Lions Meet Owls In Big Lake For Bi-Dist. Tuesday

Locals Are Underdogs In Contest Between Districts 7&8

By Ernie Boyd

The Ozona Lions, champions of district 8-A will journey to Big Lake next Tuesday night to meet the Big Lake Owls, district 7-A champions, for the bi-district title.

Officials of the two schools met in Ozona Wednesday and as usual Ozona lost the flip to determine the site of the contest. The loss of the flip marked the sixth straight flip for bi-district sites that Ozona has lost.

The Lions have met the Owls three times in regular season play and have not been able to make a close contest of any of the three meetings, but the same was true last year when the Owls had to come from behind in the last three seconds to win.

The Lions ended their season and district play last Tuesday by downing Junction 51 to 49 and wound up the year with a seven won and one lost district standing and a 19 won and 11 lost season mark.

For Coach Peltó, the title marked the seventh he has won in nine years as head of the Ozona cagers, the last six have been in a row.

This year was not Peltó's year according to pre-season dope, with only one letterman back and an all junior and sophomore five to go against superior height and experience in at least three of the four other league schools. It was not figured that the Lions could win but they did.

In winning, the green, inexperienced Ozona five won five of seven district games by two points or less and in doing so became the first club in four years to clinch the title before the last district game.

Sophomore Jerry Jacobs led the Lion scoring attack for the year as he tallied 289 points to lead teammate Jake Young by ten points. Bobby Sutton proved best of a rather unimpressive group at the foul line by sinking 65 of 118 free throws to lead in percent, while Jake Young made 79 of 164 for the most.

In district play, Jacobs led the team with 119 points, the only player to reach three figures. Last year's champions had three over the 100 point mark.

A B game has been scheduled to start at 6:30 with the A contest to get under way at 8 p. m.

Big Lake, with a record of 25 wins and one loss, will close its regular season by facing double A Pecos in Big Lake. The Pecos five is the only team this year to beat the Owls and even though Big Lake will be looking for revenge they will be underdogs.

Coach Peltó plans only light workouts for the balance of the week and will not schedule another contest.

Robert Price, Former Ozonan, Critically Injured In Accident

Robert Price, about 19, son of Mr. and Mrs. W. R. Price, former Ozonans now living in Socorro, N. M., is in critical condition in an Albuquerque, N. M., hospital as the result of injuries suffered in an automobile accident last week near Socorro in which a companion was instantly killed.

Young Price suffered severe injuries, many broken bones and a back injury which to now has left him paralyzed from his chest down. Friends here received a card from Mrs. Price yesterday in which she described her son's condition as still critical although slightly improved. Doctors give him only a slight chance for recovery, it was indicated.

The other boy was driving the car which swerved off the highway after failing to make a curve and overturned. Mr. Price, Sr., is employed with a drilling company in Socorro.

FFA Show, Postponed On Account of Rain, Reset For Sat. Morning

Postponed last Saturday because of an all-day rain, the second annual Ozona FFA commercial lamb show has been re-scheduled for Saturday of this week, starting at 9:15 a. m.

The show will be held at the agricultural building, just north of the Davidson gym, M. A. Barber, VA teacher, announced. Thirty-one FFA boys will exhibit a total of 111 lambs which they have had on feed for more than three months.

Herman Carter of San Angelo will judge the show and classify the lambs into market grades of Prime, Choice, Good and Feeder. A special award will be given the boy whose lambs have shown the best gain in the feeding period.

The order of showing, starting at 9:15 will be for best fitted fine-wool and best fitted crossbred, lightweight fine-wools, heavy-weight fine-wools, pen of three fine-wools, shorn fine-wools, pen of three shorn fine-wools, lightweight crossbreds, heavy-weight crossbreds, pen of three crossbreds, and then the presentation of awards to FFA members.

A barbecue dinner, proceeds to go to the FFA fund, will be served during the noon hour.

Womack Completes Army Typist Course

FORT BLISS, TEX. — Army Pvt. Bobby E. Womack, son of Mr. and Mrs. W. D. Womack, Ozona, Texas, recently was graduated from the clerk-typist course at Fort Bliss, Texas.

He entered the Army in September 1956 and completed basic training at Fort Bliss, Texas.

The 22-year-old soldier is a 1956 graduate of Texas Technological College in Lubbock.

Mr. and Mrs. Joe T. Davidson returned last week from Galveston where Mr. Davidson underwent a medical checkup.

Rusty Smith, county commissioner, is undergoing treatment in a Temple hospital.

THAD HUTCHESON, Houston attorney, and Republican candidate for the U. S. Senate in the April 2 special election, was a visitor to Ozona Tuesday afternoon. Hutcheson spoke at the Sonora Lions Club and attended the Fling Ding dance in Sonora. He spoke twice in San Angelo in his West Texas campaign swing.

