NUMBER 27

## 74 Ozona Students Are Enrolled In Colleges and Universities Of Nation; Unusually High Percentage Graduate

Seventy-four Ozona students are now enrolled in the colleges and universities of Texas, New Mexico and Colorado, with Texas claiming almost all of them with a mark of seventy-one.

Texas Tech, located in Lubbock, was the leading school in the number enrolled with a total of fourteen Ozona High School graduates enrolled, followed by Texas University with ten.

A check of the high school graduates in Ozona from 1957 to 1961 revealed the names of all of the graduates listed by school below, and in addition Miss Sarah Hicks, who is a graduate student, and Lanny Brentz, who graduated in Mississippi.

The check also revealed that Ozona now has a greater percent of its college entrants graduating than at any time in the past, and that the practice of going off to school and coming home at Christmas or sooner is no longer a common practice.

The list below contains the names of only a few Ozona residents who were not Ozona High School graduates but the Stockman would like very much to have the names of all colleges students who now claim Ozona as their home.

The list compiled by schools is as follows:

A, C, Abilene: Golda Goodman, Gwenelle Walker, and Reid Holmsley.

Baylor U., Waco: Stanley Williams, Carolyn Mayfield, Ronnie Beall, Bobby Sutton, Jim Williams. Baylor Hospital, Dallas: Mike Stiles.

Delmar College, Corpus Christi: Joe McMullan.

East Texas State, Commerce: Richard Sikes, David Sikes, Johnny Cooper, Rod Franklin, Chris Hagelstein.

Ft. Worth Tech: Tony Parker. Hardin Simmons, Abilene: Ro-

berta Johnigan, Mary Lou Johnigan, Bama Burton, Lanny Brentz. Midland Business School: Janie Everett.

San Angelo College: Margo Pogue, Priscilla Stewart, Jim Freeman.

S. M. U. Dallas: Joe Clayton. San Antonio College: Roberto Rodriguez.

Southwestern Uni., Georgetown: Sandra Whitaker, Nonie Conklin. Southwestern Jr. College, Uvalde: Bob Meineckie.

Sul Roll State, Alpine: Muggins Good, Frances Childress, Buddy Ingham, Arturo Gonzales, Scotty Moore, Diz Reeves, Leon Drago. Texas A. & I. Kingsville: Pam Jones.

Texas Western, El Paso: Jake Young, Deeney Holden, Alleane Young, Billy Bob Holden.

Texas A. & M.: Art Kyle, Martin Castellanos, Mark Baggett, Bob Cooke.

Texas Tech, Lubbock: Barbara Barbee, Nancy Friend, June Bunger, Joe Friend, Johnathan Burton, Jim Burton, Tommy Stokes, Tommy Porter, Tommy Fields, Ronald Carnes, Leslie Deland, Jess Marley, Kenneth Deland, Clayton Friend.

Trinity University, San Antonio: Douglas Stuart.

University of Texas, Austin: Bill Meineckie, Pierce Miller, Roy Neal Killingsworth, Sally Baggett, Linda Millsbaugh, Ann Davidson, Mary Lou Zunker, Diane Phillips, Mills Tandy, Jacquelyn Williams.

Out of State: Colorado U., Camille Adams; New Mexico University, Mark White. Pleas Childress.

## Richland Springs Man Dies Here Week After Injury In Car Wreck

Leon P. Smith, 43, whose home was in Richland Springs, died Saturday in the Crockett County Hospital from injuries received in a one-car accident a mile west of Ozona on Highway 290 a week earlier.

Mr. Smith suffered fatal head injuries when his car smashed into a bridge and overturned.

Funeral services were held in Richland Springs with interment in the Richland Springs Cemetery. Mr. Smith is survived by his widow and two daughters. He was a stock farmer and livestock trader at Richland Springs.

## Ozona Woman's Club To Open New Season's Activities Saturday

The Ozona Woman's Club will begin its year's work with a coffee in the home of Mrs. Charles Williams, Sr., on Saturday, Sept. 30 at 9 a. m.

The program for the opening meeting will be a pageant, "The Qualities of Friendship," with Mrs. Taylor Word, the president, as leader. A talk on and exhibit of Oneida Silver by Mrs. Stephen Perner and an exhibit of records and other mementoes of the past fifty years of the Club's existence by Mrs. L. B. Cox, Jr., will complete the program.

## Ozona AFS Football Team Meet Sweetwater AF Here Sunday At 2

Ozona Air Force Station will host Sweetwater Air Force Station in 8-man football Sunday afternoon, October 1, at Lions Stadium, starting at 2 p. m.

The public is cordially invited to see service football at its best. There will be no admission charge and all fans will be welcome.

Last week the Ozona service team rolled up an impressive 24 points while holding Houston Air Force Stanton 8-man team scoreless. Meanwhile, the Sweetwater team was rolling over Rockport 36 to 6 in last Sunday's engagements.

JEEP MOTORS — 1946-53 models installed for \$215.00 — while they last. HARRISON'S GARAGE.

## Ozona Again Proclaims 'Biggest Little Town' As Sign Refurbished

After being more or less "out of circulation" for the past several years, Ozona's distinctive "Biggest Little Town in the World" sign has come alive again with night time lighting and brush clearing for day-time visibility.

It all came about as the result of action by the Ozona Lions Club, with the cooperation of a number of individuals and business firms. The Lions Club some time ago replaced the old bulb lighting system with neon tubing inside the sign and replaced broken glass in the letters.

In recent days, the big pipe supporting the sign was cut down so that the sign could be lowered out of the big pecan tree which had overgrown it at the park corner C. O. Spencer Welding being called in for that job.

Then, Bill Cooper of the Ozona Water District, Buck Dorsey of Dorsey Electric and Oscar Kost of the Ozona TV System collaborated in furnishing equipment and know-how to complete the wiring and connect up the sign, with its automatic photo-electric cell to turn the sign on at night and off in the day time. Now, a little more trimming of the tree, to be done after frost, will make the sign visible from all four directions on highways into town.

## Liberal Response From Ozonans For Hurricane Relief

160 Boxes Clothing, 80 Cases Canned Food \$967 Cash Given

A community which has known tragedy in all its stark reality, Ozona responded liberally last week and the week before to the call for help from the Texas coastal area ravaged by hurricane Carla.

Without wasting time in perfecting a community organization hurricane relief headquarters were set up in the Perner building at the downtown highway intersection and Ozonans piled high the boxes of clothing, food and other necessities the hurricane victims were reported as needing.

And the American Red Cross, which rushed in to do such a magnificent job in Ozona after its 1954 flood, and which was already at work on the Texas coast, received \$967 in emergency relief cash money contributed voluntarily by Ozonans who remembered.

Before the hurricane relief headquarters was shut down, a total of 80 cases of canned foods and 160 boxes of used clothing had been collected, packaged and shipped to the coastal area for the relief of hurricane sufferers.

A big, big hand to the nameless crew of volunteers who manned the relief headquarters, who rigged a loud speaker truck to get the word to the people fast, who worked to assemble and package the donated materials and all who donated so liberally.

## James Motor Observes Open House Fri. & Sat.

Frank James of the James Motor Co., Dodge and Chrysler dealer here, will hold open house Friday and Saturday when the new Dodge cars and trucks and the new Chrysler cars for 1962 go on display here.

Visitors to the showroom will be asked to register both Friday and Saturday and three lucky visitors will win barbecue grills to be given away at the end of the week-end showing.

## Garden of the Week Chosen by Civic Committee Ozona Garden Club

THE MRS. A. W. CLAYTON For its beautiful specimen trees—pecans, pine, American elm and Cedrus Deodara.

## Stanton Outlasts Crippled Lions In Non-Dist. Contest

Locals Fail To Trigger Scoring Blast In 14-0 Loss

By Ernie Boyd

A big, fired-up Stanton team pushed over two touchdowns last Friday night to down a hard fighting but badly crippled Ozona Lion team 14 to 0 in a non-district struggle.

The Lions suffered two crippling blows in the early stages of the game that went a long way toward setting the contest when Hal Long, the Lions fine offensive and defensive end, and Carl Montgomery, the spark plug of the running game both went out with injuries.

The Lions were outweighed 24 pounds to the man in the line and about the same in the backfield after the loss of Montgomery, and after missing a scoring chance in the first quarter fought an uphill battle, giving up one score in the second quarter, and a final marker late in the fourth period when Stanton seemingly wore the Lions out with their superior size and reserves.

Phil Carnes in defeat called and played one of his best games of the season as he ran and passed very well, but with Long out, the receiving was far below normal, and with Montgomery missing the running load against the big Buffalo team was pretty well in the hands of Pete Montgomery, a 148-pound back, and Carnes, who is heavy at 155.

A strong wind played a part in both sides' offensive opportunities and set up the first Stanton score when a kick into the wind combined with a penalty set the Stanton club up deep in Ozona's territory on the 28 yard line.

The Lions had done much toward (Continued on Last Page)

## Lions Engage Strong Rankin Red Devils In Game Here Fri. Night

By Ernie Boyd

The Ozona Lions will seek to get back into the win column this week as they entertain the Rankin Red Devils at Lion Stadium. The kickoff is slated for 8 p. m.

Rankin will be a decided favorite to whip the Lions as they will field a team with considerable speed and size as well as an experience-filled line up that could have a letterman at every position.

