Special Service By Presbyterians To Honor Woman

The Sunday morning worship this week at the First Presbyterian Church of Muleshoe will be of more than passing interest, since a woman will be ordained as a Ruling Elder in the Church.

Mrs. Morris Childers will be the only woman on the Session of the church.

The office of Ruling Elder in the Presbyterian church is the highest office open to the laity. This means that it entitles one when elected to serve on the Session of the local church which is the official board of the church and to represent the church in the higher judicatories of the church such as presbytery, synod and general assembly.

The climax of this service is the historic laying on of the hands when the pastor and elders lay their hand on the head of the person who has knelt for this holy occasion.

The pastor will preach on "Christian Maturity". The basis is found in Paul's letter to the church at Corinth known as the love chapter, "When I become a man."

The First Presbyterian Church is located on the Morton Highway, just outside the city limits. The Pastor, the Rev. Finis Hodges extends the public a cordial welcome to attend all services.

D-E Film Shown To Lions Club

Will Inkman of the Texas Education Association was the special guest at the meeting of the Muleshoe Lions Club Wednesday.

Inkman showed the group a film on Distributive Education, a vocational training type of class where students receive on-the-job training while they are seniors in high school, by mutual cooperation between a town's businessmen and the school.

A total of 165 schools in Texas now have such a program, with Littlefield and Hereford being schools in the immediate area with the DE classes.

A NEW ATTACHMENT devised locally is expected to help sesame farmers cut down on their labor problem. A selffeeder attachment, the machine does the work of four men. (Journal photo and engraving).

MACHINE DEVELOPED HERE

Self-Feeding Attachment May Help Solve Farmers' Labor Woes

The Houston Hart farm four miles west & 1 south of Muleshoe was the proving ground Tuesday for a machine that will go a long way toward mechanizing the harvest of sesame crops for plains farmers.

The machine is a self-feeding combine attachment that picks up a dry sesame shock and flips it onto a slowly moving conveyor chain. The conveyor chain feeds the sesame bundles into a vicious looking string cutter that reduces the bundles into nice size bites for the combine.

Roy Wrinkle's Welding Shop in Muleshoe is building the self-feeding unit in cooperation with

Texas Sesame Growers, Inc. of Muleshoe and Paris. It is designed to operate on any standard self-propelled combine, and makes sesame harvesting a one-man operation. Present harvest methods require a four-man labor crew, plus the combine operator.

GUIDES PROJECT
Texas Sesame Fieldman, Ray Hodges, has guided the project and was at the controls of the combine on its successful test run Tuesday. "It's mighty late in the season for harvesting Sesame" said Ray, "but Mr. Hart and Bill Whately kindly left us about an acre of shocked sesame so we could keep testing the new at-

tachment. Ted Allen has let us use his combine, and we never could have come this far without his help," added Hodges.

"Excessive hand labor at harvest time has limited sesame production on the plains more than any other factor," according to Robert L. Parker of the Sesame Growers Organization. "This new self-feeding combine attachment will completely mechanize more than half the sesame harvest operation, and make sesame production much more attractive and profitable for plains farmers."

OTHER USES
Area men who have watched the machine in operation speculate that with some modifications, it can be used to harvest other important seed crops from the sorghum, such as millet, sudan, or sorghum alnum.

Texas Sesame is making color movies of the combine attachment in operation to show to interested farmers. Plans are also under way to build more of the attachments, to be ready for the 1962 fall sesame harvest.

Muleshoe Entries Place High At Plainview Show

Muleshoe youngsters fared well in the Plainview Fat Stock Show last week. David Bickel won third place in the lightweight Poland China division, and sold his pig for 40 cents per pound.

Travis Bessire placed seventh in the Crossbred Lambs division. Kearney Scoggin had the fifth place animal in the medium-weight Poland Chinas with 96 in the class.

Verolyn Scoggin was 13th in heavy Hampshires. Mike Miller was fourth in the 890-940 pound Hereford class, and sold his calf for 40 cents per pound.

In other phases of the show, Muleshoe F.F.A.'s judging team won the livestock judging contest held in conjunction with the show.

Temperatures Are Up and Down For Week In M'shoe

Fluctuating temperatures have kept Muleshoe residents guessing whether or not to get their spring clothes out of mothballs this week. Temperatures varied from a high of 82 degrees to a low of 22 degrees.

The official temperatures for the week, according to official weather recorder R. J. Klump are as follows:

Thursday, March 29	82	39
Friday, March 30	54	32
Saturday, March 31	47	26
Sunday, April 1	63	27
Monday, April 2	55	22

FIRST TIME IN HISTORY

MHS Band Gains Sweepstakes Trophy At League Contests

The Muleshoe High School Band gained the Sweepstakes award in the intercollegiate League contest in Lubbock last Saturday. There were only two such awards bands in class AA, and it marked the first time a Muleshoe Band has ever reached the Sweepstakes rating.

In order to receive the award, a band must be rated as "first division" in each of three categories, marching, concert and sightreading. The band had previously received its top rating in marching in the contest last fall so by gaining first division ratings in the other two divisions

at Saturday's contest, the Sweepstakes trophy was gained.

Kathy Phillips, band director, explained that the concert contest consists of performing three overtures, which have previously been prepared.

Judges for this contest were Clarence Sawhill of U. C. L. A., C. M. Stookey of the University of Oklahoma, and Gene Braught of Del Mar College, Corpus Christi.

In the sightreading contest, the band is given a recently published number, which it has never seen before. Band members have six minutes to look the num-

ber over, and then perform it. Judge for this contest was Joe Haddon of Midwestern University, Wichita Falls.

The bands in class AA and their ratings were:

School	March	Concert	Sight
Abernathy	I	I	I
Floydada	II	II	III
Lockney	III	III	II
Morton	II	III	III
Muleshoe	I	I	I
Olton	II	I	II

OFFICES CLOSED

Estes Case Involves Local Businesses

The Billie Sol Estes anhydrous ammonia tank uproar is affecting Muleshoe and area farmers to a large extent, and one ginning company in particular, as the Pecos millionaire faces fraud charges and suits.

Records at the Bailey County Clerk's office reveal that more than \$800,000 in mortgages have been signed for tanks, applicators trailers and other equipment.

One mortgage totals \$458,618, dated Dec. 16, 1960. Included on the mortgage are 250 1,000-gallon tanks, 90 500-gallon tanks and .170 applicators. The mortgage calls for 60 monthly payments of \$6,379.80.

According to the mortgage entry, a down payment of \$75,830

Tuesday Night Set for Cancer 'C' Day Drive

Tuesday is C-Day in Bailey County.

A local task force of some 150 men and women will be part of a nationwide army of more than 2,000,000 volunteers who will launch the American Cancer Society's annual April crusade.

"C-Day stands for Conquer Cancer," said Mrs. L. B. Hall, chairman of the Bailey County Cancer Crusade.

"Starting Tuesday, volunteers of the Bailey County Unit of the American Cancer Society will call on friends and neighbors in the Muleshoe and area communities with the couple-barrelled objective of saving lives now as well as in the future."

"Every resident in the Muleshoe area can cooperate in this venture," said Mrs. Hall, "by heeding the advice in the life-saving educational literature which volunteers will distribute and by making a generous contribution."

Right now, half of all cancer patients who will get cancer this year could be cured if their cancers were detected and treated in time. Mrs. Hall asserted. "Our immediate objective is to help save these lives — an estimated 260,000 men, women and children."

"The long-range objective" she added, "is to save the other 260,000 cancer victims who will get cancer this year. Hope for them rests with scientists who are searching for breakthroughs that will cure all types of cancer or perhaps prevent them."

"The more money that we can earmark for cancer education," she pointed out, "the more people we can reach with life-saving information; the more money that can be invested in cancer research, the sooner we will arrive at a solution to the cancer problem. I urge every one of my fellow townsmen to give generously to the Crusade and to help us exceed our goal."

Nine died in 1961 in Bailey County alone of cancer.

County Bee Champ To Compete In Lubbock Saturday

Julia Burkett, 13-year old seventh grade student at Three Way, will represent Bailey County Saturday at the District Spelling Bee at Lubbock's O. L. Slaton Junior High School Auditorium.

Involved in the contest will be 16 county champions. The winner of the Lubbock bee will go directly to the National Spelling Bee in Washington, D. C.

Bailey County's alternate is Ruth Ann Duckworth, daughter of Mr. and Mrs. Frank Duckworth, Muleshoe. Ruth Ann is an eighth grade student at Muleshoe Junior High School. Miss Burkett's parents are Mr. and Mrs. J. L. Burkett of Maple.

Only 95 Votes In City Race

Only 95 votes were cast in Muleshoe's city election Tuesday, where two ran for city council seats unopposed.

Elected were T. L. Timmons to place one with 57 votes and Ferris Heathington to place two with 62 votes. Incumbents Horace Blackburn and Earl Harris did not seek re-election.

Muleshoe Jaycees Slate Annual Banquet, Dance

The Muleshoe Jaycees will hold their annual installation banquet and dance Friday night at the Legion Hall. Dr. Jim Proctor, an optometrist from Lubbock, will be speaker. Proctor is a past president of the Lubbock Jaycees.

The banquet, at which installation of new officers will be held, begins at 7:30 p.m. Tickets to the banquet, for all Jaycees, may be purchased from members of the organization.

The dance follows, beginning at 8 p.m., and will be open to the public. Andy Beeman and his orchestra from Clovis is to play for the dance.

The Jaycees are selling tickets to the dance at \$3 per couple. The club hopes to raise money through the project in order to purchase trash containers to donate to the city, as well as for other civic programs.

Coy Garrett will be Master of Ceremonies for the banquet. Any one wishing tickets may call Dale Fishgrabe, Jaycee president, or tickets may be purchased at the door.

Band Boosters Meet April 12

The Muleshoe High School Band Boosters will meet April 12, for the election and installation of officers.

The meeting is at the Band Hall at 7:30, and the public is invited.

Nominations for new officers have been made by the nominating committee of Tootie Middlebrook, Raleigh Mason and Mrs. Earl Harris.

The boosters work for the betterment of the band. They were instrumental in securing the band's uniforms.

8 Candidates Seek 2 Posts; Big Vote Seen

A record turnout is expected Saturday in the Muleshoe Independent School election, when two trustees will be elected.

The polls will open at 8 a.m. and close at 7 p.m. Voting will be in the Muleshoe Junior High School library.

Ernest Kerr is election judge. He reminded everyone that they will need their poll tax receipts or exemptions in order to vote.

Eight candidates, one of the largest, if not the largest fields in the school's history, are seeking the two vacant positions. They are (in the official ballot order) Cecil Rundel, John Smith, Ralph Douglas, Lonnie B. S. James Wedel, O'Dean Heard, Wiley Baker, and R. O. Gregory.

The two members of the seven-man school board whose terms are expiring are Jack Lenderson and Harold King. Holdover members of the board are E. V. Bartlett, Muri Stevenson, W. F. Bartley, Barry Lewis and Dr. B. R. Putman.

Last year's election resulted in an unusually large total vote of \$63, but increased poll taxes this year indicates that the number may go over 1,000 this year.

Kerr says the results of the election should be known within an hour or so after the polls close. "We hope for an early report. We should be through counting by 8 or 8:30," he said.

Results, as usual, will be compiled by Corner Drug. A score-board will be set up inside the store in case of threatening weather, and totals will be posted at intervals as election judge Kerr gives a report.

Farmers Warned Of Pay Hike

The 70 cent per hour wage minimum for Bracers went into effect this past Monday, April 2, announces Elvon DeVaney, of Western Texas Farm Labor Association in Muleshoe.

DeVaney said he didn't receive his notification from the U. S. Department of Labor in Dallas until Thursday, although he had known of the increase.

"Some farmers may have to make some retroactive payments, but if they make up their weekly payrolls Saturday, they need to just figure the 70 cent per hour minimum for the entire week," he said.

THIRD STRAIGHT YEAR

MHS Yearbook Wins Again

The Muleshoe High School yearbook, "The Muletrain," for 1961 received top rating in its class for the third consecutive year, it was announced this week.

The Muleshoe annual won the Class B trophy, awarded last week at the convention of the Panhandle High School Press Association in Canyon.

