# Surprise Halftime Presentation Features New Van For Howell

by **JUANELL JONES**

It's a given that Harry Howell will be at the O'Donnell High School football games on Friday nights. Howell is a longtime Eagle sports fan, but he did not realize that he was going to be a part of the halftime ceremonies at last week's home game. As the Friday night ballgame is an event where many community members can be found at one place, it was deemed appropriate for a special presentation to Howell - a surprise delivery of a brand new minivan that is specially equipped for wheelchair access.

Billy Russ, Tommy Woolam and Billy Edwards made the presentation to Howell of the 2004 Dodge Grand Caravan, amid applause from the crowd in enthusiastic support of the project. The van is custom-built, and when the ramp extends outside for the wheelchair, the entire van floorboard lowers by several inches to allow easier access with a smaller incline, and then raises back up to a normal level when the ramp is raised.

Howell has been wheelchair-bound for many years, but he gets around without complaint in his community, and is seen frequently in Tahoka and other areas.

"Harry has been an inspiration to a lot of us for a long time, and we just wanted to do something for him," Edwards told *The*

News, noting that the van will be custom-fitted for Howell's needs.

For years, Howell has driven a much older model van that he has begun having problems with, and community members decided that Howell needed an updated van to make sure he could get where he needed to go. Edwards, Russ and Woolam spearheaded the project, but Edwards insists that the entire community is behind it.

"The bank at O'Donnell gave us a loan - on faith, I guess," he said with a laugh. "But the community and school are planning fundraisers to help pay for the van. A lot of people will be involved with this before all is said and done," he added. An account has been set up at the bank for donations, under the following name: Harry Howell Van Account, State National Bank of O'Donnell, P.O. Box 549, O'Donnell, TX 79351.

Dale Read, Superintendent of O'Donnell ISD, said that the school's goal is to raise \$7500 for their part of the project. "Our staff and students will get that done. Harry Howell is loved and respected by everyone at the school. He deserves all of this," said Read.

Read said that Howell is a longtime fan of Eagle sports, and has hardly missed any athletic events in many years. "I think maybe he missed one track meet that I can

think of," Read said. "This guy is the biggest Eagle fan and has been since I've been here. He's been to every track meet and ballgame, and he can name every athlete and what they did, who went to state, who was backup, you name it - he is crystal clear on memories of Eagle sports," said the superintendent.

While the van is already outfitted for wheelchair access, Edwards said that the van would be custom-fitted with hand controls for Howell's height and other needs as soon as they can get the van and Howell to Lubbock for the process.

## Injury To Child, Traffic Accident Reported Here

A 39-year-old Tahoka man was arrested on charges of injury to a child after the mother of a 12-year-old girl reported the man struck her daughter in the face twice Saturday.

During the last week, police also investigated a traffic accident in Tahoka and an incident of criminal mischief. Pete Rodriguez of Tahoka told officers someone keyed his 2004 Dodge Neon on the passenger side doors, possibly during the football game here Friday.

The traffic accident was on Sunday evening at the intersection of Ave. N and N. 7th St., where a 2002 Ford Escort driven by Shelly Dawn Gandy, 16, was involved in a collision with a 2000 Chevrolet Cavalier driven by Odilia Sastre, 37, also of Tahoka. No injuries resulted, according to the police report.

Forty-five persons were in jail as of Wednesday, including 12 held for Lubbock and 12 for Garza County. Charges for which persons were jailed last week included application to revoke probation on conviction for driving while intoxicated (DWI), Fraud/insufficient checks (one each for Castro and Hale Counties), DWI second offense with open container, DWI first offense, injury to a child, driving while license suspended, hold for Border Patrol and no insurance or drivers license plus hold for Border Patrol.

I HAVE NEVER felt an earthquake, nor do I want to experience one, although I have been on shaky ground frequently. Like the time I went to the doctor and when I came back my wife asked me what he said, and I replied, "He told me I should never put my hands into dishwater."

