Accidents, burglaries reported in Tahoka

Two traffic accidents with no injuries and two burglaries of residences in Tahoka were investigated during the last week by Tahoka Police.

About 10 p.m. Halloween night, a 2009 Dodge Caliber SUV driven by Vicente Lopez, 25, of Colorado Springs, CO overturned at the intersection of Ave. C and 6th St., coming to rest upside down. Neither the driver nor four passengers, three of them Tahoka teenagers, was injured.

On Sunday afternoon in the 1800-block of Ave. N, a 2001 Chevrolet pickup driven by Lisa R. Abrego, 25, of Tahoka was towing a trailer. She was pulled into a residence where she was moving to, the open rear door of the trailer struck a parked 1999 Chevrolet Lumina owned by her mother, Becky Rodriguez.

On Friday Kathy Lynn Cloe reported a burglary of her residence on S. 4th St., with the front door apparently kicked in. Nothing appeared to be missing.

Virginia Solarzano reported seeing a male suspect in the back yard of her home on N. 8th St. Saturday evening

after it was discovered that someone apparently had just left the home after gaining entry through a window. The victim thought a ring and camera might possibly be missing.

After stopping a vehicle for a traffic violation Saturday, police arrested a 42-year-old Tahoka man on an outstanding warrant, a grand jury indictment for driving while intoxicated. He also was charged with possession of a controlled substance, and taken to jail.

A 43-year-old Slaton man was questioned as a suspect in a criminal mischief incident outside Town and Country store in Tahoka last Wednesday. A 2006 Volvo owned by Clark Haney Wells of Tahoka was keyed, with damage estimated at \$900.

Only 34 persons were in jail this week, with six of those held for Lubbock and one for Garza County. Four persons jailed during the last week were held on these charges: purchase and supplying alcohol to a minor, grand jury indictment for driving while intoxicated plus possession of a controlled substance, application to revoke probation on convictions of possession

of controlled substance and failure to appear, and one person held for DWI.

Dispatchers at the Lynn County Sheriff's Office answered 272 calls in October, including 123 for the county, 99 for City of Tahoka, 25 for City of O'Donnell, 21 ambulance calls and four fire alarms.

WE'RE beginning to have some cold weather, and already I don't like it. For me, winter weather is for the birds (penguins, actually). I'd like to spend my winters in Honolulu, where it never gets very cold. Can't afford that, though, so guess I'll have to stay around here, where it's at least warmer than some places.

For example, I read recently about how cold it gets in Antarctica, and that Antarctica is the only land on earth that is not owned by any country. I checked that out and learned that while that is true, several countries have submitted claims to the area, but most other nations do not recognize these claims and they remain in dispute. The reason probably is because nobody in his right mind would want the place, since it is just a big old chunk of ice at the south pole.

Antarctica is 1.4 times larger than the United States, but is more than 98 per cent covered in ice, although there is only about two inches of precipitation a year. There are no cities and no native population, and no permanent residents, unless one counts about 4,000 members of scientific expeditions which go there to freeze every year. Temperatures range from about 94 below zero to 54 below zero Fahrenheit, which is even colder than Amarillo. And if you should be there, you might not know what time it is, since all time zones come together at the pole.

By the way, the ice layer is really thick, almost three miles deep at its deepest point.

However, my source says that about 30,000 tourists visit the place each year, proving just how many nutty people there are in the world. Their frozen bodies probably are scattered all over the place down there.

The Lynn County Harvest Festival next year may offer a drawing for a free week-long trip to Antarctica. Second prize will be two weeks in Antarctica.

A LITTLE old lady answered a knock on the door one day, only to be confronted by a well-dressed young man carrying a vacuum cleaner. "Good morning," said the young man. "If I could take a couple of minutes of your time, I would like to demonstrate the very latest in high-powered vacuum cleaners."

"Go away!" said the old lady. "I'm broke and haven't got any money!" and she proceeded to close the door.

Quick as a flash, the young man wedged his foot in the door and pushed it wide open. "Don't be too hasty," he said. "Not until you have at least seen my demonstration." And with that, he emptied a bucket of horse manure onto her hallway carpet. "If this vacuum cleaner does not remove all traces of this horse manure from your carpet, Madam, I will personally eat the remainder."

The old lady stepped back and said, "Well let me get you a fork, 'cause they cut off my electricity this morning."

