## City Council Increases Water Rate

### Major Water Users To Feel Most 'Pinch'

### Dog, Cat Warnings Issued By Officials

Because of a mounting dog problem in Muleshoe, Connie Tapp, animal warden for the City of Muleshoe Police Department, has issued a plea for all dog owners to "obey the city ordinance on animals and be sure all dogs are wearing a collar and tag and are kept confined or restrained." Ms. Tapp said the tag must be displayed at all times, and there is no provision to 'turn dogs out at night.' She said dogs are running in packs, especially at night, and according to Muleshoe City Ordinance No. 152A, "...the owner shall keep his animal under restraint at all times and shall not permit such animal to be at large off the premises or property of the owner, unless under the control of a competent person."

According to the animal warden, warning tickets will no longer be issued to known owners of dogs running loose. "Such animals will be picked up," said the animal warden. "The owner will be charged \$5

for the first three days the animal is confined at the animal shelter, then \$1 per day thereafter. Also, the owner will be issued a citation for violation of the Leash Law, and be subject to a fine set by the Municipal Judge."

Also, said Ms. Tapp, if the dog is found running loose again, it will be picked up again, with additional charges for keeping the dog, as well as another Leash Law Violation citation for the owner.

It is also stated in Ordinance 152A that dogs or cats 'in season' must be kept confined. Loose animals in season are drawing packs of dogs and are creating additional problems for the residents, and ultimately, for the animal warden, it was explained. Such animals found running loose will be impounded, with the higher charges and the citations in store for the owner if the owner can be found, she added.

Persons wishing to adopt a dog from the animal shelter will be required to pay for a rabies shot, \$5; and a parvovirus shot, \$5; have the dog wormed, and must get a dog license.

Ms. Tapp has also asked that it be reported to the Police Department at any time anyone is bitten by a dog or cat. If possible, find Cont. Page 6, Col. 2

### MJHS Names 17 Students All-Region

Last Saturday, the Region XVI North Zone Junior High All Region Band auditions were held at Muleshoe High School. A spokesman for MHS said they were very proud to be chosen this year to host try outs.

Around 15 schools were competing for places in the band. The two Junior High Schools from Plainview had the most students in this honor group with a combined total of 22. The MJHS was second with 17 members and two alternates. Muleshoe students in the junior high school all-region band are:

Shelley Sain, third chair flute; Caryn Durben, eighth chair, flute; Caice Hendrix, first alternate flute; Barbie Seaton, first chair clarinet; Vana Pruitt, second chair clarinet; Robert Orozco, 20th chair clarinet; Dorinda Shafer, fourth chair bass clarinet; Jana Grumbles, sixth chair bass clarinet and Jayna Harris, fourth chair tenor sax.

Also, Melanie Roedler, eighth chair cornet; Kandi Moore, fourteenth chair cornet; Alan Finney, sixteenth chair cornet; Brett King, first alternate cornet; Gary Watkins, eighth chair french horn; Sergio Cont. Page 6, Col. 1

**SPECIAL ROTARY GUESTS....**A special guest speaker explained a proposed new program for the Muleshoe School System Tuesday. Frank Geunther, diagnostician for the Muleshoe Public Schools, explained the new program for gifted and talented children. Pictured at left during the meeting are Rotary President Dave Marr; Geunther; Elizabeth Watson, assistant superintendent in charge of education and Harold Horne, Muleshoe School Superintendent.

## Texas Gross Sales Increase; Reporting Outlets 'Down'

Texas State Comptroller Bob Bullock reported that gross sales in Texas during the third quarter of 1980 passed the \$65.7 billion mark.

Bullock said an analysis of gross sales for July, August, and September of last year was \$8.2 billion more than during the same period in 1979.

The gross sales figures were gathered from 246,262 reporting outlets.

"The Texas economy continues to grow each quarter and remains one of the brighter spots in the country's overall economic picture," Bullock said.

He pegged total gross sales for Texas for the first three periods of 1980 at \$191.5 billion.

Bullock also released a computer analysis showing reported sales for each of

the state's 254 counties and a sales tax analysis broken down by the state's Standard Metropolitan Statistical Areas.

When compared to third quarter figures for 1979, Bailey County shows an increase in gross sales, but a decrease in reporting outlets. In 1979, for the third quarter, Bailey County shows 197 reporting outlets showed gross sales of \$20,909,202. For the third quarter of 1980, the gross sales were up to \$25,760,961, but only 169 reporting outlets were shown.

Cochran County also shows a decrease in reporting outlets, down 25 from the 83 reporting outlets in 1979. Cochran County's 68 reporting outlets for the third quarter of 1980 showed gross sales of

### Five Reasons Given For Crop Insurance

With a new government subsidy that pays up to 30 percent of the cost of carrying crop insurance, the best buy in farming today may be the few dollars an acre (tax deductible) that it costs to insure all the other dollars invested in producing a crop.

This advice comes from Ben A. Jordan, Jr., Regional Director of the recently expanded Federal Crop Insurance Corporation.

Jordan suggests that there are no fewer than five sound reasons farmers should consider insurance this year, even if they have never protected their crop investments in the past.

First, the new policies offer more protection. Policyholders can insure up to 75 percent of average yields, which in most cases should full cover the investment in the insured crop plus the cost of the insurance. They can also select, from several choices

\$6,699,852, compared to \$5,449,525 for the same period the previous year.

### Banquet Planned For March

John Gulley, manager of the Muleshoe Chamber of Commerce and Agriculture said the 31st annual banquet of the Muleshoe Chamber of Commerce and Agriculture is scheduled for Friday, March 20. It will be at the Muleshoe High School cafeteria.

Theme for the banquet this year is "Business and Agriculture---A Winning Partnership."

Gulley said speaker for the banquet will be Reagan Brown, Texas Commissioner of Agriculture. He was scheduled to speak at last year's banquet, but was forced to cancel shortly before the banquet due to open heart surgery.

"We would like to emphasize that the C of C banquet is not restricted to C of C members alone," said Gulley. "Anyone who is interested in an entertaining evening with good food and a chance to hear an excellent speaker may attend."

Ticket sales for the banquet will be announced in the near future, he added.

