School Approves \$1 Million Budget

THE LINE-UP, 1969 STYLE--A bevy of football players posed in the bleachers Tuesday morning. They are the varsity team for 1969. Pictured (not in order) are: Larry Shafer, Jerry Lackey, Jimmy Steptoe, Jack Ellison, Mark Dillman, Mark Long, Tyrone Clemmons, Prentice Griffiths, Jesse Clemmons,

Ronnie Barrett, Dennis Beene, Sammy White, Steve Black, Gary Ethridge, John Cole, Don Wheat, Randy Field, Alford Bleeker, J.C. Slaughter, Rand Baker, Mike Riley, Don Heathington, Kenneth Carpenter, Keith Turner, Lance Puckett, Tommy Taylor, Jerry Scoggin and Bobby Hayes.

Members of the Muleshoe School Board met in regular session Monday night at the School Administration office and approved a budget of \$1,242,174 for the 1969-70 school year.

Largest item on the approved budget was \$387,779 for salaries for school personnel with \$40,980, administration; \$821,960, instruction; \$600, attendance; \$12,229, health; \$22,560, transportation; \$20,580 plant operation and \$19,800, plant maintenance.

Retirement of serial bonds will take \$91,000; interest on serial bonds will be \$52,744 and other debt service will be \$256 for a total of \$144,000.

Student transportation (less salaries) will be a total of \$30,330. Utilities, as compared to the 1968-69 year, will be \$12,000 for electricity; \$6,000, gas; \$3,000, water and sewer and \$1,400, telephone, for a total of \$22,400.

Insurance will cost \$7,600. This comes to a total of \$1,143,109 with \$99,065 to be spent for Administration supplies, instructional supplies, libraries, maintenance supplies, replacement of equipment, activity trips, audio-visual, health, furniture, and janitor supplies. The budget for 1969-70 is an \$85,154 increase over the

\$1,157,020 budget for the 1968-69 school year. Major increase is in salaries, with instructional salaries, including teachers and principals receiving the major portion. This year's estimate is \$821,960, as compared to an estimate of \$737,955 for 1968-69. This is an increase of \$84,005. Overall increase in salaries is \$89,697.

A reduction in capital improvements and other of the 14 items in the budget make up the difference required by the teacher pay increases which were authorized by the legislature. Capital improvements were reduced to \$17,034 from \$32,000 in 1968-69 to allow the school to keep within the new budget.

The Board said, "The budget provides for estimated expenditures to be within the projected revenue for the coming year. Cont. on Page 2, Col. 4

Calling All Kids

Calling all kids...line up and practice up...the Annual Jaycees Kid's Day Celebration will be held Saturday afternoon.

All children between the ages of six and 12 are eligible for the days of days, which will be the last official "ding" before the unmentionable takes place...the beginning of school, that is.

Kid's Day will begin at 2 p.m. on the field just south of the football field at Muleshoe High School and will conclude with the presentation of ribbons to all top three winners in each phase of competition.

On tap for the afternoon will be sack races, potato races, foot races, bicycle races and possibly swimming competition. Three age groups will compete during the contests: six and seven; eight and nine and ten through 12.

Frosty Jones and Ray Puente are co-chairmen for the afternoon and Jones said, to wind up the afternoon's festivities, Jaycees will be on hand with some 75 watermelons to be presented to the contestants and their families. Having first choice will be the youngsters in the competition, then their families will be feted for as long as the watermelons last.

Teacher Appreciation Begins This Week

around muleshoe with the journal staff

Area teachers are due for honors! Beginning this week, and continuing through the next three weeks, teachers in the Muleshoe and Bailey County area will be honored by the Chamber of Commerce and local civic groups.

Thursday (today) at noon, Lazbuddie teachers will be the first of four groups to be honored at a luncheon at the Lazbuddie School cafeteria.

Members of the Chamber of Commerce, Lions, Rotary and Jaycees will meet at the local Chamber of Commerce office at 11:30 a.m. and travel in a group to Lazbuddie.

C of C Manager Jerry Hutton urges all members to wear their red coats as it is considered a red coat occasion. He said "We urge everyone to attend the luncheons and dinners as it takes a big group

to be effective and we need to welcome the present teachers and become acquainted with the new teachers."

A gift package will be presented each teacher at the luncheon. Muleshoe's Ambassadors will be at the luncheon to pin name tags on each

person in attendance. Don Harmon will act as master of ceremonies and issue welcome to everyone and response will be given by Superintendent Sam Barnes, who will also introduce the teachers.

Pledge will be led by Jaycee President Curtis Walker.

Joe Harbin is overall chairman for the luncheons and Bob Stovall is in charge of printing programs while Mrs. Wayne Williams is coordinator of the meals.

Wreck Victim Dies Enroute Area Hospital

Otell Johnson, 43, Sudan, died around 9:30 p.m. Saturday while enroute from Muleshoe to Lubbock Methodist Hospital. He was DOA at the Lubbock hospital. He had been injured about 8 a.m. Friday after losing control of his 1957 pickup while enroute to his home in Sudan after working all night near Muleshoe.

Johnson was employed by King Feed Lot southwest of Muleshoe.

The accident occurred 13.1 miles southeast of Muleshoe on Highway 84. Johnson was making a small curve, and had apparently fallen asleep at the wheel of his vehicle. Waking, he hit his brakes and slid for more than 150 feet forward before losing control and going into a sideways skid for more than 400 feet. His pickup swapped ends once and slammed into a tree in the median of the highway.

He was pinned inside the wreckage until a winch truck could be summoned to pull the pickup away from the tree and pull open a door so he could be removed. A Singleton ambulance brought Johnson to Muleshoe where he received treatment until the attempt was

Local Athletic Booster Club To Host Supper

Who is your new Athletic Director and what are his immediate aims and purposes? Have you met the new coaches in the Muleshoe Independent School System? How do they work and how do they plan to form the teams in the schools?

These questions will be answered Friday night, August 22, at the Muleshoe High School cafeteria when the Muleshoe Athletic Boosters will play host at the first official meeting of the booster club for the 1969-70 school year.

