The last lap of the local-level political races is fast drawing to a close and the finish line will be crossed during the primary election, May 4.

Bailey County faces two possible run-offs as five men are in the campaign for county commissioner of Precinct 1-1A and three are in the race for county commissioner of Precinct 3.

The only other candidates who are opposed in county elections are Arthur Bolton, incumbent, for constable and who is being opposed by Roy Bayless.

Sheriff Dee Clements is unopposed for Sheriff of Bailey County, as is Jean Lovelady for county tax assessor-collector and Jack Young for District Attorney, District 154. For State Representative, Democrat Bill Clayton is opposed by Republican candidate Frank Ford.

Roger Gorrell is also unopposed for the office of County Attorney which he presently holds.

The five candidates for commissioner of Precinct 1-1A are W. L. (Lewis) Middlebrooks, Sherman Inman, Matt Dudley, Morris McKillip and Wayne Williams. Incumbent I. M.

(Ike) Stinson did not seek another term, then later resigned effective June 1.

Precinct three candidates are W. H. Eubanks, incumbent, L. E. (Bud) Warren and Wayland Altman.

All commissioner candidates were asked five questions of public interest by the Journal for the information of the voter.

The questions were the individual candidates opinion of, first, their qualifications to serve in that capacity; second, their opinion on re-evaluating of the county tax structure; county participation in assisting with construction of a county park; the condition of Bailey County jail and the one-man, one-vote re-districting of precincts.

A candidate in Precinct 3, L. E. (Bud) Warren said "I feel that I am acquainted with Bailey County as I have been here since January 5, 1945. During this 23 years, I have served on school boards, the Five-Area Telephone board and Board of Bailey County Electric and am familiar with the process of handling such vital matters as are presented to a group of men to be handled for the public.

"I like working with the

people and for the people of this county."

Continuing, Warren said, "If the present tax structure warrants re-evaluation, then I am for it and for anything which will benefit Bailey County.

"Parks and recreation within the county would be good, if we can afford it, however, right now, I believe this to be a long-range plan which would have to be worked out.

"I am for improving and updating the Jail. This is something which is going to have to be done.

"Concerning the one-man, one-vote re-districting of the precincts, I am not really in favor of this, however, if after studying it more carefully, I find it of value, then I would be willing to work with the other commissioners to re-district."

Incumbent W. H. Eubanks said that he felt the 12 years he had been commissioner of Precinct 3 qualified him for the office.

"This experience has given me a better knowledge of Bailey County. I am interested in the county and believe if anyone is interested in something, they will do what is right."

"I am for re-evaluating the tax rolls. I have voted three times for it. However, the

price submitted to commissioners for the re-evaluation to be done is too high. Taxes within the county are out of proportion. I believe that re-evaluation can be accomplished, but at a much cheaper price rate than has been submitted.

"Assisting with a park or building one would have to be left up to the voters as it would call for a tax increase. It is my opinion that we need other things worse.

"I do agree that we need a new jail. Something has to be done. The one we have is too small. I am not for re-modeling the present jail. As soon as the District 1-A Road bond is paid off, which will be in the next few years, the 40 cent levy on taxes to pay this will not be levied as such. Then, the county would continue to levy the 40 cent amount to be used to build a new courthouse and jail. This means would not raise the present tax rate much, if any.

"How the precincts are divided will determine how I feel about the one-man, one-vote issue recently passed by the Supreme Court."

Wayland Altman, a third Precinct 3 candidate, said that he was not at present familiar

enough with the issues to comment, however, felt his desire to serve Bailey County as commissioner of Precinct 3 and his work with school boards would be of benefit to him and if elected, would do the best for the county on all situations.

PRECINCT 1-A CANDIDATES

Sherman Inman said "It is my desire to work honestly for the county and Precinct 1-1A. I have served on the board of the Muleshoe Chamber of Commerce, Texas Veteran Land Board for Bailey County and on the Soil Conservation Board, to name a few. The experience I have gained through serving on these various boards adds to my qualifications of handling budgets and business affairs on the county and state levels."

Inman said "I will need to study the tax situation more thoroughly before I will know fully what should and can be done concerning re-evaluation in Bailey County, as far as the county participating in financing parks, although I recognize the need for county parks and recreation areas, I do not know at this time if the county can financially afford this now.

"I am definitely for the county

having a new jail facility. I do not know what can be done, but something must be done about the Bailey County jail.

"If I understand the one-man, one-vote issue, I am for this being done in our county. This will take more detailed study by the commissioners," he concluded.

Candidate Wayne Williams commented that "I stand for progress within this county and if elected, will try to perform the duties of the office in a way that will benefit the growth of the entire county.

"I believe in cooperating with other governmental agencies in the county to increase the efficiency of the working groups to meet the needs of the people and to plan to conduct the county business with prudence to the best of my ability.

"We have no choice in the matter of one-man, one-vote issue as we were not asked what we thought of this before the Supreme Court made their ruling and it is up to us to abide by the law.

"If a further study of the Bailey County Jail shows that we need this, then it is my opinion that we should pursue the best method possible to get this done. The jail has been

condemned and we must see if it is feasible to remodel the present structure to meet specifications outlined by the official who condemned the jail, and if not, then another course must be taken.

"I believe that a joint city-county effort and study from the financial standpoint should be made concerning parks and recreation areas for the county. "Re-evaluation of the tax rolls should be done. How it is accomplished must be determined. Taxation is the source of revenue for the county and things needed by the county cost money. Re-evaluation is a means of balancing the tax rolls where everyone only pays their fair share of taxes."

W. L. (Lewis) Middlebrooks, candidate for County Commissioner, Precinct 1-1A relates that 25 years working on county roads in different precincts gives him a wide scope of knowledge of what has to be done within the county. Sixteen of these 25 years have been in Precinct 1 and 2 in Bailey County. "This work requires me to be in contact with the commissioners and commissioner's court. During the illness of late commissioner, Tom Morgan, I learned much

more by assisting him carry on the work in his precinct. I like to work with the people and for the county, and feel that I am qualified to be a commissioner.

"Re-evaluation of taxes, if they are out of proportion, should be done for the benefit of the county, city and school as a whole and as a means of justification to the taxpayer himself.

"I would like to see Bailey County have more parks and recreation, however, it could be that we cannot afford them. I believe that the county's support to the local library is good and should be continued first and all possible should be done for educational programs and schools.

"It is my understanding that Bailey County Jail is deplorable and something should be done, not only for the county, but for those who are placed in jail. They may be law violators and I am sure they are, otherwise they would not be in jail, yet they are still humans and should not be confined in an already condemned jail.

"Having worked previously in a county who long ago worked out their own problems, Tom Morgan, I learned much

Hard-driving candidates for governor are coming down the stretch after a long campaign which has failed to fire up the voters.

Probably about 50 percent of the total eligible electorate of just over four million will decide the outcome Saturday (May 4).

The Bailey County Journal will be delivered on Sunday morning late, due to waiting for election returns to complete the paper on Saturday night.

Sonja Bass, daughter of Mr. and Mrs. Lonnie Bass, participated in an organ recital held Tuesday evening at the Portales First Methodist Church. The recital was presented by the students of ENMU.

G. F. Kehoe, district manager of General Telephone Company, announces that Jack Milburn, Muleshoe installer-repairman, is attending the Company's basic station practices school in Hobbs. The session started Monday April 29 and continues through Friday, May 3.

Visiting in Anna Hill's home over the weekend were Mrs. Myrtle Williams, Mrs. Virgie Shaw, Alene Bell, Mr. and Mrs. James Wedel, Carol, Charlotte and Jimmie.

Visiting in the Warren Givens' home over the weekend were their son, A. B. Givens.

Strong Democratic runners include Lt. Gov. Preston Smith, John Hill, Waggoner Carr, Eugene Locke, Don Yarborough, Dolph Briscoe, and Edward L. Whittenburg. Pat O'Daniel has campaigned extensively in recent weeks. Other candidates, Johnnie Mae Hackworth and Alfonso Veloz, have done little campaigning.

In the Republican primary, a warm gubernatorial contest features Paul Eggers, John R. Trice and Wallace Sisk.

Another hard-fought contest on the Democratic ballot pits House Speaker Ben Barnes against Don Gladden and Gene Smith for lieutenant governor.

