## Local Youth Band To Perform At Lubbock's 4<sup>th</sup> On Broadway

by PAM ELROD

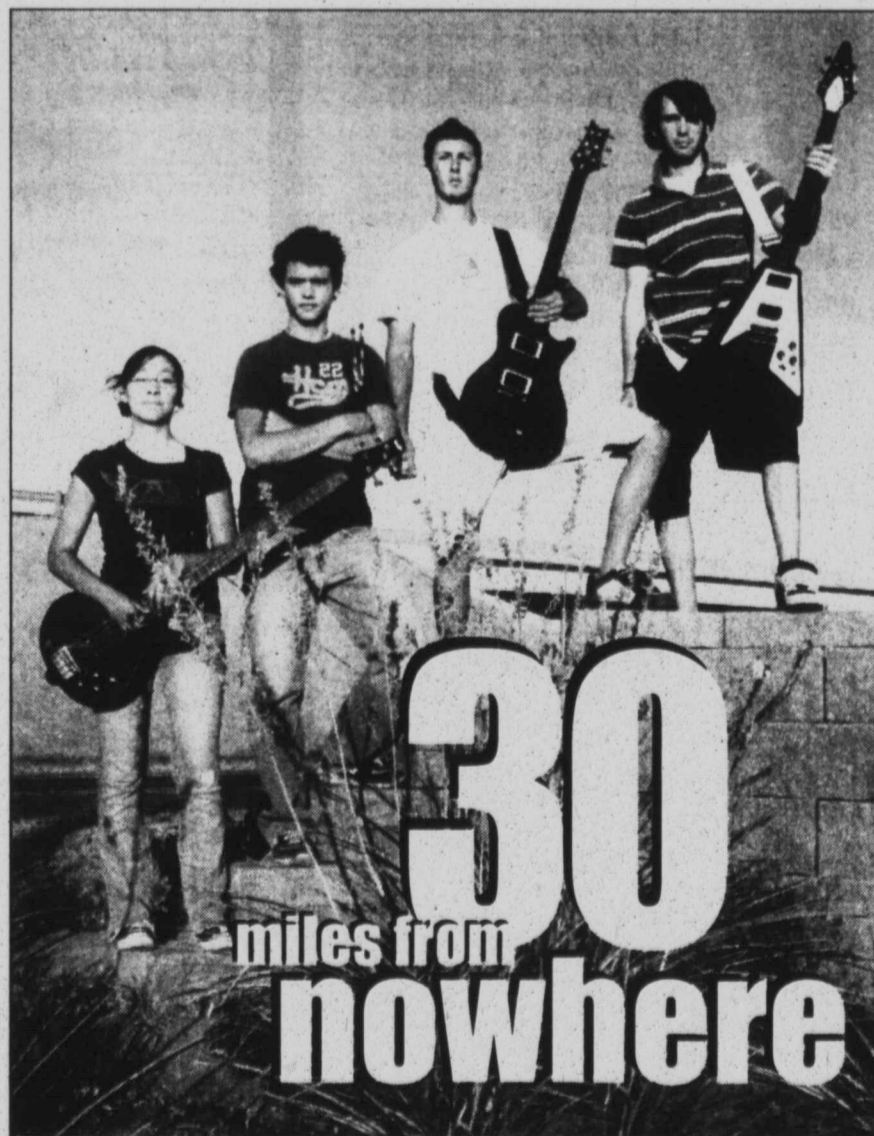

What seemed to be lots of "noise" coming from a local's living room, turned out to be a band of four Tahoka youth who now call themselves "30 Miles From Nowhere" - but these fledgling young musicians are already heading "somewhere" with an opportunity to perform live in front of hundreds of people at the upcoming "4th On Broadway" event in Lubbock.

The four local youth were selected as winners in a contest sponsored by Lubbock radio station KFMX-94.5 FM's "Battle of the Bands," and the top seven chosen would be performing at Lubbock's July 4th festivities. Only groups whose members were age 21 or under were eligible to enter the contest.

by submitting a demo cd to the radio station.