A feature of the first meeting will be the covered dish supper which will precede the meeting, said President Darrell Turner.

The meeting will begin at 7:30 p.m. and Turner urges all parents of athletes and all interested in the athletic program in Muleshoe to be sure to attend the program that night.

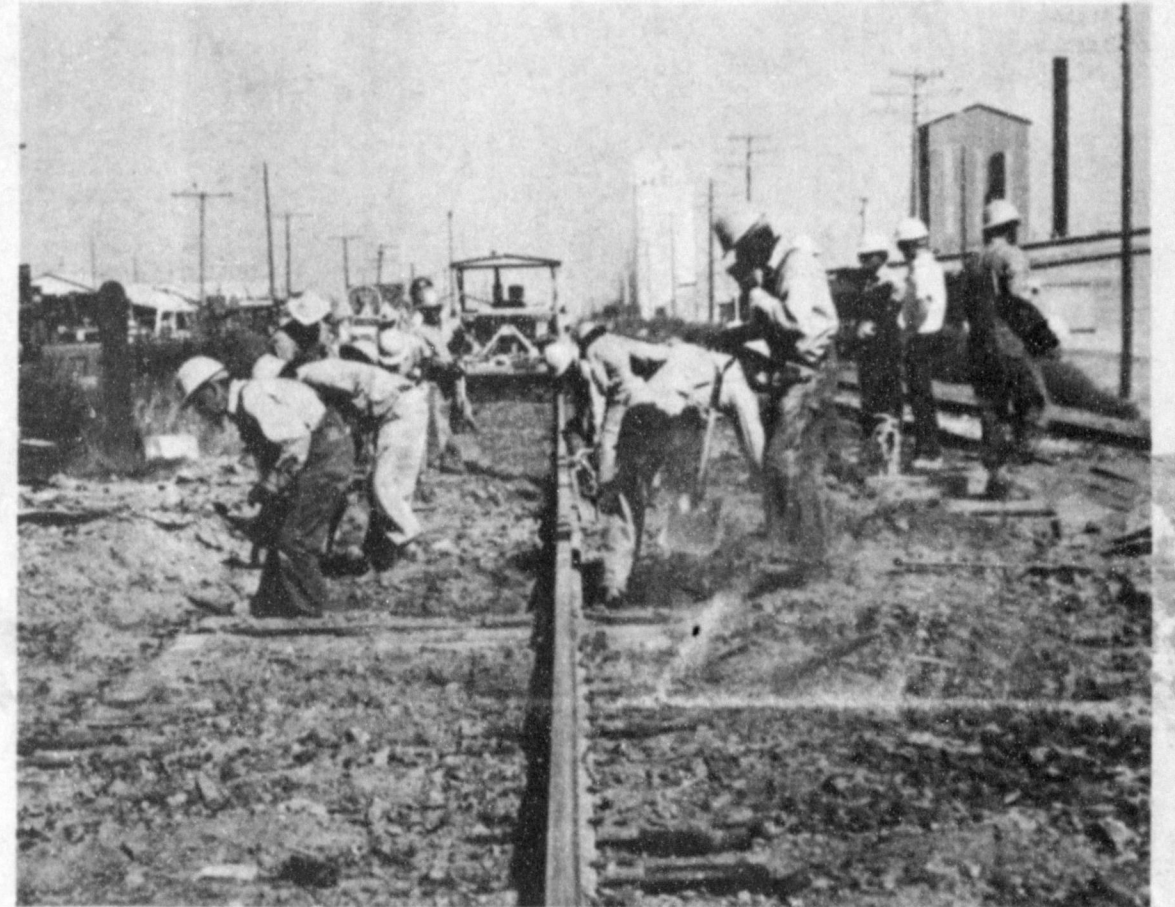

School Begins Soon; Students To Register

Monday, September 1, is the first full day of school for the 1969-70 school term in Muleshoe. Buses will run on that day.

Registration for junior and senior high school students will be held August 21-22 at the respective schools.

Elementary school registration will be held at both schools from 8:45 a.m. to 12 noon on August 28.

A workshop for new teachers will be held on August 25 and workshops for all teachers will be held August 26-29. Cont. on Page 2, Col. 6

I'VE BEEN WORKING ON THE RAILROAD--So goes the song, and so goes the work going on in the Muleshoe area. Buster Smith, Lubbock, who is acting foreman of the railroad work being done in the area, said they are replacing ties and one new rail at each crossing from Texico east. He said they replace about 300-700 ties a day and work advances approximately one-half mile a day. Some of the workers have been brought in to the area and some are local residents.

Season Tickets For Football Go on Sale

People who held reserve tickets for the Football Season last year may pick up their options on these tickets at Damron Drug Store, starting Friday, August 22, and ending Friday, September 5, - 5:00 p.m.

Beginning Saturday, September 6, all remaining tickets will go on sale, on a first come, first served basis.

The cost of Season Reserved Football Tickets for the five Home Games is \$10.00.

Large Schedule Placards, with a place to record scores, may be picked up at Damron Drug, School Business Office, or at the High School Athletic Office.

The Athletic Department hopes that all businesses will pick up the FREE Schedule Placards and then buy season tickets with the \$10.00 that they ordinarily buy advertising for commercial football schedule placards.

Parks, Leases, Construction Are Discussed

At the Tuesday morning meeting of the Muleshoe City Council several items were discussed during the meeting.

The Muleshoe Park Board applied to the council for the construction of a basketball court at the existing city park. The council voted to construct the court.

A request was received from the VFW to lease the office at the airport for a meeting place. It was recommended that City

Junior High Registration Outlined

Principal Fred Mardis of Muleshoe Junior High School said school registration will be held Thursday and Friday for the sixth, seventh and eighth grade students.

Eighth graders will register from 8 to 12 a.m. on Thursday, August 21; seventh, 1 to 4 p.m. on Thursday, August 21 and sixth grade, 8 to 12 a.m. on Friday, August 22.

Annual supplements will be passed out during registration to those students who purchased annuals. Students who purchased annuals in junior high and now are in the ninth grade will pick up their supplements at high school when they register, said Mardis.

