County Judge Don Cihak said that the latest information on the possible new hospital for Muleshoe is that the hospital board has contacted an architectural firm and is presently negotiating a contract.

Although no firm commitment has been made with an architect, they have suggested a few contract changes.

Guest in the home of her mother Mrs. Carl Case since Friday is Mrs. Gale Holt of Durango, Colorado.

Mr. and Mrs. Holt were accompanied to Muleshoe by their sister-in-law, Mrs. A.W. Holt, also of Durango. Mrs. A.W. Holt is visiting her mother, Mrs. C.A. Guinn of Muleshoe. Holt drove on to College Station where he is visiting with his brother and family, the Bill Holts. They will return to Durango some time next week.

Guests in the home of Mr. and Mrs. Jack Tivy Saturday until Tuesday were his mother and step-father, Mr. and Mrs. A.L. Barkley of Burnet, on Buchanan Lake.

Mules'-Lopes Clash Friday

Muleshoe's Mules, who dropped 50-0 in their opening game against powerhouse Dimmitt, will face the Abernathy Antelopes Friday night at Abernathy.

Abernathy will be coming fresh from a 20-6 victory over Petersburg.

The Antelopes will probably depend much on the passing ability of quarterback Bobby Klatt and receiver Mike Kerr. The duo carried a couple of TD passes to help scoring. The third Antelope TD was made by fullback Mark Harrison to cap a 33-yard drive.

Last year, when the Mules and Antelopes met on the Mules' home field, there was no score during the first three quarters of the game. With 2:37 left to play in the fourth, a one-yard push by halfback Billy Elkins made the single TD of the game and the final score

A steady invasion of armyworms is moving into the Bailey County area. County Agent J.K. Adams said a small field of alfalfa in the Needmore community has been completely eaten up by the invaders. They are also being found in the grain sorghum heads in the area said the county agent.

A few people are reporting the armyworm in their lawns and they are affecting most field crops at this time.

During the past several days armyworms have been reported on lawns and certain crops on the High Plains, reports Dr. Bill Clymer, Extension area entomologist headquartered at Lubbock.

Most of these reports have involved the fall armyworm or true armyworm. These insects are similar in appearance and habits and attack small grains, grain sorghum, corn, grasses and other such crops.

There may be several generations each year with the larval stage lasting 10-25 days during which time the larvae reach a length of one to one and a half inches, explains Clymer. When the larvae are full grown, they burrow into the soil and go through a pupal stage or rest period.

The adult female emerges usually within two weeks but this is dependent upon the temperature. The adult generally flies some distance before laying the eggs. Each adult female lays about a thousand eggs.

Full grown fall armyworm larvae vary in color from light tan or green to nearly black, adds the entomologist. They have three yellowish-white hair

Local Scouts Receive Honor

Seven Muleshoe Scouts and Troop leaders went to Camp Post near Post Saturday night where six of the seven were inducted as brotherhood members of the Order of the Arrow.

Those inducted were Roland McCormick, and Earl Ladd III, Owen Jones, who was already a member of the Order of the Arrow, assisted in the ceremonies.

Football Contest

It's not all a man's world after all! And football is not JUST a man's game as is evidenced by the two top winners in the first football contest for 1969.

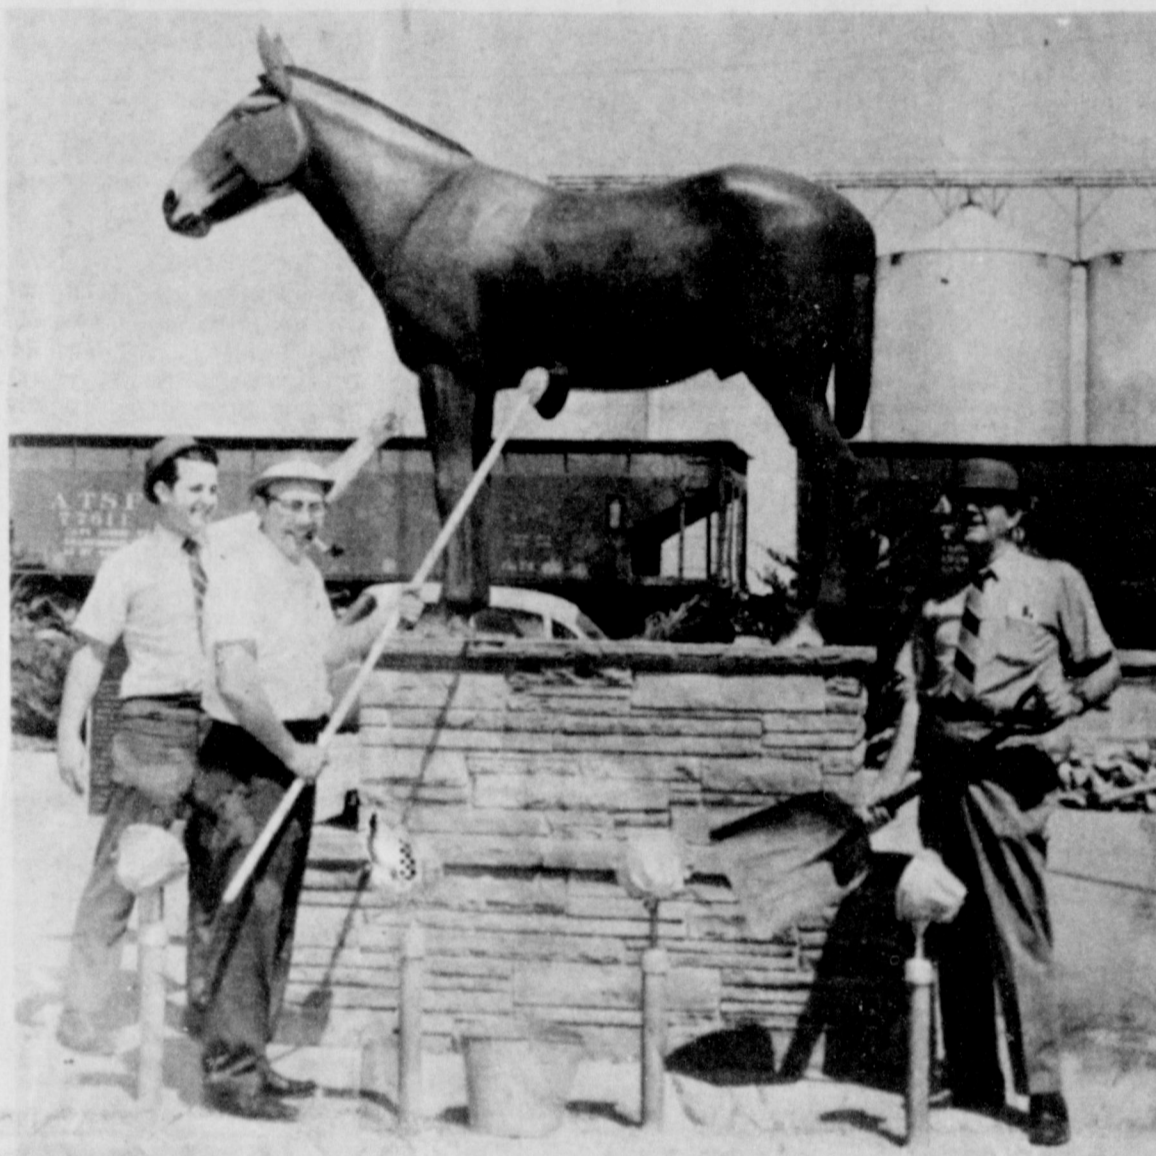

First place winner with three misses and a 15-point spread in the tiebreaker is Irene Splawa. Second Place winner, also with three misses and a 26-point spread is Faye Chapman. Two other three games losers, but with a 44-point spread in the tie breaker were Sanford Gilbreath and Marilyn Engleking.

