

Heaviest Snow In Years Blankets West Texas Area

Range Soaker Parting Gift Of Waning Winter To Texas

One of the biggest and wettest snows in many years blanketed a large segment of West Texas last week.

Estimates placed the area fall from eight to ten inches in depth, with the Ozona area receiving a pretty good rain ahead of the ultra wet snow.

What with the terrific dust storm of a week earlier preceded by almost mid-summer temperatures the day before, followed by the snow, which fell during an almost constant temperature of 32 degrees, but followed by a low the next morning of 24 degrees, the short month of February has already offered about all there is in the weather category.

Ozونا kids were delighted Friday morning to find the ground covered to a depth of nearly eight inches, and with a snow wet enough to provide some dandy snowballs. Although buses didn't run to the country areas because of dangerous roads, schools held classes as usual Friday.

With the ground already soaked with previous moisture, the snow and the resulting soaking by slow melting, ranchmen report pastures boggy and in the finest condition in years to welcome new spring growth. Warm weather is all they ask now to start weeds booming and grass growing as soon as winter bows out.

Ozونا Junior Hi Cubs Win District Title In Tourney

Three Wins In A Row Clinch Dist. Title In Meet Here

By Ernie Boyd

Coach Bill Lewis' sharp shooting Junior High basketballers walloped three foes Saturday to take the district 8-A title without much competition in the District tourney held here.

The high scoring Juniors had to go the hard way to accomplish the mission, however, as the uneven number of teams in the district forced the winner to play three games.

Rodney Stewart scorched the nets in the morning contest with Big Lake as Ozona fashioned an easy 50 to 35 win over the Reagan County team.

Big Lake jumped into a 9 to 2 lead in the first quarter before the smoldering Ozona team caught fire and scored the next 16 points in the contest and then steadily pulled away until reserves took over in the second half.

Stewart hit for 29 points to lead all scorers and out produce the whole Big Lake team until reserves finished out the contest.

Junction downed Sonora 25 to 15 in another first round game as Robert Neal scored 19 points for Junction. Neither team showed a great deal of poise in the contest with Sonora's shooting seeming to be well off their normal point production.

The Ozona Cubs, having played one game, once again got top scoring from Rodney Stewart who dumped in 18 points to lead the Cubs to a 45 to 33 win. The game was not very close but the Cubs at times coasted with the constant big lead they maintained.

In the Saturday night finals the Ozona team walloped Junction 33 to 14. The Eagles' top shooter fell and broke a wrist in the contest but even then the Junction team was trailing 15 to 1 and it was apparent the Cubs were on their way.

Leroy Cooper led the Ozona team with 14 points followed by Cristoval Martinez and Joe Jacobs. Martinez and Paul Perner led the Cubs in rebounding and defensive play in the final contest.

Mrs. Taylor Word To Head Ozona Woman's Club As President

Mrs. Taylor Word was elected president of the Ozona Woman's Club at the club's recent annual meeting to elect officers for the next two years.

The meeting was at the home of Mrs. J. B. Miller with Mrs. L. B. Cox, Jr., and Mrs. Roy Killingsworth as assisting hostesses.

Other officers elected were Mrs. J. B. Miller, first vice president; Mrs. Herman Knox, second vice president; Mrs. Hubert Baker, treasurer; Mrs. L. B. Cox, Jr., publicity; Mrs. Roy Thompson, recording secretary; Mrs. Stephen Perner, corresponding secretary; Mrs. Ivy Mayfield, historian; and Mrs. E. vart White, parliamentarian.

The club voted to turn over to the Ozona Garden Club its project to beautify the State Highway Department triangle park on Highway 290 west of the bridge. The project is to receive the assistance of the State Highway Department maintenance crew in carrying out the planting and maintenance.

Area Coaches Drop Goodfellow AFB Count By 106 To 98 Count

By Ernie Boyd

The District 8-A coaches came from behind in the final period last Saturday night to down the Goodfellow Air Base of San Angelo 106 to 98.

The win for the coaches was their eighth of the season against no losses and was earned this time only by some spirited play and some fine shooting by Kenneth Cleveland of Sonora and Delmar Pos of Menard.

Pos led all scorers with a whopping 52 point output while Cleveland, the smooth-playing former Texas University star, had 37 for his night's total.

Coach Brooks Dozier of Ozona contributed 9 points to the Coach attack and along with Coach H. O. Hoover of Ozona contributed a great deal to the rebounding and defense for the Coaches team.

A former Kilgore Junior College player, Sid Bradley, had 27 points for the Air Force but the Coaches always had too much in reserve for the fliers.

The Coaches team jumped into an early lead and led most of the way to the half even though a Goodfellow rally in the middle of the second period did tie the score and send the fliers ahead briefly.

The Goodfellow team took the lead early in the third period and held it until the middle of the fourth period when the Coaches put on a final spurt to win.

The final Coach spurt came on the sharp jump shots of Cleveland and the sizzling drives of Pos.

Milby Sextent of Sonora also turned in a fine job of rebounding for the Coaches, who found themselves by far the shorter of the two teams.

Ozونا-Iraan Girls Play Volleyball In Ozona Gym Tonight

The Ozona girls volleyball team will play Iraan high school at the Ozona gym tonight at 7:30.

Iraan is one of the area's stronger teams and is defending champion of the Ozona tourney. The game tonight is the first at home for the Ozona girls since the Odessa tourney.

Ozونا Scout Troop Wins Blue Ribbon At Exposition In Crane

Ozونا Boy Scout troop 153 won a blue ribbon on its Pioneering exhibit at the District Scout Exposition held in Crane last Saturday.

Accompanying the troop to Crane were Dick Henderson, Beall Barbee and Scoutmaster Bob Hilley.

Mrs. Tom Clegg is under treatment in the Crockett County Hospital for a fractured pelvic bone suffered last Friday when she slipped and fell on ice in the yard of her home here.

Queen Of Hearts To Be Chosen In Heart Drive Here

Five Girls Entered In Contribution Balloting To Aid Heart Fund

Five Ozona beauties have been selected as nominees for the title of Queen of Hearts, the winner to ride on the Heart Association float in the San Angelo rodeo parade on March 10.

It's all a local promotion on behalf of the annual Heart Fund drive. Five heart contribution boxes have been placed in downtown Ozona, each heart bearing the name of one of the nominees. The girl who receives the largest amount of money in her "heart" will be declared the winner, and Queen of Hearts, and will be selected to ride in the Heart float in the San Angelo parade.

