HASKELL, HASKELL COUNTY, TEXAS

THURSDAY SEPT. 26, 1946

NUMBER THIRTY-NINE

County Singing Plan Sunday

County Singing Plan Sunday
The rapidly taking shape of the County Fifth Sunday Convention to be held in Haskell, September 29, will be held in the stadium in that city, according to J. W. Hulse, president of the organization, which includes Haskell, Throckmorton and Young counties. The meeting replaced the regular Tuesday noon luncheon for the service club.

Lions and Guests Meet Teachers at Tuesday Banquet

Haskell Lions combined a ladies' night banquet with a teachers' meeting at the high school activity building Tuesday evening, and the affair was attended by more than 70 people. The meeting replaced the regular Tuesday noon luncheon for the service club.

Lion President J. M. Crawford acted as master of ceremonies for the gathering, first portion of which was taken up with regular Lions Club business. Following routine session, Lion Crawford called on Lion A. C. Pierson to speak briefly on "What We Think of Teachers."

Program committee was Lions Roy Sanders and T. W. Williams, and Sanders introduced Superintendent S. H. Vaughter of Haskell Schools who gave a brief summary of faculty duties and difficulties. Vaughter introduced High School Principal Pyeatt McCollum and Grade School Principal Mrs. Artie Mae Burkett, who in turn introduced their teachers and gave assignments of each.

School people attending were: J. L. Alderdice, J. E. Berryhill, Mrs. Milam Digs Jr., LaVera Riley, Mrs. Hazel Weaver, Mrs. T. R. Odell, Mrs. S. H. Vaughter, Mrs. J. D. Marlow, Mrs. Ima Dell Fitzgerald, Mrs. Amelia Fagan, Mrs. Carrie Murphy, Mrs. Myra Weaver, Miss Lucy P. Pool, Mrs. Joe Bowers, Mrs. Cresta Brooks, Mrs. Opal Nanny, Mrs. Ada Rike, Miss Georgeann Claus, Mrs. Marie Kennedy, Mrs. Lina Stone, Mrs. Louise Green, Mrs. Aura Lee Thornton.

Mrs. Digs read a clever poem on what teachers think of their work, and Mrs. Crawford thanked the Lions on behalf of Lionesses and other guests for the banquet.

Eastern Star to Host State Officers Here Evening of October 1

Haskell Chapter, O. E. S. will host Oct. 1 to Mrs. Lallah Mae Volius of Houston, Texas, the worthy Grand Matron of Texas, Mrs. Ovetra Busby of Electra, and Mrs. Elizabeth Elliott of Colorado City, both deputies of District Seven, Section Two, and possibly other grand lodge officers.

Otto F. Peiser Enlists In Regular Army

Otto F. Peiser, son of Mr. and Mrs. Otto Peiser of Haskell, volunteered for the regular Army at the Abilene Army recruiting station last week for a period of 3 years in the Army Air Force. He is a graduate of Haskell high school.

Dream of Student Nurses

Student nurses dream of cooperation with five other states in their organization, currently is seeking to raise student nurse enrollments in Fall classes from an all-time low of 300 to more than 2,000 by October 1.

Student Nurses Get Final Call for Fall School Semester

In a final appeal for student nurses for the state's 37 accredited schools of nursing, Miss Lucy Harris of Fort Worth, president of the Texas League of Nursing Education, Thursday urged girls between ages of 17 and 25 years who might qualify to enroll at their nearest hospital before Fall classes close Oct. 1.

Miss Harris termed a recent intensive campaign for student nurses conducted by six statewide organizations as "extremely successful for the brief period involved," but pointed out that openings still are available and asked that prospective students who could not enroll before the Oct. 1 deadline consider making an application for new classes beginning in February.

Success of the campaign was attributed directly to the "splendid support of the press and radio of Texas, ministers, physicians, hospitals, and civic organizations as well as certain business establishments which were extremely generous with advertising contributions."

The drive was launched after nearly one-fourth of the nation's hospital beds were closed by a shortage of nurses and after Texas enrollments of students had dropped from an annual average of 1,500 to 300. It was undertaken by the Texas League of Nursing Education in cooperation with the Texas Hospital Association, the State Medical Association, the Texas Graduate Nurses Association, the Texas State Board of Nurse Examiners, and the State Organization for Public Health Nursing.

Indians to Hamlin For First District Tilt Friday Night

Still gunning for their first win of the season, Haskell High School Indians will be in Hamlin Friday night for the first game that counts in District 11-A. The locals played the Rule Bobcats to a 6-6 tie here last Friday night, and lost their first game week before last to the Spur Bulldogs, 7-6.

The Pied Pipers of Hamlin also are looking for their first victory, having lost to a strong Roscoe team 26-7, and last week bowed to the Rotan Yellowhammers, 13-7. In spite of their two losses, the Pied Pipers are rated strong enough to win from Coach J. E. Berryhill's outfit.

Anson, defending champions of this district, and Stamford are rated top teams of the circuit but both have encountered early setbacks. The Tigers barely got by Rotan, 6-0, and took a drubbing at the hands of Merkel, 24-6. Stamford disappointed many of the Bulldog followers last week when they were tied, 6-6 by a mediocre Snyder Tiger team.

Sophomore Class of HHS Names Leaders

Members of the sophomore class of Haskell High School met Monday, September 24, with their sponsors, Miss Birdwell and Mr. Alderdice. The following officers were elected:

Grand Jury Returns Three Indictments

Grand Jury for the current term of 39th District Court was in session Monday and Tuesday, during which time a number of witnesses appeared before the body. In making their report Tuesday afternoon, three indictments were returned, one charging wife and child desertion, one for the theft of an automobile, and the third for theft of automobile tire, tube and wheel. Names of parties charged in the indictments were not made public pending serving of the complaints.

New Bible Baptist Church Building

Bible Baptists Plan All-Day Meeting With Special Preaching, Singing Sunday

Day of fellowship and good fellowship will be enjoyed by members and friends of the Bible Baptist Church Sunday, according to leaders of the congregation. The new Haskell church worships in a building recently erected two blocks north and one east of the square.

Mayor Lauds Work of Camp Fire Girls Seeking Members

Endorsing the Membership March of Camp Fire Girls, Inc., Mayor John A. Couch today paid tribute to Camp Fire Girls here who are participating in the nationwide drive to recruit members.

In his message to The Free Press, Mayor Couch said: "The membership drive now being conducted by Camp Fire Girls in Haskell is not alone a project of interest to young girls; it is a step in community advancement that deserves the full cooperation and interest of every man and woman concerned with the welfare of youth."

"The training young girls receive today, and the way they make use of their leisure hours, is a major indication of the way they will shape their future lives, thus it is important that we instill in them now the fundamentals that will make for wholesome and happy living."

