Here and There

By J. Troy Hickman

MERCY THAT CAME LATE

There should be no doubt in a country like this about the power of public opinion. If there is any such doubt, what happened last week in the Batchelor case should help dispel it.

Some weeks ago, Corporal Claud Batchelor, a G. I. from Kermit, Texas, was given a life sentence by a military court at Ft. Sam Houston in San Antonio for offenses alleged to have been committed while he was a prisoner of the Reds during the Korean War. Two similar cases had been tried before his. One, that of an enlisted man, resulted in dishonorable discharge, loss of all pay and other benefits, and ten years at hard labor. The other was a high ranking officer. His sentence was discharge, loss of pay and other benefits, but no prison sentence.

When the Batchelor sentence was announced in the papers, immediately things began to happen. Two civilian draft officials in Texas resigned their jobs in protest. A flood of letters and telegrams piled up on the desks of our congressmen. The President also heard from some of us. For days the newspapers ran indignant letters in their reader's columns.

Last week the pressure had its effect. Lt. General I. D. White, the 4th Army Commander at Ft. Sam announced that he had "reviewed" the case of Corporal Batchelor and was reducing the sentence to 20 years at hard labor.

It must have seemed necessary to the general to say something to save the army's face, for the statement went on to say that while the corporal appeared to be guilty as found by the first court, the army hopes this example of "mercy" will help him regain his belief in the American ideals.

One wonders what "mercy" the general meant. It might have been more frank and convincing had he said, "To correct our mistake, we will reduce his sentence to 20 years." But I suppose that the army feels it cannot afford to admit a mistake.

One also wonders whether this example of "mercy" would have been forthcoming at all, had it not been for the pressure put on the government by the people who protested the first sentence. The mercy was, to say the least, a little late.

And while we are wondering about the army's version of "mercy", where was the mercy when this boy was taken into the ranks at 16 years of age? Where was the mercy when he and hundreds like him were shipped overseas to face a heartless mob, unprepared to face the brain-washing procedures to which prisoners were subjected?

And another thing. When it was first announced that some 20 American boys had elected to stay with the Reds rather than come home, did not the army imply, if not promise, that if the boys would come home consideration would be given to the circumstances under which their offenses were committed? That seems to be the general impression, and yet when this boy got home he was arrested as soon as his foot touched American soil, and little consideration seems to have been given to the extenuating circumstances of his defection. It may be that had his rank been as high as that of his judges, they might have been more impressed by the extenuating circumstances.

This was a bad mistake in public relations at a time when the army needs all the support it can get. Many believe that the President and other national leaders will press again this year for the enactment of a Universal Military Training Law. Aside from other arguments which could be made for or against such a law, many a parent will be unwilling now for his teenage son to be turned over to the tender mercies of men who showed that they were like in the Batchelor case.

If the President is as fair and wise in this matter as he has

Five More Miles Of Pandale Road Is Designated

17 Miles of Paving Now Authorized On FM 2083

The Texas Highway Commission has taken the first step to inaugurate a new two year Farm-to-Market Road Program for Texas. E. H. Thornton, Jr., Chairman of the Texas Highway Commission, stated that the funds for this program are being derived from the Federal Aid Highway Act of 1954, matched with State highway funds on a dollar-for-dollar basis.

J. A. Snell, District Engineer of the Texas Highway Department at San Angelo, has stated that the following farm-to-market road in this area is scheduled for work under this program in Crockett County:

From end of F. M. 2083, 12.8 miles South of U. S. 290 Southwest a distance of approximately 5.0 miles.

This new 5-mile designation brings to a total of 17 miles of designated construction on the Ozona-Pandale road, which distance will take paving from Highway 290 to near Howard Well. None of the construction on this new road has been started, nor has the county secured right-of-way, but engineering work is under way and as soon as the route is definitely located, right-of-way will be secured and work started.

Mr. Snell stated that this year the Commission has authorized the development of some area roads which will serve the dual purpose of service to the adjacent land as well as aiding in the development of the entire area of the State.

It was announced that work will begin on these projects just as soon as final planning is completed and right-of-way secured. Resident Engineer R. A. McCulloch will be in charge of the work in this area.

Standard Strike In Tippett Field Indicated In Test

Stepout To Multipay Field Flows 75 Barrels In 1 1/2 Hours

Standard Oil Co. of Texas No. 1-7 J. H. Tippett, in 42-31-H&TC, 1/4-mile north and west stepout to production in the Tippett multipay field of Crockett County, 12 miles southeast of McCamey, flowed 75 barrels of oil in one hour and 40 minutes on a drillstem test between 5,892-906 feet, probably in the upper Wolfcamp.

On the two-hour test, gas surfaced in 3 1/2 minutes, and oil in 12 minutes. The project cleaned to pits for eight minutes, no gauges, then flowed the above gauge to tanks. Gravity of the oil was 38.5 degrees. Gas-oil ratio was 2,000-1. Operator reversed out 1,250 feet of free oil, 50 feet of oil and gas-cut mud, no water. Flowing pressure was 2,250 pounds; 30-minute shut-in pressure, 2,624 pounds.

The project was bottomed at 6,035 feet in chert. Operator was preparing to take another drillstem test.

It is 1/4-mile southeast of Bankline & Hurt No. 1A-41 Forristall, opener of the Tippett (upper Wolfcamp) field fanned for a daily potential of 345 barrels of oil from between 5,950-980 feet. It is 1/4-mile east and slightly south of the same operators' No. 1-41 Forristall, upper and lower Wolfcamp producer, which was given discovery allowable and new field designation of Tippett (lower Wolfcamp) for lower Wolfcamp production. Upper Wolfcamp production was assigned to the Tippett regular field. It is also one location north of the same operators' No. 1-42 Tippett, lower Clearfork and Wolfcamp detrital gas-distillate discovery, which was designated as Tippett (Clearfork) field. No field designation of Tippett, East has been granted.

Chevrolet Regional And Zone Managers Attend Local Showing

When the 1955 Chevrolet cars were shown for the first time at the North Motor Co. here last Friday, Joe North, owner, was particularly gratified because one of the largest crowds of visitors in the agency's 25-year history passed through the showrooms during the day to view the new models.

But when Mr. North spotted two of Chevrolet Motor Company's high Southwest officials among his visitors, the firm's 1955 model showing became the most important event in its history.

Roy Cash, Chevrolet zone manager, and Fred Mengel, Southwest regional manager, both from Dallas, spent more than an hour visiting the local Chevrolet agency during the new model showing. They, with Frank M. Late, San Angelo Chevrolet dealer, flew here from San Angelo in Late's plane and left here for Fort Worth to attend the Fort Worth showing the following day.

Mr. North, who was recently presented with a 25-year plaque after a quarter century as a Chevrolet dealer, said the visit by the two officials "was the greatest honor ever bestowed on me since I have been a Chevrolet dealer."

Crockett Well Completed For 1,232 Barrels

Cities Service Well Producer; Vaughan Field Extended

The World, West (Strawn) field of Crockett County has gained its fifth producer and a location north east and southeast extension with completion of Cities Service Oil Co. No. 3-C Shannon for a calculated daily flowing potential of 1,232 barrels of 39 gravity oil plus 60 barrels of basic sediment and acid water.

Potential was based on an actual four-hour flow of 205.43 barrels of oil and 10 barrels of basic sediment and water through a 3/4-inch choke and perforations between 8,152-168 feet, 8,130-144 feet, and 8,102-124 feet. Gas-oil ratio was 2,031-1.

Tubing pressure was 800 pounds, with packer on casing.

Location is in 19-Q-EL&RR, 15 miles southwest of Big Lake. The southeast area of the Vaughan field of Crockett County has been extended one location north and west with completion of Forest Oil Corp. No. 1 Isabel Vaughan, in 88-OP-GC&SF, 10 miles northwest of Ozona.

It was fanned for a daily pumping potential of 140.16 barrels of 29.6 gravity oil plus 7.9 per cent water, with gas-oil ratio of 35.9-1. Production was through perforations between 1,424-46 feet in 5 1/2-inch casing cemented at 1,498.65 feet on total depth of 1,500 feet. Plugged-back total depth is 1,478 feet.

