

Student Council Convention Draws Over 300 Students

Ozona Hosts Annual Area Meeting Here Saturday

Ozona Student Council members and school officials were hosts to more than 300 students from 19 West Texas towns representing more than 30 schools who gathered here Saturday for the annual district meeting of the West Texas Forum of Student Councils.

"Student Councils — Train to Freedom" was the theme of the convention, whose sessions were held in the high school auditorium. Rev. Morris Bratton, pastor of Ozona Methodist Church, addressed the morning session on the sources of freedom.

Taking part in the discussions on the problems of Student Councils were representatives of schools in Alpine, Andrews, Big Lake, Big Spring, Gail, Coahoma, Colorado City, Eldorado, Iraan, Kermit, Midland, Odessa, Ozona, Pecos, San Angelo, Snyder, Sonora, Stanton, and Sweetwater.

A highlight of the afternoon session was a panel discussion of exchange students from England, France and Iceland. Taking part were Judy Luck, 17, from Lincoln, England; Nicole Boucher, 18, of Lyons, France, and Thorunn Kjervulf, 18, of Reydarfjordur, Iceland.

Johnny Childress of Ozona presided as the district president. Towns which will name officers for the various posts for the coming year were elected in the afternoon. Big Lake was chosen to name the president; Andrews will again elect the secretary; Snyder won the vice president's post, and Eldorado was named to select the parliamentarian.

Stephen F. Austin Junior High of Midland will be the host school for next fall's meeting.

House To House Heart Fund Drive Scheduled Sunday

Ozona Quota Of \$605 Goal Of Volunteer Drive Workers

Mrs. J. A. Peltto, chairman of the Crockett County Heart Association, has designated Sunday February 26 as Heart Sunday and announced that volunteer workers will make a door-to-door collection that afternoon.

The volunteers will be representatives of the various clubs in Ozona but additional volunteer workers are invited to attend the kick-off meeting to be held at the Hi-Way Cafe at 1:30 p. m. and take part in the drive.

Mr. Held in cooperation with the drive is donating the meeting place and the coffee.

More than 15,000,000 volunteers throughout the nation will be making similar collections on the same day.

It is estimated that in 1959, 238 persons in Crockett County alone were afflicted by diseases of the heart and circulation.

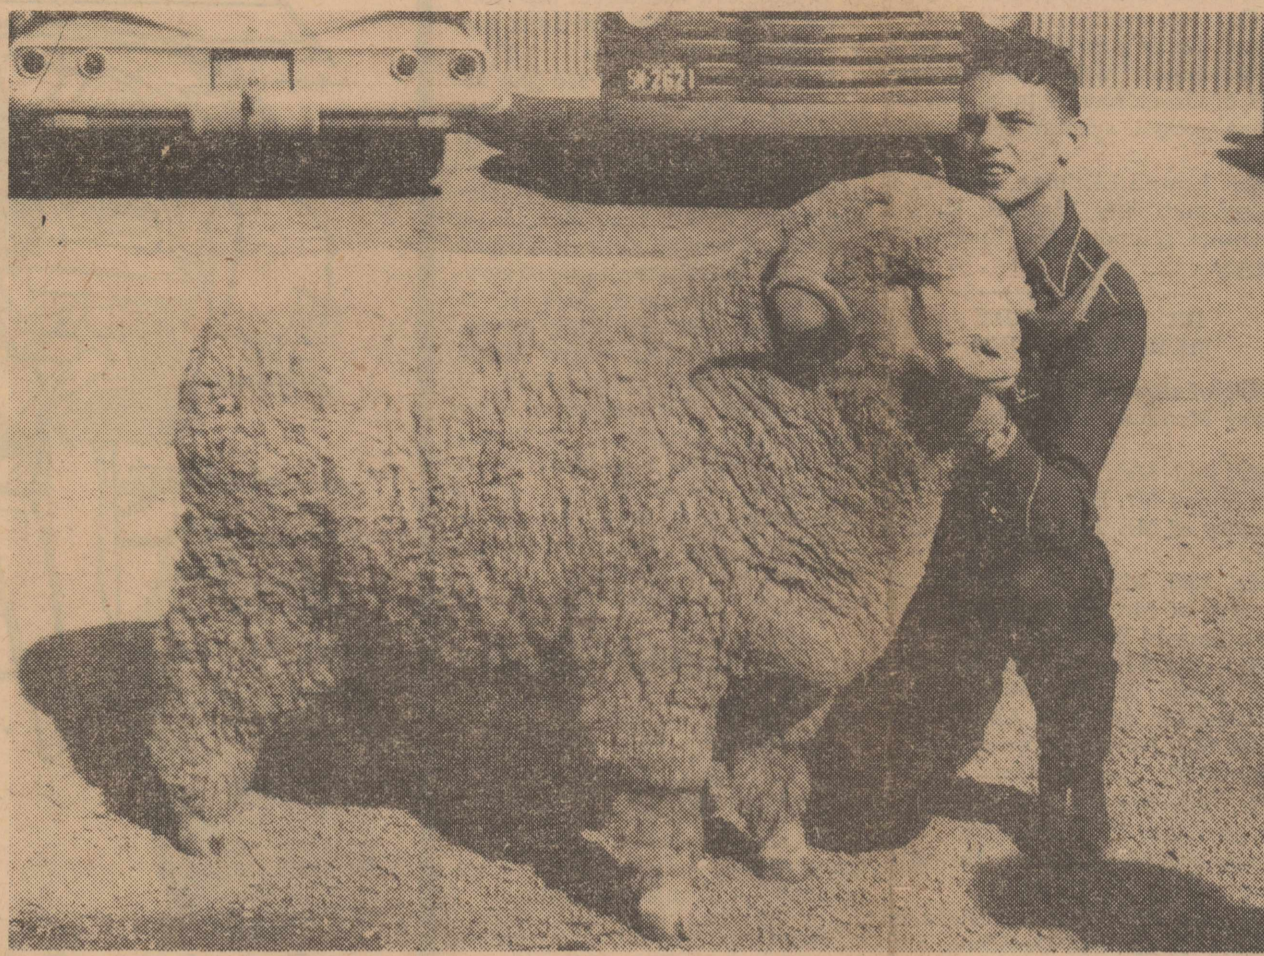

The quota for Crockett County has been set at \$605.00. In past years Crockett County has led neighboring counties in contributing to the Heart Fund and it is hoped by the chairman and the many other Ozona workers that this record can be kept intact this year.