This year's seventh and eighth graders are to pick up their supplements at the time of registration.

Mardis said that students can purchase school insurance and pay fees and class dues also during registration. Insurance will be \$18 for 24-Hour Protection. Cont. on Page 2, Col. 3

Problem in Swine Production-PSE Pork

COLLEGE STATION -- A relatively new problem in swine production, pale, soft, exudative pork (PSE), or pale watery pork, has been found in Texas A&M University studies to be associated with fast-gaining, meat-type hogs.

Dr. G.T. King of the A&M Animal Science Department said the purpose of the research was to determine causes and physical and chemical traits responsible for PSE pork.

Several factors appeared to affect the condition, he explained. One of these was sex. Of the 117 carcasses evaluated in the project, barrows generally had a better loin score than did gilts.

In breed effect, Durocs and Yorkshires scored highest in loin color.

Overall, the faster gaining and more efficient pigs produced the most PSE pork, cont. on Page 2, Col. 5

Muleshoe Fine Arts Boosters Set First Meet

Muleshoe's Fine Arts Boosters Club will hold their first meeting of the 1969-70 school year on Monday, August 25.

President E.T. Ford emphasizes that the Fine Arts Boosters are not restricted to band. It is a five-way booster club, and includes band, art, speech, drama and choir. He said all parents of all students in these departments are encouraged to attend the meetings, as are all people interested in Fine Arts.

The first meeting will feature an ice cream supper at the conclusion of the meeting under direction of Mrs. Kenneth Pre-
cure.

Diez y Seis Celebration Slated Soon

Six young ladies are vying for the queen of the Diez y Seis de Septiembre celebration which will be held in the middle of September at the Catholic Youth Center.

To be chosen by votes, which cost one cent a vote, is one of the six contestants, including: Maria Del Carmen Pena, Esther Elizabeth Ybarra, Mary Lou Baca, Mary Ann Garcia, Adele DeLeon Flores, and Rose Flores.

The celebration is a celebration of Mexican Independence Day. It began when Father Miguel Hidalgo y Castillo began a revolution at the town of Dolores in Old Mexico. The cry of 'El Grito' began the revolution which ended with Mexican Independence.

One of the young ladies will be crowned at a dance and fiesta which will be held around September 14.

Gene Kistler, Huntington Beach, Calif., flew in last Friday for a weeks visit with his mother, Mrs. Lula Kistler, and other relatives and friends. A visitor in Mrs. Kistler's home over the weekend was her grandson, Johnny Kistler, Lubbock.

Father Robert O'Leary of the Immaculate Conception of Mary Catholic Church, is in Chicago for a vacation at his home. During his absence, Father Robert Hammond of Tucumcari is acting priest at the church.

Father O'Leary will return to Muleshoe the first of September.

Budget...

Cont. from Page 1

"We do not feel that this budget will meet the educational needs of this community. However, the budget has been made in an attempt to provide the best possible educational program within the available resources." "The proposed budget provides for an average base increase on the teachers salary schedule of approximately \$600," continued the school board spokesman. "The increase varies from \$522 to \$1000 depending on the degree held, years of experience, and number of months employed. This was the result of the new State minimum schedule passed by the 69th Legislature."

They continued, "The average per pupil cost will be approximately \$580, based on the total of the first eight categories of the official budget divided by the estimated average daily attendance of 1825. The average per pupil cost last year, 1968-69, was approximately \$512. The national average for per pupil cost during 1968-69 was \$516."

Also approved during the meeting was a raise for substitute teachers from \$12 to \$15 per day.

James Glaze reported to the board that there was a 15 percent increase in the insurance rates of the buildings and equipment due to an increase in building costs and an increase in premium rates.

Carolyn Willoughby resigned as Girls physical education teacher for junior high school and Kathleen Francis resigned as sixth grade English teacher in junior high.

Several new teachers were hired, including: Ben Ingham,

fifth, Mary De Shazo. He comes from Amarillo, is a graduate of Amarillo High School and is in the process of completing his bachelor's degree at West Texas State University.

Mrs. Ben Ingham, first grade, Richland Hills. She is a graduate of Crowell High School and is also in the process of completing her requirements for a bachelor's degree at WTSU.

Mrs. Christina Campbell, girl's physical education teacher at junior high school. She holds a bachelor's degree from Texas Technological College. She is from San Antonio.

Patsy Sue Brown, math in junior high school. She holds a bachelor degree from Tech and has four years teaching experience. She is moving from Plainview.

Keith Taylor, industrial arts, Muleshoe High School. He holds a bachelor degree from WTSU and is from Hereford.

Mrs. Curby (Mary Janice) Brantley, secretary to Principal Bill Taylor at Mary De Shazo. She is a graduate of Muleshoe High School.

It was reported that 95.13 percent of all current taxes have been collected for a total of \$556,591.52.

pared to slower gaining and less efficient pigs. It was also noted as the age of the animal increased, the amount of PSE pork produced decreased.

And finally, King and his associates, Dr. Z.L. Carpenter and W.B. Tuley, found that rapid environmental temperature changes brought on higher incidences of pale, watery pork.

PSE pork, King said, has less eye appeal for consumers, and could cause a merchandising problem.

Funeral services are being held today, Thursday, August 21, at 11 a.m. in the Mount Olive Baptist Church in Littlefield, with burial to follow Friday at 1 p.m. in the Calvert, (Tex) Cemetery. Arrangements are under the direction of McCarty Funeral Home of Littlefield.

Survivors include his wife, Gay Letha, and five children, all of Sudan.

School...

Cont. from Page 1

Three Way School will begin the 1969-70 school year on Tuesday, September 2, according to Dan F. Rankin Sr., Superintendent.

This will be a full school day and all students should come prepared to spend a full day in school, said Rankin. Lunch will be served as usual on this day. Student lunches will be served for 40 cents per meal.

Lazbuddie School will begin on Monday, August 25, according to an announcement by Sam Barnes. This will be the first full day of school.

Students will register on Friday, August 22. Registration for the Bula schools will be held on Friday, August 29 at the school, said Superintendent Marion McDaniel.

