Y-L Methodist Church will host a youth rally for all youth in the area Saturday, September 13 from 3 to 6 p.m.

Young people from grades seven through 12 are invited to attend the rally according to the pastor of the church.

The Y-L Methodist Church is located three miles east, two and one half miles north and one-quarter miles east of Muleshoe

Dallas and Bill Kinard have returned to Muleshoe after attending the funeral of their brother, Sgt. Dixon Kinard, who was recently killed in Vietnam.

Funeral services were held in Fort Worth Monday morning.

Kinard is survived also by his wife and three children.

Rev. Tony Dye, a Methodist Evangelist, will be guest speaker at the Y-L Methodist Church on Sunday, September 14 at the morning service at 11 a.m.

Muleshoe School Superintendent Neal Dillman left Tuesday night for Toronto, Kan.

His sister's husband, Lloyd B. Nickl, died Monday around noon following an illness of about a week.

Burial will be held this morning (Thursday) in Heston, Kan.

Several guests were present at the noon meeting of the Rotary Club, Tuesday.

Guests included Guy Walden, E.H. Milver, Leland Ferris, student guest, Jerry Hutton, Don Harmon and Eddie Faust.

Clinton Kennedy was appointed to fill the post of secretary-treasurer.

Olan Burrows presented the program which was a film of the 4th of July celebration.

The Frank Ellis family visited Sunday in Roswell with Mrs. Ellis' sister and family, Mr. and Mrs. Gordon Molyneux and Greg.

Funeral directors and their families of the Singleton Funeral Homes of Andrews, Seminole, Morton, Denver City, Muleshoe and Resthaven Cemetery in Lubbock attended the annual picnic hosted by Mr. and Mrs. Singleton. This year it was held in Davis Park, Lubbock.

From Muleshoe, attending were Mr. and Mrs. Frank Ellis Dan and Todd and Mr. and Mrs. John Blackwell and Melanie, From Seminole Mr. and Mrs. Roger Pool and children attended.

Mr. and Mrs. Ray Terrill and daughter, Betty Jean, and Mr. and Mrs. Bill Lancaster went to Tucumcari, N.M. Saturday for a fiddling contest.

Mr. and Mrs. Donald Ray Lancaster and family from Artesia competed in the contest and won third place.

Terri Bryant, daughter of Mr. and Mrs. Don Bryant, returned to the University of Texas at Austin Tuesday. She is majoring in pharmaceutical science.

Guy Nickels and Mr. and Mrs. J.A. Nickels were in Lubbock Thursday to be with Bob Nickels of Littlefield who underwent surgery at Methodist Hospital Thursday. Bob Nickels is a brother of Guy Nickels and uncle of Johnny Nickels.

Mr. and Mrs. Harlan Reese returned Thursday from a ten day trip to Riverside, Calif. where they visited with Reese's sister and family. While in California they saw Disneyland and other points of interest.

General rains in the area covering several counties have deposited up to four inches of rain or more during the past several days.

Of grain elevators checked, all elevator operators say that the rains will help grain sorghum mature faster at this stage.

Earth Elevator reported three inches of rain in the past three days and said the grain is not hurt yet, there will be a delay of about a week in grain harvest once the rains stop, but it will help the grain mature faster. They said that as yet, they have not received any grain as it is all irrigated in the area.

The Sudan Elevator reported about two and a half inches of rain in the past three days, and said that several farmers have reported more rain. The elevator operator said he had shipped out about four cars of grain thus far and said as soon as the fields dry up the grain will ripen faster. He said the grain looks fairly good this year, and a higher yield is expected than last year.

At Bovina, Sherry-Anderson Grain Co. said they received .6 Sunday, .2 Monday and .7 Tuesday for a total of an inch and a half of rain. The operator said the rains will help keep the farmers out of the field until the grain has time to mature more. He thought the rains would not affect the late grain sorghum to any extent.

In Muleshoe, officially, .95 inches was reported Monday and Tuesday, with heavy clouds still in the area Wednesday. More rain was in the forecast for the next few days.

Manager B.E. Blair, of the

Cont. on Page 2, Col. 7

Lost Shafts

Archers Met

Tuesday Night

Sherill Rigby of Hale Center, who is District Field Governor of the Texas Field Archery Association was special guest speaker at the regular meeting of the Lost Shafts Archery Club Tuesday night.

He spoke to the members present about ways and means to create and keep interest in archery in the area.

It was announced that a bow hunters clinic will be held in Plainview at the Chamber of Commerce office on Monday, September 8, Wednesday, September 17 and Wednesday, September 24. Each of the three meetings will begin at 8 p.m.

Attending the meeting Tuesday were Bob Solomon and his son, Lance; Allen Berry; Vic Benedict and his son, Mark; Henry Malone and special guest, Sherrill Rigby.

President Solomon said interested persons are invited to attend the meetings which are held on the first Tuesday of each month at the meeting room in West Plains Memorial Hospital, at 8 p.m.

Local Group

Plans High

Plains Tour

A group of interested farmers, agri-businessmen and others will leave the Muleshoe Chamber of Commerce office for the annual tour of the High Plains Research Foundation at Halfway.

The group, according to Bill Wimberly, chairman of the Agri-business committee of the Chamber of Commerce, will leave the C of C office at 1:30 p.m. on Thursday, (today), September 11.

Wimberly urged everyone who has the time and is interested in the tour to be at the Chamber office prior to time to leave.

TO LEAD THE TEAMS, TO SHOW THE SPIRIT--These six young ladies will be leading the cheering section for all varsity games this year at Muleshoe High School. The high-spirited, cooperative girls are from left, back row, Kay Douglass; Karen St. Clair and Ann Douglass; middle row, from left,

Vickie Julian and Janis St. Clair and front, Kathy Mardis. During the regular football season, and during basketball, these will be the girls who will be expected to provide the spirit and leadership for Muleshoe's Mules.

Migrant Preschool Program to be Held

"A free preschool program for children of migrant agricultural workers will be held in both the Mary DeShazo Elementary School and the Richland Hills Elementary School during this year," said Ralph Stevenson, Special Programs Director for Muleshoe schools.

"A free hot lunch and a snack will be served to each child each day he is present in the preschool. Also free school clothing will be furnished to those children enrolled in the program who are in dire need of it. Transportation will be furnished on the regular bus routes

which serve the other students. The rooms are furnished with a variety of educational toys and many activities which the children will enjoy and which will give learning experiences.

"The purpose of the school is not to teach reading readiness, but it is to provide a rich environment for living, thinking and learning in which the child can develop concepts, have experiences needed for learning, and develop ability in the use of oral language. All this should help the child to have success both at the present and in the future," he continued.

Mary DeShazo Elementary School will have two units of the preschool program and Richland Hills Elementary School will have one unit. Each unit will have a full-time qualified teacher and a full-time teacher's aide. Only 20 children will be enrolled in each unit.

To be eligible for enrollment, a child must have reached his fifth birthday on or before September 1, 1969 and must have moved with his parents into the Muleshoe School District since September 1, 1968 in order that a parent or other member of his immediate family might be employed in agriculture or in a related processing activity.

Children will attend the elementary school which they

Cont. on Page 2, Col. 6

Congressman Slates Town Hall Meeting

Congressman Bob Price will be in Muleshoe Friday morning for a town hall type meeting. He will be at the Muleshoe State Bank community room from 9-10:30 a.m.

A question and answer session will follow the Congressman's talk which will be on 'Congress and the Nation.' Price urges all interested citizens to attend the informal meeting.

Lions Club Charter Night At Lazbuddie

The Friona Lions Club played sponsor to a newly formed Lions Club at Lazbuddie. The charter night banquet was held recently with Alton Farr, president of the Friona Club in charge as master of ceremonies.

A total of 22 members were chartered at the banquet which was held at the Lazbuddie School cafeteria. Sam Barnes was installed as president; Ben Foster Jr., vice president; Raymond Treider Jr., second vice president; Murrell Johns, secretary-treasurer; William S. Brown, tail twister and Johnny Tims, lion tamer.

Roy Patterson and Dud Winders were elected to two year terms on the board of directors and Joe C. Moore and Keith Menefee were named for one year.

The other charter members include Freeman Davis, Michael Flankin, Don McDonald, Roy Miller, Valton Morris, Elvis Powell, Max Steinbock, Joe Tarter, Ted Treider, Scooty Windham, Fred Wilbanks and Raymond McGeehee.