GWYNEL WALKER ON DEAN'S LIST AT ACC

Abilene — Gwynel Walker, Abilene Christian College junior from Ozona, is included on the Dean's Honor List for ACC for making 12 hours of "A".

Miss Walker, a math major, is the daughter of Mr. and Mrs. C. O. Walker. She graduated from Ozona High School in 1958.

At ACC, she is a member of GATA, women's social club, and Campus Service Organization.

OZONA EXHIBITOR — Still keeping up a family tradition is Jay Miller, 17, of Ozona, shown here with his champion Rambouillet ram of the San Antonio junior show. Ram was bred by V. I. Pierce of Ozona, the boy's grandfather, and Miles Pierce of Alpine, an uncle. Young Miller has in addition a sizeable breeding flock of his own. He is son of Mr. and Mrs. Jake Miller.

Vivacious English Teenager Captures Ozona Audiences In Five-Day Round Of Talks At Civic And Student Meetings

By Ernie Boyd

Miss Judy Luck, a pretty, vivacious, 17-year-old English exchange student, spent five days over the past week as a guest of the Ozona High School Student Council, speaking during her stay to a number of Ozona school and civic organizations.

Miss Luck, whose home is in Lincoln, England, made a resounding impression on all of the groups to which she spoke with her personal charm, poise, and quick intelligence.

Miss Luck is spending one academic year in the United States, at Andrews, Texas, where she is taking a number of courses not available to her in her school at home.

The American field service sponsors the exchange student idea which now sees some 1,000 young students from 523 countries, throughout the world, visiting the United States each year.

In talking to various groups over Ozona, Miss Luck told of learning that she was coming to Texas and of trying to find Andrews on the map. Judy related that she was quite shocked to find Dr. Frank Stickney of Andrews, in whose home she is living this year, sporting a full beard and a flat top upon her arrival at the Midland airport last August. It seems that Andrews was having its fiftieth

Increased Demands For Aid From Welfare Fund Causes Shortage

Increased demands for assistance plus a long time lapse since a financial drive, the Ozona Community Welfare fund is depleted and in need of voluntary contributions, Mrs. M. Carson, Welfare chairman, said this week.

The Welfare fund is administered through the sheriff's department and has proven a great benefit to the community by avoiding duplications and in properly screening all aid requests and channeling all such requests to one central body.

Lately, requests for aid have increased and many regular pledges to the fund have not been paid. Those whose pledges are delinquent are asked to bring them up to date with payments and those who may wish to contribute to the fund are invited to do so at the bank or at the sheriff's office.

The annual meeting of the Association will be held sometime in April when a full accounting of the funds expended and the year's operations will be outlined, Mr. Carson said.

year of founding celebration and Dr. Stickney was in a contest for the fullest or ugliest beard, Judy was not sure which.

Miss Luck spoke first to the Student Council, district meeting, in Ozona last Saturday, and then at the P. T. A., Rotary, Woman's Forum, and the High School assembly. She also spoke to several classes in high school during the early part of the week.

Since much of the exchange student program has been concerned with countries which speak different languages, only 30 of the one thousand students were from the British Isles.

Miss Luck related to the Rotary Club Tuesday that her getting the scholarship was due, at least in major part, to her father, who as she said, "was the adventuresome sort," and who wanted her to have the experience of visiting America. Her mother was not too sold on sending her charming young daughter so far from home.

An excellent student, Judy has already qualified for college, a much more difficult feat than here in the U. S. where mere graduation from high school makes one eligible.

In England examinations are given at ages eleven and sixteen. The first determines whether the student goes to high school and only about three out of ten pass this test. The balance go to vocational type schools. At age sixteen

Exchange Student, Council Members Form Panel For PTA Talks

Miss Judy Luck, an exchange student from England, acting with members of the Ozona High School Student Council to form a panel, discussed education in America and in England as a feature of the PTA program at the Association's regular meeting Monday night in the school cafeteria. Miss Luck is attending high school at Andrews, Texas.

Mrs. R. L. Bland, president, presided. Mrs. James Childress brought the devotional. At a short business session, it was announced that the district convention will be held in Eldorado March 22. Mrs. Montgomery's 6th grade won the attendance prize.

Ozona Student Council members composing the panel with Miss Luck were Jim Freeman, Johnny Childress, and Sandra Whitaker. Refreshments were served by Mr. and Mrs. L. B. T. Sikes and Mr. and Mrs. C. O. Walker, hosts for the evening.

Eldorado-Sanderson Girls Basketball In Bi-District Play Here

The district champion Eldorado girls basketball team will meet the District 7-A champion Sanderson Eagle girls team in Ozona Monday night for the bi-district title.

Eldorado won three and lost one in district play with Ozona and Junction, while Sanderson will be returning to Ozona for the third straight year as champion of district 7-A.

Tuesday night in Big Lake, the Iraan Braves edged the Big Lake Owls 60 to 58 in an overtime to win the Bi-District title and advance to the Lubbock Regional Tourney.