Bula Schools will hold their first full day of school for 1969-70 on September 1.

GSPA to Name New Board In October

Nominations to the Grain Sorghum Producers Board are being accepted by the Grain Sorghum Producers Association, 1212, 14th Street, Lubbock. vital to grain sorghum production. Elbert Harp, GSPA executive director, said, "Any grain sorghum farmer in the referendum area may have his name on the ballot by submitting his nomination signed by himself and ten other grain farmers to the association office by September 4, 1969." The election of this board will be held on the same ballot which the grain farmers decide whether or not they want to expand their market development and research program. Members of this board will not receive pay for their services.

Upon approval of the referendum and election of this commodity board, five cents per ton will be collected at the point of first sale of grain sorghum within a 29 county area of the High Plains and Panhandle. It is a voluntary program and anyone not wanting to support it may request his money back and it will be refunded promptly without any questions asked, commented Harp.

Ava Jo Harrell, Mr. McCullough Wed

Miss Ava Jo Harrell, of Slaton and a former student in Muleshoe schools, exchanged wedding vows with Lloyd David McCullough August 17 in Westview Baptist Church, Slaton. She is the daughter of Mr. and Mrs. W.O. Harrell, now residing in Slaton and the groom is the son of Mr. and Mrs. L.D. McCullough of Slaton.

Miss Cheryl Keese was maid of honor; bridesmatron of honor was her sister, Mrs. Don Williams of Hawaii; and Miss Brenda Harrell was bridesmaid. Other attendants were Doyle Ethridge, best man, groomsmen Ronnie Rogers and Baxter Coffee; ushers, Bobby Brake and Gary McCullough; candlelighters Debbie Douglas and Geron Stricklin; flower girl, Tambara McCullough and ringbearer Tony McCullough.

DATE SET.....Mr. and Mrs. A.H. Frazier of Midland announce the approaching marriage of their daughter, Marilyn Sue, to Tommy Donaldson, son of Mr. and Mrs. H.R. Donaldson of Slaton. The ceremony will be solemnized in the chapel of First Baptist Church of Slaton Friday, August 22 at 8:00 p.m. Miss Frazier is a 1966 graduate of Big Spring high school. Donaldson is a 1967 graduate of Slaton high school and both he and Miss Frazier have attended West Texas State University the past two years.

Gina Angeley Celebrates Seventh Birthday

Gina Angeley, daughter of Mr. and Mrs. Ken Angeley, was honored Sunday evening on her seventh birthday with a wiener roast at Horseshoe Bend. Attending were her parents and her brothers Michael and Ronnie; her great grandmother, Mrs. Jewel Crow; her grandmother, Mrs. E.K. Angeley; Mr. and Mrs. Robert Hunt and

family; Mr. and Mrs. Jearl James and family; Mr. and Mrs. Ike Wilcox and family; Mr. and Mrs. John Hodnett and family; Mr. and Mrs. Richard Hawkins and family; Mr. and Mrs. Wayne Peterson and family. Homemade ice cream and cake was served after Gina opened her gifts. A pink and blue shower in the E.K. Angeley home Saturday from 9:30 to 11:00 a.m. honored Mrs. Stephen Mallory (the former Kathy West). Hostesses for the occasion were Miss Carolyn Allison, Mrs. Paul Swint and Mrs. Jimmy Cheek. Mr. E.K. Angeley, a lifetime friend of Kathy's, registered the

Charles Smiths Visit Texas Points

Mr. and Mrs. Charles Smith and two sons left August 12 for Lone Star, near Paris, where they attended a family reunion and homecoming. Mrs. Smith explained it used to be called a 'cemetery working' but now a collection is taken among the family members and it is called a 'homecoming'. The Smiths found visiting in that area much more pleasant than in earlier years—the homes are modernized and air conditioned and the whole country is pastured rather than in cultivated fields. They also visited relatives in Megargal, visited friends in Greenville and with relatives in Austin and Abilene. They toured the capitol and sights at San Marcos, returning to Muleshoe Monday. "The best part of all", Mrs. Smith said,

Trinity WMU Begins Year's Work

Women's Missionary Union of Trinity Baptist Church met Tuesday morning to hear Mrs. John Agee of Lubbock discuss the 1969-70 WMU yearbook. She explained the duties of each office of WMU. Mrs. Whitt Barber, the newly elected president, pre-

sided over the meeting. The secretary - treasurer, Mrs. Marvin R. Lewis, had also been previously elected.

Elected at Tuesday's meeting were Mrs. R.G. Bennett III, director; Mrs. John Harris, mission action chairman; and Mrs. Bert Gordon, study chairman.

guests, a pleasure he requested, he said, because he had not been privileged to have a part in her wedding festivities. Mrs. Cheek and Miss Allison presided at the serving table, which was covered with a white cutwork linen cloth over pastel blue and decorated with a pink-and-blue floral arrangement in a small blue pot. More Mule shoe Wanderings

Mr. and Mrs. Sam Fox flew July 24 from Lubbock with Ike and Troy Wilkerson, former Muleshoe residents, to Germany to visit the Wilkerson's son, the Jimmy Wilkerson family. Betty Wilkerson is the daughter of the J.C. Shanks of Muleshoe.

They thought it a coincidence that they left the day of the astronauts splashdown and returned the day they left quarantine, so felt very close to them. The four left Chicago at 5:30 p.m. and arrived at Frankfurt at 10:00 a.m. the next day where they were met by Jim and Betty and their daughters, Laurie and Lisa. They were driven to Friedberg, the very old town dating to 89 A.D. where careerman Wilkerson is stationed.

Jim Wilkerson is a pilot for the U.S. Army and has recently been awarded the Purple Heart and two medals for action over Vietnam. He is at an airport leased from the German people and flies planes of several kinds.

Before making the trip Mrs. Fox had written Betty Wilkerson that she "would like to see some of the museums and art galleries, but mainly was interested in being with the German people", so that is the sort of vacation the Wilkersons planned for them. They took short tours out from Friedberg the first five days there, concentrating on old castles since that is a hobby of Jimmy Wilkerson. (As he flies over the land he observes old castles and makes plans for later visits to those spots.) Friedberg itself has an old castle which was used in the filming of "Snow White and the Seven Dwarfs."