Through its service and cooperation, the Camp Fire organization here has become an integral part of our community pattern and proved itself to be living example of democracy in action.

"For more than 34 years Camp Fire has presented a program of health and character-building activities, and in Haskell we have seen the fruition of this training in the wholehearted cooperation given by its members to every worthy community project and appeal."

Girls Will Exhibit Work Done in 4-H Clubs at Haskell Fair

Clothing care, the use of sacks, aprons, other household articles, and handicraft exhibits have been planned by the girls 4-H Clubs of the county for their educational exhibits in the Central West Texas Fair.

Other business on the Club agenda in September included election of 1946-47 officers. Margaret Wendeborn was elected as president of the Sagerton Club with Meta Kainer as vice-president and Ernestine Beene as secretary. The Paint Creek Club elected Patricia Howard president, Velva Jo Robinson vice-president, Mary Helen Bounds secretary and Nelda Oldham reporter. Rochester officers are to be Lola Mae Hindsley president, Clara Beth Gammill vice-president, Eloise King secretary. Betty Almond is to be president of the Rule Club with Joan Lee as vice-president, Lois Allison secretary, and Peggy O'Neal reporter. Mattson Senior Club elected Banna Holt, Leta Bee Curd, Myrtle Smith and Eva Gay Reeves as their officers. The Mattson Junior Club will have Geneva Partlay as president, Lulu Fay Free as vice-president, Joetta McFadin secretary and Naomi Sparkman reporter.

Cpl. V. A. Brown, Jr. Due Home Friday

After spending fifteen months with Army forces in the Philippines and Japan, Col. V. A. Brown Jr., is expected home Friday, according to telephone message to his parents, Mr. and Mrs. Virgil A. Brown of this city. Col. Brown honed from Oakland, Calif., last Friday night telling his parents of his arrival in the States. Brown volunteered for the Army in June, 1944, and sailed for overseas May 1, 1945. He was attached to the 15th Headquarters Division Band and after going to Japan was stationed at Osaka and later at Nagoya.

West Texas CC Plans Area Confabs

ABILENE, SEPT. 26—The West Texas Chamber of Commerce is on the move toward the beginning of its annual fall referendum convention season. H. Y. Overstreet, president, has called a meeting of the regional chamber's executive board for Friday this week for planning and organizing the 1946 referendum, which will start with eight district meetings around the territory to be held during October.

Friday's session will be held at Colorado City, starting at 10 a. m. Frank H. Kelley will be official host. The Colorado City oilman is district director of WTCC District No. 5. The executive board is composed of the chamber's officers, immediate past president and district directors, altogether numbering 17.

The group's major job will be advising and disposing of reports with recommendations as made by the organization's various committees, constituting the proposed essentials of the program of work to be carried on in 1947. These matters, when the board has passed on them, will be as usual referred to affiliates in 165 West Texas towns for action at their local meetings, to follow the district gatherings.

The board also will appoint sub-committees for conducting WTCC's windshield clearance meeting, the Directors and Referendum Assembly to be held at the headquarters building at Abilene in November. The date for this will be set Friday, also dates and places for the district meetings.

GUESTS IN FLORENCE HOME
Mr. and Mrs. Lee Clisbee of Tatum, N. M., are visiting in the home of Mr. and Mrs. Leonard Florence this week.

Memorial Building Funds Continue to Climb During Week

Gifts for the American Legion Memorial Building slowed somewhat during the past week but Legionnaires still are reporting donations at a steady clip. Below are listed several donors and the amounts given, and a great number of individual gifts have not been reported. Merchants still are not reporting donations made at local business houses, and most money raised through that medium will not be turned in until the drive is nearly ended.

Gifts since last week:

Dr. T. W. Williams	100.00
Burford Cox	100.00
R. F. Pittman	5.00
W. P. Trice	25.00
S. E. Lanier	50.00
R. E. Woodward	5.00
A. C. Boggs	5.00
Arthur Merchant	5.00
Virgil Brown	25.00
R. C. Lowe	25.00
J. B. Claiborne	150.00
Calvin Drug Co.	150.00
Rayne Henson	25.00
T. C. Cahill & Son	100.00
McMillen & Romings	25.00
Bill Fouts	25.00
J. U. Fields	100.00
R. Y. Mobley	25.00
Rollo Harrel	5.00
Adolph Gerick	20.00
E. R. Lowe	50.00
Haskell Free Press	100.00
Willie Lane	10.00
Last week's total	\$4,502.50
Grand total to date	\$5,632.50

Officers Named For Red Cross Chapter Thursday

Officers of the Haskell chapter of American Red Cross were elected at a meeting held in the district court room Thursday morning.

With George Neely re-elected as chairman, other officers named were W. H. Cox, vice-chairman, and Austin Coburn, secretary and treasurer.

Second Bus Added on Haskell-Quanah Run

Change in bus schedule effective Oct. 1 has been announced by Southwest Coaches on the Quanah-Haskell-Abilene route, with an additional bus added to the daily schedule.

Northbound bus from Abilene will arrive in Haskell at 7:30 a. m. and leave at 7:50 a. m., arriving in Quanah at 10:30 a. m., with direct connection to Amarillo.

Seniors Organize in Tuesday Meeting

The senior class of Haskell High School met September 24 for the purpose of organizing the class.

Officers are the following: president, Rex Power; vice president, Huey Bledsoe; secretary, Carolyn Turner; reporter, Eddie Fouts; treasurer, Edward Corzine. Class sponsors are Mrs. Arlos Weaver and Mr. Pyeatt McCollum.

Nominating committee elected by the class to meet with the faculty to discuss other school activities is composed of Cotton Foster and Raynell Godfrey.

ON FACULTY OF SAM HOUSTON STC
Miss Hattie Lucile Paxton left Saturday for Huntsville, Texas, where she has accepted a position as Associate Dean of Women and instructor of English at Sam Houston State Teachers College.

Livestock Divisions in Haskell Fair Limelight

List of Casualties Sought by Legion

American Legion members of Haskell County are asking that names of all men from this county who lost their lives during World War II be turned in to Legionnaires or at The Free Press office in Haskell. The names will be placed on a plaque in the proposed American Legion Memorial Building, and the building will be dedicated to their memory.

Duncan Is Named Roads Chairman By State Group

AUSTIN, Sept. 23 (Sp)—Ralph Duncan, prominent Haskell County good roads advocate, has been chosen Chairman of the Haskell County Good Roads Amendment Campaign Committee, it was announced today by Charles E. Simons, executive vice-president of the Texas Good Roads Association.