Further honors were given the Muleshoe yearbook staff, when they were elected vice president of the association. Lubbock High School is the new president, and Amarillo High is secretary. Canyon is the automatic treasurer, because of the connection of Dr. Bill Lee, head of the West Texas State Journalism Department.

"I'm just overwhelmed," commented Mrs. Horace Blackburn, on winning the trophy for the third straight year. M. H. S. won out over some 33 class AA schools.

Mrs. Blackburn complimented the 1961 Muletrain staff, and the contribution by each one toward the prize. Last year's staff was composed of:

Magann Lamb, editor; Todd Will, photographer; Darrell Lancaster, advertising editor; Janie Sanders, art editor; Jana Goodwin, sports editor; Sondra Broyles, circulation editor, Sandra Taylor, class editor and Donna Guinn, typist.

Canyon won the second place trophy in class B. Texico won the class C trophy.

MRS. HORACE BLACKBURN and Lanelle Booth look over a copy of last year's MHS yearbook, the Muletrain, which was judged tops in its class for the third straight year. Miss Booth is editor of this year's annual. (Journal photo and engraving).

Sudan Couple Honored With Housewarming

Mr. and Mrs. Doyle Terrell were honored with a housewarming Saturday evening when friends called at their home in Sudan for the occasion.

The hostess gift was two Maple bar stools.

Serving as hostesses were Mesdames C. W. Rosson, M. C. Engram, Hugh Preston, Dorman Chester, G. W. Masten, Paul Chisholm, Ves Terry, Gus Bellamy, A. A. Pinkerton, Wayne Rogers, Bob Drake, J. E. Dryden, Bruce Newman, Jackie Van Ness, Bill Curry, Fray Gaston, and Wallace Gosdin.

Willie Mays, Orlando Cepeda and Harvey Kuenn of the San Francisco Giants all have lifetime batting averages over .300.

School were their Queen Rose Mary Jones and King James Randall, with Princess Joann White and Prince Donald Williams as their attendants.

The Queen's Court consisted of attendants from Floydada, Brownfield, Morton, Snyder, Olton, Antin, Levelland, Post, Crane, Sudan, and Spur. The princesses wore dresses of several colors, with the princes dressed in white coats and dark trousers.

The stage was decorated with an oval arch of flowers. The theme of the court was "The Enchanted Jewel Box", which was attractively enclosed under the arch, with black-capped Guards of the Jewel Box. Decorations were furnished by Singleton Funeral Home and Beavers' Flowerland.

Music was furnished for the coronation by the Carver High School Band of Amarillo, with Johnnie Stubblefield, directing.

Master of ceremonies Randall introduced Neal B. Dillman, Superintendent of Muleshoe Schools who gave the welcoming address. Following instrumental music selections by Peggy Swartz, music director of Bohner High School, Olton, Charles Hill of Morton gave a selection, L. G. Griffin, principal of Carver High School, Levelland, gave a talk which preceded the coronation ceremonies.

After the coronation, the Queen, her court and friends re-assembled at the American Legion Hall for refreshments. Also attending the after- coronation festivities, was the band from Amarillo and the "Diatonics" of Clovis, N.M., including Raymond Lewis, formerly of Muleshoe, David Rael, Denny Ruiz, Johnny Oliver and Cipry Marquez.

Muleshoe High FHA Chapter Sets Stage For Week's Event

Muleshoe High Future Homemakers will observe FHA week April 9-15.

Plans have been made by the chapter to carry out various activities in observance of this special occasion which will afford them the opportunity to inform others about a few of the many interesting and worthwhile activities in which Future Homemakers are engaged.

In school, the homemaking classes are learning some of the factors that affect the well-being of homes and families. They are finding that families depend upon many goods and services to help them manage their daily lives. They are coming to understand how communities influence homes and how homes influence communities, and how together it is possible to bring about changes for home and community betterment.

Plans for FHA week include these activities: Monday: Bulletin Board display

Club Entertained In W. W. Smith Home

Mrs. W. W. Smith entertained an 18 member group of the Hobby Club and one visitor Tuesday afternoon at her home in the YL community. Mrs. Edith St. Clair showed a flower arrangement in a cedar stump.

The group worked on various crafts and Mrs. W. O. Burford, the club's guest, won the hostess gift of a handmade "yo-yo doll." The next meeting of the club will be in Mrs. N. R. Iley's home, with Mrs. Vicky Hendrix as co-hostess.

plays with Carla West as chairman of the committee. Committee members are Janie Wedel, Donita Stratton, Ramona McMahon and Carol Jarnigan.

Tuesday will be tag day with members wearing the FHA colors of red and white and their red and white tags. In charge of this event will be Becky Camp, Judy Bell, Beckye Mason, Darlene Buhman, Glenna Kowe and the chairman, Charlotte Morgan.

They will be hostesses to the eighth grade girls who will visit the High School homemaking department.

On Wednesday, a committee will take tray favors to the local hospitals. Linda Warren will serve as chairman and committee members are Gail Kitchens, Carolyn Hollis, Dorothy Pruitt and Rita Underdown.

A teacher's breakfast will be served at 7:45 on Thursday in the Homemaking department. Serving will be Kay Thompson, Tommie Hail, Yvonne Hendon, Trudy Davis, Donna Moore, Sue Phipps, Gloria Ragland and Linda Demet.

Campus Clean-Up will be staged on Friday with Donna Moore as chairman and Vanita Harkey, Charlotte Childs and LaWanda Phillips. Morning devotion will be given before classes each day over the public address system by the following:

Monday, Belinda Hendon, and Wanda Bleeker; Tuesday, Dorothy Vinson and Kay Bush, Wednesday, Pat Tucker and Nina Ed Bovell, Thursday, Lou Venia, Williams and Janice Donaldson; Friday, Patricia Lewis and Patsy Holley.

To conclude the week-long activities the group will attend church services at the First Presbyterian Church.

Citation Award Art Exhibition Set at Amarillo

A regional citation art exhibition, to be held at Amarillo May 19, will provide Panhandle area artists the opportunity to take citation awards and compete for state honors.

Plans for the exhibition, sanctioned by the Texas Fine Arts Association, were announced by Mrs. Mary Barrett, director of the Amarillo Art Gallery, 1322 Tyler, where the exhibition will be held.

The exhibition will mark the first time area artists have competed in a regional exhibition sanctioned by the Texas Fine Arts Association.

Association officials are "most anxious" to have area artists included in a regional exhibition and thereafter in the state-wide exhibition, Mrs. Barrett said. Regional show winners will be given special citations and submitted to the TFAA for state citations by a judge-jury. All regional entries will become eligible for circuit exhibition by the association over Texas and throughout the United States.

All pieces selected for citation here will automatically compete in the state citation art exhibition, to be held June 2-30 at Austin's Laguna Gloria. The state show is held annually to enable area winners to be exhibited and recognized, Mrs. Barrett said.

The Amarillo gallery director said a qualified three-man jury to judge the Amarillo exhibition will be named at later date. The exhibition will be held at the Amarillo Art Gallery, 1322 Tyler.

Exhibition entries will be accepted by Mrs. Barrett at the gallery through May 5. Entries will be limited to two per person. An entry fee of \$1 per painting will be required for all Texas Fine Arts Association members and \$2 for non-members, Mrs. Barrett said. An additional \$1 fee will be required by the gallery.

Open to all area artists, TFAA regional citation awards will be presented to all winners. One citation will be presented to one of every 10 art pieces submitted in the show. Work done in all art mediums will be accepted for entry.

WMA HAS MEETING

The WMA of the Main Street Baptist Church met Tuesday in the home of Mrs. Bernice Splawn for a social. A discussion was held in the work of the WMA and Mrs. Robert Kimbrough gave a reading.

Refreshments were served by the hostess at the close of the meeting.

Double Ring Ceremony Unites Della Ross And John Puckett

Della Fern Ross became the bride of John H. Puckett, Jr. Saturday, March 3, in the home of the bride's parents. The early afternoon double ring ceremony was performed by Rev. Wayne Bristow of Lubbock.

The bride is the daughter of Mr. and Mrs. Dewey Ross. Puckett is the son of Mr. and Mrs. Blondie Puckett. All are Muleshoe residents.

The new Mrs. Puckett wore a full length gown of nylon chiffon with square neckline and scalloped sleeves.

Teachers and other adults are also invited. No admission will be charged.

Mrs. Louis Henderson and Mrs. Cecil Cole will serve as hostesses.

Today one cancer patient in three is being saved. In 1937-25 years ago—only one in seven was saved. The gain in lives saved amounts to many thousands each year. This 25 years of saving lives has resulted in the American Cancer Society and the National Cancer Institute designating 1962 as Cancer Progress Year. You, too, can help progress by having a health checkup immediately.

Local Residents Attend District PTA Conference In Brownfield

Members of the Richland Hills and Mary DeShazo Elementary PTA's attended the Fourteenth District Conference and Workshop of the Texas Congress of Parents and Teachers held in Brownfield Tuesday, April 3. Presiding was Mrs. Marvin Armstrong, outgoing president, and Mrs. J. M. Farmer, new president.

After registration a group of Brownfield Junior High and High School students held a panel discussion on "Effective Teaching in the Home" which was the theme of the program. Throughout the session, the examples set by parents were stressed. The Brownfield High School Choir then presented a short concert. The choir earned first place honors at Interscholastic League Meet.

Featured speakers of the conference were Virgil Trout, minister of the Sunset Church of Christ, and Mrs. S. L. Canterbury, Jr., of Kilgore, vice-president of the Texas Congress of Parents and Teachers.

During the luncheon held at the Junior High School cafeteria, a "hillbilly skit" was presented. The cafeteria was decorated in a hillbilly motif with "Daisy Mae" place cards, centerpieces of spring blossoms and small boys fishing. A huge rag doll adorned the organ, where music was furnished by Mrs. Ralph Hedrick of Brownfield.

Awards were also given to local units which included awards for Education for Family Living presented the Richland Hills PTA. Receiving the award was Mrs. Ray Daniel, president.

During the afternoon session, after a film was shown, work-

shops were held for different phases of PTA work. Attending were Mr. Neal Dillman, Superintendent of Muleshoe Schools; Mesdames Carl Bamert and Edd Edmiston of Mary DeShazo PTA and Mesdames Ray Daniel, Robert Hooten, Clarence Mason, Earl Ladd, Jr., Benny Pena and Jim Shafer of Richland Hills PTA.

In the evening, a banquet honored State Life Members and National Life Members. New officers were also installed for the Fourteenth District PTA. The decor, in the jewel theme, featured a huge gold trunk spilling over with jewelry. The tables were centered with treasure chests enhanced with jewels, candles and flowers.

Mr. Dillman shared honors with one other member in the district who received a national life membership. During the past three years, only three PTA members in the district have received this honor. Mr. Dillman received his life membership from the Richland Hills and Mary DeShazo PTAs at a joint meeting January 25th.

Mrs. Ray Daniel was honored as a recipient of a state life membership. Her life membership was presented to her by the Richland Hills PTA at their November 20th meeting. Each honoree received a pendant from Mrs. W. O. Lockwood, District Life Membership Chairman.

A refuge for the almost-extinct whooping crane was created in Texas. Called the Aransas National Wildlife Refuge, it is on the Texas coast.

Miss Bernice Clark

Clark-Bynum Set May Wedding

Mr. and Mrs. Roy Clark announce the engagement an approaching marriage of their daughter, Bernice, to Hal Bynum son of Mr. and Mrs. B. R. Williams of Eden.

The ceremony will be read at the Northside Church of Christ on May 10 at 7:30 p.m. with the pastor, Frank Duckworth, officiating.

The bride-elect attended Muleshoe High School and the prospective bridegroom attended Eden High School. He is presently employed by Chapman Supply in Muleshoe.

The truffle is a small black fungus, related to both mushrooms and mildews.

Pre-Nuptial Courtesy Honors Miss Virginia Klutts Thursday

Miss Virginia Klutts, bride-elect of Jimmy Foley, was honored with a bridal shower, Thursday, March 29, in the home of Mrs. George Tyson.

The serving table was laid with a lace cloth over blue, centered with blue gladiolus and blue candles. Table appointments were of silver and crystal. Mrs. Jerry Damron and Mrs. Bill Eubanks assisted at the serving table.

Refreshments of finger sandwiches, cookies, nuts, mints, punch and coffee was served to approximately 45 guests.

Gifts were displayed in the adjoining room and the hostess gift to the honoree was a set of stainless cookware.

