Government Owes TV Cable Patrons Refund Of Taxes

Federal Court Rulings Void IRS Claims Of Tax Legality

A lot of Ozona people will get the word in the next few days that the government owes them money. And steps are being taken to collect it for them.

The money to be returned is that paid out by Ozona users of television cable service in federal excise taxes on this service, levied for a number of years under a ruling by the Internal Revenue Service.

Patrons of the Ozona Television System, which installed the community antenna and cable system nearly three years ago, have been paying an 8 percent federal excise tax on their installation charges and monthly service charges.

Through efforts of the local television service company and its national Association of cable service operators, suits were brought in federal court to test the application of the tax to this type of service. Two federal appeals courts ruled against the government and the Internal Revenue Service rescinded its ruling that the TV cable service was subject to the tax.

Subscribers to the local cable service will be entitled to make application for refund of all taxes paid. Forms are now being prepared for mailing to each subscriber stating the amount of taxes paid. Each subscriber may file his own claim or the local system will file for him in one claim application.

In addition to the refund of taxes paid, subscribers will get another break in that the monthly charges will be reduced by the amount of the tax, 40 cents in the case of those owning permanent installations and 80 cents for those with temporary connections. The permanent connection fee will be reduced by about \$10.

Ozona Teacher Member Of Billy Graham Staff In New York Crusade

Miss Lola Mae Daniel, first grade teacher in the North Elementary school here, returned last week to be ready for school opening here Tuesday, and with a rich background of experiences during the summer vacation months.

For eight weeks this summer Miss Daniel was a member of the staff of the Billy Graham New York crusade and had other interesting experiences and travels during the summer.

While working as a member of the Billy Graham staff, Miss Daniel operated a Flexewriter, which makes tapes for radio broadcasts, these being sent to Minneapolis. She also sang in the 1500-voice choir and did counselling after the night services.

Miss Daniel, whose father was one of the well-known Baptists preachers in Texas for many years, found this a most rewarding experience, she said.

Among other interesting experiences of the summer, Miss Daniel attended the Southern Baptist Convention in Chicago and was also a delegate to the National Education Association in Philadelphia.

After the Southern Baptist Convention, she flew to California and spent a week with relatives at Lakeside, flew on to Dallas where she met a group of friends and the group went to Richmond, Va., Williamsburg and Jamestown and Yorktown festival, spending a week there before flying on to Washington, D. C., for a three-day visit. After the NEA convention, she rejoined her group in New York City.

Mrs. E. H. Gallenkamp and son, Harry, of Houston, have been guests this week of Mr. and Mrs. J. B. Miller and family. They also visited the Dar Whittenburgs in Fort Stockton.

Programs Planned By Local Teacher Association Unit

New Officers, Committees Named By Ozona TSTA Unit

A series of interesting programs has been planned for the school year by the local unit of the Texas State Teachers Assn., which held its opening meeting of the new school year on the first day of school.

New officers of the unit, elected last spring, were installed in their respective offices at the opening meeting. Mrs. Ted M. White, English teacher in Junior High School and a veteran of 20 years teaching experience, 14 of them in Ozona, is the new president of the unit. Mrs. White, who took her B. A. Degree from Daniel Baker College and her M. A. in 1956 from Sul Ross State College, is a life member of the National Education Assn., and a member of the Texas Association for Improvement of Reading.

Other officers of the local TSTA unit are Frank Janes, first vice president; Ernie Boyd, second vice president; Miss Jean Powers, secretary and L. B. T. Sikes, public relations.

Committee chairmen have been named as follows: Program committee, Frank Janes; membership, Mrs. Byron Cleere; social chairman, Mrs. Lowell Littleton; legislative chairman, Vernon Harlan; teacher education and professional standards chairman, Mrs. Clyde Shahan.

Officers of the local unit plan to attend a District II Workshop to be held in Brady September 14.

The unit meets every six weeks during the school year, the meetings coinciding with local faculty meetings. Programs for the year have been outlined by the program chairman and will include several outstanding films on educational subjects. L. P. Sturgeon, representing the state office of the Texas State Teachers Association will visit the unit at its meeting on November 5, it was announced.

