DEADLINE: Noon Tuesdays

Tahoka High School Principal Jeff Perez

Jeff Perez, Jeff Fleenor are new THS, TMS principals

Two new campus principals were hired at a special early morning board meeting last Tuesday, and this week both have hit the ground running, already on duty on the campuses of Tahoka Independent School District. Both, coincidentally, have the first name of Jeff.

Jeff Perez is the new Tahoka High School Principal, coming to Tahoka from a position as assistant principal for three years at Levelland High School. He and his wife, Yvette, have four children, two of whom will be attending TISD. Mrs. Perez, who is a certified teacher, will be a teaching assistant at Tahoka Elementary School.

The Board of Trustees approved a one-year contract with a salary of \$70,000 for the high school administrative position, and approved a \$65,000 salary on a one-year contract for the middle school principal.

Jeff Fleenor is the new Tahoka Middle School Principal, and he and his family are moving here from Chillicothe where he was elementary principal for the past three years. He

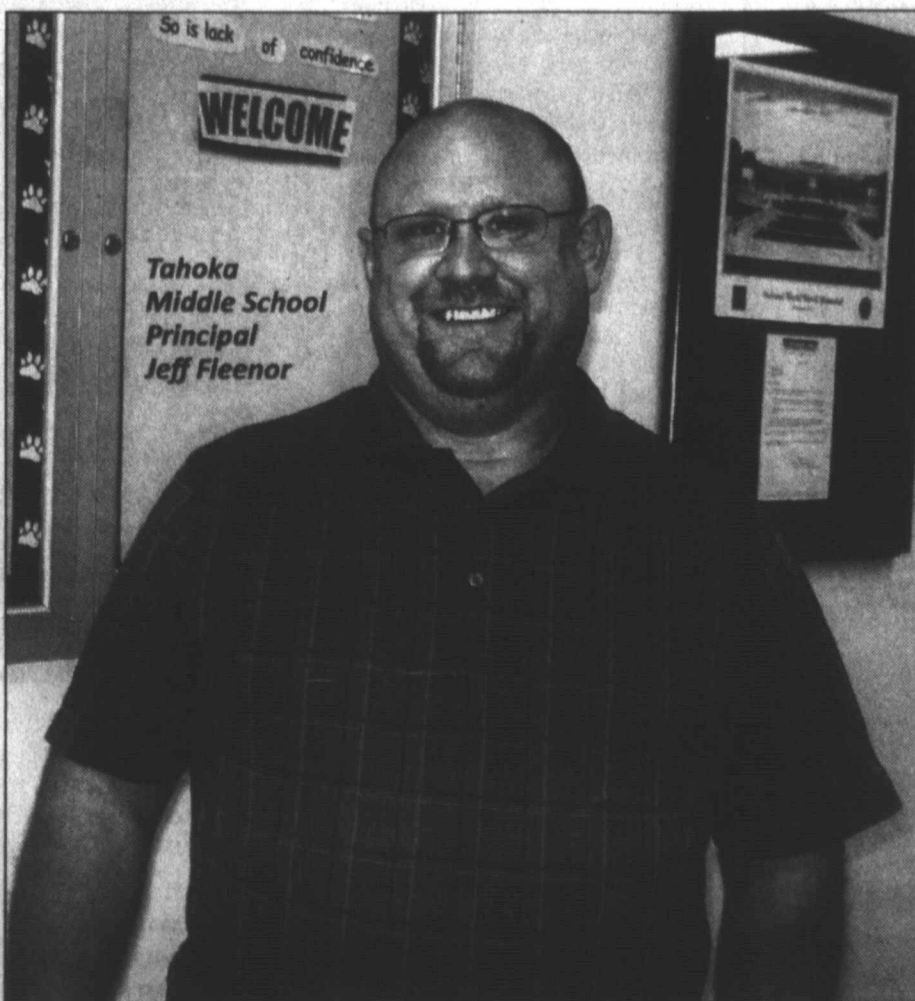

has been an administrator for a total of five years, and was a teacher/coach previously. He and his wife, Susan, have five children, with four of them to attend classes at Tahoka ISD. Mrs. Fleenor will be a librarian at Bayless Elementary School in Lubbock.

Both Perez and Fleenor told *The News* that they were happy to be here and excited about working at Tahoka ISD.

