Services Here Wednesday For Mrs. Pat Lee

Funeral services were held at 3 o'clock Wednesday afternoon from the Church of Christ in Ozona for Mrs. Pat Lee, 77, Pioneer Crockett county ranch woman, who died at 2:15 p. m. Monday in Morris Nursing Home in Roscoe, operated by a nephew. Mrs. Lee suffered a stroke here several weeks ago and was hospitalized here for a time. Another stroke Monday morning resulted in death.

Services were conducted by Darrell Brawley, Church of Christ minister, assisted by the Rev. Max Brown, pastor of the First Baptist Church. Burial was in Cedar Hill Cemetery under the direction of James Funeral Home of Ozona.

Mrs. Lee, "Mother Lee" to her many Ozona friends, old and young, was born Nov. 13, 1887, at Gonzales, Texas, the daughter of the late Mr. and Mrs. Dock Simmons, the family later moving to Sonora where she was reared. After graduating from high school in Sonora, she attend a girls' school in Dallas a year before her marriage March 29, 1907, in Sonora to Pat H. Lee.

Mr. and Mrs. Lee moved to Crockett county soon after their marriage. Mr. Lee having already established ranching interests in the county. Along with her duties as a ranch wife and mother, Mrs. Lee acquired a sizeable herd of pet deer on the ranch which became one of her hobbies. In late years she had made her home on the ranch of her son-in-law and daughter, Mr. and Mrs. J. B. Parker, a few miles north of Ozona. She loved ranch life but she also loved her friends and, to their mutual delight, her visits among Ozona friends were more frequent after she had moved nearer town. She had been a member of the Church of Christ for more than 40 years.

Mr. Lee died in Ozona March 16, 1938. A son, Abe Matt Lee, was killed in an airplane accident in Ozona July 3, 1933. He was 20 years old at the time of his death.

Surviving are one daughter, Mrs. J. B. Parker of Ozona; one son, Dock Lee of Hugo, Colo.; four grandchildren, Mrs. Mick Beville of Boulder, Colo., Tommy Lee, Pat Lee and Peggy Lee, all of Hugo, Colo.; one brother, Arthur Simmons of Sonora, and a number of nieces and nephews.

Mrs. Lee was one of the founders and frequent contributor to the Dr. H. B. Tandy memorial fund here and the family requests that memorials be sent to that fund.

Area Represented At Ft. Worth Meet

General Telephone Company of San Angelo selected ten persons of the area to fly to Ft. Worth Thursday morning for an all day meeting on industrial possibilities for Texas.

Winthrop Rockfellow, with the Arkansas Fuel & Light Company, who has done so much for Arkansas by successfully bringing industry into the State, will be the principal speaker. Another successful industry leader, a Mr. Miller from Georgia, will speak also. There will be a number of conferences with different interests to be discussed.

Troy Williams is in the group to represent Ozona.

Museum To Be Open Afternoons Balance of Feb.

Ozona's museum, on the ground floor of the courthouse annex, is going to be open to the public each afternoon the balance of February and after that during mornings and afternoons.

This was the announcement made yesterday by Mrs. W. E. Friend, Jr., president of the Crockett County Historical Society.

Mrs. S. A. Coose has agreed to take the job as attendant and will open the museum each afternoon from 1:30 to 4:30 week days. The museum has been closed since August because no attendant was available. It is hoped now that the museum can be kept open each week day during the warmer months beginning in March, Mrs. Friend said.

The museum proved a great attraction for tourists through Ozona while it was open and many inquiries have been received by the Chamber of Commerce about the museum and the possibility of visiting it.

Bank Promoters Gather Data For State's Hearing

Groundwork was being laid by two groups of Ozona citizens who are seeking a charter for a new state bank in Ozona following completion of the filing of preliminary applications for charters with the State Banking Department during the past week.

This groundwork includes the solicitation for stock subscriptions, the preparation of statistical and other information which will be useful in making a case before the banking commission and the preparation of the necessary papers incident to such an undertaking.

One of the proposed banks is to be the Crockett State Bank of Ozona, Texas, and the other is proposed as the First State Bank of Ozona, Texas.

Charter application was filed first on behalf of the Crockett State Bnk. The application listed James Childress as chairman of the board and L. D. Kirby as cashier. Other proposed directors were Troy Williams, J. B. Miller, Kirby Moore, Charles Black, Jr., William I. Marshall, Jr., and John Mark McLaughlin. Marshall and McLaughlin are San Angelo attorneys.

Filed last Friday was the application for charter for the First State Bank of Ozona. Its proposed board chairman is Jeff Owens. Other directors on the board are George Bunker, Dick Henderson, Jack Baggett, John Childress, Charlie Davidson, III, Joe Bean and Byron Williams.

The Crockett State would be capitalized at \$500,000, divided \$200,000 capital, \$200,000 certified surplus and \$100,000 reserves. The First State would be capitalized at \$400,000, with \$150,000 capital, \$150,000 surplus and \$100,000 reserves.

Because of illness, Frank Graves, Dallas investment counsellor, who was scheduled to address a joint meeting of the Ozona Lions Club and the Rotary Club today, had to cancel his visit.

FOR RENT — One-bedroom house. Furnished. See Mrs. Allie Armentrout or call 2-2438 or 2-2326. 1tc

Basketballers Swell Ranks Of Track Squad; Workouts Speed Up As Season Opening Approaches

By Ernie Boyd
Track Coaches Chick Womack and Sonny Cleere welcomed a number of basketball squadmen to track workouts Monday, swelling the number out for track to 41 with the season's first meet in Ft. Stockton just two weeks away.

Included in the group are 13 lettermen from last year's squad plus a number of promising soph and at least one good looking transfer.

Even though the bulk of the squad has just begun workouts, track has been under way for over a month with members working who were not engaged in other sports.

Gary Pagan, a transfer from Garden City, promises

BY CAR TROUBLE

Seattle Couple Enjoy Enforced Visit In Ozona

Mr. and Mrs. John A. Hanson left Ozona for their home in Seattle, Wash., yesterday morning after more than a week's stay here while their automobile was being repaired.

Mr. and Mrs. Hanson, who were traveling with a house trailer, had been vacationing in Florida and were on their way home. When they got a few miles west of Ozona their car, a late model, decided to quit. It required a new crankshaft and Stuart Motor Co. here ordered the crankshaft and other parts.

While the parts were on their way, Mr. and Mrs. Hanson enjoyed an enforced visit in Ozona, their trailer parked near the garage and using the garage's electric outlet for power for their trailer house.

