THE HAND OF GOD

It has been said that "Man proposes, but God disposes." Nowhere is this more dramatic than in the history of nations. A few days ago the political outlook of a nation of 160 million people was dramatically changed by a sudden change in one man's health. The President of the United States had a heart attack.

The effect went around the world. Messages poured in from foreign countries. The stock market became unsteady. Speculation about the next Presidential election, as well as the relative positions of the two major parties in the national political picture, changed overnight. Some think that Democrats, whose prospects were dreary indeed before the President's illness, will probably take over the White House next November.

All of this was caused by a reaction that took place in a chunk of human flesh smaller than a person's two fists. It is a heart attack that is felt around the world.

The first concern, of course, is for the health of the stricken man. For years he has carried a heavy responsibility and has had to make weighty decisions. The strain of the D-Day invasion project during the last war rested primarily on Ike, and it must have been terrific. The burdens of the Presidency in a postwar period of readjustment have not been easy ones. Perhaps the wonder is that he stood it as well as he has. And perhaps the even greater wonder is that any person ever endures four years of Presidency.

There will be some who will urge Ike to run again. We believe that his common sense and will to live will rule out this eventuality. The country needs a well President.

Thus far the Eisenhower administration has been a distinguished one. Whether another term would have been as good, no man can say. At any rate, the Providence of God has intervened; and Providence is usually wiser and more kind than our own desires.

It appears now that Eisenhower may live to complete this term, although his schedule from here on will be the carefully trimmed agenda of a sick man. As a sick man, he may retire after the end of his term and enjoy several good years of life.

Meanwhile, the country will go on its way. So will the world. God does use men in carrying out His plans. But to God, no one man is indispensable. God is a better strategist than to risk the future on one handful of flesh.

Someone put it this way:
God moves in mysterious ways,
His wonders to perform;
He plants His footsteps in the sea,

And rides upon the storm.
Judge not the Lord by feeble sense,
Behind a frowning Providence
He hides a smiling face.

While you and I are including the stricken President in our prayers, we will not forget to thank God daily that His grace, and not our poor wisdom, has the last word in human affairs.

Music Club Audition For Scholarship Award To Be Held Saturday

The Ozona Music Club will hold its annual Scholarship and Audition contest in the high school auditorium Saturday morning at 10 o'clock. This is the second year in which the club will award the scholarship to the winning student.

The award covers the music tuition fee of any teacher the student desires to study with, for a period of nine months. There will be three out-of-town judges for the contest among fourteen entries. Judges will base their decision on the students playing ability, sight reading, scales and chords, theory, and innate ability.

Margaret Owens Dies Instantly In Car-Truck Crash

Frank Mathers, Sierra Blanca Rancher, Companion Also Killed

Funeral services were conducted Tuesday, at 3 p. m. from the Robert Massie Funeral Chapel in San Angelo, for Miss Margaret Owens, daughter of Mr. and Mrs. Tom Owens of Barnhart.

The Rev. Grady Peters, pastor of Trinity Methodist Church officiated, assisted by the Rev. Lynn McAden, pastor of the First Methodist Church at Rankin.

Miss Owens, and Frank C. Mathers, Jr., Sierra Blanca ranchman, were both killed in an automobile accident Saturday night. The automobile in which they were riding collided with a truck on a hilltop 14 miles west of Sierra Blanca.

The Buick car belonging to Miss Owens, which rammed into the rear of the trailer truck at a speed estimated by investigating officers at from 90 to 100 miles an hour, was completely demolished. The truck, loaded with beans, was traveling at about 25 miles an hour. The driver, Joe Taylor Brooks of Tahoka, was not injured.

The only survivor in the Owens car was a dog belonging to Miss Owens. He escaped with a few minor scratches.

Services were held for Mr. Mathers Monday afternoon at the Sierra Blanca Baptist Church, with burial in the Sierra Blanca Cemetery.

Miss Owens was born in San Angelo, in March, 1922, and operated her own ranch near Rankin. She raised Quarter Horses as a hobby and was adept in rodeo competition. She became interested in rodeos when she was 12 years old, and was the first president of the Girl's Rodeo Association. In 1948 she won the All-Round Championship; in 1950 she won the bareback riding at Tulsa; 1951 she won the cutting horse contest at Colorado Springs, and the calf roping at Natchez, Miss. In the period from 1948 to 1951 she was awarded 13 belt buckles and five saddles.

Survivors other than her parents include a sister, Mrs. Shankle Bloxom of Fort Worth; a grandmother, Mrs. Lottie Bolt of Junction; five uncles, Willie Bolt of Junction, Bob Owens of Odessa, Clint Owens of Sheffield, Bode Owens of Barnhart, Wilse Owens of Ozona, and an aunt, Mrs. Lennie Sprague of San Angelo.

Pallbearers were T. E. Autery and Jeff Owens both of Sheffield, Ellis Word Owens of Marathon, Ellis Lee Porter and Claude Owens of Fort Stockton, Al Owens of Rankin, Buck Owens of Barnhart, and Robert Dudley Owens of Odessa. Burial was in Fairmount Cemetery at San Angelo.

Methodists Ask Bids On Parsonage And Lot

The Ozona Methodist Church will receive sealed bids on the present parsonage and the lot on which it stands. The bids should be mailed to The Methodist Church Ozona, Texas, on or before October 25. On that date the bids will be opened by members of The Parsonage Committee of The Methodist Church.

The Church reserves the right to reject any or all bids; or to accept any bid submitted, whether or not it is the highest bid. The title and possession of the property will not pass to the buyer until the pastor occupies the new parsonage.

\$900 FOR GONZALEZ DRIVE

Mrs. Ashby McMullan, chairman of the Gonzales Warm Springs Foundation drive for crippled children, reported this week that a total of \$900. was collected as Crockett County's contribution to the Gonzales Foundation. Mrs. McMullan would like to express her sincere thanks to everyone who has helped to make this contribution possible.

School Board Accepts New Cafeteria Building

With a few minor corrections and repairs to be done, and funds reserved until such completions, the school board Tuesday night accepted the new cafeteria building from Contractor Herman Krevit of Midland.

After the few remaining chores are completed by the builders, Mrs. Gus Maxwell, formerly of Abilene, will begin the task of putting the cafeteria into shape for operation. She hopes to be able to serve the first meals to students and teachers beginning next Monday. A full force of helpers has already been employed and supplies are being stockpiled for the opening.

