**Fatal Accident...** This 1989 Chevrolet Celebrity overturned north of Tahoka on U.S. 87 Wednesday Oct. 4, resulting in fatal injuries to a passenger, Eddie Fuller of Tahoka, who was airlifted to a Lubbock hospital and succumbed to his injuries three days later. (LCN PHOTO by Pam Elrod)

**Tahoka Man Dies After Car Overturns**

Traffic accidents on U.S. 87 north and south of Tahoka last week fatally injured a Tahoka man and seriously injured another.

Just after 3 p.m. last Wednesday eight miles north of Tahoka a 1989 Chevrolet driven by Alton Kelley, 75, of Tahoka overturned. A passenger in the car, Eddie Fuller, 88, also of Tahoka, was taken by helicopter to Covenant Hospital in Lubbock, where he died Saturday of injuries.

Kelley was taken by Lynn County EMS ambulance to Lynn County Hospital where he was treated for bruises and later was released. Investigating DPS Trooper David Hoard said both men were wearing seat belts.

On Thursday afternoon three miles north of O'Donnell a 2000 Toyota Tacoma pickup driven by Austin Beesley, 19, of Big Spring, overturned after having a blowout, according to Hoard, who with DPS Trooper Veronica Broun investigated that accident. Beesley was not treated at the hospital for injuries. Trooper Hoard

said excessive speed contributed to the accident.

During the last week Tahoka Police investigated a burglary and an accident where one of the vehicles left the scene, and sheriff's officers began an investigation into an identity theft case.

Helen Stephenson of Wilson told deputies that after she noticed an unusual charge on her natural gas bill, she learned that someone had opened an account with the gas company using her social security number.

Jo Ann Hall of Tahoka told police last Wednesday that several pieces of marble and granite had been stolen from a storage building near her residence on N. 4th St.

Augustina Leal Salazar of Tahoka told police that someone had damaged her Pontiac Grand Prix while it was parked at George's Restaurant on Oct. 1, leaving the scene after striking the left rear quarter of the car.

Police also made three arrests for public intoxication.

**County Attorney ...** Donnis Scott of Tahoka was officially sworn in to office as Lynn County Attorney on Monday, Oct. 2, 2006, filling the vacancy left by the resignation of Brian Kingston. I FAILED the third grade geography test. This was a test on the internet, supposedly designed for third graders, and sent to me by our preacher. I never was any good at geography and have no idea where a lot of places are.

Maybe the preacher was trying to tell me I need to brush up on my geography so I can find my way to church. For whatever reason it was sent, I did very poorly on what appears to be a simple test, sending my self-esteem even lower than it already was.

Here's how the test works: You click on this website ([http://www.pibmug.com/files/map\\_test.swf](http://www.pibmug.com/files/map_test.swf)) and a map of the United States comes up, showing the states, but with none of them identified. The names of the 48 states (Hawaii and Alaska are omitted) are at the side, and you click on each name and drag it to the proper state. Piece of cake, right? Well, you are allowed only a few minutes to do all this, and presumably any normal third grader would be able to do them all in the allotted time (although I'll have to see this to believe it).

When the bell rang showing that time was up, and an announcement made that I would not be promoted to the fourth grade, I had correctly identified only 16 of the 48 states.

I'm sure I can do better if I take the test again, but then again, maybe I won't try, since my ego has been so badly bruised.

I have no idea where a lot of places are, like Bali, Borneo, Latvia and Venezuela. I get lost driving through Snyder. I can't find the Alamo, Texas Stadium, Six Flags Over Texas, the Overhead Door Co. in Lubbock (you can see it from the loop, but there's no way to get there), the Grand Canyon or my car keys.

Geography is just not my thing. Anyway, who cares where all those Yankee states are, exactly?

Mary Rivas, 63, of Tahoka, passed away peacefully Saturday, October 7, 2006 at her home with her beloved husband, children, grandchildren and sisters at her side. Mary was born September 3, 1943 in Weslaco, TX to Fidel and Tomas Garcia. She married the love of her life, Cruz Rivas Jr., August 20, 1962.

Mary devoted much of her life to the care of others through her many years of service as a nursing assistant at Lynn County Hospital and Tahoka Care Center and later as a dietitian at Lakeside and Quaker Villa nursing facilities in Lubbock, TX. Mary had a passion for cooking and did so out of love for so many in her community. She devoted her entire life to her children and grandchildren. Mary's testimony and hope were that her children and grandchildren would embrace her same faith that "with the Lord in their lives, all things are possible and that the Joy of the Lord is their Strength." Mary touched so many lives and will truly be missed by all that loved her.

