Twin Daughters of Mr. and Mrs. Fred Howard Wed in Double Ceremony

Mr. and Mrs. Fred Howard of Haskell are announcing the wedding of their twin daughter, Geneva and Geneice to Obbie Goolsbey and Luther Bull of Lubbock.

The wedding took place Jan. 1 in Myrtle Drive Baptist Church in Lubbock. Bro. K. C. Edmonds officiated for the double wedding ceremony, before a flower-banked altar.

The brides were given in marriage by their father, Miss Betty Foster, cousin of the brides, sang The Lords Prayer, and I Love You Truly.

Attendants for Mr. and Mrs. Goolsbey were Miss Juanell Collins of Haskell as bridesmaid and Kenneth M. Pyette of Lubbock as best man. Attending Mr. and Mrs. Bull were Miss Patricia Howard, sister of the bride, as bridesmaid, and Daniel Percin of Fort Worth as best man.

The brides were dressed in gray with green accessories. They carried white Bibles topped with white carnations. The bridesmaids were dressed in tan and gray with brown accessories, and corsages of pink carnations.

For their going away dresses Mrs. Goolsbey wore blue with brown accessories, and Mrs. Bull wore brown with green accessories. The bride is a daughter of Mr. and Mrs. Mart Clifton of this city, and the bridegroom is a son of Mr. and Mrs. Conrad Dickerson of San Antonio. Mr. and Mrs. Dickerson are living in Lubbock.

Bridal Shower In J. E. Kittley Home For Mrs. Cogburn

Honoring Mrs. Queen Cogburn, the former Emma Jo Holcomb of Rule, whose marriage vows to Queen Cogburn of Throckmorton were read on Dec. 3rd, a bridal shower was held recently in the beautiful new country home of Mrs. J. E. Kittley, south of Rule.

Guests were met by the hostess, Mrs. Kittley, then introduced to the honoree, her mother, Mrs. Joe Holcomb; Mrs. A. E. Cogburn, mother of the groom, and Mrs. Isner Conner of Throckmorton, aunt of the groom, and Mrs. Raleigh Conner, sister of the bride.

Over sixty guests were registered in the bride's book, presided over by Miss Geraldine Barbee, then were ushered into the dining room to be served from a lace and silver laid table by Mrs. Ben Kittley, Mrs. James A. Lisle, Billy Dave Kittley and Miss Wanda Smith.

Gifts were shown by Mrs. Edd Cloud and goodbyes were said by Mrs. Joe W. Cloud.

Others assisting in the party were Mrs. James A. Lisle, Miss Mary Bell Allen, Mrs. Bill Yarbrough, Sherry Lynn Yarbrough. Arrangements of seasonal flowers and lighted candles in crystal were placed throughout the house.

Out-of-town guests were Mrs. Irwin Thompson and Mrs. Frank

Can Black-Draught Help an Upset Stomach?

Yes, Black-Draught may help an upset stomach if the only reason you have an upset stomach is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. NOTICE TO BANKING CORPORATIONS

Notice is hereby given to all banking corporations in Haskell County, Texas, that the Commissioners Court of said County will on the second Monday in February, A. D. 1949, the same being the 14th day of said month, receive proposals from any Banking Corporation in the county aforesaid, that may desire to be selected as a depository for funds of said Haskell County, Texas, and also as depository for the trust funds of the District and County Clerks of Haskell County, Texas.

All proposals must be sealed and each proposal must state the rate of interest that said banking corporation offers to pay on the funds of the county for the term between the date of such bid and 60 days after the second Monday in February, 1949.

Each bid shall be accompanied by a certified check payable to the County Judge of Haskell County, Texas, in the sum of \$1,000.00, the same being not less than one-half of one per cent of the County revenue of the preceding year, as a guarantee of good faith in the part of the bidder, and that if his bid shall be accepted said banking corporation will enter into and give the required bond. Upon the failure of the banking corporation that may be selected as such depository to give the required bond the amount of such certified check shall go to the county as liquidation damages.

The Court reserves the right to reject any and all bids. Done by order of the Commissioners Court of Haskell County, Texas, in regular session on this the 10th day of January, 1949.

NOTICE TO BANKING CORPORATIONS

Sealed bids will be received by the Commissioners Court of Haskell County at its next regular term, which is Feb. 14, 1949, from any Banking Corporation, association or individual being in Haskell County that may desire to be selected as the depository of the School Funds of the Common School District of Haskell County. Said bids will be received until 10 o'clock A. M. on the above mentioned date at the office of the County Judge in Haskell County, Texas, at which time they will be opened. The Court reserves the right to reject any and all bids.

