## Three thefts reported last week in Tahoka

Thefts of a large quantity of hand tools, lawn equipment and expensive sunglasses were reported to Tahoka Police during the last week.

Highest loss was an estimated \$2,675 in miscellaneous hand tools stolen from Dan Taylor, who said the tools included sockets, wrenches, an electric saw and other items, including a three-drawer metal toolbox. Taylor said the tools and box were in a camper on the back of his pickup parked at his home when the theft occurred Saturday night or early Sunday. Also stolen from the cab of the pickup was about \$15 in cash, he said.

On Friday, Inocencio Luna Lara advised police that someone had stolen

lawn equipment valued at \$350 from the backyard of his home on Ave. M. Missing were a leaf blower, gasoline powered weed eater and a Sears Craftsman push lawnmower with a basket.

Paxton McClesky of Tahoka reported Sunday that someone had stolen a pair of black Oakley sunglasses, worth \$200, from his 1990 GMC pickup.

Early this week, Lynn County Jail was holding 41 persons, including 20 for Ector County and two each for Gaines and Dawson counties. Included was one man jailed for driving while intoxicated, second offense.

## Scholarships offered: Harvest Festival Committee invites young ladies for Queen candidates

The Lynn County Harvest Festival Queen scholarship contest will be held on Sept. 27, with candidates for the event currently sought. Candidates must sign up by contacting Starr Bray, chairman, at Wildcat Mfg., 327-5602, or 561-6161 (home); or contact Amy at the Tahoka High School office.

Any Lynn County high school age female may enter the contest. Candidates must be enrolled in a Lynn County high school, and may be a freshman, sophomore, junior or senior. The winners in the event will receive college scholarships. All candidates also earn cash based on ticket sales, whether or not they win the scholarship.

A minimum of five girls must sign up for the contest to be held.

The amount of the scholarships awarded will be determined by ticket sales of the queen candidates. Last year, a total of \$5,750 was awarded in scholarships to the 2013 Queen and runners-up.

Queen candidates are judged by non-partisan judges, hired each year by the Harvest Festival Committee. Judges will use their discretion to score contestants on a scale of 1-10 on

the following: personality, communication skills, appearance, intelligence, poise and overall effectiveness during their presentation on stage at the Harvest Festival. The judges' scores are tabulated to determine the winners.

All queen candidates support the scholarship program by selling Harvest Festival raffle tickets. This year's raffle ticket features 16 chances to win a total of \$3500 in prizes, including a grand prize of a \$1000 prepaid Visa card, one drawing for a \$500 prepaid Visa card, four drawings for \$250 prepaid Visa cards, and 10 drawings for \$100 prepaid Visa cards.

The 16 drawings from these ticket sales will be held throughout the day at the Harvest Festival in Tahoka on Saturday, Sept. 27.

Winners need not be present to win raffle drawings.

**W**ITH APOLOGIES to those readers who don't like sports, especially those wives who refuse to watch football, I feel like discussing some things about my Dallas Cowboys T-shirt.

I've had this shirt for some time, but only recently noticed three strange words on the shirt, below the large "Dallas Cowboys" and in smaller type just above my navel. The words are Civitas, Calcifolis and Societas.

Those surely must be names of books in the Old Testament, I mused, demonstrating my profound knowledge of the Bible, and wondering why they left off Leviticus.

I discovered that was wrong, and my next thought was "Maybe those are the last three guys the Cowboys hired to try out at cornerback or on the defensive line, possibly the out-of-work former owners of a Greek restaurant that went broke in Phoenix. Civitas is probably a 450-pound cook who may have to be carried onto the field with a forklift, but who definitely will be immovable in the line." And, after years of old Civitas eating things heavy on garlic, nobody is going to want to get in his face.

He's very slow—has been clocked at 3.5 minutes in the 40-yard dash—but also plans to try out at wide receiver, where, if he makes it, he could be the widest receiver in National Football League history.

Okay, so those three words (part of the NFL emblem) are not people's names, but are Latin phrases, the meaning of which are unknown to me, and possibly to everybody, since Latin is no longer taught in real schools.

It's hard to believe, but Latin once was taught in public schools, but all I ever learned was a bit of what we called Pig Latin (Do ooh-yay uddystay atinlay?). The only Latin phrase I recognized was "E pluribus unum."

I always thought that was the name of the guy whose likeness was on a penny, until last year when someone told me it was Abraham Lincoln.

\*\*\*

AN INTERNET source tells me that people are about one centimeter taller in the morning than in the evening, because during normal activities throughout the day, the cartilage in our knees and other areas slowly compress.