Top of pay as picked at 1,424 feet on elevation of 2,602 feet. Pay section as acidized with 2,000 gallons.

Forest Oil Corp. of Midland has filed application to drill its No. 2 Vaughan, 3/8-mile northwest field of production in the Vaughan field of Crockett County, nine miles west of Ozona.

The project will be drilled to 1,500 feet with cable tools. Operations are to begin immediately.

Location is 993.2 feet from the north and 330 feet from the east lines of 88-OP-GC&SF.

Plymouth Spots Test On A. C. Hoover Ranch

Plymouth Oil Co. of Midland has filed application to drill its No. 8-M A. C. Hoover one location northwest of production in the Olson field of Crockett County, 18 miles southeast of Iraan.

Cable tool drilling to 2,000 feet will begin immediately.

Location, on a 320-acre lease, is 2,310 feet from the south and west lines of 11-GG-T&NO.

Unbeaten Juniors Add Rocksprings In 33-21 Victory

First Stringers Sit Out Most of Game On Bench

By Ernie Boyd

Coach Chick Womack's unbeaten and untied Junior High football team sat on the bench most of the afternoon Tuesday as they racked up a lopsided 33 to 21 victory over the highly regarded Rocksprings juniors.

As the game was rather uneventful that Rocksprings was able to tinge into the lead on two occasions while the Ozona regulars viewed the game from the bench.

Ozona kicked off to Rocksprings to start the action and after holding for downs the Cubs scored on the second play with Sutton covering the 37 yards needed around right end. The pass attempt for extra point was no good.

With the regulars sitting on the bench the Rocksprings club jumped into a 7 to 6 lead when Smartt cracked the middle of the line for 60 yards and then punched over the extra point.

It took Ozona only one play to regain the lead. Following the kickoff Sutton fired a strike to Cervantez who covered the remaining distance with ease. The play was good for 61 yards.

Again the Rocksprings team forged into the lead as Ozona's second stringers could not stop the big Rocksprings backs. After two big gainers Schuchert broke away on a reverse and raced for 60 yards but that was all as the Cubs kicked back for two more scores, one a 90 yard kickoff return by Sutton and a few minutes later a 27 yard end sweep.

Sutton handled the ball on three running plays which elected him to run and scored on all three opportunities; passed for one more and then raced one kickoff back for a tally. In addition one punt back for a score, only once did he go down with the ball and that was when he slipped in the mud and fell after returning a kick 55 yards. He was never stopped by the opposition.

New Mt. Zion Baptist Church To Be Dedicated In Sunday Services

Rev. M. C. Carter of Monahans, Texas, will preach the dedication sermon at the opening of the new Mt. Zion Baptist Church next Sunday afternoon. The church, destroyed by the June flood, has been rebuilt in the new Harlem Addition on the southeast edge of Ozona.

The dedication service will begin at 4 p. m. the pastor, Rev. Hampton Bowers, announced. The choir will sing several hymns.

"We are asking all our friends to come worship with us," Rev. Bowers said.

Last Chance Next Week To Order Pix Of Ozona Flood

Several persons have asked for prints from the flood negatives made by me last June 27 and 28. I had not intended to print any more of these pictures, but to accommodate those who want them I am reprinting each of the 60 negatives. They will be displayed in an album Friday through Saturday, November 5 through 14, by the courtesy of Mr. Evert White at the Ozona Stockman office. The prints on display are not for sale, but you may order as many of any print or prints as you need, on a cost basis. They will be mailed to you as soon as I can make them, which should be a matter of a few days.

Any print shown can be furnished in the large size (8x10 inches) at 50 cents per print, or in the small size (5x7 inches) at 40 cents per print. Ten cents extra will be charged for each order, regardless of quantity of prints ordered. (Continued on Last Page)

Tower For TV Test Arrives; Erection To Begin This Week

The 400-foot tower on which television antennas will be mounted in an effort to bring satisfactory television reception to Ozona homes arrived here Wednesday morning by truck and was unloaded at the site where it is to be erected on the hill east of the H. B. Tandy and Richard Miller homes. The tower was made by an Oklahoma City aerial tower manufacturer.

An erection crew is scheduled to arrive here Friday of this week to begin hoisting the tower into place on its concrete foundation, poured two weeks ago. Several days will be required to erect the tower after which the work of mounting the necessary equipment will begin.

The TV test, which if successful, will be followed by a community system of cables to "pipe" the amplified signals to Ozona homes, is being promoted by a group of local citizens forming the Ozona Television System.

Eldorado Topples Ozona For Second District Loss 20-13

By Ernie Boyd

The Ozona Lions lost a hard fought 20 to 13 decision to the Eldorado Eagles in Eldorado last Friday night as they virtually dropped from the district title race.

For awhile it appeared that the Lions would win their first district contest of the season but as the game wore on the Lions made repeated mistakes which set up Eldorado scores, while at the same time they failed to take advantage of the mistakes made by the Eagles.

The Lion line from tackle to tackle played well all night but again it was the wide plays that proved the Lions' undoing. Tackles Jody Jones and Jess Marley along with guards Fred Shoubrouck and Eusevio Longoria and linebackers Juan Delgado and Ronnie McMullan gave the Lions the best line play of the season, but it was not enough to offset two costly fumbles. (Continued on Page Three)

586-Bbl. Oiler Extends Ranch Field Half Mile

Continental Strike 4th In N. Central Crockett Field

The Ranch (Strawn) field of Crockett has gained its fourth producer and a 1/2-mile north extension with completion of Continental Oil Co. No. 6-C-C-E-Harris, in 4-BB2-A. J. Barfield survey, 12 miles south of Texon.

It was completed for a calculated daily flowing potential of 586 barrels of 47 gravity oil, no water, with gas-oil ratio of 4,249-1.

Potential was based on an actual nine-hour flow of 195.39 barrels of oil through a 13-64-inch choke and perforations between 8,133-8,140 feet in 5 1/2-inch casing cemented at 8,198 feet, the total depth. Perforations between 8,148-56 feet were squeezed off. Pay section was acidized with 500 gallons.

Tubing pressure was 1,350 pounds; casing pressure, 400 pounds. Plugged-back total depth is 8,142 feet.

Gulf Oil Corp. No. 1-E J. H. Tippett, indicated Clearfork discovery in 38-31-H&TC, one mile southwest of the Tippett (Wolfcamp) field of Crockett County, 11 miles southeast of McCamey, was continuing to test through perforations between 4,590-610 feet.

In 24 hours, using a 3/4-inch choke, the project flowed 28.6 barrels of oil and 12.3 barrels of water. The next 20 hours through the same choke it flowed 16.6 barrels of oil and 11 barrels of water. On a 27-hour flow through open tubing recovery was 27.3 barrels of oil and 12.6 barrels of water. Gas-oil ratio was 57,314-1.

Crockett Casts Token Vote In General Election

Six Amendments Favored; Sprinkle Of Local Write-In

Only a little more than a fourth of the qualified voters in Crockett county cast their ballots in the general election held Tuesday despite the fact that eleven proposed amendments to the Texas constitution, which will have far-reaching effects on taxpayers in the state, were at stake.

A total of 348 votes were cast in the county, out of a total possible voting strength of over 1200. The voters in this county were overwhelmingly for the Democratic slate, but Republican gubernatorial candidate Tod Adams received 32 votes to Governor Allan Shivers 286. Senator Lyndon Johnson received 268 votes to 48 for Watson and 1 for Spangler.

Voters in this county approved six of the eleven constitutional amendments and disapproved five. Approved were the \$7 million dollar annual increase for Old Age Assistance, 204 to 87; Teacher-State Employee retirement credit, 277 to 116; for Social Security

coverage of state employees, 162 to 126; for the state building fund from the Confederate pension tax, 195 to 99; for permitting military personnel to vote, 207 to 84, and for permitting small counties to elect to have a separate tax assessor-collector, 125 to 122. Disapproved were prohibiting state grants to toll roads, 154 to 129; requiring women to serve on juries, 180 to 118; four-year terms for county and precinct officials, 169 to 121, and permitting creation of hospital districts in the larger counties, 144 to 133.