Appearing on the ballot in the November 5th General Election as Amendment Number 3, the Good Roads Constitutional Amendment guarantees the availability of motor vehicle registration fees and gasoline taxes exclusively for road purposes, with the exception of one-fourth of the gas tax which will continue to be allocated to the Available Free School Fund.

"His deep interest in better and more improved highways and farm-to-market roads was the primary factor in his selection to head the Haskell County campaign," Simons said.

Simons also pointed out that the Texas Safety Association, the Texas Farm Bureau Federation, State Board of Education and thirty other state organizations have adopted resolutions strongly endorsing the amendment.

Jimmy Turner Is Junior Class Prexy

The junior class of Haskell High School met September 24 for the purpose of organizing and electing officers. Officers named are as follows:

President, Jimmy Turner; vice president, Glenn Marugg; secretary, Anne Katherine Rike; reporter, Marvin Hancock; treasurer, James Strain.

Cemetery Ass'n. Elects Officers

The Haskell Cemetery Association met in annual session Sept. 16 at the Holden funeral home for the election of officers for 1946 and 1947.

The following were elected: President, Mrs. Linna Cunningham; vice-president, Mrs. Courtney Hunt; treasurer, Mrs. F. L. Peavy; corresponding secretary, Mrs. Joe Maples; recording secretary, Mrs. R. C. Couch.

Freshmen of HHS Name New Officers

Officers for the freshman class of Haskell High School have been named as follows:

Quarter, Palomino Horse Show Planned

Outstanding among feature attractions at the Central West Texas Fair Oct. 10-12 will be two separate livestock shows and a quarter horse and Palomino show, the latter to be staged for the first time as a fair attraction.

Showings of livestock, including dairy and beef cattle, hogs and sheep in two separate divisions has been arranged to accommodate FFA and 4-H Club exhibits, and an adult division, County Agent F. W. Martin, livestock director, explained.

First day of the fair, Thursday Oct. 10 will be set aside for 4-H Club and Future Farmer exhibits of fat steers, hogs and sheep.

Friday, Oct. 11, has been reserved for the open livestock show in divisions for dairy cattle, beef cattle, hogs and sheep.

Quarter horse and Palomino show will be the feature event Saturday, Oct. 12, and advance interest in this new division indicates a large number of entries.

Finishing touches have been made on fair grounds and buildings, and all exhibit space has been allocated for agricultural, H. D. Club, 4-H girls exhibits and miscellaneous divisions. Outstanding displays are assured in all departments. Fair directors said this week.

Abilene Poultry Firm Closes In Protest Against NLRB

Market Poultry & Egg Co. closed their Abilene plant Monday as a result of an announcement Saturday that the National Labor Relations Board in Fort Worth had been asked to conduct an election among two Abilene produce concerns on the question of naming an American Federation of Labor union as bargain agent for employees. Cecil Hudson, owner of the plant announced.

Hudson Saturday instructed 21 employees on the company's payroll at Abilene not to report for work Monday. His equipment and utilities at the Abilene plant are for sale, Hudson said.

"We have nothing against the union, only that we don't feel that we can operate under union conditions," Hudson told the Abilene Reporter-News Monday. "Profits in our estimation, will not stand what union operation would amount to in our plant. We have been in Abilene 11 years and we hate to leave," he added.

The company has three other houses in Anson, Haskell, and Stamford, which are not affected by the shutdown in Abilene.

Hudson reported that the company had paid to farmers in Taylor and surrounding counties an estimated 12 million dollars since opening in Abilene. As high as a hundred or more persons were employed by the company, engaged in the handling of poultry, eggs and cream, during the peak months of January through July, the owner said.

The purchasing committee reported that coping for 34 grave spaces had been completed.

NEWS OF INTEREST to WOMEN

Gift Tea Honors Joyce Hunt of Rule

Fall flowers were used in decorations in the home of Mrs. Chas. Baker Tuesday Sept. 17 when Joyce Hunt of Rule, bride-elect of Lt. W. J. Wooten Jr., of Canyon, was honored with a gift tea. Guests were greeted at the door by Mrs. Baker and presented to the receiving line, composed of the honoree, Mrs. David Hunt, mother of the bride-elect, Mrs. R. T. Hunt, Mrs. Raymond Saffle, and Mrs. Bill Yarbrough. Punch was ladled from a lace-laid table by Mrs. Dale Dunlap of Haskell. Guests were then ushered into the room where gifts were displayed by Mrs. Herbert Hines and Mrs. H. L. Martin. Mrs. James A. Lisles, Jr., Helen Lisle and Wanda Smith assisted with the serving, and music for the occasion was furnished by Mary Wilson. The satin brides' book was presided over by Mary Allen, where approximately 75 guests registered during the evening.

Hostesses for the occasion were Mrs. Chas. Baker, Mrs. Walter Hadley, Mrs. Dale Dunlap, Mrs. Herbert Hines, Mrs. H. L. Martin, Mrs. Will Hines, Mrs. James A. Lisle, Mrs. Hershel Hines, Mrs. Joe Lowery, Mary Allen, Wanda Smith and Mrs. Frank Hines.

WMU Observing Week of Prayer

The women of the First Baptist W. M. U. are observing the Home Mission Week of Prayer with a program each afternoon this week in the Church Annex. Mrs. Thurman Bynum, Mission chairman, is director. The theme, running through all the programs, is "Look."

On Monday afternoon Mrs. Jim Fouts brought the devotional, Mrs. Thomas Watson discussed looking on the field; Mrs. R. C. Couch, Jr., Look to Yourself, and Looking to the Lord.

On Tuesday the meeting was opened by singing "Jesus Calls Us," and Mrs. R. C. Couch led in prayer. Mrs. Faye Thompson brought the principal message, discussing our opportunities with the Negroes, the Mexicans, and Europeans in our midst.

Mrs. Couch and Mrs. Jim Fouts read devotional scriptures. "Rescue the Perishing" was sung, and Mrs. L. F. Taylor dismissed the group with prayer. Those present were: Mesdames Jim Fouts, Faye Thompson, R. C. Couch, R. C. Couch, Jr., John Tinkle, B. M. Whiteker, L. F. Taylor, Thurman Bynum, Arthur Merchant, Jack Merchant, Leon Gilliam, and Geo. Herren.

On Wednesday afternoon Mrs. R. C. Couch brought the devotional. Mrs. Bynum discussed "Look Upon the Field; Mrs. Leon Gilliam, Look to Yourself, and Look Unto Me.

Good programs are planned for Thursday and Friday afternoons, and the young people will close the week of prayer, with services on Sunday evening in the church auditorium.

Mrs. Irby Is Hostess To Philathea Class

Thursday evening Mrs. Ethel Irby was hostess to the Philathea Class in her home.

Each class member brought a gift and pals were revealed, causing much merriment. Names were drawn for new pals.

