are as follows: First grade, Mrs. Mae Williams; second grade, Mrs. Fannie Walker; third grade, Mrs. Lorena Carter; fourth, Mrs. Mary Moore; fifth, Ray Clay; sixth, Elbert Adams and Mrs. Katherine Sims; Adams will also serve as school counselor and Mrs. Sims will teach public school music. Seventh and eighth grades will be departmentalized, with Ray Ware teaching science, Mrs. Eloise Prewett teaching math and Vernon Bundrant, English.

James Courtney, high school principal, typing and history; Sam Mayo, social science and coaching; Jack Sharp, agriculture; Mrs. Betty Adams, home-making; and Mr. Sims, commercial subjects.

Mrs. Juanita Flaniken is school tax assessor and collector, F. C. Preston is school custodian and Freeman Moore is bus mechanic. Lunchroom supervisor is Mrs. Naomi Julian, assisted by Mrs. Florence Fine and Mrs. Viola Batten.

Board members are Leon Dupler, president; Eugene Kenley, secretary; and members, C. J. Feagley, Conrad Williams, Earl Bowers, Doyle Davis and Raymond Masten.

Groomsmen were Leslie MacDowell, Richland, Wash., and Jim Reid of Abernathy. Ushers were Carrell Wilhite, brother of the bride, and Gene Johnson, Detroit, Michigan.

Candles were lighted by Rodney Wilhite and Roland Saul, brothers of the bride and bridegroom respectively.

Flower girl was Karen Osborn and ring bearer was Daven Holton.

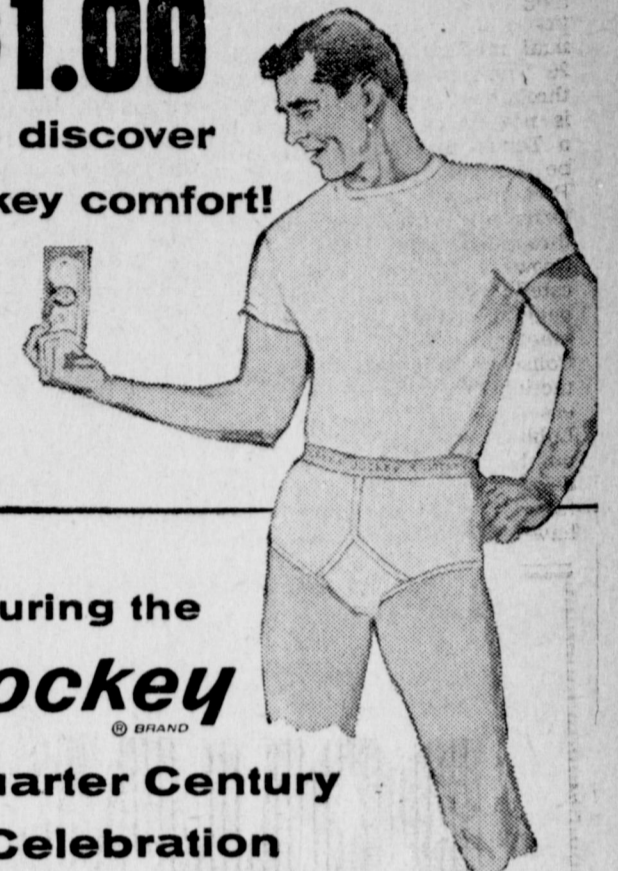

Attending the wedding from Muleshoe were: Mr. and Mrs. Clarence Wilhite and Mr. and Mrs. Freddie Harvey.

"JUST HOW BIG IS A MULE, ANYWAY?" — To answer this question, J. R. Haney whipped out a tape measure and Gil Lamb assisted him in measuring the length of one of Dave Anders' mules on the main street of Muleshoe Tuesday morning. The question arose in connection with the proposed monument to the mule to be placed in Muleshoe.

Glider Pilot Sets Down In Pasture

O. E. Scott, Odessa, theatre owner, made a perfect emergency landing in his 1-26 glider Tuesday afternoon in a pasture belonging to Ollie Jones, just south of the Sudan highway at the edge of town.

Scott, a veteran pilot of powered planes, left Odessa at 11:25 a.m. on his first cross-country glider flight with Ft. Sumner, N. M., as his destination.

Nearing Muleshoe about 5 p.m. thermal activity had grown weak and Scott was losing altitude. He circled over town at the low altitude and a one time was over the Golf course, but didn't spot the airport.

Knowing time was short, he turned the 'noiseless bird' toward the pasture that he had just glided over and eased the craft down without a scratch.

Personnel of the Muleshoe Flying Service had seen the glider circling low over the golf course and, thinking he would soon be landing, gathered tow ropes and equipment to tow the glider in from the runway, but in the meantime it had disappeared.

Knowing that thermal activity would not increase in the late afternoon and his landing somewhere nearby was inevitable, they prepared to take off by plane and spot the glider from the air when John Freed called the Flying Service and reported that he had watched the glider go down, had gone to the scene and both pilot and glider were unharmed.

So called the Odessa airport and they in turn contacted his brother who was enroute to Ft. Sumner with the glider trailer. He arrived some 2 hours later and they, along with Walter Whitfield of the Muleshoe Flying Service and Lyndol Kinser, removed the wings and loaded the craft.

Scott, who has 10 hours aloft in glider flying, is a Commercial pilot and holds multi-engine, flight instructor and instrument

instructor ratings. He said that he wasn't at all excited during the landing, but was quite unhappy because having attained all other required qualifications, he needed only 25 miles more in distance to earn his cross-country soaring badge.

Copley's Host Breakfast For Wedding Party

Mr. and Mrs. A. W. Copley were host and hostesses at a wedding rehearsal breakfast honoring their son and his bride-elect, Miss Patsy Anthony, and other members of the wedding party Saturday morning at 8 o'clock at Fellowship Hall of the First Methodist Church in Friona.

Tables for thirty guests were arranged in the shape of a rectangle and were draped with white linen cloths.

The bride-elect's chosen colors of pink and white were used in the beautifully decorated hall.

Streamers of pink satin ribbon extended the length of the tables. White wedding bells and runners of English Ivy were attached to the streamers. Motifs of white wedding bells with silver trim were used as place cards.

Focal point was a ceiling to floor pole standing in the center of the rectangle, formed by the able arrangement, which was covered with pink rambling roses and greenery.

White baskets filled with pink and white gladiolas and pink carnations and lace fern were placed at the base of the pole. Pink satin bows were attractively placed on the baskets.

