NUMBER 21

A Creek In My Back

As it will appear in the Roanoke Times and the Norfolk (Va.) Virginian-Pilot

It is amazing what a few games of tiddlywinks can lead to, especially if you don't know tiddlywinks from kelly pool or croquet. Just the other day A. Faithful Reeder (a pseudonym, no doubt) sent me a clipping of a very clever tongue-in-cheek editorial based on a news story. Our American tiddlywinks team had just been cut to ribbons by an English team, in New York. The American foursome lost four straight falls, sets, rubbers, matches, rounds . . . or whatever it is that measures tiddlywink.

I prefer, patriotically, to regard this as an upset. I found nothing about it in the sports pages, but I know, with a terrible clarity what the lead of the story must have been:

NEW YORK — Oxford University's underdog tiddlywinks team exploded all over the table today in the initial frame of the world's first international tiddlywinks championship tournament. When the debris had been cleared away, the American contenders found themselves smashed 6-1, 5-2, 6-1 and 6-1 . . .

You don't have to have a program to become a tiddlywinks analyst. I say America's first mistake — and the fatal one — was in having this important competition in New York, and in fielding the wrong team. I am an Informed Taxpayer (another pseudonym, no doubt) and I know that more Big League tiddlywinks is (or are) played in one day in Washington than are (or is) played in a year in Manhattan. This tournament should have been held on the Mall, in the shadow of the Capitol, with two Congressmen, a Senator, and a Kennedy (Caroline or Bob) wearing our colors.

This thing has cost me a lot of time. When I tried to look up tiddlywinks, I got all involved in the fascinating sport of etymology, or why do words mean what they do, and where did we get them, and why have we abandoned so many colorful parts of English speech?

First, I found another sport at which we probably could have whipped the Oxford tiddlywinks team hands down. This is, or was, the pastime of running tiddledies — also known as tiddles, tiddly-benders, and tickley benders.

These are words to whet the thirst for knowledge, and I went on, feverishly. Running tiddledies was to run or skate over ice that is beginning to break up, or is so thin it bends under your weight. This is clearly a more dramatic sport than tiddlywinks, and did much to mould our national character and that of Billie Sol Estes. As a matter of fact, the Boston Journal of December 17, 1888, said: "Running tiddledies, or tiddley benders, is a great test of character."

Then I found that "tickle bender" was once used to describe a fine, or superior, fellow. Our nearest approach to Oxford, perhaps, is Harvard Square, and the Boston Transcript on December 6, 1831, asked inelegantly, "Ain't he a tickle bender"?

I keep getting back to tiddlywinks. If we had had four real tickle benders on our tiddlywinks team, we would not have been running tiddledies on such thin ice. Stephen Vincent Benet said:

I have fallen in love with American names,

The lean names that never grow fat . . . and so it is possible to be enthralled by English origins. I learned yesterday that our word "gazette" (as in Police) was once an Italian term for Venetian tin money. It was the diminutive for "gaza", the treasure of Persian kings, and in a wonderfully satirical way it meant that the coin was small treasure, indeed. The first news sheets printed in Venice sold for "gazettas," and rare old Ben Jonson, in Volpone, said:

What monstrous and most painful circumstances.

Is here to get some three or four

Rotarians Hear Progress Report On Amistad Dam

Project Engineer Describes Giant Dam In Talk Here

Members of the Ozona Rotary Club and their guests heard a progress report on Amistad Dam, the second giant international project on the Rio Grande 12 miles upstream from Del Rio now in the design and planning stage, given in a talk by Lloyd Hamilton, project engineer for the U. S. Boundary Commission on the huge construction project.

Preliminary work on both sides of the border in the U. S. and Mexico, is under way in readiness for construction of the 6½-mile long dam. For the U. S. this will include relocation of the Southern Pacific railroad and of Highways 90 and 277 and other preparatory work estimated to cost approximately 19 million dollars by the end of this year. Cost of the entire project is estimated at 79 million dollars, of which the U. S. will pay 55 millions and Mexico 24 millions, Mr. Hamilton said.

The huge dam, larger than Falcon dam, about 300 miles downstream, will be 34,100 feet long, about 6½ miles, of which 2 miles will be in the U. S. and 4½ in Mexico. The dam will cross the main stream about a half mile below the confluence of Devil's river with the Rio Grande. The earth and rock embankment, with concrete outlet works, will be approximately 254 feet high, 100 feet higher than Falcon dam. The outlet works will be controlled by 16 huge gates, Mr. Hamilton said.

When completed, the Amistad (originally called Diablo) dam will impound at maximum 5,660,000 acre feet of water and create an artificial lake covering 87,400 acres of land, the project engineer declared. It will back water a maximum of 82 miles upstream on the Rio Grande, to about ten miles west of Langtry, and up Devil's River 26 miles.

To give his listeners an idea of the amount of water that is to

Band Boosters Club To Honor Director, Band At Supper Mon.

The Ozona High School Band Boosters Club will hold a covered dish supper honoring the High School band and its new director, Eddie Green, Monday night, August 20, at 6:30 p. m. at the high school.

Parents are to bring a meat dish and a vegetable and the Booster club will furnish bread, drink, dessert, and eating equipment such as knives, forks, plates etc.

All parents with children in school are invited to attend and meet the new director and support the band which will begin its fall practice Monday morning.

Only Small Nucleus Of Experienced Players To Be Available As Coaches Look To Major Lion Rebuilding Job

By Ernie Boyd

Coaches Fred Hickman and Sonny Cleere expect to greet about twenty candidates for the 1962 Ozona High School football team Monday when fall practice will begin all over Texas for all 2-A, 1-A, and B high schools.

Practice sessions will be held twice a day until school starts with the opening of the season occurring

Athletic Booster Club Membership Drive Under Way

Memberships Invited In Preparation For Kickoff Banquet

A drive to enlist members of the Ozona Booster Club began this week as plans developed for the annual kickoff barbecue to be held Sept. 4.

Guests of the Club will be the Ozona football squad and its coaches with the boys being introduced to the club and the coaches giving a run down of the squad and the outlook for the coming season.

Guest speaker for the night will be nationally known humorist and wit, Louie Throgmorton, whose talk alone would be worth the membership fee.

Mr. Throgmorton, a Dallas insurance executive, charmed an Ozona audience early in this year when he appeared at a Rotary Club ladies night banquet.

Tickets were placed in the hands of a number of members in key positions around town in hope that all men interested in athletics could be contacted in the next two weeks. However, it was pointed out that tickets could be secured at the Ozona Boot & Saddlery, The Stockman, Ranch Feed and Supply, West Texas Utilities Co., Baggett Insurance Agency, Ozona Oil Co., Sutton's Chevron Station, and Knox Motor. Other ticket centers will be announced next week.

Mrs. Walter Dunlap Suffers Broken Hip

Mrs. Walter Dunlap was reported to be doing well following surgery at the Crockett County Hospital last Sunday morning. The operation was necessary to set a broken hip suffered in a fall Saturday afternoon.

Children of Mrs. Dunlap were on hand during the week to visit their mother following the accident. Included were sons Paul Counts of Fort Stockton, J. C. Counts of Corpus Christi and Howard Counts of Midland and their families, and daughters, Mrs. Glen Ratliff of Fort Worth and Mr. Ratliff and Mrs. Lee Worthington of Temple.

Sept. 7 when the McCamey Badgers of district 4-2A come to Ozona.

A major building job will face the Lion mentors this season and as if this were not enough of a problem, the replacements for last year's departing seniors, will come largely from sophs, with only a few junior and almost no seniors, except those who were regulars last season.