There are two State Supreme Court races in the Democratic primary:

Place 1--Matt Davis vs. Sears McGee.

Place 2--Tom Reavley vs. James G. Denton.

There is just one other statewide contest on either ballot: Comptroller Robert S. Calvert is opposed by Dallas Blankenship.

Democratic, Republican and American parties have scheduled referendums on legalizing sale of mixed alcoholic beverages on local option, pari-mutuel wagering on horse racing, also on local option, and establishment of a state milk-price-fixing commission.

Democrats expect sharp fighting in their precinct conventions Saturday which decide makeup of the national presidential nominating convention delegation and shape of the state party organization. Gov. John Connally is campaigning for favorite son presidential designation.

Leadership of the national convention delegation and binding of delegates under the unit rule. Liberal opposition opposes both Connally as favorite son and the unit rule. Republican conventions Saturday will see strong efforts to name Sen. John Tower as their favorite son candidate.

SHERIFF WARNS LITTERBUGS

Bailey County Jail Over Flows

Bailey County jail was bursting at the seams over the weekend when 23 persons found themselves lodging there. Most of those were on drunk charges. All law enforcement officers came on the scene with arrests

of various nature.

Sheriff Dee Clements stresses that "littering" is posing a problem and one person, Thomas Sanchez, was fined \$50 for littering the highway with beer bottles. All persons caught

violating the law by disposing of any type of trash along the highway is to be fined in accordance with the law, Sheriff Clements pointed out.

One person was arrested in Farmer County and returned to Bailey County for auto theft charges. He was also in probation and remains in jail.

\$4,000 Budgeted for Re-Evaluation

The 1967 County Audit report reveals that \$4,000 has been budgeted by Bailey County Commissioner's Court for re-evaluation and a \$281.50 cash payment had been made to the Muleshoe Independent School District to complete payment on a \$1500 account owed the school since 1961 for the purchase of the school tax rolls for re-evaluation purposes. The remainder of the \$1500 payment had been made by County maintenance and truck work.

It was noted that Bailey County Audit did not contain an opinion as to the status of the books by the certified public accountant who made the audit on the county books. The Texas Society of Certified Public Accountants Code of Professional Ethics reads in part as follows:

2.03 A member shall not permit his name to be associated with statements purporting to show financial position or results of operations in such a manner as to imply that he is acting as an independent public accountant unless he shall:

(a) express an unqualified opinion, or

(b) express a qualified opinion, or

(c) disclaim an opinion on the statements taken as a whole and indicate clearly his reasons therefor, or

(d) when unaudited financial statements are presented on his stationery without his comments, disclose prominently on each page of the financial state-

ments that they were not audited.

County Judge Don Cihak has informed the Journal that in the future the auditors have been instructed to provide an opinion of the status of the county books.

The audit of receipts and expenditures of Bailey County has now been completed for the year 1967. Taxes collected on the County Roll were \$5168.67 less than in 1966.

The 1967 taxes were \$973.08 less than collected in 1966 on the Special Roll.

Motor vehicle registration fees collected in 1967 were \$3902.96 less than in 1966.

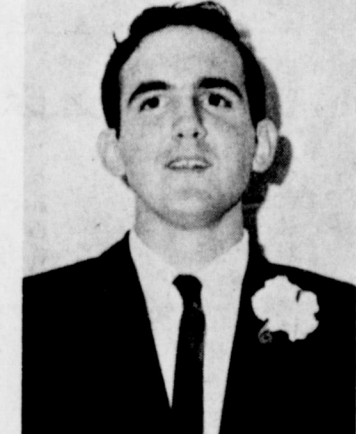

Machinery rental and labor, which is contract work performed by County employees with County equipment at \$7.50

per hour, was \$1390.71 less than in 1966.

Fees of office, such as recording fees, court costs and fines were \$3097.88 more than in 1966.

Total amounts received by the county from all actual income sources in 1967 was \$14,080.27 less than in 1966. County operating expense for the year 1967 was \$21,544.53 more than in 1966 which includes a major increase, an additional \$16,221.53 in the road and bridge expenditure and \$6,752.00 in officer's salaries which now includes a District Clerk's salary as well as increases in Social Security payments. Some funds decreased such as the jury and general fund, Capital expenditures were

Outstanding Athletes

The cafeteria of Muleshoe High School was filled to capacity Saturday evening for the annual Athletic banquet at which outstanding athletes of 1967-68 were recognized.

Bobby Julian was cited as "most valuable football player" of the year and David Davis as "most valuable basketball player" for the varsity team.

Carolyn Embry received recognition as "most valuable player for the girl's basketball team."

Charles Beamon was the "most valuable track star"

while Ricky Botkin was recognized as "most outstanding golfer" of the team.

Athletic Director Dick Stafford recognized the team captains, Steve Oliver and Julian the entire team and then the athlete chosen by the coaching staff and players as most valuable.

The same process was used by Coach Stafford in introducing the track team and outstanding track member.

Coach Raymond Schroeder introduced the varsity basketball team with David Davis and Terry Field as captains.

Cont'd. Page 3, Col. 5

The recognition of the girl's basketball team and outstanding player was made by their coach, Kerry Moore.

L. R. Stegall served as master of ceremonies and the invocation was given by David Dillman. Wayland Ethridge provided special dinner music and accompanied vocalist, Mrs. David Gibson, as she sang three numbers.

John McGuire, head football coach, Tascosa High School, Amarillo, was introduced by Coach Stafford as guest speaker.

which is the equal to the Supreme Court's ruling on one-man, one-vote, I am really for this. It worked well there under their own local government which was carried out by the method now ruled on by the Supreme Court, and I believe this will be of great benefit to this county."

Candidate Matt Dudley said "I feel that my knowledge in the construction business, work on road construction in Denton County and the time I have served as a city councilman are among the things which qualifies me to ask the people for their consideration in the May 4 election. To conduct the business of a county or city, a person must use their best judgment and common sense on matters which face them. In working with the public, I feel I am capable and qualified to do this. I am for re-evaluation on a county-wide basis and an economical price. It is my opinion

that we have qualified people in Bailey County to re-evaluate the tax structure without hiring out of county evaluators at a high price.

"I am also in favor of the county participating in providing parks to a certain extent, depending on the financial situation of the county.

"The jail has already been condemned and there is little question that some adjustment will have to be made in order to continue to use the jail. However, I am not in favor of building a new courthouse at the present time.

"It is my opinion that the only real solution to some of the problems of the county is re-districting the precincts in accordance with the Supreme Court ruling on the one-man, one-vote ruling.

Candidate Morris McKillip said "As your commissioner, I will sincerely promise to work as fairly, efficiently and effectively as possible toward promoting the best interests of every citizen in Precinct 1-A

and in Bailey County. I have been a resident of the county since 1939. This experience has given me a broad and deep knowledge about the area. My understanding will be a valuable tool in helping me serve the people I will be representing.

"Examination and re-evaluation of county taxes should be done periodically. Doing this will assure fair and successful assessment of taxable property.

"In regard to re-districting. Although I regret that the Supreme Court decision destroyed some of our autonomy, or self-rule, I do believe that the ruling will be financially advantageous to Bailey County. Compliance with this regulation will result in an equitable distribution of tax monies within the county.

"It is my understanding that the county's financial needs are difficult to meet under the present tax structure. Until the people see fit to raise the money by taxation and/or organized effort, I can see no available funds that can be used for a county park.

"I acknowledge that county jail facilities are obsolete and inadequate. I would support an educational program presenting this need to the people with the hope that the voters would support correction of this situation.

As absentee voting closed Tuesday, April 30, a total of 46 persons had cast ballots. There are 3,583 qualified voters in Bailey County.

Highway Patrolman Gene Sisemore arrested one woman for possession of alcoholic beverages on Saturday, she was fined and released, then Patrolman Sisemore again arrested the same woman the following day, Sunday and she remains in jail on charges of Driving While Intoxicated.

Another case took an unusual turn in county court here when a juvenile was arrested for revocation of probation, then released to the custody of a local family who chose to give him another chance in Muleshoe instead of going to Gatesville. The trial with the juvenile being

placed in the volunteer family's home was approved by the presiding judge.

City Police arrested four for investigation. Three of these were turned out to be 'runaways' from the Job Corps... however, the local officials were informed by the Job Corps that they did not wish them to be returned to them.