Ernest Langley of the Hereford Lions Club was special guest speaker and District Governor Edwin Flood of Amarillo presented the charter. Ed Skypala of Hereford installed the officers.

Duroc Breeder Brings Home National Wins

Carl White, owner of the Registered Duroc herd two miles west and a half mile south of Enoch in Bailey County has just returned from the National Duroc Congress at Columbia, Mo. with an enviable record of winnings. He won several honors in this top Duroc show in the United States.

White won third in a class of 208 open gilts, sixth in a class of 104 pairs of gilts, tenth in the bred gilt class and 17th in a class of 128 Duroc males.

County Agent J.K. Adams said that this proves once again that we need not leave Bailey County to find the state's best.

Muleshoe-Dimmitt To Clash At Home

Muleshoe will be joining approximately 1009 other schools in Texas this year participating in the University Interscholastic League in football. This is the Centennial Year for football in the United States and the Golden Anniversary for high school football under the sponsorship of the UIL.

Not only is this a very special year for football in the United States, it is also a very special year for football in Muleshoe. With a new slate of coaches at Muleshoe High School, the blackboard has been wiped clean and this year the Mules are starting with an all-new outlook on football.

After a so-so showing in a scrimmage at Morton, the Mules, in the words of Athletic Director Fred Hedgecocke, "made 100 percent improvement between the two scrimmages. Ralls had a fairly strong ball team, but our boys looked well improved."

"We all realize that we can't ask them to be superhuman, just do all they can," he continued. "And almost all of these boys have had many kicks in the teeth. They ALL realize the going will be real tough and every young man who has come out to play knew it was going to be tough.

"It's the people who fall, get kicked in the teeth, get up, knocked down and get up again who come out on top," stated the Athletic Director. "And this is the type of boy we have, the type of boy who will be a great man.

"They are all doing 110 percent of what we have asked them to do."

Coach Hedgecocke urged that everyone support the players and the athletic program. He said that Dimmitt has been picked to win district. The boys are real quick he said, and if they ever get one step out they will be hard to stop. The secret will be not to let

Cont. on Page 2, Col. 4

Football Contest Begins This Week

It's that time again! With fall rains beginning, and days and nights beginning to turn cooler, it's football time once again.

And with football, the annual football contest begins. This year, as in past years, Muleshoe merchants, through the Journal will offer weekly prizes for correct guesses on the outcome of football games. At the end of the season, the person who has the most points will be the grand prize winner. Grand prize will be two tickets to the January 1st Cotton Bowl Game in Dallas and expense money.

First prize in the weekly contest is \$5 and second place winner receives \$3, plus becoming eligible for the final grand prize.

Last year's winner was veteran football forecaster, L.D. 'Shorty' Roddam. Many people over the years have sworn that he uses a crystal ball to make his forecasts.

First contest for this year will be in today's (Thursday) issue of the Journal. All contest blanks must be turned in at the Journal office by 5 p.m. Friday prior to the game being played by the Muleshoe team, which always serves as the tie-

Athletic Boosters View Scrimmage Films Monday

President Eddie Beene was in charge Monday night when the Muleshoe Athletic Booster Club met in regular session at the high school cafeteria.

Various items of business were discussed including the advertising selling for the game programs, memberships in the booster club and assigning persons to sell programs at the gates during home games.

It was announced that a bonfire will be held Thursday night just south of the old Purdy Gin on the Lubbock highway.

Following the game, the Muleshoe Athletic Booster Club will serve coffee, hot chocolate and doughnuts at the cafeteria. There will be no charge. It is part of the program to promote higher interest in the athletic program for the schools.

Beginning Monday night, September 15, all meetings will begin at 7:30 p.m. Following a brief business session, a film of the game of the previous Friday night will be shown and the coaches will comment on the game.

breaker. Mail entries will be accepted as long as they are mailed prior to deadline.

Eligibility rules are simple. All contestants must be above the age of 12 years; and only one entry per person may be turned in each week; the deadline rules must be strictly enforced.

Ten points will be given each first place winner and five points go to each second place winner. Total points accumulated will determine the grand prize winner at the end of the season.

De Shazo P-TA Will Host Pre-game Meal

Mary DeShazo P-TA will host the first pre-game supper at the Muleshoe High School Cafeteria for 1969.

The first meal will be a deluxe hamburger, with all the trimmings; French fries with catsup; fruit cobbler, ice tea and coffee.

Time the meal will be served is from 5:30-7:30 p.m. and tickets are \$1.25 each.

Diabetes Tests Auxiliary Sponsored

Muleshoe's Hospital Auxiliary will sponsor a diabetes test clinic at West Plains Memorial Hospital on Thursday, September 11 from 9 a.m. - 4 p.m.

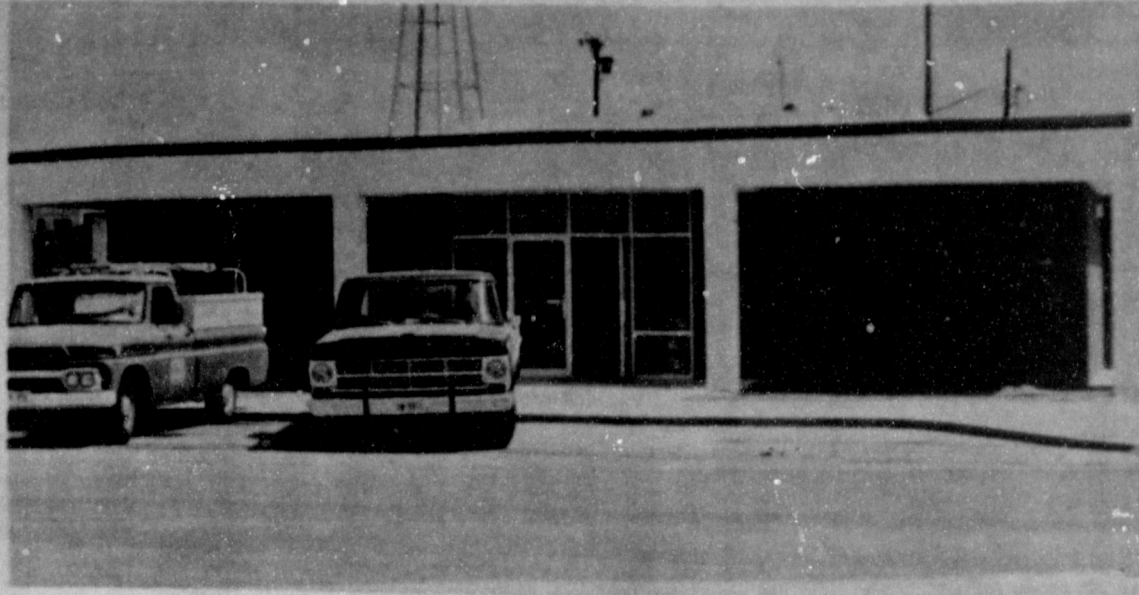

A minimal charge of 25 cents for each test will be made to help defray expenses.

Mrs. Mary Miller, R.N., Public Health Nurse from Lubbock will be in Muleshoe to assist Dr. B.O. McDaniel administer the tests.

When the relatives are 45 years and above, (Close blood relatives are mother, father, brother, sister, grandparents, or daughter); obese persons 45 years and above and parents of large babies (nine pounds and above), when the parents are 45 years and above. She also emphasized that when there is a combination of two or more of the above reasons, persons below the 45 years of age should also be screened.

The nurse said suspected diabetics may be tested at any age. The symptoms include frequent urination; extreme hun-

Cont. on Page 2, Col. 1

NEARING COMPLETION--Another addition to Muleshoe, the new City Hall, is nearing completion. City employees are expected to be able to move into their newest facility either late this month or early in October. An added feature of the building will be a drive-up window for the convenience of taking care of bills and taxes.

Diabetes...

