Double fatality crash Tuesday takes life of Tahoka man

by JUANELL JONES

A collision south of Tahoka on US 87 in the early-morning hours of Tuesday claimed the lives of two people, one a Tahoka man, when his vehicle was struck head-on by another vehicle reportedly traveling the wrong way on the wrong side of the highway.

According to Sgt. John Gonzalez, Texas Dept. of Public Safety, the preliminary investigation indicates that around 5:45 a.m. a Ford Explorer traveling northbound in the southbound lanes collided into a Ford pickup traveling southbound. Terry Dene Gwin, 42, of Tahoka, was identified as the driver of the Ford pickup. The driver of the Ford Explorer traveling northbound in the southbound lanes has been identified as Ivan Adam Davila, 35, of Horizon City El Paso, Tx. Both vehicles ended up in the center median. The crash occurred 4 miles south of Tahoka.

Traffic was diverted from the southbound lanes of US 87 for several hours Tuesday while officers worked the scene. The crash is still under investigation.

Last Monday night, a Lynn County woman was attacked when a man forced entry into her rural home.

Jamie Rogers called 9-1-1 at 9:24 p.m. on Monday, Nov. 6, telling Lynn County Sheriff's Dept. that a man who claimed to be from the police department forced his way into her home located just off US 87 and attacked her. According to information this week from the Sheriff's Dept., she told officers that she heard someone knocking on her front door, and a man claiming he was from the police department saying he needed to speak with her. When she opened the door, the man forced his way inside and reportedly grabbed her around the neck. Her dog reportedly attacked the man and she was able to push the man back outside the door and lock it. The man left the scene before deputies could arrive. EMS was called to the home to check the woman for injuries, but did not transport her for medical care.

District Judge Carter Schildknecht assessed sentencing in three cases in 106th District Court proceedings held on Nov. 7 for Lynn County. Sentencing was as follows:

· Anthony Vera, pled guilty on charges of Possession of a Controlled Substance, To-Wit, Methamphetamine, from charges on Dec. 20, 2016; sentenced to 9 months in State Jail, plus payment of court costs and \$180 in restitution.

· Dalton Guerra, Judgment Revoking Community Supervision, sentenced to 5 years in Texas Department of Criminal Justice institution (less 180 days time credited), on charges of Indecency with a Child on Nov. 27, 2012; plus payment of court costs and \$2,500 fine.

• Tiffany Hernandez Castro, Judgment Adjudicating Guilt and Revoking Community Supervision, for the offense of Possession of a Controlled Substance in Amount Less than 1 Gram; sentenced to 58 days in county jail (less 58 days time credited).

Three other traffic accidents were reported during the past week. At 4:22 a.m. last Tuesday, a woman accidentally drove into the center median on US 87, south of CR 15. When she hit the ditch her airbag deployed. Xenia Ramos of Tahoka was the driver of the 2012 Ford. Lynn County EMS transported her to UMC hospital in Lubbock

Jeffrey Thomas of Round Rock was the driver of 2009 Toyota that hit a wild hog on US 380, west of Tahoka, at 9 p.m. last Wednesday. He was driving in the eastbound lane when his vehicle struck the hog. No injuries were reported, but the vehicle had to be towed.

Two vehicles collided on FM 211 at FM 2192 at 7:34 p.m. Saturday, when one vehicle attempted a U-turn and the other struck it. No driver's names were available, but a Nissan Sentra and a Ford F250 were the vehicles involved. No injuries were reported.

Two cotton module fires were reported last week, one near Wilson last Monday night and one a half mile north of Tahoka on US 87 on Sunday

Two reports of theft were investigated by Sheriff's Officers. Last Tuesday night, a man reported that his girlfriend came into one of the barracks next to New Home Coop Gin and took his TV and other items while he was at work at the gin. And, a man reported a stolen gun at 9:13 p.m. Sunday night, but told officers that a man had been practicing with the gun and then failed to return it. Officers located the man, and the gun was recovered. The owner of the gun did not file charges, but the man who took the gun was arrested anyway after officers determined he was wanted on warrants out of Midland County.