While strolling through Ozona's residential area a few days ago, Mr. Hanson stumbled and fell, breaking his glasses. It didn't prolong their stay here but it did elicit an exclamation from the Seattle man — "Everything's happening to me in Ozona."

Car fixed, glasses fixed, the couple took off yesterday morning for home. Why they wanted to go back that far north this time of year they failed to explain — maybe just homesick. But they were gracious enough to say they enjoyed their "Ozona vacation."

Ozona Girls Bow Out Of Contention In Cage Contest

The Ozona High School girls lost a 43 to 29 decision to the tall Iraan girls in Iraan last Thursday to end their 1964-65 season.

The game was really a close one until Cathy Miller was forced to leave the game late in the second quarter and then again for good in the latter part of the third quarter with too many fouls.

Lynn Cox led the Ozona attack with 21 points and as long as Cathy Miller was in the game to contest for the rebounds on the defensive boards, the Ozona attack was able to keep the girls in contention, but without Miller the game developed into a runaway.

The win for Iraan sent the West zone into a tie between Iraan and Sanderson slated to be played off in Iraan tonight, with the winner meeting Eldorado next week for the district title.

to give the 1965 track a big lift as he has shown great promise with the shot and discus as well as showing possibilities as a hurdler.

Joining Pagan in the weights will be Bob Amthor, who showed great improvement last year, Rick Hagelstein and later Joel Huff, the latter depending on how his leg responds.

The Lions will be returning the largest number of able 440 men in the school's recent track history with Joel Huff, Humberto Ramos, Huff, Humberto Ramos, David Childress, Darold Maney, and Richard Vargas all returning with experience, and this group is to be joined by a number of promising newcomers who could give the Lions a powerful mile relay team.

Mike Walters, who became eligible for track only a week before last year's district meet, but who added seven critical points to the Lions' total in that meet, will become eligible in a week or two and his presence should be felt. Walters was the school's (Continued on Last Page)

Thrills Aplenty In Pinewood Derby

There were no spills but plenty of thrills last week when boys of Den 5, Troop 153 Cub Scouts staged a "Pinewood Derby" at the Scout house.

It was a father-son project, with dads and lads carving out miniature cars from pinewood and matching them in a race down a 30-foot inclined raceway.

First place winner was Mark Williams; second was Ricky Webster; third, Rodney Walker; fourth, David Weant; fifth, Stevie Wilkins; sixth, Craig Wisheart; seventh, Craig Barber and eighth, a tie between Jack Baggett and Bobby Holt.

Refreshments of cookies and punch were served after the excitement had died down from the thrilling races.

Plan Re-Entry Of Crockett Failure

Allied International Petroleum Inc., Baton Rouge, La. will attempt to open straw production in the Noelke multipay field of Crockett County with the re-entry and deepening to 4,800 feet at a 2,930-foot failure, five miles southeast of Iraan. It is the No. 3 Bouscaren.

Originally drilled by General American Oil Co., it was abandoned Sept. 10, 1954. Frank W. Burger, Abilene, in Nov. 1962, filed application to re-enter and plug back to 3,894 feet for test, however, operations were never begun.

Location is 2,160 feet from the north and 660 feet from the west lines of 29-GG-HE&WT. Elevation is 2,834 feet.

Ozona Industrial Survey Reviewed

Representatives from the General Telephone Company in San Angelo, Jean Guthrie and Jim Corvell, conducted a meeting at the Chamber of Commerce in conjunction with the Community Industrial Survey. Troy Williams, John Held, Pete Jacoby and Roy Thompson were present to assist in acquiring accurate statistics to be compiled in the Community Industrial Survey brochure.

Ozona Girl, Critically Injured In Highway Accident, Clings To Life

Robin Jones as Queen of the 1963 Ozona Junior Rodeo

Slow Falling Rain Brings .86 Total For Week

Occasionally interrupted by a sputtering of snow, slow falling rains the past three days continued this morning their ground soaking fall and the week's total had reached .86 of an inch this morning, bringing the month's total to date to 2.22 inches of moisture and the year's total to 2.51 inches.

The rain rode in Monday on a freezing norther but the temperature never remained low enough in this area to freeze the slow rainfall. Areas farther north were plagued for a time with freezing rain, sleet and snow. Snow blanketed areas to the north and west of Ozona but the fall was never heavy enough here to coat the ground.

Survey Interest Here In Employing Gov'mt. Trapper

Crockett county ranchers who are interested in the employment of a government trapper to help reduce the population of predatory animals are invited to leave their names at the Ranch Feed & Supply Co. office and if enough are interested a meeting will be called and details of the plan explained.

This was the word left here yesterday morning by Jim Skinner of Sonora, who is a government trapper for that area.

The government pays a big part of the trapper's salary, a ranchmen's club or group dividing the additional cost to secure the services of an experienced trapper, Mr. Skinner said. The more ranchman sign up the less the cost per individual will be.

Hinton E. Bridgewater of San Angelo, assistant district agent, Predatory Animals Control, will meet with the local group when enough signify an interest, Mr. Skinner said.

Ranchers of the county are urged to leave their names at the food company store as soon as possible so that the agency will be able to judge local interest and decide whether or not to call a meeting.

Mrs. Lindsey Hicks suffered a broken foot when she slipped and fell while she and Mr. Hicks were visiting in San Antonio this week and attending the rodeo.

Robin Jones, 19-year-old daughter of Mr. and Mrs. Dempster Jones of Ozona, is clinging to life in a San Antonio hospital while a team of physicians attending her have all but abandoned hope for her recovery from head injuries suffered in a highway accident near Seguin, Texas, Saturday night.

Miss Jones, a sophomore at Southwest Texas State College at San Marcos, was returning to San Marcos after attending the stock show in San Antonio when the car plunged over a 30-foot precipice in a section of highway which was under construction. She had missed the detour and had driven between barricades in the high dump under construction, driving the car into the opening left where a bridge is to be constructed.

Owls, Broncos In Playoff Here Fri. For Dist. Title

The Big Lake Owls, both winners of zone playoffs Tuesday night, will meet in Ozona Friday night at 7:30 p. m. for the district 8-A title.

Sonora ousted the Eldorado Eagles here Tuesday night while Big Lake outlasted Iraan in Iraan to take the west zone playoff.

A large crowd was on hand Tuesday for the Eldorado-Sonora playoff in Ozona though not very many Ozona fans showed up, and an even larger crowd is expected Friday with prevailing district prices of 50c and 25c in effect.