Duane Cash, the Brave's sharp shooting little guard, hit a goal in the final seconds of regulation play to tie the score, and then hit another in the first ten seconds of the overtime to win the contest as Big Lake lost possession without scoring and Iraan went into a freeze for the balance of the contest.

Iraan's victory was set up when the Braves won the 7-A title for the first time in 11 years.

March 1 Deadline For Candidates To File In School Board Election

Next Wednesday, March 1, is the deadline for filing for a place on the 1961 ballot as a candidate for the school board. The election is set by law for the first Saturday in April, which is April 1, and candidates must file thirty days in advance of the election to be listed on the ballot.

Terms of three present members of the board expire this year. They are Bill Carson, board chairman, Joe Williams and Glenn Sutton. Hold-over board members are Dick Henderson, Dr. Ralph Simon, Byron Stuart and James Childress.

Forms for filing as a candidate are available in the office of Mrs. W. H. Chandler, secretary to the county superintendent.

TCU Ranch Program Director, Well Known Here, Dies In Crash

Arthur Cortade, director of the Ranch Training Program at Texas Christian University, was killed in a car wreck near Calvert, Texas, Saturday and was buried in Ft. Worth Monday afternoon.

Mr. Cortade was well known to many Crockett County ranchers and former T. C. U. students and was scheduled to have made a trip to Ozona in the near future with some members of his class to study ranch conditions in this area.

Mr. and Mrs. Sonny Henderson of Ozona attended the funeral Monday and returned to Ozona Tuesday.

Crockett Co. Certified Brucellosis Free By Animal Health Group

"The Texas Animal Health Commission announces the Certification of Crockett County as a Modified Certified Brucellosis Area.

"In a few days, Crockett County will receive the Certificate.

"This Commission wishes to express its appreciation to the people of Crockett County for the splendid cooperation extended to its representatives while work was being conducted in Crockett County; and request the further cooperation of the citizens of the area to maintain the brucellosis status of the County."

The above information was received from the Animal Health Commission this week. The certification results from a series of tests made on cattle herds throughout the county on a voluntary program adopted by ranchmen of the county. Only a few cases of the cattle disease were found and these were all disposed of under the brucellosis clean-up program rules.

Chicago Minister Lecture Series At Methodist Church

Dr. E. Jerry Walker To Open Four-Day Series Sunday

Beginning next Sunday morning at the 11:00 a. m. worship hour, Dr. E. Jerry Walker from Chicago, Illinois, will begin a series of Lectures at Ozona Methodist Church, Rev. Morris Bratton, pastor, announced this week.

Dr. Walker knows that the American Dream is not a myth, Rev. Bratton points out. Born into a laboring man's home, he worked his way through college and graduate school, became an executive in one of America's largest radio stations, an editor of a national magazine, owned his own successful advertising business and has been heard on radio and TV all across America, winning national awards for his inspirational programs. In 1953, at thirty-five years of age, he quit the world of business and advertising to be a minister in the Methodist Church.

As educational director of Prairie-Farmer-WLS, Mr. Walker was an honorary chairman of the first White House Conference on Rural Education. He is now Protestant co-chairman of the National Conference of Christians and Jews and a member of the General Board of the National Council of Churches.

As minister of the St. James Methodist Church at Chicago, Dr. Walker has been a dynamic leader in increasing membership and church activities, the local pastor said. When he went to St. James, he found a large building with few things happening in it. There were 29 church school rooms and 19 pupils enrolled. Since then, the Church School has become a large group. Many other exciting things have happened in the Church.

Father Of Ozonan Buried In Dublin

Funeral services were held Tuesday afternoon from the Methodist Church at Bunyan, near Dublin, Texas, for John Lester Crouch, Sr., father of Mrs. Clarence Rasberry of Ozona, who died in the Dublin Hospital Sunday following a stroke. Mr. Crouch had been in ill health for the past five years.

Mr. Crouch was a farmer and had lived in the Dublin area most of his life. He was born in Clay County, Alabama, October 7, 1893, and was married to the former Pearl Pryor in Bunyan on November 13, 1913. The couple had four children, all of whom survive him.

Surviving are the widow, one son, J. L. Crouch, Jr., of Dublin; three daughters, Mrs. James Davis, Jr., of Harlingen, Mrs. Rasberry of Ozona and Mrs. Gordon Albrecht of Ilmo, Mo.; 13 grandchildren; three sisters and two brothers.

Spring Colorcast Theme Of Forum's Fashion Show Sat.

77 Models To Parade Newest Fashions In Annual Show

With a hope that the weatherman will cooperate in setting a proper background for its 11th annual Fashion Show, titled "Colorcast for Spring," the Ozona Woman's Forum perfected final plans this week for the organization's outstanding event of any club year next Saturday, Feb. 25, at the North Elementary school auditorium.

Seventy-seven models will show fashions for all ages from the Maurice Shop, Florence & Martha's Kiddie Shop and the Duchess Hat Shop, all of San Angelo, and jewelry from Baker's Jewelry and the Silver Spur Gift Bar of Ozona, according to Mrs. Brock Jones, style show chairman.

Tickets are now on sale for the style show at \$1.50 each and persons wishing to buy a ticket are asked to call Mrs. Charley Black or Mrs. Jack Williams.

Mrs. Beecher Montgomery will be the commentator for this year's show and Miss Jan Pridemore will play the background music. Tea hour music will be furnished by Miss Cheryl Clayton and Miss Peggy Harvick.

Door prizes will be donated by Baker Jewelers, Lefty's Turkey Patch, Silver Spur Gift Bar, Maurice Shop, Hubbard Green House and the Woman's Forum.