Cont. from Page 1
Diabetes is a disease sometimes called "sugar Diabetes". Or "sugar in the blood." It means that something has gone wrong in the body. The sugar in food needed by the body is being lost.
Dietetics can work, eat and enjoy life in almost the same way other people do IF they will do what the medical doctor says is best for them.
Diabetics must take extra care of themselves. In this way, they often keep the disease from doing damage to the body.
Diabetes is the eighth cause of death in the United States and the third cause of blindness.
Doctors say that diabetes can be detected long before it be-

comes symptomatic and that simple measures can control early diabetes - if it is discovered. Even acute complications of diabetes can be prevented by early detection and treatment.
Members of the Muleshoe Hospital Auxiliary urge everyone eligible to be at the hospital sometime during the day Thursday for the diabetes test. It will involve merely taking a spot of blood from the finger. The test will only take a few minutes from a person's schedule said the auxiliary and could prevent much medical treatment and illness in the future.

Doesn't Know
Earnest: "Mother, when the fire goes out, where does it go to?"
Mother: "My dear Ernest, I don't know. You might just as well ask me where your father goes to when he goes out."

Teal...

Cont. from Page 1
wing drake, may be obscured in eclipse plumage. The general appearance will be that of a small mottled brown and gray duck that decoys readily and leaps vertically from the water as it takes flight.
The blue patch on the forewing, which may appear white at a distance, is not noticeable when the ducks are at rest on the water. However, a small white patch should be discernible on the flank of the male.
On the wing, the male blue-wing's call is a soft, hissing whistle or "peep." Females voice a faint, muted "quack."
Teal fly with great speed (accentuated to the observer by their small size), usually in close flocks with much seemingly erratic twisting, turning, and darting.
An information sheet on the early teal season is available and may be obtained by writing the Texas Parks and Wildlife Department, John H. Reagan Building, Austin, Texas, 78701.

HOUSING FOR ELDERLY
Wilber J. Cohen, former Secretary of Health, Education and Welfare has suggested that Congress create a public corporation to buy, sell, rent and renovate residential property for the elderly. Cohen made his suggestion before the Senate Special Subcommittee on Aging.

Mule Football Schedule

Date	Team	Place	Time

November 14	Canyon	T	7:30 p.m.
November 21	Perryton	H	6:00 p.m.

Football...

Cont. from Page 1
them make the first step out. Commenting on one change in varsity football policy, continuing on down through the lower junior high grades, Coach Hedgecock said that every boy who comes out to play football will be allowed to play at some time during the game. He said, "If they want to play then we are going to let them play."
There are seven seniors on the 34 man Mule team. They include Ronnie Barrett, QB, 160; Gary Ethridge, QB, 130; Jesse Clemmons, QB, 140; Dennis Beene, FB, 145; Alford Bleeker, G, 175; Prentice Griffith, E, 140 and J.C. Slaughter, E, 155.

The ten juniors include Tommy Taylor, WB, 150; Steve Black, FB, 150; Mark Dillman, C, 135; Lance Puckett, G, 160; Jon Cole, G, 165; Keith Turner, T, 160; David Williams, T, 190; Kenneth Carpenter, T, 165; Jack Allison, E, 140; Jerry Scoggin, E, 160.
Seventeen of the Mules are sophomores. They include Mike Riley, QB, 150; Don Wheat, QB, 140; Randy Field, FB, 165; Mark Long, G-DHB, 130; Bob Hayes, TB, 165; Leroy Medlock, E, 150; Billy King, TB, 170; Julian Vela, E, 140; Don Heathington, C, 135; Dewayne Williams, G, 160; Larry Shafer, C, 150; Ricky Faver, C, 175; Gary Lackey, G, 140; Rand Baker, T, 160; Jim Steptoe, T, 185; Tyrone Clemmons, E, 140; and Sammy White, G, 170.
Average weight of the 34 players on the roster is 154 which makes the Mule team a small team. In many ways,

the coaches will be depending on speed rather than immense size as David Williams at 190 and Jim Steptoe at 185 are the only two players above 180 pounds.
Muleshoe's B team will meet Sudan at 10 a.m. Saturday, September 13 in Benny Douglass Stadium.

Miss So. Plains To Be Named At Levelland

The Levelland Jaycees will again sponsor the Miss South Plains pageant in October, Tim McEndree, president, announced Friday.
Pre-activities for the Miss South Plains pageant will be a Coke Party Saturday, Sept. 13, at 3 p.m., for all prospective contestants at the Chat & Chew. All those interested in becoming a contestant are urged to attend.
Winner of the pageant will enter the Miss Texas pageant held to select the State Queen, who will compete for the crown of Miss America in the National Competition at Atlantic City, N.J., in September.
The event this year will be Second Annual Miss South Plains Pageant sponsored by the Levelland Jaycees. "We are again serving as sponsors of the pageant this year because we believe it provides a valuable contribution to the young ladies who will enter the competition," McEndree said in announcing plans of his organization.
"We believe it serves the community well because it focuses attention on the high calibre of young ladies who are residents of our area and we believe it serves youth well because it provides the opportunity for the young ladies who compete to gain added poise through public appearances and to gain added maturity through participation in a community program such as the South Plains Pageant," McEndree added.
"Most important, it will provide the opportunity for the girl who is the winner to continue to seek scholarship awards at the Miss Texas Pageant, which will aid her in obtaining an education at the college of her choice," the president said.
In announcing that this organization plans continuation of the South Plains Pageant sponsorship, McEndree said it will be held again Oct. 18, 8:00 p.m. Levelland High School.
"He also announced that committees to plan the program are being formed and that organizations in the South Plains area will be requested to sponsor contestants for the pageant."

WHISTLIN' IN THE RAIN--Young Jimmy Garder, left, was caught whistlin' in the rain Tuesday morning as he and Ben Williams, center, and Red Harris begin smoothing out rough spots on the concrete in the construction of the Law Enforcement Center. As the trio worked, a light steady rain slowed to a drizzle, a mist and finally began clearing sometime in mid-afternoon Tuesday.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm interrupts his nap to write the following.
Dear editor:
I didn't object, since I was about through with my nap anyway, when a newspaper carried by a light breeze landed on my face and woke me up the other afternoon -- it was a good thing too because the shade I started out in had moved off and left me in the sun -- and after I came to I looked the paper over.
A headline immediately caught my eye: "Doctor Says Man's Sleep Will Be Reduced to 3 Hours."
According to it, a British doctor claims people sleep too much, says the idea you should get 8 hours of sleep every night is nonsense, that five or six is enough and 3 is better.
This is a matter I'm going to have to sleep on before I come to a decision.
In the first place, I have noticed that some of the happiest hours of young parents take place when the youngster is asleep, and while 3 hours is some relief, 8 is better and if he wants to go for 10 or 12 that's better still. In this connection, it should be pointed out that the doctor who is proposing only 3 hours is now 70.
You show me a kid that sleeps only 3 hours and I'll show you a set of parents ready to collapse.
Furthermore, if people say

awake 21 hours out of every 24, you can multiply by a third the total traffic congestion, air pollution, noise, street rioting, etc., we're now getting.
In fact, probably what we need is somebody to put the world down for an 8 hour nap every other day and 8 hours of sleep every night.
One of the main troubles with the world is that the people who are running it don't get enough sleep. You can't make me believe they'd get us in the fixes they do if they'd waked up clear-headed and refreshed any day you want to mention.
My theory developed over years of experimenting is that everybody should go to sleep when he's sleepy and wake up when he's not, and if 3 hours will hold you, all right, but keep quiet at least till dawn.
Yours faithfully,
J.A.

WHO KNOWS?

1. Three astronauts were launched on July 16, in Apollo 11 for a moon landing; can you name the date Columbus set sail from Spain?
2. What is the modern flower and birthstone to represent the month of August?
3. Three U.S. Presidents were born in August. Can you name them?
4. Name the Secretary of the Department of the Interior.

Answers To Who Knows

1. August 3, 1492.
2. Gladiolus and Peridot.
3. Benjamin Harrison, Herbert Clark Hoover and Lyndon Baines Johnson.
4. Walter J. Hickel.

Former Resident Wed In Missouri Ceremony

Mrs. David Clyde Dally

Miss Laura Gay Ramm, daughter of Mr. and Mrs. Fred Ramm, Carthage, Route 3, Missouri, and David Clyde Dally, 1622 Mimosa, Carthage, Missouri, were married August at Faith Lutheran Church. The double ring ceremony was performed by the Rev. Gordon L. Senechal.

The altar was decorated with two seven-branch candelabra entwined with smilax, white satin bows and arrangements of white gladioli and lemon leaf. Family pews were marked with white satin bows entwined with English ivy.