A few write-in local races spiced the election somewhat. In the governor's race, one voter held out for Ralph Yarborough with his ballot. In the county attorney race Howard Lemmons, who lost to incumbent Dixon Mahon by a slim margin in the primary, received two write-in votes. Kay Black, also defeated in the primary in a bid for the Sheriff's post held by V. O. Ernest, received one vote. In the Precinct 4 race for Commissioner, Fats Parker, who lost to Jake Young by a one-vote margin, received 8 write-in votes at the South Elementary voting place.

The vote totals for the various county candidates were: Judge Houston Smith, 307; Clerk Leta Powell, 307; County Treasurer Jim Dudley, 305; County Attorney Dixon Mahon, 303; Sheriff V. O. Ernest, 304; County Surveyor W. P. Conklin, 308; Justice of the Peace W. M. Johnigan, 80; Constable Tom Smith, 81; Commissioners, No. 1, Ralph Jones, 76; No. 2, W. T. Miller, 87; No. 3, Rusty Smith, 73; and No. 4, Jake Young, 66.

Public Invited To Hear Dorsey Hardeman At Auditorium Tonight

Citizens of Ozona and surrounding area are invited to hear State Senator Dorsey B. Hardeman, who will speak on the subject of flood control and water conservation, at the Ozona High School auditorium at 7:45 o'clock tonight.

Senator Hardeman will be honored at a barbecue supper staged jointly by the Rotary and Lions Club of Ozona preceding the auditorium talk. The barbecue will be served to Rotarians and Lions and their guests in the girls' gym, starting at 7 o'clock.

Plymouth Schedules Test In Farmer Field

Hayes & V-T Drilling Co. of Odessa has filed application to drill its No. 2-B University 3/8-mile west of production on the south side of the Farmer (San Andres) field of Crockett County, 15 miles southeast of Big Lake. Rotary drilling to 2,650 feet will begin at once.

Location, on a 160-acre lease, is 2,310 feet from the south line and 330 feet from the west line of 9-50-

Ozona Lieutenant Gives Orientation To Latin American Military Men

Second Lieutenant Joseph A. Perry, son of Mrs. Gertrude Perry, Ozona, explained the workings of psychological warfare broadcast to members of the Inter-American Defense Staff during their visit to the Psychological Warfare Center, at Ft. Bragg, N. C., recently. Some 40 high-ranking military officials of 16 South and Central American countries were in the group that visited the Center on an orientation tour. Lt. Perry is commanding officer of the 8th Mobile Radio Broadcasting Company, one of the strategic U. S. Army propaganda units stationed at the Center.

'Madame Butterfly' To Be Presented At Sul Ross College Nov. 9

Alpine, Texas — The Grand Opera, "Madame Butterfly", in English, with fifty singers and twenty-five musicians will be presented by Charles L. Wagner at the Sul Ross State College Auditorium the evening of Tuesday, November 9. Sul Ross will be the only Texas college this year to have grand opera. Mr. Wagner has the only traveling troupe in the United States. This is his fourteenth season of opera. He has been training and presenting top American musical stars for fifty years. San Antonio and El Paso are the only two other towns in Texas where "Madame Butterfly" will be presented this year. Downstairs tickets are available only. The price is \$2.00. Dr. Virginia Link of Sul Ross State College is chairman of arrangements, and she announced that the supply of tickets is limited and people interested in hearing this prominent group of musicians should contact her immediately.

Mrs. C. W. Taliaferro of Ozona was released Wednesday from a hospital in Monette, Mo., where she was under treatment since last Friday for injuries, suffered in a freak accident at the Taliaferro farm in Arkansas. Mrs. Taliaferro suffered four broken ribs when she was pinned between the door of her car and a tree while attempting to stop the car from rolling down an incline.

Eldorado Topples

(Continued from page one)

bles and a blocked punt. The scoring began late in the first quarter when the Lions fumbled in their own territory to set up the first Eldorado score which came on a 32 yard scamper by Eagle halfback Pennington.

The Lions did not remain behind long as they bounced back with vigor to go sixty-five yards for the tally. Tadpole Hale running from his halfback slot raced 30 yards to the Eagle thirty to get the drive in motion and then Ronnie McMullan covered the remaining distance in two plays and kicked the point after to tie the score.

After battling successfully to overcome two fumbles the Lions got under way again after taking over a short kick on their own forty-five. Hale and McMullan moved the ball in just four plays to the Eldorado seven where with first down the half ended.

The Lions fell behind in the third quarter when the Eagles intercepted a Lion pass and then marched forty-five yards to go ahead. Again it was Harris and Pennington who did most of the damage for the Eagles with Pennington going over from the four for the tally.

The Lions reacted quickly and drove sixty yards to the Eldorado 12 where a low snap killed the drive.

Moments later Ronnie McMullan left the game after being jarred up and a fourth down kick was blocked to pave the way for the third and last Eldorado TD. This time Stockton dived over from the two for the score.

Following the Eagles last touchdown the Eagles sent a new team on the field but on the first play the Lions recovered a fumble and even though the Eldorado first team rushed back into the contest they could not hold the Lions.

Sammy Martinez, who had been bottled up all night broke away for twenty yards and Hale slashed to the four. McMullan, back in the game roared over for the tally but time was fast running out and the Lions futile on-sides kick was too late even had it succeeded.

In the backfield for the Lions Charles Hale and Ronnie McMullan along with quarterback Bobby Martinez played very well while Sammy Martinez even though bottled up most of the night played exceedingly well on defense.

The Lions rolled up 245 yards rushing and five passing to get their two scores while the Eagles picked up 256 rushing and none

passing to get three scores. Leading ball carrier for the night was Pennington who picked up 127 yards in 23 tries but both Lions McMullan and Hale had better averages with McMullan getting 105 yards on 12 carries and Hale 113 on 11 trips.

CROCKETT COUNTY HOSPITAL NEWS

Patients admitted: Miss Vicki Carroll, Ted Mark White, Mrs. Clyde Leath, Mrs. Billy Maness, Mrs. Dollie Williams, Donny Ratliff, Frankie Rivera.

Patients dismissed: Mrs. Lilly Smith, Mrs. J. W. Howell, C. A. Woody, Miss Vicki Carroll, Mrs. Clyde Leath, Ted Mark White, Frankie Rivera, Thelma Lara, Mrs. Chappo Ramoz.

A baby girl was born to Mr. and Mrs. Bill Maness Sunday afternoon. She weight six pounds, eleven ounces.

GIRL SCOUT NEWS

Girl Scouts, Troop No. 3, have been working and having fun for several weeks. Mrs. Hall is our leader and Barbara Bonn is assistant leader. Our president is Sandra Whitaker; vice president, Joan Hall; secretary-treasurer, Marie Gomez, and reporter, Sandra Ratliff.

Last Friday we discussed how to earn badges, raise money, uniforms and our year's program. Sandra Ratliff, reporter.

Bishop To Address Methodist Conference In Del Rio Nov. 9-10

The San Angelo District Methodist Conference in session at Del Rio, Tuesday and Wednesday, November 9 and 10, will hear A. Frank Smith, bishop of the Houston area, according to Dr. Eugene Harris, district superintendent, of San Angelo. The conference open Tuesday morning at 9:30 with a devotional and business session.

Dr. Eugene Slater, pastor of Polk Street Methodist Church in Amarillo, will preach Tuesday evening and Wednesday morning, and will speak before a Layman's Breakfast Wednesday morning at 7 o'clock on "The Stewardship Of Possessions."

A reception for the visiting ministers, their wives, and lay delegates is scheduled for Tuesday evening following the regular session. A Family Life Seminar will be conducted jointly by Mr. and Mrs. Elton Mims of Water Valley, Dr. Marthelyn Gainer and Mrs. Eugene Harris of San Angelo, Mrs.

Seaborn Kiker of Mason, and Mrs. Roy May of Brady, who were delegates to the recent National Conference On Family Life in Cleveland, Ohio.

District lay leader William Warner of San Angelo will direct a layman's hour when local lay leaders are to report on their home churches. A plan for expanding the program of district missions will be outlined by District Missions Board chairman, Scotty Newman of San Angelo.