35 Years of service ... Walter Ray Steen (left), Chairman of the Lynn County Soil & Water Conservation District, was recognized and presented with a plaque for 35 years of service as District Director. The presentation was made at the 69th Annual Texas State Soil & Water Conservation District Directors meeting at Arlington. Scott Buckles, Chairman of the Association of Texas SWCD's, presented Steen with the plaque.

Stockings for Soldiers ... Pictured from left, Abigail Rodriguez, Linda Owen, Evelyn Hardt, McKenzie Henry and Spencer Mannis (not pictured), helped decorate stockings for soldiers in Korea. Linda Owen and Mary Belle Owen sewed 51 stockings together for the children to decorate.

Locals prepare Christmas stockings for U.S. soldiers based overseas

A group of local women and children have joined with the Stocking Patriots at Westminster Presbyterian Church in Lubbock to help sew and decorate Christmas stockings for U.S. soldiers based overseas. Linda Owen and Mary Belle Owen of Tahoka volunteered to help sew stockings, and have made 51 Christmas stockings that children in their own church helped decorate. Now, the Owen's are asking for local contributions to help fill the stockings before they are sent to airmen at Kunsan Air Base in South Korea this Christmas.

Small personal items are needed for the stockings, such as hand sanitizers, soap, combs, candy, handwritten cards, CDs, promotional items from businesses such as keychains or pens, and other small items. To donate, call Linda Owen at 561-5079 (leave message if no answer). Items must be donated by Nov. 18, as Mrs. Owen must provide the filled stockings to the stocking program at Westminster Church in Lubbock soon.

Mrs. Owen said she heard of the Lubbock church's project and called them, volunteering to provide at least 50 stockings. She was provided the cut-out pattern and fabric, and has taken the project from there, finishing the stockings with help from her church. Now all that is needed is for the stockings to be filled, so they can be sent overseas to help make the airmen's Christmas a little brighter.

"I am also talking to some of the local teachers to see if perhaps the children would want to write letters of encouragement or support to the troops, and we will can put those in the stockings as well," said Mrs. Owen.

When filled, the stockings will be returned to Westminster Presbyterian Church in Lubbock to be sent through their Stocking Patriots program. The project's goal is for 3,000 stockings to be shipped overseas to military members.

For more information, or to donate, call Linda Owen at 561-5079.

State inspection shows Lynnwood doing well

An annual state licensing inspection of Lynnwood Assisted Living facility in Tahoka showed no violations last week after a state team came in unan-

nounced to check out the facility and interview some of the residents.

After the inspection, the state team commended Lynnwood director Susie Sosa and the facility, members of the Lynn County Hospital Board were advised by Administrator Jim Morris in a meeting of the board last Thursday.

Board members heard a presentation from Steven DeWolf, requesting the hospital district to consider a tax abatement for Wind Tex Energy for a 10-year period during which the district would be paid a formula-established amount annually instead of taxes for the first decade of operation of a wind energy project in Lynn County.

The board voted unanimously to ask DeWolf to present a contract stipulating exact figures, and which would be subject to approval or rejection by the board. It was noted that Lynn County already has a tax abatement agreement with the company, which is planning to have a major wind energy project completed with much of it in Lynn County before the end of 2012, featuring many of the 400-foot tall wind chargers.

Morris reported that Dr. Pat Edwards, who recently broke a leg, has resumed seeing patients in his clinic at the hospital. He also reported that the health insurance carrier for hospital employees has been changed, and that work on renovating patient rooms has been accelerated.

The board approved written policies on nurse staffing and on the retirement system for employees.

President Jerry Ford presided at the meeting, attended by members Jannis Horwood, Virginia Griffing, Nancy Guillemans, Frances Truehart and Dalton Wood. Member Cal Huffaker was absent.

Local church collecting blankets for homeless

The Tahoka Church of Christ is sponsoring a blanket drive to help the homeless in Lynn County and in Lubbock through the Carpenter's Church Mission program in Lubbock. The church is accepting donations of new or gently used blankets or sleeping bags that will be passed on to those in need. Those who would like to help are asked to bring their donation to the Church of Christ before Monday, Nov. 23.

"Cold weather is upon us and many men, women and children find themselves without a roof over their head, and living and sleeping in extremely cold conditions. God has blessed many of us beyond measure and this is a way that we can give Him thanks - by giving to souls who are less fortunate than we are," said a sponsor.