Maybe to avoid feeling depressed and pushed down, we should just avoid all activities during the day. I know of some people who seem to live by that principle.

# Where in the world is The Lynn County News?

Ray and Sheryl New at the Dixie Dog on their 50th anniversary

## Couple observes 50th anniversary, tell of love story that began at Dixie Dog

*(Editor's Note: Ray and Sheryl New sent this information for a Where In The World photo that turned into a 50th wedding anniversary story. Here is their story, in the words of Sheryl New.)*

On August 29, 1964, my husband, Ray (R. W.) New, and I, Sheryl (Nevill) New, were married in the First Baptist Church, Tahoka, by Rev. T. James Efrid. By chance, we were back in Tahoka last Friday night, August 29, 2014, our 50th wedding anniversary. We were on our way home to Houston, from a trip to Colorado. We decided it would be fun,

and most appropriate, to enjoy a couple of Dixie Dogs to mark the occasion, considering the Dixie Dog Drive-in was the "teen hang-out" during our dating years in the mid-'60s. This is a photo of us perusing *The Lynn County News* at the Dixie Dog Drive-in, where our love story began.

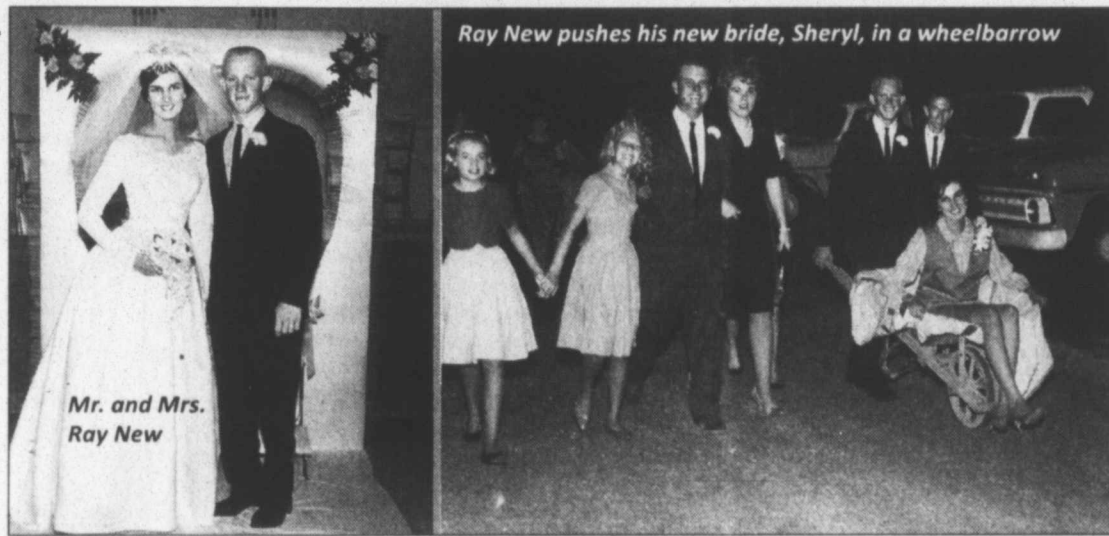

During our wedding ceremony all those years ago, some of our "friends" decorated Ray's car and chained and padlocked a 50 gallon barrel to the back. They also blocked the car in so that we couldn't leave. They put me into a wheelbarrow, and gave me a roll

of toilet tissue, which I was told I had to sell for a nickel a square to drivers of passing cars. They had Ray push me down the middle of the highway from the First Baptist Church to the red light, then turn north, with me stopping cars, and stuffing long strips of toilet tissue in their car windows along the way.

A large group of friends followed us on foot, also in the middle of the highway, "demanding" that we complete the task before we could leave. Just as we arrived in front of the Dixie Dog Drive-in, we noticed red flashing lights in our peripheral vision. The local DPS officer had arrived. Much to our amazement, all of the many "friends" who instigated this prank had disappeared, scattering who knows where, having seen the officer approaching before we did, leaving us alone, looking completely foolish in the middle of the highway. The officer was not nearly as amused by their fun and games as they were and quickly told us to, "Get out of the street!!!" Thank goodness he didn't issue us a citation!

We returned to the church and Ray's car, which our still laughing friends by that time had "freed" so we could leave. We drove to Lubbock with that 50 gallon barrel spraying sparks every time it hit the road, until it finally broke free about half way there.

Hope you get a laugh or two from our happy wedding memories from 50 years ago!