Models for this annual fund raising project are chosen from Ozona clubs and organizations on the sponsor's invitation, from the Forum's own membership and their guests and among children of Forum members.

The adult guest models from organizations include Mrs. Jess Hall and Mrs. Hilary Phillips from the Garden Club, Mrs. Larry Arledge and Mrs. C. W. Owens from the Music Club, Mrs. Max Schneemann from Ozona Woman's Club, Mrs. Chas. Garlitz, Mrs. Roger Gotoher from the Woman's League, Miss Leta Powell and Mrs. Ed Shepperson from the OES Chapter, Mrs. Ashby McMullan and Mrs. Allie Lock from the Ladies Golf Assn., Miss Diane Billings and Mrs. R. L. Blend, Jr., from the PTA, Mrs. James Cotesworth from the Ozona Air Force Radar Station, Mrs. James Kirby and Mrs. James Long from the Crockett County Unit of the State Teachers Assn.

Girls Volleyball Team To Compete In Big Springs Tourney

By Ernie Boyd

Miss Geneva Knox's Ozona High School girls volleyball team entered the Big Springs Invitational meet in Big Springs today and will meet Andrews in the first round of play at 6 p. m. this afternoon.

Regardless of winning or losing, the girls will play again at either 4 p. m. Friday or 9 p. m. Friday in the second round or in consolation.

Last week the Ozona team met unexpected strength in Big Lake and had to come from behind in the final three minutes to win 28 to 22.

A scheduled return match Tuesday night was cancelled because of the bi-district basketball game being held in Big Lake between the Owls and the Iraan Braves.

In a B game played in Big Lake prior to the A squad contest the Ozona B lost a 17 to 25 decision to the Big Lake reserves.

The Ozona team has gotten off to a slow start due to part of the squad being on the basketball team and early this week Miss Knox stated that progress since the squad has attained full strength has been slow but not discouraging.

The Ozona team with a week of practice behind it now hopes to make a better showing in the Big Springs meet than it made in the Odessa meet last week.

SOCIALISM AND CUPIDITY

According to figures just released by Tax Foundation, Inc., the per capita burden of federal, state and local taxes was \$109 in 1940, \$369 in 1950 and \$715 in 1960.

In virtually all state and local governments, no less than the federal government, proposals are advanced for more and more tax revenue. Unless the people restrain their demands on government, and put their foot down on unnecessary government expenditures that curry favor with pressure groups, Karl Marx's plan "to wrest all capital from the bourgeoisie," may become a reality in the United States.

If socialism engulfs our country, it will be due to the cupidity of people who think they can get something for nothing from government.

American Music Is Featured In Program For Music Club Meet

A Parade of American Music was presented at the regular meeting of the Ozona Music Club last Thursday evening in the home of Mrs. Sherman Taylor.

Jan Pridemore played piano numbers, "To a Wild Rose," and "To a Water Lilly" by MacDowell, and a chorus composed of Mmes. Byron Cleere, Frank James, Herbert Kunkel, R. K. Wimberley, W. C. Owens, L. R. Lenington, George Russell, Roberta Lawrence and Brooks Dozier sang three numbers, "Robin In the Rain," "Jeanine I Dream of Lilac Time" and "Skip To My Lou". A piano duet, "Dizzy Fingers" was played by Mrs. Ken Cody and Mrs. James Kirby.

Assisting Mrs. Taylor as hostesses were Mrs. Otto Pridemore and Mrs. James Kirby. Others present were Mmes. Morris Bratton, J. W. Howell, Roy Killingsworth, Will O. Mills, Opal Oehler, D. B. Pettit, H. B. Tandy, Roger Gotcher and Miss Cleona Quiett and three guests, Mrs. J. M. Baggett, Miss Ann Baggett and Mrs. Jess Hall.

GARDEN NOTES

Mid-February is the recommended time to prune rose bushes.

Do not prune climbing roses now; wait until after they have bloomed.

Fertilize roses now, to give them strength for the beautiful blooms soon to come.

Use malathion and captan as sprays for insects and fungus; or similar chemicals recommended by nurserymen.

Rake up dead leaves and garden litter to add to the compost pile. Keep this moist.

Plant nasturtium seed four inches deep in unfertilized soil. Given too much food, the plants will bear lush foliage but small blooms.

Both flowers and green seed pods give a delicious tang to salads.

Prune spring flowering shrubs only after they finish blooming.

If fig trees were not pruned earlier, trim off a part of each tal branch now; do not prune them clear to the ground. Fertilize them, and water them thoroughly and often.

Remove dead wood and overlapping branches from fig and other fruit trees.

Get bare-rooted trees and shrubs planted now. Balled ones can be planted at almost any season.

Apply the dormant spray before buds start swelling, when it will be too late.

Shape up rose bushes and trim out dead wood. Feed and water them.

Daughter of Former Ozona Teacher Dies

Mrs. Bob Batey, 29 Aztex, N. M. was buried last week in Ranger following her sudden death while teaching in the Aztec Schools.

Mrs. Batey is survived by her husband and a 3-month-old daughter and her mother and father Mr. and Mrs. Grady Davenport of Fr. Worth and one sister Mrs. Frank Conrad of Washington, D. C.

Mrs. Batey's mother, Mrs. Grady Davenport, was a former resident of Ozona having taught in the Ozona school system for several years.

Mrs. Lowell Littleton, Mrs. T. J. Bailey and Miss Ida Lee Harlan of Ozona attended the funeral in Ranger.

a second test determines if the student is suited for college, and only those passing can get a chance to go. Two years of study are required for preparation following the second test, but Judy managed to accomplish this in one, and now must wait until 18 years of age before entering college.

