Many cyclists pedaled their way through Lynn County last Sunday, as they participated in the 28th Annual Bike MS: Cactus and Crude ride – a 2-day 150-mile journey from Midland to Lubbock. Wind turbines off of FM 1054 can be seen in the background as these riders passed by on their way to Wilson for a lunch stop before traveling on to Lubbock to the finish line. A fundraiser for the National Multiple Sclerosis Society, the event was expected to draw more than 300 cyclists. (LCN PHOTOS by Pam Elrod)

WATER SYSTEM SHUT DOWN:

Next Tuesday, July 25th at 11:00 p.m., the City of Tahoka will have a scheduled shut down of our water system. This is to allow the contractor to make two connections to the new water line. The affected areas will be North 4th Street and Avenue P and North 4th Street and Avenue Q. The contractor anticipates the connections will take 4 or 5 hours to complete. Excavation of those areas will begin about 3:00 P.M. on Tuesday and these intersections will be closed until after the connections are made. A Boil Water Notice will be issued until samples are cleared by the laboratory in Lubbock.

Stolen vehicle recovered in Irving

A 2002 Ford F250 pickup belonging to Jason Kirkland of New Home, that had been reported stolen from his residence at 5:43 a.m. last Monday has been recovered, according to information from Tahoka Police Chief Miguel Reyna this week. The vehicle was found by the Irving Police Dept. in Irving, Texas, when police stopped the driver on a traffic violation. The driver, Charles Ray Daves III of Lubbock, was arrested, and the pickup has been returned to the owner. The case is still under investigation.

Another vehicle that was reported stolen in Tahoka last week was recovered within four hours, according to police reports this week. Gloria Burleson Moore reported the theft occurred from her residence in the 2200 block of N. 2nd Street, during a short 10-minute span when she was report-

edly taking groceries from the white Ford F-150 pickup into her home, about 6 p.m. Tuesday. She told officers that the vehicle had been stolen once before in Lubbock and it was possible that the same individuals that had taken it before may have had a set of keys made to the vehicle. Within four hours, Mrs. Moore contacted Tahoka Police to report that the vehicle had been located and it was no longer stolen. The owner, Reggie Moore, said he had located the vehicle parked unattended at the Chism Truck Stop on Hwy 84 in Lubbock, and the vehicle was now back home.

Tracy Hernandez of Wilson reported to Lynn County Sheriff's Office at 7:10 p.m. Friday that someone had busted out the windows on her husband's red 1970 Chevy pickup that was parked at their residence at 13th

and Miriam Street.

Tahoka Police arrested a Tahoka man, 20, on an outstanding warrant last Tuesday night, when an officer noticed the man driving a vehicle in the area, and was aware of the outstanding warrant. He arrested Austin Romero for an active Grand Jury Indictment for Burglary of a Building (felony).

Lynn County Sheriff's Office

told *The News* this week that TxDOT troopers in Garza County have complained about tractors knocking down road signs along US 380, east of Tahoka in Lynn County. "They remind citizens that these traffic/road signs cost between \$200-\$500 to replace, and any damage must be reported to law enforcement," said a representative from the S.O.

W. Calloway Huffaker announces candidacy for 106th District Judge

W. Calloway Huffaker, longtime Tahoka attorney, announces his candidacy for the 106th Judicial District Court Judge and is seeking the Republican nomination in the 2018 primary. The seat is currently held by Judge Carter T. Schildknecht.

Huffaker is a third generation attorney and fourth generation farmer. He seeks the bench offering almost thirty years of legal practice, which has covered a wide variety of legal matters ranging from complex litigation to simple in both civil and criminal cases across the state.

Huffaker brings a unique perspective to the bench because he is a business owner, farmer, and an attorney. Growing up on a West Texas cotton farm taught him the value of hard work. He says, "My conservative values and hard work in the field, office, and the courtroom have been the foundation of my success."

Part of Huffaker's conservative values is also a belief in the power of education and a connection to the

rural areas of West Texas. Huffaker has always promoted education as "a way back to our rural communities, not a way out of..." and contributes to annual scholarships given to area graduating high school seniors.

In addition to this scholarship program, Huffaker is an advocate for community involvement and has volunteered with organizations including the American Cancer Society, Boy Scouts of America, the Tahoka Rotary Club,

and his church.

He believes his varied experience combined with his work ethic make him a strong candidate for the 106th Judicial District Court Judge, saying, "Through almost thirty years of work in the Texas judicial system, I've gained the experience necessary to run an efficient and just court that will handle the business of the district and the people quickly, fairly and respectfully to all involved. It'd be an honor for me to serve as your district court judge."

