Ballots Prepared For Run-Off Vote For Senate Seat

Voters To Pick Tower Or Blakley In May 27 Election

Ultra-liberal Democrats in Texas may (but most likely won't) "go fishing" on election day May 27, but from interest indicated by discussion, by campaign activities and by letters to the editor in daily papers, Texans are going to go to the polls in goodly numbers again at the run-off special election when the actual final selection of a new United Senator from Texas will be made.

Ballots have been prepared and are in the hands of the county clerk and some absentee voting was expected here during the period in which such voting may be done, now in effect. Although run-off elections, even regular party primaries, do not ordinarily attract the number of voters that first primaries do, Texans may vote in larger numbers in the coming special election than usual because of the continuing struggle between liberal and conservative forces in this nation. Texans, too, may be more politically conscious at this time because of their own fiscal problems now receiving the attention of the legislature.

Principals in the May 27 election will be acting Senator William A. (Bill) Blakley of Dallas and John G. Tower of Wichita Falls, who polled more than 900,000 votes as a Republican opponent of Lyndon B. Johnson for United States Senator in the recent general election. Johnson's running for two offices at the same time, for Vice President of the United States and for Senator from Texas, made the special Senatorial election necessary—to choose his successor when he resigned as Senator to become vice president.

Although strictly speaking, the two candidates are not nominees of their respective parties, Blakley a Democrat and Tower a Republican, since they were among more than 70 individuals who sought the office in the first election. But both retain their identities as party members and the May 27 election will be in effect a race between a Democrat and a Republican, with the chances even that Texas will for the first time in its history name a Republican to represent it in the United States Senate. The state has one Republican in the House of Representatives, Bruce Alger of Dallas.

Mark Baggett Winner In Baker Jewelers Gift For Graduates Contest

The big windup clock in the window at Baker Jewelers finally came to a stop, thus relieving the tension among 32 members of the 1961 graduating class of Ozona High School.

On the spot on the clocks' dial where the minute hand was to come to rest would determine which member of the class won a \$49.50 Bulova wrist watch, which the Baker Jewelers was offering to one of the graduates.

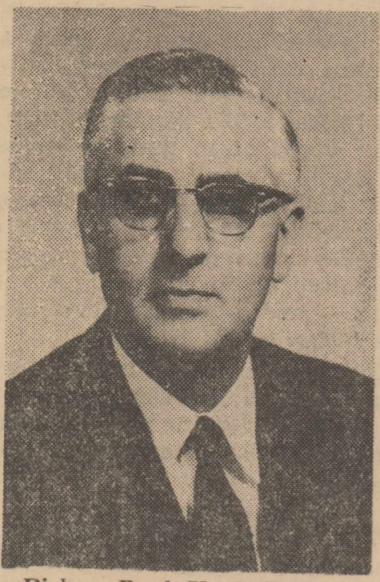

The hand came to rest on the name of Mark Baggett and Mark will receive the handsome gift watch.

Service And Junior Bowling Leagues Set Up For Summer Play

Members of the Service League bowlers are reminded by the Miller lanes management that the summer league bowling will start Monday night May 22.

Junior League bowlers are called to meet at the bowling lanes Saturday morning, May 20, to reorganize for the summer league season.

Miss Lola Mae Daniel, Ozona school faculty member, will serve as sponsor for seven students from Baptist college in Texas who will be in California this summer for Vacation Bible schools and week-end youth revivals.

Annual Conference Of Methodists To Be In San Antonio Next Week

Delegates from Ozona Methodist church will be on hand in San Antonio next week for the Annual Conference of Southwest Texas Methodists which is scheduled to open Monday evening, May 22, with a Laymen's Banquet. Conference sessions will be held in Travis Park Methodist Church in San Antonio.

The Conference will be the first under the newly elected Bishop Paul V. Galloway. Bishop Galloway was elected in June of last year. He had served many years as pastor in the Methodist Church, serving several of the larger churches in Arkansas and Oklahoma.

Rev. Morris Bratton, pastor, and John Childress, delegate, will be the official delegates from the Ozona church to the Annual Conference. Alternate delegates will be R. A. Harrell and Ralph Jones. Also attending the Conference will be Mrs. Bratton, Mrs. Childress and Mrs. Harrell.

The Conference speaker will be Dr. Charles Ray Goff, minister of the famed Chicago Temple, the "skyscraper church" in the Loop which lifts its spire 586 feet above the street, the tallest church spire in the world, and the oldest church in Chicago. Dr. Goff's friendly personality is credited in part with the Temple's attendance Sunday after Sunday far exceeding its membership rolls. He is the author of many important religious books and his latest, "Shelters or Sanctuaries," is scheduled to be published soon. He has been the preacher for the Methodist Men's Hour, a radio network program, for the past three years.

The beginning Laymen's Banquet will feature as its speaker Frank Broyles, head football coach at the University of Arkansas. Coach Broyles who played at Georgia Tech and as a coach assisted Bob Woodruff at Baylor and at Florida before becoming head coach at Missouri U, where he made a fine record. His three years as coach of the Razorbacks has been featured by a spectacular comeback which catapulted the Hogs to the co-championship in 1959 and to the full title in 1960, and won for Coach Broyles the title of Coach of the Year.

Mrs. Ida Fields, 83, Member Pioneer Ozona Family, Dies at Uvalde

Funeral services were held Monday in Uvalde for Mrs. Ida Fields, 83, member of a pioneer Crockett county family, who died Saturday night in Uvalde.

Mrs. Fields was a daughter of the late Mr. and Mrs. T. W. Patrick, pioneer Ozonans. Her husband, Robert Fields, died in 1947.

