Lynn County Hospital District is sponsoring their annual Health Fair this Saturday, Oct. 22, offering a variety of health screening tests, including hearing screening, bone density testing, glucose and cholesterol testing, as well as information available on a wide range of topics, including drug and alcohol awareness, hospice care, fire safety, diabetes, physical therapy, and much more.

This year's Health Fair is in a different location from last year, at The Center for Housing and Community Development, at 1400 Ave. K in Tahoka. The all-day event is free and open to the public from 9 a.m. until 4 p.m.

### Early Voting Continues As Record Numbers Cast Ballots Here

Registered voters in Lynn County began casting ballots in the Nov. 2 General Election on Monday, Oct. 18, when a record number of voters turned out for the first day of early voting. According to County Clerk Susan Tipton, 77 voters cast ballots on Monday, which she says is significantly higher than in other elections in many years.

Early voting continues through Oct. 29, during regular business hours at the courthouse, Monday through Friday.

Ballots are at the Lynn County Clerk's office, located on the first floor of the Lynn County Courthouse. Please bring voter registration cards when voting.

Life Saver Card should bring the following information to the Health Fair: Name, address, family or friend's name and telephone numbers, Medicare, Medicaid or other insurance information, a list of any medical conditions such as diabetes or cardiac conditions, a list of all current medications, and note allergies to any medications. This information will then be placed on a "Life Saver Card" which you will be given to take to your home and place on your refrigerator door, as a handy reference guide to the EMS in case of an emergency where a patient may be unable to communicate.

Information about organ donation, hospice care, home health services, and independent/assisted living at Lynnwood will also be available.

For more information about the Health Fair, contact Lynn County Hospital District at 998-4533 or visit their website at [www.lchdhealthcare.org](http://www.lchdhealthcare.org).

### One Traffic Accident Reported In Tahoka

One traffic accident in the city of Tahoka was investigated last week, with the driver of one of the vehicles listed as having a "possible injury."

On Friday at N. 1st St. and Ave. N a 1984 Chevrolet Cavalier driven by Eva Benavides Alvarez, 36, and a 1999 Dodge Intrepid driven by Joann Graves, 36, were involved in a collision. Both drivers are residents of Tahoka.

During the week Tahoka Police also investigated a criminal trespass report and an incident of domestic violence in which a pregnant woman alleged she was struck or pushed by two males. The same woman was listed as a suspect in the trespass report.

Jailed during the last week were nine persons, three for public intoxication, three for cases involving driving while intoxicated, two for parole violation and one for driving while license suspended.

Total jail population dropped to 37 last week at Lynn County jail after Garza County transferred all their inmates to Dickens County jail. Lubbock County still had 19 inmates in Lynn County jail as of last Monday.

## woodwork by dalton

A FEW WEEKS back, I was shocked and saddened to read about the death of a guy I used to run around with in college, and even shared an apartment with for a year or two after we got our degrees.

I was shocked because it seems like he ought to be 24 years old, as he was back in the 1950s when we roomed together in Dallas, and I was a bit sad because we had not been in contact in years.

The man's name was Jack Murray, and like me, he graduated from Jacksboro High School and then North Texas State at Denton, now the University of North Texas. Unlike me, he was a Yankee, originally from Michigan or New York or one of those other weird northern places, and the coldest days we ever had at Denton and Dallas didn't bother him at all; he would walk out into an icy wind without a coat and with his shirt mostly unbuttoned, just to show me how tough he was.

Reading about him brought back a memory of one of the funniest incidents of my life as a single person, specifically the time he and I decided to make a chocolate pie at our apartment. We both loved chocolate pie, and our mothers had made many of them for us, but we never paid any attention to how they did it. "How hard can it be?", we wondered. "It's just a crust with chocolate pudding in it," said Jack.

So we went to the store and bought some chocolate pudding for filling. In those days you couldn't buy pie crusts or complete pies ready to cook. Incidentally, it was before microwave ovens, too, but not, as my daughters think, before Benjamin Franklin discovered electricity.

Anyway, the crust proved to be a problem. All we knew was that it contained flour and either water or milk. I knew that just water and flour made paste like we used in grade school, so we decided to mix in a little bit of baking powder. We didn't have anything to roll it out on, so we used a round mirror off the wall and a round bottle with a slender neck as a roller. We greased the mirror with Crisco and after the dough wrapped around the bottle, we greased it too. It finally looked pretty good, so we put it into a pan and stuck it in the oven, letting the crust overlap the pan's edges.

When we checked on the crust a little later, it had drawn up into a much smaller circle, so we used a fork to try to pull the edges back up over the rim of the pie pan.

This made holes in the pie crust, but it didn't really matter, because after we added the pie filling and cooked it some more, it wasn't really edible anyway. I have not attempted to make a pie since then.