"New blankets or sleeping bags would certainly be appreciated, but we will also accept used items that are in good condition. If you are donating a used item, please wash it and wrap it in a plastic bag, such as a dry cleaner bag," added the sponsor.

Donation bins are located on the west side of the church building at 2320 Lockwood.

If anyone knows of a family who needs blankets for the winter, contact Ron Fant at 561-4060. For more information, go to the church website at www.tahokachurchofchrist.com.

Phebe K. Warner CLUB NEWS

Ten Phebe K. Warner Club members met Tuesday, October 27, in the home of Deloris Short, with Barbara White as co-hostess.

Suzanne Baker, President, presided over the meeting, with Loretta Tekell, Treasurer, giving a financial report. The members voted to help with cookies at the Moonlight Madness on the courthouse square December 7th. The club also voted to pay for artificial trees to be put in the pots of the benches at the downtown park. Pat Park suggested the club do this to add to the park. Mrs. Park will see that this is done, using part of a Wal-Mart grant for funding.

The President asked members to meet Saturday, November 7, to place flags at Veteran's grave-sites at the Tahoka cemetery. The Student Council will

Loop strangles Mustangs 74-18

Loop bashed Wilson 74-18 last Friday in a six-man football game called at halftime on the 45-point rule.

In the half, Frederick Ramos gained 190 yards in 12 carries for Wilson, an average of 15.8 per carry, including one nifty run of 70 yards. Felipe Ortega

completed 7 of 8 passes for 77 yards and one touchdown, a pass caught by Francisco Hernandez.

Ramos scored two rushing touchdowns, and leads the team in scoring for the season with 22 touchdowns.

Bulldogs blanked by Sundown 19-0

Tahoka played pretty well on defense against Sundown last Friday, but couldn't score against the strong Roughnecks defense and went down 19-0, Tahoka's ninth loss of the season.

Coach John Cornelius' Bulldogs will close out the season here Friday hosting Forsan, which lost to Seagraves last week 39-6. Earlier this season the Bulldogs lost to Seagraves 41-19, which suggests that Tahoka has a chance to win this final game.

Sundown scored 6 points in the first quarter on a 5-yard pass from Jason Durham to Hunter Berry, and added 13 more points in the third period.

Tahoka managed just 101 yards of offense, including a 46-yard run by Kyron Lawson, and had only 5 first downs. Lawson totaled 53 yards in 12 carries and Jac Calvillo gained 40 yards in 8 efforts. On defense, Jamie Bingham and Larry Saldana had nine solo tackles each, with Bingham in on six others and Saldana counted on 8 others. Calvillo, Ben Freitag, Zach Garcia, John Cantu, Seth Hawthorne and Ridge Hall also did

well on defense.

Prepare to be scared ... This family is ready to go in to the Nightmare on Main Street haunted house on Halloween night, after donating canned goods for the senior citizens program as admission to the spook house in Tahoka. Inside, scary creatures and spooky sounds were all a part of the night's fun provided by Starr and Todd at Wildcat Manufacturing and a host of helpers.

Honored ... State Representative Joe Heflin (right) was presented the Outstanding Service Award by the County Judges and Commissioners Association of Texas (CJCAT) recently, for his support of economic development projects.

Rep. Joe Heflin presented Outstanding Service Award

State Representative Joe Heflin was presented the Outstanding Service Award by the County Judges and Commissioners Association of Texas (CJCAT) at the organization's annual conference last month in Corpus Christi. Rep. Heflin's work on wind farm and other economic development projects during this year's 81st Legislative session was cited as one of the primary reasons for the award.

"The leadership and support of Rep. Heflin was essential to the passage of our economic development legislation to continue wind farms and other projects," said Jim Allison, general counsel to CJCAT. "His knowledge of county government issues is an invaluable asset to counties and our taxpayers."

In receiving the award, Rep. Heflin said, "I want to thank you very much for this honor. It is always gratifying to be recognized

for efforts that truly benefit not only my District, but the State of Texas as a whole. As a former county judge, I have always enjoyed my work with the county judges and commissioners across the state, and that makes this award especially meaningful to me."

