Historical Moment Mandi Duncan is Tahoka's first female Municipal Judge

by JUANELL JONES

Tahoka city officials Monday night appointed Mandi Tejada Duncan as Municipal Judge for the City of Tahoka, in the process creating a historical moment in city chronicles as Duncan is the first female judge, and most likely the youngest person to serve in the position.

Duncan, 32, was officially sworn in to office at the special session on Monday, succeeding Judge Jerry Ford who retired Friday after 18 years as Municipal Judge for the City of Tahoka. Members of the City Council were unanimous in making the ap-

pointment. The council also appointed former councilman Jay Dee House as the city's representative to the Canadian River Municipal Water Authority Board of Directors.

"I am excited about my new position as Municipal Judge," said Duncan.

"If you receive a citation, please contact me so we can discuss your options, I will work with you to resolve your issues in a fair and timely manner. And if you don't receive a citation, feel free to stop by anyway, I look forward to serving the people of Tahoka," she added.

Her office hours at City Hall are 8:30-11:30 a.m. Monday through Friday, and she may be contacted by phone at 806-561-4284 or email tahokacourt@poka.com.

The city also has a website with information and links to the Municipal Judge's office, at www.tahoka-texas.com.

Intoxicated man in street arrested

Tahoka police arrested an apparently intoxicated man walking in the middle of a residential street Saturday afternoon. The 23-year-old Tahoka man was charged with public intoxication.

The man and four other persons were jailed during the last week. One man and one female were charged with theft of property by check, more than \$20 and less than \$500. Another woman was jailed for assault causing bodily injury, and a third woman was held for Andrews County.

Lynn County jail was holding 19 inmates early this week, with two held for Andrews County.

Family Pool Party on Aug. 3 to benefit Senior Citizens Center

Area citizens are invited to a family pool party on Saturday, August 3 at the Tahoka City Pool, from 6-9 p.m. Free hot dogs, drinks, music by DJ Yoyo and fun in the pool will be offered, with an entry fee of \$3 (per person) to benefit the Lynn County Pioneers Senior Citizens Center. Pool rules apply and lifeguards will be on duty.

"Everyone is welcomed and we encourage you to come join our 3rd Annual Moralez Family Pool Party and Senior Citizens Benefit," invites coordinators Carlos and Gloria Moralez and family.

"This event will be at the Tahoka City Pool on the corner of South 8th and Avenue L. This will benefit the Lynn County Senior Citizens Program. We all are appreciative of the honorable passion of service the Program Director, Ms. Bianca Baker, and her staff have done and continue to do for our elderly population."

"In addition to the entry fee, other acceptable donations that the Senior Citizens Center can use include paper towels, box of 33-gallon trash bags, toilet paper, plastic drinking cups, napkins, plastic silverware, paper plates, or the like. This agency uses these items a lot and as you might assume they are big expenses in their monthly budget," added sponsors.

Taking the oath ... Tahoka Mayor John Baker administers the Oath of Office to the city's newest official, Municipal Judge Mandi Tejada Duncan, during ceremonies held at Monday night's special council session. She is the first female to hold the position, and according to some unofficial research, most likely the youngest to assume the duties, at age 32. (LCN PHOTO by Juanell Jones)

daughter of Rudy and Mercy Tejada and the late Bobby and Peggy Jolly.

City Administrator Jerry Webster believes Duncan is also the youngest person to serve as Municipal Judge. According to local historians and businessmen, the position of Municipal Judge was not a separate position for the city until the appointment of Melvin Burks, probably sometime in the early 1980s. Burks was a former county judge who was appointed as municipal judge after he retired from the county judge's office, serving until

1995 when Jerry Ford succeeded him in office (1995-2013).

Prior to Burks, it is believed that the job of municipal judge was combined with the duties of other offices, including the position of chamber of commerce secretary Maurice Small (approx. 1950s-late 1960s). Mayor Mel Leslie (who served as Mayor from 1961-1985 and was also municipal judge for a portion of those years), and City Manager Milt Uzzle (city manager from 1964-1976 and undertook the duties of municipal judge).