Reserve Champion Lamb Brings \$500 At San Antonio

Gunter Buys Penn Baggett's Crossbred At Friday Sale

Penn Baggett sold his Reserve Champion Crossbred Lamb of the San Antonio Livestock Show to the Gunter Hotel for \$500.00 at the auction sale held for show winners at San Antonio last Friday.

Mark Baggett sold his 8th place fine-wool lamb for 41 cents per pound. Eight other Crockett Co. 4-H Club lambs sold for \$20.35 per hundred as non-place lambs. Nineteen Crockett Co. 4-H Club members plan to exhibit 25 fat lambs, 31 Rambouillet Breeding Sheep, 4 Hereford Heifers, and 1 fat calf at the San Angelo Fat Stock Show, March 7-10.

Arlington Trio Arrest May Solve Local Burglaries

Youths Admit One Job May Be Linked With Others Here

Sheriff Billy Mills yesterday announced the arrest of three Arlington youths, two in Arlington and the third in a juvenile institution in Wyoming, in connection with the December burglary of Foxworth-Galbraith Lumber Co., here.

The three young men, 16, 17 and 18 years of age, are said to have confessed burglary of the local lumber company store and theft of four guns, three knives and a quantity of ammunition. The burglary was committed around December 1.

One of the youths, the 18-year-old and inmate of the Wyoming institution, is a former Ozonan and investigation is under way here in an effort to link him with a series of burglaries here in which the South Texas Lumber Co., and the Home Gas Co. were entered. The safe at the gas company was broken open and considerable money taken from each place.

Three of the four guns stolen from the Foxworth Galbraith Company were recovered in Del Rio after the two youths arrested in Arlington told officers where they had sold the guns. The fourth gun is still missing. Deputies Oscar Groff and Elmo Wallace went to Arlington to get the two youths. The third is being held in Worling, Wyoming, pending arrival of officers from here to bring him to Ozona for grand jury investigation. Worling officers said the youth admitted participation in the burglary here.

TAILOR-MADE RAIN HAILED AS BEST IN SEVEN YEARS: POSSIBLE DROUTH BREAKER

General Fall From 1 To 4 Inches Over All Of County

Finest rain that ever fell in West Texas is the generally agreed description of the soaking which fell over a five-day period beginning last Friday night, reaching every nook and cranny of Texas, in varying amounts, but adequate to give a thorough wetting to all of the state, with a particularly generous helping for this long drouth parched section of West Texas.

Perfect from every viewpoint, the rain could not have fallen in a more satisfactory manner had it been ordered and prescribed by a drouth-sick West Texas rancher. Rains up to three and four inches produced negligible run-off, draws, if they ran at all, ran only in a trickle. The rains fell so slowly, stopping intermittently, allowing moisture already on the ground to soak up before more came. The temperature remained high enough throughout the rainy period to cause a minimum of hardship on livestock, although some freshly sheared goats and new-born lambs perished from the long exposure to the dampness. And the long continuing cloudy skies and intermittent rainfall drove the generous moisture deeper into the ground than it has penetrated in this area for more than seven years.

Unheralded by weather prognosticators, the rain began Friday night, with from an inch to two inches across a comparatively narrow belt of Crockett county from west to east. As the rain clouds built up, the area covered expanded north and south until the entire state was covered. The rains let up some Monday, after falling all day Sunday and Sunday night and then started again Monday night and continued intermittently throughout the day Tuesday, stopping again Tuesday night and Wednesday, but with heavy clouds still hanging. The heaviest rains in this county were to the west of Ozona, up to nearly four inches on the western edge of the county and in the Sheffield area. The rains tapered off somewhat to the south, Del Rio reporting a total of around one inch. Both Barnhart and Sonora had over two inches, with the fall solid over the country between these points and Ozona.

The total fall in Ozona varied according to the section of town in which gauges were read. Apparently, however, the west side of town received the heaviest fall, where more than three inches registered in some gauges. The official rain gauges at the fire station and at the Ratliff Furniture store showed a difference of two-tenths, the Ratliff gauge registering 2.46 total and the fire station gauge showing 2.66.

