Baylor Gets 50 Years For Rape On Guilty Plea

Prisoner Accepts Sentence And Is Now In State Penitentiary

William B. Baylor, Jr., 31, former oil field worker here, was assessed a term of 50 years in the state penitentiary by a Crockett county jury here Friday night on his plea of guilty to a charge of rape.

Baylor was tried in 112th district court starting Friday morning after a jury had been picked by agreement of state and defense attorneys from the regular petit jury panel and a special venire of 30 summoned by the court. The jury was composed of twelve men, although several women were on the panel and special venire.

The offense to which Baylor confessed was committed here the night of August 15, this year. A written confession was signed by the man shortly after his arrest by the sheriff's department. He was arrested in connection with the writing of an obscene note to another Ozona woman and confessed this act when confronted with the clear imprint of the note on a pad found in his car. No charges were filed on this offense.

Two other charges, one of breaking and entering with intent to commit rape, and another charging sodomy, were passed by the court when the state elected to try the defendant on the rape charge.

The state, represented by District Attorney Connell Ashley of Fort Stockton, and County Attorney Dixon Mahon of Ozona, presented the signed confession made by the defendant to the sheriff, and conclusive evidence of the man's guilt as charged.

Baylor, who was represented by Howard Lemmons, Ozona attorney, under appointment of the court, did not testify and no evidence was offered by the defendant. In their summations of the case, the state's attorneys suggested three possible verdicts, death, life imprisonment or 99 years, while the defendant, through his attorney, asked the court's mercy.

The jury received the case about 3 o'clock Friday afternoon and deliberated nearly seven hours before reaching its verdict. The defendant waived right of appeal and accepted sentence immediately. He was taken by the sheriff's department to the state penitentiary at Huntsville the following day.

Under Texas law, Baylor will be eligible for parole after serving 15 years, with time off for good behavior as allowed by the prison system. Parole for the prisoner, of course, will be accomplished only by approval of the state prison parole board.

Second Annual Rotary Club Turkey Shoot Is Set For 1:30 Sunday

Turkeys have been secured, prizes lined up and manpower at ready in preparation for the second annual Ozona Rotary Club Turkey Shoot to be staged Sunday afternoon, Nov. 11, at the Gene Williams ranch, two miles west of Ozona, starting at 1:30 p. m.

In addition to the turkey shoot, there will be large bore and .22 target matches for many valuable prizes donated by Ozona merchants. There will be target-shooting matches for men, women and children.

For those shooters who wish to zero their rifles, attendants will be at the site Sunday morning and facilities will be made available for the purpose. Time will not be devoted to this service during the regular shoot hours, however.

Shooters will be required to furnish their own guns and ammunition for the shoot.

"This will be a good opportunity for sportsmen to try out their guns prior to the opening of the hunting season," Pete Jacoby, chairman of general arrangements, said of the coming shoot. "The Rotary Club invites everybody out for a shooting good time."

Rotary District Governor Visits Ozona Club Mon.

Bill Ray of Seguin To Spend Two Days On Official Visit

The Rotary Club of Ozona will be hosts Monday and Tuesday to W. L. "Bill" Ray, Governor of the 184th District of Rotary International, who is making his annual official visit to each of the 35 Rotary Clubs in Central and West Texas. He will address the local Club and confer with President H. B. Tandy, vice president Gordon Aikman, Secretary A. O. Fields, and committee chairmen on Rotary administration and service activities.

Mr. Ray is owner of the W. L. "Bill" Ray Insurance firm in Seguin and is a member and Past President of the Rotary Club of Seguin. He was elected as a District Governor of Rotary International for the 1956-57 fiscal year at Rotary's 47th Annual Convention in Philadelphia last June. He is one of 248 District Governors supervising the activities of more than 9,100 Rotary which have a membership of 431,000 business and professional executives in 99 countries throughout the free world.

Wherever Rotary Clubs are located, President Tandy asserted, in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Ozona because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Ozona FFA Team Wins First Place In Judging Contest

Juniors Win Top, Seniors Second In Eldorado Meet

Ozona FFA Chapter Junior Range and Grass judging team won first place and the Senior team won second in the district Range and Grass School judging contest at the Robert Martin ranch, 25 miles east of Eldorado last Saturday.

The Ozona junior judging team, composed of students in Agriculture I Class, scored a total of 817 points to take first place in the contest in which teams from Eldorado and Robert Lee were participating. Eldorado's team was second with a total of 730 points. The Eldorado Senior team took first place in that division, with Ozona in second.

The Range School and contests, sponsored by the Eldorado-Divide Soil Conservation District, was divided into two divisions, Junior and Senior groups. Entries were open to some 20 FFA groups in the district but only three were represented, each with up to ten

Cong. Rutherford To Present Award At Banquet Nov. 17

Carl Conklin Honored At Banquet Given by Lions And Rotary

Congressman J. T. Rutherford of Odessa, representative from the 16th Texas Congressional district in the House of Representatives, will be the featured speaker and will make the presentation of the J. T. Rutherford Award to the outstanding 4-H Club member in the Extension District 6, at a banquet jointly honoring the Congressman and the 4-H Award winner in the school cafeteria next Saturday night, November 17.