Preceding her in death were her infant son, Rodney Rivas; her father and mother, Fidel and Tomasa Garcia; and sister Amelia Garcia.

Those left to mourn her passing include her loving husband, Cruz Rivas Jr., her children, Mike Rivas and wife Paige, Bam-Bam Tomlinson and husband Gordon all of Tahoka, Cruz Rivas III and wife Kim, of Weatherford, Ronnie Rivas and wife Missy, of Lubbock, Patricia Trowbridge of Canyon; 10 grandchildren that adored their "Mamaw", Cody, Brandon, Justin, Jordan, Meghann, Dane, Leticia, Veronica, Brian and Cole; sisters, Janie Juarez, Toni Ramon, Elvira Montoya, Roberta Zavala all of Lubbock, Adella Tobar of Albuquerque NM, Angelica Nava of Pasadena, TX; brothers, Ray Garcia of Arlington, TX and Fidel Garcia of Pasadena, TX; mother-in-law, Emily Siller and husband Mac of Tahoka.

They say you can tell a lot about a person by the way she spends her spare time and by the causes she chooses to support. Well, I don't have much spare time, but I want you to know how I choose to spend the time I do have.

Because I'm a mother and a grandmother, or perhaps because I taught kindergartners for twenty years before attending law school, I especially enjoy activities that support and encourage our young people. I feel strongly about giving back to the community and helping those who need it.

Making judicial decisions requires applying the existing law to the facts in each case, while using common sense and good judgment to make those decisions. So, I think you have a right to know about the person who sits on your bench making those decisions that affect our lives and the lives of those around us.

This is all a part of the person I am. I respectfully ask for your support and your vote to trust me to continue working as your judge, making decisions in the public administration of justice.

### Letter To The Editor

#### Cotton Pickin' Bike Tour Very Successful

The early morning quiet of Sept. 30 was suddenly shattered by the sound of gunfire. This was not a shot fired in anger but rather in celebration of the start of The First Annual Cotton Pickin' Bike Tour. Over 90 bicyclists from Amarillo, Dallas, Lubbock, Midland, Odessa, and several local riders all gathered at the First United Methodist Church of Tahoka for a fun filled bike tour that included five different bicycle rides ranging from 5 miles to 70 miles.

During the rides many demonstrations of speed, endurance, and courage were noted. Many riders after completion of their rides commented that this was a great ride and that they would be back next year and bring friends. One rider from the Dallas area stated that he was really impressed with the friendliness of all the people he came into contact with, from the employees at the convenience store to the volunteers at each rest station. "We are not used to this kind of friendliness in the Dallas area. It feels good to be so welcomed to a community."

There were riders from several racing teams which included Texas Tech Racing and Peyton Racing Team. There were also riders who came to ride just because it was in Tahoka, including Dr. Jewel Davis from Granbury, TX. Gina Tamplen, the Cotton Pickin' Ride Director, stated that the overwhelming support of the people of Tahoka, Wilson, O'Donnell and the surrounding communities was what helped make this ride such a huge success, including the members of the Wilson Volunteer Fire Department who manned the first rest station for riders. Nothing like this ride could ever come to existence without the monetary support of companies and individuals that go the extra step to support these events.

As ride director, I would like to personally thank our gold sponsors for their donations, and their belief in what this ride was about. "Thank You:" First National Bank of Tahoka, Lynn County Hospital District, Taylor Tractor and Equipment of Tahoka, and Wildcat Manufacturing Company.

I would also like to give a personal "thank you" to our over 50 silver sponsors who gave door prizes or monetary support. And finally, I would like to say "thank you" and "bless you" to our volunteers who not only supported the ride, but gave of themselves and their time on that Saturday, and who represented this area so well.

We hope to have this ride next year, and hope to see more of the local riders attend.

**"Let Go"**  
Our 4-year-old daughter was having trouble with the zipper on her jacket, and she asked me to help. When I tried, she kept her hands on the zipper so that I couldn't do anything with it. Maybe she was afraid that I would think she had broken the zipper and that she would be in trouble.  
"If you want me to help you," I said, "You've got to let go of it." As the words left my mouth, I realized that I often treat God the same way my daughter was treating me. I ask for help but then refuse to let go of the situation. Maybe I'm afraid that God will blame me and be angry, especially if I have made poor decisions that got me into trouble.  
I am often anxious to keep control, even when I haven't done a good job of managing my life. I need to learn from my mistakes and be more willing to trust God to help me work through my problems.  
Prayer: Dear God, help us to trust you with our problems. Amen.