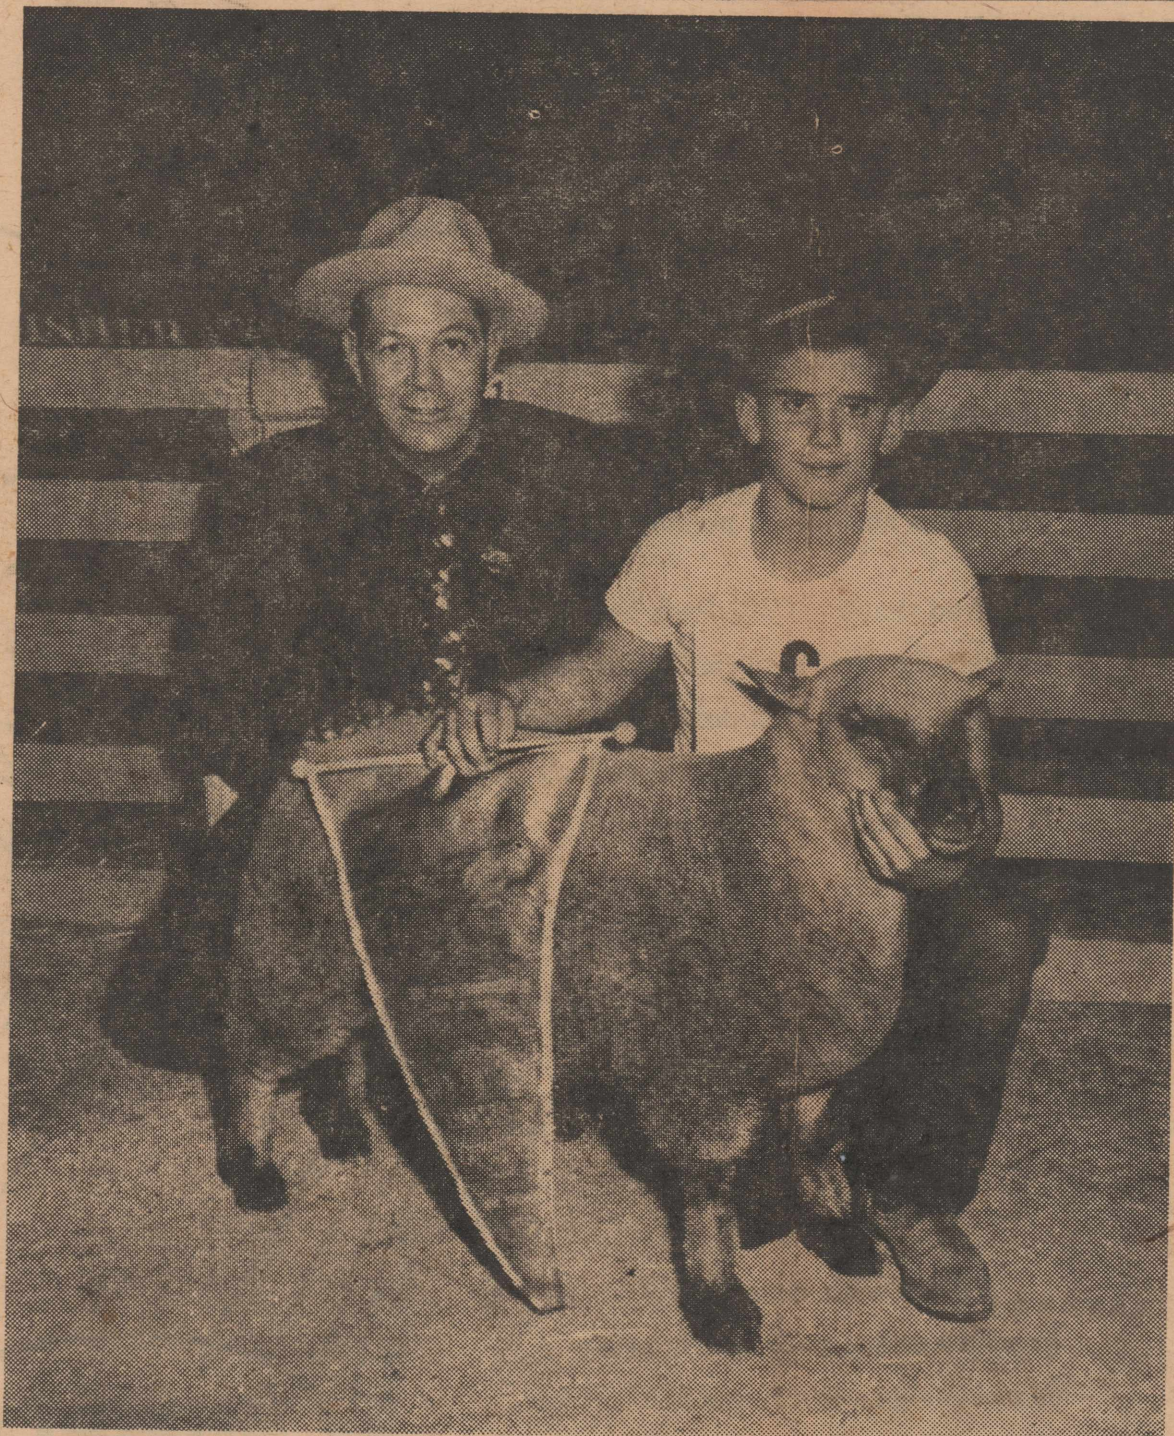

Ranchmen throughout the county were jubilant over the prospect of a final break in the seven-year drouth. The bountiful February moisture will at least assure some weed growth and Spring growth of grass and brush.