All members brought a gift for Mrs. Elizabeth Martin, a former member of the class who now lives in Austin. The following new officers were elected for the year: Mrs. Fred Sanders, teacher; Mrs. Virgil Bailey, assistant teacher; Mrs. Bessie Kimbrough, class president; Mrs. Dave Persons, secretary-treasurer.

The hostess served a delightful salad plate with tea to the following members and guests: Mesdames Darnell, Freeman, Webb, Harrell, Hellums, Lewis, Patterson, Kimbrough, Bailey, Smith, Williams, Sanders, Persons, Rike, Josselot, Harrison and the hostess. Guests were Miss Willie Riley and Mrs. Cora Laird. Forty-two was the diversion of the evening.

Center Point HD Club Has Meeting

The Center Point H. D. Club met in the clubhouse with Mrs. Fouts in charge of the meeting.

The members answered the roll call: "Where Do You Keep Valuable Papers and Documents?"

The following officers were elected: President, Mrs. Fouts; vice-president, Mrs. Campbell; secretary and treasurer, Mrs. Patterson; reporter, Mrs. Pennington; council delegate, Mrs. Whittiker.

We had a very interesting program given by Mrs. Campbell and Mrs. Hannsz on "How Well Is Your Household Business Organized?"

The meeting was attended by the following members: Mesdames Corzine, Johnson, D. Bland, Morgan, Pennington, Emma Bland, Whittiker, Marugg, Smith, Campbell, Jeter, Hannsz, Patterson, Fouts and Claudia Mae Bland.

Paint Creek 4-H Girls Name Officers

The 4-H Club Girls of Paint Creek met September 23, 1946. The president, Dorothy Jean Overton called the meeting to order for the purpose of electing officers for the coming year. The following were elected:

President, Patricia Howard; vice-president, Velva Jo Robinson; secretary and treasurer, Mary Helen Bounds; reporter, Nelda Oldham.

The girls plan to have a booth at the Central West Texas Fair at Haskell with an exhibit of aprons.

Home Economics Club Meets Monday

The Home Economics Club of Haskell High School met September 23, when new officers took the oath of office by candle light. Minutes of the previous meeting were read and the treasurer's report was given.

A committee for fair exhibit was appointed, after which Mary Tyler directed a program. Miss Riley gave a talk on parliamentary procedure.

Club members were served refreshments, followed by the club song, "Sing Your Way Home."

Birthday Dinner Given for Husband

Mrs. John G. Freeman of Haskell honored her husband Sunday Sept. 22 with a surprise birthday dinner.

Those present were Mr. and Mrs. Joe Lee and Leona, Jimmie Ray Lee and Mr. Jim Bradley. Mr. and Mrs. R. H. Freeman and Gene, and Mr. and Mrs. R. L. Freeman, all of Haskell; Mr. and Mrs. Manfred Alcorn and children, Buster, Mr. and Mrs. Ira Bradley, Mr. and Mrs. John G. Freeman.

Bride of Frank Cole Spencer in Tennessee Ceremony

Corinne Ewell of Manchester, Tennessee Is Bride of Frank Cole Spencer of Haskell

Miss Corinne Ewell, daughter of Mr. and Mrs. Leighton Ewell of Manchester, Tenn., was married to Frank Cole Spencer of Haskell, Texas, son of Mr. and Mrs. Frank Spencer of Haskell, Tuesday evening, September 10 at Scales Chapel, West End Methodist Church in Nashville, Tenn.

Dr. James W. Henley officiated, after a program of wedding music by Miss Marcella Faulkner of Williamsburg, Ky., vocalist and Mrs. Everett Jackson, organist. The altar was banked with ferns and palms and illuminated by burning white tapers. White urns filled with gladioli and chrysanthemums completed the decorations.

The bride, given in marriage by her father, wore a gown of marquisette and satin, made with a marquisette yoke, long satin sleeves and an overskirt of marquisette trimmed with ruffles at the hemline and ending in a train. Her chapel length-veil of illusion was caught to a cluster of orange blossoms, and white orchids and stephanotis composed the bride's bouquet.

Mrs. Samuel Roland Turner was matron of honor and the bridesmaids were Miss Louise Spencer, sister of the bridegroom, Miss Jane Lee and Mrs. Jane Bandy. All wore frocks of aqua net with ruffled necklines and bracelet length sleeves. The fitted bodices were set onto the skirts with pleurms. They carried daisy chrysanthemums in autumn tones.

Mrs. Leighton Ewell, mother of the bride, was attired in a powder blue crepe gown trimmed with gold nail heads. Her flowers were white orchids arranged in a shoulder bouquet.

Lamar Mahon was best man. The ushers were Samuel Roland Turner, Gerald Leighton Ewell of Manchester, brother of the groom, Graham Norton of Birmingham, Ala., Robert Sadler, of St. Louis, Mo., and Whit Wright of Gunterville, Ala.

Following the ceremony, Mr. and Mrs. Spencer left for a wedding trip to New Orleans, and on their return will make their home on Blair Boulevard in Manchester. Mr. Spencer will continue his studies at the medical school at Vanderbilt University and Mrs. Spencer will teach Spanish at the Vard Belmont College in Nashville, Tenn.

For going away, the bride chose an American Beauty wool suit, a stone blue felt hat with black accessories.

After the rehearsal on Monday evening, Mr. and Mrs. Ewell gave a reception for the bridal party at the home of Mr. and Mrs. J. H. Hardy on Woodmont Boulevard in Nashville.

The bride presented her attendants with silver compacts and the groom was donor of initialed key rings.

The bride was graduated from Manchester high school and from the College of Arts and Science of Vanderbilt University, where she held membership in the Phi Beta Phi Society.

Mr. Spencer was graduated from

North Texas College in Denton and is a student in the school of medicine of Vanderbilt University where he is a member of the Phi Chi medical fraternity and Alpha Omega honorary medical fraternity.

Study Club Meets For Initial Session

The Progressive Study Club met Thursday evening, September 19th in the home-making cottage. English Literature, the subject for the year's study, was introduced and outlined by Mrs. W. O. Holden, program chairman. Projects for community service were discussed, including a report on the success of the Youth Activity and Recreation Program conducted last summer, plans for decoration of a room at the County Hospital, and work with Camp Fire groups.

Mrs. Viars Felker was elected historian to fill a vacancy created by the resignation of Mrs. J. C. Scott.

Mrs. J. A. Bynum, director of the evening's program, opened a discussion of parliamentary law, and a lively drill was conducted by Mrs. Austin Cobden. A social hour followed, with Mrs. Edward Newton hostess. The next meeting will be held on October 3rd, when Mrs. Leonard McNutt will direct a program on the earliest years of English Literature. Mesdames Lon McMillin and James E. Ferguson will serve as hostesses.

