### The FFA in Texas

The Future Farmers of America organization is in its 40th year in Texas. There are over 48,000 members studying vocational agriculture in 968 high schools in Texas. In these vocational agriculture classes, students are provided an opportunity to secure technical and scientific training in all phases of agriculture as well as to receive training in leadership, citizenship, and cooperation.

Texas membership has grown from 28,643 in 1950 to over 48,000 in 1969. In a study conducted by Mr. George Hurt, State Director of Vocational Agriculture, it was found that over sixty percent of the vocational agriculture students who graduate from high school and are available for employment are employed in full-time farming or in agricultural related occupations.

The theme this year is "F.F.A. An Opportunity For Youth". The F.F.A. supports and supplements training for those involved in production agriculture as well as those processing and distributing agriculture products. Many people are employed in agricultural occupations such as engineers, scientists, management personnel, sales and service personnel and educators. F.F.A. training lends support to those providing these services for agriculture. Also, there are over 60,000 desirable openings each year for farm operators, farm engineers and full-time hired farm labor.

Vocational agriculture and the FFA are striving to provide a sound and a continuing education to help produce the leaders and work force so direly needed in our nation's agriculture industry.

### Muleshoe FTA Members To Attend Convention

Lt. Gov. Ben Barnes will make the keynote address Friday afternoon (Feb. 21) for some 6,500 Texas teenagers expected here for the 20th annual convention of the Texas Future Teachers of America.

Presiding at general sessions in Municipal Auditorium will be Texas FTA president Ray Greene of Victoria. Registration begins at 9 a.m. Friday. The annual awards night program will climax the convention Saturday night.

Texas FTA is sponsored by the Texas State Teachers Association, TSTA President Claude A. Hearn, Jr., San Antonio, will speak at the opening session. Lt. Gov. Barnes will be introduced by L. P. Sturgeon, TSTA executive-secretary. Other TSTA staff members involved are Bob G. Keck, state FTA advisor; Lee Hicks, Leon Douglas, and Bruce Kuenmel.

Dr. Joy Elmer Morgan of Washington, D. C., founder of the national FTA (1937), will speak at the second general session Friday night. Dr. Morgan, 80, is retired from the staff of the National Education Association.

Those attending from Muleshoe are: Vickie Henoxon, Jerry Putman, Jim Putman, Debbie Bruns, Donna Heathington, Debbie Hayes, Jannette Ellis, Nancy Hopper, Sue Pyant, Patti Camp and Kerry Morre. They will be met in Lubbock by FTA Chapters from Olton, Sudan and Littlefield. Leaving Lubbock by chartered bus the groups will arrive in Austin on February 20 and return Sunday, February 23.

The first FTA chapters in Texas high schools were established during the 1938-39 school year in San Antonio, El Paso and Pearsall. Now there are 480 local chapters. A convention highlight will be the selection of "Mr. FTA" and "Miss FTA" of Texas, each of whom will receive \$1,000 college scholarships. The winners will be selected in speech competition at the convention, from 13 boy and 13 girl finalists.

Delegates will attend eight workshops Saturday morning on special interest topics such as "Professional Teacher Training" and "Experiences in Leadership". The FTA group of Muleshoe has entered their scrapbook and yearbook in this competition.

### Prices Chopped Down On Many Specials

Even George Washington himself would be surprised at the celebration planned this year in honor of his birthday. . . . Instead of a birthday or cherry pie the real goodies are going to customers of Muleshoe merchants. . . .

A special, Saturday only, "Lucky Number" event will be held to match your personal George Washington Birthday Number, the number in the upper right hand corner of this page, with the number pasted in any of the participating stores. If your number matches the one in the store, you can buy the featured item at the special George Washington's Birthday price as advertised in a special page in this issue of the Journal. You

must take your paper with you to the store, no phone calls please.

In cooperation with the Business Activities Committee of the Chamber of Commerce, merchants have looked over their stocks and selected a variety of goods to be sold at ridiculous prices of 22¢, \$2.22 and similar unheard of bargains.

A close look at the ads in the pages of Muleshoe Journal will reveal items for sale at prices hard to believe. Merchants among those participating in this gigantic price slashing are Chubby's, Main Street Beauty Salon, Fair Store, James Crane Tire Co., Sweetheart Lane, White's Cashway, Dot's Shop, Cobb's, Plains Auto Parts, Gibson's, Western Auto Associate Store, Damron Drug, Allison Shoes, Perry's, St. Clair's, Gordon Wilson Appliance, Fashion Shop, Harvey Bass Appliance, Nowlin Studio, Poyner's White Store, Anthony's, Bratcher Motor Supply, and Muleshoe Motor Co.

### Williams Acquires Pool Agency

Announcement has been made by Myron Pool II and Lee Pool of the sale of Pool Insurance Agency to Glen Williams, effective April 1, 1969.

The firm was established in October, 1940 by Myron Pool II and was known as W. M. Pool Jr. Agency. In 1945 Pool was joined by his brother, Lee Pool and the firm has been known since then as Pool Insurance Agency.

Williams, a Bailey County Judge twelve years, county commissioner four years, and six years on County School Board, has been engaged in ranching and farming and is an Elder of the Primitive Baptist Church. He has been a licensed insurance agent several years.

Active management will be assumed April 1 by Williams, who has purchased the office building and equipment. He expects to operate with the same office personnel, the same name, and with as few changes as possible.

Yesterday, Ash Wednesday, began the religious season of Lent observed by Christian churches.

Ash Wednesday takes its name from the ancient custom of carrying to church the palms that had been blessed on the Palm Sunday of the previous year. Here they were burned and the ashes placed on the foreheads of the faithful in the form of a cross while they were reminded that man is but dust and will return to dust.

The 40 days during the Lenten season commemorate Christ's fasting and preparation in the wilderness, and so serve as a preparation for the great Feast of Easter. It is interesting to note that the six Sundays of Lent are not a part of the 4-day season. Every Sunday commemorates Easter, so they are feasts.

The term 'Lent' is derived from Anglo-Saxon and means 'long days' or 'Spring'. Traditionally Christians have in the Lenten season sought to know more fully the presence and the purpose of God in their lives. Lent, then is this: a

GEORGE WASHINGTON

What was George Washington really like?

Although any schoolboy can tell you with authority the impressive exploits and achievements of the "Father of Our Country" - as General, Statesman and President - many facts about Washington, the man, are little known.

Did you know for example, that in addition to his more obvious military and diplomatic skills, Washington was also an excellent businessman and accountant, an inventor, a scientific planter, a connoisseur of fine terrazzo floorings, a designer, a magnanimous host, and - according to Thomas Jefferson - "the best horseman of his age"? It's a fact!

Although he left school at the age of 13, and never had any systematic schooling after that, Washington was, in a sense, a perpetual student of life, always striving to learn additional skills and cultivate new interests.