Rankin opened the season with a 14 to 14 tie with Big Lake and narrowly missed winning the game. Since the season opener the (Continued on Last Page)

## CROCKETT RANGERS OPEN DRIVE FOR COUNTY'S QUOTA FOR SCREWORM CONTROL

Convinced of its feasibility, and enthusiastic at the prospect of saving the millions in livestock losses and costs of combating the menace annually, a group of Crockett county ranchmen met at the courthouse here Tuesday night, organized a local Screwworm Control Committee to solicit contributions for the coming war on the screwworm and themselves kicked off the fund campaign with contributions in excess of \$5,000.

Wayne W. West, rancher-banker, was chosen chairman of the Crockett County committee which will manage the solicitation for producer - contributions in the Crockett county area. Joe Tom Davidson was named vice-chairman; Lowell Littleton, treasurer; Pete Jacoby, secretary.

Precinct chairmen, to be responsible for the solicitation in their respective precincts, were also named. These were W. E. Friend, Jr., Precinct 1; R. A. Harrell, Precinct 2; Frank McMullan, Precinct 3, and James Childress, Precinct 4.

The Crockett county campaign is a segment in the drive which will be launched throughout the Southwest for a total producer contributed fund of \$3 millions as a starter toward the initiation of a screwworm control plan, through release of sterile male flies, raised in fly nurseries and made sexually sterile through radiation treatment. Scientists have

## Music Club Opens New Club Season

The Ozona Music Club met Thursday night, Sept. 21, in the dining room of El Sombrero Cafe for the first meeting of the new year. Mrs. Roy Killingsworth, president, welcomed members and visitors.

Mrs. Opal Oehler, program chairman, gave a resume of the year's program plans. After the dinner hour, the club sang American folk songs.

Present were Misses Geneva Knox, Lucille Farmer, Roberta Lawrence, Cleona Quiett, and Joyce Stegemoller, Mr. and Mrs. W. T. Bradbury, Mr. and Mrs. Ken Cody, Mrs. Opal Oehler and son Tony, Mrs. Ellen Lenington and Susan, Mrs. Roger Gotcher, Mrs. Allen Morgan, Mrs. Buddy Russell, Mrs. Ottist Pridemore, Mrs. Curtis Owens, Mrs. Ted White, Mrs. Morris Bratton, Mrs. J. W. Howell and Mrs. Roy Killingsworth.

found the female screwworm fly mates only once in her life and the sterile flies competing with the wild flies in time bring the breed to an end in a given area.

The fund is to be managed by the Texas Livestock Foundation, a statewide committee representing all segments of the livestock industry which will serve as a legal body to treat with governmental agencies for additional needed funds with which the fly elimination program will ultimately be financed.

The county committee has estimated that this county's quota in the financial drive can be met with a per head assessment on livestock of 10 cents per head for sheep and goats and 50 cents per head for horses and cattle. This assessment if met 100 percent by operators in the county would produce approximately \$50,000, which has been set as the county's goal.

Every other county in the state where livestock are produced will be staging similar campaigns to raise the necessary 3 million dollars as evidence of the desire of producers for government action in helping to eliminate this most expensive pest which besets livestock producers. Savings in livestock lost to the screwworm plus the expenses of ranchmen in fighting them would make back the total millions spent in one year, leaders point out.

That the plan will work has been demonstrated in Florida where it was first tried successfully. The screwworm fly has been eliminated from the United States east of the Mississippi river through this method and if the present project is carried to a successful conclusion it will next be eliminated from the Southwest region from the mountains in far west Texas and Arizona to the Mississippi, and in northern Mexico. With the aid of natural barriers, and the killing effect of cold weather in northern regions, the fight will be carried on a stand-by basis in perpetuity to prevent the pests from ever getting a hold in the region.

A quick response was expected of every Crockett county ranchman, many of them voluntarily, and leaders of the county committee were hopeful that this county would be the first in the state to meet its quota and have 100 percent participation. Producers were urged to figure their own contributions, make out a check and either hand it to a member of the committee or leave it at the Ozona National Bank.

MRS. A. T. CARLETON, right, of Houston, vice president of the Texas Federation Women's Clubs, was the guest speaker when the Ozona Woman's League entertained with a coffee in the home of Mrs. Clay Adams Saturday to hon-

or members of the Ozona Woman's Club and the Woman's Forum. Gathered around the refreshment table in the picture above are, left to right, Mrs. P. C. Perner, president of the Woman's Forum; Mrs. John R. Hunnicutt, president of the host Woman's

League; Mrs. Hubert Baker, Heart of Texas District Chairman of Education; Mrs. Taylor Word, president of the Ozona Woman's Club; Mrs. Joe Pierce, Jr., first sponsor of the Woman's League and host to its organization meeting in her home, and Mrs. Carleton.

THURSDAY, SEPT. 28, 1961

**UN OR US?**

Somewhere along the line, the United States, and that means the Executive Department) is going to have to make some decisions. And due to the swift tragedy that struck down Dag Hammarskjold from the African skies, it may be soon.

The worsening Berlin situation cannot continue to worsen — gradually. Our apologetic and half-hearted resumption of underground testing of nuclear "devices" cannot meet our military needs—much less make up for the three years of precious time we gratuitously gave away to our enemy.

Despite the vigorous opposition of the people of the US, the issue of the admission of Red China to the UN will be brought before that body — and at a time when we have as our chief delegate a man who has expressed the fatalistic view that the success of Mao's murderers is "inevitable."

And in Cuba, the most shameful example of our weakness and vacillation, Castro continues to mock us. While we shed our tears and substances on "underdeveloped nations" half a world away, Castro is taking the little children from their parents for Communist indoctrination and has, in fact, shipped many to Russia!

These are but the most obvious and most immediate of the disgraceful situations our inaction has allowed to engulf us. It is as if, our emergence from World War II some insidious and sinister force has sucked the marrow of initiative from our bones. And it is fair to ask in the light of the morale-shattering disaster of Korea whether we may now be the victims of the childlike faith and dependence we placed in the charade of the United States.

Today, as the crisis of leadership develops in this body — when we are faced with the Communist insistence on a three-headed ("troika") command — is a good time to reconsider its usefulness to this country and this Communist wracked world. Certainly, the geopolitical monster the Russians would create with the vetoes of the Communist Secretary and the "Neutralist" Secretary arrayed against the Secretary of the West, would be no help.

When the show-down comes, as it soon must, our withdrawal from the UN and its inevitable collapse might well embolden us to other desperately delayed decisions.

It is now Unconstitutional for the Federal Government or any state to require of a public office-holder a "belief in the existence of God" the Supreme Court has ruled. Thus the words "So help me, God," required by law since 1884 in the oaths taken by civilian and military officers are now superfluous. But the Court is rewriting the language as well as the law. How can there be any oath if not sworn by higher than mortal power? Which suggests that the atheistic Communists, incapable of oaths, are likewise incapable of honor. And God-given freedom is likewise incomprehensible to them.

What the Supreme Court has done is to outlaw the sacredness of any pledge and in effect to repeal our National Motto — "In God We Trust." — it's now the "law of the land."

Office Supplies at the Stockman

**A DEADLY TREND**

Something that was recently said by Representative Cannon of Missouri, who holds the key position of Chairman of the House Appropriations Committee, should be read, pondered and remembered by everyone who is interested in the tax problem, the inflation problem — and, above all, the economic strength of this country on which its military strength so greatly depends.

Mr. Cannon: "Shortly . . . we will have a budget of \$100 billion a year.

"Now, of course, we are not taking in money enough to pay this. We are spending, and we have been spending during this entire year, every hour, \$1 million more than we are taking in.

"I do not have to tell you what that is leading to.

"We already owe the greatest peacetime debt in history. We are now paying the highest rate of interest . . . This year we paid in interest alone \$9 billion. Just 21 years ago the entire federal budget was less than that.

"We have raised the public debt limit seven times since 1954."

This statement requires little comment. The ultimate result, unless relentless brakes are applied to all avoidable spending, will be economic destruction.

**NO TIME TO JOIN THE "HAVE-NOTS"**

Word that Congress has passed the President's \$4.2 billion dollar, five-year foreign aid program recalls the misgivings of Dr. Charles Callan Tansill, professor emeritus of diplomatic history at Georgetown University and author of ten books on foreign policy, writing in Human Events only days before this vote, he concludes a scholarly analysis of our consistent misadventures in mutual security since 1898 with these words.

"There is really no need to worry about a five year program of foreign aid without the annual check on appropriations by Congress. War with Russia will come long before the end of that period. If, because of the drain on our Treasury caused by foreign aid, we have neglected the optimum use of the American heartland as a base of operations against Russia, our chances for national survival are very slim.

"It is high time for Americans to discard the myth of mutual security. The fate of the West will depend upon a fortress America invulnerable to successful attack by any foe and possessed of a retaliatory power that could rain destruction upon the lands of any dictator who dared to chal-

lenge American military might."

And in the next mail came a bulletin from the Citizens Foreign Aid Committee advising that foreigners can now demand every last ounce of our gold!

We may now be asked for our fillings to help those backward countries.