This notice is given in compliance with Chapter Two, Art. 2544 Revised Civil Statutes, Texas 1925.

MISS GERALDEAN WORREL

Mr. and Mrs. Joe Worrell of this city are announcing the engagement and approaching marriage of their daughter, Geraldine, to Mr. James Burke of Gonzales, Texas. The wedding will be February 5, at the home of the bride's parents.

Miss Olene Walker, Kenneth Russell, Wed In Goree

Miss Olene Walker became the bride of Kenneth Russell in a simple ceremony performed Saturday afternoon January 1, at 4 o'clock in the home of Rev. and Mrs. S. E. Stevenson of Goree.

Rev. Stevenson, pastor of the Baptist Church in the Brock community read the double ring service.

For her wedding, the bride chose a lovely dark blue crepe dress featuring a silver spangled yoke. She carried black accessories.

The bride, daughter of Mr. and Mrs. F. E. Walker who reside in the Brock community, was a student in Knox City High School, graduating with the Class of '46. She attended TSCW in Denton three years.

The groom is the son of Mr. and Mrs. Paul Russell of Rochester and is a graduate of Rochester High School.

Immediately following the ceremony, the couple left for a seven day tour of different states.

They will make their home on the farm near Rochester where the groom has extensive farming interests.

New '49 Chevrolet Goes on Display Saturday

A product of three years' development work and more than a million miles of engineering

research, the 1949 Chevrolet goes on display in showrooms of Burton-Dotson Chevrolet Co., here Saturday. The latest model has been completely restyled. It is lower, wider, and more distinctive than any previous series. Not only does the design introduce superior beauty to the lowest-priced ranks, but numerous body and chassis improvements promise to add to Chevrolet's reputation for comfort, safety and convenience.

Chevrolet's 'Balanced Design' Adds Beauty and Comfort

Progressive streamlining of the 1949 Chevrolet is in emphasis in this view of the Styleline De Luxe four-door sedan against a new Martin 202 passenger air-line. Notable in the roomier, lower cars is a balance in design that adds greater comfort and driving ease as well as smart appearance.

point perhaps the chief improvement in bodies is the immense increase in glass area. All windows have been deepened and widened. The windshield takes full advantage of broader bodies, curving inward at the narrowed pillars to improve sideway as well as forward vision. On comparable models the gain in visibility over 1948 has been as much as 30 per cent.

Two series of cars, the Fleetline and Styleline, are included with De Luxe treatment an option in most body types. De Luxe cars lay increased emphasis on the styling of fabrics, trim and appointments. FLEETLINE—Two and four-door sedans. This design is distinguished by the extension of the roof line in an unbroken sweep to the rear. Known to the trade as a "fast back," the form achieved great popularity on the 1948 two-door Aerosedan. STYLELINE—Two and four-door sedans, sport coupe, three-passenger business coupe, convertible, wood and all-steel station wagons. Styleline sedans carry the "notch back." Here the curvature of the roof meets the rear deck at the body belt line.

In both styling and performance the 1949 series continues the "big car" aspects that have always been traditional with Chevrolet. The design is fresh and substantial-looking without approaching the extreme. Greater comfort is reported demonstrable by "ruler and by ride." The rugged six-cylinder, valve-in-head engine remains fundamentally the same, but refinements will increase appreciably the car's handling ease and owner satisfaction.

In the engineering of our most important model in several years, we considered first the qualities that have consistently given Chevrolet the leadership in the industry, said a company statement. We did not make changes simply for the sake of change. Every innovation throughout the chassis and body was exhaustively tested and proved. We exercised great care to assure ourselves that each department met Chevrolet standards. The first impression of the new cars is one of smart styling, structural strength and generous dimensions. The entire passenger compartment has been moved forward, lengthened, broadened and lowered, affording a pleasing balance in proportions. Rearwardly the front fenders have been absorbed into the body, their vertical planes built flush with the doors. Crowns of the fenders have also been raised to fit more snugly into the hood and low, clean ensemble of the grille. To add grace and protect body surfaces, a partial rear fender has been retained.

average price of meters rises from \$9.16 to \$16.68 yet natural gas service for homes is less than prewar price!

Meters are but one example. Labor to install them, in fact, virtually everything else behind your Lone Star Natural Gas Service has risen sharply in price.

Despite rapidly rising operating costs, rates for homes reduced in 1942 continue in effect today. So far... Lone Star has held the line while other prices soar.

