Sunrise Easter Service Sponsored By Ozona Youth

Everybody Invited To 6 a. m. Service On Tandy Hill

A Sunrise Easter service, sponsored by the Youth Fellowships of the Ozona Methodist Church, will be held at 6 a. m. Easter Sunday morning on the hill near the television tower, just east of the Tandy home.

With the youth of Ozona taking parts, the Easter Story will be dramatized and music will be provided by a brass ensemble from the High School band, an all-youth choir and the High School octet.

For the Easter scene the three women at the tomb will be Janet North, Sandra Ratliff and Janet Mason. Peggy Harvick will be the angel and Peter and John will be played by Roy Neil Killingsworth and Carl Montgomery. Readers will be Beverly Killingsworth and Jake Young, Jr.

The brass ensemble will include Joe Warren Friend, Art Kyle, Richard Sikes, Ronnie Beall, Bob Meinecke, Bill Meinecke, Tomas Lopez, Mills Tandy, Roberta Johnson, Pierce Miller and Gwynel Walker. The High School octet is composed of Jimmy Carroll, Mark White, Jerry Jacobs, Don Lott, Becky Davidson, Alleane Young, Nonie Conklin and Sally Baggett. The ensemble will play background music during the dramatization.

W. M. Richardson and a crew of helpers will be on hand to direct parking. Everybody is invited to attend the early morning service.

Emergency Feed Grain Program Is Extended

Walter T. McKay, State Director, Farmers Home Administration today advised George H. James, Jr., Acting County Supervisor, of the re-designation of Crockett, Reagan and Sutton Counties for assistance under the Emergency Feed Grain Program.

Under this designation, farmers and ranchers may now file applications through April 29, 1957, to provide feed grain for basic livestock herds through May 15, 1957.

1000th Telephone Subscriber Here Gets Free Call

New Milestone Reached When W.R. Collins' Phone Installed

Ozona has reached the 1,000th telephone milestone.

The 1000th telephone has been installed in the home of W. R. Collins, employed with Continental Oil Co., in Ozona. Installer of the 1000th telephone was Dick Webster, local maintenance man.

Officials of the General Telephone Company of the Southwest were on hand for the occasion. A free long distance telephone call was given to the subscriber of the 1,000th telephone to commemorate the milestone event.

Ted Maxwell, District Manager for the Company, pointed out the growth in number of telephones in Ozona through the past years. There were 350 telephones in Ozona back in 1936, the earliest date records are available. The number increased to 487 in 1945.

At the end of 1950, there were 805 telephones in Ozona. The 1954 total was 864. There were 962 telephones in Ozona at the end of last year.

In January of this year, the Ozona telephone exchange handled nearly 4,000 local calls and over 130 long distance calls every day.

As a result of such growth, Maxwell said, General has been kept busy expanding and improving facilities.

"We are proud to have reached this telephone milestone in Ozona and look forward to reaching our second thousand in not too many years," Maxwell added.

First Annual Garden Club Flower Show To Be Held Next Thursday

Garden Gates Ajar to Spring is the theme of the first flower show of the Ozona Garden Club to be held next Thursday, April 25th, in the Fellowship Hall of the Methodist Church.

The public is invited to compete in all classes if conform to schedule classes.

Wildcat Spotted In Western Crockett Co., Weger Field Extended

Jack McKeeshan of Brownwood has filed application to drill a 1,250-foot cable tool wildcat in Crockett County, 16 miles southwest of Ozona. It will be drilled as the No. 1 Sales.

Location is 330 feet from the north and 990 feet from the west lines of 27-2-1&GN.

The Weger, West (Grayburg) field of Crockett County gained its third producer and a 1/2-mile east extension with completion of Plymouth Oil Co., No. 1-AC University, in 25-12-University, seven miles south of Big Lake.

It was finalized for daily pumping potential of 148.13 barrels of 29 gravity oil, plus 21 per cent water, with gas-oil ratio 226-1.

Production was through perforations between 2,510-518 feet in 5 1/2-inch casing set at 2,560 feet, the total depth. Pay section was fractured with 10,000 gallons.

Top of pay was picked at 2,510 feet on derrick floor elevation of 2,692 feet.

Top of the Yates was picked at 1,432 feet and top of the San Andres at 2,238 feet.

All-District Cage Squad Honored At Banquet In Eldorado

All-district certificates awards were received by three Ozona High School basketball players at the all-district basketball banquet held Monday night in Eldorado sponsored by The Eldorado Club.

Receiving the awards were Jake Young, Jerry Jacobs and Bobby Sutton of Ozona; George Johnson and Shannon Ratliff, Sonora; Temple Yates and Wayne Lovelace, Menard; Moose Brown and Loeffler, Junction, and Herman Phillips of Eldorado. The league's sportsmanship trophy was presented to the Menard team.

E. O. (Doc) Hayes, basketball coach at Southern Methodist University, was the chief speaker of the evening. After the program, a color film of the SMU-Kansas NCAA regional game played in Dallas recently was shown.

Texaco Completes Todd Field Gasser

The Todd, North (San Andres) gas field of Crockett County has been extended 1/2-mile southeast with completion of The Texas Co. No. 1-A-NCT-2 M. A. Shannon, in 11-10-GC&SF, 18 miles northwest of Ozona.

It was finalized for a calculated, absolute open flow of 6,600,000 cubic feet of gas daily through perforations between 1,600-630 feet in 5 1/2-inch casing set at 1,695 feet. Elevation is 2,403 feet.

S. L. Butler, 79, Laid To Rest In Services Tuesday

Retired Contractor, Ozonan 30 Years, Died Monday Afternoon

Funeral services were held at 4 o'clock Tuesday afternoon from the First Baptist Church here for Samuel L. Butler, 79, retired building contractor, who died at his home here at 2:30 Monday afternoon as the result of a heart attack.

Following services at the church graveside rites were conducted by the Masonic Lodge of which Mr. Butler had been a member for many years. Services were under the direction of Cody Funeral Home of Ozona.