The City also arrested six persons for liquor law violation, one for no driver's license; one for running a red light and failure to stop for an emergency vehicle; another for liquor violation; one for contributing to the delinquency of a minor; one for carrying a prohibited weapon; one for attempted assault upon a female and two for DWI.

McGuire combined seriousness and comedy in a unique fashion to tell the story of the benefit of the athletic program and the heartbreak and the joy of the athlete and the coaching staff.

"It is not a wasted life, it is rewarding in so very many ways. It is the youth foundation to adult life," he said.

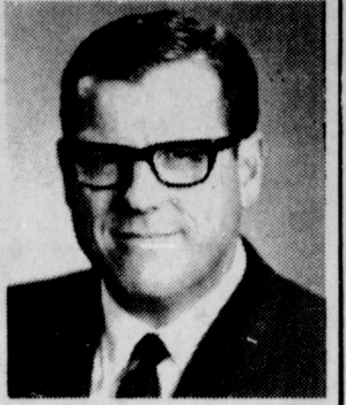

Coaches were honored by being presented gifts of appreciation by the team they have coached throughout the year. They were Dick Stafford, athletic director, head football coach and head track coach; David Gibson, assistant varsity football and assistant varsity track coach; Royce Barnes,

assistant varsity football "B" team basketball and assistant varsity track coach.

Also Raymond Schroeder, head basketball coach, golf coach and coach of 9th grade football; Bobby Graves, 9th grade athletics; F. D. Harris, 7th grade athletics; Kerry Moore, varsity and 'B' team girl's basketball, volleyball and tennis coach; Margie Kinsey, 9th grade girl's basketball and volleyball and Rhonda Wagnon, 7th and 8th grade girl's basketball and volleyball coach.

The banquet was under sponsorship of the Athletic Booster Club and the coaches were all presented awards by Bill Taylor, on behalf of the Boosters.

"700 acres of PIONEER sorghum averaged 8,568 pounds for me."

Elvin Wilson, Friona, Texas

Many of last year's bumper yields came from small acreages. But Elvin Wilson had 735 acres—all Pioneer hybrid 820—that averaged 8,568 pounds per acre.

Good weather, good farming and good seed boosted Elvin's yields. He double rowed on a 40" bed, watered four times in addition to pre-watering, controlled weeds with Propazine, and put on 280 pounds of nitrogen.

Hybrid 820 makes the most of his good farming—shades the ground fast, produces big yields, stands right up to harvest. Isn't this the kind of sorghum you want, too? See me soon.

From the desk of... ALTON B. CHAPMAN

TO THE RESIDENTS OF THE SEVENTH SUPREME JUDICIAL DISTRICT:

Thank you for the privilege of serving you for eleven years and four months on the Court of Civil Appeals.

For the sake of the Court from which I am retiring and for the good of the State of Texas, I earnestly solicit your votes for Jack Hazlewood because:

- In my opinion, the judges on every appellate court, from the United States Supreme Court on down, should be first and foremost good lawyers. Jack Hazlewood is an outstanding lawyer.
- Of six major scholastic honors possible for a student to win in the Texas University Law School, Jack Hazlewood won them all. Such a scholastic record is possible only by one with an outstanding legal mind and the willingness to work, two attributes needed on an appellate court.
- Jack Hazlewood has had more than four times as much experience in the Court of Civil Appeals as both his opponents combined.
- The most practical and effective training for an appellate court justice is trial and appellate practice, as a lawyer, against other strong lawyers. This is exactly the training Jack Hazlewood has had for more than fifteen years, and in it he has many times demonstrated his competence.
- This is the exact same training five justices of the Supreme Court of Texas had before becoming members of that Court. None had judicial experience on the trial level. They are Justices Griffin, Walker, Greenhill, Steakley and Chief Justice Calvert.
- In the official bar poll conducted by the State Bar of Texas among the lawyers and judges of the 46 counties of this district Jack Hazlewood received more votes than both his opponents combined. This poll indicates that the members of the legal profession also rank him number one.

Respectfully submitted,
 Alton B. Chapman, Associate Justice,
 Court of Civil Appeals

Bridal Shower Honors Sandra Busch

A bridal shower honoring Miss Sandra Busch was given in the Muleshoe State Bank community room, Friday, April 26, 2:30 p.m.

Receiving guests were the honoree, her mother, Mrs. Robert E. Busch, of Norman, Okla., and the prospective bridegroom's mother, Mrs. Dee Chitwood.

Registering guests was Mrs. John Neil Agee. The registering table was laid with a white linen cloth. An arrangement of white roses, centered with yellow, conforming to the honoree's chosen colors of yellow and white, accenting the table.

The serving table was laid with a white linen cloth, a centerpiece of white snapdragons and white roses, assembled in a cupid vase with touches of gold and greenery, surrounding a cluster of white grapes. Yellow punch was served from a crystal punch bowl and stainless steel appointments were used.

Mr. and Mrs. E. D. Chitwood feted Mr. and Mrs. Robert E. Busch and bride-elect Sandra, her grandparents, Mr. and Mrs. Busch. Also Mr. and Mrs. Courtney Brown and Mr.

and Mrs. E. D. Chitwood Sr. with a steak supper Friday evening in their home, April 26.

Hostesses for the occasion were Mrs. John Agee, Mrs. C. A. Watson, Mrs. Kenneth Cox, Mrs. A. E. Redwine, Mrs. M. W. Vise, Mrs. Claud Watkins, Mrs. Ned Foster, Mrs. Dee Brown, Mrs. Jimmie Seaton, Mrs. Calvin Embry, Mrs. Jimmie Dale Seaton and Mrs. Leon Smith.

Program on Rush Procedure Set Saturday, May 4th

The girls going to college who are interested in sororities, please bring your mother to a program on Rush Procedure at the Vincent Tutor home in Plainview, Saturday, May 4, at 4 p.m.

You will need to bring your college board scores, your four year numerical average, your senior course of study and grades.

It is sponsored by the Plainview Panhellenic. For further details contact Mrs. Eric Smith or Mrs. Larry Hall.

It has been reported that Richard Burton and Elizabeth Taylor plan to retire from acting in about two years. Burton plans to write and produce plays and films.

Weslyan Service Guild District Meeting

Five Earth women attended the district Wesleyan Service Guild meeting in Plainview Sunday. The meeting started at 12:15 with the area president's meeting, followed by a luncheon at 1.

The luncheon consisted of baked turkey, gravy, tossed salad, apple pie, coffee and tea.

The tables were decorated with arrangements of iris, entwined with bridal wreath. Lunch was served in the Fellowship Hall of the Trinity Methodist Church with ladies of St. John's Methodist Church as co-hostesses.

The meeting started at 2 in the sanctuary, led by the President, Miss Leila Petty of Tulsa. Invocation was given by Mrs. W. T. Robinson, district president of the Woman's Society of Christian Service.

Devotional by Mrs. F. O. Schacht, Lockney. She read scriptures from First Corinthians, 12:4-20 and the theme was "Hands of Power."

There was a short business meeting, followed by a pledge service. Fourteen Guild organizations pledged \$2185 to missions.

The Rev. Jacinto Alderete, director of the Wesley Community Center in Amarillo gave the afternoon message, and told the need of the mission.

Those attending from Earth were Miss Ruby Jones, Mrs. Beulah Newton, Mrs. Roy Neal, Mrs. W. D. Marten and Mrs. C. T. Richardson.

SIR JOHN GIELGUD in "From Chekhov With Love" and a recital by Horowitz will probably be shown over TV in September. These tapes now have a sponsor but lacked one when first completed. It is hoped that a sponsor will also be available for two shows by the Royal Shakespeare Company before the season begins.

Bridal Shower Honors Betty Salyer

Miss Betty Salyer, bride-elect of Larry Don Bowers, was complimented with a pre-bridal shower April 26, in the Bula School lunchroom.

The serving table was laid with white cutwork over blue and centered with a bride and groom standing surrounded by an arrangement of blue and white flowers. White iced cake squares were served with clear fruit punch, blue and white mints and nuts.

Sherly Medlin served the punch while Joyce Sowder served the cake.

Mrs. Dennis Medlin of Lubbock registered the 36 guests that were present in the bride's book.

Betty was assisted in opening her gifts by her mother, Mrs. G. B. Salyer and Mrs. W. H. Bowers, the prospective bridegroom's mother. She received many gifts, including a set of stainless steel cookware which was given by the hostesses.