**Tahoka-Ex Juan Luna Commissioned As Naval Officer In Sept. 29 Ceremony**

Ensign Juan Gabriel Luna has been commissioned as Ensign and participated in a Commissioning Ceremony of the Joint Communications Unit of the U.S. Navy held Sept. 29 at Fort Bragg, NC.

Ensign Luna was born Dec. 17, 1975 and attended and graduated from Tahoka High School. He is the son of Juan and Delia Luna and grandson of Eva Calvillo and the late Juan Calvillo, all of Tahoka. He has five brothers and a sister.

He enlisted in the US Navy on Nov. 21, 1996 and attended Basic Training in Great Lakes, Ill., where he achieved the highest academic average in his class. Upon graduation he received orders to the USS Hopper (DDG-70).

While assigned to the Hopper, Luna attained the rank of RM2. He was assigned first as a message center operator, then NAVMACS technician, training Petty Officer, and finally watch center supervisor. **Fabuloso Cleaning Product Not Good To Drink**

A large number of accidental poisonings tracked by the Texas Poison Center Network were directly linked with consumption of Fabuloso™, an all-purpose cleaning product. Doctors presenting their findings during the annual meeting of the American College of Emergency Physicians (ACEP) in New Orleans suspect misleading packaging may be to blame.

"We noticed a number of emergency patients had drunk Fabuloso®," said Dr. David A. Masneri, one of the team of researchers from Darnall Army Medical Center in Fort Hood, Texas, who conducted the study. "It made us wonder what was going on, and we found out the Texas Poison Center records backed up what we were finding in the emergency department."

During the study from January through April 2006, 104 patient records in the Texas Poison Center database listed Fabuloso® as an ingested substance; 94 of those poisonings were unintentional. A minor gastrointestinal irritant, Fabuloso® does not cause any serious harm, although it can cause enough discomfort to require medical treatment. More than 60 percent of the patients were children under the age of six.

"When looking at a bottle of Fabuloso®—especially the yellow Limon, green Fresco Aman, and blue Ocean Fresh varieties—anyone will easily see a resemblance to certain popular beverages," said Dr. Masneri. "Dr. Marc Levsky of our team actually went so far as to taste it himself, and he reported that it smells very fruity but tastes very bland. We believe the combination of misleading packaging and sweet smell lures people to consume it. Further study, and perhaps packaging modification, is warranted. In the meantime, people should be aware

One of the top cancer programs in the nation

When a mammogram found a lump in Stacy's breast, her doctor referred her to the Joe Arrington Cancer Research and Treatment Center (JACC), home to the Arrington Comprehensive Breast Center. JACC's expert oncologists confirmed the breast cancer diagnosis but assured her that she had an excellent prognosis. Because she'd come to JACC—the top cancer program in the region and one of only 40 facilities in the nation to win the Outstanding Achievement Award from the Commission on Cancer of the American College of Surgeons—Stacy had access to the most advanced treatment options. Nonetheless, she feared her life would end before she achieved her goals—like attending college. Stacy's nurses were determined to prove her wrong, so they convinced her to apply for admission. Thanks to JACC, Stacy is now a breast cancer survivor—and a marketing major.

## Stacy worried breast cancer would cut life short.

Instead, it sent her in a new direction.

Call 1.866.4COVENANT (1.866.426.8362) during October to receive a coupon good for 10% off your next mammogram at JACC (valid until June 2007).

**Cotton Harvest ...** A few cotton strippers are now being seen in Lynn County to harvest what little cotton survived severe drought conditions, mostly all irrigated cotton. Two gins in the county have reported processing their first bale of cotton, with Woolam Gin in O'Donnell ginning their first bale on Sept. 29, from producer Matt Farmer, and New Home Coop Gin ginning their first bale at 5 p.m. Thursday, Oct. 5 from producer Joe Thomas. **Lynn County Residents Big Hit at Conference**

Two Lynn County residents, along with Amy Baugh, County Extension Agent-Family and Consumer Sciences, participated in the 2006 Texas Extension Education Association (TEEA) Annual Conference in Lubbock, TX in September. More than 500 TEEA members from across the state attended the conference, which was hosted by District 2 association of TEEA. The purpose of the conference is to provide education, leadership and involvement for TEEA members across the state.

"Lynn County business owner, Maxine Paris of Paris-n-Bloom, along with Kelly Craig, presented a workshop to more than 50 TEEA members on how to create her famous tomato cage Santa Clauses. Lynn County TEEA member, Katie Sloan, presented three workshops to more than 100 members on how to make her renowned keepsake t-shirt quilts. Both workshops were a huge hit. Katie, serving as a county delegate to the conference, also participated in business meetings, leader trainings, educational workshops, and the awards banquet," said Amy Baugh.