Production Indicated In Second Hoover Well

Perkins-Prothro Co., of Wichita Falls was waiting on cement after setting 5½-inch casing at 2,112 feet at the No. 1 W. P. Hoover, in 14-NN-GC&SF, ¾-mile southeast of Texita Oil Co. and John W. Ellis No. 1 W. P. Hoover, Crockett County active Clearfork prospect, 50 miles southwest of Ozona.

Production was indicated with the surfacing of gas in three minutes and the recovery of 120 feet of oil and gas-cut mud on a two-hour drillstem test in the Clearfork between 2,060-79 feet. Flowing pressure was 65 pounds; shutting pressure for an unreported time, 605 pounds.

Texita and Ellis No. 1 Hoover at the latest report was pumping oil at the rate of four barrels per day through perforations

Omer Elliott (L.) of the Gunter Hotel in San Antonio, is shown with Penn Baggett, Ozona and Penn's Reserve Champion Fine-Wool Crossbred Lamb of Show. The lamb was purchased by the Gunter Hotel at the premium price of \$500 at the San Antonio Livestock Exposition Auction, Friday, and will be donated to Boyville in San Antonio.

GOING AFTER TREES

Coon Chandler will leave next
week for a sursery near San An-
tonio to bring back a load of trees
and shrubbery for Ozonans. The
trip was originally planned to
bring back trees for the Church
of Christ new church grounds and
for the schools new teacherage
area and various individuals who
indicated their desire for trees
prompted Chandler to take a trailer
truck and take orders for the
trees. A hardy type of tree, known
as Balm of Gilliad, has been cho-
sen by the church and schools and
a number of these will be brought
back on order. Anyone wishing to
place an order for trees or shrubs
should call Mr. Chandler.

Billy Joe McDonald, Former Ozonan, Weds Canyon Girl Jan. 25

CANYON, — Patricia Ann Hubbard, daughter of Mr. and Mrs. V. B. Hubbard, 1311 4th, and Billy Joe McDonald, son of Mr. and Mrs. Bryan McDonald, 2601 4th, repeated marriage vows on Friday night, Jan. 25, in the First Methodist Church.

The Rev. Doyle Ragle read the double-ring service. Candelabra and baskets and saffron pink gladioli and greenery flanked the altar draped in pews on the bridal aisle were marked with white satin ribbons.

Mrs. Glenn Dowlen, organist, played "To the Evening Star" by Wagner, "Ave Maria" by Schubert, "Andante Religioso" by Thoni, "Jesu, Joy of Man's Desiring" by Bach and "Clair de Lune" by Debussy as a prelude. Mrs. J. B. Thompson, sister of the bridegroom, sang "Walk in Hand With Me," "Whither Thou Guest," "O Promise Me" and "The Lord's Prayer." The traditional marches were used.

Mrs. Charles Hubbard attended her sister-in-law as matron-of-honor, and Miss Kay Hubbard was her sister's maid-of-honor. They wore identical dresses in pink and blue satin, respectively, and carried bouquets of salmon

gladioli on prayer books covered with satin to match their costumes.

Miss Jo Hubbard, sister of the bride, lighted the candles. She wore a dress of pink crystalite and a wristlet of white gladioli. As flower girl, Tonja Stewart wore a pink organdy frock.

Charles McDonald of Midland was his brother's best man. Ushers were Charles Hubbard, Edgar Hubbard, Dick McDonald and J. B. Thompson. Bruce Hubbard, nephew of the bride, was ring bearer.

Given in marriage by her father, the bride was attired in a gown of white satin embossed with a wedding ring design. The sweetheart neckline was embroidered with seed pearls and beads. Her veil of French silk illusion was attached to a pearl tiara, and she carried a prayer book covered with satin to match her dress and topped with a white orchid and feathered carnations.

Following the ceremony, the bridal party was feted at a reception in the Fellowship Hall of the church. The table was laid with a white linen cloth and centered with the bouquets of the bride and her attendants. Miss Jo Hubbard registered the guests. Assisting with the serving were Mesdames Charles McDonald, Dick McDonald, Jerry Johnigan and Dan Stewart.

For the wedding trip to Carlsbad, N. M., the bride traveled in a blue knit suit with black accessories and a white orchid corsage. The couple is at home at 1606 6th.