KNOTHOLES: Before I went to see an eye specialist last week, I received a postcard reminding me to bring insurance information "and a list of all medications. If dilated you will need to bring a driver." I called them up and said I wasn't sure I could bring a driver—would a three-wood be okay? . . . At the same doctors' office, they had a unisex restroom, and the latch on the inside didn't work. The next person waiting outside could just turn the knob and there you were. It put a whole new meaning to the term "public restroom."

## Another 1! THS Band Earns Top Rating In UIL Marching Contest

For the third year in a row, a Tahoka first, the Tahoka High School 3-D Band earned a Superior in marching, earning a I rating from each of three judges to claim the coveted Superior rating. The Region 16 UIL marching contest was held last Saturday night at Lowrey Field in Lubbock. The 3-D Band's program consisted of Iron Man, The Way You Move, Pink Panther, and Mustang Sally.

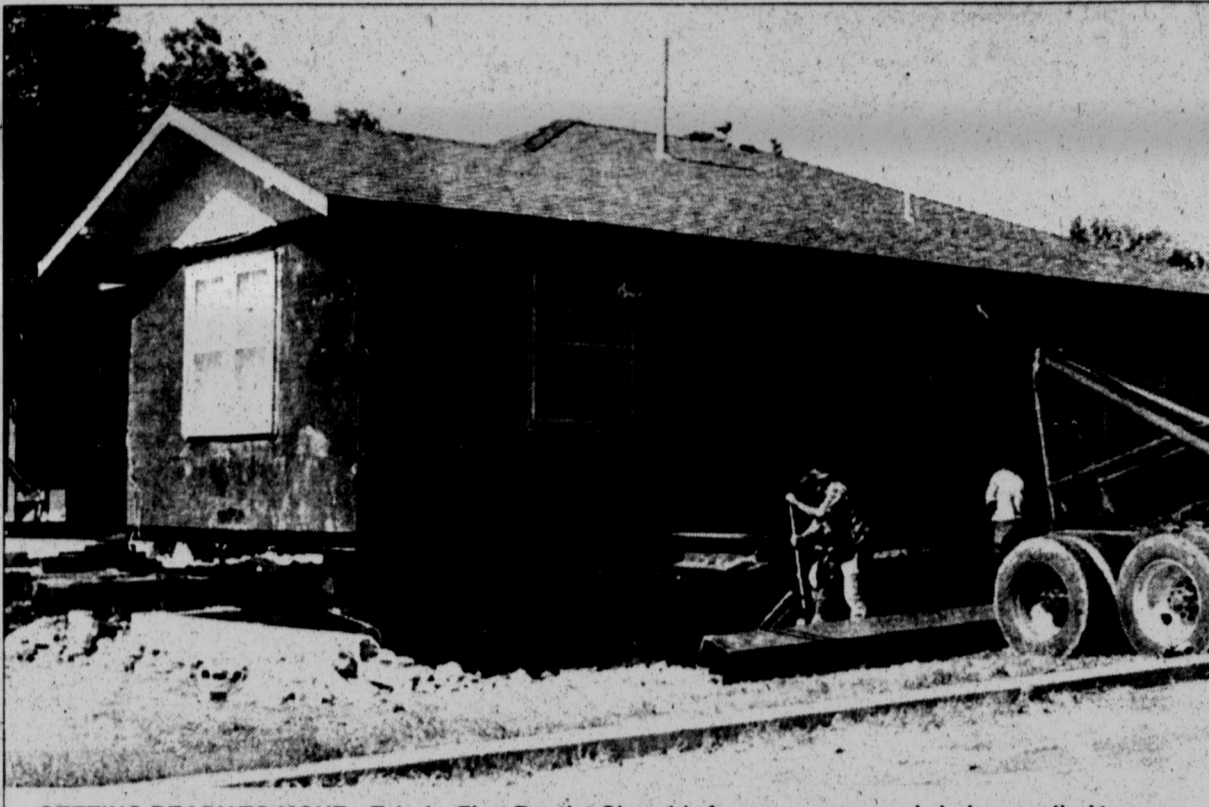

"The kids were awesome," stated directors Carroll Rhodes and Lora Smith. "Not only did they play and march a I, but they thoroughly entertained the crowd, something no other band did."

"Tahoka fans are the absolute best! There were over 300 fans rooting the band on to their best effort. Not only were Mr. Parker, Mr. Webb, Coach Hinds, other coaches, and

several teachers present, but there were students and parents there supporting the band who did not have any other connection than believing in Tahoka. No words can describe the feelings it gave the 3-D Band to see those people cheering them on to victory. It definitely impressed everyone else," said the director.

When the Band came home the Lynn County Sheriff's Department escorted the Band bus into town where it was met by the city police and highway patrol who gave them an escorted tour of the drag.