With Lone Star Gas at less than prewar price, the average home still enjoys carefree winter heating, piping hot water, silent automatic refrigeration and automatic cooking for a year-round average of less than 15 cents a day.

The closing date for submission of applications is Feb. 9.

**Isolation of Mumps
Victim Advisable
To Prevent Spread**

Commenting on the necessity for individual cooperation in effecting the control of mumps, now widespread throughout the State, Dr. Geo. W. Cox, State Health Officer, emphasizes the fact that the contagion factor is present before any symptoms appear, and strict isolation of all patients is the surest means of controlling the spread of this disease.

Mumps is transmitted by direct contact with an infected person or articles freshly contaminated by the secretions of the mouth or nose of persons having the disease. It takes from 12 to 26 days for mumps to manifest itself after the infection occurs. The disease can be easily transmitted, but one attack usually establishes permanent immunity and second attacks rarely occur. The most easily recognizable characteristic symptom of mumps is a painful swelling of the salivary glands. Sometimes there is an involvement of other portions of the body, causing disturbances in

the digestive, nervous, circulatory and genito-urinary systems. The disease is usually accompanied by a temperature rise which more often than not is mild.

Patients suffering from this disease should be isolated from other members of the family immediately upon the suspicion that mumps exist, and the family physician should be called in promptly, Dr. Cox said. In the meantime, complete rest in bed is indicated. The doctor's orders should be followed strictly. Violating his instructions can lead to serious injury, which may permanently affect the patient's health.

**Baptist Brotherhood
Sponsors Father-
Son Banquet**

Approximately fifty men and boys of the First Baptist Church here attended the first quarterly father and son banquet sponsored by the church Brotherhood in the annex building on Tuesday evening.

Principal speaker was the Rev. Miles B. Hays, pastor of the First Baptist Church of Stamford, who brought a most interesting and inspiring talk on "There Is A Lad Here."

The Rev. Hays was introduced by Walter Skiles, Brotherhood program chairman, and the invocation was given by Ed F. Fouts. Wix B. Currie, president of the organization, presided over

the meeting, with special music of a local quartet highlighting the meeting. The quartet was composed of Hallie Chapman, W. B. Guess, Hayden McDonald, and Joe Maples.

The meal for the occasion was furnished by the entertainment committee of the Brotherhood, with Stanley Furrh and Thurman Lusk in charge.

The local Brotherhood meets the third Tuesday in each month in the church annex.

of an Army Officer**

TWO NEW WAYS TO JOIN THE RANKS
OF AMERICA'S YOUNG LEADERS

DIRECT COMMISSION

A commission as second lieutenant in the Officers' Reserve Corps with a 2-year initial tour of active duty is ready for you if you meet these requirements: one year of honorable service in any of the Armed Forces between 7 December 1941 and 30 June 1947; have completed two years at an accredited college or university; U. S. citizenship; AGCT score of

110 or better; not more than 32 years old; physically fit. Once commissioned, you'll be assigned to a 3-month officers' training school, and, on successful completion, you'll be free to compete for a Regular Army Commission if you meet the competitive tour age requirements. Go to your nearest U. S. Army and U. S. Air Force Recruiting Station for complete details at once.

OCS FOR HIGH SCHOOL GRADUATES

If you've graduated from high school or can pass an equivalent examination, are between 19 and 28 years old, are a U. S. citizen, and have necessary physical qualifications, apply now for enlistment for Army OCS. After your application is approved, you'll be enlisted as a Sergeant and given basic training if you have not had it already, then sent direct to Officer Candidate School, subject to

quotas, of course. Upon graduation, you'll be commissioned a Second Lieutenant in the Reserve, and placed on two years of active duty. Top OCS graduates are commissioned in the Regular Army—all others may compete for a Regular Army Commission. Get all the facts about applying for OCS entrance at your nearest U. S. Army and U. S. Air Force Recruiting Station without delay!

BOY!... Old Mother Nature certainly gave men a terrific beating. The ice storm broke stout wires as though they were strings and snapped sturdy poles as easily as match sticks. We had built strongly, but the excessive weight of ice was too much for even the best constructed lines.

Emergency crews of linemen hopped onto the job, and electric service was restored as rapidly as humanly possible.

Those linemen are great fellows. They don't like these storms any more than you do—but when needed, they pitch in and work day and night to get your service going again.

They, and all the rest of us at your service company, are sorry for interruptions of your electric service. We appreciate your patience and friendly understanding of our difficulties during the storm. Thanks and Thanks again.

