Hospital, Bond Election Saturday

Membership Funds To Assist New Library Faces County Vote

\$950,000 Issue

Vote At Muleshoe City Hall, Needmore Community Building

Friends of the Library officials announced Tuesday noon that they were pleased "beyond expectations" with the interest and general cooperation of volunteer workers in this week's annual membership drive. As one "Friend" from the Three-Way area said "That

bookmobile and your library certainly have aided all of us, especially my son, who obtained much help through the library services and went on to win his speech tournaments at State. . ." (And this father took some membership cards with him to assist the drive!)

Record Absentee Ballots Cast

A record number of absentee ballots have been cast in the office of County Clerk Hazel Gilbreath on the upcoming hospital district and bond election this week.

A total of 103 persons had cast absentee ballots by the time absentee balloting had concluded at 5 p.m. on Tuesday, May 12. An additional five ballots were still in the mail to make a total of 108 absentee votes cast.

Mrs. Gilbreath said this was a record for a special election, being only surpassed by absentee ballots in general elections in past years.

Indications are that the house-to-house, block-by-block residential drive in Muleshoe are ready for Thursday (today) when they will officially knock on their neighbors' doors. Some FOL volunteers have reported early in the week that their neighbors have contacted them for memberships already. Jay Harbin, membership chairman, said that anyone who missed this week may purchase their memberships, that is, donations which are tax deductible, at his Farm Bureau office at any time.

Also cooperating in the drive are the Muleshoe, Lazbuddie, Bula and Three-Way Schools. Informational notes are being sent home with each student this week so that families may

Cont'd on Page 2, Col. 1

1969 Library Patrons Extended Thanks

As the membership drive for 1970 progresses, Muleshoe Library Board and Friends of the Library officials take this occasion to announce publicly their thanks of the many Friends of 1969, Board Chairman David Sudduth and FOL President Mrs. Larry Hall announced.

"Businesses and organizations who have been supporting patrons in the past year, as well as individuals too numerous to name here, have been loyal and needed Friends of the Library," they continued.

Boys Involved In Dog Burning Tried Monday

Two 16 year old Muleshoe boys were sentenced to the Boy's Training School at Gatesville Monday afternoon in juvenile court. The boys were charged with "wilfully injuring the personal property of others" and "burning the personal property of others" following an incident on Monday, April 27.

The two boys allegedly poured gasoline over a large German Shepherd dog on West American Blvd. and set the dog afire.

Investigating the dog burning incident were officers of the city and county police and the fire department.

County Judge Don Cihaktired the youths.

Country Club Dining Room In Operation

All facilities are completed in the new addition to the Muleshoe Country Club and the dining room is now open under supervision of Mr. and Mrs. Alton Milstead of Farwell.

The board of directors met Tuesday night and will announce grand opening plans in the Sunday edition of The Journal. Muleshoe Country Club's new golf pro, Pearl Ward and Mrs. Pearl Ward, have arrived from their former post in Lubbock and the new assistant pro, Romi Carpenter, formerly of Lubbock has also arrived at his new post.

On Saturday, May 16, the Country Club swimming pool will open. Hours are from 1 p.m.-7 p.m. There will be a lifeguard on duty.

Muleshoe Jaycees, for the \$150 contribution; the Three-Way Lions Club and the Muleshoe Study Club, for their \$100 contributions.

Business and civic organizations who supported the library,

Questions On Hospital Vote

Q. Many times, we poor taxpayers have had emergencies like the ones being sold all over your front page. And many times, we have had to go somewhere else for treatment, because if you're sick and don't have the money it's no good to go to the hospital here in town. Cause they won't admit you (as the poor taxpayers). Unless you show them the money. What we would like to know is, should we get sick and be without money at the time we are taken to the hospital, and if the new hospital is built, are we going to get attended to, or not? We doubt if this will get printed, for the Muleshoe Journal has been backing the new hospital all the way, but everything has two sides, even if all the rich and well to do people here in Muleshoe, Texas support this issue, what of the poor, what of the people that have been turned away when in medical need?

A. Back when the hospitals were privately owned, they had a legal right to refuse admission to any patient. This was done in some instances. The present hospital is organized as a non-profit corporation, and may not refuse admission to anyone who had any type of emergency need. Since September 1, 1968, this hospital has not refused admission to anyone in these circumstances.

Q. Is Hill-Burton Foundation in any way connected with the Federal Government?

A. Yes.

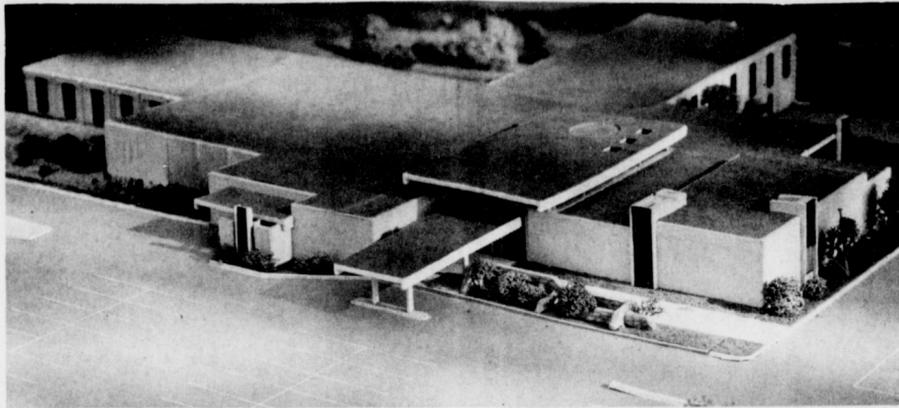

Q. Is it distributed through state control, or controlled by the individual state?

A. Funds to state, distributed thru state health departments.

Q. Why hasn't the public been informed of the "disastrous condition" prevailing in our hospital as officials became aware of the pending 'demise' of the present hospital?

A. We refer to September, 1967, when a series of stories

Cont'd on Page 2, Col. 6

PROPOSED HOSPITAL FOR BAILEY COUNTY--Pictured above is a model of the proposed hospital for Bailey County. Much interest is evident in the Hospital District and Bond Election which will be held Saturday, May 16. First on the ballot will be

the proposal to create the hospital district and the second item will be for passage of a \$950,000 bond issue to match will Hill-Burton funds to construct the facility.

Postal Increase Asked Of Congress

The Post Office Department today proposed parcel post and catalog rate increases totaling \$ 123 million to help meet the added costs of pay increases in recent years, according to local Postmaster, Spencer Beavers.

The proposed increases--which average 15.4 percent for parcels and 6 percent for catalogs -- must be approved by the Interstate Commerce Commission before adoption by the Department.

Facing a \$2.5 billion postal revenue deficiency in the coming fiscal year, the Administration recently asked the Congress to increase postage rates for first- and third-class mail 33 percent and second-class by 48 percent.

Higher parcel post rates (zone-rate fourth-class mail) are also needed to comply with legal requirements that these services pay at least 96 percent of their fully allocated costs.

No increase has been asked for educational materials (packages containing books and phonograph records.)

Under the proposals, minimum postage for parcels mailed for local delivery would be increased from 50 cents to 60 cents.

Student Council Sets Reception For Miss Paul

Retiring teacher, Miss Greta Paul, of Muleshoe High School, will be honored by the Muleshoe High School 1969-1970 Student Council at a reception Sunday, May 17.

Betty Harbin, of the council, said the reception will be held at 2 p.m. in the Muleshoe High School cafeteria.

Expected to attend the reception are present and former students and community.

For non-local deliveries, the minimum per parcel rate would go from 60 cents to 65 cents. This 5-cent increase would apply on 2-pound parcels going to non-local zones one and two (distances up to 150 miles).

Some typical proposed rate hikes are as follows: a 5-pound parcel from Chicago to New York or other Seaboard cities in the Middle Atlantic states from \$1.05 to \$1.20; and 8-pound parcel going from East Coast cities to West Coast points (zone eight), from \$2.15 to \$2.60; an 11-pound parcel for local delivery, from 65 cents to 80 cents.

The Department estimates that for 46 percent of its parcel post volume, the increases would amount to five or 10 cents per package.

Catalog rates will be increased a flat two cents per piece, both for individual-piece and bulk-rate mailing.

Band Concert To End Year This Thursday

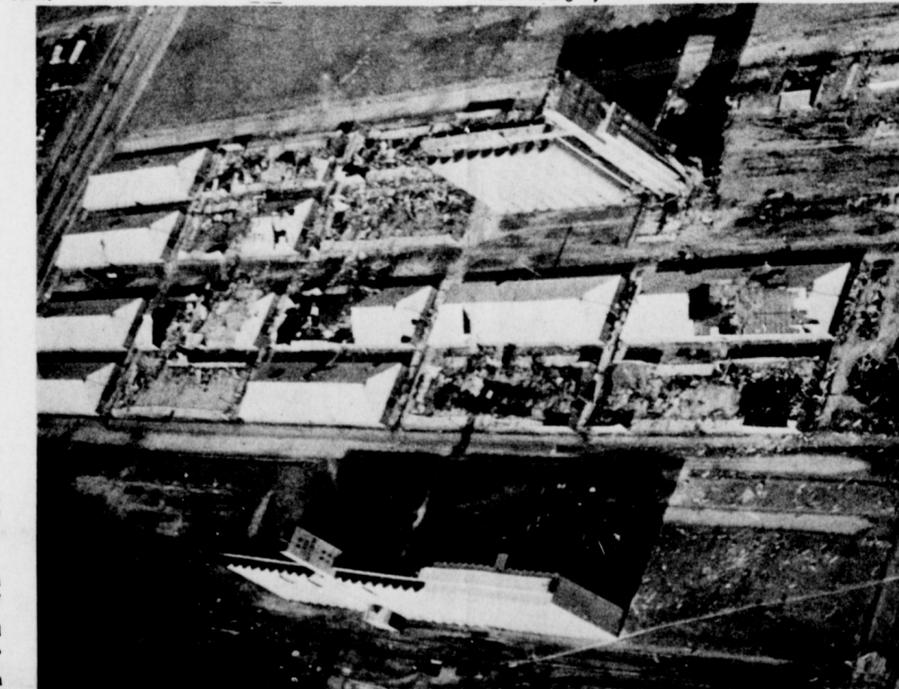

Thursday, May 14, will be the last opportunity to hear this year's Muleshoe High School Band. The 82 member group has just returned from representing the Muleshoe area at the Six Flags Band Festival in Dallas. The performance will be in the Muleshoe High School auditorium at 8 p.m.