Host pastor Paul Weiss and the Del Rio congregation plan to provide overnight accommodations and breakfast for all delegates who wish it, and meals will be served at the church dining room.

Delegates expected to attend from Ozona are J. Troy Hickman, pastor, and Joe Clayton, Chairman Official Board; P. O. Hatley, Supt.

Church School; Mrs. Dub Stokes, Pres. W. S. C. S.; Mrs. J. Troy Hickman and two delegates to be elected.

HAVE YOU GOT THAT SCHOOL SPIRIT?

By Susie Schneemann

How is our school spirit?? How is your school spirit? You can answer these questions truthfully because no one will know what you are thinking when you read this article. Do you really get behind the school games and activities?

First of all just think what school spirit means? Do you know? Think about it a minute — what is school spirit? I think this: school spirit is not only being loyal to your school and cheering at the pep rallies, but also giving your time, your energy, and your service to your school. Only in service to your school can there be school spirit, for that is the true meaning of the words. If you yourself don't take pride in your school how can you expect the outsider to think favorably of it? "You get out of something what you put into it", we have all heard this phrase, the same thing goes with school. A school is only as good as its students — if that is right, and it is, then there is no reason why we shouldn't have the greatest school anywhere!!

"But you say, where can we start?" Why not start with the school spirit at the football, basketball and other games and the pep rallies? It is true that we have had two district football games and have been defeated but why is this? Did you ever stop to think that it is you — yes you who sit in the grandstand and cars and do not holler that maybe causing this? I know you think that yelling matters very little because the teams do not hear us but don't you think that they know when we have that spirit and when we don't — that feeling just isn't there. They can hear us when they are warming up and at the pep rallies.

You should feel like you would have to go to the games and back to your team just like you have to get an Algebra lesson. Boys and girls, you owe this to your school. You probably never thought of it this way but you owe it to your school. You owe it to the football team because they practice every day long hours, you owe it to the band because they practice each day so they can make a good showing for their school, you owe it to the coaches that work so hard with these boys, you owe it to the cheer leaders that practice and try to build up this spirit, last but not least you owe it to yourself — this is most important — you yourself miss half of your high school fun by not going to the games and giving it all you have.

Football boys — this not only includes the spectators but you have to keep up that "fighting spirit" too. So far you have done good and we are proud of you but lets BEAT JUNCTION!! If they hit hard you hit a little harder. Next Friday we play Junction

BEAT JUNCTION

here and I hope I see everyone at the game. Go yell and see how much better it is. How about it? This is a poem written by Carol Blackstone to us:

Have you no pride in O. H. S.? No wishes for our team's success? To salvage our school from distress Yell your loudest, we ask no less. Sure our boys will do their best But best is of not good enough We must help to do the rest Let's our boys strut their stuff. Our next game is here at home There's no reason not to go. Follow the yells when you come Help Ozona beat the foe!!

ASSEMBLY PROGRAM

By Beverly Killingsworth
Last week in assembly Mr. "Hack" Leath demonstrated how to make a seventeen year old boy look like a sixty-five year old man. Since Ronnie McMullan was about three minutes late to school he was the one Mr. Leath painted. He explained the different types of make-up to make you younger or older. After Mr. Leath finished you couldn't recognize Ronnie. It was a very profitable and enjoyable program. Thank you, Mr. Leath and Ronnie.

THE BAND NEWS

By Darlyne Alford
Friday night the Ozona High School Band traveled to Eldorado. They did the "Goodnight Ladies" show again. The band is planning a trip to San Angelo to see and hear the United States Navy Band Tuesday, November 9, in the San Angelo Junior College Auditorium. The band is looking forward to this trip.

MEET THE SENIORS

By Beverly Killingsworth, and Lou Nelle Beall

I'm sure everyone has been wondering about the seniors. How they came to be here and whether they were hitched, born or what. Well we're going to find out. We picked the life of one of the most important people in the senior class for our first biography.

Of course it is Lynn Parker your class president. He is the most important person isn't he? He is eighteen years old this coming November the fifth. He is a native of Ozona. He was born in 1936. When and if he ever graduates from High School he is going to Texas University and major in Medicine. To become a doctor I suppose.

Here in high school his favorite subject is of all things chemistry. His favorite hobby is smoking a pipe and his favorite brand of tobacco, Prince Albert, to go in his pipe. His favorite food is fried chicken, favorite color is red. His favorite movie is A Star Is Born and his favorite actor: Marlon Brando, Actress: Joan Crawford. His favorite book is "Mourning Becomes Electra", favorite magazine is "Saga". His favorite sport is football-just to watch that is. He doesn't play.

This is all we could drag out of him he's so bashful you know. We'll have another senior for you next week.

Dear Rosie and Betty,

This week has been full of steady parting ways and couples deciding to go steady. I guess you've heard about Sonny and Martha breaking up, everyone was sure surprised, but no one was surprised about Peggy and Brock going steady. They sure do look cute together don't they?

Ozona was well represented at Eldorado Friday night. Among the fans were Buster and Patty, Bill S, Donald T, and Alena Fay. Then of course there were the old regular high school kids that will be here for another year. It seems that every one had a wonderful time, Carol and Martha enjoyed it, they just decided to stay for the night. The next morning they went on to Austin to see the ball game. They saw some of our old friends that are having such a hard time with that college life. It seems that they had a wonderful time all of the week-end.

Of course you all know about the dance on Saturday night. It was to celebrate Halloween and how we did celebrate. I'm not going to try to name all of the couples because it would take too long and I have to study some time. But it did seem to be a wonderful time. About 10:30 or 10:45 everyone drifted to the Mid-night show. On the way out there Mike and Carolyn kept everyone ducking with their home made flour bombs that they kept throwing at the cars. Janice and Earl gave them these little specialties that he and Benny had worked on all evening.

Finally after the show was over every one turned up at the M&M for some coffee to thaw them out. Susie seemed to be so unhappy because everyone had forgotten her on her birthday. She just wandered around like a lost puppy. Around that time it was about 2:00 a. m. so we decided it was time to let Susie in on the little surprise. All of the girls went over to shack up at her house for a surprise Slumber(less) Party. We had tons of food to eat and plenty to drink. Not much happened Sunday and not much is happening right now so I guess I had better close and try to cause a little excitement. We'll see you next week with our letter and hope to see you in person Thanksgiving.

See Ya, soon,
Barbara Fields

Social Events

Saturday night the Student Council gave a "Sh-Boom", Halloween dance. Firecrackers, confetti, and refreshments were the highlights. The library was decorated in a cool way with orange and black streamers hanging from the ceiling, jack-o-lanterns, and other Halloween decorations. "Mr. R. C. A. Victor" provided for the music. Everybody had a swell time and "thanks" goes out to Mr. and Mrs. Harlan for sponsoring this gay affair!

After the dance Robert Cox decided to top things off with an excellent "1910" movie. Everybody then went to the M&M Cafe for a cup of coffee. (Almost everyone needed it too.)

It was then about 1:30 and Susie was now 17, so all the girls took off down to her shack for a "see who can go to sleep the fastest party." After eating cake, sandwiches, olives, and pickles we all settled down to tell the experiences of the night. While some were busy eating, other were looking out the window to see if their flame was coming by. After sleeping 30 minutes (about 5:00) we were awakened by a ghastly noise, this was no other than "Wheatie Bill" coming in singing, "Oh bury me not on the Lone Prairie. (1 year for New Mexico)"

toward home and it was off to bed again.

Martha Bailey

SOPHOMORE CLASS NEWS

By Joyce Henderson

Last Tuesday we chose different committees to work on our Christmas dance. We sure are having a time trying to raise enough money for an orchestra to play for us but I guess we'll keep trying. Plans are under way, really under way, and we are going strong!!! We'll have some Christmas dance, so everybody come.

Remember the hot dog sale we had on October 20? Well, we made approximately \$35.00 on it, and we all had fun except maybe the roommothers. They surely worked hard and we really appreciate the work they did for us. We want to thank everyone for eating over there and helping us.