Build Fence Around County Lot To Help Prevent Gas Thefts

County Road Engineer D. C. Ratliff was authorized to construct a high fence around the county machinery storage lot in the south part of Ozona under an order of the Commissioners Court this week.

The action was ordered as a means of preventing tampering with county equipment and theft of gasoline from road machines while parked over night.

The court also authorized the engineer to assign one man the task of checking out and in all machinery and equipment to employes daily, thus making it possible for authorities to keep a closer tab on the location of all pieces of equipment in use by the county crews.

Band Boosters In First Meet of Year

Ozona Band Boosters held their first meeting of the year last Thursday, the regular meeting date, the first Thursday in each month.

The Boosters voted to give \$100 for records and tape recordings to be used by the band this year. The sale of fruit cakes this fall will be undertaken again. About 20 were present. The next meeting will be Nov. 3. All those interested in the band are invited.

Mrs. Arthur Phillips, president, appointed the following committees for the new year: Finance, Mrs. Hurst Meinecke, Mrs. Bill Lott, Mrs. Buddy Moore, Mrs. Q. A. Brentz, Mrs. Roy Pearson and Mrs. Eie Hagelstein. Transportation, Mrs. Joe Friend, and Mrs. Bill Childress. Membership, Mrs. Arthur Kyle and Mrs. Dempster Jones. Publicity, Mrs. Bill Conklin. A new vice president, Mrs. Brock Jones, was elected.

Ozona Student High In Sul Ross Tests

Of the 240 freshmen who took the cooperative English test as an entrance examination at Sul Ross in the fall 1955-56 school year, Miss Barbara Fields, daughter of Mr. and Mrs. A. O. Fields of Ozona, and Miss Tommie Smallwood, daughter of Mr. and Mrs. W. E. Smallwood, of Presidio, are listed in the upper ten percentile. Miss Fields graduated from Ozona High School, this spring, while Miss Smallwood is a former student of Ozona high school but graduated at Presidio in May.

The average score made in reading was 23 as compared to an average of 20 in the 1954-55 school year. The seventy-five percentile and twenty-five percentile marks in reading the test were slightly lower than previous scores.

Ozona Exes Back In Numbers For 3rd Homecoming

Mrs. West Crowned Queen As Oldest O. H. S. Graduate

Ozona High School ex-students and other ex-Ozonans gathered in numbers here Saturday to observe Ozona's third homecoming, which was kicked off Friday night with the Ozona-Rankin football game and wound up with a dance at the country club with the Firemen's Band furnishing music.

Mrs. W. E. West, who was a student in Ozona schools when Crockett county was organized in 1891, was crowned Homecoming Queen for 1955.

Some 30 floats were entered in a giant afternoon parade through downtown streets as the afternoon feature of the day's observance. Cash prizes were offered for the most beautiful float, won by the Ozona Woman's Club entry; for the most original, won by the Freshman class of Ozona High School; and second and third places, won by the class of 1939 and the Sophomore class, respectively. Judges were Mr. and Mrs. J. L. West and Supt. and Mrs. McKinney of Big Lake.

Exes were invited to register Saturday morning at 9 at the high school auditorium. At a short business session of the Ex-Students Association, sponsors of the Homecoming celebration, James Baggett was elected president of the Association, succeeding Mrs. Max Schneemann. Mrs. Eie Hagelstein was named vice president and Mrs. Byron Williams, secretary-treasurer.

The Homecoming program opened at 10 o'clock and it was during this session that Mrs. West was crowned Queen. Cayce Moore, the Hearn Barber and nationally known humorist, entertained the exes with his homely humor. Former students, many of them coming from far distances, were recognized and welcomed. The address of welcome was by Howard Lemmons.

At the noon hour, a crowd estimated at around 800 persons enjoyed a barbecue dinner in the city park arranged and served by the Ozona Lions Club. There was plenty of food left over from the noon meal and visitors were invited back for supper and a good crowd was on hand.

Prizes awarded for the winners in the float judging were made possible by donations from local business firms. The list of donors included M&M Cafe, Moore Motors, Adwell Theatres, Sutton Chevron Station, Leo's Service Station, Collett's Texaco Station, Williams Magnolia Station, Frankie Jones, Troy Williams Motors, North Motor Co., Moore Oil Co., Ozona Oil Co., Franklin Motors, Hi-Way Cafe, Ozona National Bank, Williams Grocery, Empire Southern Gas Co., Joseph's Dept., Store, Ozona Drug, The Ratliff Store, C. G. Morrison Co., Modern Way Grocery, Foxworth-Galbraith Lumber Co., Ratliff Hdw. & Furn. Co., Hilton North Grocery, Ozona Boot & Saddlery, Humble Oil & Refining Co., L. D. Kirby, Agent, Ozona Stockman and West Texas Utilities Co.

Mrs. Max Schneemann, retiring president of the Ex-Students Assn. in charge of homecoming arrangements, expressed the Association's appreciation to all who assisted in making the 1955 homecoming a success.

GIRL SCOUT TROOP FORMED

The 5th grade Scout Troop No. 8, has been organized under the leadership of Mrs. Joe Clayton, and met at the Scout Hall, Friday, October 7 at 3:45 p. m. The intermediate group worked on their float for the homecoming parade and went on a hike. This week the troop will have a marshmallow roast and nature trail study. Also an election of officers will be held. Those present for the meeting were Marty Burt, Mary Grace Chandler, Cheryl Clayton, Arlene Gotcher, Robin Jones, Helen McCaleb, Mary Parker, Jan Smith and Precilla Spurgers.

Modernized Stores Latest Face-Lifting For Ozona Businesses

A "new look" along Ozona's main drag is presented by the completely refinished and modernized Ozona Drug building, recently reopened after being shut down while the construction work was under way.

Beginning with the ultra-modern plate glass front with metal trim and glass door, the store was completely rebuilt and refinished on the inside, with modern lighting and modern fixtures and furnishings replacing most of the old. The two-story rock structure above the drug store also underwent a face-lifting via stucco and paint and owner Gordon Aikman even went so far as to paint the weathered rock which was exposed on the second-story level south side. A neon "Rexall" store sign was installed above the modern front this week.