Hostesses for the occasion were Meses. B. Eubanks, R. R. Kindle, Thurl Lemons, Jack Lane, Lewie Jordan, Carl Pollard, Wayland Atman, Leon Dupler, Garvin Long.

Adolph Wittner, Roy Tunnell, Doyle Fowler, Willie Welch, John Shepard, Morris Gant, Bud Warren and Mrs. Tyson.

TRUMAN OUTDRAWS EARP
LAMAR, Mo. (AP)—Harry Truman outdrew Wyatt Earp in this small southwestern Missouri town.

Visitors come in increasing numbers to see the old frame house where former President Truman was born. Few, however, ask about Earp, famed frontier lawman who was Lamar's first marshal.

Ironically, the state of Missouri bought Truman's birthplace from members of the Earp family.

Robert Grigg Speaks At Meet

Mr. Robert M. Grigg, minister of the Church of Christ was the guest speaker at the April 26 afternoon meeting of AAUW. He spent nearly 7 years in Northern France and took something like 1500 pictures showing economical, social, and educational films. He showed some films and gave a detail description of that country which was enjoyed by all.

A light buffet meal was served by the hostess, Mrs. Blanche Johnson. The table was decorated with a St. Patrick's motif with a center of jonquills.

Mrs. Dorothy Beddingfield, the president, presided over the business meeting.

Guests were Mrs. Margaret Stemmans, H. W. Callan, and Mr. Harold Hurd.

Driving Tips

By NOVELDA HOLDER

There are more than sixty-five million motor vehicles traveling on the roads and highways of the United States. This will increase the danger of automobile accidents if safety is not exercised.

The two major causes of automobile accidents is speeding and sleeping at the wheel.

Take precaution when driving through crowded streets. Be alert and watch pedestrians. When on country roads, the road surface will change, and at high speed you may lose control of the car. Watch also, for livestock and farm machinery. When driving on super-highways drive at the speed posted. Always have a good cushion of ten miles for every mile you are driving.

When driving at night, drive slower; because your visibility is poorer. Watch for objects passing in front of you, and don't overdrive your headlights. In bad weather, reduce your normal speed; because you can't stop as quickly, and you can't see as well as in clear weather. Don't ever drive if you can't see clearly for five-hundred feet.

Always be courteous and yield the right-of-way if necessary, it may save your life. Always obey traffic signs, that is why they are used. When passing always know the way is safe and clear.

If you do all of these safely, you will be a safe driver and will live to enjoy driving in this wonderful country of ours!

Annual Language Club Banquet Captures Mood Of Foreign Lands

Some 45 Muleshoe High School Foreign Language students put on a holiday mood befitting the Latin Caesars and Spanish Dons last Tuesday at their annual Language Club Banquet.

The high school cafeteria tables were set in typical style, one with Spanish roses, fans, dishes, castanets, and the other centered with Roman busts, goblets, and draped with grapes and fruit along the table.

Each student came at 7:30 p.m. dressed in one thing representing their language. Gold head bands and leaves for Latin students and the huge red roses of Castile, even some complete Spanish outfits, all the order of the evening.

Language club president Dick Allison served as master of ceremonies. The invocation was given in Spanish by Dean Ethridge.

Following the banquet meal, Jean Hodges presented a violin solo to Spanish music. Spanish songs on the piano were played by Susan Birdsong. Miss Hodges led the group in singing in Spanish "God Bless America." She also sang the hymn solo in Latin.

The benediction was given by Gary Albertson in Latin.

Mrs. Horace Blackburn is sponsor of the Foreign Language Club, as well as instructor of

both Latin and Spanish at high school.

Officers for 1961-62 are: Dick Allison, president; Rhonda Johnson, vice-president; Helene Beckaert, secretary-treasurer; Jerry Hutton, student council representative; Gary Albertson, parliamentarian; and Karen Jones, reporter.

Worn Mattresses Can Cause Trouble

Worn mattresses can wreck our health. Yet many people pass along worn mattresses to children. In the name of economy, then wonder why the child is cross, irritable and tired. Sleeping on a handed-down mattress can even endanger the child's health, because of poor sleeping posture.

According to a recent survey, the average life of a mattress is 10 years, says the National Cotton Council. If your family is sleeping on mattresses older than that, check them for signs of wear and need of replacement.

Hostesses for the meeting were Frankie Sanders, Dorothy Spence and Jolinda Robertson.

The next meeting will be held on April 16 with Betty Salyer, Debbie Speck and Joyce Sowder as hostesses.

Recipe Of The Week

Cherry Buried Treasure Cake

If you are interested in baking a cherry pie that is different original and good, try the following recipe. The recipe is the champion recipe of the Annual Cherry Pie Baking Competition. The "pie-cake" is in three layers—crust, filling, and cake topping. The crust gives this pie a rich, and delicious flavor.

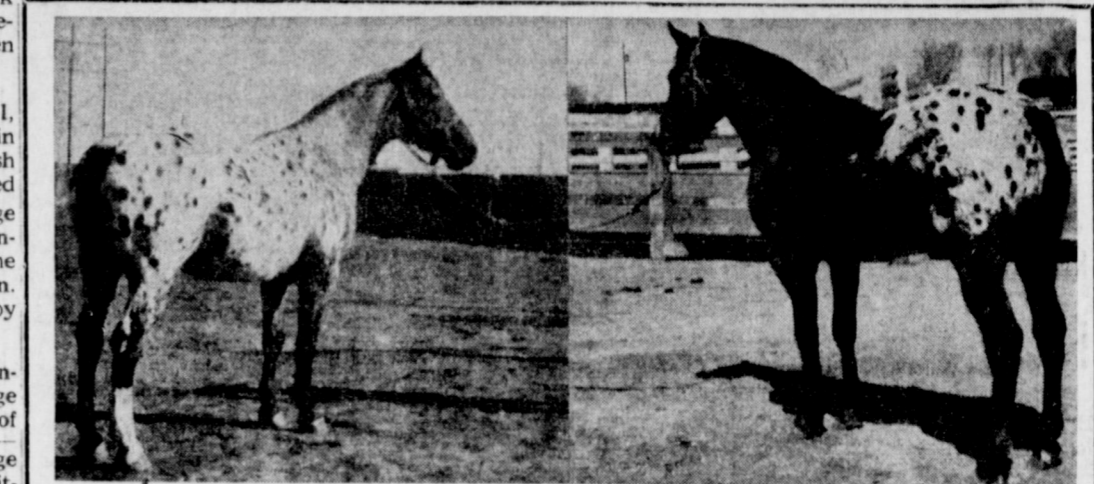

"Cherry Buried Treasure Cake"
The crust for the cherry pie-cake is made from: 1 (3 oz.) package cream cheese; 1/2 cup butter; 1 cup sifted all-purpose flour; 3 tablespoon sugar; 1/2 cup finely chopped almonds.

Combine the cream cheese with the butter; add flour, sugar and almonds. Blend and spread evenly over bottom of 7 1/2 by 11 1/4 by 1 3/4-inch pan.

For the cherry filling, she used: 1 cup sugar; 1/4 cup cornstarch; 1/2 teaspoon salt; 2 No. 303 cans water-pack tart red cherries; drained; 1 1/2 cups cherry juice; 2 tablespoons butter; few drops red food coloring. Combine sugar, cornstarch, salt and cherry juice. Cook stirring constantly, until thickened. Add drained cherries, butter and food coloring. When cool, pour over bottom crust in pan.

The cake topping is made up: 1 1/2 cups sifted all-purpose flour; 2 teaspoons baking powder; 1/2 c. sugar, 1/2 teaspoon salt, 1/4 cup butter, melted; 1/2 cup warm water; 1 teaspoon vanilla; 3 egg yolks slightly beaten, 3 egg whites; 1/2 cup sugar; powdered sugar.

Sift together flour, baking powder, 1/2 c. sugar, 1/2 teaspoon salt, and egg yolks and stir into dry ingredients. Beat egg whites until stiff, slowly adding 1/2 cup cherry filling. Bake at 350 degree 60 minutes. When cool, sprinkle generously with powdered sugar; decorate with cherries if desired.

INTRODUCING— Little Elk No. T-950 (left) and Peter Red Fox No. 2226 (right) standing at stud. Little Elk and Peter Red Fox are both registered Appaloosas with four generations of spots on both sire and dam side. Little Elk is a red roan with leopard spots. With this, you can put a distinctive color on your colts from good quarter mares and never have a doubt but what you bred to a top quarter horse. Peter Red Fox is a new stallion in our stables. We purchased him from Harold (Fuzzy) Brown. Peter Red Fox was raised by Pete Smith of Tatum, New Mexico. Peter Red Fox's sire was Poteete B who was the halter champion at Denver, Colorado five years ago. Poteete B is by Buttons B, who is by Double Six Domino and Double Six Domino is by COMANCHE. Comanche has sired one of the greatest and most outstanding line of Appaloosa horses. If you want color, conformation, action and a kind disposition with a choice and combination of the four, breed your solid colored mares to Little Elk or Peter Red Fox. We don't consider ourselves an authority on appaloosas but experience of other breeders and common sense tells us that you have a 50% better chance to get a spotted colt from a full-blooded appaloosa with four generations of spots than you have with a half appaloosa when crossing them to solid colored mares. Stud fee on both stallions will be \$50.00 for 1962.

Two items we failed to get in the news last week were this community's expressions of sympathy to Mr. and Mrs. Elton Page and other relatives on the death of her mother, Mrs. W. S. Clark, 70, of Muleshoe, who passed away March 21st in the Muleshoe Hospital and the extended sympathy to Mr. and Mrs. George Crain and other relatives on the death of his father, Mr. A. Crain, Sudan, who passed away in the Amherst Hospital Sunday, March 25th.

NEXT TUESDAY

McMurry Chanters Make Appearance

The Chanters, the A Cappella Chorus of McMurry College in Abilene, will present a program of sacred music at the First Methodist Church in Muleshoe Tuesday evening, April 10, beginning at 7:30 p.m.

Special artists to perform with the group will be an antiphonal quartet composed of Martha Swindle of Albuquerque, Marjorie Goforth of Tularosa, N.M., Frank Sticher of Abilene and Jerry Spurlin of El Paso.

Two members of the chorus are graduates of Muleshoe High School. They are Lyndall Fletcher son of Mr. and Mrs. Lynn Fletcher, 719 West 7th, and Ann Brooks, daughter of Rev. and Mrs. Horace Brooks, formerly of Muleshoe, now of Denver City.

Also with the chorus is Mike Stone, a graduate of Clovis High School, son of Mr. and Mrs. Wilson Stone, 808 W. 6th, Muleshoe.

The chorus will also present a program at Muleshoe High School Auditorium at 1:30 p.m. Tuesday.

Among the numbers to be presented by the group will be "O Sing Unto the Lord" by Hassler, "Praise Be to Thee" by Palestina, "Domine Quid Multiplicat" by di Lasso, "Thou Knowest, Lord the Secrets of Our Hearts" by Purcell, "Psalm 100" by Schuetz, Bach and "Grief to Glory" by Christiansen.

Spirituals to be sung by the McMurry vocalists include "Ain't That Good, News," "Joshua Fit the Battle of Jericho," and "I Have a Mother in the Heavens." Jerry Spurlin will be cantor for "Nunc Dimittis."

Dr. Richard C. von Ende, director of the Chorus, was head of the music department in Bethany

College and taught in Texas State College for Women before heading the McMurry Music department. He received B. A. and M. A. degrees from Carnegie Institute of Technology and a Ph.D. degree from the University of Pittsburgh. McMurry will sing in more than twelve towns in Texas and New Mexico on their annual spring tour of 1962.

Tri-Co Juniors Leading League

The Tri-Co Travellers bowling team won four games from AA Bowl of Farwell in the Junior Travelling League last Saturday, to move into undisputed possession of first place in the league. The Muleshoe team had a total of 2226 pins. High series was bowled by Aurelio Cuevas, with 322. Other members of the team are Johnny Dalton, James Morris, Lewis Flores and Jay Ward. The Tri-Co "B" team, composed of Melvin Morris, Bruce Purdy, Mickey Wilson, Bill Hart and Andy Douglas also is in first place. They beat the Portales Jaycees, 3-1 last Saturday.

Andy Douglas had high series with 388. Morris was second with 386. The matches were bowled in Portales.