Awards to be presented during the banquet this year include the Citizen of the Year and Farm Family of the Year.

Nominations for the Citizen of the Year are being accepted at this time. Anyone wishing to submit a nomination must make the nomination in writing.

Nominations may be mailed to the C of C at P.O. Box 356 or leave at the C of C offices at the Muleshoe City Hall. Nominations must be received no later than Monday, February 16. The guidelines also apply to nominations for the Farm Family of the Year Award.

Reporting outlets in Lamb County dropped from 384 to 326 during the period from the third quarter of 1979 to the same time in 1980. Reported gross sales for the third quarter of 1980 were \$54,146,105. For the same time the previous year, the reported gross sales were \$50,065,035.

For Parmer County, 144 reporting outlets showed gross sales of \$22,407,348. This is a decrease of 45 reporting outlets from the 189 the previous year. Also, gross sales for the third quarter of 1979 were reported to be \$21,664,068.

Third quarter sales in Harris County were \$17 billion as recorded by 40,841 outlets, compared to \$17 billion during the second quarter and \$15.9 billion during the first quarter.

Gross sales reported in the state's other major urban areas include:

### Cancer Society Gives Reminder About Services

Berta Combs, local contact for the Bailey County Branch of the American Cancer Society, has issued a reminder of some of the many services which can be provided to residents of this area.

She commented, "The American Cancer Society provides services to cancer patients in Muleshoe, and throughout the South Plains.

"They include, equipment loans, such as hospital beds and wheelchairs, gift items, such as dressings and powder, and information concerning financial assistance."

Mrs. Combs concluded, "If you are a cancer patient, or wish to find out more about these services, please call me at 272-4561."

The name of the game is water conservation--along with inflation, and combined, have triggered a water rate increase for residents of Muleshoe.

Members of the Muleshoe City Council adopted the water rate increase Tuesday morning during their regular session, following a lengthy discussion.

It will go into effect with the February billing. Persons who use little water will find a very slight increase in their bill, but those who use more water, such as for watering large yards, foliage and trees, and for other uses, will find a large increase.

According to the new ordinance, the minimum water bill will be \$5 each month, with no additional charge for 1,000 gallons of water. From 1,000 gallons to 50,000 gallons, the charge will be the minimum, plus 75 cents per thousand gallons for all over 1,000 gallons.

Larger volumes will include \$1 per thousand over 50,000 gallons and up to 100,000 gallons. Above 100,000 gallons in one calendar month, the additional charge is \$1.25 per gallon.

As an example, a person who uses 5,000 gallons of water in one calendar month will find the basic \$5 minimum bill, plus an additional \$3 for the extra 4,000 gallons above the minimum.

It was explained that the increase would average 17 percent for low water users up to 44 percent for per-

### New Program For Schools Is Upcoming

Several guests attended Rotary Tuesday and heard Frank Geunther, diagnostician from Carol Horne's office at Muleshoe Junior High School.

Geunther was speaking about the planned new classes for the Muleshoe School System for the gifted and talented child.

He and Elizabeth Watson, assistant superintendent in charge of education were introduced by Rotarian Harold Horne, who was in charge of the Rotary program for the day.

Students for the program will be chosen by a campus screening committee, with nominations for the advanced classes to be by teachers. Geunther estimated that the top three percent of the students in grades three through 12 will be eligible for the special classes.

Guests at the meeting also included Brian Pohlmeier, Deputy Sheriff James Williams, Don McElroy, Charles Moraw, Tommy Gunstream, Dave Cavitt, Delbert Barry and Del Street.

It was announced that the Rotary Valentine Party is scheduled for 7 p.m. on February 10.

sons who use a high volume of water.

Muleshoe City Manager Dave Marr explained that the increase is still below prices charged by Littlefield and Lubbock. Littlefield charges 80 cents per thousand and Lubbock's charge is 97 cents per thousand over the minimum. Both have comparable minimum bills.

Marr also explained that with inflation, and the increased energy costs for pumping water, the increase will handle the increases, plus add an additional approximately \$61,000 each year to the funds of the City.

In order to plan for future water expansion, repairs, and upkeep, the City Manager explained that the increase was necessary at this time.

Delinquent tax collections, or the lack of, also occupied the City Council during the morning session. Marr explained that although suits had been filed and judgements taken no tax sales had resulted and in almost all instances, the fruits seemed to falter after the judgement was taken.

He said priorities should be set up, and the pos-

### Don Harmon Is Named Director

Joseph E. Settle, president of the Federal Home Loan Bank of Little Rock, Little Rock, Arkansas, has announced the selection of Donald W. Harmon of Muleshoe, to the bank's board of directors for a two year term effective January 1, 1981.

Harmon is president and board member of Tri County Savings and Loan Association, Muleshoe; president and board member of Plainview Savings and Loan Association, Plainview; and board member of Collin County Savings and Loan Association, Plano.

In addition, he is chairman of the board of Savers Service Corporation and a board member of Savers Annuity Life Insurance Company, as well as of the Southwest Savings and Loan Conference.

Harmon is a graduate of Texas Tech University, Lubbock and a certified public accountant.

DON HARMON

### Around Muleshoe

A youth disco is scheduled Saturday from 9 to midnight at the Bailey County Exhibition Center and Coliseum.

Admission for the three hour dance for youth is \$2 per person.

Joe E. Chesnut, Jr., son of Mrs. Joel Nowlin of Muleshoe and Joe E. Chesnut of Pearl, Mississippi, has been commissioned a second lieutenant through the Army ROTC program.

Chesnut is a student at Mississippi State University.

Navy Seaman Recruit Mark R. Foster, son of Mr. and Mrs. Ben I. Foster, Jr., Lazbuddie, was completed recruit training at the Naval Training Center, San Diego.

A 1979 graduate of Lazbuddie High School, he joined the Navy in October 1980.

Muleshoe PTA and Chamber of Commerce will be sponsoring a program entitled "Texans War On Drugs" Thursday, January 29, at 7 p.m. in the Meeting Room of the Tri County Savings and Loan.