Where in the world is The Lynn County News? at the British Open!

In Scotland ...
Elaine and Richard Lopez of Tahoka attended one of the practice rounds at the British Open held last week at Muirfield Golf Links, East Lothian, Scotland. Elaine said, "I actually yelled out at Sergio Garcia after he hit and was walking off the hole. He looked up and I gave him a thumbs up and he smiled at me! I think Richard took a picture of him smiling."

In The Open, Phil Mickelson made four birdies over his last six holes to shoot 66 and win the 142nd British Open. Mickelson (65-74-73-66) was the only man to finish under par.

The flight distance from USA to Scotland is 4,244 miles, so The Lynn County News is a long way from home!

Graphic novels for kids now available at City-County Library

Do you have a reluctant reader, or a child who has trouble understanding what he or she reads? We have a solution for you!

Graphic novels are stories told in comic book format. Kids love them because instead of seeing a page full of words, they see words in picture panels. Pictures help those who have trouble with context to understand the story. Reluctant readers think graphic novels are easier to read, even though studies have shown they actually introduce children to slightly more "rare" words than the average children's book. In addition, graphic novels are just plain fun!

The City-County Library in Tahoka now offers graphic

novels for ages Pre-K through teen, of interest to both girls and boys. For more information on the library's new graphic novel collection, call the library at 561-4050.

Funding for the initial purchase to begin this collection at the City-County Library was generously provided by the

Tahoka Rotary Club, Phebe K. Warner Club, and Mrs. Mary Ann Russ and the Monsanto Fund.

Rodeo Queen ... Madison Davis (center) was named Queen at the O'Donnell Rodeo held earlier this month. Other queen candidates were Bailey Little (left), and Maggie Collins (right).

Woodwork

APPARENTLY I'M just one of many people who don't drink enough water every day. Every time I get checked out with a blood test, my doctor tells me I should drink more water, and he is not buying my contention that we Methodists don't require as much water as those other people.

Mayo Clinic recently published an article hinting that most people don't drink as much water as they should, and saying that how much water a person should drink each day depends on many factors, including your health, how active you are and where you live.

Mayo says every system in your body needs water, and "lack of water can lead to dehydration...when you don't have enough water in your body to carry out normal functions." The clinic says the average male needs about 13 cups a day and the average female about 9 cups. They need more if they are out in the West Texas sun a lot (although Mayo's didn't say that; they probably just barely have heard of Texas).

The clinic said the old adage of eight 8-ounce glasses of water a day is not usually enough.

From London last week came a report that university researchers found that drinking water makes your brain work better and faster, and that drinking two cups of water before an exam improved grades (and you probably work faster because you need to get to a bathroom).

I usually keep a couple of 17-ounce water bottles on my desk and drink two or three a day, obviously not enough. Just last week one of the office people passed by and pointed at my bottles, saying I needed to get rid of them, because the water was sort of greenish.

I chucked the bottles and got some new ones. She said the other two were full of algebra, and I have no use for higher mathematics.

IN THE MAIL one day last week was a brochure from a company wanting to sell me a device that can be used to summon help if you fall and can't get up. The company was in Pennsylvania. I guess if I bought one of those things and fell down, I could call, and they would send someone from Pennsylvania to pick me up. I think I will pass on the offer.

Letters To The Editor
-- POLICY --

Our readers are encouraged to express their opinions in Letters to the Editor. Letters to the Editor are accepted by the Lynn County News in person (1617 Main Street); by mail (P.O. Box 1170, Tahoka 79373); or by fax (806-561-6308).

All letters must be signed with a handwritten signature, and all are subject to editing for length. The editor reserves the right to refuse any letter because of vulgarity or libel issues.

Backyard Bible Club ... Several youth are pictured here at one of the Backyard Bible Clubs held in Tahoka this week during Mission Tahoka, sponsored by many local churches.

(PHOTO submitted by Jynna Askew)

Flowers in median may have been planted years ago

A Lynn County News reader asked about the flowers in the median on U.S. Hwy 87 between Tahoka and Lubbock in a Letter to the Editor in the July 4th edition of The News. Tahoka resident Dob Jolly, a former TxDOT employee, told The News last week that those flowers may have been from plantings he and several other TxDOT employees undertook in the late 1950s, or possibly the early 1960s.