His unique abilities as farmer, trader and land investor were legend in his own time. He constantly exchanged letters with agricultural experimentors at home and in England and imported plants, shrubs and trees from all over the world. Today at Mount Vernon there are at least 57 trees still standing which Cont'd. on Page 2 Col. 5

### Mrs. Blaylock In One Car Accident

A late model car driven by Mrs. Lawrence (Jackie) Blaylock left Highway 84 approximately 1/8 mile Southeast of Farwell at 8:30 p.m. Sunday in heavy fog. The car entered the median at a culvert and turned over onto its top.

An airman from Cannon Air Force Base was the first motorist passing and he assisted Mrs. Blaylock in contacting Highway Patrolman Bob Sheild at Farwell, Mr. and Mrs. Owen Jones, also passing, brought Mrs. Blaylock and her thirteen year old son, Danny, to Muleshoe where Mrs. Blaylock entered West Plains Hospital.

time of self-examination in the presence of God in order to discipline life as God may direct. It is a time for spiritual preparation for Easter in remembrance of the passion, death, and resurrection. Lent is a part of the regular church year in the Roman Catholic, Anglican, Protestant Episcopal, Lutheran and Eastern Orthodox churches. Other Protestant churches hold religious services, meetings or preaching missions to honor the season. Many Christians observe Lent by fasting, performing penance, giving alms, abstentions, special study and prayer.

were set out by him. He experimented with clover, rye, timothy and alfalfa to enrich the soil, as early as 1760. He was the first in the country to plant pecan trees. He was one of the few who tried crop rotation at a time when plenty of new land was available. And still he found the time to tinker with several inventions to make planting, harvesting and processing easier on the plantation.

The results? The flour, for one, produced at Mount Vernon was so unusual for its purity and excellence that it was known all over the Americas and Europe.

As a businessman and accountant, Washington was also tireless; in an age when it was necessary to do all correspondence in Longhand, he wrote more than 18,000 letters!

Washington also excelled in the field of architecture. This came in quite handy after his return from the Revolutionary War, as he developed a strong desire to enlarge and beautify his estate, Mount Vernon--due, in part, from seeing beautiful homes elsewhere and to contact with cultured people on both sides of the Atlantic. Indeed, many architects after the war consulted Washington -- whose eminence in design and building craft is said to have given him much prominence in his day. He drew up plans and specifications with his own hand, ordered stucco, terrazzo and other materials, and almost singlehandedly converted his small house of eight rooms into the highly celebrated and beautiful mansion we know today--with two floors, an attic, an immense cellar and the magnificent portico overlooking the Potomac.

worked with his hands. He gave his young manhood to the Indian Wars, his maturity to the Revolution, his ripe and mellow years to the Presidency.

He was the first person to fire a shot in the French and Indian War, the first American General, the first President of the U.S., and also.... "first in peace, first in war, first in the hearts of his countrymen."

By being one of the very first Americans to use terrazzo flooring, Washington was extending a building tradition that began thousands of years ago with the ancient Egyptians and Romans; a tradition that was to continue with many of the fine public buildings constructed for our nation's capital, Washington, D.C.

The number of guests which found their way to the floors and tables of his home were legion. The General himself called his mansion "a well resorted tavern" because of the steady flow of guests he and his wife found themselves entertaining as the official hosts of the young nation.

Although he has often been depicted by historians as a cold, formal man, Washington was actually congenial and fun-loving with friends and family--shown time and time again by his great hospitalities and magnanimous repudiation. He loved dancing parties, the theater and guests--particularly if they were of unusual interest. He is said to have possessed a hot temper, held tightly in check--which he seldom lost, and then only for good cause.

He helped family and friends with gifts and loans, asking only that they not reveal his donor. Admired by all for his great achievements, he could be extremely modest, diffident and almost bashful at times. When he entered the Virginia House of Burgesses for example, after winning major battles in the French and Indian War, he is said to have blushed crimson at the warm welcome he received.

George Washington was every respect an American. Most of his early years were spent in the backwoods, he was a farmer, a man who

## An Open Letter To The Public

\*\*\*

I have recently purchased the POOL INSURANCE AGENCY, including the office building and equipment and will assume active management April 1, 1969.

We will continue the business at the same location, under the same name, with the same office personnel and with as few changes as possible. To the present policy holders, we will represent the same companies, so we are prepared to continue your coverage with no disturbance at all, if you will kindly permit us to do so. We hope to render the same type of efficient and courteous service to which you are accustomed...and to which you are entitled.

And to all of you, we are in business to stay and to serve, so whether it be your home...your car... your life...your health...or WHATEVER your needs, we would appreciate the privilege of serving you.

Please feel free to see or call us at any time.

Thank you so very much,

**Turf magic LAWN FOOD with Chlordane 12-4-4**  
 Exactly the same fertilizer as Turf Magic Lawn Food, with Chlordane added to control soil insects such as white grubs, five kinds of ants, cut worms, chiggers, ticks, and many other insects that are on or under the soil.  
 Chlordane has exceptional lasting qualities; it gives full season protection against the pests named above.  
 Apply Turf Magic with Chlordane in early Spring as a preventative, or use it anytime during the season when soil insects attack lawns. One bag covers 2,500 square feet (50' x 50').

**Turf magic CRABGRASS CONTROL**  
 Dacthal, the safest, most effective crabgrass seed killer, mixed with an excellent organic which contains approximately 8% nitrogen. (Fertilizer analysis not guaranteed). Apply in the dormant season (December to May 1) to kill crabgrass seed as they germinate. Controls most annual weeds when applied before seed germinate. Completely safe for people and pets. Does not harm established grass. Bag covers 2,000 sq. ft. (50' x 40').

**Turf magic LAWN FOOD with organics and chelated iron 12-4-4**  
 A 38% lawn food containing the nitrogen, phosphorus, and potash in a 12-4-4 ratio and an additional 18% in secondary nutrients: iron, sulfur, magnesium, zinc, and manganese. It gives fast, long-lasting results due to its high content of nitrogen, sulfur, and chelated iron. The organic nitrogen comes from bone meal, blood meal, cottonseed meal, and sludge. This mixture insures slow, measured release which helps turf maintain a dark green color for a longer period of time. One bag covers 2,500 square feet (50' x 50').

## Art Association Studies Decoupage

Muleshoe Art Association met February 12 in the home of Mrs. Leon Smith to see 'reverse decoupage' Mrs. Smith had used on cabinet doors.

Mrs. Smith explained she purchased the prints and soaked them two hours or more in a bathtub of water, then covered them with clear plastic or acrylic for a mat finish. The prints were then laid face down and all the paper rubbed off, leaving only the picture. These can be transferred to linen canvas or cabinet drawers or whatever desired. She used native flowers around the borders.