Paul Dieckhoff, Diamond, Mo., soloist, was accompanied by Mrs. Ben Zeckser, organist, who played traditional wedding music.

Given in marriage by her parents and escorted by her father, the bride wore a formal length gown of white silk organza over peau de soie. The gown was styled with an A-line skirt and Empire waistline. The bodice of Venetian lace with sequins and seed pearls featured a border of reem-broidered matching applique Venetian lace and seed pearls and was attached at the Empire waistline. Her bouffant veil of imported silk illusion was secured with a tiara styled headpiece of matching lace and seed pearls. The bridal bouquet was a cascade of white butterfly roses and English ivy centered with a Cattleya orchid and tied with white satin streamers.

Mrs. Reila Jeffries, maid of honor, wore a formal length gown of pale blue dacron batiste over taffeta featuring a high neckline and deep cuffs trimmed with daisies and long full sleeves. A large blue satin bow with long streamers was attached at the Empire waist in back. Her headpiece was a pale blue bow of dacron batiste and net trimmed with daisies.

Bridesmaids were Mrs. H.D. Moore of Oklahoma City, Okla., cousin of the bride; Mrs. Laureen Wood of Kansas City, Mo., sister of the bridegroom; and Miss Rebecca Ann Ramm, sister of the bride, Miss Debbie Deickhoff was flower girl. They all wore blue formal gowns and headpieces styled identically to those of the maid of honor. The attendants carried Colonial bouquets of white Marguerite daisies, blue cornflowers and English ivy tied with blue ribbon streamers. The flowergirl carried a basket of white rose petals.

Bruce Williams served as best man, Groomsman were Richard Harris; Allan Seidel, Chicago, Ill. and Ronald Ramm, brother of the bride, Marty Jones, cousin of the bride, was

ringbearer. Danny Quade served as acolyte, Craig Haubert and Neil Granlung, Ishpeming, Mich., cousin of the bridegroom, were ushers.

Mrs. Ramm, mother of the bride, chose a pale yellow knit dress with matching accessories. A corsage of yellow toned cymbidium orchids complemented her costume. Mrs. Dally, mother of the bridegroom, wore a forest green silk dress bordered with tiers of Alencon lace and green and bone accessories. She wore a green Cymbidium orchid corsage.

A reception was held in the church fellowship hall following the ceremony. The three-tiered wedding cake, topped with miniature satin bells, rested on a garland of English ivy and was flanked by white tapers in silver candelabra and tied with blue satin bows. Centering the beverage table was a large blue candle encircled with an garland of English ivy and was flanked by white tapers in

silver candelabra and tied with blue satin bows. Centering the beverage table was a large blue candle encircled with an arrangement of white carnations and blue cornflowers.

For traveling the bride chose a pale pink knit dress with matching accessories. She wore the white Cattleya orchid corsage from her bridal bouquet.

After a short wedding trip the couple returned to Carthage where the bride is employed at the Carthage Press and the groom is employed by Hercules, Inc. They plan to enroll at the University of Missouri at Columbia. Dally will be a senior majoring in political science.

Mr. and Mrs. Dally, parents of the groom, were hosts for the rehearsal dinner at the Cardinal room of the C and W restaurant.

Out of town guests included Mr. and Mrs. Ernest Ramm, Ruth Alta, Nancy and Clayton and Mr. and Mrs. Eddie Ramm, all of Muleshoe, Texas.

Miss Darla Kendall

Epsilon Delta Chapter Has Fall Meeting

The Epsilon Delta Chapter of the Delta Kappa Gamma Society met Saturday evening, September 6, at 7:00 p.m. in the home of Mrs. Kenneth Wiseman, 304 East Avenue, Sudan.

An Executive Board Meeting was held at 6:30 preceding the Salad Supper at 7:00. Fall decorations were used on the individual tables.

Mrs. Lenton Smith, Littlefield, president, presided during the business session and informed the membership of coming events for the new year.

Mrs. Joe Costen, Muleshoe, was director of the program "What's Her Line", which was a review of duties and responsibilities given by each officer and committee chairman. New constitutions were given to each member and new handbooks were given to the officers.

The international theme for the year is, "The Critical Analysis of Values - a Basis for Action." The chapter theme is "Involvement" and members will attempt to deepen their understanding of what they have always valued, and will become involved in community action in moral, social, political and economic areas, thereby reaffirming those values which will improve the quality of daily living.

Three of the projects are (1) to honor and encourage F.T.A. members (2) to honor Delta Kappa Gamma founders and (3) to honor pioneer women teachers in the area.

Muleshoe members attending the meeting were Mrs. Joe Costen, Mrs. E.W. Johnson, Mrs. Clifton Finley, Mrs. Jack Obenhaus and Mrs. John Watson.

Young Homemakers Start Year

Officers of the Muleshoe Chapter of Young Homemakers of America held an executive meeting September 8 at 2:30 p.m. in Muleshoe State Bank community room to discuss the coming Area Convention of Young Homemakers in Plainview and other business.

The Area Banquet and convention will be held Saturday, September 13, at Wayland Baptist College in Plainview in conjunction with the Young Farmers of America. Jimmy White, vice president of the Area Young Farmers, will be on program.

The banquet meal will be sponsored by cooperatives of the area, including Bailey County Electric Cooperative. Table decorations for the Muleshoe table will be arranged by Mrs. Elmer Downing.

Mrs. Robert Hunt will make and model a dress at the convention that might be representative of the kind to be worn in the year 2000.

A membership tea by the Muleshoe chapter is planned for September 18, from 2:30 to 4:00 p.m. at Muleshoe State Bank community room, with Mrs. Downing in charge of refreshments. This is one of a series of activities planned in observance of Young Homemakers Week.

Also in observance of the special week a display in one of Cobb's windows showing the dress and other things promoting Young Homemakers organization. Everyone is encouraged to visit the display, a club spokesman said.

Present at the Monday meeting were Mrs. Jimmy Dale Black, Mrs. Ken Angeley, Mrs. Eugene Shaw, Mrs. Willie James, Mrs. Gerald Shanks, Mrs. Bobby Free, Mrs. Eugene Buhrman, Mrs. Elmer Downing, Mrs. Darrell Nowell and Mrs. J.C. Gatewood.

The first meeting of the new year will be held September 11 at 4:00 p.m. at Muleshoe high school Home Economics room.

Rainbow Installation Saturday

The public is invited to attend the open installation of Muleshoe Rainbow Assembly No. 161 September 13 at 7:30 p.m. in

the Masonic Hall. Darla Kendall, daughter of Mr. and Mrs. Guy Kendall, will be installed as Worthy Advisor.

Dillman, Watson Speak to RH P-TA

Richland Hills Parent-Teacher Association opened the 1969-70 year Monday, September 8, with a night meeting at the school cafeteria, with an executive meeting at 7:15 p.m. preceding the 8:00 p.m. meeting.

Invocation was given by Mrs. Joe Peugh. In the business meeting presided over by Mrs. W.T. Watson, president, it was announced the P-TA will sponsor a clothing bank for the school, the clothing to be dispensed as needed by the school nurse.

The programs for the year were presented to the group, and the yearly budget discussed. A more thorough analysis of the budget will be presented at the next meeting.

A total membership of 134 was announced.

Mrs. Watson introduced the officers and committee chairmen, as follows: 1st Vice President, Mrs. Bobby G. Free, 2nd Vice President, Mrs. Harold Cowan; secretary, Mrs. Eugene Hawkins; Treasurer, Mrs. Kenneth Precure; parliamentarian, Mrs. Royce Turner; Historian, Mrs. Gordon Wilson; Congress and publications, Mrs. Eddie Faust; Education and relations, Mrs. Clinton Kennedy; Hospitality co-chairmen, Mrs. John Young and Mrs. Joe Pat Wagon; Legislation, Mrs. Don Harmon; Membership, Mrs. Herb Ramage; Newsletter, Mrs. Hayne Poyner; nursery, Mrs. Lee Magby; Program, Mrs. Bobby Free; Projects, Milton Oyler; Publicity, Mrs. Robert Hooten; Room Representatives, Mrs.

Kenneth Henry; safety patrol, Mrs. Roald Johnson; Yearbook, Mrs. Harold Cowan and Life Membership, Mrs. Royce Turner.

Announcement was made of the spaghetti supper Sept. 26 from 5:30 to 7:30 p.m. in the high school cafeteria, before the football game. Fourth and fifth grades will be competing in ticket sales.