Serving as hostesses were Mrs. Dewitt Tiller, Mrs. P. R. Pierce, Mrs. C. A. Williams, Mrs. Ed Crume, Mrs. Dwane Clem, Mrs. A. C. Archer, Mrs. Rowena Richardson, Mrs. E. O. Battles, Mrs. Paul Young, Mrs. E. N. McCall, Mrs. L. H. Medlin, Mrs. B. T. Newton, Mrs. Ralph Beasley, Mrs. R. P. McCall, Mrs. F. L. Simmons and Mrs. John Blackman.

Out-of-town guests included the prospective bridegroom's mother, Mrs. W. H. Bowers of Levelland, Mrs. Doyle Winefield and Mrs. Nelson of Littlefield.

Arline Phelps To Show Paintings

A special showing of paintings by Muleshoe's Arline Phelps will be held at the Art Loft Saturday and Sunday, May 4 and 5, from 2 until 5 p.m. The solo exhibit, which is open to the public, will feature some 70 recent paintings.

Mrs. Phelps is the wife of Muleshoe rancher, Bernard Phelps, and the mother of three. Mr. and Mrs. John L. Birdwell, Lubbock, are her parents.

Piano Students Present Recital

The piano students of Mrs. Jim Milner presented their Spring Recital on Sunday, April 28, in the Youth Chapel of the First Methodist Church. Becky Milner played background music and Doris Bartholf welcomed the guests.

Those participating were: Cheryl Johnson, Jo Roming, Connie Redwine, Jana Garrett, Benetta Roming and Kim Milner.

FAINTING

When you feel a fainting spell coming on, lie down or, if this is not possible, sit down and place your head between your knees. This helps relieve the nausea that frequently accompanies the fainting feeling. The application of smelling salts or cold water aids in reviving someone who has fainted. It is advisable not to get up immediately upon regaining consciousness. If a fainting victim does not regain consciousness immediately, secure medical assistance as rapidly as possible.

FORMER EXCHANGE STUDENT VISITS MULESHOE—Vera De Potter, a former student from Brussels, Belgium, is here in Muleshoe visiting her American parents, Mr. and Mrs. Jack Lenderson. Vera is associated with the TWA airlines in Belgium and is on a tour, sponsored by TWA out of Belgium. She arrived in Muleshoe Monday night on her way to Jacksonville, Fla., and also to Pittsburg, Penn. On her way home, she will visit Phoenix, Ariz. and see the Grand Canyon, Creek Canyon and stop off at Washington and London.

673 Additional Highway Deaths a Year!

We can learn by the experience of others. After Liquor-by-the-drink was legalized in Iowa, automobile accidents increased by 20 to 30 per cent. According to their experience, Texas can expect 673 additional highway deaths each year if liquor-by-the-drink is legalized. Do you want to see that happen in Texas?

72 YEARS CELEBRATED---Dr. Mac is shown as he was surprised with a birthday party honoring him for his 72 years of service.

Ham's Tour California

Mr. and Mrs. Luther Ham returned the first of the week from a tour of interesting sights to California and back. They visited their daughter and family, Mr. and Mrs. Ron Smith in Glendon, Calif., a suburb of L. A.

Mrs. Smith is the former Winnie Paul of this area. The Hams went on as far as San Diego and saw the Queen Mary in dock.

One of the most interesting tours they made, Mrs. Ham reports, is the tour through Death Valley. This is a long stretch of valley, 172 feet below sea level. The Hams stayed one night in Death Valley. The Scotty Castle was one of the highlights of the tour in the northern part of the Valley. The castle was built by a multi-millionaire.

The curtains in the castle are made of mounted goat skin imported from Italy, so delicately tanned, that they drape beautifully. The lamps are made of pure silver made in Germany. The furniture excels any that most of us have seen. It also is imported from Italy. Mrs. Ham reports one can't imagine the beauty of this castle without seeing it.

Other points of interesting sights the Hams viewed were enroute back by Utah. They visited Zion's National Park in Utah, climbed hairpin, steep

highways and went through a solid rock tunnel one mile long. After a good nights sleep in Utah, they awoke to find a four-inch, beautiful snow on the ground. They also came through a blinding snow about 30 miles on through Gallup, N. M.

They came on, making their way through Eastern New Mexico and ran into a terrific sand storm; then on into the West Texas-Lazbuddie way, still in a sand storm, but "yes" they all say, they were glad to get back home. They reported seeing flowers of all descriptions and colors banking many of the highways along the way in California.

Dr. B. O. McDaniel Surprised on Birthday

Dr. B. O. McDaniel was surprised on his 72nd birthday at the West Plains Hospital as he was making his usual rounds on Sunday, April 28. It was a joy to see the surprise and excitement on the face of Dr. Mac, as the hospital staff and nurses sang "Happy Birthday."

A gift was presented to Dr. and Mrs. McDaniel, a double head-rest for their car, in appreciation for his ever untiring efforts in serving mankind.

Guests present were W. M. Dean, M. D. and Charles L. Pummill, M. D.

ESA International Week

Mrs. John Young, president of Epsilon Chi chapter of Epsilon Sigma Alpha here, explained why the international women's service organization observes May 1-7 as "ESA Week."

"Epsilon Sigma Alpha is one of the oldest and largest sororities of its kind in the world," Mrs. Young said. "It was founded in 1929 by 10 energetic women -- teachers, writers, and even a state supreme court judge -- who believed that college graduation should not be the end of a woman's education. "Young women of today must fit into the economic and social structure of this fast-paced modern world," she continued, "they must understand their roles and responsibilities and become leaders in their towns and communities."

The local president said the sorority developed into an international organization soon after E. Robert Palmer -- a widely known educator, philosopher, author and lecturer -- assumed leadership in 1941. And now that ESA is interna-

tional in scope we can help to spread ESA principles of freedom and understanding throughout the world. ESA Week emphasizes all three aims of our sorority -- the education, the philanthropic and the social. But during this week, the 1,570 chapters and more than 40,000 members place special recognition on philanthropic projects.

"Here in Muleshoe, for example, Epsilon Chi chapter has purchased two pair of glasses, for girls in elementary school who were not financially able to buy them, donated money, food and service to the Goodfellows, supported the Muleshoe Area Library, and are in the process of establishing a scholarship for a graduating senior girl," said Mrs. Young.

"We are proud of the contributions we make to our community, but equally proud of

the thousands of ditty bags sent to Viet Nam and the millions of hours spent in work for the retarded, crippled, lonely or ill, and the more than \$1 million raised annually for the needy and handicapped everywhere," concluded the ESA local president.

Members of the international women's service organization will be praying together throughout the world this Sunday, May 5th, according to Mrs. Young, president of Epsilon Chi Chapter of Epsilon Sigma Alpha. Internationally, the 40,000 members scattered over the face of the globe will be kneeling in unison to observe "ESA Sunday."

Mrs. Young said members of some of ESA's 1,570 chapters will be going to church as a group, stating "ESA Sunday is an international spirit sharing. It is observed on the Sunday which occurs during ESA Week May 1-7 each year."

Mrs. Warren Givins Shares Recipe of Tomato Soup Cake

Mrs. Warren Givins shares her recipe of Tomato Soup Cake to the women of Muleshoe and surrounding area.

Mrs. Givins is the mother of two children, Warren H. Givins and Gail, both of Muleshoe. Her husband, Warren, is the manager of Triangle Ranch.

Her hobbies include collecting antiques and running errands in between house chores and cooking for her family. They attend the Presbyterian Church.

TOMATO SOUP CAKE
1/2 cup shortening
1 cup sugar
1 can tomato soup
1 t. soda
1 egg
1/2 cup raisins
1/2 cup nuts

2 cups flour
1/2 teaspoon cinnamon
1/2 teaspoon cloves
1/2 teaspoon allspice

METHOD
Cream shortening and sugar, blend in soup. Blend soda and egg, then blend into batter. Add nuts, raisins and mix well. Add flour and spices and mix well. Bake in 9x13-inch pan for 30 minutes.

ICING
1/2 cup butter
3/4 cup brown sugar
1/2 box powdered sugar
1/2 cup milk
Melt butter in sauce pan, add brown sugar and boil 1/2 minute. Cool and add milk and cook until it boils, take off heat and cool to luke warm. Stir in powdered sugar and ice quickly.