Two teacher contracts were also approved at the July 3 board meeting, for Ty Sisk as a teacher/coach, and for Whitney Wilson as Family and Consumer Sciences (FCS) teacher at Tahoka High School.

The Board of Trustees met again this week, on July 9, in regular session. Two teacher resignations were reported, including Lindsey Garcia, high school English teacher, and Kami Keaton, FCS teacher.

Trustees approved a contract with Doug Karr, Ed.D. for financial consulting services, and approved Claims Administrative Services worker's compensation insurance.

City OKs bid on Ave. N water line improvements

The bid of a Denver City company to replace and improve water lines in a seven-block section of the city was approved by Tahoka City Council, which met Monday evening at city hall.

The project on Ave. N, in the area of N. 4th St. and Lockwood, is just a portion of a planned overall replacement of all of the city's ancient and eroding water lines, hopefully to be achieved in the next few years.

Approved Monday was the bid of Tejas Construction Co. for the Ave. N work at a cost of \$300,325, with all except about \$55,000 to be paid through

a Community Development Block Grant already approved, according to Mayor John Baker.

Other action taken by the council Monday included lowering the speed limit in the 1600-block of N. 1st St. to 20 miles per hour, and replacing yield signs near the mini-park on Ave. J and Ave. K with stop signs.

Mayor Baker presided at the meeting, attended by City Administrator Jerry Webster and council members Amy Preston, Jeff Martin and Ronnie Jolly. Absent were members Rudy Fuentes and Ray Don Box.

Tahoka 3-D Band recordings advance to state finals

The Tahoka High School 3-D Band has recordings advancing to the State Finals in two different categories and competitions. In the ATSSB Outstanding Performance Series, Tahoka's individual performances of "Tahoka Galop" and "La Madre de los Gatos" have advanced to the State Finals. In the TMEA 1A 2013 Honor Band Competition, Tahoka's performance of the above two numbers plus "Moscow, 1941" came in first at both the Region Level and the Area Level and now has advanced to the TMEA State Finals. Both the OPS and the Honor Band will be decided the first day of the Texas Bandmaster Association's Convention, July 20.

The OPS recognizes best individual march and concert performances in 1A, while the Honor Band judges all three performances together to select the best 1A band in the State of Texas. The Tahoka 3-D Band was 2nd Runner-Up to the 2010 1A Honor Band and 1st Runner-Up to the 2011 1A Honor Band.

"To be selected as the 1A Honor

Band would be an extremely high honor, equal to, if not greater than the State Marching Championship, for the 2013, 1A Honor Band will perform in February, 2013 at the Texas Music Educators Association's Convention, the world's largest music convention," stated director Carroll Rhodes.

"Last year's 3-D Band (11-12) overcame a lot of obstacles and proved to be an exceptional group of whom I am extremely proud. The results of their efforts clearly show in how far their performances have advanced," added Rhodes.

WHEN ST. PAUL LUTHERAN Church at Wilson put on their excellent fireworks show June 30, it appeared that the full moon perched up there southeast of the site was almost close enough to be part of the show.

I commented that the moon appeared to be about five miles up there, and I knew it was a lot further than that, but I couldn't remember the distance from the earth to the moon. Turns out none of the people around me could remember, either. Students in grade school or high school probably know, but by the time they reach my age, they won't remember.

One guy seated near me said he could just barely make out the slightly used dune buggy which American astronauts left on the moon to confuse the next group of aliens from Krypton or Roswell or wherever that lands on the moon someday.

The fireworks display included some little wiggly things that zipped across the sky, screaming like wounded pigs for a few seconds, and some of them appeared to almost hit the moon.

They didn't really get too close, though. My computer says the moon is at least 225,622 miles away. It has an elliptical orbit, and that would be at its closest point. At its longest distance from the earth, it is 252,088 miles, and no, I don't know who or how they measured it.

I have not been to the moon, nor am I planning a trip there. The moon is not exactly a lush vacation spot, and like New York City or Sacramento, one visit is plenty.

A fairly recent blonde joke has someone asking this blonde, which is closest, Florida or the moon? And she replies, "Hello—can you see Florida from here?"

I also am considering the nursery rhyme which says, in part, "Hey, Diddle Diddle, the cat and the fiddle; the cow jumped over the moon. . ." and I am thinking that if this cow is still around, she definitely needs to be entered in the Olympics Moon Hurdling Event, if they have one.