Members were also shown a seascape on burlap made by Mrs. Smith from a collection of shells and sand. Refreshments of 'Anzac' biscuits and coffee were served to members Bernice Amerson, Pauline Jamison, Velma Davis, Myrtle Steinbock and Tiny Forbes. Guests were Cara Juan Schuster, Toni Allan, Jackie Schimpf and Karen Britting. 'Anzac biscuits' are made from an Australian recipe brought by Mrs. Smith's daughter-in-law. They are an oatmeal type cookie batter baked in a sheet and were sent by the families of Australian and New Zealand soldiers to their sons during World War I.

## Friona Art Showing Slated February 21

Ben Konis, formerly of New York City, will have an exhibition of his recent work at the Friona State Bank, Friday, February 21st, from 9 a.m. to 5 p.m.

The artist works in all media and will show pen and ink sketches, watercolors and pastels, as well as oil paintings. He studied at the Art Students League, and with many internationally known painters, among them, Anthony Toney, Frank Riley, Robert Brackman, and the western artist, Albert T. Reid. He received his Fine Arts Degree from the Catalan Institute of New York. His work is currently represented in Reynolds Gallery, Taos, New Mexico, the Greenwich Gallery of New York City, at Gallery Twelve, in Livingston, New Jersey, and in the Talisman Gallery of Bartlesville, Oklahoma. He was a recent prize-winner in the semi-annual Washington Square Art Exhibition in Greenwich Village.

Mr. Konis has painted in Europe and the New England states, but is now relocating in Amarillo, and plans to paint the Southwest scene. He will conduct art classes in the area and a class in Friona will begin soon. Mr. Konis will be on hand at his exhibition to personally greet guests.

## Professor Conducts Workshop

Dr. Richard Lamar, associate professor of Music, Texas Tech, directed a workshop in piano pedagogy for Muleshoe Music Teachers Association Saturday at the home of Mrs. Sam McKinstry.

The Muleshoe teachers reported his teaching was received with enthusiasm. Dr. Lamar believes teachers should make piano technique a part of the music rather than a separate technique. He used crescendos, meters and transfer of patterns, all within the works of masters.

For the pleasure of the teachers he played the entire Opus 28 by Chopin and many other selections, followed by discussion.

A short business meeting preceded the workshop during which the nominating committee read names of officers nominated. Mrs. Sam Damron read a report on things planned for March and April meetings. Mrs. Gilbert Lamb reported on the ensemble concert scheduled for March 1.

Mrs. McKinstry and Mrs. Barry Lewis served cookies, punch and coffee to Dr. and Mrs. Richard Lamar, Mrs. David Gibson, Mrs. Jimmy Milner, Mrs. W. T. Watson, Mrs. Donald Christian, Mrs. Harold Allison, Mrs. Lamb, Mrs. Damron, Mrs. E. H. Kennedy, Mrs. Howard Cox, Miss Ruth Wilson, Mr. and Mrs. Oscar Allison and student guests Linda Middlebrooks, Becky Milner, Kathy Seymour, Jana Oyler, Trummie Christian and Mike Hunt.

## Dearing Brummett Vows Exchanged

Miss Betty Louise Dearing, daughter of Mr. and Mrs. T. H. Dearing of Muleshoe, exchanged wedding vows with Don Edward Brummett, son of Mr. and Mrs. Allen Brummett of Quitaque, at Trinity Baptist Church, Muleshoe, February 15 at eight o'clock. Rev. Bill Swope, pastor of Calvary Baptist Church, officiated at the double ring ceremony.

The church was decorated with baskets of roses and an archway covered with roses, all made by Mrs. Roy Edwards of Turkey, Texas, grandmother of the groom. Given in marriage by her father, the bride wore a full length gown of antique satin, fashioned with Empire waist, high lace-trimmed neckline with ruffle and floor length train extending from the waistline. The bridal bouquet was a cascade of white roses. Her shoulder length veil of illusion was attached to three white satin roses. She wore the traditional blue garter, borrowed an old Bible from her sister and wore a penny in her shoe.

Maid of honor was Miss Gloria Wilson, of Wheeler. Bridesmaids were Connie Brummett, sister of the groom, of Quitaque, and Janice Dearing, of Muleshoe, sister of the bride. They wore identical street-length dresses of royal blue satin, fashioned with Empire waist and jewel neckline. They carried bouquets of white daisies.

Groomsmen were Thomas Dearing of Dallas, brother of the groom, and Gerald Edwards, uncle of the groom, of Amarillo. They also served as ushers.

Mrs. W. T. Watson played traditional wedding music and accompanied Elvis Sain of Dodson, soloist, as he sang 'The Twelfth of Never' and 'Wedding Prayer'.

A reception was held at Trinity Baptist Church immediately following the wedding. The bride's table was laid with white lace and centered with

a floral arrangement in blue and flanked by blue candles in blue holders.

For traveling to her new home at 1616 South Jackson, Amarillo, the bride wore a royal blue A-line dress with white yoke.

The new Mrs. Brummett was graduated from Muleshoe High School at midterm, 1968 and has attended South Plains College and Clarendon Junior College. Her groom is attending Amarillo Junior College and is employed by the City of Amarillo.

A rehearsal dinner was given by the bride's aunt, Mrs. James Phipps, in her home.

## Mrs. Sanders Leads DeShazo PTA Poverty Study

Mrs. Robert Sanders was the speaker at the February 17 meeting of Mary DeShazo PTA meeting. Her subject was "What Poverty Means in the Family. Drawing on her experience in teaching special classes for disadvantaged children, Mrs. Sanders told of the effects on children of being denied material and emotional stability in early life.

An executive meeting was held at 2:30 p.m. and a social hour at 3:45, with the business meeting at 4 p.m. Mrs. Walter Bartholf, president, was in charge of the meeting.

Pledge to the Flag was led by Principal Bill Taylor. Mrs. W. R. Morrow led the invocation. Minutes of last meeting were read by Mrs. Roy Wrinkle and a report was heard from Mrs. Ted Millsap, the treasurer.

Mrs. H. R. Solomon reported on the recommendations from the Executive Committee: (1) That Mrs. Millsap be appointed to serve on the nominating committee. (2) That Mr. Bickle be asked to make another "Bunkerhill" for the playground, for the second grade. (3) That the local PTA write letters to the State representatives Bill Clayton and State Senator Jack Hightower approving proposed legislation for kindergarten in public schools. (4) That February 17 be recognized as Founders Day and members were reminded that Stevie Apperson Hurst and Alice McLellan Birney were founders.

## Friends Bid Olivers Farewell

A going away party was held Saturday night at Muleshoe Country Club for Mr. and Mrs. Derrell Oliver who are moving to Houston, Oliver who will be associated with a municipal bonding company there, was previously manager of Muleshoe Chamber of Commerce and a former teacher and coach in Muleshoe schools.