The winner of Friday night's battle will advance to bi-district play facing either Van Horn or Canutillo who are now tied for the district 7-A title.

Big Lake edged Sonora in Big Lake during the Big Lake tourney earlier this year but both teams have considerable talent and a toss-up battle is expected.

One of the largest crowds to see a basketball game in Ozona this year was on hand Tuesday night to see the Sonora Broncos down the Eldorado Eagles 57 to 44 for the East Zone title.

The Broncos, with Max Delrie and Mike Wuest leading the way, jumped into a first quarter lead and were never headed even though the Eagles, led by (Continued on Last Page)

Lions Close Out Cage Season With Loss At Iraan

The Ozona Lions closed their 1964-65 basketball season on a losing note in Iraan last Thursday night when they dropped an exciting 60 to 52 decision to the Braves.

The Lions, who had trouble finding the bucket in the first half, found the range in the third and fourth periods and pulled up to within two points of the Braves with just over two minutes to go. But an Iraan stall and some wild passing allowed the Braves to move back into a comfortable lead before the final buzzer.

David Childress sparked the Ozona last half rally and finished the day as the game's top point man with 16, all but two of which came in the final two periods. George Kyle and Win Saunders, along with Billy Carson, hit well for the Lions in the second half.

The loss left the Lions in fourth place with a record of 2 wins and 6 losses in the West Zone chase.

Iraan and Big Lake finished the West Zone schedule in a tie for first place with records of 7 wins and 1 loss each while the East zone also ended in a tie with Sonora and Eldorado each claiming identical marks.

Three girl companions, all students at Southwest Texas State, suffered lesser injuries and all are recovering in a San Marcos hospital where they were taken following the accident.

An ambulance from Seguin was summoned to the accident scene and an ambulance attendant administered mouth-to-mouth resuscitation to Miss Jones and restored her breathing by the time the ambulance had reached Baptist Memorial Hospital in San Antonio.

No visible injuries, save a minor appearing cut in the scalp and a mark on her throat, were suffered by the injured girl and no bones were broken. She is believed to have been thrown through the windshield.

Miss Jones was graduated from Ozona High School in the spring of 1963. She was captain of the 1963 basketball team, was on the Lions Roar staff and a member of the annual staff and art editor of the annual. She was queen of the 1963 Ozona Lions Club Junior Rodeo.

4-H Method Demonstration Here Saturday

A 4-H Method Demonstration Program will be held at the high school auditorium this Saturday, February 20, at 1:00 p. m., when several 4-H method demonstration teams from Pecos and Andrews counties will put on a program for the benefit of local 4-H adult leaders and 4-H members in this county.

Some of the method demonstrations scheduled for the program are Clothing Educational Activity, Civil Defense, Soil and Water Conservation and a Nutrition Demonstration.

Mrs. Bill Pinnell, 4-H adult leader in Andrews county, will give a general talk on 4-H club work. Mrs. Pinnell is an excellent speaker and as one of the outstanding 4-H adult leaders in the state, was selected to attend the National 4-H Adult Leader Forum in Washington, D. C., last year.

All 4-H members, parents and leaders are encouraged to attend this program at the high school Saturday afternoon. The public is also invited to see 4-H in action and to see more of another phase of 4-H club work that is carried on in the over-all of 4-H club program.

Three Hurt When Car Smashes Into Culvert On US 290

Three New Yorkers, on their way to Houston from El Paso, escaped with comparatively minor injuries early Tuesday morning when their car, a station wagon, skidded on the pavement and crashed into a culvert 10 miles west of Ozona on U. S. 290.

Miss Jacquelyn Clark, 24, and Helen White, 17, are receiving treatment in the Crockett County Hospital for injuries received in the crash which almost completely demolished the station wagon. Leland Nelson, 45, also of New York and fiancée of Miss Clark, suffered only a slight cut on the nose.

Miss Clark was driving the car and is thought to have dropped off to sleep, losing control of the car when it wandered off the pavement.

Billboards Tell Theme FFA Week

Next week, Feb. 22-27, is National FFA Week, and although no special observance is planned by the Ozona High School FFA Chapter, a big roadside sign at the north edge of Ozona proclaims the week and its theme.

The sign, erected by Outdoor Advertising at cost, depicts a rural scene with the theme, "Agriculture — our American Heritage. A Rich Heritage, a Promising Future."

Cost of the sign's erection, to remain up during FFA Week, was borne by the local chapter, M. A. Barber, vocational ag teacher and FFA sponsor, said. Similar billboards are being erected all over the nation to call attention to FFA week and the part of agriculture in the American way of life.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman From The Stockman, Feb. 20, 1936

J. W. Owens, veteran County Commissioner from Precinct 3, this week announced he would be a candidate for re-election. Mr. Owens has served the county as Commissioner since 1915.

—30 years ago— Activities in the Ozona school system have been curtailed and daily routine restricted to classroom work as the system continues in the grip of an epidemic of mumps that has raged for the last three weeks without letup.

—30 years ago— Walter Dudley, Billy Freitag, Boyd Baker, Miller Robison, Miss Elitabel Tillory, Max Schneemann, Jr., Clifton Taliaferro and Haskell Leath are among the mumps sufferers who are reported seriously ill from complications accompanying the disease.

—30 years ago— Drivers licenses are now available at the sheriff's office, without charge, under a recently passed state law. The licenses are in three sections. Conviction of a traffic violation results in loss of one section, a second violation the second section and a third violation voids the license and subjects the individual to possible heavy fine for driving without a license.

—30 years ago— Crockett county's oldest resident is dead. He is 110-year-old Teafilo Moncada, first Mexican from Old Mexico to settle in Ozona and who came here before the town was established in its present site.

—30 years ago— Higginbotham Brothers of Dallas and Hal Ramsey, associate and manager of their extensive ranch operations in Mexico, have leased the 300-section ranch in northeastern Pecos county owned and controlled by A.

C. Hoover of Ozona.

—30 years ago— The "worst winter in 150 years" as some have termed the present "stem-winder" too kits most vicious crack at West Texas Monday night. A norther which blew up during the day sent the mercury to a new low of 10 degrees.

—30 years ago— Evangelist Horace W. Busby of Fort Worth will make his 16th annual appearance in a gospel meeting at the Ozona Church of Christ beginning tomorrow night.

—30 years ago— Ross Perner, native Ozonan, has been elected president of the Northern Arizona Cattlemen's Assn.