The league is divided into a Northern-southern division, with three teams in Muleshoe's division. The overall league championship will win a trip to Carlsbad Caverns.

Sheriff's Report

Law officials in Bailey County had a relatively light week the past week, in comparison to previous weeks.

One man was picked up on a forgery charge and one for fighting by the sheriff's department. City police arrested one on a drunk charge.

Six persons were picked up for investigation of possible destruction at the Muleshoe Country Club.

Last year about 2,200 children died of leukemia, cancer of the blood-forming tissue. The American Cancer Society supports research in all phases of leukemia. This support is made possible by contributions to the Society's April Crusade.

Mr. and Mrs. J. D. Bayless visited in Littlefield Mon. night with her brother, Clarence Coffman and family.

Mr. and Mrs. Joe Dook of Meadow visited her parents, Mr. and Mrs. J. D. Bayless, Sunday.

TO THE PEOPLE OF BAILEY COUNTY

For the past seven (7) years I have served as County Judge and Ex-officio School Superintendent of Bailey County. During this time I have tried hard to make a good official. And I appreciate the splendid support and cooperation that has been given me.

I am now, as you know, a candidate for re-election, and, in that connection, I would appreciate your continued support. I decided to run for re-election because of a desire to be of service in whatever capacity I am best qualified, and because so many people requested me to run again. I sincerely believe that any man with a feeling of public responsibility, had he been in my position would have done likewise.

A vital part of the responsibility of public service is the duty to give an accounting of one's stewardship while in office. I have always been and am ready today to do that. Therefore I say to you:

Due to the very splendid work of my efficient, capable and loyal secretary the records of our office are in as good shape as they have ever been in the history of Bailey County. I make that statement without reservation and without apology. The county books are audited every three (3) months by Alvin C. Webb, C.P.A., Littlefield, Texas. To anyone that would like to see them I will show a copy of any audit report, a copy of any County Budget, I will tell you how much money is in any count fund, I will explain every vote I have cast as a member of the Commissioners' Court, I will account for every penny I have received from the county for any purpose. To the best of my ability I will answer any question or explain any transaction of which I have any knowledge. I will do these things for you any hour of the day or night. So should you have a question, rather than to be erroneously influenced by hearsay, let me urge you to please come in and find out the TRUTH.

I am prepared, should I be re-elected, to carry on without any inconvenience to you, without any additional expense, without any change of personnel, which otherwise would be necessary, and I will render to you efficient, courteous and unselfish service.

Chamber of Commerce Staffed Mainly By Volunteer Workers

(Editor's note: The following is the first of four articles prepared by the Chamber of Commerce to better familiarize the public with the organization, operation and function of the Chamber.

The Muleshoe Chamber of Commerce is basically an organization of volunteer members who work for the betterment of the community, on a basis of service and without the expectation of individual profit or honor. It is a group of men and women who realize they can accomplish more for the community working together than any one could individually.

With that simplified explanation, we shall during the next weeks, attempt to detail the many ramifications of what your Muleshoe Chamber of Commerce really is and what it does. This series of articles is being prepared by your Chamber of Commerce staff in the belief that a large segment of the public does not fully understand what the Chamber of Commerce is, nor what it does, and frequently as important, what it does not and cannot do.

Your Chamber of Commerce is a non-profit, non-partisan chartered organization, incorporated under the laws of the state of Texas for the betterment of the community.

It operates through an elected board of 13 directors, each of whom serves for three years; and with a president, vice-president and treasurer, all of whom are likewise elected by the membership of the Chamber, and each of whom serves one year in office, and cannot be re-elected to the same office. The officers and directors employ a manager and a secretary, the only full time members of the organization who receive remuneration for their services.

The Chamber office is located at 224 West Second St., and is open from 8:30 a.m. until 5:00 p.m., Monday through Friday, and from 8:30 a.m. until noon on Saturday. During these hours the Chamber office is a busy place, and often the evening hours find the lights in the office lighted for

one of the many committee meetings held after business hours for the convenience of committed members.

The actual accomplishments of the Chamber of Commerce are carried out through the committee system.

MEMBERS SERVED

Any member of the Chamber of Commerce is entitled and expected to serve on one of the several committees appointed each year by the officers of the Chamber to carry out the various points in the program of work. Committee meetings are then scheduled at the convenience of members, and a work plan is laid out for the task ahead.

Incidentally, the program of work for each year is determined by a Program of Work committee, appointed by the incoming officers. The program is based on what the committee feels are the most needed projects for the improvement and advancement of the entire community during that current year. Although many programs of work projects are of short range, some are impossible to execute in less than several years and are carried in the program until complete.

One of the misconceptions in the public mind is that only business men and women may belong to the Chamber. This is not true, and particularly unfounded in an agricultural community such as Muleshoe.

FARMERS ACTIVE

There are a number of individuals, farmers and others not actively engaged in retail trade who are active members of the Chamber. Certainly membership is open to any one who sincerely wants to have a part in making their community better. And it is only fair to point out that the Chamber of Commerce is the only full time organization which works unceasingly for a better place in which to live and make a living in.

It is not unreasonable to look at Chamber membership in this light: If you are a resident of this community and have fared reasonably well because the community has been active enough and economically sound enough for your enterprise to succeed, you perhaps feel that you owe your community something in return for the favorable climate it has provided for your success. Such a return can best be paid by becoming active in your Chamber of Commerce. Reward they say is in giving, not getting.

And this brings to mind another common misconception concerning the Chamber of Commerce. That is so called "dues".

NO DUES

There are no "dues" to the Chamber of Commerce. The investment you make in your community is reflected by the amount of time and money you are willing to put into it. The amount of money you pay to support the work of the Chamber of Commerce can best be called an investment in your community, reflecting your belief in your community and your desire to support your community's growth.

The constitution of the Muleshoe Chamber of Commerce

states that the minimum annual investment for a member shall be \$12 for an individual and \$24 for a firm. There is no mention of a maximum investment, and many larger firms invest considerably more than the minimum. The amount is largely based on what the prospective member feels he wants and can easily invest. No one arbitrarily determines the amount of investment any one makes in the Chamber of Commerce, for this like every other facet of Chamber of Commerce, is voluntary.

Oklahoma Lane Church To Hold Spring Revival

The Oklahoma Lane Methodist Church has announced plans for its spring revival beginning April 8 and continuing through the 15. Morning services Monday through Friday will be held at 10:30 a.m., and the Evening Services Monday through Saturday will begin at 8 p.m.

The Rev. Wayland Dowden, pastor of the Wesley Methodist church, Levelland, will be the guest preacher. He is a native of the "Whittarral Community, where he farmed before entering the Methodist Ministry. He is a graduate of McMurry College. He and his wife, Elsie, have three children.

Sunday morning, the Oklahoma Lane Methodist Church choir plan to sing the anthem "Faith of Our Fathers", by Carl Vandre, based on the famous hymn by H. F. Hemy and J. G. Walton. Mrs. Troy Christian is the choir director. Mrs. Donald Christian is the organist. The choir is composed of about twenty voices.

Sunday evening, the children's division will give a program sharing some of the things they learned in their mission study, "Latin American Lands."

The Oklahoma Lane Methodist Church has 113 members at the present time. During the past ten months, the average attendance to the Sunday morning worship service has been 75. The Church carries a full program, including the Sunday evening Fellowship for children, youth and adults; and Wednesday night Bible Study, Prayer service and choir practice.

BAD EXAMPLE

NORMAN, Okla. (AP)—Freshman tennis coach Jim Provinces Oklahoma players to stay in a room shared by tennis and wrestling mats which are located in a rooming house. Provinces himself suffered an injured shoulder while grappling with a frost wrestler.

The Philadelphia Phillies have finished last in the National League for the past four seasons.

The new Houston Colts of the National League list 17 rookies on their roster, more than any other club in recent major league history.

DESHAZO, RICHLAND HILLS

Monday, Tuesday Casts Prepare for Operetta

Young Prince Dean, the only son of wealthy parents, is giving a party to which friends on both sides of the tracks are invited. What a comical assortment they are!

A jealous Cindy Lou is chagrined to find her two step-sisters at the party and then follows the familiar Cinderella story in reverse. Two friends of the Prince return Flora and Dora's lost slippers and a repentant Cindy Lou vows in the future things will be different in their home. So all ends happily.

This is the plot of the 5th and 6th graders choruses from De Shazo and Richland Hills Schools in "Streamlined Cinderella."

The operetta - A play set to music - by Charles Georg will be presented Monday evening at 8 o'clock by Richland Hills' 5th and 6th graders. Tuesday evening beginning at 8 p.m., Mary De Shazo students will present their version. Both performances will be presented at the Muleshoe High School Auditorium.

Under the direction of Frederic Byers, Vocal Music Instructor of the Muleshoe Schools, the two performances are open to the public with no admission charge. There are eight boys and eight girls who will lead a large chorus in "Streamlined Cinderella."

LEADING CHARACTERS
 The leading characters of both casts are: Prince Dean, a rich young chap, portrayed by John Elliott (Richland Hills) and Johnny St. Clair, (DeShazo); Cindy Lou, his favorite girl-friend, Pam Seymour, (Richland) and Darla Freeman, (DeShazo); Veronica, a rich young girl, Vina Bass (Richland) and Sheridan Porter DeShazo.

Cindy Lou's step sisters, Flora and Dora, are portrayed by Jenda Nickels and Dianne Bryant (Richland) and Loretta Nick and Vicki Kelly (DeShazo) with the friends of the prince, Dudley and Darter, played by Derrel Evans 1/2 and Tommy Lemons (Richland) and Joe Pickrell and Dean Black (DeShazo); Cuthbert, a lonely young fellow, by Bo Gaston (Richland) and Dennis Bush (DeShazo).

The Irish boys and girls at Richland Hills include Gerri Hardy, Sheila Harvey, Drucilla Dameron, Lyna Pitts, David Dillman, Donnie Thomas and Teddy Millen. From DeShazo in the Irish group are Paul Carter, Vicki Plyland, Rex Allen Millsap, Ronnie Done, Ronnie Reeder and Dickie Shaw.

Bula Chapter Is Busy During National Week

Members of the Bula Future Homemakers of America chapter have maintained a full schedule during the past week in observance of National F. H. A. week.

Beginning with the morning meeting on Wednesday at 10:30 with their sponsor, Mrs. Elwanda Duke, Georgia Bahlman was elected president and Donna Spence as vice-president for the coming year. Plans were discussed for Linda Grusendorf to attend the state F.H.A. convention to be held in Dallas April 26-28.

They attended church in a group Sunday morning at the First Christian Church in Littlefield then had lunch together at a restaurant.

On Monday they wore their F.H.A. tags made of red and white ribbons with the F.H.A. lettering of red glitter.

Parents of the girls were honored with a supper at the school cafeteria on Tuesday evening. The menu consisted of foreign foods.

Wednesday, they honored the faculty with a tea in the home-making room. Thursday's agenda included driving to Morton where they saw the movie "Ben Hur" and on Friday, they were in charge of the school assembly program Monday evening, April 9, they will be guests of the PTA where they will give their emblem service.

Off The Runways

TATES FLY IN
 Dr. and Mrs. Howard Tate of Ruidoso landed at the Muleshoe Flying Service Monday returning from a flight to Kansas City where they were visiting with friends.

Four year old, Rickie Tate, has been visiting in the home of his grandparents, Mr. and Mrs. Cecil Tate, and attending kindergarten classes taught by Mrs. Tate during his stay. His mother said he was very indignant about their stopping for him enroute to Kansas and persuaded them to make the flight without him while he went to school.

They reported nice flying weather until they neared Amarillo where winds aloft reached 30 knots and turbulent.

SOLO CROSS COUNTRY
 Hugh Yeates left the airport at 8 a.m. Saturday on a solo cross country flight.

The route Yeates chose to fly is one that puts pilots' abilities to test with the natural turbulence over mountain terrain and as he entered the Sandia Mountains near Albuquerque the weather station was reporting extreme turbulence and issuing warning to light aircrafts.

Yeates said he thought the snow capped mountains were very pretty, but wasn't too sure as most of his time was taken keeping the Super Cub on course.

He landed at Kirkland airport there then flew to Las Vegas, Raton, and on to Dalhart where he spent the night with his brother, E. F. Yeates.

He returned to Muleshoe Sunday morning.