The five lovelies, any one of whom would be a great contribution to the scenic beauty of the San Angelo parade, are Misses Camille Adams, June Bunger, Linda Millsbaugh, Susie Chandler and Pam Perner.

The Heart Fund drive in Ozona is under the direction of Mrs. Coralie Meinecke, Crockett County Heart Association chairman.

Heart Sunday is February 28, Mrs. Meinecke reminds. During the afternoon of that day, a two-hour drive will be made here for funds to carry on the work of research into ways of reducing the tremendous annual toll of this nation's Number One Killer, Heart Disease.

Volunteer solicitors who will work in the brief but concentrated drive for the Heart Fund have been recruited from all civic organizations in Ozona.

Mrs. Meinecke has been invited to appear on television in a special Heart Fund program to be staged Thursday afternoon, Feb. 25, over Station KCTV in San Angelo. She will appear on the program at 5:15 p. m. in the special telecast.

Cage Season To End For Lions In Big Lake Friday

Locals Seek Final Victory To Avoid Cellar Slot

By Ernie Boyd

The Ozona Lions will close their 1959-60 basketball season Friday night in Big Lake as they seek revenge for a one point loss suffered here to the Owls two weeks ago.

The Lions dropped a heart-breaker 57 to 56 to the Sonora Broncos last Friday night and will have to win this week or find themselves sole occupants of the district 8-A cellar.

Muggins Good led the Lions with 17 points but Gene West's 22 points for Sonora was enough to turn the tide. Each team hit for 24 field goals but as has been the case in most of the Lions games this year, the free throws have decided the contest.

The Lions jumped into an 18 to 8 lead in the first half but for once the soph reserves failed to play much basketball and the lead was quickly lost and never regained with the exception of a few times in the final period when the Lions garnered brief one ortwo point leads.

The Lions appeared to be near grabbing the game out of the fire when Roy Killingsworth hit two long shots to put the Lions ahead in the final two minutes but poor ball handling lost possession of the ball for the Lions on two straight occasions and the final blunder followed by a foul gave the visitors a free shot with just 8 seconds remaining to win the game.

Six seniors will finish their basketball eligibility for Ozona in Big Lake, they are; Roy Neal Killingsworth, Johnny Jones, Jim Williams, Muggins Good, Bill Meinecke and Dickie Flannagan.

Crockett 4H Club Shows 3 Champions At Santone Show

Jay Miller had Champion Ram & Ewe; Pam Jones, Reserve Ram

Crockett County 4-H Club Members made a strong showing at the San Antonio Livestock Show this week, taking two champions and a reserve champion and placing all their livestock high in the show judging.

Jay Miller showed both champion ram and ewe in the Junior Rambouillet Show and Pam Jones had reserve champion ram.

Larry Williams had third place Hereford Heifer in the Junior Hereford Show.

Mark Baggett showed a fifth place finewool lamb and tenth place crossbred and Penn Baggett showed a sixth place crossbred and 8th place finewool lamb.

Jay Miller was runner-up as premier exhibitor of the Junior Rambouillet Show. Besides the two champions, Jay had third place ram lamb, first and seventh place two-tooth rams, first and sixth two-tooth ewes and second place Get-of-Sire Group.

Pam Jones in addition to her reserve champion, showed second and nineteenth place two-tooth rams and second and twelfth place two-tooth ewes. Pierce Miller showed the eighth place two-tooth ram and the seventh place two-tooth ewe.

Penn Baggett showed two finewool lambs in fourth and tenth places at the El Paso Livestock Show last week.

Two 4-H grass judging teams will compete in the San Antonio Livestock Show Grass Judging Contest Saturday morning at 8:00 a. m.

Air Force Lieutenant Gets New Daughter & Promotion Same Week

Good things came in bunches during the past week for Lt. Jim Cotesworth of the Ozona Air Force Station.

On Tuesday of last week, Lt. and Mrs. Cotesworth became the parents of a daughter born at the Crockett County Hospital. Then on Monday of this week, Second Lieutenant Cotesworth became First Lieutenant Cotesworth. The promotion, besides being of some personal satisfaction, will serve to cushion the financial shock of the increase in the family, the proud Air Force officer observed.

June Bunger Wins Homemaker Award

June Childress Bunger has been named the 1960 Betty Crocker Homemaker of Tomorrow at Ozona high school.

She received highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating seniors in her school. She will receive an award pin, manufactured by Jostens and representing the slogan, "Home is where the heart is". Her examination paper will be entered in competition with other high school winners to name the state Betty Crocker Homemaker of Tomorrow.

The test was prepared and judged by Science Research Associate of Chicago.

Marriage Of Clayton Friend, Joan Williams Announced By Parents

Marriage of Miss Joan Williams to Clayton Friend is announced by her parents, Mr. and Mrs. P. P. Williams of Vancouver. The bridegroom, son of Mr. and Mrs. Batts Friend of Ozona, was graduated from Ozona High School. Mrs. Friend was graduated from Eola High School and San Angelo College. The couple, who exchanged vows Jan. 31, is living at Lubbock, where both are continuing their studies at Texas Technological College.

Merchants Sponsored Ozona Baseball Team In Planning Stage

By Ernie Boyd

Plans are being formulated toward organization a baseball team in Ozona by Byron Stuart of Ozona and S-Sgt. Charles Jenkins of Ozona Air Force Station. The team, to be called the Ozona Merchants, will be composed of players from Ozona and from the Ozona Air Force Station. It hopes to compete in the Concho Basin League.

Any merchants of Ozona who would like to become a sponsor of the team which will wear the sponsor's name on their uniforms should contact B. W. Stuart at EX 2-3110 or Charles Jenkins at EX 2-2627. The team will be called the Ozona Merchants, providing enough merchants will agree to sponsor the team. Prices on the uniforms are estimated to be in the vicinity of \$25.00. Stuart plans on having a squad of 15 to 18 players.

Please contact either of the above named men if you would like to see baseball return to Ozona.

Ozونا 4-H And FFA Grass Judging Teams Compete In Santone

The Ozona 4-H and FFA Grass Judging Teams will compete in the San Antonio Livestock Exposition contest on Saturday, February 20, starting at 8 a. m., according to W. P. Coleman, chairman.

