## Forgery, Hit-Run Wreck Investigated

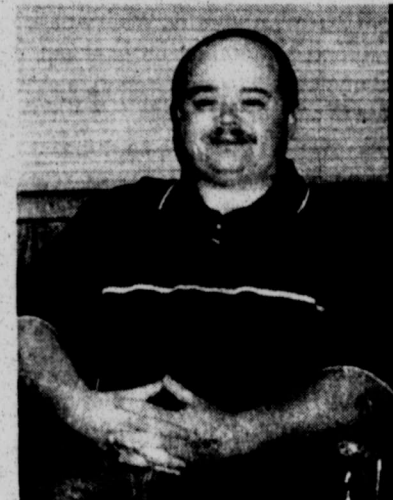

Tahoka Police Dept. investigated a report that several checks had been forged and cashed on the account of a Tahoka man who first learned about it when the bank notified him he was overdrawn. A 41-year-old Tahoka man whose name was on the checks was listed as a suspect and the case has been sent to the prosecutor for further processing.

A 44-year-old Tahoka man was questioned by police as the possible driver of a sedan which struck a parked pickup owned by Willford Ray Curtis last Saturday in the 2100-block of S. 3rd St.

On Monday evening, Jan. 12, a 2002 Saturn SUV driven by Skylar Owens, 17, of Tahoka rolled over onto its side on County Rd. 24 south-east of Tahoka. The driver and a passenger, Damesha Harris, 18, were treated at Lynn County Hospital for possible injuries. No other vehicle was involved.

Six persons were jailed during the last week, all on drug or alcohol-related charges. Two were for driving while intoxicated, first offense, with open container. ## Two THS Band Members Qualify For State Band

Saturday, January 13, at Lubbock Cooper High School, the best band students from the four regions of Amarillo, Lubbock, Midland/Odessa, and El Paso competed at the Area ATSSB for the right to be in the ATSSB All-State Bands. Two Tahoka students qualified for State with Kyndra Selmon placing 4th in clarinets and Ashley McNeely 1st in bass clarinets. They will audition at State for their chairs there. Cristal Amador missed making State by just two chairs; she placed 6th and only four flutes advance to State.

Over 230 students from 1A to 3A schools auditioned for the coveted 45 positions. Of the 45, 41 students from 3A schools qualified with one from a 1A and three from 2A, of

which two were from Tahoka.

These students will travel to the Texas Music Educators Association Convention, which will be held in San Antonio, February 11-14. After two very intense days of rehearsing, they will perform at the Scottish Rite auditorium on Saturday, February 14, at 12:30 p.m.

"We are extremely proud of all three of these outstanding young ladies who have worked very hard to advance to these levels of competency. For Tahoka to have the most to advance from 1A & 2A to State from our Area speaks highly of the caliber of students in Tahoka," stated directors Carroll Rhodes and Lora Smith.

**WOODWORK** by Dalton

SO ONE of these days some public school official here may call the cops into a classroom and say to them, "Drag that kid out of here and throw him in jail—he's dressed like a Methodist!"

That might be because he was wearing a tee shirt with John Wesley's picture on it. (Of course, I'm not sure anyone knows what John Wesley looked like. More likely some student might be recognized as a Methodist if his or her tee shirt simply said "First Methodist Church," or a Baptist if the shirt said "Baptist Camp" or some such).

This won't ever happen in the USA (we hope), but in France they are about to ban religious attire in French classrooms. Banned will be Muslim head scarves, Jewish yarmulkes and large crosses in public schools. Already some Muslim girls have been expelled from school for refusing to remove their veils. However, these bans were agreed after conferences with Muslims, Jews and Christians who agreed to the proposals to maintain France's tradition of secularism.

French officials, however, forgot to confer with the Sikhs, a small segment of the French population who wear turbans and worship in temples. They are outraged and point out that they wore turbans when they helped the French fight on battlefields in World War I.

The Sikhs say they are shocked, that the turban is an article of faith, and the idea of appearing in public without one is unthinkable. (I guess they don't get haircuts).

I have news for the Sikhs—France doesn't care if they did fight on the side of France in World War I. Ask any American and they will say that France thumbs its nose at its former allies. They refused to help the U.S. in the war on Iraq, despite the fact that Americans had fought in two wars to free the French from oppression.