Mrs. Clyde Walker Is H. D. Club Hostess

The Dennis Chapel H. D. Club met Sept. 20th at 2 p. m. with Mrs. Clyde Walker. Plans for our exhibit at the Fair were discussed. Officers for 1947 were elected as follows:

President, Mrs. Charlie Childress; vice-president, Mrs. Clyde Walker; secretary and treasurer, Mrs. Jack Walker; council delegate, Mrs. Guy Marshall; reporter, Mrs. R. E. Hutchins; recording secretary, Mrs. Durward White.

The club adjourned to meet October 4th with Mrs. John Therwanger.

Members present were: Mrs. R. E. Hutchins, Mrs. Ben Redwine, Mrs. Durward White, Mrs. Jack Walker, Mrs. Coyt Hix, Mrs. Guy Marshall, Mrs. John Therwanger, Mrs. Charlie Childress, and the hostess, Mrs. Clyde Walker.

Electric Meter

Only difference between an autom ...
speedoMETER and an electric ...
TER is the unit of the measuring ...
le—miles or kilowatts.
Suppose you leave on an extended ...
ocation this year. Naturally you put ...
own your speedoMETER reading and ...
hen you return, by subtracting origi ...
al reading from present, you have ...
otal distance traveled. Wouldn't be ...
uch fun to make extensive car trip ...
and not know how far you had been.
Same way with electric speed- ...
METER—as above reading shows, ...
Reddy has traveled 5,876 kilowatts, ...
and if at the end of next month, meter ...
reads 5,996, Reddy will have traveled ...
120 kilowatts. Simple, isn't it?
It's fun to keep record of Reddy's ...
monthly trips, and realize that regard- ...
less of how constant and how fast he ...
has traveled, and his great distance ...
covered, his cost is amazingly small.

Contour Furrowing Proves Value in Soil Conservation

Another soil and moisture conservation practice has proven of value on land within the California Creek Soil Conservation District. The practice of contour furrowing of open pasture land is highly praised by Albert Thane, whose farm lies immediately east of the Paint Creek School in Haskell County. The guide lines for furrows on his pasture were run in February of this year and the furrowing was done shortly after that.

"The grass in the furrowed area stayed green all during the dry period, while it dried up where there was no treatment, and some of the clumps even died out due to moisture competition," Thane said. When asked if his cattle got more grazing from the furrowed area, he added, "The cows, when they were grazing, could usually be found in the area where the grass was green."

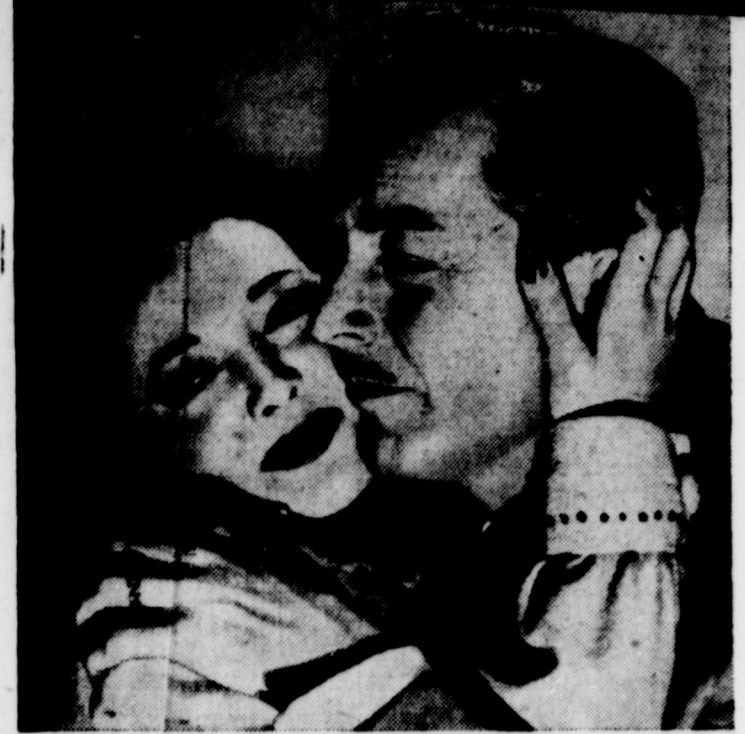

The furrows on the Thane farm were constructed with a farm tractor pulling a one bottom lister point. They were spaced on five to six foot centers and formed a furrow about seven inches deep

and ten to twelve or more inches in width. An observation since the rains show the turf grass, which is principally buffalo and curly mesquite, to already be moving back to heal over the disturbed area.

Moisture penetration tests made following the last rains showed much greater penetration depth where the land was furrowed. In open pasture with no furrows the depth was seven inches and in the space between furrows it was twenty-two inches. Another pasture located in the same East Paint Creek conservation group, but having less vegetative cover showed the moisture to have penetrated only three inches. Try this test on your pasture some time.

Offered Through USES for Section

There are few jobs which cannot be filled by some handicapped worker, Clay Beaver, manager of the Stamford United States Employment Service office, said today. "This is important to remember as, by act of the 79th Congress and presidential proclamation, October 6 through 12 has been set aside as National Employ the Physically Handicapped week. After all, Edison was a handicapped worker, yet his contribution to civilization can be measured only by time," Mr. Beaver added. Many veterans returned with service-connected disabilities, he explained. These and other handicapped workers deserve an op-

portunity for peacetime employment. Jobs matching their skills, handicapped workers turn in high production records, accompanied by lower absenteeism, accident rates, etc. Many qualified disabled veterans and other handicapped workers are available through the Stamford USES office, 125 North Swenson. Employers are urged to list their jobs with the Stamford USES staff now so that handicapped veterans and workers may find suitable employment, particularly during National Employ the Physically Handicapped Week, October 6-12.

Conservation Group Meets September 20 At Ericksdahl Gin

A conservation group planning meeting was held Friday morning Sept. 20, at the Ericksdahl Gin east of Stamford, according to Jim F. McCulloch, chairman of the supervisors of the California Creek Soil Conservation District. This meeting spearheaded the conservation work to be done by the district in the newly formed West Swenson Conservation Group.

Those attending this meeting were F. A. Smith, W. R. Cockrell, E. O. Nauert, Oliver D. Swenson, S. A. Olson, E. W. Rosenquist, H. F. Nelson, W. M. Buske, A. C. Braun, Carl Ekdahl, L. W. Larson, Edgar Shuquist, H. E. Whitworth, L. W. Stenholm, John L. Nelson, John M. Swenson, Glenn H. Reynolds, and Bomer B. Harris. Harry L. Scofield and Morrison W. Liston, members of the Stamford work unit office of the Soil Conservation Service discussed the work of the district with the group. At the meeting A. C. Braun was elected conservation group leader subject to the approval of the board of supervisors.