**CONNALLY AMENDMENT IN DANGER**

Efforts continue to repeal the Connally Amendment to the agreement under which the United States accepted jurisdiction of the International Court of the United Nations. The Connally Amendment provides that the United States alone shall determine if a dispute between it and another nation is essentially within the jurisdiction of our own country.

Past attempts to repeal the Connally Amendment by direct action have not been successful.

Now, Senate Resolution 136 asks the Senate to recommend to the President that any future treaty provide that the World Court be the supreme arbiter of that treaty.

Senate Resolution 39 makes it mandatory that all conflicts even remotely international in character that involve the United States shall be brought before the World Court.

A treaty with Belgium already approved by the Senate Foreign Relations Committee makes the World Court the final arbiter of the treaty.

Executive "N" of the Law of the Seas Convention provides that cases arising from incidents at sea involving the United States and other nations that have signed the treaty must be decided finally by the World Court.

Each of these proposals in effect by-passes or nullifies the Connally Amendment.

Chairman Harry Flood Byrd of the Senate Finance Committee, has predicted on the basis of his continuing study of the nation's finances that Kennedy spending will reach the sum of \$137 billion for fiscal 1965. Nor will the Federal budget be balanced in the foreseeable future unless the spending rate presently indicated "is prudently and effectively curtailed," he declared.

In warning of the disaster that must follow a continuation of "inflation-breeding policies", Senate Byrd is repeating what he has said many times before. Another major blunder of our times is the failure of his fellow citizens to place this distinguished patriot where he could have demonstrated his fiscal wisdom.

Remington QuietRiter Portable Typewriters at the Stockman.

It is Encouraging to learn that officers and key members of the National Council for Labor's Rank and File, an employee-membership affiliate of the National Right to Work Committee, have launched a

"freedom offensive" in the ranks of labor.

Their long-range program calls for the return of voluntary union membership in all 50 states and immediate action by Congress is

asked on an interim "Bill of Rights". Incidentally, a photo of the Council at work showed an empty chair. It had been hastily vacated by one of Jimmy Hoffa's teamsters who feared reprisals.

**Highway Dept. Tags \$80,000 For Pandale Road In Crockett Co.**

The Texas Highway Commission has approved the expenditure of \$80,000 for construction of new Farm to Market Road mileage in Crockett County as part of the 1961 FM road program, announced District Highway Engineer J. A. Snell of San Angelo, Texas.

The District Engineer said 4.0 miles in this county will be involved, on RM 2083 to Val Verde county line. The work will be under the supervision of R. A. McCulloch, Senior Resident Engineer, of Sonora, Texas.

The work authorized for this county is part of the \$15 million FM Road Construction Program which will involve 133 counties throughout the state. Some 600 miles of new farm roads will be built under the program.

Unlike previous farm road construction programs, this one is for one year only instead of two years. The Highway Commission said the reduced one-year program is the result of Governor Price Daniel's recent veto of a \$15 million farm road appropriation which would have come to the Highway Department next year.

The Governor recently vetoed the Colsen-Briscoe farm roads allocation for the second year of the current biennium on the grounds that there should be more flexibility in the use of the funds in

order to provide for proper maintenance of the farm roads system.

**New Officers For Baptist W. M. U. Are Installed At Meeting**

Woman's Missionary Union of the First Baptist Church held its monthly business meeting Wednesday morning. The meeting opened with a song and prayer was led by Mrs. Bob Pitts.

Installing new officers of the Society was Mrs. Hugh Stiles of the Calvary Baptist Church. Mrs. Harry Trulove was installed as president, Mrs. Roy Thompson as secretary, Mrs. Glen Russum as pianist, Mrs. Art Dodds as chorister, Mrs. Lyle Striffler as program chairman, Mrs. J. T. Keeton as stewardship chairman.

Also Mrs. Bob Pitts as prayer chairman, Mrs. P. L. Childress as mission study chairman, Mrs. Ralph Eversole as community missions chairman, Mrs. Jack Matthews, Mrs. Ted Lewis and Mrs. Art Dodds as circle chairmen, Mrs. McCary as publication chairman, Mrs. Quentin Brentz as publicity chairman, Mrs. Harold Shaw was installed as Y. W. A. director and as G. A. Director, Mrs. George Glynn and her helpers, Mrs. C. E. Dover and Mrs. Bobby Turner. Sunbeam leaders will be Mrs. William Smith, Mrs. Jim Carpenter and Mrs. C. O. Poindexter, and social chairman is Mrs. Garland Allen.

Mrs. Ralph Simon dismissed the meeting with prayer. Refreshments were served to 19 ladies.

**GRANDDAUGHTER TO OZONANS**

**ABOUT CATHOLICS**

During the presidential campaign of John Kennedy there was much opposition to him because he is a Roman Catholic. From many pulpits and in many newspapers we hear such statements as: "A Catholic President will turn the country over to the Vatican", "A Catholic can't be a good American and a good Catholic", "A Catholic President will follow the dictates of the Roman Hierarchy," "Catholics will take over the nation and will kill off all Protestants and Jews." These and so many other things have been said about a Catholic as President. Yet, we have a Catholic President and none of these things have come to pass. Why? Because they were untruths spoken to mislead right thinking people. The Catholic Church was deliberately pictured in a bad light to mislead.

If you wish to learn the truth about the Catholic Church write today for a free pamphlet explaining Catholic teachings. The Knights of Columbus of your area are making this pamphlet available so that you will know the truth. Write to:

# 1910 - THE OZONA WOMAN'S CLUB - 1960 FIFTY YEARS OF COMMUNITY SERVICE

## Past President

Mrs. S. M. Harvick  
1951-1953

Mrs. S. M. Harvick, the twenty sixth president of the Ozona Woman's Club was aided by the following officers, Mrs. Max Schneemann, first vice president, Mrs. Charles Williams, second vice president, Mrs. Joe Pierce, Jr., recording secretary, Mrs. L. B. Cox, Jr., corresponding secretary, Mrs. Sherman Taylor, treasurer, Mrs. Ira Carson, Historian, Mrs. Troy Hickman, parliamentarian.

The topic of study for the year was "Varied Interests of the Club Woman of Today" with Mrs. Max Schneemann as program chairman, the theme was well carried out with such interests as Federation Travel, United Nations, International Relations, Christmas, Civil Defense, Military training, Book-reviews, Legislation, Fine Arts, Texas History, Health, Vacation, Gardens and the American Home.

The year's work opened with a breakfast in the House of Flowers Tea Room to honor the president, Mrs. Harvick who spoke on the objects of the Club year. Mrs. Charles Williams, the delegate to the General Federation Convention that met at the Shamrock Hotel in Houston, gave an interesting report. The club voted to send \$10 to the TFWC Maintenance Fund, toward the up keeps of the Headquarters building in Austin. Mrs. A. C Hoover presented each member with a years subscription to the General Federation Magazine The Club Woman.

To observe Federation Day, the club was hostess to other federated clubs in the home of Mrs. Max Schneemann to hear Mrs. L. E. Dudley of Abilene, the second vice president of TFWC, who reviewed "The Iron Mistress" by Paul Wellman. The leader was Mrs. P. T. Robison who introduced the noted club woman.

The president, Mrs. Harvick's home was the setting for a meeting to honor Mrs. Harry Griffiths of Austin, the TFWC Chairman of Legislature, who spoke on her recent good will tour to Europe with a party of 14 other Texas Women. They visited sixteen counties, and Mrs. Griffith showed

her doll collection from each country. The High School girls sextette sang several numbers. It was voted to send \$100 to buy CARE packages of food for Korea. Mrs. Harvick appointed a committee to revise the constitution of the club. The club voted to endorse Mrs. L. E. Dudley of Abilene for the office of TFWC first vice president.

Mrs. Harvick was elected delegate and Mrs. Troy Hickman alternate to the Texas Federation Convention to be in Denton in Nov.

The study on the United Nations met in the home of Mrs. Charles Williams, Mrs. Evert White discussed the Divisions of the UN, and Mrs. J. A. Fussell spoke on Feeding the World.

The program on International Affairs was in the home of Mrs. Evert White where colored pictures of Mexico from The Gulf Refining Company were shown. It was voted that the club sponsor a movement to seek improvement of the local telephone system. Mrs. Harvick and Mrs. Hickman gave informative reports on the Texas Federation Convention in Denton.

Christmas was observed in the home of Mrs. V. I. Pierce. A Christmas story was given by Mrs. Hick-

man. The girls sextette sang carols. A box was packed to be sent to the State Orphanage in Corsicana.

The program on Civil Defense was held in the House of Flowers Tea Room with Mrs. Hillery Phillips, Mrs. Stephen Perner and Mrs. Joe Pierce as hostesses. Mrs. Jack Holt as leader introduced the speaker Mr. James Land, Assistant Director of State Department of Public Welfare and a member of the State Defense Council. Mrs. Harvick announced the Spring Clean-up and it was voted to donate \$25 to the Polio Fund. The club ask Mrs. Harvick to organize a council of chairmen of service clubs to coordinate efforts for Community Welfare. Mrs. N. W. Graham reported that the investigation of dial telephone system was favorable.

Guest Day was in the home of Mrs. Walter Augustine at which time Mrs. Sherman Taylor reviewed "Neither Five Nor Three" by Helen McFenis. The club voted to serve the football banquet for the Lions Club, as a means of raising funds.