Contestants are given 45 seconds to identify, classify and give the characteristics of grasses and forage plants. Both live samples and mounted specimens are used, taken from a master list of 62 grasses, 13 forbs, 13 legumes and 12 woody plants.

A plaque will be awarded the winning team and banners will be given to the next four place teams. The high scoring individual will receive a gold medal while second through fifth place winners will receive silver medals and bronze medals will be awarded the next five places for a total of 10 medals. Separate Contests are held for FFA & 4-H Club Boys.

Presentation of awards will be made before the matinee performance of the rodeo starring Jimmy Dean and Betty Johnson.

Assisting Coleman in the contest are Charles D. Parker, Garlyn Hoffman, Don Windrow, Dr. Vernon A. Young and Howard Boswell.

Junction, 8A Champs, Meet Marfa Of 7A In Bi-District At Iraan

By Ernie Boyd

The district 8-A champions, the Junction Eagles and the district 7-A champions, the Marfa Short-horns will meet in bi-district play in the new Iraan High School Gym Tuesday night at 7:30 to determine who will go on to regional play later this month.

The Marfa team with a 31 and 7 record for the season will rate as favorite over the district 8-A representative which boasts a record very much like that of the Marfa team.

Admission to the bi-district clash has been set at 50 cents for adults and 25 cents for students and the bi-district clash is the only one slated for the night.

Iraan has just recently gotten into its new quarters having played a big majority of this season in its old gym and many Ozona fans might take this opportunity to travel over to Iraan to inspect the new quarters and see the play-off.

Junction advanced through the district race this season without a loss to cop their second straight district title. The Eagles have a club boasting good height and shooting skill with four seniors in the starting lineup.

One of the Junction seniors, Smokey Goodman is a nephew of the Cotton Goodmans of Ozona.

Marfa has been a basketball power in 7-A for several years but will advance into 2-A play next season due to enlarged enrollment with Wink and Rankin moving into district 7-A.

Knife Fight In Harlem Cafe Ends In Death Of Man

Silas Benson, Jr. Negro Ranch Hand, Dead; Joe Willis Held

After receiving a fatal knife slash across his throat, Silas Benson, Jr., 31, Negro ranch hand employed on the J. B. Parker ranch, drove across town alone to the vicinity of the Crockett County Hospital where he died before reaching medical assistance.

Joe Willis, 39, Negro shine at Sam's Barber Shop, is being held in the Crockett County jail in lieu of \$5,000 bond set in justice court following his arrest shortly after the slaying by Sheriff Billy Mills.

Witnesses in the cafe in Ozona's colored residential section said the pair began an argument in the cafe and then went outside. Douglas Smith, operator of the cafe, followed them outside and witnessed the fight. He stopped the combatants by using a length of two by four as a club.

Benson declined offers of assistance, witnesses aid, and got in the pickup he was driving and drove in the direction of the hospital. He drove past the hospital and in front of the W. H. Whitaker home just west of the hospital saw a group of high school girls going into the Whitaker home. He called to them and asked directions to a doctor. The girls reported to Mr. Whitaker who went out to investigate. Approaching the truck, Mr. Whitaker called to the man and when he failed to get a response, opened the truck door and Benson's body fell to the pavement.

An ambulance was summoned and Benson was taken to the hospital where he was pronounced dead on arrival.

Sheriff Mills said he received a call to the Harlem Cafe and on his way to the place saw Willis walking toward his home. Upon reaching the cafe he learned what had happened and went back and arrested Willis about two blocks from the cafe.

Willis was not hurt except for a bruise on his back, possibly from a blow by Smith, in his efforts to stop the fight, Sheriff Mills said. However, there were two cuts in his clothing, apparently from a knife, one on his shirt collar and one in his trousers, the sheriff said. Benson had a knife in his trouser pocket, Mills reported.

Plans Perfected For 10th Annual Forum Style Show

Soaring Sixties Theme For Annual Event Set For Feb. 27

Plans for the tenth annual Woman's Forum style show are well under way. Committees are busy with preparations for the show to be held Saturday, Feb. 27 at 3 p. m. in the North Elementary school auditorium, officers of the Forum announced this week.

Tickets are on sale at \$1.50 per person and may be purchased from any member of the Forum or at the door. A number of door prizes will be given through the courtesy of Caruthers Jewelry, Silver Spur Motel gift bar, Lefty's Turkey Patch, the Woman's Forum and the Maurice Shop of San Angelo.

The theme for this year's style show will be "The Soaring Sixties". There will be 48 adult models with fashions furnished by the Maurice Shop of San Angelo and 28 juvenile models to be fitted by Florence & Martha's of San Angelo. Jewelry will be furnished by Caruthers Jewelry and the Silver Spur Motel.

Music throughout the show will be furnished by Mrs. George Russell, Jr., and Mrs. Joe Sellars Pierce, IV, will sing some favored selections with Miss Cleona Quiet (Continued on Last Page)

THURSDAY, FEB. 18, 1960

CONGRESS DISPOSES

The President has proposed a budget for the coming fiscal year which, he estimates, will result in a surplus of more than \$4 billion. It will be unfortunate indeed, however, if we assume that this will occur almost automatically.

To paraphrase the old saying, the President proposes but Congress disposes. And the surplus, as the Council of State Chambers of Commerce points out, "is already threatened with extinction." Reason: "The strong inclination in Congress to boost expenditures substantially with new large spending measures covering federal aid to education, housing, aid to depressed areas, readjustment benefits for peacetime veterans and a depression-type youth work program."

In sum, if the let-the-government-do-everything groups have their way, we'll have another deficit instead of a surplus. Then we'll have more inflation, more debt — and, in all probability, ultimately higher taxes. That grim prospect can be prevented only if the voting public lets Congress know that it wants economy wherever economy is possible — and that we can't afford any more welfare statism.

THE RIGHT TO KNOW

In a recent speech, President Eisenhower said that an informed public is this country's greatest strength. In his precise words, "Understanding in the United States of the issues we face is absolutely essential to our well being."

Few will oppose that view. Only a well-informed public, with free access to all relevant opinions, can reach an intelligent decision on any issue. But it is interesting to read the President's remarks in view of rulings made some time ago by the Internal Revenue Service and the Federal Power Commission.

These rulings held that certain advertising placed by electric utility companies is not a legitimate business expense, and hence is not deductible for income tax purposes. The advertising in question presented the industry's side of the public-vs-private power issue — which is, and long has been, a major national issue.