"We planted seeds for lilies every 18 inches in the center median of U.S. 87, from the FM 400 overpass just north of Tahoka to the county line," Jolly said, noting that the other TxDOT employees included Tootie Engle and Evonne Wilson.

"I saw the Letter to the Editor several weeks ago, and I remembered that we planted those flowers, as well as at the roadside park, and I believe it was the late 1950s," he added.

Retiring ... Tahoka Municipal Judge Jerry Ford was honored with a retirement reception last Thursday by the City of Tahoka, in honor of his 18 years of service to the community. Ford was judge from 1995 until 2013.

NOTICE OF PUBLIC HEARING ON THE LYNN COUNTY APPRAISAL DISTRICT BUDGET

The LYNN COUNTY APPRAISAL DISTRICT will hold a public hearing on a proposed budget for the 2014 fiscal year.

The public hearing will be held on **Tuesday, August 13, 2013** at 8:00 a.m. at the Lynn County Appraisal District Office, 1615 Main Street, Tahoka, Texas.

A summary of the appraisal district budget follows:

The total amount of the proposed appraisal budget. \$ 175,992.00

The total amount of **increase** from the current year's budget. \$ 5,437.00

The number of employees compensated under the proposed budget. 3 (full-time equivalent)

The number of employees compensated under the current budget. 3 (full-time equivalent)

The appraisal district is supported solely by payments from the local taxing units served by the appraisal district.

If approved by the appraisal district board of directors at the public hearing, this proposed budget will take effect automatically unless disapproved by the governing bodies of the county, school districts, cities and towns served by the appraisal district.

A copy of the proposed budget is available for public inspection in the office of each of those governing bodies. A copy is also available for public inspection at the appraisal district office.

▲ The small cone-shaped canister in between Vasquez and Scott is one of several bee smokers used to calm the bees.

Bee careful ... Jack Scott and Eugene Vasquez came to the rescue of Lynn County Justice of Peace Nancy Guilliams when she discovered thousands of bees swarming near her backyard shed in Tahoka. Scott and Vasquez used bee smokers that Nancy found in the shed that had belonged to her grandfather, with the smoke calming the bees so that they could gather the hives. They raised the floor of the shed with a jack, and carefully gathered the hives and honey bees from underneath the shed.

"They said this hive was the largest they had seen in Tahoka - estimating 20,000 honey bees - but we only got about two tablespoons of honey from them," said Guilliams. "Apparently, the previous dry weather was too dry to pollinate flowers." Guilliams wanted to relocate the bees instead of killing them, and Scott and Vasquez put them in a large plastic tub with a lid to move them.

(PHOTOS submitted by Nancy Guilliams)

▲ Bees in the shed

In photo at right, Jack Scott gives Nancy Guilliams an opportunity to try on the bee suit, and in the left photo he has a tub full of bees.

Jamaica set in Wilson this Sunday

The Blessed Sacrament Catholic Church Jamaica will be held this Sunday, July 28 at 15th and Culpepper in Wilson from 11:00 a.m.-7:00p.m. Live music along with several different foods to choose from will be available throughout the day. Food choices include brisket, cabrito, turkey legs, hamburgers fajitas, tripas, nachos, hot dogs, saladitos, carne guisada, tamales and menudo. Other snacks include sno-cones, a snack stand, lime ice, lemonade and a fruit stand.

Games include bingo, cake-walk, clown toss, duck pond, face paint, quarter toss and a bounce house.

Prizes for tickets that are being sold are: 1st-\$400 gift card; 2nd-\$200 gift card; 3rd and 4th each a \$100 gift card; 5th-Lord's Supper picture frame; and 6th prize, \$25 worth of scratch off lottery tickets.