Irene was a winner once last year, as was Marilyn Engleking.

WHAT WILL HAPPEN TO THOSE WHO DON'T BACK MULESHOE--Graphically illustrating what will happen to the person who sells the least new memberships in the Muleshoe Chamber of Commerce are these three men on M.P. (Mule Police) duty. The one or ones selling the least memberships will be placed on Mule Police Duty overseeing the cleaning and care of Old Pete. Pictured here are from left, Jerry Hutton, Olan Burrows and Clarence Jones.

Believe In Our Town

"Do you know that quite a few people must believe in this Muleshoe area? Why else would all this new construction be underway? This includes the new John Deere building, Holt's new service station, Wagon's Grocery, a new city hall, the new law enforcement center, a new city reservoir, and even a new church, not to mention several big, fine homes being built--I believe these folks are planning to stay awhile," commented Chamber of Commerce Manager Jerry Hutton.

"Why not bolster your courage, and toss your hat into the Chamber of Commerce ring? Let's all get moving forward, together."

"As the commercial says, 'WE'VE GOT IT--LET'S FLAUNT IT.'"

Spot Landing Contest Held

Morgan Locker of the Muleshoe Flying Service, said a spot landing contest will be held all this week at the airport.

Students, beginners, and others flying all types of fixed-wing aircraft are eligible to compete any time during the day during the week. The six best will compete in finals from 9-6 p.m. on Saturday.

Each contestant will be given

WIBC Bowling Representative To Hold Forum

Irma Boyd, field representative of Women's International Bowling Congress will hold an open forum on Friday, September 26, at 7 p.m. in the Security State Bank community room at Farwell.

Discussed will be sanctioning, award programs, bonding programs, rules interpretation, national tournament and publicity.

City Councilmen Face Full Agenda

After not having a meeting last Tuesday, Muleshoe City Councilmen found themselves facing a full agenda of more than ten items when they met Tuesday morning.

One of the first items discussed was the drainage problem at the new city hall. Councilmen suggested that the architect of the building meet with the council to work out a solution to this problem.

They approved payment to Lampe Construction Co. \$16,842.60 which would bring the construction company's billing against the city hall to date.

Don Harmon, president of the Chamber of Commerce, and C of C Manager Jerry Hutton met with the council and asked for an agreement covering several areas after the Chamber of Commerce moves into the new city building.

On one, the city agreed to furnish all utilities with the exception of a telephone service; the chamber will pay for paneling and carpeting which will be prorated at a 20 percent decrease for the next five years. The decrease will be in the event the city decides they need the two rooms allotted to the C of C.

Responsibility will be established as to who will have keys to the new city hall and the city council will have first preference on the council meeting room.

In the event the C of C has to move due to the city needing the room, a time of six months notice has been established so that the chamber can find suitable quarters and prepare them for use.

Janitor service for the two agencies occupying the new city

hall will be agreed upon at a later date.

Jim Lovell, finance officer for the paving program in Muleshoe is scheduled to meet with the council soon to discuss the possibility of going ahead with paving of West Avenue F, north of junior high school and decide what to do about the pending law suit regarding the paving of West Avenue D.

Another area to be discussed will be the paving of Village Street which runs in front of the pump companies north of Muleshoe.

The touchy situation of the school crossing on fourth street and Highway 84 was discussed with City Manager Albert Field being requested to check into the cost of crossing lights and checking into the possibility of having crossing

"This will also enable the schools to handle traffic and crowds better at the games. "Next spring, grass will be sprigged in on the slopes at the north end of the field and all the area inside the inside curb of the track. When completed, Benny Douglass Stadium will be an attractive and more useful installation, rather than an eye-sore in the community," concluded the superintendent.

Three new teachers were hired and one resignation was accepted during the meeting. New teachers hired included Tom Smith, sixth grade math, junior high. He holds a B.A. degree from Hardin-Simmons University and has nine years teaching experience. Mrs. Tom Smith will teach sophomore English at high school. She holds a B.S. degree from Texas A and I, Kingsville. And Mrs. Smith also has 23 years teaching experience. Mrs. John (Veta) Skogland has been hired as special education teacher, junior high. She has a B.A. degree from the University of Texas, El Paso and has one year experience

In other action the school board approved minutes of the previous meeting; heard the current bills; heard the tax collection report, including the fact that 95 percent of the 1968 taxes have been collected; approved a written request for the Music Teachers Association of Muleshoe to use the high school auditorium on Sunday, December 7, for a piano ensemble presentation, which will involve approximately 150 music students and heard the student enrollment report as of Friday, September 12.

The school board also approved a resolution, submitted by the Bailey County Ministerial Alliance, protesting the distribution of unsolicited pornography sent through the U.S. Mail into private homes, and places of business.

Sixteenth and Avenue D Church of Christ will hold services in the new building for the first time Sunday. Paul Poyner will be the speaker. Mrs. Matilda Slemmons and Mrs. Mary Sweatmon left Muleshoe Wednesday for Abilene where they will stay overnight with Mrs. Slemmons' son and family, the Senn Slemmons, before enplaning Thursday morning for Kennedy Airport and a European tour.

Among the Muleshoe people attending the Amarillo Hardware Convention in Amarillo Civic Center Saturday and Sunday were Mr. and Mrs. R.A. Bradley and daughter, Devona, also attending were former Muleshoe residents, Mr. and Mrs. Slias Short of Post. Paul Poyner of Poyner's White's Auto Stores won a camper trailer, which was delivered Monday. R.A. Bradley won a set of tires as a door prize.

Mrs. Rufus Gilbreath, accompanied by her mother, Mrs. Ona Cunningham, and her sister, Mrs. A.T. Lafon, of Plainview, spent Friday to Sunday in Wichita Falls visiting with her brother and family, Mr. and Mrs. Kenneth Cunningham.

Mr. and Mrs. Ira Muse of Wilson, North Carolina and Mrs. L.H. White of Houston arrived Friday to visit Mrs. W.F. Bridson and her children. Mrs. Muse is her sister and Mrs. White an aunt. Saturday the four drove to Albuquerque to visit Mrs. Birdsong's daughter and husband, Pat and Susan Leonard. While there they celebrated Mrs. Birdsong's birthday. They returned to Muleshoe Sunday.

The drove Thursday to Amarillo to visit another daughter and family, the Robert Holts. The visitors plan to leave for Houston Friday.

or lawns and then often invade adjoining areas. Buildups are heaviest after cool, wet weather, points out Clymer. However, when host plants are limited by dry weather, fall armyworms may be found in large numbers in grain sorghum or small grain fields. Areas that have been irrigated or that are in a lush green growing condition are especially vulnerable to infestation, continued Clymer. Armyworms receive their common name by their habit of moving in large numbers in search of more favorable feeding conditions. These larvae can often be seen crawling across turnrows and irrigation ditches. A generation is possible this time of the year, but oncoming cool weather, especially in the northern counties, will reduce the chance for future adult development. Armyworms problems will disappear almost completely as we get into the late fall season, contends the entomologist. Cultural control by shallow cultivation is effective when the larvae have become full grown and have entered the soil a few inches to pupate.

Buffaloes vs. Northern Arizona Saturday

CANYON, Tex.--West Texas State University's Buffaloes enter their 10th season under coach Joe Kerbel at 8 p.m. Saturday in Buffalo Bowl against the Northern Arizona University football squad.

In Northern Arizona the Buffs will be facing a club with a new coaching staff which opened its season with an impressive romp Saturday afternoon.