Because of the wish to be where the people are, the Foxes were quartered in a small hotel with a room fronting on the main street where they did as everyone else in Germany does, leaned out the window and watched the people pass. A bar was directly across the street and it was noisy. One Saturday morning they were awakened quite early before daylight by the noise of farmers building stalls for their vegetable and flower markets. This is done each Saturday and operates until 12:00 when everything closes down until 2:00 p.m. It is not called a time for sleeping but no one is to be found in the shops or on the streets during these hours. Absolutely everyone in Germany has flower boxes outside the windows and one does not need a special occasion to use flowers in the home. After several days of taking short trips the group rented a 9-place Volkswagen and were gone five days touring scenic routes. The Autobahn was carefully avoided. They drove through the Alps, Swiss, Austrian and Bavarian, and though the Austrian Alps the loveliest of all. Mrs. Fox said one cannot compare countries with mountains and of the countries they visited, they liked Scotland the best, that her husband thought Edinburgh a most beautiful city. Switzerland was filled with tourists and due to hot weather, snow slides were common. They spent some time at Oberammergau, where the Passion Play originated and where the hobby of wood carving during snowbound winters has developed into a world famous industry. Mrs. Fox said silver craftsmen here are also very skilled and she chose this for a souvenir of the place. They enjoyed a trip down the Rhine River, though they made the trip by car instead of boat "because we missed the boat". All of the trips they made, the hotel where they stayed, places where they ate and everything possible was chosen

for the almost complete lack of the spoken English, which they felt made their trip so much more colorful and interesting. Occasionally they were surprised to find themselves talking sign language to someone who responded in perfect English and explained she is the wife of an American soldier there. While on this five day tour they visited Austria, Bavaria Switzerland and to the edge of France. At the end of this period Mr. and Mrs. Fox left the others and went to London for two days, and on to Scotland, Belgium and Holland. England seemed a very poor country to them in comparison to other countries visited and not built back from World War I and II as is Germany. They enjoyed touring Windsor Castle. The grass in England grows so easily and almost without care, it seems, and people use it for walking on. One unpleasant sight was the many beatniks, from high school age to college, almost all carrying flight bags and sleeping bags. In Holland they saw the Rembrandt Museum which Fox said he "did not intend to enjoy", but could hardly be pulled away from.

In driving through the countryside they observed an old man and woman harnessed to a two wheel cart who posed for a picture. They saw many women in Germany sweeping the streets. An amusing sight was the many houses with boarded up windows, this because the taxes are based on the number of windows a house has. The forests in Germany were surprisingly clean and sunlight

can be seen through the trees. No underbrush is allowed to grow and for every tree felled one is planted. Walking in the forests is a Sunday pastime and whole families enjoy it regularly. Mrs. Fox said they are so lovely she wished to paint them.

Among the 'special things' they saw were the birthplaces of John Wesley and his wife Susannah in London, and Worms, Germany where Martin Luther broke with the Catholic Church. Worms was only slightly damaged during the War. Chimney sweeps were still a common sight in Germany, much to their surprise.

Farrell Reunion Set For Sunday

A reunion of the Claude R. Farrell family is planned for Sunday, August 24, with the noon meal to be served in Fellowship Hall of First United Methodist Church.

Attending will be Bishop and Mrs. McFerrin Stowe and daughter, Martha, from Topeka, Kansas; Mr. and Mrs. George Coleman of Phoenix, Ariz.; Rev. and Mrs. James Carter and daughters of Tulsa; Mr. and Mrs. Alvin Farrell of Lubbock; Mr. and Mrs. Willis Farrell and two children of Slaton; Mr. and Mrs. Arlo Farrell and family of San Antonio; Mrs. J.C. Buchanan of Morton; and a niece, Miss Lois Farrell of Chicago. Mr. and Mrs. Pat Bobo and Mr. and Mrs. Farrell of Muleshoe.

Square Thru News

BY GAIL WILCOX

The Square Thru's were well represented at the "Big Dance" in Ruidoso August 9-10. Our Club had more dancers than any club attending. We squared up for three different sessions. Mr. and Mrs. George Cooper of Clovis are in charge of this Convention and recruit callers for this every year. Mrs. Cooper told me this was the biggest year yet, with 77 squares on the floor for a total of 616 square dancers. Don Franklin, with his yodeling and singing calls impressed our group more than anyone, although Byrl Maine and Melton Luttrell were favorites too. Everyone had the time of their lives and are talking of attending the convention next year. Cooper said Maine and Luttrell will call next year, and he hopes Jerry Haag will fill the other spot.

Saturday evening we of the Muleshoe group had a picnic at our cabins, then back to the Chapparral for the night session. Mrs. Sherman Sweetmon and the Presley children, Sherman and Melinda, were among the spectators.

Monday night, August 11 the Square Thru's held their regular club dance. Every one of the members turned out for this, along with 16 visitors from the Merry Mixers Club of Lubbock. They brought along their caller, Joe Greer. The Merry Mixers came after our banner and to retrieve theirs. Because our banner was in Portales, they took our caller's shirt, with the promise to sew red lace on it. Eddie Gunnels, our caller, put us through some of the new things we learned at the Convention. When Eddie got things wound up we really had a lively

bunch. The Square Thru's are noted for their friendliness and liveliness. We have heard rumors some of the Clovis club members are thinking of joining our club.

Refreshments were served by Mr. and Mrs. Arnold Prater and Mr. and Mrs. Willie James to the following members: Mr. and Mrs. Jimmy Presley, Mr. and Mrs. Henry Stoneham, Mr. and Mrs. Curby Brantley, Mr. and Mrs. Monty Dollar, Mr. and Mrs. Hilbert Wisian, Mr. and Mrs. Robert Hunt, Mr. and Mrs. Don Seales, Mr. and Mrs. Ike Wilcox, Mr. and Mrs. Eddie Gunnels and John McDonald. Club members' children enjoyed playing among themselves during the dance.