They received a II division there while competing with 15 other AAA bands. To qualify for this contest, each band had to make a I division in the UIL Concert Contest.

"Having just completed performances in Lubbock and Dallas, the band is looking forward to playing for the hometown audience," said bandmaster Jim Harvey. "The support for these students has been excellent and this concert is their appreciation."

The program will include the three numbers which were used in contests this year, along with three selections from "The Sound of Music," "Cherish" and a medley of Civil War

Cont'd on Page 2, Col. 3

LUBBOCK DEVASTATED BY TORNADO--Just a small portion of the vast area of destruction left in the wake of a tornado path in Lubbock Monday night is pictured here. Scattered remains of one of the large elevator complexes is shown here. The tornado killed more than 20 people, injured hundreds. Ambulances, police doctors, nurses and civil defense workers poured into the paralyzed city throughout the night from Texas and Eastern

New Mexico to help. With hospitals overflowing, hundreds of injured persons were taken to churches until they could be seen by doctors and nurses. Hospitals could only treat the more seriously injured as the 9:46 p.m. tornado left strewn debris and wreckage from Texas Tech University in West Lubbock to the airport in northeast Lubbock.

--Journal Photo

On September 1, 1968, a group of interested citizens met together and formed a non-profit group in order to merge the two hospitals in Muleshoe. At the time, Green Memorial Hospital and West Plains Hospital were both in operation. It was felt by the group that a merger was necessary in

order to keep a hospital open to serve the Muleshoe and trade area around Muleshoe.

The group, Don Harmon, Olan Burrows, Jack Young, Bill Loyd, Harvey Bass and Alex Williams acted in the name of the board to purchase the hospitals.

They issued notes and since that time have used profits from the Muleshoe Nursing Home and the pharmacy in the hospital to pay the notes as they become due.

At the time of the merger, which closed Green Memorial Hospital as a hospital, and left West Plains Hospital open to serve the public, Muleshoe was in drastic straits concerning hospitals and doctors, according to a spokesman for the hospital board.

Green Memorial Hospital did not qualify for federal programs because of the structure of the building and West Plains Hospital was down to one doctor. Owners of West Plains Hospital were Dr. B. O. McDaniel, Eddie Faust and the Birdsong Estate, while Green Memorial Hospital was owned by Dr. W. M. Dean, Dr. B. E. Sanderlin, Roy Kelley and Marshall Cook.

Since the one hospital has been in operation, it is presently operating on marginal approval for federal government health programs, said the hospital spokesman.

The present hospital officials have had numerous requests from federal inspectors for improvements to the present hospital in order to keep obtaining

Cont'd on Page 2, Col. 8

Burrell Black Speaks Out On Hospitals

Burrell Black, 40 year Bailey County resident, gave his thoughts and ideas on the upcoming Hospital District and bond election which will be held Saturday, May 16.

The longtime Bailey County farmer said:

"We think our taxes are too high when we go to pay them, and we might not get more doctors with this hospital."

"But, we all know for sure we cannot get doctors if we don't have a good hospital."

"In my opinion, we are going to pay a lot more without the hospital than we will with it."

"If this bond election fails, the property, both farms and city, will depreciate enough to cost a lot more than the tax will be."

"Why would any hands with young families want to stay here?"

"I don't know what price to put on lives. . .do you? Mine isn't for sale!"

Controversy Grows In Hospital Issue

Much interest and much controversy is in evidence in the upcoming Hospital District and Bond election.

One spokesman for an opposition group, Richard E. Black, of the Bula community commented, "This is Muleshoe's problem, we feel that if

Muleshoe wants a hospital, they should solve it, it is not for Bailey County to solve.

"One-third of the county should not be asked to help pay for a hospital they would never use. We are not against a hospital in Muleshoe, but we are against paying for it," he continued.

"Although Bula was asked to pay their share of taxes, they were not represented on the Hospital District Board.

"Most people from Bula go to a hospital in Littlefield and Maple and Enchs people go to a hospital in Morton," said the spokesman.

"Our main concern is fairness, we feel that we have been mistreated in the southern area of the county. We don't see why we should be required to help pay for a hospital district through taxes due to our geographical location.

Cont'd on Page 2, Col. 7

Private First Grade Possible For Muleshoe

Because of many inquiries concerning the possibility of instituting a private first grade for Muleshoe youth, Rev. Bill Swope of the Muleshoe Children's Center has announced that a survey will be taken in the area to check on the need for such a project.

The first grade would be state accredited, and would be for those youngsters who will be six years of age after September 1 and before January 1 of the following year.

Such youth are ineligible to attend public school, some missing the enrollment by only a few days or weeks.

If it is determined that such a need exists, a private first grade will be instituted, and students successfully completing the private first grade will be eligible to enter the second grade in public school the following year.

Rev. Swope said the school would be open to all students with no regard to religion, race or national origin.

The minister commented that many children, especially those who have had some nursery school or kindergarten training and will be six years of age prior to January 1 are actually ready to begin school.

For further information, call 272-3329.

Clubs, Groups Endorsing Hospital Issue

Because of the great interest created within Bailey County concerning the Hospital District and Bond election which will be held Saturday, May 16, several groups and organizations have endorsed the election.

Passing resolutions endorsing the proposed district and bond election includes the following organizations: Muleshoe Lions Club; Muleshoe Jaycees; Muleshoe City Council; Businessmens Activities Committee of the Chamber of Commerce; Ladies' Auxiliary of the Chamber of Commerce; the Bailey County Ministerial Alliance and the Muleshoe Area Industrial Foundation.

Membership...

Cont'd From Page 1
show their support of both bookmobile and local library services.

The schools and area Friends are assisting with receiving monies from memberships. Membership cards-receipts will be given to students by FOL workers upon receipt of funds-varying from \$1 on up. (It is pointed out that those who are able to contribute only 25 cents as a membership donation to library services will be awarded cards also. The interest is what is most important, officials pointed out.)

Area chairmen are working in Three-Way area; they are chaired by Mrs. Herbert Sower and Mrs. Buck Ragsdale. Friends area chairman in Bula is Marion McDaniel. Working with the Lazbuddie area are Mrs. Bill Brown and Mrs. Wayne Gilliland.

The Muleshoe business drive is being spearheaded by the Ministerial Alliance. The support of all persons wishing to acknowledge their interest in both the bookmobile and public library are asked to join FOL this year especially, Harbin stated.

It is stressed that all 1970

funds will go into the new library building in Muleshoe which will house the four-county bookmobile services. The memberships will form an important memo to State Officials of Friends of Library current support in the area; that is why the drive this year is most important, Harbin said.

Postal...

Cont'd From Page 1
To compensate for the extra costs of hard-to-handle parcels, the Department is requesting a 75-cent per-piece surcharge on parcels more than 36 inches long, or over 84 inches in combined length and girth. This would replace the 10-pound minimum charge now in effect for "balloon" parcels.

The proposal, published in today's Federal Register, invites interested persons to file written statements with the Department by May 25, and participate orally in an informal conference in Washington scheduled for June 1.

After consideration of the views submitted, the Department plans to submit its final proposals to the Interstate Commerce Commission in June for new higher rates.

The effective date of any increases would depend upon ICC action. If the Commission takes no action for 30 days, the proposals would be approved automatically.

However, ICC can elect to institute an investigation of the Department's proposal. In that event, that agency has 180 days from the June filing date to rule upon the Post Office Department petition. The law requires the class mail be breaking even (within four percent) or that he has requested the ICC to approve rate changes and other reformatations which would place the service on a self-sustaining basis.

Full schedules of the proposed rates are available to interested mailers for their consideration. These are subject to change and the final schedules submitted to ICC may reflect revisions.

Concert...

Cont'd From Page 1
Music. Three students, Melanie Precure, Debbie Schuster and Curtis Buhrman will perform a concert.

There will be no charge for this final performance for the 1969-1970 Muleshoe High School band.

Thanks...

The continued interest and support of these, and other, businesses and organizations as groups is a source of local library expansion, officials added in giving their thanks to the 1969 Library Patrons Groups.

It is impossible to enjoy idling thoroughly unless one has plenty of work to do. -Jerome K. Jerome.

Highway Construction John Gulley Is Finalist For Intern

The Texas Highway Commission today approved development of 7.5 miles of Farm to Market Roads in Bailey County as part of the 1970 Texas Farm to Market Road Program.

District Engineer Oscar L. Crain of the Texas Highway Department said the estimated cost of the work is \$345,000.00. Bailey, from New Mexico State Line, East to FM 1760, 7.5 miles, \$345,000-C; Cochran, from St. 214, 9.0 miles South of Lehman, East to FM 1780, 12.5 miles, \$282,000-C; Crosby, from FM 378, North of Lorenzo, East to US 62, 8.4 miles, \$270,000-C; Lubbock, from FM 2641, South to St. 116 and FM 2378, 4.7 miles, \$123,000-C and Swisher, FM 2301 from FM 1318, South to St. 86, 4.3 miles, \$79,100-C. Total -- 37.4 miles, \$1,099,100-C estimated cost.