Ozona Wool & Mohair Moves To New Quarters City's Largest Bldg.

Ozona Wool & Mohair Co. is completing this week the moving of its office equipment and stock of ranch supplies to its newly completed warehouse building at the south edge of Ozona, Beall Barbee, owner, announced yesterday.

The wool company is moving into its new 17,000 square foot building and henceforth will receive wool and mohair at the new location, Mr. Barbee said, and will maintain offices there. The old location at the downtown highway intersection will continue to house the present accumulation of wool and mohair until it is sold, Mr. Barbee said, but the new fall clips will be stored in the new building.

The new warehouse is 100x170 feet of storage space with another 900square feet of office space in a separate room. The building is of concrete and tile with the office unit of brick.

Thunderstorms Are Just That In Ozona Area, Showers Cool

While many areas of West Texas received bountiful rains in spotted areas from thunderstorms which bloomed up over many parts of Texas for two days in a row early this week, Ozona and immediate area profited only by the cooling effects of light showers and the blotting out of the sun by the menacing clouds.

A light shower cooled off the city late Monday and again Tuesday afternoon and evening, thunderstorms bloomed up on all sides and the thunder rumbled and lightning crackled but only a light shower fell here. Heavy rainfall was visible to the northwest and northeast, with the Big Lake area and Eldorado reporting good rains.

Methodist W.S.C.S. Entertains At Coffee

The Woman's Society of Christian Service of the Methodist Church met Wednesday morning at the church for a coffee honoring Methodist women of the city. Each officer of the Society had a display table of the literature of all work and studies of the Society.

Circles of the Society will meet next Wednesday in program meetings, starting at 9:30 a. m. The Gleaners will meet with Mrs. Ele Hagelstein and the Willing Workers with Mrs. W. D. Cooper.

Those attending the coffee Wednesday morning were Mes. W. D. Cooper, W. W. Mills, N. W. Graham, O. D. West, H. B. Tandy, J. S. Pierce, III, Dick Henderson, S. M. Harvick, Leroy Russell, Joe Pierce, Jr., Floyd Henderson, Paul Perner, R. A. Harrell, Ewart White, Bailey Post, L. B. T. Sikes, G. A. Gibbs, Charles Williams, Sr., Matt Fox and L. B. Cox, III.

Near 200 Boys And Their Boosters At Annual Grid Feed

Pete Shotwell Speaker At First Meeting For New Booster Club

Nearly 200 men and boys, members of the 1957 Ozona High School football squad and their boosters, the men of Ozona, met at the high school Tuesday night in the first such undertaking under the sponsorship of the newly formed Ozona High School Lions Booster Club, an organization of men dedicated to promoting the fortunes of OHS football and avowed backers of the boys and their coaches in the coming campaign.

It was the sixth such fall banquet to honor members of the grid squad, their dads and coaches, the barbecue suppers in the past sponsored by the now defunct Crockett County Sheriff's Posse.

Pete Shotwell, one of Texas' outstanding football coaches, now athletic director at McMurry College in Abilene, was the featured speaker and the evening wound up with the showing, one of the first in the state, of the High Lights of Southwest Conference football, 1956 season, produced by the Humble Oil & Refining Co.

Coach Shotwell, former coach of the perennial Abilene High School champion football team, and at Longview High School, made a fine inspirational talk to the boys in the audience, on the theme "What It Takes to Become a Champion." Only a thoroughbred can become a champion, the speaker said, and he selected an attribute represented by each letter of that word to outline the qualities needed to become a champion.

An added bit of rare entertainment, a professional type rendition of several accordion numbers by Howard Boice of Waco, salesman for a Waco sporting goods store who just happened to be staying overnight in Ozona and played a borrowed instrument.

C. O. (Lefty) Walker was elected president of the new Booster Club and Oscar Kost was named secretary in a brief business session following the program. Memberships in the new organization are still open to any man in Ozona interested in high school athletics. Membership fee is \$2 a year, the funds to be used in staging the annual barbecue supper for the team and other activities which may be decided upon during the season. Club members have been invited by Coaches Pete Hickman and Sonny Cleere to view the films of local games as they become available later in the season.