Mrs. Fields is survived by three daughters, Mrs. Lilly Pope of Kerrville, Mrs. Henry Matlock of Brownfield and Mrs. David Farris of Brownsville; three sons, R. D. and Dee Fields of Uvalde and Walter Fields of Hondo; two sisters, Mrs. Rufe Everett of Ozona and Mrs. Everett Finigan of San Antonio; four brothers, Joe Patrick of Ozona, Tom Patrick of Lancaster, John J. Patrick of Pecos and Tim Patrick of Corsicana; 29 grandchildren, 2 great grandchildren and 2 great great grandchildren.

Ozona relatives attending the funeral services were Mr. and Mrs. Joe Patrick, Mr. and Mrs. Virgil Oden, Mr. and Mrs. Cleophas Cooke and Mrs. Tom Everett.

Goodfellow AF Base To Lead Armed Forces Day Events in Angelo

The nation Saturday will honor its Armed Services on the 12th annual observance of Armed Forces Day.

San Angelo, as other cities throughout the country, has planned an elaborate schedule of events, beginning with a big parade at 10 a. m. in which local units of the Armed Forces will participate.

Goodfellow will be represented by four 120 men squadrons, the 6941st Student Squadron Drill Team, and the Goodfellow Drum and Bugle Corps.

Flyovers will take place during the course of the day as follows: 10:03 a. m., eight F-100 Jet Fighters; 1:16 p. m., nine T-37 Twin Jet Trainers; and 2:08 p. m., two C-130 Transports.

Bands from San Angelo High School, Edison Junior High, Robert Lee Junior High, and Blackshear Junior High, will provide martial music appropriate to the occasion. In addition to representative units of the Armed Services other marching units are: National Guard, Army Reserve, Marine Reserve, Naval Reserve, Civil Air Patrol, American Legion, Red Cross, San Angelo Emergency Corps, Veterans of Foreign Wars, and Forty & Eight.

Following the parade dignitaries will visit the open house at the Servicemen's Center on Park Drive and Irving Street.

Ozona Coaches Take Forward Look at Prospects For Next Season; Football Looks 'Impossible'; Basketball, Track Squads Given Outside Chance

By Ernie Boyd

The 1961 school year is over and with the football field having been plowed up and new grass on the way, the Ozona Coaching staff will now take a brief rest before beginning to worry about what will be left after today's graduation.

Coach Fred Hickman plans to be in Ozona this summer working at one of the city's swimming pools and getting ready for fall practice which will get under way in August just after the annual Texas High School Coaches Association holds its annual school, this year in San Antonio.

The returning crop of football lettermen even though having some talent in places, shows indications of being the thinnest and least experienced Lion team since 1956.

To make matters even worse it does not seem that any of the other district teams will lose much in the way of strength before next fall's campaigns.

Coach Brooks Dozier plans to spend another summer in school and even though the basketball season is some distance away, he is looking forward to the return of almost his whole 1960-61 squad for the next season. The recently completed spring practice was an

Volume Of Trash Hauled Indicates Clean-Up Success

Some Spots Still Need Attention, Women's Groups Point Out

Ozona's trash hauling service, now operated by the Crockett Water Control District, reported a tremendous volume of trash hauled Monday and Tuesday of this week, and a markedly stepped up volume throughout the town last week, to indicate success for the annual clean-up campaign sponsored by the Ozona Woman's Club and assisted by the Woman's Forum, the Woman's League and the Garden Club.

The club sponsored clean-up was in effect through last week, with Monday and Tuesday of this week designated as free trash hauling days, when trucks would comb the town for accumulated trash and haul it to the dump ground without charge to residents.

Ladies forming the clean-up committees from the sponsoring organizations expressed gratitude for the response of Ozona people to the clean-up, keep-clean call of the annual drive. The clubs also expressed thanks particularly to Bill Cooper and the men of the trash hauling service, to Scotty Houston, Highway Department maintenance foreman, to the Commissioners Court, to County Attorney Dixon Mahon for drawing up the friendly petition to the sheriff's department for enforcement of the anti-litter laws on highways, to Billy Mills and his sheriff's department, to Celestino Fouantoz and his helpers who assisted in promoting the clean-up in the Latin American section, to the Ozona Stockman for publicizing the campaign and to all who cooperated in making the clean-up a success.

Members of the committee expressed some disappointment that the clean-up fell short of perfection in some areas. There still remain a number of unsightly vacant lots, committee workers pointed out, and several accumulations of old auto bodies and parts, forming unsightly spots within the city.

An appeal to owners of these neglected areas are urged to join in making Ozona a neater, more attractive town.

Ladies forming the clean-up committee pledge their continued cooperation with local authorities in enforcing laws against litter and trash dumping in public places and along highways, and toward continuing to urge residents to keep their premises clean and attractive.

Mr. and Mrs. Edward Bohac of Weimar, Texas, announce the engagement and approaching marriage of their daughter, Patricia Ann, to Donald Lowell McCaleb, son of Mr. and Mrs. L. A. McCaleb of Ozona, Texas.

The wedding will take place June 3rd, at St. Michael's Catholic Church, Weimar, Texas.

Strawn Test Set On Miller; Baggett Gets 4th Gas Well

Step Up Development Gas Production To South of Ozona

Crockett County gained location for a wildcat, a prospect showed oil and water and a field gained a confirmation.

Chambers & Kennedy, Midland, will drill the No. 1 Miller, a 9,300-foot Strawn wildcat, in Crockett County, 12 miles south of Ozona and 1 1/2 miles east of Strawn gas production in the Refoil multipay field.