SENIOR CLASS NEWS

By Sonny Henderson

The Senior Class met Tuesday and the subject was brought up about the annual "Miss Spirit of Christmas" contest which is put on by the Junior Chamber of Commerce in San Angelo. As you all know Miss Jeannene Thompson won top honors in the contest last year. Prizes of all different varieties will be awarded. The class decided we would think about who might be elected to represent the Seniors of O. H. S. and elect our choice next class meeting.

A DAY IN O. H. S.

(As Seen by a Stranger)

I was just wandering through Ozona and I thought I would stop and see your schools. The buildings are all very nice. Especially the band hall, that is, after you wade far enough in to see it. First, Laughlin' Liz came my way. She really has got that ole "cat craze" hasn't she? Sometimes you may wonder at the way she walks, but that comes after years of 'frantic' bopping.

Then a cute little chick got me off in a corner and began on a long tale about her troubles. She seems to have the nick name, "Huffy". Poor thing the world is against her. Always having love troubles, one way or another. Either she doesn't have a date, or she can't date on school night, or people just don't appreciate the way she decorates their car.

Of course, I didn't stay there all the time. The high school building looked rather inviting, so I stumbled in that direction. The first person I bumped into there was "Stubby". He seemed to be in a hurry for he knocked me back 4 or 5 yards. When I managed to pick myself up and follow to see what the excitement was I found he just needed some water. A very interesting character, that Stubby.

And there goes Stiney, no that wasn't anybody. Oh, yes it was. When, thought my imagination there. I've heard some people wish was playing tricks on me. He was turned sideways to me for a minute he would make up his mind about

Lions Roar

(Continued from Page 4)

how he is going to play this game of going steady. A lot of people are all mixed up, but personally, I think it might be pretty good to keep everybody guessing. After all they are only in high school. What will you have to tell your kids if you do the same old thing while you are young and spirited?

Enough of this fortune telling, there are more ladies and gents running around loose I have to give a report on: for instance, Janice Spencer. Now there is a mouth full. Maybe I had better stop right there. No, no. Let me tell you first how she impressed me. Mind you now, this is just one person's opinion. She is intelligent, quiet, very conservative, and a real secretive sort of person.

Did I feel something then? A funny feeling just went through my bones. Oh, it was Thrill walking by. Now where did a name like that ever originate? She really must be a lot of fun to have around. Have you ever noticed how the conversation livened up when she was around? Hm, that's strange, neither have I. Ten to one she is in the run-off for most popular this year. But I won't tell who is going to win. It would take all the fun out of it for that person.

It's getting time for dinner now, guess I had better step in some deserted room. Judging from the way the walls shake just during a change in class period, the lunch rush will be something to watch. — Sorry for the pause, but they just let me out of the hospital. Seems I blocked the door leading out the south entrance too long.

One of the oddest creatures I met in my day at O. H. S. was the Freddy Van. You know, he is sort of like the car he drives, bright and unexpected. Definitely unexpected. Has anyone seen a car door laying around? It got in the way of some firecrackers and water balloons of Fred's once too often. Does he think those turtle-neck sweaters help him? The girls do seem to fall around after "Lover boy" when he walks by. I would take up wearing them myself if I thought it would help.

There was one girl in your school that nearly got sued by me.

She came walking in with a terrifically bright orange belt on. Already you know who I'm talking about. I believe it was "Beverley" written on the belt. She must wear that thing to make up for her quiet personality. But I've heard from various sources that she can start talking at the most unusual times. It seems she got just such a spell last Saturday, huh Mike??

Speaking of Mike, isn't he the most original person you have ever met? Poor boy, he is some one to feel sorry for, he has it so tough. When I saw him he had to wear his house-shoes to school. It seems he was chasing a buzzard that nearly didn't get away, and wore a hole in his one and only pair of boots!!!

As every school goes there is the ladies man in the crowd. Of course he may be the only one who thinks he is a ladies man but he is just the same. In O. H. S. it is none other than little Johnny Butterfield. It is rumored that he has met his match, because he has been hollering "calf rope" to an "ex" of his lately and she's just been slipping out of his rope each time he throws. But that is the way the ball bounces with these pretty boys and their love life.

Have you seen Greenie Bean lately? Doesn't she have that relaxed look? It looks like she is really satisfied with life now. You had better watch that guy you latched onto. He hasn't lived in Ozona all his life, he might have some new tricks up his sleeve.

The Goddess of Love and Beauty, better known as "Rats" is still drifting up and down the halls. She asked me, with her smooth (mineral oil smoothness) voice what time it was. To think she asked a peasant like me something, really gave me a boost!!

There are so many others I want to tell you kind people about but I just don't have time. I'll put in a few names and discriminating facts about a few more and then I'll have to be pushing on. Cheesy would be a good one to hold your interest for awhile but since he goes steady with Peggy, such a sweet girl really, I just haven't the heart to hurt her. Of course I could tell you about the Sowders brothers but being as I haven't found anything to bring my senses back to normal from the first time I laid eyes on Blacky I

will just have to skip them too.

One girl you had better watch is Carolyn Stuart. She came sneaking past me and it was odd about the number of people that spoke to her. They must be betrayed by her innocent looks. But for your own good let me warn you. In all my experience gained by traveling I have learned to judge people by their eyes. Never, no, never trust a person with the shade of eyes like hers. Beware of those "dirty" blue eyes.

As my time of departure is near at hand I must close with this one last piece of advice. If you listen to Sue about school spirit don't read "fag" ads. For you will be overcome (as usual) and give way to the weed-pulling habit. The two, school spirit and cancer sticks, combined will give you an extremely tender throat. Remember this one of the two must go.

NOTE: The writer of this article was unfortunate enough to let it get into the wrong hands. She is now on her way to the moon so it will be useless to try and catch her.

Facts About Figures

By Beverley Day

Nearly everyone knows the popular, young Miss Moore, by now, but for the benefit of those who don't and the ones who want to brush up on some facts about her we will give you some highlights of her life.

Her home town is Bober, Texas. She says she has lived there all her life which began, incidentally, August 16, 1934. Summing up a few favorites, they are: food—Mexican dishes, past time—playing piano, and sport—basketball. It is easy to see why basketball is her favorite sport as she was captain of the basketball team for three years. Miss Moore was also

president of the senior class.

After she graduated from high school she worked seven months in Dallas as a secretary. She went to East Texas State College. Business was her major and she minored in English. A high honor of hers was being a member of the Pi Omega Pi. It is a national business organization. She was a member two years and I found out, by inquiring around, that you have to have a very high average in business to be in Pi Omega Pi.

All of the kids at school will back me up in saying she has a swell personality. There is no stilted, strained feeling when you are around her. Of course, we still have the respect a student owes their teacher but when you are near her she seems to be a personal friend. She also has good taste in clothes. Just this afternoon we girls got together and decided which clothes we wanted when she discarded them. Considering some of the arguments that arose maybe I better 'drop' this subject. They might think I'm building up 'suction' with my press power.

Oh, yes, for those who don't know Miss Moore, here are some statistics to aid you in recognizing her. She is 5' 7", has blue eyes, light brown hair, weighs 122, cute, eligible, phone 315-W, oops, got carried away. Better close before she fails me in English.

Fads and Fashions

By Ann Ratliff

The attention this week has been drawn to the blouse or weskit Pat Cooper was wearing in a grey blouse with a yellow dicky, emphasized by a bright yellow corduroy skirt. Nancy Perdue wore a black jersey covered with tear shaped pearls and rhinestones. A man style yellow felt vest with

a maroon skirt was worn by Sarah and white manshirt. With brown Hicks. Carolyn Stuart has a black plaid skirt Patty Hardesty and jumper top worn with a grey skirt
Continued On Page Seven

**'PRESCRIPTION'
MEANS 'PROTECTION'**

More often than you might suppose, we hear the question: "Why do I need a prescription to buy the medicine the doctor has ordered to make me well? It just seems to make the cost go up."

It's easy to see why some people ask this, and the answer is just as simple. Your Doctor's prescription is written for your protection. It is his explicit order to us, your pharmacists. We are trained by years of college and practical experience to follow his scientific instructions to the letter.

We are also the final check-point before the medicine reaches you. We double-check all prescriptions. It's our duty to see that there are no mistakes and to call the doctor if there is any question about his orders.