Earthquakes are considered a threat in California and some other parts of the world, where many minor and a few major quakes have occurred. But an article in the weekly Sunday newspaper supplement USA Weekend was promoted on the cover with: "Forget San Andreas. The Next Big One Could Happen in Your Back Yard."

This, of course, caused me to turn quickly to the article, which asserts that there are four other fault locations, far from the West Coast, where big earthquakes have happened and could happen again. A color map indicated areas of highest risk in the U.S.; fortunately my back yard was not one of the danger zones. In fact, none of them are in Texas.

The central Mississippi Valley around Memphis TN is considered a hazard area. Of more interest to me, because our family has spent some time there, is "Cape Ann, Mass., Near Boston." Cape Ann is at Gloucester, and we have visited there for periods ranging from three days to a week on four occasions. It's a great place to visit. It is the site of an old fisherman's statue on the shore, featured in an old movie starring Spencer Tracy and a later version with Robert Urich. Gloucester also was the setting of the movie "The Perfect Storm," which was filmed there.

Guess it's not too much of a concern, though. The last big one in that area, 6.0 on the scale, occurred in 1755. There have been eight notable, but lesser quakes in the last 25 years, but scientists predict another magnitude 6 quake will occur in that area within the next 200 years. Still, a magnitude 5 quake, which could do a lot of damage, is expected in the Boston area any time.

Oklahoma, Missouri and Charleston, SC are other places where major earthquakes could happen any time, according to the article.

I have no desire to experience an earthquake. I have enough trouble keeping everything together as it is.

THE JOKER on Ave. J says the man who fell into an upholstery machine is fully recovered.

## Harvest Festival Queen Contest Offers Scholarships For Winners

All high school girls in Lynn County are invited to participate in the Lynn County Harvest Festival Queen Contest, with the winner to be determined Saturday, Oct. 2 at the Harvest Festival held at the courthouse square in Tahoka.

This year's queen will be awarded a \$1500 college scholarship, and for the first time, the first and second runners-up will also receive scholarships of \$300 and \$200 respectively, upon their registration at college.

Candidates are currently selling \$1 chances for a \$1000 vacation getaway package. Each contestant who sells at least 500 tickets will receive \$100 cash.

Each candidate will be introduced on stage the day of the contest, and will have an opportunity to speak to the crowd. The top five contestants (more in cases of ties or low number of contestants) will be announced after all introductions on stage are complete. The finalists will be asked a question (drawn at random) to answer before the judges.

"We encourage all Lynn County high school girls to participate. Selling the trip tickets is a service to the community, helping to pay for the expenses of putting on the annual Harvest Festival. By participating, you are helping our committee contribute donations to the Lynn County Hospital, the county fire departments, the county EMS units, the Senior Citizens, and other community groups," noted one sponsor.

For more information, contact Queen chairman Karen Huffaker at 561-4302 or Leah Taylor at 998-5142.

Ten members of Phebe K. Warner met at Tara's Tea Traders in Lubbock on Saturday, Sept. 11, to hear Caprock District President, Donna Hogue describe the "Haley" project and to discuss the upcoming year. The "Haley" project provides volunteer caregivers for families with disabled children.

This is only one of the many services in which General Federation of Women's Clubs such as Tahoka's Phebe K. Warner participate. For more than a century, GFWC has encouraged women to improve their skills, expand their rights, and apply their abilities and special sensitivities to society's problems. This includes promoting education, preserving natural resources, encouraging healthy lifestyles, working on behalf of the elderly and people with disabilities, advocating for issues of concern to women, children and families, and supporting participation in the arts. Throughout the history of GFWC many great works have been accomplished.

Clubs like Phebe K. Warner have contributed to the establishment of 75% of America's public libraries, purchased an ambulance for the New York Fire Department after 9/11, instituted the "Youth Suicide Prevention" program, promoted the "Women's Crusade for Seat Belts" program, supported the first child labor law and the eight-hour work day along with many other worthwhile projects.

