Ready to hunt Easter eggs and maybe even win the extra large soft and fuzzy Grand Prize Bunnies they are holding are, from top left, Macy Terrell, Boston Hardaway and Brym Swartz. Also ready with their Easter baskets are, from left on bottom, Leia Moreno, Bristol Odom, Adayin Narvaiz, and Charlie Anderson. At right, sitting so politely in hopes of also hunting Easter eggs, is Cedar the dog. All are ready to participate in the Tahoka Area Chamber of Commerce's Easter EGGstravaganza Easter Egg Hunt on Saturday, from 1-2 p.m. at the Lynn County Courthouse grounds. Thanks to Angie Hall and the children at her daycare center, Home of Hearts, for this cute photo.

## Man escapes RV fire with burn wounds

by JUANELL JONES

A Tahoka man was wounded but fortunate to escape a fire that exploded inside a recreational vehicle (RV) parked at 1301 South 3rd Street in Tahoka, just after noon on Monday. The fire reportedly started at 12:15 p.m. when Juan Manuel Calsoncit, 30, was working on a water heater and attempted to light the pilot light. Neighbors reported hearing a loud explosion, and said that flames were immediately pouring out from the windows of the fifth-wheel Prowler RV. Several smaller explosions followed, and were thought to possibly be the tires exploding on the RV.

Calsoncit was able to escape the RV and run to the house in front, where relatives called 9-1-1 for EMS and the fire department. Calsoncit was transported by Lynn County EMS to UMC Hospital in Lubbock with burn wounds. His condition is unknown. Within 15 minutes the RV was completely consumed, as Tahoka volunteer firefighters kept the flames from spreading to nearby structures.

Tahoka Police arrested a 30-year-old Tahoka man on Saturday, after discovering drug paraphernalia in his possession while he was being questioned regarding an incident at a local convenience store. Police had responded to a call at 11 a.m. at the

Children, bring your Easter baskets and come join the fun!

**Easter EGGstravaganza starts at 1:00 o'clock Saturday**

All Lynn County children, as well as any children visiting the area, are invited to the Easter EGGstravaganza this Saturday, March 26, on the grounds of the Lynn County Courthouse at the downtown square in Tahoka. This year, the event will be held in the afternoon, from 1:00-2:00 p.m. Children should bring their own Easter baskets and join in the fun and games that will be provided, free of charge, by the Tahoka Area Chamber of Commerce.

*Pick me, pick me!* ... All of these cute stuffed animals, from tiny little lambs, to bright smiling dinosaurs, to the extra large fluffy bunnies, will be given away at the Tahoka Area Chamber of Commerce's Easter EGGstravaganza on Saturday. Children can pick up the small animals that will be hidden along with eggs for each age group. Specially-marked tags on some of the eggs or animals will let children claim more prizes, including adorable white Easter lambs, Easter Cakes from Tahoka Donuts, or the grand prize large bunnies pictured here.

Train rides around the square, a Cupcake Walk, games and egg relay races will be a part of the fun, and children are invited to have fun with hula hoops and participate in the sidewalk chalk art, drawing on the sidewalks around the courthouse with chalk.

Easter Egg hunts will be divided into three age groups, with toddler-3 years old having the first hunt at 1:15 p.m., 4-6 years old at 1:30 p.m., and 7-9 years old starting at 1:45 p.m. Separate hunting areas will be roped off for each division, and specially marked items will be in the hunt for children to claim for extra prizes and a Grand Prize in each age group.

The Easter Bunny will be here, and parents may bring their own cameras for photo opportunities with the Easter Bunny and an Easter cut-out background in which children may place their faces in the cutouts for a fun photo.

**Caring Hearts group improves cemeteries**

Caring Hearts for Tahoka Pride was formed in May 2015 by Cathy Ross. Cathy's first focus was to help the City of Tahoka improve the over-all appearance of our cemeteries by seeking volunteers to help uncover all the hidden memorial markers, whether they be covered with low-lying tree branches, cactus, or bushes. Anywhere from 20-40 volunteers participated in the once a month work days, and by October, more than 1,300 man hours had been worked with 98 hidden memorial markers uncovered along with the successful completion of numerous other projects.

Cathy's mission for Caring Hearts for Tahoka Pride goes beyond her interest in the local cemeteries. She is striving to help our community regain its pride by encouraging our home, land, and business owners to take care of their respective properties.