Ozona Garden Club Outlines Program For Year In Business Meet

Material for the 1957-58 year book and projects for the new year were approved at a called meeting of the Ozona Garden Club Wednesday afternoon in the home of Mrs. Bailey Post, president of the club.

The regular fall program of the Garden Club will begin October 2 with a "Golden Age Tea" in the home of Mrs. Joe Clayton, the membership was advised.

Recent visitors in the home of Mrs. Post were Mrs. Grady Bawdry of Stamford, former Governor of District 8, Texas Federation of Garden Clubs, and the present District Governor, Mrs. E. G. Thornton of Olney. These officers were returning from Del Rio where they went to dedicate a Blue Star Memorial Highway.

Present for the business meeting were Mrs. Bascomb Cox, Mrs. John Childress, Mrs. Charles Williams, Mrs. Joe Clayton, Mrs. J. E. Miller, Mrs. Sherman Taylor, Mrs. D. B. Pettit, Mrs. Jack Wilkins, Mrs. Floyd Henderson, Mrs. Joe Pierce, Jr., Mrs. Victor Pierce and Mrs. Paul Perner.

Dr. McIntire Wounded By Accidental Gunshot

Dr. F. T. McIntire of San Angelo, former practicing physician in Ozona, suffered a gunshot wound in his right ankle when a rifle was accidentally discharged at the McIntire place on the old Christoval road at San Angelo. The rifle fell from a rack in a storeroom, the bullet shattering the physician's ankle.

Mrs. W. P. Barnes, a neighbor, heard the shot and called an ambulance when she discovered Dr. McIntire had been wounded. He had applied a tourniquet to his leg above the wound and is reported in good condition at the Shannon Hospital in San Angelo.

Attendance Good At Baptist Revival Meet In Progress This Week

Good crowds are attending each service of the revival meeting now in progress at the First Baptist Church, Rev. Troy Dale, pastor, said yesterday. The morning services are at 10 o'clock and the evening services at 8 p. m., with Dr. M. B. Carroll of Henderson, Texas, one of Texas' outstanding evangelists, doing the preaching.

Sam Allen, who is directing the song services and leading the youth work, will present a sacred concert of songs from 6:30 to 7 o'clock Sunday evening, the closing night of the revival. Rev. Dale announced. Mr. Allen, a former collegiate track star and holder of many records in high hurdles, has for several years been engaged in revival music and youth work throughout the southern states. He has a fine voice and the entire community is extended a special invitation to hear him in the concert Sunday night. Rev. Dale said that he and other church leaders were especially proud of the fine attendance each morning at the youth breakfasts and programs at the church, starting each morning at 7 o'clock.

Public Schools Enrollment Gains 62 Over Last Year

North Elementary Up 49 Pupils; Only Loss In Junior High

Ozona Public Schools first day registration figures show a net jump in enrollment of 62 pupils over the first day figures of a year ago, Supt. L. B. T. Sikes reported yesterday.

The total enrollment in all schools this year was 937 pupils, against last year's total of 875.

Gains were registered in each school except the Junior High whose enrollment was 10 pupils off from last year. The heaviest increase was in the North Elementary school which gained 49 over last year's starting total. High school gained 5 pupils, the South Elementary 13 and the Lockett colored school gained 5.

The first day enrollment by grades: High school: 12th grade, 25; 11th, 36, 10th, 63, and 9th, 53. Total, 177. Junior High: 8th grade, 70; 7th grade, 60. Total, 130.

North Elementary: 6th grade, 41; 5th, 50; 4th, 57; 3rd, 54; 2nd, 40; 1st, 61, Kindergarten, 57. Total, 360.

South Elementary: 6th grade, 41; 5th, 37; 4th, 20; 3rd, 32; 2nd, 40; 1st, 51; Kindergarten, 18. Total, 239.

Lockett. Total enrollment, 31.

Lions Open 1957 Season Fri. Night Against Big Lake

Owls, With Size Advantage, Rated Two TDs Favorites

By Ernie Boyd

The Ozona Lions will open their 1957 football season in Big Lake Friday night with the Reagan County Owls, who will be two-touchdown favorites.