Host couples for the occasion were Mr. and Mrs. Max King, Mr. and Mrs. Glen Watkins, Mr. and Mrs. Kenny Heathington, Mr. and Mrs. Joe King, Mr. and Mrs. Dick Johnson, Mr. and Mrs. Doyce Turner and Mr. and Mrs. John

Young. Sandwiches and dips were served to fifty or sixty persons at the come and go affair. Entertainment consisted of dancing to recorded music. Signs "We will miss you Derrell and Polly", "Come back home" and similar ones decorated the club.

## The Upper Room

Read Luke 10:25-37

"The second (commandment) is this, 'You shall love your neighbor as yourself.'" (Mark 21:31, RSV)

Several miles in the distance, St. Louis' magnificent Gateway Arch on the bank of the Mississippi River appeared to us to be a mere black hairpin silhouetted against the cloudy-bright sky. Actually, it is over six hundred feet high.

By the time we reached the base of the structure surfaced with stainless steel, the sun had broken through the clouds. The arch became a silver beacon, reflecting its blazine rays for miles.

How often persons--perhaps a neighbor--appear to us as but silhouettes until we come closer to them! It is by meeting them and talking together that we learn to understand them. In many cases only then do we realize their true stature. This we especially discover when we give them a helping hand, offered with a smile and kind words. Then we see a reflection from them which reminds us that God has created them in His image. On their faces we see a glimpse of the glory of God.

## RH PTA Hears Child Specialist

"Three things a child wonders about", said Miss Trula Maude Jetton to Richland Hills PTA members Monday afternoon. "Am I safe, Am I accepted? and Am I able to cope with my situation?"

Miss Jetton, Primary Consultant for Lubbock Public Schools, discussed "What poverty Means in the Family" out of her long experience as classroom teacher, school principal and consulting teacher. She explained that for a child to feel really safe does not mean within the family only, but that he must feel safe with his peers and his situation.

Head Start program, its purposes and the results in the lives of children was discussed. Miss Jetton said disadvantaged children usually refuse to participate in play with other children and it had been demonstrated that percentage of those partici-

ating sometimes rose from 30 or 35% to 90% by the end of the program. She told of the marked differences in the crayon drawings of the very young, particularly when asked to draw their own portrait, that they were unaware of themselves. For this reason full length mirrors are used, that the children may have opportunity to really see themselves.

Stressing the fact that there are other kinds of poverty than economic, Miss Jetton told the group that tests have been made which show that between birth and the age of four months a child may be moved about among different caretakers and in various situations and in later life cannot be detected from other children who were not, but that from that time until the age of eight months unless a baby is cuddled and cared for by its mother evidence of insecurity are always present.

Students from the second grade, under the direction of Mrs. Josephine Mitchell, music teacher for Richland Hills School, furnished music.

Mrs. Don Harmon, Hospitality chairman, and fifth grade mothers, furnished refreshments of cookies, coffee, and punch for the social period.

During the business meeting, Mrs. Royce Turner, recognized Parent-Teacher Association Founders Stevie Apperson Hurst and Alice McLellan Birney. Mrs. Fox's second grade room won the room count with sixteen mothers present.

THOUGHT FOR THE DAY

To love God was not enough even for Jesus; He also loved His neighbor as Himself.

--Benjamin C. LeRoy (Kentucky)

## Party Honors Three

Three residents of Muleshoe Nursing Home were honored with a birthday party Tuesday afternoon by Dorcas Circle of United Methodist Church. They were Mrs. Bertha Cross, 83, Mrs. Charlsie Glasscock, 79, and Mrs. Margaret Green, 89.

Dorcas Circle members assisted with the party were Mrs. Oscar Allison, Mrs. Frank Ellis, Mrs. M. C. Street, Jr., Mrs. Ben Cockrell, Mrs. Pete Cash and Mrs. Lewis Wayne Shafer. They led the group in singing hymns and this was followed by three of the residents of the home playing "Happy Birthday" and other songs on their French harps. Three separate birthday cakes were presented to the honorees. They were served with fruit punch, from a table decorated in a George Washington motif.

# Senator Hightower Addresses FHA Banquet

THE BRASS.....These are the persons who lead the activities of Future Homemakers of America in Muleshoe, shown flanking Senator Jack Hightower who spoke at the annual Sweetheart Banquet Saturday night. L to r. Martha Jane Chapman, president of Rosebud Chapter; Mrs. Ben Gramling, homemaking teacher at MHS; Senator Hightower; Vina Bass, president of Rose Chapter; Mrs. Roland McCormick, head of the Homemaking Department, MHS.

Muleshoe High School cafeteria was the scene of the annual Sweetheart Banquet of Future Homemakers of America, with Miss Vina Bass, president of Rose Chapter serving as mistress of ceremonies.

The decorating theme for the banquet hall was Land of Mystic Dreams, carried out with blue streamers, signs of the zodiac, silver stars and a golden moon on the walls, and the ceiling done to give the effect of billowing clouds. The stage was decorated with angel hair, stars and streamers. Invocation was by Harvey Bass and the welcome by Vina Bass.

Dinner music was furnished by Cassie Precure at the piano. Other entertainment was guitar music by Robert Badger and Brian Maconi.

Introduction of the guests was by Martha Jane Chapman, president of the Rosebud Chapter.

Following this came the recognition of degrees. Receiving Chapter degrees in the Rose Chapter were Cathy Mardis, Cathy McCormick, Deborah Wagnon, Randa Sutton, Ann Newsome, Marsha Johnson and Debbie Hancock.

Junior Chapter degrees received in Rosebud Chapter were by Cynthia Gable, Sue Darsey, Monica Griffiths, Vanda Spurgeon, Nancy Patterson, Martha Jane Chapman, Jan Jinks, Sherri Minkler, Janice St. Clair, Marilyn Pool, Debra Smith, Linda Lambert, Janet Campbell and Peggy Carter.

The need to be very selective throughout our lives, to be sure we are getting the most for our time and money. He predicted great success for those who are able to read and interpret the signs of life.

Following Hightower's address, Wayland Ethridge served as narrator for the coronation of the king and queen from both Rose Chapter and Rosebud Chapter. Selected for the honor by Future Home-maker members were Lindy Kerr and Bob Bomer from the Rose Chapter. Lindy is the daughter of Mr. and Mrs. Ernest Kerr and Bob is the son of Mr. and Mrs. Jack Bomer. Rosebud king and queen were Sue Darsey, daughter of Mrs. Nova Darsey, and Robby Green, son of Mrs. Raymond Green. Benediction was by Roland McCormick.

## Flag Essay Winners Told

Lazbuddie Young Homemakers recently sponsored an essay contest among third grade students in Mrs. Jimmy Briggs' room at Lazbuddie School. The essays were judged February 6 by the Young Homemakers. Dan Copeland, son of Mr. and Mrs. Leslie Copeland of Lazbuddie, was chosen first place winner and Robert McGuire, son of Mr. and Mrs. D. M. McGuire, won second place honors.