—30 years ago— "Difficulties of Maintaining Neutrality" will be the topic for the program discussion at the Ozona Woman's Club meeting here.

—30 years ago— Widespread illness throughout the city caused postponement of the scheduled PTA meeting Monday afternoon.

—30 years ago— Gilbert Cardona suffered an injury to his arm and chest last week when a car which he was cranking backfired and kicked his arm. No bones were broken however.

CARD OF THANKS

We offer our sincere thanks to all who were so kind during the long illness and loss of our loved one. Our sincere thanks go to all who spent long hours at the hospital, those who helped at our home and the many other ways in which so many helped. We especially thank all for the many prayers in which we all were remembered. Mrs. Autrey Thomas Mr. and Mrs. Dan McBroom Ada Brown Family

—30 years ago— WITHOUT any obligation let me show you how World Book Encyclopedia can make it easier for your child in school, for just six dollars a month. For free demonstration call Mr. Claude Leath — Phone 392-3068.

Conservation Is Topic At Woman's Club Meet Tuesday

The Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Hillery Phillips.

Mrs. Teal Adkins, state chairman of conservation in the Texas Federation of Women's Clubs, was guest speaker.

Conservation, Mrs. Adkins said, should be a challenge to every woman. Some of the points she

stressed were water and air pollution, pesticides and the conservation of wildlife, especially the species in danger of becoming extinct, such as the Atwater prairie chicken and the Golden eagle. These are part of the American heritage and should be preserved, she said.

Mrs. Adkins has been active in PTA, Boy Scouts, Girl Scouts, conservation organizations, and serves her church in various capacities. She is now a member of Community Concerts,

Texas Ornithological Society, executive director of American National Red Cross and represented the woman of Texas at the first conservation conference in Texas, presenting the Women's Role in Conservation."

Mrs. Phillips was assisted by Mrs. Bailey Post and Mrs. Max Schneemann. Guests included Mrs. Fred Chandler, Mrs. L. D. Kirby, Mrs. Brooks Dozier, Mrs. Joe Bean and members present were Mrs. Stephen Perner, Mrs. Chas. Williams, Sr.,

Mrs. Ivy Mayfield, Mrs. O. D. West, Mrs. Eldred Roach, Mrs. Tom Clegg, Mrs. L. B. Cox, Jr., Mrs. Ted White and Mrs. Roy Killingsworth.

FORTY-TWO CLUB

Mr. and Mrs. W. T. Bradbury were hosts to their forty-two club in their home Thursday night.

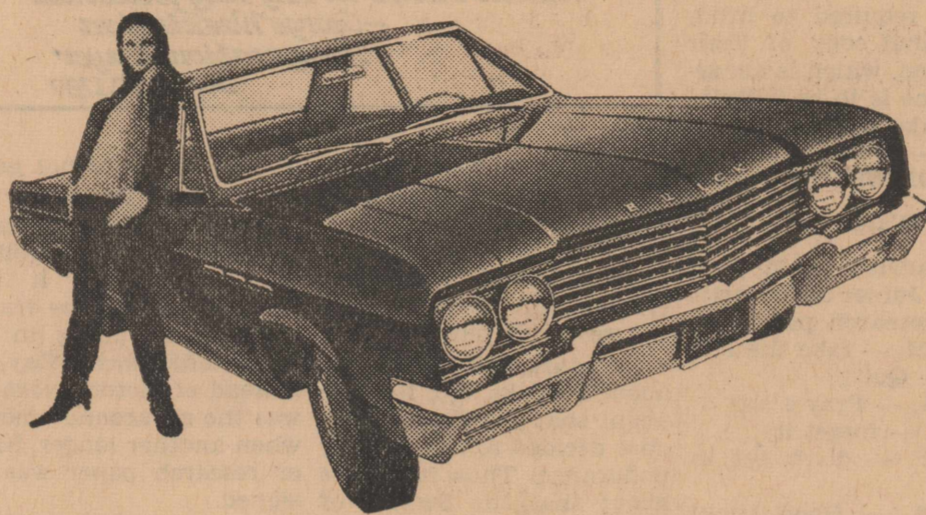

High score award went to Mr. and Mrs. Tom Harris. Mr. and Mrs. A. S. Lock won low, Mr. and Mrs. Will Baggett the traveling eighty-four prize and Mr. and Mrs.

Cecil Hubbard and Mr. and Mrs. Richard Flowers bingo. Guests were Mr. and Mrs. J. W. Johnigan and Mrs. Bradbury's sister, Miss Louise Sims from Marshall Texas.

HOSPITAL MEMORIAL FUND

List of donors to the Crockett County Hospital Memorial Fund since Feb. 2nd. Mrs. Joe Lavidson in memory of Mrs. Nat B. Read and Mr. R. L. Sutton.

Fancy car: Buick Special V-6

Fancy. But not too fancy. Just enough to make your friends think you've found oil in the basement. You may think so, too, when you get acquainted with Buick's V-6—the best thing that ever happened to 6 cylinders. Its 225 cu. in. delivers 155 h.p., without delivering you to the gas station all the time. As to the plain, homely price: you'll find it looks restful in the family budget. We design the Buick Special so you can drive a Buick and still enjoy the other good things in life. See your Buick dealer. Remember: a Buick for only \$2343.00*. That's the plain, honest (inspiring) truth.

Plain price: \$2343.00

*Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

Accurate and Complete RANCH RECORDS Are More Important Today Than Ever

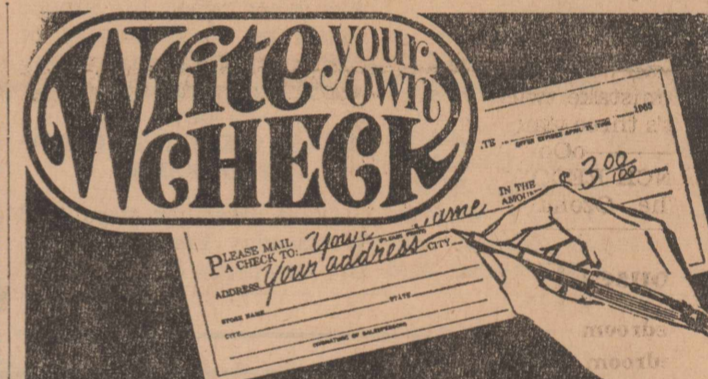

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

THE STOCKMAN RANCH RECORD BOOK

REXALL WILL PAY YOU UP TO \$3.00 JUST FOR TRYING AMERICA'S FAVORITE VITAMIN PRODUCTS

- 1 Take one of our special forms and any size Rexall Super Plenamins or Meltamins Jr. purchased to salesperson.
- 2 Salesperson will help you fill out your form properly for the savings due you, validate it, and give you the sales receipt covering your purchase.
- 3 Then follow the rest of the easy instructions on the back of the form.