"It was fun and amazing to be escorted by six police vehicles. The Band extends its thanks to those officers, who protect our city, county, and highways daily, for their support of the Band in their celebration," said Rhodes.

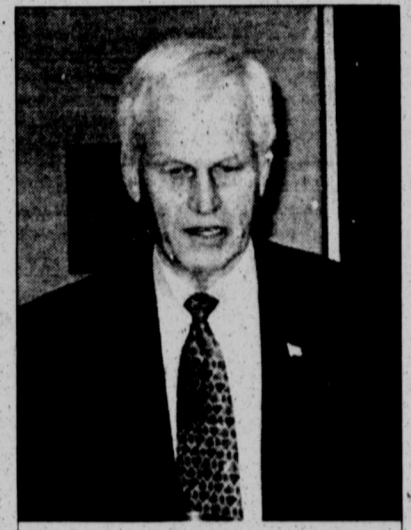

**GETTING READY TO MOVE** - Tahoka First Baptist Church's former parsonage is being readied to move this week, shown here as workers have the house lifted off the foundation at the corner of Lockwood and Ave. L. After the house is moved, the corner will be made into additional parking space for the church. Last year church members purchased and remodeled another home at 1829 Ave. K for the new parsonage, selling this home with the stipulation that it be moved off the lot. (LCN PHOTO)

She said, "Honey, it's Sunday morning, aren't you going to get up and go to church?" He answered quite roughly, "No! Those people down there don't like me, and I don't like them either!" "Just give me one good reason why I should ever go to church again," he muttered. "I'll give you two good reasons," his lovely wife answered. "First, it's the right thing to do, and second, YOU'RE THE PASTOR!"</p> <p>Sometimes getting up and going to church is hard. It seems like there is always something more pressing that you really need to do, such as sleep in, mow the yard, fire up the grill, or sometimes a seemingly very important thing. Regular church attendance takes commitment. Commitment to church attendance is a once in a lifetime decision. Make your commitment and stick with it. Most committed people don't make a decision every Sunday morning as to whether or not to go to church. That Decision has already been made. It becomes a way of life that honors the Lord Jesus Christ on the Lord's Day. Do it for yourself, do it for your children and grandchildren, do it for your church, but most of all, do it for Christ.</p> <p>If you are not a Christian, you may think, "Why should I go to church, the roof might fall in." Believe me it won't, but not being a Christian is all the more reason for you to go. Find a Bible believing church, where the Word of God is Preached, and Christ is exalted. Look for a place where you can feel the love of God flowing through the people there. Go there and find out how to receive Jesus Christ into your life. Trust in Jesus, who died for your sins! **Question:** What is a God-given talent?

**Answer:** Are you aware that every human has a God-given talent? In Exodus 35:4 and 36:7, God told Moses to instruct His people to build a tabernacle which He would inhabit. He gave Moses instruction on how it was to be built. Every square inch of the tabernacle and the materials used represented something holy. God had a reason for everything He had done. The materials were chosen by God. For instance, He had them use scarlet, blue, and purple -- these colors were in representation of kings. God gave measurements and description to the smallest and finest point. People who made colored threads, dyed skins, etc., were considered artisans. The artist did so much; but there were people who sewed, people who cooked, people who watched children. There were people who trapped the animals of whom the hides were used. Some gave gold and silver. Every one of them had something to offer in God's work. They wanted to do it. God used their separate talents to achieve one task -- to build the tabernacle. These people were eager to help.

We are like that -- we have natural talents that are God-given. If put together to serve God, amazing things will come to pass. We must desire to move mountains!

**STATEMENT TO THE VOTERS FROM  
YOUR DISTRICT ATTORNEY, RICKY B. SMITH**

I am Ricky B. Smith. I am your District Attorney. I began working in the District Attorney's office in 1976 as an Assistant District Attorney under Joe Smith (no relation) from Seminole. When Joe retired at the end of his term in 1983, I ran for the office, was elected, and took office on January 1, 1984. It has been my honor and privilege to serve as your District Attorney for the past 20 years.

I am now running for re-election to the office of District Attorney of the 106<sup>th</sup> Judicial District. I believe that I am the most experienced, most qualified candidate in this race.

This has been a clean race and I intend to keep it that way. Theda and I are very grateful for the support and encouragement we are receiving from all of you, Democrats, Republicans and Independents alike.

You will begin going to the polls on Monday, October 18<sup>th</sup> for early voting. Early voting continues through October 29. Election day is November 2<sup>nd</sup>.

I have the experience where it counts, and the qualifications where it matters.