Kickoff for the contest is slated for 7:30 with the contest being the first of the season for both clubs.

As was the case last season the Owls will boast a huge size advantage over the Lions but it is not expected that the Owls will be able to win as handily as they did last year when they scored at will during the last two periods to chalk up an easy 46 to 19 win.

After two hard scrimmages Saturday and Tuesday, the Lion coaching staff got a better look at the 1957 prospects and observers felt that the Lions could be in for a good season but might not be ready for a top effort this week.

The Lions will have two top flight ends in Jerry Jacobs and Jake Young. Young was all-district last season but shows promise of having improved greatly, on offense in particular.

Jerry Jacobs, playing his first year last year, shows promise of having developed into a first class end that could give the Lion offense the best pair of ends in the area.

At tackle, Rod Franklin, B. B. Ingham, Mark White and Johnny Cooper along with Leslie Delaney seem to put the Lions in a better position at this critical point than was the case last year.

The guard situation may turn out all right if everyone remains healthy but injuries here could hurt. Billy Bob Holden is a first class performer and Kenneth Deland and Adolph Rivera are doing well. Jesus Ramos, who lettered at guard last year, had not reported to practice and is not in town.

At center, B. B. Ingham and Cooper seem capable and could get big help from letterman Rod Franklin with some positions exchanges which would not affect the team a lot. Soph Robert Rodriguez is a reserve at both tackle and center and is showing great promise.

The backfield is causing most of the headaches but does not seem to be in the position of being desperate. Stanley Williams at quarterback is a senior letterman and with a year of experience seems to be ready this season. At halfback, the Lions have Bobby Sutton, a proven star.

At fullback, Humberto Cervantez and Dizzy Reeves are both light and lack experience, but both have the potential of becoming good backs. At the remaining halfback post, David Sikes and Ronnie Paulk will get help from the unused fullback.

As was the case at the fullback position and the other halfback post there is no weight. Sutton at about 157 is the heaviest back with Cervantez being a close second.

In discussing weight, however, it might be pointed out that it was Carpenter, at 159 pounds who scored all of Abilene's points and (Continued on Last Page)

Reserved Seats Still Available In Stadium

Reserved seats are still available in Lions Stadium for the coming football season, Supt. L. B. T. Sikes announced yesterday.

Three sections of the newly enlarged grandstand were placed in reserved section this year to accommodate fans who wish to have a seat assured for each home game. All of the reserved seats are between the 40-yard lines. Season reserved seats for the five home games are priced at \$5, or at the regular admission price of \$1 per game.

WELL OUT OF IT

In his rebuke to the USSR for the "scornful words" of its emissary to the London disarmament conference, Valerian Zorin, in rejecting the West's five-point disarmament package before the gift-wrapping was completed, President Eisenhower displayed a righteous anger that is understandable, and a depth of regret that is not. It should be recalled that a matter of hours before the 90 minute Zorin blast in London, Moscow announced the successful test-firing of a 5,000 mile intercontinental ballistic missile, and followed this news with threats that the West had better meet the USSR "half-way" and that the rocket had shattered the US "delusion" that it could defeat Russia at arms.

After noting the Zorin attack on the sincere efforts of Canada, France, United Kingdom and US to present "a rounded and interdependent first-stage proposal," and the Reds' coincidental "boastful statement" on the ICBM, the President declared: "It would be tragic if these important first-stage proposals, fraught with such significance for the peace of the world, were rejected by the Soviet Union even before they could have been seriously studied and before the Western presentation is complete. Such a Soviet attitude would condemn humanity to an indefin-

ite future of immeasurable danger."

Now, the Western presentation has been completed — and has been rejected out-of-hand. After five futile months, humanity turns its gaze from London back to that "indefinite future of immeasurable danger." The outlook is unchanged; no better, and but little if any worse.

What would have been worse — disastrously worse — would have been to reach an agreement with the Kremlin that would have disarmed the West. There was never any chance of achieving any other kind.