Only REXALL would make such a generous offer!

EDITORIAL

IT'S NOW OR NEVER

By Yvonne Martinez

A wise philosopher once stated, "What is written on marble will erase in time; but, what is imprinted on the human mind will remain forever." This famous quote may encourage many of us to study more because we realize how important and worthwhile education is.

A love of learning, music, and the arts would make our lives much more colorful and exciting. After all, what we achieve in life will, in some extent, matter only to us and our loved ones. The world will continue to spin after we are gone. We just have one chance to acquire happiness, love, and as much learning as possible.

Someone once said, "Life is just a short span between birth and death." Life is short; but in that span, it is up to each one of us to fill it with knowledge, generosity, faith, love, and understanding to make our lives worth living.

MARGENE ROBINSON & DEBORA MILLS WIN CONSERVATION CONTEST

Margene Robinson placed first in the Soil Conservation Contest in the Jr.-Sr. Division. Other winners were: Sandy Stokes, second; Lynn Cox, third; and

Raymond Sanchez, fourth. In the Freshman and Sophomore Division, Debora Mills placed first, Derold Maney placed second, and James Morris placed third.

First winners will receive five dollars; second place, three dollars; third place, two dollars; and fourth place, one dollar.

ACT TESTS GIVE SENIORS ADDED HEADACHES

By Cathy Miller

"Take a test for four hours! Are you kidding? I would rather not go to college than miss my Saturday morning sleep!" This is what typical seniors at OHS feel like saying when they think about awakening at seven on Saturday morning just to take a college entrance exam.

The forms a person has to fill out are even worse than taking 3000 tests! The questions they ask make honest, reliable seniors feel like they are filling out an F. B. I. report. It takes an hour to check all the squares and black-out all the circles.

After the four hours are over, any knowledge they possessed has vanished down the drain. Vocabulary words, such as dubious, might mean clear or unyielding instead of doubtful, for all they know or care. Two plus two is probably five and Shakespeare might have written Pygmalion.

These entrance exams mean that graduation is just around the corner. After two research papers are completed and all the subjects are passed, a senior feels as if he's earned that walk across the stage on May 21. When one senior was asked what his advice would be to graduates of the future, he replied, "Stay in the first grade!"

CLASS MEETINGS HELD WEDNESDAY

Class meetings were held Wednesday. Each class with the exception of the senior,

were to elect four candidates, two boys and two girls to run for student Council. The student body will elect a boy and girl out of each class as members of the student Council for the 1965-66, school year.

The Senior discussed plans for their Senior Trip, and other business for the remainder of the school year.

ACT EXAMS TO BE GIVEN SAT. (20TH) MORNING

The A. C. T. college entrance examination will be given at OHS Saturday, February 20. The test will be given from 8 to 12 Saturday morning.

All students taking this test are required to bring the original copy of their application, which is necessary if one is to be permitted to take the test.

QUESTION OF THE WEEK

By Janis Walker

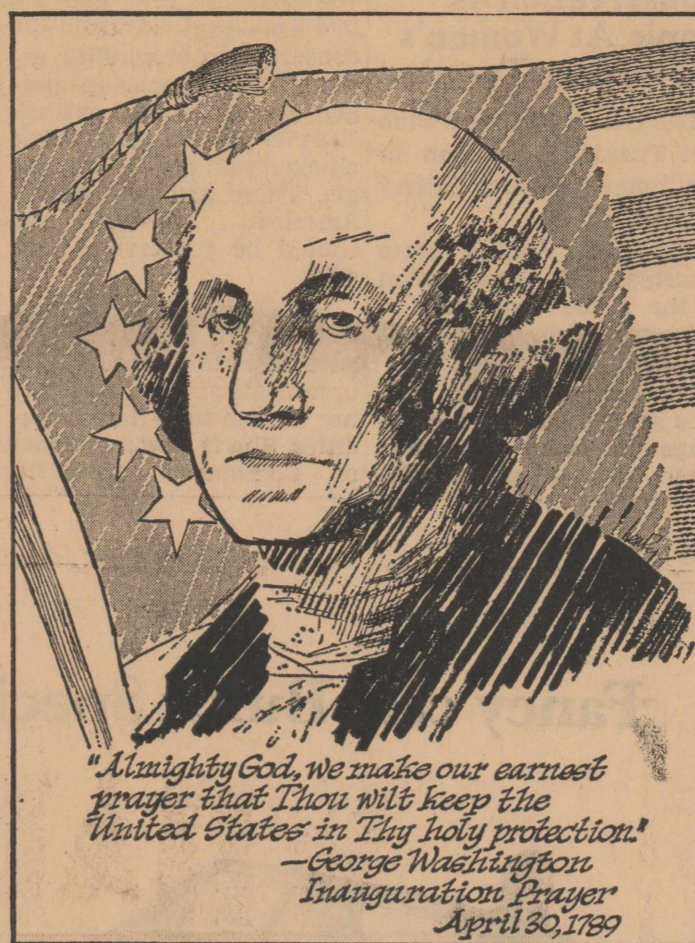

What advice would you give to a Junior about writing his research paper?

- Cathy M. — take the F!
- Rick — Quit!
- Vicki A. — Pray a lot!
- Ruthie — forget it!
- Gary P. — don't get in a hurry!
- Jerry A. — Good Luck! They'll need it!
- Hughie — Check out a correspondence course!
- Linda L. — get you a bottle of tranquilizers!
- David C. — hire a secretary!
- Brenda B. — Cheat!
- Mike W. let their mother write it. (They'll probably do it anyway — though).
- Richard W. — Hire Help.
- Jill G. — get it done at the first and don't wait till the deadline.
- Carmen — get five tablets of paper!

THAT'S WHAT WE GET FOR BEING SENIORS!

By Tommie Ramos

We, the seniors of OHS, once being of sound mind and body were the unfortunate victims of Mr. Moo-

dy's research papers. Once known as the "Gay Fifties", we were a cheerful group, overflowing with brains (unfortunately this describes only a few of us), and the result of parties.

One dark and dreary day about 3 weeks ago, it came about that our English teacher decided to test out our endurance. Thus it came about that the Seniors of 1965 were assigned a research paper that later was to destroy the lovable, enjoyable disposition of each.