The Ozona Drug modernization is the latest move in that direction for Ozona businesses, the Joseph's store, and the Ratliff Hardware and Furniture and the Ozona Club quarters having recently been given similar treatment. A new building on the Ozona business scene, built by P. C. Perner on his lots across from the Foxworth-Galbraith Lumber Co., houses the Hilton North Grocery. The old Hurst Meinecke building formerly housing the grocery, has been refinished and put in use by Mr. Meinecke to house his pool and domino club quarters, moved from the adjoining Meinecke masonry building, which has been leased by James Baggett for his Devil's River Feed Co. home.

Lions Squeeze By Rankin 20-13 For 5th Straight Win

Contest Decided By 4th Quarter Score On Pass Play

The Ozona Lions, stung by two Rankin Touchdowns in the third period, bounced back to win a hard fought 20 to 13 victory over the Rankin Red Devils in Ozona last Friday night.

The victory, fifth of the season for the Lions, came on two sharp fourth-quarter passes from quarterback Bobby Martinez to Lloyd West and Bobby Sutton, the latter one covering the last 18 yards to the end zone.

The Red Devils, led by quarterback Bobby Hudson and two hard running backs in Glen Welling and Jimmy Ingram, played keep-away with the ball most of the night as the invaders ran 64 plays from scrimmage as compared to 38 for the Lions.

Rankin wasted little time in getting started as on the second play from scrimmage Ingram broke over tackle and raced 50 yards before being dropped hard by Bobby Martinez, the last Lion defender.

With Welling, Ingram, and Chandler carrying the ball, the Red Devils rolled to the Ozona six before the Lion forward wall rose up and stopped the drive.

The Lions showed the invaders why they were unbeaten in a hurry. Mike Clayton cracked into right tackle for no gain and Orville Paulk picked up 11 and a first down on the seventeen.

Freshman Bobby Sutton popped through a brief hole and with a key block from Johnny Ramirez rambled 83 yards for the first score. Clayton's conversion try was not good.

Once again the Red Devils shredded the Ozona defense as they moved to the Ozona forty before being forced to kick. Ingram's kick was bobbled and the Red Devils recovered on the Ozona six. This time the Lions made themselves a break. As Welling started into what appeared to be a wide hole, he was hit very hard and the ball floated free with the Lions pouncing on the loose ball.

This time the Lions started a crunching attack that carried all (Continued on Last Page)

Contract May Be Let In December For Radar Unit

Million Dollar Installation Slated For Occupancy In Dec. 56

Additional details concerning the Radar Unit scheduled for Ozona have been furnished Congressman J. T. Rutherford by General E. E. Partridge, Commanding General, Air Defense Command, the Congressman advised The Stockman this week.

Rutherford contacted General Partridge just prior to departing on October 1 for a 30-day tour of active duty with the Marines, and asked for full details in connection with the Ozona unit.

General Partridge says 16 officers, 169 Airmen and 17 civilians will make up the unit, personnel-wise.

Rutherford was told that the project will cost an estimated \$1,088,000. Buildings will consist of the following types:

Radiol - Receiver - Transmitter Building, \$23,400; Operations Building, \$93,800; Airmen's Dormitory, one cost \$102,400 and another \$144,000; Dining Hall, \$106,500; Bachelor Officer's Quarters, \$101,300; Utilities, \$197,600; Cable ducts, \$7,160; Power Building \$61,700; Access Roads, \$19,300; Supply Building, \$35,600; Community Building, \$111,500; Administration Building, \$42,900; Security Fencing, \$8,350; Flag Pole, \$677; Gatehouse, \$3,260 and Air Installation Maintenance Shop Building, \$31,660.

The station will be located 4.6 miles east of Ozona, immediately adjacent to U. S. Highway 290. The site entrance road will be 1069 feet long and 18 feet wide, of double bituminous construction. It is proposed that existing commercial utilities will be used.

Design specifications and plans are being prepared by the District Engineer, Corps of Engineers, at Fort Worth and bids are to be let later this month. Bid opening is usually 30 days thereafter, followed by awarding of contract within the next consecutive 30 days. The construction is to be finished in October, 1956 and the station is scheduled for 'beneficial occupancy' in December, 1956. When activated, the station will be under the jurisdiction of Central Air Force of Air Defense Command, located at Grandview Air Force Base, Grandview, Missouri.

JENNY KING CIRCLE

The Jenny King Circle of the Woman's Society of Christian Service met Wednesday morning at 9 a. m. for coffee and the study of Indian Americans at the home of Mrs. Paul Perner.

Mrs. Madden Read gave the devotional and prayer. The study on Indian Americans was directed by Victor Pierce. In a question and answer session, half of the group were Americans and wore an American flag emblem; the other half head dresses of bright colored bands and feathers.

Mrs. B. B. Ingham Sr., told of the Dawes Act, enacted in 1887, that provided for allotment of land. Mrs. O. D. West related the Indian Reorganization Act, that was enacted as part of the New Deal during John Collier's service as Indian Commissioner.

Mrs. T. A. Kincaid, Jr., told about the Moor's Charity Indian School that began in Lebanon, Conn., and was finally moved to Hanover, N. H. It is now Dartmouth College.

Mrs. Howard Lemmons told of the Carlisle Indian School and its development. Miss Mildred Ralston talked on what the government has done for the Indian schools. Mrs. Joe Pierce told about the Cook Training School in Phoenix, Ariz., while Bacone College in Muskogee, Okla., was Mrs. D. B. Pettit's subject.

Mrs. Demp Jones told of the life of the Indian Artist, Richard West.

Those present were Mesdames Bailey Post, T. A. Kincaid Jr., D. B. Pettit, Joe Pierce, Howard Lemmons, O. D. West, Madden Read, B. B. Ingham Sr., Victor Pierce, Dempster Jones, Paul Perner, and Miss Mildred Ralston.

Mr. and Mrs. L. B. Cox, Jr., had as their guest over the past week end Mrs. Ora Shipley of Floydada, Texas.

New Money Orders Now Being Issued By Postoffice Department

To prevent raising of postal money orders, the Postal Department has redesigned the money order form to be used at first and second class offices, Postmaster Floyd Hokit said this week.

The purchaser's application form will be discontinued. The purchaser will state the amount of the money order to the issuing clerk and he will in turn enter the amount in the proper spaces and affix the money order date stamp. After stamping the money order, the clerk will return it to the purchaser and it will be his responsibility to enter his name and address as well as that of the payee, the postmaster said.