Mrs. McDonald is a senior at West Texas State College, where she is a member of Phi Gamma Nu Sorority, Buffalo Gals and secretary of the senior class. The bridegroom received his degree from West Texas State College, where he was a member of Alpha Psi Omega, national speech fraternity, and the Veterans Club.

Mr. and Mrs. McDonald, parents of the bridegroom, entertained with the rehearsal dinner at their home.

EDITORIAL!

BE THANKFUL FOR THE RAIN

By Genelle Childress

For the past week the students of O. H. S. have had a wonderful exciting adventure! We haven't gone on a Caribbean cruise, or explored the Amazon, or scaled an impassable peak, but, still we've lived with something completely out of the ordinary.

This something is rain. For the first time in many many months we found out what it is like to see lightning and hear thunder and feel rain in our faces, to wear raincoats and umbrellas (if you happened to own one) and to see soil erosion in action (I hesitate to mention this, because everyone has just finished long assignments for soil conservation themes, but just the same it was fun to see the thing we wrote about really happening).

I heard many shouts on Monday and excited voices cried, "Look! There's mud on my feet!" Although "mud" is a daily occurrence in most places it was a rare novelty for us! In fact it intrigued many of us so much we got into it too much and needless to say couldn't get out, but we weren't the only ones that got stuck! Mr. Moody says that hardy anyone got away from the new teacher's homes the first day or two!

In spite of all the fun we had, I think it would be wise to remember how much good this rain will bring to everyone, either directly or indirectly, and in the midst of all the fun we're having let's all stop for a minute and just be thankful!

ONE ACT PLAY

The Seed of Suspicion, is the one-act play selected to be put on and directed by Mr. Leath and cast.

A drama in one-act, it concerns Harold Mummery, played by Jimmy Brown. His wife Ethel is played by Genelle Childress. Guests in their home include Durwood Wylie, Dartha Dee Melton, Joe Clayton, and Beverly Killingsworth. Mrs. Sutton, the maid, is played by Marilee Dale and Mr. Dimthrope, a chemist, by Bobby Estes.

The play will be put on for district competition in Eldorado March 21. It will be put on for P. T. A. March 15. We are looking forward to another great one-act play by Mr. Leath!

5. Jerry J. — Give it to June because it probably wouldn't be worth a darn anyway.
6. Erby — I don't know!!
7. Tooter — I'd hope it would hurry up and get dark.
8. Alma — Nothing! I guess I'd just love it.
9. Wanda — Tell George to get rid of it.
10. Jimmy B. — I don't know what I'd do with it.
11. Coach Hickman — Give it to Mr. Hatley.

This word is Genelle Childress spelled backwards. I'm sure all of you are changing your answers — real fast, but I bet Jimmy is changing his fastest of all!! How about it Jimmy?

SENIOR PLAY

The Vampire Bat, a play in three acts, has been chosen for the Senior Play of 1957. This play contains anything needed to entertain you; humor, drama, mystery, and suspense. This includes some excellent characters. They are: Donald Adams, Jimmy Brown; his fiancee, Kay Adams, Suzann Dale; Kay's aunt Lydia Adams, Liz Pearson; an attorney, Richard Grant, Joe Clayton; Don's friend Buster Craig, Durwood Wylie; Buster's girl friend Ginger, Beverly Killingsworth; Zombe, a Negro servant, Mrs. Kahn, Mary Lou Johnigan; Zoe Ainsworth, Don's Cousin, Judy Patterson; Jim Brown, a prison guard, Jesse Marley; Jugoleia, an escaped convict, Tooter Malone, and a woman Yvonne Knox.

We are looking forward to the excellent play. Until then so long.

Track Boys to Coach Cleere — Paralyzed

Bobby to Francis — Love Me

Bill P. to Nonie C. Blueberry Hill

Tommye & Janice S. to Scotty & Donald — Young Love

Faye P. to Bill Dolan — A Rose and a Baby Ruth

Janice C. to Don & Jess — Love Is Strange

GOSSIP

Say what's this we hear about Nonie having a new flame? It seems Nonie won't tell who he is so all we can say is Good Luck!

It seems Erbie C. thinks he is losing his mind. He forgot he had a date with Alma Sunday. Erbie, you better check into this, someone may be pulling a prank on you.

This week our Seniors were measured for their caps and gowns. One girl in the last period English class because very embarrassed.

Our F. F. A. Show was called off because of the damp weather. It will be held this Saturday unless something drastic happens.

Everybody get their armor out. It seems a battle is brewing between a O. H. S. freshmen and a Big Lake gal over Jake Young. Play your cards right, Jake, and maybe you can have them both.

David Sikes may have had a high temperature last Saturday. We saw him taking Sally B. (Bucket) to the show. The poor boy must have been delirious.

The Junior and Senior Banquet and dance is coming up soon. Why don't you boys get some dates

pronto! It would be nice for a girl to have a date before time for the big occasion.