So, "prescription" really means "protection" . . . your protection. We're happy to provide it.

OZONA DRUG

The **Rexall** Store

Gordon G. Aikman, Owner and Pharmacist

We'll give it to you straight.

Buick's percentage of the nation's new-car sales has reached an all-time high for the past generation. Sales are soaring so high that Buick now is out-selling all other cars in America—regardless of price class—except two of the so-called "low-price three."

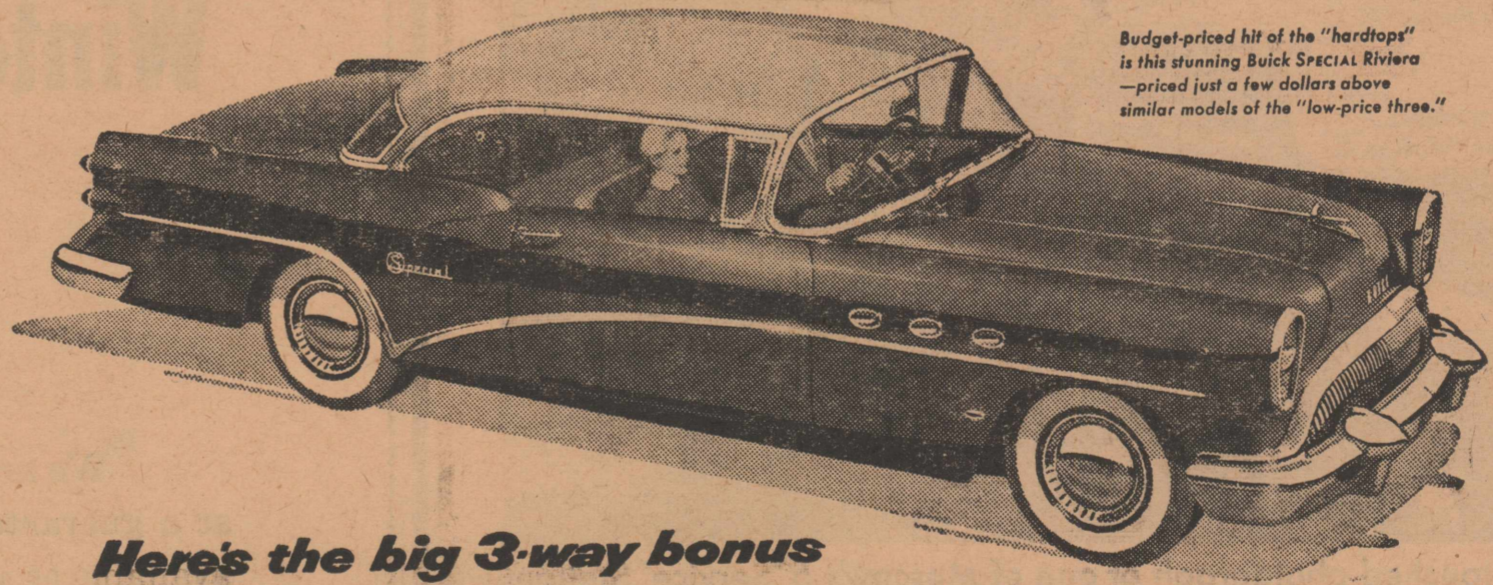

We aim to keep it that way, and end the 1954 model year with a new record—and we're willing to go all out to make it.

So we're talking turkey right now with prices and trade-ins too good to miss. We're offering our best deals ever on the car that has the power, the ride, the room, and the styling that have taken America by storm.

Come in and see us, and you'll know what we mean.

**But-Now's the time
to Talk Turkey on the
buy with the
3-way Bonus!**

Budget-priced hit of the "hardtops" is this stunning Buick SPECIAL Riviera—priced just a few dollars above similar models of the "low-price three."

**Here's the big 3-way bonus
we offer in Buick today**

Advanced Styling

— the very look of the new '55 cars is yours in today's Buick at a '54 price and "deal." Long, low glamor lines—sports-car snap—that trend-setting panoramic windshield—fresh, stay-new styling that means a higher resale value for you at trade-in time.

Better Buy

— a lot more automobile for your money—more room and power and ride comfort—plus traditional Buick solidity of structure—and all at prices that start right next to those of the so-called "low-price three."

Record-Making Allowance

— from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. And just to keep sales soaring, we're willing to give a whale of an allowance right now to keep success rolling in high. So come in—get the car and the deal that are far too good to pass up.

Buick Sales are Soaring

so Buick "deals" are bigger than ever right now!

**John R. Baileys Honored With Dinner
On Fifty-Fifth Wedding Anniversary Sat.**

Mr. and Mrs. John R. Bailey of Ozona, who celebrated their fifty-fifth wedding anniversary on Saturday, were honored by their children with a family dinner in the home of Mr. and Mrs. Brock Jones.

Mr. and Mrs. Bailey were married in San Angelo, Texas, on October 29, 1899, in the home of Mrs. Bailey's aunt, Mrs. Elizabeth Hubbell, by the Rev. Johnson Robinson, pastor of the Presbyterian church. Mrs. Bailey was the former Miss Roberta Murchison, daughter of Mr. and Mrs. Robert Murchison early pioneers, who at that time lived on the "Point Pleasant" ranch between Eldorado and Sonora.

Mr. Bailey was the son of Mr. and Mrs. Robert Bailey of Ft. Worth, later of Eldorado and San Angelo. Mr. and Mrs. Bailey have made their home in Crockett County since 1900. Their children are Mrs. Bascomb Cox, Mrs. Worth Odom, Mrs. Brock Jones, and one son, Albert Bailey. They have ten grandchildren and twelve great-grandchildren.

Those present for the occasion were: Mrs. Worth Odom, Mrs. Bob Jennings, Camille and Helen Ann Jennings of Las Vegas, New Mexico; Mr. and Mrs. T. A. Bailey, Mrs. Nora Gee, sister of Mr. Bailey; Mrs. Elton Silliman, sister of Mrs. Bailey, of San Angelo; Albert Bailey, brother of Mr. Bailey, of Eldorado; Mrs. Ed Reynolds, Judy and Ned Reynolds of Dallas; Mr. and Mrs. Elton Holland Jr., Jeannette and Don Holland of Ft. Stockton; Mr. and Mrs. Bascomb Cox, Mr. and Mrs. L. B. Cox, Lynn and George Cox, Mr. and Mrs. Bob Bailey, Nannette and Jim Bob Bail-

ey, Mr. and Mrs. Brock Jones, Elizabeth, John and Brock Jones Jr. Rev. and Mrs. Troy Hickman, and John Hickman all of Ozona. All of Mr. and Mrs. Bailey's children and grandchildren were present except two granddaughters, Mrs. John F. Green of Austin, and Mrs. Jim Easley of Red Bluff, Cal.

Unretouched photograph of one of Moscow's 5 "Service" Stations

IT CAN'T HAPPEN HERE

● Reports from behind the Iron Curtain say that there are only 5 "service" stations for all of Moscow's 5 million inhabitants. And even at these few filling stations, service is non-existent and gasoline is rationed. That's what you can expect when all industry is controlled by the state and there is no competition for the motorist's business.

Compare this with the kind of service

that you get at your neighborhood service station! This has come about because over here there are thousands of oil companies—all constantly competing for your business by trying to reach you first with the newest, most improved oil products and the finest services possible.