ESA PROCLAMATION---Mayor W. B. LeVeque, Jerri Nell Wagon and Vickie Young are shown as Mayor LeVeque signs a proclamation, proclaiming this week May 1 through May 7 as Epsilon Sigma Alpha International Week. It is an international woman's organization devoted to philanthropic, educational and social endeavors and is beginning its 39th year of service to communities, states and nations. The Epsilon Chi members urge all citizens to observe this week with appropriate ceremonies.

Director John Houston's daughter will make her acting debut in "A Walk With Love and Death." Anjelica, 16, will go to Bordeaux, France where filming is scheduled to start in June.

Five Oscars went to "In The Heat Of The Night" which included the best-actor honors for Rod Steiger who played the southern sheriff in the film.

THE ROBE which was shown on Easter was most appropriate movie for that occasion. The theme and acting of this production makes it worth seeing every year at Easter time.

Three Way

MRS. H. W. GARVIN

Mr. and Mrs. Harold Toombs and Bulah Toombs spent the weekend in Austin and San Antonio visiting relatives.

Mrs. T. D. Davis and Tammy spent the week in Canyon visiting her daughter and family, the Tommy Terrells.

Mr. and Mrs. W. B. Hodnett spent Thursday visiting their son and family, the Jack Hodnetts.

Kathy Hicks underwent surgery in West Plains Hospital in Muleshoe Thursday night.

The Co-op gin at Maple held their annual meeting at the Three Way cafeteria Thursday night. A barbecue supper was held in the gym. Over 500 people had supper, then the business meeting was held in the auditorium. Presiding was L. E. Warren, president of the board of directors. The minutes of last year's meeting were read by Jim Johnson. A representative from Merriman auditors read the audit report. A representative from Cotton Co-op cotton pool, Cotton oil mill and other speakers from Lubbock. Two new directors were elected, B. H. Tucker was re-elected to the board and Jack Furgeson was elected to take the place of F. E. Knox. A film was shown to the children and prizes were drawn.

Three Way boys and Mr. Blankenship, their agriculture teacher, attended the Texas Tech Vocational Agriculture Judging contest. The boys and teacher left Friday after school and spent Friday night and Saturday in Lubbock.

Three Way seventh and eighth grade banquet was held Saturday evening with the theme, "Dream Land." Invocation was given by Ed Blankenship; welcome, Terry Pollard; response, Jeff Lynskey; will, Larry Neutzler; prophecy, Kandy Sowder; speaker, Bob Luck and song, Mrs. Luck; benediction was given by Mr. Corkery. A dinner was held after the program.

District Lions 2-T-2 convention met at Littlefield April 26 and 27. Joy Eubanks represented Three Way as club queen. Mr. and Mrs. Joe Sowder accompanied her to Littlefield and attended the meeting Friday night. Mrs. Jim Johnson also attended the meeting Friday night.

Mrs. Mattie Iva Wheeler, 86, died at Clovis Memorial Hospital in Clovis after a long illness. Mrs. Wheeler was the mother of Johnnie Wheeler. We wish to express our sympathy to the Wheeler family.

Mr. and Mrs. H. W. Garvin, Mr. and Mrs. L. E. Warren, Mrs. A. E. Robinson and Mrs. E. M. Lowe attended the funeral of Mrs. Wheeler in Clovis Sunday afternoon.

Teaching Value Is Emphasized

Eric Smith, Muleshoe high school science teacher, recently attended an evaluation symposium, sponsored by the National Science Teacher's Association, in Washington, D. C. Smith was one of a committee of 100 science teachers, high school science coordinators and college professors from throughout the United States selected to attend. The purpose of the symposium was to study methods of measurement to determine the quality of teaching of subject matter in the field of science. New methods of evaluation were discussed and studied. The two selected for the presentation to the general meeting of the National Science Teacher's Association were the Arizona Plan and the Wisconsin Plan. Special emphasis was placed on "What is expected of a college freshman from high school science courses?"

COURT OF AWARDS---The Girl Scout Court of Awards was held at the High School Auditorium Thursday, April 25, at 7:30 p.m. Leaders shown are Lenora Mallouf, Patsy Berry, Betty Jo Estep, Gail Green, Bobbie Pena, Lanette Small,

The team placed fifth in carcass judging in the entire contest, third in Area I and first in the Littlefield District. The team will represent Muleshoe in the State Judging Contest at Texas A&M University next Saturday.

Last week, the Land Judging Team placed second in the Littlefield District Contest at West Texas University in Canyon. The team members were: Jeri Scoggin, Ronald Byrd, Donald Puckett and James Gulley.

Junior High Choir Presents Musical

Muleshoe junior high school choir presented "A Sing In" at the high school auditorium.

Three divisions were presented: "West Side Story" with music by Leonard Bernstein; "Lil Abner" with music by Gene de Paul and "Annie Get Your Gun" with Irving Berlin's music.

Those of the cast were Debbie Smith, Greta Bamert, Monica Griffiths, Janis St. Clair, Charlotte Wedel.

The students were dressed in costumes of red skirts and vests with western hats and gun holsters covered in aluminum foil for the first phase.

Those presenting the other two phases of the choir production were Patty Murray, Becky Milner, Linda Middlebrooks, Judy Wellborn, Jan Jinks, Mary Jones, Tom Glass, Danny Noble, Bruce Patterson, Larry Ross, Sherri Minckler, Dora Stovall, Connie Redwine, Deborah Blaylock, Kathy Wilson, Barbara Gray, Karen Segue, Ella Jo Myers and Lela Hughes.

For Lil Abner and Annie Get Your Gun, costumes were also worn. They consisted of long skirts featuring sashes, bows, bustles and sunbonnets with the boys dressed in cowboy attire.

For the more sophisticated part of the program, formal attire was worn. Others in special parts of the choir presentation were Marcus Puente, David Cook, Howard Kelly, Bill Tanner, Linda Lambert, Debbie Glover,

Reba Higginbotham, Rhonda Embry, Sherry Wagon and Debbie Kerr.

Also Debbie Parks, Peggy Carter, Teressia Sanchez, Deborah Morgan, David Faver, Freddie Flores and Joe Bob Fudge.

In addition to the costumes above mentioned, those singing "Got Sun in the Mornin'" were dressed in coveralls, old shirts and were barefoot.

Cover Crop Destruction May be Delayed

Destruction dates on winter cover crops can be extended by the State ASCS Committee in cases of severe blowing, Congressman Bob Price has advised area farmers.

Price said he had answered several inquiries by advising those requesting extension dates to apply through their County ASC Committees for such extensions on any small grains planted on diverted acreage.

Price said he understood the plow-down date for the Panhandle and high plains area was May 15 but could be extended by approval of the State Committee.

U.S. agrees to buy more arms from Britain.

Open Meeting

Atty. Gen. Crawford C. Martin has held that the "open meetings" law of 1967 is valid and constitutional. Opinion cleared the way for first court action (at Brownsville) under the new act. Cameron County Criminal Dist. Atty. F. T. Graham requested the opinion after the Brownsville Herald complained its reporter was barred for an hour from a meeting of the Brownsville Public Utilities Board last January 25.

In other new opinions, Martin has concluded that: Department of Public Safety can pay a commercial transportation company to move the household belongings of a highway patrolman transferred to a new duty station when state-owned equipment is not available.

Beer can be sold from a 2-5/8 gallon container at a licensed bar.

State must pay the claim for \$6,700 for the administrator of an estate in absence of any evidence that the documents submitted with the claim are false.

Harris County Hospital District may spend public money to pay employees' travel expenses in recruiting activities but can't pay those of applicants or moving expenses.

Mrs. Nannie Ginn was in Amarillo Friday where she saw her eye doctor and got a good report. She is doing better.

Mr. and Mrs. Cecil Ginn accompanied his mother to Amarillo.

Mrs. R. S. Cole, Ragena and Mrs. Francis Davis shopped in Plainview Saturday afternoon.

Fire is something we had rather not hear but, we are so thankful that no one was injured when we had the big fire last week. We can always see good things if we try.

When we have a need for good neighbors and they come from all directions to help, as the firemen did that night, we have to stop and thank God for neighborly love and oneness.

I think we should be proud of our people here and in the adjoining communities. Thank you seems too little to say when if it had not been for help from our neighbors, we would have had a fire that we couldn't have handled.