Local airport officials said they were well pleased with Yeates on the flight and that with no experience in mountain flying combined with the weather element, he gain much experience on his first solo cross country flight. He made the flight by Omni radio.

WRITTEN EXAMINATION
 Upon completion of aviation ground school courses, the following students have been notified that they had passed their tests for private license: Hugh Yeates, Leon Jones, Dean Weatherly, Max Bowers, E. A. Bowers and Willard Heathington.

Several of the students who took the test at a later date have not been notified as to the outcome of their examinations.

DUAL FLIGHT
 Leon Jones made a cross country training flight last week with Fred Boyd instructing.

Leaving Muleshoe, Jones flew to Hobbs, New Mexico, circled and flew to Brownfield where he landed for a fuel check.

Jones made the flight by visual pilotage.

CHARTERS COMANCHE
 A Dimmitt farmer, Dorit Smiley, chartered a Comanche Saturday for a flight to Ballenger. Accompanying him were his wife and daughter.

Smiley is a private pilot.

Jack Baker of Baker Fertilizer Company charter a Tri-Pacer for a business trip to Dallas. He will return the later part of this week.

Flying Service pilot Fred Boyd made a charter trip to Wichita Falls last Wednesday taking Guy Nickels there for a business engagement.

STUDENT ACTIVITIES
 CLIFFORD WHITE has completed his fifth hour of instrument training.

WILLARD HEATHINGTON took his first hour of instrument this week and is taking this training at night which will check him out for night flying as well as instrument.

BEAR RAN IN CAVE
BOWLING GREEN, Ky. (AP)—Traditionally Mammoth Cave was discovered early in the 19th Century by a hunter who chased a wounded bear into it.

Information about the cave was spread by workers who mined nitrates for use in gunpower for the War of 1812.

It is now part of a National Park covering about 70,000 acres between Bowling Green and Elizabethtown in southwestern Kentucky.

WILL BE FAVORITES

Mules Shoot For District Track-Field Title Friday

Muleshoe High School will enter some 20 men in the District 2-AA track and field meet at the Texas Tech track Friday. The Mules, who were runner-up to Floydada last season and champions in 1960, will be shooting to regain the district trophy once again.

The Mules appear to have the stuff to bring home the championship, barring injuries or other unforeseen calamities. The team has consistently placed far ahead of other district schools in meets this season.

In the Hale Center Relays last Tuesday, the Mules' nearest competitor in District 2-AA, Floydada, was some 84 points behind Muleshoe's winning total.

The Mules were second in the Floydada Relays, being edged by Canyon, were third at Fort Stockton, fourth at Borwnfield and Amarillo, and were 16th in the West Texas Relays at Odessa.

While Floydada will have possibly the meet's top individual in all-around standout Rodney Teague, who might help the Whirlwinds' cause more in a meet limited to district teams, Muleshoe's balance should win out.

Travis Creamer, a consistent winner in the high hurdles recently, should take that race. Creamer's season best time of 14.8 in the highs was the second best in Region I last week. Creamer has run a 20.3 in the 180-yard low hurdles, and will battle it out with Teague in that event, as well as the highs.

Travis Bessire could sweep the sprints for the Mules. He has run a 10.0 hundred and a 23.05 in the 200.

Both Muleshoe relay teams are good bets to win and qualify for the regional meet. The mile relay team of Jerry Gilbreath, Bill Gilbreath, Jim Cabrera and Jim Young have run a 3:34.2.

The 440-yard relay combination of Jerry Gilbreath, Jim Cabrera, Rick Bell and Bessire have a 44.9, which they won the Hale Center meet with last week.

Mike Cabrera, who got a late start on the track season, has been improving with each meet, and should win that event easily for the third straight year. His best time of 4:46.4 was last week at Amarillo.

High jumper Robert Seagroves has jumped 5-10 1/2 this season, and if he can improve on that Friday, could take first place.

Coach Bill Taylor, in making up his preliminary entry list for the district meet, said that he might enter Jim Cabrera in the 440-yard dash. Cabrera has been running the low hurdles, where he has a best time of 20.9, as well as on both relay teams.

Other Muleshoe entries in the district meet who should contribute some points, with their best marks listed: Jerry Harrison, 880-yard dash (2:13) and discus; Freddie Dobbs, 100-yard dash (10.5) and 220 (24.1); Ken Heathington, 880 (2:21).

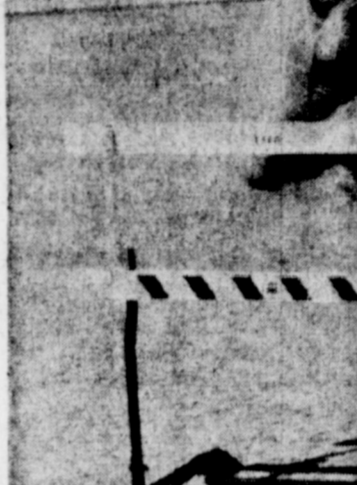

Jerry Howard, discus (120 feet); Dick Pylant, shot put (40.9); Bob White, shot put (42.8) and discus. Both Gilbreaths will enter the open 440 as well as the relays. Jerry has run a 52.8, while Bill has recorded a 53.0 in meets this year. Bill will also broad jump. Bell could win the pole vault (He has gone 11-3 this season) and should place high in the broad jump, where he has jumped 19-6. He also has run a 10.2 in the 100, and will enter that event Friday, as well as the high jump, where he has cleared 5-8.

Creamer will run the 220 and broad jump in addition to his hurdle races. Young will run the 880 and throw the shot. . . . David Roberts, who placed second in the pole vault last year at the district meet, has been recovering from Hepatitis this season and has not made a meet as yet. He was expected to join the team this week, however, and enter the pole vault and high jump Friday.

Other Muleshoe entries will include Archie Evans in the pole vault, Don Finn in the mile, Jerry Johnson in the high hurdles, and Alva Stone in the pole vault. Preliminaries in the meet will begin at 9 a.m. Friday.

run a 10.0 hundred and a 23.05 in the 200.

Both Muleshoe relay teams are good bets to win and qualify for the regional meet. The mile relay team of Jerry Gilbreath, Bill Gilbreath, Jim Cabrera and Jim

TWO WINNERS

Mules Fourth In Big Amarillo Relays

The Muleshoe Mules wound up their pre-district track schedule by placing fourth in the giant Amarillo Relays meet last weekend, scoring 13 1/2 points, only 1/2 point less than third place Denver City.

The Mules captured two first places in the small schools division of the meet, which included some 30 teams of class AA, A and B classifications.

Travis Creamer looked good in winning the 120-yard high hurdles in 15.05, and Mike Cabrera was a pleasant surprise in the mile run. Mike cut seven full seconds off his career best time in the mile to win in 4:46.4.

Another Mule who lived up to the competition was Travis Bessire, blossoming into a fine sprinter. Bessire, who won both sprints last Tuesday at Hale Center, was second in the 220-yard dash at Amarillo.

Also placing for Muleshoe was Robert Seagroves, whose leap of 5-10 in the high jump was good for a fourth-place tie.

Coach Bill Taylor, while admitting that the team did well considering the competition, was disappointed because his relay teams didn't make it to the finals. Taylor explained that the mile relay team easily won its heat by maybe 150 yards, but the team was in a "slow" heat, and when the six top times for the finals were chosen, Muleshoe was about seventh.

A similar misfortune befell the team in the sprint relay, when a bad handoff caused the team to

just miss the finals. Had either or both teams made the finals, the Mules might have finished higher up the ladder.

The strong Quannah team won the division title with 23 points. Perryton was second with 18 points, followed by Denver City, 14, and then Muleshoe.

ENTER 15 BOYS

Frosh Defend Track Title At District

A squad of 15 freshmen will be out to defend Muleshoe's frosh championship in the district track meet Friday at Texas Tech.

Coach George Washington has the boys who won the district title last year as eighth graders, so prospects are good that the frosh district title will stay at MHS.

The frosh meet is to be run in direct accordance with the TIL rules, and three events will be run this season previously not held. They are the pole vault, 60-yard high hurdles and 100-yard low hurdles.

The members of Muleshoe's team and the events they will enter are:

Scott Oliver—100-yard dash, 75-yard dash, 440-yard relay, shot put and broad jump; Larry Nigh 440-yard relay, broad jump.

Bill Harbin—50-yard dash,

Golfers Take District 2-AA Crown

The Muleshoe Mules won the district 2-AA golf championship last Thursday at Muleshoe Country Club, beating out seven other teams and qualifying for the regional meet April 13-14.

The Muleshoe foursome of Bill Bovell, Billy Fred White, Danny Gunstream and Don Gardner shot a team total of 678, which was 26 strokes better than Olton's "B" team, which finished second, 25 strokes ahead of the Olton "A" team in third.

It was the first district golf title ever won by a Muleshoe High School team.

Bovell was medalist in the

tournament, shooting a 40-41-38-42-161 over the 36-hole meet. Robert Duncan of Olton was runner-up for medalist with a 45-43-40-39-167.

Gunstream and Gardner tied at 170 on the Muleshoe team, which took the lead early and hung on for the title. White rounded out the team scoring by shooting a 177. Wayne Malone and Kenny Splawn entered the tournament.

Floydada's varsity was fourth in the district meet, with a 757 score. Morton was fifth with 763, Abernathy sixth at 813, Floydada

"B" team seventh with an 818 score, and Morton's "B" team eighth at 847.

ADDS TO LAURELS
The district met was greeted by chilly weather and a stiff breeze, but after the first nine holes, the conditions improved somewhat.

The Muleshoe team added to its laurels in the Amarillo Relays class AA-A-B tournament Friday and Saturday, shooting a 667, but losing by 35 strokes to Lubbock Monterey's "B" team.

Muleshoe's scores in the Amarillo meet were: Bovell, 157; White, 163; Malone, 173, and Gunstream, 174.

Longhorns Will Host District 3-B Track Meet

The Lazbuddie Longhorns will host the District 3-B track and field meet Friday, beginning at 9 a.m. The Longhorns are defending champions. Teams entered are to be Bovina, Happy, Hart, Lazbuddie, Nazareth and Walcott. There will be both a grade and high school division.

Lazbuddie took fourth in the South Plains Junior College class B track meet with 49-3.5 points. Bovina was 12th in the meet. There were 29 teams entered.

David Koelzer starred for the Longhorns, leaping 11-7 in the pole vault to set a new meet record. Donnie Smith was second in the event with a 10-10 mark.

Jimmy Dale Seaton was high point man for Lazbuddie with 16-3.5 points, placing second in both hurdle races (15.5 in the highs and 20.5 in the lows) and was fifth in the high jump.

Other Longhorns who placed were: Mike Bean, first in the high jump at 5-8; Cooper Young, sixth in the 880, at 2:10; Don Watson, fourth in the mile with a 5:01, and the mile relay team of Gary Brown, David Smith, Terry Darling and Cooper Young, sixth with a 3:42 time.

BORDER LOOP DYING

Texas Colleges Need A New Conference

By HAROLD V. RATLIFF
Associated Press Sports Writer

Hardin-Simmons isn't going to de-emphasize football. All that talk about doing away with athletic scholarships has died down. The alumni moved in and helped the athletic program right itself. So Hardin-Simmons will be playing a major schedule again come fall.

Which brings up the question of a new conference that will take in the schools that need such an alliance in order to get football on a paying basis.

There appears little doubt but that the Border Conference, of which Hardin-Simmons is a member, will break up finally at the spring meeting in May. There now are only three members of the league — Hardin-Simmons, Texas Western and West Texas State. Arizona State University and New Mexico State are leaving with the windup of spring sports. Arizona quit last year.

NEW CONFERENCE
So what's to stand in the way of a brand new conference taking in Hardin-Simmons, West Texas State, Texas Western, Arlington State, Trinity, Tarleton State (which reaches four-year status

next year), Abilene Christian and possibly Lamar Tech.

Lamar Tech already has been suspended by the NAIA and may get the same treatment from the Lone Star Conference. It's a 11 because Lamar Tech went to the NCAA basketball playoffs instead of the NAIA.

Lamar Tech is a big school with an outstanding athletic program. It could enter the new conference to its advantage and the advantage of the other schools that might come into the proposed league.

NOTHING OFFICIAL
Nothing officially has been done about such a conference but there are quiet a few people who want it. Claude Gilstrap, coach of Arlington State, thinks it would be a fine idea.

