Sheriff Declines Dispatcher Duties

Muleshoe to Clash With Denver City

Muleshoe's Mules will clash with the Denver City Mustangs Friday night and are practicing at full tilt going out for a 'BIG' win against the DC team.

The Mustangs were walloped last Friday night by the Andrews Mustangs as they slugged it out on the field at Denver City. The DC team fell before

the Andrews beefed up team, 42-7. The Mules are hoping to make it two in a row Friday night. Halfback Jerry Newman triggered the sole DC touchdown in the second verse on a 63-yard gambol and a four-yard push by back Ricky Hatfield put the DC team over the goal.

These two speedy young gentlemen just may be the couple to watch as the Mules look for their first win of the 1969 football season.

In their second game of the season, Denver City rolled past luckless Lovington, N.M., 12-0, while in the first game with Seminole, the Mustangs topped 21-6. Thus, the DC Mustangs will be coming in with a 1-2 record for the year.

Monday night, at the Athletic Booster meeting, Athletic Director Fred Hedgecock said he thought that probably the Mustangs will be the toughest team the Mules will face all year.

He stated, "They execute the ball better than anyone we have watched on film this year, however, the boys can win. I feel that our boys have no defeatist attitude at all, they feel like they can win, so I feel like we can win."

The coach said Olton played as good a defensive game as he had ever seen and that the Mules had a bad night. He stated that it is difficult to try to determine what causes a bad night and there is no other way to put it, he stated, the Mules had a bad night.

"I think we can play a lot better ball than we played Friday night," he said. "Football is much like the game of life. You try as hard as you can and get knocked down. The secret is -- when you get knocked down, get up. You've got to get up and get after it. This our boys did. They have taught me three times more than I have taught them."

Mr. and Mrs. George Tompkins and Mrs. Rachel Sterling returned to Muleshoe after a week's visit in Brady with Mr. and Mrs. Ollie Sterling, Mrs. Tompkins and Sterling are brother and sister and Mrs. Rachel Sterling is their mother.

Weekend visitors in the homes of Vera Engelking and the R. L. Matthiesens were Henry Franz Sr., Avoca, Iowa and Mr. and Mrs. Henry Franz Jr., Omaha, Neb.

A/1c Richard C. Moore, Cannon Air Force Base, Clovis, was a weekend visitor in the W. F. Creamer home.

Airman Moore has been attending school at Chanute AFB, Ill. then spent 15 days at his home in Tulsa, Okla. before returning to duty at Cannon.

Muleshoe has 31 students enrolled in South Plains College at Levelland for this semester. They join the all-time high enrollment of 1,659 students for this 11 year old college.

Represented in the enrollment are fifteen states, including Hawaii and four foreign countries.

Students are enrolled from 151 towns in Texas and fourteen towns in New Mexico.

Mrs. David Anderson returned to Muleshoe Friday recently after spending some time in Houston with her daughter and family, the Jim Denisons. Davy Jean and little son, Jimmy returned to Muleshoe with her to stay until Denison comes for them next week.

Doyle Linville, son of Mrs. Odessa Linville of Muleshoe, a sophomore student at South Plains College, has been named as Assistant Student Intramural Director. His major is physical education.

This year, Linville is president.

Cont'd. on Page 2, Col. 6

"It took some screaming, hollering and yelling, to get everyone out to practice Monday," he said, "but the boys finally got me out of the dressing room and onto the field. In other words, the boys are really working and working hard. They did what very few adults can do, practice hard and work hard on top of a hard defeat."

"The greatest thing you or any adult can do is to encourage these boys," he commented, "Walk up and give them a pat on the shoulder and tell them they did their best. They certainly deserve it."

Concluding, the coach said, "It is embarrassing to them to lose, yet when they can come out on Monday and still practice as hard as they do, work to try to correct their mistakes, I cannot be disappointed in them."

During the meeting, the Booster Club approved sponsoring the Harlem Stars, a trick basketball team, within the next few months. The date will be announced later, and will probably be in December or January.

Following the game Friday night, free coffee, hot chocolate and spudnuts will be served by the Muleshoe Athletic Booster Club.

Senior Class To Sponsor Chili Supper

A chili supper will be sponsored by the senior class of Muleshoe High School on Friday, Oct. 3 in the high school cafeteria.

The supper will be held from 5:30-8:00 p.m., prior to the Muleshoe-Denver City football game.

Tickets are available from any senior at this time for \$1.25.

The meal will be prepared by parents of the senior class and the menu will include chili (prepared under the direction of Mrs. Don Bryant); beans, coffee, tea and cherry cobbler (prepared under direction of Mrs. S. M. Ethridge).

Chairmen of the food committee are Mrs. C. J. Feagley and Mrs. Herbert Griffiths.

All parents who have not contributed meat for the chili are asked to send \$3 to Mrs. Eric Smith at the school as she is one of the senior class sponsors.

The senior class students said, "The senior class, senior sponsors and parents of the senior class will appreciate any support given to this class project."

Freshmen Edge Frenship, 8-6

Trailing at the half by a score of 6-0, the Muleshoe freshmen romped back in the fourth and scored early in the quarter.

Gerald Bara ran 20 yards on an option play from quarterback Charles Ray Young. Bara also plunged through the line with two extra points that defeated the Frenship team, 8-6.

Cited by Coach Bob Graves for outstanding action in the game were for offense, Gerald Bara, Joe Lopez, Kenny Taylor, Raymond Davenport and Delmer Bleeker.

Outstanding defensive players were Danny Blaylock, Rex Black, Billy Williams, Joe Lopez, David Harris and Gerald Bara.

The freshmen will travel to Springlake tonight (Thursday) for a game with the Earth-Springlake freshmen. Game time is 7 p.m.

Little Mules Stomp Two Portales Teams

Last week, the Muleshoe Junior High School eighth grade A and B teams both defeated Littlefield and left them with nightmares of the number 22. Both teams fell 22-0 to the Little Mules.

Thursday, the Little Mules flexed their muscles and downed the Portales eighth grade A and B teams, both with scores in the 30s. The B team defeated the Rams 35-0 and the A team downed the Rams A team 34-0 in one-sided tilts.

Starting things off with a bang in the first quarter of the B game, Danny Rodriguez scampered unopposed 55 yards in the second play of the game and went into the end zone standing up. The scoreboard clock showed 4:45 and the score stood at 6-0 after the PAT attempt failed.

Quarterback Don Long barreled over from the three yard line at 1:51 of the first for the second TD, then heaved a beautiful pass to Fred Locker for an extra two points to make it 14-0.

Unable to move into Mule territory in the first half, the Rams nevertheless held the Mules in the second quarter and the half ended, 14-0.

Ollie Kirven found a hole and broke through in the third to add a 21-yard TD run with 1:34

Enrollment Over 2,000 In Four Schools

Enrollment in the four Muleshoe school, topped the 2,000 mark after the first 20 days of school for the 1969-70 school year.

Figures released by Superintendent Neal Dillman show that a total of 2,010 students are enrolled in the schools, as compared to 1965 on the same date last year.

High school lists 133 seniors, 129 juniors, 153 sophomores and 191 freshmen, for a total of 588. This represents an increase of 59 over the 529 students last year.

Junior high registered a decrease of 25 students. A total of 509 are presently registered, compared to 534 at the same time last year. There are 169 eighth graders; 180 seventh graders; 150 sixth graders and 10 students in special education.

Mary DeShazo Elementary School picked up an additional 11 students over the 469 registered on September 27 last year, for a total of 480 students. There are 89 in the fifth grade; 65 in the fourth grade; 92 in the third grade; 101 in the second; 122 in the first; 24 pre-school and 11 special education students.

There are 433 students registered at Richland Hills Elementary School, the same number as were registered at the school at this time last year. This represents 80 second graders; 96 first graders; 15 preschoolers and five special education students.

on the clock and Long ran an extra two points to make it 22-0.

The Muleshoe team recovered a Ram fumble on the Portales 30 to set up Don Long, who twisted, backtracked, was stopped four times, yet broke loose and squirmed all over the field to make it from the Ram 20 across the goal line. The score was 28-0 and 5:33 was on the clock in the fourth.

Terry Stewart made a couple of top defensive stops and the Little Mules took possession of the ball.

Rodriguez added the final touch as the scoreboard clock was running out. He made it on a 56-yard scramble downfield. The clock ran out as he was on the 10-yard line, but as the play was alive the TD counted for the Mules. Kirvin ran the extra points to end the game and the scoring at 36-0.

The Rams managed to penetrate Mule territory only one time in the game and that was late in the fourth quarter. They got to the Mule 32 line before losing ground.

A smiling Coach F. D. 'Fate' Harris was noted leaving the field with his team.

Coach Charles Stout had occasion to smile in the second game as the Little Mule A team for the eighth grade added

Cont'd. on Page 2, Col. 7

Don Harmon Re-elected C of C Prexy

Don Harmon of Tri County Savings and Loan, was re-elected president of the Muleshoe Chamber of Commerce for the 1969-70 year.

The nomination committee of the Chamber of Commerce met Monday, Sept. 29, to tabulate the results of balloting for the upcoming year.

Neal Dillman, Superintendent of Muleshoe Schools, is vice president; Clarence Jones, Plains Auto Parts, treasurer; directors include R. A. Bradley, Fry and Cox; B. E. Lloyd, Muleshoe State Bank; Don Rempe, Whitt, Watts and Rempe and Joe Pat Wagon, White's Cashway.

NOTICE

Rev. Walter Bartholf, president of the Bailey County Ministerial Alliance has asked that all clubs, businesses and other organizations who have resolutions on the proposed pornography legislation to please complete them and return to the Alliance as soon as possible.

He said that to date, they have more than 5,700 area people signed up on petitions to be set to three Congressmen.

Inadequate Funds Cited as Reason

Sheriff Dee Clements advised the County Judge, Don Chah, and the County Commissioners Court that he is unwilling to take charge of the Muleshoe Law Enforcement Center Radio dispatch operation. His reason is the refusal of the county commissioners to provide adequate operational funds as well as an adequate increase in salary for the present County Deputy Sheriff and Dispatcher, Irene Splawn.

The sheriff stated "At this time, enough money has not been budgeted for payment to dispatchers for vacations, hospital sick leave or holidays."

"When the three present city dispatchers are transferred to the Law Enforcement Center, additional funds will be needed to hire a replacement dispatcher to replace the regular dispatcher during vacations, illness and holidays."

"An allocation of \$600 has been made," he continued, "to pay vacations; sick leave and holidays. Not including any sick leave at all, a minimum of \$840 will be needed to pay a replacement dispatcher for holidays and vacations only."