To receive the J. T. Rutherford Award as the outstanding 4-H Club member in District 6 will be Carl Conklin, son of Mr. and Mrs. W. P. Conklin of Ozona. Carl, a first-year student at A&M College, will return from college to attend the banquet and to receive the coveted award at the hands of the donor, Congressman Rutherford.

The occasion of the presentation of the 4-H Club award has been seized by the Ozona Rotary Club and the Lions Club as an occasion, also, to honor Congressman Rutherford and to express to the Congressman this community's appreciation for his untiring efforts to guide through the Washington agencies and through the Congress the Crockett county application for assistance under Public Law 566 for construction of a system of flood retardation dams on Johnson Draw. It was largely through Mr. Rutherford's devotion to the cause that the Johnson Draw project was cleared through the agencies of the government in time for Congressional approval, coupled with a last-minute approval by Congress of an amendment to the law which made the project's approval this year possible, thus gaining a year of time in the final completion of the flood prevention dams.

Ticket sales to the banquet, sponsored by the Lions and Rotarians, will be under way this week with members of the two clubs and their guests and 4-H Club members and parents composing the attending group, limited to 250 persons.

Congressman Rutherford has just recently returned from a tour of active duty with the U. S. Marine Corps assigned to the Middle East area and in view of recent developments in that area may have an interesting report on his first hand observations in that troubled area.

Ozona-Menard Game Set Up Day; Fans May See Sonora-Eldorado

Under an agreement reached between officials of the two schools, the Ozona-Menard football game, originally scheduled for Friday night, November 16, has been advanced to Thursday night, November 15, and kickoff time set for 7 p. m.

The change in date was agreed on in order to allow fans of the two towns who might wish to see the probable district-deciding game between the Eldorado Eagles and the Sonora Bronchos, to be played in Sonora Friday night. Both Eldorado and Sonora are undefeated in district play and many fans had expressed an interest in seeing the contest.

The change in time from the usual 7:30 to 7 p. m. was agreed on by the two schools in order to allow students the extra half hour for rest because of the fact that the next day is a regular school day.

BAPTIST BROTHERHOOD

Members of the Baptist Brotherhood will meet in regular session tonight at the church banquet room for a program and fellowship meeting. The program will be on "Past, Present and Future". Refreshments will be served. The Brotherhood meets the second and fourth Thursday nights in each month.

PRESIDENT DWIGHT D. EISENHOWER by a landslide

Eisenhower-Nixon Again Win Two To One In Crockett

President Gains Some Over 1952 In Light Voting Here

President Dwight D. Eisenhower and Vice President Richard Nixon rolled up a victory margin of better than two to one in Crockett county in Tuesday's general election as this county joined the rest of Texas and the nation in sending the Eisenhower-Nixon team back to the White House for four more years with a landslide both in the popular and electoral college votes.

President Eisenhower picked up 51 votes from his total of 1952 in this county while the Democratic candidate, Adlai Stevenson, polled just one short of his 1952 total. The sharp increase in population and voting strength in this county since 1952 makes this year's total general election vote far short of the percentage of total votes cast four years ago.

The Eisenhower-Nixon team polled 702 votes Tuesday to 305 for Stevenson-Kefauver, with two votes going to T. Coleman Andrews the constitution party candidate, who failed to make a ripple in the national election.

In 1952, when Eisenhower and Nixon won over the Stevenson-Sparkman Democratic ticket by a margin of landslide proportions, the Republican candidate for the presidency polled a totaled 654 votes in this county to 306 for Stevenson.

Senator Price Daniel, Democratic nominee for governor of Texas, and who would handily over the Republican candidate, Bryant and write-in candidate W. Lee O'Daniel, in the statewide election, was the heavy favorite of Crockett county voters. Daniel polled 766 votes in unofficial returns in this county to 69 for the Republican candidate and 116 for W. Lee O'Daniel.

Congressman J. T. Rutherford of Odessa, who was re-elected in Congressional District 16 over his Republican opponent Charlie Gibson of El Paso, was favored in Crockett County by a vote of 846 to 208 for Gibson.

All of the eight amendments, which have won overwhelming approval at the hands of Texas voters at large, were also approved by wide margins in Crockett county. The teacher retirement amendment, No. 4 on the ballot, took the widest lead for approval in this county as it did throughout the state, thanks to a spirited campaign in its behalf. The vote here on this amendment was 784 for to 92 against.

Amendment No. 1 on the ballot, that providing state aid for persons wrongfully imprisoned, carried here 668 to 160. The tax re-allocation amendment, which makes permanent the present system in use in this county by authority of a popular vote of the people, was approved here 528 to 248.

The college building and liberalized investment provision was approved 528 to 233. The veteran land fund amendment, which will

Junction-Ozona Battle Here Fri. Night For Cellar

Both Seeking First District Win: Kick-Off At 7:30

By Ernie Boyd

The Ozona Lions will entertain the Junction Eagles in Ozona Friday night with the kickoff slated to take place at 7:30.

The Lions will be seeking to get their first win in district play this season and will also be looking for an opportunity to improve their current four and four record for the year.

The Ozona team was idle last week and last Saturday traveled to Ft. Worth where they witnessed the Baylor-TCU game which was played in the rain.

Several of the Lions who were injured and missed the Eldorado game are expected to be ready for at least part time duty.