What is at stake in this is not only an industry's right to present its views on a life-and-death matter without penalty — but the right of the public to be informed. If the advocates of private power development are to be muzzled, the advocates of socialization will find the going infinitely easier.

Those who have the power of decision in the IRS and the FPC would do well to read, ponder and follow the words of this nation's chief executive.

If You Wanna Buy A Goat, try the army-navy outlet store near you.

Twenty-four girl goats, bought by the Navy to chew up the extensive underbrush surrounding its ordnance laboratory near Washington, are going maternal at the rate of two kids a year — while the ground cover is rapidly disappearing.

If it isn't one surplus, it's another — anchors, hamburgers, oyster forks — and now, goats!

FINAL KNOCKOUT NEAR FOR POLIO

Parents and physicians throughout the country are following with intent interest and important mass medical experiment now under way in Florida. All 520,000 residents of Miami and Dade County under 40 are being given a new oral polio vaccine in a test under standards set up by the US Public Health Service. Conducting the project are the Dade County Medical Association and Board of Health and the University of Miami Medical School.

The new vaccine is described in the March Readers' Digest by Paul deKruif in an article from Today's Health, an American Medical Association publication, as a safe, cherry-flavored liquid that promises long-lasting immunity from a single dose taken by mouth. It will cost less than previous vaccines and should be available this year, reports the article.

It is the result of 13 years work by Dr. Herald Cox and his associates at American Cyanamid's Lederle Laboratories at Pearl River, N. Y. He started with the fact that the best virus vaccines, those against smallpox and yellow fever, are made not from killed but living, weakened midget microbes. His group weakened strains of all three types of polio virus.

Dr. Cox took the first dose himself in 1950. Tests followed in Sonoma, Calif., and in 1957 at the University of Minnesota, then in many South American countries. "It has been subjected to far more extensive tests than has any other vaccine before being made available for general use," writes deKruif. "Before the single-dose, three-in-one vaccine became available almost two million single-strain doses were given to approximately 700,000 people."

Unlike the Salk vaccine, which contain a killed polio virus, the new vaccine uses a live virus weakened below the danger point. Also, unlike the killed vaccine it is taken by mouth. Whereas, three

or four injections of killed vaccine are now recommended, the new live-virus vaccine may provide immunity for several years with it one dose. These advantages are obvious.

Until Government authorities approve, the new vaccine will not be available and present immunization programs should continue, says the Digest article. But the Florida test may be the big final victory in mankind's long war against crippling polio.

Jake Young Tagged For End Post With Texas Western Squad

El Paso, Texas — Spring football practice will begin Monday at Texas Western College. Coach Ben Collins and his staff will have more than 40 players for the beginning of the 20 practice sessions.

Top returnees are Quarterback Johnny Furman, the tall left-hander who was voted the most valuable player in the Border Conference in a poll of coaches by the Arizona Daily Star, and Guard John Young, of Abilene, a 188-pound junior-to-be who was on the official all-conference team last year. Furman will be a junior in September, and is from El Paso.

Losses were few from a team that was better than its 3-7 record would indicate. Heaviest losses were at end and tackle and Coach Collins has indicated that these trouble spots will get close attention.

To improve the end situation he is considering shifting halfback Gene Williams of Kermit, a powerful 205-pound sophomore (junior in the fall) to the wing, and he will install big Jake Young of O-

Electricity sparks the... **60s** NATIONAL ELECTRICAL WEEK FEB. 7-13, 1960

"WHADDYA MEAN ELECTRICITY WILL BE A BARGAIN IN THE '60s?"

"Look at this bill. It's higher than it was last year, isn't it?"

Yes sir — it is. But let's see why. Do you have a new appliance, perhaps? A present for your wife?

"Well, yes. I got her a dishwasher and a new automatic washer last summer."

Lucky wife. Is there anything else?

"Well, yes. We've got a new TV set, too — and I guess we've been watching it a good deal."

Yes. In other words, you've been putting more electricity to work for you, and getting more value out of it than ever before?

"You're right. I guess we have. Never looked at it that way. Why, maybe electricity is a real bargain."

No doubt about it, sir. It is.

Electricity COSTS SO LITTLE — YOU CAN USE LOTS OF IT!

West Texas Utilities Company an investor owned company

zona to that spot. Young, 195-pounder was ineligible last year because of the conference transfer rule, and he's rated among the best end candidates on the squad.

To help out at tackle, Collins has shifted big Luis Hernandez, 260-pound sophomore-to-be from guard. Hernandez was an all-state tackle at Fabens, Texas, and last year was one of Texas Western's top linemen.

"During my 24 years in the Senate I have seen many an aid program start at the size of a mouse and rapidly grow to the proportions of an elephant." — Harry F. Byrd.

"The huge national debt our younger generation will inherit should keep them from one indulgence — ancestor worship." — Wall Street Journal.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Feb. 19, 1931

Davis Bell Dunlap, 73, resident of Crockett county 40 years, died at the family residence here Monday morning following an illness of several weeks. Funeral services were held from the First Baptist Church at 4 o'clock Monday afternoon. Rev. M. M. Fulmer, pastor, officiating.

The next meeting of the executive committee of the Sheep & Goat Raisers Assn. of Texas will be held in Ozona, home of the president, T. A. Kincaid. The meeting will be sometime in May.

W. J. Grimmer is back in his old stand, in what has been successively the Dudley Motor Co., Grimmer Motor Co., McLeod Motor Co., and now Crockett County Motor Co. Grimmer sold the business to McLeod and Jax Cowden of San Angelo and became manager of the business on the recent resignation of Mr. McLeod.

Like most businesses firms of Ozona, Crockett county needs the money due it — the money advanced to landowners for payment of materials and labor in the eradication of the prairie dog from Crockett County lands. The Commissioners Court decided this week to "get tough" with these delinquent accounts in an effort to collect approximately \$2,755 due it.

Sutton county voters will vote

March 28 on the issuance of \$175,000 in road bonds for a county paving program.

Coloma Gilbert and Ezzik Trotter were married January 25 but their marriage was known only to Miss Gilbert's parents until this week. She is a daughter of Mr. and Mrs. Tom Gilbert. Mr. Trotter is employed by A. C. Hoover.

Two registered Hereford bulls from the herd of Joe T. Davidson of Ozona have been consigned to the first annual Hereford sale to be held at Lubbock March 27.