Among this year's tried and proven players will be Penn Baggett and Robert Cox in the line and Brent Moore, Pete Montgomery, and Richard Vargas and Leroy Cooper for the backfield. Add to this list Jim Semmler who lettered at end and Joe Huff, a starting offensive guard, and you have almost all of the experience contained on the squad.

Replacements for such boys as Phillip Carnes, Carl Montgomery, Frank Childress, Tommy Everett, Hal Long, Darrell Rasberry, Gary Studdard, and Bobby Tabb, will have to come from last year's B team which fortunately included some promising freshman who will be only sophs this year, but who will have to be counted on to come through.

Included in the most promising group will be Rick Hagelstein, Aaron Shackelford, Pete Garza, Dobbie Scrivner, Scott Mahon, Bill Bowman, Bernabe Villareal, Gustavo Campos, and a few others. Some of this group saw very brief service last season but none played enough to be important.

Coach Fred Hickman stated last week that positions would be filled

Football Reserved Seat Ticket Sales Picking Up As Season Opener Near

The sale of reserved seats for the Ozona High School football games was reported to going well Tuesday morning, but Mrs. Frank McMullan, school secretary in charge of sales, stated that a number of very good seats were still available on a first come first served basis.

Fans who have bought reserved tickets but who wish to change their seats were urged to get this task done right away, before all seats are taken.

Ozona fans were urged to take advantage of the opportunity to buy reserved seats at regular general admission prices, thus assuring the school gate guarantees and available operating funds in exchange for reserved seats in the most desirable location in the stands.

Fans interested in tickets can call the high school office, go by during the week or write, Tickets, care of Ozona High school, enclosing a check for five dollars for each seat desired.

Cool Front Kicks Off Showers In Area; Drops Temperature Readings

Some relief, even if temporary was afforded from the terrific heat of the past two or three weeks with the arrival of a weather change of sorts early this week which brought thunderstorms and scattered showers over parts of the county and somewhat cooler temperatures.

Although thunderstorm activity visited Ozona late Monday afternoon and evening, the town proper received no moisture but parts of the ranch country did get showers, some places reporting up to two inches of rain. The rain clouds formed west of Ozona and showers fell as far west as Sheffield but were scattered. The disturbance moved to the south of Ozona and rains in scattered areas were reported from that area, the hop-skippping showers dumping up to two inches in comparatively small areas in that direction.

Three From Ozona Attend Crippled Children's Camp

Lions Of South Side Club Sponsor Trio At Kerr Camp

The South Side Lions Club finished its summer camping project recently after having sent four Ozona children to the Lions Club camp for crippled children this summer.

The four children attending the camp at Kerrville were: Jay Sanchez, Arturo Ramirez, Melissa Ann Zapata, and Pedro Galvan.

Several of the children were on units which won citations in such contests as, clean cabin, Boy's Stunt night, and overnight camping, while Arturo Ramirez won second in checkers and advanced three stages in his swimming program.

Pedro Galvan won third place in shuffle board and moved up four stages in his swimming, advancing from a tadpole to advanced beginner.

The summer sessions for crippled children are divided into six sections named for Indian tribe. The tribes are Tejas, Lipan Apache, Comanche, Fox, Cherokee, and Chippewa, the first letters of which form the initials of Texas Lions Camp for Crippled Children.

The camp is the result of a joint effort by Texas Lions Clubs to do something to help crippled children.

Bill Bradbury of the Ozona Lions Club was recently named a director of the camp and will serve for the next year on the state board of the million dollar installation.

Mr. and Mrs. Buster Loudamy and children were in San Angelo over the weekend to attend a family reunion. Over 150 members of the family from as far away as both coasts were present.

Hilton North Is Laid To Rest In Services Monday

Ozona Grocer, Former Rancher, Died Here Saturday Night

Funeral services were held at 5 o'clock Monday afternoon from the Ozona Methodist Church for Hilton North, 54, owner of the North Grocery in Ozona for the past 13 years and member of one of the pioneer families of West Texas.

Mr. North died in the Crockett County Hospital at 10 p. m. Saturday. He had undergone lung surgery in a Dallas hospital in January of this year and had been returned to the local hospital last week after receiving treatment in the Dallas hospital when his condition worsened.

Services were conducted by the Rev. Morris Bratton, pastor of the Ozona Methodist Church, assisted by the Rev. Harry Trulove, pastor of the First Baptist Church of Ozona. Burial followed in Cedar Hill Cemetery under the direction of Cody Funeral Home. Pallbearers were Hillery Phillips, Jake Young, George Bunker, Joe Tom Davidson, W. E. Friend, Jr., W. P. Seahorn, Jr., Brock Jones and Boyd Baker.

Mr. North was born in Sonora April 27, 1908, a son of the late Mr. and Mrs. J. J. North. His father established one of the first automobile dealerships and garage operations in West Texas in Ozona, a business which remained in the family's hands until a few years ago when it passed into other hands at the death of Mr. and Mrs. Joe North.

For more than 20 years Mr. North ranched in Terrell county near Sanderson. When he sold his livestock from the ranch in 1949, the family moved to Ozona and Mr. North entered the grocery business and owned and operated the North Grocery store here. He was married to Miss Mary Augustine, daughter of the late W. H. Augustine, early-day Crockett County sheriff and rancher, and Mrs. Augustine, on August 6, 1931, in Ozona. He was a member of the Masonic Lodge for many years.

Survivors include the widow; two daughters, Mrs. J. O. Whitley of Beaumont, and Miss Janet North of Ozona; one brother, Carl North of Ozona; three sisters, Mrs. Wayne W. West, Mrs. Gertrude Perry and Miss Mildred North, all of Ozona, and one grandchild, Elizabeth Whitley.

Mrs. W. M. Johnigan To Be Buried At 3 Friday Afternoon

Longtime Resident Of Ozona Died Wednesday Afternoon

Funeral services will be held at 3 o'clock Friday afternoon from the Church of Christ in Ozona for Mrs. Georgia E. Johnigan, 80, resident of Ozona since 1905, who died Wednesday afternoon in the Crockett County Hospital where she had been a patient the past ten days. She had been in failing health the past year.

Services will be conducted by Jess Hall, minister of the Church of Christ, with burial to follow in Cedar Hill Cemetery under the direction of Cody Funeral Home of Ozona.

Mrs. Johnigan was the wife of the late W. M. (Bill) Johnigan, longtime Ozona justice of the peace and deputy sheriff, who died May 9, 1960. They were married in Bell County October 2, 1898.

She was a member of the Church of Christ here more than 40 years.

Survivors include three daughters, Mrs. Welton Bunker and Mrs. Frank James, both of Ozona, and Mrs. E. A. Schneider of McAllen; two sons, Hartley Johnigan and J. W. Johnigan, both of Ozona, nine grandchildren and four great-grandchildren.

'KING OF THE WILD FRONTIER' STILL POPULAR WITH

TOURING
PUBLIC

Davy Gets

His Picture

Snapped

Hundreds

of Times a

Day In

Ozona's

City Park

The recent Davy Crockett rage (the Song and toy era) is over but it would be a mistake of considerable size to say that Crockett has been forgotten, as is so often the case with rages that come and go in American life.

Crockett did not gain his fame as a result of the rage that swept America a few years ago, and with its passing he still retained that place in held in American history and Texas history in particular, and in the folk lore of Americana.

U. S. 290 is always busy with traffic moving from coast to coast but with the arrival of summer the number of people traveling from all over the United States up and down 290 becomes heavier and the lure of Crockett's fame would seem to have lost none of its luster.

Ozona's green and inviting city park no doubt has a strong lure to motorists along the hot and dry west Texas highways, but in reality the green trees and lush grass

do little more than provide the perfect backdrop for the majestic statue of Crockett.