We do so appreciate all the help that came to us that night, everyone did a wonderful job and worked hard.

God's love for us is something we take for granted and our brotherly love is something we talk about. When men work together, that is brotherly love in action.

Teachers Study Mental Health

Mary Sanders, Katherine Sanders, Elizabeth Watson, Pearl Mae Harris, Imogene Tiller, Betty Jo Davis, Addie Mae Spence, Leota Hardgrove, and Mary Maddox attended the Third Annual Mental Health - Mental Retardation Workshop on Tuesday, April 30, in Highland Elementary School, Tulsa.

The sectional meeting began at 6 p. m. and the dinner meeting was at 7:30.

Dr. Bernard Rappaport, psychiatrist and clinical director of the Wichita Falls State Hospital, was the speaker.

Louis Corenblith, Texas Education Agency; Dr. Beatrix Cobb, Dr. Bruce Mattson, Dr. Charles Jones, Dr. Stanley Fudell, Benita Zermeo all from Texas Tech; Jo Bush, West Texas University; Dr. Marvin Hirsh, Mrs. T. Z. Walker, Amarillo; Mrs. Margaret Booker, University of Texas; and Cameron Byler, Lubbock, were the consultants for the sectional meetings.

There were exhibits of material made by Special Education students and exhibits of new materials displayed by publishing companies.

CUSTOM FARM SERVICES, INC.
ROWLAND GORDON DIVISION
Clovis Hwy. Muleshoe Ph. 272-4203 Nights 272-3259

Congressman Bob Poage of Waco and the members of his House Committee on Agriculture last week were given a glimpse of a cotton industry more nearly united than in many years.

This report was brought back from Washington by Donald A. Dent, of Plains Cotton Growers, Inc., who attended three days of the Committee's hearings on farm legislation.

He said "There were differences of opinion as to changes that might be needed, but

of the current program for cotton, was presented by L. D. (Don) Anderson, PCG president, of Crosbyton. And that policy was in accord with the statement of the Texas Association of Cotton Producer Organizations, presented by Joe B. Pate Jr., TACPO Chairman.

Adding to the atmosphere of uncommon harmony was the Administration itself. Secretary of Agriculture Orville Freeman made one of the strongest pleas for action this year that would continue current farm programs for dairy products, tobacco, feed grains, wheat, wool and cotton.

He said "The time has come to make the Food and Agriculture Act of 1965 a continuing Act. Just as labor has continuing legislation in the Wagner Act . . . just as there is legislation establishing the Federal Trade Commission, the Federal Communications Commission and the anti-trust laws . . . just as banking and finance benefit from continuing legislation setting up the Federal Reserve Board . . . just as the Nation's senior citizens have continuing legislation in the Social Security Act . . . so, too, there now is need in agriculture for similar continuing legislation which deals realistically with agriculture's underlying economic conditions."

virtually all industry spokesmen agreed that the Food and Agriculture Act of 1965 should be extended during this session of Congress.

"Moreover the changes or improvements that were asked for came with the attitude that 'if there is general agreement let's make the change and if not forget it and let's just extend the Act as is.'"

The legislative policy of Plains Cotton Growers, finalized by the Board on April 3 and also calling for an extension

STORY TELLING---These are the third grade winners of the Saturday UIL contest held here. They are Geazul Hernandez, Mark Benedict, Cathy Cockrell and Matt Phelps. All attend Richland Hills school except Hernandez who is a Mary DeShazo student.

The Secretary expressed the hope that "the legislation I am proposing today will be remembered as the basic charter for a stable agriculture, joining the other continuing Acts which serve other segments of our national economy so well."

This substantially reflects the attitude of President Lyndon Johnson in his farm message to Congress when he called for a permanent extension of the Act of 1965.

The Secretary recommended some changes in the Act but did not spell out the legislative language that would put them into effect.

For cotton he advocated that provisions be inserted that would (1) provide for a "more realistic determination and allocation of the domestic allotment, (2) retain the guaranteed support of 65 percent of parity on permitted acreage . . . but limit its application of 87.5 percent of the minimum national allotment of 16 million acres, (3) liberalize the provisions applicable to the marketing of cotton grown on export acreage, (4) give the Secretary discretion to allow producers additional time for making lease and sale arrangements of allotted acreage, and (5) let producers participate in the diversion program to the maximum extent and release the remainder of their allotment.

It is understood that under (3) the Secretary favors giving producers who elect to plant cotton for export without help from the government program the "right of substitution." This would permit them to furnish proof of export on equivalent pounds of any U. S. upland cotton instead of requiring that they export the exact bales grown on export acreage.

Among the more significant changes recommended by industry representatives were those of F. Marion Rhodes, president of the New York Cotton Exchange.

He proposed (1) that the price support payment be based on the difference between a pre-determined "fair" price and the average farm market price as opposed to the present system of determination based on parity, (2) that diversion payments either be stopped or substantially reduced, and (3) that price support payments be made on actual instead of projected yields.

Commenting on the industry's newly found unity Johnson said it primarily stems from a realization by all parties that passage of cotton legislation this year is of paramount importance and that any sectional or inter-segmental friction would increase the odds against getting Congress to act before 1969.

Creath Davis Speaks Saturday

The Rev. Creath Davis, director of Christian Concern Foundation, Dallas, will speak at a meal to be sponsored by New-Life Inc., from 12 noon to 1 p.m. Saturday, May 4, at the site of a proposed retreat facility at Buffalo Lakes.

The proposed retreat would be sponsored by New-Life Inc. and churches of different denominations. Churches already represented in proposed plans for sponsorship are Second Baptist, First Christian Church, and Trinity Church (formerly Highland Assembly of God).

The retreat would be used by churches and groups, according to plans. Purpose of the Saturday gathering will be to consider the proposed center.

The Rev. Mr. Davis is working toward his doctorate at Southwestern Baptist Theological Seminary, Fort Worth. He has been a full-time evangelist, and pastor prior to becoming director of Christian Concern Foundation. He has had extensive retreat experience and training under the leadership of Keith Miller, Elton Trueblood, Bill Cody, Paul Tournier, Gordon Cosby, Nat Tracy and others.

Christian Concern Foundation is doing a work similar to that proposed for a retreat center for this area. It is a non-profit organization of businessmen with the purpose of conducting retreats, Bible study groups, lay witnessing institutes, city-wide evangelistic crusades and related activities.

The meal Saturday will be an invitation event, but the public has been invited to go at 1 p.m. to hear the speaker. Directions for the location may be obtained at the admission gate to Buffalo Lakes. Additional information may be had by calling Mrs. Robert C. Tracy at PO3-6170, Lubbock.

If legislation is not enacted either this year or next cotton production would go back under the 1958 act. If the Secretary proclaimed and producers approved marketing quotas, farmers complying would have access to loans between 65 and 90 percent of parity with no diversion or price support payments.

This would raise the price of cotton to domestic mills by several cents a pound, resulting in more markets lost to synthetic fibers. It would put U. S. cotton at a competitive disadvantage with foreign-grown cotton, reducing exports. And in all likelihood it would lead to another huge surplus of cotton in the hands of Commodity Credit Corporation, increasing government costs and depressing producer markets.

"Since no one in the industry wants to see these things happen," Johnson concluded, "and since we are all apprehensive about the make-up of the Administration and Congress in 1969 I think for once we can expect everyone to place the overall good of the industry above individual aspirations."

Stuck Up
A man was boasting to a neighbor who lived in the same apartment that he had kissed every woman in the building except one.

The neighbor, boiling with jealousy went straight home and reported the story to his wife, with a suspicious glance: "I wonder, Maggie, who the other woman is that he hasn't kissed?"

"Oh," was the reply. "I suppose it might be that stuck-up Mrs. Macintosh on the third floor."

ATTEND YOUR PRECINCT CONVENTION SATURDAY!

SUPPORT CONNALLY FOR FAVORITE SON!

Next January, for the first time in almost forty years, Texas will have no representation in the top leadership of our nation.

Seldom in recent history have we faced such political uncertainty. Developments just ahead will affect our state for years to come.

If you want Texas to have a strong united voice in the future affairs of our nation, join behind Governor Connally as Favorite Son candidate for the Presidency, and as leader of the delegation to the Democratic National Convention.