Purchaser's are cautioned that the money orders are the same as cash until the payee's name is written thereon.

The post office stub on the new form will replace the application as the basis for future accounting for money orders issued.

Since it is the responsibility of the purchaser to complete the body of the money order, it is recognized that some orders will be spoiled by purchasers when they fill them out.

If the patron returns the spoiled order on the same date as purchased the spoiled order will be treated as not issued and a new one issued without charging a new fee. The regular fee will be charged for issuance of new order if returned after that day.

If a person receives money order which is not properly filled out, he may fill in the missing particulars. Payment may then be made providing the holder is identified as the persons named on the order.

GIRL SCOUT NEWS By Sandra Cushing

Girl Scout Troop No. 3 met Tuesday at their regular time with leaders Alena Powers and Billie Chandler. The girls went on a short "alphabet" hike and returned to the cabin to take up the business for the day. Refreshments of pop and doughnuts were served by Mrs. C. O. Woodlall. Those present were: Kay Lott, Marion Ross, Glenda Friend, Charlotte Johnigan, Becky Cullins, Janet North, Jan Pridemore, Peggy Harvick, Judy Black, Dee Woodlall, Sandra Cushing and the counselors.

The troop had a float in the homecoming parade. The theme was "Hands Around the World" and was carried out with costumes from different countries. The girls worked hard on their float and were very proud of it although it did not place.

Plans are being made for the "Fly Up" ceremony on the 25th day of October at 7:00 p. m. Films of the homecoming parade will also be shown to the girls and their mothers.

Sawyer Takes Course In Diamond Grading

Wesley Sawyer has just returned from Kansas City where he attended an intensive, 3-day refresher course in diamond grading. This clinic was conducted by one of the major diamond importers, who operates one of only a few diamond laboratories in the world.

"The laboratory itself is unique," says Mr. Sawyer, "It was kept at a constant temperature, the air was filtered to remove dust and it was lighted by specially designed lights so there were no shadows. Conditions were constant so diamonds could be graded at all times under the same conditions."

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

October 14, 1926

Tuesday night October 13, the beautiful new Methodist church was opened. By seven thirty the whole house including the balcony was full. An impressive service in which representatives of different organizations connected in some way with the church came to the altar with a banner. The banners were draped on the chancel rail as each person passed. Rev. Stanley Haver then conducted the regular service.

Several interesting chapel exercises have been held at the Ozona school during the last few days. Rev. James V. Reid played a number of old time airs on the piano, and Mrs. W. E. West delivered an interesting lecture on Paris, based on her European travel last summer.

Tom Gilbert was appointed pound master for the town of Ozona to enforce the stock law here. The appointment was made by the Crockett County commissioners court at its regular session Monday.

J. W. Henderson sold over 1100 three and four year old steers last week at the prevailing market price.

The annual Ozona Senior Carnival, to be given by the class of '27 in the city park, will open at 7 o'clock Saturday night with a round of gaities that will show up Coney Island as a piker. There will be roulette wheels, bare back riders, a movie actress, fortune telling, and an honest-to-goodness baby show.

Mr. and Mrs. Joe T. Davidson, and their son, Joe Thomas, will go to San Angelo Friday, to attend the circus.

Mr. and Ms. Joe Oberkamp returned Saturday night from a trip to Dallas and Paris.

The Purple and Gold grid warriors will go into the fray again on their own grounds Saturday, still tingling with the 13 to 12

victory over Rocksprings last Saturday. The locals received the kick on the famous Baylor hidden ball play and Capt. Robt. Augustine, right end, skirted the end for a long broken field run to the goal line. The most sensational play of the game was a 103 yard run for a touchdown made by Clayton McCollum of the locals. McCollum intercepted a pass and 'lit out' for better than the length of the field for the winning touchdown. Ozona's lineup in Saturday's game was, Sapp, left end, Phillips, left tackle, Lee, left guard, Deland, center, Bunger, right guard, Grimmer, right tackle, Augustine, right end, A. Kyle, quarter, E. McCollum, left half, C. McCollum, right half, and Weaver, fullback.

Since last week a light has been mounted on top on one of the concrete light posts on Main street. As it happened, this post is the same post that Chris Meinicke had difficulty in passing recently. A call is hereby issued for some three or four volunteers to run into the other posts and see if lights will not be placed on them. Don't crowd, men.

Dr. Cecil Walley and daughter, Rosie, former Ozona residents who now reside in Jackson, Miss., were in Ozona visiting friends and to attend the homecoming last week end. Miss Betty Walley also an ex-student of Ozona is attending school of nursing at S. M. U. this year.

The second grade Brownie group under the leadership of Mrs. Bud Coates, has a new member, Miss Nancy Deland, bringing the total up to 21 girls. Miss Deland joined the group last week and the girls are happy to welcome her as a member.

ASSEMBLY

Wednesday, October 5, 1955, Ozona High School was honored with a representative from a life insurance company. He told us exactly what insurance is and how it works. We heard how much smaller the dollar is today than it was a few years ago, and how much less it will buy. This was certainly of interest to us, because in a few years most all of us will need to know about insurance, as we will be using it.

THE HEADLINER

Hello friends! Homecoming is over and everyone will agree that it was a big success. Everything has settled down again and the students are ready to bear down and work.

Our football boys have done it again! Friday night we played Rankin here for our homecoming game and won. This marks up our fifth victory. This week-end is open and next Friday, district play opens here with Sonora. The football boys, cheerleaders, and students are looking forward to this game. Here's hoping our district season will open with a bang!

This week is six weeks' exams. Six weeks have passed, and it seems only like yesterday that school started. Next week we receive our report cards for the first time. I hope that the grades on them will please you and your family. Just remember that no one is to blame except yourself.

I must close and go to the next class. Until we meet again —

The Headliner

SENIOR OF THE WEEK

This week we are going to find out some facts about a personality everyone knows. She is an outstanding senior in Ozona High School. She was born on September 30, 1938 in Midland, Texas.

Her eyes are blue and her hair is brown. Her favorites are: book: Brief Gaudy Hour; color, blue; shows, Mr. Roberts and Foxfire; pastime, Mike; girl, Liz; boy Mike; subject, plane geometry; teacher, Miss Moore.