In beautiful Mexico ... The four children of the late Welch and Marian Flippin, and step-children of Claudia Flippin, spent a week recently in San Miguel de Allende, Mexico. Here they are sitting in front of the Parroquia across from the Jardin reading *The Lynn County News*. San Miguel de Allende, a colonial-era city in Mexico's central highlands, is known for its baroque Spanish architecture. In the city's historic, cobblestoned center lies the neo-Gothic church Parroquia de San Miguel Arcángel, whose dramatic pink towers rise above the main plaza, El Jardín. Letters to the Editor

Man (ikin), Hope this says how I feel!
Editor,

I am personally so humbled by the generous outpouring of gifts given to the Tahoka High School Certified Nurse Aide Program, namely, funds to purchase a special Geriatric Nursing Manikin.

In my letter to the Editor last week I mentioned friends and businesses who had gotten us close to our goal and stated we would have a bake sale and raffle to obtain the rest of the monies needed. We had that sale and again Tahoka came through for us.

I want to mention by name our bakers and others contributors: Pam Miller, Anne Flippin, Betsy Pridmore, Lenda Wood, Vicki Ashbrook; Terri Ceniseros, Coye Lynn McCleskey, First National Bank, and Lynn County Hospital.

Melanie Richburg has generously offered to purchase matching Uniform T-shirts for the class when school starts and we see who will be taking advantage of this wonderful opportunity to earn their C.N.A.

And a special thank you to Thriftway Grocery for allowing us to use the store for our sale and to the Lynn County News

for encouraging us at every turn. So much love was shown with people buying cakes and giving them "anonymously" to deserving people and others asking "who can I give this to?". People who have much and people who have little were generous to this cause. The winners of the raffle gift baskets were Becky Rodriguez, Yolanda Aleman, and Kristy Rose.

When our Man(ikin) arrives I hope to have an open house at the classroom to introduce "him" to Tahoka.

Sincerely, Claudia Flippin

The Great Divide Isaiah 55:8-9
When we picture Jesus as our bridge to God, it is natural to think about the things that separate us from the Father. Therefore, let's examine three metaphors that describe the barriers between us and almighty God.

First, we are separated by height. Scripture calls God the "Most High" and describes Him as "high and lifted up" (Psalm 9:2; Isa. 6:1 ESV). He is above creation and unconstrained by gravity, time, or space. Furthermore, He declares, "For as the heavens are higher than the earth, so are My ways higher than your ways" (Isa. 55:9). Without question, God is above man.

Next, we are separated by distance. Moses experienced God through the burning bush, but even in that holy moment, the Lord warned him not to come too close (Ex. 3:5). Later, when the people of Israel built the temple and tabernacle, God warned them not to enter the Holy of Holies except for a single specific time each year, and then only one person was allowed to enter under strict conditions (Heb. 9:7). There is a distance between man and God that cannot be breached.

Third, we are separated by light and fire (1 John 1:5; Deut. 4:24). We know that staring into a giant spotlight can cause blindness, and standing near a flame can burn our skin. In a similar way, if we were to stand in the presence of holy God, we would be consumed.

Why did Jesus come to us? The reason is that only the perfect, sinless Son of God could reach the Father, come close to Him, and stand in His presence. And, in Christ, we can share in that intimacy.

See what's new at LCHD ... Lynn County Hospital is hosting an Open House next Thursday, July 27, from 1:00-2:00 pm, to show citizens their new Radiology Suite, located in the west wing of the hospital, near doctor's offices. The new Radiology Suite brings everything into one location, and is more convenient for patients.

LCHD to show new radiology suite in Open House here next Thursday

Lynn County Hospital has a brand new radiology suite, and they want to show it off to the public with an Open House here next Thursday, July 27. Area citizens are invited to the Open

House from 1:00-2:00 p.m. next Thursday, at the Radiology Suite located in the west wing of the hospital, near doctor's offices. The hospital is located at 2600 Lockwood in Tahoka.

"We took what was affectionately known as the 'smoke hole,' which was an enclosed covered patio outdoor area near the clinic suites, and converted it into our new Radiology Suite,"

explained John Baker, EMT Coordinator with Lynn County Hospital District (LCHD). "New construction started in April and it was completed in early June," he explained.

The new Radiology Suite features new digital x-ray equipment, as well as a new room for the ultrasound equipment, and brings the existing CT unit into the suite, which was formerly housed in an adjacent trailer near the hospital.