"The city has been providing two weeks sick leave and two weeks paid vacation, as well as a retirement program."

"The county has budgeted the \$600 when a minimum to cover extra time for dispatchers in my estimate should be approximately \$1,400. This, of course, would be subject to the amount of necessary sick leave and the actual amount of personnel illness."

The sheriff noted that in the contract of city participation in the operational expense of the Law Enforcement Center, the City of Muleshoe has agreed to pay 60 percent of the dispatcher expense and the county has agreed to provide 24-hour radio dispatch service in order to maintain efficient law enforcement and fire protection for Bailey County. This 24-hour service, in addition to providing necessary communications for law enforcement and fire protection, he said, also results in lower fire insurance premiums for property owners.

Clements said it is vital to have at least one person in the enforcement center at all times for various types of emergencies.

He said that Deputy Sheriff Splawn has been receiving \$285 a month, based on a 40 hour week and that in view of the additional time required; responsibility and experience of Deputy Splawn, her salary should be increased to a minimum of other Bailey County courthouse women chief deputies, which is \$305 a month.

Junior High Band Selling Magazines

Bob Badger, Muleshoe Junior High School bandmaster, has announced that the junior high band is presently selling subscriptions to leading magazines and also new subscriptions and renewals to the Muleshoe and Bailey County Journals.

They are using the Quality School Plan, the same plan being used by the high school band.

Badger said they are being allowed to keep their percentage of sales for the band 'Blazer' fund. The 94 members of the junior high band are attempting to obtain enough money

Cont'd. on Page 2, Col. 8

Benefits Of Topping Cotton Questionable

Questions arise each year among producers concerning the practice of topping cotton. Is it a paying proposition? Can I gain in lint yield and quality by removing terminal growth?

Obviously, there is no pat answer to these questions, says Bailey County Agricultural Agent J. K. Adams. Research in several cotton-belt states has generally shown no advantage from topping. In cases where yields were increased, the grain was small. Important factors such as the season, variety and frost date no doubt affect results of this practice. Topping too early causes lateral branches to grow and actually defeats the purpose of topping, commented the county agent.

Topping removes excessive terminal growth to allow better sunlight penetration as well as air circulation around lower maturing bolls. Light seems to promote boll development and maturation, he added. Therefore, plants with mature bottom bolls but with immature fruit in rank top growth would benefit most from topping. Yet, even under these conditions, beneficial results are not always assured.

One problem, explains Adams, is that topping will remove some mature bolls that

should be kept while leaving some immature bolls that should be removed. In other words, mature and immature bolls are usually not distinctly separated on the cotton plant. On the other hand, little or no advantage can be expected on cotton with quarter size and larger bolls near the top. In fact, reduction in yield can be expected when topping this type cotton, he continued.

Another reported advantage of topping is reducing foliage to aid in stripper harvesting, adds Adams. This may be especially beneficial in rank cotton receiving excess water in certain areas of the field. However, most cotton this year is generally not too large due to the hot, dry summer. Therefore, the need for topping is less than in previous years.

Of course, reminds Adams, the primary factor to consider is the cost of this practice. Topping costs will range from \$2-\$4 per acre. This means a yield advantage of at least 25 to 30 pounds of lint needed for a break-even proposition. So the producer should take a careful look at this practice before considering it. If you can only expect to break even, the time and money can be more profitably spent on other enterprises.

FIRST COTTON IN BAILEY COUNTY--Bailey County's first cotton for 1969 was ginned Monday. The cotton was produced by A. R. McGuire who farms five miles west of Muleshoe. The cotton, which was ginned at Muleshoe Co-op Gins, produced 465 pounds of lint cotton and 920 pounds of seed from 2,100 pounds of seed cotton. He planted LSM variety seed on April 30 and irrigated the crop two times.

Sheriff...

Continued from Page 1

In checking with various area counties, the average pay for an office deputy is \$325 monthly. Another situation the sheriff discussed was the salary of his male deputies. He said that pay for deputies in the area with the same responsibilities ranges from \$425 to \$512. His deputies are paid \$354 and \$400. He said he feels that his deputies should be paid equal salary, subject to experience and qualifications. The last pay

raise allowed a deputy was approximately a year and a half ago.

At that time, the county commissioners raised the pay of one deputy and did not raise the pay of the other.

The city police officers in Muleshoe, excluding the chief, are paid \$400 for a patrolman and \$425 for the assistant chief, with a \$15 monthly clothing allowance. The city officers also presently are paid on an overtime basis, as they are operating one patrolman short. Sheriff Clements said that at times when the sheriff's

office is operating short a deputy, no provision for overtime payment is made.

Sheriff Clements said that experienced deputies should be paid a minimum of \$450 as he feels that since they are on duty or on call 24 hours a day, this figure is certainly not out of line on the salary scale.

This is needed, he explained, in order to have trained and qualified officers and provide adequate protection for the citizens.

A rookie Texas Highway Patrolman starts at a salary of \$628, which is more than \$200

in excess of what a local deputy is paid.

Sheriff Clements stated that the actual money he receives at this time is slightly less than it was 13 years ago when he first assumed the office of sheriff.

During 13 years as sheriff, he has received two blanket raises which have included all courthouse personnel, including the county commissioners.

In the past, the sheriff received \$50 per month expense money plus 15 cents per day for feeding prisoners, which amounted to approximately \$50

per month. The county has deleted these two items from the budget which makes the funds for the sheriff a little less than it was 13 years ago.

Sheriff Clements stated that in order to have the new, modern Law Enforcement Center operate at peak efficiency and with a minimum of discontent and personnel turnover, these salary improvements will be necessary.

When contacted prior to presstime, County Judge Don Chihak said that he had mailed letters to county commissioners advising them of the

sheriff's action.

"We agreed to provide 24-hour dispatcher service and it is very vital," he commented. "It will be up to the county commissioners court to make the necessary arrangements to provide this service when the Law Enforcement Center is opened."

"When the commissioners meet Thursday, which is a regular meeting day, we will talk it over and decide what to do," he stated.

When contacted by the Journal, County Commissioner Matt Dudley of Precinct One, said "No comment—we will meet Thursday and thrash this out. I got a letter today and need a couple of days to study it out."

Lloyd Stephens, county commissioner, Precinct Two, commented, "I wouldn't care to make any comment until the commissioners have time to discuss the situation."

"When we meet Thursday, maybe we can come up with some solution."

W. H. Eubanks, county commissioner, Precinct Three, said "I feel that the dispatcher's job is part of the sheriff's responsibility to see that it is operated."

"However, I feel that I should reserve further comment until after the commissioners meet Thursday."

R. P. McCall, county commissioner, Precinct Four, was not available for comment before presstime.

United States Senate

COMMITTEE ON ARMED SERVICES

OUR HOUSING NEEDS AND HOW TO MEET THEM

Our nation is suffering from a severe housing shortage. In fact, it is one of the most formidable crises to ever face our nation. In order to adequately house all Americans, we must construct some 2,700,000 new housing units each year for the next ten years. In order to meet the housing demands of our country from now through this century, we must build a city the size of Amarillo and Lubbock combined every remaining week of the century.

We are presently falling far short of this goal. It is expected that during this year only about 1,400,000 new housing units will actually be constructed. This is only about half the number of new units we must build every year for the next decade if we are to meet the great demand for additional housing in our nation.

I believe Congress must provide federal legislation which will encourage and enable the administration to mold a policy which will provide the necessary incentive for the housing industry to re-double its current efforts. The industry has made significant strides in recent years and I am confident that private enterprise has the capability of meeting our nation's housing needs if we will only properly encourage it through an intelligent government policy.

The Department of Housing and Urban Development is now sponsoring 'Operation Breakthrough' which I believe will greatly improve this nation's capability for meeting the severe housing shortage which faces us. In 'Operation Breakthrough' the Department called upon the housing industry to step forward with new technology, techniques, materials and construction methods, including pre-assembled products, which would enable the construction of additional good quality units at a lower per unit cost.

The basic concept of 'Operation Breakthrough' perceives a concentration of the market and volume purchasing power which will permit economies of scale and volume discounts to be passed on to the various communities and their respective housing authorities.

The housing industry has already responded with enthusiasm to 'Operation Breakthrough.' It has come forward with a variety of imaginative approaches of which most are quite practical and should be utilized in our future federally-assisted public housing efforts.

The new technique most likely to enable us to provide low cost housing of acceptable quality for all Americans is mass production. An AFL-CIO representative testified before the Senate Housing Subcommittee earlier this year that volume production must be utilized in order to enable any sizeable increase in the construction of new housing units.

I fully agree with that view and Secretary Romney has informed me that he also agrees. It is my feeling that we can simultaneously obtain the objectives of lower cost and improved quality in federally-assisted housing by the development and utilization of new housing technology.

This past week the Housing Act of 1969 was approved by the Senate. As ranking Republican of the Housing Subcommittee, I sponsored an amendment to that legislation to add language directing the Secretary of Housing and Urban Development to assure that the new technology, techniques, materials and construction methods now available within the housing industry will be utilized in federally-assisted public housing projects in the future. My amendment was agreed to by my colleagues in the Senate and it is now a part of the legislation. After Senate passage, the bill went to the House of Representatives for consideration by that body.

Secretary Romney set forth the possible roadblocks to utilization of new technology in a letter he wrote me recently. In it he said, and I quote, "Any limitations placed on our ability to utilize advances in technology to produce more housing -- whether imposed by zoning, building codes, or labor practices -- keeps us from producing the housing this country urgently needs." (End of quote).

Annual...

Continued from Page 1

insult to injury by racking up 34 points in the first three quarters of that game, while holding the Rams eighth grade A team not only scoreless but in their own territory.

David Wheat added the final TD of the A game at 1:42 of the third with an eight yard gallop. The PAT attempt failed as a pass play was knocked down.

The Rams came alive in the fourth and on a series of passes moved to the shadow of the goal posts before losing out on downs.

Muleshoe was again in threatening position on the Rams 10 when the clock ran out.

The game ended, 34-0. The eighth grade A and E teams are idle this week, but will play Gattis Junior High (Clovis) eighth grade A and E teams on Tuesday, Oct. 7 in Benny Douglass Stadium.

I believe the nation has reached a time when it must decide whether it will provide an opportunity for all Americans to obtain housing of good quality. I believe we must provide that opportunity, but we will be unable to succeed with full utilization of the new technology which is being developed by the housing industry.

I wanted to guard against any future possibility that for some reason the new technology now available might not be put to use.