Halfback George Burger, who missed the Sonora and Eldorado games is back at practice and Clayton Friend, who has been on the injured list is also back, but the condition of starting ends Jake Young and Jerry Jacobs is still not certain.

Junction like Ozona has a young team this year and has not met with a great deal of success, but are capable of playing good football. Junction has played three of its district opponents and the Ozona game will finish its district play. A win this week would give Junction the doubtful consolation of knowing that at least some one will share the cellar with them.

For the Lions a win this week and a victory next week will bring their district record to two wins and two losses and give them a chance for third place in the race.

Lost Child Found In Pasture After 5 Hour Search By Over 100

Burl Allen, 2-year-old son of Mr. and Mrs. Lester Allen, was found more than three miles from the ranch home of his parents on the R. A. Harrell ranch east of Ozona Monday afternoon, to mark the successful conclusion of a search by more than 100 persons, a dozen or more vehicles and two airplanes which been under way for nearly five hours.

The child was reported missing shortly before mid-afternoon when his parents, who had missed him around the noon hour, had failed to find him in a hurried search of a pasture in which he was believed to have wandered.

Volunteers quickly gathered at the ranch, including the Ozona Volunteer Fire Department, summoned for the task by sounding the fire alarm. The search began with men on foot, on horseback and in pickups and cars. As time passed and darkness neared, the searchers were getting frantic and two airplanes, one flown by John Childress and the other by Jerry Hayes, joined the search.

The planes spotted the lad, fortunately dressed in a white shirt and red overalls, in a pasture adjoining the Harrell place, more than three miles from the house.

THURSDAY, NOV. 8, 1956

THE VOTER HAS SPOKEN

All over America Tuesday the people voted. And by their vote they decided who would be their leaders for another two years or four years. In every individual case, the voter himself decided how he would vote, decided who he wanted to be his leaders, decided for himself which candidate or party he thought was best for him, his family and his country.

An overwhelming majority of these free thinking, free voting Americans chose their leaders for the next four years at the top level and we think they made the right decision, chose the right men to guide this country in today's troubled world.

By their decision, the people chose to keep America strong and thus to buy for themselves the best insurance against war. A weak America who would abandon her mighty weapons and stop training her young men in such a world as we live in today would invite disaster, not only to herself but to all the world. Americans Tuesday voted against such a risk.

By their decision, the people pointed America more surely back into the American way of free enterprise and individual rewards for individual accomplishments. They liked the turn away from control, direction and dole from government; from bigger and bigger and costlier and costlier government; from government ownership and operation of more and more businesses, from big hydroelectric plants down even to the corner store; from government by crook and crony, and five-percent leeches; from boss control of the White House. In short, the people liked what they have had for the past four years and wanted more of it.

The people in Tuesday's election voted for the man and not for the label. Even in Texas, thank God, they did so, against the advice of Lyndon Johnson and Mr. Sam. The recalcitrant voters in the erst-

while "Solid South" who by their vote Tuesday repudiated the element which lately has seized control of the Democratic party have by their vote served notice to that party that its label is no longer pure, that under it are hiding men whose philosophies are too far removed from the party's original political tenets to further merit their support. They served notice that hereafter, only men, their principles, their aims and plans and their abilities will command a following, not just a name or label. And that's all to the good for a greater, healthier and stronger America, for it means that Americans can still stand on their own two feet and tell off anybody who thinks he's going to be the boss.

The electronic miracles which assembled, digested, tabulated and disseminated into every nook and cranny of this land, in the shortest time in history, the results of Tuesday's voting is an example of what can be accomplished in a land such as ours, give free men their freedom to dream and create and reap the rewards of their creation.

There are still more frontiers to conquer in America. There are still greater miracles in the making, still higher plateaus of accomplishment, do we but nurture the urge in man for advance and not stifle him under the blanket of paternalistic government, nor coddle him "from the cradle to the grave." Rugged individualism has played its part in making America the greatest nation on earth. There are signs of its rebirth. May it grow again in stature and vigor until never again will America risk one grain of freedom for a granary full of promised security.

From where I sit... by Joe Marsh. Turned Out To Be a Good Break. We had a water main break last Thursday. Happened early in the morning—about two a.m.—and the first thing most of us knew about it was when we tried to turn on the faucets and nothing came out but a hissing noise. Nobody was inconvenienced much though. Repair crew went right to work—and things were fixed up in jig time. Incidentally, the water company got a flood of payments on overdue bills that day. Lots of "forgetful" folks must have figured they were being warned!

From where I sit, sometimes our obligations slip our minds. Like the responsibility we all have to our communities... to see that our neighbors enjoy the right to work, how to vote, whether or not to enjoy a bottle of beer. Any time we "forget" we owe this right to others, we take a chance on stopping the flow of tolerance that makes this country such a grand place for us to live in. Joe Marsh

Ozona Scout Leader Honored At District Roundtable In Rankin

Forty Cub Scout, Boy Scout, and Explorer Scout leaders representing 8 of the 12 towns of the Permian Basin District of the Concho Valley Council attended the District Leaders Roundtables on Nov. 1 at the Rankin Park Building.