Northern Arizona, formerly Arizona State of Flagstaff, zipped past California Poly, 38-7, Saturday in Flagstaff. Former professional football coach John Symank took over as head coach of the Lumberjacks this fall. On his coaching staff is former pro quarterback Lamar McHan.

This will be the first year for Kerbel to have the double job of head football coach and director of athletics. He has been pleased with the showings of his ball club during a pair of scrimmage sessions, but is looking forward to seeing his team in an actual game.

The Buffs return only four starters offensively from last year's team which had an 8-2 record, but Kerbel feels the replacements have outstanding potential.

Leading the offense is All-American candidate Duane Thomas, a 6-2, 220-pound fullback who is the 10th leading rusher in West Texas State's history.

Thomas has 1,304 yards in two years--gaining 596 yards his sophomore year and 708 last fall.

Gone is NCAA record-breaking halfback Eugene "Mercury" Morris, but Kerbel feels he has a pair of excellent replacements in Olan Thompson and Ralph "Rocky" Thompson (no relation).

Olan Thompson has rushed for over 200 yards in each of the Buff scrimmage sessions. Rocky, on the other hand, has been injured, but is expected to be ready for action Saturday night. Both backs are speed-

sters--Rocky having run a 9.5 in the 100-yard dash during an intramural track meet last fall and Olan being a 9.7 sprinter.

At the quarterback post will be Clarence "Pooky" Redie, a former all-stater at Odessa Ector High School. Redie limited his duties last year as a freshman to placement kicking and was the fourth leading kick scorer in the nation with 67 points.

Redie and senior letterman Eric Roanhaus have been impressive with their passing during early drills.

Both halfbacks, flanker Robert Jackson and tight end Willie Walker are accomplished pass receivers. Split end Dick Flynn injured a knee in Saturday's scrimmage session and will probably miss the opener. He will probably be replaced by either squadman Daryl Wynn of Follett or Tulsa sophomore Mike McCullough.

The defense returns eight defensive regulars, including all four defensive backs. Corner backs Billy Lantow and Gary Conner return, as do Ralph Anderson and Raymond Brown at the safety spots.

Redie and little Matias Garza will again handle the placement kicking, although Rocky Thompson has considerable talent along those lines. Roland Reichardt will again do the punting for the Buffs. He averaged 39.1 yards per kick last fall.

Northern Arizona quarterback Bobby Stuart, a transfer from the University of Texas at El Paso, hurled three touchdown passes in leading the Lumberjacks past Poly. He hit on 14 of 25 passes for 231 yards.

End Bobby Gray had seven receptions for 144 yards and two scores.

The Lumberjacks rolled up a 19-0 halftime lead and then coach Symank filled the field with reserves during most of the second half.

Northern Arizona's aggressive and large defensive line limited Poly to 128 yards rushing and 45 passing. Poly was able to complete only five of 19 passes during the contest.

Saturday's game will be Hereford Night, with grade school children from that city being admitted to end zone seats free of charge.

Young Homemakers, Farmers Attend Banquet, Win Honors

The eighth annual convention of Area I Young Homemakers of America was held Saturday September 13, at Gates Hall auditorium on the campus of Wayland Baptist College, Plainview.

Attending from the Muleshoe chapter of Young Homemakers were Mrs. Roland McCormick, the advisor, Mrs. Jimmy Dale Black, Mrs. Robert Hunt, Mrs. J.C. Gatewood, Mrs. Eugene Buhrman, Mrs. Darrell Nowell and Mrs. Jimmy White.

Mrs. White was a candidate for third vice president. Voting delegates from Muleshoe were Mrs. Hunt and Mrs. Nowell. Secret ballots were taken in the morning and results announced in the afternoon session. Mrs. White was elected to the office of third vice president. A club spokesman said the Muleshoe group felt proud of the honor bestowed upon her. She will be in charge of awards and projects.

In the afternoon program, Dr. Paul Roseland, a professor in the art department of Texas Tech University, spoke on "Homes in the year 2000". Entertainment was furnished by a trio called "The Square

Root of Nine", who sang a medley of songs with original lyrics.

Following the recognition of Little Sisters, a style show was given, the theme of which was "Flight to the Moon". The passer list was made up of the audience and Mrs. Paula Prewitz of the Ralls chapter was head stewardess (mistress of ceremonies).

During the parade of "styles from the year 2000" refreshments were served. Mrs. Robert Hunt from the Muleshoe chapter modeled a Grecian style of white chiffon with gold corn neckline. The costumes were all very colorful and each different in its own way.

Following the style show, Mrs. Dickie Hilcomb of Dimmitt installed the new officers, including Mrs. Jimmy White. The new president adjourned the meeting.

Saturday night the Young Homemakers and Young Farmers of America attended an awards banquet in Plainview high school cafeteria, sponsored by cooperatives and other businesses of the area, including Bailey County Electric Cooperative.

Attending from Muleshoe were Mr. and Mrs. Gerald Shanks, Mr. and Mrs. Darrell Nowell, Mr. and Mrs. Jimmy White, Mr. and Mrs. Clarence Christian, Mrs. Robert Hunt, Mrs. Roland McCormick and Joe Harbin, educational direc-

tor of Bailey County Electric Cooperative, Bill Bickel, advisor for Young Farmers, and Mrs. Keith Bray, sponsor of the Sudan group.

Jimmy White of the Muleshoe chapter of Young Farmers gave the invocation at the banquet.

Highlight of the banquet for Muleshoe chapter of Young Homemakers was receiving an award for being the outstanding new chapter in 1968-69. They were given a \$50.00 check from Pioneer Natural Gas Company.

Jimmy White of Muleshoe was elected treasurer of Area I Young Farmers.

Square Dance News

By Gail Wilcox

If you don't square dance, you don't know what you are missing. I don't think more fun could be had anywhere. There is something about this thing called "Square Dancing." It is like a disease, it catches hold of you and you can't shake it. I wonder how many wives have dragged their husbands to square dance lessons, only to wind up being the ones to be dragged by the husbands who have more fun than they ever thought possible. Square Dancing is a good clean outlet for pent-up emotions, a release for the everyday things that get on your nerves. It is also relaxing. You can be tired, worn to a frazzle, but let the music start, the caller start calling, and for some unexplainable reason, the tired leaves, you feel great, not to mention the new people you meet. SOME OF THE BEST PEOPLE ARE SQUARE DANCERS.....

We had our regular club dance Sept. 8th with Eddie being his usual self and doing the usual outstanding calling. Due to the rain we didn't have many visitors. We did, however, have a caller and his wife from Hastings, Neb. visiting us, Wes and Dorothy Mohling. He called a tip for us and was just a pretty good caller. Also, visiting was this couple's son and wife of Clovis, C.A.B. Steve and Bonnie Mohling.

Regular club members present were Jimmy and Laura Jean Presley, Henry and Becky Stoneham, Ken and Phyllis Angeley, Arnold and Pat Prater, Monty and Alissa Deller, Robert and Nelda Hunt, Eugene and Donna Shaw, Curby and Mary Brantley, Ben and Judy Roming, and Ike and Gail Wilcox. Students coming out for this were

Ronald and Brenda Scott, Tani Murrah, Terry and Lizann Gunter, Terry Wheeler, Tracy Cowan, Rick and Sheila Wilcox and Brent Blackman.