For two years she has been a student council representative. She has been in the band four years and three of these years — if you look — you will have seen her strutting her stuff in front of the band. This year she is leading the whole band as drum majorette. She was band sweetheart her junior year, which is quite an honor for anyone.

She is quite an athlete as she has lettered in tennis and volleyball tournament her sophomore year.

As you have probably guessed by now the personality this week is Carolyn Stuart.

HOMECOMING

Homecoming started off Friday, October 7, with a football game. The Lions started out with a purr and finally "roared," by beating the Rankin Red Devils 20-13. After the game there was a dance given at the Country Club by Lion backers for high school.

Saturday morning started off with the Exes registering. The program opened with a welcome to the Exes. Corsages were given to the oldest teachers present, oldest ex-student, and the woman that had traveled the furthest to come to the homecoming. A boutonniere was given to the man who traveled the longest distance. The Homecoming Queen was presented by Mrs. Max Schneemann, president of Ex-Student Association. This year's queen was the oldest ex-graduate, who was Mrs. W. E. West. The speaker of the program was the country philosopher, Mr. Cacey Moore. Dinner was served in the park to ex-students and visitors.

At 3:00 there was a parade. There were many beautiful floats and cars in the parade. The Freshmen Class won on originality, the Woman's Club won on beauty, class of '39 took second place and the Sophomore Class won third place. After the parade open house was held at the Homecoming Cottage.

Free supper was served in the park for everyone.

The gala affairs was closed with a dance at the Country Club. The "Sirens" played and turned out very good music.

We were all glad to see ex-students home from college and va-

tions to everyone who had a part. Here's our hearty congratulations to everyone who had a part in making our homecoming a successful one.

COMIN' AND GOIN'

Friday night after the Rankin-Ozona game, some of the "Lion Backers" gave a dance out at the Country Club. Everybody had a big time drinking cokes, nibbling cookies, dancing, and talking over

the game.

Henry Youngman, reporting on a recent trip to Texas: In a rich oil town I gave a waitress a dollar bill and asked for change. Ya' know, she had never heard of it?

Saturday night, the Ex-Students Association were hosts to a homecoming dance. We want to give the Fireman's Band a little recognition on their playing. Everybody enjoyed dancing to their music, and I'm sure we're all looking forward to another dance with the Firemen playing.

Men build bridges and throw railroads across deserts, and yet they contend successfully that the job of sewing on a button is beyond them.

You might have noticed No "Shadow" in the paper last week—well, to be honest, it was a wee-bit cloudy and "it" just wouldn't show up.

Money does not make you happy — but it does quiet the nerves.

Thursday, Oct. 20th. The cheerleaders are planning a "huge" bonfire. We'd like for the student body and also the towns-people to be a part in making this bon-fire a success. If you have any lumber,

boxes, etc., that you don't want phone one of the cheerleaders to pick it up — or if you'd like to help the "leaders" gather material, let 'em know. It would please them to know that spirit is already building for the Sonora game.

There will soon be so many drive-ins in California that you'll be able to get married, have a honeymoon and get a divorce without even getting out of the car.

A statement from Mrs. Max Schneemann, President of the Ex-Students Association, about our homecoming!

"I want to express my appreciation to all who helped in making the 1955 Homecoming a big success."

The average girl would rather have beauty than brains, because the average man can see better than he can think.

CLASS NEWS

Senior

There was no class meeting this week the seniors would like to take this opportunity to issue a few thank-yous.

We would like to begin by thanking each and every person who helped make the Saturday bake sale a big success. Especially would we like to recognize all senior mothers who donated the sweets for the sale.

Research Paces Oil's Progress

There are three reasons why America's petroleum industry has been able to supply the ever-increasing demand for energy called for by our mechanized way of life: 1, it has fearlessly invested its capital in the hazardous search for oil and gas; 2, it has steadily expanded its facilities; and 3, it has conducted endless research to find better, more efficient ways to make the oil products America needs.

Research! That's the key to the petroleum industry's progress. And the Humble Company assures itself a place of leadership in this field with two great research laboratories.

In the Humble Research Center in Houston scientists and engineers study all phases of finding, producing, and conserving oil and gas.

In the Research Laboratory at Humble's Baytown, Texas, Refinery, highly skilled technicians seek to develop new and better petroleum products, to improve those we already have, and to develop methods for making these products more efficiently.

Just as America's progress depends on oil, so oil's progress depends on research.

Lions Roar

(Continued from Page 4)

The senior float, "Typical Teen-ager" although it did not win turned out very nice. We want to thank the float committees of which Ann Baggett was chairman. Last but certainly not least, we want to thank our sponsors, Miss Moore and Mr. Brentz, for making everything we have done so far this year go over with a big BANG.

Junior News

We would like to thank everyone who bought a mum from us. We had a very successful sale and we could not have done it without you helping us.

You saw the junior float in the parade Saturday and maybe you would like to know who rode on it. Cecilia Cooke, Judy Patterson, Yvonne Knox, Melton Allen, Jimmy Brown, Joe Pierce, and Jesse Marley were the slaves. Erby Chandler and Kent Babb were the slave drivers. We certainly hope you enjoyed our float, as we had a lot of fun building it for the parade.

Sophomore News

Third prize of fifteen dollars went to our class float in the homecoming parade. We want to credit this winning to the hard work of many of our students and to our fine sponsors, Mrs. Hull and Mr. Moody.

FRESHMAN NEWS

The Freshman Class of 1955 was awarded \$30 for their float in the Homecoming parade. The float was a large fish covering a jeep. The fish was painted silver with green and red speckles and red eyes.

Mr. Rollins drove the jeep, seeing out of the fish's mouth. Johnny Cooper and Boggy Hodges kept him company.

After the parade the float was left at Dr. Tandy's home, where it was built, to be used as advertisement for Mill's Aquarium Shop until the class decides what to do with it.

Mr. and Mrs. Rollins and Mr. Barber furnished much help on the construction of the float and we wish to extend thanks to them from the Freshman Class.

FUTURE HOMEMAKERS OF AMERICA

FHA met Monday, October 3, and elected officers. The officers are: President Naomi McElvaney; Vice President Janie Ruth Adams; Secretary Yvonne Knox; Treasurer Soveida Machado; Reporter Becky Davidson; Song leader Jean Price; Historian Alisia Rodriguez; Parliamentarian Alleane Young. We think we have a very fine slate of officers that are capable of leading the club. It is not too late to join FHA, and if you would like to do so, just go to the Homemaking Cottage any second or fourth Tuesdays during the activity period.