Nine resident of the Mexican settlement in Ozona were in court Monday on charges of gaming following a raid by Sheriff W. S. Willis. The sheriff was attracted to the scene by the sound of gunfire. Arriving he found a man firing a small calibre pistol and took him in tow. On the way he stumbled into the dice game and added eight others to the night's bag.

Damages to land owners and lease holders on land west of Ozona on Highway 290 for right of way in construction of the new road were assessed by a jury of view appointed by the Commissioners Court. The jury's report was accepted by the court at its meeting this week.

The Jewell Abernathy Y. W. A.'s met Wednesday night at the First Baptist Church. Tray favors for the hospital were made. Plans for focus week were discussed and completed. Members present were Bama Burton, Janie Everett, Beverly Alford, Charlotte Adams and Mrs. Harold Shaw.

Notes From The County Agent's Office

By Pete W. Jacoby

Harlan E. Smith, extension plant pathologist, of Texas A&M College has the following to say about leaf spots of Magnolia and Ligustrum plants. Many people notice leaf spots on magnolia, ligustrum and other broad leaf plants at this time of the year. These fungal leaf spots may be of different sizes and colors. Little damage is done since it occurs on one year leaves that are about ready to naturally fall from the shrub or tree.

A preventive spray program is effective in reducing the damage by leaf spot. Use 2 tablespoons of captan or 2 tablespoons of zineb per gallon of water. Add a spreader-sticker to the spray for more effective use.

With bacterial leaf spots, it may be necessary to spray with a fixed

or insoluble copper such as Copper A Compound or be used. These mixtures should be used with care so not to damage the leaves.

Leaf spot may occur during the growing season. Continued premature loss of leaves may weaken a tree or shrub so that it is more susceptible to other troubles. A good spray program plus proper fertilization and water will help improve health of trees and shrubs. Avoid wetting foliage while watering as this tends to spread leaf spot.

LADIES BIBLE CLASS

The Church of Christ Ladies Bible Class met at the church Wednesday morning to continue their study in the book of Acts. Questions were given out on the 12th chapter. Mrs. H. W. Baker was the class teacher. Others present were Mmes. Darrell Brawley, Earl Berry, Ed Cranfill, Paul Hallcomb, Armond Hoover, Peery Holmsley, Bud Loudamy, J. D. Nairn, J. W. Owens, O. L. Sims, Ray Valadez, Calvin Hodge and J. B. Miller.

Y. W. A. FOCUS WEEK

A full week of events is scheduled for the members of the Jewell Abernathy Young Womans Auxiliary. Sunday after Church the girls ate lunch at the home of their counselor. After lunch the girls visited several prospective members. A luncheon at the church on Monday offered opportunities for the girls to visit together and discuss the balance of the activities for the week. Tuesday night the members met at the home of Bama Burton. After refreshments of cookies and cokes, the girls attended the Castle Gap Association Workers Conference. Wednesday night the girls have charge of the mid-week service when they will present the Ideals of Y. W. A. members. A slumber party Friday night with Y W A members from Iraan will be held at one of the members' homes. Saturday night closes focus week and a banquet for Y. W. A. members and their parents will be held at the Fellowship Hall of the Church. Harold Reeves, a missionary from Thailand will be the guest speaker.

EDITORIAL SPEAK UP

By Bama Burton

One of the most popular answers to a question is, "I guess so."

This shows how weak a person really is. Agreeing on matters of opinion is good, if one really believes that. No one likes for you to agree with him all the time — merely because he said so. Everyone is entitled to his views and can express them.

An argument usually, will not change anyone's opinion. The best way to influence someone is to intelligently discuss your ideas with him and have him do the same.

—oO— EXCITING EVENT!

This past week something very unusual happened in Ozona. It snowed!

Although snow is a regular occurrence in many parts of the country it isn't here. This might be the reason that the sight of the snow caused everyone to go mad with joy (or agony) and begin to throw self-made balls at everyone in sight.

Whatever caused this feeling of joy, it was short-lived. The next day the sun came out and the snow went back to where it came from, nature.

Even though there were a few casualties on the field of battle, everyone seemed to enjoy this rare gift and was looking forward to the next snow, whenever it may be!

STAFF BEGINS WORK ON AYER

The Annual Staff has started working on the 1960 Ayer. They have been drawing pages — and helping Miss North move into the new darkroom. The Friday after mid-term exams, they began enlarging the darkroom. Miss North was the busiest woman in Ozona High School. She began moving all of the developing materials and annual pages out. Monday morning, she started putting it all back in. The room now contains a counter for working on the annual, as well as much more room for printing and filing pictures.

The Staff will now begin working on the final lay-outs, taking and selecting the pictures to be used, and assembling the copies to be sent to press the last of May.

Staff members are:
Editor — Susie Chandler.
Asst. Editor — Barbara Barbee.

Others — Margo Pogue, June Bunger, Nonie Conklin, Camille Adams, Linda Millsbaugh, Sally Baggett, Sandra Whitaker, Mary Lou Zunker, Pam Jones, Janet North, Pam Perner, Judy Black, Peggy Harvick and Don Neil Carnes.

—oO— SENIOR ACTIVITIES

As the school year goes into the last lap, the Seniors are preparing for graduation and all the activities that go with it!

Orders for the graduation invitations have been made and before long Seniors will be busy mailing them.

The Juniors will honor the Seniors with a banquet in March, and the Senior play will be given in May.

Of course all Seniors are looking forward to the Senior trip and then the big night — Graduation!

With all these activities going on, we must not forget that school is still being held and grades will be important up to the last minute, so keep the books open.

—oO— SPRING TRAINING!

Spring sports are just around the corner. Besides track, golf and tennis are sports open for district competition.

Both girls and boys are eligible for district and later regional competition. Boys tennis will be coached by Coach Fred Hickman, and will start on February 29.

This is the second year for Ozona High School to have a golf team. Principal (coach) J. A. Pelto to will sponsor the team. Last year, the golf team advanced to Regional competition. The team has a good chance of repeating this year.

—oO— TRACK FEVER HIGH

The Olympic spirit is in the air! Everyone seems anxious to learn about the coming games which will be presented in Rome, Italy, June 1960. Now that basketball will soon be over, the Olympic spirit is seeping into the hearts of those who plan to participate in the last, but not least, sports event of the year. This sport is popularly known as — track.

Most of the participants are already out for track, but there are a few who will be arriving Monday from their respective positions on the basketball team.