The mission of the Texas Extension Education Association is to work with Texas Cooperative Extension to strengthen and enrich families through educational programs; leadership development and community service. Additionally, the state association gives 12 \$1000 scholarships to 4-H members across the state, and the district association gives a \$600 scholarship to a 4-H member in District 2 each year.

TEEA clubs began in 1914 as Home Demonstration Clubs. The clubs were organized in most counties in Texas so rural women could meet for fellowship and learn skills to improve the family and community in which they lived. The club members, in turn, agreed to pass on to others in the community what they had learned in club work. Today, Texas Extension Education Association members continue to learn how to achieve better homes, families, and communities. They work on local and county wide projects, such as educational outreach programs on timely and interesting topics, raising funds for community buildings and equipment, providing scholarships for youth to improve the community and county where they live, and much more.

Texas Cooperative Extension in Lynn County is seeking enthusiastic citizens to organize community Extension Education (EE) clubs. Local clubs can consist of 6 or more individuals who have an interest in the purpose of TEEA. Clubs may have a variety of programs and activities throughout the year depending on the interests of the local club members.

Those interested in discovering how to become a member of TEEA and how to organize a local EE club are invited to contact Amy Baugh at 561-4562 or visit the Texas Cooperative Extension office in Lynn County, 1600 Ave J, Tahoka.

**School Bus Safety Week Is Oct. 15-21**

For Texas students, crossing the street to board a school bus or after exiting one can be one of the most dangerous parts of the journey to and from school. During the 2005-2006 school year, one student was killed and 11 students were injured while crossing the street or while boarding or exiting a school bus.

Texas state law requires drivers to stop for school buses that are stopped and have activated their alternating red flashing lights. Motorists who do not stop face fines of up to \$1,000, plus court costs if they are convicted.

"Drivers should not proceed until the school bus resumes motion, the driver is signaled by the bus driver to proceed or the visual signal is no longer activated," said Charley Kennington, DPS program administrator for school bus transportation.

School Bus Safety Week runs from October 15-21 across the nation. This year's safety week theme-"Be Aware-Cross with Care"-reminds students to be extra careful when they're crossing the street before they board the bus or after they exit.

"Children who are boarding or exiting the bus must be aware of what's happening around them. Unfortunately, some adults simply don't pay attention when they're driving-or they ignore safety laws," Kennington said. If a road is divided only by a

left-turning lane, drivers on both sides of the roadway must stop for school buses with alternating red flashing lights activated. However, if the lanes are separated by an intervening space or physical barrier, only motorists going in the same direction as the bus are required to stop.

DPS is encouraging school districts across the state to plan special events to observe School Bus Safety Week.

"School Bus Safety Week recognizes the hard work and dedication of school transportation professionals, especially school bus drivers, who ensure a safe journey for our children each and every day under all types of circumstances, including bad weather and difficult terrain," Kennington said.

School buses remain one of the safest modes of transportation in Texas-35,000 school buses transport 1.4 million Texas children every school day. School buses account for less than one-half of one percent of all Texas roadway crashes.

The most pediatric specialists in West Texas.

Three months before Paul was born, his doctors discovered a problem with his heart. They immediately sent his mom to Covenant Children's Hospital, the only licensed children's hospital in West Texas, for further tests. There, she met with the Covenant Children's Hospital team of pediatric cardiologists, who told her Paul would need open heart surgery almost as soon as he was born. She was devastated, thinking that he might not live to see his freshly painted nursery. The one bright spot? The news that the pediatric cardiac surgery program at Covenant Children's Hospital has a more than 97 percent success rate. When the day came and the doctor finally told her Paul had made it through, she captured the moment by snapping his picture. When Paul came home a few weeks later, the photo, now framed, stood guard over his crib.

Paul started life with a broken heart.

But thanks to Covenant's surgeons, it's as good as new.

I want to thank God, first, for giving me another chance to be with my family.

Thanks to everyone for their prayers, gifts, and visits to the hospital; to those who gave money donations; and to everyone that has been there for my kids wife I was in the hospital. Thanks, also, to all the staff at UMC.

I'm home trying to recuperate and, with God's help, I will make it.

All my love,  
Elena Martinez and family

Michael Walker and family would like to express their sincere gratitude to the community for all of your prayers and support.

The number of people who attended the service reflected how much she was loved and how much she will be missed. The food, flowers and loving support arrived in amazing abundance and was greatly appreciated.

We would like to give a special thank you to the Lynn County Courthouse and Law Enforcement staff, Lynn County Hospital, White Funeral Home, the Tahoka Trinity Church and its members.

Thank you very much,  
The Walker Family