Born in Coryell County, Texas, June 6, 1877, Mr. Butler had been a resident of Ozona for about 30 years. He married Mary Margaret Hale on August 22, 1914.

Surviving are the widow of Ozona; two sons, Ben and Charlie Butler of Ozona; four daughters, Mrs. Pual Gibbs, Mrs. Ben Williams and Mrs. Thad Tabb of Ozona, and Mrs. Dora Bosworth of Galveston; a brother, M. B. Butler of San Antonio, and five grandchildren.

Palbearers were Lowell Littleton, Gordon Aikman, Ewart White, Ross Hufstetler, Bill Cooper and Frank James.

Wool Incentive Pay Applications Must Be Filed With ASC Apr. 30

College Station, — Application for payments under the 1956 wool price incentive program must be filed with County ASC Committees by April 30, Extension Economist A. B. Wooten reminds Texas producers.

These applications should apply to any wool sold between April 1, 1956, and March 31, 1957. Wool sold after March 31 will be eligible for 1957 program payments to be made next year, says Wooten.

The applications must be accompanied by documents showing the exact net proceeds from wool sales. Marketing charges for freight or other services should be deducted. All phases of the transaction must have been completed by the March 31 deadline.

Payments on these applications will be made some time this summer after the average price per pound received by U. S. producers is known. The basis for payment will be the same as last year, with producers receiving a percentage of their own price — the higher the price received, the higher the payment. Percentage paid will reflect the difference between the average price received by all producers and the 62-cents-per-pound incentive level. This system was provided for in the National Wool Act of 1954, passed by Congress to stimulate wool production toward a 300-million-pound national goal.

Payments last year amounted to \$44.90 for every \$100 producers earned from wool sales. Texas producers received \$9,618,086.00, said Wooten.

Barnhart Baptists Hear McCamey Pastor

Rev. Charles Carter, Jr., one of the outstanding young ministers of the area, will conduct a week-long revival series at the Barnhart Baptist Church starting Sunday evening, April 21, and continuing through Sunday, April 28. Rev. Carter is pastor of the East Side Baptist Church in McCamey.

Services will be held each evening starting at 8 p. m., with Sunday morning services scheduled for Sunday April 28, the meeting closing with the evening services that day.

A cordial invitation is extended by members of the Barnhart congregation to friends throughout the area to attend any or all of the services.

Ozona Students Win Regional For Chance At State Meet Honors

Two Ozona High School students won the right to compete in the State Interscholastic League literary events at the state meet in Austin May 2, 3 and 4 by virtue of winning in the regional meet held in Odessa last week.

Genelle Childress, daughter of Mr. and Mrs. Pleas Childress, won first place in the regional meet in extemporaneous speaking. Joe Clayton, Jr., son of Mr. and Mrs. Joe Clayton, won second place in the ready-writing contest at the regional meet. Both are eligible to compete in the state meet in these contests. Genelle was coached by Haskell Leath, speech instructor, and Joe by Foy Moody.

In the track and field events, Ozona's Jake Young won third place in the shot put event and Jerry Jacobs took 4th in the low hurdles. Bobby Vargas was also an entry from Ozona but failed to place.

Ozona Service Man Receives High School Education In Army

Bamberg, Germany — Army Specialist Third Class Billy D. Gillit, son of Mr. and Mrs. George A. Gillit, Ozona, Texas, recently received a high school equivalency certificate in Germany for completing his secondary education through the U. S. Armed Forces Institute (USAFI).

USAFI, through its General Educational Development program, offers men of the armed forces an extensively variety of courses at elementary, secondary and college levels.

Specialist Gillit entered the Army in April 1955 and received basic training at Fort Riley, Kan.

Junction To Present 7th Easter Pageant In Picturesque Setting

Junction, Texas — Two hours before mid-night next Saturday, April 20th, on the eve of Easter Sunday, three-score laymen in costume — all Kimble county folks — will re-enact the story of Jesus' last week on earth in the picturesque setting of a natural amphitheatre one mile southeast of Junction.

This will be the 7th annual presentation of Junction's Easter Pageant. In 1951 a few inspired men of Junction Men's Bible Class, a non-sectarian organization, staged the first production upon a small, crude stage erected at the base of the cliffs below The Everburning Cross on Lovers Leap Mountain. Year by year the production has been enlarged and improved. The presentation is in pantomime, supported by music and the voices of readers from broad casts booth below. A dozen stages have been arranged among the rugged boulders and projecting rocks of the hillside. Change of scenes is effected by the shifting of flood and spot lights. Parking area for 2,000 cars is provided below for spectators, who may view from their cars.

The production is managed by a general committee, of which Marvin E. Blackburn, District Attorney, is chairman. Other members of the committees are Jordan Cunningham, Jack King, Walter Chadwell, and Willie Collins, President of the Men's Bible Class.

Mrs. Jack Reeves, Kimble County ranchwoman ably directs The Pageant for the 7th time. The cast includes more than 100 men, women and children from many walks of life. Music will be broadcast throughout the evening. Pageant begins at 10 p. m. and is so timed that The Ascension occurs shortly after mid-night, on Easter morn.

HOLT-WILLIAMS VOWS

Friends here have received announcements of the marriage of Miss Joan Holt to George Frederick Williams in Lovington, N. M., on March 16, 1957. Mrs. Williams is the daughter of Mr. and Mrs. Jack Holt of Del Rio, former Ozonans.

Chanters Of McMurry College To Sing In Concert Here April 29

Abilene, (Spl) — The Chanters of McMurry College will be presented in a choral concert at 2:40 p. m. Monday April 29, at Ozona High School.

The McMurry mixed chorus is directed by Dr. Richard C. von Ende, chairman of the fine arts division and music department at the Methodist college.

The Chanter's appearance in Ozona will be one of 13 which they will make on a six-day spring tour of 11 Southwest Texas cities April 28 — May 3.

Other programs are scheduled for Midland, Junction, San Angelo, Rocksprings, Del Rio, Uvalde, San Antonio, Kerrville, Lampasas, and Brownwood.