Honor guests were Mr. and Mrs. W. H. Anthony, Sr., Mrs. John Hamilton, Charles Bass, Larry Anthony, Betty, Barbara and Troy Bass, Dennis Anthony

Pleasant Valley Views

By MRS. JOHN WEST

Mr. and Mrs. E. K. Angeley and son Tubby left Saturday for a two weeks visit in Washington and Oregon with Mr. Angeley's other relatives.

and Mrs. Roy Kirby, all of Friona.

David Voelker, Marlin; John Eblevins, San Antonio; Bob Calhins, Schertz; Lewis Wimberly, Bob Sanders, Muleshoe; Mr. and Mrs. Dick Hudgins and Marsha Brunas of Amarillo; Phyliss O'Brian and Doris and LaVon Copley of Dallas.

Myra Kimmel of Ft. Worth; Malda Chandler and Bettie Thason, and Mrs. Graham Chandler of Clarksville, Va.

Mrs. Cecil Bolton and Harold Dutton of Lubbock; Miss Juania Bagwell, Portales, N. M.; Don Copley and Patsy Anthony.

Sheryl Stevens and Veta Allison recently represented Lamb County at the District Favorite Food Show in Lubbock.

Sheryl showed a meat loaf with appropriate table setting in the meat division. Veta showed an apple graham dessert with appropriate table setting in the milk group. Both girls came home with Blue Ribbons and both were chosen as the alternates in their group to go to State.

Sheryl and Veta are members of the Pleasant Valley 4-H Club. The Club feels quite happy over the accomplishments of their members this year. Early in the summer Sheryl and Veta went to State with their Dairy Foods Demonstration, at the County Dress Revue there were several blue ribbons won and Lynna

Pitts was chosen to go to the District Dress Revue, Carolyn Allison was chosen as the alternate, Lynna also won a Blue Ribbon at District Dress Revue.

James Pitts and Sheryl Stevens also recently attended the 4-H Electrical Work Shop held near Cloudercroft, N. M.

A group of Pleasant Valley men went to Amherst Tuesday morning to donate blood for Mrs. Cliff Faulkner who is a patient in the Amherst Hospital.

Weekend visitors of the Oscar Allisons were their daughter and family, Mr. and Mrs. Buddy Pool and Allison Kay of Clovis, N. M., and for Sunday dinner, Mrs. Susan Millsap and Veta Jo, Mrs. Sam McKinstry of Muleshoe.

Mr. and Mrs. Ken Angeley have returned from their wedding trip and are at home on the Angeley Farm where Ken is farming with his father.

Progress News

REVIVAL CLOSED

The Progress Baptist revival closed Sunday night and Baptismal Service was observed. There were three baptized.

RETURNED HOME

The Robert Garret family were here visiting relatives and friends. They are now living in Albuquerque, N. M., where he is doing his internship at a county hospital and Mrs. Garret will teach school. Mr. Garret's mother, Mrs. Bilda Garret returned home with them to stay with the grandchildren.

TO DALLAS

Mr. and Mrs. V. T. Tanner and family left last Friday for Dallas where the two boys, Bill and Brent will undergo examinations for heart ailments. We hope they have good reports and

VISITING BROTHER

Mr. Will Bishop of Oak Grove, Texas, spent a few days here visiting his brother and sister-in-law, Mr. and Mrs. C.A. Bishop. Also visiting the Bishops were a niece and family, Mrs. John M. McCullum and children of Dekalb, Texas.

WENT FISHING

M. L. Shipp and son Ray and Vernon Roming and sons Ralph and Billie fished this past week at Lake Buchanan. They caught a fair amount of fish.

Mrs. M. L. Shipp and Janet visited friends at New Deal and relatives in Lubbock.

VISITED PARENTS

Mr. and Mrs. Claude Locke and son of Abilene visited here recently with Claude's parents in Muleshoe and Mrs. Locke's parents, the W. M. James.

Price Bynum of Riverside, Calif., visited here recently with friends, the M. O. Nigh's and Roy Baylesses.

IN HOSPITAL

E. A. Bass is in the West Plains Hospital for medical care.

Bob Cole of Muleshoe visited in the home of Mr. and Mrs. M. O. Nigh Sunday. Also visiting the Nighs were Mr and Mrs. Jim Martin and daughters of Springlake.

NEW SON

Mr. and Mrs. Willie (Bill) James are the parents of a son born Thursday morning at the Green Hospital and Clinic. He weighed 7 lb. 8 oz. and has been named Timmy Joe. Mother and son are doing fine.

Mr. Albert Kube and grandson Wayne were down from Wildorado visiting relatives and friends Sunday.

Mr. and Mrs. Horton Griffen and girls visited Sunday with his mother, Mrs. Mattie Griffen.

Mr. and Mrs. Lewis Griffen and children of San Diego left Tuesday for their home after visiting here with his Mother this week. And his sister, Mrs. Johnnie Westbrook went home with them. She will also visit other relatives at Bakersfield and other places while visiting California.

TSTA To Begin Year, Hurd Says

Three local teachers attended a three-day training school studying new methods of teaching English, Spelling and Reading at West Texas State College in Canyon.

Guest speakers from Albuquerque University, Arlington State College and Harvard were on the program and gave educational talks.

Attending the meeting from Muleshoe were Mrs. Senn Slemmons, Mrs. Robert Sanders and Mrs. John Watson.

Mrs. Ed Johnson and Mrs. Jack Obenhouse attended one day of the conference

10 Commandments For Traffic Safety

- I. Thou shalt not murder by motor.
II. Thou shalt not mix alcohol with gasoline.
III. Thou shalt not exceed speed limits.
IV. Thou shalt not follow too closely.
V. Thou shalt not weave from lane to lane.
VI. Thou shalt not fail to signal.
VII. Thou shalt not lose thy temper.
VIII. Thou shalt be courteous to thy fellow motorist.
IX. Thou shalt favor the pedestrian.
X. Thou shalt honor traffic laws that thy days may be long.

Babson Discusses:

Value Of Fresh Water

Babson Park, Mass.—Most writers are talking about the population "explosion" ahead of us; but no one explains how the greatly increased population is to get enough fresh water for drinking and irrigation. Doctors tell me to drink no glass of water each morning while I am dressing, followed by two more during the forenoon. I drink very little water after 4 p.m. and never touch liquor or highballs.