The work will be under the supervision of Mr. Rhea Bradley, Supervising Resident Engineer, of Littlefield, Texas. Work authorized in this county is part of 543.1 miles of Texas Farm and Ranch to Market Roads earmarked for development in the new program.

The program includes 144 projects in 109 counties. Estimated total cost of the program is \$22 million.

New construction totals 377.6 miles, with an estimated cost of \$18.2 million.

The remaining \$3.8 million represents additional financing on 165.5 miles of previously designated roads.

The additional new mileage brings the designated Farm and Ranch to Market network in Texas to 39.8 thousand miles. This is 1 1/2 times the combined total of all State-maintained highways in the six New England states.

Originally planned to help "get the farmer out of the mud," the network has enhanced the social and economic well-being of millions of rural Texans.

In the new program, 77 percent -- 235 miles -- of the new mileage is used by school buses. Sixty-seven percent -- 207 miles -- is included in rural mail routes.

But the system has not benefited just the rural resident. Many Farm and Ranch to Market Roads provide access to recreational areas for urban and rural residents alike.

The FM system also includes some of the most scenic travelways in Texas. One-third of the total mileage of the 10 Texas Travel Trails is over roads in the FM-RM system.

Many industries are served by roads in the Farm to Market network. The system has been credited with opening up new areas for industrial growth, facilitating movement of raw materials, employees and finished products.

A Muleshoe youth has been named as a finalist in the statewide selection of college students for a summer political intern program sponsored by Congressman George Bush, Republican candidate for the U.S. Senate.

The finalist is John David Gulley, son of Mr. and Mrs. Davis Gulley, a student at Texas Tech.

He is among the 100 college students selected from hundreds of applications for the intern program, which was proposed by Bush to involve students in a major political campaign.

Applicants were judged on the basis of activities, leadership and scholarship. The 100 finalists will be interviewed by members of the Bush for Senate staff before the final selection of the 30 interns in late May.

On July 6, the interns will begin an intensive six-week program designed to give comprehensive training in campaign research, candidate scheduling, media coverage, and organization from the precinct to the state level.

Controversy...

Cont'd From Page 1
"Five other hospitals are nearer people in the southern part of the county than is a hospital in Muleshoe," continued Black.

He also said Muleshoe could not afford a hospital such as the hospital proposed in the election. Black suggested the hospital district board was moving too fast and not properly checking operation of other hospitals of the type proposed.

The spokesman said the hospital could possibly lose \$118,080 per year if it is not used to full capacity and doubts that such an operation would prove to be successful.

During a town hall type meeting Tuesday night, Dr. Charles Lewis, president of the Bailey County Hospital District Board, explained to a group of people, including more than 15 from southern Bailey County, why he felt a hospital district was needed.

Numerous questions were asked by several persons who presently reside in southern Bailey County and alternate suggestions given for other routes. Dr. Lewis explained that all possible routes had been exhausted and why the board felt the hospital district was the only way open to the area for improvement in facilities.

In the farming area, a top 160 acre dry land farm would be \$16 per year and a top 160 acre irrigated farm which is well improved would carry a tax of \$48 a year and 160 acres of grassland pasture would have a tax of \$12 per year.

If Bailey County voters approve the hospital district and the bond election on Saturday May 16, proposed for the county is a 50 bed hospital which would be complete and ultramodern, capable of handling all emergency operations and activities.

The hospital district board checked the possibility of obtaining funds from Housing and Urban Development (HUD) but that possible door was closed when the federal government changed their policy and eliminated the chance of acquiring funds from that particular government agency.

Boxes One, One-A, Two and Three will vote at the Muleshoe City Hall and boxes Four, Five and Six will vote in the Needmore Community Building.

First issue on the ballot will be a vote 'for' or 'against' creating the Bailey County Hospital District and second will be to pass a bond issue in the amount of \$950,000. The bond issue, if passed, will be matched with a Hill-Burton grant, which does not have to be repaid. On passage of the bond issue, application will be made the Hill-Burton Foundation for the matching funds.

"I am proud of the training utilized by the members of my department," concluded the fire chief. "They learn to fight fires, explosions, evacuation, civil defense, how to assist in tornadoes and other emergencies of any type."

Hospital...

Cont'd From Page 1
ing federal funds under Medicare and Medicaid programs.

In mid-summer in 1969 members of the Bailey County Commissioners Court named nine persons from various areas of the county to serve on a temporary committee to explore the various possibilities of acquiring needed hospital facilities for the area.

Named by the commissioners were Dr. Charles Lewis, Dr. B. Dillman, Don Harmon, Dr. Burelsmith, Mrs. Berna Phelps, Mrs. J.G. Arm, Sam Damron, Eddie Beene, and Freddie Parkman.

After two years of checking various methods and numerous hospital facilities, the board members decided the only feasible route to acquire facilities for Bailey County would be hospital district.

Stressed throughout the many explanatory talks given in interested groups and clubs, was the fact that no federal funds may be used to remodel or reconstruct existing facilities. In fact, on the day a new hospital opens its doors for business, the doors of an existing hospital must close. The board members said the present hospital, West Plains Memorial Hospital, would be converted to a 100-bed nursing home.

Funds from the nursing home would be used to pay off the notes presently due prior owners on the 1967 purchase and consolidation. It was noted that the present balance on the notes is \$380,000. This amount is being paid in monthly payments to the eight individuals who formerly owned West Plains Hospital and Green Memorial Hospital.

After the notes are paid off to the prior owners, plans are to use the funds to pay on the hospital bond issue, with the possibility of reducing taxes in the future.

The board of trustees also added that the tax which would be levied for the new hospital would be nominal yearly. For instance, using a \$2,000,000 valuation, if the value of a property is \$4,000 and assessed at \$500, the yearly tax would only be \$5; for a property valued at \$8,000 and assessed at \$1,000, tax for a year would be \$10; on a \$12,000 valued home, with an assessed valuation of \$1,500, the tax would be \$15.00; for \$16,000, and assessed at \$2,000 the tax would be \$20; on a \$20,000 home, assessed at \$2,500 the tax would only be \$25 and on a \$24,000 home, assessed at \$3,000 the tax would be \$30 per year.

In the farming area, a top 160 acre dry land farm would be \$16 per year and a top 160 acre irrigated farm which is well improved would carry a tax of \$48 a year and 160 acres of grassland pasture would have a tax of \$12 per year.

Bula News

Mrs. John Blackman

ila and Enoch's Methodist churches were hosts Sunday for their annual charge conference, held at the Bula Methodist Church. Dr. Jordan Oms, district superintendent, from Brownfield, presided and also brought the message Sunday morning. Sunday morning Jennifer Kirk, small daughter of Mr. and Mrs. Tom Kirk and Shelly Lynn Salyer, daughter of Mr. and Mrs. John Salyer were baptised. Lunch was served at the noon hour. The afternoon meeting began at 1:30. A large crowd was in attendance.

Mrs. John Gunter, music teacher at Bula school, presented her pupils in a recital Sunday afternoon at 3:00 o'clock in the school auditorium to a large audience.

40 pupils took part in the recital. Preceding the program Mrs. Gunter introduced each of her pupils. To open the program the fifth and sixth grades sang "Smiles" and also "God Bless America" for the closing song.

Mrs. Gunter teaches two full days a week at the Bula school and three days in her home. She has been teaching in the school for 22 years. Other than pupils at Bula she has students from Whiteface, Morton and Three Way.

Sunday company for the C.L. Cannon's were their children, Mr. and Mrs. R.E. Martin and daughter, Beverley of Lubbock, and Mr. and Mrs. Jimmy Cannon and children, Timmy and Janice of Bula.

Pam Layton and Diane Crume, students from Bula that attended the small school seminar at South Plains Junior College, Levelland were in the group of students that drove to Big Springs, Monday and toured the State Hospital. The group went by bus from Levelland and the tour was conducted by their professor.

J.W. Layton spent the weekend with his sister, Mrs. Dovie Long at Possum Kingdom and they attended the McAdams cemetery meeting Sunday.

Judy Snitker was host to a slumber party Friday night at her parents home, Mr. and Mrs. J.C. Snitker, honoring the Senior girls. For entertainment the group enjoyed seeing movies taken of the members of the senior class when they were first graders and also during their entire school years. The

group had lots of fun, and as usual lots of eating and not much sleep.

Raymond Teston visited Sunday with his daughter and family, Mr. and Mrs. Avon Rushing at Snyder.

The community was grieved to hear of the death of D.T. Johnson of Littlefield, Mr. and Mrs. Johnson and daughter, Sue resided in the Bula community for several years before moving to Littlefield. Several friends of the community were in attendance for his funeral at the Littlefield Methodist Church, Tuesday.

Lazbuddie

FHA News

by Debra Jennings
Recently four girls attended the state FHA meetings in Austin. The girls were Johnee Seaton, Delayne Steinbock, Mary Longoria and Debbie Jennings. Mrs. Jessie Gilliland and Mrs. John L. Seaton also attended the meetings.

Johnee and Delayne went on their state degrees while Mary and Debbie went on points attained during the year.

They took the 7:10 a.m. flight to Austin. Upon their arrival they first settled in their rooms at the Terrace Motor Hotel and then they traveled downtown where the girls went shopping. That night Johnee, Delayne and Mrs. Gilliland attended the state degree practice.

The next day they attended the first general session in the morning and the second general session in the afternoon. In the second general session the girls who earned their state degrees were honored. It was at this time Johnee and Delayne received their state degrees.