Twin cities ... Wilson, one of the four towns in Lynn County, with a population of 489 according to the latest census, has a twin city in Wyoming, near Jackson Hole. Wilson, Wyoming has a smaller population, with just 200, but the elevation is 3,000 ft. higher at 6160 feet. Wilson, Tx has an elevation of 3120 ft. The scenery is somewhat different as well, with mountains and evergreen trees in the Wyoming location, compared to the flat plains and cotton fields of Lynn County's town.

(LCN PHOTOS by Gary & Juanell Jones, in roadtrip to Wyoming)

Sign up Aug. 1: Cheer Camp offered here for young girls

Girls ages 3 years old through sixth grade are invited to participate in a Tahoka Cheer Camp hosted by the Tahoka Varsity Cheerleaders. The camp will be held Aug. 1-3 from 2-5 p.m. and Saturday, Aug. 4 at 9 a.m. with a performance at 10 a.m. for parents and family members.

Theme of this year's camp is

"Cheer Bootcamp" and the girls will receive a camouflage t-shirt with their \$40 registration fee. Refreshments will be provided, and each girl will have their picture made with the THS Varsity Cheerleaders and Ruff Stuff.

To register your junior

cheerleader, bring the registration form printed in this newspaper, and the \$40 registration fee, to signups at 1:45 p.m. Wednesday, Aug. 1 at

the Tahoka High School gym. For more information, contact any varsity cheerleader or sponsor Tina Wuensche at 561-4441.

Don't miss the

Tahoka Rotary Club annual GARAGE SALE

Friday, August 2nd

Anyone may **DONATE** items for the upcoming Rotary Garage Sale by dropping it off at Tahoka City Hall!

From City Hall

Weeds, Weeds, and more Weeds ... This rain has been great! We need all we can get. But, the rain has made the grass and weeds just explode. High weeds attract mosquitoes, mice, fleas, and ticks. Also, it is a violation of city ordinance.

Please keep the weeds in your yard and alley mowed down. If you are having problems with weeds in your neighborhood call city hall. I will be sending out letters and following up on complaints. If everyone will do their part, we can cut down on the number of pests and have nice weed free neighborhoods.

If you have any questions contact city hall, 561-4211.

15th Texas Silver-Haired Legislature 2013

Silver-Haired Legislature ... Tahoka's Betty Green (first woman from left in the back row) is a member of the Texas Silver-Haired Legislature (TSHL) who convened in Austin on July 14-18, for the initial meeting of the 15th TSHL. She was elected Vice-Chairman of the Rural-Urban committee during the session.

15th Texas Silver Haired Legislature session in Austin includes Tahoka woman

Silver-haired legislators from across Texas convened in Austin on July 14-18, for the initial meeting of the 15th Texas Silver-Haired Legislature (TSHL). Of the 105 legislators who met, one-third were new members, elected as representatives from among the 28 Texas Area Agencies on Aging serving the state's seniors. Those attending from the South Plains District were Jane Blay of Brownfield and Bettye Green of Tahoka. Jane presented awards at the award dinner and Bettye led the pledge to the flags. Bettye was elected Vice-Chairman of the Rural-Urban committee.

The legal formation of the 15th TSHL was completed within the chambers of the Texas House of Representatives as all members were administered the formal Oath of Office by Texas Secretary of State John Steen. Texas Lieutenant Governor David Dewhurst addressed the group and welcomed them into their new roles as strong

and active advocates for Texas seniors.

Orientation and training sessions during the week in Austin focused on ethics and the TSHL Code of Conduct, senior needs identification, resolution preparation, and effective advocacy processes.

The TSHL was formed in Texas in 1985 by the 69th Texas Legislature as a non-partisan

group of Texas citizens over the age of 60 who would educate and advocate Texas legislators on the specific needs of Texas' Senior citizens. The newly-elected Speaker of the Texas Silver-Haired Legislature is the Honorable Pat Porter, TSHL representative from the Permian Basin.