Sizzling Summer Book Sale starts next week at Library

The City-County Library will be holding a "Sizzling Summer Book Sale" from July 16-27 in the small classroom at the Life Enrichment Center, located at 1717 Main Street in Tahoka.

"We usually have our book sales in the spring and fall, but we didn't get the spring sale organized so we are holding a 'Sizzling Summer Sale' to make up for it," said Claudia Guin, Library Director. "So that more people may have an opportunity to shop, we have also extended

the book sale to two weeks this time around," added Guin.

The sale will open on Monday, July 16 and will run during regular library hours, which are Monday-Friday: 9 a.m.-1 p.m. and 2 p.m.-6 p.m.; and Saturday 9 a.m.-noon. The sale will conclude Friday, July 27. Prices will range from 25¢ to \$5 per item, with most items selling for 25¢ each.

For more information on the event, contact the library at 561-4050.

The aftermath ... There is no excuse for the fireworks trash left on rural roads, such as this mess left on the side of a road northeast of T-Bar Country Club, after the July 4th fireworks celebrations. Debris like this can be found on many of the rural roads just outside Tahoka's city limits, and left untended blows into adjacent cotton fields, creating problems for landowners. Be considerate - return to the scene of your fireworks fun to pick up your trash.

County Commissioners open lone roofing bid

Lynn County Commissioners met Monday morning in regular session to consider county business, including opening of sealed bids for roof repairs for several county buildings. Only one contractor submitted a bid, and commissioners accepted the bid of \$178,663.67 from Property Development Solutions, Inc. to repair damage to roofs, with the exception of the courthouse roof. Because the courthouse is designated a historical building and falls under certain guidelines, county officials are discussing the courthouse roof repair work with the Lynn County Historical Commission before approving that portion of the bid.

Moving expenses were approved for moving the tax assessor's office and justice of

peace office from the courthouse building to the county annex building on the west side of the square. Those offices are expected to move soon.

DPS Troopers Rainey and Smith were introduced to commissioners, and they addressed the court regarding budget concerns. A letter from W. Caloway Huffaker, III was read regarding the approval of the Justice Department decision on redistricting.

Sheriff Jerry D. Franklin reported on his department's activities, and monthly bills were approved. A budget work session followed the meeting, which recessed at noon. Commissioners planned to reconvene today (Thursday) at 9 a.m. to continue budget sessions.

Doug Barham Foundation supports local scholarships, community functions

The Douglas G. Barham Foundation, in its fourth year of existence, has made contributions of almost \$45,000 in scholarships and benevolence funds benefiting Tahoka and area citizens. In addition to scholarships benefiting the Barham children, several other scholarships are given to Lynn County high school students, and funds have been contributed to local families in need as well as to several community organizations including Lynn County EMS and all four volunteer fire departments in the county.

Douglas G. "Doug" Barham grew up in Tahoka, Texas and spent most of his life here. He graduated from Tahoka High School and married a hometown girl, Maritia Fowlkes. Together they had three children: a daughter, Maddie, and sons Garrett and Carson. Doug embraced the life of a farmer from 1984 until 2006 when he and the family moved to Victoria, Texas for other job opportunities.

After Doug's tragic death in an automobile accident in 2009, friends organized an event to honor his memory and to help

raise money for his family's needs and his children's educations. From those beginnings sprang the Douglas G. Barham Foundation, which was recognized as a 501 (c) (3) corporation in 2011.

Because of the generosity of Doug's friends and neighbors at the first fundraiser, the foundation's board of directors decided that in addition to the benevolence fund for the Barham family, scholarships should be offered to Lynn County students in three areas that Doug was passionate about: Tahoka Bulldog Athletics, Future Farmers of America, and 4-H.

After continued successful fundraising, the decision was made that in addition to scholarship opportunities, funding should be set aside for contributions in other areas that would benefit citizens of Lynn County. Those new areas were community service organizations and other families like the Barhams' facing financial hardships due to unexpected circumstances.