I feel that new technology and mass-produced housing are the answers to many of our housing problems. That is why I felt so strongly about the need for my amendment, and that is why I am so pleased that it has been incorporated into the housing legislation which is now proceeding through the Congress.

We must try to achieve our housing goals for all Americans.

TOYS FOR GOOD WILL CENTER--Muleshoe Jayceettes recently voted to purchase toys for the Muleshoe Goodwill Center. Three of their members, left to right, Mrs. Clarence Christian, Mrs. John Blackwell and Mrs. Marlin Mills, are shown with the teachers, second from right, Mrs. George Washington and Mrs. Charles Bratcher. The selection of toys range from 'just fun' to educational.

Attend Heritage Program

Wayland Baptist College will host Monday evening, September 22 at 7:00 p.m. for the Plains American Heritage Association Meeting.

Dr. Vaughn, professor of history at North Texas University, was the speaker at the supper meeting and spoke on "The First Congress of the United States-How Our Nation was Shaped."

The Department of American Studies at Wayland College is again sponsoring the 1969-70 American Heritage Awards Program for area schools. Mr. Gwin Morris is the College director.

An essay and speech contest will be conducted in the senior high schools, and an essay of project contest will be held in the Junior High Schools.

Each school that participates will form an American Heritage Committee and set up rules, select topics, judge the entries and make the awards.

A \$25.00 savings bond for the best essay and speech, and \$10.00 cash for the runner-up will be given in the senior high. In the Junior High School the American Heritage Committee will make a cash grant of \$40.00 and the local committee will decide how the awards are to be parceled out for the various contests.

Muleshoe Junior high participated in this program last year.

The next supper meeting of the Association will be Friday, November 14 at Wayland Baptist College. The Meeting will be in conjunction with the International Relations Conference. This year's theme is Mexico and the tentative speaker will be Andres Rivera, Chairman of the International Affairs Committee of the San Antonio Chamber of Commerce.

Those attending from Muleshoe were: Tom Jinks, high school principal; James Jennings, George Washington, social studies teachers in high school; LaVonne McKillip, Aileen Stewart, junior high teachers; and Elizabeth Watson.

Mary-Martha Studies 'The InnerLife'

Mary Martha Circle of United Methodist Church met September 23 in the Youth Chapel with the Circle chairman, Mrs. R. O. Gregory, presiding.

Those present were Mrs. W. W. Ewins, Mrs. Owen Powell, Mrs. Ted Allen, Mrs. Troy Atkinson, Mrs. Pauline Benefield, Mrs. W. F. Birdsong, Mrs. Gregory, Mrs. H. J. Weyer and Mrs. W. D. Moore.

After prayer, the group sang "Take Time To Be Holy", with Mrs. Powell at the piano. Mrs. Rufus Gilbreath and Mrs. J. G. Arnn asked to become associate members in the future.

A total of 158 sick calls were reported. Five members had attended the work shop in Olton September 10.

Mrs. Allen was appointed to be devotional chairman for the coming year.

She introduced the new study book "The Inner Life" in a most inspirational and thought provoking manner, a spokesman said. Each member was asked to write answers to such questions as "Who Am I?", "What Is Faith?", and "What Is Love?", "What Is Inner Life?" "What Is Christian

Muleshoe Study Club Tours Girlstown, USA

Muleshoe Study Club Members met Saturday morning at 10:00 a.m. at the home of Mrs. W.T. Andrews for a program on "Our Texas Heritage: Past and Future" by Mrs. R. O. Gregory.

She told the women "You cannot find a story that has more excitement, of romance,

Dove Hunters Enjoy Fruits Of Labor

Seven successful "white wing hunters" pooled their kills and had a dove fry Sunday night at the home of Mr. and Mrs. Jack Little.

The hunters and their families attending were Mr. and Mrs. Larry Hall, Mr. and Mrs. Herb Griffiths, Mr. and Mrs. Sam Damron, Mr. and Mrs. Don Bryant, Mr. and Mrs. Bill Jim St. Clair and Mr. and Mrs. Little.

The seventh hunter, Mr. Gatewood of Petersburg, was unable to attend.

Mrs. Cockrell Leads Study

Mrs. Harold Allison was hostess to Esther and Dorcas Circles of United Methodist Church at her home Tuesday morning.

Mrs. Ben Cockrell taught the second part of the study of "The Inner Life." She divided those present into two groups for study of the 12th chapter of Romans which they agreed was sufficient for living a good life.

Attending other than Mrs. Cockrell and the hostess were Mrs. Frank Ellis, Mrs. Sam McKinstry, Mrs. Zed Robinson, Mrs. Sam Fox, Mrs. Robert Hooten, Mrs. J. A. Nickels, Mrs. Johnie Prater, Mrs. Hilbert Wisian, Mrs. J. E. McVicker, and Mrs. Oscar Allison.

"Spiritual Live", etc.

Mrs. Powell read excerpts from Dr. Charles Allen's "Roads to Abundant Living" as part of her devotional. This stressed the need for a quiet center in the inner life, as there is a quiet center of a hurricane.

Dismissal prayer was said in unison.

or drama, of inspiration, than the story of Texas. "We think of the Texas Story as beginning 123 years ago and many lands and many cultures have contributed to the heritage of Texas. It was 200 years after the discovery of America before Texas was known by any official designation, by the Spanish and then by the French. It was another century before the first Anglo-American colonist began to till the soil of Texas," Mrs. Gregory said.

She also told the women, "No man who claims to be true to the Texas heritage and the Texas tradition should be chosen to represent the people of this State if he believes that you can turn over to the Federal government the institutions of public education, workshop, and local self-government, if we fall to claim

the right of self-government, which is ours only so long as we exercise it, then we have destroyed the greatest heritage as Texans and Americans which any people ever possessed."

Mrs. Horace Blackburn, the president, conducted a short business during which the Club voted to support the resolution of the Ministerial Association on pornography.

At eleven o'clock the meeting was adjourned and the group drove to Girlstown, USA at Whiteface where they ate lunch with the girls and toured the facilities of the home for girls.

Attending the meeting and going to Whiteface were Mrs. Blackburn, Mrs. G. L. Splawn, Mrs. Walter Bartholf, Mrs. E. W. Johnson, Mrs. Andrews, Mrs. Gregory, Mrs. Mervin Wilterding, Mrs. LeVina Pitts and Mrs. Cecil Cole.

Money Management Workshop Planned

Inflated prices - have you noticed? Are you having difficulty making your income match your out go? Do you wonder if there is any way to bring them a little closer?

Bailey County Home Demonstration Agent Robin Taylor believes there are practices which may be followed that help people to make the most of what they have to spend, thereby achieving their more permanent goals.

A series of Money Management for husbands and wives is to be held each of four consecutive nights in Bailey County Electric Cooperative community room. The first meeting will be October 14 at 7:30 p.m.

The workshop is aimed particularly at young families and husbands and wives are invited to attend the workshop. The workshops will be limited to 20 couples. Interested persons should call the Extension Office to enroll or drop a card to the office.

Those attending the workshop will actually participate by the use of hypothetical problems. The workshop was planned by the Family Living Committee after a minister on the committee reported that he had numerous calls for help in these matters from his families.

If you want to hear the whole truth about yourself, anger your neighbor.

-German Proverb.

Business will start at 10:30 and the conference will begin at 1:00 p.m.

Business will start at 10:30 and the conference will begin at 1:00 p.m.

Business will start at 10:30 and the conference will begin at 1:00 p.m.

Hobbyists Take Honors At Fairs

Muleshoe Hobby Club members took so many honors at the South Plains Fair they want to share their pleasure with others. A display of the prize winning articles will be made in the community room of Muleshoe State Bank Thursday, October 2 from 1:00 p.m. to 5:00 p.m.

Also on display will be articles which took prizes at the recently held Clovis Fair.

Mrs. Mabel Caldwell won a

blue ribbon for displaying a purple coffee jar and a blue ribbon for flower pot covered with ceramic tile; she won red ribbons for a caulk horseshoe, hand scales copyrighted in 1890, small jug from Vermont, Texas shaped ashtray molded from resin and canned pinto beans. She won white ribbons for canned pepper relish, bead flowers, tooled billfold and carnival glass sugar bowl.

At the Clovis Fair Mrs. Cald-

well won blue ribbons for a fossil fish and a ladies' dress; red ribbons for pinto beans, a carved tray, wool picture in

Attend Orientation Workshop

Mrs. Veta Skogland, special education teacher in Muleshoe Junior High, and Mrs. Elizabeth Watson attended an Orientation Workshop of Special Education teachers, Thursday, September 25, at the Education Service Center in Lubbock.

Dr. Edward C. Frierson, from George Peabody College for Teachers, Nashville, Tennessee, was the keynote speaker and challenged and inspired educators with the great responsibilities of training children. He outlined his address around four points, namely (1) seeds (the children) (2) Soil (environment provided) (3) Tools (materials, equipments, methods) and (4) Seasons (correct timing in presenting materials.)

Dr. Robert Montgomery, Texas Education Agency, gave the overview and interpretation of State policy.

Dr. Charles Jones, Dr. Don Shane, Dr. Bruce Mattson, and Dr. George Severson, from the Special Education Department, Texas Tech University, conducted sectional meetings in the afternoon.

Dr. Woodie Coleman, coordinator of Special Education Service Center, presided during the workshop and Mr. Maz Manley, coordinator of Special Education for Lubbock Schools, evaluated the workshop.

carved frame, carved recipe book and straw flowers; white ribbons for blackeyed peas and her collection of fruit jars.

Mrs. Zed Robinson won a white ribbon at South Plains Fair for a toy rat.

Mrs. Dora Phipps won blue ribbon at the South Plains Fair for a carved jewelry box and a white ribbon for a molded clay strawberry. At the Clovis Fair she won blue ribbons on a wool afghan and a carved jewelry box.

Mrs. E. V. Bartlett took first place at Lubbock on her holiday tablecloth.

Mrs. Bernice Amerson took blue ribbons at Lubbock for a hooked rug, an iron teakettle, a crock canning jar, a porcelain clock and a ceramic plaque. She won second place red ribbons for a blue milkglass tray, carnival bowl, cheese dish and a silver butter dish; she won third place for a mug and a dresser tray.

Mrs. Allie Barbour won first place ribbon at Clovis Fair for her cobalt glass collection and a third place ribbon on an apron.

At the South Plains Fair she won blue ribbons on a baby quilt, an embroidered quilt, a glass dipper, a spooner, a boot bottle, a marble pop bottle and an old Sante Fe Lamp. She won second prize on an afghan, a hand painted butter dish, a milk pitcher, a vase and Dr. Chase's last book.