The task of accomplishing a research paper was begun. During the following weeks, there was a mad scramble for sources, long hours of utter confusion, and every available typewriter in use. Finally after

we felt we could not go on any further, Mr. Moody announced that the research papers were due the following Monday. As it was, things became more frantic and anxiety hung in the air. Monday was V-Day, but instead of victory, vexation was the all around emotion when another longer, harder research paper was assigned.

TWIRP DANCE HELD

By Linda Leath

Once again the Twirp Dance is over and done, but many girls can think back on that wonderful night when they could ask their favorite boy for a date!

Of course, like anything

else it had its drawbacks. The boy could have ordered a \$2.00 steak when you had only a \$1.00 or your parents' car may have turned out to be a "hot rod".

The most entertaining part of the evening was when the "Radicals," a group of local boys, presented the music. This came to an end when these boys' dates decided they wanted to dance for awhile and the rest of the music was furnished by the record player.

As thirty-five couples attended, the student council received \$35.00.

School Cafeteria MENU

- Monday, Feb. 22: Meat and spaghetti, Buttered carrots, Pear salad, Lemon cake float, Hot rolls, butter, Milk.

Milk

DONNA MOORE ELECTED TRACK QUEEN

Donna Moore was elected track Queen for the 1965 season last Friday, along with Carmen Childres, Vicki Applewhite, and Lynn Cox as the track duchesses.

These four girls will give the medals to the boys that win in cash event at the two track meets held in Ozona.

The first meet is the annual Invitational Track meet which will be held on March, and later the district meet.

The queen and duchesses were voted on and elected by members of the track team.

TRACK SEASON OPENS RECORDS SET BY OLD TRACK MEMBERS

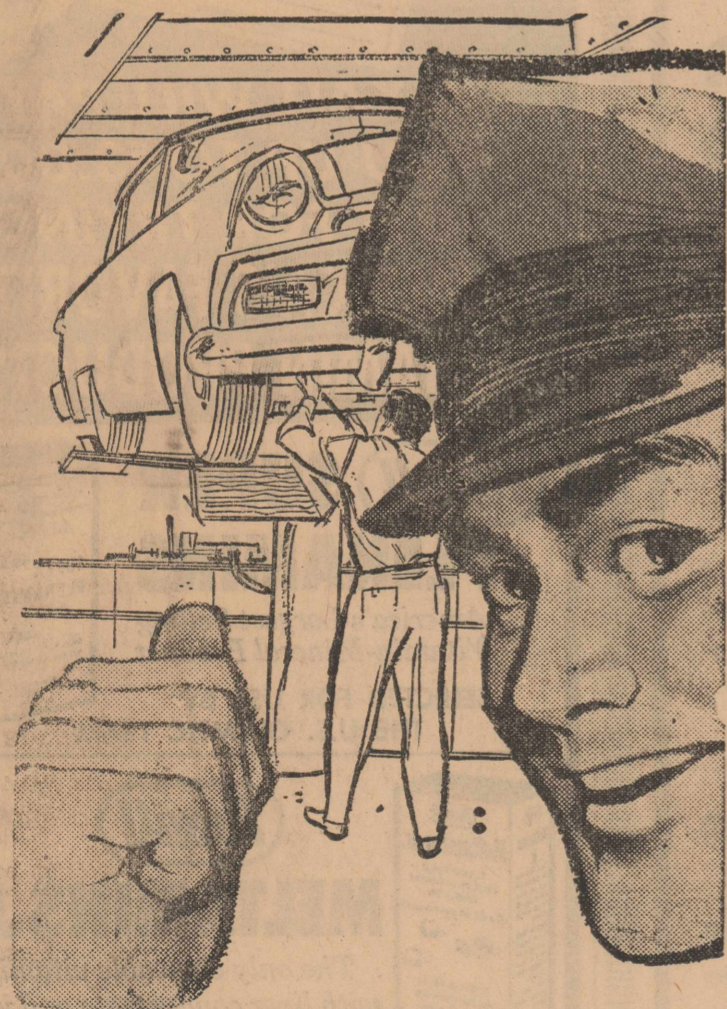

By Mike Walters

With the advent of the 1965 track season just around the corner, many might be interested in the records that have been set in previous years by members of the Ozona track team. Many of the team members will be striving to break them this year.

OHS records are:
100 yd. dash — Jim Doran 9.9, 1960.
220 yd. dash — Jim Doran (Continued on Page Five)

SENIOR CLASS TO HOLD BAR-B-CUE

The Senior Class will have its annual bar-b-cue March 6, during the Ozona Invitational Track meet. 400 tickets have been printed, and will be sold by members of the Senior Class. The Seniors plan to contact all citizens of the community. Anyone who is not contacted, may purchase a ticket at the bar-b-cue.

GOSSIP

By Lynda Miller

What kind of note did Jimmy Moore find that two Freshmen girls wrote? Jill A., who was that boy you took to the Twirp dance? It seems as if Vicki A. had a pleasant week end. It seems if Gary B. has two little Freshmen girls very unhappy with him. Karen, how long did it take you to get from David's ranch to yours after the Twirp dance? Mary Ann, it is true you drive a napkin? It seems as if Lynda Miller got an engagement ring.

Bobby A. hurry and get well!
 Why was the seventh period history class so quiet Monday? Did Mr. Leath give them their last chance. It seems as if Rick H. received a valentine card from a secret admirer. Brenda did you have fun sitting at home Friday night — because you were sick? How come the boys are so sore this week? Do the senior girls have big plans for Saturday morning? Did you know that Ale-

jos T. is the proud owner of a baby bottle?
 Neto V., Why do you want to go to California this summer?
 Pete G. What's this I hear about you going to the twirp Dance. What do you have to say about it Chayo S.?
 John D. H. Why don't you like for anyone to sit behind you at the movies?
 Tommie R. Why were you so happy Friday night?
 Fermin G. — Did Yvonne give you a good scare Sunday night when she nearly ran over you?

Raymond S., when you were told that you had won 4th place in the soil conservation Contest?
 Oscar F. That's your new girlfriend?
 Why are Cathy, Vicki, and Linda so excited about Saturday night?
1965 TRACK CAPTAINS ELECTED
 Mike Walters, David Childress, Gary Pagan, Richard Vargas, and Joel Huff have been chosen Captains of the 1965 Track Team. The track team for this

year is expected to be the largest in some years, and it is hoped that the new captains will lead the Lions to a repeat 3A District Championship.