**EXPERIENCE WHERE IT COUNTS  
IN THE TRIAL COURT**

I have tried major felony cases before juries in Dawson, Gaines, Garza and Lynn Counties. Those cases include the successful prosecution of defendants for capital murder, murder, aggravated robbery, aggravated sexual assault of adults and children; drug possession and drug delivery, drunk driving, and many other serious crimes.

In addition, District Judges from Midland, Andrews, Scurry, Hockley, Lubbock, Yoakum, Terry and Borden Counties have shown their confidence in me by calling on me to handle felony cases in their counties when their elected District Attorneys were disqualified.

**IN THE APPELLATE COURTS**

When a case has been successfully prosecuted in trial court, the case does not end there. The case then goes to the appellate courts. I have successfully defended jury verdicts before the Eastland Court of Appeals, the El Paso Court of Appeals, and the Amarillo Court of Appeals, and before the Texas Court of Criminal Appeals in Austin, the highest criminal appellate court in Texas.

In addition, defendants often file Writs of Habeas Corpus in state and federal courts. I have handled the state writs and I have worked with the Attorney General's Office with respect to the federal writs as well as the Writ of Certiorari before the Supreme Court of the United States.

**QUALIFIED WHERE IT MATTERS**

Graduate of Baylor University Law School

Board Certified in Criminal Law by the Texas Board of Legal Specialization of the State Bar of Texas

Fellow Member of the College of the State Bar of Texas

A Certified Texas Peace Officer who holds the Basic, Intermediate, Advanced and Master Peace Officer Certificates

Faculty Member of the College of the National District Attorneys' Association

**PROVEN LEADERSHIP:  
IN THE COMMUNITY**

I have served as President or Director of many civic organizations, including President of the Lamesa Noon Lions Club; President of the Lamesa Boys and Girls Club; President of Lamesa Little League Association; President of the Lamesa Bar Association; Director of the Dawson County Senior Citizens Center; Campaign Chairman of the Dawson County United Fund.

I have also served as City Council member and Mayor Pro Tem for the City of Lamesa and City Attorney for the City of Lamesa and the City of O'Donnell.

I have provided free legal service: to citizens unable to pay a legal fee; to area churches and to non-profit organizations, such as the O'Donnell Volunteer Ambulance Service, the Dawson County Senior Citizens Center, and the Dawson County Peace Officers Association.

**TO LAW ENFORCEMENT**

I have instructed peace officers throughout the area in various law enforcement courses, including search and seizure, courtroom presentation, and evidence handling.

I have distributed thousands of dollars to law enforcement agencies in Dawson, Gaines, Garza and Lynn counties that was collected from forfeiture cases that I filed in connection with illegal drug activities and other criminal enterprises, and my office has a good working relationship with all local, state and federal law enforcement agencies.

I helped organize the 106<sup>th</sup> Judicial District Drug Task Force to deal with illegal drug activity within the 106<sup>th</sup> Judicial District. I am currently working with the Sheriffs of all four counties to obtain a grant to fund a Narcotics Task Force consisting of trained narcotics peace officers to deal with illegal drug activity in Dawson, Gaines, Garza and Lynn Counties and in our schools

**LIFE-LONG COMMITMENTS:**

**TO FAMILY**

I was born and raised in Dawson County. I married my high-school sweetheart, Theda Hogg, on June 15, 1968. Theda is the daughter of life-long Dawson County farmers, Gonzell and Sandy Hogg. Theda and I recently celebrated 36 years of marriage. We raised four children, all of whom graduated from Lamesa High School. We have seven grandchildren.

**TO OUR YOUNG PEOPLE**

I have always tried to encourage our young people to set high goals for themselves and to strive to achieve those goals. I have employed many of your sons and daughters through school vocational programs and during the summer recess. Some of those young people have gone on to pursue university degrees; some now have families of their own; some are professionals; all have pursued their goals and I am extremely proud of them.

**TO MY JOB**

Throughout my career, I have worked hard to improve my skills as a prosecutor. My training has included advanced courses in homicide prosecution, trial advocacy, forensic evidence, arson prosecution, crimes against children, internet crime and many others.

I have never shied away from the politically unpopular cases. It has been my position that if I am not willing to try the politically powerful individual, then I could not look in the face of the less fortunate and try him for the same kind of crime.

This has never been an 8 to 5 job for me. I generally am in the office by 6:30 a.m. and I stay until the job is done, often into the night.

I currently serve as a faculty member of the College of the National District Attorneys' Association and I have taught trial advocacy courses to prosecutors from across the country at the National Advocacy Center in Columbia, South Carolina.

**TO MYSELF**

From the standpoint of trying to be the best person I can be

My father, Robert E. L. Smith, lived through the great depression and honorably served our country in World War II. He dedicated his life to honorable public service as the longest-tenured District Clerk in Dawson County history.

My mother's family immigrated to this country from Germany under the harshest conditions. She and her family lived in a tent beside a railroad track. She had to quit school at an early age to work in the cotton fields to help support the family.