Lesson six was held Sept. 10. We only have three more to go. There has been some talk of starting another set of lessons after the first of the year. Maybe more of the farmers can be in on these, anyway we have hopes. Students and members present for these lessons were Benetta, Ben, Judy and Jo Roming, Stephanie, Curby, and Mary Brantley, Karen and Robert Stovall, Jimmy, Laura Jean and Sherman Presley, Ike, Gail, Rick and Sheila Wilcox, Lawren Hall, Terry, Tim, George and Peggy Wheeler, Belinda Nickels, Kelly Cihak, Robert, Nelda and Sheila Hunt, Jana Bruns, Tani Murrah, Joe Dan Briscoe, Debbie and Tammy Bruns, Brenda and Ronald Scott, Jeanne Freeman, Jerry Scoggin, Rhonda Stevenson, Henry Stoneham, Gayland and Kim Bock, Lizann and Terry Gunter, Kim and Tracy Cowan, Brent Blackman, Patti and Kathy Pena, Hilbert, Sherry, Mike and Jimmy Wisian and John and Lottie Bickel.

The Don Seales and a couple visiting in their home went to the Y-Squares regular club dance in Clovis Friday night. Laura reports a fine time was had. Then, going to the Swinging Wings for their regular night to retrieve our banner were Don and Laura Seales, Jimmy and Laura Jean Presley, Henry and Becky Stoneham, Curby and Mary Brantley, Ike and Gail Wilcox, Liz Seales, and Rick Wilcox.

Two long pants suits shown are most attractive—one of suede with the long overblouse sporting a chain belt and the other of tweed with a sashed wrap-over coat. Boots are good with both of these suits.

Circle Studies Spiritual Values

"Inner conflict within one's life is what makes one grow and develop character", said Mrs. Byron Gwyn, quoting from the text of "The Inner Life", the study being conducted for Progress Circle of Women's Society of Christian Service, United Methodist Church.

"Everyone living for a long time immersed in God's grace finds stretching across his inner soul a calm which nothing can destroy" - "Our faith controls our inner life".....

The Circle met Monday afternoon in the home of Mrs. Gwyn, who also conducted the opening prayer circle.

Mrs. Albert Davis, Circle chairman, presided during the business meeting and plans were made for the birthday party Tuesday at Muleshoe Nursing Home.

World Day or Prayer and Self Denial, October 29, was also discussed and it was decided Progress Circle will observe this in the chapel of the Church. Visitors are welcome, a spokesman said.

Refreshments were served to Mrs. Albert Davis, Mrs. Johnny Westbrook, Mrs. Virgie Shaw, and Mrs. M.O. Stearns by the hostess.

A prominent designer is trying to lengthen skirts this season. Many of his new creations are several inches below the knee. However, some of these long skirts are split up the front or sides which show more of the leg. This same designer also had a number of short skirts in his showing.

The length of the skirt should rest with the individual according to age and shape of the woman. The lovely Ginger Rogers wears her skirt just below the knee.

DeShazo Fry Big Success

Principal Bill Taylor introduced his teachers to Mary DeShazo Parent-Teacher Association at their Monday afternoon meeting, September 15, commending them for their good work.

A very informative talk on how the \$1.25 dues are used was given by Mrs. Don Harmon.

Mrs. Patterson's name was drawn for the room drawing. It was noted that Mrs. Griffin's room sold the most tickets for the hamburger fry.

Meetings were changed to the first Monday of each month, with hospitality time to be at 3:45 p.m.

The hamburger fry held September 12 before the football game was rated a real success, a P-TA spokesman said, 424 buns were served.

Mrs. Creston Faver, the president, wishes to thank the following firms and individuals for contributions: Wagon's Grocery, Jim's Pay and Save, White's Cashway, L & H Grocery, Eddie Beene's Grocery, Piggly Wiggly, Muleshoe Locker and Byron Gunter.

Creston Faver, chairman of the Budget and Finance committee, headed the supper. He also wishes to thank the many parents who brought cobbles, helped in the kitchen and with the clean-up, and the people who bought tickets.

Robin Taylor Discusses Mental Health For Homemakers

Muleshoe chapter of Young Homemakers of America held their first fall meeting Thursday September 11 at four o'clock in Muleshoe high school Home Ec department. The president, Mrs. Jimmy Dale Black, presided over the meeting.

Mrs. Elmer Downing gave a very inspirational devotion concerning husbands and wives. County Agent Robin Taylor then presented a program on mental health. She played a recording of a speech "Just In Case You Think You're Normal" by Dr. Murray Banks, well known psychologist, on problems of present day living. He listed the following points as ingredients of a well adjusted person:

1. Make the most of what you have.
2. A well adjusted person knows how to stay young forever.
3. Always set up new and interesting goals.
4. Live each day of your life as if it were the last on earth.
5. Your happiness depends on your attitude toward life.
6. Know how to live with yourself.
7. A well adjusted person is never a perfectionist.
8. A well adjusted person knows how to laugh at life.
9. A well adjusted person has an educated heart.

The members enjoyed the program and wish to express

appreciation to Mrs. Taylor for bringing it to them.

The Club was surprised to hear from Mrs. Taylor that it had been selected as winner of the Outstanding New Chapter award in Area I.

September 14-20 has been designated as Young Homemakers Week of Texas. The Muleshoe chapter is observing the week by having a display window at Cobb's Department Store all week and they invite everyone to go by and see the display.

Also, a membership Tea will be held in the Community room of Muleshoe State Bank Thursday, September 18, from 2:30 p.m. to 4:00 p.m. for everyone who is interested in becoming a member of the Muleshoe Chapter of Young Homemakers.

Among other items of business was a decision to ask for donations of toys to be used by FHA girls in entertaining the children of members during meetings of Young Homemakers. Anyone having unused toys, table and chairs or similar items to donate is asked to call the high school office at 272-3080 and someone will pick them up.

The Club was asked to support the Ministerial Alliance in a resolution to curtail por-

Introducing the 1970 Buicks.

Three of 36 great new Buicks. Three of the finest Buicks ever. Built with all the care and craftsmanship possible. Built with product integrity. Right down to the fine details. As a few of these fine details will prove

Every 1970 Buick has a new cooling system that should never ever overheat. • Every 1970 Buick equipped with a V8 engine has an exclusive carburetor time modulated choke control. It will make for easy starts in any weather. • Every 1970 Buick is equipped with fiberglass belted tires as standard equipment. • Every 1970 LeSabre, Wildcat, Estate Wagon, Electra 225 and Riviera has an exclusive suspension system called AccuDrive. Never has handling been easier. • All the 1970 Buicks have the look that makes people look twice.

No wonder Buick owners will keep on buying Buicks. Buicks are automobiles you can believe in.