To date, the Barham Foundation has made contributions of almost \$45,000 including:

- 2009: \$6,980 through the

Wildlife at Tahoka Lake ... There are many opportunities for wildlife photos at Tahoka Lake Pasture. This photo was taken by Donna Chafin last year. For tours of the area, contact Clyde May at 806-327-5434 or 1-888-568-7301 and leave a message.

benevolence fund

- 2010: \$4,729 through the scholarship fund, \$4,408 through the benevolence fund

- 2011: \$5,177 through the scholarship fund, \$8,650 through the benevolence fund, and \$5,000 through the community service fund

- 2012: \$4,500 through the scholarship fund, and \$5,500 through the benevolence fund

"Each July, friends gather at the T-Bar Country Club in Tahoka to remember Doug with a two day event that includes a rousing round of poker, a competitive game of golf, a lively auction, and a hearty barbeque dinner. Participants also enjoy plenty of prizes, spirited fun, and laughter," said Claudia Guin, President of the foundation.

Doug was affectionately known to his friends as "Bud-

ha," and a small Buddha statue is the traveling prize for winning the poker tournament.

"This year's event will be held Friday and Saturday, July 27-28. All proceeds will benefit the Douglas G. Barham Foundation and our philanthropic efforts. We hope to see you there!" she added.

The Texas Hold 'Em tournament will begin at 7 p.m. Friday, July 27 at the T-Bar clubhouse. It's a \$20 buy-in, non-cash game. The initial buy-in and each re-buy will entitle the player to one raffle ticket. The 4-Man Scramble kicks off at 9 a.m. Saturday, with an entry fee of \$100 per person. Prizes will be given for longest drive and closest to the pin and here will be a cash hole. Sausage wrap and ticket for the barbeque dinner are included with entry fee. To enter, contact Chad Ford at

806-577-8430, Eddie Hancock at 806-891-7191, Mike Rivas at 806-239-9567, or Alan Curry at 806-778-4661.

Come visit with friends and meet the Barham family from 3-7 p.m. as area cooks serve up a dinner of brisket, potato salad, beans, and fixings. Take out plates will be available, and tickets are available at the door, at a cost of \$15 per person. The dinner will conclude with an auction from 6-7 p.m., with items including trips, baked goods and a variety of other items.

For more information, contact Claudia Guin at 806-535-1477 or Alan Curry at 806-778-4661.

Cards of Thanks

We would like to say thank you for all the thoughts and prayers, visits, texts and calls, facebook comments, food and gifts for Jim and our family the last couple of weeks. Thank you to all of you who helped Jim get the medical attention he needed; and to all that were so supportive and caring to make sure Caley was taken care of and carried to the hospital to be with Jim. Also, thank you to all of those that made sure our steer was taken care of at Levelland and at home. We are very blessed to have such caring and loving family and friends. Your prayers were definitely felt and answered, and we are so grateful and thankful for them. We can never express enough our sincere appreciation and love that we have for each of you.

Again, we are so blessed and thankful.

God Bless and Thank You!

Jamie & Caley Bingham

The family of Harry Lee Short wishes to say "Thank You" to all the people of this generous community for the kindness you showed us during the loss of our husband, father, grandfather, great-grandfather and brother. The delicious food you prepared and served, the beautiful flowers, the fellowship of the Methodist Church members and your beautiful church, and all your words of comfort and encouragement were much appreciated. Bill Fuller, pastor of the First Baptist Church, and Byron Norwood blessed our hearts with the exceptional message and music. Every prayer and thought touched our hearts.

The passing of a loved one is a very difficult experience. We are forever grateful for every thought, prayer, food dish, flower, hug, smile and visit we received during this life-changing event. Krystle Lyne is special to so many and it was truly evident through the outreach we received. We would like to extend our heartfelt appreciation to the Lynn County EMS, Lynn County Hospital staff, Tahoka Police Department and Calvillo Funeral Home for all your services to our family. With the help and love each of you have shown, we are able to begin our healing process. We ask that you continue prayer for our entire family, but most importantly for our new Angel. Thank you again and may God bless you all.

Compassionately Yours,
The Sosa & The Calvillo Families

God needed a very sweet Angel, and took our Mother home on June 25, 2012. A big "Thank you" to everyone who was a part of us during this difficult time in our life. The hospital visits, cards, phone calls, prayers, thoughts, concerns, food, flowers, support, words of wisdom, your love and hugs, are very much appreciated. We/Mother are very proud to have been a part of Lynn County for many years. The friendships we developed throughout the years have been amazing! It was a short, yet a long bumpy road, that we traveled, before losing this battle that we fought so hard to win. Our Mother is now in Heaven with our Father, our brother, and Our Almighty God... Once again, thank you! May God Bless You All!