Before his election to the Texas Legislature in 2006, Rep. Heflin served five years as County Judge in Crosby County. CJCAT named Rep. Heflin Legislator of the Year after his first term in the Texas House, and he also was honored with the Sam Seale Award of Excellence by the West Texas County Judges and Commissioners Association. The Texas Association of Counties gave Rep. Heflin the Friend of County Government award and he was presented a Distinguished Legislative Service Award by the Texas Municipal League.

LETTERS to the EDITOR

Canned food drive is appreciated!

I want to thank everyone who visited the Nightmare on Main Street Haunted House on Halloween night and donated a can of food for the Lynn County Senior Citizens Center's on-site and home delivery food programs.

The generosity and goodwill of the residents of Tahoka and surrounding areas was clearly evident as I manned the entrance to Nightmare on Main Street on Saturday evening.

Nine boxes of canned food (a conservative estimate of approximately 500 cans) were delivered to the Lynn County Senior Citizens Center after the haunted house shut down.

I truly cannot adequately express how much we appreciate everyone's thoughtfulness and generosity.

Lastly, but by no means least, I want to give a special thank you to Starr and Todd Holland and all of the spooky and ghoulish characters inhabiting Nightmare on Main Street. The can food drive was their idea and even now, the only thing I can think to say, but which seems wholly inadequate, is thank you very much Starr and Todd. Thank you also to Leighton and Joan Knox for providing the building for Nightmare on Main Street.

Sincerely,
Bianca Baker, Director
Lynn County Senior Citizens Center

And the Oscar goes to...

We would like to take a quick moment to say thank you to so many people for all the help and time that they have put into the "Nightmare on Main Street" this Halloween. It was a great success.

Thanks to all of our friends and family (you know who you are) that played major roles in all the assistance from make up to helping keep the popcorn popping to the use of the building (thanks mom and dad)... you all went above and beyond what you volunteered for.

A special thanks to Shiloh Braddock and Ryan Curry for the extra hours that you guys put in on getting the building ready and all the other things that you took care of. Shiloh, a super thanks for saving us 100's of miles to Lubbock doing all those last minute stops for us.

Cathy Ross and Cara Henderson, thank you for not letting the popcorn popper slow down (that's more work than anyone knows) and Bianca Baker (hope you are feeling better) for sitting out in the heat to cold collecting all the cans, we could not have done any of this without the three of you.

To all of our assistants you guys were great... Shiloh, Ryan and Erica Curry, Mandy Terry, Abi Henderson, Michael Paris, Patrick Wells, Kordell Baker, Laura Henderson, Mikaylee Gwin, Paul Henderson, Kohl Angeley, Kara Larpenter, Caley Bingham, Heath Ross and to anyone else that popped in and out...there is not enough words to say thank you for all the hard hours of work that you guys put in. Michael, I still do not know how on earth you can sit still for that length of time, you are the best, and Mikaylee, wow, I do not know anyone that can stay in a wooden crate for hours in the dark without going nuts. But we have to give a special "Oh my goodness Best Actress award" to Abi Henderson. Abi, your voice is still echoing in my head and there is no repair for the metal plate that you used

Trevor White speaks at Arlington event

Trevor White of New Home is shown in this photo at the meeting of the Association of Texas Conservation District Employees, held October 19 at Arlington. He made a power point presentation on his experience at Scotland as part of winning the National FFA Livestock Judging Contest, and on the FFA Agriculture and Conservation Programs.

TREVOR WHITE

He explained about the roles that organizations like FFA and 4-H play in educating kids about agriculture. At the end of the presentation he explained the importance of how vital it is that they get involved in educating our youth about the importance of agriculture and conservation so that our land will be

fruitful for generations to come and that we will have people to farm it.

White was raised on a medium sized cotton farm. As an active member in several youth organizations such as Student

Council, 4-H, and FFA, he served as Student Body President of New Home High School, won high individual and 1st place team at the National FFA Livestock Judging Contest, and served as a State Vice-President for the Texas FFA Association.

He is a sophomore at Texas Tech University, majoring in Agricultural Economics and General Business and is a member of the competitive judging teams as well as several student organizations such as the Ag Ambassadors, a group of students with highly developed speaking skills who give talks about the importance of agriculture, and the Agri-Techsans, the student recruiters for the College of Agricultural Sciences and Natural Resources.

Trevor is the son of Michael and Carol White of New Home.