Johnny Mac, as John McDonald is known to everyone, was made an honorary member of our club. Also, Fun Badges were earned by going to Ruidoso, with some of our Lubbock guests joining our Donkey Fun Badge Club. The Hilbert Wisians, the Ben Romings, the Eugene Shaws and Liz Seales from our club joining the Donkey Club also.

Lessons were held August 12 at the American Legion Hall, with Eddie in charge. This is lesson number three. The next lesson was August 18 and after this date no more dancers can be enrolled in this class. These students really set us back on our heels by doing so well. They have moved faster through these square dance steps than any students I have ever seen. Some have had a little of the basics at 4-H camp.

Mrs. Harold Cowan and Mrs. Benny Pena served punch and cookies to Mike Wisian, Sheila Hunt, Tim Wheeler, Benetta Roming, Sherman Presley, Ste-

phanie Brantley, Terry Wheeler, Karen Stovall, Jo Roming, Tracy Cowan, Kim Bock, Kim Cowan, Terry Gunter, Kathy Pena, Gayland Bock, Jana Bruns and Jennifer Estes, also Mr. and Mrs. George Wheeler and Mr. and Mrs. Ronnie Ethridge.

Members helping with these lessons are the Ike Wilcoxes, the Jimmy Presleys, the Robert Hunts, the Hilbert Wisians, the Curby Brantleys, Jimmy Littleton, Rick and Sheila Wilcox, also the Ben Romings. Mr. and Mrs. Henry Stoneham, Mr. and Mrs. Don Seales and Liz attended the graduation ceremonies of the Portales Star Dusters August 14. The Star Dusters served a chicken supper. A fine time was had by those going. Becky reports the supper was excellent and there was so much food the Star Dusters really outdid themselves.

In Fashion

The hat has certainly come back into its own for the well dressed woman on formal daytime occasions. A few years ago, in the day of beehive hairdos—millions had a bad time, as it seemed more stylish to go hatless than to wear one. But that time has passed and today we see a variety of chapeaus worn by well-dressed women.

Scarfs continue their popularity and are worn in many different ways. The long scarf around the throat may be of silk or wool. It may be a knit of solid color with knee length ends or a silk print tied around the back of a pony tail.

Celebrate Birthdays

Three residents of Muleshoe Nursing Home were honored Tuesday afternoon with a birthday party in the dining hall of the Home. They were Mrs. Elizabeth Morrow, Grady Hall, and Mrs. Fannie Sain.

Mary-Martha Circle of First United Methodist Church hosted the party. Assisting in hostilities were Mrs. Mervin Wilttering, Mrs. W.D. Moore and Mrs. R.O. Gregory.

Entertainment was furnished by Miss Lana Moore and Miss Beverly Evins who sang old and familiar hymns. They were accompanied at the piano by Miss Linda Middlebrooks. Cookies, ice cream bars and punch were served.

Legion Ladies Elect

The newly formed Ladies' Auxiliary of Ben Richardson Post 403 of the American Legion held their first meeting Monday night at the Legion Hall. Officers for the year were chosen at the meeting. Named President was Polly Otwell; Mary Edmiston, vice-president; Clea Williams, secretary-treasurer; Ella Graves, chaplain; Willie Mae Walker,

historian and Opal Moton, sergeant at arms.

Two new members were added at the first meeting; Opal Martin and Clara Lou Jones. It was decided to hold one meeting a month, on the first Monday night of the month. Several possible future projects were discussed before the conclusion of the first meeting.

School Administrators Attend Migrant Workshop

Sixty persons registered for the Administrators' Migrant Workshop held August 14-15 at Parkway Holiday Inn in Lubbock.

Dr. O.R. Douglas, executive director, welcomed the group, which included Muleshoe Superintendent Neal Dillman, Jr. High Principal Fred Mardis, Richland Hills Principal Milton Oyler, Mary DeShazo Principal Bill Taylor and Mrs. Elizabeth Watson, curriculum director. "The Role of Administrator in the Education of Migrant Children" was the topic of E.F. Messick, superintendent of

Dexter, N.M. schools. "Programs that Provide Meaningful Experiences for Migrant Children" was discussed by Naomi Hopson, program director of Hereford.

W.H. Zamorano, Chief Consultant, discussed "Culture" and Oral Language Demonstration" was the topic of Education Service Center Migrant Staff personnel.

"Selecting and Coordinating Personnel in Migrant Programs" was the topic of E.P. Messick of Dexter, N.M., followed by a panel discussion on Coordination of Activities and

Make up

Make-up is softer, more natural in appearance. Skin tones are warm, glowing with a transparent sheen. There is none of the hard prettiness that heavy eye liners accent in the past. Eyes are velvet soft. Lips are soft and generous, too, taking on a special dimension of depth with see-through colors.

Special Session To Adopt Tax Bill

AUSTIN, Tex.—Legislature is roaring through the final full week of a called special session with accomplishment of its major goals -- adoption of a budget and a tax bill--in sight.

Senate scored a major breakthrough on its tax bill after a four hour floor debate and days of gloomy predictions of a deadlock.

Here are how tax bills passed by the House and Senate stacked up, pending conference committee adjustment:

SENATE--An increase in the sales tax rate from three to 3.25 per cent with the levy extended to beer-liquor and telephone-telegram services; four cents a pack increase in the cigarette tax, from 11 cents to 15 cents; 50-cent raise in corporation franchise tax rate (to \$3.25 per \$1,000) with a base for computing the tax expanded to include 25 per cent of out-of-state sales; boost in the natural gas production tax from seven to eight per cent and addition of a new documentary stamp tax on land transfers of \$500 value or 50 cents per document.

HOUSE--An increase in the sales tax rate to 3.5 per cent;

a new services tax of the same amount on telephone and telegraph, professional entertainment, auto, appliance and jewelry repairs, parking, laundry and dry cleaning; a five cents a pack raise in the cigarette tax and a 10-cent transactions levy on sale or purchase of stocks and other securities.