Meeting time for Richland Hills P-TA has been changed. Meeting time for Richland Hills P-TA has been changed from first Mondays to the second Monday of each month at 4:00 p.m.

Principal Milton Oyler was presented by Mrs. Watson, who then introduced the teachers. Program chairman Mrs. Free introduced Supt. Neal Dillman, who spoke on values for children and said they may be taught by example, enthusiasm, consistency and concern for the children as individuals.

Mrs. Elizabeth Watson, curriculum director, read an essay on animal curricula which stressed the individuality of persons and differences in abilities of each person. She commented on the kindergarten for migrant children which has been established.

Mrs. Watson told the group that only 3 per cent of the children of the country are delinquent. She read a timely poem entitled "Take Time For Youth - Our Hope For Tomorrow" and a recipe for wholesome youth.

A gifted mind is one that easily discovers plausible excuses.

GA's Presentation Held

The annual presentation service of the Girls Auxiliary of First Baptist Church was held Sunday night, September 7, in the auditorium of the church. During the year the girls work on forward steps and at this service awards are given.

Only one girl was given recognition as a "Maiden", she was Joyce Camp. Ladies-in-Waiting were Carol Camp,

Tammy Lawson, Karen Grimley, Marcie Rudd, and Paula Bickel.

Princesses were Ginger Johnson, Jana Garrett, Susan Grimley and Patricia Grogan.

Queen Regents, the highest step required and next to the highest offered, were Donna Grimley and Ruby Nell Page. They received the coveted Girls Auxiliary capes.

Mrs. Jack Schuster is director of Girls Auxiliary. Leaders are Mrs. Royce Barnes, Mrs. Mack Moore and Miss Debbie Schuster.

Rev. D.C. DuBose gave the charge to the girls following the presentation of awards.

Miss Debbie Schuster sang "Give Me a Vision" to close the service.

Pick it up and it turns into a telephone.

Introducing the new Styleline telephone—so beautiful you can mistake it for a piece of modern sculpture. But beneath that lovely exterior is a phone that's all business, with the dial built right into the receiver where it's easy to use.

Oklahoma Evangelist To Lead Assembly of God

Rev. Leonard Negrin

He didn't know Peter, James and John from Tom, Dick and Harry. He had never met a Protestant until he went into the Air Force. He had never heard a Gospel message or touched a New Testament until he was 19 - but today Leonard Negrin, a Christian Jew, is preaching of Christ the Redeemer.

The Rev. Leonard Negrin of Oklahoma City, will be preaching at 7:45 p.m. nightly except Saturday, Sept. 10-21 at the Assembly of God Church-Muleshoe according to Pastor, Rev. H.D. Hunter.

Growing up in a Jewish home in New York City, Negrin had never met a Protestant. At the public schools he attended, the students were either Jewish or Roman Catholic. As a teenager, he was completely unaware there were Protestants.

At the age of 17 Negrin joined the Air Force. While stationed

in Bartlesville, Oklahoma he was invited to church for the first time in his life. Three nights later on November 15, 1953, Negrin recognized Jesus Christ as his Messiah and King.

After his discharge from the Air Force, he went to Southwestern Assemblies of God College, Waxahachie, Texas, where he earned a B.S. degree in Theology and Bible. Rev. Negrin then spent six years pastoring churches in Oklahoma before he felt led to enter the evangelistic ministry.

Today the Christian Jew travels about the United States preaching of the Messiah. His sermons are rich in Old Testament background and in prophetic studies of Israel's place in coming events. Among his most popular sermons are "The Battle of Armageddon" and "The Blooming of the Fig Tree."

Jennings Tour Big Bend

They drove a long, long way for the opportunity to see President Nixon and the other dignitaries, but when they faced a five hour wait standing in the sun, they just "chickened out and came home".

Mr. and Mrs. O.N. Jennings left Muleshoe September 4 and enjoyed a drive through the Big Bend countrywide and to Del Rio and Ciudad Acuna to shop, and in time for the ceremonies opening the Amistad Dam on the Rio Grande between United States and Mexico.

The dam is planned to back up water eighty miles when filled.

Arriving at the site byline o'clock, they found a "quarter section of land" set aside for the 150 buses which were to bring school children, Air Force personnel. Even at that early hour there was standing room only on the dam and Border Patrolmen were everywhere. The heat was oppressive and the prospect of standing five hours with no room and no place to sit was just too much for them, coupled with the thought of the chaos when all those thousands of people tried to leave at once. The Jennings drove home to Muleshoe.

Mrs. Cockrell Leads Study For Circles

Mrs. J.E. McVicker. "To accept love is a dangerous thing because it must bring with it responsibility," also said Dr. Cooper.

Mrs. Cockrell's discussion of the textbook "The Inner Life", by Dr. Harvey H. Pott-hoff was presented to Circle members as it was taught to classes at School of Missions on the campus of McMurry College. She told the women of James Russell Lowell's statement, "The kind of world one carries around within oneself is the important thing and the world outside takes on the color, grace and value from that".

Disavowing her own leadership, Mrs. Cockrell said "It is a matter of becoming involved", that she had gone to School of Missions with no thought of leading the study but, becoming involved, "Here I am".

She explained the different types of love: Eros (the selfish love), Agape (divine love) and Philo, a combination of the other two and most common to mankind.

Mrs. Cockrell will continue the study at the next meeting, date to be announced.

A devotional was given from Corinthians by Mrs. Oscar Allison.

In the business session the study seminar to be held at Olton September 10 was announced.

Discussion was also held concerning the spiritual life retreat, under the leadership of Dr. Jordan Grooms, to be held at Ceta Canyon September 23-24.

Members of Dorcas and Esther Circles attending were Mrs. Lewis Wayne Shafer, Mrs. Harold Allison, Mrs. Oscar Allison, Mrs. Gilbert Lamb, Mrs. Ben Cockrell, Mrs. Zed Robinson, Mrs. Robert Hooten, Mrs. Jim Cox and the hostess, Mrs. McVicker. Mrs. Helen Ellis of Amarillo was a visitor.

Clovis OES Entertains

Area Chapters

Attending Friendship Night at the Keystone Chapter of Order of Eastern Star in Clovis Saturday night were Mr. and Mrs. Elbert Nowell, Mrs. John Thomson, Mrs. Willie Strong, Mrs. Frank Hinkson, Worthy Matron Mrs. Glen Lust and Mrs. John Farley.

The Chapter served a delicious meal after which a varied program of readings and vocal solos was presented to the 150 members attending from New Mexico and Texas chapters.

JE Embry Reunion

Held Sunday

A reunion of the J.E. Embry family was held Sunday in Clovis Park.

Attending were Mr. and Mrs. Embry; Mr. and Mrs. Floyd Embry and family of Farwell; Mr. and Mrs. Joe Embry and family, Mrs. and Mrs. Chester Embry and Lee, Mr. and Mrs. Gerald Shanks and son, Mr. and Mrs. Calvin Embry and Derrell, and Mr. and Mrs. Buddy Embry and Jarrod, all of Muleshoe; Mr. and Mrs. Harold Pruitt and daughters of Hobbs, New Mexico; Mr. and Mrs. Allen Smyer of Level-land and Miss Aleene Embry of Amarillo.

Trinity WMU Meets

Tuesday

Women's Missionary Union of Trinity Baptist Church met Tuesday morning at the church, with eleven members present.

Mrs. Whit Barber, the president, was in charge of the business meeting. After a discussion of the Week of Prayer, September 14-20, it was decided to have a full day's observance Tuesday, September 16 from 9:30 a.m. to 2:30 p.m. with a covered dish luncheon to be served at noon. Each member present will have a part on the program.

It was announced the clothing collection for victims of the Mississippi hurricane is to be continued a while yet. There is a need for more children's clothing of all sizes and for shoes.

Attending were Mrs. R.G. Bennett III, Mrs. Eva Ashford, Mrs. Marvin Lewis, Mrs. John Harris, Mrs. A.M. Bradley, Mrs. Walter Sain, Mrs. Minnie Redwine, Mrs. Odessa Slayden, Mrs. Gene Sisemore, Mrs. Barber and Mrs. Earl Peterson.

Embry celebrated his 74th birthday September 6. He is a farmer and is semi-retired.