The next day they attended the third general session. At this session was held the regular business meeting and then there was the installation of the officers for 1970-71.

The girls then took the 5:00 p.m. flight back to Lubbock where they were met by their families.

On Tuesday, May 5 the Lazbuddie FHA held a Tasty Tea and Style Show in the cafeteria. Several different new dishes which the girls made were served. Many girls modeled dresses and pants they had made in Home Economics or for Home Experiences.

Tornado Season Warnings Given

AUSTIN--The sky grows dark and threatening, and off in the distance a dull roar can be heard as a funnel cloud dips on the sky. A tornado has formed and rears damage to life and property.

That sort of scene, according to the Texas Safety Association, occurred 127 times in Texas during 1969. The statewide safety group points out that the tornado continues to be Texas' top weather worry.

According to the safety association, tornadoes can occur anytime of the year, but they occur most frequently in Texas between March and October. During May of last year 5 tornadoes were reported in the state.

The damage from the 1969 storms amounted to \$2,341,750 and there were three deaths in Texas.

The Texas Safety Association says the U.S. Weather Bureau, State Civil Defense and Disaster Relief, and the Texas Department of Public Safety have prepared a list of rules to follow in case of a tornado disaster.

The safety association points out that to know these rules may mean the difference between life and death.

Here are the tornado safety rules:

1. The safest place to be during a tornado is in a cave or a storm cellar. When time permits, go to a storm cellar, cave, or underground excavation which should be kept fit for use, meaning free from water, gas or debris, and preferably equipped with a pick and shovel.
2. If you are in open country, move at right angles to the tornado's path. Remember that tornadoes move ahead to about 25 to 40 miles per hour as a general rule. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine to avoid injury from objects being hurled through the air.
3. If you are in a city or town, seek inside shelter, preferably along the inside walls on the lower floors of a steel reinforced building. Stay away from windows.
4. If you are at home in a frame-house, the southwest corner of the lowest floor (preferably a basement) offers greater safety. People living in brick or stone houses should find other shelter, such as a storm cellar or the southwest basement corner of a frame house.

If time permits before a storm strikes, turn off the gas and electricity. Windows and doors on the north and east sides of the house may be opened to help reduce damage to the building from outdoor pressure differences.

5. In factories or industrial plants, a lookout should be posted immediately upon receiving a tornado warning, and he should keep safety officials advised of the tornado's approach.

Advance preparation should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant.

Workers should be moved to sections of the plant offering the greatest protection.

6. Above all, keep calm. Persons have been killed by running out into streets and by turning back into the path of a tornado.

Even though a warning is issued, the chances of a tornado striking one's home or location are slight. As a rule, tornadoes cover such a small area that relatively few places in a warned area are directly affected. You should be familiar with the safety precautions, however, in case a tornado does approach.

7. Keep tuned to your radio or television station for the latest information when tornado warnings have been issued. Do not call the Weather Bureau, except to report a tornado, as your call may tie up telephone lines urgently needed to receive special reports, or to relay messages to radio stations for broadcast to thousands in the critical area.

The Texas Safety Association also says there is sometimes confusion over terms used in the reporting of tornadoes by the weather bureau.

The bureau says the association, issues "Tornado Forecasts" for a relatively large area in which weather conditions will be favorable for one or more tornadoes to develop.

A tornado alert occurs when one or more weather stations locate an area of turbulence or cloud formations which indicate the probability of a tornado.

Tornado "warnings" are announcements that a tornado has been sighted and reported. The warnings tell where and when the tornado has been reported and lists the names of communities toward which the tornado is moving. These warnings cover a short period of time, usually less than an hour, and are for the purpose of advising persons in the path of the storm to take immediate safety precautions.

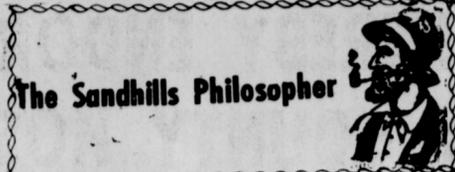

News of Our SERVICEMEN

Joe L. Moet

USS PEORIA--Navy Seaman Joe L. Moet, of 1305 Walnut St., Friona, has arrived in his new homeport of San Diego aboard the amphibious assault ship USS Peoria.

The Peoria had been operating from Long Beach, Calif., since being commissioned in January.

Self-interest has always been the foe of national security and the destroyer of patriotism.

Editor's note: The Sandhills Philosopher on his Johnson grass farm surveys the world situation this week, we think. Dear editor:

After reading every newspaper I could get my hands on during the last few years

Dear Editor:

What my life is worth to me!

The reason I feel Muleshoe needs a hospital, and why, I sat in my home tonight and was watching the weather on TV. The news forecaster was talking about the weather and tornado which they had in Lubbock, Dub Bollis said that one hospital was overrun with people and that they could not admit anyone else. (What will happen to the people in and around Muleshoe when this happens here?)

I own a small amount of land, and pay my taxes, the same as everyone else. I don't really enjoy paying taxes, I could use the money in many other ways. I have been in a few accidents and was real proud to be able to have a hospital close in which I could use.

Everyone who talked to me against the hospital says it will be a national debt, and my children and yours, will be paying for this. If my children do help pay for this, won't they benefit from the hospital when needed, the same as I, or you?

I sincerely feel Muleshoe needs a new and updated hospital, but I think that it should be run in a businesslike manner, so everyone will have a chance to benefit from it.

Muleshoe has tried and tried to get some sort of industry here. Why should anyone want to come to a town that had poor medical facilities, I know Muleshoe has good doctors here now, but it seems that they can see just so many people a day. How many lives could be saved if people did not have to be sent to a larger and more modern, equipped hospital?

I feel I could go on giving reasons why Muleshoe should and must have a new hospital, all night!

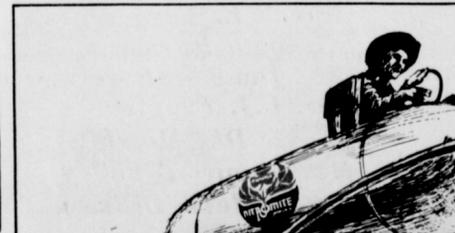

My life is worth more to me than any price of any hospital. What is yours worth, and what are we going to do with all the tax money we save if we do not build a hospital?

I guess we all could go out to all the grave yards and just maybe we could answer that question.

stan asking for help before its government topples, turns to a secretary and says, "Afghanistan? Whereabouts in North Dakota is that? Let the Governor handle his own problem."

It's too late to get Congressmen born in a log cabin, but it looks like we ought to be able to find some who grew up without television and never heard of Kubango and don't know whether it's a river or a principality. Don't ask me which either.

We need somebody who, when a delegation arrives in Washington from some unpronounceable foreign country asking for help and advisers, says, "Well, you see, we got this note to meet ourselves, but I hope you have a good trip back to Mississippi."

It's getting financially harder and harder to get to the moon and Southeast Asia at the same time. I don't want to sound like a protester, but I say down with geography.

Yours faithfully,
J.A.

One of Those Silly Hazards--

"A party platform is a mighty important consideration," said one statesman.

"Yes," replied the other, "a party platform in politics is a good deal like a bunker in golf. The rules require it but you show your skill in avoiding it."

New Contestants Being Sought For Pageant

Dimmitt, Texas (Special)--The Castro County Chamber of Commerce has extended invitations to girls 17 and older to become contestants in the Miss Grain Sorghum of the Nation Pageant. The two day affair will be staged in the Dimmitt High School Auditorium August seventh and eighth. Times for performances both nights have been set for 7:30.

Any girl who is of good reputation and who is endorsed by a civic club or business firm is eligible. Contestants must be single. This year, all contestants will be given an opportunity to present their talent acts before the judges. Previously, only the ten finalists presented their talent.

Top prize in the pageant will be a \$1,000 college scholarship. Money may be used at any school of the winner's choice, provided the scholarship is used within one year. If not used, the Castro County Chamber of Commerce retains the funds which are made through generous contributions from grain sorghum related industries.

Along with the title and scholarship the contestant chosen Miss Grain Sorghum of the Nation will be the special envoy for one year of the grain sorghum industry. Past appearances by winners have been made before the National Grain Sorghum Producer's Convention; groundbreaking ceremonies; chamber of commerce dinners and on regional television hookups.

Drunk or Sober?

The breath test shows the difference between the drunken driver and the one who is legally sober.

Statewide use of the breath test, the Texas Safety Association says, can cut the Texas traffic toll.

TO THE RESIDENTS OF BAILEY COUNTY...

I attended a meeting recently at Needmore that was a question and answer session to explain the proposed Hospital District and Bond election.

I would like to review some questions with you, most of which were asked at the meeting. I wasn't too pleased with answers or in some cases, a lack of an answer.

First of all, I am not accusing any of the proponents of this action of any wrong-doing or any personal motives. I feel that in their zeal to provide hospital facilities they have moved too fast, and have failed to take into consideration all of the problems and possibilities.