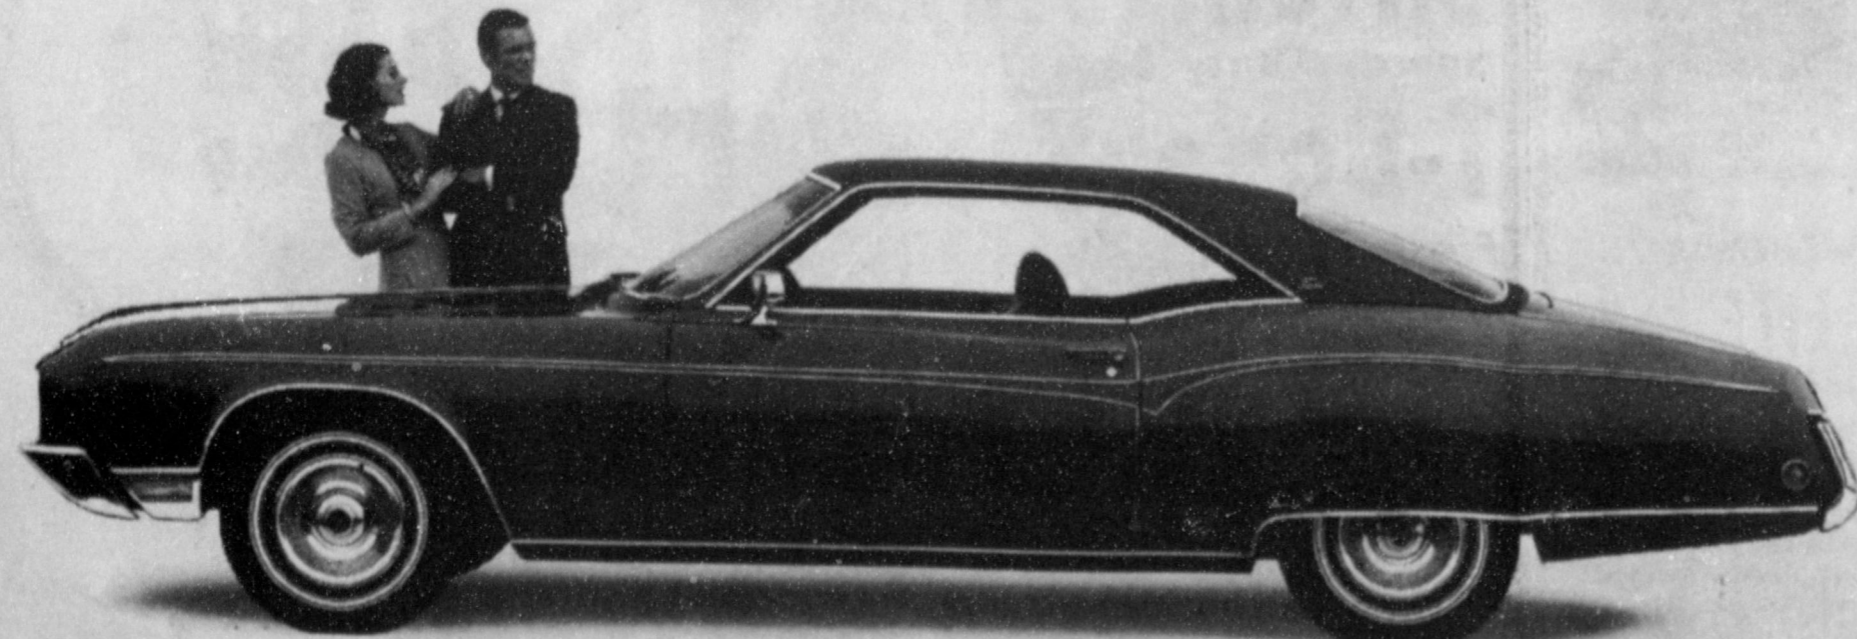

Something to believe in

1970 Buick LeSabre Custom 2-door Hardtop. With a 124-inch wheelbase. Now available with a 435-cubic inch V8.

1970 Buick Estate Wagon. Totally new. A full size wagon with a 124-inch wheelbase. The largest you can buy.

1970 Buick Riviera. An all new 455-cubic inch V8 combined with a beautifully belted 3-speed automatic transmission are a small part of what's standard.

Wouldn't you really rather have a Buick?

His gun raised hell in the West!

BUCCANEER STAMPS DOUBLE ON WEDNESDAY

Earth Women Tour Europe

Mmes. Marie Ross, Edith Brockett and Bessie Cearley left Earth early Thursday morning to join eighteen other people for a tour of Europe.

Dr. Edwin E. Hamilton, pastor of the First United Methodist Church of Clovis, New Mexico was leader of the group.

We left J.F.K. air terminal by air and arrived in France at 11:38 p.m. August 1, six hours behind schedule. When we arrived in Amsterdam we found we were too late for the tour of that city. This was very disappointing as we had looked forward to seeing historical points of this city.

We started the tour of Holland the following afternoon, starting toward Hague. The country drive was indescribable, there were many trees, flowers and windmills.

Holland has the second largest harbor in the world. It is a country of bicycles, a population of 12 million people and 600 thousand bicycles.

The bus driver was Adam Ooms and the guide Nadine Geyskes. Both are residents of Holland. The first night was spent in Schsvsninger, on the north sea. The hotel facilities were extra nice.

On Saturday August 2 we left the hotel at 8:15 and drove through the Hague, saw the Government buildings and other points of historical interest.

Holland is a level country as ours here, very clean, no mosquitoes or flies. They do not have screens on the homes. We traveled through western Holland, saw many dairy cows. The main crops are corn and sugar beets in this area.

We arrived in Cologne, Germany in time for lunch, after which we saw the famous Cathedral with two towers that was left standing when all other buildings near were bombed during World War II. We drove for miles along the Rhine River seeing many old castles and hillside vineyards along both sides of the road.

After the boat ride we were taken to the beautiful Swan Hotel in the city of Rudesheim. There were gorgeous flowers and shrubs in all the gardens here.

Sunday morning we left the Swan hotel and drove to Heidelberg. This is a most picturesque old town. The Neckar river runs through this town and the famous Heidelberg University is located here.

After leaving Heidelberg we drove 100 miles through the Black Forest, given this name because of the density and dark green color of the trees.

Germany is a rugged country compared to that of Holland. Driving through wooded and hill country all afternoon we arrived in Zurich, Switzerland at 6:30 p.m. After stopping for refreshments we got to Lucerne at 8 p.m.

There isn't enough space or time to describe all the beauty and sights of Lucerne. The city is located in the Alps. We went by cable car to the top of Mt. Palitus, about 700 feet high, riding the train down to the lake and a boat on to the city. Lucerne is where the tourists shop for Swiss watches.

Tuesday morning August 5 our group left Lucerne to drive to the Principality of Luchenstein, which lies in the mountains between Switzerland and Austria, a population of 2,200 people, one police and is 250 years old.

We then crossed the Rhine

viewed many interesting places.

Monday we traveled Vatican City. St. Peter's Church is in the center of the Square. In this we saw the window where the Pope appears on Sunday morning to bless the people. We went through many parts of museums, it was impossible to see all of the paintings and things of interest. There were so many people touring there just wasn't room for all of us to see everything. Our guide told us that last year there were 18 thousand tourist here, this year there had been 32 thousand.

I wish it were possible for me to tell you of all the beauty in the parks, and gardens in these cities. The flowers and shrubs themselves would make a long story.

We left Rome on Tuesday August 12 enroute to Pisa. Driving along the Mediterranean Sea much of the day. This area was very clear and the fields were much larger. Highways were good, most all are toll roads. We saw big machinery here for the first time.

Dame Church, which was built in the 12th century.

We left our Hotel at 6:30 a.m. for the Air terminal for our flight to London, arriving there about 10:30. About 2:30 p.m. we took a short tour of London, visited Wesley Chapel and Aldersgate St. One of our ladies played Wesley's organ and we had prayer in the chapel. We went down No. 10 Downing Street, visited the U.S. Embassy and Library.

Tuesday we toured many interesting places in London, Hyde Park a 360 acre park with a manmade lake in the center of London, Tower bridge, across Thames River, Trafalgar Square, Horse Guards, Whitehall, Houses of Parliament, West Minister Abby, St. James Park, Buckingham Palace, Roosevelt Memorial, Albert Memorial, Lincoln's Inn Fields, and many other places of historical interest.

On Tuesday afternoon we drove several miles to Windsor Castle and toured the many rooms where the Queen spent some weekends. We also toured Hampton courts, built by Cardinal Walsey and taken by Henry VIII. Many of the thousand rooms are occupied by fortunate, grace and favor tenants.

We returned to our Hotel, Tuesday's activities ended our tour of Europe. Wednesday we shopped, rested and packed for our return trip to the good old U.S.A.

This was taken from Mrs. Bessie Cearley's notes on her tour of Europe.