ATTEND BIRTHDAY DINNER
Mr. and Mrs. A. C. Pierson were in Abilene Sunday where they attended a birthday dinner given in honor of Mr. Pierson's mother, Mrs. M. S. Pierson. The Abilene woman is well known here.

To those who eagerly await their new Chevrolets ...

Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America ... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

However successful America's system of free enterprise has been, faith in planned economy has spread rapidly over this nation's political thinking in the last 25 years. It is strange that the world's most prosperous and influential people should forget how its power was built and think about imitating a plan that fails every time it is tried, but that's the picture.

How did planned economy get into the picture in the United States? This is the country with no peasant class! It is here that laborers drive their own motor cars. This is the land where farmers live like lords in older countries. It must have been a strange set of circumstances that turned the eyes of a favored people to look with envy at under-fed and over-worked races beyond the seas.

They Only Heard The facts were not all known. If farmers and craftsmen of America could see how men of similar skills elsewhere must live, they would thank God for giving their forefathers wisdom to safeguard in our Constitution the right of ownership. American people lean toward socialism have seen very little of it and heard only one side. Planned economy in America thus:

Poisonous Teaching Protected by the free-speech clause in our Constitution, soap-box orators started braying against invested capital. Crafty minds coined such slurs as "entrenched greed" and "economic royalists" to stir up envy and make success in business seem dishonorable. Wordy wars against "coupon clippers" frightened investors, large and small, and choked the flow of capital into business.

Government Control War came, and it was two years old before victory was even reasonably certain. Government rightly seized the nation's resources and manufacturing plants, and (pretend) a lion's share of America's breadwinners were in war work drawing the highest pay they ever heard of: Uncle Sam going in debt 150 million dollars a day. Things to buy became scarce, and loose money rattled in every pocket.

Quite naturally people gave government the credit when, after four years of government management, they had more money than they could spend. Actually the facts are not related. When a public debt, that approximates the country's worth keeps growing, people are not prosperous even if their wallets do bulge with "hot air" because there are not enough things to buy.

Three months of formal schooling comprised the education of Thomas Edison, who patented 1033 inventions.

Timbermen and Texas Forest Festival Officials Watch Governor Stevenson Proclaim Texas Forestry Week

GOVERNOR COKE STEVENSON, on Sept. 11, proclaimed the week of October 6, Texas Forestry Week, which coincides with the Texas Forest Festival October 7-12 in Lufkin, Texas, and in so doing, brought to the attention of the people of Texas the valuable part played by the timber industry during the war emergency and in the post-war era. The Governor called on the people to protect its 35,000,000 acres of timber.

With the Governor in Austin are, left to right, Major Elmore R. Torn, East Texas Chamber of Commerce, Longview; Al E. Cudlipp, Secretary, Texas Lumber Manufacturers' Association and Affiliated Industries, Lufkin; Clyde Thompson, Angelina County Chamber of Commerce Forestry Committee, Diboll; R. M. Eagle, Carmona, President, Texas Lumber Manufacturers' Association, N. D. Canterbury, Houston, President Texas Forestry

Association; Glenn Burgess, manager, Texas Forest Festival, Lufkin; W. E. White, Director, Texas Forest Service, College Station; Dave Thompson, vice-president, Texas Lumber Manufacturers Association, Keltys; Paul Y. Vincent, U. S. Forest Service, Houston; W. R. Beaumier, member, executive committee, Texas Forest Festival, Lufkin; Jack Frost, Texas Forest Service.

Texas Variety Club Gives Equipment To War Veterans

More than \$7,000 worth of movie equipment especially designed for bed-ridden patients, has been donated to Veterans Administration hospitals in Texas, Louisiana and Mississippi by the Texas Variety Club.

The organization, made up of Texans in the entertainment industry, raised the funds and purchased the equipment so that veterans confined to their beds by war injuries or sickness would be assured of entertainment at all times.

The Variety Club's gift included 22 light and portable projectors with prismatic lenses to throw movies on the ceiling or an overhead screen. Each projector is equipped with three headphones sets which enable selected patients to listen to the movie dialogue without disturbing others in the ward.

Indians, Bobcats Play to Double Tie Here Friday Night

The Haskell Indians were on the warpath last Friday night when they played to a tie of 6-6 with the Pule Bobcats on the local battleground. The "varsity" game followed a 0-0 tie between junior teams of the two schools.

Edward Corzine of the local warriors kicked off for Haskell, getting in a good kick that was picked up on the 15 yard line. Rule lost out in their best attempt to score in the first quarter when the Indians held fast for four consecutive downs while on the five yard line. Haskell was in the clear for some time, having paraded up the field near the scoring position, but was overpowered and forced to surrender the ball back to Rule.

Bledsoe brightened Haskell's hope for scoring when he received a kick from Rule on the 15 and carried it to the 50 before being fumbled. However, he made the second first down for Haskell in the second quarter.

Lewis, quarterback of the Bobcats, got the ball on Haskell's 26 yard line and made his way to the goal line after dodging a number of would-be Haskell tacklers, in an earnest attempt to keep the game scoreless for Rule during the third quarter. Their try for conversion was incomplete.

Rule was again in scoring position near the five yard line in the last quarter, but he took the ball and worked it to Rule's end of the field. Bledsoe pushed the ball one foot line. Cotton pay dirt. Hancock's kick for the extra point complete to the left of post.

RALPH RANEY OCCUPY NEW COTTON OFFICE Ralph Raney, local cottoner, this week moved into office, which has just been opened between Blum Street Farmers & Merchants Store. Raney's office formerly east of the bank.

40 Rare Impossible, Reveal

Tuberculosis takes the toll of any disease in the world from 15 million people a year. It is often thought of as a disease of the people of the tropics. It may strike any human being at any time. The fact is that tuberculosis is not a disease of the tropics. It is proved by statistics that more than 40 million deaths from tuberculosis occur among persons 40 years of age and over.

People who die of tuberculosis after they reach the forties may have contracted the disease in their younger years or they may have caught it in their more mature years.

Tuberculosis is caused by a germ and anyone who is exposed to the germ may get the disease, regardless of his age. Years do not create immunity to the disease—there is no immunity against tuberculosis unless it is a healthy body, strong enough to resist disease when germs invade the body.

One of the reasons that so many of the tuberculosis deaths occur among people of 4 years and over may be that the disease was not discovered early enough for treatment to be undertaken successfully.