"The new Radiology Suite brings everything into one location, and is more convenient for our patients," said Baker. All area citizens are invited to the open house.

Texas producers have until Aug. 1 to enroll in Agriculture Risk Coverage, Price Loss program

U.S. Department of Agriculture (USDA) Texas Farm Service Agency (FSA) Acting State Executive Director (SED), Erasmo (Eddie) Trevino, reminds farmers and ranchers that they have until Aug. 1 to enroll in Agriculture Risk Coverage (ARC) and/or Price Loss Coverage (PLC) programs for the

2017 crop year. These programs trigger financial protections for participating agricultural producers when market forces cause substantial drops in crop prices or revenues.

"Producers have already elected ARC or PLC, but to receive program benefits they must enroll for the 2017 crop

year by signing a contract before the Aug. 1 deadline," said Trevino. "Please contact your local FSA office to schedule an appointment if you have not yet enrolled."

Covered commodities under the programs include barley, canola, large and small chickpeas, corn, crumbe, flaxseed, grain sorghum, lentils, mustard seed, oats, peanuts, dry peas, rapeseed, long grain rice, medium grain rice (which includes short grain and sweet rice), safflower seed, sesame, soybeans, sunflower seed and wheat.

For more program information, contact your local FSA office or visit www.fsa.usda.gov/arc-plc. To find your local FSA office, visit <http://offices.usda.gov>.

WILSON COMMUNITY NEWS by Jessica Wilke

The last few weeks have been busy for Bailey Steen. He has traveled all over to play football. He was selected to play in the CanAm Bowl, a football game between Canada and the USA. Bear Chesley has been associated with running the CanAm bowl for several years. Bailey is the third Wilson student to be selected to the CanAm Bowl. Jordan Guzman and Austin Castillo have played in previous years. The game was played in Kerrobert, Saskatchewan, Canada. Bailey played center and defensive back and was voted biggest hit of the game. He also played in the East vs West All-Star game in Wichita Falls. We are very proud of Bailey and his accomplishments.

School will be starting before we know it. However there is one big change for all Wilson ISD students. On July 11th the school board voted for uniforms for the whole school. Uniforms

will be a blue polo style shirt and khaki pants, shorts, skirt or capris. This will be in effect for the first day of school. Detailed list of the new dress code can be found on the Wilson ISD website.

Allens at Devils Tower... The aliens, if you remember your movie trivia, landed at Devils Tower, Wyoming in the movie "Close Encounters of the Third Kind" in 1977, and one apparently came back this year for a 40th year reunion with her *Lynn County News*. OK, it's the LCN's publisher who came to the iconic rock formation, but it was fun to photoshop in the alien arms here. In 1906, President Theodore Roosevelt invoked the Antiquities Act to designate Devils Tower as the nation's first national monument. Devils Tower consists of molten rock forced upwards from deep within the earth, but debate continues as to whether it is solidified lava from the neck of an ancient volcano, the walls of which eroded long ago, or whether it is a sheet of molten rock which was injected between rock layers. The LCN is 983 miles from home at Devils Tower ... and light years away when the alien takes it away on the spaceship.

Volunteers needed to promote and preserve western heritage

The National Cowboy Symposium and Celebration is currently recruiting new volunteers to help preserve and promote western heritage in Lubbock and all across the nation.

The 29th annual National Cowboy Symposium & Celebration is scheduled for September

8-10, 2017 at the Lubbock Memorial Civic Center. The event includes cowboy and cowgirl entertainers, the National Championship Chuck Wagon Cook-Off, youth activities and contests, historical Outlaw sessions, horse training demonstrations, a horse parade, and booths of western artwork and memorabilia.

The NCSC would not be possible without the time and dedication of its volunteers. For more information about becoming a volunteer with the National Cowboy Symposium and Celebration contact (806) 798-7825 or email at cowboysymposium@suddenlink.net.

Doggone it, shop at home when you can.

Our local economy is fragile ...

Shopping locally is a vital part of our growth and prosperity.

Why send locally-owned, hard-earned dollars out of town to support someone else?

Money spent in Lubbock or other surrounding towns does not support our community, our school, or our hospital. All our area businesses are staunch supporters of this community. Every time a business goes under, local taxes will go up in order to have the same tax base. That means homeowners and remaining businesses will inevitably pay more in taxes. So please, **think before you shop out of town** -- what will happen when you can no longer buy what you need in our town and there are no businesses left?

And we especially appreciate it when our taxing entities -- our school, county, hospital and city -- spend the taxes they collect from us in our own town and county.