Most English high schools are not co-educational and Miss Luck related to Ozona students Wednesday morning some of the ways in which our schools differ. In conclusion she said she felt that the schools were the most radically different things in the general way of living between the United States and England.

Miss Luck could easily pass for an American teen ager until she speaks and then her English accent is pronounced but not to the point of making her hard to understand. Her flawless appearance, excellent manners and sharp wit betray the fine home from which she must have come.

Mr. Luck is a general sales manager for a chemical plant in Lincoln where crop fertilizers, and insect sprays are manufactured.

Judy returned to Andrews Wednesday and will resume her school work there Thursday. Despite frequent interruptions and a demanding schedule Miss Luck was on the school honor role at mid-semester.

The English teen-ager told the Rotary Club that this trip had

made her realize how much her parents meant to her, and that even though she had enjoyed almost every minute of her stay in America, she would be eager to return to her parents home in June. One could only guess that she will be no more eager to see them than they will be to see her.

FIRST TRACK MEET TAKES LIONS TO FT. STOCKTON

The Ozona Lions will attend their first track meet this Saturday in Ft. Stockton. This meet will be used mostly for training purposes. Although the Lions are not expected to run away with all the trophies they will be in there fighting.

The Lions will be in a division of Class B, A, and AA schools which will be made up of around 25 teams.

The Lions were beat out of 2nd place last year by Ft. Stockton with only 2 points making the decision.

Those entering this meet are as follows: 100 - yard dash, Freddy Dobbs and Jim Doran; 220 yard dash, Jim Freeman and Tony Parker; 120 high hurdles, Darrell Rasberry, and Phillip Carnes; 180 low hurdles, Deeny Holden and Jim Doran; 440 dash, Bryan Montgomery and Paul Perner; 880, Joe Martinez; 440 relay, Dobbs, Pleas Childress, Parker; Mile relay, Pete Montgomery, Carl Montgomery, Tony Parker and Pleas Childress; Broad jump, Dobbs, Holden; Pole vault, Holden, Pete Montgomery; High jump, Carl Montgomery, Phillip Carnes; Shot, Penn Baggett and Carl Montgomery; Discus, Carl Montgomery and Phillip Carnes.

VOLLEYBALL TEAM ATTENDS TOURNAMENT

The Ozona volleyball team will participate in the Big Spring annual volleyball tournament.

Their first game will be played at 6 p. m. on Thursday against Andrews. If they win they will play the winner of the San Angelo vs Ft. Stockton game. If they lose they will play the loser of that game.

PERSONALITY OF THE WEEK — PELTO

Chosen as our personality for this week is Mr. J. A. Peltó, principal of Ozona High School. Mr.

Peltó was born in Virginia Minnesota, on October 18, 1920.

Mr. Peltó attended a school at Virginia High, Virginia Jr. College, Texas Christian University, and obtained his Masters degree from the University of Minnesota.

Mr. Peltó married the former Marjo de Montel on May 26, 1951, in Tyler, Texas. They have three children, Monty, 6; Jan, 4; Michael 1.

Teaching for a total of thirteen years, Mr. Peltó taught math and coached for ten of these years, and has been principal for the other three.

Mr. Peltó is also now engaged in the Air Force reserves, with the rank of a major. During his time in the Air Force, he was stationed in Europe and the Philippine Islands.

LIONS PROWL

This last weekend there were a lot of things going on in Ozona High School. For one thing the student Council held the West Texas Forum Student Council Meeting here. One of the most interesting incidents happened during the campaign speeches. While Bud Fau of Big Lake was making his campaign speech, the superintendent's dog came running out on the stage! The audience began laughing and Fair was very embarrassed, thinking that the laughter was being made at him. It was obvious that he thought they were laughing at his speech because he said one of his sentence over 3 times.

Johnny Childress, vice-president of the Ozona Student Council, took it on himself to try to capture the dog. He tried to catch it in the easiest, and most graceful manner he could without disturbing the speaker. This was all in vain and Johnny finally was helped by Jim Freeman, president of the Ozona Student Council. They finally cornered the little dog after providing no small bit of humor to the meeting.

Also during the week we had a visitor from jolly ole' England. Her name is Judy Luck and she is a member of the Andrew's Student Council. She hails from Lincoln, England which is 160 miles from London and she is in Andrews as an exchange student. While in Ozona she is staying

with Miss Powers.

Sunday night Brent Moore and Janet Mason were out of gas.

Sunday night Brent Moore and Janet Mason discovered that Buicks get better mileage going up the hill than they do coming down.

OZONA HOSTS 300 STUDENTS AT WEST TEXAS FORUM

There were more than 300 students from 19 school in Ozona Saturday for the West Texas Forum of Student Councils.

The theme was "Student Council-Train to Freedom". The meetings were held in the high school and junior buildings.

The morning sessions began at 8:30 and during this session, general discussions were held.

Taking part in these discussions were representatives from Alpine, Andrews, Big Lake, Big Springs, Gail, Colorado City, Eldorado, Iraan, Kermit, Midland, Odessa, Ozona, Pecos, San Angelo, Snyder, Sonora, Stanton Sweetwater, and Coahoma.

Topics discussed included "Have to Increase Student Body and Faculty Interest in Council Work," "Problems facing Councils in Large and Small Schools"; "Best Methods of Training Student Leaders! and Encouraging Leadership in Junior Highs."

The afternoon was highlighted by a panel discussion with exchange students from England, Iceland, and France. The students were Judy Luck from Lincoln, England; Nicole Boucher from Lyon, France; and Thorunn Kyeruly from Reydonfjordur, Iceland.