Dan was awarded a plaque for his essay and Robert was given a certificate.

THIS IS WHAT THE AMERICAN FLAG MEANS to me - by Dan Copeland  
 'Do you know why I am grinning? Because I am going to tell you what my flag means to me. The flag stands for the gains, hopes and ideals of all people. It means you can have happy times, and join in all the fun, that why, I'm grinning. It means freedom. Freedom to do what, you would like to do. Go where, you like to go. To read, what you would like to read. The flag has 50 stars, each star stands for a state. I think every one should get to live in the United States. This is what the American flag means to me.'

WHAT THE AMERICAN FLAG MEANS TO ME - by Robert McGuire.

I respect my country. I love the flag of the United States in which the flag flies. When I see the flag I think of the United States. I respect the men and women who fight for our flag. The flying of our flag shows loyalty to our country.

The flag is to be taken care of. We should not treat the flag bad. The flag is pretty. It is red, white and blue. It has red and white stripes and has fifty stars. America is land of the free and when I, see flag I think of freedoms that we have that people of other countries don't have.'

Receiving the highest honor in Future Homemakers was Vina Bass who received the State Degree. She was presented the Betty Crocker Homemaker of Tomorrow award by Cathy McCormick, chapter vice-president.

Vina Bass introduced the speaker of the evening, Senator Jack Hightower, of Vernon, who talked on 'Signs of the Times', telling the young women and their escorts that there are many signs given us throughout our lives and that we must learn to recognize them. He urged the youth to know the direction they are going, to have a goal and to learn to recognize the danger signs.

Senator Hightower spoke of

## New Quarter Horse Classic at Ruidoso Downs

Ruidoso Downs, New Mexico --The Ruidoso Racing Association has announced the creation of a new Quarter Horse Stakes event which General Manager, Richard Thompson, states "promises to be an overnight success throughout the industry". "It's long overdue," he says.

The new Stakes, the World's championship Quarter Horse Classic, with a whopping \$20,000 Added, to be run on July 5th over the ever-popular 4th of July weekend, is the first major permanent Stakes event for mature running Quarter Horses in the history of organized Quarter Horse racing, says Thompson.

The Championship, for three-year-olds and upward, at 440 yards, primarily offers a valuable Stakes purse for Quarter Horses which have developed through the super two-year-old events such as the All American, The Kansas, the Rainbow and other wealthy Futurities around the country. Thompson points out that once

colts have graduated from these mammoth Futurities at Ruidoso Downs, Los Alamos and other tracks, there simply has been no really worthwhile event for older Horses to shoot at anywhere in the country. As a result, many Horses have gone into forced retirement long before their usefulness on the turf. Ruidoso Downs expects to fill this void with the advent of the World's Championship Quarter Horse Classic.

ship Classic is estimated to be near \$50,000, with purse distribution going to the ten finalists from the Trials. Trials will be held the weekend prior to July 5th. Winner's share of the purse will be 48%, conceivably making it in excess of \$25,000. Nomination blanks for the Classic are now available from the Nomination Secretary, P. O. Box 449, Ruidoso Downs, New Mexico 88346. Initial subscription deadline is April 1, 1969.

## Library News

By Anne Comp

The library has had a number of books donated, and we have ordered and received 30 that are mostly bestsellers and books that have just been published.

Two books recently added should be of interest, since the author will be speaking here this week; these are "Roads to Radiant Living" and "When the Heart is Hungry" by Dr. Charles L. Allen. These, like many of his other books are of an inspirational nature. Also a new book by Paul Tournier, a well-known lecturer, and counselor is ready for the shelves, and its title is "A Place for You". It seems to be a wonderful book on psychology and religion.

Another book that we had several requests for is "Ranch on the Ruidoso", which is the true story of a pioneer family in New Mexico, the Coe family, and was written by Wilbur Coe. This book has many photographs of the early pioneer days, and as a bonus it has several reproductions of paintings done by Peter Hurd.

On the many new and best-sellers that we are getting, it might be a good idea to call the library and ask to be put on the list of those wanting a specific book. Many are requested when they are ordered, but we will be glad to hold as soon as available.

The library put a collection of 100 books, for the use of the children at the Muleshoe Goodwill Center this week. Under the teacher's supervision they will be used as long as needed. We are most happy to add this to the Library's services.

We are excited about adding other useful services for the benefit of our community. Especially the "books for the homebound" I feel will fill a great need for many of our citizens. This will mean that a call to the library will bring the desired books to the home of anyone who is unable to come to the library.

Most recent memorial gifts for the Muleshoe Area Public Library have been given as follows:

In memory of Senn Siemens, by Mr. and Mrs. J. E. McVicker, Mrs. W. F. Birdsong, the Larry B. Hall family and Kappa Kappa Iota,

Mrs. Fred Mardis, treasurer; in memory of Mr. and Mrs. R. J. Klump by Mrs. Snow Davis and Mildred Davis; in memory of Luther Ham by Mrs. Polly Birdsong; in memory of Andrew Lyle Williams by the Cecil Coles; in memory of J. W. (Pops) Dalton, by the James P. Wedel family; in memory of J. L. Redwine by the Aubrey Heathingtons; in memory of W.

L. Blaylock by the Larry B. Hall family; Memorial gifts for Mrs. C. M. Black were given by Mr. and Mrs. Robert Blackwood, Fry and Cox Co., and the Kirk Pitts family, and the Aubrey Heathingtons.

In memory of Mrs. A. S. Stovall, memorials have been given by Dr. and Mrs. Charles Lewis, Mr. and Mrs. David Stovall, Jr. and Mr. and Mrs. D. C. Stovall, Mrs. Snow Davis and Mildred Davis, Mr. and Mrs. Joe Costen, Mr. and Mrs. Ed. Johnson and Dr. and Mrs. B. C. McDaniel.

# Barbed-Wire Tells History of Old West

In only three months of enthusiastic trading with other collectors, Mrs. Givens, wife of the Triangle Ranch manager, has collected and mounted 131 wires, five stays, a splicer and seven staples on two burlap covered boards. The boards are bound with the lasso rope and with the blue picture. She says, "Once I start anything I keep going until I finish it."

Her most recent collection is thirty-one pieces obtained from a man in Slaton who is reputed to be 'one of the biggest wire collectors in the country'. He had just returned from the annual Barb Wire

Collectors Convention in Colorado. Mrs. Givens explained that collectable wire must measure at least eighteen inches long and stays should be 36 inches. She feels she has an advantage in that her husband is the son of Mrs. J. S. McMurtry, owner of the Triangle Ranch and lessee of the Janes Ranch.