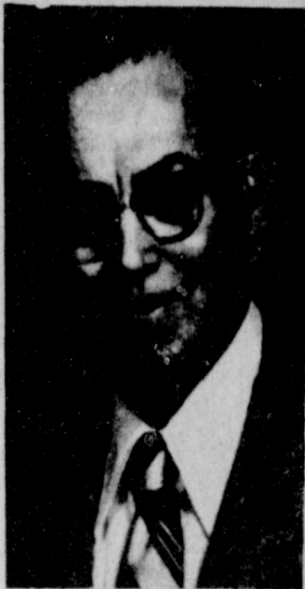

The PTA and Chamber of Commerce are urging presidents or representatives from all local civic clubs to attend this meeting.

The Muleshoe Hospital and Nursing Home Auxiliary Thrift Shop have now moved to their new location at 607 East American Blvd.

### Theron West Services Held

Funeral services for Theron Franklin West, 62, a former Muleshoe resident, were held at 2:30 p.m. January 8 in the Crystal Chapel of Wilson Funeral Service with Elder Allen West officiating. Burial was in the Hillside Cemetery in Purcell, Oklahoma.

West was born September 26, 1918 in Morrilton, Arkansas. He moved to Norman in 1964 from

Survivors include his wife, Leatha of the home; his father, Elder James F. West of Purcell, Oklahoma; two sons, Earl "Ray" West of Midland and Col. Hiram "Gene" West of San Antonio; a daughter, Sharon Kay Pierce of Norman, Oklahoma; two brothers, Athan and Ermon both of Purcell, Oklahoma; five sisters, Christene Hendricks of Norman, Oklahoma, Irene Buford of Louisiana, Pauline Pope of Norman, Oklahoma, Lu-

rene Boydston of Purcell, Oklahoma and Carlene Smith of Midwest City; nine grandchildren and four great grandchildren.

### Winter Salads

#### For Interest

What can you do to winter salads for interest? Orange and grapefruit sections with red apple wedges and halved Tokay grapes are delightful with a Sesame Yogurt Dressing: To one cup plain yogurt, add 2 tablespoons each toasted sesame seed and honey, 1 teaspoon each grated orange and lemon peel and 1/8 teaspoon salt. Cover and chill before using.

### Three Way News By Mrs. H.W. Garvin

Mr. and Mrs. George Tyson were dinner guests in the home of their son, the Troy Tysons in Leveland Thursday evening.

The Three Way basketball teams were at Whiteface Tuesday night for a game with Whiteface winning both games. Friday night Three Way played Sundown on the home court losing both games to Sundown.

Mrs. Rayford Masten was in Stamford last week to be with her father who

was a patient in the hospital.

Mr. and Mrs. S.G. Long visited Mrs. H.W. Garvin Saturday evening.

Mrs. Bobby Kindle and girls spent the weekend in Albuquerque visiting her sister, the R.E. Thompson family. Also visiting in the Thompson home was Mrs. Lemons from Roswell.

Mrs. Rayford Masten was in Morton to take Mrs. Addie Masten from Cochran Memorial Hospital back to the nursing home.

Mr. and Mrs. D.A. Williams and boys from Enochs visited her parents, the George Tysons Sunday.

Mrs. H.W. Garvin visited her daughter, the Kenneth Fox family in Clovis Sunday.

Mr. and Mrs. H.C. Toombs and Bulah Toombs

were in Muleshoe Sunday night and had supper with Janie Self and girls.

There are several in the Community who have the flu. Several teachers and students were out last

week with it.

The Three Way Baptist Women served lunch Saturday to the men who were putting the roof on the new church at Three Way.

## Mrs. Black Feted With Baby Shower

MRS. RICKY BLACK

Mrs. Ricky (Sarah) Black was feted with a baby shower Saturday, January 24 at 3 p.m. in the home of Marlene St. Clair. The honoree, Mrs. J.W. Gammon, mother of the honoree and the honoree's sister, Cindy King, greeted the guests. Guests were registered by Tonya Pool.

Connie Bruns, Dianne Saylor and Jana St. Clair served cake, nuts, butter-mints, punch and coffee from crystal appointments.

The serving table was covered with a beige lace cloth. The honoree's corsage was made of silk flowers in shades of blue and pink and yellow.

Special guests were Mrs. Ralph Black, Mrs. J.W. Gammon, and Mrs. Dee King.

The hostesses gift was a high chair. Hostesses for the occasion were Jana St. Clair, Pam Morris, Ann Mount, Diane Saylor, Marilyn Saylor, Terri Hahn, Dani Heathington, Connie Bruns, Barbara Bass, Tonya Pool and Trisha Hand.

Warren E. Burger, Chief Justice:

"Despite the allocation of additional federal judges...the average case-load handled by each judge continues to increase, thereby necessitating a concomitant increase in each judge's productivity."

# Miss Hamilton, Ellis United In Afternoon Wedding

Miss Teresa Hamilton and Daniel Lynn Ellis exchanged wedding vows December 21 at 3:30 p.m. in the First United Methodist Church in Muleshoe. John P. Hamilton, uncle of the bride, of Big Springs read the double ring vows.

Parents of the couple are Mr. and Mrs. Gene Hamilton and Mr. and Mrs. Frank Ellis, all of Muleshoe.

Brass spiral candelabras with ecru candles flanked the altar. The candelabras were decorated with princess pine and the traditional green holly with red berries and red velvet bows. The altar arrangement was of the same greenery with candles highlighting the altar. Single beeswax candles were used on either side. The bride's memory candle set amidst an arrangement of red roses, gypsophylla, white daisies, princess pine and western cedar. Red velvet bows marked the mothers' pews.

Given in marriage by her father, the bride wore a traditional gown of ivory organza and French chantilly lace, fashioned with a Queen Ann neckline edged with a ruffle of lace. The full length latern sleeves with a deep cuff of lace were accented with a ruffle at the wrist. The full skirt had a front insert of lace edged ruffles. An overlay of chantilly lace cascaded

into a chapel length train. Irresdecnt sequins adorned the bodice and ruffles on the sleeves. The bride carried the

bouquet "Tara", a cascading crescent design of red roses, white daisies, gypsophylla, western pine and the traditional English ivy.

Her grandmother's first communion book nestled in the flowers.

Following tradition for something old, the bride

carried her grandmother's first communion book; something new was a pearl necklace given to her from the groom; something borrowed and blue, she wore the blue garter worn by her mother at her wedding.