The convention was concluded with a business meeting in which officers for the coming year were elected. Big Lake was elected to the presidential position; Andrews was elected again as secretary; Snyder will serve as vice-president; and Eldorado was chosen as parliamentarian.

The group also ratified a constitution presented by a group from San Angelo, Rankin, Eldorado, and Ozona.

Stephen F. Austni Junior High School of Midland will host next year's meeting.

INVITATIONS, PLAIN OR LEATHER MUST BE ORDERED NOW OR NEVER

Orders for invitations must be in by Friday, Seniors. Mr. Peltó is sending off the order Friday.

So far 23 out of 32 Seniors have ordered their invitations. There are two different kinds of invitations, the standard French Fold type and the fancy (90 cent) leather type.

Mr. Peltó said, "The graduating

seniors and juniors will go along way in this world because of their ability to hold on to their money

The juniors fared a little better in the senior ring department with 40 out of 45 paying deposits on their rings. The rings are the standard ring with the purple stone and either a buff or a faceted cut.

STYLE SHOW IN PROGRESS

The homemaking classes have begun sewing for the spring style

show.

The style show will be held May 2 at 8 o'clock in the high school auditorium.

The girls will model spring cotton, after five dresses and formals.

RIDDLE: What costs less the more you use it?

ANSWER: The electricity

that serves you in your home. The more of it you use, the bigger the bargain . . . the less you pay per kilowatt-hour for it. In fact, in homes served by WTU the average cost of electricity is 22% less than it was 10 years ago.

Think how many new uses you have for electricity these days . . . from your TV to your work-saving appliances for cleaning and washing. This is why your over-all bill may be a little higher than in the old days.

But what else in your home can give you so much value yet cost so little?

1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

Past President

Mrs. Joe Pierce, Jr.,
1926-1927

Mrs. Joe Pierce, Jr., was the Convention president as the Ozona Woman's Club hosted the Sixth District convention in the spring of 1927 — the only club president to have that honor.

Other officers under Mrs. Joe Pierce's regime were Mrs. W. E. Smith, vice president; Mrs. Joe T. Davidson, recording secretary; Mrs. Lee Childress, corresponding secretary; Miss Elizabeth Fussell, treasurer and Mrs. Frank Friend, parliamentarian.

Mrs. P. L. Childress was chairman of the department of literature and the course of study was History of Art by Elsie Faure and Helen Gardner. The study was on ancient art, including Egyptian, Chaldean and Greek; Medieval art, including that of India, China, Japan, the Tropics, Bizantium, Islam and France; and Renaissance art including that of the Frescoes of the Vatican and Sistine Chapel, works of Titian, Michael Angelo and Da Vinci, and artists of Flanders, France and Germany. In the field of modern art, the study included art from Flanders, Holland, Spain, France and England and concluding the study was Aboriginal art of America and the later arts of the Americas.

Mrs. Joe Oberkamp was chairman of the civic department which met once a month and studied such topics as city incorporation, clean-up of the city, yard improvements and needs of the cemetery. They planted the pecan trees around the school building as a project.

New members were Mrs. H. Q. Lyles, Mrs. Jim Moore, Mrs. Clay Montgomery, Mrs. Max Schneemann and Mrs. Evert White.

On May 3rd to 5th, 1937, the Sixth District, Texas Federated Women's Clubs, met in Ozona for the 12th annual convention, with Mrs. H. B. Broadus of Colorado City, as the district president and Mrs. J. F. Robertson of Rising Star as program chairman. Mrs. Joe Davidson was district chairman of art and Mrs. Frank Friend was chairman of the division of literature.

Local chairmen of the Convention planning were: Mrs. Joe Pierce Jr., general chairman; registration,

and the dinner and luncheons in the new \$140,000 Hotel Ozona. The President's Evening, on Tuesday, was held in the Methodist church. S. E. Couch president of the Ozona Chamber of Commerce, and Mrs. Joe Pierce, Jr., club president, gave the welcoming addresses. Musical entertainment was by Miss Lillian Morrison on the piano and a vocal solo by Mrs. Gypsy Ted Sullivan Wylie, both instructors at McMurry College at Abilene.

The fine arts program on Wednesday evening was held in the Ozona Theatre. Dr. H. W. Morelock, president of Sul Ross State Teachers College of Alpine, was the guest speaker. Musical numbers were by Miss Floyd Friend, Miss Mary Neville Broadus of Colorado City and Miss Estelle McDonald of Sonora.

On Thursday at noon, the men of Ozona served a real cowboy dinner and in the afternoon of the close of the convention, entertained the visitors with a first class rodeo. The visitors were entertained in local homes. All declared that Ozona, "far from the madding crowds" was a gracious hostess and they hoped to return.

Gladys Moore Pierce is the daughter of William Erasmus Moore and his wife, Kate Augusta Seaman Moore of Bay City, Texas. She was born at Ashby, Matagorda county, Texas, but moved with her family to Port Lavaca where she attended elementary school, later moving to Bay City, there to finish high school. She attended San Antonio Female College, (Now Trinity) where she became the friend of Miss Allie Pierce (now Mrs. Tom Smith) and while visiting her in Ozona met her friend's brother, Joe Sellers Pierce, Jr., whom she later married.

The couple lived on the Pierce headquarters ranch for several years until they moved into Ozona to school their children. They are the parents of Joe Sellers, III

and Esther Kate, now Mrs. Dempster Jones both of Ozona.

Mrs. Pierce has been an interested member of her community, always ready to help in any project for its improvement. She has worked in school affairs, PTA, Music Club, and Woman's Society of Christian Service.

Being a faithful member of the Methodist Church, Mrs. Pierce has taught, held many offices, sang in the choir for many years and been available for service in any capacity in which she might be useful. She is an active member of the Garden Club and a long time member of the Ozona Woman's Club, holding district and local offices. Her hobbies, other than home and family, are golf, bridge, family histories and keeping scrap books.