### Freitags to participate in Step Out Walk for Diabetes on Sept. 27; seek support

Dear Editor:

The Freitag family will be participating in the annual Step Out Walk for Diabetes on September 27 in support of Sarah Freitag who was diagnosed with Type 1 Diabetes at the age of 14. Sarah has worked diligently to keep her diabetes in check, but it is a daily chore. Due to the numerous factors affecting blood sugar, including what and how much is eaten, hormones, exercise, stress, heat, and cold, it is a disease that requires constant monitoring.

Despite the challenges of being a diabetic, Sarah managed to graduate as valedictorian of her class at Tahoka High School in 2013, participated in five varsity sports, was a member of the 3-D Band, National Honor Society and Student Council. She is now attending Texas Tech where she was recently accepted into the Communications Design program after a grueling semester-long application process. She continues to serve as a musician and Sunday School teacher at St. John Lutheran Church in Wilson and is an active supporter of all Texas Tech Red Raider athletics.

The annual Step Out Walk for Diabetes is a major fund raiser of the American Diabetes Association to assist in raising funds for research and awareness. This year's walk will take place at Mackenzie Park in Lubbock on Saturday, September 27. Along with Sarah, the Freitags would appreciate your support as they raise money and awareness for this worthy cause. If you would like to donate, mail a check payable to the American Diabetes Association to PO Box 787, Tahoka, TX 79373 or go to <http://main.diabetes.org/goto/teamsarah>. Once there, click on "Donate to Sarah" and follow the instructions.

Every 17 seconds someone is diagnosed with diabetes in the United States. There are nearly 26 million American children and adults living with type 1 and type 2 diabetes, and your support will make a difference in their lives and ultimately Stop Diabetes. The Freitags thank you for joining them in supporting this worthy cause.

Donald and Tonda Freitag

## TISD Board approves \$1.17 tax rate

The Tahoka Independent School District Board of Trustees met in special session Aug. 28 for a final hearing on the budget and tax rate, and approved a tax rate of \$1.17 in action following the hearing. The tax rate is the same as the current year. Trustees also approved the 2014-15 budget.

Campus principals reported enrollment figures of 313 for elementary, 117 for middle school, and 155 for high school, for a total of 586 students. This total is down from last year's figure of 609 students at the beginning of the school year.

The board received information about policy updates which will be presented for approval at the next board meeting, as well as preliminary information about the academic accountability ratings received by the district and individual campuses.

The board was informed of an optional, anonymous survey which will be available for all high school students to participate in regarding substance abuse.

The next regular board meeting was set for Monday, September 22, at 6:30 pm.

## Chiefs run over Dogs in grid opener, 34-7

Tahoka's Bulldogs just couldn't control Crosbyton running back Nathan Childers here last Friday, as the talented senior running back ran for 338 yards and four touchdowns in the season opener, won by the Chiefs 34-7.

This week, the Bulldogs will go to Post, which lost 24-21 to Abernathy Friday.

Crosbyton scored first in the first quarter on an 11-yard pass play and wound up with 7 points in each of the first three periods, plus 13 in the fourth. Tahoka kept the game close, scoring a touchdown in the third quarter, before Childers iced the game with touchdown runs of 89 and 41 yards in the fourth.

Tahoka QB Brit Lockaby passed 26 yards to Hadley Reynolds for the Bulldogs' only touchdown of the game in the third quarter, and Dominique Herrera kicked the extra point to pull within 14 points of Crosbyton at that point.

Lockaby, just a sophomore, led Tahoka's offensive production, rushing for 52 yards on 17 carries and completing 6 of 18 passes for 79 yards and a touchdown. Reynolds caught two passes for 41 yards.

Dillon Trevino gained 39 yards rushing on 7 carries and Luke Fleenor ran 7 times for 32 yards.

Early in the fourth period, Tahoka drove to the Crosbyton 4, but lost the ball on downs with an incomplete pass.

Coach Brandon Hopper said he was proud of all his team, and he also praised the defense, saying, "They were aggressive and caused six turnovers."

## Annual Lynn County Ag Tour planned for Wednesday, Sept. 17

The 2014 Lynn County Ag Tour is set for Wednesday, September 17. Producers will have the opportunity to obtain information on cotton including weed resistance, diseases and nematodes, and harvest aids. Other stops will include brush control as well as wheat planting for 2014.

"We have a great program planned with some very informative stops for this year," said Bryan Reynolds, County Extension Agent. "Texas A&M AgLife Extension Service and the Natural Resource Conservation Service Staff have put together a tour with some of the most current issues that producers are facing today. We rotate the Ag Tour around to different parts of the county and this year we look forward to showcasing agriculture in the Southwestern portion of the county."