Farm Bureau Sets Meetings For Thursday

Ernest Ramm, Bailey Co. Farm Bureau President, announces there will be an informal meeting with President Charles Shuman of the American Farm Bureau Federation at the KOKO Palace Convention Center, Lubbock, Texas, Thursday, September 18, 1969, from 1:30 to 4:30 p.m. to discuss what is going on in Washington, D.C. relating to agriculture.

President Shuman will also be in Hereford the same day at 8:00 o'clock p.m. at the Hereford High School Auditorium to speak at the annual meeting of the Deaf Smith Co. Farm Bureau.

"You are encouraged to attend one of these meetings and participate in the discussion. It's not every day that we get the opportunity to hear, and speak with the President of the American Farm Bureau," said Ramm.

"I encourage all Farm Bureau members to take advantage of this opportunity and try to attend one of these meetings," he concluded.

Cadillac presents the Spirit of the Seventies!

The elegantly spirited 1970 Cadillac

The brilliant new 1970 Cadillac is styled to reflect the quality of life in the spirited seventies. Its striking new beauty suggests the tempo of people on the move. Richly tailored appointments welcome you to a new era of Cadillac taste and elegance. Sparkling performance invites you to experience an entirely new dimension of motoring pleasure. In all eleven

Cadillac models, you'll discover new ideas attuned to the spirited seventies. You may choose a new radio that will seek out your favorite AM, FM or stereo-only station. The aerial is neatly concealed in the windshield. This year, Cadillac engineers have again made sure that the Cadillac ride continues to be the most enjoyable in motoring history.

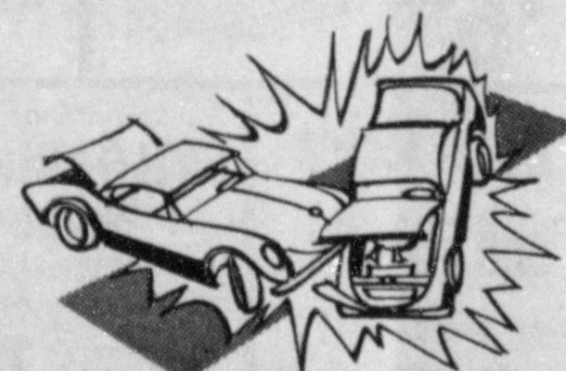

The newly spirited 8.2 litre Eldorado

The Spirit of the Seventies is nowhere more evident than in the handsome 1970 Eldorado. Behind its smoothly recessed grille is a new 8.2 litre V-8 engine (500 cubic inches), the largest V-8 ever offered in a production passenger car. Created exclusively for the front-wheel-drive Eldorado, this new power plant harbors an ample reserve to operate the power

assists one usually associates with a luxury car, while yielding a new kind of performance that will set the pace for personal cars for years to come. The instant you feel the new 8.2 litre V-8 in action, you'll know that the Fleetwood Eldorado is the world's finest personal car. The moment you drive it, you'll know that Cadillac has left the sixties far behind!

Penn State Meets Navy

With the exception of Ohio State, every team that finished in our Top Twenty last fall will be in action Saturday. That just has to mean that the 1969 football season is "Go!"

Second-ranked Penn State, Orange Bowl champion by just one point, meets Navy in the

Dear Editor

The Muleshoe Lions Club just concluded the most successful broom sale in their history and wish to thank all members of this community and local area for their support in this project. Lion Jim Shafer, project chairman, stated that sales this year exceeded last year figure by approximately \$200. All of the products sold in this sale were made by blind and physically handicapped people, Shafer remarked, "It is gratifying to know that these handicapped persons are working and attempting to make their own way instead of sitting back and asking for a 'hand-out'". Seventy-five percent of the proceeds of our sale goes back to the handicapped people who made them. The remaining twenty-five percent remains in the local community to help finance civic projects sponsored by the Muleshoe Lions Club.

Over 20 local Lions donated their time to work on this project, and all of them say "Thank You" to the members of the community who gave their enthusiastic support. Roald 'Buck' Johnson, President, Lions Club

opener for both clubs. The Nittany Lion will be tough again this year, and the Middies will be the first to verify it. Penn State will roll by Navy by 33 points.

Nebraska meets the Simpson-less Trojans of Southern Cal, our number three team last December. In this one too, the Cornhuskers will be able to write the first guidebook on Southern Cal without superstar. Our pick...Southern Cal by fifteen points.

In 4th last fall, the Georgia Bulldog, being fairly certain that the memories of the Sugar Bowl humiliation at the hands of Arkansas have faded, Georgia should whip Tulane by 32 points. And if fifth-ranked Texas starts 1969 as strong against California as it finished 1968 against Tennessee in the Cotton Bowl, watch out! The Longhorns could be Top Dog this year. They'll beat the Golden Bear by eighteen points.

Northwestern and Wisconsin, the Big Ten cellar-dwellers last fall, are making longing looks at the first floor this year. However, they run smack dab into big trouble right at the opening gun. The Wildcats are 34-point underdogs to last year's 6th-ranked team, Notre Dame, and Oklahoma, #7, is rated a heavy 36 points too potent for Wisconsin.

Tennessee finished 8th last fall, and Florida State was 10th. Neither team should have any trouble in its season opener. The Vols will be strong 29-point favorites over Chattanooga, and the Seminoles will kayo, Wichita, the spread is

30 points. Somebody had to lose in the Orange Bowl last January, and that loser was 9th-ranked Kansas. The Jayhawks take on Texas Tech, and in this curtain-raiser, Kansas will win by 19 points.

In other games involving some of last year's elite football powers, 11th-ranked Missouri is favored over the Air Force by 13 points, Arkansas, #12, co-favorite with Texas for the Southwest Conference title, will rumble by Oklahoma State by 20. Alabama is favored over V.P.I. by just two, Purdue should beat T.C.U. by 12, Houston will top Florida by 19, Auburn is 16 points better than Wake Forest, and Michigan will win over Vanderbilt by eight points.

Independence is something that the married man brags about.

Lazbuddie Schools' LONGHORN STAMPEDE

By Mike Casey

The Lazbuddie Longhorns opened their 1969 football season Friday night with a 49-0 trouncing of the New Home Leopards. The Horns defense did a remarkable job against New Home as they held them to - 3 yards rushing and 57 yards through the air.

Lazbuddie's first touchdown came on Derrell Matthews' 28 yard pass interception in the first quarter. Matthews kicked the extra point and it was 7-0. Again in the first quarter, Matthews found the end zone on a 5 yard run. Monte Barnes added the two-point conversion.

In the second stanza, Matthews got his third touchdown of the night when he streaked across the goal line on a 65 yard run. The try for the extra point was no good and at halftime the score was 21-0.

In the third quarter, Larry Hodges got things going for the Horns again when he scored on a 42 yard run. Arthur Graves added the two-point conversion and the score stood 29-0. Minutes later, the Longhorns received possession of the ball again and Arthur Graves scored on a 16 yard pass reception from Monte Barnes. Mark Barnes kicked the extra point.

In the final period of play, Larry Hodges got his second touchdown of the night, bulldozing his way over from 11 yards out. The extra point was kicked by Mark Barnes. Once more in the fourth quarter, Lazbuddie found paydirt as Monte Barnes raced across the goal

line from 6 yards out. The conversion attempt was unsuccessful and the Longhorns owned a 49-0 victory.

The Horn's next opponent will be Tatum, New Mexico. They will travel to Tatum Friday, September 19th. Game time will be 8:00 and all Lazbuddie backers are urged to attend the game.