Notes From The County Agent's Office

By Pete W. Jacoby

Penn Baggett received \$500 for his Reserve Grandchampion Crossbred Fat lamb at the San Antonio Livestock Show Auction Sale last Friday. Frost Bros. of San Antonio purchased the lamb.

Mark and Penn Baggett will take six fat lambs to the Houston Fat Stock Show next week.

Eleven 4-H members will exhibit 48 head of livestock at the San Angelo Fat Stock Show, March 8-12. Showing Rambouillet breeding sheep will be Jay Miller, Pam Jones, Keith and Lellee Mitchell. Steer exhibitions are Fred Baker, Bill and Larry Williams. Showing fat lambs will be Mark and Penn Baggett, Duwain and Eugene Vinson, Hughie Coates, Buddy Couch, Bill and Larry Williams.

Five 4-H members will perform in the calf scramble at the San Angelo Fat Stock Rodeo on Friday night, March 10. The five are Penn Baggett, Bryan Montgomery, Jimmy Baggett, Hughie Coates and Carey Pitts.

The Annual Beef-Cattle Field Day at the Texas Agricultural Experiment Station at Balmorhea will be held this Saturday, February 25. There will be a barbecue lunch, followed by an afternoon program. Subjects to be discussed are "Supplements for Range Cattle", Liquid Supplements for Range Cattle", and the "Future of Performance Testing." The program will be informative and educational and all interested cattle producers are invited to attend the Field Day.

Crockett County sheep producers have contributed near \$600 toward the Sheep Shearer Training Program being sponsored by the Texas Sheep & Goat Raisers' Association. Efforts are being made to place several trainees on local shearing crews to help reduce the shortage of shearers in the area. The shearer shortage affects all sheep producers and will require over-all cooperation of shearing

crews and ranchmen alike if the program is successful in reducing the shearer shortage.

Mr. Mitchell J. Wrich, with the Agricultural Research Service of the U. S. Department of Agriculture, stationed at the Entomology Research Division at Kerrville, will be in Crockett County on March 1. Mr. Wrich is collecting goat lice from various parts of West Texas and would like to check several goat flocks in this county. He will need to check only several head in each flock. He is interested in collecting lice from both Spanish and Angora goats before shearing or at time of shearing. Any ranchmen who could have goats in the pen on March 1 and would like to cooperate in this program are advised to contact the county agent.

Screwworm Problem to Be Aired At Meeting In San Angelo Feb. 28

San Angelo — Dr. R. C. Bushland of the United States Department of Agriculture's Entomology Station at Kerrville will be in San Angelo Tuesday, February 28, to report on the progress of research on the screwworm fly problem in Texas. He will speak at a meeting which is being sponsored by the Animal Health Committee of the Texas Sheep and Goat Raisers Association in cooperation with the Agricultural Department of San Angelo College.

In addition to reports on recent developments in research on the problem, Bushland will present a movie of the successful screwworm eradication program carried out in Florida. Dr. R. G. Garrett, Executive Director of the Texas Animal Health Commission, and Dr. John L. Wilbur, Jr., Veterinarian in charge of the USDA Animal Inspection and Quarantine Division, will be present and participate in the discussion.

T. A. Kincaid of Ozona, Chairman of the T S & G R A Animal Health Committee, urges all ranchmen to make plans to attend this important meeting which begins at 3:30 p. m. in the Student Center Theatre of the San Angelo College.

Woman's League Hears Exchange Student In Meeting Here Tuesday

The Ozona Woman's League met Tuesday afternoon at the country club with Mrs. J. S. Pierce, IV and Mrs. Bill Friend as hostesses. Mrs. John R. Hunnicutt, president, presided at the business meeting.

Miss Jean Powers was in charge of the program on "The International Value of the Student and Teacher Exchange Programs." Miss Powers introduced the guest speaker, Miss Judy Luck, an exchange student from Lincoln, England, who is attending Andrews High School. Miss Luck's comments and comparisons of school and matters of daily living vital to a teenager in the United States and England were enjoyed by the audience. Ozona students on the discussion panel with Miss Luck were Jimmy Freemann, Senior, and Miss Cheryl Clayton, a Junior.

Other League members present were Meses. Joe Couch, Bill Carson, A. S. Lock, Billy Mills, Tom Mitchell, E. M. Boyd, Glenn Cox, Armond Hoover, Jr., L. O. Zunker, H. M. Phillips, Jr., Dick Kirby, Jim Dudley, Charles Garlitz, Sonny Cleere, Roger Gotcher, W. O. Mills and Perry Hubbard.

Home Decorations To Be Woman's Club Topic

The Ozona Woman's Club will meet Tuesday, Feb. 28, in the home of Mrs. Taylor Word, club president, for "A Look at Home Decorations."

Mrs. James Baggett will discuss wool as a decorating medium for homes. A short sound movie, "To Please a Woman", will be shown by Mrs. Ira Carson.

Each member will be expected to answer roll call with a suggestion for Spring beauty in the home.

He has an older brother, Jonta Lee who is 22 months old. Grandparents are Mr. and Mrs. J. P. Crews of Mertzon and Mr. and Mrs. Batts Friend of Ozona.

Roy Harrell, Ozona Student, Back From Tour Of Africa, Met Up With Naked Communism And An "Ugly American" In Brush With Congolese

An accumulation of knowledge and experience in an on-the-ground observation of one of the most vital developments in the world's history, the awakening of the "Dark Continent," Africa, and the developing struggle for order in a continent in turmoil, was the good fortune of an Ozonan, Roy Harrell, who has just returned after a six months tour of Africa on a fellowship grant from the American University at Washington, D. C.