He says Arlington State, which is playing a tough independent schedule, has been hurting because it has to make long trips and play schools that do not have a natural rivalry.

This fall Arlington State will be playing Mississippi Southern at Hattiesburg and Memphis State at Memphis. Why wouldn't games with Texas Western and Abilene Christian College be better?

Qualifying For City Tournament Set for Saturday

Qualifying for both the 1962 Mens and Womens City tournaments will be held April 7. The mens' tournament was originally scheduled for the week of April 8-15, but was changed to not conflict with the Easter weekend.

Defending champion of the mens' tournament is Bill Prince, Farwell, a Muleshoe Country Club member who will return to defend the title. Entrance fee is \$5 in both tournaments.

First round play in both tournaments will be Sunday, April 8. Second round matches will be played during the week, with finals slated April 15.

The men will have a 16-man championship flight. All others are eight-man. Losers of the first match will go into the President's flight. Gift certificates will be awarded the winners in each flight, \$20 for the winners, \$12 for runnersup, and \$8 for consolation.

"The women will have a 'Cry-baby flight' in the finals, for losers who want to enter. Anyone in the Muleshoe trade territory is eligible to enter, according to MCC pro, Ray Hardy.

The Congress and Defense

The nation has been treated to the rare spectacle of a test of will and authority between the President of the United States and Congress, in the case of the B-70 bomber. A close look at the Constitution and defense brings to light certain facts. First, the Constitution gives to Congress the power to appropriate money. There is really not much doubt that Congress originally had the right to have its way in defense matters.

In recent years the precedent has been, however, for the President and his Executive Branch to handle more and more of the decisions. Congress today merely approves the defense budget or goes the President one better. It rarely reduces it.

Indeed, it is hard to see how anyone could deny the right of Congress, the elected representatives of the people, the authority to order a certain weapon for the country's defense, if it is put in the form of a specific law to that effect. And all the opinions to the contrary notwithstanding, it is no sure thing, by any means, that even the present Supreme Court could find a way to deny Congress this authority, on the basis of the Constitution and its intent and meaning, regarding matters of defense.

Countdown For Cancer In Bailey County

An increasing number of people throughout the country have become living proof that the countdown for cancer is on.

The businessmen of Muleshoe are canvassing this week and a host of volunteer women throughout the country will make "C" night Tuesday night throughout the county house-to-house drive.

The current Crusade of the American Cancer Society is the opportunity for all of us to help speed up this countdown. Generous contributions will assure the Society that every promising research project can be supported.

The Crusade also reminds us to take personal protection against cancer. Annual health checkups are the best immediate assurance that more lives will be saved from cancer.

The talk about cancer is rightfully filled with optimism. The countdown is on. Through our contributions, all of us can have the satisfaction of being an active part of it.

TO CURE MORE, GIVE MORE

The American Cancer Society has added to its slogan, "fight cancer with a checkup and a check," a new and meaningful phrase—"to cure more, give more."

Today, some 87,000 Americans die needlessly of cancer each year, nine last year in Bailey County alone. They lost because they did not receive early diagnosis and prompt treatment.

The American Cancer Society says that the possibility of preventing deaths from cancer are greater than for any other chronic disease and that more can be done against cancer than against any other disease.

That is why the Society developed the theme—"to cure more, give more." The public must learn what it can do to protect itself against cancer.

This requires a big and costly educational effort. Statistics show that about 40 per cent of the population of the country do not know cancer's seven danger signals—signals that may mean the difference between life and death.

Also the Society wants to step up its research program. Already a drug has been found effective against one very rare type of cancer. The Society has great hope that in the next few years much can be achieved in the field of immunology—prevention of cancer through vaccination. Until research supplies the answer, we cannot hope to save more than one out of two of those who develop cancer.

As President Kennedy's Conference on Heart Disease and Cancer said, "this is no time to sit still on research." A good way to advance research is to heed the Society's 1962 theme—"to cure more, give more."

Let's put Bailey County on the "Better the Best List" by generous contributions to the volunteers who call on you these next two weeks!

SANDHILLS PHILOSOPHER SAYS

Supreme Court Decision Relieves Rural Areas of All Future Blame

Editor's note: The Sandhills Philosopher on his Johnson grass farm tries to interpret a Supreme Court decision, his letter this week indicates.

Dear editor: This thing is a little complicated but as I understand it, Congressional districts are supposed to shift when the population does, so one district with a few thousand voters won't have the same voice in Congress a district with a million votes has, or something like that, and the Supreme Court has ruled that if a state won't re-district when its population shifts, the people can sue and the Federal government has a right to make it re-district.

I don't think I've made this very clear, which is understandable since it's not clear to me, it's sort of like a psychologist with an I.Q. of 99 trying to measure the I.Q. of somebody who possibly has 140, but what it boils down to is that the experts are now saying that the Supreme Court ruling will mean that the balance of power in this country will shift from the rural areas to the metropolitan areas.

A lot of people regret this, but I would like to say, as a man from a rural area—and it's harder to get much more rural than this Johnson grass farm—that the decision suits me fine.

The shape of the world's in today, I don't want anybody pinning the blame on us country folks.

I say, let's get all the states re-districted as soon as possible and let the city people try running things for a while. I don't say they can do it any better, not judging from the way the average city operates with one headache after another, but when it's impossible to run something successfully, my policy is to let somebody else get the blame for the failure.

Agriculture for example might be in the same shape, with or

without a Washington farm program but it's a lot harder to have Washington to point your finger at, than to have to point at yourself.

When a problem gets too big for anybody to handle, then's the time to duck out and let another man take over. As far as I'm concerned, I yield to you town folks.

Yours faithfully,
J. A.

In Our Time

OUR MEASUREMENT FOR SHOES WAS ESTABLISHED IN 1824 BY KING EDWARD II. HE DECREED THAT THREE BARLEY CORNS TAKEN FROM CENTER OF THE EAR PLACED END TO END EQUALLED ONE INCH. IT WAS FOUND THAT 39 BARLEY CORNS, SO PLACED EQUALLED THE LENGTH OF THE LONGEST NORMAL FOOT... BECAUSE 59 WAS DIVISIBLE ONLY BY THREE, THE LONGEST NORMAL FOOT WAS CALLED SIZE 13. ALL OTHERS WERE GRADED DOWN ONE BARLEY CORN PER SIZE (1/3 INCH).

IN EARLY 1800'S SHOEMAKERS WORKED ALONE IN SMALL SHOPS OR TRAVELED FROM HOME TO HOME LIVING IN WHILE THEY OUTFITTED THE FAMILY... HAND TOOLS LIMITED THEIR OUTPUT TO A FEW PAIRS PER DAY...

TODAY A SKILLED WORKER OPERATING AN AUTOMATIC MACHINE CAN LAST 1000 PAIRS IN 8 HOURS. THIS YEAR 1000 MANUFACTURERS WITH 236,000 EMPLOYEES WILL PRODUCE OVER 600 MILLION PAIRS OF SHOES... 50 YEARS AGO THE AVERAGE U.S. FACTORY WORKER LABORED 12 HOURS TO EARN THE PRICE OF A PAIR OF SHOES... TODAY, HE EARNS THE PRICE IN 3 HOURS FOR A SUPERIOR SHOE.

THERE ARE 12 WIDTHS RANGING FROM AAAA TO EEEE, FOUR TO SIX WIDTHS (A-D AA-E) FOR EACH SIZE ARE NORMALLY MADE.

IT'S THE LAW in Texas

DEDUCTIONS FOR TAXES AND MEDICAL EXPENSE

Most state and local taxes are deductible on your income tax return, but Federal taxes, such as income, Social Security, estate and excise taxes are not. The taxes most commonly deducted on your return are state sales taxes, real estate taxes, personal property taxes, automobile license taxes, state gasoline taxes, driver's license fees and city income taxes.

While the ordinary real estate tax is deductible, special tax assessments which are levied against your property are not deductible if they are for improvements, such as streets, sewers or sidewalks which increase the value of your property.

The Texas tax on gasoline is 5 cents per gallon. Gasoline tax imposed vary from state to state. Deduction for gasoline taxes should, of course, be based upon the specific number of gallons purchased in Texas and other states.

However, where this computation is impossible due to inadequate records, you can often arrive at a reasonable approximation of your gasoline taxes paid by determining the number of miles you drove your car in each state, dividing this figure by the number of miles you receive per gallon, and then multiplying the number of gallons used by the tax per gallon in the various states where you used your car.

In the case of the Texas sales tax, the Internal Revenue Service has issued a schedule of what it considers a reasonable estimate of sales tax based upon your income. If you do not have should be used. Otherwise, you may be called upon to substantiate your deduction.

Medical and dental expenses incurred by you and your dependent are deductible as itemized personal deductions in the year you pay your medical or dental bill.

Generally, these expenses include fees of doctors, dentists, and nurses, hospital expenses, eyeglasses, false teeth, hearing aids and premiums paid on hospital and medical insurance. Medicines and drugs are "medical expenses" only to the extent that they exceed 1 per cent of your adjusted gross income.

You also are entitled to deduct the cost of transportation primarily for and essential to the rendition of medical care. Medical expenses for which you receive and medical insurance are deductible only to the extent that they exceed the amount received.

DEDUCTION LIMITED

If you are under 65 years of age, your deduction for medical expenses is limited to those expenses for yourself, your wife and your dependents which exceed 3 per cent of your adjusted gross income. This limitation does not apply to expenses for yourself or your wife, if either of you are over 65. It also does not apply to medical expenses in the care of your or your wife's mother or father if the parent receiving medical care is your dependent and is over 65. A "dependent" for the

Show An Interest In Your School - Go To Polls Saturday

The right to vote is a privilege and a responsibility.

It is the right and the duty of the individual to exercise his freedom of choice in a public election.

Saturday, voters in the Muleshoe Independent School District will elect two men to help with the business of the school.

We believe this to be one of the more important elections Muleshoe people will be involved in this year. The school's business is one that is dear to all of us because of our children.

It is our duty to entrust to those jobs men who are reliable; open-minded and Christian. We need men who will stand by their convictions regardless of the odds, and who will vote for a matter because it is right, not because it is popular.

We need to have the same concern over the men who are given the office of trustee as we do for those who are our children's teachers, principals and superintendent.

These men to a large extent hold the fate of all these other school officials, and it behooves us to elect the calibre of men we can turn the school's business over to and be sure that it will be handled justly and fairly.

The deduction for the medical expense is the same as in the case of exemptions, except the \$600 limitation on gross income does not apply.

The deduction for medical expenses cannot exceed \$2,500 for each exemption you claim (except the exemptions for over 65 and blindness with an overall maximum of \$500 on a separate return and \$10,000 on a joint return. If either you or your wife are over 65 and disabled, the maximum is \$30,000.

Towns Elected To Office At Hardin-Simmons

Jim Towns of Muleshoe has been elected Senator-at-large of the Hardin-Simmons University Student Senate for the 1962-63 school year.

Towns, Jay Farrington of San Angelo and Don Seamster of Borger were chosen in the Spring General Election on the H-SU campus to fill the three vacancies in the Senator-at-large posts in the student governing body.

A sophomore student, Towns has served as a class officer both years he has attended Hardin-Simmons, as an officer in Tau Alpha Phi and as a member of the Baptist Student Union Executive Council.

The son of Mr. and Mrs. Verney Towns of Route 2, Muleshoe, he is a graduate of Muleshoe High School.

We should judge the candidates on their merits, their qualifications for the job their interest and their proposed dedication to the children of the community.

No one should be elected just because he has an "ax to grind." We sincerely hope that none of the candidates are running with that in mind. And, we further hope that no voter or group of voters supports a candidate or candidates for a purpose of that nature.

As citizens we should examine the candidates thoroughly, and vote for the men we honestly consider the best for the job.

A "let George do it" attitude is not good enough in an election. Some people are quick to criticize, and just as soon forget, forfeiting their vote come election time.

The election day is the time to voice one's viewpoints, and then one has the right to criticize.

It is a hypocrite who moans loud and long about controversial action and then fails to make his stand on election day.

Just as some of the candidates urged in their statements—be sure to vote, regardless of your preference—show that you're really interested in your schools.