SALT WATER TREATMENT
As three-fifths or more of the world is covered by salt water, it may be useless to try to turn it into fresh water. We may do far better to learn to live off the vegetable products of the ocean, as we do its fish, etc. However, Congress has appropriated money to build two experimental plants for de-salting ocean water—one on the East Coast and one on the West Coast. All chemists know this can be done; but it is very expensive. The Ionics Inc. Company of Cambridge, Mass., has the best success therewith; but I hear they recommend only that the "brackishness" be taken out of an existing source of water supply. I have recently visited such a plant. It is both practical and economical.

WHEN BUYING A HOME
When I was a boy most homes had brick cisterns in their cellars. These were kept filled by the rain which fell upon the roofs. People who could not afford cisterns went to the "town pump" twice a day to fill their pitchers and pails. Each community would have several of these "town pumps" for the convenience of the people. Sources of diphtheria, typhoid, and other diseases were traced to these public pumps.—leading to the installation of city water systems and later to municipal sewerage. I have a granddaughter who lives at St. Thomas, one of the Virgin Islands. She has a cistern, but there is no rain to fill it. She drinks and uses water shipped by boat from Puerto Rico.

USA Has Reins To Rural Development
Current Rural Areas Development program being conducted by the USDA is an expansion and reorganization of a program started in 1955, explains W. N. Williamson, assistant director of the Texas Agricultural Extension Service.

ANNOUNCING THE ANNUAL MEETING OF THE STOCKHOLDERS OF THE Federal Land Bank Association of Muleshoe SATURDAY, SEPTEMBER 9, 1961 2:30 p. m. — District Courtroom Bailey County Courthouse — Muleshoe, Texas — \$50 CASH TO BE GIVEN AWAY — Invite Your Neighbor To Come With You. Ernest Kerr, Manager

(Items from the August 28, 1941, issue of the Muleshoe Journal.)

Foundation work started Monday morning on Muleshoe's newest theatre building. It is estimated that it will take 90 days to complete the show house and when completed, will represent an outlay of \$32,000.

Some of the most modern equipment to be found has been contracted for, Walter Moeller, manager, said.

Robinson and Welterding are the contractors and Charles Le-nau Lumber Company is furnishing the material.

Six hundred and fifty upholstered opera seats will be on the main floor and in the balconies. Name of the theatre will be "The Valley" and the opening date will be December 1.

The Half Century Club met Monday afternoon in a called meeting in the home of Mrs. Beulah Carles to make plans for their annual summer vacation trip.

They decided to leave Muleshoe Wednesday morning, September 3 for Ruidoso, N. M. For the past few years, members of the Half Century Club have been making these trips. Last year a group of about 20 took a trip, visiting in Galveston, San Antonio, Austin, Corpus Christi and other South Texas points. The year before about 18 members of the club went to Santa Fe, Albuquerque, El Paso, Juarez, and other points of interest.

Mr. and Mrs. Lud Taylor and family returned last week from a trip to the West coast. While there, they visited some of the famous national parks in the stated that the most interesting was Temple Square in Salt Lake City.

They attended the organ recital at the famous Mormon Tabernacle, which is held each day at noon. The tabernacle seats approximately 11,000 people. The building is constructed so that the acoustics are as near perfect as can be found. The huge pipe organ was, until a few years ago, the largest in the world, and is outclassed in size only by two or three even today.

Dot McAdams entertained with a lawn party at the home of her parents, Mr. and Mrs. W. B. McAdams Tuesday evening.

At the close of the games, refreshments were served to the following: Bill Ed Jones, Margaret Ann Johnson, Bonnie Brooks, Herbert Griffith, Lowell Young, Earlene Jeter, Jean Witte, Dan Bray, Julian Newman, Fred Clements, Billy Ren-frow, Norma Lee Osborn, Pee Wee Garland, Wanda Kay Allen, Jack Young, Jane Dameron, and Jess Parrish Winn.

A major change is the departmental reorganization, which will allow the USDA to bring all of its resources to bear on specific problems.

Each USDA agency has been given definite responsibilities under the program, which has as its purpose helping local people mobilize their total resources in an overall economic development effort to improve levels of living in rural areas.

Sandhills Philosopher:

Comes Out With Fool-Proof Method To Unite Mankind

Editor's note: The Sandhills Philosopher on his Johnson grass farm takes a fanciful flight this week, but lands back on the ground.

Dear editor: A bunch of us was sitting around talking about the terrible world situation—it's a funny thing, I never have been able to understand why the leaders in this country can't solve these big problems when there are plenty of people practically everywhere who can tell them exactly how to do it, although I'll admit some of them have a little trouble handling their own problems at home, especially the financial ones—and one man said he didn't believe there is any solution to the international situation.

Today's Meditation

Read Revelation 22:8-14 The world passeth away, and the lust thereof; but he that doeth the will of God abideth forever. (1 John 2:17.)

I like an illustration concerning time and eternity as told by Dr. Rufus Jones. Traveling across the continent by train, a gentleman talked with a little girl going to a neighboring city. She confided, "I wish we could never reach the old city. I hate to go there." Asked why, she explained, "My mother says it is too bad for me to leave the school where I learned the alphabet for now I'll have to begin all over again."

Naturally, these people on this strange planet will declare war on the earth, and not having ever heard of the United States or Cuba or Russia or Scandinavia or East Berlin or Democrats, Republicans, Socialists or Communists, will start fighting everybody, helter-skelter, and the only thing for us to do will be to unite and start fighting back. This positively will unite the world, and while it won't eliminate fighting, it'll eliminate fighting among ourselves.

PRAYER: We thank Thee, our Father, for that inner voice, which is Thy spirit, by which we know when we are on the right road to our eternal home. Warn us when we falter, and confirm us in holy living. This is our prayer, in Jesus' name. Amen.

THOUGHT FOR THE DAY
What I shall rejoice in finding in eternity, I cultivate now.—Donald E. Kohlstaedt (Washington)

Yours faithfully, J.A. TRAVEL THE HOSPITALITY ROUTE 70 COAST TO COAST

THE PRIVATE EYE by J. R. HANEY

This department took a trip over to Quanah two weeks ago and we saw a lot of nice country but for some reason or other none of it looked as good as Bailey County.

We met a lot of interesting people and among them was the Publisher for the Quanah Tribune. Mrs. Koch has one of the most modern Newspaper plants we have seen in a long time. The Panhandle Press Association will have a winter workshop there and we hope that we will get some good ideas from it that will enable us to publish a better product than ever.

For all of the young TV western fans who have yet to be like Wyatt Earp we respectfully publish the following news release courtesy the Quanah Tribune Chief.