There are no words adequate enough to say thank you to everyone who expressed their sympathy during the loss of our beloved husband/dad, Johnny. He was a wonderful person and through the memories that he gave each of us, he will live on forever in our hearts. Thank you for all the love, support, food, cards, flowers, and arrangements sent to help ease our pain. We will be forever grateful. Proverbs 17:17

Children of God

READ 1 JOHN 3:1-3

How great is the love the Father has lavished on us, that we should be called children of God!

1 John 3:1 (NIV)

The day with my four-year-old had been particularly trying. I was tired and felt like a failure. When I looked in on her before going to bed myself, I stood for a while, watching her sleep peacefully. While breathing in the fresh scent of her, I thought of the trials of the day and of my love for her. Earlier I had lost my patience and been frustrated, but my frustration could never diminish my love for her. I gently stroked her face and whispered, "I will always love you. Tomorrow will be a better day."

It suddenly occurred to me that God loves me the way I love my daughter — but immeasurably more than we humans could ever be capable of. I am a child of God. Even when I frustrate God and fail to listen, God's love endures. I may make mistakes, but God will always smile on me with unending love. I imagine God looking down on me as I sleep and saying, "I will always love you. Tomorrow will be a better day."

That night I was able to go to sleep full of hope for the next day.

Thought for the Day: I am a dearly loved child of God.

PRAYER: Dear heavenly Father, thank you for loving us unconditionally. May we convey your love to our families and to those we encounter throughout our days. Amen.

Family Pool Party on July 21 to benefit Senior Citizens Center

Area citizens are invited to a family pool party on Saturday, July 21 at the Tahoka City Pool, from 7-11 p.m. Free hot dogs, drinks, music and fun in the pool will be offered, with an entry fee of six canned food items (per person) to benefit the Lynn County Pioneers Senior Citizens Center. Pool rules apply and lifeguards will be on duty.

"Everyone is welcomed and we encourage you to come join our 3rd Annual Morales Family Pool Party and Senior Citizens Canned Food Drive," invites coordinators Carlos and Gloria Moralez and family.

"This event will be at the Tahoka City Pool on the corner of South 8th and Avenue L. Six canned food items per person is your admission to an evening of fun-filled splashing good time with friends and family," said Moralez. "This will benefit the Lynn County Senior Citizens Program. We all are appreciative of the honorable passion of service the Program Director, Ms. Bianca Baker, and her staff have done and continue to do for our elderly population."

"In addition to canned goods, other acceptable donations that the Senior Citizens Center can use include paper towels, box of 33-gallon trash bags, toilet paper, plastic drinking cups, napkins, plastic silverware, paper plates, or the like. This agency uses these items a lot and as you might assume they are big expenses in their monthly budget," added sponsors.

There will be free hot dogs

Wild horse and burro adoption slated in Lubbock

The U.S. Bureau of Land Management (BLM) will hold a wild horse and burro adoption in Lubbock, July 12-14. The three-day event at the Panhandle Plains Fairgrounds (Livestock Pavilion) will feature over 50 spectacular animals. These are adult and yearling horses and burros that once roamed free on public lands in the West. The BLM periodically removes excess animals from the range in order to maintain healthy herds and to protect other rangeland resources.

Adoption begins with a competitive bid Thursday July 12, at 2 p.m. First-come-first-served adoptions follow until 6 p.m., then again Friday, July 13, from 8 a.m. to 6 p.m., and Saturday, July 14, from 8 a.m. to noon.

Adoption Qualifications: Application approval is required and can be done on site. To qualify to adopt, one must be at least 18 years old with no record of animal abuse. Adopters must have a minimum of 400 square feet of corral space per animal, with free access to food, water and shelter.

Adoption Fees: The standard adoption fee is \$125, as set by law. Bidding will start at that amount. \$500 Adoption Incentive; BLM pays a one-time \$500 care-and-feeding allowance to adopters of horses at least four years old. The allowance is paid in full after one year when adopters receive official ownership title for their horse(s). All standard adoption conditions and fees apply. A limited number of eligible horses will be available.

Thank you, to you, our friends who have let us borrow equipment for cleaning up and for the ones that have stopped by or have called. Our indebtedness goes to each of you. Once again it is so touching to be part of such a caring, loving and helping community.