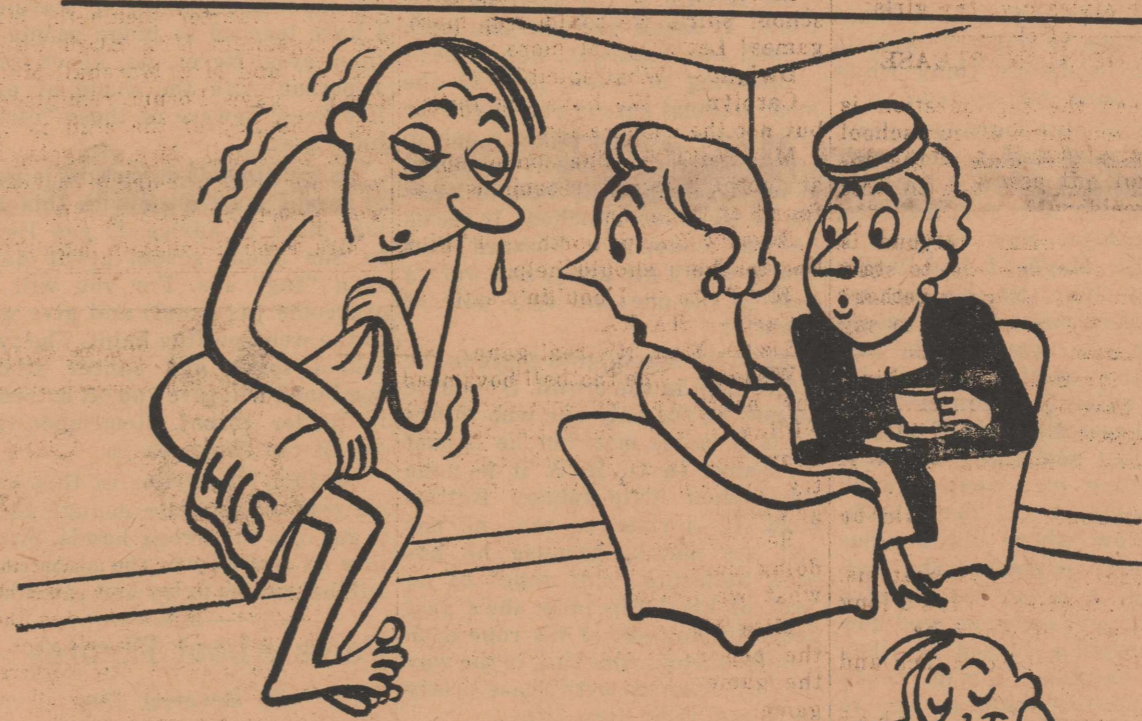

Here's our promise that, as part of this progressive industry, we'll continue to serve you and the nation well.

Lions Roar

(Continued From Page 5)

Carol Friend wore wool knit jerkins. Carol emphasized the avocado in her skirt, Patty the dark brown. We liked the neat tailored look the manish styles give the girls.

YOUR OPINION, PLEASE

This week the big question is "What do you think of our school spirit?" Here are some of the answers this reporter had to this question.

Naomi — I think everyone is waiting for everyone else to start it. Why don't we all get together?

Janice — We have none to say anything about.

Mike — It's not worth nothing. We don't have enough.

Ann Baggett — It's horrible.

Pat, Nancy, Lynn and Silent — It stinks.

Coach Hickman — It could be better.

Pat Woodall — Jr. High beats us.

Johnny Butterfield — It's a long way from what it could be.

Lou Nelic — It lacks punch and vitality.

Kent Chapman — In other

schools you are considered a low-brow if you don't yell; but in our school if you yell people look at you like you're crazy.

Jan — We need more of it. We really do. I'm as guilty as anyone and I'm going to yell more.

Martha Bailey — If we had more school spirit we could win more games! Let's try for more.

Dwight — What spirit????

Carolyn — We have the ability but not the cooperation.

Mr. Leath — The school spirit at football games resembles that found at funerals.

Beverly Killingworth — I think the teachers should help.

Mr. Pelto — I couldn't say!

Carl — HA-HA.

Liz — Man, it's real gone.

Wanda — The football boys need our help. The cheerleaders are willing to lead you if the student body will do their part. Let's all try to help our boys win some games.

Beverly Day — We all talk about doing more, this time let's practice what we preach.

Miss Moore — It's all there in the pep rally but never gets to the game. We need more at the game.

CARD OF THANKS

We want to express our heartfelt thanks to the many Ozona people who were so kind and helpful during the illness and at the death of Mrs. Burt. Your thoughtfulness has made our burden of grief easier to bear and we will always be grateful to all of you.

Seth G. Burt and family

Federation Day Observed By Forum

Federation Day was observed when the Woman's Forum met Thursday at the Country Club. Mrs. Boyd Baker, program leader talked on "Federation Dreams to Reality." Charter members, Mrs. Ele Hagelstein Mrs. Hugh Childress, Jr., and Mrs. Marshall Montgomery, gave Forum reminiscences, a history of the club in the form of a skit. Mrs. Hagelstein, who has been a member 22 years, was presented with a gift.

Mrs. Fred Hagelstein, legislation

chairman, gave a report on the 11 constitutional amendments voted on Tuesday. Mrs. W. T. Stokes reported on actions of the committee to investigate comic books. Mrs. Joe Williams, Mrs. Brock Jones and Mrs. Jess Odom were named to a committee to arrange Boys Ranch Christmas gifts. Other committees appointed were: Game party for polio, Mrs. Pete Jacoby, Mrs. Marshall Montgomery, Mrs. Joe Tom Davidson, Mrs. Jack Williams; to dress Christmas doll to be sold by Forum, Mrs. Bill Clegg, Mrs. W. H. Whitaker and Mrs. Martin Harvick, and safety

committee, Mrs. Joe Clayton, Mrs. P. L. Childress and Mrs. Austin Millsbaugh. Mrs. Jim Ad Harvick presented the Federation's savings bond pledge which the club voted to sign.

Mrs. P. L. Childress and Mrs. Joe Clayton were hostesses. Others present were Mmes. Carl Appel, T. J. Bailey, Boyd Baker, Charlie Black, Hugh Childress, Jr., Joe

Tom Davidson, Ele Hagelstein, Fred Hagelstein, Jim Ad Harvick, Pete Jacoby, Jess Marley, Beecher Montgomery, Jess Odom, P. C. Perner, Joe Sellers Pierce, III, W. T. Stokes, C. O. Walker, Jack Williams, Joe Williams, Chas. Williams, Jr., and Ralph E. Simon, Jr.

From where I sit... by Joe Marsh

Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in *The Clarion's* office.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to *The Clarion*. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

From where I sit, just about everyone thinks his own home town is best. Picking your town comes natural. The right to do this "picking," though, is what really counts. Whether it's a favorite town, a favorite cut of meat, or even a choice of a beverage—say between beer and buttermilk, it's respecting the right to this freedom of choice that makes a good neighbor. I hope you subscribe to that!

Joe Marsh

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. You glide over the bumps! New Anti-Dive Braking Control, exclusive with Chevrolet, assures "heads up" stops.

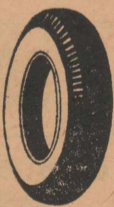

Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Brake and Clutch Pedals pivot at the top, swing downward with a light pressure of your toe.

Tubeless tires as standard equipment

You get this great tire advance at no extra cost! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

8

6

6

Great new V8—two new 6's

New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. Two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

And look what you see from the driver's seat! New Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view of the road ahead. And you can see all four fenders from the driver's seat!

A ventilating system that really works! Chevrolet's new High-Level Ventilating System takes in air at hood-high level, away from road heat, fumes and dust.

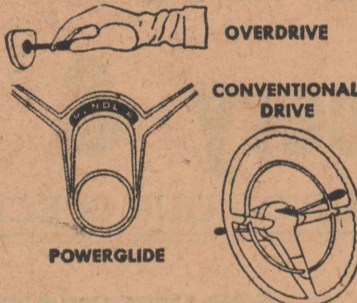

Even Air Conditioning, if you wish

Air is heated or cooled by a single highly efficient unit that requires no trunk space! (V8 models only.) It's just one of the wonderful extra-cost options Chevrolet offers!

