Justice of Peace office has new location in Tahoka

The Lynn County Justice of Peace Pct. 1 office has relocated, moving from the county annex building near the courthouse to the former Tahoka Gin office on Hwy. 380. Judge Nancy Guilliams and her staff are at 905 Lockwood (Hwy. 380), in a brick building on the south side of the street, located just southwest of the Lynn County Law Enforcement Center.

The office phone number remains the same, 806-561-4337, and the Fax number is 806-561-6257. Office hours are 8:30 a.m.-5 p.m. Monday-Friday.

The JP moved from the County Annex building at 1521 Ave. J, but the Lynn County Tax Assessor/Collector's office remains in the Ave. J location, providing services including voter registration, collections of special fees, and registration and licensing of motor vehicles owned by residents of the county. The Lynn County Tax Assessor is Donna Willis, phone 806-561-4112.

The other Lynn County Justice of Peace (Precinct 4) is Judge Ed Follis, whose office is located in O'Donnell, phone 806-428-3711.

Information for all Lynn County offices may be viewed online at www.co.lynn.tx.us, with links provided to each office.

The justice of the peace presides over the court that is most accessible to the average citizen. Justices of the peace hear misdemeanor cases punishable by fine only and can hear most civil cases in which the amount in controversy does not exceed \$10,000.

The justice of the peace also performs the functions of a magistrate and conducts inquests. In addition, a justice of the peace may issue warrants for search and arrest. Justices of the peace also issue civil process, conduct preliminary hearings, administer oaths, perform marriages and serve as a coroner in counties where there is no medical examiner.

Our new office ... Lynn County Pct. 1 Justice of Peace Nancy Guilliams (right) and her staff, Brenda Dotson (left) and Sheri Stone (center) are ready to greet visitors at their new office location. The JP office has moved from its former location on Ave. J to 905 Lockwood (Hwy. 380), in a brown brick building (former gin office) on the south side of U.S. 380, located just southwest of the Lynn County Law Enforcement Center. The county weigh station is also located here. (LCN PHOTOS by Juanell Jones)

New signage will soon be erected outside this building, designating the Lynn County Justice of Peace, Pct. 1 and County Weigh Station.

Woodwork

ACCORDING to news reports last week, a guy hiking in the desert near Truth or Consequences, NM, ran across the fossilized remains of a turtle 90 million years old.

Ninety million years old? Surely nothing could be that old. I didn't know the earth was even that old. I could believe 9,000 years, and 9 million would be a stretch, but my little mind can't even envision 90 million years.

In ninety million years from now, my grandchildren may have their student loans paid off.

Incidentally, my computer says scientists believe the earth itself to be about 100 million years old.

Anyway, this guy first spotted some ancient rubble that seemed a bit unusual to him (a museum volunteer) while hiking about 10 years ago. But on follow-up hikes to find it again, he never succeeded until earlier this year. Then he recruited a team of paleontologists (an egghead name for smart digging dudes), who discovered he had led them to the site of an ancient fossilized turtle.

They dug up part of the turtle's shell and spine and carried these and a big bunch of dirt to a lab in Albuquerque, where investigation is continuing.

The scientists said the turtle was kin to the sea turtles, and the desert area where it was found once was a swampy area near a large shore of water. Ninety million years later, not much water is left in the New Mexico desert.

The turtle reportedly will be cleaned up, reassembled and on display at the Museum of Natural History in Albuquerque.

Directions to visitors wanting to go see it might have been easier if they had taken it to Roy or Jal.

No. XII scores! ... Roman No. 12, Roman Parmer, goes flying in for a touchdown against Abernathy Friday. The Tahoka quarterback scored three times against the Antelopes in a losing cause, as Abernathy won 61-24. No. 2 for Abernathy is Cassuas Cunningham. (LCN PHOTO by Abraham Vega)

Lopes win big, but Bulldogs play tough

Unbeaten Abernathy closed out Tahoka's football season with a 37-point victory over the Bulldogs there last Friday, 61-24, but the Bulldogs put up some offensive fireworks of their own after falling behind 27-0 by the end of the first quarter.

Tahoka QB Roman Parmer scored three touchdowns in the game, and junior running back Luke Fleenor had a career rushing night, running for a whopping 245 yards in 19 carries, and scoring a fourth Bulldog touchdown on a 70-yard run.

Fleenor had more rushing yardage than anyone else in the game, and with Parmer rushing for 58 yards in 14 carries, and Dillon Trevino adding 26, Tahoka actually outgained Abernathy on the ground.