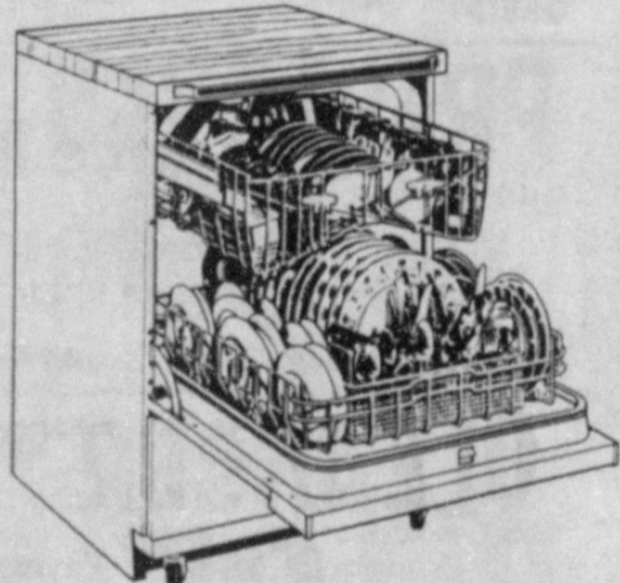

All persons interested in seeing the display of the prize winning articles are welcome. Mrs. Caldwell said.

A little confidence in a person can often produce great results.

STOP SOAKING POTS AND PANS!

The new KitchenAid Dishwasher with exclusive SOAK CYCLE does your soaking automatically!

The messiest kitchen clean-up job has always been removing crusted-on foods from pots, pans and casseroles. And sometimes from dishes. Until now.

Now, the KitchenAid Superba model has a new exclusive Soak Cycle that automatically soaks and loosens encrusted foods. Then it washes, rinses and dries everything.

KitchenAid FOOD WASTE DISPOSER

Grinds food waste finer and faster. All kinds, from bones to stringy vegetables. And it's quieter! Much quieter. Eliminates jams electrically, too.

When you buy a KitchenAid Superba dishwasher, you get six month's supply of Pan Dandy FREE. Its special enzyme action helps loosen hard-to-remove food soil.

Odd Fellows, Rebekahs Convene In Lubbock

"The area meeting of Odd Fellows and Rebekahs, held at Koko Convention Center, Lubbock, was a successful affair," Mrs. T. W. Berry said.

Heading the list of officers present were Grand Master of the Grand Lodge of Texas Claude S. Morris of Waco and Rebekah Assembly President Marguirete Galley of San Angelo. Also present were Rebekah Vice President Marguirete Ayers of Levelland and Grand Lodge Warden Clyde O. Hicks of Wichita Falls. Several past grand masters and past presidents were there to help with the business of the meeting. More than 200 persons registered for the all day business activities.

Muleshoe Odd Fellow Lodge No. 58 put the initiatory degree on seven members from the area lodges, Plainview Rebekah Lodge No. 309 initiated five members from the area. Several trophies and certificates of recognition were presented from several phases of the work.

Tom Berry of Muleshoe received a trophy in the Burial Ceremony contest.

Attending from Muleshoe were Mr. and Mrs. T. W. Berry, Mr. and Mrs. Jerrell Otwell, Mr. and Mrs. Harold DeLoach, Mrs. H. H. Snow, Mrs. Albert Davis, Frank Snyder, M. C. Street Jr., Perry Lynsky, Willie Welch, George Gross, R. M. Gibson, Cecil Atchley, Jerrell C. Otwell, Leslie Lambert, and Arnold

Gross. Cities represented were Muleshoe, Amarillo, Circleback, Earth, Brownfield, Odessa, Dimmitt, Hereford, San Angelo, San Antonio, Waco, Wichita Falls, Houston, and Kerrville.

The meeting was also an official visit by the Rebekah President to Districts 8 and 9. District No. 8 Lodges: Muleshoe Rebekah Lodge No. 144; Morton Rebekah Lodge No. 39; Needmore Rebekah Lodge No. 160; Earth Rebekah Lodge No. 139 and Littlefield Rebekah Lodge No. 61.

District No. 9 Lodges: Plainview Rebekah Lodge No. 309; Abernathy Rebekah Lodge No. 170; Petersburg Rebekah Lodge No. 238; Lockney Rebekah Lodge No. 259.

The evening banquet also at Koko Palace, was enjoyed by all, a spokesman said. Several members spoke on the Order. Plans are being made in Texas to build a new Aged Odd Fellow and Rebekah Home at Ennis, Texas, a film on the old Home and the planned new Home were shown by Raymond Gage.

Past Grand Master E.V. Riley of Brownfield and Past President Mrs. Calude Morris of Waco are state chairmen of the new Home project.

Most men judge their fellowman by the way he accept them and their ideas.

'Why Have P-TA?' Square Thru News

A panel discussion on "Why Have a P-TA?" will be the program for Mary DeShazo P-TA October 6. The meeting will start at 3:45 p.m. with a hospitality period.

Taking part on the panel will be Superintendent of Schools

Attend P-TA Workshop

Officers from Mary DeShazo P-TA attended a Bi-County Leadership Workshop Tuesday, September 30, at Lamb County Electric Co-op building.

Mrs. Jack Strong of Lubbock, district council chairman, taught the course on P-TA procedure.

The parliamentary procedure course was taught by Mrs. Marvin Armstrong.

Attending from Muleshoe were Mrs. Butch Vandiver, Mrs. John Stevens and Mrs. Lee Roy Hughes. They thought the courses helpful and very interesting. Mrs. Vandiver reported.

20 Years Ago

Voters approve bonds for a City Airport \$11,000 which was to be matched by \$9000 from the Federal Government.

An eight room addition to grade school building was being planned, according to Morris Childers, president of the school board.

Muleshoe Assembly of Rainbow Girls officers to be installed were Janice Jordan, Sondra Wagon, Peggy Jo Robinson, Pat Lane, Jeri Nell White, Dolores Locker, Pat English, Mary Martin, Holly Ann Cox, Bobbie Collins, Gay Sanders, Tommy Bovell, Jon Ann Thomason, Shirley Graves, Jackie Bovell, Pat Broyles, Jay Ann Wyer, Marilyn Gupton, Jo Addine Wagon, Billy Faye Graves, Norma Gay Graves, Kathryn Norwood, Frances Totten, Dixie Lee Jennings, Joyce Collins, Mary Wingo, Beverly Casey, Billy Margaret Collins, Marion Clark Harris, Joy Snyder, Peggy Julian, Kay Malone, Ann Johnson, Emily Jarnigan and Rita Peeler.

Installing officers were Mrs. Nona Blake Douglass, Mrs. Janet Wagon, Mrs. Erma Ray and Mrs. Helen Gardner.

Congratulations to: Mr. and Mrs. J. A. Nickels, a daughter Jenda Jean, born September 3; Mr. and Mrs. Ancel Ashford, a daughter Linda Carol, born Sept. 24; Mr. and Mrs. Jess C. Dalton, a son, Gregory Lynn, born Sept. 30; Mr. and Mrs. T. L. Gleason, a son, Bobby Max, born Sept. 12.

Neal Dillman, DeShazo Principal Bill Taylor, Mrs. Jack Obenhaus, a teacher, and Mrs. Bob Solomon, representing the parents. The panel will be moderated by Mrs. Jack Strong of Lubbock.

Fine Arts Club News

BY JANE GRIFFITHS, REPORTER

The Muleshoe Fine Arts Boosters sponsor a Halloween Carnival each year. Due to a conflict with the Muleshoe and Tulla football game October 31, Halloween night, the carnival will be Saturday, Nov. 1.

The Fine Arts Boosters would like to see this be the best Halloween Carnival that Muleshoe has ever had. However, the Boosters cannot have a good carnival without the help and support of other clubs and organizations. Therefore, we urge every club and organization to give serious thought to having a booth at this Halloween Carnival. You will be supporting the youth of Muleshoe, the Fine Arts Boosters, plus making money for your organization when you help with this carnival.

The Fine Arts Boosters would like to have a better variety of booths at the carnival this year, especially booths that will interest children up to 12 years of age.

Any club or organization that would like to have a booth at this carnival is asked to contact Bernard Phelps or Mrs. Roy Wrinkle before October 10. This is necessary so better plans can be made for the size and placement of booths. Also to prevent two groups from having similar booths.

Bernard Phelps is chairman for the Halloween carnival this year Myron Pool II is a co-chairman. Mrs. Roy Wrinkle is secretary of the Fine Arts Boosters.

Bula Homecoming October

Bula School annual Homecoming Event will be held Saturday Oct. 4, preceding the homecoming festivities a bonfire will be held at 8:00 Friday evening on the school ground.

Saturday activities will start at 4:00 p.m. with registration, business meeting and program; 5 p.m. pep rally; 5:30 p.m. supper in the school lunchroom; 8:00 p.m. Bula bulldogs will meet Klondike. After the game,

Square Thru News

The Square Thru's did it again! They met and had a ball. We met on Monday, September 22 at the Legion Hall with our favorite caller, Eddie Gunnels calling with his usual zest. When this man calls a square tip, you know you have danced a tip. There is no goofing, for some reason there isn't time. If you don't keep up, it is very hard to catch up. If ever a caller had what it takes to be a caller this guy does. He can stand with the best known callers any time.

And we had visitors again, these we are always proud of. Visitors to a Square Dance Club are very important. They feed a club, help build a club, and above all they become a friend. That's mostly what square dancing is all about in the first place, fun, friendship and fellowship. Never any frowns or troubles, they are always left at home, but plenty of smiles and laughter are all around. Also, a club must visit other clubs as our club does so often. These other clubs have to be fed with the same thing our club does. We had 12 visitors from the Y-Squares Club of Clovis, along with several of our students.

Student's don't forget to sign our guest book when you come. We need your names.

Members present were Curby and Mary Brantley, Jimmy and Laura Jean Presley, Hilbert and Sherry Wislan, Becky and Henry Stoneham, Monty and Ailsa Dollar, Don and Laura Seales, Ike and Gail Wilcox, Robert and Nelda Hunt, Eugene

ARE Speaker In Amarillo

Col. Frank O. Adams will speak October 3 at 8:00 p.m. on "The Strange Gift of Prophecy" at the YWCA Assembly Room, 1006 Jackson, Amarillo. Donations of \$1.50 will be accepted.