"30 Miles From Nowhere," comprised of Eric Green, Corry Norwood, Michael Lam and Amanda Lopez, gave their first and only live performance in May 2006, at the Tahoka High School Baccalaureate services. Their next performance will be given 30 miles from Tahoka, at the Lubbock 4th On Broadway event.

Eric Green, the lead guitar and songwriter, is the son of Ricky and Jackie Green of Tahoka. He is a 2004 graduate of Tahoka High School, and currently attends South Plains College in Levelland, majoring in Art and Design Communications. Approximately (See **YOUTH BAND**, page 2)

**Introducing "30 Miles From Nowhere"...** These local musicians comprise the band, "30 Miles From Nowhere", consisting of Amanda Lopez, Michael Lam, Eric Green and Corry Norwood, all of Tahoka. They were winners in a "Battle of the Bands" contest on Radio Station KFMX-FM as one of the top seven youth bands chosen to perform at the 4<sup>th</sup> On Broadway festivities scheduled on July 4<sup>th</sup> in Lubbock.

## Officers Intercept 250 Pounds Of Marijuana

Dept. of Public Safety Trooper David Hoard stopped a 2000 Ford Expedition for a traffic violation 10 miles north of Tahoka on U.S. 87 last Thursday afternoon and discovered 250 pounds of marijuana in the vehicle.

Hoard was assisted by DPS Trooper Joel Callaway and Lynn County Deputy Pete Vallejo after he called for more officers, and the two occupants of the Expedition were arrested and jailed on charges of delivery of marijuana. The driver was Christopher Salinas, 25, of Midland, and his passenger was Carlos Terrazos, 30, of Pflugerville.

Trooper Hoard said the marijuana was in bales about 5x9 inches square, and there were "several hundred" of the bales in the back of the vehicle. The estimated street value of the confiscated marijuana was \$118,750.

The driver of the Ford also was charged with driving while license was suspended, with previous conviction.

Two juvenile boys were named as suspects in a burglary of a Tahoka residence reported to police Saturday. Items valued at a total of \$670 were reported stolen from a house on Ave. O front which Cheryl and Gene Montez were moving. The owners of the stolen items said someone went into the house and took a window unit air conditioner, portable DVD player, CD players, a cordless drill and a lawnmower. Information in the case was sent to the prosecutor.

Rose Mary Rodriguez and Juan Manuel Sanchez reported that a home on N. 3rd St. in Tahoka was burglarized Sunday with various small items stolen.

Another burglary and criminal mischief incident was reported by Kathy Lynn Cloe, who said her residence on Ave. K had been burglarized and extensive damage was done to her 1984 Dodge van. A suspect was named.

A 3-year-old Levelland girl brought to Lynn County Hospital by her grandmother last weekend appar-

ently had been sexually molested, and police officers determined that the incident occurred in Lubbock County and that a Slaton man was a suspect. Charges were to be filed in Lubbock County.

A 16-year-old boy was taken to a Lubbock hospital Wednesday morning after he overturned an ATV in a field north of Tahoka. He apparently had shoulder injuries.

During the sandstorm last Thursday a vehicle parked by U.S. 87 11 miles north of Tahoka was struck from behind by another vehicle. There were no injuries in that accident, nor in a one-vehicle rollover six miles south of Tahoka on U.S. 87 Sunday.

Of the 12 persons jailed here during the last week, eight were charged with possession of marijuana. One of those also was held on a warrant for theft. Two other persons were jailed for driving while intoxicated, one for second offense with open container, and two others were held for driving while license was invalid.

Jail population early this week was 51, with five each held for Lubbock and Gaines counties, four for Dawson and one for Garza County.

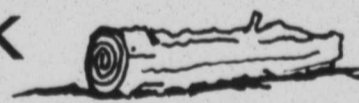

## Fireworks May Not Be Set Off Inside City Limits

Tahoka City Fire Marshal Jerry Ford reminds Tahoka residents that fireworks of any kind are banned inside the city limits of Tahoka, and that fines will be imposed on those who violate the city code.