A feature of the choir's program in Ozona will be Tom Scott's arrangements of "Let's Have A Square Dance." On this number, members of the choir perform the square dance to the accompaniment of chorus, two fiddles, accordion and piano.

Also to be heard on the program will be soloists, the Indianaires mixed quartet, the Melody Maidens sextet, and a male quartet. Numbers to be sung by the ensemble include "The Man I Love," "Sydney," "When I Was Single," and others.

The Chorus will sing a number of selections from "Oklahoma." Other numbers will be "To Thee We Sing," "Blue Tail Fly," "Elijah Rock," and sections of the Brahms "Requiem."

The Chanters were organized in 1923, the year in which McMurry College was established in Abilene. Each year they make two concert tours in West Texas and New Mexico, in addition to many appearances in Abilene and the surrounding area.

Lions Club District Convention To Be In San Antonio May 12-14

San Antonio, Texas — Lions Club members of District 2-A, embracing much of Southwestern Texas including Ozona, are being urged to make their reservations early for the annual district convention, set for San Antonio May 12-14.

John Painter, San Antonio, district governor, said representatives of the 6,700 Lions Club members in the area should write to district convention headquarters, Room 301, Gunter Hotel, San Antonio.

Painter has appointed Bill Judson, San Antonio, as general chairman for the convention.

Coming to San Antonio to be present at all sessions of the convention will be John Stickley, Charlotte, N. C., international president for the Lions organization. Stickley and his wife have been visiting Lions Clubs throughout the world and recently returned to the United States from Africa and South America. He will make the principal speech of the convention.

Plymouth To Drill Outpost On Hoover

Plymouth Oil Co. will drill the No. 1-Q Hoover as a 3/8-mile east outpost to the Olson field of Crockett County, 17 miles southeast of Iraan.

Rotary drilling to 2,400 feet will begin immediately.

Location, on a 165.49-acre lease, is 2,152.55 feet from the south and 2,371.65 feet from the east lines of 1-GG-GC&SF.

LUTHERANS PLAN EASTER SERVICES AT SONORA

Rev. Luther Roehrs, pastor of the Lutheran Church at Eden, announces that special Easter services will be held at St. John's Episcopal Church in Sonora at 4 p. m. Easter Sunday.

The pastor's subject for the Easter sermon will be "The Real Meaning of Easter." Sunday School will begin at 5 p. m. in the parish hall. All Lutherans and friends of the church are invited to the services.

Contract Awarded For Construction First Flood Dam

Pasadena, Texas, Firm Is Successful With Bid Of \$93,921.40

Control of Johnson Draw watershed and protection of Ozona and downstream ranch lands and improvements from devastating damage and loss of life from flash flood such as that which cost 16 lives and did millions in damage in June of 1954, came a step nearer realization here Monday when contract was awarded for construction of the first in the series of flood retardation dams to be built on the watershed.

Concrete Contractors, Inc., of Pasadena, Texas, was the low bidder on construction of Site No. 1, on the Boyd Baker ranch. Concrete Contractors was one of eight bidders seeking the contract for building the dam. The successful bidders won the contract on a bid of \$93,921.40. The Soil Conservation Service engineers estimate on the project was \$95,000.

The next nearest bidder was Arnett & Duncan of Corsicana who submitted a bid of \$95,073.70. Other bids ranged up to \$128,005.60. The other six bidders were Lee Moore Contracting Co. of El Paso; Centex Paving Co., San Antonio; Roland & Scherer, Weatherford; Allen Keller Co., Fredericksburg; Lyles & Davis, Childress, and Swope Bros., of San Antonio.

The Pasadena firm is now engaged in construction of two similar dams in the Eden, Texas, area. The contract award is on a tentative basis, pending satisfactory evidence of ability to perform the contract, and engineers of the SCS were in conference with officials of the company in Eden early this week.

The contractor must start construction within 23 days from date of contract award and will have 242 calendar days in which to complete the project.

The next contract award, on either Dam Site No. 2 or 3, is tentatively scheduled for May 20, with advertising of notice to bidders set to begin next week. Specifications have been completed on both the No. 2 and 3 Sites and final clearance of administrative details is expected to be accomplished this week to clear the way for new contract awards on either or both.

April 29-May 3 Declared Clean Up Week In Ozona

County Trucks To Be In Service 5 Days Hauling Trash

The week starting April 29 has been designated as clean-up week in Ozona.

Starting Monday, April 29, and continuing through Friday of that week, trucks of the county road crews will be made available for hauling accumulated trash from Ozona premises.

The annual clean-up campaign is a project of the Ozona Woman's Club and a campaign will be waged by that organization, with assistance from other organized groups in the city, between now and the designated clean-up week to get all property owners to give their premises a thorough "going over" in an effort to make the clean-up drive as effective as possible throughout the town.

Residents are urged to begin now the clean-up of their premises looking to the week during which they can have trash hauled free of charge in the county trucks. It will be necessary to put the trash in easily accessible places so that the truck operators can reach it with a minimum of effort and delay. The trucks will make every part of the city during the week and the cooperation of all residents is urged by the Ozona Woman's Club clean-up committee.

'HIGH' PRICE-FIXING LAW

The high price fixers are at it again down in Austin. And unless the people of Texas who buy from the retail stores get busy in a hurry, they are going to get a law passed which will raise the cost of living several points in Texas. It will raise the price on everything you buy at the grocery store, the drug store, the dry goods store and every other retail store.

The 1957 version of the old so-called Fair Trade Act is a new approach to the perennial drive for retail-price fixing that has been pushed at Texans since 1935. Earliest version of this price fixing attempt was the true so-called Fair Trade Act under which a manufacturer could contract with one retailer and set a minimum price for his product and all other merchants would be bound under penalty of the law not to sell for less.

The other version, appearing over the years under a variety of names such as Anti-Discrimination, Price Maintenance and Clean Competition, would have made it unlawful for merchants to sell any item at less than cost plus various mark-up percentages.