The Cub Leaders Roundtable was led by Jim Potter of Texon. Cub Leader Training Chairman Jack Waggoner of Crane was present and announced a Cub Leaders Basic Training Course to begin January 13, 1957.

The Boy Scout and Explorer Leaders Roundtable was led by Don Cook and district Scout Executive Earl G. Wisdom, both of McCamey.

Iraan Scoutmaster Bill Cardwell gave a demonstration on artificial respiration and Earl Wisdom conducted a demonstration on safety with the axe.

Later at a combined session of the leaders of all phases of the program, a special Court of Honor ceremony was conducted by Concho Valley Council Scout Executive Milton Wyatt of aSn Angelo and Deputy Regional Scout Executive Paul Bizenherz of Dallas. Assistant Scoutmaster Cliff V. Tubbs of the Ozona Community Center Troop No. 63 was awarded the Eagle Rank at this ceremony. Mr. Tubbs was further honored by the presentation of a collection of letters of congratulations and appreciation from the representatives of the Community Center, the Troop Committee and other leaders, as well as from the parents of the Scouts and the Scouts of Troop 63. Institutional Representative Sam Martinez of Ozona made the presentation of Mr. Tubbs.

The assembled Roundtables were also reminded of the District's Annual Banquet to be held at Crane on Nov. 19 at the Community Building. Tickets to the District Annual Banquet are being sold in Ozona by Cliff V. Tubbs. Cost will be \$1.50 per plate.

From The Stockman, Nov. 10, 1927

A big still, more than 100 gallons of mash and approximately eight gallons of finished liquor were included in a week-end haul made by the sheriff's department in the Mexican settlement here. The still and paraphernalia were found in an adobe house. Nobody was in the house at the time and no arrests were made.

A. B. Griffith, plaintiff in a suit filed in district court at Sonora against J. M. Shannon and A. F. Clarkson, claiming a one-third interest in all of the land owned in West Texas by Mr. Shannon, took a non-suit when the case was called for trial this week in Sonora, according to Judges Chas. E. Davidson, attorney for Mr. Shannon.

Sonora High School Bronchos stamped in their own lot Saturday and trampled the Ozona Lions 13 to 6 in the first gridiron battle staged by the two teams in several years. In the last few seconds of the third quarter, Dock Lee, Ozona back, recovered a Sonora fumble and raced 65 yards for a touchdown. The Bronchos came back in the last quarter, however, to rush the locals off their feet with a ground and passing attack that netted two touchdowns in quick order.

A modern vulcanizing and battery station is to be installed by the Wilson Motor Co. at its Ozona shop. To be in charge of the new branch will be Fisher Powell, former battery man and vulcanizer with the Ozona Garage.

Scintillating bathing beauties among the Ozona mole population will strut their stuff in an exhibition of masculine pulchritude for the delight of the girls at the Ozona Theatre next Thursday night in a program arranged by the Ozona Woman's Club. The program is being arranged by Mrs. Bill Grimmer, Mrs. Lee Childress

and Mrs. J. W. Henderson, Jr. —news reel—

A delegation of nearly 25 persons will represent Ozona this week at the Scottish Rite Fall Reunion in progress at San Antonio. Eleven candidates for degrees in Scottish Rite Masonry were among the delegation from Ozona. The Ozona candidates include J. O. Secrest, F. F. Friend, Houston Smith, Collins Coates, A. A. Perry, Jr., T. H. Eastman, Arthur Phillips, Ira Carson, Joe T. Davidson, Charlie Davidson and George Bean.

Rev. J. H. Meredith, Ozona's new Methodist pastor, preached his first sermon in the local church Sunday morning to a big crowd of the local membership.

The "Flying Ranchman" is here it was "heads up, men," in Ozona Sat. afternoon when a screaming siren announced to the hometown boys that the "Flying Ranchman" had returned and a glance up among the clouds verified it, for those words were painted in big letters under one wing of the new plane piloted by Vernon Cox, its owner. A boyhood ambition realized, the Crockett Co. ranchman landed his new plane on his landing field in the flat between Ozona and the Mexican suburb and at the door of a new hangar just completed at the west edge of the clearing.

The Harry J. Friend home on Broadway is being torn down in preparation for construction of a new home on the site.

J. S. Pierce, Sr., has returned from Hot Spring, Ark., where he spent several days taking the mineral baths. Mr. Pierce was accompanied on the trip by Howard Word.

Mrs. Mary Perner has returned to her home here after a visit with her daughter, Mrs. Bob Murchison in San Angelo.

Miss Ella Mae Schwalbe became the bride of E. L. Schramm of Coppell, Texas, in a quiet ceremony at the home of the bride's parents, Mr. and Mrs. Fayette Schwalbe, here last Thursday evening.

Grain Fed Steers Slow; Other Cattle, Calves Stronger

FORT WORTH — When a cattle feeder dreams these days, he usually envisions nightmares that include tidal waves of hogs, a hurricane of turkeys, and when he turns to flee he runs into a wall of broiler chickens that seems about to topple over on him.

As meat production reaches its high tide this Fall the record crop of turkeys and heavy broiler output all over the nation have put an added volume of meat before the consumer and in the near future are the holidays, Thanksgiving and Christmas, which always develop chaotic conditions in the meat trade as fowl, game and other competitive foods disrupt the regular family fare.