He is a long time employee and former trustee of the Association for Research and Enlightenment (ARE) of Virginia Beach, Virginia. A researcher of Edgar Cayce readings, he has presented many courses at the Virginia Beach headquarters and elsewhere in different countries and has spoken in England.

Former Resident Inducted

Sandra M. Jackson, 22, was inducted into the U. S. Army Nurse Corps last week and was commissioned a Second Lieutenant.

She is the daughter of Mr. and Mrs. Arnes Lee Jackson of Amarillo and is a former resident of Muleshoe. She is a sister of Mrs. Roy Short of Muleshoe. Lt. Jackson was graduated from Muleshoe high school. She received her R. N. degree from Northwest Texas Hospital, Amarillo, in 1967. She began her Army Nurse Corps Officers' Basic Course at Fort Sam Houston September 22. From there she will go to her assignment at the Army Hospital in Stuttgart, Germany.

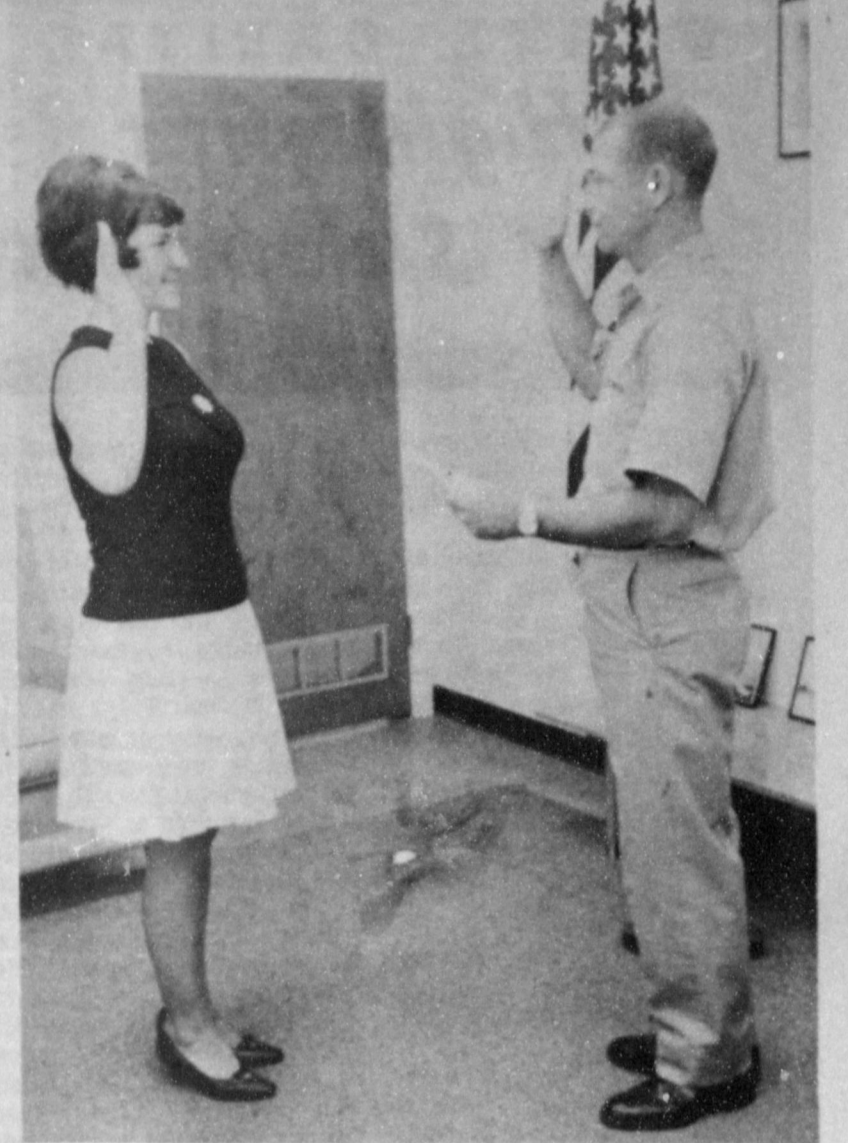

and Donna Shaw, John and Lotie Bickel, John McDonald, and Betty and Eddie Gunnels.

Also, Liz Seales, Sherman and Melinda Presley, Curby and Stephanie Brantley, Rick and Sheila Wilcox, Jimmy and Mike Wislan, Leigh Ann and Elaine Gunnels, Sheila, Curtis and Tori Hunt, Della and Daren Shaw, Trey and Tommy Stoneham, Ronald and Brenda Scott, and Gayland Bock.

Lessons were held on the 23rd at the Legion Hall. Again, we would like to say how proud of these students we are. They have done extra well. They were fast as learning and most of them paid very close attention to Eddie when he explained something. We hope to have a great turnout for these kids on their graduation. They are just the best, and we want them to know we feel this way, so let's everyone be at the Legion Hall October 13.

Present for this lesson were Terry and Lizann Gunter; Brenda and Ronald Scott; Debbie Jo and Tammy Bruns; Mike, Sherry and Hilbert Wislan; Ben, Judy, Bennett and Jo Roming; Tani Murrar, Jana Bruns; Laura Jean and Sherman Presley; Nelda and Sheila Hunt; Mary and Stephanie Brantley; Brent Blackman; Kim and Gayland Bock, Tim and Terry Wheeler, Lauren Hall, Jennifer Estes, Jerry Seoggin, Jeanne Freeman, Monty Dallar, Rick and Sheila Wilcox.

Going to Clovis to the Y-Squares for a salad supper and to hear a real good young caller

Lt. Sandra M. Jackson and recruiting officer

from Amarillo, Herrick Allen, Johnny Mac. We hope for a good turnout for our caller Oct. 4, so mark those calendars, Square Dancers, and everyone go who possibly can. This should prove to be one good dance if Eddie is doing the calling.

There is to be a special masquerade dance presented by the Square Thru's October 17 at 7:30 p.m. at the American Legion Hall, with Nelson Watkins doing the calling. Tickets are \$2.00 per couple. Door prizes will be given for the best costume.

Lubbock Area Square and Round Dance Federation will have a dance October 4 at 8:00 p.m. at the Fair Park Coliseum. Lem Gravelle of Jennings, La. will be the caller and South Plains Spinners of Levelland will be hosts.

This is my last bit of news so I would say "Thanks" again to the whole club for help in the reporting. Next you will be hearing from Nelda Hunt, so let's keep her up to date on everything. Nelda's phone number is 925-3245. Happy Square Dancing, Gail Wilcox

Dillman And Heathington Attend Convention

Neal Dillman, superintendent of Muleshoe Schools, and Aubrey Heathington, Member of the Muleshoe School Board, attended the Ninth Annual Joint Convention of the Texas Association of School Boards and Texas Association of School Administrators in Austin, September 21-22.

Mr. Dolph Briscoe, Jr., South Texas rancher, businessman, gave the address at the opening session. Mr. Briscoe is well known for his contributions to the State through public service and civic involvement. As a statesman he has demonstrated a continuing interest and involvement in improving education in Texas.

Perle L. Whitehead, deputy regional executive (retired), Region Four Boy Scouts of America, delivered the banquet address. Mr. Whitehead has pioneered work with handicapped children, orphanages, and delinquents. The humorist-philosopher resides in Cincinnati, Ohio.

David W. Preus, pastor of the University Lutheran Church of Hope, Minneapolis, Minnesota, spoke at the luncheon

on Monday, September 22. Reverend Preus holds many positions of leadership in educational and civic organizations including memberships on the Minneapolis school board.

Group sessions were held in the afternoon. Aubrey Heathington attended the sessions, "Legal Guidelines for Board Operation" and "Dealing With the Publics."

Neal Dillman attended the sessions, "New and Amended Federal Legislation" and "New Education Legislation."

In addition to the general sessions and group sessions, business meetings and commercial and architectural exhibits were held.

This 1969 Joint Annual Convention provided information and inspiration for the local school leadership of Texas. The Convention was dedicated to the philosophy that local citizen and professional educator teamwork in the development and administration of our public schools is a sacred trust which requires the best effort of all who participate.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN--Will legislative redistricting force another special session of the legislature this year?

Nobody knows for sure, although rumors have not been scheduled for the subject. Observers, including Gov. Preston Smith, have indicated they doubt reapportionment will demand emergency attention of the lawmakers.

Issue is before a three-judge federal court in Houston. Plaintiffs claim that population variance of 24.2 percent between smallest and largest Texas legislative districts is discriminatory. They argue that big city House members should run by individual districts, not county-wide.

Court, in strike of some reports to the contrary, has not scheduled the case for hearing. An Indiana case involving the validity of multi-member legislative districts is on appeal to the U. S. Supreme Court.

Governor Smith recently noted that 1970 census figures will be available in less than a year and that the new head count will provide a more reasonable basis for reapportionment than the 10-year old census.

Filing deadline for legislative candidates is next February. So if the court is going to order immediate redistricting to affect 1970 elections, it is presumed that the decision would be handed down well before the end of this year.

Naturally the longer the court delays its decision, the closer looms the new census tabulation.

INSURANCE RAISE LIKELY
A quick decision of the State Insurance Board is expected to jack up auto insurance premiums at least 9.9 percent.

That, in effect, was the recommendation of the governor's study committee on rates,

Board originally proposed an 11.4 percent boost. Industry wanted 5.6 percent more than that.

A last-minute flurry of controversy raised the question as to whether the committee has been misled by exaggerated statistics on auto accidents.

Also in controversy was insurance agents' commissions. Committee recommended 18 percent, which Chairman Price Daniel specified as 'average.'

F. Darby Hammond, executive director of Southwestern Insurance Information Service, released a blistering attack on the committee's report. He called it not only an insult to auto insurance companies but a disservice to the insurance buying public. "There is no way," said Hammond, "that forcing companies to continue operations in the red will not eventually harm the public."

As to statistics, Hammond says that the Insurance Board does not use Department of Public Safety figures as the basis of determining costs. It uses claims paid. DPS doesn't get reports on all accidents. Committee has no control over what the agents receive as their commission, Hammond pointed out.

SCHOOL MONEY
Texas school board members have been hit hard in making budgets this fall, when the major part of the teacher pay raise package takes effect.

Local share of the teacher pay raises -- 20 percent -- must come out of local tax revenues on property, the only source of local school funds, Texas Association of School Boards, meeting in Austin, has asked for help.