Total yield of the House bill was calculated at about \$325 million. Senate bill originally was figured at \$360 million, but a delay in its effective date may reduce the take sharply. Senate bill would share with those cities levying a local option sales tax the new income from tax on telephone and telegraph and alcoholic beverages. House bill did not propose such sharing from services levy.

Differences in the \$1.2 billion Senate and \$1.1 billion House general revenue budgets also are being hastily adjusted.

WELFARE BENEFITS TO RISE

Proving that what comes down eventually will go up, state welfare benefits will increase September 1.

Aid to Families with Dependent Children (AFDC) sharply reduced May 1 due to fund

shortages, will rise at least 50 per cent.

Maximum grants to the aged also will increase from \$110 to \$125 a month. Aid to the disabled maximums will go up from \$84 to \$100 and aid to the blind from \$96 to \$110.

Increases were made possible by voters' August 5 adoption of the constitutional amendment to raise the welfare spending ceiling from \$60 million to \$80 million a year.

Public Welfare Board authorized an increase in AFDC to 75 per cent of budgeted family needs. AFDC checks were reduced May 1 to 50 per cent of budgeted needs.

New level of assistance will represent a 30 per cent increase over the average AFDC grant as of Jan. 2, 1968, effective date of a federal requirement that by last July 1 amounts used to determine needs in the AFDC program must reflect regular cost-of-living increases.

PRIVATE CLUB RULES STAND

An Austin district court has refused to block Texas Liquor Control Board from enforcing new rules for private clubs effective September 1.

Club operators asked the Board for a delay pending their appeal, but the Board said its rules appear clear enough and will be enforced pending an adverse court order.

Primarily at issue are sections of the rules which would require that club guests be personally introduced by a regular club member or accompanied by a member and that bills incurred be sent to and paid by a member. Latter would tax cash sales by clubs.

LCB member Joe Burkett Jr., of Kerrville told complaining club operators they may be needlessly "gun-shy". Agency, said Burkett, is not interested in making unwarranted arrests and prefers a "warning system" to a "complaint system."

"The Board has no desire to be punitive," said Chairman Tom Gordon of Abilene. "But it is our duty to enforce the Texas liquor control law, and that is precisely what we intend to do."

APPOINTMENTS

Gov. Preston Smith named Joe Frazier Brown of San Antonio as executive director of Criminal Justice Council in his office. Council met last week to consider \$1.1 million in action grants to implement the state's war on crime.

Smith appointed to the new Polygraph (lie detector) Examiners Board San Antonio Police Sgt. Gene Ralph Danish; Hyden Allen Albert of Austin, supervisor of Texas Department of Public Safety polygraph section; Bobby Harvel Musser of Houston; James Davidson Williams of Dallas; William Dodge Starcher of Lubbock and Dee Estes Wheeler of Fort Worth.

Dr. Billy R. Walker, Ph.D., of Abilene was named Saturday as superintendent of San Angelo Center for Mentally Ill and Mentally Retarded. He has been assistant superintendent of Abilene named Saturday as superintendent of San Angelo Center for Mentally Ill and Mentally Retarded. He has been assistant superintendent of Abilene State School since 1967.

DPS promoted to Texas Ranger captains Sgt. Bill Wilson of Austin and Sgt. J.F. (Pete) Rogers of Houston. Wilson will command Company B in Dallas

and Rogers Company C in Lubbock.

ATTORNEY GENERAL RULES

State Board of Insurance can consider insurance company investment income in setting auto coverage premium rates, Atty. Gen. Crawford Martin was held in a new opinion. But Martin said he could offer no advice as to whether the Board should take investments into consideration in rate making.

In other recent opinions, Martin held that:

New theft-of-fish law may be enforced by Parks and Wildlife Department officers if the offense is committed in their presence of view and fish taken from the fish farm have value in excess of \$200. Otherwise, enforcement lies with regular peace officers.

Dimmitt Feed Yards Inc., a custom cattle feeding lot, is not obligated to furnish to county tax assessor a list of the names of those owning cattle located within its confines on January 1.

creating a legislative-citizens study committee to take a full look at the Texas Water Plan, now that the voters refused to approve the \$3.5 billion state bond issue to help finance the 50-year water program.

Committee would be composed of three private citizens, three senators and three representatives. They would investigate other possible ways of financing the state water plan. Opponents of the bond issue raised the question that the effect of 67 reservoirs and two large canals on the ecology of the state had not been given enough consideration by the Texas Water Development Board. Committee would hold hearings over on that.

Recommendations would be made to the Legislature in 1971, thus making it possible for a new election to be held that year or in 1972 on a finance plan.

MORE ON DDT

Although the Department of Agriculture has temporarily banned the use of DDT in its own operations, it has stated that no evidence has been found that the pesticide is unsafe. To ban DDT permanently the department would have to find that it is either ineffective or unsafe--reports show no evidence of either.

Navy Offers NROTC Training To High School Grads

Although it is presently only midsummer, for many students their senior year of high school is fast approaching. College plans have already been established by some of the students, but many others remain undecided about their pursuits upon graduation. College plans should begin early, and no male high school senior should overlook consideration of one of the Navy's finest college training officer candidate programs--the Regular Naval Reserve Officers Training Corps (NROTC) -- in deciding upon his college plans.

The Regular NROTC is a program designed to train career officers for the Navy and Marine Corps. The program includes payment by the Navy of tuition, educational fees, textbooks, uniforms, and provides a \$50 monthly subsistence allowance to its members for four years. Selected candidates are enlisted in the U.S. Naval Reserve and are appointed midshipmen upon enrollment in college. The college majors which a candidate may undertake are many, and only a few nontechnical professional majors are prohibited. During the summers between college years, midshipmen participate in at-sea training periods which provide practical experience in naval operations and from which they receive many varied and rewarding experiences. Upon graduation, midshipmen may be

commissioned as Ensigns in the U.S. Navy, or as Second Lieutenants in the U.S. Marine Corps.

PCG Recommends Eight FCIC Changes

Plains Cotton Growers, Inc., Lubbock, is recommending eight specific changes in the Federal Crop Insurance program which the 25-county organization's directors believe will make the program more useful to high Plains cotton producers.