Tuberculosis seldom has outward symptoms in its early stage. The germs work quietly at first and great damage may have been done by the time the symptoms

are apparent and the disease is discovered. Tuberculosis can be cured, but it is easier to cure in that early, symptomless stage. If the disease is allowed to progress until one lung is badly damaged or both lungs are affected, it is difficult to arrest the disease.

There would be fewer deaths from tuberculosis if the disease were always discovered in its early stage. And it can be discovered before the outward symptoms appear by means of a chest X-ray.

Everyone 15 years of age and over should have periodic chest X-ray examinations. If everyone did form the habit of having X-ray pictures taken of the lungs at frequent intervals, cases of tuberculosis would be found before it is too late for successful treatment and deaths from tuberculosis would be greatly reduced.

GUESTS IN TONN HOME

Student Nurses Plan Yearbook

Student nurses enjoy extra curricular activities as do students at universities and colleges. Above a part of a class at Harris Memorial Methodist Hospital, Fort Worth, puts together the nursing school yearbook. Six state-wide health organizations currently are attempting to enroll 2,000 student nurses in Texas before October 1.

Veterans' News

Questions and Answers

Q. How can I arrange to have my National Service Life Insurance premiums deducted from the disability compensation checks I receive from Veterans Administration?

A. You can do this if you will go to any Veterans Administration office and fill out a form authorizing VA to make the deductions from your compensation payments.

Q. I have been turned down by a lending institution for a G. I. guaranteed loan to buy a business. Does this mean that I can't get a G. I. guaranteed loan to go into business?

A. No. If one lender turns you down, try another one. The fact that one lender is not interested does not indicate that your proposition is not sound.

Q. Before the G. I. Bill was amended, I used up my whole guarantee of \$2,000 to buy a farm. Now that the maximum guarantee has been increased to \$4,000, would I be entitled to an additional \$2,000 loan-guarantee if I wish to purchase more land?

A. Yes. If you used part or all of your loan guarantee before the Servicemen's Readjustment Act (G. I. Bill) was amended last winter, the amount of loan-guarantee credit used is deducted from the amount for which you are eligible under the amended bill, and the remainder is the amount of guaranteed credit which you may use in obtaining future loans.

Q. Can I change the beneficiary or beneficiaries of my National Service Life Insurance without letting the beneficiaries know anything about it?

A. Yes. A veteran may change the beneficiary or beneficiaries of his National Service Life Insurance at any time without their knowledge or consent by notifying Veterans Administration. For further information, the veteran should consult the nearest VA office.

Q. Is the guaranty or insurance privilege of a veteran restored to its original amount when the indebtedness is repaid.

A. No.

Contracts with the Louisiana and Texas state medical societies to provide home-town medical care for veterans with service-

connected disabilities are in the final stages of negotiation, the Veterans Administration revealed this week.

At the same time, VA, through its Central Office in Washington, D. C., is seeking contracts with state hospital associations in the Southwest on a standard schedule of hospital costs so that VA can utilize more private hospital facilities for veterans with service-connected ailments.

Signing of these contracts will enable eligible veterans to get good medical care in their own communities and in many instances will eliminate the necessity of making long trips to VA hospitals for treatment.

Farmers Co-Op Society No. 1

W. A. Montgomery, Manager

Owned and Operated By Haskell County Farmers

By JOE S. HARPER, Secretary Haskell County A. C. A.

Austrian Winter Peas

To date approximately 150 farmers of this county have received 80,000 pounds of Austrian Winter Peas for seeding this fall. These peas under normal conditions, will furnish good pasture and from their roots valuable soil building elements are added to the soil. There is still a supply of peas in the county and any producers wanting some of them to plant this fall should contact the AAA office and get their prior approvals so that the AAA payment can partially offset the cost of the peas. The peas cost \$6.25 per hundred pounds, of which the A. A. A. pays \$5.00.

20 Per Cent Superphosphate

To date approximately 30 farmers of this county have received a carload of 20 per cent Superphosphate for use on Austrian Winter Peas or native pasture land. The supply of superphosphate was very limited this year, and there is no more available so far as we are able to determine. In the event there becomes a supply later ample notice will be given so

that all interested in bettering pastures can participate in the practice.

AAA 1946 Program Funds

This county has recently been allocated an additional amount of money for carrying out 1946 soil building practices before December 31, 1946. Although the amount of money is not large, it is believed that much benefit can be derived from this additional sum. The total allocation so far this year is \$146,400.00 and approximately \$136,000 has already been obligated and earned. Producers desiring to carry out additional practices under the 1946 program should contact the AAA office so that prior approval may be given in all possible cases. The additional funds do not increase an individual farm allowance, and in case the entire farm allowance has already been earned there can be no further payment made.

Deep Breaking of Sandy Soils

According to recent notification the depth for breaking sandy land for 1947 has been approved at ten inches, and the rate of payment has been approved at \$1.50 per acre, provided prior approval is obtained from the County Committee before any breaking is started. All producers should observe that the 10 inch specification is not applicable until after the first of January, 1947, and that any breaking done this fall will necessarily have to be at the depth of twelve inches. In all cases however, a prior approval is necessary before any payment can be made. It is recommended that producers desiring to break sandy soil under the 1947 program make their application to do so soon after January 1, 1947. Producers desiring to break land 12 inches this fall are reminded that prior approval must be obtained before any breaking is started.

Peace Brings Increase In Traffic Deaths

Since the war ended traffic deaths have jumped one-third, the National Conservation Bureau reports. Traffic accidents now claim 950,000 victims killed or injured each year. These are seldom accidental, the Bureau says, most of the accidents that happen are caused by carelessness and doing things without thinking about their consequences.

We are anxious to have a large number of animals exhibited.

Central West Texas Fair

F. W. Martin, Livestock Director

Farmers Know What a Profit Is For

As his own boss, the farmer has long since found out that a profit is not just an extra sum, above the bare cost of doing business, which can be used as you please. It is the main source of funds necessary to pay for a new silo, buy better machinery, and improve the house and the barn.

In spite of the great rise in income, farm profits are no more than necessary to keep the farm plant producing efficiently. It's the same with the iron and steel industry which makes the materials for the farmer's tools.

In 1945 steel companies had left, after meeting all expenses but before paying dividends, only a little more than one-tenth of one cent on each pound of steel sold. The profit on each dollar invested was less than five cents. Year by year since 1941, when the war started, earnings have been declining.

Although last year's output of steel was 19

per cent greater than in 1940, the last prewar year, pay rolls were nearly double but dividends were lower.

There are many misunderstandings and misrepresentations about profits. Some people forget that reasonable profits are a necessary incentive of the American system, which results in abundant low-cost farm products and abundant low-cost steel products.

It is up to those who know what profits are for, and what they can do, to see that they are not destroyed—and with them our high standard of living.