Donann Smith of Lubbock was matron of honor. Teresa Hamilton, sister-in-law of the bride of San Angelo, was bridesmaid. They wore Christmas red velvet dresses with an empire bodice and tapered sleeves trimmed with ivory lace and a-line skirts. They each carried a single red rose with gypsophylla and western pine with red bows.

Flower girl was Wendi D'Lynn Bland of Muleshoe. She wore a Christmas red velvet a-line dress with a red sash at the waist and short puff sleeves. The sleeves and neckline were trimmed with ivory lace. She carried a white wicker basket with red roses and red rose petals.

Frank Ellis, III served as best man, groomsman was Todd Ellis, also a brother of the groom. Ushers were Bennie Hamilton of San Angelo, brother of the bride, and Robert Shafer of Muleshoe. Registering the guests at the wedding was Mrs. Carol Dane, cousin of the bride of Lubbock.

Soloist Johnny Dane, cousin of the bride of Lubbock, sang "The Lady" and "The Wedding Song".

Mrs. Hamilton, mother of the bride, wore a muted floral voile knit gown of brown and apricot. Her corsage was a cymbidium orchid. The groom's mother wore a pale pink knit gown and a hair corsage of pink daisies.

A reception was held in the home of Mr. and Mrs. Don Harmon. Serving at the reception were Jana Garrett of Canyon and Su-

zanne Naylor of Fort Worth.

Members of the house party were Mr. and Mrs. Bill Loyd, Mr. and Mrs. Robert Hooten, Mr. and Mrs. Lewis Wayne Shafer and Mr. and Mrs. Don Harmon.

After a wedding trip to Lubbock, they will make their home in Muleshoe.

The bride is a 1976 graduate of Muleshoe High School, candidate for Mau-

1981 graduate from West Texas State University, Little Sister of the Eta Delta Chapter of the Sigma Nu Fraternity.

Ellis is a 1976 graduate of Muleshoe High School, December 1980 graduate of Southwest Texas University, member of the Finance Club and Rodeo Club.

Out of town wedding guests were Mrs. W.E. Bledsoe of Memphis, Tennessee; Mr. and Mrs. C.B. Hamilton, Richardson; Mrs. John Hamilton, Pat, David, Steven and Joanna; Mr. and Mrs. Wayne Ware

of Lubbock; Mr. and Mrs. Gordon Molyneaux, Roswell; Miss Beulah Pingel and Mrs. Helen Ellis of Amarillo.

Mr. and Mrs. Frank Ellis hosted a rehearsal party December 20 in the Corral Restaurant.

If you hear milk before adding to the butter-flour mixture, which is called a roux, for white sauce, you will spend less time waiting for the sauce to thicken. Add the first of the milk very slowly while stirring it into the roux.

MR. AND MRS. DANIEL ELLIS (nee Teresa May Hamilton)

## Study Club

The Muleshoe Study Club met January 22 in the home of Mrs. Wilma Thompson at 4 p.m.

Mrs. Joe Costen, president, called the meeting to order. Club collect was led by Mrs. Betty Jo Carpenter, pledge to the flag was led by Mrs. A.C. Neely. Roll call was given and minutes of the previous meeting were read and approved. Mrs. Charles Shain gave the treasury report and discussed the upcoming yearly reports that each department chairman must get in by February 1. Mrs. Ed Johnson gave a committee report.

Discussion of the spring convention to be held at the Hilton Inn in Lubbock was followed by Mrs. Costen adjourning the meeting so the members could have a work session.

Members present were Mrs. Walter Bartholf, Mrs. Betty Jo Carpenter, Mrs. Joe Costen, Mrs. Wesley Glover, Mrs. A.C. Neely, Mrs. Charles Shain, Mrs. Wilma Thompson, Mrs. Doyle Turner, Mrs. Ed Johnson, and Mrs. Wilson Witherspoon.

## State Convention Theme 'Making A Difference'

Representatives of the Muleshoe Young Homemakers of Texas will be attending the 1981 state meeting of the Association which serves almost 5,000 members across the state.

"Making A Difference.... It's Up to You" is the theme of the 1981 State Convention which will be held at the El Tropicano Hotel in San Antonio, January 30 and 31. Attending from Muleshoe will be Mrs. Dorine Harbin, advisor and Mrs. Jean Richardson, local president.

The two day meeting will feature speakers on a variety of subjects: "Stress and Burn Out" will be the topic of Betty Meyers. "Wylie Wingnut and the Energy Crisis" will be a humorous look at energy problems by Bob Jett, and "Positive Thinking and

Communication" will be pursued by participants as directed by Judith Haubrich. A tour of historic San Antonio will be optional.

The business of the Association will be conducted Saturday morning. Also featured January 31 are awards presentations and Mrs. Haubrich's encounter. Installation of 1981 officers will climax the meeting. Officers having served two years will relinquish their responsibilities to newly elected officers which represent five of the ten areas in Texas, while officers from five areas will remain to complete their two year term. Billye Sue Sharrod of Hale Center will yield the gavel to the newly elected president. The Young Homemakers of Texas is an organization of adults

which is sponsored by Vocational Homemaking Education, Texas Education Agency, directed by Mrs. Betty Romans, acting state advisor. For information about joining you may write:

\*\*\*\*\*

Perhaps the most basic principle in dieting is portion control. Servings should be kept to a reasonable size. We have a tendency to blame desserts and other sweets for our weight gain when, in fact, the large serving sizes of these sweets, and other foods in general, may be our undoing. Small servings of even the most indulgent desserts are "permissible" for most calorie counters. Just don't overdo a good thing.

## Bridal Shower Honors Mrs. Joe Adams

MRS. JOE ADAMS

Mrs. Joe Adams, the former Nina Pitcock, was honored with a bridal shower, January 25 in the Trinity Baptist Church.

The table was covered with a white cloth, with the silk wedding bouquet of the bride used as the centerpiece. Thumbprint cookies, nuts, mints and strawberry punch were served from crystal appointments. Miss Shanna Kelton served and registered the guests.