The Lions have two weeks of practice before their first meet which will be in Ft. Stockton February the 27th.

—oO— LIONS END SEASON

The Ozona Lions wind up their basketball season against the Reagan County Owls in Big Lake. The record of wins and losses for the Lions this year leaves a little to be desired. However, in view of the stiff competition it was more often than not just plain bad luck that accounted for the Lions coming out on the short end of the score in district contests.

The Lions, are still hoping to even their record slightly by grabbing a win and thus tying for the the cellar instead of occupying that position alone.

School Cafeteria MENU

Monday, Feb. 23:

- Vegetable beef stew
- Buttered corn
- Cheese sticks
- Grapefruit sections
- Cup Cakes
- Bread, crackers, milk butter

Tuesday, Feb. 24:

- Hot cornbread, butter, milk

Friday, Feb. 26:

- Roast beef and gravy or fish sticks
- Creamed potatoes
- Seasoned green beans
- Fruit salad
- Chocolate cake
- Hot rolls, butter, milk

—oO— THREE VOLLEYBALL GAMES WITH IRAAN

Three volleyball games are set for tonight. Following the junior high game at 7:15, the B team will play, and then at 8:00 the A team plays.

This is the second game of the season for the teams, other than the Odessa Tournament, which the A and B team attended a week ago. The girls gained knowledge and experience from this trip and hope to display some of it for you tonight.

JUNIOR PLAY GIVEN

Having run for two successful nights, the Junior play, Fog Island is over. The play, which was held on Monday and Tuesday nights, alternated between light comedy and suspense.

This article is cheerfully dedicated to all of the wonderful Junior mothers who contributed sweets for the concessions stand both nights of the play.

Garden Reminders

From Garden Club Reporter

Roses may be planted in this area until Feb. 15. Pruning should be done before Feb. 22 and not later than March 1.

Tulips and daffodils may still be planted although they will be later blooming than those planted in the fall.

Camellias and azaleas require an acid soil. Before planting, test soil and it can be made acid by applying aluminum sulphate or sulphur.

To make nandinas produce berries, plant them in full sunshine and use a phosphate fertilizer in the soil. Add around each plant and rake in lightly.

For gladioli blooms in May, plant the corms in February, about 6 inches deep now, if after severe winter is over, about 4 inches deep. Check your house plants now for early blooming.

Keep foliage on plants clean, even washing with soap if necessary. Rinse carefully under clear room temperature water in sink. Water only when somewhat dry—too much water can be disastrous. Keep house plants from drafts, reduce fertilizer — plants need less food when in the house. Do not overheat — about 60 is good.

Please remember to clean out and burn all debris — from flower beds, yards, vacant lots, business houses and park ways. The Spring winds will blow it all over town.

Miss Jeanne Louise Nobles

Larry Lewis To Wed Miss Jeanne Nobles In Clovis March 13

The engagement of Miss Jeanne Louise Nobles, daughter of Mrs. Tony E. Nobles and the late Tony E. Nobles of Clovis, New Mexico, to 2nd Lt. Larry M. Lewis, son of Mr. and Mrs. Ted M. Lewis, of Ozona, Texas, has been announced by the parents of the bride-to-be.

Miss Nobles, a transfer student to Hardin-Simmons University, is majoring in Elementary Education. She is a feature twirler of the Cowboy Band and has recently returned from Chicago where she twirled professionally.

Lt. Lewis, a 1959 Journalism graduate of H-SU, is presently enrolled in the Infantry Officer Leader Course at the United States Army Infantry School at Fort Gening, Georgia. While at H-SU he was editor and business manager of the Brand, student newspaper, a member of Who's Who in America Universities and Colleges, Press Club, Player's Club and Alpha Psi Omega.

The couple will be married Mar. 13th in Clovis, New Mexico. They will leave for Europe in April where they will be stationed with the Seventh Army.

Accurate and Complete

RANCH RECORD

Are More Important
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

THE STOCKMAN RANCH RECORD BOOK

You'd think it was our car!

We baby your car. We carefully check every little detail to make sure it's in tip-top, A-1 condition. Why, you'd almost think your car belonged to us! There's good reason for us to be so fussy and painstaking. We want to do a better job than the "other fellow" down the street—because it's a good way to compete for your business. It's the competition between independent businessmen like us—that benefits you—the motorist.

Thanks to our American freedom, you find each oil company doing its part to bring you better and better products at lowest possible prices.

So bring your car to us for service. You can be sure it will get the kind of service we'd give our own car.

GRAND CHAMPION SAN ANTONIO SHOW

The Grand Champion of the San Antonio Livestock Show was shown by Lile Lewter of Lubbock, Texas (right), who is being congratulated by Carlton Hagelstein, Jr., of the Union Stock Yards, San Antonio, Prince, the 1010-pound Hereford steer, won the Grand Championship of the 11th Annual Livestock Show.

Rutherford Bill Would Restore Old Fort Davis

Washington, D. C. — A bill to declare Old Fort Davis, Texas a National Historic Site has been introduced by Congressman J. T. Rutherford in the U. S. House of Representatives.

The bill authorizes the Secretary of Interior in behalf of the National Parks Service to acquire by donation, public subscription, grant, purchase or other methods, the site of the historic old fort located in the rugged Big Bend country of Jeff Davis County. The remains and ruins of the old fort, which stand near the town of Fort Davis, would also be included.

Congressman Rutherford hopes the passage of his bill will enable the National Parks Service to re-

store Old Fort Davis as part of the nationwide Mission 66 programs, designed to preserve, protect and improve for Americans many of their national historic landmarks.

"The history of Old Fort Davis, Rutherford said, "has always been a fascinating one to me personally. Within recent years many people in West Texas have remarked on the prospects of its being restored under the National Parks program. I think this is particularly appropriate since the same general area is the site of Big Bend National Park, which is located in Brewster County and is the only National Park in Texas." Rutherford represents the 16th Congressional District which contains both Big Bend National Park and Old Fort Davis.

LADIES GOLF ASSN.

Low net on trophy play of the Ladies Golf Assn. Monday was won by Mrs. J. M. Baggett, low putts was a tie between Mrs. Marshall Montgomery, Mrs. Jess Marley and Mrs. J. M. Baggett.