1. Is this election being conducted fairly? I don't think so. With only two election boxes in the county, one should have been placed at Enoch, Bula, or Maple rather than at Needmore. It doesn't take a crystal ball to tell how residents in the south end of the county would vote, but will they drive more than 30 miles to cast that vote? IS THIS FAIR? IS THIS LEGAL?
2. Why should residents in the far south end of the county be forced to pay taxes to support a hospital that most of them will never see, let alone ever use? Most of these residents are closer to five other existing hospitals and are less than 10 miles farther from Methodist in Lubbock than from Muleshoe. IS THIS FAIR? IS THIS LEGAL?
3. Shouldn't this campaign be conducted on the advantages of a hospital in Muleshoe rather than the disadvantages of Methodist in Lubbock? In the past few days I have heard several "scare stories" concerning Methodist Hospital and I would like to have some names, dates and circumstances before I accept them, I have never known of anyone who had an emergency to be turned away from Methodist Hospital.
4. Will the other hospitals in the Area quit taking referrals? We heard several people voice this opinion but heard no facts to substantiate this statement. I find it hard to believe that will be the case.
5. Can Muleshoe really afford a hospital with the facilities being requested by the proponents of this election? I was told that Muleshoe currently has a 40 bed hospital which is not being used anywhere near capacity. In a news item in the Muleshoe Journal, Thursday, May 7, the West Plains Memorial Hospital trustees are quoted as saying, "...the present hospital facilities are facing an economic crisis." Would a tax supported institution fare any better or would the fact that the taxpayers would have to sustain the loss make it more acceptable? Information given to me by the proponents of this election states that a tax rate of 50¢ per \$100 valuation with 20¢ for maintenance and operations, would yield \$57,600.00. If I understand the situation correctly, this means that the Hospital could lose \$57,600 per year. From what was said at the meeting I believe that if needed, the tax rate could be raised to 75¢ per \$100, which would permit the Hospital to lose \$118,080 per year. Multiply this figure by five years or 10 years or even 15 years and you come up with a staggering figure.
6. Will a hospital of this type be successful? How many districts have been created in the past 20 years? How many are now in operation? How many are showing a profit? How about giving examples of operations in communities similar to Muleshoe. With answers to these questions we voters could form an intelligent opinion, but when these questions are asked, the answers are generalities. In their zeal, the proponents of this election are moving too fast to provide these facts.
7. Is there any other alternative? The proponents of this election say no, but I cannot agree. A news item from the Lubbock Avalanche-Journal of Thursday morning, May 7, 1970, Page E-7 quoted in part but not out of context stated: Levelland--(Special) "Hospital Corporation of America has issued a proposal to construct a new 57 bed hospital here, contingent on the closing of South Plains Hospital. . . H.C.A. will construct, staff and maintain a new 57 bed hospital in Levelland if the South Plains facility is converted from a hospital to some other type of business." When I read this item in the meeting, I was told that this arrangement wasn't desirable because the local people wouldn't have any say in the operation and staff of the hospital, and that if the hospital didn't show a profit that the prices of services would be raised to the point that the hospital would show a profit. It has already been pointed out that if the hospital built with tax bonds doesn't show a profit, then either taxes are raised to cover the loss or the hospital is closed with many years of bond payments to be made. This item further states, "The county official (Judge Hulan Moreland) said that the estimated cost of forming a Hospital District was prohibitive and that he and the Commissioners preferred to obtain adequate hospital facilities for the area at a more reasonable price." End of quote. If Hockley County cannot afford a Hospital District, can Bailey County? I don't feel that the proponents of this election have considered these problems and possibilities sufficiently.
8. It seems that the proponents of this election make their strongest appeal to the emotions. What if there is an accident, or a school child is injured, or an older person had a heart attack? I saw no facts to prove that Muleshoe would be without medical service. Supposition, yes, but facts? No! Even then, I feel that it is a problem for Muleshoe to solve and not a problem for Bailey County. I would ask each of you who feel that I have presented a good sufficient case to vote NO! on Saturday, May 16. Give the planners time to investigate all possibilities and get all the facts available. Then next year, if the Hospital District is the only answer, with fair approach and with all the facts before the voters, another election could be called. I personally feel that acceptable medical facilities can be provided Muleshoe without creating a Hospital District and I will do anything within reason that I am asked to do to accomplish this end. I have no ill will for anyone concerning the election and freely grant them their freedom to their beliefs, but I ask for and claim the same privilege for myself.

Mrs. Welch Attends Methodist Conference

HOUSTON, Texas--Mrs. W. L. Welch, Star Route, Maple, Texas among 10,000 United Methodist women from all 50 states and overseas who are attending the 1970 Assembly of the Women's Society of Christian Service and Wesleyan Service Guild here May 7-10. The theme of the Assembly is "Choose Life."

The Assembly brings United Methodist women together for inspiration, study, discussion and fellowship, and to focus attention on their work in missions, Christian social relations and other areas of church life and work.

The Women's Society of Christian Service and the Wesleyan Service Guild are the women's organizations of the United Methodist Church. The women attending the Assembly are among 1,800,000 members of the Society and Guild in 38,000 local units.

The 1970 Assembly is the first to be held since the 1968 union of the former Methodist Church and the former Evangelical United Brethren Church and the merger of their women's organizations. During the last 30 years, Women's Society and Guild members have given more than \$300,000,000 through their organizations to missions and

related Christian causes at home and overseas. Emphases in the Society and Guild program encompass missions, Christian social relations (including such areas as peace, racial justice, welfare rights, and minority economic development), spiritual growth, ecumenical relations, leadership development, and mission education and interpretation.

The Assembly is sponsored by the Women's Division of the United Methodist Board of Missions, which is the national policy-making body for the Society and Guild, Mrs. Wayne W. Harrington, Omaha, Nebr., is president of the Women's Division.

Among the 1970 Assembly highlights: an address by Mrs. Theodore O. Wedel, Washington, D.C., president of the National Council of Churches; an address by Miss Theresa Hoover, New

Senior Girls Pannel Guests In Plainview

Special guests of the Plainview City Panhellenic at their annual "Coffee 'n' Coke" party Saturday morning were three Muleshoe High School senior girls and their mothers.

An invitation was extended to all graduating senior girls who are interested in the rules and procedures for College Sorority Rush 1970. The Plainview college alumnae of all sororities participate through the Panhellenic organization, in order to assist prospective rushees.

The informal party, held at 1100 Holiday Drive, Plainview, was attended by Muleshoe High School senior girls, Dana Damron, Rebecca Phelps and Karen St. Clair, and their mothers, Mrs. Sam Damron, Mrs. Bernard Phelps and Mrs. Bill Jim St. Clair.

For information regarding college rush procedures, Mrs. Eric Smith or Mrs. Larry Hall, local sorority alumnae, may be contacted by mothers and their daughters who have further questions.

York, associate general secretary of the Women's Division; an address by Mrs. Harrington; a panel on "An Ordered Society With Justice"; special worship experiences prepared by the Rev. Dr. Wayne R. Rood, professor of religious education at the Pacific School of Religion, Berkeley, Calif.; a display of banners from 86 annual conference Women's Societies of Christian Service; an amateur film festival; special program features on world development, and a closing worship service Sunday morning, May 10.

Treasure Chest Given Away By Llano Estacado

The Llano Estacado Civic Club will give away a treasure chest Saturday May 16 at 3 p.m. in St. Clairs Department Store. You need not be present to win a spokesman said. The treasure chest is filled with an assortment of home furnishing items donated by each of the club members. The

chest has been on display since April 18 at St. Clairs, Mrs. Robert Hunt said, "If you haven't made a donation towards the chest, there will be time Saturday to do so before the drawing." The name drawn will receive the chest and all contents valued at \$300.

The proceeds of the funds from the treasure chest will be used to buy game tables for the Muleshoe Nursing Home. Committee members working on the treasure chest project include Mrs. Ken Angeley, chairman, Mrs. Wayne Peterson, Mrs. Jerry Gleason, Mrs. Henry Stoneham and Mrs. Richard Hawkins, purchase and antique chest; Mrs. Lee Kimbrough, chairman, Mrs. Gary Miller and Mrs. Ronnie Black, tickets; Mrs. Robert Hunt, chairman, Mrs. Ronnie Angeley, Mrs. Eugene Howard, and Mrs. Mac Brown, publicity;

Mrs. Buddy Black, chairman, Mrs. Bud Gilliland, Mrs. Eugene Hawkins and Mrs. Bill Reese, chest gifts; Mrs. Ga Miller, chairman, Mrs. Ron Johnson and Mrs. John Ne Agee, chest display and donation booth.

Bride Elect Party Honoree

Miss Valentina Costilla was honored Friday night from 8 p.m. to 10:30 p.m. in the Muleshoe State Bank community room with a bridal shower.

The serving table was covered with a white cloth centered with a bouquet of pink and white roses. Crystal appointments were used.

The hostess gift was a set of china, Miss Costilla was presented a white carnation corsage by the hostesses.

Special guests were her mother, Mrs. Ysidro Costilla and the groom's-to-be mother, Mrs. Pascual Cisneros.

Serving as hostesses were: Mrs. Elena Hernandez, Mrs. Joe Vela, Mrs. Genaro Sil-

gero, Mrs. Leo Chevez, Mrs. Niko Vara, Mrs. Joe Lopez, Mrs. Mike Perez, Sr., Mrs. Joe Porras, Sr., Mrs. Marcos Costilla, Mrs. Jessie Castorena, Mrs. Manuel Costilla, Mrs. Noe Mora, Mrs. Marco Flores, and Mrs. Dantos Floiz.

Church of Christ Members Attend 'Swap Shop' Meeting

The "Swap Shop" was conducted at Broadway Church of Christ in Lubbock Monday night May 4. There were approximately 1200 in attendance from the South Plains area, 16 from Muleshoe.

After a devotional, classes were held for each age group. These classes were to inform

and show the use of the material, visual aids and other things to be used in Vacation Bible School.

Vacational Bible School at the Muleshoe Church of Christ will be June 1-5.

This "Swap Shop" was conducted free by Sentinel Religious Book Store in Lubbock.

The Muleshoe Church of Christ members attending were: Mr. and Mrs. Royce Clay minister, Mrs. Morgan Locker, Mrs. Donald McGuire, Mrs. Doyce Turner, Mrs. Pete Wilkerson, Mrs. Turman Stroud, Mrs. W.B. Wagon, Jr., Mrs. Elmer Cornelison, Mrs.