Location is 660 feet from the north and 2,310 feet from the east lines of 7-J-GC&SF.

El Cinco Production Co., Ltd., Midland, No. 2 C. D. Johns, in 24-31-H&T.C. Crockett County Devonian prospect, 5 1/2 miles southwest of McCamey and 1 1/2 miles southeast of the Crossett, South (Devonian) field flowed gas and recovered oil and salt water on a drillstem test in the Devonian.

On the three-hour test between 5,260-90 feet, gas surfaced in seven minutes, rated at 114,000 cubic feet daily. Recovery was 90 feet of gas-cut mud, 990 feet of free oil and 180 feet of salt water.

Flowing pressure was 143-388 pounds; 45-minute initial and final shut-in pressure, were 2,470 pounds and 2,126 pounds, respectively.

Drilling continued on a 6,200-foot contract.

Earlier a test between 5,230-260 feet surfaced was rated at 64,000 cubic feet daily and recovered 540 feet of slightly mud-cut and highly gas-cut oil, 360 feet of free oil and 90 feet of water.

Still earlier a test between 5,208-30 feet, surfaced gas rated at 70,000 cubic feet daily and recovered 680 feet of mud-cut oil, 360 feet of free 42 gravity oil and 10 feet of water.

The Baggett (Strawn) field of Crockett County gained its fourth well and a 1 1/4-mile east extension with completion of Cosden Petroleum Co. No. 1-G Baggett, 12 miles southwest of Ozona.

It was completed for a calculated, absolute open flow of 20 million cubic feet of dry gas daily through perforations between 8,950-9,032 feet.

Location is 2,310 feet from the south and east lines of 23-F-GC&SF.

32 Graduates To Get Diplomas In Exercises Tonight

Program in Auditorium To Mark End Of Current School Year

Culminating twelve years of elementary and high school work, thirty-two students will be awarded high school diplomas in the annual graduation exercises of Ozona High School set for 8 o'clock this evening in the high school auditorium.

Although short of last year's class of 36 graduates, the 1961 class is about average in number of recent years. An unusual feature of the class, however, is the fact that it has two valedictorians and no salutatorian. This odd situation developed when Roberta Johnigan, daughter of Mr. and Mrs. Hartley Johnigan, and Arthur C. Kyle, Jr., son of Mr. and Mrs. Arthur Kyle, completed their four years of high school studies with exactly the same scholastic grade average.

The graduating exercises will open with the processional march played by Jan Pridemore, a junior. She will play "March of the Priests" by Mendelssohn for the processional and "Pomp and Circumstance" by Elgar for the recessional.

Invocation will be by Tony Parker and the welcome address will be by Valedictorian Roberta Johnigan. "Over The Rainbow," a vocal number will be by Mary Lou Zunker, with Roberta Johnigan accompanying. Two addresses "Freedom" by James Freeman and "The Key of Success" by Sandra Whitaker will follow and another musical feature, a clarinet solo, Waltz Fantasy, will be played by Leon Drago, with his brother, Leroy, accompanying.

An address by the co-Valedictorian Arthur C. Kyle, Jr., will be entitled "We Do Not Say Farewell."

Scholarships and other awards will be presented to class winners by J. A. Pelt, high school principal after which Superintendent L. B. T. Sikes will present the class for graduation.

Bill Carson, president of the school board, will present diplomas to the graduates and the program will end with the benediction by Barbara Barbee.

The 1961 graduating class will be as follows:

John Daniel Aiguier, Wayne Walter Albers, William Oren Anderson, Jr., Mark Riley Baggett, Barbara Barbee, Delia Borjas, Martin Moreno Castellano, Micaela Chipman Cervantez, Bob Childress, Pless Leasel Childress, III, Anne Elizabeth Davidson, Jimmy Lewis Doran, Leon Frederick Drago, Sarah Jane Everett, Thomas Alvin Fields, James Deal Freeman, Nancy Elizabeth Friend, Sarah Catherine Hester, Edgar D. Holden, Rowden Reid Holmsley, Roberta Lynn Johnigan, Pamela Kay Jones, Arthur C. Kyle, Jr., Carlos DeHoyos Lopez, Alton Levon Parker, Vernon Wayne Scrivner, Richard Greene Sikes, Priscilla Colleen Stewart, Michael Spencer Stiles, Cruz Rivera Tambunga, Sandra Bess Whitaker and Mary Lou Zunker.

Ozona Golfers Fall To Place In McCamey Annual Tournament

The McCamey Invitational golf tournament unreeled in McCamey last Saturday and Sunday did not add any to Ozona's golfing prestige as the local drivers and putters failed to place in the event.

Brooks Dozier and Buddy Moore did manage to get into the consolation rounds in their flights but neither was able to win.

The closing of school and a number of other activities locally kept several other Ozona golfers from entering the annual meet.

Local golfers whose names were noted among those teeing off Sunday were: T. J. Bailey, Red Greer, Buddy Moore, Brooks Dozier and one or two others who may have been overlooked.

THE NET TIGHTENS

It seems by now to be official US policy to resist the encroachments of creeping Communism a little — but never enough. It began in China. It continued in Korea. It's latest failure is in Laos. Next come South Vietnam and Thailand. Then, if it's not too late, there's Africa.

Even so, we are bolder in Southeast Asia than at home. Our only help to the Cubans has been not only disastrous but clandestine. As a result, Brazil and Ecuador have declared for Castro. The enemy, entrenched on our Cuban doorstep is now digging in on the continent below us. Bold speeches do not impress the neighbors — or contain the Commies.