Angeles, July 22, 1911. Wyatt Earp, Arizona gun fighter of the early days, who in 1898, as a prize fight referee, disqualified Bob Fitzsimmons for a doubtful foul and awarded the decision to Tom Sharkey, was remanded to prison today for failure to produce a \$500 bond for his arraignment on a "get rich" scheme. Earp and two companions, Walter Scott and E. Dunne, who are in jail, will plead next Tuesday.

J. I. Peterson, a realty broker, told detectives that Earp had unfolded to him a scheme to break a faro bank which Earp was operating as an employee. According to Peterson, he was to appear in the gambling room with \$2500 and by means of marked cards was to be permitted to win \$4000, to be shared with Earp, Scott and Dunne. Peterson pretended to acquiesce in the arrangement, but when the big winning was to have taken place, detectives whom he had previously informed, raided the place. The faro outfit was confiscated.

Mr. Forbes, our publisher, returned last week from a restful visit to California where he was on vacation. We sure are glad to have Scoop back and that he is feeling chipper. We took a peek at the football team and from what we saw we know that the Mules will give a good account of themselves against Clovis this Friday. Don't forget to shop Muleshoe for better savings and selections where you get more for your dollar.

GOVERNOR DANIEL ADVISES LABOR DAY SAFETY PLAN

Governor Price Daniel has requested the assistance of every sheriff and chief of police in Texas in combining their traffic forces with those of the Texas Department of Public Safety in a determined effort to make the three-day Labor Day holiday the safest in Texas history.

While Col. Homer Garrison, Jr., director of the DPS, was announcing that 150 patrolmen from the other uniformed services of his Statewide law enforcement agency would join the regular Texas Highway Patrol for holiday highway supervision, the Governor sought the aid of the city and county units.

The Governor told the sheriffs and chiefs, whom he praised for their past traffic safety cooperation, that "Labor Day is the one big holiday whose traffic problems are complicated by several factors, notably traffic violations. Since we are all fully aware that a major majority of our traffic tragedies involve excessive speed and driving while drinking, I hope you will put every available man on the streets and highways this Labor Day to help us eliminate the lawbreakers. If we do this, I believe we can reduce our traffic crashes, and if we reduce them, we will save human lives and property losses."

Meantime, the Governor had received pledges of citizen support and cooperation from several Statewide sources, all aimed at acquainting the motoring public with any other place in West Texas.

The new guides call for an 8 per cent cut in vegetables and a 2 per cent cut in potatoes. Clyde Singletary, extension horticulturist, says these guides are designed to assist growers plan their production so it will be in balance with market requirements.

County Agent Says Cotton Outlook Good

Near ideal conditions have registered in rapid fruiting of cotton in most localities. Although some dryland cotton and that on irrigated land, where irrigation has been slow, has reached a stressed condition, most plantings appear further advanced than in most years at this date. Injurious insect activity has continued light in most localities.

Although little insect damage has occurred to date, J. K. Adams, Bailey County Agricultural Agent, stresses the importance of a close check of cotton for any appearance of damaging infestations. Heaviest damage by such insects as bollworms, cabbage loopers often occurs during the latter part of August.

Lazbuddie News

Mr. and Mrs. Jess Pendergrass and Susan enjoyed several days visit in Rufoosa, N. M., last week. Brenda Tanner from Progress accompanied them on the trip.

Mr. and Mrs. J. B. Wright were in Lovington over the weekend visiting their daughters and their families, Mr and Mrs. Kenneth Stone and Mr. and Mrs. Ray Lovejoy.

Mr. and Mrs. Leon Wilson enjoyed a few days vacation at Red River recently. Their little son Wade stayed with his grandparents the Earl Smitsz at Needmore during the time.

The L. H. Halls received word Tuesday that her brother-in-law, T. B. Matney, 76, Vernon, Texas, had passed away. Mr. Matney had been ill for some time in the Vernon Clinic where he was at the time of his death. Funeral services for Mr. Matney were held Thursday in Vernon. Attending from this area were the Luther Halls, Troy Sheroocks, Gary Dales, Eddie Joe and Kenneth Halls.

Mrs. T. B. Matney returned with the L. H. Halls for an extended visit.

Sunday guests in the Luther Hall home Sunday beside Mrs. Matney were the Ray Matneys from Lubbock, the Jack Browns from Hayward, Calif., the Maton Browns from Friona, the James Halls from Kress and the Gary Dales and Troy Sheroocks from Muleshoe.

Among those attending all or part of the West Texas Primitive Baptist Association at Levelland from the Muleshoe Primitive Church were families of Charlie Watson, E. A. Parham, Harvey Bass, J. L. Phipps, R. C. Clines, M. M. Nowlin, Howard Watson, Marshall Miligan, and Forest and Joe Collins.

Linda Monk, Carolyn Garrett and Kathy Wilson were birthday dinner guests in the Jess Pendergrass home Sunday in honor of Susan Pendergrass' 12th birthday. The girls enjoyed the birthday dinner prepared by Susans mother, then enjoyed a wonderful evening together.

Birthday Greetings this week go to: Susan Pendergrass, August 27; Gary Eubanks, September 1; Billy Jones and Johnnie Eagle, September 2.

A revival is in progress this week at the First Methodist Church in Lazbuddie. Brother Cecil Tune of Lamesa is the speaker. Services are at 7:30 a.m. and 8 p.m. Pastor A. N. Motes extends an invitation to the public to attend the meetings.

Mr. and Mrs. Dan Cargile attended the Dickens-Motley 38th annual Old Settlers Reunion held and Friday of last week.

Mr. and Mrs. Frank Hinkson and children have returned from a vacation to Baltimore, Md. The Hinksons were visiting their daughter and family the Charles Pilgrims. They went by plane and you can understand this because they were going to see their first grandson, Kurt Arthur Pilgrim, born August 2, weighing 7 lbs. 6 ozs. Grandparents are Mr. and Mrs. Frank Hinkson of Lazbuddie and Mr. and Mrs. Charles Pilgrim Sr. of Dallas.

Weekend guests in the Frank Hinkson home were Mr. and Mrs. Lynn Hinkson from Cairo, Nebraska.

Mr. and Mrs. Paul Templeton and children, of Childress, accompanied by Mr. and Mrs. Gene Templeton of Earth, returned Saturday evening from a sightseeing trip around Durango and Bayfield, Colorado.

Dr. and Mrs. Jim Sybert, 1952 graduates of Muleshoe High School, and children visited in the home of Mr. and Mrs. Leon Smith this week. The Smiths are Mrs. Sybert's parents. The Syberts were accompanied by Dr. Patton Windham, who continued on to California to visit with relatives there. Dr. Sybert and Dr. Windham teach at North Texas State University in Denton.