If they had been less arrogant, the Reds could have made much bigger fools of us. We have been saved by their insolence.

"AGONIZING REAPPRAISAL" NEEDED

Writing in Newsweek, Henry Hazlitt says that "There is no economic problem whatever to stopping inflation." But, he goes on, to stop inflation . . . would involve not only courage in the monetary field but an agonizing reappraisal' of the labor policy of the last 25 years that neither the Republicans nor the Democrats, as a party, have the courage to make."

What has happened is that increases in the cost of labor — that is, in wages, fringe benefits, etc — have far outrun increases in the productivity of labor. When that happens, business has no choice but to raise prices if it is to keep from going broke. And inflationary labor costs are the result of labor monopolies created by virtue of the unions' freedom from the anti-trust and other laws which apply to everyone else.

Senator J. Strom Thurmond's record-breaking 24 hour and 22 minutes one-man filibuster was, he said, to protest the Civil Rights bill as "unwise, unnecessary and unconstitutional." Within two hours of giving up the floor, the measure was passed, 60 to 15. If what may well be the last filibuster changed a vote, it was not

apparent. But the Congress and more particularly the whole people, north and south, have now to learn at leisure that the new act is "unwise and unnecessary" and to pray that it may be found "unconstitutional."

THREAT TO FREE SOCIETY

Publisher Norman Chandler of the Los Angeles Times and Mirror-News has said that "big labor" doesn't disturb him as an employer — but it does disturb him as a threat to free society.

Mr. Chandler then made a series of proposals. One is that big labor be brought into legal line with the rest of American society, and be treated the same by the law. Another is to make all unions "free associations" — which simply means that no man be compelled either to join or not to join. Another is that the union should be subject to the anti-trust laws, which apply to all other organizations.

Mr. Chandler's proposals are in no way extreme. They would simply put labor on the same legal basis as everything else in this supposedly free country. And what reasonable argument can there be against that?

Mrs. George Bunger, Jr. . . .nee Miss Wanda Armstrong

Miss Wanda Armstrong, George Bunger Jr. Wed In Ceremony At First Baptist Church Friday

Wearing a gown of white Irish silk, fashioned with bateau neckline and lace-paneled bouffant skirt, Miss Wanda Armstrong exchanged wedding vows with George Louis Bunger Friday in First Baptist Church.

She also wore a fingertip-length veil held by a pearl and sequin halo and carried a phalaenopsis orchid and stephanotis on a white Bible.

Parents of the spring graduates of Ozona High School are Mr. and Mrs. T. W. Armstrong and Mr. and Mrs. George Bunger. The bride has been local and district FFA Sweetheart and Most Beautiful

Girl of OHS, where she was also cheer leader.

The bridegroom was elected Most Popular Boy in 1957 and was junior class favorite the previous year. He has been football and track captain and has received the Mother Davidson award in 4-H Work.

The bride's father escorted her into the church, where the Rev. Troy Dale officiated at the ceremony. Maid of honor was Miss Peggy Moore, and bridesmaids were Miss June Bunger, sister of the bridegroom, Miss Alleane Young, his cousin, Miss Calene

Fussell of Big Lake, and Mrs. Jerry Beasley, Thomas J. Armstrong, brother of the bride, was ring bearer.

Benny Friend served as best man, and groomsmen were Jackie Young, cousin of the bridegroom, Jerry Beasley, Erby Chandler and Carl Conklin.

Pre-nuptial music, including traditional marches, was played by Mrs. Troy Dale, church organist. Mrs. Vernon Rogers was soloist. A reception followed the ceremony in Fellowship Hall of the church.

Mrs. Welton Bunger, Mrs. Joe North and Mrs. Jake Young, all aunts of the bridegroom, served. Miss Camille Adams was at the bride's book. Others in the house party were Mrs. Annie Bell of Colorado City, grandmother of the bride, and Mrs. C. J. Sanders, Colorado City, an aunt of the bride, and Misses Ann Baggett, Carol Friend, Lou Nell Beall and Suzanne Dale.

After a short wedding trip, the couple will live in Austin, where they plan to attend the University of Texas.