Few Ozona people outside those whose business face the statue, are aware of the number of visitors the big granite carving attracts each day. West Virginia, California, New York, Virginia, and even his home state, Tennessee, form but a smattering of the car licenses that can be seen every day inspecting the marker in Crockett's honor. Texas of course is the home of most of those who stop the car get out, inspect the shaft, take pictures of Johnnie and Susie standing beside Davy, and then once again resume their journey. But visitors from every state in the Union have stopped.

To give the Ozona reader some idea about the number of pictures taken each day, it is probably not much of an exaggeration of the facts, to say that a film processing company could operate profitably on the rolls of film on which one

Frankly, We Just Don't Believe It

The newspapers screamed it in headlines and the radio and TV bawled it out incessantly — the announcement from Russia that the Russians had lofted two astronauts into outer space in two separate vehicles and all the marvelous things they were expected to do up there to prove the Commies are superior.

The headlines stated the announced accomplishment as fact without any sort of reservation. And we read it line by line trying to find out the basis for such acceptance of a Russian announcement.

We searched for word that some American scientist had confirmed by some scientific means that the Russians had in fact lofted men into space and that they were whirling around the earth for a couple of days while the Commies made great propaganda hay. But we didn't find anything but quotes from Tass, the Russian news agency, from Khrushchev, from "spokesmen", from unnamed NASA officials — but never from any source that might be considered unimpeachable.

Maybe we are just skeptical. Maybe we should be more trusting of the fellow in Moscow who said he "would bury" us. Maybe we should believe what we see in the papers and hear on the radio and TV. But somehow when the United States invited the glare of world wide publicity to every move it made before and at the time of launching and recovering its men in space, and scientists, tracking stations here and around the world,

and communications media all joined in putting the show on the airways so that you heard the astronauts talk, you heard the ground crews talk, you saw them take off and land on TV and the whole world saw and heard it. Somehow, we find it hard to believe the Russians, who have never given the world even the slightest peek at its launchings, orbits or landings, have ever put a man in space, or at least have never recovered one.

Ask yourself why your daily newspaper and your broadcast media played up that story so big. Ask yourself why your President, without requiring any proof of performance, hastened to cable his congratulations to the men in the Kremlin who has pledged time after time to destroy us. Is it a prelude to our surrender? Is it a gigantic lie framed to scare America into surrender? Have we already been "taken over?" Is there no "Voice of America" in Washington or anywhere else?

How Long Can A Government Survive that requires one out of every six of the nation's workers to run it, and has spent so much more over the years than it has taken in that it owes \$1.2 Trillion — or \$6,642 for every man, woman and child in the country? These figures from a Senate Republican Policy Committee report suggest that it really is time for that change we heard about in 1952.

THEY GOOFED THIS TIME

Flat rejection by the Soviets of the latest, most watered-down US proposal for a nuclear test ban can hardly be considered anything other than a Russian demand for unconditional surrender on the issue of inspections.

On the face of it, the Russian action seems rather stupid. It would seem, with our demands reduced to the point of ineffectiveness, the Commies might well have granted them and allowed the US to delude itself that it had won a great cold war victory. And this would certainly have lulled the country into acceptance of the State Department line that Communism is growing up, that its anti-capitalist belligerency is softening and we can soon play ring-around-a-rosy together.

Thus, perhaps, we should be grateful for the Soviet intransigence that gives us another chance to awaken to the unchanging fact of our planned destruction. Stalin's strategy of encouraging us to spend ourselves to death has been well publicized, almost as widely as Khrushchev's promise to bury us — and his broad inference that this can be most conveniently done after we have dug the hole for him.

And now, thanks to Ralph deToledano and his newspaper column "In Washington", we learn of the derisive 1924 pronouncement of Nicolai Lenin in which he laid down the pattern of "outbursts and withdrawals, attacks and lulls, during which the revolutionary forces gain strength in preparation for their final victory." Lenin snorted at the "cultural elements" of the West as "deaf-mutes" who would fall for any Red ruse. In predicting reaction to the Soviet plea (to be made to FDR in 1933) for diplomatic recognition, he said: "Again, the deaf-mutes will believe it. They will even be delighted and fling wide-open their doors, through which the emissaries of the Comintern and Party intelligence agencies will quickly infiltrate these countries as our diplomatic, cultural and trade representatives".

But, it should now be plain, no portals will be carved for us in the Iron Curtain. A test ban treaty remains as simple as ever; Both

Nine Girls In Training For OHS Twirlers With Champion As Instructor

Nine prospective twirlers will finish a week of intensive training this week and the twirlers for the 1962 Ozona High School band will be chosen Friday from among the candidates.

Graduation took a heavy toll of the twirling corps last year and two others who are returning will not be competing for jobs this year, leaving only Jan Smith as a returnee.

Miss Leay Lenamon, who is a regular instructor in the twirling school at McMurray, as well as being a twirler in the McMurray band, is instructor in the school which has been holding two sessions a day at the high school.

The full band will go into practice Monday under the directorship of its new instructor, Eddie Green, who has moved to Ozona this week.

Green comes to Ozona from Albany where he has had an outstanding band for several years and replaces Allan Morgan, who has accepted a position in California where he and his family moved last week.

Arturo Gonzales Gets Degree From Sul Ross

Arturo H. Gonzales of Ozona is among 149 graduates to receive degrees from Sul Ross State College at the Summer Convocation exercises to be held August 19. He will receive the Bachelor of Science degree.

The exercises, to be held at 4 p. m. Sunday in the Main Auditorium, will be featured by an address to the graduates by Judge Edward Clark, prominent attorney of Austin, Texas. The graduation will bring the total graduates for the 1962-63 school year to 290, with 236 bachelor's and 54 master's degrees awarded.

Mrs. and Mrs. Frank James have returned to Ozona following a vacation trip to California.

nations agree to stop testing. We stop. The Russians continue at will. We protest — with traditional futility.

Wildcat Spotted In Far West Crockett

Crockett County gained location for a wildcat during the past week. J. R. Rich and L. E. Scherck, San Angelo, will drill a 2,500-foot cable tool wildcat in Crockett County, six miles southeast of Sheffield and four miles southeast of the Half field. It is the No. 1 Austin Millsbaugh.

Location is 2,947 feet from the north and 330 feet from the east lines of 41-1-I&GN.

Miss Gwynell Walker has received her assignment to Brown Junior High School in the Oak Cliff section of Dallas where she will teach this fall. Miss Walker, who is the daughter of Mr. and

Mrs. C. O. Walker of Ozona, will teach Algebra and General Math.

Accurate and Complete RANCH RECORD Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

THE STOCKMAN RANCH RECORD BOOK

WASHINGTON NEWSLETTER FROM SENATOR JOHN TOWER

Committees: Banking and Currency Labor and Public Welfare

Senator John Tower (R-Texas), in this weekly report to Texas constituents today, discussed the trade expansion bill which is now being studied by the Senate Finance Committee. The text of his report:

In the State of Texas, many economic groups are seriously concerned about the effect on employment, business, and the economy of the State, if existing duties on foreign-made products competitive with our production, here at home, were to be eliminated in pursuance of this proposed trade bill. This bill was sent down by the President, and he has requested authority to reduce tariffs by 50 per cent and, in some cases, to eliminate them entirely. The President's bill would emasculate the so-called "peril point" procedure which allows an industry, under certain conditions, special immunity to tariff reducing negotiations.

What the President is asking for, actually, is more power than has every been possessed by any other President in the field of trade and tariff negotiations. He also wants to abolish the guidelines that were set forth for previous Presidents, even with more limited power.