Although he suffered some bumps and bruises as the result of a personal attack by a group of Congolese in Leopoldville, and found one of our "Ugly Americans" in an Ambassadorial post in the same city, Harrell feels that his trip was a rare opportunity to observe "history in the making".

A series of colored slides made during his trip will be shown by young Harrell at the Methodist church tonight (Thursday) starting at 7:30 p. m. He will comment on the pictures and give some details of his observations during the evening. The public is cordially invited.

The Ozona student's African trip was specifically for field work for his thesis for the Ph D degree which he will seek from Johns Hopkins University following completion of his work at the American University this year. His field is foreign service.

Harrell visited nearly every part of Africa, including the new nations which have emerged in recent months as the colonial yoke is thrown off. It was on a visit to Leopoldville in the Congo that he was pummeled by Congolese while a group of United Nations soldiers looked on with indifference. He had asked the U. S. Ambassador at Leopoldville before entering how safe it would be for an American and was told it would be as "safe as Washington, D. C." He said he hoped the change in administration hadn't made Washington quite so hazardous for the "unbelievers." When he called the

American ambassador for help, that important personage urged him to "get on with his complaint" as the Ambassador had a social engagement.

Harrell says he has a picture of Lumumba, the murdered Communist-chosen former Prime Minister of the Congo, shaking his fist at U. N. soldiers outside his home. President Kasavubu and Prime Minister Mobutu, Harrell said, seem to be trying to bring the strife torn country back to order and to administer its affairs for the best interests of the people.

One of the highlights of his experiences in Africa was a meeting with the famous Dr. Alfred Schweitzer in Lambarere, Gabon. He also saw the hijacked Portuguese luxury ship, the Santa Maria on its return after being repossessed by the Portuguese at a South American port. He talked with the ship's captain who told him that the Santa Maria passengers "got their money's worth."

Harrell will leave Ozona Friday for Washington where he will resume his graduate work. He will receive his Master's degree in International Service this spring and next year will enroll for work toward his doctorate at Johns Hopkins University.

Lion Cagers Trample District Champions Of Big Lake In Final

By Ernie Boyd

The Ozona Lions finished off their basketball season on a strong note at Davidson Gym last Friday night when they dumped the Big Lake Owls 61 to 49 behind the sharp shooting of Hal Long who garnered 24 points.

Van Miller and Phillip Carnes played strong games and contributed 11 and 12 points each to the attack which left the Lions with the district's best record in the second half of play.

The Lions wasted little time getting under way as Jim Freeman, the only senior on the Lion squad hit a quick goal to go ahead and by half time the Lions had pulled into a 30 to 21 lead.

Strong rebounding by Hal Long, Van Miller and Carl Montgomery helped the Lions control both boards throughout the contest.

Big Lake made its biggest bid to get back into the game when they outscored the Lions in the third period to pull within two points at 38 to 40 and then went into a tie at 40 all in the fourth period.

The Lions, however, rallied sharply with Van Miller and Phil Carnes hitting free throws and Long hitting two field goals as the Lions pulled away into a commanding lead.

The Owls, who had already clinched the district title, were led by seniors Bobby Hubbard with 18 points and James Mann with 12.

The win by the Lions left Ozona with a 3 and 1 record in the final half as compared to 2 and 2 records by Big Lake, Sonora and Eldorado.

CARD OF THANKS

Words cannot express the deep appreciation we feel for those who so willingly came to us with their deeds of kindness and sympathy at the loss of our loved one. Our sincere thanks for the beautiful floral offerings, food and other personal tributes.

May we say a heartfelt "Thank You" to everyone.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds

up to less sway, less bounce, less dip, less dive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voila, you've got Chevy's formula.

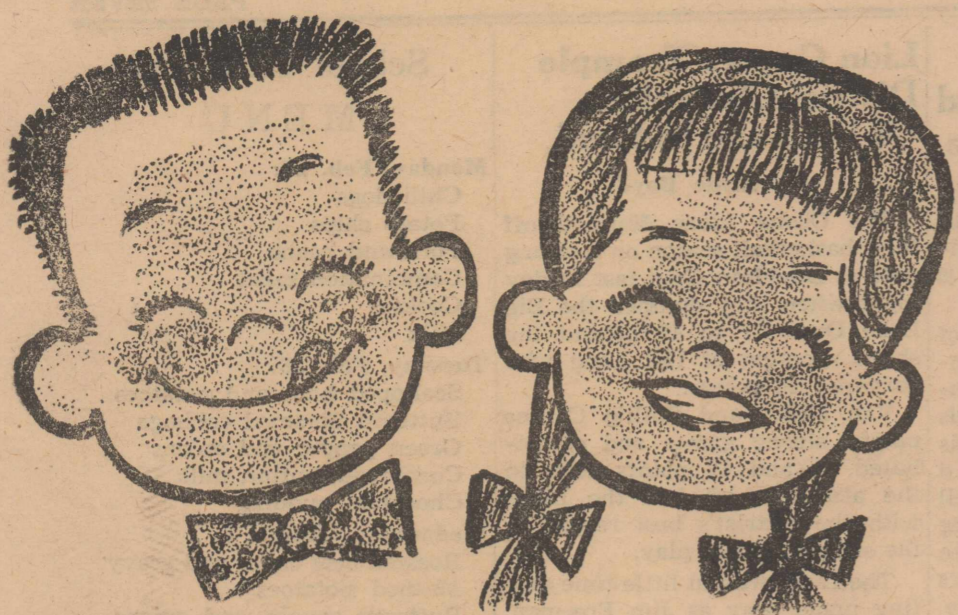

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.