Christian Science News

"Thus saith the Lord, the Holy One of Israel, and his Maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me."

This verse from Isaiah is from this Sunday's Christian Science Lesson-Sermon on "Man".

Also included is this passage from Science and Health with Key to the Scriptures by Mary Baker Eddy: "When man is spoken of as made in God's image, it is not sinful and sickly mortal man who is referred to, but the ideal man, reflecting God's likeness."*

*Isaiah 45:11

Buttons are in the picture. Brass buttons are popular or large white buttons on dark coats.

Plaids combined with a solid color make blouse and skirt costumes.

Garth Family Reunion Held

A Garth family reunion was held Sunday, September 7, in the home of Mr. and Mrs. Dewey McDaniel at Denver City.

Six of the eight Garth children were in attendance at the reunion.

Following dinner, the group played "42", "Skip Row", sang and visited.

Those attending from Muleshoe included Mr. and Mrs. Woody Dobbins, Jo Ann and Chris; Mr. and Mrs. Rudolph Moraw; Mr. and Mrs. Earl Schmitz; Mr. and Mrs. Leon

Wilson, Wade and Denise and Mr. and Mrs. Billy White and Melissa.

From Lubbock, Mr. and Mrs. Alton Garth and grandson, Ricky and Mrs. Wyneth Howell.

Also Mr. and Mrs. Wayne Garth, Dirk and Tab, Dumas; Mr. and Mrs. Claude Garth, and son, Matt, Friona; and Mr. and Mrs. Jack Hooper and daughter from Hale Center, and Mr. and Mrs. Bob Garrett and Mark, Midland.

Novel on Stalinist hardships assailed in Soviet.

Lazbuddie Schools' LONGHORN STAMPEDE

By Mike Casey

With the first game of the 1969 football season just around the corner, the Lazbuddie Longhorns are faced with the situation of how to replace the four outstanding seniors of last year's Bi-District Championship Team.

Three-fourths of the offensive backfield are gone. Derrill Matthews, a 175 pound senior will be the sole returning back from last year's team. As a junior Matthews had a fine season when he rushed for 915 yards on 153 carries. In the pass receiving department he grabbed 10 passes for 200 yards. He also scored 17 touchdowns and added 8 extra points for a total of 110 points.

Alongside Matthews in the backfield will be Monte Barnes, another senior, who will replace All-State quarterback Troy Steinbock. Barnes has a powerful throwing arm and the Longhorns have great confidence in him as a quarterback. He weighs 195 pounds and played end last year on offense. At the end position he caught 12

passes for 190 yards and 4 touchdowns.

Larry Hodges will be tried at fullback to replace the departed Frank Hinkson. Hodges played guard last season and did an outstanding job. He was a vicious blocker and was respected by many opponents.

Arthur Graves will step in to Steve Foster's shoes at the remaining halfback spot. Graves is only a freshman but last year in junior high school he rushed for over 1,000 yards and appears capable of getting the job done.

The offensive line will undergo a few changes. The replacement for Gary Elliott at one of the tackle spots is Jimmy Noland, a 185 pound sophomore. Although he saw little action on offense last year as a freshman, Noland played defensive guard and did a fine job. Other tackle candidates are Darrell Elliott, a 160 pound junior, Marti Mosley, a 155 pound junior, Rene Flores, a 150 pound junior and Randy Bush a 165 pound junior. Although Elliott, Mosley and Bush didn't play last year, they are all fine competitors and could play anywhere on the line. Rene Flores, another junior was an excellent defensive halfback and saw action in many other positions too. He is capable of playing nearly

anywhere.

Terry Scott will hold down the same guard position he excelled at last year. Terry is a senior this year and weighs 180 pounds.

George Wilson, a 220 pound junior will be moved from tackle to guard this year. Wilson was an outstanding tackle last year and the Longhorns feel this year he will do the same at guard.

Charlie Lee, John Jones, Loy Dale Clark, and Mike Casey are the end candidates. Though Lee and Jones are both first year men they are very capable players. Clark was an end last year and was a very competitive player. Casey was an end last year and caught 6 passes for 105 yards.

Defensively, the Longhorns should be as strong or stronger than last season when they allowed only 69 points in regular season play and 33 in playoff action.

Terry Scott will be at one defensive guard spot and Jimmy Noland at the other. Scott had 72 assisted tackles and 6 unassists last year while Noland had 88 assists and 9 unassists.

The defensive ends could be George Wilson and Larry Hodges although there are a number of other players that could end up there. Wilson had 81 assisted tackles and 14 unassists. Hodges had 79 assisted tackles and 18 unassists. The linebackers could be Charles Lee, Marti Mosley, Roque Flores, or Monte Barnes. Flores had 9 assisted tackles and 3 unassists last year while Barnes had 122 assists and 21 unassists as a junior.

Veteran players seeing action in the defensive backfield are Derrill Matthews who last year had 101 assisted tackles and 30

unassists, Mike Casey who had 78 assisted tackles and 18 unassists. First year men Arthur Graves and Mark Barnes will also see action in the defensive backfield.

Saddle Tramps Elected Officers In September

By Kevin Tucker

The Y-L Saddle Tramps met September 1 at the Y-L Methodist Church and elected the following officers: Bobby Dodd, president; Aubrey Pitts, vice president; Belinda Throckmorton, secretary-treasurer and Kevin Tucker, reporter.

Wovory Throckmorton was elected Horse Club Queen. Jack Bates accepted the Club's request to be their leader.

The club meets the first Monday night of each month at 7:30 p.m.

The Saddle Tramps have won three beautiful trophies riding in parades this year. They won a second place in Muleshoe, a second place in Earth and a third in Morton.

There are 24 members in our horse club. Saturday, August 30, the club went to Palo Duro Canyon and rode the trails for several hours. Everyone enjoyed the entire day. Lunch was spread at noon. Twelve adults and 17 club members attended.

Richard M. Nixon, President: "I would hope we could 'beat' a timetable calling for removal of 100,000 troops by the end of this year."

Fighting Bulldogs

By Sharon Turney-Reporter

The Bula Independent School District began its 45th year Monday, September 1, 1969. Students had pre-registered and were ready to begin at 8:05. School will take up at this time every morning and will turn out each day at 3:25.

The Bula Bulldog Football Team seems to be out for victories this season. The team has high spirits and looks forward to many wins this season. The team consists of Tom Newton, Sr., Dwight McDaniel, Sr., Gene Stroud, Jr., Mitchell Autry, Jr., Terry Sowler, Jr., Ron Risinger, Soph., Larry Clawson, Soph., Wayne Wood, Soph., Rody McCall, Fish., Steve Newton, Fish., Kenneth Turney, Fish., Kenny Claunch, Fish., Joe Hernandez, Fish., Steve Cox, Fish., and Jimmy Risinger, Fish. The Coach is Loyd Halbrooks. This is his second year at Bula.

The Bula Basketball Team has started its regular pre-season work-outs. The girls are looking forward to another winning season. The girls are: Sharon Turney, Sr., Judy Snitker, Sr., Donna Crume, Sr., Margaret Richardson, Sr., Iva Clawson, Sr., Carolyn Turney, Jr., Ann Blackstone, Jr., Diane Crume, Jr., Pamela Layton, Jr., Sheila Medlin, Soph., Terry Claunch, Soph., Freda Layton, Soph., Willma Autry, Soph. This year there will be two new girls to the team. Charlene Pollard, the new and only, Freshman girl. Liz Henderson, Sr., will play with the girls this year. The girls new Coach is Loyd Halbrooks.

The Seniors have been selling ads for their Bulldog annual the past week. They did very well and wish to express their thanks to those who helped to make this annual possible.

The Bula Football Team will travel to Borden County Friday Night for their first game of the season. They have had two scrimmages earlier. Everyone is encouraged to attend and to help the Cheerleaders and Pep Squad lead the boys to many victories.

There was a big turnout at the Supper for the Teachers, Board Members, and Muleshoe Chamber of Commerce. The guest were served turkey and dressing with all of the trimmings. Four girls from Bula, Sharon Turney, Judy Snitker, Donna Crume, and Margaret Richardson, sang several songs for the evening entertainment. There was a regular meeting after the eats. Everyone seemed to enjoy themselves and got acquainted with several new teachers.