Dry conditions are also prevalent throughout the rural areas of the county and fire danger should be considered at a high level.

DEAD DOGS and live monkeys:

In St. Louis, a woman recently was charged with third-degree assault, plus trespassing, after she attacked another woman with a dead dog, allegedly beating her over the head 30 times with the carcass of a Chihuahua puppy.

The woman who became so angry over the death of her puppy she had bought from a dog breeder first tried to get another puppy from the breeder (both were women in their 30s), and when the breeder wrestled the woman out of her house and onto the front porch, the woman then hit the breeder over the head with the dead dog, causing minor injuries.

This really happened; I'm not woofing.

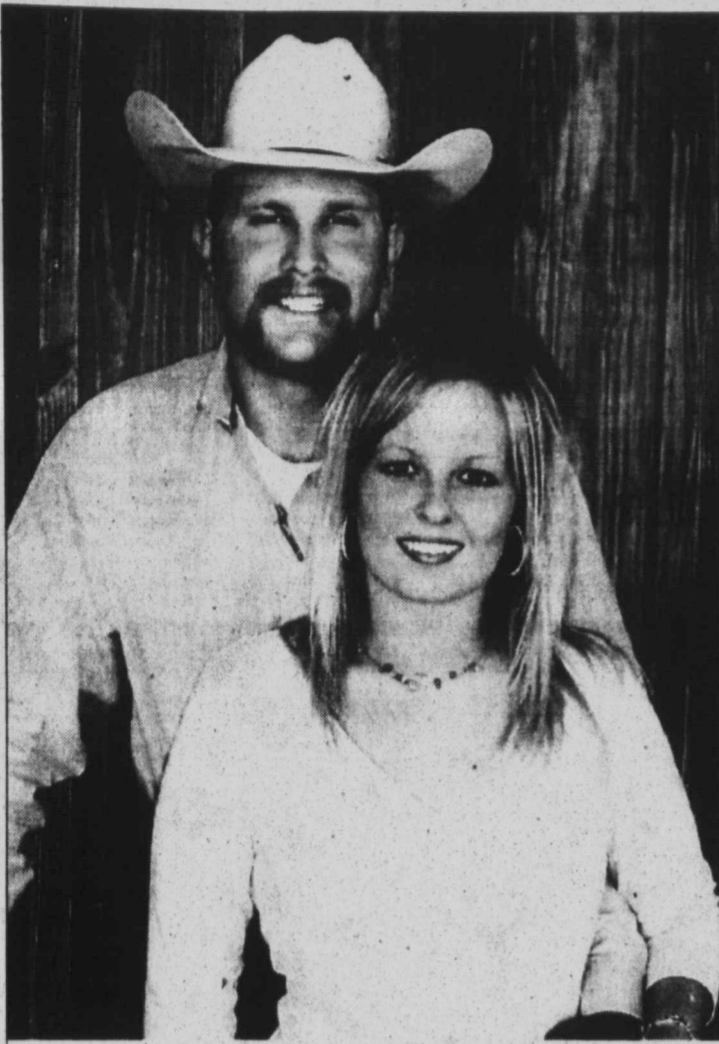

There was another story about the same time about a pet cemetery in California where about 1,000 pets were being dug up for removal because the owner of the property had decided to make the land available for human burials. There's a property dispute involved, but the end result is that lots of folks are being asked to dig up their dead dogs and cats, and they mostly don't know what to do with them.

How about setting up a business of selling the carcasses as weapons? No state license required; be the first in your neighborhood to own a powerful (smelling) dead dog or cat as a weapon against burglars, political candidates and insurance salesmen.

The breeder in St. Louis did return her attacker's \$100 purchase price for the Chihuahua. The breeder probably is just thankful she didn't sell that woman a horse.

NO, I DIDN'T forget about the live monkey. A chimpanzee, actually, named Cheeta, the original one in the Tarzan movies of the 1930s and 40s, is reportedly the world's oldest chimp at the age of 74, living at a primate sanctuary in Palm Springs, CA. The secret of longevity may simply be a lifetime of monkeying around.