Stone's Throw

by GARY STONE

Friend Roger Pool, I find, is a nut for lightnin' bugs. This was a discovery I made while we were in Central Texas this past weekend. Roger went with me to my home town, Gonzales, where he chased lightning bugs for several hours one night. Seems he had never seen a bug quite like the one they have in Central Texas.

spots, making it an easy bug to catch at night. We went through Kermit, where I taught last year. An interesting point to people around Muleshoe might be the fact that Winkler County hasn't even one single little acre of cultivated land.

Of course, they have cultivated a lot of oil from under that barren soil. Seems to me, though that agriculture is a little more stable than petroleum. I have seen a lot of oil boom towns prosper and then fall, but have never seen a big agricultural area falter completely.

It may be a lot harder work plowing and such than just sitting and watching that pump swing up and down with money pouring out, but is might be a lot more permanent.

ROCK DODGER AWARD of the week goes to the city of Littlefield. A front-page editorial

"YOU CAN'T TAKE IT WITH YOU" is the thoughtless attitude of the litterbug, who leaves a trail of trash on the highways which Texas Highway Department maintenance crews clean up by the truckload as shown here. The Department asks that you do "take it with you" when traveling. Dispose of your travel litter in proper containers. Please keep Texas highways clean for the enjoyment of others.

by David H. Penn in last week's County Wide News. Littlefield, stated that "Instead of the baling (on proposed storm sewer bond issue) being for or against the installation of a storm sewer, it became a contest of personalities, past situations and present situations."

Penn went on to say that failure of the bond issue was due to misunderstanding on the part of voters as to just what the bond issue was all about.

Well, now, it seems to me that it should be SOMEBODY'S responsibility to get voters straight on what an election is all about. For example, the recent bond election in Muleshoe might well have failed if it hadn't been made clear BEFORE the election what was coming off. You just can't blame voters for not saying yes if they don't even know what they are voting on.

Muleshoe's bond election carried. Littlefield's did not. The difference may have been the amount of information available to voters before the election. Congratulations to the city planners for letting Muleshoe voters know. Rocks thrown at other cities for not doing so. And great big boulders at our own city officials if they ever let Muleshoe get in this sort of situation.

Many, many rocks will be needed to test the efficiency of the fallout shelters that will undoubtedly be built in Muleshoe after people read the pamphlets available at the Chamber of Commerce.

These pamphlets tell facts about fallout protection, first aid, emergency sanitation and the family fallout shelter. I should prefer to call these emergency shelters, since they might be used much more for natural emergencies than for atomic fallout protection. On that basis, I think the shelters are very practical.

On the other hand, strictly for use as fallout shelters, they are a little like lightning. . . if you hear the thunder, you are okay. If you don't, you are dead.

Crop restrictions are forcing some farmers to consider alternatives as sources of income. One possibility is the farm production of beef, says U. D. husbandman. For those interested in this possible source of income, he suggests they pick up a copy of L-507, "A System of Farm Steer Production."

Success With Crops Can Bring 4-H Youth \$400 Scholarship

Six national scholarships of \$400 each will be awarded to 4-H Club members next November. Awards will be based on outstanding work done in the 4-H field crops program, says the National 4-H Service Committee.

The top-ranking sextet will be selected from 48 state winners and all will be delegates to the 40th National 4-H Club Congress convening in Chicago November 26-30 at the Conrad Hilton hotel. Around 1,550 boys and girls, winners in some 30 categories from every state, will attend the annual event accompanied by state 4-H Club leaders and other Co-operative Extension Service personnel.

The field crops program last year had an enrollment of well over 275,000 club members, a record high during the last five years, the 4-H Service Committee reports.

The Lone Star State claimed one of the 1960 national scholarship recipients, who, at the age of 12, was already recognized as a certified field seed grower. The lad is 16-year-old Dale McEachern of Hale Center in northwest Texas. Dale and his dad have cooperated with the Lubbock Experiment Station on irrigation and other research projects. The 320-acre McEachern farm has gained an international reputation for its modern operating methods and has had visitors from foreign countries including Brazil, Turkey and Portugal.

Through the crops program, 4-H'ers have an opportunity to learn how to do a good job in production, harvesting, management and marketing by using recommendations from the USDA and the Extension Service. Members have consistently shown better quality crops, higher yields and income resulting from participation in the project.

The field crops program last year had an enrollment of well over 275,000 club members, a record high during the last five years, the 4-H Service Committee reports.

Kenneth R. Henry In Basic Training At Seaside Post

U. S. Army Private Kenneth R. Henry is presently undergoing basic infantry training at this Monterey Peninsula training center at Fort Ord, Calif.

The eight week program consists of such vital military subjects as rifle marksmanship, infantry tactics, first aid, military justice and the conservation and maximum utilization of military supplies. Upon completion of his basic training, the soldier will go on to either advance infantry training or to one of the many Army specialist schools.

Private Henry is the son of Mr. and Mrs. Clyde D. Henry of 112 W. 16th St., Muleshoe, Texas. After attending Muleshoe High School he attended Texas Technological College in Lubbock. He graduated in 1961.

Dedication Set At Lubbock Station

All Bailey county residents—farm, ranch and city folks alike—have been issued a special invitation to attend dedication ceremonies and the annual field day at the new home of the Lubbock Experiment Station on September 19, the County Agent announced.

Guided tours of experimental plots and laboratory facilities will begin at 1 p.m. Highlights of the field tour will include latest research results on cotton, grain sorghum, irrigation, fertilizers, insect control, and vegetable and oil crops. Formal dedication ceremonies will follow the evening meal.

The new headquarters for the 62-year-old experiment station is located about seven miles north of Lubbock and east of the Plainview Highway. Charles E. Fisher is station superintendent.

National Chamber Exposes Money Myth

There's a popular myth that influences labor contract negotiations in America. The public has been led to think that as long as general wage increases stay in line with the national average productivity increase of about 2 per cent they don't inflate the dollar.

Don't believe it, says the Chamber of Commerce of the United States. For there is double counting involved that is clearly inflationary.

Suppose a day laborer takes a new job in a factory. He increases his productivity. At the same time his pay rises. The pay increase reflects the productivity increase.

Or suppose a worker is given a better machine. His productivity improves. Often a pay increase would immediately reflect the productivity increase. Such examples are not isolated. Every day people are shifting jobs in this country or getting better tools to work with. More often than not the incentive to change is better pay due to productivity.