Despite a sharp drop in cattle receipts around the major market circle Monday, fed cattle were attracting lower bids from most national packers, and improvement in prices was limited to cows, bulls, and slaughter calves. These classes were strong to 50 cents higher at Fort Worth Monday as rains in much of the territory curtailed supplies. Stockers and feeders held steady to strong.

Comparative prices: Good and choice slaughter steers and yearlings \$17 to \$23.50, a few prime to \$25. Common and medium butcher steers and yearlings \$11.00 to \$16.50. Fat cows \$10.00 to \$13.00; can-

ners and cutters \$7.00 to \$10.00; bulls \$9.00 to \$12.50; good and choice slaughter calves \$15.00 to \$19.50; Cull, common and medium \$8.00 to \$14.50. Stocker steer calves \$19.00 down; steer yearlings \$17.50 down. Stocker cows \$7.00 to \$10.00.

Sheep and Lambs Fully Steady To Strong

Rainy weather in a good deal of the territory held receipts to a fraction of most recent sessions at Fort Worth Monday and prices were steady to strong kinds considered in the sheep division.

Good and choice slaughter lambs sold from \$18 to \$20, and cull, common and medium offerings sold from \$10 to \$17. Stocker and feeder lambs were reported from \$13 to \$16, however, choice feeders were quoted to \$17 and above. Slaughter ewes sold from \$5 to \$5.75. Other grades and classes were scarce.

Soil Expert Speaks To Garden Club In Meeting Wednesday

Bob Scott, area conservationist, was guest speaker at the November meeting of the Ozona Garden Club Wednesday afternoon in the home of Mrs. B. B. Ingham, Sr. Mrs. Bailey Post, vice president, led a short business session and Mrs. Jack Wilkins conducted the program on "Beginning Gardening."

Using as his topic for talk "Everyone a Soil Builder," Mr. Scott stated that the soil in this area is lacking in nitrogen and phosphorus and that these act as the major balance in plant growth. Others on the program were Mrs. Charles Williams, who talked on "The Importance of Planning"; Mrs. Charles E. Long, "Plant Material for Arrangements"; and Mrs. Lindsey Hicks, "My Favorite Bulbs."

Following the program refreshments were served to Mrs. Post, Mrs. Wilkins, Mrs. John Childress, Mrs. Sherman Taylor, Mrs. Vic Pierce, Mrs. Joe Pierce, Mrs. Dempster Jones, Mrs. Paul Perner, Mrs. Floyd Henderson, Mrs. S. M. Harvick, Mrs. Long, Mrs. Charles Williams, Mrs. Joe Clayton, Mrs. Bascomb Cox, Mrs. Lindsey Hicks, and Mrs. Ingham.

POLIO — A NEEDLESS RISK

Americans love to take a chance. That's why we have peanut vendors and multibillion dollar industrial giants and a way of life that makes us the most fortunate people in the world.

But Americans neither love nor respect the fellow who takes the "you-can't-win" kind of chance. He is the reason for most of our automobile accidents, our suckers lists, for much of our avoidable loss of life, health and fortune.

Until only last year the crippling

disease called polio was pretty much like lightning in the sense that we never knew where it would strike and if it happened to it one of our own, there was little we could do but call the doctor, pray, and turn to the March of Dimes to help us face up to the cruel blow.

That isn't so today. With the backing of that same March of Dimes, science has taken better than 80 per cent of the chance out of polio. We have the Salk vaccine. By that high percentage, we can protect ourselves and our children. And those of us who don't take advantage of this tremendous discovery are now taking the "you-can't-win" kind of chance.

Yes, your young child or your teenager or — if you are a young adult — you yourself, may go through life and get by without the Salk vaccine. But when we didn't have that vaccine, a certain number of thousands of human beings in America were crippled each year by polio. To those who don't get the vaccine injections, it can still happen.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL.

EDITORIAL!

"The High and Mighty Seniors", what an honorary title! O.H.S. prides itself on the characteristics of the '57 Seniors. Our seniors have begun this year very well, and we feel that if they continue, through the year, with this type of influence they will fulfill their title.

Sometimes, seniors have just realized that it is their last year in high school and they are trying to make the best of it. Others don't seem to realize just how wide spread their influence really is.

Taking a look at O. H. S. seniors as a whole, we find that this is not a serious problem at all. We find that you are taking your stand with ease and grace, credited only to a true Lion.

In view of this, the freshmen say thank's because it is so important that their high school life is started off right, with the right leadership. The sophomores are grateful for a good example. They hope to get that big some day. And the juniors; their times of being a "big deal" are near. They are picking up ideas for their senior year from you.

Yes, even for you, Seniors, your good name is important. After all, it would really be bad to attend school for twelve straight years and then not be able to finish because of your conduct.

FADS AND FASHIONS

My head is full of new ideas! I have just visited Ozona High School and peeked into their fads and fashions. I shall tell you (for they didn't recognize me) who I am: I am Miss Pace-Setter of Fads and Fashions. I am a student of U. S. A. High School, but I hardly have time to study the 3 R's because of all the traveling I do. I visited in an Eastern state last week, but I gathered more ideas from O. H. S. in one day than I did there in three days. Just let me tell you about them.