In bridge play at the country club Thursday, high score went to Mrs. Jack Williams, second high to Mrs. Vic Montgomery, cut to Mrs. Joe Pierce and low to Mrs. Charlie Black. Mrs. George Bunker was bridge hostess.

Others attending were Meses. Joe Clayton Hillery Phillips, Hugh Childress, Jr., V. I. Pierce, Lindsey Hicks, Lloyd Sherrill, John Childress, R. L. Bland, Jr., J. S. Pierce, III, Sherman Taylor, Early Baggett, Jess Marley, Nip Blackstone, Boyd Clayton and Ashby McMullan.

Former Ozona Gridmen Make News In College Spring Practice Revues

By Ernie Boyd

Two Ozona college students were mentioned prominently in this week's reports from spring training activities now under way at their respective schools.

An article carried in both the Odessa American and the San Angelo Standard Times concerning spring training at Texas Western in El Paso listed Jake Young as top candidate for a starting end on next year's club.

Young played end and fullback for the Ozona Lions on the district championship team in 1957 before going to Texas A&M and transferred to Texas Western in 1958. Jake was ineligible in 1959 due to the transfer but will have a soph rating on the Miner team next fall.

Also at Texas Western is Kent Babb who played a regular halfback slot last season and will be

one of the Miners outstanding returnees for the coming season.

Bobby Sutton, the outstanding Ozona halfback from 1955 to '58, was mentioned quite frequently in the Waco papers covering Coach John Bridgers spring sessions at Baylor University.

A feature article on Sutton praised his kickings and pass receiving ability and stated that size was not everything in football.

Sutton was placed on the fourth team at right halfback to start practice as some seven teams plus began practice last Monday. In a scrimmage session held last Saturday, Sutton was listed as a doubtful participant due to a strained back. However in Sunday's paper covering the scrimmage, the writer expressed the opinion that Sutton was a better kicker than any on the Baylor Varsity last season.

METHODIST WSCS

The Woman's Society of Christian Service of the Methodist church

met Wednesday morning at the church to continue the study on "People, Land and Churches" by Rockwell C. Smith, under the direction of Mrs. Evert White.

The devotional was given by Mrs. K. R. Stanton. Health care and welfare ministry were topics in the day's study.

Present were Meses. L. B. Cox, Jr., K. R. Stanton, R. A. Harrell, Woodrow Mills, Joe Pierce, IV, Charles Garlitz, B. B. Ingham, Sr., Stephen Perner, Charles Williams, Sr., Baily Post, Ralph Jones, J. A. Fussell, Floyd Henderson, L. B. Cox, III, Paul Perner, Morris Bratton, W. O. Reeves, Joe Pierce, Jr., C. F. Brown, J. S. Pierce, III, George Bunker and Evert White.

Midshipman cruise back in 1902. (L to R) Chester W. Nimitz, now Ft. Adm.; George V. Stewart, now a Capt. (Ret.) & Royal E. Ingersoll, now Adm. (Official U.S. Navy Photo)

The Japanese surrender, USS Missouri, Tokyo Bay, Sept. 3, 1945. (Official U.S. Navy Photo)

Admiral Chester Nimitz To Be Honored on 75th Birthday February 24th

Great Lakes, Ill. — The nation pauses on February 24 to honor one of its most distinguished naval officers, Fleet Admiral Chester W. Nimitz, U. S. Navy. The date marks the 75th birthday of the Navy's highest ranking officer — and its only living five-star wearer.

Fleet Admiral Nimitz was born in Fredericksburg, Texas in 1885, and left high school in his senior year to enter the Naval Academy just 44 years later as a Fleet Admiral he returned to his old hometown of Fredericksburg in a buckboard hauled by a team or roan horses, with an escort of hundreds of cowboys. That day he finally received his diploma from Tivy High School — the only man ever

to graduate from high school in a Fleet Admiral's uniform.

The span of those 44 years was packed with more adventure and drama than 10 ordinary men see in their lifetimes. For Chester Nimitz, it meant graduating with distinction from the Naval Academy, rising from a midshipman to Fleet Admiral, and leading his country's Navy to the most hard-fought and hard-won triumph it had ever known.

This victory was culminated on September 2, 1945 when he signed the surrender terms with Japan aboard the battleship U. S. S. Missouri in Tokyo Bay.

Mrs. Dudley, GFWC Official, Guest Of Woman's Club Feb. 23

Mrs. L. E. Dudley of Abilene, an officer of the General Federation of Women's Clubs, will be the guest speaker at the Federation Day Silver Tea of the Ozona Woman's Club to be held Feb. 23 in the fellowship hall of the Methodist Church.

Mrs. Dudley will review the book, "I'll Take Texas," by Mary Lasswell. Mrs. Evert White, club president, will be the program coordinator. Members of the Ozona Woman's Forum and ladies of the community will be guests of the club for the event.

A group of violin numbers will be presented by Mrs. M. A. Barber as a part of the afternoon's program. She will be accompanied by Mrs. Morris Bratton.

Mrs. Dudley will be honored by officers of the local club at a luncheon in the home of Mrs. S. M. Harvick Tuesday noon. Officers of other federated clubs of the city will be guests.

Lt. Lewis Completes Officer Basic Course

Fort Benning, Ga. — Army 2nd Lt. Larry M. Lewis, son of Mr. and Mrs. Ted M. Lewis, Ozona, Texas, completed the officer basic course Feb. 6 at The Infantry School, Fort Benning, Ga.

The ten-week course is designed to familiarize newly-commissioned officers with the duties and responsibilities of an infantry unit commander.

The 23-year-old officer was graduated from Ozona High School in 1954 and from Hardin Simmons University in 1959. He is a member of Delta Sigma Phi and Alpha Psi Omega fraternities.

Homer Good's Hounds Win Top Honors In Fisher Co. Trials

Homer Good, Ozona's hound dog fancier, swept the field with his two-dog entry in the recent Fisher County Wolf Hunters Assn. field trials east of Rotan recently.

Good's Halfback, Jr., was judged best of show in the male division and his female, Hi Lady, was judged best of show in the opposite sex. Halfback and Hi Lady also won the all-ages trophy and went on to show to grand champion and reserve champion. Halfback won the grandchampion trophy with Hi Lady as reserve champion.

Extension Completed In West Crockett Co.

The Millard, North (Queen sand) field of Crockett and Pecos counties gained its fifth producer and a location south extension with completion of R. E. Sutton, Midland, No. 2 H. M. Half Estate, Crockett County project, 6½ miles southeast of Iraan.