Tahoka Police arrested a 21-yearold Temple man on charges of Possession of Narcotics after a traffic stop in the 700 block of Lockwood at 12:37 a.m. Saturday. A search of the man's vehicle revealed marijuana and drug paraphernalia.

During the month of October, Sheriff's Office Communications staff processed 287 calls, including 122 for the County, 97 for City of Tahoka, 11 for City of O'Donnell, 33 for Lynn County EMS, 17 for Lynn County Animal Control, and 7 for county fire

Lynn County Jail held 42 inmates, including 19 for Ector County, 6 for Dawson, and 17 for Lynn County.

Dr. Edward Smith named Municipal Judge; Council appoints McLelland to fill open seat

by JUANELL JONES

Tahoka City Council met Monday night, voting unanimously to name Edward Smith, PhD as the new Municipal Judge for the City of Tahoka, and naming Casey McLelland to fill the vacant seat on the council, from among a slate of three nominees.

Dr. Smith is a former Tahoka citizen who has moved back to Tahoka after retiring as Director of the Texas A&M AgriLife Extension Service. He has also worked as a Program Specialist with the Agricultural Food Policy Center to evaluate farm policies. Following his appointment as Municipal Judge by unanimous approval of the City Council, Dr. Smith was administered the Oath of Office by Mayor John Baker. He will assume his duties immediately.

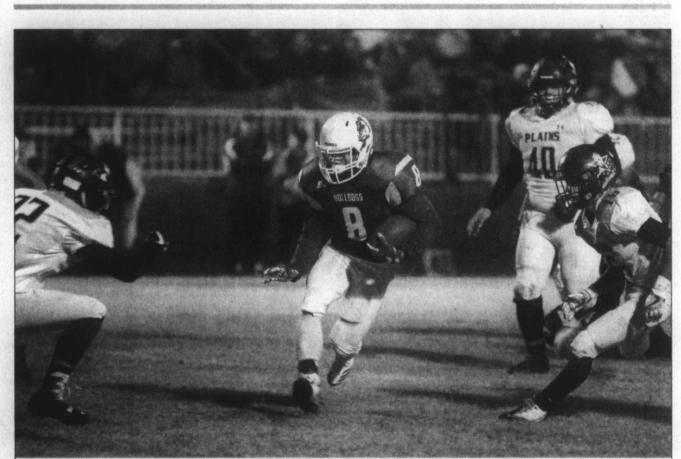

Naming someone to fill the District 3 vacated seat on the City Council brought an unusual set of circumstances for the council to consider. After returning to open session after a short executive session to consult with the city's attorney, each of the three council members present at the meeting nominated a different person as their nominee for the vacated council seat. Councilman Ray Box nominated Casey McLelland for the position, Councilman Jeff Martin nominated Shiloh Braddock for the seat, and then Councilman Ronny Jolly nominated Barbara Jaquess for the seat. With each of the three voting for their candidate, it was left to Mayor John Baker to cast a vote to break the three-way tie, and Baker voted for McLelland. Jolly made another motion, which carried unanimously, that the newlyappointed council member serve until the next election in May 2018 (a 7-month period), at which time there would be a one-year unexpired term for the District 3 seat placed on the

Mrs. McLelland is an RN at Lynn County Hospital. She is taking the council seat vacated by District 3 councilman Tyler Hawthorne.

In other business, the council reappointed Slate May as the city's representative on the Lynn County Appraisal District Board, and approved an expenditure of \$3753 from the city's Hotel/Motel tax revenue funds to pay a portion of the cost of electrical work at the city park for the Harvest Festival. Vote for 3-D Band in KCBD Battle of the Bands

The Tahoka High School 3-D Band has advanced to the Final Eight of the KCBD Battle of the Bands, and needs fans to vote for them to advance to the Final Four and a chance to win the grand prize.

"Thanks to votes of the community and students, your Tahoka 3-D Band made it past the first two stages very handily," said Director Carroll Rhodes. "Starting this Thursday evening, from November 16-24, the 3-D Band will be competing against Spur who overwhelmingly defeated Lubbock Christian. The winner will advance to the Final Four with the winning band there receiving \$3000 to help their band program," Rhodes explained.