As a matter of fact a substantial part of the nationwide increase in productivity and earnings in this country occurs in these ways.

What happens then if periodically large groups of workers receive pay increases to reflect the national average productivity increase? Many, individually, already would have received productivity increases. The second increase on top of the first involves double counting. It obviously inflates costs.

There is a sensible alternate. Keep wages stable except as changes are needed to hold or recruit an adequate labor supply. Everyone could then share the benefits (lower prices, better quality) of increasing productivity.

The growing number of aged living on fixed incomes could purchase more.

Workers and industry would be better able to meet foreign competition.

The dollar would be strengthened, not weakened; consumers could make their earnings go further.

Cerebral Palsy Clinic Sept. 14

Dr. Esther E. Snell, Director of the Lubbock Cerebral Palsy Treatment Center, has announced the next clinic for Thursday, September 14, according to information received by the Muleshoe Journal.

The Center was founded by the Lubbock County Society for Crippled Children and the Lubbock Rotary Club in 1948, and is located at 3502 Avenue N in quarters planned to meet the

needs of the treatment program and built by community effort. Through the generosity of interested individuals and organizations, the Center offers treatment without charge to all cerebral palsied children regardless of race or creed.

Cases must be referred by local physicians for admission to the Center and must register at the Center prior to the clinic date.

Qualified physicians and dentists, donating their services, are present at all clinics to examine patients and prescribe treatment. Parents are given instruction for exercises and care, and appointments are made for future visits to the Center.

Win a \$1000.00 Back-to-School Wardrobe

(or \$1000 in cash)

5 Weeks 5 Winners - \$5000 in Prizes in Star-Kist's "Back-to-School" Sweepstakes

OFFICIAL RULES: Print your name and address on the back of any Star-Kist Tuna label if you have one, or print the words "Star-Kist Tuna" on a separate sheet of paper. 2. Mail your entries to Star-Kist Tuna, Back-to-School Sweepstakes, Box 2, San Francisco 1, California. Five separate drawings on August 28, September 5, 11, 18 and 25, 1961. 3. Enter as often as you like. Submit each entry according to all rules, and mail separately. 4. The five winners will be chosen by drawing. Winners notified by mail. Each winner receives a \$1,000 wardrobe or \$1,000 in cash. 5. All residents of the U.S. may enter except residents of Neb., and except employees, and their families of Star-Kist Foods, Inc., its advertising agency and judging organization. Entries from Fla., Va. and Wis. must be on a plain sheet of paper only. Offer is void in any locality where a sweepstakes is contrary to law. Federal, State and local government regulations apply.

Off the Runways

Doings At Muleshoe Airport
By MRS. NOAH KINSER

(The Cuban situation is affecting the Florida Keys)

The Florida Keys are witnessing adverse business conditions for the fourth time since the tiny coral islands were first inhabited by early settlers from Spain and the Bahamas; this time, by the Cuban situation.

Dependant mostly on the many thousands of tourists who visit this natural resort center, the Morgan Lockers who make two trips there each year, found the islands almost without tourists for the first time since they have been going there a number of years ago.

Little Torch Key's boat docks which usually rents some 40 boats each day was renting only three or four daily, and the normally crowded beaches were drawing small crowds composed mostly of native Floridians and the tourists who make regular trips to the Keys.

Business is at a stand-still on the resort of Big Pine Key located across Newfoundland Bay from Little Torch. The Lockers noted that the fashionable hotels, restaurants and places of entertainment were closed; and parked where the private owned boats were usually docked were gun boats. They did not visit the island, but observed activities from a distance.

Locker was told by the owner of the Marathon airport where they hangar their plane during Florida vacation that all civilian airport owners along the coastal area have lost crafts to the Cubans, and that airplane rentals had become a serious business. The Marathon airport had just lost a plane which he rented and later found out through a Mexican government agent that it had been flown to Cuba.

Mr. and Mrs. Locker attended an auction sale of three super cubs and a Cessna flown to the United States by Cuban escapees. A Miami advertising firm has a judgement against the Cuban government for a half million dollars and all crafts landing here are being sold at public auction for the firm.

Mr. and Mrs. Locker also saw the 40 Patrol boat which sailed into Key West on July 29 manned by Cuban escapees, which was returned to Cuba when the

hijacked Eastern Air Lines Electraw as returned to the United States.

Islanders are comparing the present business slump to that of 1934 when Key West went from the class of the wealthiest city in Florida to the poorest, recovering with the aid of the Federal Emergency Relief Administration's rehabilitation program and widely publicized introduction as an ideal natural resort, only to be almost completely destroyed on Labor Day 1935 by a tropical hurricane and tidal waves.

GLIDER TO CLOVIS
The Muleshoe Flying Service's 2-22 glider was taken to Clovis Municipal airport Sunday by Flying Service personnel for a day of demonstration rides there.

Mrs. Morgan Locker flew the Super Cub in towing with Locker at the controls of the glider. Young Don Locker worked wing tip ground control.

A record crowd gathered at the airport and the crew was kept busy throughout the day. Murray Davis, airport owner, said the crowd was the largest they had had since the gliders were in flight from the field there last year.

District Court Convicts Two

Two men were tried this week in 15th District Court, Judge Bills presiding, on charges of breaking and entering and were found guilty. Both were taken to Lubbock to await transportation to the state prison.

Bill McDaniels, 26, was convicted of breaking and entering Little Gulf Station and Central Texaco Station and received 7 years sentence on each count.

Severo H. Natividad, 28, found guilty of breaking and entering the Maple Cafe, Maple, was sentenced to four years in prison.

One Mexican female was placed on two years probation for forgery in Judge Bill's court. County Sheriff Dee Clements' office arrested one this week for Capias pro fine and for failure to appear. Capias pro fine is a charge brought about when one agrees to pay a fine and does not appear within the prescribed time.

Department of Public Safety officers this week arrested one for a traffic violation.

City police jailed eight for drunk, three for gambling and one for indecent exposure.

Southern grown cotton attracted considerable interest at the annual County 4-H Club fair held recently at Mayfair shopping center in Milwaukee, Wis. Carol Anderson (extreme left), Superior, Wis.; Alice in Dairyland for 1961, admitted some of the award winning cottons with 4-H representatives. Providing a fitting background for the theme of King Cotton is Allis-Chalmers' cotton picker that mechanizes harvesting of this fiber.