The volleyball girls have taken several trips lately. There is always a certain foursome causing a riot. They seem to really enjoy themselves. The big question now is can Miss Knox stand these crazy girls for the rest of the season.

Durwood and Brenda Douglas are seen together a lot. I wonder what will become of this new romance. Did you miss him while he was in Dallas, Brenda?

The teachers needed pack mules or mud chains to leave their new homes last week-end. I understand they have hired Alleane and Jake to assist them in leaving since their father is commissioner over in that district.

Billie Bob and Daria Williams seem to be painting the town lately. You have a cute gal, Billie Bob don't let her slip through your fingers.

Our All-State band kids had quite a ball in Dallas. I don't think they even looked at a bed before two in the morning.

"Stuck in the mud" well ask Wanda and George about that! They were "sun gazing" Saturday when they hit quite a big puddle of mud. I don't know if Nelle and Jimmy were sun gazing or not, but they got in the mud too! Kent, Don, and Durwood came to the rescue though!

Wonder what's going on between Molly Sue and Mark. Lately when you see one of them you see the other one.

Pat A. seems to have practically worn the road out between here and Big Lake. What is so interesting in Big Lake Pat?

All the girls will probably be getting new clothes or letting old ones out. Several ones seem to have gotten large boxes of candy for Valentines. I wouldn't worry though, if I were you girls.

If anyone needs any portraits drawn just contact David Sikes. He seems to have drawn quite a few lately. They are rather good David!

Mr. Rollins says he received several anonymous Valentines. There is a very attractive one in his room. Wonder who the others were from?

I see with my ears,

But don't mind me —
I just got out of bed!

Lions Cinch 6th Straight Title By Beating Eldorado

Team That Was Rated Without a Chance Comes Through

By Ernie Boyd

Jerry Jacobs and Bobby Sutton, two sophomores in Coach J. A.

Pelto's starting lineup, shot the sickness and injury riddled Ozona Lions into their sixth straight district crown last Friday night when they whipped a determined Eldorado five 41 to 32 before a slim crowd.

The Lions got off to an early lead in the rough and tumble affair as Sutton and Jacobs along with Jake Young carried the load for the Lions. After leading 14 to 11 at the first quarter the Lions saw the Eagles push into a brief 16 to 14 lead before Rodney Franklin hit four quick points to put

the Lions ahead to stay.

The Lions got an assist from Junction as they whipped Sonora to give the Lions a clear cut title regardless of how the last game of the season came out. As matters turned out it did not make any difference since the Lions also whipped Junction to wind up two games ahead of the field.

Despite the fact that the Lions maintained their lead from the second quarter on, the game was close and tense with tempers near the flaring point toward the end of the contest as the Lions chose

to stall with the ball and let the clock run out.

Both Ozona and Eldorado shot rather poorly from the field and the Lions let Eldorado stay in contention until near the end by failing at the free throw line where they converted only 13 of 35 free throws into points.

Jerry Jacobs was high in the game with 14 points just one better than team mate Bobby Sutton, who counted 13. Curtis Stockton of Eldorado had 12 to lead his team.

Coach Pete Hickman's B team

staved off a strong Eldorado rally to win 52 to 51.

Reeves' two free throws proved to be the winning margin as Smith and Nimitz led a last half Eldorado rally which steadily cut into the Ozona lead that was built up on the fine shooting of Don Powers and Ronnie Paulk.

The Eldorado five had a big height advantage and took advantage of it fully in the last quarter to pull up on the home five.

Don Powers scored 18 points to lead Ozona while Nimitz had 23 for game high to lead Eldorado.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Feb. 23, 1928

Roads leading in and out of Powell Field, Crockett county oil field, will soon be worked and put in first class condition. An order for working the road was passed this week by the Commissioners Court.

Mrs. Paul Hallcomb was taken to a San Angelo hospital Tuesday following a fall Tuesday morning near the postoffice which resulted in the fracture of two bones in her ankle.

Two more candidates for county offices threw their sky pieces into the arena this week with announcements from O. W. Smith, county tax assessor, and Tom Casbeer, county treasurer, for re-election. E. B. Baggett, Jr. has announced for re-election as county and district clerk.

A tract of land containing about 27 acres located just off main street adjoining the West Texas Utilities Co. substation lot in the north part of Ozona, was purchased this week by Rusty Smith, proprietor of the Sunshine Dairy, from Pleas Childress and Scott Peters. Total consideration in the deal amounted to approximately

\$3,000. More electric refrigerators will be installed in 1928 than in any previous year in the history of the business. Otho Drake, local manager of the West Texas Utilities Co., predicted following his return from a regional sales convention held recently in Dallas.