Mr. and Mrs. George Bunger, parents of the bridegroom, entertained the wedding party with a rehearsal supper at the home of the bridegroom's grandparents, Mr. and Mrs. Roy Henderson.

Sno - White Laundry, operated by Mr. and Mrs. J. T. Carroll, has moved into its new home, a building just completed a half block south of the Gulf Service Station. Mr. and Mrs. Carroll invite all their customers and friends to visit their new location and examine the equipment available for laundry service.

Congressman Rutherford Receiving Applications For Service Academies

Congressman J. T. Rutherford has announced he is receiving applications from young men in the 16th Congressional District of Texas who are interested in possible appointments to the United States Air Force Academy, U. S. Military Academy (West Point), and the U. S. Naval Academy.

Interested young men should write to Congressman Rutherford Room 1608, New House Office Bldg., Washington, 25, D. C. and specify which of the academies they are interested in. Each young man will then be given an opportunity to take a competitive exam for his particular academy sometime in November. Rutherford said the time, location and date of the competitive exams will be announced at a later date.

"The appointments will be based solely upon the results of the competitive exams," Congressman Rutherford said. "This will assure us that the academies will get the best qualified young men, and will

WELCOME

Teachers & Pupils!

Your brief summer vacation has at last come to an end and you are back in the classrooms for what we hope will be nine pleasant months of learning and teaching.

To us, the townsfolk, it has been a rather long and dull summer without the activities of school and we most heartily welcome all of you back. We know you, the teachers, are glad to be back at work with the youngsters and although few will admit it, we believe most of you students are glad to be back among your friends and working toward shaping a place for yourself in life.

All good luck to pupils and teachers, to the school administrative personnel and to our athletic teams in the new school year.

And welcome, all, to our store.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 6, 1928

Crockett county schools opened Monday with a considerable increase in enrollment in each school. The total increase in enrollment of schools throughout the county is near 100. The total enrollment in all schools is 368.

Hope that the opening of the Ozona schools next year would take place in a new building, thus relieving the crowded conditions existing in the schools this year, was expressed by Supt. John L. Bishop in a talk at the school opening exercises Monday morning.

Rev. W. R. Swinney of Hobart, Okla., arrived Saturday to become pastor of the Ozona Church of Christ. He succeeds Rev. Walter Cook, who will take the pastorate at Hobart vacated by Rev. Swinney.

Weighing out at an average of 81½ pounds, muttons lambs from W. J. Grimmer's flock took top place in averages for the year when they were weighed at Barnhart this week. Mr. Grimmer had 400 head in the shipment. A small bunch of lambs belonging to Mrs. Chas. E. Davidson took second place with a weight of 80½ pounds.

Invitations have been received by friends here to the wedding of James Lowell Littleton of the Ozona National Bank to Miss Lucille Hardberger of Lubbock which will take place at the First Baptist Church in Lubbock Monday morning, Sept. 10, at 9 o'clock. Miss Hardberger is the daughter of Mr. and Mrs. R. E. Hardberger, prominent family of Lubbock. Mr. Littleton came here several months ago from Abilene to accept a position in the Ozona National Bank.

Fermin Aguirre, Ozona merchant and ranchman, has purchased a 10,000 acre ranch from Hal Hamilton near Pumpville. The consideration was reported to be \$5.80 per acre. Aguirre last week purchased 2,000 head of ewes from J. E. White of Del Rio at \$10 per head.

Mr. and Mrs. J. Bert Kincaid will move next week to their new home in Fort Stockton. Mr. Kincaid is stocking a 30-section ranch which he recently purchased 18 miles south of Fort Stockton.

Texas Press Association

Austin, Texas — Students are trooping back to school for another year of readin', writin' and 'rithmetic.

But the knottiest school problems are not in the math books.

For parents the problem is the high-cost-of - practically - everything. Tuition at state colleges has doubled. Even the parents of first graders are wincing as they add up the "outfitting" bills. Cost of blue jeans, plus crayons, plus lunch money, takes an ever growing bite out of most family budgets. Many mothers will go back to work this fall to help balance the income-outgo equation.