In addition to the two boards of rare and old wire pictures, Mrs. Givens has another board of more common wire. She also enjoys collecting bottles and has a large collection of more than three hundred old fruit jars. One of the most interesting

pieces locally would be the fence stay which, Mrs. Givens believes, came from the South boundary fence of the Y-L Division of the XIT. The land was later purchased as a part of the John N. Janes Ranch.

The oldest dated wire in the collection was made in 1869 by M. Kelley of New York (the name was Thorny Fence). Next came the Diamond Split, patented by H. N. Featress of Decatur, Ill. Also in 1875, Daniel C. Stover of Freeport, Illinois, made the Corsican Clip. In 1874, E. L. Elwood of DeKalb, Ill, made the Elwood ribbon wire. She also has the Winner Barb, patented in 1874 by J. F. Fliddeon, of DeKalb, Ill.

Another wire of interest is a piece of Buffalo wire, dated 1875, made by Gliddeon. His firm made wire until 1876. Mrs. Givens has Holdfast and Merl's Twirl, both large buffalo wire made by C. Merl, Turkey River, Iowa, in 1876. The same year H. B. Scott made the H. plate.

Included in the collection are parallel wires, two strands and one three strand, dated 1877, made by Burnell, Scutt, Ross and Hash, she also has three strand Clines Rail.

made in 1883. Mrs. Givens has five pieces of ornamental wire, four of which were made by Preston form 1881 to 1883.

Another interesting piece in the collection is the rickrack, made by Crandell in 1879, also Hollander's Wrap Around (very vicious) patented in 1878. She has fourteen pieces of ribbon wire, some rusty, some galvanized, some twisted and some smooth, patented by Allison in 1881, smooth, sawtooth, buckthorn, etc.

Brotherton of Ames, Iowa made lots of different wires between 1878 and 1887. She has the largest known woodblock wire, made by Scutt in 1880. She has two pieces of stubble plate, large and small, made of tin, cut to fit in wire, which looks like a Maltese Cross, one about an inch square and another about two inches; also two S barbs, a large one made by Hash in 1883 and a small 'S' patented in 1884 by Decker. She has a Decker Spread patented in 1884.

Bottle collecting and old fruit jars are other hobbies of Mrs. Heathington. She is trying to collect enough wire to be able to trade with other enthusiasts. She cited the book '6,000 miles of Fence', obtainable through Muleshoe Area Library, as a good source of information and very enjoyable.

Cecil Davis has collected wire and branding irons for many years and shows them to interested groups.

Mrs. Givens said she has a chain link made by Pooler Jones in 1878. At this point in her notes she grew weary of describing them one by one and said, "it would take too long."

"All wire is not round", she said. "I have some that is two square lines, or one large square - some are one large, one small round - one square, one round - one round, one triangle - some with barbs - some are round, some flat - and anything from one to four points on barbs. She has cable wires from three to seven strands."

Mr. and Mrs. Givens came to Muleshoe about four years ago from Miami, Florida but say they were 'born and raised in Texas.' At the time of J. S. McMurtry's death, Givens came to Muleshoe to manage the ranch for his mother. They make their home at the McMurtry farm on the Plainview highway.

The Givens have two children, Warren A. Givens, a student at South Plains College, and Gail Givens who is a senior at Muleshoe High School. Gail expects to enroll at West Texas State University after graduation.

Mrs. Givens is a member of Muleshoe Hobby Club and attends First Presbyterian Church with Mrs. McMurtry. There are more than 600

different pieces of wire to be collected. Mrs. Givens said. Much of the information for her collecting came from two books, one on the shelves of Muleshoe Area Public Library, 'More Barbed Wire', and the other from a book Mrs. Camp, the librarian, obtained from the Texas State Library for Mrs. Givens, 'The Wire That Fences the West'. Mrs. Givens stated that all pieces she has collected can be found in the latter.

# Recap Shows MJHS Girls Record Basketball Wins Obituaries

A recapitulation of the Muleshoe Jr. High Girls' 7th and 8th grade basketball season presents an outstanding record for the year thus far. Coach Rhonda Wagon said Wednesday that the 7th grade team has one of the most outstanding records for a MJH 7th grade team, with nine wins and one loss. They won the first place trophy in the Muleshoe Jr. High School tournament, their only tournament for this year.

The 7th grade record shows Muleshoe wins over Olton, 31 to 23; Three Way, 23 to 6; Amherst, 35 to 12; Farwell, 24 to 8; Olton, 25 to 7; Dimmitt, 18 to 8 and 22 to 3; Amherst, 21 to 10; Friona 24 to 19, with one loss to Friona, 16 to 19.

An outstanding job offensively was turned in by Jeanie Putman, Rejana Hardaway, Glenda Harlin and Denette Mann. Handling most of the defensive duties were Brenda St. Clair, Ester Beversdorf, Laticia Rogers and Roxanne Street.

In the 8th grade tally they present a 14 win to three record. Three tournaments have been entered this year. In the Muleshoe tourney the girls were entered as two teams 'A' and 'B', and met in the finals to take the first and second place trophies.

For the second year in a row the Muleshoe 8th grade girls brought home the first place trophy from the Springlake Tournament. In the Friona tourney, Friona downed the Mulettes three points in the championship game giving Muleshoe the second place trophy.

Doing outstanding work on offensive duties were Tani Murrah, Kathy Pena, Tracy Cowan, and Susan Foster. Defensive duties were handled predominately by Linda Head, Stephanie Bryant and Lizan Gunter. Coach Wagon added that all the other team members "did an outstanding job filling in and keeping the spirit up."

The record at present shows

Muleshoe 29 to 16 over Olton, 29 to 17 over Sudan, 29 to 18 over Three Way, 30 to 17 over Amherst, 35 to 27 over Farwell; Dimmitt 27 to Muleshoe 22; Muleshoe 31 to Dimmitt 5; Muleshoe "A" 28 to 10 over Muleshoe "B", Muleshoe 36 to 21 over Sudan, 16 to 14 over Friona, 38 to 26 over Olton, 25 to 13 over Springlake, 28 to 13 over Dimmitt, Friona over Muleshoe 18 to 15, Muleshoe over Amherst 26 to 14, and Friona over Muleshoe 25 to 24.

## Bula News

by Mrs. John Blackman.

Several young people attended the Lanos Altos Youth Rally Monday evening at the First Baptist Church in Amherst.

Brother Eddie Howard gave the special music for the occasion. He sang "Heaven Came Down and Glory Filled My Soul" and "How Great Thou Art", with Donna Crume at the piano.

Attending were Donna and Diane Crume, Margaret Richardson, Beverly Tiller, Jolene Cox, Karen Drake, Helen Black, Howard Wright and Rev. and Mrs. Eddie Howard.

Women of the Methodist church met Thursday afternoon and completed their part of work on the decoration for the annual WSCS conference to be held March 25 and 26 at the First Methodist Church in Levelland.