Instead of giving the President such radical and potentially devastating authority, we Texans have a large stake in a more sensitive approach to the selection of articles for tariff negotiation than is provided for in this bill. I have collected data showing the employment losses in manufacturing industries in Texas during the period 1954-58, and the losses in employment, nationally, in those industries, 1954-60, together with an indication of the magnitude of the adverse shift in balance of trade in the products of these industries which occurred during those periods.

It is not my position, necessarily, that the poor employment performance of these industries, which account for about 25 percent of manufacturing employment in Texas, was due entirely to the rise in imports and the decline in exports. The data do indicate, however, that these industries, characterized by a stagnant or declining employment, are under heavy pressure from adverse foreign trade developments. A further elimination of duties is certainly not going to halt or moderate the increased import trends shown for these industries.

Texas has its great seaport in Houston — one of the largest in the world — we have many busy ports with a very specialized type of shipping, such as Galveston, Port Arthur, Brownsville, and Beaumont. Texas has an obvious interest in foreign trade. But the existence of these ports and our interest in foreign trade doesn't blind us to the economic reality that many of the industries, sectors of agriculture, minerals extraction, and fisheries which contribute to employment and the economic well-being of our State and Nation cannot survive under conditions of total free trade.

After all, in the United States, our production costs are well above competitive levels. This makes it very difficult for us to compete with foreign imports that are produced with lower production costs than those we have in the U. S. We need, therefore, to take a very cold, hard look at this trade bill, and it needs to be revised considerably, with adequate Congressional oversight.

Art Kyle On Board Of Memorial Student Center at A-M College

College Station, Texas — A student from Ozona will be a member of the Memorial Student Center Directorate at Texas A&M College during the academic year commencing in September.

Arthur C. Kyle, of Ozona is scheduled to serve as the Table Tennis Committee chairman.

The "M.S.C." as the Texas A&M students call the Center, serves as the "campus living room" and has a wide range of programs. Several hundred students plan and carry out three programs.

The Directorate is composed of two officers, 17 committee chairmen, three directorate assistants, and an advisor.

James E. Ray of Conroe has been chosen to serve as president of the Memorial Student Center Council and he also serves as president of the Directorate.

The "M.C.C." has programs for hobbyists and of an educational nature in addition to social programs. Several of the activities involve regional competitions and some even lead to national meets.

The Table Tennis committee arranges the competitive events of interest to many Texas Aggies.

Kyle, the son of Mr. and Mrs. Arthur Kyle, is a graduate of Ozona High School.

He has earned recognition for his scholastic achievements, being listed as a Distinguished Student.

"Government should be like your stomach. If it's working right, you don't know you have it." — Duluth (Minn.) Publicity.

Ozonans Attend Tea In Rankin To Honor Miss Genevieve Poage

Several Ozona women plan to attend a gift tea to be held this afternoon (Thursday) in the home of Mrs. Boyd Cox in Rankin to honor Miss Genevieve Poage.

Miss Poage, daughter of Mr. and Mrs. Walton Poage of Rankin, is the bride-elect of David Gentry Holmes, son of Mr. and Mrs. Sam A. Holmes, of Rankin. She taught in the Ozona school system last year.

The couple will marry August 27 in the First Methodist Church of Rankin.

Assisting Mrs. Cox at the courtship will be Mrs. Joy Lane, Mrs. Hamp Carter, Mrs. E. G. Branch, Mrs. Tom Workman, Mrs. Ross Wheeler, Mrs. R. H. Daugherty, Mrs. Will Nix, Mrs. Clint Shaw, Mrs. Dunn Lowrey, Mrs. Jimmy Mathews, Mrs. Porter Johnson and Mrs. Walton Harral of Fort Stockton.

Charles Ratliff of Austin and Ozona was a business visitor in Ozona early this week.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Members of the 49th Armored Division of the Texas National Guard received a personal "Welcome home" from Gov. Price Daniel. He greeted them in front of the State Capitol.

Afterwards the Guardsmen paraded down Congress Avenue, then dismissed for their homes and civilian jobs.

More Money for Well Study — Governor Daniel has okayed the release of \$105,000 from Texas Railroad Commission funds to finance additional equipment, personnel and other expenses connected with the investigation of slant-well drilling and oil producing operations and pollution of public waters.

ers. He also authorized Atty. Gen. Will Wilson to adjust his present appropriations to cover slant-well and anti-trust investigation expenses.

Meanwhile, the Railroad Commission called a temporary halt to oil well testing in East Texas and Hawkins fields, in order to rearrange personnel.

Crime Explosion — Texas prison wards and agencies interested in rehabilitation of "first offenders" are being haunted by the expected population bulge just as are colleges, universities, and for that matter, all future planners.

Post-war bumper baby crops which started in 1947 are expected to hit the cell as well as the campus in full force in 1964.

Three phases of clemency — suspended sentence, judicial probation, and state parole — are being studied as a means of keeping youthful offenders out of the penitentiary.

Objective is to make prison an old settler's home for hardened congenital criminals who cannot be rehabilitated, and who have aged in making their record.

Market Testing Helpful — "People who have never known — and cared less — about brucellosis eradication are now getting their herds cleaned up," Dr. Seymour J. Smith told state animal health commissioners.

Awakened interest is due to the state-federal plan of market testing, under which a county can be modified or certified brucellosis-free without testing every herd.

Another animal health officer, Dr. H. H. Payne of El Campo, told the group that he never had seen anything like the mosquito menace in May, June and July, which caused an estimated loss of 50,000 Texas cattle and ruined many more in Jefferson and Chambers counties alone. "Some cattle are per-

manently warped from the long period of stress," he said.

Payne said cattlemen in the two-county area may be "wide open" for more trouble if fall showers cause the same condition that began when spring showers made mosquito-breeding beds out of brackish pools created by Hurricane Carla.

Screwworm Battle Rages — weekly production of sterile screw-worm flies has hit the 50,000,000 mark and is expected to reach 75,000,000 by September 1, according to Dr. G. D. Stallworth of the Texas Animal Health Commission.

He said the battle against screw-worms, initiated a year ago, is going so well that the Kerrville sterile fly plant is being closed down and all production centered at Mission.

Outcome of the fight for screw-worm eradication this year may depend on winter's weather whims.

"We're at the mercy of winter weather," Dr. Stallworth said. "If a very mild winter occurs, the overwintering line that serves as a boundary for release of sterile flies, will have to be pushed farther north, and more resources and more flies will be needed."

No Death for Taxes — Robert S. Calvert, State Comptroller, warns that merchants must pay the state sales tax on gross receipts despite

a recent court ruling by District Judge Herman Jones.

Calvert expects a lot of merchants to quit paying the tax on sales of under 25 cents after reading about the ruling.

Judge Jones ruled that the state has no right to make the merchants pay while at the same time prohibiting them from collecting.

"There won't be any change until the suit finally is settled by the higher courts," Calvert said.

Two Term Limit? — Another effort may be made to limit the term of office of the governor.

Similar resolution was unsuccessfully sponsored in the 57th Legislature. New proposal would set the governor's term at four years. It provides that he could not succeed himself in office.

Divorce Study Starts — House Interim Committee on Divorce held its first meeting. Committee, headed by Rep. RenalB. Rosson of Snyder, was created by the 57th Legislature to study divorce laws, with special attention to: Rights of children; methods of promoting and protecting family life; and possible ways to encourage reconciliations.

Texas now has the fifth highest divorce rate in the nation. More than 28,000 divorces were granted here in 1961.

Cheer Leaders Back After Week's Training At SMU Leader School

Ozona High School cheer leaders returned to Ozona this week following a week of instruction at the S. M. U. cheer leader school in Dallas.