As a leader respected throughout the country, he will be an effective, influential voice in shaping the future leadership and policy of the party and the nation.

Be sure to attend your precinct convention, adopt the unit rule, and give your support to Governor John Connally for Favorite Son.

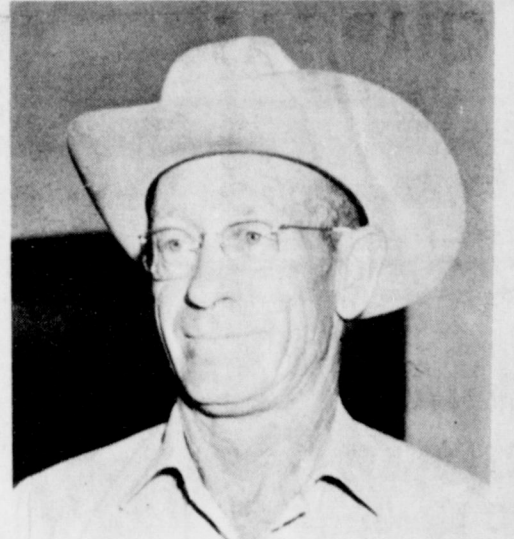

IMPORTANT! YOU MUST VOTE IN THE DEMOCRATIC PRIMARY TO HELP GOVERNOR CONNALLY AT THE PRECINCT CONVENTION!

Connally Favorite Son Campaign Committee, Robert Strauss, Chairman

AS YOUR COMMISSIONER FOR PRECINCT 3

Lawn Problems Multiply from Mis-management

Mrs. J. D. Bayless was in Muleshoe Saturday and visited Mrs. Ed Hulse, Mr. and Mrs. F. C. Snitker and Mrs. Nettie Blackman.

The annual stockholders meeting of Enoch's Cooperative Gin was held Friday night in the Bula gym. Approximately 25 were served a barbecue supper. After the supper, the children went to the school building for a movie. There was a business meeting in the gym. J. E. Layton was re-elected as director and J. C. Snitker as new director.

The directors from Plains Co-op Oil Mill, Lubbock and the Compress and Compress manager, all of Lubbock, gave a talk and others also spoke. The door prizes were drawn and the stockholders received their checks.

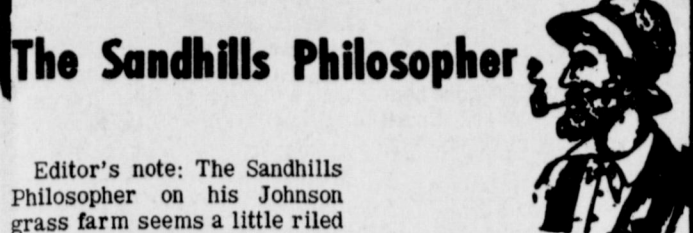

J. W. Layton was transferred from the Highland Hospital in Lubbock to the Methodist Hospital and underwent surgery Monday.

ly pulled from infected stolons of the grass. Fading out can be corrected by removing all decaying organic matter from the grass and catching grass clippings at the time of mowing. Fertilizing according to soil test and keeping a proper balance is important; care should be taken not to use excessive amounts of nitrogen or other imbalances.

Shallow watering may encourage disease development and thorough, less frequent watering is recommended, the specialist says. Excessive shade or compaction of the soil due to heavy traffic can cause the grass to become more susceptible to fading out. Close mowing can also cause a loss of vigor.

Along with good lawn management practices, the use of maneb is suggested. Two to three applications should be made at 14-day intervals to protect the grass during the recovery period. Certain insects such as chinch bugs may cause symptoms that can be confused with fading out. Presence or absence of insects can be used as a deciding factor here, Dr. Horne points out.

Spreading "Have you ever been pinched for going too fast?" "No, but I've been slapped."

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm seems a little riled up this week, but he'll get over it. It takes too much effort to stay riled up.

Dear editor: I wasn't doing anything but taking a slow Spring walk through my pasture out here and considering how lucky man is that changes in the seasons aren't left up to a government negotiating committee when I stumbled over a copy of the Sunday issue of The Fort Worth Star Telegram and since it was as good a place as any to sit down I sat down and looked it over. I'm not sure I should have.

Over on an inside page I ran across an article that reported that scientists are working on an orbiting satellite that can take such accurate pictures of the earth's surface, so sharp and precise, that you can look at them and examine a man's whole farm in a glance. Even tell what's growing, how well it's doing, and whether insects are bothering it.

This is the type of progress worth leading a march against, although generally speaking the sit-down strike is more to my nature, if you can do it at home in the shade.

The last thing I want is somebody taking photographs of my farm showing in detail the condition of my crops. It'd be like sending a satellite over a bank photographing the state of everybody's checking account. The amount of Johnson grass and weeds I have on this farm comes under the head of my business. What you can see from the road looking over into it is all you're entitled to know

W. L. (Louis) Middlebrooks For County Commissioner

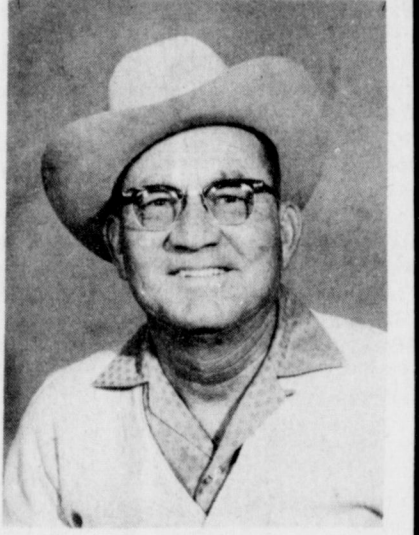

On May 4, 1968, the people of Precinct #1, Bailey County, will have the responsibility of electing a County Commissioner.

The person elected to this position will represent the people of this precinct in all county matters. This is a position of great responsibility. I would like to have the opportunity of representing the people of Precinct #1. I am a property owner and tax payer and I have lived in Muleshoe since 1952.

For the last 25 years I have worked for the State and County. During these years I have become well acquainted with the many problems that face our County Commissioners. I have been with the road maintenance department through all my years with the State and County, which gives me a thorough understanding of maintaining the county roads. I realize this is only a small part of the responsibilities that would be upon me as your County Commissioner.

I believe I am capable of making a good representative for the people of Precinct #1 as a member of the Bailey County Commissioner's Court, where important county business is transacted and the taxpayer's money is expended. The only promise I make to any voter is that if elected, I will devote my full time to this work and do the job to the best of my ability.

YOUR VOTE AND INFLUENCE WILL BE SINCERELY APPRECIATED.

NEW! For clean Sorghum... spray weeds when you see them! with BANVEL

VELSICOL BANVEL HERBICIDE

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessness (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

See your dealer today. You'll be glad you did!

Cattle Health Workshop Set

Feedlot employees in and around Bailey County will have an opportunity to receive first-hand information on cattle health during a workshop slated for May 22 from 8:45 a.m. to 4:30 p.m. at the community center, Hereford.

Purpose of the workshop is to assist feedlot cowboys who are responsible for the care and handling of cattle, announces County Agricultural Agent J. K. Adams. The workshop will deal with the practical aspects of an animal health program for a more efficient feedlot operation.

Topics which will be discussed include drugs, pharmaceuticals and vaccines, feedlot diseases and disorders, ruminant nutrition and associated disorders and the influence of an adequate health program on animal performance. Sufficient time will also be allowed for a discussion of feedyard problems and their suggested approaches and recommendations.

Speakers for the day-long workshop include Lloyd Bergsma, executive secretary, Texas Cattle Feeders Association, Amarillo; Dr. Lowell Schake, area livestock specialist, Texas Agricultural Extension Service, Lubbock; Dr. Lamar Carroll, veterinarian, Elanco Products Co., Garland; Dr. Raymond Cerniga, veterinary consultant, Porterville, Calif.; and Ray Kinsey, president, Texas County Feedyards, Inc., Guyton, Okla.