Parmer County Farm Bureau News

Attending the District 2 Farm Bureau meeting in Tulla last Wednesday were President Herman Gerries, Gilbert Kaltwasser, Chairman Resolutions Committee, Roy V. Miller, Chairman Commodities Committee, H. P. Hamilton, Chairman Legislative Committee and Claude Osborn member of Resolutions Committee.

Purpose of the meeting was to discuss subjects that concern the Farm Bureau Groups should consider pro and con in preparing resolutions in annual conventions this year. Texas Farm Bureau, for instance, presently has no policy regarding state child labor laws. Present laws in Texas are not too bad, but some bills introduced in the current

session of the legislature could have done immeasurable harm to both employer and employee in the case of migrant labor in the state. This is one of the subjects which will be discussed in your county convention in October, and you should be there to express your opinion.

Continuation of the Farm to Market road system will be another important subject. Efforts have been made, and some of them have been successful, to curtail this program. Texas also present a problem. Texas Farm Bureau has, it was pointed out, been guilty of asking for more state services without providing a reasonable means of providing the money for such services.

On the National scene, there are also many things that affect rural people. Some of the subjects that should be acted upon after careful consideration come under the following headings: Marketing Agreements and Orders, Bloc Voting (representative of organizations voting membership without prior consultation with such membership), Status of Cooperatives Under Antitrust Laws, Farm Labor (both Bracero and Domestic), Health and Medical Care (Federal Subsidy or not?), and direct Farm Legislation.

Under this last are many questions to be answered: Government or Individual Control of Farms? Who Shall Speak For Farmers, government selected and financed committees, or farmers and ranchers through their own voluntary organizations? These are just a few of the questions confronting farmers.

CONSIDER THIS: A gift is secret pacifist anger; and a reward in the bosom, strong wrath, Proverbs 21:14.

New Army Policy Lets Reservists Enter In Grade

National Guardsmen and members of the Army Reserves may now go into the regular Army with their rank.

A message from the Department of the Army announced that National Guardsmen and members of the Army Reserves may enter into the regular Army with their present grade, provided they are otherwise qualified, both mentally and physically.

Anyone interested in this program should contact Sgt. Buckley, the local Army Recruiter in Clovis, or call PO 3-7209.

A car sped off the road, tore down the guard rail, rolled down the ditch, bounced off a tree, shuddered to a stop. A passing motorist raced to the scene and said to the miraculously unhurt driver: "Say, are you drunk?" Said the unhurt: "Of course, I'm drunk! What do you think I am — stunt-driver!"

Police in Madrid, Spain, have installed electronic robots that revolve in a full circle to direct traffic. Any motorist who violates the robot's traffic instructions gets his license plate photographed automatically. Ane THEN—a real, live policeman comes to call on you.

The average man believes there are three things he can always do superbly well: sing tenor, manage a baseball team, and make the driving rules.

The hand that lifts the cup that cheers, is NOT the hand to shift the gears.

Johnson - Pool Tire and Appliance has announced that they have as large a stock of Cotton Trailers for sale as there is in West Texas.

Randy Johnson stated that the twelve years experience they have had in making cotton trailers will enable them to sell a better trailer at a cheaper price than ever before offered.

He announced also that the cotton trailers were going fast, and that if the local farmers want the best cotton trailer money can buy they should place their order now for sure delivery at a definite quoted price.

Everyday Specials

for Smart Bargain Hunters

You'd stop ... and you'd act ... if you ever saw a sign like this in some store window. All of us like Bargains, hunt Bargains ... and grab them — if we recognize them.

- But some of us don't see the biggest bargain of all — the dividend we draw from buying at home.

- Statisticians tell us that a home-spent dollar will turn over an average of three or four times in the

community before it moves on to some other area. That means \$3 or \$4 or more local trade volume for every dollar we spend here. Which makes the "\$3 for \$1" sign not too far-fetched after all.

- More local trade volume results in greater local prosperity ... and all the fine things that go with it. Thus ... the biggest GENUINE BARGAINS in the world: the things we buy at home.

Buy at home ... where you get the bargains that really count

It Pays to Buy where you Live

Killer Is Looking For Victims Here

The number one killer(?) of accidental deaths forsees great dangers ahead. In all the causes of accidental death, traffic accidents are far in front as killer number one in Bailey County last year they took nine lives, 27 injured, an economical loss of \$44,000. It cost the State of Texas 2,127,980 lives, 1,400,000 injured, and an economic loss of \$250,022,500. According to the National Safety Council, it cost the nation 2,200 lives, 1,400,000 injured, an economic loss of \$6,400,000,000.

The horizon ahead has greater potential dangers confronting us: more people, more drivers, more travel, which adds up to more chances for accidents.

Two sets of figures released by the American Association of Motor Vehicle Administrators show how we stand, and what we

In 1960, the nation had 90 million licensed drivers, and they drove nearly 74 billion motor vehicles an estimated 720 billion miles. While they were doing so, 38,200 of them were killed; despite the lowest mileage death rate in history, 5.4 persons were killed per 100 million vehicle miles (720 billion vehicle miles divided by 90 million licensed drivers).

In 1975, it is estimated that more than 111 million drivers will operate 110 million vehicles 1.2 trillion miles. If the current death rate were to continue, this would mean 65,000 traffic fatalities that year.

These figures point up the magnitude of the accident problem that looms before us as traffic volume and population soon. They make clear, also, the essentiality of expanded and intensified accident prevention activities being carried on throughout the states.

Through this kind of activity, a high level of traffic safety can be achieved and maintained. We have many weapons available to fight accidents, and the power of these weapons has been provided by those states and their citizens that have used them vigorously.

Mrs. McKinstry Is Back From Vacation

Mrs. Sam McKinstry returned home Monday ending a delightful summer vacation. Mrs. McKinstry visited her sisters and other relatives in Hagerman, N.M., her daughter and family in Lovington, then went to Dallas and Greenville where she visited with relatives. From Greenville, Mrs. McKinstry commuted back and forth to Commerce to attend a piano workshop in the music department at East Texas State College, under Mr. Henry Levine who is a concert pianist, teacher, lecturer and piano editor for leading music publishers and is also author of the Henry Levine Piano Course.

Mrs. McKinstry's daughter and children, Mrs. Kenneth Osborn came to Greenville for a two-day visit and returned to Muleshoe with her, after first attending the wedding of a niece in Hagerman, N. M., and stopping in Clovis where Mrs. McKinstry got acquainted with her newest great granddaughter, Allison Kay Pool, daughter of Nan and Buddy Pool.

Mrs. McKinstry enjoyed a wonderful vacation, but is glad to be back in Muleshoe.