A resolution adopted at the meeting requested the Texas Education Agency to make a

FORT LEONARD WOOD--Colonel Henry E. LeFebvre (left) congratulates bandmaster 2LT David G. Mathis upon his commissioning as Mrs. Cynthia Mathis proudly looks on. Lieutenant Mathis received his direct commission here at Fort Leonard Wood September 2, The Muleshoe, Texas native will now proceed to Fort Sheridan, Ill. where he will take up a post as 5th Army Staff Bandmaster. (U.S. ARMY PHOTO)

study as to other ways in which school districts might raise money for the local share of school operations.

SAFE DRIVING
Governor Smith says the Federal government has given the state \$1 million to help finance the State-wide Driver Education Project. Governor's Traffic Safety Fund is providing \$1.8 million for support of the program and the school districts are contributing \$4.5 million toward the remaining costs.

Smith said "last year, we reached only 36 percent of the eligible students, but I hope that with the acceleration of the program this percentage will increase until all eligible students receive this training."

COTTON FARMS
Agriculture Commissioner John White says that Texas cotton exports "are in trouble"

CITY SALES TAX
City sales tax allocations, made by State Comptroller Robert S. Calvert, show substantial gains over the same quarter of a year ago. Cities with the tax, including 185 new ones from a year ago, received \$27.9 million compared to the \$20.8 million for the period ending June 30, 1968.

Biggest receipts were by Houston (\$6.2 million), Dallas (\$5 million), San Antonio (\$2.1 million) and Fort Worth (\$1.8 million.) Income to these four cities represents well over half the state's total.

COTTON FARMS
Agriculture Commissioner John White says that Texas cotton exports "are in trouble"

and urged cotton farmers to support new production and marketing techniques in attacking problems that plague the cotton farmer.

White blamed a good part of cotton's export ills on "the mechanics of our support price system which has unwittingly allowed foreign competitors to undercut our prices a fraction of a cent in the world markets."

YOUTH EMPLOYMENT
Texas Employment Commission says 67,120 youths were hired during the 1969 Youth Opportunity Campaign in Texas, March 26-August 25.

Several years ago a summer campaign was instituted for in-school youth in the 16-22 age bracket--youngsters who either need work only during school vacations, or were out-of-school and wanted to work the year around.

There were more youth than summer jobs. TEC reports that 152,374 made new applications for jobs at TEC offices over the state.

CRIME FIGHT FUNDS ALLOCATED
Criminal Justice Council of the governor's office recommended allocation of \$165,688 in Federal funds, to be matched by state and local agencies, to fight major crimes.

Total of \$416,188 has now been disbursed from nearly \$1.1 million granted Texas under the

Omnibus Crime Control and Safe Streets Act of 1968.

Programs approved were proposed by the Texas Department of Public Safety (for updating criminal records); Texas Commission on Law Enforcement Officer Standards and Education (for police education and training); City of San Angelo (management, efficiency and manpower study); Concho Valley Council of Governments (for the San Angelo area law enforcement academy); Waco and the Heart of Texas Council of Governments and City of Dallas (for 90 walkie-talkie radios for patrolmen).

Council approved a fiscal 1970 planning budget of \$356,900 for regional councils. Group recommended that Smith name an information task force to supervise the development of the Criminal Justice Information System.

APPOINTMENTS ANNOUNCED
Major and minor appointments came thick and fast during the last week.

Governor Smith named El Paso District Attorney George N. Rodriguez judge of 168th district court, a newly-created position. At the same time, Smith appointed Bexar County District Attorney James E. Barlow and Justice of the Peace John G. Benavides as D.A. and Marvin Ted Butler of San Antonio to succeed Rodriguez as D.A. and Marvin Ted Butler of San Antonio to succeed Barlow.

Smith placed Lucien Flournoy, mayor of Alice, on the Texas Aeronautics Commission and Dr. Richard Thorp Weber of Austin and Dr. Lynden Maurice Kennedy of Dallas on the State Board of Dental Examiners.

For the new Texas Board of Private Detectives, Investigators, Patrolmen and Guard Watchmen, he selected San Antonio Police Chief George W. Bichsel, Capt. Robert Austin Crowder of Dallas, Morris A. Ruebright of Houston, Robert C. Taylor of Houston and John Mason Lankford Jr. of Fort Worth.

UNIQUE CEREMONY
It was an unusual event when Sen. Criss Cole of Houston was sworn in as President Pro Tempore of the Texas Senate.

Senator Cole, who is blind, took the oath in his home town, Houston, at the Rice Hotel, which stands on the site of the first state capitol of Texas.

It was the first time in anyone's memory that a president pro tem had been sworn in away from the state capitol in Austin.

DRINK TAX DIRECTIVES OUT
Private club operators have received directives from Liquor Control Board as to how to go about collecting five-cents a drink on alcoholic beverages they serve effective October 1.

Holders of permits thereaf-

ter must execute a \$1,000 bond to guarantee state collection of the service fee. Club operators must use dated customer service tickets to record each serving. A daily count of drinks will be required, and clubs must file monthly reports to LCB on the number of servings, along with payment of amount due the state.

Procedure is similar to that employed by state comptroller for collecting sales tax. Customers pay but merchants are responsible for collecting tax and turning it over to the state. FINDS VALUABLE TIME-PIECE

Mrs. Preston Smith discovered an old clock wrapped in papers in the basement of the Mansion, and was amazed at its age.

Inside the 7-foot-tall time-piece was a paper identifying it as having been owned by Napoleon I. Its value has been set at \$80,000 to \$100,000.

It is now being restored by the Huntsville prison workshop. DRIVER TRAINING BONANZA

A \$1-million federal grant will beef up the Texas driver education project which is part of the Texas Highway Safety Program.

Funds came through national highway safety bureau, Governor's traffic safety fund will provide additional \$1.8 million of support, while school districts are contributing \$4.5 million.

Veteran State Securities Commissioner William M. King resigned his post to enter private banking here, and his long-time deputy, Truman G. Holladay, was named to succeed him.

Former State Sen Dorsey B. Hardeman of San Angelo was selected executive director of Texas Water Rights Commission, succeeding Frank Booth who resigned to enter private law practice.

Sen. Criss Cole of Houston was sworn in as president pro tempore of the Texas Senate on September 22.

Smith named a nine member board of regents for East Texas State University. They include Houston H. Harle of San Antonio, Raymond Middleton Holiday of Houston, Joseph Zeppa of Tyler, William Garland Button of Dallas, Cam F. Dowell Jr. of Dallas, Joel Thomas Williams Jr. of Dallas, Leon Jackson Coker Jr. of Texarkana, Thomas Brazelton Steely of Paris and Luther Preston Johnston of Lubbock.

Smith placed on the new State Board of Landscape Architects Robert Hall Green of Houston, Otto Erwin Scherz of San Angelo and Leonard Morrison Riggs of Longview.

He named Gerald Hicks Smith of Houston and James L. Lindsey of College Station to the State Finance Commission and reappointed Rex G. Baker Jr. of Houston to the Commission's banking section.

Buster Eugene French of Dayton was named to the board

of directors of the Coastal Industrial Water Authority. Smith renamed Johnnie Glen Jennings of Baytown and Robert Clayton Lanier of Houston to same agency. Malcolm J. Henley of Lindale was placed on the Sabine River Authority board of directors and Tom R. Pegues of Ninoola and Charles T. Wickersham of Orange were reappointed to the Sabine Authority.

Beri E. Godfrey of Fort Worth, Davie James Lawson of Dallas and Gus S. Wortham of Houston were assigned by Smith to six-year terms on the board of regents of North Texas State University.

Smith selected Mrs. Elaine Byron Cominsky of Pasadena and Mrs. Helen Ruth Cox of Lubbock for the board of nurse examiners. He appointed Roy Lee Fowler of Austin to the board of barber examiners.

Dr. Stewart Wolf will head the marine biomedical institute at Galveston, Mrs. Marie Schulz has been named program director of the library systems act for the state library. Eleven new Texas Rangers were designated by the Department of Public Safety.

LEASE SALES SET--A total of 338 tracts of University of Texas lands (111,812 acres) in West Texas will be placed on lease auction, December 16, November 4, some 768 tracts totaling 496,871 acres will be offered in a school land sale.

Land Commissioner Jerry Sadler said 125 tracts of university land in Hudspeth County will be offered at bonuses of not less than \$1,000 per half section and at annual lease rentals of \$1.50 an acre. This was reduced from former requirements of \$5,000 per quarter section and \$2 per acre. Former requirements will govern other tract leases.

In school land sale, 37 tracts in El Paso County had acceptable bonus reduced to \$5

an acre and annual rental to \$2. Other upland and riverbed tracts will command a \$20 per acre bonus and \$5 per acre annual rental. Those lying under bays, inlets and Gulf of Mexico lands will go at \$25 an acre and a \$5 per acre annual rental. Most of school land is in Gulf Coast submerged areas.

Depository interest earned on special constitutional funds or federal trust funds created for specific purposes should be deposited to the credit of those specific funds rather than the general revenue fund.

Employees of the House and Senate are not part of the class of elected officials for purposes of membership in the state employees retirement system. Therefore, they are not eligible to make contributions or receive benefits as elected personnel. Only officers of the two houses who are required to take the constitutional oath of office, can be so considered.

Trading-stamp cash plan may change.

YOU BUY IN OCTOBER, WE PAY UP TO \$600 CASH.

Now is the time for cash... from Minneapolis-Moline®

Minneapolis-Moline's "You Buy! We Pay!" celebration has been extended through October 31. That means an extra month for you to cash in. Up to \$600 in cash on any new Minneapolis-Moline tractor or combine.

See your MM dealer. Make your best deal. Take delivery. Complete and mail the cash certificate your dealer will give you to Minneapolis-Moline by October 31. Your cash will be mailed directly to you.

The amount of cash is shown below. Ask your dealer today for details.

YOU BUY

Big capacity combines for grain, corn, and beans. Straight-through balance design for extra stability and traction. Models and sizes are—2890, 3496, 4296, 4293 or 4292.

WE PAY

Cash of \$500.

YOU BUY

The Jet Star 3 with 45 hp 206 cu. in. engine. Economical, utility size. But built to last. Ideal for special chores and many jobs on the farm.

WE PAY

Cash of \$300.

YOU BUY

The U302, 55 hp 220 cu. in. engine. A work-horse. Great on economy and reliability. Low on repairs and maintenance.

WE PAY

Cash of \$300.

YOU BUY

The M670, 73 hp 336 cu. in. overhead valve engine. Big displacement teamed with lower engine rpm gives greater torque than comparable tractors.

WE PAY

Cash of \$400.

YOU BUY

The G900, 97 hp 451 cu. in. engine. Built for longer life. A heavy weight. Up to 1700 pounds more weight than any other tractor in its class.