On a bigger scale, school agencies and administrators have the problems of the "old woman who

lived in the shoe." They have so many children they don't know what to do. Their problem of trying to balance school facilities against school needs is complicated by the fact that one side of the equation — needs — keeps on growing.

Some 1,885,640 children are expected to enroll this month. That

is 70,000 more than last fall. To keep the education mills grinding, Texans will spend an estimated \$526,000,000 this year. It's twice as much as was spent eight years ago. Local districts are pouring some \$40,000,000 into new buildings this year.

Show down on Water — It's now or never for Texans to solve their water problems in an orderly manner.

This, in effect, is the attitude of Gov. Price Daniel as he sets the wheels in motion for a "big push" this fall.

First attack will be by a 100-person statewide water planning committee appointed by the governor. It is to meet in Austin beginning Sept. 9, to develop planning and leadership for a master plan for water conservation and flood control over the state. Committee members include civic leaders and persons interested in and acquainted with water problems from all parts of the state.

They'll also be asked to help plan future water legislation and develop support for the proposed constitutional amendment that would provide a \$100,000,000 bond issue for water projects.

Second phase of the governor's plan is the special legislative session to pass needed additional laws. Target date for the session still is October, the governor has indicated.

Two pieces for water legislation are proposed by Governor Daniel: (1) Creation of a state water planning division to draw up a master plan and (2) a law en-

PREPARES TO COMBAT FLU — U. S. Surgeon General Leroy E. Burney met with representatives from 13 major health organizations in Washington to map plans for combatting a possible epidemic of Asiatic flu in this country this coming fall and winter.

bling the state to purchase water storage space in federal reservoirs (a measure which failed last session).

Planning division probably would cost from \$500,000 to \$1,000,000 says Daniel. This can be obtained, he says, from special funds appropriated, but not used for other purposes.

If Texas doesn't face the responsibility for its water planning itself, declared the governor, the federal government will take over with a "take it or leave it" plan.

Greenhill Appointed — Joe R. Greenhill of Austin will become an associate justice of the State Supreme Court on Sept. 30.

Greenhill was appointed by the governor to replace Judge Few Brewster, who is resigning because of ill health. A former Houstonian, Greenhill, 43, will be the youngest judge on the high court.

He is a former assistant attorney general to Daniel and was the governor's campaign manager in '56. Daniel termed him "one of Texas' ablest lawyers."

More Errors Found — All the excitement over moving the State Insurance Department out of the International Life Insurance Co. building in Austin was for naught.

Atty. Gen. Will Wilson has ruled invalid that part of the reorganization bill which ordered a new building.

Wilson says the bill was improperly drawn.

Most are Sound — Most Texas

insurance companies are strong. So said Judge Penn Jackson in his first public speech since becoming chairman of the Board of Insurance Commissioners.

But, he added, "a smaller number are losing ground and may or may not be able to survive."

Outdoors business is picking up rapidly right now. When the weather begins to get a little cooler conditions will be exactly right for bass. The hunters have already started on doves, with open season on other game coming along soon.

Let's talk about fishing first. Although a lot of fishermen take home full strings in Summer, it's pretty generally agreed that Fall is a better time, for several reasons.

In cooler weather, fish are inclined to move around more. That takes more energy, and the fish therefore are prompted to do more feeding.

Thus, in Fall, the bass are hungry and their normal sources of food are apt to be somewhat scanty. So they look with favor on your minnow or plug.

Old timers in the bass fishing game have started already, as a matter of fact. Their top-water lures dusted off and hooks sharpened, they may be seen at daylight these mornings and late afternoons, moving along slowly in their boats, tossing plugs or flies along the edges of weed bed, under willows, close to stumps and rocks.

Such a procedure is calculated to pay off, especially when that change in weather comes. Want advice? Try just before and just after the first norther.

Those Old Cats

Catfishing has been the best bet for most anglers during the summer, and in many lakes and streams, the trotline operators have been highly successful. Catfishing is good in Texas the year round. Here's a fish that responds readily to almost any bait, offers excellent sport to the still fisherman, and affords a tasty dish for the table.