WHAT DOES IT ALL ADD UP TO?

In the well-known city where this young fellow is growing up crime has shown a steady increase for more than a decade. And many of the convicted offenders aren't old enough to vote. Rough-looking "kids" loiter on the street corners with nothing to do. Smooth-looking "kids" flash by in cars with no place to go. The police patrol certain beats with dogs — humanity alone cannot cope with the situation.

But this young fellow must grow up nevertheless. And for him . . . for the community . . . for the nation . . . tomorrow depends on how he grows up!

It all adds up to the most crying need of our time: early, continuing, determined moral and religious instruction. It demands spiritual awareness in our homes. It requires resolute, sacrificial support of our churches.

In every city, village and hamlet an awakened nation is mustering its total spiritual resources . . . seeking God's help . . . and seeking yours . . .

Miss Frances Childress, Dr. Ross Exchange Vows Here Saturday

Miss Frances Koy Childress became the bride of Dr. Joe David Ross in a ceremony Saturday afternoon in the Ozona Methodist Church.

The bride is the daughter of Mr. and Mrs. W. A. Childress of Ozona. Parents of the bridegroom are Mr. and Mrs. Joe Brown Ross of Sonora. Both are prominent ranch families of the area.

Officiating at the wedding was the Rev. Leonard Garrett, pastor. Organist was Mrs. L. B. Cox, III.

The bride wore a gown of pale ivory Chantilly lace over peau de soie fashioned with a Sabrina neckline. A wide peau de soie bow and inset banding circled the Empire line of the bodice and accented the slim bell skirt, designed with a detachable train.

The bride was attended by Miss Camille Adams as maid of honor. Best man was Bob Briggs of San Antonio.

Bridesmaids were Mrs. F. H. Whitehead, Jr., of Del Rio, Mrs. Jim Buita of Comfort, the bridegroom's sister, and Miss Myrta Ann Topliffe of Roswell, N. M.

Groomsmen and ushers were Dr. Van Redman of Denton, Dr. Charles Allison of Austin, Frank Childress, the bride's brother, Jim Buita of Comfort, Dr. Jimmie McMullan of Austin and Dr. Charles McDonald of Rosenberg.

Candlelighters were Bill Ross Childress, Frank Chandler, Charles Childress and Phillip Nicks of San Angelo.

A reception in the fellowship hall of the church followed the ceremony.

After a wedding trip to New Orleans, the couple will live on a ranch near Sonora where Dr. Ross will continue his practice of veterinary medicine.

Mrs. Joe David Ross
... nee Miss Frances Koy Childress

Lutherans Lease House of Flowers For Use as Church

Lutherans in Ozona have recently leased the former "House of Flowers" building and will start holding services in March with the Reverend Arno Melz of Sonora, in charge of the services.

The first service will be held on Thursday, March 4, starting a series of Lenten services. The official dedication will be held March 7th. All services will be held at 7:30 p. m. Sunday School and Bible Class will be held at 6:30 p. m. on Sunday evenings. The public is invited to attend.

The group of Lutherans here will operate under Hope Lutheran Church at Sonora, which was organized in 1958. Hope Lutheran Church is a member of the Missouri Synod, which sponsors "The Lutheran Hour" on radio, and "This is the Life" on television.

Although the church will be new in Ozona, Lutherans are not. Many of the members here are charter members of Hope Lutheran Church.

"If you are unfamiliar with the Lutheran Church we invite you to visit and get acquainted," Rev. Melz said. There will also be adult information classes to explain the church doctrine in greater detail. This class is open to the public.

"Member of the Lutheran Church hope that their congregation may be a real asset to the city of Ozona."

GI FORUM MEET

Ozona GI Forum had as guests members of the Sonora Forum in a joint meeting here Thursday night. A combined membership of 25 were present.

The group discussed the Forum programs of community participation, and discussed school drop-outs, scholarship awards and fund raising projects.

erinary medicine.

The bridegroom's parents were hosts for the rehearsal dinner Friday evening in fellowship hall of Sonora Methodist Church. Guests included the wedding party and members of the families.

Ozona Country Club was setting for a brunch Saturday morning for the former Miss Childress. Hostesses were Mrs. Monroe Baggett, Mrs. Lindsey Hicks, Mrs. Sherman Taylor, Mrs. F. H. Whitehead, Jr., Mrs. Eugene Miller, Mrs. S. M. Harvick,

Mrs. James Baggett, Mrs. V. I. Pierce, Mrs. Clay Adams, Mrs. W. E. Friend, Jr., Mrs. Charles Garlitz, Mrs. J. S. Pierce, III, Miss Camille Adams and Mrs. Charles Applewhite.

HANK WEBSTER, Portraits

At Flying W Lodge

If you're going to enter something like the Pure Oil Performance Trials, you might as well do it to win.

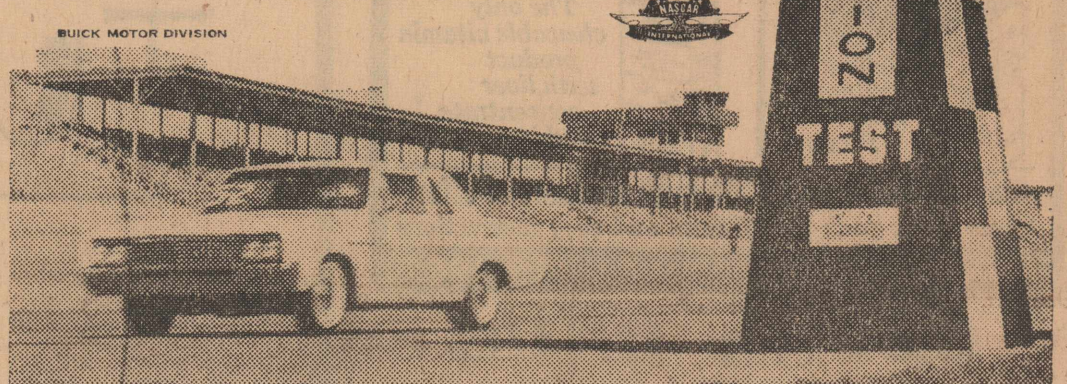

So we did. Class IV—won by Buick Special.

Down at Daytona Beach, we gave everyone another look at Buick's "Win Policy". A V-8 Buick Special won over stiff competition (sorry, boys!) in Class IV—in the 1965 Pure Oil Performance Trials. The winning Special was equipped with our 300 cubic inch Wildcat 310 V-8 and Super Turbine Transmission.