My parents, like many of yours, sacrificed and went without to help me become one of the first members of the Smith and Renner families to obtain a college degree.

My parents taught me to respect other people, regardless of the color of their skin or of their religious beliefs; to work hard; to conduct myself honorably; and to treat people the way I would want to be treated.

I have tried hard to not let my parents down. I love them dearly and I know that but for their guidance and the Grace of God, I could have easily found myself in the position of many of the people with whom I deal. Keeping that always in mind, I have tried to be fair in my dealings with those who break the law, while, at the same time, making sure that the community has been protected and the rights of the victim have been taken into consideration.

PLEASE VOTE, EITHER DURING THE EARLY VOTING PERIOD OF OCTOBER 18 THROUGH OCTOBER 29, OR ON ELECTION DAY, NOVEMBER 2, 2004, AND PLEASE VOTE TO KEEP ME AS YOUR DISTRICT ATTORNEY.

THANK YOU FOR YOUR VOTE, FOR YOUR SUPPORT, AND MOST ESPECIALLY, FOR YOUR FRIENDSHIP.

Sincerely,

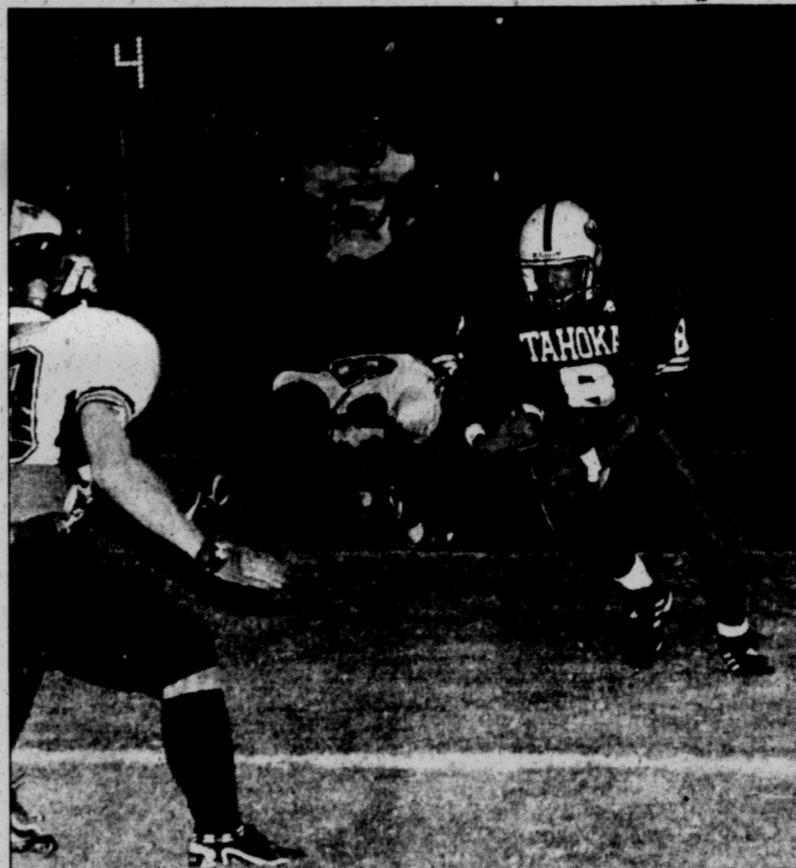

*Ricky B. Smith*

**Mustangs Hold  
Dogs To One TD**

By CADE MILLER

The Shallowater Mustangs used a second half boost to hold the Bulldogs scoreless in the second half, enroute to a 31-6 loss to the 'Stangs.

The Dogs' first and only touchdown came in the first quarter with a 46-yard pass from Patrick Dotson to Ja-Vaen Tillman, coming within one point after the extra point failed. The Dogs would then be held to only 115 yards the remainder of the night.

The majority of the yards came from the air attack. Dotson completed nine passes of 20 for 117 yards and one interception. Ja-Vaen Tillman led all receivers with 52 yards on three catches; Matt McLelland added 23 yards for the Dogs on only one reception.

The running game was held to a tight 44 yards for the night. Tillman also led the feet with 34 yards on 14 carries.

Larry Murphy was named the outstanding defensive player, who helped force the 'Stangs to punt four times, and Josh Hawthorne was named offensive player of the week.

The Dogs will travel to Post to take on the Antelopes with the kickoff at 7:30 tomorrow (Friday) night. The 'Lopes defeated Idalou last weekend to clinch first place in District 5-2A.

### Commissioners Okay Donation Of Sick Days

Lynn County Commissioners approved the donation of unused sick/vacation days from one county employee to another at last Tuesday's meeting, with days donated not to exceed 50 percent of accumulated time of the donor. Employees had requested the opportunity to assist another employee during an illness. All four commissioners agreed to the request.