Registration will be from 8:00 a.m. to 8:30 a.m. at Wells Coop Gin. The gin is located 6 miles west of Tahoka on Hwy 380 and then 10 miles south on FM 3112. Tour stops will begin at 8:45 a.m. and conclude around noon.

Transportation to stops will be provided. Lunch will be provided by the Lynn County Farm Bureau. Awards to the Outstanding Farmers and Outstanding Young Farmer will be presented at noon.

Pesticide License holders will receive 3 CEU's for \$10. For more information, contact Bryan Reynolds at the AgLife Extension Office, (806) 561-4562 or Kerry Weinheimer at the NRCS Office, (806) 998-4507, Ext. 3.

### OD City Council proposes increase in property tax rate

The O'Donnell City Council is proposing a 3-cent increase in the city's property tax rate, according to information released by city officials to Lynn County Appraisal District. The proposed tax rate is 86.5 cents per \$100 of property value, which is a 3-cent increase from the current rate of 83.5 cents. The effective tax rate is 82.9 cents, which would bring in the same amount of revenue from the tax levy in the previous year.

O'Donnell City Council has set two public hearings for citizen input on the proposed tax rate, with the first meeting set Sept. 10 at 4 p.m. at O'Donnell City Hall, and the second meeting at 4 p.m. Sept. 15 at the same location.

### New Home High School robotics team receives grant funds from John Deere

New Home ISD's High School FTC (First Tech Challenge) Robotics Team 7239 is pleased to announce that John Deere will sponsor their team for the upcoming FTC competition year. John Deere will provide \$600 funding to purchase robotics parts and to pay the team registration fee.

"We want to thank Andy Beck for being our mentor, which allowed us to apply for this grant," said Sabrina Multer, science teacher. "This will be our second year to compete in an FTC competition. Last year we created a very speedy triangular robot that was able to quickly complete several tasks on the competition field."

"Due to the popularity of robotics at New Home ISD we have created a high school class to allow the students more time to hone their skills in design, building, and programming robots. These skills help students develop better problem solving skills which are in demand across the job market," added Multer.

"We would like to thank John Deere for sponsoring our team this year," said FTC sponsors Multer, Kristi Walker, and Micki Oliver.

### Local family's ancestor's grave gets Confederate grave marker

(Editor's Note: This story, reprinted with permission from The Eastland County Today newspaper, is about an ancestor of Leighton Knox and sister Claudia Flip-pin of Tahoka, who was a Confederate soldier.)

On June 28, 2014 the Captain June Kimble Camp No. 488 of Eastland, Sons of Confederate Veterans, and supported by the 2nd Texas Frontier Camp No. 1904 DeLeon, hosted a Grave Marker Dedication Program at Pleasant Valley Cemetery in honor of Isaac Estes Yarbrough who fought for the Confederate States during the War Between the States and whose Veterans Administration Grave Marker had recently been set in place by members of Camp No. 488. Mr. Yarbrough served as a Private in Company C, 29th Regt. of the Alabama Infantry.

The ceremony opened with a banjo salute and the posting of the flags by the Color Guard. Then came the unveiling of the marker by great, great grandson Leighton Knox and great grandson Jerry Yarbrough. Jerry Yarbrough gave a brief presentation about the life of Isaac Yarbrough and other family history. Next was the Black Rose Ceremony in which a lady dressed in black period dress placed a rose upon the grave. This was followed by the placing of more roses by female descendants in attendance. Then came the Canteen Ceremony in which a SCV member in Confederate military uniform knelt by the grave, drank from his canteen, and then poured the remaining contents upon the grave, then rose and saluted the grave. Male descendants in attendance then did the same. He was then honored with a musket salute.

Mr. Yarbrough was born in South Carolina in 1831, and married Mary Ann Priest in 1853 in Cherokee County Georgia. They lived in GA until about 1858 and were residing in Blount County AL in 1860. After the war they remained in Blount County. Between 1875 and 1880 Isaac and Mary

moved to Eastland County Texas along with their five children settling in the Mangum Community where he continued farming. He later opened the Red Front Drug Store in Cisco. Mary Ann died in 1899 and Isaac E. died in 1905 and both were buried in the Pleasant Valley Cemetery.

Descendants of Isaac Yarbrough in attendance were great-great-granddaughter Barbara Wolfarth of Lubbock, great-great-grandson Leighton Knox and wife Joan of Tahoka, great-great-granddaughter Coye McCleskey and husband Kurt of Tahoka, great-grandson Jerry Yarbrough of Meeker, OK, great-great-granddaughter Jennifer Myers of Fort Worth, great-great-great-grandson Holden Myers, and great-great-granddaughter Cory Boles of Breckenridge. Also attending was Kent McCleskey, brother of Kurt.