The loss ended the season at 2-8-0 for Coach Brandon Hopper and the Bulldogs, with Abernathy winning district, followed by New Deal and Floydada. Three teams qualify for playoffs.

Abernathy took charge early, scoring 27 points in the first period, on two scoring runs by

Garrett Royal, a pass from royal to Cassuas Cunningham, and an 88-yard fumble return by Sterling Kitchens.

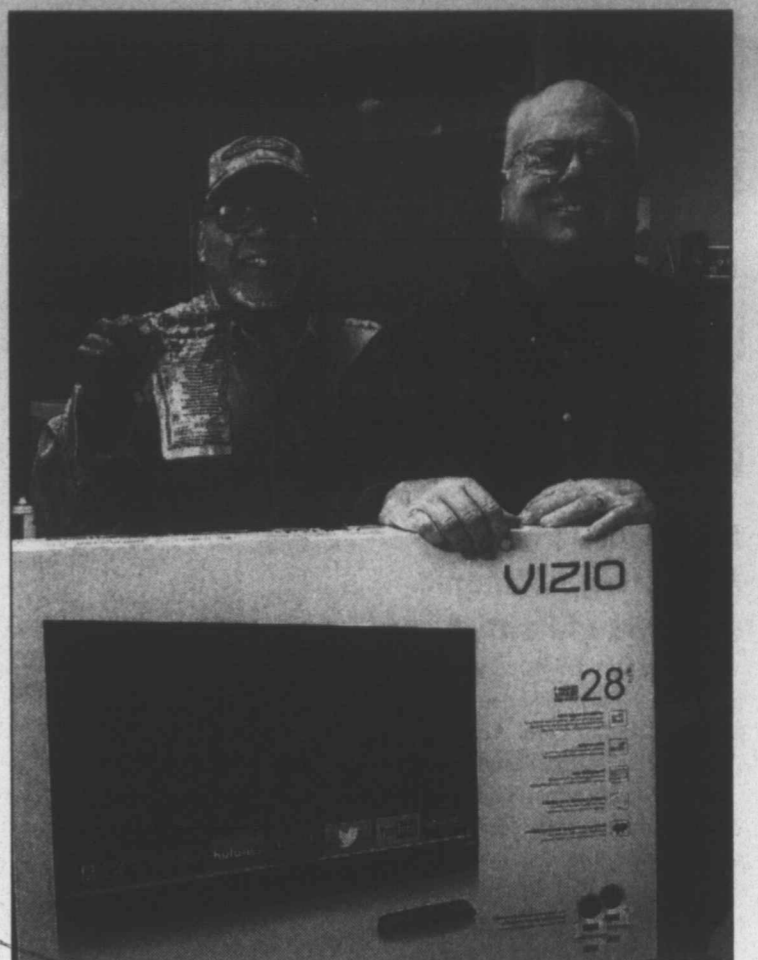

In the second period, Parmer scored touchdowns on runs of 15 and 3 yards, with extra point attempts failing. In that quarter, the Antelopes scored a safety and one touchdown, on a 62-yard pass play.

The Royal to Cunningham combination scored four TDs for Abernathy, including two more in the third quarter, when the Lopes also added a touchdown run.

In the fourth, Fleenor escaped on his long touchdown run, and Parmer scored the last one on an 11-yard run. All extra point plays failed for Tahoka.

Genesis 1:28

All human governments are corrupt to one degree or another because they are all made up of corrupt human beings. Yet this does not mean we are permitted to be anarchists or to have nothing to do with the government. In fact, without human authorities, many of the freedoms we have would be impossible. Therefore, we should be grateful that God has given rulers to watch over us, and we should pray daily that they would make wise decisions.

FUN NIGHT TTU Showdown event set tonight at THS gym

Texas Tech fans and area citizens are invited to bring their families to an "Out of Town Show Down" at the Tahoka High School gym this Thursday, Nov. 13 at 7 p.m. It is a pep rally of sorts promoting the Texas Tech Lady Raider's basketball program.

There will be jump houses and various activities for kids. Members of the Tech cheer and pom squads will be in attendance, and a member of the basketball team is expected to speak. There is a possibility that Raider Red will be coming as well, according to local sponsors.

TxDOT teams up with Dallas Cowboys for lucky Texan to win new car, game tickets

AUSTIN — The Texas Department of Transportation and the Dallas Cowboys are teaming up to help clean the air and save fuel as part of the "Drive Clean Texas" air quality campaign. The winning drive will help one lucky Texan score big with a donated 2015 Ford Fusion SE Hybrid from the "Drive Clean Texas Roadcents" Sweepstakes.