Special guests were Mrs. Jimmy Pitcock, mother of the bride, Mrs. Ray Adams mother of the groom from Tulia, Mrs. Ester Mills, grandmother of the bride from Portales, Mrs. David Pitcock, and Mrs. Randy Pitcock, sisters in law of the bride, and Roxanne Adams, sister in law of the groom from Tulia.

The hostesses gifts were

a set of Duncan Hines waterless cookware and a glass floral dome for her bridal bouquet preservation.

Hostesses for the occasion were Mrs. John Moore, Mrs. Clayton Myers, Mrs. Jim Shafer, Mrs. Mike Carpenter, Mrs. Bill Reese, Mrs. Raygina Bushman, Mrs. Raymond Trieder, Mrs. Gary Dale, Mrs. Ed Harp, Mrs. Luther Hall, Mrs. Durk Green, Miss Bonnie Carpenter, Mrs. Nicky Nickels, Mrs. W.L. Speck, Mrs. Robert Hunt, Mrs. Gerald Shanks, Mrs. Whitt Barber, Mrs. Leon Lewis and Mrs. I.N. Wilcox.

### TOPS Weekly Meeting

The TOPS Club met Thursday, January 22 in the Meeting Room of Bailey County Electric. Carlene Stroud, leader, called the meeting to order, the TOPS Pledge was recited and the fellowship song sung.

Linda Vinson called the roll, 32 members answered with the number of pounds they lost or gained. A new member, Jeri Serna, was welcomed to the Club. Vickie Garner read the minutes of the previous meeting.

Theresa Davis, Ruth Clements and Vickie Garner received material for three consecutive weeks weight loss.

Best loser for the week was Rose Sain, first runner up was Aurora Mata, and Carlene Stroud was second runner up.

Ruth Clements read an article entitled "Meanest Mother in the World".

The meeting was dismissed with the singing of the goodnight song.

**RARE BOTTLE**  
LONDON -- A 14th century Chinese bottle used as a bedside lamp by a couple who had no idea of its value brought \$672,800 in just 90 seconds of bidding recently. The buyer of the one-foot-high, flower-patterned bottle as Hong Kong private collector T.Y. Chao. The sellers, who live in Europe, had asked to remain anonymous.

### Muleshoe Singing Group Meets

The Muleshoe Singing Group met in the fellowship hall of the Trinity Baptist Church Saturday, January 24. J.C. Shanks opened the meeting. Cecil Rundell of Farwell gave the invocation.

There were 54 present, including Arch Gibson and Preston Senter of Plainview, Mr. and Mrs. Massy of Earth, Mr. and Mrs. Odis Branscum of Big Square. Also four from Clovis, seven from Portales and four from Levelland.

Those from Levelland gave a quartet, Mrs. Branscum and Janie Marpe a duet, Mrs. John Gunter and Mrs. Winona Gibson a duet.

There were four ladies who helped with the piano playing and two men played guitars.

Mrs. J.C. Shanks, Miller and Rundell gave an instrumental on the guitars, piano and harmonica.

The singers meet every Saturday at 6:30 in the fellowship hall of the Trinity Baptist Church.

books, with such a large number of libraries.

The books cover a wide range of American art, history, and photography. All chronicle exhibitions that appeared at the Museum and other institutions throughout the country. The Amon Carter Museum opened in 1961 and is devoted to the "western" of America. It has published over 70 books in its twenty-year history.

The books given to the library are: The Bison In Art by Larry Barsness, Cities on Stone by John Reys, Dorothea Lange Looks at the American Country Woman, The Track Going Back, the Democratic Art by Peter Marzio, American Art from the Worcester Art Museum, American Impressionist and Realist Paintings from the William Marshall Fuller Collection, and Todd Webb Photographs.

Be aware of "high energy" foods. The term "energy" is frequently used to describe foods high in calories from concentrated carbohydrates such as sugar. A calorie is a calorie from any source. It is a measure of a specific amount of energy. There are no special high or low energy calories, just as there is no such thing as an "empty" calorie. The calories provided by food provide us with the energy to be alive; therefore, a calorie cannot be empty but rather is the energy needed for body processes and physical activities.

For The Ladies Husbands are like fire. Unattended, they go out.

### Library News

Muleshoe Area Public Library is one of over 300 public and school libraries in the state chosen to receive a gift of eight books from the Amon Carter Museum in Fort Worth. The gifts were made possible by a grant from a private Dallas foundation. The Museum undertook a similar program in the mid-70s under a grant from the Texas Commission on the Arts and Humanities.

Officials for the Museum said that they were pleased to be able to share the programs of the Museum, as represented by the

### AARP Holds Meeting

AARP met Friday, January 23 at 11 a.m. in the Civic Center. They meet each fourth Friday of the month.

Those present were Mary Farley, Faye Lambert, Beatrice Blackburn, Mae Adkins, O.W. Marlow, T.L. Glasscock, Myrtle Creamer, Buck Creamer, Lena Hawkins, D.J. Gage, Jewell Strong, Oscar Timms, Ruth Timms, Clara Lou Jones, Maude Robinson, Zed Robinson, Panola McDaniel, Bob McDaniel, Doc Goucher, Edith Goucher, Myrtle Chambless, Veta Self, Mr. and Mrs. Matt Dudley, Mr. and Mrs. F.H. Davis, Mr. and Mrs. J.M. Pruitt, Mr. and Mrs. Leon Lewis, and Mr. and Mrs. Carpenter.

Renee is the daughter of Mr. and Mrs. Don Lowe and Keith is the son of Mr. and Mrs. J.E. Layton. Other candidates include Steve Pollard, De'Aun Folwy, Tommy Brown, Amy Grimes, Louis Peacock and Sheryl Waltrip.

### Water...

Cont. From Page 1  
sibility of tax sales explored.  
Dilapidated, unoccupied dwellings will have first priority, according to the City Manager. He said those type buildings are the ones "nobody wants." Marr explained that he thought these should be the first priority, buildings to take a look at.

After discussing the problems, it was decided to conduct a joint meeting with the county and school to come to a mutual agreement on a way to clear the property from the tax rolls.

Also discussed was the proposed rate increase by General Telephone. According to GTE, long distance charges would not be affected, but local residence and business phones would find additional charges.