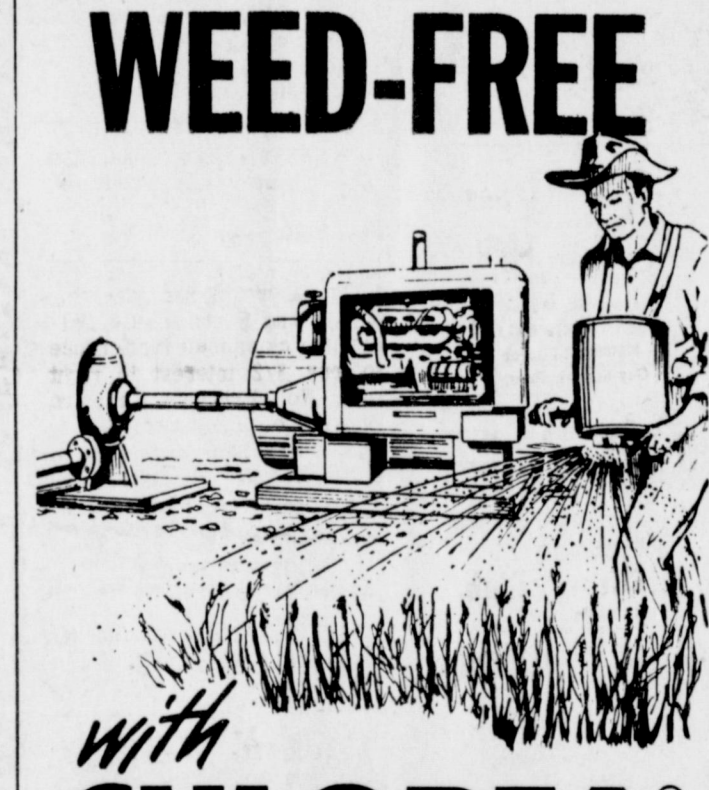

Anyone interested in attending the workshop is asked to contact the county Extension office as soon as possible, says Adams. Since enrollment will be limited to 25 persons, advance registration is required with a fee of \$10.

The cattle health workshop is being sponsored by the Texas Agricultural Extension Service and the Texas Cattle Feeders Association.

VETERANS Q's and A's

Q. I was retired from service for a disability and now the VA has awarded me compensation. Can I draw both?
A. Only if your retired pay is the greater benefit and you waive, that is give up, an amount equal to your disability compensation.

Q. If I attend school half-time for six months in an institution of higher learning, how much of my eligibility to G. I. bill education and training benefits will be charged against me?
A. Three months of your eligibility will be charged against you.

Q. I served for two years in the Army from April 1955 to March 1957. Am I entitled to hospitalization benefits from the Veterans Administration?

A. Yes. But if it is not for a service - connected disability, hospital care from the VA is on a bed - available basis. The veteran must also affirm his inability to defray the cost of hospitalization.

ON FARM PRICE AIDS

Bula News

by Mrs. John Blackman

The home of Edward N. Ray was the scene for a family get-together Sunday. Forty-six children and other relatives bringing food and a luscious meal was served at the noon hour. The afternoon was spent in visiting, singing and picture taking.

Those present were Chief Sergeant Bethel E. Ray and wife, Vera, who are visiting for a short while with his father and other relatives in this area. Sergeant Ray enlisted in the service December 9, 1940 in Lubbock, and was assigned to Barksdale Air Force Base, Shreveport, La. He has seen service in China during World War II, and has since served in the islands of the Pacific, Europe and Vietnam. He is presently serving with the Air Force Communication Service and is assigned to a base in Turkey. He received his leave from Corvallis Air Base, Oregon, and is on his way to Turkey.

Others attending were Mr. and Mrs. G. A. Blevings and daughter, Lubbock; Mr. and Mrs. G. L. Blevings and children, Lovington; Mr. and Mrs. Frank Ray, Portales; Mr. and Mrs. J. A. Ray, Portales; Mr. and Mrs. Alvin Ray, Spade; Mr. and Mrs. Carl Ray and children, Mr. and Mrs. Don Ray and children and Mr. and Mrs. Billy Gene Ray and children, all of Morton.

Also Mr. and Mrs. Lenard Morris of Lubbock; Mrs. Jau-nita Downs and daughter, Lubbock; Mrs. Connie Redlemon and grandson, Lubbock; Mr. and Mrs. R. C. Blevings and sons, Littlefield; Mr. and Mrs. W. J. Ray and daughters, Sudan and Miss Pat Warner, Morton.

Also Mrs. J. W. Owen from Portales, sister of Mr. Ray and Mr. and Mrs. W. W. Morris of Post. Mrs. Morris, a sister of the former Mrs. E. N. Ray and the only living immediate relative of the family.

Mrs. B. S. Setliff was dismissed from the Littlefield Hospital Monday and after spending one night at home she was taken to Hereford where she will spend several days with her daughter, Miss Gladys Setliff, while recuperating. She fell Easter Sunday injuring a knee cap.

Superintendent McDaniel was in Big Spring Friday evening and Saturday attending a Head Start Seminar for directors. The first meeting was at 7 p.m. Friday evening, then Saturday's meeting was from 8 a.m. until 4:15. These were held at the Child's Development Center there. The night was spent in the Holiday Inn. Walter Layton underwent major surgery at the Methodist Hospital, Lubbock, Monday morning.

Mr. and Mrs. John Blackman visited Saturday with their daughter and family, Mr. and Mrs. Dudley Cash, Portales, and also with friends, Mr. and Mrs. Carlton Pulis of Berino, N.M.

Mr. and Mrs. Horace Bersher and daughter, Kay, of Levelland, visited Friday afternoon with Mr. and Mrs. W. T. Thomas.

Mr. and Mrs. C. C. Testerman and Mr. and Mrs. J. D. Rowland have recently spent a week with the Terry Blakes at Madison, Wis. They report the Blakes are doing good work with the Church of Christ there, and the country is beautiful and the people were very friendly.

Several from the Bula community attended the James Al-dridge funeral Monday afternoon at the Crescent Park Church of Christ. James lived in our community when he was a small boy, and was much loved and

appreciated. Our sympathy is extended to his parents and sister.

Mr. and Mrs. John Hubbard were among the several thousand who visited the new meat processing plant at Friona, Sunday afternoon. And also visited with Mrs. Nettie Blackman at the nursing home in Muleshoe.

Mr. and Mrs. Harold Fleming and children visited Sunday in Floydada with the Van Zinns, Mr. Zinn is a Baptist preacher there.

Mr. and Mrs. Leo Buschur were in Earth Monday to attend the Bible School Clinic held at the First Baptist Church there from 9:30 to 2:30.

Mr. and Mrs. E. O. Battles spent some time recently visiting with relatives in Hollis, Okla. They visited her two brothers and families, the Raymond and Wayne Estes families at Hollis and his sister, Mr. and Mrs. E. T. Holly and family and with Mrs. Clara Childers at Dumas.

Mrs. L. G. Fred accompanied her son and family, Mr. and Mrs. Bobby Fred of Denver City to Amarillo and spent Friday night and Saturday with a daughter of Mrs. Fred, Mrs. Del.

Mr. and Mrs. Fred returned home with Bobby and family to spend Saturday night and Sunday.

Social Security
Q's and A's

Q. My husband deserted me and my six children about six months ago. Am I entitled to social security because of this?

A. No. If your husband becomes disabled and entitled to disability social security, you and your children may also become entitled. Likewise, if he should die, you and the children may become entitled to monthly benefits.

Q. My husband is seven years younger than I. When I am 62 in two years will I be able to draw social security on his account, since I have never worked and paid social security?

A. No. Your husband would have to be entitled, deceased or disabled, before you could be entitled if you have never paid social security on your own record.

Q. When I reach age 60 will I be able to draw a widow's social security check?

A. If your husband died after having worked long enough under social security you may apply and receive social security at a reduced rate. If you are totally disabled to work, you should get in touch with your social security representative or social security office.

Q. I have been a permanent resident of the United States for ten years, but just recently filed my petition to become a citizen. I will be 65 in a few months and have never worked. Must I be a citizen to be covered by medicare?

A. No, but there are particular requirements for non-citizens. The most important is that you must have been admitted for permanent resident and have resided in the United States for 5 years prior to application. Be sure to visit your social security office for assistance in the 3 months before you become 65.

A. I do not intend to stop farming when I become 65 in two months. Will I be eligible for medicare hospital and medical coverage?

A. You can continue working past 65 and still be eligible for medicare protection. Since it is very important to enroll within the 3 months before you become 65, visit your social security office now with some proof of your age.

Almost a quarter of a million members of the U. S. Army Reserve served on active duty during the Korean War.