A word about carp. This fish was imported from Europe many years ago. There, it was and is considered a delicacy. Taken handily in most Texas lakes and streams, the carp is a valiant fighter, and he comes in king sizes. Rig your line with a nylon leader,

and tie your sinker so the fish won't feel tension when he samples the dough bait. Let him run with it and then strike — hard.

Now about coastal fishing — the outlook is excellent. Back in 1951 there was a freeze that killed many game fish. But now, the

young have had time to mature. Indication of good salt water fishing came in the Summer, when many anglers returned with record catches of trout. In numbers and in size they were better than they had been for years.

Nine-pound trout were captured. A pair of Austin anglers, Steve Eichelberger and Eldon Powell, took 229 specs, weighing 394 pounds, in 3½ hours from the intercoastal canal near Austwell. The fish took shrimp as long as the supply lasted, then they hit spoons.

That was the biggest catch ever made by two fishermen, as far as the boatman knew.

Come Fall, there will be more

catches of trout, and the redfish will start striking. When it gets a little cooler, the sheepshead will be active.

Plenty Of Birds

Dove hunters know that the supply of these birds is abundant this season. Spring rains caused the cover crops to grow well. Rains during the season will cause the birds to scatter, and cold weather will inspire them to migrate south-

ward, but all considered, the dove hunting prospects are superb.

The same applies to quail. Not only has there been a good normal hatch, but landowners have contributed by adding to the supply.

Hunters Get Ready

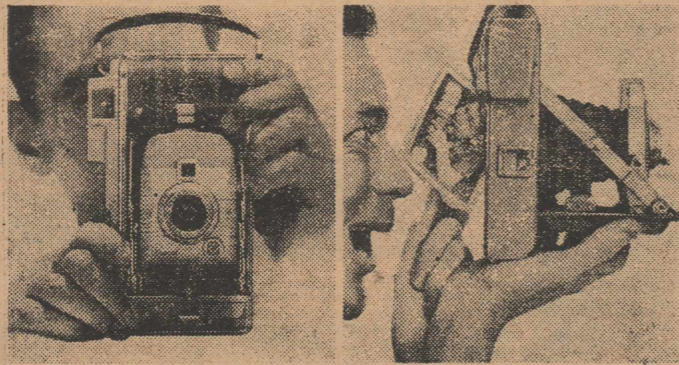

Range is good for deer and antelope, as a result of spring rains and the hunters are getting that look in their eyes. Unquestionably, there will be a fine deer harvest

this season.

Turkeys abound, too, but there has been a reduction in limit in some counties. And that statement calls for a warning: Check local regulations before you go hunting, because county laws vary widely.

From Canada, the news is that there has been a fine season for the duck and goose hatch. These birds will be in Texas when wintry winds blow.

New Chevrolet Bel Air Sport Coupe with spunk to spare!

Great to have — and only Chevys got 'em!

Chevrolet's the only leading low-priced car with any of these advances — the only car at any price with all of them!

BODY BY FISHER. You get more to be proud of in Chevrolet. No other low-priced car is quite so beautifully or substantially built down to the last detail.

SHORTEST STROKE V8. This helps explain Chevrolet's smooth and lively V8 ways. Short-stroke design also means less piston travel, longer engine life. Here's

super-efficient power with plenty of vim and vigor!

STANDARD BALL-RACE STEERING. Chevy's Ball-Race steering gear mechanism is virtually friction-free! That means easier parking, surer control, more relaxed driving.

POSITRACTION REAR AXLE.* When one rear wheel slips in mud, snow or ice, the wheel with the traction grips for sure going!

TRIPLE-TURBINE TURBO-GLIDE.* The silkiest automatic drive anywhere! You move from

standstill to top cruising speed in one gentle stream of motion. Special "Grade Retarder" position saves braking on hills.

P.S. Chevy's got the big "details," too! See all the exclusives at your Chevrolet dealer's!

WE ARE MOVING To Our New Building

We are completing this week the moving of our office and stock to our new building in South Ozona, across from South Texas Lumber.

Hereafter we will receive consignment of wool and mohair in the new warehouse. Wool and mohair now in storage at the old location will remain there until sold.