### Youth Band ...

(continued from page 1)

three years ago, he was taught to play the guitar by his father.

Corry Norwood, rhythm guitar, songwriter and vocals, is the son of Mae Daun Norwood of Tahoka. He is a 2006 graduate of Tahoka High School, and plans to attend South Plains College and major in music. He has been playing the rhythm guitar for two and a half years and was self-taught.

Michael Lam, percussionist, is the son of My Chi and Becky Lam of Tahoka and a 2006 graduate of Tahoka High School. He was active in the Tahoka 3-D band where he learned percussion skills, and learned to play traps on his own.

Amanda Lopez, playing the bass guitar, is the daughter of Freddy and Teresa Lopez of Tahoka, and is a sophomore at Tahoka High School. She began playing the bass guitar at a young age and was taught by her father.

Eric, Michael and Corry have been together as a group for the past eight months. Amanda joined the group in late April. "We were asked to perform for the Class of 2006 Baccalaureate service, and needed a bass player which is where Amanda came in to join us," said Norwood. That was their very first performance in front of a live audience. Despite some admitted "nerves" in performing live in front of their peers, the group's performance was deemed excellent by those in attendance.

Hearing of the contest on FMX, the group decided to enter. The demo that was sent in to the station contained three original songs written by Green and Norwood, and two other songs from other artists. Anticipating to hear the news of the winners, Eric's sister, Stacie contacted the station to see if winners had yet been announced and discovered that the group was in the top seven that were chosen.

Those seven bands will play at the KFMX 94.5 FM stage at the 4th on Broadway Celebration. "30 Miles From Nowhere" will be the first band to perform at 10:45 a.m., so Tahoka fans wanting to hear the local band should arrive early for the festivities.

One of the seven bands will be chosen to perform on the Main Stage that evening by a panel of three judges, who are in the music business. Bands will be judged on their showmanship, performance and music.

Regardless of the outcome, "30 Miles From Nowhere" can add the "4th On Broadway" performance to their fledgling list of accomplishments.

**"The Power of Prayer"**  
*"Confess your sins to one another, and pray for one another, so that you may be healed. The prayer of the righteous is powerful and effective."*  
 -- James 5:16  
 As a young Christian, I would pray for those who mattered most in my life. That would be my family and friends. Yet I never thought of praying for my enemies. But they need my prayers too. The power of prayer can soften people's hearts and minds and change their desire to do evil deeds. Especially those in jail need my prayers, so that they can reform and return to meaningful life in society. James 5:16 says the prayer of a good person has a powerful effect. We are encouraged to pray for all who are sick or suffering and in need of healing. And we are to pray for those who have done wrong to receive God's forgiveness and salvation. This includes our enemies as well as our loved ones. Prayer can help people come to know God's grace throughout the world.  
*Prayer: God of the world, help us to remember that all people - whether friend or enemy - need our prayers. Teach us to love others as you love us. Amen.*

**Health Insurance Waiting Period Waived For Elected County Officials**

Lynn County Commissioners approved a motion Monday morning that will waive the 90-day waiting period for health insurance coverage for elected county officials. Currently, all county employees have a 90-day waiting period after employment with the county before they become eligible for health insurance, including elected county officials. Commissioners made a unanimous decision, however, that elected county officials who are beginning a term of office should be eligible to have immediate access to health coverage, as there is no doubt as to whether their employment will continue past the 90-day waiting period, unlike an at-will employee who is not bound to a specified employment period with the county. County employees who are not an elected official will continue to observe the waiting period for health insurance.

In other business, commissioners suspended the 5%

collection designated for jail funding for a three month period, with the 5% of collected funds to instead be designated to the general fund temporarily, for the months of July, August and September.

No action was taken on a couple of agenda items which were discussed by commissioners, County Judge H.G. Franklin and County Attorney Brian Kingston, including the topics of open range/closed range policy in the county, and the possibility of initiating a drug testing policy for all county personnel. Both issues are expected to be addressed at later meetings.