Tuesday's meeting was a short one, with commissioners approving monthly bills and approving minutes from the previous meeting as the only other agenda items. Don Morton, Mike Braddock, Don Blair and J.T. Miller were all present.

## City Gets \$28,700 Grant For Planning Services

City of Tahoka officials this week received a check for \$28,700 from the Office of Rural Community Affairs (ORCA) in planning grant funds. Alvino Lopez, a representative of ORCA, presented the check to City Administrator Jerry Webster and Assistant Administrator Retha Pittman at City Hall Tuesday afternoon.

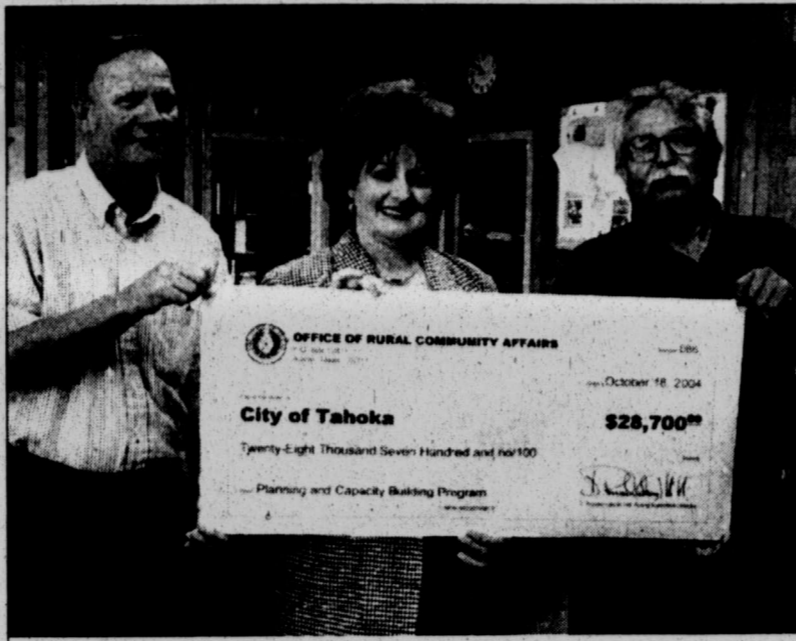

Tahoka was one of 119 grant recipients who received over \$4,897,373 in total grants from ORCA between Sept. 1, 2003 and Aug. 31, 2004.

"We applaud and commend the efforts of every recipient for their commitment and dedication to rural Texas," said J. Randel Hill, ORCA's

Acting Executive Director. "ORCA was created to assist rural Texans with building their own communities, and I am pleased to commend the leaders of every community who applied for funding to support and address the needs of their community."

The grant funding will be used for basic planning activities, including updating the city's sewer/water maps and assessments of housing, population, land use, recreation, water and wastewater systems, capital improvements programs, and zoning ordinances.

A company out of Austin will provide the assessment services, Webster said.

## Miller, Hancock Nominated For Wendy's HS Heisman Award

Tahoka High School students Cade Miller and Ashdon Hancock have been nominated for the Wendy's High School Heisman Award. Awarded in conjunction with the collegiate Heisman recognition, this award honors the nation's top high school seniors who best exemplify a supreme "citizen-scholar-athlete."

The two were nominated for their academic aptitude, athletic talent, and tremendous display of commitment to their communities.

"We believe it's important to recognize our young people not just for what they do in the classrooms or on the field, but their contributions to communities," said Robert Webb, Tahoka High School Principal.

Miller, a senior, is the son of Steve and Carol Miller of Tahoka, and is involved in NHS, FFA, UIL academics, Student Council, Class Officer, FCA, One-Act Play, and is a member of the Kennel Staff and editor of THS Annual, and on the Journalism staff. He participates in basketball, cross country, golf, track

and tennis. He is a member of First Baptist Church of Tahoka, the School Health Advisory Council, and the Lynn County Harvest Festival youth committee.

Hancock, also a senior, is the daughter of Eddie and Alecia Hancock of Tahoka. She has participated in volleyball, golf, basketball, track, and softball. She was the Hugh O'Brian Youth Leadership World Conference Texas Delegate, is a member of NHS, Who's Who, is Class President, Student Council representative, and on the yearbook/newspaper staff. She is a member of First Baptist Church of Tahoka, and volunteers in several organizations including Little Dribblers, AAU Basketball, and Vacation Bible School.

The Wendy's High School Heisman Program is comprised of five phases - nomination, state finalists, state winners, national finalists, and national winners. Twelve national finalists are invited to an all-expense paid trip to New York City on Dec. 10-12 to participate in the Heisman weekend festivities.