LAST STRONGHOLD OF LIBERTY

The opportunity before Patriots in these days is truly great. The United States of America is the last true stronghold of individual liberty, the last great reservoir of freedom idealism, and the final hope of liberty in the world.

The leaders of the Mistaken conspiracy know and openly say that the only obstacle to their march for world domination is the United States. The challenge before us, the opportunity open to us, is that we maintain this position.

Edmund Burke, the eighteenth century British statesman and author, said that "people never give up their liberty except under some delusion." Are we deluded in America today?

We have to recognize the fact that during the last three decades millions of Americans have come under the spell of a delusion which already has cost us some of our liberty and which, if we do not rid ourselves of it, may yet bring about the loss of all our liberty. This delusion is that a big, strong central government can and should bring about a solution to all our

problems. These cases include the application of strict government controls over the productive activities of businessmen and farmers and working people. They include price controls and price supports and rent controls, control of raw materials, controlled rates of interest, inflated money, artificially cheap credit, and subsidies of all kinds.

A man cannot be free if he is controlled by some outside force every day of his life. The final result is not simply the control of prices, materials, business processes and so on. The final result has to be control of the people themselves.

History shows that liberty can be lost and has been lost under democratic types of government and through parliamentary processes. While these forms can provide liberty, they cannot insure that liberty will be retained. Only an informed, vigilant people, alert to the danger of liberty's loss and ready to take determined, affirmative action to meet that danger, can do that.

Americans today must take warning from what we have seen in our time in the way of dictatorships, loss of freedom, and the enslavement of people. There is available to us a mountain of evidence that liberty is lost, not in one overwhelming disaster, but piece-meal over a period of time.

More than a hundred years ago a French philosopher said of our nation: "America is great because she is good, and if ever America ceases to be good, she will cease to be great."

In these words can be found the answer to the Mistaken challenge of those who would destroy the freedom of our land. For a substantial part of America's goodness must assuredly lie in the patriotic American's love of freedom and regard for the dignity of the individual human being. — From Life Lines.

WHY NOT ATTACK THE CAUSES?

Juvenile delinquency now becomes, by executive order of the President, a responsibility of the Federal Government. Three Cabinet officers, Attorney General Robert Kennedy, Welfare Secretary Abraham Ridicoff and Labor Secretary Arthur Goldberg, aided by a former Olympic hockey star are to dream up and execute a five-year Pied Piper act in reverse at an estimated cost of \$10 million for the first year.

Meaning no disrespect to these eminent sociologists, we think the Administration could do more for youth by reforming our wasteful, spendthrift government, reducing taxes and checking inflation so that a single paycheck might again support a family. If Mother could return to her traditional duties in our economically broken homes the forces of juvenile delinquency would receive a greater assist than Federal millions will ever provide.

This might even help adult delinquency. "Every business concern needs some promising young men — in order to attract good secretaries." — Marjorie Johnson.

FACTS — AND SOCIAL SECURITY

The truth about this country's social security program has been distorted and misrepresented to the American people and "important political and economic consequences" may result when the facts are ultimately understood. This is the view of an authority on such matters — Ray M. Peterson, vice president of the Equitable Life Assurance Society of the United States, writing in the Journal of The American Medical Association.

Mr. Peterson makes a number of extremely important points. Among them:

The public is being given the false impression that the method of financing the social security program possesses many of the unique characteristics of voluntary private insurance.

The program has been misrepresented as being a time-tested and tried and proved system of financing old age benefits.

People are being given the mistaken impression that social security benefits are paid out of accumulated reserves, similar to private insurance programs, where the truth is they are financed almost entirely on a pay-as-you-go basis with benefits paid out of current income.

In his words, "No reserve is accumulated, no element of prepayment is involved." Simple statistics tell the story. From 1956 through 1965, total tax collections for social security will be just

about the same as benefits and expenses — which means that it is almost entirely dependent on the taxing power of the government. Mr. Peterson also pointed out that, had taxes paid into the fund been stopped last year, the \$20.2 billion then in the fund would have been sufficient to meet only 23 percent of the obligations to current recipients.

You may be for or against the social security system — but, either way, you should know the facts. It is particularly important now, in view of the effort to graft a medical care for the aged program onto it, thus adding \$20 to \$30 billion to the permanent debt. This would mean that thousands of people presently receiving social security benefits would have paid nothing for the added medical benefits received. The bill would be passed on to younger generations — and a huge and everlasting bill it would be.

This actuary's article calls for truth and understanding. It should be required reading for everyone concerned about the future of America.

LONG ARM

Another income tax time has come and gone. And millions of us feel a sad flatness in the pocketbook.

Once the income tax was a rich mans tax — people of small and moderate earnings paid little or nothing. But now, as Citizens Public Expenditure Survey observes, "the long arm of the Internal Revenue Service reaches out to nearly everybody."

Here's the cold statistical story: Of the total federal tax, people who earn under \$5,000 a year pay 21 per cent. The \$5,000-\$10,000 group pays 39 per cent. The \$10,000-\$15,000 earners pay 11 per cent. The \$15,000-\$50,000 people pay 17 per cent. And the real big income group — \$50,000 and over — pay only 12 per cent.

This isn't because the rich are favored — income tax rates reach a top bracket of 91 per cent. It simply reflects the fact that there are not enough wealthy people to foot the bill for government — but there are millions of individuals in the modest income brackets. So, inevitably, the latter must pay the great bulk of government costs. And they, collectively, would gain the most from reductions in non-essential governmental spending.