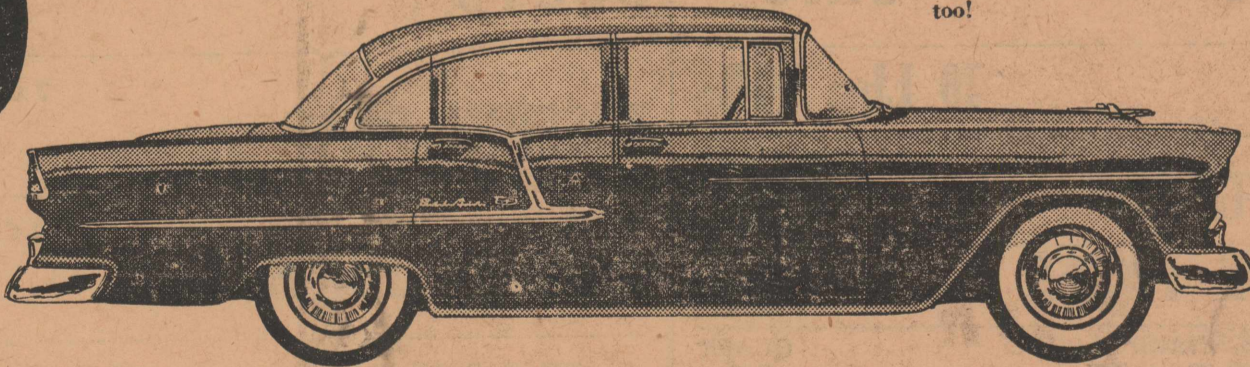

New Outrigger Rear Springs

Rear springs are longer—and they're attached to the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering.

Three drives, including Overdrive

Powerglide—with the new V8 or the new "Blue-Flame 136." New Overdrive with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars. Lots of car buyers have wished for such a car. Lots of automotive engineers have dreamed about it. But there were

plenty of reasons why it couldn't be done. Then Chevrolet and General Motors designed and built a car to fit the dream—the Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a completely new car. It's a whole new idea about cars!

Come in and meet the *motoramic* Chevrolet

—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING

Here and There
By J. Troy Hickman

(Continued from page one)

seemed to be on other issues, he will not let this 20 year sentence stand. Claud Batchelor would be 42 years old when he finished it. After 20 years in prison, what can a 42-year-old man do to begin his life anew? The 20 years is nearly as much a life sentence as the first.

To keep the record clear, let it be said that the people who feel strongly that the Batchelor sentence is an outrage against American ideals of justice and mercy are not all sentimentalists and busybodies, neither do they deny that Batchelor did some things that were seriously wrong and calculated to hurt this country. But some of them believe that two wrongs never made a right.

In The Merchant Of Venice, Shakespeare had Portia say to Shylock, "The quality of mercy is not strained." No, it isn't. But in the reduction of the Batchelor sentence from life to 20 years, the quality of the army's mercy was constrained by public pressure.

Public opinion is effective only as it is expressed. You and I cannot express the opinion of everyone else, but we can express our own. And it makes more difference than we imagine. Your elected public official respects your opinion more than anything else on earth, for it is his passport to honor or to oblivion.

When you, one ordinary person, are moved by a political conviction and will sit yourself down and take your pen in hand and over your signature express that feeling in a plain, direct, but courteous way, and mail the letter to your congressman or President, you have done one of the most consequential things a citizen can do. It will have its effect; never doubt it!

By this method you can multiply your influence at the polls a thousand times. A vote cast is one expression of opinion. A letter written in your own hand is another expression of opinion. Unless we are willing to let wrongs go unchallenged, and unless we are willing that organized pressure groups with their paid lobbyists shall rule the country, more of us ordinary people will have to express ourselves by letter more often.

Last Chance

(Continued from page one)

dered, to pay mailing charges.

Fill in the order blank with your name, your mailing address, the number and size of prints wanted, and the money for same. A receipt will be given for your money. In order to supply these prints on a cost basis, I cannot make personal deliveries or collections, or print any orders unless the money is left with the order.

Some of the pictures were taken at night, others by the dim early morning light, and will finish dark. This cannot be helped. But they will be legible, and each one you order is guaranteed to be as good as the displayed print from which you ordered.

This will probably be the last chance to get these prints, as no others can be made except on special order and at increased cost prices.

R. C. Ortega

Texas Tuberculosis Representatives To Be At Community House

R. C. Ortega and Mrs. Emily Boyd both of Austin, Directors of the Latin-American work of the Texas Tuberculosis Association, will be at the Ozona Community House the evenings of November 8 and 9. Their program, centered around the prevention and care of tuberculosis, will be presented in Spanish.

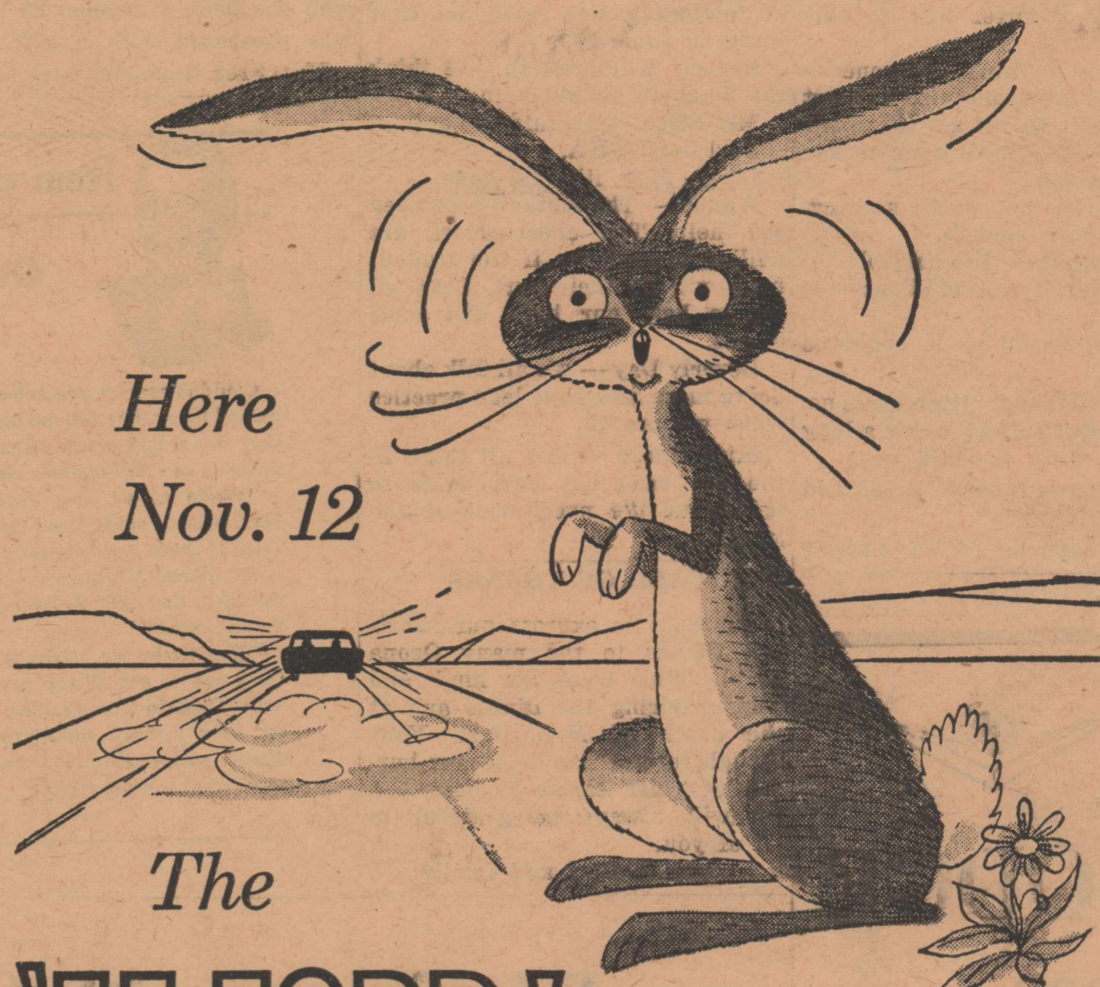

Mr. Ortega began work with the Texas Tuberculosis Association thirty-five years ago. He was a preacher and became so impressed with the suffering of many people with tuberculosis that he became convinced he would be more useful if he worked to improve the health of sick folk. He began

work with the Texas Tuberculosis Association and has been travelling over the state all these years in the interest of the prevention of tuberculosis. Mrs. Boyd began work with the Association eight years ago.

Mrs. Boyd and Mr. Ortega will be here two evenings. The meet-

ings will be held in the Community House starting at 7:30. Don't miss hearing them and getting the information they are able to give. All adults are cordially invited to come. Children under twelve may come with their parents.

Adding Machines at the Stockman.