Drove to Amarillo Saturday and spent the day and night with her daughter and husband Mr. and Mrs. James Collins; Also got to see their new great-great-granddaughter, Del'dre De'ann Saavedra daughter of Mr. and Mrs. Fred Saavedra and

## Chow-Tex Feed Lots, Sold to Container Corporation

Valley Stream, N. Y., (Special -- Universal Container Corporation (ASE) today announced that it has completed the acquisition of Chow-Tex Feed Lots, Inc., Muleshoe, Texas, a commercial livestock feeding firm.

Today's announcement was made by Lewis Maslow, president of Universal Container, who said that the acquisition involved the exchange of an undisclosed amount of Universal's Class A common shares for all of Chow-Tex's outstanding stock.

According to Mr. Maslow, "Chow-Tex is one of the fastest growing commercial livestock feed lot operations in Texas with revenues of over \$1.5 million for the current fiscal year." Universal announced it had reached an agreement in principle to acquire Chow-Tex in November 1968.

Together with Texas Meat Packers, Inc., Dallas, and related subsidiaries, Universal Container is now firmly established in the feed and meat packing areas, declared Mr. Maslow.

Universal Container is also a manufacturer and distributor of textiles, chemicals, electrical and marine equipment, containers, trophies, awards and advertising specialties.

## Mary Richards

Mrs. Afton E. (Mary) Richards, 53, of Ralls, died at 5:10 a.m. Sunday in a Plainview hospital after a short illness. Wife of Elder Afton Richards, of Muleshoe Primitive Baptist Church, she was a sister of Harvey Bass of Muleshoe, and Mrs. C. A. Watson of Lubbock.

# STATE CAPITAL Highlights AND Sidelights

by Winn Sanford

AUSTIN, Tex.--Legislators are beginning to move along with some of the important decisions facing them.

A Senate committee gave approval to a constitutional amendment by which voters will be allowed to say "yes" or "no" at the general election, November 1970, whether they want liquor by the drink in Texas on a local-option basis.

A House committee gave the companion proposal a friendly reception, and is expected to approve it there, too. But sponsors agree that it will be hard to get the two-thirds majority necessary in each house to pass the proposal on to voters.

Next big proposal for the House Constitutional Amend-

ments Committee is the \$3.5 billion water bond proposal sponsored by Rep. Bill Clayton of Springlake. This is the state's share of financing for the \$10 billion Texas Water Plan. It, too, will go to the voters in November of 1970, if two-thirds majorities in each house agree to submit it.

**BILLS ADVANCE**--A bill to raise retirement benefits of state employees to 25 per cent (up 10 per cent) landed on the governor's desk following passage by both houses.

Another measure approved by both houses raises the maximum interest rate on state and local bonds from five to six and a half per cent.

Senate has passed proposed

constitutional amendments to guarantee equal legal rights for women, grant state funds to governors-elect and to exempt rural water supply districts from taxation.

**BILLS PASSED**--The Senate include measures to transfer 45 acres from Harris to Waller County, permit Texas A&M University to issue revenue bonds for water and sewage facilities on its campuses and authorizing sale of a Texas Woman's University lot in Denton to finance a music scholarship.

**BILLS GALORE**--Usually the number of bills filed at the Capitol slackens after the first few weeks. So far this session, it hasn't happened.

\*Rep. Grant Jones of Abilene has introduced a bill to add at least 50 per cent to the tuition fees of non-Texas students at state colleges while increasing tuition for Texans only slightly.

\*Rep. George Hinson of Mineola has a bill through committee to allow school districts to get full state aid for students taking vocational courses in another district.

\*Rep. Carl Parker of Port Arthur has dropped a bill into the House which would allow public employees to have labor unions.

\*Four House bills to strengthen the obscenity law have been introduced.

\*Rep. Cletus Davis of Houston has announced that he will introduce a bill to replace article 1220 of the Texas Penal Code (known as the paramour statute) which allows a husband to murder legally a man "taken in the act of adultery with his wife."

\*Two bills to up the punishment for firearms crimes have been introduced by Sens. Jack Hightower of Vernon and Henry C. Grover of Houston.

\*Representative Parker also has introduced a bill to regulate and license private detectives and guards and their employers.

\*Sen. Criss Cole, Houston, has introduced a bill providing that subdivision plats in unincorporated areas must be approved by the county commissioners court before they may be filed and recorded.

\*Senator Cole also has introduced a bill providing for improved control of solid waste disposal and giving authority to counties, the State Health Department and the Water

Quality Board, Rep. Rex Braun of Houston also has introduced some pollution control bills and opposition between the two has arisen.

**SCHOOL CONSOLIDATION OPPONENTS**--The Little Red School House Committee, made up of rural landowners, farmers and ranchers from all over Texas, will lobby against the companion bills by Sen. A. R. Swartz of Galveston and DeWitt Hale of Corpus Christi. Their bills would reduce the number of school districts in Texas from 1,218 to 353.

Charles Schreiner III, Mountain Home rancher and chairman of the Committee, said, "Mere bigness is not an absolute guarantee of excellence."

**COURTS SPEAK**--Texas Supreme Court refused a hearing on the State of Texas' plea to put some 4,000 acres of land on Matagorda Bay into the public domain class.

Other half of the case is H. P. Baxter Jr. who owns a tract of 4,505 acres which was originally about 355 acres. State says the land was "grown" by dredging and the like, while Baxter's lawyer's contend it was a gradual process since 1803. So far, Baxter has won in the lower courts, so will keep the land.

**COLLEGE KNOWLEDGE CLIMBS**--Higher education planners handed the Legislature an explosive new issue--higher tuitions and steep building use fees for college students.

Coordinating Board, Texas College and University System adopted by a wide margin the finance committee proposal to double tuitions and establish a \$165 a year fee for students at six proposed new schools. Fee would go to retire building bonds.

Levies are necessary, Board concluded, to finance a \$401 million building program and college-university operating costs expected to reach \$404.2 million by 1975-76.

Board is asking the Legislature this year not only to approve controversial fund-raising methods but also to appropriate \$6 million to begin coordinated master planning for new institutions. Later would be located at San Antonio, Midland - Odessa, Dallas, Corpus Christi and two at Houston.

Opposition outcries already have been raised against the recommended \$7 per semester credit hour (about \$210 a year) tuition for residents and \$20 an hour for non-residents. Milder protests have been lodged against building use fee as discriminating against new college enrollees. Board claims both increases are necessary and that new school students really will be saving money by having higher education brought to their hometowns.

**APPOINTMENTS**--Forrest W. Reece, former Texas newsman, has been named assistant to the administrator of the U.S. Department of Agriculture's Farmers Home Administration.

Gubernatorial appointees to the Board of Regents Frank C. Erwin Jr. of Austin, Jenkins Garrett of Fort Worth and Dan Williams of Dallas were confirmed by the Senate.