The study of Legislation was in the home of Mrs. Ira Carson, with Mrs. N. B. Blackstone of the Ozona Woman's Forum as speaker who discussed the League of Women voters. Mr. and Mrs. Harold Lippford, of the local school system, gave several vocal numbers, called the Sweetheart groups. It was voted to seek the aid of other service clubs to sign a petition to the San Angelo Telephone Company, to secure a dial system. Also the club voted to award Miss Doris Armentrout with a scholarship to aid her in her college expense.

Fine Arts Day was observed in the home of Mrs. A. C. Hoover with an exhibit of fine paintings and a musical program. Vocal numbers were by Mrs. George Russell, Jr., accordion selections by Mr. Richard Miller, and piano numbers by Mrs. Neal Hannah.

The Highway Cafe was the setting for the Texas Day program under the direction of Mrs. Lowell

ATTRACTIVE ADDITION to Pontiac's new Tempest series for 1962 is the superbly styled convertible pictured above with the LeMans option, which includes front bucket seats in beautiful shades of expanded Jewel-tone Morrokide and rich floor carpeting. The Tempest sports coupe with its own distinctive styling is also available with the LeMans interior. The 1962 Tempest has an entirely new grille and new rear end styling.

Littleton. Five Texas History students of High school and sixteen pupils from South Elementary gave the program with talks, dances and songs. Mrs. Harvick was elected delegate to Sixth District Convention in Cisco, and Mrs. L. B. Cox, Jr., alternate. Mrs. Hubert Baker the Sixth District president was re-elected to membership on their return to live again in Ozona.

Mr. Pascal Northcutt was the guest speaker on the Garden program in the home of Mrs. Neal Hannah. He discussed the Cultivation of flowers. The club voted to furnish two trash cans to be used in downtown section.

Mrs. Charles Williams, Sr., Mrs. Boyd Clayton and Mrs. John Hemphill of San Angelo, entertained the

club with movie, talks and an exhibit from their vacation to Hawaii when the club met in the home of Mrs. Joe Oberkamp.

Dr. H. B. Tandy lectured on Modern Medicine on the health program in the home of Mrs. J. A. Fussell.

A breakfast in the home of Mrs. B. B. Ingham to honor the return of Mrs. Hubert Baker, the Sixth District President, was the final meeting of the year. Mrs. Charles Williams gave the report from the Sixth District Convention in Cisco. The club voted to ask the recently organized InterClub Council to sponsor a political rally, inviting all candidates to speak. Mrs. Ira Carson was appointed chairman of the Park Committee.

The same corp of officers were

elected to assist Mrs. Harvick in her second term as president, with the exception of Mrs. L. B. Cox, Jr., who was replaced by Mrs. J. A. Fussell, Mrs. Sherman Taylor, by Mrs. P. T. Robison and Mrs. Troy Hickman, by Mrs. Stephen Perner.

Mrs. Max Schneemann and the program committee planned the years study with the theme of "Human Values." The special project for the year was to sponsor a drive for a school cafeteria. New members were Mrs. H. B. Tandy, Mrs. Carl Stevens, and Mrs. P. O. Hatley.

The year opened with a Federation Day tea in the Fellowship Hall of the Methodist Church to honor Mrs. Van Hooks Stubbs of Worth-

## Woman's Club —

(Continued from Page Four)

am, the new by elected president of the Texas Federation. This was a union meeting of the Woman's Forum, the Literary Club and the Woman's Club.

The presidents Breakfast was in the home of Mrs. Charles Williams to honor Mrs. Harvick, who spoke on Duties and Responsibilities of officers and members.

The Rev. Troy Hickman spoke on Human Values at the meeting in the home of Mrs. P. T. Robinson. The club voted \$10 to the TFWC Maintenance fund.

A symposium on the new valuation of youth, was held in the home of Mrs. Max Schneemann. The three-fold struggle over Education by Government, Religion and Local interest was discussed by Mrs. N. W. Graham, Mrs. Joe Pierce and Mr. Lem Bray, Supt. of local school system. The three-fold struggle on politics by military, economic and social, by Mrs. Hillery Phillips, Mrs. O. L. Sims and Mrs. M. B. Flippen. A box of 50 pounds of clothing was packed to be sent to the Austin Relief Fund.

Besides the regular Christmas program, a pilgrimage to homes by the club's members to enjoy each one's Christmas decorations was held.

Mr. Dixon Mahon, Crockett County Attorney, was the guest speaker on the Community Welfare program in the home of Mrs. Hillery Phillips. He discussed the importance of Wills and Estates to women. The club voted to give \$50.00 to the County Polio Fund Drive, also voted to have a Silver Tea to help the new hospital with items and supplies.

Fine Arts was observed in the home of Mrs. Lowell Littleton with an exhibit of Bibles with history of each. Mrs. B. B. Ingham assisted by Mrs. W. D. Cooper, presented colored slides of the Modanmas. Miss Lou Nell Beall played several piano selections.

Texas Day was held in the home of Mrs. Ira Carson with Mrs. Eldred Roach as assisting hostess. The Industries of Texas was the topic of discussion. Miss Marion Mock sang several songs by Texas Composers. Mrs. Max Schneemann was elected delegate to the Sixth District Convention in Colorado City. Mrs. Hubert Baker as alternate.

On the International Relations program in the home of Mrs. Cecil Walley, Mrs. Ben Lemmons spoke

**TRUCK STYLE LEADER**—At home in the city and on the farm, the 1962 Dodge D-100 Sweptline pick-up features a handsome one-piece stainless steel grille, low hood silhouette and contemporary styling. A highlight of the Sweptline is its 140-horsepower, 225-cubic-inch, Inclined 6-cylinder engine. The wheel is available with a 114-inch wheelbase and 6½-foot body or a 122-inch wheelbase and 8-foot body. It has a maximum gross vehicle weight rating of 5,100 pounds.

The year closed with a covered-dish luncheon in the home of the president, Mrs. Harvick to hear annual reports and install new officers. Mrs. Max Schneemann gave an interesting review of the District Convention in Colorado City.

Edna (Brownie) Harvick is the daughter of Mr. Thomas Albert Kincaid and his wife, Ada Rosalie Drenan Kincaid. She was the third daughter to be president of the Ozona Woman's Club. She was born in San Angelo of pioneer Texas ranch people, and came to make her home in Ozona with her family as a young child. She attended the local schools, graduating from Ozona High School. She did not attend college, but has followed her belief that education is a never ending process, which we have from taking advantage of every experience presented, with an open mind to all the influences of every day living. She was married to Strickland Martin Harvick in Ozona in 1918 and for several years lived on the ranch until they moved into town to school their children who are Thomas Martin Harvick, Jr., of Ozona, Mary Louise now Mrs. Donald Dwyer of San Antonio, James Ad Harvick of Monterrey, Mexico, and Lenore Ann who is now Mrs. Ulmer Busby of Laurel, Mississippi. Since the death of her husband, Mrs. Harvick has been a ranch woman

in her own right, personally managing her ranching interests, located south of Ozona, with the assistance of her sons.

Brownie, as she is affectionally known, has always been an enthusiastic member of her community, claiming Ozona is a grand place to live. She has worked in many civic club including the music and garden club, school affairs, P. T. A., and has been a faithful and devoted member of the Methodist Church, sings in the choir, attends church school, has been president of the Woman's Society of Christian Service, enjoys attending Mission School at Mount Wesley, Kerrville, as well as District and Conference sessions. She has been a native supporter of the Latin-American Community Center since its founding.

Her personal hobbies beyond her family home, and church are travel, including a European Tour, her ranch and the wool industry. Since 1959 she has been state Di-

rector of the Make-It-Yourself-With-Wool contests, speaking and on Jewish Contribution to America. The club voted to send \$5 to the GFWC Fund for restoring Independence Hall in Philadelphia, which was a General Federation project. The club also voted to finish the drapes for one room in the hospital.

Other informative programs discussed by club members were Population Pressures, Natural Science Population Components in the U. S. A., and the Ford Foundations Report on World Affairs. Encouraging local, district and state groups to become interested in wool as a basic fabric for clothing. She has had two national winnings in the wool clothing contest, a senior grand prize winner in 1960 and a junior grand prize, winner in 1961. She has helped for the past five years with the Miss Wool of America contest, serving two years as chaperon for the contestants. She is an active member of

the Auxiliary of the National Wool Growers Assn., serving at present as Auditor.

Along with her ranch and wool activities Mrs. Harvick finds time for her church and club, serving the Woman's Club at this time as its entertainment chairman. She and her committee were responsible for the lovely Golden Anniversary Tea. The most outstanding achievement of her regime as president was the organization of the Inner Club Council which later became the Welfare Council of Crockett County, for several years a very worthy organization — now inactive, but very much needed again.

**Pleas Childress, III, Is Runner-Up For 4-H Club Rutherford Award**

A 14-year-old Big Lake girl has been named first-place winner in the Girl's Division of the annual 4-H Achievement Awards presented by Congressman J. T. Rutherford for outstanding accomplishment.

Winner of the Girl's Division is Diane Proffitt, daughter of Mr. and Mrs. James Proffitt of Big Lake.

Judges in the contest — County Agricultural Agents and Home Demonstration Agents in 4-H District Six' twenty-five West Texas counties — made the selections after evaluating the achievement of many contestants.