Wilson, Mrs. Merlyn Neel, and Mrs. Curtis Smith.

The group had dinner at the Furrs' Cafeteria.

The C. Mahans Honored Sunday

A combined birthday and Mother's Day party was given in honor of Mr. and Mrs. C. McMahan Sunday by their children and grandchildren. It was Mr. McMahan's birthday. The couple was presented a wishing well fountain.

Those attending were: Mr. and Mrs. George Raney and Jerry; Mr. and Mrs. Cleo Ward, Cecil, Danny and Marvin; Mr. and Mrs. Wayland Harris, Sharon, Kenneth, Cynthia, Marily, and Denna; Dorothy Jean McMahan all of Muleshoe; Clyde McMahan of Plainview and Mr. and Mrs. Paul McMahan, Douglas, Deanne and Steve of Littlefield. A son Clarence McMahan and his wife of Muleshoe were unable to attend. Jerry Mick was also present.

Mrs. Berry Monthly Queen

The Jenny TOPS' Club met Thursday night, May 7, in the Bailey County Electric community room with 29 members present.

Weekly queen was Mrs. Rd Clark; first runner up was Mrs. Mae Provence with Mrs. Eugene Shaw as second runner up. A basket of fruit was presented Mrs. Tom Berry for being the monthly queen. She had lost the most weight for the month. First runner up was Mrs. Mabel Wolfe and Mrs. Claude Don Holmes was second runner up.

International Recognition Day will begin in Houston May 14 and continue until May 17. Mrs. Claude Don Holmes will represent the club as yearly queen. Mrs. Holmes had lost the most weight in Jenny TOPS for the year of 1969. She will compete with other club winners throughout the nation on losing weight. The women who had lost the most weight will be crowned queen for the nation. Others going with Mrs. Holmes are: Mrs. Tom Berry, Mrs. H.G. DeLoach, Mrs. W.F. Sain and Mrs. J.R. Otwell.

Craig Harper Presented Award

Craig Harper, son of Mr. and Mrs. T.L. Harper of Route 5, Muleshoe won a Venable AAA award, which was a blue ribbon, Saturday, May 9 at New Deal.

His instructor is Travis Venable of Lubbock. About 45 pupils participated in the guitar recital.

TO AUDITION PIANISTS--Mrs. Cornelis Hurlbut of Des Moines, Iowa, adjudicator for the National Guild Auditions, will audition Muleshoe piano students on Friday, May 15 and Saturday, May 16, in the First United Methodist Church. Mrs. Hurlbut is a nationally known judge for the nationwide Guild auditions.

Baby Shower Honors Mrs. Lee Embry

Mrs. Lee Embry was honored with a baby shower given in the community room of the

PV Social Club Hosts Meeting

Members of the Pleasant Valley Social Club met at the Pleasant Valley community building last Thursday night with hostesses, Mrs. John St. Clair and Mrs. Cotton Wells.

Tentative plans for the July 4 picnic and program were discussed, with Mrs. Kenneth Duncan, president, conducting the meeting.

Members attending and taking part in the program included: Mrs. Kirk Pitts, Mrs. Haberer, Mrs. Sena Stevens, Mrs. Lillie Weurflin, Mrs. Dick Commons, Mrs. Attie Hettinga, Mrs. Claude Hendricks, Mrs. Duncan, Mrs. St. Clair and Mrs. Wells.

Muleshoe State Bank from 2:30 to 5 p.m. Friday, May 8.

Receiving guests with the honoree was her mother, Mrs. Elton Gulley, Mrs. Chester Embry, her husband's grandmothers, Mrs. E.R. Lawhon and Mrs. J.E. Embry.

The nursery rhyme "Old Woman in a Shoe" was carried out in the table decorations with one of the children in the beak of a stork standing near.

Party cookies and punch were served to the guests, Mrs. Kenneth Phipps, registered the gifts as they were opened.

The hostess gift was a bassinet and a diaper stacker.

Hostesses for the occasion were: Mrs. Elmer Downing, Mrs. Willie James, Mrs. E.W. Locker, Mrs. D.O. Smith, Mrs. D.L. Redwine and Mrs. Bill Gable.

Idleness is the refuge of weak minds, and the holiday of fools. -Lord Chesterfield.

Mrs. Bickel Presented Membership Pin

YL WSCS met Monday May 11 at 3 p.m. at the YL Methodist Church to observe "A Call to Prayer and Self Denial". A special offering was taken.

President Mrs. D.B. Head presented a life membership and pin to Mrs. B.H. Bickel.

Mrs. Bobby Chaney was in charge of the program. The program was concluded in the sanctuary of the church with each member kneeling in prayer.

Those present were: Mrs. D.B. Head, Dottie Wilterding, Mrs. E.H. Buhman, Mrs. John Bickel, Mrs. B.H. Bickel, Mrs. Leon Lewis, Nora McCormick, Mrs. Bobby Newman, Mrs. J.C. Gatewood and Mrs. Kenneth Powell.

"You can quote me on this!"

I feel a hospital in Muleshoe is a must. A vote against the hospital might save a man money if the issue is defeated. To myself no amount of money can matter when emergency care is needed. Vote YES.

--Kenneth Heathington

The decision we must make on Saturday, May 16 is not a decision as to whether we build a new hospital in Muleshoe, but whether Bailey County will have any hospital facilities at all. It is a fact that if both issues on the ballot Saturday do not pass the present West Plains Memorial Hospital will be closed. We the citizens of Bailey County cannot and must be without medical facilities for our everyday health needs and the every present chance of accidents that we live with daily.

Those persons who are in favor of these facilities must VOTE. Complacency is the hospital's worst enemy. Vote yes May 16th.

--Bob Stovall

We hear so much about industry being sought by towns, large and small. One of the largest industries of any town is its hospital. Many families would be affected economically if we no longer had a hospital. Consider your health and economy and vote for the Hospital District.

--Earl Harris

I believe that a "yes" vote in the upcoming hospital district election is very essential to the progress of our community and the well-being of each family in the area. We must maintain adequate medical facilities and I feel that having a tax supported hospital is the best way of insuring that we have these facilities.

--Dave Sudduth

I have lived in Bailey County for twenty-three years, and I hope to continue to live here. As the county grows and prospers, I do not know of anything any more important for Bailey County than this Hospital District election.

Some are wondering will it work; granted, there are a few that haven't, but many more have been successful. After five years of operation, Memphis, a town of 4,000, built a new wing on their hospital with the hospital profits. Floydada, for a time was without doctors, but now with the passage of the hospital district, are operating very successfully with five doctors.

For the good of Bailey County, vote yes May 16th.

--Jerry Hutton

I would like to encourage all voters to investigate both sides of the issues concerning the hospital district before they make a final decision as to how they will vote.

My primary concern, as a young father, is adequate emergency facilities. It seems to be part of raising a family, but each family is of some time or another faced with an emergency crisis that requires immediate attention. It may be nothing more than high fever, but we can't rule out the possibility of a more serious incident such as backing over a child in a driveway. A trip to Lubbock for this attention may take too long.

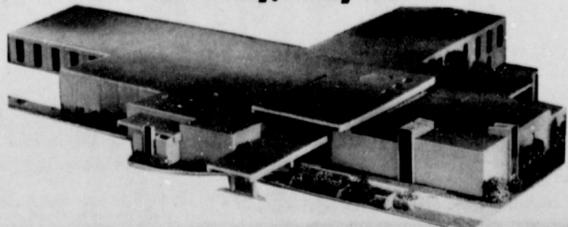

--Clarence Christian

I cannot conceive of anyone, who plans to make their home in Bailey County, voting against the Hospital Issue. It is both healthfully and economically infeasible for Muleshoe and Bailey County to be without health facilities. As a citizen who believes in the future of Muleshoe, I urge each and every person to vote for the formation of the Bailey County Hospital District.

--Derrell Oliver

Spring Recital To Be Presented

A spring recital will be presented by Mrs. Sam Damron's piano and organ pupils Saturday May 16 at 8 p.m. in the Sanctuary of the First Methodist Church. One pupil of Mrs. Wanda Lewis will also be presented.

Their recital will follow Mrs. Damron's pupils' National Piano Playing Guild Auditions to be held here on Friday. Outstanding numbers used for their auditions will be presented in the recital. There will be an award for the pupil making the highest grade on his audition.

Refreshments will be served following the recital in the church parlor with Mrs. Lewis serving and Mrs. Irvin St. Clair assisting.

Merely the Truth
Excited female voice: "Wait a minute! Don't start this street car until I get my clothes on." The passengers craned their necks expectantly. 'Twas only a housewife on her way to the laundromat.

Tri C's Group Tours Midwestern States

Choir Receives Superior Rating

TRI-C's TO TOUR SEVERAL STATES IN JUNE--These youths, under direction of First Baptist Church Youth Director Mack Moore, will travel through several states giving presentations of their music in June. Known as the Tri-C's, the young people are as follows: front row, left to right, Debbie Hancock, Rickey Hamilton, Kathy Schuster, Joe Duke, Martha Jane Chapman, David Faver, Cassie Precure, Buck Taylor and Karen Hamilton. Back row, left to right, David Henderson, Debbie Schuster, Darrell Wilson, Sharen Harris, Keith Turner, Melanie Precure, Greg Little, Lee Ann Harlan and Larry Shafer.