Locally, the Phebe K. Warner club also contributes to many good projects for Tahoka such as: contributing to national and local scholarships; sending much needed items to M.D. Anderson Cancer Center; sponsoring a sophomore to attend the Hugh O'Brian Leadership Conference; sponsoring writing contests for local students; beans and cornbread stand at the Harvest Festival; Christmas greetings in the newspaper; contributions to the local library; ice cream booth at the Hospital Auxiliary Fun and Food Festival; local garden tour.

Also, many informative programs are planned for this coming year. Programs are planned on home health, the HOBY conference, the electoral process, the arts, Girlstown, photography, Secret Service, organ transplants, wildlife rehabilitation, organizational skills, and book reviews. This club has been serving our community since 1922.

# Rabbits Bite Dogs 42-20

By DALTON WOOD

It was a wild and exciting game here last Friday night, at least for the first half, but after Tahoka lost starting quarterback Patrick Dotson for the last half, the Bulldogs couldn't keep up, and lost 42-20 to the Ralls Jackrabbits.

The Bulldogs started off in trouble by losing the ball three times on fumbles in the first quarter, although they lost no other fumbles during the game. Ralls took a 14-0 lead on touchdown passes of 12 and 42 yards, and built it to 22-0 on the first play of the second quarter when Doddrick Quincey ran 76 yards to score.

Tahoka came roaring back, with Dotson at the helm and Ja-Vaen Tillman getting a heavy dose of rushing. First, Chase Tillman returned the Ralls kickoff after their score 80 yards for a Tahoka touchdown, and a pass for points was no good, making it 22-6 at 11:16. A little later, Ja-Vaen Tillman ran 40 yards for a touchdown and Chase Tillman ran for two points to make it 22-14 with 8:11 left in the half.

Dotson then intercepted a Ralls pass and followed up with a 17-yard run on a keeper to the Ralls 15. Dotson then hit Jamie Madore with a 12-yard touchdown pass. A run for points failed and Tahoka trailed by just two points, 22-20 with 5:07 left.

The Dogs then successfully executed an onside kickoff, with Jeremy Antu recovering at the Ralls 41. A couple of plays and a personal foul penalty against Ralls and Tahoka had a first at the Jackrabbits 12 with 2:57 left and hopes were high in the home

stands. But Chris Escobar intercepted a Tahoka pass and raced 90 yards for a Ralls TD and after a kick, it was 29-20.

Just before the half, Dotson chased down a Ralls player who had intercepted another pass and the Tahoka quarterback suffered a rib injury on the play. He did not return for the second half.

Coach Troy Hinds said this week that Dotson had bruised ribs, but no fractures and should be in good shape to play when the Bulldogs resume their season in two weeks at Roosevelt.

Zach Gutierrez, who was very stout on defense as a linebacker, took over at quarterback for the last half and did a creditable job under the circumstances.

Ja-Vaen Tillman's busy evening included 34 carries for 201 yards. Dotson hit 3 of 9 passes for 38 yards and a touchdown, with two interceptions. Gutierrez completed 3 of 9 passes for 41 yards and engineered one drive which reached the Ralls 9 in the fourth period.

Gutierrez, Dustin Brookshire and Nick Rodriguez led the defense in tackles, with good defense also turned in by Matt McClelland, Dotson and Nathan Garcia.

**Questions and Answers of the Day**

Matthew 4:4; Matthew 13:22-23; Hosea 4:1-7; John 1:1-14; Mark 4:14-20; John 15:25; John 17:6; Revelation 3:8, 10

**Question: How important is it to study God's word and remember it? How important is it to pray and listen to God?**

**Answer:** In Hosea 4:1-6 -- Verse 1 says "Hear the word of the Lord ye children of Israel: for the Lord has a controversy with the inhabitants of the land, because there is no truth, no mercy, nor knowledge of God in the land." Verse 6: "My People are destroyed for the lack of knowledge: Because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: Seeing thou hast forgotten the law of thy God, I will also forget thy children." In verse 7 it says, "As they increased, so they sinned against me: Therefore will I turn their glory to shame." In John 1:1-14 it says "in the beginning was the Word and the Word was with God, and the Word was God." Verse 14 says, "the Word was made flesh (Jesus Christ)." We are to hear, speak, study and live the word. There is no exemption. If we can't see, we are to hear it. If we can see and hear, we must. If our mind functions enough to hear and learn, we must. This comes by daily studying, praying and living the word.