The school drew yell leaders from all over the United States this summer after receiving national publicity for its outstanding work in Life Magazine last fall.

The Ozona girls who attended the school were Cathy Doran, head cheer leader, Vicki Applewhite, Carmen Childress, Janie Gilliam, and Cheryl Clayton.

The Ozona group received honorable mention for their performance in a contest at the school.

Vickie Applewhite, Carmen Childress, Janie Gilliam, and Cheryl Clayton will all be new cheerleader this fall, while Cathy Doran will be the only member of last year's group returning.

Three of the new cheer leaders had some experiences as Junior High cheer leaders, while Cheryl Clayton switched from twirling in the band to cheer leading this year.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

HOUSE JOINT RESOLUTION NO. 36 proposing an Amendment to Subsection (b) of Section 62 of Article XVI of the Constitution of the State of Texas so as to authorize for elected and appointive officers and employees, who serve in such capacity for twelve (12) or more years in any county or other political subdivision, a Retirement, Disability and Death Compensation Program.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Subsection (b) of Section 62 of Article XVI of the Constitution of the State of Texas is amended to read as follows:

"(b) Each county and any other political subdivision of this State shall have the right and the Legislature may enact appropriate regulatory laws to provide for and administer a Retirement, Disability and Death Compensation Fund for its elected and appointive officers and employees; provided same is authorized by a majority vote of the qualified voters voting in such election of the county or other political subdivision. No person shall qualify for benefits unless he shall have served in such capacity for at least twelve (12) years, except for those persons otherwise qualified prior to the effective date of this Amendment. The amount contributed by the

county to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the county and State."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors in this State at an election to be held on the first Tuesday after the first Monday in November, 1962, of which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing retirement, disability, and death benefits for elected and appointive officers and employees of counties and political subdivisions who have served in such capacity for twelve (12) years or more."

"AGAINST the Constitutional Amendment authorizing retirement, disability, and death benefits for elected and appointive officers and employees of counties and political subdivisions who have served in such capacity for twelve (12) years or more."

Sec. 3. Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character.

Sec. 4. The Governor of Texas shall issue the necessary proclamation for the election and the Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 19 proposing an amendment to Article IX of the Constitution of the State of Texas to add a new Section to be known as Section 1-A which permits the Legislature to delegate certain zoning powers to the governing body of any county bordering on the Gulf of Mexico or the tidewater limits thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding thereto a new Section, immediately following Section 1, to be known as Section 1-A which shall read as follows:

"Section 1-A. The Legislature may authorize the governing body of any county bordering on the Gulf of Mexico or the tidewater limits thereof to regulate and restrict the speed, parking and travel of motor vehicles on beaches available to the public by virtue of public right and the littering of such beaches.

"Nothing in this amendment shall increase the rights of any riparian or littoral landowner with regard to beaches available to the public by virtue of public right or submerged lands.

"The Legislature may enact any laws not inconsistent with this Section which it may deem necessary to permit said counties to implement, enforce and administer the provisions contained herein.

"Should the Legislature enact legislation in anticipation of the adoption of this amendment, such legislation shall not be invalid by reason of its anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the Legislature to delegate limited zoning powers to any county bordering on the Gulf of Mexico or the tidewater limits thereof."

"AGAINST the Constitutional Amendment authorizing the Legislature to delegate limited zoning powers to any county bordering on the Gulf of Mexico or the tidewater limits thereof."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 12 proposing an Amendment to the Constitution so as to provide that state employees may be employed in an advisory capacity or appointed to serve as a consultant or on an advisory committee, or as a member of a Public School Board provided they are not members of the teaching profession, and may receive reimbursement of expenses, with other agencies of this state, or any political subdivision thereof, and of the Federal Government, with the approval of the administrative head of the state department or agency or the governing board of the institution in which such employee is employed and provided there is no conflict of interest.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33 of Article XVI of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 33. The accounting officers of this state shall neither draw nor pay a warrant upon the Treasury in favor of any person, for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust or profit, under this state or the United States, except as prescribed in this Constitution. Provided, that this restriction as to the drawing or paying of warrants upon the Treasury shall not apply to officers of the National Guard of Texas, the National Guard Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the National Guard Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Navy, Marine Corps, Air Force and Coast Guard, and retired warrant officers and retired enlisted men of the United States Army, Navy, Marine Corps,

Air Force and Coast Guard. It is further provided, that state employees may serve in an advisory capacity or be appointed to serve as a consultant or on an advisory committee, or as a member of a Public School Board provided they are not members of the teaching profession, and may receive reimbursement of expenses, with other agencies of this state, or any political subdivision thereof, and of the Federal Government, with the approval of the administrative head of the state department or agency or the governing board of the institution in which such employee is employed and provided there is no conflict of interest."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment permitting state employees to serve as a consultant or on an advisory committee, or as a member of a Public School Board provided they are not members of the teaching profession, with a state agency, or any political subdivision thereof, or the Federal Government if approved by administrative head or governing board of such employee and there is no conflict of interest."

"AGAINST the Constitutional Amendment permitting state employees to serve as a consultant or on an advisory committee, or as a member of a Public School Board provided they are not members of the teaching profession, with a state agency, or any political subdivision thereof, or the Federal Government if approved by administrative head or governing board of such employee and there is no conflict of interest."

Sec. 3. The Governor shall issue the necessary Proclamation for said election and have the same published as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER THIRTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 6 proposing an Amendment to Article VII of the Constitution of Texas by adding a Section to be known as Section 3-b, providing that school taxes theretofore voted in any independent school district, the major portion of which is within Dallas County, shall not be abrogated, canceled or invalidated by a change in boundaries nor shall bonds voted, but unissued, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VII of the Constitution of Texas be amended by adding thereto the following:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district, the major portion of which is located in Dallas County, nor any bonds voted in any such district, but unissued, shall be abrogated, canceled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, without the necessity of an additional election, shall have the power to assess, levy and collect ad valorem taxes on all taxable property within the boundaries of the district as changed, for the purposes of the maintenance of public free schools and the payment of principal of and interest on all bonded indebtedness outstanding against, or attributable, adjusted or allocated to, such district, or any territory therein, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and further in accordance with the laws under which all such bonds, respectively, were voted; and such governing body also shall have the power, without the necessity of an additional election, to sell and deliver any unissued bonds voted in the district prior to any such change in boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as

changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted. In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more whole school districts, the taxes to be levied for the purposes hereinabove authorized may be in the amount or at not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest scholastic census and only the unissued bonds of such district voted prior to such change, may be subsequently sold and delivered and any voted, but unissued, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Article VII of the Constitution of Texas, by adding thereto Section 3-b providing that taxes or bonds previously voted in any independent School District, the major portion of which is in Dallas County, shall not be abrogated, canceled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the Amendment to Article VII of the Constitution of Texas, by adding thereto Section 3-b providing that taxes or bonds previously voted in any independent School District, the major portion of which is in Dallas County, shall not be abrogated, canceled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this state.

Straight Talk

From TOM ANDERSON

PRESIDENT KENNEDY promised to get this country moving again and find jobs for everyone. The country was already moving downhill. Now it's on a socialist toboggan, rushing into a one-world, unionist, welfare dictatorship. (There will never be jobs for everybody — unless we have dictatorship. Then, those who won't or can't work can be shot.)