The Music In Vietnam

The truth is that the American people had better now face the music in South Vietnam, before they are shocked and confused by what might happen there. That means that in our outright military aid of South Vietnam we could be dragged into a costly and bitter long-term war.

And if this happens, the American people and the government in Washington must decide whether tactical atomic weapons will be employed in the fight, or whether American soldiers will be asked to fight and die without the best and most potent weapons in our arsenal.

In the last month, Communist China has warned repeatedly that she considers open and direct U.S. aid in South Vietnam a violation of that country's sovereignty and an invasion of Asia.

There is, then, a chance that we will be drawn into another struggle with Chinese manpower in Asia, and the American people must prepare themselves for this sacrifice, if they favor it. And we must decide now what weapons we use in such an event.

Legal Lectures To Be Given In Dallas

Institutes on criminal investigation, public relations-public affairs for the oil and gas industry, and eminent domain, will be held at the Southwestern Legal Center in Dallas during April, according to Jack D. Young, Muleshoe attorney.

Mr. Young, resident representative of the sponsoring Southwestern Legal Foundation, stated that the criminal investigation institute will be held April 9-11, public relations-public affairs,

April 18-19, and eminent domain on April 26-27.

Lecturers from the Dept. of Justice, Securities and Exchange Commission and Federal Bureau of Narcotics, all from Washington, D. C., will address the conference on criminal investigations. They will be joined by speakers from Arkansas, Louisiana, Oklahoma and from several cities in Texas.

PROGRAM LISTED

Men to address the public relations-public affairs program include John W. Hill, chairman, Hill and Knowlton, Inc., New York City; Charles W. Huse, Director, Public Relations Administration, U.S. Steel Corp., New York City; Henry D. Ralph, chief editorial writer, The Oil and Gas Journal, Tulsa.

Also, Walter W. Belson, president, Public Relations Society of America, Washington, D. C., Samuel Lubell, political analyst, author and columnist from New York City; Dr. Paul C. Bartholomew, professor of political science, Univ. of Notre Dame; Willard J. Barody, executive vice president, American Enterprise Ass'n., Washington, D. C., and David Shea Teeple, atomic energy and research consultant, Washington, D. C.

Topics to be discussed at the eminent domain institute are: Selected problems of procedure and compensation encountered in federal reservoir condemnations; preparation and trial of a condemnation case; comparable sales; market looks at utility rights of way and easements; legal problems of utilities in condemnation proceedings; effect of jet airports on the value of vicinal real estate; developing law of the jet airport, and practical condemnation problems.

Also during the eminent domain program, the Southwestern Legal Foundation will feature addresses by Rear Admiral William C. Mott, judge advocate general for the Department of the Navy, and Dr. V. G. Sinco, president of the University of the Philippines, as a part of its Lawyers Week activities.

Today's Meditation

MIRACLE OF A NEW HEART
2 Cor. 5: 17—"Therefore if any man be in Christ he is a new creature; old things are passed away, behold all things are become new."

Of all the miracles that God is able to perform perhaps the greatest one of them is the miracle of a new heart.

The miracle of the marvelous change that can take place within a man through which he is born anew into a new creation. This is more wonderful indeed that the most advanced discovery. This is the beginning point of the growth of the Christian personality. It is the fundamental and basic principle of life to be born again.

This radical change that comes about when we are in Christ and become a new creation is the result of the work of the grace of God within us.

This is the whole emphasis of the new covenant, the new creation, the new heart; for the God that our Lord Jesus Christ came to reveal is a God who has the power of making all things new.

Many people failed today trying to lead a new life because they are trying to do it with an old heart. We need a new heart. As Paul says, "If any one is in Christ he is a new creation".

MULESHOE STATE BANK
MULESHOE, TEXAS

AUSTIN. — Candidates for governor now are quarreling over legislative redistricting . . . which would give the metropolitan cities more strength.

Poll tax payments indicate that these cities actually have the voting strength.

But final figures are not in on all counties.

Official figures plus some estimates reveal 1,250,429 qualified voters in the 12 counties which contain cities of 100,000 or more. Offhand this would indicate that the 12 "big city" counties would have more than half the votes in the state.

But the "big 12" are not as well prepared to vote this year as they were in 1960. That year they had 1,362,173 voters. It was a presidential year. However, declines are reported for 1962 elections in all of the 12 big city counties except Travis, where the State Capitol is located.

One notable thing about the poll tax figures is the growing number of those with exemptions from the poll tax because they are 21 years of age and vote free— or they are over 65 and don't have to buy a poll tax in order to vote.

Indications are that there will be more exemption certificates this year (those in cities of 10,000 or more) than ever before, even in record-setting 1960.

Another fact to consider is that rural people go to the polls regardless of the weather, while inclement weather keeps many city folks home.

MOTORCIDE INCREASES

Texas Department of Public Safety statisticians figure an accident occurred in Texas traffic every 97 seconds last year, with someone killed every three hours and 47 minutes.

When the department closed its 1961 "death book," it reported a motorcide total of 2,314— 60 more traffic deaths than 1960 held. Drivers of 324,149 motor vehicles sustained 132,570 injuries.

December 22 was the most deadly day, 23 people were killed in 15 fatal accidents.

Col. Homer Garrison Jr. director of the DPS, remarked, "It is

a sobering thought to realize that the number of persons killed on Texas streets and highways was greater than the population of most Texas towns."

Fourteen counties were free of fatal accidents in 1961—Borden, Brewster, Delta, Hansford, Hardeman, Kent, Lipscomb, Loving, Mason, Rains, Roberts, Somervell, Sutton, and Upton.

"WEL-KNOWD CAMEL CART-DRIVER"—The State Highway Department is pondering a mysterious postcard that carries a request for a copy of the new 1962 highway travel map.

The return address reads: Bashir Ahmed Sarban (Wel-Knowd Camel Cart-Driver) 27, Corner Chambers, 181, McLeod Road, Karachi, Pakistan.

Folks at the highway department are wondering if this is the same Bashir Ahmed who visited Texas and the U.S. last year as Vice President Lyndon Johnson's guest.

There was quite a furor when that "Bashir" retired his camel and accepted a gift of a new Ford. Could he be planning to return to America and motor through the Lone Star State.

HOPES RISE FOR HISTORIC PARK—Lawson Knott Jr., deputy administrator of U. S. General Services administration, informed Gov. Price Daniel that the government has granted his request for Lorenzo de Zavala's burial site to be bid on separately when San Jacinto Ordinance depot is put on the sale block.

Property contains the grave of de Zavala, a Mexican-Texan who signed the Texas Declaration of Independence and served as vice president of the republic.

General Antonio Castillo, "a gallant foe" who died at San Jacinto, also is buried there.

Governor Daniel has been urging that the de Zavala homesite and cemetery acreage be set aside for state or county park purposes. He believes this bedding provision will delay the sale of this tract to give time for Sen. Ralph Yarborough to pass a bill transferring the 142 acres to the state or county, or pave the way for some other park arrangement.

MISREPRESENTED REPRIEVE

Revealed—Governor Daniel revealed a one-year reprieve for Johnny Will Ford after C. V. Buser, Kern, sheriff of Harris County revealed some new information about the case.

Ford had served one year of a three-year sentence in the Harris County jail for unlawfully carrying a pistol, as an habitual, when the Board of Pardons and Paroles made the customary recommendation for a reprieve and failed to get any objections from local officials.

After the reprieve was granted on March 9, Sheriff Kern advised the governor he hadn't had notice of the pending clemency application, and would have protested it if he had received it.

He said Ford was pursued for two years before he was forced to surrender, whereas the board had been told surrender was voluntary.

Daniel stated his action did not reflect on the board, "because they acted upon factual representations made on behalf of the applicant and in the absence of protests from local officials."

LETTER OF THE LAW—The State Comptroller declared oil, gas and related well services are responsible for collecting a two per cent sales tax when service involves any taxable, tangible, personal property to a common carrier are exempt from the sale and use tax if the property is shipped out and used out of the state.

When democratic county clerks in Harris and Galveston counties said they would attempt to nullify the republican primary nominees unless GOP primaries are held in every voting precinct in their counties, GOP state chairman Tad Smith dug up a 1952 opinion on the matter by the then attorney general, Price Daniel.

The 1952 ruling states that a county clerk does not have the authority to determine questions of irregularity or illegality when a certificate of nomination is regular on its face. The opinion said the county clerk acts in a ministerial capacity in receiving the certificates and placing names of nominees on the general election ballot.

Members of the State Bar association voted 4,532 to 1,012 in favor of a proposed constitutional amendment for local option abolition of justice of the peace courts.

They also voted 4,506 to 966 for a proposal urging an amendment to authorize the Legislature to provide for interim county and state government during a disaster period.

Attorney General Will Wilson

Inc., a Methodist-operated home for the aged in San Antonio, is exempt from ad valorem taxes, even though some residents pay for their care.

He also stated that a physician who is a notary public can acknowledge an application for an absentee ballot, and then, as a physician, issue a disability certificate for the absentee.

WAR ON SCREW-WORMS Governor Daniel promised to transfer \$25,000 from emergency funds to the Texas Animal Health Commission to buy material and employ personnel for the fight against the screwworm fly.

Contract has been signed for construction of a plant at Mission, where up to 75,000,000 sterile flies will be produced each week for use in the eradication program of the commission and the Southwest Animal Health Research foundation.

PARK REPAIRS APPROVED

Emergency repairs will be made to Carla-damaged San Jacinto Monument by San Jacinto Day, April 21.

A \$3,200 appropriation from the governor's emergency fund will be added to \$5,000 from the San Jacinto Park commission and \$5,000 from the San Jacinto Museum and History Association to meet the most urgent repairs of the estimated \$157,000 damage done by the hurricane.

SHORT SNORTS

Speaker James A. Turman named Representative Murray, Watson Jr., R. H. "Dick" Cory, Virginia Duff, Forrest Harding and Red Quilliam to the House Interim committee on special districts.

Sixteen individuals and organizations already have been told they may appear at the March 30 hearing on proposed changes in the new sales tax, to be held in Dallas.

Ronald Wright Finishes Nine Week Course

Ronald G. Wright, airman apprentice, USN, son of Mr. and Mrs. C. W. Wright of Friona, was graduated, March 21, from the Aviation Structural Mechanics Training Center, Memphis, Tenn.

The nine-week course covers the fundamentals of electricity and aviation supply, the theory of flight, plane handling, aircraft painting and internal structures repair.

Bailey's 1961 Cotton Crop Verified As All-Time Record

Bailey County's 1961 cotton crop was verified as an all-time record number of bales for the county, according to figures received last week from the U.S. Census Bureau.

The preliminary statistics compiled on March 29 showed that 192,691 bales were harvested in Bailey County. The number compared with the figure of 163,096 reported as ginned by county gins in the Journal on Jan. 25.

It was reported at that time that the final figure would be revised because of cotton coming in from out-of-county in some instances, as well as some going out.

JOINS "CLUB"

The county thus joined the 100,000-bale club for the first time in its history. The former record of 97,234 was set by the 1959 crop. This year's total went over the 90,000-mark for the third time in four years. The 1960 total was 89,893.

Bailey County retained its ranking of 13th in the state in number of bales ginned, although gaining more than 15,000 bales on Floyd County, the 12th place county, from the 1960 total.

Floyd County's total was 105,149, compared to 107,418 in 1960.

Eight South Plains counties were among the ten top counties in the state according to number of bales ginned, as the area ginned an all-time high of 2,344,803 bales.

Lubbock County, the perennial "state champ," again captured the honors with 289,494 bales ginned. Hockley county was second in the state with 225,246 bales, followed by Lamb (213,833), Dawson (208,802), Hale (198,173), Lynn (175,678) and Terry (157,641).

RANK NATIONALLY

Crosby county was ninth in the state with 135,226 and Reeves county was 10th with 119,836.

Several area counties ranked high nationally. Lubbock County as sixth, followed by Hockley, Lamb and Dawson, in seventh, eighth and ninth places.

The current dry spell has most area farmers beginning pre-plant-

ing irrigation, and with the area due a cut in acreage from last year's high total, chances for improving this year's record crop at present are doubtful, although there's still time for pre-planting rains.