Season programs are now on sale at the price of \$1.00. These programs contain a variety of things. Some of these are: pictures of all the football players, coaches, principals, cheerleaders, and managers, a roster of the Lazbuddie Longhorns, and all the teams Lazbuddie plays, statistics of last season, and this year's football schedule.

Three Way News

By Mrs. H.W. Garvin

The Three Way football boys played their first scrimmage game with Klondike on the Wellman field Friday night, winning the game.

Mr. and Mrs. Jimmy Wheeler and family from Lovington spent Sunday with their parents, Mr. and Mrs. Johnnie Wheeler. The W. T. Simpson family and Mr. and Mrs. Jim Simpson attended a family reunion the past week at Altus, Okla.

Mr. and Mrs. Elmer Lee and children spent the weekend fishing at Ute Lake.

Mr. and Mrs. George Tyson had all their children home Sunday. They were Mrs. Wendell Price and children from Denison; Mr. and Mrs. Tommy Durham and children from Lubbock; Mr. and Mrs. Troy Tyson and daughter from Levelland; Mr. and Mrs. Buck Tyson and sons from Morton and Mr. and Mrs. D. A. Williams and son of Sudan.

Rev. and Mrs. James Gilentine from Littlefield visited her parents Thursday, the H. W. Garvins.

Several from the community spent the weekend fishing and several spent the weekend at Ruidoso.

Mr. and Mrs. Jack Furgeson and Debby spent the weekend in Leonard visiting relatives.

Buck Johnson of Johnson-Nix, Inc., Muleshoe, attended the annual dealer meeting held by the Krause Plow Corporation in Hutchinson, Kansas, September 8th.

The Krause meeting was held at the company's plant in Hutchinson, and the day's activity was climaxed by an awards banquet.

Dealers attending the meeting were introduced to the new 1970 Krause line of tillage tools. The marketing program for 1970 was also presented.

The 1970 line of Krause tillage tools includes 18 new pieces of equipment, many of which emphasize the trend toward larger size tillage tools made necessary by larger farms and less labor. Four of the new tools, for instance, are over 30 feet in width, are flexible in use and fold-up for transporting.

New implements shown were offset disc harrows, tandem disc harrows, flexible sweep plows, roto-chisels, chisel plows and accessory equipment.

Norman Krause, President of the Hutchinson based company stated: "The addition of these new implements enables us to offer our dealers and customers the most complete line in Krause history". Adv.

Mr. and Mrs. Dutch Powell and girls spent a few days at Ruidoso and El Paso the past week.

The Three Way school started Tuesday, September 2, with several new teachers.

Mr. and Mrs. Johnnie Wheeler was in Lubbock Tuesday on business. Several men of the community are remodeling the concession

stand at the football field at the Three Way school. Tuesday morning with a good attendance. We hope to have a very good school year.

Mrs. Dutch Powell was in Levelland Wednesday on business. Jack Furgeson and T.D. Davis went to central Texas on a business trip this week.

STATE CAPITAL

Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, TEX. -- Legislators battled wearily toward a conclusion of the second special session, with some indications of a conclusion developing.

A Senate-written version of the tax bill came within six votes of adoption in the House. But Representatives balked at the Senate's compromise \$357.6 million tax bill which included a new "destination allocation formula" designed to collect a corporation franchise tax on out-of-state industries selling products in Texas.

Senate first turned a deaf ear to the House request for a new conference committee.

Gov. Preston Smith and Lt. Gov. Ben Barnes pressed hard for House adoption of the Senate amendments to HB 4, but Speaker Gus Mutscher said the measure remained a "bad bill."

Only really-new idea in the compromise was the destination allocation formula.

Otherwise it called for a quarter per cent increase (to 3.5) in the state sales tax and inclusion of beer and liquor under its base; five cents a pack raise on cigarettes; 50-cent (to \$3.25 per \$1,000) raise in corporation franchise tax rate; one half per cent (to 7.5 per cent of value) hike in natural gas tax, and 10 cents a drink tax on alcoholic beverages sold in private clubs and on airlines.

Rep. John Allen of Longview denounced the big-city members for failure to support the tax bill. He pointed out that of 19 members from Harris County, only one voted for the tax bill. And this is the county that gets 20 per cent of the state spending, Allen said.

Allen noted that other big-city delegations voted against the bill, except for the Dallas delegation, and that 54 of the 68 votes cast for the bill, were from members from rural or small-city areas.

He pointed to the coming re-apportionment after the 1970 census and asked: "How will we ever pass a tax bill when Houston gets 24 members and only one of them will vote for a tax bill?"

This rural-urban split in the House was just one of many developments as the weary legislators fought to put a majority of each house together on a tax package to sustain state government during the next two years.

Senate first enacted, then backed down on its unusual proposal to levy a \$1 per ticket tax on admissions to "dirty movies." Original bill would have designated the Commissioner of Bureau of Labor Statistics (who supervises boxing and wrestling) to review all movies coming into the state and determine those which should be rated "X" for adult audiences only. The latter were targeted for the tax. After thinking it over a couple of days, Senate bowed to the advice of members who argued that the regulation of sexy movies should be left to a separate bill, not a tax measure.

Increases in teachers' and state workers' pay, expansion of the college and university system, and improvements in the care of the mentally ill account for most of the increase in state spending.

But how to put together a tax package to provide the money was the question which troubled the legislators in the second week of the second special session.

APPOINTMENTS

Governor Smith named Charles D. Mathews of Dallas to Texas Board of Insurance and designated Ned Price, formerly of Tyler, chairman of the major state agency.

Smith picked Reynaldo Ferrer Luna of San Diego and Frank Randall Nye Jr. of Rio Grande City as judge and district attorney respectively of the new 299th judicial district, for Starr, Duval and Jim Hogg counties.

At the same time, he selected Ted Zanderson Robertson of Dallas judge of Juvenile Court No. 2 in Dallas. Senate quickly confirmed all three, Jackson B. Smith Jr. and Wallace Harland Miller of Houston were named to domestic relations and juvenile court benches there.

Smith placed on the new Commission for Rehabilitation Mrs. Marjorie Cone Kastman of Lubbock, John David Simpson Jr. of Austin (Chairman), Dr. John James Hinchey of San Antonio, Dr. Clifford Stanley Knappe of Waco, John Thomas Bean of El

Paso and Jack Burris Dale of Houston.

Capt. Richard Gerald Johnson of Beaumont, Capt. Theodore Ralph Morgan of Groves and Capt. Samuel William Livingston, Daniel Jackson Simonton and Harold Edwin Weaver, all of Port Arthur, were designated by the Governor as branch pilots for Sabine Bar, Pass and Tributaries.

James R. Ray of Plainview will serve on Smith's staff and assist the new Committee of Human Relations.

GUEST RULE DELAYED

Tough new rules of the Liquor Control Board to curb temporary guest card abuses at private bottle clubs cannot be enforced pending appeal of a court case here.

District Judge James Meyers concluded that LCB rules are valid, but they should not be put into full effect until final disposition of the case on appeal.

In the lawsuit, Dallas clubs claimed the rule would close 75 per cent of Texas private clubs, many of which aren't so private. Rule would require guests to be personally introduced or physically accompanied by a club member. Bills would have to be paid by members on monthly statements, not in cash by guests.

LCB said applications for late hours (2 a.m.) drinking permits for clubs and taverns are being screened carefully. Only 18 were approved in the week before the new curfew-stretching law went into effect September 1.

SADLER INVESTIGATION REQUESTED--An investigation of allegations made against Land Commissioner Jerry Sadler under careful procedural safeguards has been proposed to the House by Rep. Temple Dickson of Sweetwater, one of the men who fought an attempt by Rep. Frances Farenthold of Corpus Christi to censure Sadler.