To vote, all one has to do is go to KCBD.com/band and it will pull up the website. You may vote once per minute but as many times as you wish.

"As a fellow small school with a lot of pride just like Tahoka, Spur is very competitive so we are needing the people and students of Tahoka to help their Tahoka 3-D Band in this endeavor," stated directors Rhodes and Cristal Burse.

No Regrets

Do not say, "Why were the old days better than these?" For it is not wise to ask such questions.

Ecclesiastes 7:10 (NIV)

While doing some spring cleaning, I came across a dust-covered bag. I expected it to be filled with useless old papers. Instead I was surprised to find old letters, cards, and photographs from around the time of my high school graduation.

Life has not always been kind to me, yet in many ways God has blessed me. Still, as I looked at these mementos from when my life was full of promise and potential, I felt a pang of regret for what I perceived as a life of failure and mediocrity. I yearned for that earlier time when things seemed simpler and safer. If only I could change the poor decisions I have made, I thought, I might be able to reverse their bitter effects.

In truth, life was not easier then. Through these hard years I have matured, and God has taught me wisdom, building me into a person of faith. From our new birth of salvation, we journey onward toward our heavenly home. The goal doesn't lie behind us; there is no benefit in going back. Our life in Christ may be many things, but it will never be a life of regret. My future in Christ outshines the regrets of my past. Jeff Riley (Oklahoma, USA)

Geoff Cooper is in Terry County

BROWNFIELD - The Texas A&M AgriLife Extension Service has named Geoff Cooper as the agency's new agent for agriculture and natural resources in Terry County.

"Geoff is an excellent choice for Terry County," Clawson said. "His finger is on the pulse of the county as he was raised there and has farmed and worked in agribusiness in the county for a number of years. He also has a strong background in agricultural education and remains active both civically and professionally. I expect he will be a key asset for the county as well as to our agency."

Cooper graduated from Brownfield High School and earned a bachelor's degree in agricultural education from Texas Tech University. He worked as an agronomist and cotton sales representative for Brownfield Seed Delinting, farmed for 13 years in Terry County and was an agriculture science instructor from 1990-2002 in Wellman, Denver City and Meadow, respectively.

Bulldogs in football playoffs

The Tahoka Bulldogs will play Bovina in Class 2A bidistrict football playoffs this Friday, Nov. 17 at 7:30 pm in Littlefield. Tahoka will be the visiting team, and ticket prices are \$5 for adults, and \$3 for students.

It's the second consecutive year for the Bulldogs to make post-season play, and Coach Stephen Overstreet is proud of his team for making the play-

"They played well against Plains in our final district game, and now we're looking at the bi-district playoff game this week. We appreciate our fans, and hope everyone comes out to support their Bulldogs this Friday," he added.

Tahoka beat Plains 30-22 last Friday in the final district game of the season, to secure a spot in the playoff bracket.

The Bulldogs opened with a 3-point field goal by Javier Zuniga just minutes into the first period against Plains, and Plains responded with their own field goal near the end of the first period, to tie at 3-3 going into the second quarter. Juwan Hamilton ran for a 24-yard touchdown in the second quarter, with Zuniga kicking the PAT, and the Bulldogs led 10-3 at the half.

Tahoka's Malik Hamilton scored a TD on a 22-yard run early in the third quarter, with a PAT by Zuniga, but Plains answered with two more TDs in the third, gaining ground and trailing by only 1 point as they went into fourth quarter play.

The fourth quarter was all Tahoka's, with the Bulldogs adding three more touchdown runs. Malik Hamilton ran for two TDs, and Juwan Hamilton added another TD with a 1-yard run, for the Bulldog win.

Outta my way ... Tahoka's Kevin White (9) has the ball, and Ruben Quinonez (50) looks to protect him, in last Friday night's final district game against Plains. The Bulldogs won 30-22, and move on into bi-district play against Bovina this Friday night at 7:30 p.m. in Littlefield. (LCN PHOTO by Abraham Vega)