Boy's Division winner was 20-year-old Marley (Tex) Dulany, Jr. of El Paso, a nine-year member of the El Paso County-Lower Valley 4-H Club.

Runner-up in the Boy's Division was Pleas L. Childress III, son of Mr. and Mrs. P. L. Childress of Ozona in Crockett County. A 1961 graduate of Ozona High School, young Childress recently enrolled at New Mexico State University. He has been an outstanding 4-H Club member, especially in livestock-care and judging.

**IN THE COUNTY COURT OF CROCKETT COUNTY, TEXAS**  
In Re: Guardianship of the Estate of J. W. Henderson, Jr., a person of unsound mind)

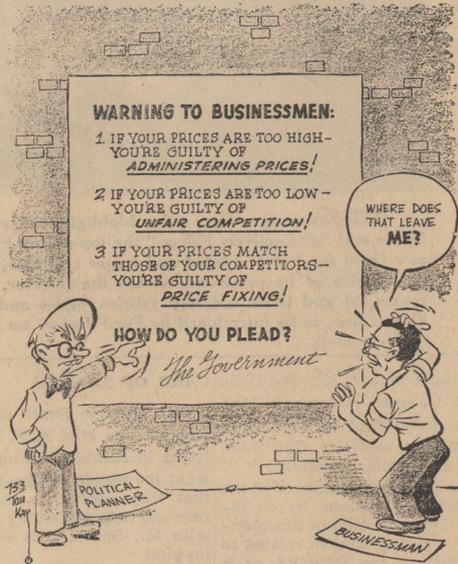

**NO. 226 NOTICE**

To all persons interested in the Estate of J. W. Henderson, Jr., a person of unsound mind:

You are notified that I have on the 28th day of September, 1961, filed with the County Clerk of Crockett County, Texas, a written application asking for authority to lease property of the above estate for mineral exploration and development, such property being described as all of the interest of the said J. W. Henderson, Jr., believed to be a full fee interest in and to all oil gas and minerals in and under the following land in Crockett County, Texas:

All of the west half of Section 16, Block SL, Abstract 5330, Certificate 1325, T. & St. L. Ry. Co. Survey, containing 320 acres and all of the East half of Section 3, Block SL, Abstract 4186, Certificate 1319, T. & St. L. Ry. Co. Survey, containing 320 acres and all of the West half Survey 6, Block M, Abstract 4546, Certificate 4/1271, O. L. Nations, original gran-

## Rankin Friday —

(Continued from Page One)

Red Devils have lost to Crane and last week lost a squeaker to El-dorado both of whom are figured to be very strong.

Ozona will have Hal Long and Carl Montgomery both on the doubtful list even though it is expected that Montgomery will be ready to go. Long with a knee injury may not be ready for full time service.

Even though the Lions have a rather impressive win record over the Red Devils, the Rankin team has made itself known as one of the Lions' most spirited foes during the past ten years and reports indicate that this year will be no exception.

Ozona coaches were disappointed over the way the Lions played last Friday as the film showed the Lion effort to be well under the play for the last three weeks. Poor tackling and little blocking were the two vital factors missing and this week's drills have been directed toward sharpening up these two phases of the game.

## Stanton Wins —

(Continued from Page One)

their own undoing, however, by allowing a very poorly thrown pass to be completed for a 64-yard gain. The Lions held on the series but then could not move the ball and had to kick into the wind.

Stanton drove quickly to the Lions 8 yards line where Robert Turner the Buffs quarterback swept left end for the score. It appeared at the outset of the play that Long, who had returned to the game following a knee injury, would be able to make the play but the knee buckled and little Leroy Cooper did not make the stop as the big Stanton back beat him off.

The Stanton score was the only one to occur in the first half, though the Lions had one golden opportunity elude them in the first quarter. Hal Long and then Gary Studdard pounced on Buffalo fumbles in the Stanton end of the Lions were not able to move the first time and dropped a wide open pass that would have resulted in a score on the second opportunity.

The third quarter was scoreless but the Lions did not allow Stanton a single first down and made one threatening move which fizzled on the Stanton 20 yard line as the period ended.

Taking the ball on downs, the Buffaloes stormed 80 yards, mostly right up the middle, to the Ozona goal line and over, the scoring play from the 8 yard line when Dewey Anderson blasted over.

Game statistics reveal that the game was a close one and that had the Lions been at full strength might have won, but the loss did not come from lack of hustle or desire.

Coaches Hickman and Cleere felt that their team had played hard but not too brightly at times, but from the stands it appeared that the Lions did but one thing badly and that in defending against passes. The Buffs tried but four passes and should not have completed any since none of them were well thrown or even well conceived, but the Lions joined the spectators on at least two occasions and those two lapses resulted in the visitors garnering 87 yards over the air route and set up the first touchdown.

In first downs the Lions picked up 10 to the Buffalos 8 and were not outgained to any great extent as the rushing yardage favored Stanton 138 to 99 and the passing

yardage 87 to 78.

The Stanton club was once again very high for Ozona as it snapped the Lions home winning streak which had run since the Buffaloes beat Ozona here in 1959.

The game was a rough one with hard hitting on both sides sending several players to the sidelines a bit shaken up. However, the game was a clean one and was well called by the officials who maintained control throughout the contest.

Pete Montgomery was the game's leading ball carrier with 52 yards on 15 efforts while Jim Sale led the Buffaloes with 48 yards on 10 tries.

Defensively the Lions were led by Darrel Raspberry, Penn Baggett, Frank Childress, and the two linebackers, Pete Montgomery and Phil Carnes, but in the final survey of the game it was the Lions inability to score or maintain control of the ball that really spelled defeat rather than lack of defensive effort or ability.

## Women's Auxiliary Of Sheep & Goat Raisers In Meet At Abilene

Members of the Woman's Auxiliary of the Texas Sheep & Goat Raisers Assn. concluded a two-day session of business and entertainment at Abilene Saturday with a lamb dinner in the Hotel Windsor ballroom.

Mrs. James Baggett of Ozona, first vice president, presided at an advisory board meeting Friday and at the Saturday Auxiliary meeting in the Garden Terrace.

In a brief talk, Mrs. Baggett reminded members "that the purpose of the Auxiliary is to assist the association in advancing the best interests of the sheep and goat industry."

Plans were made to secure additional funds for the auxiliary's two projects, Miss Wool of Texas contest and "The make it with wool contest." There are over 50 towns and communities represented in the auxiliary membership, Mrs. Baggett noted.

High point of Saturday's meeting was the appearance of Miss Carolyn Barre of Yoakum, Miss Wool of Texas, and Carlene Brown Miss Mohair of 1961, who both modeled portions of their wardrobes.

Officers of the auxiliary are Mrs. Floyd McMullan of Big Lake, president; Mrs. Baggett; Mrs. Alvie Cole of Sterling City, second vice president; Mrs. W. E. Friend

of Ozona, secretary; Mrs. Joe Dobson of Coleman, treasurer; Mrs. Aubrey DeLong of Mertzon, parliamentarian; and Mrs. Gail Dudley of Comanche, historian.

Crockett county members of the Auxiliary are anxious for an increase in membership in this county and urge any woman related to a member of the TS&GRA or is herself personally interested in the production of wool and mohair to become a member and work for the objectives of the Auxiliary. Annual dues are \$3. Crockett county women who wish to become members may send the membership fees to Mrs. W. E. Friend, Jr.

This Falcon four-door sedan highlights the compact car's new styling for 1962. While still "distinctively Falcon" the top-selling Ford compact features a new grille, new front fenders and hood and larger taillights, but still retains the inside-outside dimensions of its predecessors. On the interior, the instrument cluster has been revamped and there are new fabrics, styles and colors for all models. The new Falcon line, to be introduced by Ford dealers on September 29, will feature a total of 13 models.

### CARD OF THANKS

Mrs. Leon P. Smith and family and Mr. and Mrs. A. F. Haley, all living in Richland Springs, Texas, want the people of Ozona to know that they appreciate their kindness and help while they were here with Mr. Smith, who was in the hospital.

### OPENS BEAUTY SHOP

Mrs. Al Loudamy, recently licensed as a beauty operator, specialist in fine hair treatment, will open Marie's Beauty Center at 212 Mesquite Drive, in the Chandler Addition, next Monday.

# The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford — the car that fits his pleasure and needs as precisely as though it had been made to measure. ■ For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as

a secret. With Thunderbird styling, Thunderbird power, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier fine cars. ■ If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. ■ Wagon

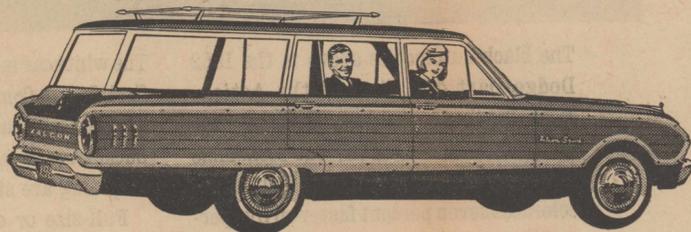

fanciers will find unprecedented variety —from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. ■ Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE / 500 CLUB VICTORIA (foreground) . . . GALAXIE TOWN SEDAN (background) . . . The Galaxie / 500—new in name, new in luxury—is for those who want all of the elegant extras. The Galaxie makes it easier than ever

to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications.