To track a student's progress throughout the competition or to find out more about the program, go to [www.wendyshighschoolheisman.com](http://www.wendyshighschoolheisman.com).

All nominees will be posted on the website in early October.

## Local Fundraiser To Place Washington Monument, White House In Yards

"Would you recognize the Washington Monument if you saw it? What about the White House? Well, if you wake up one morning or come home one evening and find either one of these in your yard - Don't Panic!" says a sponsor for a local Tahoka fundraiser.

As one of their fundraisers for the year, 8th grade students going to Washington D.C. in June are taking requests to have either the Washington Monument or the White House put in someone's front yard (locally only).

"If you would like to have the 8th grade students put either one of these in someone's front yard or removed from your yard please call Lynn Lankford at 561-5047. You may leave her a message on her answering machine if she isn't at home. The cost is \$1.00 to have it removed from your own yard or \$5.00 to have it put in someone else's yard," said a sponsor.

In addition, 8th grade students are also selling pre-sold tickets for Baked Potatoes. Tickets are \$5.00 for broccoli and cheese, \$5.00 for barbeque and \$3.00 for butter and cheese. Pre-sold tickets will be sold until October 31. Baked potatoes can be picked up on Sunday, November 14, from 11:30 a.m. until 1:00 p.m. at the Tahoka Housing Authority located at 1400 Ave K.

**WASHINGTON MONUMENT** - Tahoka 8th grade students will place small replicas of the Washington Monument (shown here at the home of Cathy Ross) and of the White House as a fundraiser project for students planning a trip to Washington, D.C. this summer. Cost is \$1 to have the replica removed from your yard, or \$5 to place it in someone else's yard. See related story in this edition. (LCN PHOTO)

## Letters To The Editor

### Sophomores Thankful For Helping Hands

The Tahoka High School Sophomore Class would like to thank some very special people. We had some very generous people help us during homecoming week. Eusevio & Rose Resendez loaned us a trailer for the homecoming parade float. Robbie & DeAun Autry let the class use their driveway to decorate the float. Also, before the downpour hit that Thursday night, Robbie was able to get the float to Randy & Angie Hall's garage where they allowed it to be stored so that all the hard work that was put forth did not get ruined.

John & Suzanne Baker pulled the float for us during the parade. On Saturday for the Harvest Festival Todd and Rhonda McNeely donated a car to the Sophomore class to use for the car bash. Dan Taylor volunteered a lot of time and effort into helping the class, he hauled the car into town and cleaned all the glass out and got it ready for the car bash. He also got it to the location where we needed it to be during the festival and after the festival was over, he hauled the car off and made sure the area was all cleaned up for the street dance.

We would also like to thank Frank & Jenni McLelland for allowing us to use their trailer for our jail again this year. We would also like to tell all of our class sponsors that helped, that we appreciate all their time and effort that they give to us, it does not go un-noticed.

Also thanks to all the Sophomores that showed up to help with the float decorating and to the ones that showed up to work at one of our booths. The Sophomore class is doing great things and will continue all the hard work. Thanks for supporting the Sophomore class.

Sincerely,  
 Josh Deleon, President  
 Heath Ross, Vice President  
 K'lyssa Selmon, Secretary  
 Amanda Paredes, Parliamentarian

 and the whole Sophomore Class

### Accolades To Band, Directors, Fans

WONDERFUL! The law enforcement officers. BREATH TAKING! The fans, Parents, and Band Boosters. DEDICATED AND COURAGEOUS! Mr. Rhodes and Mrs. Smith. AWESOME! The Band.

The performance of the 3-D Band on Saturday was AWESOME. These kids have been working on this show since August. They worked every morning for two weeks before school started. They practiced every Monday night and everyday during school. They get up early one day a week for sectionals which start at 7 a.m. I've heard them worry and fret over not being good enough. I've also heard them criticize themselves for a mistake that was made. But most of all I've heard them help each other, bolster others spirits and pull for all of themselves as a whole. The solos that Chase and Ty do so well is because they are best friends, and that carries over to the whole band. We are proud of you.

Mr. Rhodes and Mrs. Smith are dedicated, to his kids, his school, his community, and most of all his God. Who else would be there at 6:30 a.m. and still be there at 9 p.m. The kids often tease Mr. Rhodes about needing a bed in the band hall. He spends most of his summers looking for music and talking to the man who makes the marching show fit the music (Mr. Humphreys). Mrs. Smith is dedicated to everything that Mr. Rhodes is, plus she takes care of the day-to-day little stuff. They are both courageous in the fact that they have a class with almost 70 kids at one time, that's 35 kids each. That takes courage. Not only do they teach our kids, they take them places, teach them manners, respect and tolerance. Shelby Smith (Mrs. Smith's husband) is not to be left out of the praise, also. He fixes everything that breaks. He put all the shelves and brackets in the new band trailer. He has put wheels on most of the heavy instruments so they are easier to move. He has done so many things I could not name them all. Thank all three of you.