Dickson's resolution would require any investigating committee to give any person under investigation a bill of particulars on what is to be investigated, including all allegations made by members of the Legislature. It would require the committee to allow the subject of an investigation to be present at its meetings either in person or by counsel and be entitled to cross-examine all witnesses. Bill also would require that all testimony be under oath and that it be transcribed by a court reporter. And it would give the commit-

tee subpoena power, both inside and outside Texas.

Resolution directs Speaker Mutscher to refer the matter to an appropriate committee. Mutscher already has said that he will refer it to the House General Investigating Committee, and that Rep. Dick Cory of Victoria will be chairman of that committee.

577 PASS BAR--Five hundred and 77 new lawyers will be licensed in Supreme Court ceremonies here September 15. Four separate ceremonies will be held because of unusual size of class.

Rufus Stovall Scott and Paul L. Tubb, both Southern Methodist University school of law graduates, scored high grades on summer test, with overall average of 89.

SHORT SNORTS

Coordinating Board, Texas College and University System ratified sale of \$14 million in student loan bonds at a rate of 5.41 per cent to First National City Bank of New York.

Texas Parks and Wildlife Department will hold regulatory hearings September 16-17 prior to setting seasons and bag limits for game and fish for Ector,

Nine Accidents Within County During August

The Texas Highway Patrol investigated nine accidents on rural highways in Bailey County during the month of August, according to Sergeant Thurman Ketter, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed, five persons injured and an estimated property damage of \$10,010.00.

The rural accident summary for this county during the first eight months of 1969 shows a total of 33 accidents resulting in no persons killed, 14 persons injured, and an estimated property damage of \$37,350.00.

With the beginning of school, the sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Pioneer Citizen Celebrates 80 Years

Walter Damron

Walter Damron of the Circleback community was honored by his family Sunday, September 14, on his eightieth birthday. A covered dish meal was served at noon for family members at American Legion Hall.

A cake, baked for him by Mrs. Whitt Barber, was decorated to look like an "ole fishing hole" since fishing is his favorite passtime since retirement. It had the blue pond with tiny boat and jumping fish, a grassy plot beside it, complete with a sleeping fisherman under a tree and a string of fish, the sides of the cake iced to resemble brown earth. An arrangement of pink and white flowers topped with '80' encircled with gold completed the table decorations. A card was inscribed "Happy Birthday, Papa".

Walter Damron was born in Denton County September 14, 1889 and moved with his family to Oklahoma when very small. One of the many towns in Oklahoma where the family lived was Mountain View and he attended school here part of the years. He was one of nine children. One brother, John Damron, lives at Littlefield; a sister, Mrs. Myrtle Woodard, lives in Amarillo; and Mrs. Frank Hartley who formerly lived here now lives at Englewood, Texas.

Walter Damron and Liza Malone were married November 6, 1910 in Hardeman County.

They were parents of four children, only two of them living. They are Mrs. Ruby Garner of Muleshoe and Floyd Damron of Bovina. There are seven grandchildren, four step-grandchildren and eight great grandchildren.

The Damrons moved to Oklahoma to the Lorenzo community where they lived one year and then moved to Ralls where they lived ten or twelve years before moving to Circleback community in 1922. Although he is retired from farming, Damron still keeps some stock and works in the fall at Gage Gin in the Circleback community.

He is an Odd Fellow and has been a member of the Needmore Lodge No. 33 for 35 years. He is a member of the Sudan Church of Christ, served on the REA Board eight years, and in fact, helped organize both the REA and the telephone cooperative. He was president of the telephone cooperative fourteen years and "did not miss a single meeting night, I have a plaque for it".

Damron has been a fisherman most of his life and said when his partner, Ves Garner, could no longer fish with him he "sold his boat".

When asked how he lived eighty years and maintained his absolutely straight posture, he replied, "I did not stay in the house all the time and I did not drink whiskey-I have just been lucky".

107 persons registered for the reception at American Legion Hall Sunday afternoon from two to five o'clock. They were

from Merced, Calif., (Col. and Mrs. Douglas H. Smith) and his nephew and wife, Mr. and Mrs. Arthur Neil of Dallas; Mrs. Moore from Thatcher, Ariz.; and from Amarillo, Hereford, Morton, Plainview, Lubbock, Olton, Hart, Dimmitt, Canyon, Clovis, Sudan, Fiomot, Friona and from the Muleshoe area.

Mrs. McGee Hosts CWF

Peggy McGee was hostess for a 12:00 noon luncheon recently of Christian Women's Fellowship held in the Fellowship Room of First Christian Church. Fall floral arrangements, flanked by fruit, decorated the tables.

A workshop period was conducted by Mrs. Walter Bartholf on "The Dignity of Common Work".

In a business session the year's programs and goals were planned. A bake and stew sale is to be held October 15.

The next meeting will be held October 14 in the home of Mrs. T.R. White.

Attending were Leota Wilterding, Sybil Allen, Mrs. Bob Solomon, Mrs. R.F. Wright, Mrs. J. Pat Wagon, Mrs. T.R. White, Mrs. Bobby McGee and Mrs. Walter Bartholf.

Clothes for the college girl have a rather soft look this season. Many of the fabrics are of Perma press type or wash and dry.

LeMans Sport

GTO

Bonneville

(We take the fun of driving seriously.)

This is the way it's going to be. Pontiac's 70's

Surprised that Pontiac's setting the style for the umpteenth straight year? Of course not.

But you may be a bit dazzled to find out that Pontiac finally outdid Pontiac.

Take Bonneville. From the strong, new bumper grille to the standard 455 under the hood, it's a rouser.

Inside: instant limousine. So luxurious some of the traditional big boys are already screaming.

One of the nicest things we could have done for Grand Prix's luxury was to leave it alone. We did. But we popped in a 455 V-8 for you to order. (It's an old Pontiac proverb that luxury

should have power.)

Enter LeMans Sport. A brand-new series in the Pontiac stable. Wait'll competition sees it pull the new 400-cubes-under-the-hood trick. We'll show you that one if you check the right box on the order form.

By now, you've spotted our '70 GTO. But maybe you haven't heard it. A sound so tough we've thrown modesty to the wind and dubbed GTO "The Humbler."

This is Pontiac '70. And we figure this is the way driving's going to be. So why wait?

It's at your Pontiac dealer's now.

High Protein Rations Increase Calf Growth

COLLEGE STATION, Aug. 28--Feedlot dairy calves will do a better weight gaining job on high level protein rations than those receiving less protein, recent studies at Texas A&M University show.

The research also revealed that dairy calves can compare favorably with beeftype calves in overall feedlot performance. Rate of gain was comparable, and feed efficiency was greater, and there was no major difference in physical and chemical properties of the meat.

Dr. G.T. King of the A&M Animal Science Department said the research is significant because there is now a surplus of dairy or dairy-type calves from the dairy industry. More of these animals are going into commercial feedlots.

Overall objective of the experiment was to determine if protein level and quality affects rate of gain and efficiency of gain, and to learn how dairy beef measures up to that from beef animals.

King said 16 Holstein bulls and 16 Holstein steers were fed two rations of different Protein levels (18 percent and 15 percent digestible protein) and slaughtered at 600 pounds.

Calves getting the high level protein gained significantly more than those on the low level. But the protein level had no big effect on yield of bone-in or boneless steak and roast cuts. Animals on the low protein showed significantly larger fiber diameter and higher percent of moisture.

The rations had no major effect on tenderness, juiciness, flavor and overall eating satisfaction. King pointed out, Compared to beef loins, the dairy loins had a higher moisture percentage and were lower in fat. King said tenderness, juiciness, flavor and overall eating satisfaction were not significantly different between the two loin groups.