TEXANS DO NOT WANT . . .
A "RUBBER STAMP" FOR THE NEW FRONTIER. In 1957, Blakley voted with Lyndon Johnson 100% of the time and with Jack Kennedy 89% of the time. Last fall he endorsed the Kennedy-Johnson ticket and the socialistic platform of the New Frontier. He is clearly a captive of the administration without a voice or a vote of his own.

RANCH RECORD

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, May 19, 1932

The all-time record graduating class of Ozona High School, in point of numbers, will march across the stage in the new auditorium tonight to receive their high school diplomas, the culmination of eleven years of studious effort. Members of the class are Lois D. Adams, Bernice Bailey, Phillip Lee Childress, Conley Cox, Margaret Deland, Fletcher Freeman, Aubrey Fussell, Ethard Glover, Lois B. Hoover, Hattie McKinney, George Vic Montgomery, Angeline Patrick, Joe Sellers Pierce, Luetta Powell, Marvin Rape, Rosalie Rauhut, Miller Robison, Massie Ray Smith, Lowell Schwalbe, Mary B. Vaughan, Chester Wilson and Ethel Word.

Miss Dorothy Miller, daughter of Mr. and Mrs. Will Miller, has opened a beauty parlor at her home here under the name of Dorothy's Beauty Shop. She is being assisted by Miss Ann Williams, an experienced operator.

Mrs. Mary Flowers was elected Worthy Matron of the Ozona Chapter, Eastern Star, Tuesday night. Richard Flowers was chosen Worthy Patron; Mrs. Charley Coates, Associate Matron, and George Bean, Associate Patron.

Mr. and Mrs. Allan Bosworth and their son, Jimmie, of San Francisco, Mrs. Betty Borworth and Dee Bosworth of Sanderson, were in Ozona Sunday and Monday visiting friends. The Bosworths are old Ozona residents.

Mrs. Frank McMullan, who came in from the ranch Sunday suffering from an acute attack of sciatica, is able to be up. She is at the home of Mr. and Mrs. Pon Seahorn.

Courses for high school credit will be offered in Ozona High School this summer under the direction of John L. Bishop, superintendent, and Ted White, it was announced this week. Courses will be offered in all high school subjects except manual training, home economics and commercial work.

A triumph for every member of the cast, two hours of hilarious en-

tertainment for the audience and a net gain of \$60 for the school athletic fund, were results of the home-talent play, "Her Step Husband," presented Tuesday night. The biggest hit of the evening was made by Miss Rosalie Friend, 5-months-old daughter of Mr. and Mrs. W. E. Friend, Jr., who played the part of Willie Marshall, only son of Mr. and Mrs. Harvey Marshall. Although it was well past her bedtime, the little miss played her part with apparent grace and ease, greeting the acclaim of the cast and audience with a smile of satisfaction.

Mr. and Mrs. T. H. Eastman are the parents of a daughter born Tuesday.

S. L. Butler suffered a heart attack in the office of the West Texas Lumber Co. here Tuesday afternoon was taken to his home in a Joe Oberkamp ambulance. He is reported improved.

Will pay good price for live quail or quail eggs. Mrs. T. A. Kincaid.

1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

Past President

Mrs. P. L. Childress, Sr.
1930-1931

The fifteenth president of the Ozona Woman's Club was Mrs. Pleas L. Childress, Sr. Other officers for that year were Mrs. W. J. Grimmer, first vice president; Mrs. W. E. Smith, second vice president; Mrs. W. R. Baggett, recording secretary; Mrs. Joe Pierce, Jr., corresponding secretary; Mrs. N. W. Graham, treasurer; Miss Elizabeth Fussell, parliamentarian and critic.

Mrs. W. E. Smith was program chairman and Mrs. V. I. Pierce yearbook chairman. A new officer, historian, who was Mrs. John R. Bailey, was added in this year.

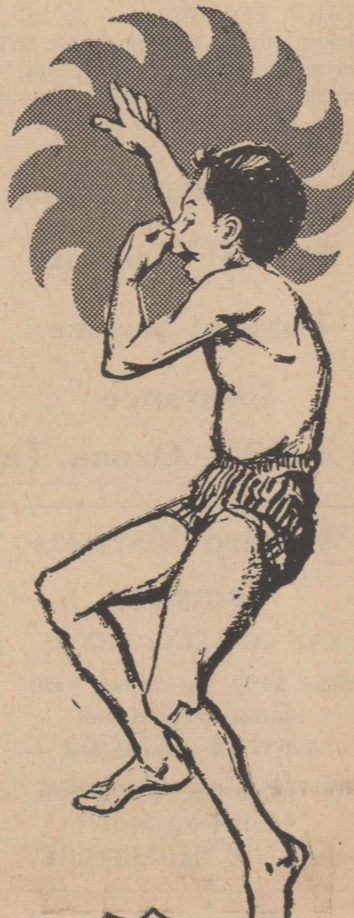

The course of study for the year was "Some Modern Problems," including such topics as education, child training, radio, the Poles, science, child health, highways and Indian welfare. Special days observed were President's Day, held in the home of Mrs. Ira Carson, with a parliamentary drill, two minute talks on "Our Changing Morals," history of the club and a vocal solo by Mrs. Joe Pierce.