As I passed through the door about 8:15, Friday, I met Jimmy Brown, Jake Young, and Stan Williams in their purple football jackets, with leather trim. Then I also noticed Frances Childress and Bobby Sutton talking about something that must have been really "something." Frances had on a beautiful white jacket, which I supposed to be Bobby's track jacket.

I ventured on up to second floor and there I noticed girls everywhere in blue jeans, and tapered pants. Wanda Armstrong told me she especially loved Fridays, blue-jean day at O. H. S.

The paper staff meeting was my next stop. Here I noticed some more girls. These girls were not wearing the usual costume of skirts and sweaters. Alleane Young was wearing brown pants, and with them a rust-colored hooded, jersey blouse, which picked up the strip in the pants. Nellie Childress was wearing a pair of red corduroy ones; the "dignified seniors," Mary Lou and Beverly, in those unusual blue jeans.

After my lunch at the cafeteria, I looked in on the H. E. III class. Here I saw many garments — prettier than the blue jeans. Suzann Dale had just finished a "Suzi Original." It was a tailored grey dress with a darling jacket. It seems as though the O. H. S. fashions begin in that Homemaking Cottage. Mrs. Hull told me the girls thought of H. E. more than one hour a day, which was quite different from the last class I visited!

With the ending of Friday's classes I saw so many car-coats, and even one Eskimo coat. Mary Jo Ward wore an avacado one; Becky, beige. Liz Pearson was wearing the Eskimo coat (really a hunting jacket), and she told us that was the way Pie kept her warm. That was the fad that topped them all!

Girls and boys, be on the lookout for my visits with you, and notify my assistant — Beverly Killingsworth — when you have a new fad or fashion.

FEATURE OF THE WEEK

Another hard-working group is the twirlers. These girls practice long hours to achieve the art of twirling as well as they have. Let's find out a few personal things about them.

Liz Pearson, the gal in front of the band, is a senior. This is her third year of twirling. Of course she is our drum majorette this year. Liz has been teaching some girls the technique of twirling after school. She says its just

for fun so doesn't charge anything. Everyone has seen the pictures of Pat. If you haven't, you've really missed something! You are doing a grand job of leading the band, Liz!

Alleane Young is head twirler and assistant drum majorette. This is Alleane's second year and she is a sophomore. Her favorite stunt is to wave her baton frantically at the football games to encourage the Lions. Sometimes this gets a little dangerous! Alleane makes up the routines used on the field. Don't you think she has done an excellent job?

Mary Lou Johnigan is in her second year of twirling. She leaves us this year (or at least she's a senior.) Mary Lou's interest is music. She sings, plays the piano, accordion, clarinet, and bassoon. All of us have heard her at one time or another. Keep up all this work, Mary Lou!

Beverly Killingsworth, or "Elvina" as we call her, is a second and last year girl. She has a new hair style which causes a lot of teasing from the kids. Because of an Elvis Presley side burn effect, someone (who is thought of with very dark thoughts) thought of the name Elvina and hung it on Bev! (I'm going to hide in Hoover's locker until this blows over!)

Carolyn Mayfield, that graceful and dramatic actress, is a first year junior. Never let it be said that Carolyn doesn't get any laughs! The twirlers have done some cute skits this year, and she

SCOUTIMOUS REPORTS

When the halls were cleared last Friday, there were no comments usch as: "Do you think we will win?" "I hope we do well tonight!" But there were comments such as these: "A fishing we will go!" "Off to the college game!" "Are we going hunting?" and just general "Hurrahs!" because of our "free" week-end!

Before I go into that, though, I want to go back through the week to Halloween! I'm sure everyone was greeted at the door by: "Twick or Tweet!" I was practically scared out of my few wits by the ghosts and goblins that were walking that night! Of course there were quite a few two-legged monsters with cherry-bombs! Might add that one

of those "charcters" was at the school the other day! I hear Miss North got tickled about a certain apology.

Everyone that went to Joe Boy Clayton's house Halloween night; agreed that his party was splendid! There were so many tasty morsels to munch on while you listened to Joe's new "Hi-Fi" set, watched T. V., played the piano, or just visited with your long lost buddies! There were many kids there so I won't go into the naming of dates.

Thursday night the Baptist Training Union group gave a hay-ride and wienner roast! they rode out to Bagget's in a hay truck. They were all glad to have "Pie" (Continued on Page Seven)

Lions Roar

(Continued From Page Six)

Presley and his singing guitar with them.
Now to the week-end! Bev and Alma tell me that even though they went there; A&M still stands! Suzie Dale tells me that Ann, Carol, Brock, Sarah and Duck are doing fine in T. U. These girls had a great time!

"Honest Cap" Mayfield, "Gwany" Walker, "Mountain goat" Phillips, "Fireside Powers," and Klondike Pearson went for a week-end fishing trip on the Pecos. They have a club. The password is 'Ba-a-a!' These fishing trips make one hungry! Right, Chompy Jean!?? Yes, there's nothing like a fishing trip, where the lights go out, where it's 20 below, where boat rides are so enjoyable on the bank, where jeeps rides are so reviving when going down a 90 degree incline with no brakes, and last but not least, how wonderful it is to eat wieners!

Many kids were smart and stayed at home this week-end.