In either form, the laws were designed to hold a protective umbrella over the least progressive merchants at the expense of the buying public. Such an act was passed by the legislature in 1939 before the newspapers of Texas awoke the buying public to the planned raids on their pocket-books, but it was vetoed by the governor.

The 1957 model, called the Sales Limitation Act, was first introduced in 1955 by Rep. James E. Cox of Conroe, the legislator who recently resigned after attempted bribery charges were leveled by a naturopath practitioner. The act was passed by the legislature and signed by the governor but was declared unconstitutional because it applied only to grocers.

The new version is sugar-coated but its effect will be to prevent merchants from advertising "loss leader" items by making it unlawful for him to limit the number of items sold to one buyer and thus to prevent his supply from being raided by peddlers, institutional buyers or other merchants. The other vague provisions of the act would produce an unbearable harassment to the progressive merchants who attempt to build good will and attract customers to their stores.

The price-fixing lobby is highly organized minority group in Texas who work in secret and pressure legislators out of proportion to their numbers. The consumers of Texas are unorganized and this explains why it is possible to get a law passed in the Texas legislature making it a crime to offer bargains to the public.

If you are opposed to this competition-killing legislation, address a postcard to Senator Dorsey B. Hardeman and ask him to oppose Senate Bill 177, introduced by Sen. A. M. Aikin, Jr., of Paris, and to Representative Joe Burkett asking him to oppose House Bill 25, introduced by Rep. Reuben D. Talasek of Temple. The legislation is known this year as the Sales Limitation Act.

Krush Removes Temptation

Young Russians are to be freed, beginning next year, from the necessity of paying two of eight weeks wages a year for Government loan certificates. But few of their parents, who have thus far kicked in 260 billion rubles (about \$65 billions, US) are likely to live long enough to get their money back. Mr. Krushchev has just announced payment will be postponed for 20 to 25 years. No interest will be paid. And it could, of course, be unhealthy to ask for payment in 1977 or 1982!

In his statement, Boss Krushchev observed that "capitalists" would not understand the arrangement. But we can imagine the poor old souls, who have slaved all their lives with the dream of retirement to keep them going, will understand perfectly.

By now, they ought to.

MORE TROUBLED SOULS?

In pleading guilty to the second of six counts in the indictment charging them with spying for the USSR, Jack and Myra Sobel have escaped the possibility of execution. Their counsel, who intimated that they had been victims of "the long arm of Russia," forced into espionage to protect their parents in the USSR, said: "They told me they wanted to recapture their souls for the first time since they came to this country. They were two anguished individuals, suffering intensely from experiences they had gone through before they emigrated to this country and since."

Following this "recapture" of their souls, the Sobels spent forty minutes before a special grand jury investigating Russian espionage. It is to be hoped that they did their best to make amends to the country that gave them its trust and honored them with citizenship — and further, that whatever their sentence may be — their decision to confess the truth will be a moving example to others who have betrayed us — willingly or not.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

AUSTIN, TEXAS — "Sine die" is the magic phrase around the Capitol nowadays. It's the phrase traditionally applied to the final adjournment time agreed on by both houses of the Legislature.

Only three weeks remain of the 120 days recommended in the Constitution for sessions. After that (May 7) lawmakers' pay stops.

Sentiment appears strong for a sine die resolution set on or very near that deadline. It's been a rough session, say many members. Investigations, bribery charges, counter-charges and threat of more have frayed nerves, provoked hot words, deep rifts.

They've made it harder to plough through the usual hundreds of measures requiring study, debate and some sort of agreement. Many are still backed up in discouraging stacks.

Even so, say members, they hope to shove through the "musts" and go home on time. But likely differences of opinion on what constitutes "musts" promise even more tension and temper for the final weeks.

Teacher Raise — One of the biggest issues still gathering steam in the Legislature is the teacher pay raise. Despite strong backing, the drive has been beset with stumbling blocks.

Public school teachers want a \$399-a-year boost. Total cost for the biennium is variously estimated from \$45,000,000 to \$70,000,000.

Sponsors have become increasingly impatient of delays. Bill was stymied by House rule which prohibits consideration of any other spending bill until the general appropriations bill is finally approved. This is in conference committee.

Then the attorney general ruled the teachers' bill was not an appropriation bill. This seemingly opened the door to quicker action. But budget-watchers intervened. They said passage of the teacher bill first would leave the treasury \$20,000,000 short of enough to cover the general appropriation bill.

Ethics Bill Zips Out — After weeks of haggling in the House,

the code of ethics bill whizzed through the Senate in one day. It goes to the governor's desk with 29-0 Senate approval.

Bill provides that no legislator, state official or employe shall engage in any outside activity "in substantial conflict with the public interest." Penalty is expulsion or dismissal.

Narcotics Bill Passed — A possible death penalty for dope peddlers seems almost certain to become law.

House and Senate have passed the bill which was recommended by Gov. Price Daniel. It would permit juries to assess the death penalty on second conviction for sale of any narcotic drug to a minor.

Auto Registration Tax — State car taxing system would be overhauled under a measure which won preliminary House approval.

If passed, the constitutional amendment would abolish the property tax on motor vehicles. Legislature would be given authority to increase registration fees by one-third. Revenue would be divided between school districts and city or county.

Meanwhile, Texas Research League released a study suggesting further revision of the registration laws. License fees based on weight result in inequities, said the League. It proposed a flat fee for all size cars.

Farm Bill Shelved — A bill to replace Commissioner of Agriculture John White's office with a 21-member board went to House sub-committee.

White declared the bill was dead. Hearing brought prolonged and heated testimony. Proponents of the measure contended lack of state-federal cooperation has resulted in inadequate crop inspection.

Opponents declared the 21-member board would be unwieldy and cost the state more in travel expense.

Segregation Bill Okayed — A bill regarded as the cornerstone

of a program to maintain school segregation won its second-round House vote.

It would allow local board to assign pupils to schools on basis of "qualifications, aptitudes," etc. An amendment also gives the boards authority to exempt a child from compulsory attendance at an integrated school.