The promising New Frontiersmen promised a broad "Civil Rights" program as the first order of business in 1961. This broken promise is not funny to the NAACP, which has not yet attained forced equality for Negroes in all fields. But Negroes are nevertheless safely in the Democratic bag and the expedient thing for the Administration to do was to soft-peddle further forced mixing until other New Frontier projects could be traded out with our Southern statesmen for federal aid projects for us. President Kennedy promised that his farm program would cost up to \$2 billion less per year than the Benson program. It cost \$1 billion more. Ain't that funny? President Kennedy promised a balanced budget if possible. Of course, for him, it's not possible. A balanced budget goes with New Frontierism like oil goes with water. So, we turned up \$3.9 billion short for fiscal 1961 and the hilarious prospect is for a \$6 billion deficit in fiscal 1962. Ha, Ha.

Let any humorless people who may be taking this criticism of the New Frontier seriously be reminded that I, although a registered Democrat, dislike both parties equally. Actually, I must

confess I'm glad Socialist Party A out-promised, out-TV'd and out-cheated Socialist Party B in the Presidential election. Much good can come out of this. It may be better to "Go Socialist" at 100 miles an hour instead of at our accustomed 50.

Socialism nibbles away our freedoms. Galloping Socialism is to be preferred over creeping Socialism because at a gallop people are jarred into an awakening. The inevitable way to lose all our freedoms is to let them be nibbled away one at a time. The inevitable way to lose the big all-out battle is to continually give ground and forfeit every skirmish.

What many Americans call "welfare," the British more honestly call "Socialism." The last two administrations differ in ideological concept: The Eisenhower Administration's idea of saving money was to reduce the guard at Ft. Knox. The Kennedy Administration believes in increasing the guard at Ft. Knox. Means more jobs. The Federal Government has spent four times the civilian employees and twelve times the payroll it had 30 years ago. Kennedy has added 100,000 more. For 25 of the last 31 years the Federal Government has spent more than it took in. Since 1940, inflation has taken away more than half of the purchasing power of the dollar. And the administrations, Republican and Democrat, cynically lied to and callously robbed, widows and everybody on a fixed income — while piously calling on them to be patriotic and buy government bonds which will conceivably be paid off in 20-cent dollars.

1962 CAL-PRESS FEATURES, INC.

Area Women Urged To Visit Santone Wool-Mohair Week

Joske's Plans Promotion; Miss Wool And Miss Mohair Attend

Wool and Mohair Week will be observed at Joske's in San Antonio next week with a city-wide publicity campaign featuring Miss Wool and Miss Mohair and a store-wide emphasis on wool and mohair products.

Window displays, fashion shows, and luncheons will feature the week's observance at Joske's, but Miss Wool, Miss Carolyn Barre and the newly elected Texas candidate for Miss Wool this year, Katherine Ann Spence of Austin, along with Miss Mohair, Miss Nancy Friend of Ozona, will make TV appearances and model clothes at a luncheon given at Joske's Tuesday Aug. 21 to which the public is invited.

The week's program will include a luncheon and reception for the two Miss Wools and Miss Mohair Monday. Tuesday will find a fashion show and luncheon to which the public is invited. Wednesday will be "Make it yourself with Wool" day, and the balance of the week will feature window and store displays of wool and mohair products.

Mrs. W. E. Friend, Jr., of Ozona Miss Mohair's sponsor and Crockett County chairman of the Woman's Auxiliary of the TS&GRA, said Tuesday that the San Antonio backers of the wool program had not received the support from area wool producers that was needed in the last few years, and urged Crockett County residents to make an effort to visit San Antonio sometime next week and attend some of the activities.

Principals Of Ozona Schools Set To Launch New School Year Sept 4

With the beginning of school only two weeks away, Principals of north and south elementary, junior high, and high school, return to work Monday morning to get things ready for the start of school.

Classroom and duty schedules must be completed and supplies ordered last spring must all be checked and distributed to the proper buildings and teachers. In addition thousands of new books and replacements must be checked and distributed before teachers or pupils arrive on Sept. 1 and Sept. 4 respectively.

Monday morning the four principals and Supt. L. B. T. Sikes will travel to Pecos to attend the annual area meeting of the Southern Association of secondary and elementary schools during which standards will be discussed and officers for the coming year elected.

Also starting work this week will be the football coaches and the band director and about 130 high school students.

High School principal J. A. Pelto has sent word that he will be back in Ozona Sunday the 19th, from his summer home in Virginia, Minnesota. The other principals, Frank Janes, Roy Killingsworth, and Erie Boyd have been in Ozona at least part of the summer.

The first faculty meeting is scheduled for Saturday Sept. 1 but as yet no announcement has been made of the completion of the faculty for the up coming year.

Mrs. Rob Miller will undergo surgery in San Angelo Monday morning to correct the effects of a broken hip Mrs. Miller suffered in a fall several months ago.

Bill Jacoby Attends A&M Adjunct Summer Session At Junction

College Station, Texas — Students from throughout Texas are among the some 117 young men registered for the second six-weeks term of the Texas A&M College Adjunct, which is located at Junction. The campus at Junction, which is 250 miles west of College Station, is possibly the world's most unique.

College training is combined in a remarkable way with camp life at the Adjunct, which is on the banks of the South Llano River.

The Adjunct program is for entering freshmen, and there always is a waiting list for each session.

A well rounded program for each student includes classwork, study and recreation. The student takes seven hours of regular college work, usually college English, college math, and physical education.

W. D. Kutach of the A&M College Counseling and Testing Center is the Adjunct director, and the

faculty and staff are regular members of the Texas A&M College System.

Among the students registered for the second term, which ends Aug. 24, from Ozona is Bill Jacoby son of Mr. and Mrs. P. W. Jacoby.

Mr. and Mrs. C. O. Walker and daughters have returned from a vacation trip to Oklahoma where they visited relatives and friends.

Ozona Ropers Top Eagle Pass Steer Roping Contests

Jody Jones, Pancho McMullan Best 4-Steer Time

Jody Jones and Pancho McMullan of Ozona Saturday had the best time — an 82-second total — in four-steer team roping held at the Jack Turney arena near Eagle Pass.

Running a close second, only 1.5 seconds behind, was the team composed of Larry Howard of McCamey and George Teague of Crane. Third with a time of 92.3 seconds were W. T. Kirk of Carrizo Springs and Houston Evans of San Antonio and fourth was the team of Jack Riggs of Sanderson and Bud Fort of Aretisia, N. M., with a time of 93.2 seconds.

In two matched ropings, Vernon West of Del Rio, and Bing Crosby of Christoval defeated Tooter Shanklin and Roger Rudisall, both of Rocksprings. George Teague and Jody Jones won over Horace Linthicum of Eldorado and Crosby.

Go-round results included:

First Go-round — 1. R. F. Fort and Bud Fort of Artesia, 15 seconds; 2. Vernon West and George Teague, 16; 3. Jody Jones and Pancho McMullan, 16.4; 4. Paul and P. C. Perner of Ozona, 18.4 seconds.

Second Go-round — 1. R. F. Fort and Jack Riggs, 15.4; W. T. Kirk and Houston Evans, 17; 3. Bing Crosby and Horace Linthicum; 4. Tom Powers of Ozona and Buzz Dolan of Eagle Pass, 17.8.

Third Go-round — 1. Jack Riggs and Bud Fort, 13.3; 2. Tom Powers and Walton Poage of Rankin, 13; 3. Jody Jones and Bob Johnson of Eldorado, 14.3; 4. (split) Merle Kelton and Walton Poage, both of Rankin, and Larry Howard and George Teague, 15.

Fourth Go-round — 1. R. F. Fort and Bud Fort, 14.5; 2. Jody Jones and Pancho McMullan, 15.2; 3. Crosby and Linthicum, 16.8; 4. Shanklin and Rudisall, 20.4.