### NOW AT THE LIBRARY

**The Touch**  
By Colleen McCullough  
At its center is Alexander Kinross, remembered as a young man in his native Scotland only as a shiftless boilermaker's apprentice and a godless rebel. But when, years later, he writes from Australia to summon his bride, his Scottish relatives quickly realize that he has made a fortune in the gold fields and is now a man to be reckoned with.

Arriving in Sydney after a difficult voyage, the 16-year-old Elizabeth Drummond meets her husband-to-be and discovers to her dismay that he frightens and repels her. Offered no choice, she marries him and is whisked across a wild, uninhabited countryside to Alexander's own town, named Kinross after himself. In the crags above it lie the world's richest gold mine.

Isolated in the great house, with no company save Chinese servants, Elizabeth finds that her husband won't enlighten her about his past—or his present. She has no idea that he still has a mistress, Ruby, and that he made this mistress a partner in his company.

The stories of the lives of Alexander, Elizabeth and Ruby are intermingled with those of a rich cast of characters, and, after many twists and turns, come to a stunning and shocking climax.

Available at the City-County Library, located inside the Life Enrichment Center, 1717 Main St., Tahoka. Open Mon. & Wed. 9-5:30 (closed 12:30-1:30 for lunch); Tues. & Thurs. 2-7 pm; Saturdays 10 am to 1 pm.

### LETTER TO THE EDITOR

#### Wilson Runaround Is Successful

The Wilson ISD would like to thank the Lynn County Highway Department for the use of their cones, the Slaton Bakery for their donut donation, the Slaton ISD Athletic Dept. for the use of their timing clock, plus all of those who offered their time, equipment, and efforts. Without all of their efforts, we could not have provided such a successful and high quality cross-country meet.

The Wilson Runaround was a tremendous success again this year and we want to let you know how much we appreciate your contribution. We are looking forward to working with you again next year.  
Coach Glenn Hallum

### Eagles Rip Roby 45-23 For Third Straight Win

The O'Donnell Eagles stayed unbeaten in the young football season last Friday night in their home opener, beating Roby 45-23 as junior running back Josh Ramirez led the attack with 151 yards and three touchdowns on just 11 carries.

Coach Rick Price's team scored on its first possession on an 11-yard run by Jonathan Mecaleo. The PAT try missed and it was 6-0. With seconds left in the first quarter, the lead went up to 12-0 when Ramirez scored from 4 yards out. A pass attempt for points fell incomplete.

O'Donnell's next score was in the second period, following a pass interception by Heath Goad. That drive ended on a 17-yard TD run by QB O.J. Hunter, and Jovan Mendieta kicked the point to make it 19-0.

The ensuing kickoff was returned 78 yards for a touchdown by Roby's Matthew Pippin, and the extra point kick made it 19-7. Eagles Minutes later, Ramirez rambled 44 yards to score and Mendieta again converted to boost the OHS lead to 26-7. Roby scored just before half-time to narrow the lead to 26-14.

In the third, Ramirez scored on a 12-yard run and Goad returned an interception 42 yards for a touchdown. Also in the third, Josh Moffett kicked a field goal for Roby and Joe Posey ran 5 for a Roby touchdown. It was 39-23 at the end of the third period.

O'Donnell's final touchdown was scored in the fourth quarter on a one-yard plunge by Bobby Gloria.

Hunter had 79 yards on 13 carries. Gavin Ramirez had 40 yards on 7 efforts and Matthew Morado had