THE SHADOW

The Shadow trailed you, Brock Jones, this week, on Monday, Oct. 10th. I saw you come into your speech II class "talking up a storm," as you usually do. After several threats from Mr. Leath, he finally succeeded in getting you quiet. You sat on the first row and of course talked to Mike and Benny. The Shadow saw you!!!!

Between 1st period and activity you talked for a few seconds to Wanda Armstrong, then dashed on into football club. You sat near the back of the room and seemed to be listening to what the coaches were saying. But were you? The Shadow knows!!

You went to Spanish I second period. You of course spoke to everyone around you and after a while I heard you exclaim, "I just won't ever learn how to conjugate one of these verbs."

"Mr. Harlan are they the same ones we have in English?" Brock are you planning to sit back and take life easy and just forget all about the six weeks tests? That's what the Shadow thinks!!!!

In Civics class, 3rd period you had a rough test, maybe that's the reason you were the quietest you'd been all day. In fact much to my amazement Mr. Cleere didn't even have to call you down!

You rushed into plane geometry and told Mr. Rollins that Don Lott and Durwood Wylie were in a fight outside. Surely you didn't want them to get caught did you?

It seemed to me that you were trying to make up for your quietness in the period before. You groaned and complained because Mr. Rollins wasn't going to give you a review for the six weeks test. Then you spent the remainder of the period in trying to find flaws in the fundamental propositions and the proofs of the basic theorems on which geometry has stood for 2000 years. As the bell rang you caused a near heart attack of everyone in the room by asking for a homecoming assignment. Even the Shadow was shocked!!!

In your study hall fifth period you really tried to put your Senior privileges to work. You kept taking Chris Hagelstein's FF-A jacket away from him (poor freshman, was afraid of you and Miss North), but Miss North had to take it off of you three times! Then because you had had your last chance, she moved you way back to the back of the room under the clock where you couldn't talk to anyone! Then I heard you in a very undignified voice say, "Miss North you're just being mean to me!" The Shadow heard you, but then everyone else all the way down the hall heard you too!!

During the last period of the day I followed you into Mr. Harlan's room for English III. I saw you get your theme back with a good grade of "B" on it. I also heard someone say rather loudly that you really needed this grade. Is that true, Brock? The Shadow

really knows!! I saw you sitting behind Carol Friend and from a Shadow's view it seemed like you almost never stopped talking to her. Finally the bell rang and everyone including you was making a mad dash for the South door, but I managed to follow you out, and then watched you zoom away with some others and off to football practice!

The Shadow will follow someone else next week, who will it be? Only the Shadow knows!

WHO IS IT?

The 64 dollar question this week is who do you think is the Shadow? Of course no one really knows and "Never will". Here are a few answers we received from the students.

1. Carol Friend — Susie Schneemann
2. Liz Pearson — Suzann Dale
3. Tutor Moloan — Beverley Killingsworth
4. Dartha Melton — Susie Schneemann
5. Carolyn Stuart — The Paper Staff
6. Benny Friend — Cecilia Cooke
7. Don Lott — Mr. Rollins
8. Alma Ingham — Miss Moore
9. Carl Conklin — Cecilia Cooke

Junior High Cubs Stumble In Try For 13th Straight Win

By Roy Killingsworth

The Ozona Junior High Cubs failed in their attempt to gain their thirteenth consecutive victory last week, when they traveled to Iraan. However, in failing, they played by far their best game of the season.

The Iraan Junior high boys watched their big brothers lose to the Ozona High Lion's, and determined to do something about it. Iraan Juniors scored two quick touchdowns in the first five minutes of the game, and looked as though they would make a rout of the bout.

After taking a short kick they marched down the field for forty-five yards in quick thrusts at the center of the Ozona line for gains of five and eight yards per carry. After this touchdown, Iraan kicked to Ozona who had the misfortune of having one of their passes intercepted on the thirty-eight yard line and Iraan was in business again. After two or three short gains, one of the Iraan backs got loose around Ozona's right end for about thirty yards and the second touchdown. On this run every man on the Ozona team had a chance at the big boy, but could not get him down.

The second touchdown seemed to wake the Ozona boys who went on to outplay and outfight the larger boys from Iraan, but the damage had been done. Intercepted passes and two costly fumbles held Ozona to one touchdown, and the game ended with Iraan in front 14 to 7.

Ozona scored their only touchdown when Jim Williams took a hand-off on an end around play and scored from 20 yards out. Bob Meinecke scored the extra point on a plunge through the line.

In the backfield for the Ozona Cubs, it was Johnny Jones, Jimmy Freeman, George Ybarra, and Bob Meinecke who did most of the work. Meinecke and Ybarra closed out the evening with better than five yards each time they carried the ball.

In the line, it was Jimmy Williams, B. B. Ingham, Dickie Flanagan, Adolpho Rivera, Alonzo Galindo, Joe Friend, and Joe McMullan who stopped most of the drivers of Iraan. Jimmy Freeman and Johnny Jones were also very busy on defense.

First downs were even in the game with each team making eight. Five of those made by Iraan were made in the first half of the first quarter when they scored their two touchdowns.

Ozona Cubs threatened to score in the final quarter when they worked the ball to the three yard line only to fumble. Iraan held the ball for the final minute to win.

Junior High did not place in the parade last Saturday, but we bet that we had the most fun of any group in preparing our float. A lot of sore fingers, scratches, some loafers, but on the whole a hard working bunch of boys and girls. A vote of thanks goes to Mr. Coker for supervising and building the float.

NOTES FROM JUNIOR HIGH By Roy Killingsworth

In tonight's game against Sonora, Coach Womack says that he will start the same boys who started the game at Iraan. This will find Johnny Jones, Bob Meinecke, Jimmy Freeman, and George Ybarra in the backfield. In the line will be Alonzo Galindo and Jimmy at end, Joe McMullan and Adolpho Rivera at guards, B. B. Ingham and Dickie Flanagan at tackles and Roberto Rodriguez at center. In addition to these Joe Friend, Bill Meinecke and Muggins Good come in on defense.

We are very happy to learn that Don Cooper of our eighth grade carried one of his fat calves to Fort Stockton last Friday and won the Grand Champion Award in the Pecos County Live Stock Show, then later won a Reserve Champion Award in the West of the Pecos Show in Fort Stockton. Don is to carry his calf to Dallas next week to the Texas State Fair. All of Junior High wish you luck, Don.