The Seniors elected their new class officers for the 1969-70 school year. They are: Tom Newton - president, Donna Crume - vice-president, Iva Clawson - treasurer, Judy Snit-

ker - secretary, and Sharon Turney - reporter. They also elected their new annual editor and her assistant, Margaret Richardson will edit the annual with Donna Crume assisting. The Seniors plan to have many suppers and money making projects to help send them on their Senior Trip at the end of the year.

The Senior class worked hard all day Saturday on a money-making project. They hauled off trash for several people in the community. The turn-out was good and the kids worked hard. This is only one of the many projects the Seniors will sponsor during the school term.

Square Thru News

BY GAIL WILCOX

The Square Thru's made a trip to Clovis Y-Squares last Friday night to bring home President Jimmy Presley's shirt taken at our last dance because our banner was unavailable. Those going were Mr. and Mrs. Curby Brantley and children, Mr. and Mrs. Jimmy Presley and children, Mr. and Mrs. Robert Hunt, Mr. and Mrs. Eugene Shaw and children, Mr. and Mrs. Don Seales and Liz, and Mr. and Mrs. Eddie Gunnels and daughters.

Going to the Singing Wings for their special featuring Buddy Jones of Lubbock as the caller were: Mr. and Mrs. Henry Stoneham, Mr. and Mrs. Jimmy Presley, Mr. and Mrs. Hilbert Wisian, Mr. and Mrs. Robert Hunt, Mr. and Mrs. Eugene Shaw, Mr. and Mrs. Wilcox and our caller, Eddie Gunnels and wife.

Buddy called to a full house of Square D dancers. A fine time was had. Buddy is a real fine caller. Those not going sure missed a lot of fun.

Lessons were held Tuesday night, with the time being changed to 7:30 p.m. from 8:30 p.m. because of school. Everyone remember this.

Present for lessons were: Benetta Roming, Jo Roming, Stephanie Brantley, Curby Brantley, Karen Stovall, Sherman Presley, Robert Stovall, Debbie Bruns, Randell Scott, Brenda Scott, Jeanne Freeman, Rhonda Stevenson, Henry Stoneham, Jerry Scoggins, Gayland Bock, Ike Wilcox, Lawren Hall, Terry Gunter, Belinda Nickels, Kelly Chak, Jimmy Presley, Brent Blackman, Kim Bock, Lizann Gunter, Don Seales, Jennifer Estes, Terry Wheeler, Patti Pena, Tammy Bruns, George Wheeler, Peggy Wheeler, Robert Hunt, Sheila Hunt, Jana Bruns, Tani Murrah, Joe Dan Briscoe, Tim Wheeler, Kim Cowan, Tracy Cowan, Kathy Pena, Liz Seales, Gail Wilcox, Ricki Wilcox, Sheila Wilcox, Judy Roming, Nelda Hunt, Mary Brantley, Laura Jean Presley, Mrs. Harold Cowan, Mrs. Benny Pena, Betty Bruns, Mrs. Don Chak, Mrs. Ruth Briscoe, Mrs. Larry Hall, Mrs. J.A. Nickels, Mrs. Harold Mardis, Mrs. Royce Turner, Mrs. Darrell Oliver and Mrs. Howard Watson.

Manager

We have just completed a highly successful tourist program this summer, and we would like to express our sincere appreciation to the many people who have made this program possible. Our special thanks go to Bob Stovall, chairman of the Tourist Committee, for his hard work both this year and in past years. We especially appreciate all of the time and effort he put in on the sign at the Mule Memorial, which we feel will be a valuable addition of the site.

We would also like to thank the Muleshoe Area Industrial Foundation and the Rainbow girls for the chuckwagon at the Mule Memorial. We feel that this was a valuable asset to our tourist program.

We could not fail to mention the wonderful work that the ambassadors, Cathy Mardis, Cathy McCormick, and Devona Bradley, have done all summer.

Tax Man Sam Sez

STUDENTS -- KEEP THOSE W-2'S

September is here and back to school time has finally arrived for Mama--or much too soon for Junior. Going back to school does create one small income tax problem for those students who worked during the summer. Nowadays this includes most of the senior high school students, as well as college students on summer vacation. Ordinarily the students worked in jobs that required their employer to withhold income tax and social security tax from their pay check. The law requires their employer to issue them a W-2 within 30 days after they leave the job. The students will need to carefully put away this W-2 until January 1, 1970. Ordinarily if they do not work elsewhere, they will get all of their income tax withheld refunded, provided they file a Form 1040 with the Internal Revenue Service. Of course they are not required to file unless they make \$600, but IRS can't send their money back until they do file. The students that lose the W-2's usually find that the employer will give them a duplicate--but only after at least one, and usually a series of tongue lashings.

When traveling on an unpaved roadway, yield the right-of-way to vehicles traveling on a paved highway. Under a new Texas law, you may enter an intersecting paved roadway only when there is no chance of interference or collision with traffic on the highway.

Be prepared for animals grazing near the roadway. They may suddenly cross in front of your vehicle.

Look for narrow or rough shoulder areas and washed-out or rough spots in the highway that can cause you trouble in steering.

Keep on your side of the roadway, even if it's narrow.

Slow down for sharp curves and when approaching or crossing narrow bridges.

They did a tremendous job on everything, and we couldn't have done many of the things we did without them. They always showed a willingness to help on any project, and we deeply appreciate this fine attitude. In addition, our thanks go to Treana Bryant, Miss Muleshoe, for helping with the Tourist of the Week program, along with the radio station KMUL and the Journal for their fine coverage of the program. Also, our appreciation goes to all of the service stations, cafes, and motels who generously donated their services to the Tourist of the Week program.

Texas Traffic Costs Soar Over \$500 Million

AUSTIN - The Texas barometer of traffic costs for 1969 soared past the one-half-billion-dollar mark as August traffic crashes in the Lone Star State added \$61 million to the state's rapidly ascending cost cost register.

The Texas Safety Association said today that preliminary reports for the month of August indicate that rural fatalities, injuries and property damage from traffic accidents cost Texans almost \$23 million. Urban accident costs topped the rural tab by \$15 million, with a total cost of \$38 million for accidents happening within city limits.

The cost of traffic accidents on Texas streets and highways for the first eight months of the year reached \$520 million when computed according to a National Safety Council Formula.

Noting a significant increase in fatalities on Farm-to-Market roads in the past month, the Safety Association suggested folks driving in rural areas observe the following rules:

When traveling on an unpaved roadway, yield the right-of-way to vehicles traveling on a paved highway. Under a new Texas law, you may enter an intersecting paved roadway only when there is no chance of interference or collision with traffic on the highway.

Be prepared for animals grazing near the roadway. They may suddenly cross in front of your vehicle.

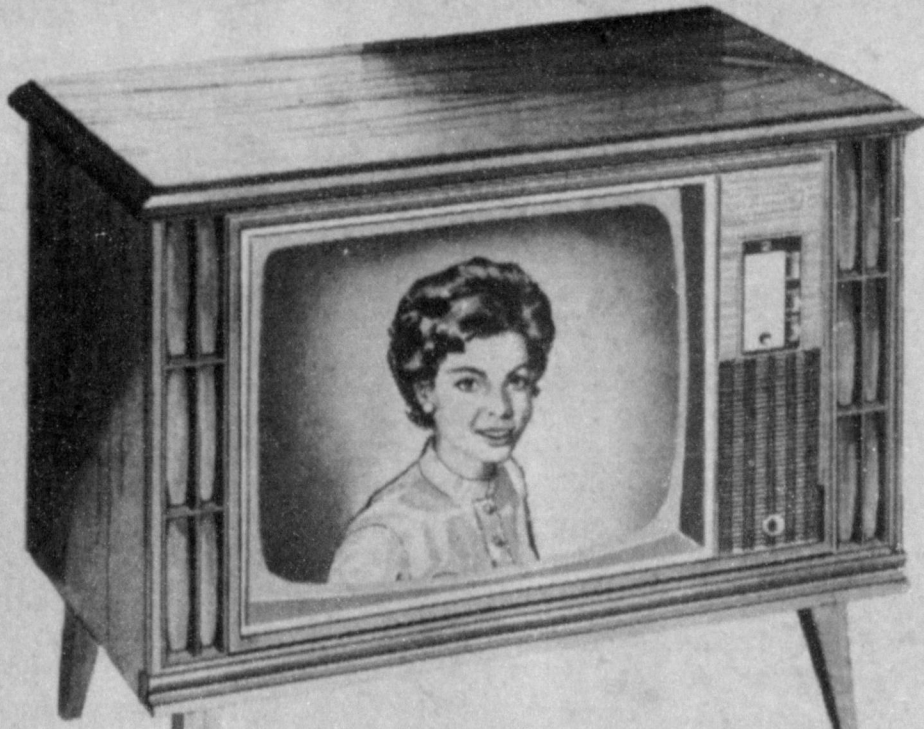

Look for narrow or rough shoulder areas and washed-out or rough spots in the highway that can cause you trouble in steering.