WE PAY

Cash of \$500, \$600 on 4-wheel drive models.

YOU BUY

The G1000, 110 hp 504 cu. in. engine. Biggest engine in its class. Turns over at only 1800 rpm for less wear. A powerhouse.

WE PAY

Cash of \$500, \$600 on 4-wheel drive models.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

The thirteenth annual meeting of Plains Cotton Growers, Inc., with almost 25,000 members in 25 counties surrounding Lubbock, has been scheduled for 2 p.m., October 10 in the Koko Palace, Lubbock. Keynote subject of the meeting will be Domestic and Foreign Market Development, which PCG Executive Vice President Donald Johnson has referred to as "the only solid foundation on which the Texas High Plains can hope to build a future in the cotton business."

Principal speaker for the affair will be Peter Pereira, program director of the International Institute for Cotton, headquartered in Brussels, Belgium. The IIC is primarily concerned with new product development and cotton promotion in countries outside the U.S., and is financed by a contribution of one dollar per bale exported from the seven major cotton exporting countries, including the U.S.

Johnson said "Mr. Pereira more than any other one man is responsible for the considerable success of IIC in boosting cotton consumption in several foreign countries, and I think

Obituaries

Mattie Wooten

Mrs. Mattie Wooten, 84, died at 10:15 p.m. Monday at West Plains Memorial Hospital. Her home was in San Angelo and she had been visiting the past two weeks in the home of a daughter, Mrs. Fred Beene, of Needmore.

She was born Nov. 23, 1884 at Henderson, Ky. Funeral services were held October 1 at 2:00 p.m. in Robert Massie Funeral Home Chapel, San Angelo, with interment at Fairmont Cemetery. Local arrangements were under the direction of Singleton Funeral Home of Muleshoe.

Survivors other than Mrs. Beene are five other daughters: Mrs. Beulah Luce of El Paso, Mrs. Elsie McDaniel and Mrs. Alva O'Brien, both of Albuquerque, N.M.; Mrs. Mary Lou Davis of Houston and Mrs. Dorothy Blanton of Pasadena; three sons, H. E. of San Angelo and Carl L. and Billy, both of El Paso; one sister, Mrs. Blanche Redman, Miami, Fla.; three brothers, John Jones of Pauls Valley, Okla., Ev Jones and Owen Jones, both of Konowa, Okla.; 20 grandchildren and 33 great-grandchildren.

Any musician worth fiddling with is in the Yellow Pages.

of Crosbyton, president of the 25-county Plains Cotton Growers, Inc., the testimony of Secretary of Agriculture Clifford Hardin before the House Committee on Agriculture September 24 gives added emphasis to the need to continued efforts to "turn the Secretary around in some of his thinking."

Anderson said "There is evidence in the Secretary's statement that our conferences with USDA over the past several weeks have had some influence in modifying some of his original thoughts, but it is obvious we have a long way to go before we get his blessing on a cotton program satisfactory to cotton producers."

The Secretary offered up what House Agriculture Committee Chairman Bob Poage (D-Tex.) called two "skeleton" proposals, either of which would strike a severe blow at cotton producer income.

Both alternatives would (1) lower the acreage included in domestic allotments and reduce the level of price support payments to be made on production from domestic acreage, (2) provide for "flexible" price support loans well below world market prices and well below those now in effect, and (3) allow "open-end" production of commodities, including cotton, without penalty for overplanting of allotments.

In addition, the Secretary said the alternatives were "intended to be workable with a reasonable kind of payment limit."

This statement, according to Anderson, was a distinct disappointment to producers in view of the fact that producer groups from across the Cotton Belt, without exception, have presented reams of testimony to the effect that a limit on payments to individual producers would be disastrous to the cotton industry.

"However," Anderson continued, "perhaps we can take small solace in the fact that the Secretary did not flatly recommend a fixed payment limit as many had feared he would as recently as a month ago."

It is also significant, in Anderson's opinion and in the opinion of others who have participated in recent meetings with USDA, that the Secretary spoke in opposition to any sudden, massive land retirement that would take whole farms out of production.

"Not too long ago we had the feeling the Department might be leaning in that direction," Anderson said, "and it is gratifying to know now that he agrees with our contention that massive land retirement would severely curtail business activity in rural areas as well as disrupt supply and demand factors for non-controlled crops and livestock."

The Secretary said loan levels for cotton, wheat and grain sorghum would be set at a figure intended to encourage exports without subsidy and at the same time bring about a "desirable mix" of the different crops.

Committee Chairman Poage questioned the practicality of the Secretary's proposals, particularly with regard to cotton, and asked whether cotton could be excluded.

To which the Secretary said "I think this would be possible, but there are many answers we would need before making a firm commitment."

Anderson said this latter statement was perhaps the most encouraging part of Secretary Hardin's testimony and commented "I'm sure PCG and every other cotton producer group across the country will be happy to help him find the 'many answers' he says he will need."

Lazbuddie Schools' LONGHORN STAMPEDE

By Mike Casey

Last Friday night, the Lazbuddie Longhorns met with their first regular season defeat in two years.

The Bovina Mustangs downed the Longhorns 32-26. The loss was a disheartening one for the Horns as they had twice fought from behind to take the lead. Bovina's winning touchdown came with just 28 seconds remaining in the game. Monte Barnes, the Horns quarterback, had this to say about the game, "From my point of view, I think we played below average and at different stages of the game, tried to outguess them at the wrong time. We keyed McMeans too much and didn't worry enough about Beauchamp and Siske."

Lazbuddie scored first on Derrell Matthews four-yard sweep. Bovina countered with a 14-yard run by Royce Siske. Siske again got the Mustangs going when he set off on an 80-yard run.

Lazbuddie came back with a one-yard plunge by Derrell Matthews. Matthews kicked the point after and the Longhorns were in front at half-time 13-12. Bovina rambled to a 25-13 third quarter lead.

Fighting Bulldogs

By Sharon Turney-Reporter

Bula School will host its annual Homecoming, October 3 and 4. The Senior Class of 1969 will be honored.

Activity for Friday is the bonfire at 8 p.m. at the school. Saturday activities are: 5:00 p.m. - Pep Rally; 5:30 - 8:00 p.m. - supper in the Bula School Lunchroom; 8:00 p.m. - Bula vs. Klondike After game - Doughnuts and coffee in the lunchroom.

During the halftime activities, the captains, Tom Newton and Ron Risinger will crown the queen. The candidates for 1969-70 are Iva Clawson, senior; Sheila Medlin, sophomore and Terry Claunch, sophomore.

Friday night, the Bula football team traveled to Dawson for their third game of the season. The Bulldogs were downed, 20-32. The boys were reported to have done quite well.

The teachers of Bula vote on a "Student of the Week" every Friday. Student of the week September 15-19 was Tom Newton. He is a senior at Bula and is the President of Student Council. He is an outstanding student for that week.

The Student of the Week announced in the Pep Rally Friday was Jolene Cox. She is reported for S.C. and the daughter of Mr. and Mrs. D. J. Cox of Enochs.

Coach Loyd Halbrooks will select a Mr. and Miss Spirit Friday. This will be chosen from the girl and boy who show the most school spirit. They will be announced Saturday at the Pep Rally.

Monday, September 22, the Bula School took two buses to the fair 5-12 went. They seemed to have had a good time. The new member of the Junior class is Eddie Hall. He began school here last week. The new Freshman is Carlos Castello. He and Eddie are playing football for the Bulldogs. School pictures will be taken Friday, October 3. Wear something with color or some design.

on a four-yard run by Stuart McMeans, a 66-yard pass from Roy Ramirez to Phil Sorley and a conversion by Jimmy Harris.

The Longhorns fought back on Monte Barnes two-yard blast. Matthews converted and it was 25-20 in favor of Bovina. Matthews picked up his third TD of the night when he ran over from two-yards out.

At this point in the fourth quarter, Lazbuddie led 26-25. Bovina came right back and with 28 seconds left on the clock, Mark Beauchamp scored on an 11-yard run.

Lazbuddie gained 293 yards overland and 73 through the air. Derrell Matthews was the leading ground gainer with 171 yards. Arthur Graves had 87 yards, Larry Hodges had 19 yards and Monte Barnes had 18 yards.

Lazbuddie's next game will be with Whiteface at Whiteface Friday, Oct. 3. Game time will be 8 p.m.

Saturday, September 27, the B team traveled to Anton to take on the Anton Bulldogs. They triumphed over Anton by a score of 32-0.

Roy Flores came up with three touchdowns. The first came in the first quarter. He scored on a 35-yard pass from Ricky Seaton. Flores got his second touchdown again in the first quarter on another pass play. This time, Flores grabbed a 45-yard pass from Seaton. With just 18 seconds remaining in the game, Flores skirted 18 yards for his third touchdown of the day. Other players who figured in the Longhorn scoring were Jerry Barber on an eight yard run and Loy Dale Clark on a seven yard scoring pass. Ricky Seaton and Loy Dale were cited for their outstanding defensive play.

The B team's next game will be October 2. They will take on Farwell at Farwell. Gametime will be 7:30 p.m.

Always Late

Tax Man Sam Sez

KEEPING A RECORD OF EXTRA INCOME

Most folks work for a salary and have their income tax withheld. It's awful easy to forget to include that extra income that you receive from your savings account, dividends on your stock, \$15 for helping Joe Jones, and similar items. It saves a lot of embarrassment, delayed refunds, and problems with your income tax in general if you keep a simple record of all such income throughout the year. In this way you don't forget to report all of your income and you don't get a letter from Internal Revenue's computer telling you that you forgot to include your dividends from your South African gold mining stock. Keeping your receipts and a record of your deductions as well as your income also pays off in tax reduction dollars.