An order for dirt and gravel sufficient to fill in the chug holes in the streets of Ozona has been placed by County Commissioner J. M. Baggett. T. J. Cook, local contractor, will do the work. Recent dry weather has caused chug holes to develop in the streets and a general street improvement program is to be undertaken.

Mrs. Jake Short of Bandera has been visiting her sister, Mrs. Floyd Henderson.

"Meller Drammer," a playlet written by Miss Annie Lee of Ozona, a freshman in the College of Industrial Arts at Denton, was judged the best play written by a member of the freshman class and was made a part of the program at "Freshman Stunt Night" entertainment given recently at the college.

Installation of Ozona's "White Way" is being held up pending arrival of materials, according to officials of the West Texas Utilities Co.

Two loads of fresh, rich soil have been unloaded at each of

the sixteen tree holes in the city park in preparation for setting out new trees to replace dead ones which were recently removed. Soil that had been worn out by the mulberry trees, has been spread over low places in the park.

Bail bond with interest, amounting to a total of \$2,090 has been collected by the county in the case of Harl Stirman, charged with theft, whose bond was forfeited last year in district court when he failed to appear for trial. Report of the collection of the forfeited bond from J. W. Cannon was made by E. B. Baggett, Jr., county and district clerk, to the Commissioners Court this week.

Bud Kincaid, son of Mr. and Mrs. T. A. Kincaid, underwent an operation in a San Antonio hospital last week. Bud is a student at Schreiner Institute in Kerrville.

Mrs. C. C. Montgomery entertained members of her forty-two club at her home last week.

Mental Health Topic For Woman's Society

Mrs. Taylor Word directed the program on "The Church and Mental Health" at the Woman's Society of Christian Service Wednesday morning at the Methodist Church. Mrs. Word gave the devotional, "The Meaning of Mental Health", and Mrs. O. D. West talked on "What Our Community and Church are Doing for Mental Health."

Mrs. John Bailey's topic was "Christian Service to Older People" and Mrs. S. M. Harvick spoke on "Learn and Live." Mrs. Word closed the meeting with prayer.

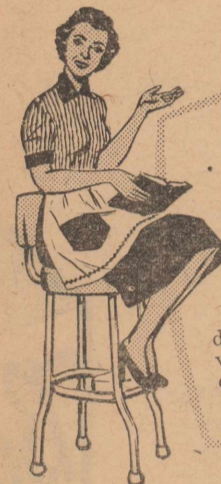

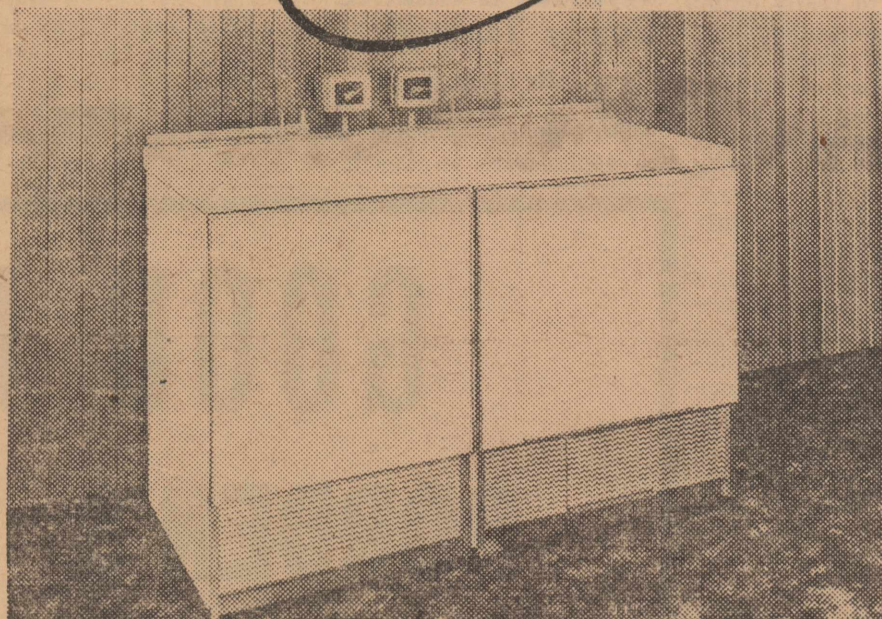

Next Wednesday, the Jenny King Circle of the Society will meet with Mrs. Paul Perner and the Willing Workers Circle with Mrs. Clay Adams.

Present were Mrs. Bailey Post, Mrs. J. A. Fussell, Mrs. Charles Williams, Mrs. Joe Pierce, Mrs. J. W. Henderson, Mrs. O. D. West, Mrs. John Bailey, Mrs. S. M. Harvick and Mrs. Word.