Lions Club Moves Meeting Place To El Sombrero Cafe

Members of the Ozona Lions Club were notified this week that its meeting place had been changed from the House of Flowers to the El Sombrero Cafe until further notice.

The Ozona Rotary Club announced it would change from the House of Flowers to El Sombrero last week and held its first meeting in the new location Tuesday at noon.

The move by both clubs became necessary when Mrs. Bill Adams, owner and operator of the House of Flowers, had to close because of reasons of health and will undergo surgery late this week for further repair of a broken hip suffered about two years ago.

FOR SALE — My home in Ozona Mrs. Alma Laxson Lilly, 1013 N. Main, Midland. Phone MU 4-7717.

Air Conditioning experts agree...
WATER cooling is BEST!

Youngsters learn mighty early about the cooling effect of water when the weather's hot. And air conditioning engineers know that water cooling is far more efficient than air cooling. The reason is simple... 85° water can absorb more heat from your home than 100° air.

That's why ARKLA-SERVEL Sun Valley's GAS air conditioners are WATER cooled! Water cooling, plus Sun Valley's "no moving parts" principle, gives you two big advantages unavailable with other air conditioners. One, a Sun Valley gives you CONSTANT EFFICIENCY, while air cooled units lose as much as 15% efficiency. Two, Sun Valley operating COSTS REMAIN CONSTANT, while air cooled equipment operating costs rise as much as 23%.

KING-SIZED FILTER

double Sun Valley's double filtering capacity STOPS ALL HOUSEHOLD ODORS! It even tames cigar and fish odors, giving your home Spring-like freshness all year long.

NO MOVING PARTS

... in the heating or cooling cycles of the Sun Valley... nothing to wear out or break down! Sun Valley is year-around comfort for the mortgage life of your home!

CONSTANT EFFICIENCY

Sun Valley has no comfort-robbing friction to run up your operating costs. It doesn't cost a penny more to operate the Sun Valley for an hour when it's 115° than it does when the temperature is 90°.

SUN VALLEY ALL-YEAR AIR CONDITIONER

CROCKETT COUNTY HOSPITAL MEMORIAL FUND

List of donors to the Crockett County Hospital Memorial Fund since August 7th:

Mr. and Mrs. Evert White in memory of Mr. Hilton North.

Mr. and Mrs. Jess J. Marley in memory of Mrs. S. M. Jones, and in memory of Mrs. J. R. Kersey, and in memory of Mr. Hilton North.

Mrs. Pat F. Wood in memory of Mr. Floyd McMullen, and in memory of Mr. Frank Friend, and in memory of Mr. Hilton North.

New drapes for the hospital lobby and new metal lawn benches have just been purchased and installed with funds from the Hospital Memorial Fund.

Records for the hospital Musical Therapy System, special teaching aids and books for the hospital School of Nursing have been purchased with funds from the Memorial Fund.

The Hospital Memorial Fund money is used to good advantage for needs in the hospital similar to those mentioned above.

Daughter of Former Ozona Band Director Dead In Brownwood

Funeral services were to have been held at 10:30 this morning from the Central Methodist Church in Brownwood for Miss Sylvia Gray, 16, daughter of Mr. and Mrs. Eyrone Gray of Brownwood, formerly of Ozona. Mr. Gray was Ozona High School band director for two years from 1954 through 1956.

Miss Gray died at 8 a. m. Tuesday in a Brownwood hospital after a one-year illness.

She was born Aug. 10, 1946, in San Antonio and had lived in Brownwood three years, coming from Cisco.

Her father is band director of the Brownwood High School. She was a member of the Central Methodist Church and Order of Rainbow for Girls. She would have been a junior at Brownwood High this fall.

Survivors include the parents; paternal grandparents, Mr. and Mrs. Earl Gray of Stillwater, Okla., and maternal grandparents, Mr. and Mrs. L. E. Dorsey of Hillsboro.

Miss Charlotte Adams, Former Ozonan, to Wed Waco Man In Late Aug.

Mr. and Mrs. Tommy Adams of Waco announce the engagement of their daughter, Charlotte, to Joe Dagley, son of Mrs. Jean Dagley of Waco and Boyd Dagley of El Paso.

The future bride and her parents, formerly of Ozona, now live at 3700 Greenwood Drive in Waco. Mr. Dagley and his bride plan a late August wedding and will live in Waco where he is employed with Barnes Lumber Company.

NICE GROWTHY Angora Billies. Armer Reed breeding. Fine hair, well covered. Contact Jerry Hayes at Ozona Oil Co. ttc.

NOTICE OF REWARD

I am offering
\$500 Reward
for apprehension and conviction of guilty parties to every theft of livestock in Crockett County — except that no officer of Crockett County may claim the reward.

Sheriff, Crockett County

Junior Sprouts Garden Club Members Prepare For Opening Club Year

Members of the Junior Sprouts Garden Club met last Thursday morning in the home of their sponsor, Mrs. Bailey Post. Mrs. Perry Hubbard, co-sponsor, was present to help plan the program and projects for the new club year.

Last year the Juniors had a fine Junior Division in the Ozona Garden Club flower show. Members had entries in horticulture and artistic sections. One of the projects of last year was the planting of white periwinkles, which are now blooming, in the center flower bed of the city park.

Following are new officers and committee of the Sprouts:

Connie Williams, president; Beverly Loudamy, first vice president; Bonnie Carson, second vice-president; Marjorie Carnes, secretary; Connie Hubbard, treasurer and Teresa Trulove, publicity and historian.

Committee assignments include: Program, Bonnie Carson, Peggy Hagelstein and Bonnie Glynn; Flower Show, Beverly Loudamy and Connie Williams; Litterbug, Ginger Womack and Teresa Trulove; Telephone, Sharon Janes and Deborah Mills; Projects, Connie Hubbard and Janet Lea Morris.

Bonnett-Gideon Wedding Plans Told

Mr. and Mrs. Felix L. Bonnett of Liberty Hill announce the engagement of their daughter, Oleta, to Kenneth W. Gideon, son of Mr. and Mrs. George W. Gideon of Ozona. Mr. Gideon, a graduate of San Angelo College, is a senior at Sul Ross State College. The couple will marry August 25 in the Liberty Hill Church of Christ. They will live in Alpine while he completes his college work.

SON TO CARROLLS

Mr. and Mrs. Jimmy Carroll of Alpine are the parents of a son, named Timothy Arthur, born Sunday, August 12, in Alpine. The baby weighed 8 pounds at birth. He is a grandson of Mr. and Mrs. J. T. Carroll of Ozona and Mr. and Mrs. Arthur J. Bent of Pittsburg.

Pa. Mr. Carroll is doing graduate school and director at Morencia, work this summer at Sul Ross and Ariz., next month. will assume his duties as high

America's Largest Independent Telephone System

Lady at work

A ticket sorter, as pictured, processes the necessary records when you make a long distance telephone call.

More than a million and a half tickets are sorted every month so that each is recorded and charged to the correct telephone number. The process involves more than 30 separate steps, and requires special aptitudes and training.

Ticket sorters are among the many behind-the-scenes people who work for you here at General Telephone. They are trained workers, dedicated to the mission of providing you with continuing good telephone service, around the clock, day after day.

A Creek In My Back
(Continued from page one)

gazzettes,
Some threepence in the whole.
Mine is on unremunerative vice,
or hobby, and I shall be far more
than threepence in the hole if I
keep it up. But I have just found
an exciting thing. The word "girl"
— I have always liked and en-
couraged girls as a race — was a
diminutive of the root "gir", which
meant a child of either sex. (Too
bad.) Old English used the term
"k n a v e girl", meaning a boy.
"Wench" was much the same. In
The Armulum, the diminutive of
this, "wenchel", was applied to the
Babe in the Manger.