An organizational meeting for Caring Hearts is scheduled for Monday, March 28, at 5:30 p.m. in the First National Bank meeting room. If you are interested in volunteering your time and energy to help make a difference in Tahoka, we would love for you to attend our meeting. We will be suggesting and discussing possibilities for our spring and summer work projects.

Also, the City of Tahoka, Rotary and Caring Hearts will be sponsoring another community wide cleanup day on Saturday, April 30. We encourage you as an individual or your group to consider becoming a volunteer for this project. Not only are we in need of manpower, but we also need pickups and trailers.

SERENA AYALA

**Serena Ayala takes third at State Powerlifting Meet**

Tahoka High School sophomore Serena Ayala competed at the 1A/2A Girls State Powerlifting meet in Corpus Christi on March 18, placing third. Weighing in at 100.8 lbs, she squatted 210 lbs, bench pressed 125 lbs, and dead lifted 250 lbs for a total of 585 lbs.

"Her heart and determination never cease to amaze me. She never wants to know her next weight attempt or where she stands in the competition. On her third attempt, I just tell her she needs to get this lift to put her where she needs to be in the standings. More times than not, she gets in there and successfully lifts the weight," said Brandon Hopper, Tahoka ISD Athletic Director.

He added, "The two girls who finished first and second were both seniors. With Serena's work ethic

and mental approach to the sport, I foresee a very successful run for her over the next two years."

store, and were told that a couple coming out of the store were walking out to their car parked in front, discovering an unknown Hispanic male sitting inside their car. When they asked the man what he was doing, he got out of the couple's car and walked away westbound from the parking lot, and was described by several people standing outside the store as "acting weird." Based on a description of the suspect police were able to locate and question the man, noticed an odor of burned marijuana, and asked him to empty his pockets. He pulled out a homemade pipe, commonly used to smoke marijuana, and was arrested for possession of drug paraphernalia, transported to the county jail.  
On Saturday evening, police arrested a 52-year-old Tahoka man for public intoxication after reports of an altercation at a local

residence. The man had reportedly approached another man sitting outside his residence, who told the 52-year-old to leave his property. When police arrived they noted that the man stumbled several times while walking toward his truck and appeared to be intoxicated.  
Another Tahoka man, age 44, was arrested Monday evening after a domestic disturbance report. He was arrested on an outstanding warrant out of Lubbock County on charges of possession of a controlled substance.  
Lynn County Sheriff's Dept. continues to investigate last week's theft of a Kubota tractor from J.E. Nance's barn located three miles north of Tahoka, and ask that anyone seeing the 7800 Kubota with a front-end loader to contact the Sheriff's Dept. at 806-561-4505.  
Lynn County Jail held 33 inmates this week, including 15 for Lynn County, 16 for Ector County, and 2 for Dawson County.

**City Council approves funds for police vehicles, pool safety mats**

by JUANELL JONES  
Tahoka City Council met in regular session last Monday, approving funds for the purchase of four new vehicles for the Tahoka Police Dept., and expenditure of ACT (Advancing the Community of Tahoka) half-cent sales tax funds for the purchase of new slip-resistant safety mats around the city pool.  
The council authorized Mayor John Baker and City Administrator Jerry Webster to negotiate a loan at First National Bank of Tahoka in the amount of \$95,900 for the purchase of four Dodge Chargers for the police department, to replace the aging vehicles in the department. Council members also approved a request from the ACT Board to expend funds of \$4,000 to purchase new slip-resistant mats that will be placed around the edges of the city pool as a safety measure.

Council members signed a resolution approving a negotiated resolution between the Atmos West Texas Cities Steering Committee (of which Tahoka is a member) and Atmos Energy regarding a rate increase. Commercial rates will increase 2.88% (or an average of \$4.79 per month), and residential rates will increase 3.62% (or an average of \$1.68 per month).  
City officials cancelled elections for Districts 4 and 5 due to unopposed candidates, but will have the election for District 2 in which two candidates are seeking the council seat. Two 12-hour days during the early voting period were scheduled for Monday, April 25 and Tuesday, May 3. Early voting for the May 7 election will be conducted at the Lynn County Courthouse.

An ordinance prohibiting cotton module and burr trucks from using certain streets in town was approved by the council, for Avenues B-F, from Lockwood Street to Cemetery Road. The council accepted the resignation of ACT Board member Shannon Lawson, with the position to be filled at a later date.  
Council members heard a presentation from Dr. George McFarland, Superintendent of Tahoka ISD, with information about the upcoming bond election that will be put to voters on May 7. He answered several questions from city officials about the project that includes demolishing the original middle school building and erecting a new one-story middle school and auditorium.