The First Baptist Church select choir, brass ensemble, and drama group plan a summer mission tour throughout the midwestern United States. Leaving on June 9, following an Association-Wide Youth Rally at the First Baptist Church, Dimmitt, the group will drive to Wichita, Kansas, there they will spend the evening in the Holiday Inn. The group will then make appearances in Marshalltown, Iowa; Kenosha, Stevens Point, Wausau, Waupaca and Milwaukee, Wisconsin; Carbondale, Illinois; and will spend the night of June 19 in Magnolia, Arkansas. The tour will return to Texas stopping at McKinney, then at Mesquite. After a brief stopover at Six Flags Over Texas, the group will arrive back home on the evening of June 22. The group will be staying in homes of church members

along the route, with the exception of the two nights in Wichita, Kansas and Magnolia, Arkansas. A choral concert will be given and the drama, "The Cell," presented by the FBC Players. The Tri-C's took their name from their motto Confronted with Christ, Concurring by Christ and Committed to Christ. On each Tuesday at 7 p.m. the combined groups, together with their pastor, Rev. Douglas DuBose, and their Minister of Youth Activities, Mack Moore have rehearsal, Bible study and prayer. On Sunday June 7 at seven o'clock the Tri-C's and Brass Ensemble will present their concert during the evening services. Following, in Fellowship Hall, the FBC players will present "The Cell", a drama depicting a band of early Christians awaiting execution in a

Roman arena. Financing of the tour is being made possible through the sale of recordings of the Chapel Choir, Tri-C's and Brass Ensemble of the church. Cut under the Director label, a subsidiary of RCA Victor, the outcome of the recording will be of the highest quality. Each group was rated superior in their Association Festival this year. Interested parties may still buy the records, due to be received at the church by June 5, for four dollars each. All proceeds will go to the choir fund, commented Mack Moore. Those touring are as follows: Rickey Hamilton, Karen Hamilton, Sharon Harris, Gary Harris, Lee Ann Harlan, Jane Williams, Kathy Schuster, Debbe Schuster, Debbie Hancock, Greg Little, David Henderson, David Bickel, David Faver, Keith Turner, Darrell Wilson, Bucky Taylor, Martha Jane Chapman, Melanie Precure, Cassie Precure, Larry Shafer, Jo Duke, Jennifer

Davis, Nora Webb, Mr. and Mrs. Jim Shafer, Mr. and Mrs. Mack Moore and Terry Shafer, Mascot. *In Fashion* Once, a good many years ago, when floppy hats covered with flowers were the in-thing, a very wealthy woman passed by wearing one of these and my friend remarked that she knew it must have cost a fortune. I found out later that the wearer had trimmed it herself with flowers from a department store. There's a moral to this, but I'll let the reader figure it out. Hungarian blouses and scarfs are popular with the smart set. Irish knits are also a favorite. **Must Save Him** Proud Father--I want our Willie to be a politician. Friend--Why? Father--He's so big and strong I'd hate to have him ruin his physique by working.

The Junior Choir of the First Baptist Church received their rating from the Association Festival held in Amarillo on May 2. They were rated superior, which is the highest rating a choir can receive. There were 14 choirs, from the West Texas area entered in this festival. This choir received an excellence rating from the Association Festival held at Earth in February. They have made a step up in their rating said a spokesman for the group. There were 21 members in the Junior Choir of the First Baptist Church attending. **SCOUTS DO GOOD DEED** Toronto--Two young Cub Scouts, returning from a Scout meeting, found a purse containing \$971. True to their training, they turned the purse over to their father, who called the police. The woman who owned the purse gave each of the boys \$25 reward.

Baptist Youth Attend Rally At Earth

Enochs News

By Mrs. J.D. Bayless

Baptist Youth Rally was held in Earth Monday, May 11 at the Baptist Church there. Johnny Tims from the Lazbuddie Baptist Church spoke to the group and Cliff Harden of Farwell sang. Thirty-four went from the First Baptist Church and six from the Trinity Baptist Church, Earth received the banner for having the most present percentage wise. One monster there is in the world: the idle man. -Thomas Carlyle.

Jerold and Larry Bates of Phoenix, Ariz. are visiting their aunt, Mr. and Mrs. Joe Clark, Route Two, Morton. Mr. and Mrs. Chester Petree met at the home of her sister, the Audrey Hill's in Lubbock, last Sunday for her family reunion. Those attending were, Mr. and Mrs. Charlie Williamsons of Anchorage, Alaska, Mr. and Mrs. L.O. Williams of Amarillo, the Fred Williams of Lubbock, and the Melvin Cowarts of Fort Worth. A Pink and Blue shower was given in the home of Mrs. Chester Petree from 2:30 till 4 p.m. in honor of Mrs. Linda Ogle.

Guests and gifts were registered in the baby book, a gift from Mrs. R.P. McCall, by Mrs. Wayne Gilliam sister-in-law of Linda. Refreshments of cookies, coffee and punch were served to 14 guests. Out of town guests were Mrs. Akin Muleshoe, and Mrs. Wayne Gilliam of Morton. Mr. and Mrs. Jimmie Gilliam and children of Hereford, Mr. and Mrs. Jerry Gilliam and children of Anton, were guests in the home of their parents, Mr. and Mrs. E.C. Gilliam last Sunday. Visitors at the Enochs Baptist Church Sunday were Mrs. L.B. Davis and sons of Shallowater, Mr. and Mrs. Kenneth Millsap and daughter of Clovis, N.M. Mr. and Mrs. Erwin Campbell of Levelland, Mr. and

Mrs. Kenneth Petree of Muleshoe, Mr. and Mrs. Harold Dean Nichols of Idalou, Miss Myrlene Nichols of Lubbock, and Mrs. J.G. Waldrop. L.G. Harris was dismissed from the Methodist Hospital at Lubbock, Wednesday and will be staying with his daughter, Mr. and Mrs. Elmer Riley at Lubbock, for two or three weeks. Mr. and Mrs. Charlie Williamsons of Alaska, spent last Sunday night with her sister, Mr. and Mrs. Chester Petree. They were enroute back to Alaska. Other guests Sunday night were their son, Mr. and Mrs. Dannie Petree and children of Lubbock. Mr. and Mrs. Sammie Nichols of Plainview, visited their parents, Mr. and Mrs. Donald Grusendorf, and Mrs. L.E. Nichols Saturday. Mrs. Olive Angel and Mrs. Harold Layton visited Mrs. Carl Hall at the Methodist Hospital at Lubbock, Saturday. Mr. and Mrs. Kenneth Millsap and daughter, of Clovis, and Mr. and Mrs. Kenneth Coats and family spent Mother's Day with their mother, Mrs. Alma

Altman. Guests in the Harvey Blackstone home Sunday afternoon were their daughter, Mr. and Mrs. James Lee McDonald and daughter Stacy of Anton, Dale Blackstone, of Lubbock, and Lorane Holland of Cooper, and Gary Johnson of Littlefield. Mr. and Mrs. W.R. Adams were dinner guests in the home of their son, Mr. and Mrs. Bobbie Adams Sunday. Home for Mother's Day at the home of the E.F. Campbells were their children, Mr. and Mrs. J.T. Waldrop of Andrews, Erwin Campbell of Levelland, Mr. and Mrs. Bill Sowder of Bula, and Mrs. Gale Simpson. Mrs. Elvin Julian honored her mother, Mrs. George Fine, with a Mother's Day dinner Sunday. Other guests were her brother, Mr. and Mrs. James Fine of Levelland, M.L. Fine, also her sister, Mrs. Erwin Campbell of Levelland. Nature does her best to persuade mankind that this is a pleasant earth.

Bailey County Not In Food Program

SWISHER MEMORIAL HOSPITAL--Facing difficulties because of inadequate hospital services and facilities in Tulia, north of Plainview, Swisher County residents approved a hospital district and bond issue to complete the hospital construction pictured here. The hospital officials feel the hospital district will provide needed immediate hospital facilities through their new hospital which is complete and modern.

AUSTIN, Tex. --U.S. Sen. Ralph Yarborough and State Land Commissioner Jerry Sadler were upset victims in the May 2 Democratic primary to Lloyd Bentsen and State Rep. Robert L. (Bob) Armstrong. Scene of political action now shifts to the general election where Bentsen faces Republican Senate candidate George Bush, Gov. Preston Smith, unopposed in the Democratic primary, is confronted with GOP Paul Eggers. Bush and Eggers won nominations easily over Robert Morris and Roger Martin in the Republican primary.

Atty. Gen. Crawford C. Martin won third term nomination handily over Judge David H. Brown and faces Edward M. Yturri, GOP, in November. Democrat Ben Ramsey had no difficulty with Connie Lawson and is unopposed in November. Truman Roberts defeated Earl W. Smith for Court of Criminal Appeals. James G. Denton appeared to be the Supreme Court contest winner over Matt Davis and Hawthorne Phillips, Lt. Gov. Ben Barnes, unopposed in the Democratic primary, is challenged by Byron Fullerton,

in November. Four other GOP candidates will wagetoken campaigns for statewide office against Democrats.

CAPITOL PRECAUTIONS
Tighter security measures may be ordered for the historic state capitol--always wide open to visitors--in the wake of a violent anti-war demonstration there last week.

Three 82-year-old etched glass door panels were smashed when a mob of 200 obscenity-shouting youths stormed through the rotunda. A tear gas grenade was tossed into the north corridor as police chased the demonstrators back through the building and onto the University of Texas campus.

Twice within the next two days, the capitol was evacuated due to telephone bomb threats. Riot-equipped Department of Public Safety officers took up stations inside or patrolled the grounds as demonstrations continued on the UT campus.

Gov. Preston Smith said damage and disrespect may force tougher security, though the capitol has been the scene of many undisturbed peaceful demonstrations in the past.