See how things change? See
what we have lost? Our modern
use of wenchel has unfortunately
been prefixed by walter, to no-
body's gain.

Football

(Continued from Page One)

ed by the men who could best
serve the team and indicated sev-
eral boys will find themselves
playing different positions from the
ones they held down last year as
well as playing different positions
on offense and defense, the coach
said.

Big Lake will be a big favorite
in the newly established district
8-A which will have three new
members, three old members and
minus two of last year's members,
Sonora which went 2-A, and Junc-
tion which moved into a district
east of here.

On the more encouraging side
seem to be outclassed by any other
of the picture the Lions do not
member of the circuit so an inter-
esting race could very well develop.

Amistad Dam

(Continued from Page One)

be impounded, Mr. Hamilton point-
ed out that both Lake Walk and
Devil's Lake on Devil's river will
be completely inundated, the water
at Lake Walk to be approxi-
mately 145 feet deep and at De-
vil's Lake more than 100 feet
deep.

Falcon dam was dedicated in
1953 by the presidents of Mexico
and the United States and by im-
pounding waters of the huge 1954
flood saved millions of dollars in
damage to the lower Rio Grande
valley of Texas and many towns
and villages below the dam in
Mexico.

"If Amistad dam had been in
place in the 1954 flood, the dam-
age it would have saved on the US
side alone would have more than
paid for the entire cost of the pro-
ject," the engineer said. The dam
will in the future save flood dam-
age on the Rio Grande from Del
Rio to the gulf, he declared.

Allocation of water use from the
huge reservoir will be prorated
between Mexico and United States
users on the basis of percentage of
inflow from streams on the Ameri-
can and Mexican sides of the in-
ternational boundary stream. The
upshot of a treaty covering water
rights from the reservoirs will give
U. S. users title to approximately
66 percent of the Amistad waters
and 34 percent to Mexican users.
These percentages vary along the
distance of the boundary stream
as percentages of inflow from
streams varies, the visitor declared.

Mr. Hamilton was introduced by
T. J. Bailey, program chairman.
Herman Knox, Rotary president,
presided.

MOTEL MANAGEMENT

Motel Industry needs 90,000 em-
ployees. Earn \$6,000 to \$20,000 per
year. If you qualify, you will be

caster, Fort Worth 12, Texas. 2tp

Davy Crockett

(Continued from Page One)

or more of the pictures of the sta-
tue appear.

It is not a matter of speculation
to say that the figure of the Hero
of the Alamo draws many dollars
of trade into Ozona business hous-
es each day, particularly during
the summer.

Once stopped, motorists often
decide they need a coke, or some-
thing to eat, or something in the
variety store and thus many dol-
lars that would have otherwise
raced on by without notice are
gained by Mr. Crockett's reputa-
tion.

Many of the viewers with only a
smattering of knowledge about the
noted frontiersman are uncertain
about where Crockett met his fate,
or if he had lived here before the
Alamo. Others knowing something
of his background are prone to ask
why the statue is here.

The statue was erected as a part
of the Texas Centennial observ-
ance in 1936 when historical spots
over the state were marked and
statues of Texas heroes erected at
various points in the state.

Crockett's statue was erected
here, of course, because Crockett
county is named in his honor. The
statue, carved from Llano marble,
depicts the famous bear hunter and
Alamo hero resting on his long
double barreled rifle "Betsy" but
minus his coonskin cap.

Charlie Meybin, son of Mr. and
Mrs. Bob Meybin of Sewickley,
Pa., is here for a visit with his
uncle and aunt, Mr. and Mrs.
Frank McMullan, Sr. Mrs. Meybin
is the former Dixie Davidson of
Ozona, Mrs. McMullan's sister. The
Meybin's other son, Johnny will
accompany Mr. and Mrs. Chas.
E. Davidson, Jr., home for a visit
a little later. Mr. and Mrs. Mey-
bin and Johnny and Mr. and Mrs.
Davidson are in Winfield, Iowa,
where they are visiting Mr. David-
son's and Mrs. Meybin's brother-
in-law and sister, Mr. and Mrs. W.
J. Grimmer.

Joe Warren Friend has been
attending the summer session of
the University of Mexico in Mex-
ico City this summer studying
Spanish.

J. A. Peltó is due to arrive in
Ozona Sunday but Mrs. Peltó and
the children will remain in Tyler
to visit with her family until La-
bor Day before coming to Ozona
for the beginning of school. The
Peltós have spent the summer in
Virginia, Minn.

**MRS. NIP BLACKSTONE
HOSTESS AT BRIDGE**

The weekly meeting of the La-
dies Golf-Bridge Association of the
country club met last Thursday. In
golf play, Mrs. Jess Marley won
low net for the club trophy and
also won the ball in the day's play.
High score in bridge went to Mrs.
J. L. Dockery of Santa Anna, sec-

ond high to Mrs. Evert White and
club to Mrs. Joe Clayton. Others
attending were Mes. Armond
Hoover, Jr., Beecher Montgomery,
J. B. Parker, J. S. Pierce, III, Bill
Bradbury, Early Baggett, Sherman
Taylor, Mike Clayton, Arthur Kyle,
Byron Williams, J. M. Baggett,
Lloyd Sherrill, Coralie Meinecke,
V. I. Pierce, T. J. Bailey and Joe
Pierce, Jr.

Mrs. Nelson Boothe and daugh-
ter, Bonnie, were here from New
Orleans over the week-end to visit
Mrs. Boothe's mother, Mrs. B. B.
ingham, Sr., and other members of
her family. Tommy Boothe, who
has been visiting the past two
weeks with Mrs. Bill Conklin and
Carl, accompanied his mother and
sister back to their home in New
Orleans.

Here, Lady, is your
MEDALLION home
with **Comfort**
Flameless Electric
Heating

It's easy to keep because
flameless heat is clean!

Your home will stay cleaner when you heat
with flameless electric comfort heating.
Walls need less scrubbing, furniture and
upholstery need less cleaning, and silver
needs less polishing when you heat the
flameless electric way. West Texas Utilities'
brand new electric home heating rate is very
low. During the winter months you can heat
your home on a new 1¢ per kilowatt-hour
rate. A Medallion home has many other elec-
tric servants for comfort and cleanliness —
flameless electric cooking, refrigeration,
laundry equipment, and dozens of electrical
work-saving appliances.

**Something you should think about
if you're about to buy a truck:**

If all trucks were built the same way,
cost the same to keep up, were worth the
same at trade-in . . . then probably the
price tag would be your only concern.
It can't be, of course, because some trucks
have more quality than others. And marks
of quality are the real keys to low cost.
Chevrolet trucks, for example, have
double-wall construction, which gives
bodies and cabs more strength. Cabs are
insulated against heat, cold and noise. A
big part of road shock, which shortens
truck life, is damped out by Chevrolet's
suspension system; it also makes riding
in the truck a pleasure. Pickup bodies
and cabs are separated to eliminate stress
between them.

Value such as this has induced more
people to invest in Chevrolet trucks every
year since 1937.

This can be a good time to buy
a modern new Chevrolet truck

Late summer traditionally is the season
for all-around savings on a new Chev-
rolet truck . . . selection is still good . . .
deliveries are prompt . . . and Chevrolet
dealers are doubly anxious to put you
into a new vehicle in order to make way
for next year's models. Coupled with the
efficient performance a new Chevrolet
truck will give you, it seems evident that
you couldn't buy at a better time.
Come in and take full advantage of it!

CHEVROLET CHEVROLET TRUCKS
Quality trucks always cost less!