Brakes adjust themselves automatically. Special zinc coating protects vital body parts against rust and corrosion.

FALCON SQUIRE WAGON . . . Brand new for '62, it's sleek, sophisticated . . . and the only compact wagon of its kind. Inside, it is available with Futura bucket seats and a handy console! Outside, it has steel side paneling with elegant woodlike finish.

FALCON FORDOR SEDAN . . . Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run. Falcon's low price for '62 makes it America's best compact value!

## SIX WEEKS TESTS DEMAND NEW RESOLUTIONS

By Lucy Diaz

Time is drawing near for six weeks exams. This time of the year there are three kinds of students: the well-prepared one, the one that studies only to make a passing grade and the "gasping for breath" one.

Nearly everyone started the school year with self promises to make the best grades ever. As soon as the first days of school were past, they forgot their resolutions. A few prepare and study their lessons daily; others follow the old routine of cramming for tests. Others plan to study the night before six weeks exams.

In study hall and around the school, well-prepared students are calm and studying as they have done from the beginning of school; other students who are not so well-prepared will be frantically jumping from one person to another trying to get the answers and to find someone with the correct notes for the exams.

Good resolutions do not work themselves — you must work them!

## FELLOWSHIP AT BAPTIST CHURCH FOLLOWS STANTON GAME

Friday night after the game the Baptist Church held a fellowship for members of the high school and junior high.

High school students attending were Helen M., Gladys M., Jo G., Kay P., Janie G., Charley E., Jeanne H., Vicki G., Tommy E., Diana C., Janet Mc, Janie E., and Jan P.

The group played games and afterward were served sandwiches, hot chocolate, and doughnuts.

## RECENT ASSEMBLY FEATURES ALASKA

Assembly September 20 opened with the student body and faculty saying the pledge to the flag. A short devotional was brought by Vicki Applewhite and announcements were given by Johnny Childress, student council president.

The program was then turned over to Mrs. Ira Carson. Mrs. Carson showed some slides taken on a recent trip to our new state, Alaska.

## SENIOR IS PRODUCT OF 3-STAGE MATURATION

By Leroy Dragoo

Looking at any of the seniors in OHS, a person would hardly realize that only a few years ago that senior was a downtrodden, groping collection of protoplasm known to the cruel and unfeeling world as a freshman.

Through what stages or phases does this mass of energy pass during his transition to upperclassman status? Here are some of the major ones:

The first stage is the "Oh-how-mean-everyone-is-to-us-children" stage. The freshmen at this time are to be found wandering about in the halls in large herds. This, they feel, insures safety against the chance that some vicious upperclassman might pass by them and become tempted to deal someone a lash with his ever-handy whip. But, upperclassmen being the kindly and pious persons they are? This rarely ever occurs, and the "fish" soon passes from this into the second stage of maturation, the "Say, there big people aren't as mean as we thought" stage. Now the freshman regains lost confidence and loses his fear of threats of beatings with black-snake and assorted other kinds of whips. He is now beginning to feel that he "belongs" that he is "in". This is not quite true, actually, since he is still, in scholastic rank, "at the bottom".

The third and most lasting stage comes at the end of the school term (granting that he passes all courses). This is the "We're on top now; boy; we'll make it tough on those freshmen next year." phase. This phase is the true sign that the "child" as matured. The freshman has come of age!

## PELTO NEW LIAISON OFFICER FOR AIR FORCE ACADEMY

Mr. Peltó, the principal of Ozona High School, was appointed this summer as Liaison Officer for the Air Force Academy. His job is to interest students and to inform them about the Air Force Academy.

Mr. Peltó has been in the Air Force Reserve since the second world war when he signed up. He was appointed Liaison Officer over the counties of Crockett, Terrell, and Schleicher. This job is part of his duties as an air force reserve officer not in active duty. These officers are located in communities throughout the United States.

The office Mr. Peltó now holds will be for an indefinite time.

The Air Force Academy provides instruction, and motivation to each cadet so he will graduate with the knowledge, character, and qualities of leadership essential to his progressive development as a career officer in the United States Air Force.

The Air Force Academy is one

of many training centers in America where the young men are offered a chance of leadership in their country, and to lead it to the best of their ability.

Anyone interested in the Air Force Academy, please contact Mr. Peltó and he will give you information concerning the admission procedures and cadet life.

## JUNIORS INTERESTED IN N. M. S. TEST SHOULD REGISTER NOW

All 1963 graduates of Ozona High who wish to enter the 1962-63 National Merit Scholarship competition should register now at the school office, J. A. Peltó, principal, announced today.

The National Merit Scholarship Qualifying Test will be given in the school at 9 a. m., Tuesday, March 6, 1962 (or Saturday, March 10, 1962).

Students who will graduate from high school in 1963 and enter college in the same calendar year are eligible for scholarship consideration in the 1962-63 Merit Program.

## THE LINES MAKE THE COLUMN

Last weekend some ex-students came home for the weekend. Bob Meinecke was home from South West Texas Junior College, Pierce Miller from Texas University, Janie Everett from Midland Commercial College, Barbara Barbee from Texas Tech, and Roberta Johnigan from Hardin-Simmons.

Deeney Holden has earned four year athletic scholarship to Texas Western after trying out at fall tryouts. Congratulations Deeney!!

Sandy Ratliff is here visiting from California. She is staying with Mr. and Mrs. Charles Ratliff while she is here.

Last Saturday Glenda Friend went to Lamesa to visit with Joe Warren and other relatives.

In the Chemistry laboratory Ronnie Houston and Robert Cox made a poisonous gas which boiled over, smoking and nearly choking everyone. Maybe they were trying to find an easy way out!

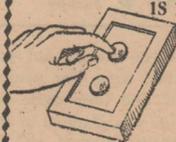

One of Miss Powers English classes had a discussion on metrical lines and someone thought they had found a reduced form of poetry.

As on a quiz they indicated they were "metrecal" lines.

Now here—a great new exclusive from Buick

# ADVANCED THRUST

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its 3/4-G thrust. Hills disappear. Lean on curves is gone because the frame's gone wider. Winds don't make you wander. It's going at its Buick best!

## '62 BUICK

Butter and milk

**FRIDAY BRIDGE CLUB**

The Friday Club met last Friday with Mrs. Hudson Mayes as hostess in the home of Mrs. Dick Henderson. High score was won by Mrs. O. D. West, low by Mrs. Eldred Roach and cut by Mrs. Bailey Post. Others attending were Mrs. J. M. Baggett, Mrs. W. T. Bradbury, Mrs. Lovella Dudley, Mrs. Evert White, Mrs. Early Baggett, Mrs. Stephen Perner, Mrs. Tom Harris, Mrs. Bill Adams, Mrs. Joe Pierce, Jr., Mrs. Hillery Phillips, Mrs. J. W. Henderson, Mrs. George Montgomery and Mrs. Pat Wood.

**Notes From The County Agent's Office**

By Pete W. Jacoby

What kind of results did you obtain the last time you pruned your shrubs? Did they come out as beautiful as you planned or did they look pretty botched up? Or perhaps your favorite tree died the after you pruned it. These are common problems of the untrained do-it-yourself pruner.

Pruning plants is an art which can be acquired through learning certain basic principles and the exceptions to them, and through experience and close observation. The purpose of pruning is to remove unwanted growth, and the cardinal rule to follow is that if you have no good reason to prune, put the tools away.

Pruning tools should be of high quality, sharp and well adapted to the job at hand. These tools are made in several sizes so the purchaser should decide which size is best suited to his needs.

The Texas Agricultural Extension Service has released a bulletin which contains a wealth of information for the home pruner. This

publication, B-977, "Modern Pruning Methods" gives a complete discussion on the reasons for pruning, pruning tools, pruning methods, safety rules, and contains a list of suggested reading material plus special sections on pruning shrubs and small trees, hedges, evergreens and roses.

Copies of this bulletin may be obtained from the county agent for the asking.

Remington QuietRiter Portable Typewriters at the Stockman.

Mr. and Mrs. John Hobaugh attended the dedication and open house of the new Knights of Pythias hall in San Angelo Sunday. Visitors were present from Odessa, Abilene, Brownwood and Weatherford. Mr. Hartsman, superintendent of the Knights of Pythias orphans home at Weatherford brought a group of 19 children from the home to furnish the day's program.

*Cadillac presents for 1962*  
the *Masterwork of the Motoring Age*

Fleetwood Sixty Special, above; Sedan de Ville, below.

You have had your first look at the new "car of cars".

Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers . . . and new conveniences on every hand.

Engineering triumphs include independent front and rear braking . . . exclusive new cornering lamps that light your way around turns . . . a revolutionary three-phase rear lighting system . . . and many other important advances.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble . . . handling ease so great that the mere weight of your hand puts you in command of the road . . . craftsmanship that is so practiced and so precise that the car has become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. You'll be hearing a lot about it.

 October 19 — Iraan 'B' game here  
 October 20 — Big Lake 'A' game here  
 October 26 — Iraan 'B' game here  
 October 27 — Open date  
 October 31 — P. T. A. Carnival

**P. T. A. CARNIVAL BOOTHS ANNOUNCED**

The P. T. A. Carnival, to be held on October 31, consists of a sideshow, a cake auction, a country store, and a refreshment stand operated by the classes of OHS. There will be other entertainment sponsored by the P. T. A.