Garden Club Reminders

February is the best gardening month of the year. We should get our yards on the way for the summer months. Try to make gardening a pleasure instead of thinking of it as a chore. It can be very rewarding if undertaken with a spirit of wanting to and not just because it needs to be done. The results of a well-cared-for lawn, shrubs, trees and flowers make a person feel he is adding something to the world. It makes a house look like a home.

Now that we have had a wonderful rain it should be a fine spring. Trees and shrubs need to be checked for dead, diseased or damaged wood as pruning is finished. Wounds heal faster between Feb. 15 and May 15 and seldom need disinfection if the air is dry. This month is a good time to feed trees, shrubs and grass. Also if you haven't planted all you needed to in the fall it's best to plant before it gets too hot, especially bare rooted plants. Roses should be out by March 1 if not in buckets.

Here's an excellent formula for Iris: Two cups Vigoro, 1/2 cup copperas, 2 cups 20% super phosphate (white), 2 cups bone meal, 1 gallon wood ashes that have been kept dry. Mix well. Pput 1/2 cup of mixture around old plants in Nov. Repeat in Feb. Use less around new plants.

Formula for acid-loving plants: 2 cups super phosphate 2 cups aluminum sulphate, 1 cup cottonseed meal. Mix well and put 2 cups around each medium sized plant, 1 cup around new plants. Good for azaleas, magnolias, Carolina jasmine, holly and camellias. Spray in February to keep down scales and black spots on roses and plants.

Lions Squeak By Junction In Season Finale Tuesday Night

By Ernie Boyd

The Ozona Lions had to come from behind twice Tuesday night and then rely on two good free throws by Jake Young to down a battling Junction five 51 to 49 to end the season at Davidson Gym.

As was the case Friday night, the Lions jumped into an early lead and had a chance to crush the invaders but let it slip and had to come from behind to win.

Jerry Jacobs, Jake Young, and Bobby Sutton lead the Ozona attack with 14, 12 and 10 points, respectively, while Jennings of Junction was high man in the game with 18 points.

The Lions, after leading 12 to 4, began to play erratically and dropped behind 26 to 21 mid-way of the second quarter but Jacobs, Williams and Young contributed points as the Lions spurred back into the lead before the half time intermission.

The Eagles still had victory on their mind, however, and with a minute and thirty-nine seconds left in the third quarter once again took the lead, this time with a 37 to 35 margin.

Bobby Vargas kept the Loins in the contest with five quick points and Stan Williams added four more as the Lions pulled into a 47 to 46 lead.

Junction tied up the score at 49 all and then Jake Young sank two free throws that proved to be the winning margin. As was the case in Junction the Eagles had a chance to tie the contest when Parker Loeffler was fouled and had a possible two shots with just 8 seconds left but he failed to hit and the Lions were in with their fifth two or less point victory in district play this season.

In the curtain raiser the Junction B's took a 54 to 49 win over Ozona after trailing most of the contest. The Ozona team rode some hot shooting in the first half and then waxed cold in the fading minutes as the invaders with McDonough and Cavaness hitting pushed to the victory.

Ozona was led by Dizzy Reeves, who tallied thirteen points on free

throws and hit one field goal for 17 points. McDonough had 16 for Junction and Cavaness had 16.

Leath Is Speaker At ESA Chapter Meeting

Beta Rho, the Ozona chapter of E. S. A. International met at the Girl Scout cabin February 14. Hack Leath was the guest speaker, bringing with him Genelle Childress, who gave a reading, "Mr. Longfellow and His Boy", and Joe Clayton. Mr. Leath talked to the members about the problems of poise and voice that he faced in his speech and dramatics classes in the school. He discussed public speaking and stage fright. Using Joe Clayton as his model, Mr. Leath demonstrated the art of stage make-up.

Mary Jo Montgomery received her pledge pin in a candle-light ceremony. After a brief business meeting, Mary Dunlap, Juanita Mills, and Jane Womack served pie and coffee to the members.

Present at the meeting were La Rue Schneemann, Mary Jo Montgomery, Nan West, Billy Jo Hayes, Juanita Mills, Mary Dunlap, Miki Ratliff, Mary Lou Lilly, Pearl Lemmons, Altha Leath, Rita Foshee, Jane Womack, Betty Hickman, Sara Boyd, Marjo Pelt, Greta Isbell, Betty Tubbs, Polly Perner, Mary Webster, and Lola Cleere.

During the business meeting seven members, Miki Ratliff, Marjo Pelt, Le Rue Schneemann, Billy Jo Hays, Mary Lou Lilly, Betty Hickman, and Sara Boyd, were nominated for "Real E. S. A.-er" of 1956-57. The identity of the one elected by secret ballot will be revealed at the sweetheart party to be held later this month.