### Sales....

Cont. From Page 1  
Dallas County, \$10 billion, \$601 million more than the second quarter.  
Tarrant County, \$4.1 billion, down \$514 million from the second quarter.  
Bexar County, \$3.3 billion, an increase of \$66 million from the second quarter.

### MJHS...

These students will travel to Lubbock for rehearsals Thursday, Friday and Saturday of this week. They will participate in a Grand Concert on Saturday January 31 at Monterey High School in Lubbock beginning at 5:30 p.m.

**Statement Of Intent To Change Rates**  
General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective February 27, 1981.

The proposed changes in rates will affect all customer classes and are designed to increase the Company's gross annual revenue derived from local service by 23%.  
A complete set of revised rate schedules has been filed with the Public Utility Commission at Austin, Texas, and is available for public inspection in each of the Company's Business Offices in the State of Texas. A summary of the Company's rate filing has also been sent to the Mayor's Office of each affected municipality.

## Cottonseed Acid May Hurt Growth

Cotton farmers who are planning on saving seed from their 1980 crop should be sure it is high in germination and low in free fatty acid.

"Most farmers check germination closely but may not be aware of the importance of the free fatty acid content," Dr. James Supak, area cotton agronomist for the Texas Agricultural Extension Service, said.

### Insurance...

Cont. From Page 1  
risks involved, Jordan said. Fourth, the USDA disaster payments program, which some farmers have looked to as a solution for insurance, will end after this crop year. Farmers who elect to carry FCIC insurance in 1981 rather than participate in the disaster payment will be eligible for the 30 percent discount plus, if they do not incur a crop loss, an additional 5 percent premium discount in 1982.

Fifth, farmers who insure their crop investment will have an advantage, Jordan predicts, in competing for credit in this Spring's tight money market. The cash flow guaranteed by the policy assures a source of funds for timely loan payment even in the event of a total crop loss. Moreover, at the option of the policyholder, FCIC policies can be pledged as loan collateral.

For information about the new, higher-coverage, lower-cost insurance protection, contact the nearest FCIC office or a private insurance agent that handles FCIC insurance.

panies can assist producers in obtaining an acid test on their planting seed, he noted. Numerous laboratories in the state are also equipped to check the acid content of cottonseed, the specialist said.

"Free fatty acid is a by-product of seed deterioration so its content in seed should not be more than one percent," Supak cautioned. Seed exposed to long periods of weather prior to harvesting or subjected to poor storage after harvesting will generally have a high acid content, indicating considerable seed deterioration, the Extension Service specialist noted.

The acid content of cottonseed may be especially important on the portion of the crop that was drought stressed and was still in the fields or in modules during the snow and rain this fall, explained Supak. Cottonseed delinting plants commonly use the one percent level of free fatty acid as the breaking point in saving or rejecting seed for planting purposes, he said.

"Seed with a high acid content often shows a high germination test, initially, but these seed will deteriorate rapidly in storage and germination will drop," explained the cotton specialist. "Of course, a low acid content does not insure top quality seed. Immature seed may be low in free fatty acid content."

Supak advised producers against saving cottonseed for planting that has 1.5 percent or more free fatty acid. Seed delinting com-

panies can assist producers in obtaining an acid test on their planting seed, he noted. Numerous laboratories in the state are also equipped to check the acid content of cottonseed, the specialist said.

### Aerobics Class Offered Here By College

The Department of Health, Physical Education and Recreation at Wayland Baptist College will be offering a beginning course in Aerobics in Muleshoe. The course, to be taught by Terry Marric, will meet each Monday, from 7-9 p.m., February 2 through May 4.

Registration is scheduled at 7 p.m. Monday, February 2, at the Mary DeShazo gym. The first session will also be conducted on registration night, so all persons registering are asked to wear exercise clothing and tennis shoes. Fees for the class are \$33.33 for persons wishing to audit the class. One hour college credit is offered for \$50. In addition, a \$15 application will be charged all students who are taking the class for the college credit. This applies to students who are enrolling at Wayland for the first time.

Classes are designed for college students, and adults, although freshmen through high school seniors may enroll.

"Persons interested in enrolling in the course should contact me at 272-4863 as soon as possible as class begins Monday," said Ms. Marric.

their planting seed, he noted. Numerous laboratories in the state are also equipped to check the acid content of cottonseed, the specialist said. "Have your seed tested and if the free fatty acid is not a serious problem, store in a dry location," Supak recommended. "The use of high quality planting seed is very important in getting a crop up to a good, vigorously growing stand."

## TIRE SALE

### Buy One At Regular Price And Get The Second One At 20% OFF

For years Steel belted radials have been the established standard of the industry...now Aramid - the space-age, fire cord material has been developed by Dupont laboratories to replace steel as a belt material in radial tires. Aramid is the ideal material for tires because it combines the toughness and durability of steel at one fifth the weight with the comfort and smooth ride of a fabric belted radial.

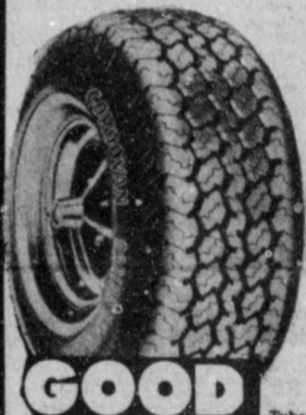

**Cordovan Sovereign Aramid Belted Radial**  
ARAMID BELTED - The strongest tire cord ever developed, the strength of steel with less weight. ARAMID is much more flexible - for a much more comfortable ride. ARAMID produces a lighter, easier rolling tire which improves gas economy. ARAMID absorbs more road shock - eliminates joint slap and provides greater impact resistance.

Number	Tubeless Whitewall Size	Regular Price Each	Sale Price 2nd Tire	Plus P.E.T. Each
No. 23C45	P215/75R15	74.61	59.69	2.64
No. 23C49	P225/75R15	78.88	63.10	2.77
No. 23C64	P235/75R15	81.88	65.50	3.07

**MILEAGE** Stronger-than-steel Aramid gives equal performance with less weight. Lighter weight reduces internal friction and heat build-up.