The recommendations were sent to the Federal Crop Insurance Corporation by PCG President L.D. (Don) Anderson of Crosbyton following a recent PCG Board meeting at which directors voted to "make all possible efforts to get improvements in the Federal Crop Insurance program."

Discussion at the meeting was to the effect that changes in the program are badly needed, with some directors stating it should be either improved or "done away with."

Similar action was taken earlier this year, though without specific recommendations, by the Producer Steering Committee of the National Cotton Council, indicating that dissatisfaction with Federal Crop Insurance is not confined to the High Plains.

Anderson's letter to the FCIC outlined the following suggestions.

(1) Insurance coverage should be increased to cover the increased investment made necessary by rising costs.

(2) The percentage of benefits available to growers on cotton lost during the "first or second stage" needs to be

raised; (PCG contends the present schedule of benefits fail to reflect the high percentage of production cost that is incurred before the crop reaches a stand.)

(3) Dryland cotton should be included in the FCIC program;

(4) Personnel should be provided who can prevent costly delays in obtaining clearance to replant substitute crops and to otherwise adequately service policyholders;

(5) Loss payment regulations should be rewritten to more closely fit available replant options;

(6) Requirements for proving losses on cotton damaged by weather but not replanted should be made less complicated, as should the procedure for cancelling Federal Crop Insurance;

(7) Producers and/or their commodity organizations should be consulted on program changes made or contemplated, and

(8) People actually engaged in the growing of crops should be included among the directors or at least the advisors of FCIC.

The current cotton program, with price support payments and acreage diversion payments made on "projected" as opposed to actual yield, has provided farmers with a certain amount of insurance. But Anderson points out that there is a strong possibility that this feature of the present program may soon be phased down or eliminated.

"And if that happens producers will sorely need an effective, workable program of crop insurance which will keep them going through years when disaster strikes," he said.

The six-member Texas Association of Cotton Producer Organizations, meeting in Dallas August 13, adopted resolutions creating a Texas Insect Control Steering Committee, opposing a blanket repeal of the seven percent investment tax credit, and reaffirming its position favoring a modified extension of the current cotton pro-

gram for years beyond 1970.

The insect control committee, according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. and Secretary-Treasurer of TACPO, will investigate the feasibility of a coordinated, state-wide control program for the cotton boll weevil and possibly for other cotton pests.

Both the Rolling Plains and South Texas areas of the state have already investigated some form of coordinated weevil control based on the success of the diapause control program practiced on the eastern edge of the High Plains since 1964.

Johnson said "If such a program covering the entire state were found to be practical it would be more effective than the measures now being used. And it is the purpose of this committee to investigate that possibility."

Named to the committee were Bob Heard, Executive Vice President of the South Texas Cotton and Grain Association, Chairman; Ed Dean, Director of Field Services for Plains Cotton Growers; Charles Bragg, Executive Vice President of Rolling Plains Cotton Growers; Dan Pustejovsky, President of Blacklands Cotton and Grain, and J.B. Kirkin, Executive Vice President of the Trans-Pecos Cotton Association.

On the investment tax credit repeal measure, adopted by the House and soon to be up for Senate consideration, Johnson said "It was the feeling of TACPO members that repeal of this tax break for agriculture and small business is something we can ill afford in view of declining prices and rising costs."

The six member organizations pledged to work both individually and collectively for

retention of the investment tax credit for agriculture.

Johnson also reported there was full agreement that with production costs in the cotton industry well above market prices, some form of government help is required if producers are to continue to supply consumers with needed quantities and qualities of cotton.

"And it was the consensus of those present that the present program, with some changes, is the best system yet proposed for bolstering cotton producer income and assuring adequate production," Johnson said.

There is nothing done by the hands of man which sometime or other time does not destroy. -Cicero.

South Plains Night College Begins Soon

LEVELLAND (Special) South Plains Evening College will begin August 27 with registration beginning at 7:30 p.m., Monday, August 25 in the Technical Arts Center. Last day of registration will be Sept. 9. Don Yarbrough is the new director of the SPC Evening College.

The Evening College is available for interested persons in the college district and surrounding areas to gain self-improvement, job training, or college degrees. The Evening College offers college credit courses which lead to an associate degree at South Plains College and will transfer to a senior college.

Other credit and non-credit courses are designed to improve vocational competency; to provide a community service; and to serve business, industry, and the recreational and cultural interests of the individual.

A number of non-credit short courses will be offered during the fall semester including Physical Fitness, Flower Arranging, Poodle Grooming, Tole Painting, Wiglet Styling, Upholstery, Decoupage and Gunsmithing.

TRITICALE SEED

Limited amount, high quality, true to type seed varieties. Now available for fall planting.

These high yielding, good grazing varieties have been tested from Corpus Christi to Dalhart, Texas.

This Costs Texans \$ 2 MILLION A DAY

YOU HELP PAY THE BILL

The way cars are being wrecked and the way folks are being injured and killed in traffic accidents, it looks like this year's Texas traffic toll will top \$800 million. This figures out to be more than \$2 million a day and that is a lot of money!

When you pay for your auto insurance you help pay this bill because most of your insurance rate is for the amount of money insurance companies pay for traffic accidents. Add to this the amount they pay for autos destroyed or damaged by collision, fire, hail, theft and pilferage. Lower these amounts and your insurance costs will go down. Raise these amounts that insurance companies must pay and your auto insurance costs will have to go up. It is as simple as that.

Here are three ways to cut your auto insurance costs.

1. Help reduce the number of Texas traffic accidents. You can do this by driving the very best you can and by insisting that traffic laws are enforced in your town, county, and state. Let your Mayor, County Officials and Governor Smith know that you want all traffic laws enforced.
2. Help cut down on car thefts and vandalism by locking your car and taking the keys whenever you park. Always try to park your car in a safe place.
3. Ask your insurance agent to show you how you can save money on your auto insurance by taking full advantage of the Driver Education, Two Car and other discounts now offered in Texas.

Auto insurance costs will be cut in Texas after accidents and their costs go down. You and other motorists of Texas can bring this about... if you really want to. IT IS UP TO YOU!