Bailey County's cotton production for the last ten years reads as follows:

Year	Bales Ginned
1961	192,691
1960	163,096
1959	97,234
1958	90,947
1957	72,541
1956	73,148
1955	58,782
1954	51,912
1953	74,245
1952	46,083

COMMON DISEASE

Blight Control Is Problem In Cotton

College Station — Bacterial blight occurs throughout the world wherever cotton is grown. It is one of the most damaging plant diseases in Texas, and during recent years has caused an estimated \$37 million yearly loss to Texas growers.

Several races and varieties of

this pathogen are known, but only two are widely distributed. The organism enters the plant through open stomata and wounds in the leaves, bolls and stems. The bacteria break down the cell wall of the spongy tissues, releasing cellular juices.

Annual Judging Contest Monday In Muleshoe

The board of Supervisors of the Blackwater Valley Soil Conservation District have announced plans to hold its annual Land Judging contest for FFA and 4-H club members.

The contest is to be held Monday afternoon at the Muleshoe High School Agriculture Building. Registration of teams will begin at 2:30 p.m. and the contest starts at 3 p.m.

Team entries are expected from the immediate area and as far away as Lubbock. Both FFA and 4-H club teams are invited.

Trophies will be presented to the three top teams and a plaque will be awarded to the high individual.

In last year's contest, Friona was the first place team, with Lubbock High School second and Muleshoe High School third. High scoring individual last year was Joe Reeve from Friona.

Honors Won By Lazbuddie At Plainview Show

Lazbuddie entrants won eight places in the Plainview Junior Livestock Show last week.

Rickie Hassell placed ninth division. Paul Wilbanks was 12th in the lightweight Duroc class, and Glendale King was 10th in the middleweight Duroc class.

Paul Wilbanks was 20th in lightweight Poland Chinas. Charlotte Seaton was 15th in lightweight Hampshires, and Jimmie Dale Seaton second in middleweight Hampshires. Seaton sold his hog for 35 cents per pound.

In the lamb division, Clark King won seventh in medium wool, selling his lamb at 55 cents a pound, and John Ward was ninth in Southdown, selling his entry at 50 cents.

Ward was one of the five nominated for the showmanship award.

DISEASE SPREADS

The blight organism may overwinter in the soil on undecomposed plant debris, but more commonly is carried from season to season within and on planting seed. Once in a field the disease is spread from plant to plant and from old to new tissues by wind-driven, splashing rains. The disease may also be disseminated from field to field by whirlwinds, running water, equipment and gin trash.

Bacterial blight can be controlled by a combination of four practices, rotating cotton with other crops, planting disease-free seed, growing resistant varieties and fertilizing with nitrogen.

No chemical control for bacterial blight is now known, so cultural practices are very important to the grower. For more information on this disease and on preventive cultural practices, ask your county agent for a copy of MP-534, "Bacterial Blight of Cotton."

Walter Lackey, Roger Wilson Enlist In Navy

Walter Wayne Lackey, son of Mr. and Mrs. Walter Durwood Lackey, Route 4, and Roger Dale Wilson, son of Mr. and Mrs. Baye Wilson, Box 412, Muleshoe, both enlisted in the United States Navy, March 28th.

They will undergo nine weeks of recruit training at San Diego, California. During this time they will study naval orientation, identification and Naval customs and traditions.

Upon completion of recruit training the couple will return home on 14 days leave before being assigned a school of their choice or reporting to the U. S. Fleet for Sea duty, or some over seas base.

Men that are interested in a Naval Career are invited to contact either Walter or Roger when they are on leave, or contact your Navy Recruiter each Monday at the Selective Service Office in Muleshoe.

FARM NEWS

Parmer County Farm Bureau News

By RAYMOND EULER

"Our Father, we are met here tonight to seek an escape from the dilemma into which we have gotten ourselves by depending on the knowledge of men instead of Divine guidance. We pray that you will be with us."

This was the invocation at a recent farmer's meeting which impressed us as being sincere, concise, humble and appropriate. It expresses thought that it would be well for all Christians to consider in our prayers and aspirations, we believe.

In a Farm Bureau meeting the other night, Bill Wedemeyer related the fact that since 1920, Farm Bureau has had an important part in every major piece of farm legislation that has been enacted.

He added that there was some of it of which he was not too proud, but that membership judgment it to be best at the time of their support. Honesty, integrity, truthfulness and humility are qualities that must prevail in men's hearts if we are to find a workable program for the welfare of our farmers and all citizens, he said.

April 12, in the auditorium, the Public School Administration Building, 910 West Eighth Street,

Farmers Warned To Observe Rule About Well Covers

The Board of Directors of the High Plains Underground Water Conservation District has recently passed a new rule and the District began enforcement the first of April.

According to Tom McFarland, General Manager of the Water District, the new rule deals with the closing of abandoned, or unused, wells.

McFarland states that hundreds of wells in the District are uncovered, or covered inadequately, and represent a threat to the safety of children and even adults.

The new rule provides that in cases where the landowner refuses to cover a well properly, the Water District may come on the land and close the well. The expense of closing the well will be charged to the landowner by means of attaching a lien to the land. These charges may never exceed \$100.

McFarland says that the rule was passed by the Water District's Board to protect life and the underground water from possible pollution from the surface.

He encourages landowners to close or cover in some substantial manner any wells on the land that either abandoned or not being used at the present time.

McFarland states that personnel of the Water District will be happy to discuss individual cases with landowners or their agents. Many satisfactory methods of covering wells adequately are available to be used.

marillo will be the site and me of a hearing on the proposed national potato marketing agreement and order. It will be conducted by the USDA, but testimony will be heard both for and against.

All evidence will be presented under oath, and we hope many farmers will be present, potato growers particularly, but any farmer should be interested in this subject because it will finally concern all production items.

MEET SLATED

On the same day, April 12, at nine a.m., the annual noxious weed control demonstrations will be held at Bushland Experiment Station, and some members of your Farm Bureau Weed Committee, some FFA boys and instructors plus County Agent, Deryl Coker are going up there.

A total of 195 Farm Bureau members renewed in March and 29 new members were received, making a total payment of 224.

This gives a membership of 512, 28 short of the quota of 540. We believe when the balance of the workers have reported the quota will be about filled. If you weren't contacted, maybe you would like

to send in your dues, or come in and see us.

COMMON DISEASES OF THE DOG

CANINE DISTEMPER
Canine Distemper is a specific, highly contagious disease of dogs caused by a virus and characterized by fever, catarrhal respiratory and gastro-intestinal complication, and inconsistent nerve and skin involvements.

Before proceeding, it is important to mention the fact that Distemper is the number one killer of dogs in the Muleshoe area.

Many people believe that canine distemper is only a mild disease and does not present a severe challenge to their pet. It is common to have individuals state that they can readily CURE distemper.

Such treatments vary from tying burnt corn cobs around the animal's neck to rubbing some ointment on the head.

The truth of the matter is that distemper is a viral disease and at the present, drugs have been unable to successfully combat small particle viruses.

SYMPTOMS
The disease has an onset of a nasal discharge which is watery at first and gradually changes to mucopurulent as the disease progresses. The eyes have the identical discharge.

The animal has a poor appetite and presents a depressed appearance. Cough is common. Many times the dog will have a severe diarrhea and vomiting will be persistent.

The body odor is fetid in nature. Twitching of the mouth and "chewing gum" fit is almost a completely sure symptom of the disease.

TREATMENT
Your veterinarian can aid you in the successful treatment of this disease in SOME cases. Early diagnosis and treatment is essential. However the most important single factor in treating distemper is good nursing.

That is—providing warm dry quarters, tending to nasal and ocular discharges, and offering a variety of nourishing foods.

PREVENTION
Prophylaxis is of paramount importance. A puppy should receive an injection of antibodies at the age of six weeks old or when it is weaned from its mother.

This injection will produce immunity in the average dog for a period of 18 to 21 weeks. At the age of 10 to 12 weeks the puppy is old enough for a permanent distemper vaccination.

The old saying of an ounce of prevention is worth a pound of cure is certainly true of Canine Distemper.

CHANNEL 11
The "Tonight Show" replaces Jack Paar beginning this week on KCBD-TV, Channel 11, Lubbock.

To be presented in color five nights a week—from 10:30 to midnight—the late-evening program will originate from Hollywood during April. Art Linkletter will host the program through April 13. Joey Bishop will take over for the week of April 16 and Bob Cummings will emcee the show the final week of the month.

Other guest hosts, including Pat Boone, Mort Sahl, Steve Lawrence and Zsa Zsa Gabor, will be seen various weeks until Johnny Carson becomes the permanent host in October.

Bandleader Woody Herman and his orchestra will provide the musical background for the program's month-long visit to the West Coast.

The story of society in America—its history, how it has changed over the years and its present character—will be told in "The Vanishing 400," NBC News' full-hour special on society, at 8:30 p.m. Friday. Walter Pidgeon is host-narrator.

CHANNEL 13

Crim in Annual Weather Prophecy

Relatives and friends were on hand Thursday March 22 for J. W. Crim's annual weather forecast at Sunrise. After gathering material for the fire and a light wind from the west, J. W. Crim, Lazbuddie farmer made a fire and watched the smoke and studied its blowing toward the east. The wind would change gently from the Northwest as he made his prediction that many say just doesn't miss his predictions, that were that spring rains would be late and farmers better keep their wells going. Crim predicted we would probably have the late rains but than two months of dry weather was seen in his forecast.

Mr. Crim has been forecasting the weather on the basis of the wind at sunrise on March 22 for 31 years, having learned this from the practice said to have originated from the Indians.

On hand for the prediction were Robert and Lesley Curtis, Cinda, Greg, Kirk and Rodney Crim accompanied by their parents, Mrs. J. W. Crim, the Max and Weldon Crimes, Mrs. Fred Curtis, the Sam Isbells from Cordell, Okla.; Lena Jelso from N. Dakota, Stephanie Kelso of Muleshoe and Luther Ham, Lazbuddie.

Service Clubs Asked To Join Trash Can Drive

Muleshoe Chamber of Commerce has announced a campaign to purchase large trash cans to be placed on the city's streets.

Members of the Chamber of Commerce are visiting with the city's service clubs to solicit their aid and next to solicit their help in help in the purchases.

The can will be a large white receptacle big enough to withstand heavy winds, and will have a push-in top to keep debris from blowing back into the streets. The emblem of the club donating the can will be printed on the side.

A complete list of donors will be made public in the next few weeks.

Newcomers

As reported by Mrs. Barbara Blackman, Pioneer Gas Company, Muleshoe for the month of March new meter listing include the following newcomers:

R. A. Burdett, 1306 West Ave. B., from Sudan, owner, West's Dinner.

Bill Autry, 215 West 6th, from Amarillo, associated with Singleton's Funeral Home.

Milton Bundick, 110 West 5th, from Littlefield, associated with Western Fertilizer.

Gilbert Coventry, 207 West G, from Laurel, Md., mechanic.

Faye Campbell, 1904 West B, from Lubbock, car salesman.

John V. Dorsey, 718 Ash, from Floydada, associated with Francis Implement.

T. C. Millsap, 318 West 11th, from Abilene, associated with Millsap Garage.

Dwight Williams, South of Methodist Church, truckdriver, from Shallowater.

S. E. Yohner, Jr. 402 East Dallas, from Littlefield, associated with Johnson Nix.

Norman Beauchamp, County Club addition, from Abilene, associated with The Journal.

Area Episcopal Services Slated, Begin Tuesday

Area Episcopalians met this Tuesday evening at 8 p.m. in the Chapel of the First Methodist Church for the first of the twice monthly services, according to the Rev. Charles Henry, visiting minister from St. James Episcopal Church, Clovis, N.M.

The bi-monthly services will be held the first and third Tuesday evenings. All persons interested in attending the Episcopal services are invited to attend.

Gage & Abbott In Business Move

Mr. and Mrs. Bob Gage have moved to Friona where Gage is operating the Friona Floor Covering Store.

Gage was former owner of Gage Carpet Company in Muleshoe. Earl Abbott is now the owner of the former Abbott-Gage Carpet in Muleshoe.

John Blackmans Visit Daughter In Anthony, N. Mex.

Mr. and Mrs. John Blackman of Bula left last Wed. for a visit with their daughter and her family, Mr. and Mrs. Dudley Cash in Anthony, New Mexico.

The Blackmans were looking forward to a visit particularly with their two grandsons, Dennis and Darrell, there.

They plan to return home next Wednesday.

Those who have few affairs to attend to are great speakers. The less men think the more they talk.

—Montesquieu.