The seniors will have custody of the selling of cokes, hot chocolate, and popcorn. The juniors will have the cake auction. The sophomores will be busy selling their merchandise from the country store; and the freshmen will present various types of talent at the side show.

The carnival will be held in the park. In case of bad weather, it will be in the sheep barns at the fair grounds.

**BAND OFFICERS AND MORGAN SET UP DEMERIT SYSTEM**

The O. H. band has completed the new demerit system. It will go into effect sometime next week, and the demerits will be issued by Mr. Morgan, director, with the officers and drum major making "recommendations" as to who should receive a demerit.

There are several ways to receive a demerit, but only two ways to work one off. You may work or practice for a period of 45 minutes afterschool. If you do not do either of the above within a week, you will receive two more demerits. That will be the required total of three for which your grade will be lowered a letter.

The system was decided upon by the band officers, and was okayed by Mr. Morgan. It will be presented to the band in its entirety, probably on Monday.

**DANCE IN CAFETERIA**

Friday, after the football game, the twirlers gave a dance at the cafeteria.

Some of the students attending were, Arlene and Bill J. Glenda and Gary, Jann and Hal, Janie and Charlie, Carmen and Aaron, Linda L. and Moe, Vickey A. and Bob, Gracie and Robert C., Kathy D. and Darrell, Judy and Frank, Patty and Herbie, Jimmy B. and Andie, Janet N. and Abe, Becky and Pete, Janet M. and Brent, Cheryl, Kathy S., Janet McAlister, Johnny Childress, Penn, Bill Bowman, Bryan, Dude, Leroy Cooper and Scott.

**GULF TIPS**

Doyle Elmore

Our best recommendation is our satisfied customers. Join that select group — drive in for service. You'll know why they so quickly come in and become "regulars."

**Elmore's Gulf Service Center**

We Give S&H GREEN STAMPS

**Big Enough to Accomodate Small Enough to Appreciate**

Ave. G & Broadway 392-2205

**SELECTION OF 62-63 TWIRLERS WILL BE DIFFERENT**

Twirling tryouts which are held in the late Spring will differ this year from previous years.

For the first time in several years, incoming freshmen will be allowed to try out. Although this is mostly for experience, it will be of great help to them the following years.

The qualifications will come from the Inter-scholastic League handbook and the tryouts will go accordingly.

This year drum major tryouts will be held before twirling tryouts. To qualify for drum-major one does not need to know the art of twirling. This, therefore, does not eliminate boy candidates.

Mr. Morgan has stated that he intends to bring in a band director from a neighboring town to help him with the choosing of the twirlers, and drum-major.

**SPECIAL ASSEMBLY TEACHES NEW YELLS**

Friday afternoon at 12:25 the cheerleaders held an assembly for the purpose of teaching the students of Ozona High School some new yells they learned this summer while at cheerleading school.

The regular pep rally was held at 3:25 on Friday and some of these new yells were put into practice.

The assembly which was supposed to be held Wednesday was not held. Class meetings were called instead. The purpose of these meetings was to discuss the P. T. A. Carnival which will be held October 31. Each class will have a part

in this carnival.

**MANNERISMS MARK THE MAN**

By Kathy Scrivner

Different persons have odd or peculiar habits. These habits are

small and sometimes go unnoticed. They are referred to as mannerisms.

How well do you really take notice of your friends and classmates? Test your observance by seeing how many of these fellow students

you can recognize by their habits: the girl who, when consulting a teacher, slips her shoe off and tends to twirl it around with her foot; the girl who always ties her scarf in the belt loops of her blue

More LIONS ROAR Page 6—Sec. 2

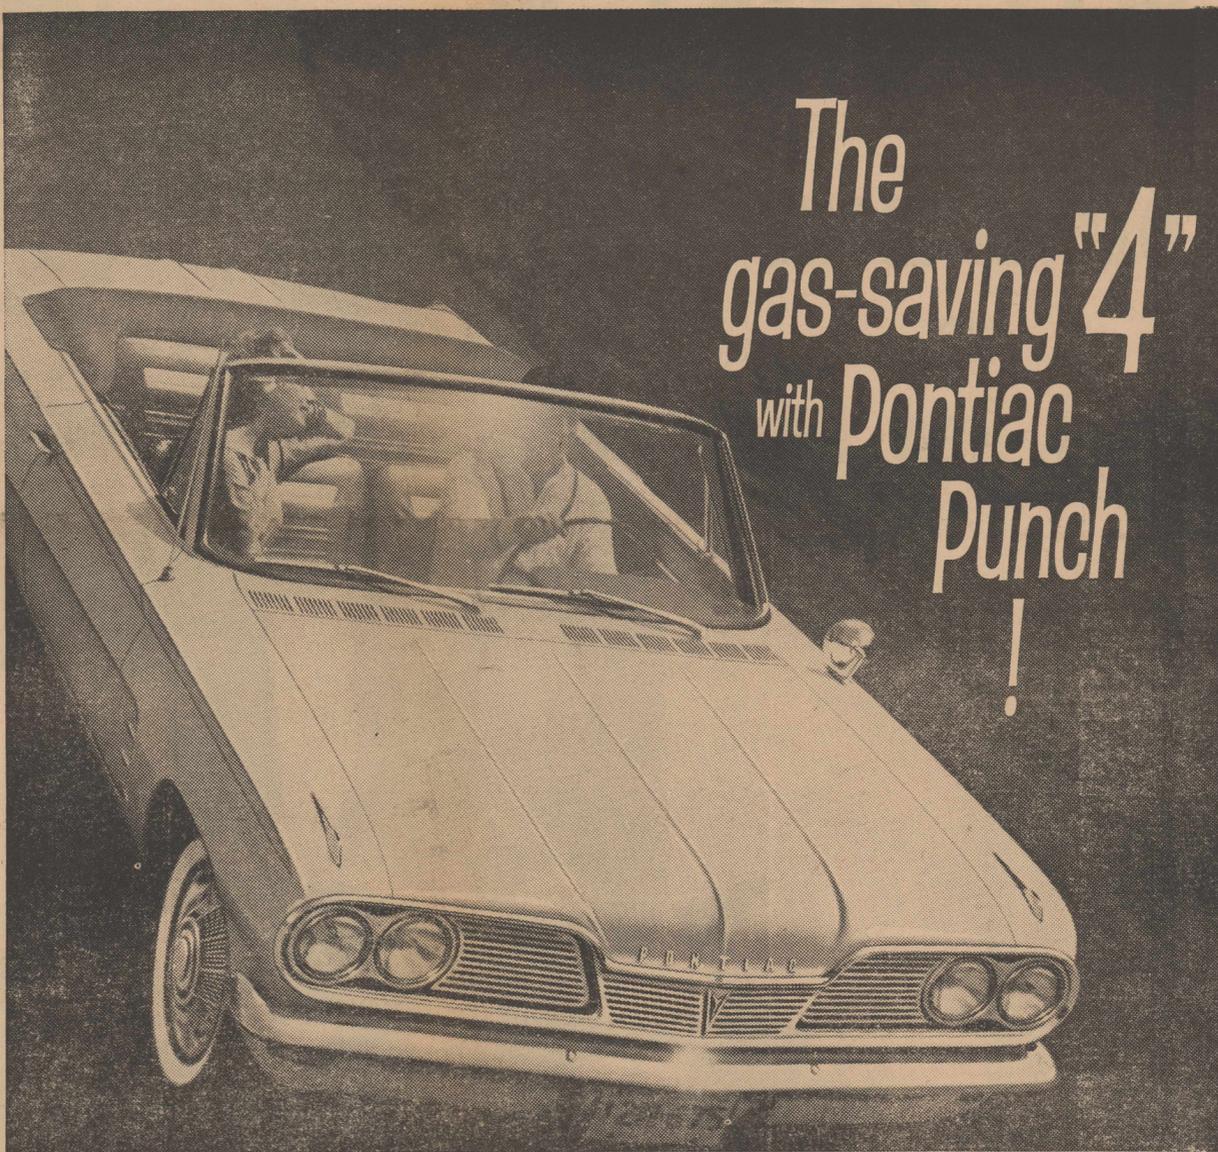

The BEST way to Beat HEAT is with year 'round

**GAS** air conditioning

For little more than the cost of Gas heating you can enjoy COMPLETE relief from heat, humidity, dust and pollen. And remember, you'll have no service problems because Pioneer provides continuing maintenance for your unit... a mighty important point to consider when buying air conditioning.

LIVE MODERN... FOR LESS... WITH GAS!

**Pioneer Natural Gas Company**

The gas-saving "4" with Pontiac Punch!

**PONTIAC TRIGGERS ANOTHER TEAM OF WINNERS.** Every one is a fancy mover. Convertible. Sedan. Wagon. Two Coupes. Choice of 110, 115, 120 or 140 h.p., gas-saving 4-cylinder engine. A couple of extra cost options: Put on a 4-barrel carb and get 166 h.p. The citizen who wants even more can go for an aluminum V-8 option that pulls 185 horses.