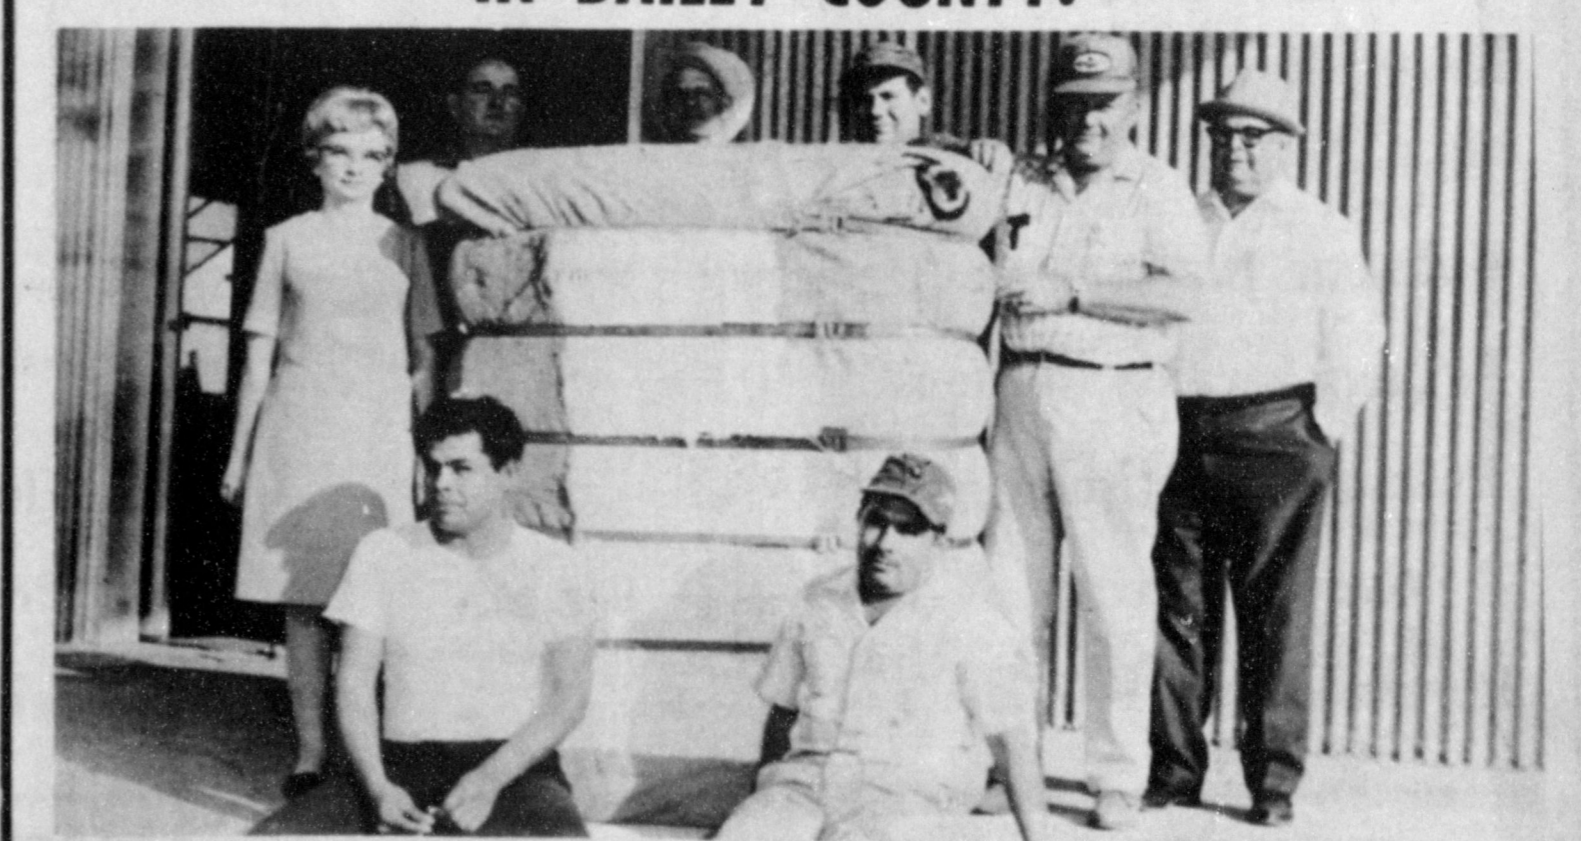

Pure Luck
Stern Father (to son departing for boarding school): Now, don't let me hear any bad reports about you.
Son: "I'll try hard, dad. But you know how those things leak out."

CAR WASHING
"Let 'em get out before you start giving service."
Our service begins when you hit our drive, all right-but you'll recognize it as friendly and competent. Drive in soon and give us a trial.

News of Our SERVICEMEN

T. L. Obenhaus

Marine Lance Corporal Terry L. Obenhaus, son of Mr. and Mrs. Virgie A. Obenhaus of Route 5, Muleshoe, participated in Operation Durham Peak in the Danang area of Vietnam.

The Operation was conducted by the First Marine Division to find enemy forces and destroy their capability to strike against the Danang area.

Norris Conklin

Montgomery, Ala. -- U.S. Air Force Captain Norris L. Conklin, son of Mr. and Mrs. F. N. Conklin of Rural Route, McAlister, N. M., is attending the Air University's Squadron Officer School at Maxwell AFB, Ala.

Captain Conklin will receive 14 weeks of instruction in communicative skills, leadership, international relation, and responsibilities that prepares junior officers for command-staff duties.

The captain, a 1958 graduate of House (N. M.) High School received his B. S. degree in 1962 from Eastern New Mexico University and also attended Texas A&M University. He was commissioned in 1962 upon completion of Officer Training School at Lackland AFB, Tex.

The captain has served in Vietnam and the Republic of Korea. His wife, Beckye, is the daughter of Mr. and Mrs. Raleigh Mason of 1805 W. Avenue G, Muleshoe.

Make Sure Little Amelia (saying her prayers): "Please, Lord, take care of Mamma, take care of Grandma; and be sure to take care of yourself, or else we've sunk!"

Top Teams Downed During First Week

The top ranked teams in the country went through their first upsy-downsies of the season this past weekend, and in quick checking, it looks as though more of last week's teams went down than up! (The Harmon Forecast had the same experience) Auburn, Notre Dame, Mississippi, and Arizona State all hit the skids, while Stanford started a Newcomer's Club. The Big climbers in the national ratings are Michigan, L.S.U., Purdue, and Southern California.

Missouri-Michigan, Florida-Florida State, Purdue-Stanford, and Penn State-Kansas State are among the top games that grab the big spotlight this Saturday.

It would appear that Washington had gained honorary membership in the big ten. Number one-ranked Ohio State will be the third straight huskie opponent from the midwest conference, and it will probably

be Washington's third straight defeat. The Buckeyes will chalk up victory #2, winning by 32 points.

Second-ranked Texas faces the Middles of Navy in a one-sided match. Texas is favored by six touchdowns. In another game that looks like more of the same, 6th-ranked L.S.U. will buzz by Baylor by 35 points.

Speaking of one-sided games, take both a backward and a forward peek at T.C.U. They were beaten by Purdue, 42-35, in their opener two weeks ago--they were bombed by Ohio State, 62-0, last week, and have only to face 3rd-ranked Arkansas Saturday where they are a 29-point underdog. That's a real rough diet!

Getting back to those top games, 8th-ranked Michigan hosts 10th-rated Missouri in a battle of Titans. The Wolverines will win it by just three points, and Penn State, #7, will

be happy to whistle by Kansas State. The spread here is 11 points.

Every year comes "The Struggle of the Floridians," Florida versus Florida State. The Seminole are just a notch above the Gators on the big ladder, 15th and 16th respectively. So - that makes Florida State the favorite by a hair. A 1 point is he hair! 11th-rated Purdue will have a mighty busy afternoon against 14th-ranked Stanford, but the Riveter will just nudge the Indian by three points.

The difference in power quotients makes 5th rated Georgia a 24-point favorite over tough South Carolina..Tennessee, #4 26 points stronger than Memphis, and gives Southern Cal. a 3-point edge over Oregon State. The Trojans are Rated 9th.

U. S. space doctor calls for new research.

Bula News

By Mrs. John Blackman

Mr. and Mrs. Marion McDaniel and boys, David, Dwight of their parents in Comanche County after the game with Dawson Friday night. They visited over the weekend with his father, Mr. A. L. McDaniel and her parents, Mr. and Mrs. J. L. Franklin.

David is home on a thirty day leave from active duty in Vietnam and is to report the 12th to Fort Lewis in Seattle, Washington and to return to Vietnam for a year more of active duty.

Mr. and Mrs. C. C. Testerman drove to Lake Buchanan Tuesday and fished until Friday, luck. Friday, they drove to Stonewall, Johnson City and by Johnson Ranch doing some sight seeing. They spent the night with Mr. and Mrs. Frank Rays at Kerrville, and on their return home they spent some time Saturday at Big Spring with Mr. and Mrs. Jess Witcher.

Mr. and Mrs. George Bahlman drove to Winters 16th and helped his father Mr. C. F. Bahlman observe his 82 birthday. Mr. Bahlman has been in failing health for some time, is confined most of the time to his bed and a wheel chair.

Mr. and Mrs. W. T. Thomas enjoyed having her brother and wife Mr. and Mrs. M. J. Woodard of Fort Worth, visit with them Friday thru Sunday. Others for dinner Sunday were Mrs. Thomas' nephew Mr. and Mrs. Clyde Woodard and children of Hub and Mr. and Mrs. Leon Kessler and children Gary, David, Daron and Lorle from Morton.

Sunday night Mr. and Mrs. W. T. Thomas and their company drove to Littlefield to

hear a nephew of Mrs. Thomas, Ivan Woodard of Ralls, preach at the Ninth Street Church of Christ. Mr. Woodard has been attending the Sunset School of Preaching in Lubbock.

Everyone is happy to see the beautiful sunshine of the past few days. Grain harvesting is in full swing. The Farmers Elevator at Enochs has been real busy recently and until late at night.

Mr. and Mrs. A. M. McBee, accompanied by her sister, Mrs. Mary Richardson, Leveland, left Friday for a little trip to east and south Texas, really doing some scouting to find a good place to hunt this fall.

John Blackman drove to the Muleshoe nursing home Sunday afternoon and visited with Mrs. Nettie Blackman and Mrs. Cross, also took them out for a ride.

Visitors Sunday morning at the Church of Christ were some former members of the church, Mr. and Mrs. Tracey Roberts of Idalou; Mr. and Mrs. Jack Hicks of Littlefield and Mr. Ronnie Sadere and son Mack of Houston.

Jolene Cox, daughter of Mr. and Mrs. D. J. Cox was elected citizen of the week for this week by the class room teachers. Each week a student is elected to be citizen of the week.

Saturday November 1, has been set for the annual fall festival for the Bula school. Each class room will have a booth, musical entertainment will be furnished. Real carnival spirit will be exemplified.

Bula Bulldogs fell to Dawson Friday night at Dawson 37 to 20. A good game and out boys are showing much improvement in their over-all playing.

Mrs. Doris Truell and children Gayla, Perry and Rusty of Bledsoe visited Sunday afternoon with her parents Mr. and Mrs. E. G. Stroud.