SHORT SNORTS — Board of Insurance Commissioners granted a second delay in the show cause hearing on Physicians Life and Accident Ins. Co. because the firm's president, Former Gov. Coke Stevenson was ill. But hearing will be held April 22, said Comm. Chmn. John Osorio, regardless. . . Both House and Senate gave final passage to a bill which would allow a farmer to use his pick-up or other vehicle with farm license plates for family and household errands.

A Tribute . . .

To Our Town !

Sometimes there are "acres of diamonds" on our very doorstep. That is how we feel about OUR TOWN. Wonderful people. Fine stores and services. Grand organizations and clubs — for men, women and children. Healthy, happy, secure youngsters going to good schools. Yes, we have everything in OUR TOWN for which to give thanks.

This marks the beginning of A Tribute to Our Town, and for what it stands. We hope you will single these out . . . joining with us in paying tribute and respect to a fine, typically American community . . . OUR TOWN!

Cattle Trade Steady, Stockers Stronger

Fort Worth — After a slow start prices on cattle and calves were mostly steady at Fort Worth Monday. Fed cattle were again in small supply. Stockers and feeders found demand broad at fully steady to stronger prices, quality considered, and the high grade offerings were very scarce. Good and choice slaughter steers and yearlings cashed at \$18.50 to \$22. High choice to price medium weight steers or yearlings were quotable above that range. Common and medium offerings sold

from \$13 to \$18. Fat cows cashed at \$12 to \$14, while canners and cutters bulked at \$9 to \$12. Bulls sold from \$10 to \$15. Good and choice slaughter calves sold from \$20 to \$23, and medium and lower grades from \$12 to \$18. Stocker steer calves drew \$16 to \$22, and were quotable above that range. Steer yearlings cashed at \$21 down. Stock cows sold from \$10 to \$14.

Sheep and Lambs Sell Fully Steady to Strong

The offering of 7,800 sheep and lambs at Fort Worth Monday was cleared early at fully steady to strong prices. The offerings was more than 75 per cent Spring lambs. Old sheep were very scarce,

and relatively few old crop shorn lambs arrived.

Good and choice Spring lambs cashed at \$22 to \$23.50, and cull to medium Springers sold from \$15 to \$20. Some lightweight Spring lambs sold as feeders in the \$18 to \$19 bracket. Good to choice shorn old crop lambs cashed at \$19 to \$21.50, those at the higher figure having No. 1 or No. 2 pelts. Shorter pelts sold from \$20 down. Cull to medium old crop lambs cashed at \$12 to \$18. Slaughter ewes drew \$5.50 to \$6.50.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, April 18, 1928

Postponement to May 31 of the order for discontinuance of the star mail route between Ozona and Sheffield has been secured from the Post office Department through the efforts of Congressman Claude Hudspeth in response to petition signed by many Crockett county citizens asking that the route be retained. A telegram from Congressman Hudspeth to Judge Chas. E. Davidson Monday announced the postponement.

The Ranch District, Boy Scouts of America, comprising five counties, Kimble, Menard, Crockett, Sutton, and Schleicher, was organized at a meeting of representatives from each county held in Sonora Wednesday night and a decision was reached to empty a Scout Executive to work exclusively in these five counties. Scott Peters and Dr. J. A. Fussell represented Crockett county at the meeting, Mr. Peters being a member of the district committee composed of one representative from each county. Other members of the committee are J. A. Whitten, Schleicher; Weaver Baker, Kimble; W. R. Nisbet, Menard, and Roy E. Aldwell, Sutton. Each county agreed to raise \$750 to support the project.

Earl Deland won the running broad jump in the district Interscholastic League field events held in San Angelo Tuesday and by reason of the win will go to Austin in May to compete in the state meet against district winners from all over the state. Deland won first with a jump of 18 feet, 11 1/2 inches. He had done better in practice and is expected to better that mark in the state meet with a little more training, said Coach J. A. Floyd.

The Concho Drug Co. of San Angelo took charge of the Smith Drug Stores No. 1 and 2 here Saturday, following purchase of the stock, fixtures, name and good will of the two stores. A. P. Holman, president of the Concho Drug Co. and Esker Smith, a brother of Rusty Smith of Ozona, and associated with the Concho Drug in San Angelo for many years, were here making arrangement to take over management of the local stores.

Crockett county voters will decide at the polls May 19 whether or not livestock of any kind shall be permitted to run at large anywhere in the county. The election will, in fact, be a double one, in that voters will mark two ballots, one on the question of whether or not cows, horses, Jacks and Jennets shall run at large, and the other affecting hogs, sheep and goats.

Ed. Note — Let's see now, this is summer number 6, isn't it? All brief but enjoyable, what?

Ben Robertson of Ozona has purchased the Harry Brown ranch in Terrell county, 40 miles east of Sanderson, it was reported here this week by Othro Adams. The property is well improved and in

fine condition following recent rains. It joins the Jim Mitchell, Walter Augustine and H. Q. Lyles ranches in that area.

Mrs. B. B. Ingham gave a farewell party in her home Wednesday afternoon honoring Miss Clea Mae Savage, who is leaving soon for Temple to enter nurse training at the Scott & White hospital.

Mrs. Joe Pierce, Jr., is the owner of a General Electric refrigerator purchased from Wilson Motor Co., local dealers.

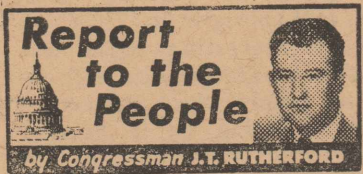

Mr. and Mrs. Tom Nolen and daughter, Josephine, were Ozona visitors Wednesday.

Mr. and Mrs. Scott Peters and Mr. and Mrs. Warren Clayton entertained the Sunflower Bridge Club at the Peters home Saturday night honoring Mr. and Mrs. Allen Robertson, newlyweds.

Mr. and Mrs. N. W. Graham left for Milano Monday night to be at the bedside of Mr. Graham's father, A. L. Graham, who is reported critically ill.