France makes me Sikh.

## City-School Joint Session Held

Tahoka City Council and Tahoka Independent School District Board of Trustees met in a joint session last Thursday evening, discussing several items of interest to both groups.

All seven trustees and five council members, as well as other city and school officials, were present for the meeting which lasted just over an hour.

After discussion, two council members, Any Preston and Rudy Fuentes, and two trustees, Frank McLelland and Valton Stephens, were appointed to a joint committee to work out plans for the school's use of the city-owned baseball and softball fields.

The ad-hoc committee will also work together to consider purchasing an electronic sign for the purpose of communicating community and school events to the public, as well as considerations for the city and school working together regarding demolition of run-down buildings and homes with the city/school boundaries.

The meeting was held at the Life Enrichment Center in Tahoka.

We want to thank everyone who came to see us and entertain us during the Christmas season. It makes it so much more meaningful to celebrate Jesus birthday with others.

We celebrated Christmas with our families with a Christmas dinner at the Housing Authority. What wonderful food our families brought and a big thanks to Marvin Gregory and Dalton Wood for the music.

We have two new residents Daphne Minter and Oscar Newdiger and want to welcome them. Come out and meet them and play dominoes with us.

We are sad to lose Mr. Bishop as he left to go live with his daughter in Washington; we wish him well.

We at Lynnwood wish all of the students good luck with their show animals at the Lynn Co. Stock Show this week end and to any other Stock Shows they may be attending.

## County Historical Commission Discusses Courthouse Project

Members of the Lynn County Historical Commission met Friday, Jan. 16 in the Lynn County Judge's office to discuss the courthouse renovation project. Larry Hagood, chairman, presided.

County Judge H.G. Franklin reviewed information concerning the restoration of the courthouse, and general discussion brought out that letters of support of the project were needed from the community. Hagood volunteered to obtain a letter from the architectural department at Texas Tech University regarding the historical value of the courthouse, and Linda Mensch came in to aid members in writing letters of support.

Committee members noted that the community should be actively involved in the project, as evidenced by the centennial celebration and burial of the centennial time capsule. It was brought out that business owners in the county might restore other historical buildings if the project was successful, and that members of the community be encouraged to write letters supporting the project.

Members attending the meeting included Lenda Wood, Virginia Griffing, Elvin Moore, Bennie Sealy, Wendell Morrow, Gloria Moore, and Harold Hohn. Jack Jaquess Jr. and Judge Franklin were also present.

### Questions and Answers of the Day

Matthew 10:12-28, Matthew 16:24-27, Matthew 25:34-36

**Question: What is spiritual paralysis?**

**Answer:** Spiritual paralysis is a condition brought on by many things. It is definitely Satan's tool used to keep us from doing God's will, and work. Most people experience this condition at least one or more times. Here are some of its causes:

1. *Discouragement* - from previous work that fell under attack. This sometimes results in brokenness and sometimes even confusion. 2. *Fear* - of being hurt, or the same thing re-occurring, fear of being out of God's will so much we do nothing. 3. *Complacency* - The desire to stay in our comfortable familiar spot. 4. *Lack of Confidence* - so much that we do nothing for fear of failure.

The end result of this condition is not doing God's work or obeying, when He tells us to go. God didn't say everything was going to be without trouble, trials or hardship. Jesus Christ gave and gave and look where He traveled. He wouldn't have done it any different. Upon His resurrection He resumed His work, especially for those who were the worst. Jesus' blood bought the cure for the condition I speak of. When we get out of our spiritual boat we have to keep thinking about Jesus who wouldn't quit. Don't look at the storm, Jonah.

God bless you all.

## Card of Thanks

I and my family would like to thank our extended family, our friends and our acquaintances for the many calls and inquiries during my hospital stay and recuperation since being home.

A special thanks to those who brought goodies to the hospital and to our home. Your thoughtfulness was so appreciated.

Most importantly, we especially want to thank you for your prayers. To First Baptist of Tahoka; Primera Iglesia Bautista de Lubbock and Trinity Church of Lubbock; thanks for going the extra mile. It was these simple, humble gestures by so many along with our faith in God's will that carried us during a very stressful time.

Our deepest, heartfelt thanks,