BIRTHDAY SUPPER HONORS J. D. ADDRESS

On the evening of January 11, the children of J. D. (Uncle Jim) Address surprised him with a supper, honoring his 76th birthday, each one bringing a well-filled basket. After supper was placed on the table and the big cake with all of the 76 candles, he was taken to the dining room and all guests gathered around and a prayer of thanksgiving was offered by a grandson, Kenneth Address. Everyone enjoyed the good feast. After all had eaten, they gathered in the living room and spent the evening in talking and having a good time. Those present, other than the Address children and their

20 Years Ago—Jan. 17, 1929

Bonds totalling \$1500 were declared forfeited by Judge Bruce W. Bryant in District Court Monday, when two defendants failed to appear for trial of their cases on the date set. One bond, for \$1000, had been perfected by a youth charged with theft, and the second bond for \$500, was that of a negro charged with transporting liquor.

Geo. D. Roberts, proprietor of the Tonkawa Hotel, was a business visitor in Ft. Worth Monday.

Geo. T. Scales, former manager of the Haskell Light & Ice Co., and latter district manager for the West Texas Utilities Company here, died Jan. 12, in Lubbock, where he had made his home since leaving Haskell.

In a deal closed last week, J. M. Diggs of this city purchased the Christian Bros. Grocery on the north side of the square and has taken over management of the business.

H. G. Hammer of the Howard community was a business visitor in Haskell Tuesday.

Judge P. D. Sanders is able to be back at his office, after being confined at home for a few weeks suffering from injuries sustained when he was struck by an automobile while crossing the street downtown.

M. O. Field and family have moved back to Haskell from the South Plains where they have been for the past two or three years.

Crawford Allen of Alpine is here for a few days.

Ed Ellis and wife of Fort Stockton are here for a few days visit with relatives and friends.

Equipment for the showing of sound pictures is to be installed by the Texas Theatre within the next sixty days, it was announced this week by Gene Hughes, manager of the show.

50 Years Ago—Jan. 16, 1909

Up to Thursday at noon several cases had been tried in the County Court, resulting in six boys from Carney being sentenced to jail for minor offenses, and fines being assessed against two or three other young men for violations of the law.

Will Edge, who lived here in the late 80's, was a visitor in the city the early part of the week. Mr. Edge has been railroading since he left here and is now running an engine on the Texas Central.

Munsey Cogdell has purchased the French Bros. drug business at this place. Mr. Cogdell came to Haskell from Mineral Wells about two years ago to engage in the land business.

Joe McCary has purchased an interest in the auto line of J. L. Baldwin from Haskell to Rule and they have put on a new car. They will have two of these machines that will make the trip any time of the day between the two towns.

The Oil Mill has started up and is making cottonseed oil. The Haskell mill is one of the most modern plants of its kind in Texas, and will bring a substantial income to the city. The mill is running on a 24 hour schedule and several hundred laborers are employed.

Miss Cassie Hill of Gilmer, Texas, has accepted a position with the C. M. Hunt & Co. dry goods store.

50 Years Ago—Jan. 21, 1899

A late dispatch says that the War Department has decided to muster out the entire volunteer army at the end of this month unless the troubles in the Philippines become so serious as to make such a course inadvisable.

We understand that our public school term will end about the last of March, giving Haskell only seven months of school.

W. T. Andrews, a lawyer of Throckmorton, spent several days in Haskell on business this week.

T. J. Lemmon, J. A. Bailey, F. M. Morton and J. S. Boone are attending the Stockmen's Convention in Galveston this week.

Ben Wilbourn returned Thursday from Dallas, where he went to purchase new hardware stock for his store.

J. N. Jasper left this week with his family for Briscoe county, where they will make their

home. W. H. Parsons is erecting a business house on the west side of the square.

Ernest Fields came in from Howe Thursday on a visit to homefolks here. He was accompanied by a friend, Lusk Colville, who came out on his first trip to the West.

Miss Beulah Bunkley of Seymour visited the family of Dr. Neathery this week.

A mass meeting of citizens was held at the courthouse Monday night to hear the report of the committee members who went to Throckmorton last week to confer with citizens of Throckmorton and Young counties in regard to taking action toward securing an extension of the Rock Island railroad from Jacksboro through Young, Throckmorton and Haskell counties.

Marshall Pierson returned to Waco Thursday to resume his studies at Baylor University.