A religious program with Bible quotations, a talk on the trend of church unity by Mrs. Will Baggett and the "Art of Living Together" by Mrs. A. C. Hoover was a featured program. Other special days were a Federation Day luncheon, a Christmas program. Texas Day luncheon and a fine arts program on Indian art, with an exhibit of arts and crafts.

el Childress, the oldest son of another early day couple, Mr. and Mrs. William F. Childress, who came to Ozona from San Angelo. Mr. and Mrs. P. L. Childress were the parents of Elizabeth (Mrs. Grady Mitcham of San Angelo), Ethel, (the late Mrs. J. Neil Smith of Kansas City,) Pleas L. Childress, Jr., and John William Childress, both of Ozona.

Mrs. Childress was a member of the Methodist Church, working for many years in the Woman's Missionary Society. She was an active member of the Ozona Woman's Club until her death May 4 1934, becoming the club's second member in Memoriam. She is buried in Cedar Hill Cemetery beside her husband, who died a few years later.

Piano Musicale By Pupils of Mrs. Tandy

Cynthia Appel and Candy Colquitt will be presented in a piano musicale at the studio of Fae Bland Tandy, 405 Hillcrest Drive, Tuesday evening at eight o'clock. Solos, duos and accompaniments for group singing will be given.

The Musical is the fourth given by Mrs. Tandy's Tonettes, in celebration of National Music Week. The first was presented by Chris Clegg, Sally Janes, Susan Sonfleith Saturday afternoon. Saturday evening Becky and Diltzie Bland and Wesley West were heard in piano and voice numbers. Lellee and Keith Mitchell gave a vocal program Sunday afternoon.

The Tandy Tonettes are composed of piano and voice pupils of Mrs. Tandy and are affiliated as a Junior Music Club with the 6th district Texas and National Federation of Junior Music Clubs. The club was represented at the District Junior Music Convention in Brownwood recently by Becky Bland and Wesley West. Chris Clegg, Sally Janes and Susan Sonfleith were soloists from the club at the Music Week concert given by the Ozona Music Club at the fellowship hall of the Methodist Church.

ARE YOU A MOVIE MONSTER?

One's manners in public are very important factors in the way that people feel towards him. A person can have one bad habit that completely repulses people. It can make people hate to even be near this person.

A good example of this would be of one sitting in the movies. Read the examples below and decide if you are a Movie Monster.

The nonstop talker competes with the dialogue, frequently drown it out altogether. Favorite trick: making loud verbal interruptions at crucial points in the plot so that everyone within ear shot completely and forever loses the thread of the story.

The cinematic cry-baby suffers at the drop of a hat, sobs, sniffles, blows his nose fortissimo and inevitably manages to bring tears of rage to the eyes of his long-suffering neighbors.

The lamentable lovers love nothing better than embarrassing the rest of the audience by firework displays of affection. Their heads, joined like a pair of Siamese twins, make an impenetrable barrier for anyone who may possibly be interested in finding out a bit more about what's going on in the screen.

The roadblock, once he's in his seat, won't budge an inch. Unfortunates who have to pass him on the way to their seats find that he has the biggest feet and the longest legs ever. Warning: roadblocks have been known to suffer severely from stepped-on toes, bruised skins, and from the muttered insults frequently hurled at them by the stumbling passers-through.

The horrible aisle-hopper is always on the run. Back and forth he goes — to the coke machine, the candy counter, the water fountain. He has discovered the secret of perpetual motion, also the secret of keeping everyone else hopping mad.

The ghoulish laughter is capable of turning a perfectly ordinary movie theater into a chamber of horrors. His guffaws are the loudest, longest, most frequent, most chilling, and the nearest thing this side of a barnyard to a donkey's bray.

The bad loser is soon parted from his possessions, sheds money, gloves, eyeglasses, hanky and everything else with reckless abandon. Favorite movie — viewing habitat: under his seat, where he retrieves his effects while the patient usher beams a flashlight, and his impatient neighbors fidget with rage.

The cannibal eats all his meals in the movies. He is a past master at producing bizarre masticatory sound effects. Under his teeth, popcorn sounds like a battery of machine guns, gum explodes like a bomb. And goodness knows what he does to cellophane wrappings to make them crackle like electric-

city. The interpreter treats everyone to a running commentary on the film — explains, predicts, anticipates, and ruins the fun.

The pressing problem sits behind you and props his knees or feet against the back of your seat and pushes hard. Note: dangerous when in action — he may dislocate a vertebra or two.

Next time you go to the movies, consider these habits that cause movie-goers to dislike some people. If you find that you can be classified as one of these menaces, try to correct yourself so that you will not be called a Movie Monster.

FINAL EXAMS THROUGHOUT LIFE

Sighs of relief could be heard throughout the halls of O. H. S. today. Final tests are finally over. These tests end the school year, but there are many more tests in life than just final exams.

All year long, some of the kids have restrained themselves and have remained "Mama's darling little children." This summer may be the first time these kids have ever been away from home. They may say, "What does it hurt if I do things that I have been taught are wrong? The folks will never know." This is a test. Do you have enough will power to say, "no"!

If it became necessary for you to work this summer, could you pass this test? Working is a hard responsibility that everyone must face during his life. Can you cope with this working test right now? Always accept every test set before you, and consider this test a challenge. Keep working until every one of these tests have been mastered.

GLENDA FRIEND NAMED DRUM MAJOR FOR 1961-62

Glenda Friend, a senior of next year, was named drum major for the 1961-62 school year. Glenda has been a twirler for two years and has been in the band for five

years. Don Nell Carnes, also a senior-to-be was named assistant to the drum major. Don Nell has also been a twirler for two years and has been in the band five years. The drum major try-outs were held Monday afternoon.

In twirler try-outs, held Friday afternoon, Don Nell Carnes was chosen as head twirler. Twirling under Don Nell will be Peggy Harvick, a two year twirler; Jann Smith a one year twirler; Arlene Gotcher, a one year twirler; and Cheryl Clayton, also a one year twirler.