The campaign helps Texans save gas and keep the air clean by reminding drivers to get regular tune-ups, properly inflate tires and combine errands. "Drive Clean Texas" also promotes Roadcents, a Web-based app for a mobile device or computer that helps drivers track vehicle maintenance and reduce emissions.

"We can all make a difference in air quality — and save money — by keeping our vehicles in peak condition, which reduces emissions," said Margo Richards, TxDOT Travel Information Division director. "The Roadcents app helps you do that, and so does driving a low-emission vehicle like the 2015 Ford Fusion. We are so pleased to once again have the support of the Dallas Cowboys in our effort to

help Texas motorists drive clean."

Drivers can save as much as \$845 a year in gas by driving more sensibly and changing aggressive driving habits like speeding and rapid starts and stops. Regular oil and fuel filter changes can save motorists more than \$100 in annual gas spending.

Texas drivers age 18 and older have until 11:59 p.m. on Dec. 8, 2014, to enter the hybrid car sweepstakes at www.roadcents.org. Three finalists will receive two tickets to the Dec. 21 football game between the Dallas Cowboys and Indianapolis Colts. The sweepstakes grand prize winner will be randomly selected on Dec. 21 before the game. Visitors to the site also can find more tips on reducing air pollution and saving gas.

Clean up Alleys

The Code Enforcement Office will be checking alleys for dangerous weeds (48" or taller) and items unlawfully discarded. The City of Tahoka no longer picks up items discarded in the alleys.

It is the property owner or tenant's responsibility to keep the alley clear of weeds, debris and discarded items. However, the City is going to clean some discarded items and debris that has accumulated in the alleys that is attracting rodents. This will not include discarded tires. Tires placed in the alley will be tagged for special pickup and the property owner or tenant will be charged for this service. Automobile tires left in alleys will be tagged for pickup with a minimum \$5 charge per tire. Larger tires will be charged the landfill cost plus a removal fee. Any property owner or tenant may dispose unwanted tires to the landfill for a small fee. Larger tires are assessed at a higher charge.

For more information, contact City Hall at 561-4211.

LOST A DOG?

Your pet may be in the Lynn County Animal Shelter!

FYI, it is very affordable to get your dog out of the shelter, as the impound fee is only \$10 and boarding fee is only \$5 per day after the first day. Inquire at the Lynn County Sheriff's Office at 806-561-4505, or email Lynn County Animal Services Director Ashlee West at animalcontrol@co.lynn.tx.us, for information.

NCC to hold STAX/Farm Bill workshops in Cotton Belt

The National Cotton Council (NCC) has scheduled 25 educational meetings across the Cotton Belt to provide its members with in-depth information regarding insurance options for cotton under The Agricultural Act of 2014.

Area meetings will be held in Lamesa and Lubbock on December 10th: Lamesa — 8:30 a.m. Leroy Colgan Bldg., S. 10th St. & S. Houston St. at Forrest Park and in Lubbock at 1:00 p.m. Bayer Museum of Agriculture, 1121 Canyon Lake Drive.

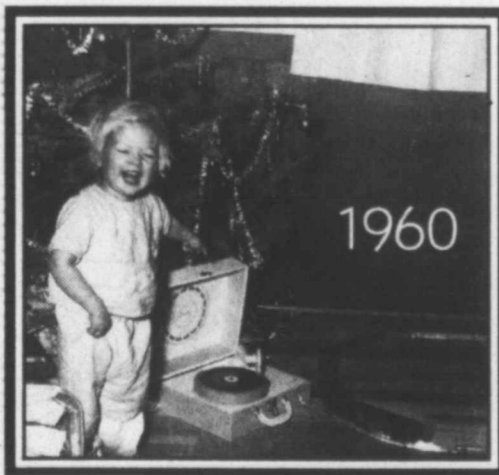

The meetings will provide an in-depth look at the new Stacked Income Protection Plan (STAX) and the Supplemental Coverage Option. Coverage levels, expected yields and

premium rates will be covered in detail in order to better equip producers with the information necessary to evaluate the insurance options for 2015. The sessions also will include an update on overall farm bill implementation. Each meeting will include a question/answer session.

NCC President/CEO Mark Lange said, "This new five-year comprehensive farm law features a greater reliance on crop insurance programs, and our producer members need to understand their options. The Council encourages all producers, cotton industry firms and agribusinesses to attend any of these important meetings."