Friday night Erby and Bev, — Suzie Chandler and Bill — Mary Jo and Rodney — June and Don — Sandra and Joe E. Alleane and

Jim Brown — Wanda and George were together.

Saturday night Sandra and Don and Sunday. I saw Don and Diane Wanda and George — Kent and Camilo — Satan and Sandra (By the way, we're sorry to hear about Kathy and Satan breaking up! Hope it's not permanent!) Well until next week and until I can get my vacuum cleaner out to get more dirt, I'll say, Adios!!

F. H. A. NEWS

Tuesday night October 30, 1956 the Ozona Chapter of Homemakers met in the Homemaking cottage, for a Halloween party.

Games under the direction of Becky Davidson and Brenda Douglas added mirth to the evening.

After the exercise of games, pumpkin pie and hot chocolate gave a delightful treat.

Mary Gomez, Ladye Everett, Nora Lara, Alicia Rodriguez and Casiana Garza, rated our thanks for the excellent pies.

Halloween center pieces beautifully arranged by Marilee Dale repeated the theme from witches and black cats to treats rather than tricks.

We did enjoy our party. We hope you'll be present at our

next meeting!!
All girls of High School are eligible for membership — never too late to join F. H. A.

THE OLD-FASHIONED HAYRIDE

The Senior Intermediate Girls' Sunday School class of the First Baptist church was hostess of a different type of party last Thursday night. About thirty boys and girls gathered at the church and "sat a-top a bale of hay" on their way to Mr. and Mrs. Bill Baggett's ranch. The first thing that happened was a weiner roast and then the eating round the campfire. We especially enjoyed the entertainment — a group of songs sung and accompanied, by Joe Pierce. That Joe really has a fine ear for music, and how we wished for much more! The whole group also joined in, after eating all of the hot-dog and beans, and sang a large variety of songs.

Thanks you, girls, for a fine party. Also, our thanks go to the Baggetts for the picnic grounds.

Rail Freight Rate Cut To Drouth Areas Saving To Ranchers

AUSTIN, Texas — Farmers and ranchers in the 233 drought-stricken counties of Texas will save several million dollars as the result of drastic freight rate reductions put into effect by the railroads on shipments of cattle and on carload lots of hay.

This is the third time in four years Texas railroads have slashed rates as their contribution to hard-hit ranchers and farmers. The two previous rate reductions resulted in a saving of more than \$22,000,000 to Texas agriculturists.

The freight rate reductions were made at the request of President Eisenhower. A 50 per cent cut in rates for hay in carload lots was immediately put into effect.

Rates were also established for outbound movement of livestock from the drought-stricken areas to western feeding grounds which will permit free return transportation to originating points.

President Eisenhower recognized the fast action by saying:

"I know that I speak for our people, especially those in the areas affected, in saying that all of us are deeply grateful to our railroads for this public spirited and prompt action."

Vote Signs Hung By Boy Scouts In Ozona

Training for young Americans in the importance of voting in all elections was given by Boy Scouts of the Community Center Troop 63 here last week when the boys of the troop distributed door knob hangers and window cards throughout the town urging citizens to vote in the general election of Tuesday.

The "Get Out the Vote" campaign was a project of the Boy Scouts of American and several million of these cards were displayed by the Scouts throughout the nation.

Newest Buick Yet

YOU know all that talk you've been hearing about the 1957 new car models being really new?

Well, in the case of the 1957 Buicks it's true — gospel true.

We mean these 1957 Buicks are new in the precise and literal sense.

We mean new from the ground up, and from gleaming grille to sassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up — engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.

* SEE "JACK AND THE BEANSTALK" ON NOV. 12th—A new NBC-TV color spectacular brought to you by your Buick dealer

And we mean, most of all, an advanced new Variable Pitch Dynaflo*—so instant in the starting range—so utterly smooth and so totally full-range in "Drive"—that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all — and how catching this excitement can be.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Garden Club Reminders

LANDSCAPE DESIGN

In our nation and in the individual states, greater stress is being placed on the principles of good garden design.

When we build new homes and buildings we have architects to draw plans and supervise the building of them. It is true in landscaping also.

We read this article in a magazine: "To Be Contemporary Is to Relax in the 20th Century."

To avoid completely the modern strain of straining to be modern.

To be contemporary is to enlarge our experience!

To fully enjoy our time by sensibly exploiting its products.

The garden of today needs some if not all of the following:

Paved driveways, retaining walls, fences, flower beds, a service yard, trees and shrubs, a lawn, terraces, a lily pool, if there are children, a play area.

Robert S. Malkin writes: "At the very beginning, a distinction should be made between landscaping and gardening. These two are by no means the same. Gardening is the growing of things, usually flowers, for the pleasure of seeing them grow. It is a hobby, done for fun and pleasure. Landscaping on the other hand, is the permanent arrangements of paving and lawn: of trees and shrubs, which is not basically changed once installed. In gardening the plants may be changed or moved from year to year.

"In landscaping any changes necessary, are difficult and expensive if at all possible. Gardening then, involves those plants which can be moved and replaced easily. Landscaping deals with the features which cannot be moved once installed, as: trees, walls, fences, paving and lawns."