Miss Vivian Baggett is able to be out again after being ill Monday and Tuesday.

Mr. and Mrs. Boyd Cox were in from their ranch near Dryden this week.

Seldom Do You see the Congress drastically reduce an appropriation bill with the obvious relish it displayed in slashing the Department of Commerce budget.

Within two hours after the bill came up, the Members had ripped more than 217 million dollars (or a fantastic 25%) from the Commerce requests, completely closing one agency in the department and restricting activity of others. As House Members chopped at the requests with their sharpest knives, one almost expected Commerce Secretary Sinclair Weeks to run into the House Chamber crying, "Hold, enough!"

In a previous Report, I told you how Weeks, on nationwide TV said Congress could cut his department 50 million dollars (adding: "I dare them to") and how when the Appropriations Committee took him at his word, he pleaded for every cent originally asked for. Congress ultimately took the 50 million off and 167 more for good measure, bringing House reductions to one billion, 100 million with larger items yet to come.

Postmaster General Summerfield is holding a pistol to the head of Congress, telling the public to demand additional funds for his department or he will pull the trigger. Of the reaction received from West Texas thus far, most persons resent his tactics.

When Summerfield took over, he said he would operate the post office on "a business-like basis," and copied a regional office plan Canada had used for years. Shortly after he set up the plan here, Canada announced it was abandoning it as it was "too costly, too unwieldy and ineffective." Summerfield has bragged that the regional plan allowed him to reduce personnel in the Washington

Post Office Department headquarters from 1,900 to 1,300 persons. What he did not say was that the regional offices are now operated by 5,900 persons not required before. Box Score: Increase of 5,300 employees in this "businesslike" operation.

These additional employees are not letter carriers and others necessary to carry out the physical functions of postal service, either. They are in administrative positions: "chiefs" instead of "braves."

The Lighter Side: When the days work is done on Capitol Hill, many Members of Congress are fond of relaxing by getting together to swap "political stories," which may or may not have actually happened. One of my favorites concerns the two Congressional candidates who met in a small Kentucky town to debate the issues of their campaign before the largest crowd (43 persons) ever gathered there. The two candidates prevailed upon the doughty old local sheriff to introduce them, and so he told the candidates to be seated and then said to the audience: "I want to present to you a man who, above anyone, has the welfare of each and every one of you at heart. More than anyone I know, he is devoted to our county, our district and to the great and glorious state of Kentucky. He understands, as no other man, the complex problems of our nation; and I know of no other who is so expert in the field of foreign affairs, economics, education and taxation. . . then, turning to the two candidates he said in a voice audible in the back row: "Now, which one of you two polecats wants to talk first?"

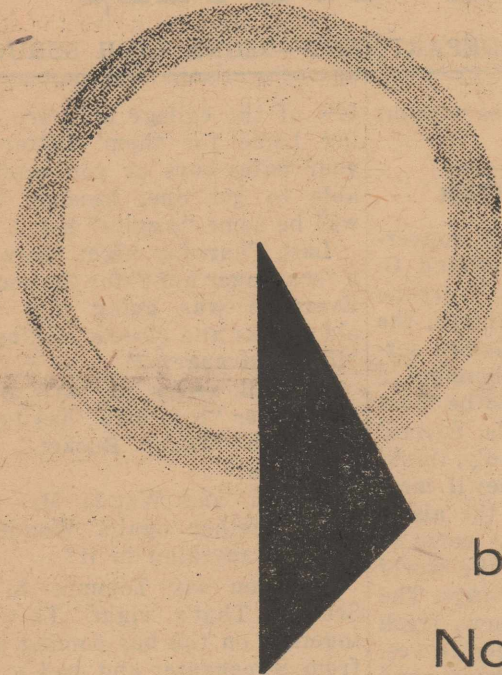

Trouble Over the Suez Canal proved very costly to Great Britain. England sent troops into the canal zone for a 47 day period late last year, and during that period had 22 men killed — about 100 wounded and spent 84 million dollars — almost 2 million per day.

Department of Pictures: Every eight seconds in the United States, a child is born. Every 21 seconds there is a death. Every two minutes a new Immigrant enters the U. S. to take up residence, and every 24 minutes a persons leaves

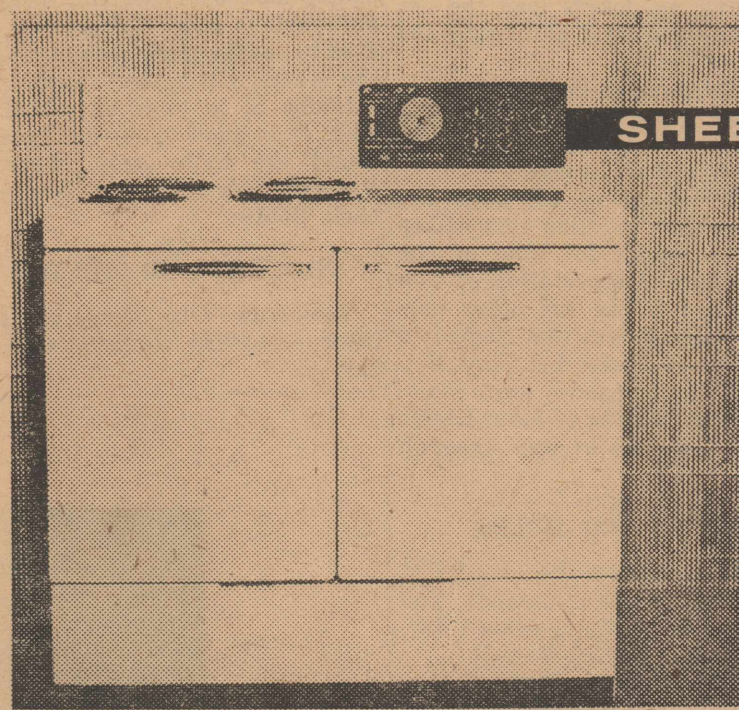

the U. S. to take up residence in a foreign country. Net gain in United States population: one per

son every 12 seconds, or five per minute, or 300 per hour, or 7,200 every 24 hours.