**TEMPEST HAS A FRONT ENGINE/REAR TRANSMISSION!** (The only American car with this feature.) It gives Tempest equal weight at every wheel. It has biting traction on the bricks or in the mud. Tires last longer. Brakes take hold like they mean it. The front floor is practically flat (no big hump in the middle). Tempest seats six—easily!

**TEMPEST HAS INDEPENDENT SUSPENSION—FRONT AND REAR!** Each wheel (and it's a big 15" one) moves up and down independently of the opposite wheel. There's no solid axle in the rear. Result: Firm ride on pavement, soft ride in the boondocks! Swing axles in the rear help the Tempest to carve out clean, firm curves.

**PLUSH NEW SERIES—THE LE MANS (LUH-MAHNZ).** The Tempest Convertible and Coupe are out this year in special custom trim. Call them the Le Mans! They both have sports-type bucket seats, full carpeting, floor mounted stick shift, acceleration rear axle option—no extra cost. Extra cost option: 4-speed gearbox. Take one out—it's a going machine!

Drive America's only front engine/rear transmission car... it's balanced like none of the others!

jeans on Friday; the boy who is always seen perched on the top of a desk; the girl with the tough vocal box that always lets out ear-piercing screams at the football games; the boy who, whether playing football or basketball, is always reaching down to pull up his socks; two girls who like our friend Dobbie Gillis, have the tendency to wrinkle up their noses to whoever has wrinkled theirs at them first (rabbit talk, maybe); a girl who insists on drawing houses over all her belongings; the two girls who make name calling very complicated by dressing alike; a girl who insists on sticking her bottom lip in her mouth; the two boys in football who, after the first quarter, always have their shirttails hanging out; the boy who comes to school with his shirt tail in, but in about ten minutes it is seen flapping in the breeze; the red-faced girl who is really fair-complexioned, but goes to sleep with her head on her books in all her classes; and last, the boy who is almost weighed down by his oversize briefcase.

However well did you do? If you guessed all thirteen of these people you're either a cheater or the writer of this article is your steady guessing nine you have exposed yourself as the leader of a spy ring; for guessing five, you're very observant, and if you don't know any of them — you're blind!

**Robert Massie Funeral Home**  
128 South Magdalen  
AMBULANCE SERVICE  
FUNERAL SERVICE INSURANCE

**FADS CONFUSE CASUAL OBSERVER**

Have you ever stopped, and taken notice of the fads of OHS? On Friday it is hard to tell the boys from the girls because both are wearing Levis and quilted belts. There is one small difference however, and that is the bows in the back of the girls hair. If you want to be sure you are speaking to a boy, look on the back of the head for a bow; Surely no boy would wear a bow in his hair!

Also on Fridays, OHS must resemble a sheep show with all of the ribbons being passed out. They are being worn on Levi legs, on pony tails, and on the backs of shirts.

The senior rings are in chains again. Everywhere you look there is a ring dangling from a chain around a girl's neck. As if that isn't enough, there are the girls' beautiful oversized football, basketball or track jackets. Isn't it nice to know girls in OHS are so interested in sports, and that they love to order oversized jackets?

Since cold weather is getting here, it seems as if the socks are going up, and not price-wise. To "top" it off, the "Fish" and others, are wearing the "twist" sock. That must be why some people are always running around in circles — just trying to stay up with their socks.

The next time you enter the fad-ridden halls of OHS, look around. You may get a laugh — from someone else.

**MERCURY ANNOUNCEMENT**

**First showing! 1962 Mercury MONTEREY...  
the best-looking buy for the big-car man**

For the man who prefers  
the luxurious  
"feel" of a big car  
... or needs one for  
obvious family reasons ...

This is the one for the big-car man. Spacious, handsome, powerful. Compare it with other cars at its price. It stands out like a man among the boys. Has those big extra values a man likes.

**THE EXTRAS THAT MAKE THE DIFFERENCE**

Take comfort. It's a 6-passenger car without qualification. Has extra room, a longer (120") wheelbase than other cars in its class. A smoother, quieter ride—the result of exclusive Cushion-Link Suspension and greater use of soundproofing. Finer performance—a

choice of "6" or three brilliant V-8's for any power-economy combination you wish. And you'll like the extra savings ...

**NEEDS ROUTINE SERVICE ONLY TWICE A YEAR ...**

... at 6,000- to 30,000-mile intervals. Changing oil, for example, now only has to be done every 6,000 miles. A new-type anti-freeze, anti-rust coolant lasts 2 years or 30,000 miles! And a dozen other self-servicing features cut upkeep still further. Stop in. Size up a Mercury Monterey for value. The price? Well within the popular-price range.

LINCOLN-MERCURY DIVISION • 1962 MERCURYS • PRODUCTS OF Ford MOTOR COMPANY

**WIN A 1962 MERCURY AT OUR ANNOUNCEMENT SHOWING. 18 CARS GIVEN AWAY. 12,680 PRIZES IN ALL!**

(See your Mercury dealer and see how you can win one of these fabulous prizes. Now to October 14.)

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 29, 1932

Funeral services were held here Monday for Allen West Robertson, 34, Crockett county ranchman who was killed sometime late Saturday afternoon on his ranch about 35 miles southwest of Ozona. Mr. Robertson's body was found a few miles from the ranch home. His horse had apparently become excited and bucked down the side of a canyon in thick cedar growth. Robertson's jugular vein was punctured, apparently by a piece of brush.

—news reel—

Business men of Ozona had to take time out Wednesday morning to sweep scoop or shovel out millions of crickets from their doors before opening for business. A horde of the insects swooped into town Tuesday night and swarmed in piles in lighted places downtown.

—news reel—

A huge tract of land in southeast Crockett and partly in Val Verde county, has been set aside as a state game preserve. The new game preserve contains approximately 175,000 acres and for the next ten years it will be unlawful to kill any game bird or game animal within the boundaries of the preserve.

—news reel—

Bad roads brought about by continued rains here has resulted in delaying the proposed canning operations sponsored by the local Red Cross chapter for relief of depression sufferers. Trucks can not negotiate ranch roads to bring in meat animals donated for the canning program.

—news reel—

Mr. and Mrs. Bill Littleton of Abilene are the parents of a daughter, born in Abilene. Mrs. Littleton is a daughter of Mr. and Mrs. B. B. Ingham of this city.

—news reel—

Mrs. S. E. Couch and Mr. and Mrs. H. B. Cox were here from San Angelo Monday to attend the of Allen W. Robertson.

—news reel—

Rev. J. H. Meredith, pastor of the Methodist Church, spoke to the student body at the regular assembly hour this morning. Miss Tommy Smith, Senior class president, presided at the meeting. A piano solo by Gene Montgomery featured the entertainment.

—news reel—

Contracts for grading and drainage structures on 11-mile stretch of Highway 27, from Bachelor hill east to within 9 miles of Ozona, were awarded by the State Highway Commission last week. J. S. Wade & Son of Coleman drew the grading contract and Dozier Construction Co. of Austin was awarded the contract for construction of bridges.

—news reel—

Judge and Mrs. Chas. E. Davidson have had the interior of their ranch home refinished recently.

—news reel—

Adelia Willis, daughter of Sher-

## FRIDAY

# A New World of Worth from Chevrolet for '62!

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

## '62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ New steel front fender undershirts guard against corrosion. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

## THE '62 CORVAIR MONZA

The car that puts sport in the driver's seat!

Step right up and meet the latest version of the car that's proved its mettle in the fiercest competition going—'62 Corvair. Bigger new brakes team up with Corvair's renowned rear-engine traction for just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

Chevy II 300 2-Door Sedan

## HERE'S THE NEW CHEVY II

Modern basic transportation in a totally new line of cars

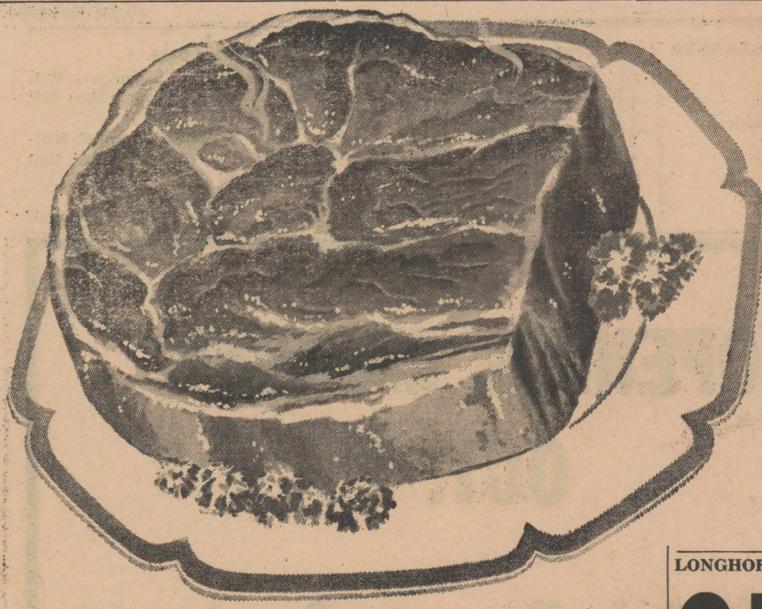

Here are all the solid, time-tested virtues you know you can count on from all the Chevrolet family—plus some surprises you've never seen on any car before. A full line of saucy new-size models, each built a new way for easier service and maintenance. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's