Did you notice all of Junior high students looking pretty last Tuesday? They were having their pictures made for the annual.

Oh! Those six weeks exams — Glad they are over!

Clinton Hall checked out of school on Monday, moving to Sweetwater. Sorry to see you leave, Clinton.

Marina Machado turned in her books last Friday before moving to California. We hate to see Marina move as she was doing very good work for us this year.

Nonie Conklin was out of school Monday because of the death of Mrs. Hayes of Crane. Mrs. Hayes was the sister of W. P. Conklin.

Mary Fierro and Concha Leal checked in their books on Monday afternoon. They are going to O'Donnell where their parents are to work. We hope the girls are back here in school very soon.

Manuel Longoria was out of school for one week. He reports that he had his tonsils removed.

Methodist Youth Fellowship Meeting

John Hickman was host to the Methodist Youth Fellowship meeting at his home Sunday, October 9. Mrs. Joe Clayton was in charge of the program and spoke to the youth on "Ten Commandments for Teenagers," in connection with two articles taken from Guide Post magazine.

Another highlight of the meeting was the election of officers. Miss Carol Blackstone was elected president, Sarah Hicks, vice-president, Susie Schneemann, Secretary and Treasurer, and Publicity Chairman, Beverly Killingsworth. The group plans an outing to the Lindsey Hicks ranch, for all members and their parents, on Sunday, October 16. They will leave from the Methodist Church at 1:30 p. m.

During a buffet supper, served by Mrs. Troy Hickman, the group listened to recordings of Negro Spirituals sung by Mahalia Jackson.

Members present for the meeting were Ann Baggett, Bill Black, Carol Blackstone, Erby Chandler, Francis Childress, Joe Clayton, Becky Davidson, Martha Flowers, Carol Friend, Chris Hagelstein, John Hickman, Sarah Hicks, Jerry Jacobs, Beverly Killingsworth,

Jessie Marley, Joe Pierce, Susie Schneemann, David Sikes, Mills Tandy, Mark White, Alleane Young, Jake Young, Mrs. Clayton and Mrs. Hickman.

Mr. and Mrs. Sherman Taylor have returned from Las Vegas, Nevada, where they attended the annual meeting of the Best Western Motels.

Mr. and Mrs. Glen Richardson and twin sons, and Miss Joan Holt of Del Rio were guests over the homecoming week end in the home of Mr. and Mrs. W. E. Friend, Jr., and Carol.

"TEST SHOWED 28 Times More Profit WITH PURINA STEER FATENA"

"In one of our tests with 160 steers, the lot on Steer Fatena returned 28 times more profit than those fed no supplement. The Steer Fatena lot made 6 times more profit than a group fed a single-source protein. All steers in this 195-day test got the same quality hay and were fed Livestock Mineral free-choice.

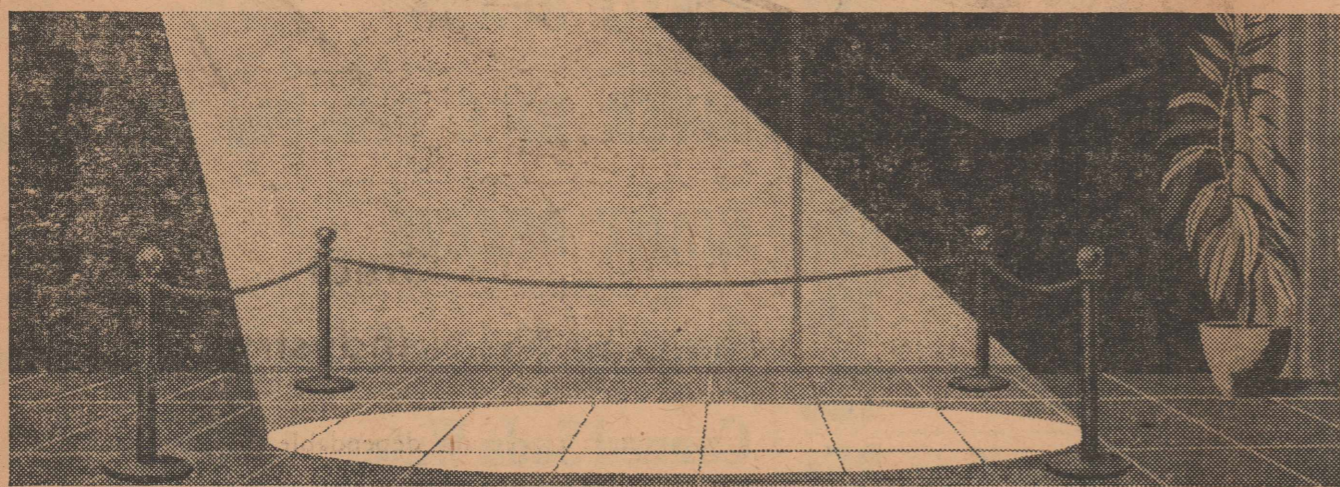

"Purina Steer Fatena did a better job, because it stimulated bacterial activity in the rumen . . . used grain and roughage to better advantage. The Steer Fatena steers carried more weight, better finish . . . brought more money."

Whether you feed light cattle or heavy cattle, whether your roughage is of good or poor quality, there's a Steer Fatena to help you get the most beef from your grain and roughage. Come in. Let us help you work out a profitable feeding program.

the way to the Red Devil eleven before running out of gas. Big plays in the drive were scampers of 18, and 17 yards by Mike Clayton and Bobby Sutton and two sixteen yard passes from Martinez to Johnny Ramirez who lateralled to Clayton and from Martinez to Johnny Ramirez.

The invaders took up on the eleven and pushed out to the twenty-eight where Hudson bobbled a handoff and the Lions covered the loose ball to set up their second score. Orville Paulk picked up five and Mike Clayton got nine to the fourteen. Lloyd West took over the fullback duties and on the first play rolled into the end zone behind a wave of blockers. Bobby Sutton converted and the Lions were ahead 13 to 0 at the half.

After the half the Red Devils really jarred the Lions in a hurry. The Lions took the kickoff and pushed back to their own thirty where the Red Devils recovered a rather doubtful fumble.