For more information, go to the TSHL web site at www.txshl.org

Mission: Tahoka

Several volunteers offered helping hands in work projects this week during Mission Tahoka, sponsored by many local churches. In these photos, volunteers Ty Askew and Hadley Reynolds (above) are working on the eaves at a home, after putting up new siding. Other volunteers (youth are unidentified), are cleaning up a yard for a homeowner. (PHOTOS submitted by Jynna Askew)

REQUEST FOR QUALIFICATIONS FOR PROFESSIONAL ENGINEERING SERVICES

The City of Tahoka is seeking request for qualifications for Professional Engineering Services. The selected firm will provide engineering services to assist the City in the completion of Texas Water Development Board's (TWDB) Economically Distressed Areas Program Contract #G110022, Planning and Design of Replacement of Infrastructure Water Line.

The City of Tahoka will receive sealed envelopes containing Request for Qualifications to be received by the City Administrator's office located at 1612 Lockwood Street, Tahoka, Texas 8:00 a.m. - 5:00 p.m., Monday through Friday.

RFQ's shall be addressed to: City of Tahoka, C/O City Administrator, 1612 Lockwood Street, P.O. Box 300, Tahoka, Texas 79373

Request for Qualifications must be received by August 2, 2013 no later than 3:00 p.m. RFQ's sent via facsimile shall not be accepted. RFQ's shall be submitted in an envelope sealed with tape and prominently marked on the lower left-hand corner of the envelope. Overnight mail must also be properly labeled on the outside of the express envelope or package. Any RFQ received after closing date and time will not be accepted.

It is understood that the City of Tahoka reserves the right to negotiate all elements that compromise the submission and to accept or reject part or all of any submission. The City reserves the right to reject any or all proposals and waive any or all irregularities or to proceed otherwise when in the best interest of the City. Proposals shall be valid for a period of sixty days from the submission deadline.

Evaluations will be based on the following criteria: relevant experience, past performance, record of completing projects on time, favorability of references, the adequacy of the proposal in terms of addressing the needs set forth in the RFQ, and the proposed fee structure.

Each candidate shall provide all information herein requested. Proposals will not be considered unless the attached Standard Engineering Proposal Form is legible and completed in its entirety. A minimum of three references where similar engineering services in terms of design and scope have been performed during the past three years shall be included as part of this RFQ.

The engineer will be required to enter into a written professional services agreement with the City of Tahoka, which will incorporate the information contained in this RFQ. The engineer shall agree to a lump sum fee or to a unit cost with a stated maximum fee which the project will not exceed. The fee shall include all costs associated with the services outlined herein. Costs sometimes billed separately as reimbursable costs shall be declared and included in the lump sum amount of this proposal. Invoices shall be provided setting forth the percentage of work completed to date, establishing the amount due based on the percentage completed, less any of the previous amounts.

Professional Liability Insurance is required; please indicate the level of coverage provided.

Please direct your questions regarding the preparation of the RFQ to Jerry Webster, City Administrator, by calling (806) 561-4211.

SCOPE OF SERVICES

The City of Tahoka, Texas, intends to enter into a contract with a professional engineer to provide engineering services to assist the City in the planning and design of infrastructure, waterline replacement. The proposed scope of works is as follows:

1. Included in this scope is the completion of Categories A, B, C, and D of the TWDB's planning phase. This includes the final portion and submission of Category C, and the full preparation and submission of Category D.
2. The design portion of the project includes planning and design for replacement of approximately fifty percent (50%) of the City's mains - these mains vary in size from 4" to 8" in diameter - to increase their sizes, and/or increase their strength by replacing the aging pipes. Larger mains are proposed to be looped to assist in higher density populated areas, and new valves installed on these replacement lines and around the City where required.
3. Due to inadequate sizing of mains to almost all areas of the City, more than twenty - four (24) fire hydrant pressures drop to below 35 psi under testing.
4. The focus of the water line replacement will be between the two (2) booster pump stations, the elevated storage tank, and branching out to the furthest points on the water system
5. Many main valves are inoperable and will be replaced.
6. Inoperable fire hydrants will be replaced and hydrant coverage will be evaluated.
7. The elevated storage tank will be fitted with valves to allow it to be taken out of service for cleaning and/or repair.
8. The booster pump stations will be upgraded to receive variable frequency drives on all service pumps.