These girls will be seen in action during the 1961 football season.

Y. W. A. HONORS SENIORS WITH SUPPER

The Young Woman's Auxiliary girls of the First Baptist Church gave a super in honor of the '60-'61 senior Thursday night.

Most of the seniors were there to enjoy the meal which was furnished by the hostesses.

Rev. Harry Trulove wished the seniors the best and spoke to them on the challenge they have ahead of them.

USHERS ELECTED FOR GRAD EXERCISES

Thursday the Senior class nominated and elected two girls and two boys for ushers during the Commencement and Baccalaureate exercises.

Those nominated were Bobby Tabb, Judy Black, Don Nell Carnes, Phillip Carnes, Jayne Cole, Janet North, Carl Montgomery, and Frank Childress.

The winners were Bobby Tabb, Judy Black, Phillip Carnes, and Don Nell Carnes.

WINNERS OF SOIL CONSERVATION ANNOUNCED IN ASSEMBLY

Dick Ketchum announced the winners of the Soil Conservation Theme Contest in assembly Wednesday.

They were divided into a Senior and Junior division. In the Senior division Deeny Holden won first place, Mary Lou Zunker won second place, and Sandra Whitaker and Pleas Childress tied for third place. In the Junior division, Cheryl Clayton won first place, Bill Jacoby won second place, and Tommy Everett won third place.

OZONA SENIORS ARE BUSY DURING WEEK

The Senior Class of 1960-61 was blessed this week with a week off from school. The Seniors finished school on May 12, and the only things after that are Baccalaureate Commencement practice, and commencement.

YOUNG LOVE FINDS MANY EXPRESSIONS

There are various ways to tell if a boy and girl are in love. In Ozona High School the ways are rather strange and if a stranger were to enter our school they would probably be very confused.

One of the surest and most obvious ways is the scratching of his or her name on and with anything.

A real sign of 'true love' is to reach into your locker; select your largest book; and "konk" him or her on the head.

One sign that is really fun, but at times gets one into trouble, is playing "last tag" down the hall and into the classroom. Both students are often late for class.

If you see a girl running down the hall with a rope-sliding boy on her heels, its for sure they're going steady.

Writing "notes" (usually ten pages long) is a "must" in love life. One of these "notes" exchanged between each class keeps the lovers happy until they can see each other at 3:36.

If you see a girl that is dragging around her neck or on her finger, several hundred tarnished track medals, a "beatup" miniature basketball, or a senior ring that has been taped with a whole roll of athletic department tape, she is not running a used jewelry shop; she's loved!

At the beginning of the semester, there is usually a mad scramble of exchanging lockers so you can be near your sweetheart. The real reasons are so its not so far to walk her or him; so far to put a note, or to borrow books, paper, pencils, and anything else he or she might have.

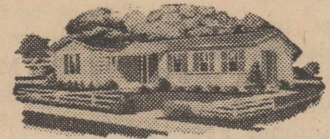

Then there is the old stand-by of varying degrees of handholding

The Seniors are going to occupy their time during the off week with varying interests, but the most popular of these are sleeping, eating, and traveling. The seniors are occupying themselves in the (Continued on Page 5)

Notes From The County Agent's Office

By Pete W. Jacoby

Several young 4-H members in their first year of studying range plans, were able to identify over fifty plants that grow in this area. They learned these plants and characteristics such as growing habits and grazing values in only two weeks time. Many of the 4-H members who have been studying grass identification for several years are able to identify several hundred range plants.

4-H members are presently working on wool and mohair where they learn to identify the different grades and to rate the fleeces according to their value. They also learn all the characteristics of wool and mohair, both good and bad. Good points such as yield, length, character, color, soundness, purity etc. are soon easily recognized, also bad points as heavy shrinkage, high content of vegetable matter, unsoundness, lack of uniformity and kempy fleeces.

Contests in which 4-H members will be attending to test their knowledge are the State Wool & Mohair Judging Contest at San Angelo on May 27, the Sonora Wool Show Contests on June 14 and the National Wool Judging Contest at Sonora on June 15. Since 1955, Crockett County 4-H Judging teams have won state champion titles twice at the Sonora Wool Show, four times in State Wool & Mohair Judging, two state titles in both grass and range judging plus a number of district and area contests.

Beginning 4-H members who are doing a good job in judging work are Lelise Mitchell, Diltzie Bland, Duwain Vinson, Jr., Candy Colquitt, Eugene Vinson and Steven Hubbard.

Projected Strawn Gas Test On Miller Ranch Is Completed As Oiler

Cosden Petroleum Corp., Big Spring, completed as an unidentified Permian discovery its No. 1 Roy Miller, former Strawn test, 2 3/4 miles northeast of production in the Refoil (Strawn gas and Wichita-Albany oil) field, eight miles southwest of Ozona, which was temporarily abandoned after pipe stuck.

It was finished for a daily flowing potential of 98 barrels of 36 gravity oil through perforations between 3,296-3,303 feet, 3,307-12 feet and 3,382-90 feet, possibly Wichita-Albany.

Drilled to 9,000 feet, drillpipe stuck Feb. 13 when a test was being taken between 8,920-9,900 feet and the project was temporarily abandoned Feb. 23.

Location is 990 feet from north and west lines of 2-0-TCRR.

Cosden Petroleum Corp. No. 2 Roy Miller, 330 feet due west of the No. 1 Miller, has been completed as a fourth producer and a three-mile north extension to the Baggett (Strawn gas) field, for a calculated, absolute open flow of 1.3 million cubic feet of dry gas per day through perforations between 8,956-9,083 feet.