**SMOOTH RIDE** The flexible lightweight Aramid belts plus super tough Polyester cord radial body plies deliver a smooth, comfortable ride.  
**SKID RESISTANCE** Sovereign's computerized tread pattern effectively drains out water and improves traction in wet or dry weather. Radial construction keeps the tread flat on the road with a surl-footed grip. Flexible sidewalls absorb lateral force; on curves and corners the tread remains in contact with the road.

**Cordovan Radial CR-10**

### 7th Mules Win Consolation

The 7th grade ventured to Littlefield for their first 7th grade tournament. In the first game, the Mules played a tough Stanton team and lost the game 30-18. Point scorers were: Lester Burks with 6 points, David Vela 5, Mike Holt, Monte Horne, and Scott Calvert with 2 points each. Lester Burks received a star for 12 rebounds.

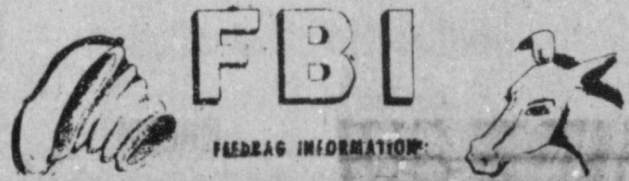

The Mules came out strong the following day and romped Hart 49-13 to move in to the consolation final. Top scorers were: Monte Horne with 11, David Vela with 10, Loy Triana and Jarrod Embry with 6 each.

In the consolation final the Mules out-powered La Plata 39-13. High pointers were Monte Horne with 12, Lester Burks with 9, and David Vela with 7. Receiving stars were Lester Burks with 18 rebounds and Loy Triana with 5

### Mullettes Fall In Tournament

The 7th grade Mullettes played in the Littlefield Tournament, Thursday, Friday, and Saturday. They beat Stanton on Thursday, 30-3, but fell to Littlefield 23-15 on Friday. The Mullettes played for 3rd place Saturday against Levelland and lost 27-21. It was a close game, but fouls in the last quarter cost the Mullettes the game. They will be playing in a tournament at Three Way, January 29-31.

### At Muleshoe Junior High

steals.

The Mules next tournament is at Three Way, January 29-31.

### MJHS Coaches Comments

Our seventh grade boys team won a trophy this past week-end by beating La Plata of Hereford in the consolation bracket of the Littlefield tournament. Competitiveness and desire has improved on this team. I felt that the seventh graders played their best game of the season in the opening game tournament loss to Stanton of Hereford. Stanton had a 10-1 record and was pretty tough. Our boys battled them all the way before finally losing, 18-32. Our full court press hurt Hart throughout a 49-10 victory and I was a little surprised when we beat La Plata 39-11 in consolation finals. I felt that we could win the game but thought it would be closed than the final score and outcome. Several boys played well in this tournament and player of the tournament honors go to Monte Horne.

Monday night brings the Portales Rams to Muleshoe to play Muleshoe seventh, eighth, and ninth grade boys.

Ronnie Jones

We have improved and I'm proud of the way we played in the tournament. We hustled and I think each girl gave all she had.

Brenda Ellis is player of the week. She works hard

offensively and defensively but I'm most impressed with her hustle on defense! She is a leader on the court and never gives up the fight until the last buzzer sounds.

Sabrina Winegeart

### Mules Victorious Over Chieftains

The 8th grade Jr. High Mules met the Friona Chieftains last Monday, January 19 on their home court. The final score, with the Mules winning their fifth game in a row, was 44-21.

John Isaac received 3 stars, one for player of the week and the other two for 21 rebounds. Eddie Perez received 2 stars for shooting percentage and free throws. Micheal Del Toro received one star for shooting and Mark Moton received one star for steals.

### Squaws Down Mullettes

The 7th grade Mullettes traveled to Friona to take on the Friona Squaws, Monday, January 19. Muleshoe girls came home with a loss of 22-19.

At halftime, the Mullettes were behind 6-20. They came back during the second half and gave an all-out effort, but were unable to take over. The Mullettes next game is January 26 at Portales.

### Enochs News By Mrs J.D. Bayless

The Bobbie Adams went to Sterling City to visit their daughter. Mr. and Mrs. Cory Logston and their daughter returned home with them for a visit.

Supper guests in the home of Mr. and Mrs. Elwood Autry Wednesday was a daughter, Mr. and Mrs. Robert Silhan and children of Levelland.

Mr. and Mrs. Bill Brown visited their daughter, Mr. and Mrs. Grady Youngblood at Roswell, N.M. during the weekend.

Mr. and Mrs. Nolan Harlan visited his uncle, Jessie Harlan of Clayton, N.M. who was in the hospital in Amarillo Friday.

We wish to welcome Mr. and Mrs. Will Brown and family to Enochs.

Supper guests in the home of Mr. and Mrs. Jack Austin Saturday were their son, Mr. and Mrs. Junior Austin and sons, Greg and Jeff of Lubbock. They also visited her mother, Mr. and Mrs. Johnny Cox.

## The Speaker Reports

by Bill Clayton

AUSTIN—The State Personnel Policies Subcommittee of the House Committee on State Affairs recently released its interim study.

The purpose in creating this subcommittee was to determine the impact of state personnel policies on turnover rates, salaries, benefits and other related issues and to compare the policies with those evident in the private sector. In compiling its data, the committee held public hearings in Austin, San Antonio and Arlington.

The turnover rate for Texas' state employees for the past 3 years has been 23.68 percent, 1977; 27.23 percent, 1978; and 28.96 percent, 1979. It is expected to rise to 29.74 percent in 1980. In comparison to private industry, a turnover rate of 15 percent is considered inevitable yet still acceptable in terms of maintaining efficient company operations.

Such a high turnover rate among state employees has many adverse effects on Texas, the greatest of which is lost revenue. The financial burden on the state for each employee who leaves a job varies from \$1,000 to \$14,000. The factors which enter into this cost projection include recruitment, selection, placement, orientation training, processing and lost production time.

Unfortunately, the state has become known as a training ground for those who desire a profession in the private sector.

At a time when inflation continues to rise almost daily, salaries and wages has become a decreasing percentage of the overall state budget. In 1978 Texas ranked 37th nationwide in average monthly earnings. As expected, information such as this causes employee morale to drop. The committee is recommending a salary increase for all state employees in an effort to curtail turnover rates and absenteeism and to compete with private industry.