Sheriff Jerry D. Franklin reported on his department's activities, and monthly bills were approved.

All four commissioners were present for the meeting, including Don Morton, Don Blair, Mike Braddock and J.T. Miller, and other county officials.

**OISD Expresses Thanks to Thriftway**

Dear Editor:  
On behalf of the O'Donnell Independent School District students, staff, and Board of Trustees, I would like to thank Steve Sanders and Tahoka Thriftway for their support during our recent crisis. Allowing us to store our food commodities in their freezers while our freezer was inoperable saved our district a great deal of money, time, and inconvenience. Mr. Sanders' actions allowed us to continue to educate our children during summer school without interruption. His actions show that he truly supports all children.

Mr. Sanders' actions are a fine reflection on the community of Tahoka as well as the Thriftway Grocery Store Staff. His commitment to area students is exemplary and an example to be modeled by all community members and businesses. Furthermore, his actions have been demonstrated to all students the spirit and community pride that is part of living in the South Plains of Texas. I am sure that I speak for the entire O'Donnell community when I say thank you for all that they do for the students and children.

With their continued support and community leadership, our students as well as all students in our area, will have a greater chance of life-long success. Their actions will help assure the future of our students as well as our school.

Again, thanks to Thriftway for everything they do, and remember, with every step you take, "Eagle Pride."

Sincerely,  
Rodney Schneider,  
Superintendent, O'Donnell-ISD

**Booster Club Says "Thanks"**

Dear Editor,  
The Tahoka Athletic Bulldog Booster Club would like to thank everyone that participated and donated to our annual golf tournament. We would not have had the success in our annual golf tournament without your support. We are so fortunate to have great businesses in our town and in surrounding towns that support our athletes.

We all need to remember these businesses next time we are looking to do business: Donald Frietag M.D., First National Bank of Tahoka, Hogg's Flying Service, Joe Hays CPA, Wilson State Bank, Nathan Morris Insurance, Thriftway, Stringer Insurance, Lynn County Hospital District, Poka Lambro / Digital Cellular, Ag Texe Greenstreet, Lynn County Farm Bureau, Witt Butane, Wildcat Mfg. / Wildcat Fitness & Equipment, Quick Stripe, Lucy Me/Slapon Decals, W. Calloway Huffaker / Walker Solomon Agency / Lynn County Abstract, Xcel Energy, Outer Wear USA, PJs, NursCare Home Health & Hospice, Lyntegar & Tahoka Drug. They come through year after year to help show support for the athletes. We really appreciate their support and contribution.

We can not forget our cook, Brad Ashbrook, he came out and cooked sausages and burgers, his hard work is also appreciated. A very special thanks also goes to Cherry Gandy, she worked hard to insure that we had enough teams to make our tournament a great success.

Sincerely,  
Tahoka Athletic Bulldog  
Booster Club

**Honored at Camp ...** Logan Tekell, son of Lane and Heather Tekell of Tahoka, was awarded the "I'm Third" award at Kamp Kanakuk near Branson, Missouri, a camp for Christian athletes. He was awarded the honor for his cabin and also for the entire K-Klassic junior camp. The "I'm Third" award is presented to a camper who exemplifies Christ-like characteristics as their counselors have observed them putting God first, others second and leaving themselves third. The award is named after Capt. Johnny Ferrier who died heroically putting others before himself. This is Logan's third year to attend the camp, and his younger brother, Grant, also attended this year.

**Joe Hefflin leads Whistle Stop Caravan ...** On Saturday, June 17, a "Whistle Stop Caravan" touting 21 people in/on 12 vehicles traveled across Hwy. 380 from Aspermont to Brownfield to support Joe Hefflin's bid for State Representative District 85. Traveling from Crosbyton, the group went to Aspermont, Jayton, Post, Tahoka and Brownfield. At each stop the Arthur brothers from Lorenzo provided fiddle music for entertainment. In this photo, Hefflin (right) visits with Tahoka resident Bill Chancy at the Courthouse square.