Social Security Representative To Be In Muleshoe Sept. 7

The amount of work needed to qualify for social security payments has been substantially reduced under the new law, John G. Hutton, Manager of the Lubbock Social Security District Office reported today.

Some people who were not able to get any retirement or family insurance because there had not been enough work, are now eligible for payments. Applicants whose claims were previously denied should inquire again if the worker has at least six quarters of coverage.

Anyone who reached age 65 or died before 1958, now needs only a year and a half of social security work to be fully insured, according to Mr. Hutton. A man who reaches age 65 or a woman who reached 62 this year needs only 10 quarters or about 2 1/2 years, of work covered by social security to be eligible to receive retirement benefits.

Another new provision of the law permits a 62-year-old man with 3 1/2 years of work credit to receive his retirement insurance. First checks, under this provision, will be received here in September for the month of August.

Social Security credits were first earned in 1937, Hutton explained. The calendar quarters of covered work need not be consecutive but can be earned at any time.

Anyone in this area who wants to know if he is now eligible for payments should get in touch with their nearest social security office. The Lubbock office is located at 1616 - 19th Street and is open Monday through Friday (except national holidays) from 8:30 a.m. to 4:30 p.m.

A representative of the Lubbock Social Security Office will be in Muleshoe on Thursday,

September 7 in the County Courthouse at 9:30 a.m. and will be glad to assist in all matters pertaining to social security.

FOR WET WALLS

While there are a number of different kinds of paint that can be used successfully for basement walls, portland cement paints are the only ones that will prevent low pressure moisture from coming through the walls. But no interior coating can hold back water coming through a wall from the outside under strong pressure.

A Canton, Pa., motorist bought a horse and buggy after losing his driver's license for speeding. He hung this sign on the buggy: "Drive slow, or you, too, will ride this way!"

A really good driver is one behind the wheel to scatter it. It takes hundreds of nuts to hold a car together, but only one to blazed the trails now have hard-all over the landscape.

ORDER TICKETS NOW FOR BEST SEATS!
FREE admission to the fair with advance tickets!

Hi-Plains Starts Building Project With Greenhouse

Building campaign for the High Plains Research Foundation was started recently with a gift of \$17,500 for a greenhouse and equipment by the Jim Hill Estate of Hereford. The gift is contingent upon the matching of this amount by others for a laboratory, library, and conference room.

An office building is included in the plans for the efficient operation of the Foundation. The total estimated cost of the structures is \$63,000. An additional gift of architectural file for the ceiling of the offices has been promised by Jimmy Willson, Jr. and David Willson.

The greenhouse, together with the laboratory, will accelerate the research program at the Foundation by establishing controlled conditions for the development of new soybean and sesame varieties needed for the High Plains.

Fertilizer combination testing under greenhouse conditions can give answers in advance of field trials. Farmers and agri-business will profit from these new facilities by receiving answers to their needs. In many cases, two years of research can be achieved in one year.

Trustees of the Jim Hill Estate of Hereford making the gift were O. L. Bybee and R. L. Thompson of Hereford and Joe S. Bridwell of Wichita Falls.

Foundation officials accepting the gift in Plainview Wednesday, August 30, were Harold Hinn, Chairman of the Board, Frank Moore, President, Dr. T. C. Longmeyer, Director, Dr. Earl H. Collister, Chief Agronomist and Assistant Director, and H. S. Hillburn.

Harold Hinn, Chairman of the Board, stated in announcing the gift that the members of the Foundation staff and the Board of Trustees are delighted with the gift and they are anxious to receive matching funds soon so the facilities will be available this winter.

Costs least* when you buy...saves more when you drive

Here's the Classic Ford Look at the lowest Ford price. Ford Fairlane equipped the way most people like is the lowest priced.* full-sized 6-passenger car of all... though you'd never guess it by looking. But more important still, is the engineering inside. Here are new standards of quality. Here's a car that is built to be more service-free, and the savings mount up as you drive (the box at right shows you how).

Altogether, the '61 Ford is so good that its dealers tripled the duration of the regular warranty.† Other cars followed. But Ford began the trend with the car built back up its longer-term warranty! See why we say, this is the Ford in your future!

HERE'S HOW THE '61 FORD SAVES BECAUSE IT'S BEAUTIFULLY BUILT TO BE MORE SERVICE-FREE!

Saves on Lubrication—You'll normally go 30,000 miles between lubrications of major chassis components, which saves you time and money, because Ford has replaced conventional grease fittings with a sealed-in lubrication system.

Saves on Oil Changes—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers, and filters all the oil all the time.

Saves on Brake Adjustments—New Truck Size brakes adjust themselves automatically.

Saves with Extended Muffler Life—Ford mufflers are double-wrapped and aluminumized to last three times as long as ordinary mufflers.

Saves with Protective Body Coating—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors.

Saves with Special Body Finish—Ford's new Diamond Lustre Enamel never needs waxing.

Saves with Extended Warranty—Each part of '61 Ford, except tires, is dealer warranted against defects in material or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.

FORD DIVISION, Ford Motor Company.

Beautifully built to be more service-free

FORD FAIRLANE

**YEARS HAVE GONE BY SINCE WE WENT IN-
TO BUSINESS IN THE GREAT MULESHOE
COUNTRY**

20 YEARS AGO

**WE RAN THIS ADVERTISEMENT IN THE MULESHOE JOURNAL
ASKING FOR YOUR BUSINESS.**

**NOW 20 MORE YEARS
LATER WE ARE STILL
ASKING FOR YOUR
BUSINESS**

Forty years in business is a long time but we have been proud of every minute of it.

The great people of the Muleshoe Country have made it worthwhile more than we can say. We appreciate the fine support we have received these past forty years and want to thank all the fine people of this area for your patronage.

We have just completed another addition to the Ray Griffiths and Sons Elevator here in Muleshoe which marks another milestone in progress for this area.

This additional grain storage will enable us to take care of all your grain storage needs and we want all of you to know that we will appreciate your business. Make Ray Griffiths and Sons Elevator your grain headquarters for faster efficient service.

WE WILL BUY OR STORE YOUR GRAIN

Twenty Years

Under some conditions, twenty years would seem like a long time, but not to us. We have had the privilege to serve the people of this territory for twenty years, and, come to think of it, they have been very pleasant. On this, our anniversary in business, let me thank you for your fine patronage, and ask that we may continue to serve you.

Now, Let Us Talk Salt To You Again This Week

Are Your Cows and Horses Eating Your Fence or Chewing On Old Bones?