On the whole, the state is directly competitive with other governmental and non-governmental entities in the area of benefits. Holidays are one plus to being a state employee. However, the committee feels that 19 legal holidays per year might be too many and is recommending a thorough review of the holiday structure with the goal of reducing the number of holidays in order to keep offices open to serve the public to the maximum extent possible.

### Qualified!

Calling up a certain important woman, the lady gushed, "I hear your husband is to be appointed to a Cabinet post. If that is true, do come to dinner at my place next Tuesday. If it isn't, then do come in for coffee afterwards."

Stymie of "Our Gang" dies at 56.

**Public Notice**

**PUBLIC NOTICE  
NOTICE FOR BIDS ON  
COUNTY DEPOSITORY**  
By order of the Commissioner's Court of Bailey County, I am authorized to give Public Notice, and Notice is hereby given, that the Court will receive bids for the Depository of State, County, Trust Funds and other County accounts, at its regular meeting in the courthouse in Muleshoe, Texas on Monday the 9th day of February, 1981. Said bids will be received until 10:00 o'clock a.m. on that date, and will be opened at that time.

Bids are to be for the years 1981-82, and may be submitted at the office of the County Judge.

The Court reserves the right to reject any or all bids.

Witness my official hand and seal of office this the 20 day of January, 1981.  
Glen Williams (S.)  
County Judge  
Bailey County, Texas  
15-4s-3tc

The City of Muleshoe will accept bids for a refuse truck on February 17, 1981 at 8:30 a.m. at the City Hall. Truck chassis and packer body/container lifting mechanism specifications may be obtained from the City Secretary, City Hall, 215 South First Street Muleshoe, Texas 79347. The City of Muleshoe reserves the right to reject any and all bids or to accept that deemed most advantageous.

**CONTRACTOR NOTICE  
OF TEXAS HIGHWAY  
CONSTRUCTION**

Sealed proposals for mowing on State Department of Highways and Public Transportation Right-of-Way in the following counties: BAILEY, HOCKLEY, LAMB, LUBBOCK, and PARMER.  
Bids will be received at the District Office of the State Department of Highways and Public Transportation, P.O. Box 771, Lubbock, Texas, 79408, until 9:00 a.m., February 4, 1981, and then publicly opened and read.

The State Department of Highways and Public Transportation, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 C.F.R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, or national origin, and further that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award. Plans and specifications are available at the Maintenance Office for the above mentioned counties and at the office of William M. Pope, District Maintenance Engineer, 601 Slaton Road, Lubbock, Texas.  
Usual rights reserved.

**Public Notice**

**ORDINANCE NO. 210A  
AN ORDINANCE AMENDING THE CODE OF THE CITY OF MULESHOE, TEXAS, BY REVISING THE CHARGES FOR WATER SERVICE AND DECLARING AN EFFECTIVE DATE.**

**THE CITY COUNCIL  
OF THE CITY OF MULESHOE  
HEREBY  
ORDAINS:**  
A. THAT Article I of Chapter 17 of the Code of Ordinances, consisting of Section 17-10, is hereby repealed and supplanted, and shall hereinafter read as follows:  
ARTICLE I.  
WATER SYSTEM  
SECTION 17-10. WATER RATES

a. The following uniform monthly rates shall be charged all persons, firms or corporations for the use of City water within the corporate limits of the City of Muleshoe.  
1. For the first 1,000 or part thereof furnished during any calendar month, \$5.00, which shall constitute a minimum charge.  
2. For all water furnished in excess of 1,000 gallons and not more than 50,000 gallons during any calendar month, being the next 49,000 gallons at \$0.75 cents per 1000 gallons.  
3. For all water furnished in excess of 50,000 and not more than 100,000 gallons during any calendar month, being the next 50,000 gallons at \$1.00 per 1,000 gallons.  
4. For all water furnished in excess of 100,000 gallons during any calendar month at \$1.25 per 1,000 gallons.

b. That if any section, subsection, paragraph, sentence, clause, phrase, or word in this ordinance, or application there of to any person or circumstance is held invalid by any court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of this ordinance, and the City Council of the City of Muleshoe, Texas, hereby declares it would have enacted such remaining portions despite any such invalidity.  
c. That this ordinance shall be effective on and after this the 27th day of January, 1981, and the City Secretary is hereby directed to publish the caption of this ordinance twice in the Muleshoe Journal within fourteen (14) days of the date of its passage.  
**PASSED AND APPROVED  
THIS THE 27 DAY OF  
JANUARY, 1981.**

**Beat the heat**

AUSTIN, Texas (Spl.) - Two researchers from The University of Texas have found a way to beat the Texas heat.  
David Honea and Jeanne Williams, who are husband and wife, have taken a year's assignment in icy Antarctica, where temperatures range from freezing to 58 degrees below zero.  
They will manage and operate a satellite tracking station at a U. S. research base at McMurdo. The data they collect will have applications ranging from navigation and gravitation studies to measurements of continental drift and glacial movements.

**Public Notice**  
On January 5, 1981, Bailey County Electric Cooperative Association filed with the Public Utility Commission of Texas an application for a tariff revision to increase the cost relating to contribution in aid of construction. This is a revision of the Cooperative's "Line Extension Policy". It separates charges of contributions in aid of construction for aerial and underground lines. It increases the charge for single phase aerial line from \$1.60 per foot to \$1.70 per foot. It increases the charge for single phase underground line from \$1.60 per foot to \$3.70 per foot. It increases the charge for three phase underground line from \$2.00 per foot to \$3.70 per foot.  
This revision is applicable to all classes of service except residential. Applicant serves 3,377 total customers, excluding the residential class. Applicant serves in all of portions of the following counties: Bailey, Castro, Cochran, Lamb and Parmer. The conditions under which contributions in aid of construction are required remain the same, only the rate per foot is changed.  
Protests to or motions to intervene may be filed with the Public Utility Commission of Texas. On January 13, 1981, the Public Utility Commission of Texas ordered the Cooperative to suspend this increase for 120 days and further ordered that the substance of the Cooperative's application be published as required by PURA, Section 43 (a).