When we landscape a small lot like most of us have, with neighbors close on either side, plant shrubs along the property line or build an attractive fence. The public part of your grounds should be attractive. One tree for the front is enough; trees should not dwarf

the house. The outdoor living area should be private. Lawns should be open, not cut by flower beds. The service yard should be separate from the living area. Consider the availability and cost of water, as well as your time and energy.

Our landscape architect's resources are more varied than they have ever been. He has the benefits of the best of man's efforts in horticulture, architecture and fine arts. He has the materials and resources of civilization and the natural world at his disposal.

We borrow from the past but we make changes to suit our needs. Our gardens are the better for it.

Joseph A. Berry wrote: "Once upon a time the human problem was: How to achieve leisure and plenty."

"Today the problem is: What to do with the leisure and plenty we have achieved."

So let us all try to work toward more beauty in our gardens.

Lost Child — (Continued From Page One)

His dog, a half grown shepherd, was trotting along beside the wandering child. The pair had crawled under a sheep proof fence. Aside from being a bit footsore, the baby was in good condition. Bill Childress, who was in a car with Joe Pierce, walked nearly a mile into the adjoining pasture to get the boy after being signaled by the plane.

"Please say a great big 'thank you' for us to all the good people who helped in finding the boy," said Mr. Allen. "We are deeply grateful to everyone of them, because without their help we might not have found him in time."

While searchers were in short wave radio contact, messages were picked up in Big Lake, Sonora and Eldorado and offers of help were pouring in from these towns.

Reports Of Progress In Work Are Heard At Woman's Society Meet

The Woman's Society of Christian Service met in its regular monthly business meeting at the church Wednesday morning, with fifteen members present. Mrs. S. M. Harvick, president, presided. A devotional was given by the treasurer, Mrs. Leroy Russell, who used as her theme the scripture of the five talents. She stressed the idea that tithing is both easy and right.

Mrs. Taylor Word, vice-president announced that the society would meet in circles next week as follows: the Sunshine Circle at the home of Mrs. Herbert Kunkel, the Willing Workers with Mrs. Bailey Post, and the Jennie King with Mrs. Taylor Word.

Mrs. Joe Pierce evaluated the fellowship activities of the past six months and gave ten timely rules for being good members.

A report given for Mrs. H. B. Tandy, who is in the Ozona Hospital, stated that the Boy Scouts from the Ozona Community Center had distributed throughout the town door knob placards urging all citizens to vote. Also that literature pertaining to the Christian idea on voting had been issued with the church bulletins.

Mrs. L. B. Cox reported splendid work being done in the Youth Department of the church and told of a scholarship the youth are giving for a Korean student. They were also commended for their work at Halloween on behalf of UNICEF.

Mrs. Floyd Henderson reported that a prayer group which meets at her home each Thursday morning was now studying "Mastery" by E. Stanley Jones.

Miss Dorothy Price, worker at the Ozona Community House, reported large and enthusiastic attendance in all groups meeting there regularly.

The meeting was adjourned with prayer by Mrs. Floyd Henderson.

Members present: Mmes. Herbert Kunkel, J. A. Fussell, Paul Perner, S. M. Harvick, Taylor Word, Leroy Russell, Charles Williams, Joe Pierce, Floyd Henderson, L. B. Cox, Bailey Post, B. B. Ingham, Joe S. Pierce, III, R. A. Harrell, and Miss Dorothy Price.

put the state back in the land dealing business with veterans to the tune of a statewide \$100,000.00 bond issue, was approved here 520 to 236. This amendment was approved in the statewide voting in spite of the recent veterans land scandals.

The other three amendments, revising the oath of office for appointed employees of the state, providing for waiver of trial by jury of insanity cases and denial of bail to persons twice convicted of a felony, also carried by about the same margins, as they did in the statewide vote.

A ninth amendment, which authorizes the state legislature to give aid, with federal assistance, to citizens permanently and totally disabled by a mental or physical handicap, will be voted on next Tuesday, November 13, thanks to a muddled clerk or legislator who used the wrong date in the resolution submitting the proposed amendment.

Ballots have been prepared for this one-amendment election here and voting will be at the courthouse in Ozona only. No election on this one amendment will be held in any of the other precinct voting places in town or the outlying county. All voters, whatever their usual voting place, will be eligible to vote at the courthouse box in this instance.

pected to see action at an end post in light of his good work in the Eldorado contest but Jake Young and Jerry Jacobs are expected to get the starting call with Clayton Friend getting the call in case either of the starters are not ready.

At tackle the Lions will start Jess Marley and Jimmy Brown both of whom are seniors, at the guard slots Billy Bob Holden, a soph, Roy Glen Sutton, a senior and Buddy Ingham, a freshman will share time.

At center, Junior Rodney Franklin will get the call while in the backfield Stan Williams, a junior, will be at quarterback, Bobby Sutton a soph, will be at left half and

Kent Babb and George Bunger, both seniors will be at fullback and right half respectively with Robert Martinez, a senior, ready for action at any of the three deep positions.

Martinez has been one of the Lion's outstanding defenders in the last two games and may get the call to start.

Junction is reported to have a slight weight advantage particularly in the middle of the line but the Lions are expected to have a more versatile attack.

The Lions have scored in every game the last three years but have scored more than one touchdown in every game except one this season.