Steel mills need all the scrap iron and steel they can get. The shortage is serious. Farmers can get extra dollars and help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

The Institute has printed a booklet STEEL SERVES THE FARMER. Write for a copy and it will be sent gladly.

Prospects are still good for a record-sized corn crop, estimated at 3,442,202,000, U. S. Department of Agriculture reports.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night." A carefully blended combination of 18 herbs, roots, vegetables, balsams, etc. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many say have a marvellous effect. All druggists sell Swamp Root.

Club Auction Sale To Be Staged During State Fair at Dallas

Meat-on-the-hoof will go on sale by auction at the State Fair of Texas, held in Dallas Oct. 5-20, as 400 4H Club and Future Farmers of America boys auction off all the livestock they bring to the State Fair at the Junior Livestock Sale scheduled for 10 a. m. on Tuesday, Oct. 8, in the Livestock Arena.

About 250 steers, 250 hogs and 100 lambs will go to the highest bidders as the young exhibitors OPA has granted the auction committee authority to sell above bidding price to individuals who may store the meat in frozen food lockers or to restaurants stocking up, announced Chairman John W. Carpenter.

Childress Air Field Scene for Sale of Used Motor Vehicles

Childress Army Air Field will be the scene of a special two day sale to be conducted by the War Assets Administration of 165 surplus used motor vehicles Monday and Tuesday, September 30 and October 1. The vehicles, all set aside for disposal exclusively to veterans of World War II, are to be offered at fixed prices, and are located at ten different storage points in North and West Texas where they are available for inspection from September 23 to October 1, with the exception of Saturday and Sunday.

Christmas Mailing For Overseas Army Personnel Urged

Christmas packages for Army personnel stationed overseas may be mailed without request slips between October 15 and November 15, Major General Edward F. Wittsell, the Adjutant General, who operates the Army's postal system, announced today.

In past war years, the mailing period for Christmas packages was from September 15 to October 15 to insure receipt of the parcels overseas before Christmas Day. Since the fighting ended the number of soldiers overseas has been so reduced and the movements of units has lessened so much that Post Office Department officials and Army postal officers decided this year's gift mailing period could safely be set back a month. And with the later mailing period, they point out, more of the Christmas packages will actually arrive either just before or during the holiday season.

Emphasizing that American families this year know exactly where on the world's map their soldier-relative is stationed, the postal officers urge the use of judgment in mailing dates. "If Joe is stationed in Korea, then obviously his presents need to be purchased and mailed earlier in the period than gifts going to England," they explained.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- 1. Enlistments for 1, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may enlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.

Perry Brothers Variety Store Offers 'Big City' Appearance, Merchandise

When folks of Haskell and surrounding trade territory enter the Perry Brothers Variety Store, west side of the square, they immediately get the impression that they are in a "big city" store. And that impression isn't wrong, for right here in Haskell the popular variety store offers shoppers a complete variety of items found usually only in cities much larger than Haskell.

Boggs & Johnson Bargains in Furniture MATTRESS FACTORY Phone 44-J East Side Square

Ruby Kelley, general manager of the local store and her seven co-workers have set as their goal a store in which friendliness and service are year-round features, and offer thousands of items ranging from dainty handkerchiefs to household appliances and from garden tools to chewing gum and candy. The big west side store offers a complete line of school supplies, and students of this area have learned that fair dealings on high quality school needs make it mighty convenient to buy all their school supplies at Perry's.

Annual "Old Gang" Meeting Staged
 Keeping up with their annual custom of celebrating, Mr. and Mrs. Buck Calloway were hosts for a group of the "old gang" from Roberts community at their country home last Friday night. A circle was formed in the yard and many happy times were discussed from school-days up to the present. Some could talk of their children and some even of their grand children. A number of games were played, after which ice cream and cake were served. A sing-song was also enjoyed. Those present were: Mrs. Monnie Hinkle Long and Jess Long of Childress, Texas; Mrs. Maggie Taylor McKinney of El Paso; Mrs. Thelma Stanford Lewellen and son, Hugh Alton of Dallas; Mrs. Tillie Atchison Chapman and Hallie Chapman; Mrs. Virgie Hinkle Bledsoe and Hubert Bledsoe; Mrs. Sylvia Newsome Force and Alfred Force; Mrs. Lola Welsh Lemmon, Mrs. Myram Steward Weaver and Pat Weaver. H. G. Hammer, Pastor.

play and color assignments, respectively. The first Saturday night broadcast starts at 7:45 featuring the game between Texas A. & M. and Texas Tech in San Antonio. Vex Box will be the play-by-play announcer and Fred Kincaid the color man.

Twenty minutes later, at 8:05 p. m., the Rice-L.S.U. game takes the air with Bill Michaels and Dave Russell at the microphones.

Bootlegging and Swindling Cases Heard by Court

Charges of bootlegging and swindling held the limelight in cases coming before local courts during the past week, with minor offenses numbering six.

H. H. (Pretty Boy) McNeil of Haskell was placed under bond of \$500 Friday after he had been charged with sale of liquor in a dry area. The complaint, signed by Mart Clifton, was filed in county court and Judge John F. Ivy set his bond to await trial at an early date on the liquor charge.

Willie Love, colored, of Fort Worth and formerly of Haskell, entered a plea of guilty Saturday before Justice Pace to swindling by giving a worthless check in an amount of \$12.55 to a local produce company and was fined \$1 and costs, a total of \$14, and he also was required by the court to pay the check. The complaint was signed by Sterling Edwards, constable.

Noel Brashear, a used car dealer of Wichita Falls, entered a plea of guilty Tuesday before Justice Joe E. Pace to permitting a person to use his dealer's license plate on a car he had sold a few weeks ago and was fined fifty dollars and costs, a total of \$63, this being the minimum fine in a case of this kind. The complaint was filed by Patrolman Whit.

A Rochester man and a Haskell man entered pleas of guilty Friday, the former in county court and the latter before Justice Pace. The Rochester man paid a fine of \$1 and costs, a total of \$27.20. The Haskell man was fined \$1 and costs, totaling \$14, and upon failure to pay the fine was remanded to jail. Both complaints were signed by Doss Fuller.

A Windom, Texas, man and a Haskell soldier stationed at San Antonio entered pleas of guilty before Justice Pace to driving a motor vehicle on a public highway without an operator's license and making an improper turn on a public road with a motor vehicle, respectively, and each was fined \$1 and costs, totaling \$14. The complaints were filed by Patrolmen Keith Whitt and E. W. Green.

A Haskell man pleaded guilty Friday before Justice Pace to drunkenness in a public place, and to permitting an unauthorized person to drive a motor vehicle on the highway and was assessed a fine of \$1 and costs, a total of \$14, in each case. The complaints were signed by Doss Fuller.