Gov. Preston Smith nominated Tom Hamilton of Plainview district attorney of the 64th judicial district. Hamilton is a native of Matador.

Dr. Joseph R. Smiley, president of the University of Colorado, will become president of the University of Texas at El Paso next June, says Chancellor Harry Ransom.

Dr. Elmer C. Baum, chairman of the State Democratic Executive Committee, has appointed three new subcommittees. Those groups: Youth Activities with chairman Jerry Craft, Jackboro rancher; Women's Organization with Mrs. Stuart Coleman of Brownwood as chairman; and Communications with State 13.

Senator Charles Herring of Austin as chairman. **TEXAS POPULATION BOOMING**--Texas' population has grown to 10,945,000, according to a new study by UT's Research Center.

Growth rate from 1960 has been a steady, average 1.7 per cent a year. Major cities have been growing beyond that rate. For example, Harris County with 1.5 million inhabitants as of last April 1, grew at a rate of 3.1 per cent; Dallas with 1,231,000 population jumped 3.2 per cent; and Bexar with 802,500 inhabitants has jumped 1.9 per cent a year since 1960.

**CAR INSPECTION DEADLINE NEARS**--Only a third of Texas' six million cars have been inspected, warns the Department of Public Safety.

DPS noted that April 15 is the deadline and urged motorists to have their cars checked before long lines form around the state's 5,466 inspection stations.

Average cost to drives so far this year has been \$3.02. That includes the standard \$1.75 fee and whatever else is necessary to secure the red, white and blue safety sticker. Headlight alignments and brake adjustments account for most of the ordered corrections checked to date.

**SHORT SNORTS**--State Senate authorized Lt. Gov. Ben Barnes to name a six-member advisory committee on youth problems. House appropriations committee has completed its budget hearings but the Senate finance sub-committee will continue hearings until February 26.

Dallas families are challenging in federal court the Texas Department of Public Welfare's cut in financial aid to dependent children. Senate labor and management committee approved a compromise workmen's compensation bill to raise benefits to injured by 40 per cent.

George A. Butler of Houston added \$75,000 to private contributions for the development of Washington-on-the-Brazos State Park, swelling the fund to \$300,000 allotted by the state and \$200,000 from Houston Endowment.

Liquor Control Board postponed its decision on private club rules until March 13.

O. R. (Ollie) Crawford of Japer has resigned as a member of the Liquor Control Board.

**LEGAL NOTICE**  
The State of Texas, County of Bailey, on this the 11 day of February, 1969 the Board of Trustees of Three Way Independent School District convened in regular session, open to the public, with the following members present, to-wit: Carl Pollard, President; Charles Abbe, Jack Hutcheson, Jack Hodnett, Ted Simpson, R. L. Davis, and Joe Sowder constituting a quorum, and among other proceedings had by said Board of Trustees was the following: WHEREAS this school district has fewer than 500 scholars and is subject to the terms and provisions of Article 2746a; and WHEREAS on the first Saturday in April, 1969, being April 5, 1969, a trustee election will be held in said School District for the purpose of electing two members to the Board of Trustees of said School District, THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THREE WAY INDEPENDENT SCHOOL DISTRICT: That an election be held in said School District on April 5, 1969, for the purpose of electing two members to the Board of Trustees of said District. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and filed with the County Judge of the county in which this district is located not later than 30 days prior to date of said election. That said election shall be held at the following place and the following named persons are hereby appointed officers for said election. At Three Way School Building, in Maple, Texas, in said School District with Frank Knox as Presiding Judge and Tommy Galt and George Tyson, Clerks. Annetta Chunn is hereby appointed Clerk for absentee voting, and \_\_\_\_\_ are hereby appointed Deputy Clerks for absentee voting. The absentee voting for the above designated election shall be held at Three Way School within the boundaries of the above named District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 and 3:40 on each day for said absentee voting. The above described place for absentee voting is also the absentee clerk's mailing address to which ballot applications and ballots voted by mail may be sent. The manner of holding said election shall be governed as near as may be by the Election Code of this state, and the County Judge shall furnish, at the expense of this School District, all necessary ballots and other election supplies requisite to said election. Immediately after said election has been held, the officers holding the same shall make returns of the results thereof to the County Judge and return the ballot boxes and other supplies of said election to the County Judge for safekeeping, and the Commissioners' Court shall canvass the returns of said election and notify the candidates and this Board of Trustees of the results thereof. A copy of this order shall serve as notice of said election, and be posted in three different places in said School District, which posting shall be done not less than 20 days prior to the date for said election. The Secretary of this Board of Trustees shall also cause a notice by publication of this election to be published one time in a newspaper of general circulation in the county where this school district is located, which publication shall be not more than 30 days nor less than 10 days before said election. The above order being read,

# Enochs News

By Mrs. J. D. Bayless

Mr. and Mrs. Vergil Thomas are the parents of a baby girl born February 10, at 6:00 p.m. in the Methodist hospital in Lubbock. She weighed seven pounds and four and a half ounces.

Grand parents are Mr. T. A. Thomas of Enochs.

Walter Layton was admitted to St. Mary's hospital Tuesday and underwent eye surgery Wednesday. He returned to his home Thursday.

Everyone appreciated the rain received Thursday afternoon, there was as much as nine inches of rain in the community.

Mrs. Guy Sanders went to Roaring Springs Friday to be with her mother, Mrs. Mary Bell Harden who is ill.

Supper guests in the home of Mr. and Mrs. Edd Autry Friday were their children, Mr. and Mrs. Jack Jackson and family, of Clovis, N.M. Mr. and Mrs. Clifton Pyburn and daughters of Portales, N.M. and Mrs. Billy West and children of Littlefield.

Hugh Anderson, of Borger, has been visiting his sister and husband, Mr. and Mrs. Joe Milsap.

There was a valentine and products party in the home of Mrs. E. N. McCall Friday at 2:00 p.m.

A lucky number was drawn for the gift given by the hostess Mrs. McCall. Mrs. C. R. Seagler was the lucky number. The gift was a red heart-shaped cake decorated with white icing.

Those present were Mesdames Theo Spence, Essie Seagler, Alta Clem, Lucille Hall, Ellen Bayless, Blanch Cash, Mildred Welch, Flo Nichols, Joy Vanlandingham, Troy Price, Olive Angel, Winnie Byars, also Mrs. Pauline Nichols and Mrs. Nell Outlaw of Morton, and the sales lady, Mrs. Dutch Gibson of Morton.

Refreshments of red heart-shaped cake, punch and coffee was served to the group.

Mr. and Mrs. C. H. Byars drove to Lubbock Friday afternoon to take their granddaughters, Jackie and Tracie Parr home and were supper guests in the home of their daughter, Mrs. Jack Parr.

Guests in the home of Mrs. L. E. Nichols Friday afternoon was her son, Mrs. and Mrs. Harold Dean Nichols of Lubbock.