It was finaled for a daily flowing potential of 45 barrels of 32.5 gravity oil, no water with gas-oil ratio of 1,355-1. Completion was through perforations between 1,372-414 feet. Size of choke was unreported.

Location is 1,120 feet from the north and 4,350 feet from the east lines of the west half of 63-1-I&GN.

"The only way women could have equal rights nowadays would

La Gloria Completes Crockett Discovery

Crockett County gained a Queen sand discovery the completion of La Gloria Oil & Gas Co., Houston, No. 1-A J. M. Shannon Estate, 13 miles northwest of Ozona, and ¾-mile west of 1,475-foot (Grayburg-San Andres) production in the Vaughan multipay field.

It was finaled for a daily potential of 12.18 barrels of 27 gravity oil, plus 70 per cent water, through perforations between 1,120-126 feet, which had been fractured with 2,500 gallons. Total depth is 1,534 feet.

Location is 990 feet from the north and 2,310 feet from the east lines of 17-UV-GC&SF.

"Taxes are going up so fast that Government is likely to price itself right out of the market." — Dan Bennett.

"Basic research is when I am doing what I don't know what I am doing." — Dr. Wernher von Braun.

be to surrender some." — Burton Hills.

Northwest Crockett Field Gets Extender

The Millard, North (Queen) field of Crockett and Pecos counties, gained its fourth location and a location north extension with completion of John I. Moore, San Angelo and Midland, No. 1-64 Half-Bivens, Crockett County project, five miles southeast of Iraan.

It was finaled for a daily flowing potential of 116.51 barrels of 30.6 gravity oil, no water, with

gas-oil ratio of 800-1. Completion was through a ¼-inch choke and perforations between 1,328-52 feet, which had been fractured with 10,000 gallons.

Location is 330 feet from the south and west (river) lines of 6-1-I&GN.

BABY SITTING by the hour at day. Will do light housekeeping night, in your home or mine. Mrs. Jewel Cochran. Phone 2-2264. 46-2tp

Forum Style Show—

(Continued from Page One)

accompanying her, as between-acts features.

A tea plate will be served following the style show. A dazzling commentary for this year's show will be given by Forum member, Mrs. Beecher Montgomery.

Committee chairmen and members of the various committee who are planning the show are as follows:

Models — Mrs. C. O. Walker, chairman, Mrs. Joe Clayton, Mrs. Boyd Baker, Mrs. W. A. Childress and Mrs. Charles Williams, Jr.

Food — Mrs. Brock Jones, chairman, Mrs. Jess Marley, Mrs. Ele Hagelstein, Mrs. Carl Appel, Mrs. Dempster Jones, Mrs. Paul Tucker, Mrs. Marshall Montgomery and Mrs. Joe Pierce, III.

Decorating — Mrs. Tommy Harris, chairman, Mrs. P. C. Perner, Mrs. Pleas Childress, Mrs. Bill Clegg, Mrs. Jack Williams, Mrs. W. H. Whitaker, Mrs. Ralph Jones, and Mrs. W. T. Stokes.

Commentary — Mrs. Beecher Montgomery, chairman, Mrs. Fred Hagelstein, Mrs. Charlie Black and Mrs. B. B. Ingham, Jr.

Tickets — Mrs. James A. Harvick, chairman, Mrs. James Childress and Mrs. John Coates.

Posters — Mrs. Hugh Childress, Jr.

Music and Lighting — Mrs. Nip Blackstone.

Publicity — Mrs. Vic Montgomery.

Pictures — Mrs. T. J. Bailey.

Proceeds from the style show will be used for the Forum's civic projects such as Boys Ranch, McKnight Sanatorium, Heart Fund, Cancer Fund and Polio drive.

SON TO DUDLEYS

Mr. and Mrs. Jim Dudley are the parents of a son born Friday in the Crockett County Hospital. The baby weighed 7 pounds and has been named William Hershel. He is a grandson of Mrs. Lovella Dudley of Ozona and J. M. Dudley, Sr., of San Marcos, and Mr. and Mrs. Ralph Youngblood of Beaumont.

Mr. and Mrs. James Long are the parents of a daughter, Kelly, born Friday in the Crockett County Hospital.

WORTH MORE BECAUSE THEY WORK MORE!

Compare this list of Chevy advances with the features ordinary trucks are still talking about. You'll see why Chevy trucks get more work done in a day... why they go extra thousands of miles before trade-in time. These Sturdi-Bilt Sixties aren't just new, they're a full scale revolution!

TORSION-SPRING RIDE

Each front wheel, suspended independently of the other, is free to step individually over bumps. And shockproof torsion springs up front soak up the jars and jolts before they reach the body. With three rugged new tailored-to-the-truck rear suspensions to further reduce road shocks, Chevy gives you the smoothest truck ride you've ever felt.

NO SHIMMY, NO WHEEL FIGHT

Drive a '60 Chevy. Just once. Right away you'll notice the absence of I-beam shimmy and wheel fight common on ordinary trucks.

With independent front suspension there's a brand-new, smoother, easier handling feel behind the wheel.

CABS FOR BIG GUYS

Big guys get a bigger break in a Chevy cab. There's plenty of space inside to stretch out and relax; more room for hats and hips, more room for wide shoulders and long legs. There's horizon-wide visibility through a windshield with 26% more glass area; a new see-at-a-glance instrument panel. Cabs are safer, too, up to 67% more rigid.

6'S SWORN TO SAVE

Chevy's 6-cylinder engines are set to squeeze extra miles out of every drop of fuel. They're long famous for low fuel consumption, high performance.

SHORT STROKE V8'S

Power-packed for peak performance, Chevy's husky V8's make child's play out of the toughest hauls. They have a mind tuned to economy, too, that keeps costs down, profits up.

SLICK NEW SUBURBAN CARRYALLS

These handsome new handy haulers "double in brass"—can transport eight passengers or up to 950 lbs. of payload. Rear and center seats are easy to remove and replace when necessary. For work or for pleasure, these double-duty beauties are best for both!

NEW DOLLAR-SAVING PRICES

Chevrolet's low prices make big truck news for '60. They mean money in your pocket on model after model. Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Also, prices have been reduced on all optional V8's.

SEE YOUR DEALER

It could be the most important visit you make in '60. When you've seen these new Chevies, you'll agree they're the world's most advanced trucks. Then drive one and find out why.