Jimmy Ingram found a hole and rolled 16 yards to cap off the short drive. Glen Welling converted to make it 13 to 7.

Rankin, catching fire from the score kicked off and held the Lions for downs, blocking Mike Clayton's punt to take over on the Ozona 28. There was no stopping the Red Devils as Welling and Ingram hammered out short yardage with Welling going over from the one. This time a bevy of Lions broke in to block the extra point try.

Rankin kicked and Ozona fans got a big scare when Lloyd West fumbled and then recovered on the Ozona thirty.

The third quarter closed and Mike Clayton got off a booming kick to the Rankin 14. The Red Devils once again got their running game on the move but this time the Lions rose up and stopped the Red Devils on a fourth down try on the Rankin 48.

On the first play Bobby Martinez found Lloyd West wide open on the 30 and he moved to the 28. Mike Clayton picked up nine on one thrust and three on another before Martinez hit Bobby Sutton in the end zone for the score. Sutton converted and Rankin ran

out of gas and time at mid-field just as the gun sounded.

The Red Devils ran up a 15 to 9 advantage in first downs and held a 238 to 196 yard advantage in rushing, but the Lions had a 76 to 0 edge in passing to give them a 272 to 238 margin in total offense.

Defensively Bob Martinez, Jake Young, and Benny Friend were the stalwarts for the Lions most of the time. In the late stages Jerry Beasley and Juan Delgado began to hurt the Rankin offense but on the whole the Lions sagged badly and were badly fooled by the tricky Bobby Hudson who did a fine job for Rankin.

Offensively Jimmy Ingram of Rankin led the ball carriers in total yardage with 148 yards on 20 carries, Bobby Sutton had 117 yards on 8 tries. Mike Clayton had 60 yards in 13 trips. Orville Paulk carried the ball five times for 23 yards. Glen Welling was the workhorse for the night carrying the ball 22 times for 43 yards while Chandler got 40 yards on 11 trips.

The Lions passed eight times completing five for 76 yards with none intercepted while Rankin passed five times with no completions or interceptions.

SUNSHINE CIRCLE

The Sunshine Circle of the Woman's Society of Christian Service met in the home of Mrs. Ele Hagelstein, Wednesday at 9 a. m. for their third study on "Indian Americans". Mrs. Troy Hickman, study leader, was in charge of the program. Mrs. Taylor Word opened the meeting with the devotion by reading the King James version of the 23rd Psalm, then read the Psalm in Indian version, followed by prayer. Mrs. John Childress gave two Indian codes of prayer and Mrs. Gene Williams gave a talk on the Indian legend "The Birth of God". Mrs. Alvin Harrell told a true story of an Indian boy and his religious experiences concerning his belief in God. All of the program was on the Spiritual life of the Indians. A map was on display of the different locations of the Indian tribes, reservations and settlements in the United States. Mrs. Troy Hickman held an open discussion class on the health and problems of the modern Indian.

Members present for the meeting were Mrs. Clay Adams, Mrs. Lindsey Hicks, Mrs. Taylor Word, Mrs. Dick Henderson, Mrs. John Child-

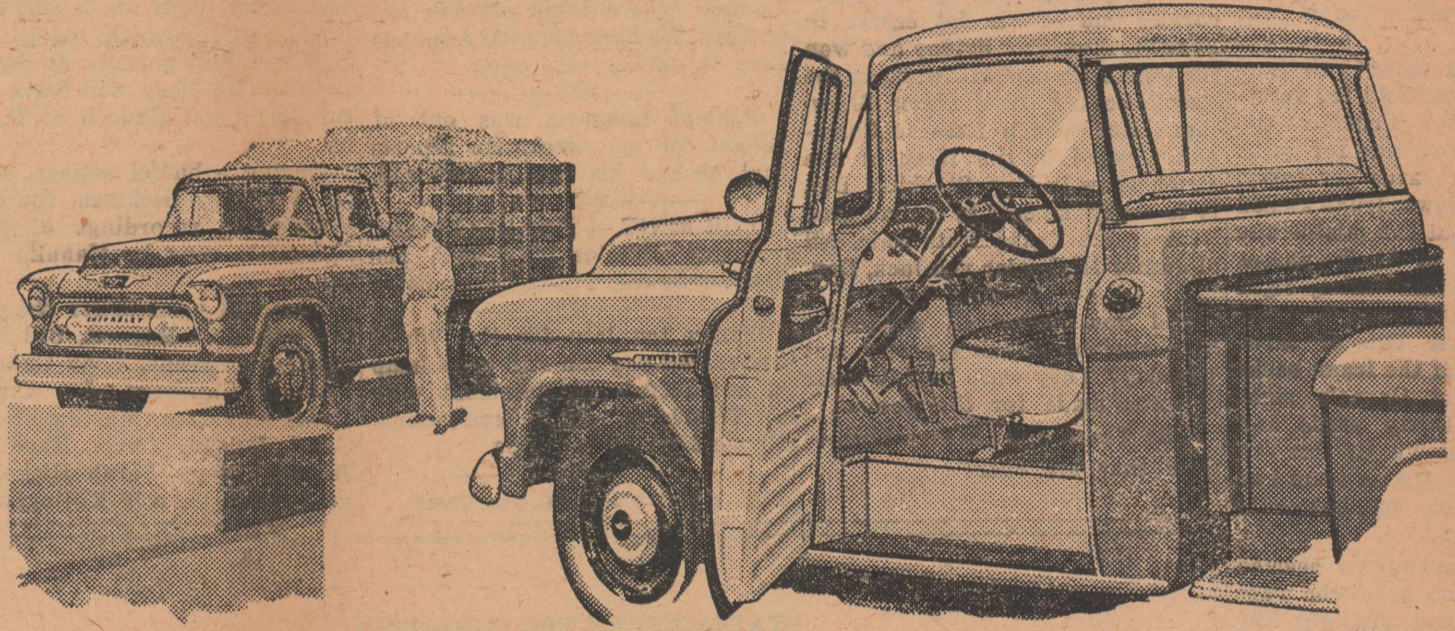

ress, Mrs. Gene Williams, Mrs. S. M. Harvick, Mrs. Alvin Harrell, Mrs. Batts Friend, Mrs. Ele Hagelstein and Mrs. Troy Hickman.

Mrs. Louise Murchison and Mrs. Eddie Owens of Fort Stockton were in Ozona last week end visiting friends and relatives.