COURTS SPEAK

MOTLEY GENERAL HOSPITAL--Matador, in Motley County, acquired a hospital through the Hospital District route. The native rock structure has proven to adequately provide medical services for the area around Motley County. It is one of the numerous counties in this part of the state to acquire hospital facilities by this method. The publisher of the Matador Tribune said other possibilities were exhausted before taking the hospital district route.

State Supreme Court agreed with lower courts that 6,972 acres of Victoria County oil land belonging to private owners, not the state, in a prolonged land vacancy dispute. Had plaintiff in the vacancy action been right, Texas might have recovered up to \$100 million in mineral rights.

Dallas grocery chain stores were rejected by the High Court in their effort to obtain a sales tax break due to trading stamps given their customers. Chain wanted to deduct the cost of stamps before figuring the sales tax owed the state.

Third Court of Civil Appeals affirmed \$40,813 in damages to a Temple brakeman injured in Atchison, Topeka and Santa Fe Railroad braking accident, but cut the award \$38,650 below the trial court verdict.

EDUCATION POLICY APPROVED

State Board of Education adopted the policy that contributions of ethnic and racial groups should be taught.

Board also proclaimed that literature books must be free of offensive language and that life science texts will present evolution as a theory rather than a fact.

Per capita state aid to local districts was increased from \$114.40 to \$117.65 per student for the current school year. Board authorized application for \$1.8 million in federal anti-poverty funds to help train 900 migrant workers for city jobs, approved a \$2 million special vocational program for poor students and empowered the Texas Education Agency to seek a \$50,000 federal grant to continue technical assistance to school districts with desegregation and other ethnic problems.

APPOINTMENTS

Governor Smith named Preston H. Dial Jr. judge of the vacant 175th district court in San Antonio after Dial was nominated for that post in the Democratic primary.

Randall B. Wood, native of Edom, is new director of elections in the secretary of state's office, succeeding Mrs. Mary K. Wall who retired.

Governor Smith has named R.L. Thornton Jr. of Dallas to board of regents of Texas Woman's University and Dr. Paul C. Witt of Abilene to State Board of Examiners in Basic Sciences.

Robert A. Hansen of Sioux City, Iowa, will become superintendent of Texas School for Blind on June 1. Fifteen-member state text-

book committee has been picked and held its first meeting May 8 to begin a five-month series of hearings on new textbooks.

President Nixon appointed Byron Fullerton of Austin to national advisory council on education professions.

ATTORNEY GENERAL RULES
State Credit Union Commissioner cannot enter a proposed truth in lending liaison agreement with the Federal Trade Commission, Atty. Gen. Crawford Martin held in a recent opinion.

In other rulings, Martin concluded that:

*State Comptroller can write rules by which Texas Tech University art works can be temporarily exchanged with other universities and museums.

*Texas Tort Claims Act does not cover school districts except as to motor vehicles, but limitation does not apply to Junior College districts.

*Penal code article pertaining to seizure and confiscation of devices prohibited in Espiritu Santo Bay and other waters pending trial, and destruction of the prohibited devices on conviction for possession or use, is constitutional.

NURSING HOMES ASK RAISE
Nursing home operators, claiming they face financial crisis, want authority to levy a \$25 a month supplemental charge for welfare patients in addition to the state allocation.

Plan seeks a six per cent increase in state payments for patients requiring skilled care or a total of \$381 a month. State costs in other categories would decline if families pay the supplemental charge.

Meanwhile, State Board of Public Welfare, which took the request under study, heard new federal family assistance legislation backed by the president would cost Texas \$57 million a year more than present programs.

WELFARE

State Board of Public Welfare announced that only 12 counties have not decided on a course of action on the Dallas federal court order that 90 Texas counties must begin food-aid programs for the poor.

These 12 include Archer, Bailey, Blanco, Castro, Gregg, Kendall, Llano, Mills, Oldham, Parmer, Presidio and San Saba Counties. However, Blanco, Llano, Mills and San Saba County officials reportedly were working actively on the problem.

Another 31 counties had refused to operate food programs, so the State Department of Public Welfare planned to

operate commodity programs federal expense in Aransas Bay, Bosque, Bowie, Cla Collin, Colorado, Coryell, De Smith, Denton, Edwards, Ellis, Fort Bend, Gillespie, Gray Grayson, Hood, Jack, Johnson Kaufman, Kerr, Lamar, Randall, Refugio, Roberts, Rock wall, Rusk, Uvalde, Wheeler Wise and Wood Counties.

WATER RIGHTS HEARING

Texas Water Rights Commission will present for consideration its proposed rules, regulations and procedures for administering the state water rights adjudication law in a public hearing in Austin at 10 a.m., June 4.

Also to be considered are proposed rules to govern the operation of Amistad Reservoir near Del Rio.

Commission wants persons planning to comment on its proposals to file written statements before May 30, setting forth their reasons and any other pertinent information.

Copies of the rules may be obtained in advance by writing the W.R.C., Austin 78711.

SHORT SNORTS

Texas Animal Health Commission reversed its policy and voted to inspect spayed heifers imported from Mexico.

Lubbock received a \$218,972 child development grant and Laredo \$71,894 for migrant rural action demonstration project.

Texas Turkey Federation has petitioned Agriculture Commissioner John C. White for a May 21 hearing on a statewide referendum for self assessment to promote research, promotion and consumer education.

Governor requested federal disaster aid for tornado-hit Cochran, Hockley, Lamb, Hale, Briscoe, Donley, Gray, Swisher and Parmer Counties.

Appropriate Calling Chump--Yes, I take very naturally to dancing. My business has helped me a lot.

Dolly--What's your business? Chump--Furniture moving.

Lazbuddie News

Mrs. Richard Engelking

Campus unrest, student protest, these are the usual headlines these days, but would you believe it happened at Lazbuddie? Yes, last Tuesday night a nice quiet gathering of people had enjoyed a good meal and were relaxing while watching the FHA girls model their clothes they had made in Home Ec. and the stage was a beautifully decorated sidewalk cafe scene with Theresa Seaton doing the Narration when she was so rudely interrupted by a rar at the door (a motorcycle roar that is!), the audience turns toward the outer doors and despite Theresa's pleas, in comes six or seven hippie types, generally slouchy and a wee bit dirty looking. (At this point you couldn't tell if they were girls or boys). Well they finally quieted down long enough for the girls style show to proceed and they slumped down in front by the side of the stage. Pretty soon they could not stand these nice, conventional type clothing they were being shown so they intermittingly run their "Models" in, at this point we decide they are girls, (you wouldn't believe they are the same Seniors who will be walking down the auditorium aisle in a week looking so sedate in their caps and gowns) even if they are a bit mixed up on how or where the fashion trend items are placed. They had bell bot-

LEGAL NOTICE

The City of Muleshoe will hold its Board of Equalization meeting Monday May 18th from 8 a.m. to 12 o'clock noon, in the City Council meeting room. 20t-1tc

toms all right (cow bells on the most jingle part of the anatomy), a fall dress (100% human hair) the print dress, (made of several newspapers which didn't quite hang together) and the newest look, the wet look which was really all wrung out. No, all kidding aside it was a planned demonstration that went so well the audience was indeed fooled for awhile. Hats off to Mrs. Wayne Gilliland and her FHA'ers for a most delightful style show and tasty tea. By the way, when it was all said and done the unruly ones admitted just a little they too would like to be able to sew and make such nice clothes as these girls who were taught by Mrs. Gilliland in Home Ec.

Mrs. N.M. McCurdy's brother, Joe Reagan of Texline was visiting her over the weekend and she returned home with them to be brought home this week by another brother, Homer.

The seniors left this week on their trip which will take them to Galveston, Houston and places of interest in that area. Congratulations to Ricky B. Seaton on being named Area Star Greenhand Farmer at the Area I Convention of FFA in Lubbock Saturday. Freshman Rickey, son of the Jimmie Seaton's, has outstanding records in showing his champion pigs at area and state shows which helped him win this award.

We extend sympathy to Mrs. C.A. Watson in the loss of her sister, Mrs. Lutenia Beck, formerly of Muleshoe and also to Mrs. Charlie Glover in the passing of her sister's husband, Jack Garrett, Mr. and Mrs. Charlie Glover and the Jerry Don Glovers of Hereford, attended the services in Memphis Tuesday.

Those we saw visiting mothers and others on Mother's Day included: Coach Billy Hurdage and wife Susan and kiddoes from Wayland College in Plainview here to visit the Lacy Hardages; Mrs. Altum, mother of Mrs. Ted Treider, here from Abilene; Mr. and Mrs. Jerry Don Glover and girls of Hereford visiting her mom, the A.E. Redwines, and Gary and Jackie McWhorter of Lubbock visiting the John L. Seaton's and her mother, Mrs. Payne of Muleshoe.

Receiving honors for special mothers at the Baptist Church Sunday were: Mrs. T.D. Reed for the oldest, Mrs. Royce Barnes the youngest, and Mrs. Jerry Smith the most children.

Here is the Babe Ruth League Roster for Lazbuddie this year: Mark Barnes, Jerry Barber, Ricky B. Seaton, Dale Gallman, Mike Winders, Glen Morris, Donnie McDonald, Larry Richardson, Danny Clark, John Graves, Brad Treider and Tim Smith. Team manager is Jimmie Seaton and Coach Wayne Clark. Pitchers are Mark Barnes, Ricky Seaton and Larry Richardson. These boys have an unbeaten record so far.

CARD OF THANKS
To my dear friends:
Words cannot express my love and appreciation for the lovely cards, flowers, and letters sent me at the hospital and at home. Each one is such a cheer and uplift and I love and treasure each and every one.

Mrs. Ted (Gertrude) Allen -20t-1tp