Olds Owner: That's nothing, wait'll you take a ride.

Neighbor: Man-oh-man, where'd all that power come from? I've never felt anything like that before!
Olds Owner: That's Oldsmobile's new J-2 Rocket Engine!
Neighbor: What's that? Tell me how it works.
Olds Owner: When you're driving under ordinary conditions, it uses only one carburetor. That means economy with a capital E. But when you need a sudden burst of power, for safety's sake, you just press the accelerator three-quarters of the way down—and two additional carburetors cut in!
Neighbor: In other words, with J-2, you can have economy when you want it and power when you need it. That's for me!
Olds Owner: Better see your Olds dealer. He's expecting you!

EDITORIAL:

When was the last time you drove down the street from the Silver Spur Motel to the football field? You probably saw small children playing in yards or in the edge of the street. What would happen if one of them darted into the path of your car? Could you stop in time?

In town the speed limit is 30 m.p.h. and 40 m.p.h. on a small section of the highways near the city limits. There is a reason for this speed limit: your protection and the protection of others. Television programs stress the importance of safety rules, as do the local police force or sheriff's department.

Let's be more careful and more alert — and slow down!

CHUCKLE CORNER

Mr. Leath: "Explain the manners and customs of the natives of Borneo."

Alleane: "They ain't got no manners and they don't wear no customs."

Coach Cleere: "At your age I could name all the Presidents — and in proper order."

Dartha Dee: "Yes, but there were only three or four of them then."

Woman (opening door of a refrigerator and finding a rabbit inside): "What are you doing in there?"

Rabbit: "This is a Westinghouse, isn't it?"

Woman: "Yes."

Rabbit: "Well, I'm just westing."

A LITTLE OF EASTER

Easter is the topic of conversation in every group around O. H. S. and around town. Everyone is excited about the holidays, the deep meaning of the Easter services, and new Easter bonnets.

Big white hats seem to be "just the thing" with the girls. Several have been comparing madly, thinking that just maybe they'll meet their hat coming down the aisle!

The Easter season has come to mean newness all over the world and in many different things. The trees have taken on a new, fresh look with their little green leaves. Lambs frolic in the pastures, and butterflies and birds enjoy the loveliness of flower gardens. Lawns have obtained their spring greenness, and picnickers load the car with kids and food and brave the last cool front.

The young man's fancy turn to — the time school is out. Due to a late Easter, this isn't far away. (Only five more weeks!)

Down inside, we all have the quiet religious meaning that makes Easter a wonderful time of the year. If our interpretation of this season is not like the other persons, it only proves that there is a belief for everyone. Let Good Friday and Easter Sunday mean something to you. Think of Jesus Christ and the torments he went through for us.

GUYS AND DOLLS

June is going to die of a "heat stroke" if she isn't careful. You never see her without Jesse's Jacket on. Be careful June!

Clayton seems very happy lately. It couldn't be because Joan is here could it Clayton?

Joan brought a friend with her for a visit. Her name is Susan Cave and she has made quite a hit with Johnny J. it seems.

Alma was seen with "Pappy" Estes Saturday night and Gwynel with Rod Monday night.

This is going to be a "wild" vacation beginning Thursday night. There are dances Thursday, Friday and Saturday nights. Quite a

few of the college kids are coming home for them. Better get your dates boys or you won't be able to get one, because there will be some "Aggies" home.

Last Thursday night there was a "scavenger hunt" for the seniors. Everyone was going into their old trunks and closets looking for "little scavengers."

Sally B. seems to have a new name. Her "true love" has tagged her with "Sugar Bucket." Isn't that cute!

Don L. and Wanda Mc. were seen together again. Wonder if there is anything to it?

Did you say Tommy S. and Scotty? That's right. They sat together on the bus coming home from Sweetwater and had a date to the drive-in the next night. Good to see you together kids.

There have been quite a few people sick with the flu, measles and various other things. We are glad to see the ones back and hope the others will be back soon.

Bobby S. is back in school again. It is good to see his face around the halls again, isn't it Frances. It's nice to have you back Bobby.

THOUGHT FOR THE DAY

Tomorrow: One of the greatest labor — saving inventions to day.

A TRIP TO CONCHO MUSEUM By CLASS REPORTER

Forty-three pupils and their teachers, C. V. Tubbs and Mrs. Cora Anderson, of the two fifth grades of South Elementary School did not let the misty cold weather interfere with their plans to visit Concho Museum April 12. The mist became rain but the spirits of the pupils were not dampened.

At Barnhart the driver, Mr. Tubbs, stopped the bus and allowed the children to get drinks and candy at a service station. They went on to San Angelo without another stop until they got to the Museum at about 11:45.

In one room, there was a printing press that the children were told was the first press on which the San Angelo Times was printed. They were also told that the press was the first press to be brought to San Angelo. In the room besides the press were several cases of guns which had been donated or loaned to the Museum by an old gentleman who is now ninety-six years of age. One table had a dozen jars, maybe more, on it that contained centipedes, a thousand leg, sand cricket, desert beetle, a tarantula, and other insects which were preserved in formaldehyde.

Another room had many mounted birds perched in various places. An eagle, some mallard ducks, several geese, a silver pheasant, and two or more kinds of hawks, also our state bird, the mockingbird. In the room with the birds was a large show case in which were displayed the eggs of some

of the birds. There was an ostrich egg which was several times as large as a turkey egg. Some nest of the various birds were also on display.

The mounted fish almost covered the walls of another room. The guide said that it took the fishermen approximately an hour to get the largest fish into the boat after they had caught it. The fish was between five and six feet in length. There were several kinds of fish on display.

In a glass case was a couple of mannequins dressed in an old fashioned wedding dress and suit. This case was the central figure in the room. Other cases contained old quilts with stitches so tiny that they looked almost as if made by a machine. A handsome doily covered a portion of one of the tables in the room.