Original application was filed as 2 3/4 miles northeast outpost to Strawn gas production in the Refoil multipay field.

Location is 990 feet from the north and 660 feet from the west lines of 2-0-GC&SF.

Ross Moore, Trustee, Midland, will drill the No. 1 Argo et al. a 1,500-foot cable tool wildcat, eight miles northwest of Iraan and 1/4-mile northeast of the same operator's No. 1 Carpenter, which has set casing for completion attempt in the San Andres.

Location is 1,560 feet from the east and 4,232.9 feet from the north lines of 88-1-I&GN. Ground elevation is 2,234 feet.

FOR SALE — Two-bedroom houses. Asbestos siding, composition roof. Located in Amerada Camps — two in Reagan county, one in Crockett County. For information, call or write Amerada Petroleum Corporation, Box 608 Big Lake, or Phone 35K21, Big Lake, F. E. Cope. 8-4tc

Woman's League Plans To Sponsor Student For Special Math Courses

The Woman's League, Ozona's newest Federated woman's club, has chosen as one of its projects the sponsoring of an outstanding math student from Ozona High School to a workshop created by the National Science Institute.

The League will not have such a student available for this year's Science Institute, but money made in recent club activities has been placed in a fund which the League hopes to build into an amount sufficient to pay the room and board of a student next year. The Science Institute pays the student's tuition.

In order to qualify for the six weeks study course a student must have completed his Junior year of high school and must have a good Math background. Any student who has these qualifications and is interested in the study course may take the entrance exam drawn up the Science Institute.

The study course starts the second week in June and lasts six weeks. The University of Texas, Baylor University, and Southern Methodist University are among Texas schools with programs of this type. Some of these schools give credit for the study course which may be later applied to college hours.

Brooks Dozier, math instructor in Ozona High School, says that Ozona High School has several students who could easily qualify for the Science Institute course. With this in mind, the Woman's League is looking forward to the selection of a student from Ozona to take the study course next year.

Mr. and Mrs. J. T. Carroll of Ozona will attend graduation exercises at Sul Ross State College in Alpine Sunday night when their son, Jimmy Carroll, will receive his degree. Jimmy had completed requirements for his degree some time ago and has been band director at Washington Junior High in San Angelo.

DAUGHTER TO ASHES — A daughter, named Debra Jean, was born Tuesday to A2C and Mrs. Franklin D. Ashe of Ozona Air Force Station.

Miss Carol Friend, Prospective June Bride, Honored At Gift Tea

Miss Carol Friend, bride-elect of F. H. Whitehead, Jr., of Del Rio, was honored with a gift tea Saturday afternoon in the home of Mrs. Monroe Baggett.

Mrs. Baggett, the honoree; her mother, Mrs. W. E. Friend, Jr.; the prospective bridegroom's mother, Mrs. F. H. Whitehead of Del Rio; the honoree's sister, Mrs. Glenn Richardson of Sonora; and the bridegroom-to-be's sister, Mrs. Ralph Mayer of Sonora, were in the receiving line.

Directing guests to the gift room were Mrs. T. A. Kincaid, Mrs. W. R. Whitehead of Del Rio, Mrs. Eddie Arnold, and Miss Sue Graham of Del Rio.

Mrs. James Baggett and Mrs. Bud Kincaid presided in the gift room. Miss Ann Baggett, Mrs. Hunnicutt and Mrs. Phillips were at the bride's book, and alternated at the piano, providing background music throughout the tea hours.

Decorations featured white carnations accented with greenery throughout the party rooms, Silver candleabra held tall white tapers accented with decorative nosegays.

Presiding in the living room were Mrs. Willie B. Whitehead, Mrs. Early Baggett, Mrs. Hicks, Mrs. Edward Jarrett, Mrs. McMullan, Mrs. Noble Taylor of Del Rio, Mrs. Pat Wood, and Mrs. Bill Friend of Big Lake.

At the serving table were Mrs. S. M. Harvick, Mrs. Hudson Mayes, Mrs. Victor I. Pierce and Mrs. Lee Childress.

Mrs. George Bunker, Jr., Mrs. Joe Pierce IV, Mrs. Mike Clayton of Fort Stockton, Mrs. John Lee Henderson and Miss Janice Spencer assisted in the dining room.

NEW NAVY RECRUITER

Hemmon W. Carroll, son of Mr. and Mrs. J. T. Carroll of Ozona, recently discharged from active service in the U. S. Navy, has been visiting his parents here. He is a

member of the active Naval Reserve and has accepted a summer job as Navy recruiter in the San Angelo recruiting station. Having served as a Pharmacist's Mate in the Navy, Carroll will also serve as medical corpsman in the San Angelo Naval Reserve unit during his stay there this summer. He will enroll at the university of Texas in Austin in the fall as a pre-med student.

TEXAS WILL HAVE A NEW U. S. SENATOR because:

TEXANS WANT . . .
A STAKE IN THE FUTURE. John Tower, by virtue of his youth and dynamic personality has a brilliant political career before him. He is destined to lead Texas into a new chapter of political history. He has already been assured of important committee assignments in the United States Senate where his qualities of leadership and knowledge of government will bring him to the fore in short order.

TEXANS DO NOT WANT . . .
AN HONORARY SENATOR. Blakley himself has said: "I don't assume to have the qualifications of the office and I have no interest in a political life." He is presently on only two committees of the Senate and is the lowest ranking member of each.