Now Is Time For Plant Shrubs, Trees, Specialist Says

Don't wait too long. That's the advice from Sadie Hatfield, extension landscape gardening specialist of Texas A&M College, for those who plan to set out new trees or shrubs around the yard this year.

This is the time of year to do that kind of landscaping job, so better begin working on it now. Before you know it, the sap will begin rising and the buds will begin swelling after a spell of mild weather. And once the trees have their leaves, your good plans may have to wait another year. Trees that set out late do not stand as much drought as those set early.

Planting new shrubs or trees, or transplanting old shrubs, is best done right after a rain.

Miss Hatfield, and your plants in their new places should be well established before the leaves unfold. The leaves use up much of the plant's vitality.

When you put trees out, it is best to ball and burlap them to keep the roots from drying out. For the planting job itself, use a spade or a long handled shovel for digging the hole. Make it deep enough so that the trees will not be more than an inch deeper in the ground than they were in the nursery or the woods. Planting too deeply injures or kills the shrubs. Be sure the hole you dig is large enough to hold the plant's roots without crowding them in, or curling them up toward the surface.

After you've set the tree, pack moist topsoil firmly around the roots. A good watering will help settle the earth, and get the tree off to a good start. Planting right after a rain is good management, reminds Miss Hatfield. And when you have time and

good weather, remember that winter is the best time for pruning shrubs, particularly the evergreens, shade trees and the shrubs that bloom in late summer.

Now is the time, so don't wait too long.

Wet shoes should never be dried close to a stove. Fast drying of leather makes it shrink, harden or crack open.

There are more than 1000 active farmers' cooperative state and 95 percent of the serve local groups of mately 200 members new cooperatives were during 1948.

Meal of the Week
BY MARY LEE TAYLOR

Club Casserole
(Recipe below)
Pear and Lettuce Salad with French Dressing
Sliced Bread
Butter or Margarine
Gingerbread with Raisin Sauce
NOTE: Stuffed items (meat of the week specials) in ad will make this meal.

Club Casserole

1 1/2 cups noodles, broken in pieces
6 cups boiling water
2 teaspoons salt
2 tablespoons (can omit)
shortening
2 tablespoons flour
1/2 teaspoon pepper
1/2 cup beef bouillon
2 teaspoons grated onion
1 cup Fat Milk

1 1/2 cups cooked or canned meat*
2 tablespoons diced pimiento
2 tablespoons (can omit)
chopped parsley
2 diced, hard-cooked eggs
1 cup crushed potato chips

Cook noodles tender in boiling water and 1/2 teaspoons salt. Drain. Turn on oven; set at moderate (375° F.). Grease a shallow 1 1/2-quart baking dish. Melt shortening; blend in flour, remaining salt and the pepper. Stir in bouillon and onion. Cook and stir until thick. Then stir in milk. Add drained noodles, the meat, pimiento, parsley and eggs. Arrange in layers with potato chips, having chips on bottom and top. Bake about 30 minutes, or until firm. Makes 4 servings.

CARD OF THANKS
We desire to express our heartfelt thanks to friends and neighbors for their many acts of kindness extended during our bereavement in the loss of our loved one. We are grateful for the food brought to our homes, and to the Fundamental Baptist Sunday School for use of the rooms where dinner was served; for the beautiful floral tributes and everything else that was done to help lighten our grief.—The Tidrow Family.

STOP THE LEAKS!

You probably do not realize that a dripping faucet or other unsuspected leaks may be the cause.

WATER WASTE AT 40 POUNDS PRESSURE

- a 1/32" leak wastes 170 gallons in 24 hours
- a 1/16" leak wastes 970 gallons in 24 hours
- a 1/8" leak wastes 3600 gallons in 24 hours

At 15c per thousand gallons the smallest of these leaks will add \$10.95 to your annual water bill.

— Stop the Leaks —

In hot weather, some owners will forget to shut off lawn sprinklers or leave garden hose running all night to trickle water through their flower beds.

Many a municipality has lost or is losing an adequate water supply of water through needless waste.

Why not check your leaks? Your stop and waste cut-off and your service line to your commodes, or any other you may have that are leaking?

It is the policy of the assist the customer in possible to locate leaks or whatever water ice troubles you may we assist you to find J. R. Gilstrap, Supt. Water & Sewer Dept.

RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

for Coughs, Chest Colds, Bronchitis

Lost—An adequate water supply. Tonight—any night—all over the country, thousands of faucets are dripping, defective flush toilets are leaking untold millions of gallons of water into already overloaded sewers.

In the winter, there is many a tap left running full force to prevent freezing.