Many old style radiois and phonographs were in a small room which was not open to the public. Through the glass door anyone could see an old Edison Amberola with its cylinder records and large horn shaped amplifier. One phonograph with its painted horn was not too large for a small child to carry away.

An old Steinway piano occupied a third of one room while in glass cases about the room were relics of World War I, firemen's hats and bells. One huge case had many shells of various sizes, shapes, and colors in it.

A very interesting room was the old fashioned kitchen with its fire place before which were some sad irons sitting as if heating

for ironing. The baby cradle and the mannequin dressed in a long sleeved high necked, floor length dress standing beside an old dasher churn of crockery, in one corner was a spinning wheel which no doubt has had many hundreds of yards of thread spun on it.

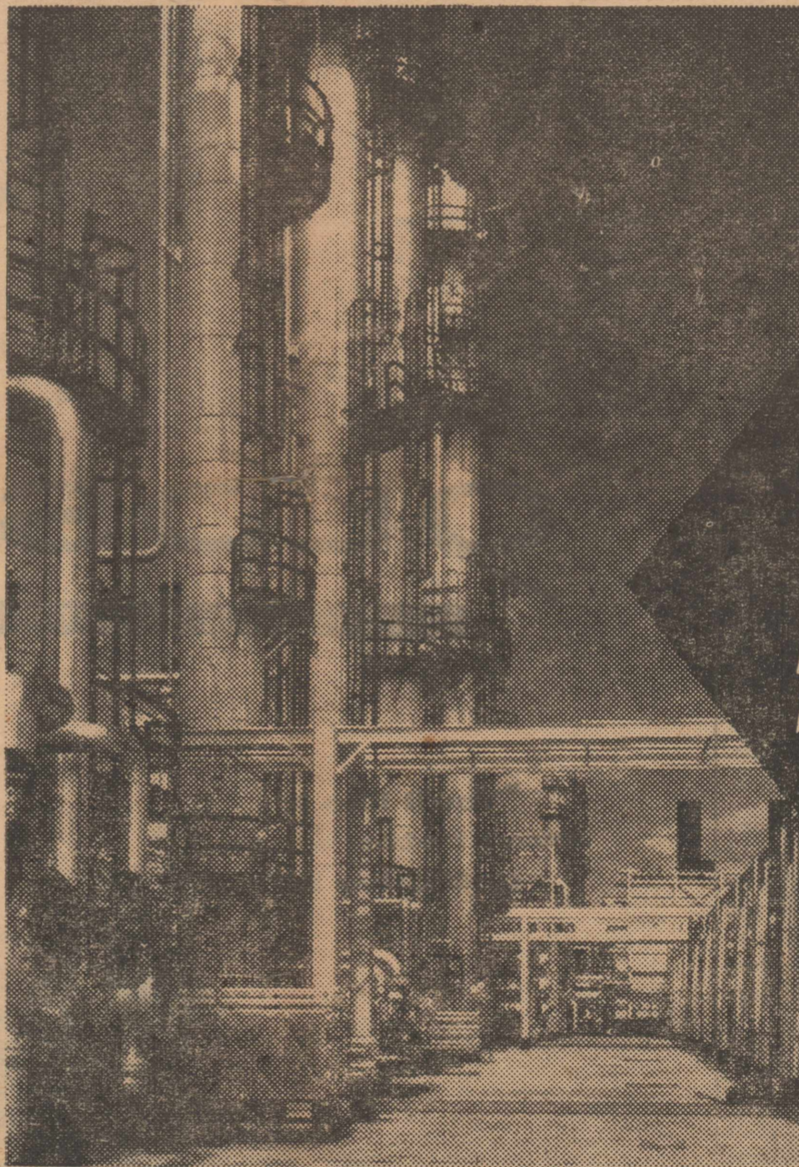

Ine one of the other buildings were many mounted animals. A snarling mountain lion which would measure perhaps seven feet from the tip of his tail to the tip of his nose, stood waiting for his prey to appear. A bob-cat crouched ready to spring upon some unsuspecting prey. Squirrels which looked as if pausing for a rest before continuing their frolic were on a rock ledge. A monkey hanging by each arm while sitting on another limb seemed to be laughing at the passersby.

The mountain sheep family consisting of mother and father sheep and a lamb were grazing, with unseeing eyes at any one who took the time to stop. There were buffaloes, bear, deer, longhorn, and other animals hanging upon the walls.

The Indian relics, stamps, and coins on display would make some collector of the various articles very happy and proud to be able to claim them for his private collection.

After spending about an hour in the museum the pupils returned to the bus and started the return trip. One stop was made at drive-in grocery so the students could buy drinks and candy to eat with their lunch which was eaten on

Miss Mary Mahan, J. G. Hufstедler Wed In Abilene Saturday

Abilene — Miss Mary Charles Mahan and J. G. Hufstедler were married Saturday in the home of the bride's parents, Mr. and Mrs. Carl Mahan.

The Rev. Francis Benton, pastor of First Presbyterian Church, performed the double-ring ceremony after music by Mrs. L. B. Sinclair and Ross Hufstедler, the bridegroom's father.

Miss Linda Mahan of Austin was maid of honor for her sister, who wore an empire-style gown of ivory peau de soie.

The bodice, above a bouffant skirt, was formed by a deep yoke of Alencon lace studded with seed pearls and stardust rhinestones. She wore an antique lace-linked lavalier and a gold bracelet belonging to Mrs. P. P. Shepard of San Antonio. On a white Bible, she carried a camelia with satin streamers.

The bridegroom, son of Mr. and Mrs. Hufstедler of Ozona, was attended by Joe Ross Hufstедler of Jal, N. M.

Following a reception in the home, the couple left for a wedding trip to Monterrey and Saltillo, Mexico.

Mr. Hufstедler, who served two years with the armed forces in Germany, is a graduate of high school in Ozona and Sul Ross State College. He also attended North Texas State College.

His bride did post-graduate work at Trinity University in San Antonio after receiving a degree from Texas Technological College, where she was a member of Zeta Tau Alpha Sorority. A graduate of Abilene School, she is teaching in Barnhart High School.