I had one of the Band members come up to me and tell me that when they turned around and faced the stands last week that it almost took her breath away to see so many

Tahoka people there to support them. Mr. Rhodes was told by several different officials at contest that even the 5A bands from Lubbock did not have the support that our band had. I personally saw several people, who didn't have any connection to the band what-so-ever, there to support them. As the kids said, you all were completely breath taking. Thank you.

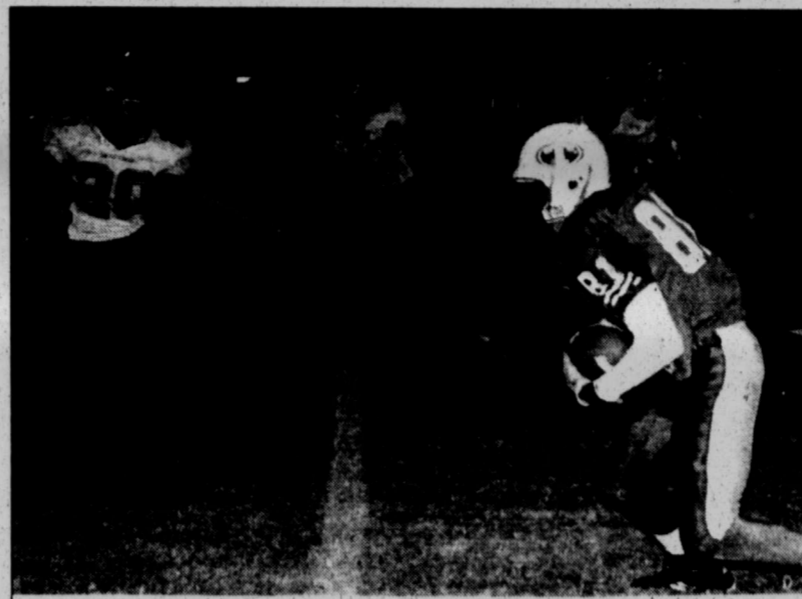

Mr. Rhodes called and requested a police escort thru town around the Courthouse and to the school. Ten miles outside of town two Deputy Sheriffs turned on lights and escorted us to town. At the city limits we picked up two City Police cars with lights and sirens. At the red light there was State Trooper Raney and another city police blocking traffic so we could just keep going. These six law enforcement officers followed us on to the school. We didn't even know they had their sirens on for the noise the kids were making inside the bus. The kids were blown away with the escort we had. Thank you.

I drive the Junior, Senior bus for the band and I will tell you that it is not all roses all the time, but I will tell you thru it all, they are some good kids. I enjoy being with them.

Donna Willis

### Congrats To The Band

I would like to take this opportunity to congratulate Mr. Rhodes, Mrs. Smith and the T.H.S. 3-D band for receiving their THIRD CONSECUTIVE "1" RATING in marching at Lowrey Stadium on Saturday night. It was awesome to see our high school band play with such pride and

COMPLETE!—Tahoka end Zach Tillman (81) caught this pass and headed downfield, with the nearest Shallowater Mustang being Brady Stoker (20). Shallowater won the game at Tahoka 31-6.

(LCN PHOTO by Gary Jones)

confidence. I think they knew when they stepped out on that field, that it was going to be "THEIR NIGHT". We could feel it in the stands. I would like to commend Mr. Rhodes and Mrs. Smith on a job well done and to say that your efforts and long hours have not gone unnoticed. You have restored the sense of pride of being in band that was lost long ago. YOU HAVE DEMANDED RESPECT AND YOU HAVE DEFINITELY EARNED IT. It is obvious to see how much you love our kids and how much they love you. Thank you, Thank you, Thank you!!!

Congratulations—  
 Brenda Dotson

### Thanks For Help At Black-Out Pep Rally

## Tahoka VS Post

Friday, Oct. 22nd  
**THERE at 7:30 p.m.**

*Beat The  
Antelopes!*

### Coach's Comments:

"Once again costly mistakes seem to be our problem. We started off well and was holding our own until halftime. Coming out after the break and allowing big plays is something that you can't afford to do in this district. The boys practice each day to correct mistakes and get better at playing football. We will have our hands full against Post, but the Bulldogs are continuously up for the challenge."

*The Offensive player of the week was Josh Hawthorne.  
He continues to get better each day.*

*The Defensive player of the game once again was Larry Murphy.  
Larry has been an asset to the team since becoming a part of it.*

*The Big hit of the game came from Colby Gardner.*

*Thank you for all of your support for these guys.*