Shower to benefit local day care center

The board of the Let The Children Come Day Care center at First United Methodist Church in Tahoka is hosting a shower for the center on Sunday, August 11 at 1:30 p.m. at the FUMC Fellowship Hall, 1801 Ave. J.

"The day care center is in need of several items to replace worn out items as well as needing other things and we thought this would be a good way to help them out," stated a board representative.

The center is registered for items at Target, Walmart and Toys R Us (or Babies R Us) under the name "Let The Children Come Day Care".

"We ask that purchases be made from the gift registry due to state requirements on many items," stated the representative. Refreshments will be served at the shower.

Order puncture vine weevils at local SWCD office

Puncture vine weevils are a natural predator to puncture vines, better known as goat heads. They are host specific, which means they eat puncture vines and only puncture vines. The adult female seed weevil deposits an egg in a small hole she chews in the green seed. Then she seals it with fecal material. The egg hatches and burrows its way inside the green seed. In the process eating the viable portion of the seed, so it cannot sprout a new plant.

The weevil larvae will spend its entire larval stage inside the seed. It actually pupates within the seed and emerges from the seed as an adult. The stem weevil works in the same manner only attacking the stem of the plant. Stem weevils will inhibit the plant's ability to grow and spread. Unfortunately, puncture vine weevils aren't perfect. They won't find every single seed. The thing to keep in mind is every seed a weevil eats is a seed that can't sprout. Each adult female weevil will lay 250 - 450 eggs. Eggs will reach reproductive adult age in

about 25 days. This is dependent upon accumulated heat units. As weevil numbers continue to build, they will become more and more effective. Cold winters will inhibit survivability, and regions with moderate winters are most conducive to overwintering.

For more information on puncture vine weevils or to order the weevils, call Helen Saldaña at 998-4507 Ext. 3, or come by the local SWCD office at 1602 South 2nd St. Tahoka, TX.

Senior Citizen's MENU

JULY 29-AUG. 2

Monday: Shepherd's pie, stewed okra & tomatoes, coleslaw, roll, butterscotch pudding

Tuesday: Herb roasted chicken, potato wedges, peas & carrots, strawberries & whipped topping

Wednesday: Beef tips & noodles, meadow blend veggies, corn, chocolate cake

Thursday: Meatloaf, mashed potatoes, winter blend veggies, apple fluff

This is fun ... Children at the City-County Library's Summer Reading Program got to climb up and get a closeup view of some major digging equipment owned by the City of Tahoka. The week-long program, "Dig into Reading," features activities for kids including reading, crafts, games and demonstrations from 10:30-11:30 a.m., and concludes Friday.

Burn ban lifted here

Lynn County Commissioners voted in special session last Thursday to lift the county-wide burn in unincorporated areas of the county, due to recent rains. However, city residents should note that it is always illegal to burn trash or property within city limits, regardless of whether there is a county burn ban in effect.

In other business, commissioners discussed an ongoing problem of roof leaks in the courthouse roof.

In their regular session held Monday, another roof was the focus of discussion, with commissioners voting to accept a bid from David Bryer to repair the roof at the county showbarn at a cost of \$18,750. Monthly bills were approved, and commissioners continued budget discussions for county departments as they prepare the 2014 budget for the county.

Masonic lodge officers... On July 2, 2013 the Tahoka Masonic Lodge #1041 elected new officers for the 2013-2014 year. Pictured here from left are: Ed Follis Jr., Deacon; Gene Ingle, Chaplain; Troy Moore, Senior Deacon; Marc Maule, Worthy Master; Leighton Knox, Secretary; Pete Platak, Jr. Warden; and Tom Lusk, Senior Warden.

Friday: Cheeseburger, potato wedges, tomato wedge salad, melon medley

Note: Community Fundraiser to benefit the Sr. Citizens Center will be at the City Pool on Aug. 3rd from 6-9 pm.

Sworn in ... Tahoka Mayor John Baker administers the Oath of Office to Jay Dee House as the city's newly appointed representative to the Canadian River Municipal Water Authority Board of Directors. (LCN PHOTO by Juanel Jones)