Keep on your side of the roadway, even if it's narrow.

Slow down for sharp curves and when approaching or crossing narrow bridges.

INTRODUCING... A REVOLUTIONARY NEW COLOR TV SYSTEM...

ZENITH CHROMACOLOR

23" giant-screen remote control Color TV Console

The BRAQUE - A6519
Modern styled console with the exciting low look. Genuine oil finished Walnut veneers and select hardwood solids (A6519W), or genuine Pecan veneers and select hardwood solids with the look of fine distressing (A6519P), both exclusive of decorative front.

Space Command® 600 VHF remote control TV tuning
Adjust color hues; adjust volume to low, medium, and high; turn set on and off; change VHF channels left or right; mute sound.

A revolutionary new color television system featuring a revolutionary new patented color picture tube that outcolors, outbrightens, outdetails and outperforms every previous giant-screen color TV!

The revolutionary new Chromacolor picture tube, with Zenith's patented black-surround principle, brings you a color TV picture more than 100% brighter than any previous giant-screen color TV. Here's how it works! Every giant-screen color picture tube is covered with tiny red, green, and blue dots that make up the color TV picture. Previously, they have been placed close together on a gray background. But now Zenith, in the patented Chromacolor

picture tube, has made the dots smaller and surrounded them with jet-black. This Zenith patented black-surround screen--together with precision electron beam tracking and increased light-transmission tube face--bring you a brighter color picture, greater definition and sharper detail than ever previously achieved in giant-screen color TV.

New Chromacolor Picture Tube
brings you a brighter color picture, with greater definition and sharper detail than ever achieved in giant-screen color TV before Chromacolor.

New RGB Color Circuitry
is more sophisticated and highly refined to develop greater picture sharpness and detail, with higher color fidelity.

Exclusive New Color Commander Control
Now one knob adjusts contrast and color level with brightness in proper balance simultaneously--and they stay perfectly in balance as you adjust the color picture to match changing light levels in the room. There's no longer any need to turn separate controls!

New Handcrafted TITAN 90 Color Chassis
with Zenith's exclusive Solid-State Dura-Module combines handcrafted dependability with solid-state performance.

Exclusive Chromatic Brain
with the first integrated Circuit ever used to create a color picture. For the most natural reds, greens, and blues.

Exclusive Super Gold Video Guard Tuner
AFC--Automatic Fine-tuning Control

See Zenith CHROMACOLOR--the most true-to-life picture in color TV

Cobb's

HARMON HIGHLIGHTS College Football Begins

Though this weekend is far from being the biggest weekend in college football, it does have one distinction...it's the first weekend of college football! And looking at it from the major college side, it's a bit skimpy. However, to make up for it, the college division teams go at for real in all parts of the country.

Southern Methodist whipped Oklahoma, 28-27, in the Bluebonnet Bowl last December in the biggest thriller of all the post season games. The Mustangs, ranked 19th in the nation in our final ratings, open the '69 season against the Air Force in the TV game of the week. And S.M.U. should start this season right where they left off in 1968...they'll win by five points.

Though the Beavers of Oregon State lost quite heavily through graduation, we're having hard time selling them short against the Bruins of U.C.L.A. We're probably way out on a lonely limb on this one, but we like Oregon State by 13 points.

Miami of Ohio, Mid-American Conference power year after year, opens against Xavier. The Redskins should start with a win, breezing by Xavier by 19 points.

The Atlantic Coast Conference wastes no time getting into league play. Last year's champion, North Carolina State, rattles the turf against Wake Forest, and in spite of their 1968 records, this could be a real close. We're going to go

Obituaries

Virgil A. Hall

Virgil A. Hall, 77, a Friona resident since 1927, died Saturday night in a Dimmitt hospital. Funeral services were held at 3:00 p.m. Monday in Friona Methodist Church, with the Rev. Albert F. Lindley, pastor of the church, officiating. Burial was in Friona Cemetery.

Hall was a retired carpenter and had moved to Friona from Mississippi.

Survivors include one brother, Grady Hall, of Muleshoe, Texas. Other survivors are his wife, Mrs. Lois Hall, two brothers, Victor and Christopher, whose addresses are unavailable, and a sister, Mrs. S.J. Sanders of Mineola.

with the Wolfpack, but only by a point.

Taking a look at some of those powerhouses among the so-called small colleges (college division teams), Troy State in Troy, Alabama, was our second ranked team in that division last fall. They meet Samford University in Birmingham, and on paper, they shouldn't have too difficult a time. The Men of Troy are favored by 5 touchdowns.

Last year's number 5 team in the college division was North Dakota State, and they're 17 points over Northern Illinois in the opener for both clubs. The Bison from North Dakota were champions of the Pecan Bowl last fall, defeating Arkansas State.

Many of you who follow the major football powers every week such as Notre Dame, Ohio State, Texas, etc., may not be

Letter to the Editor

September 8, 1969
Dear Editor:
A visit to Boys Ranch was something we have long anticipated but never accomplished. Yesterday, en route home, there was time enough to stop.

We were greeted at the entrance by a bechful of young boys awaiting assignment as guides to cars of visitors. Eleven year old Julius, a small neatly dressed blond, was our guide. His pride in Boys Ranch and his youthful eagerness to do full justice to the place and to the assignment were both a pleasure. He was remarkably well informed. The only place he did not have a quick, accurate answer was in the Museum where ancient objects were just beyond the realm of his experience. His manners would have served as a model for an older boy or man.

Julius showed us the buildings over the well kept ranch, including the administration building, the "country store", the various shop buildings, the dormitories, the chapel and museum (old Tascosa Courthouse) and the three where convicted criminals were "swung". He pridefully took us through his own dorm, introduced us to his dorm mother and some of the boys, showed us their carefully kept closets and shelves of

aware that there are about 640 college and university football teams in the nation. Only 114

News of Our Servicemen

Roger Cleaver

BILOXI, Miss.--Airman Roger D. Cleaver, son of Mr. and Mrs. Odell Cleaver of Rt. 2, Hart, is among the thousands of personnel from Keesler AFB, Miss.

Airman Cleaver and others from the Air Training Command base located at Biloxi are aiding Civil Defense teams and city crews in the distribution of food, clearing debris, and directing traffic. Heavy equipment is assigned throughout the Biloxi area to help clear wreckage. Medical teams from the base are augmenting health staffs in the stricken communities of Bay St. Louis, Waveland, Pass Christian and Gulfport as well as Biloxi.

The airman is a graduate of Hart High School.

We have received the Boys Ranch newsletter for years but until this visit did not realize it includes so many buildings, and such fine ones. We were told the Ranch grows its own meat and "We have meat at every meal". Julius showed us the watermelon patch and some of the gardens grown by the boys, and the popcorn patch. Vegetables are frozen for the winter months just as in a regular home.

The boys work after fourteen and are paid small wages. They work in the kitchen, laundry, and in the shops and on the farm lands, caring for horses, pigs and other animals, or in the construction of new buildings. There is a greenhouse and a concrete house in fact, there is a total of fourteen vocations taught. If a boy wants to go to college, there are scholarships available.

Perhaps we did exactly as intended, but we came away with an enhanced respect for Boys Ranch (and fell in love with our guide).

Name Withheld by Request.

Hubert H. Humphrey, former Vice President, addressing seniors in Tarrytown, N.J.:
"I have the right to stand up here and condemn my government, religion or this school but I do not have the right to burn the place down or hit someone else, because then I am destroying government by law."

Lewis B. Hershey, Selective Service Director, on all-volunteer army:
"I do have misgivings, as old men do, of having a person to go into something for no other reason than to get money."

Thomas O. Paine, administrator of NASA:
"While the moon has been the focus of our efforts; the real goal is to develop and demonstrate the capability for interplanetary travel."