Remember that the drivers in the Performance Trials are skilled professionals, and the cars finely tuned standard production models. (If it can be said that the Special is "Standard" anything.) Also remember that the trials are an exhausting, carefully graded test of a car's all-around ability. In economy, acceleration and braking. Small wonder the Special came out on top. Handsomely.

(The specific detail? Our hero averaged 20.689 mpg in economy, to score second among 10 cars. It accomplished the acceleration test—from 25 to 70 mph—in 9.315 seconds, for a fifth. And took another second in braking: from 65 to 0 mph in 172.0 feet. The cumulative result: we won all the marbles in Class IV.)

Now then. If you're going to enter something—like a car—you might as well do it to win, too. Your Buick dealer can introduce you to the driver's seat of a Buick Special.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

This is a sign of active community development

Many towns in our service area are engaged in or planning community development programs. One outstanding example is the continuing development of Robert Lee. Here, aggressively energetic citizens have built a new Court House, a new school building, a new Post Office, and a modern bank building. They have developed a City Park with recreation building, swimming pool, sports fields and a nine-hole golf course; modernized the City Hall, paved city streets and voted a bond issue to enlarge the local hospital. And, they can now claim a population gain. Robert Lee's proud record is a Pattern for Progress of what can be done in Community Development which improves the chances of continued growth, making the community a better place in which to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

WEST TEXAS UTILITIES
AN INVESTOR OWNED WTU ELECTRIC COMPANY

FOR THIS AND FUTURE GENERATIONS —

Lasting Benefits To Be Realized From Conservation Land Treatment

By Sam A. Fitzhugh, Jr. Work Unit Conservationist Soil Conservation Service

Conservation management and land treatment is proceeding as scheduled on the four ranches that have a Great Plains Conservation Program contract in the Crockett County Soil Conservation District.

One contract was completed as of December 31. Range management practices of proper range use and a deferred grazing system, along with mechanical brush control and range seeding, made up the major items being applied to the land.

Range seeding of native grasses along the Pecos River valley east of Iraan is aimed toward maximum benefit and grass production following root plowing of mixed brush. The winter and spring seeding gives the full warm growing season ahead

to establish the ranges to high producing grasses.

Any type of mechanical brush control usually needs to be accompanied by seeding to help establish a grass stand to replace the pushed brush. Without seeding to the higher producing grasses, plus the needed deferment to allow their establishment, lesser types of grasses and other vegetation will take a longer period of time to repay the cost of the work.

Much thought should be given to the conservation land treatment of a ranch. All measures for land treatment plus the land use planned by the operator are key items to consider in conservation planning. Recreation and wildlife land use are two relatively new uses that can be made of the land to further aid in its conservation, both for the present and future generations.

Mrs. J. B. Pace To Speak At League's Guest Day Program

Ozona Woman's League met Tuesday in the home of Mrs. Brooks Dozier, with Mrs. Sonny Cleere as assisting hostess.

Mrs. Joe Bean, president, presided over the business meeting. She announced that Mrs. J. B. Pace of Austin, with the state school system, will be the guest day speaker when the club meets for its guest day program in the new civic center on March 27.

Mrs. Perry Hubbard introduced Mrs. Buddy Phillips who spoke on the business end of running a hospital.

Others attending were Mrs. Charlie Wooten, Mrs. Joe Couch, Mrs. Buster Deaton, Mrs. A. S. Lock,

Mrs. Jerry Hayes, Mrs. Dick Kirby and Mrs. Jim Dudley. A new member, Mrs. Cap West, was welcomed into the club.

The League will meet Feb. 23 in the home of Mrs. Jim Dudley.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Phone news to Stockman

Austin, Texas — Gov. John Connally's top legislative project — creation of a powerful coordinating board to control state colleges and universities — apparently is headed for early enactment.

Bills to establish the board breezed through Senate and House committees to floor calendars without direct attack after members of the Governor's Committee on Education Beyond the High School testified for them.

Women's Rights Debated — Legislative committees set aside another Ladies' Night to hear a familiar debate — should the state constitution be amended to insure that no legal rights be "denied or abridged because of sex?"

Without even hearing arguments for or against, a Senate panel quickly agreed that the amendment should be submitted to the voters.

On the other hand, the House committee listened to hours of testimony. Most of it was in opposition to such an amendment. The State Bar and spokesmen for university law school led the opposition.

Opponents claim the amendment goes too far and would "open a Pandora's box" of future litigation. Specific statutory changes were recommended as preferable for correcting such discrimination as might exist.

Spokesmen for the women's group, who have stubbornly pushed the amendment, retort with considerable conviction: after all these years of talking about giving women full powers to manage their property and other rights long denied them, little serious effort

has been made to repeal the discriminatory statutes one at a time.

Pooling Bill Near Passage — Although subject to bitter legislative controversy two years ago, the oil and gas lease pooling bill cleared the Senate with no more than a handful of dissenting votes.

Its House companion landed in a friendly subcommittee after an extended hearing.

Bill would authorize Texas Railroad Commission to prescribe requirements for owners of small tracts to pool their interests for oil and gas drilling purposes when they cannot get together voluntarily.

Permian Rate Case Argued — Three top Texas officials entered personal protests before the Federal Power Commission in Washington of gas findings for the Permian Basin area of West Texas and New Mexico.

Governor Connally, Atty. Gen. Waggoner Carr and Railroad Commissioner Jim Langdon argued against approval of an F. D. C. examiner's memorandum recommending a rate range of 10 cents per million cubic feet to 16.75 cents per mcf. State contended single price of 20 cents per mcf would be more reasonable and forward-looking.

Adoption of the examiner's findings would be a serious economic blow to the state. It would result in a tax loss of \$4,500,000 a year, officials contended.

Criminal Code Revision Favored — Senate Jurisprudence Committee recommended passage of an overall revision of the Texas Code of Criminal Procedure, which cleared the Legislature in 1963 but was vetoed because a faulty copy was sent to the governor.

Bill is the result of four years' work by a State Bar committee. Most protests at the com-

mittee hearing centered on a section which would allow a convicted person to decide whether he wished a jury or a judge to determine the penalty.

COMMUNICATIONS Your Tool for Progress

"You mean me?"

Got time to spend over 480 years on the telephone?

Only the dial of your telephone separates you from 84 million other telephones in the U. S. You can talk to any one of them — or even all of them if you wanted to spend over 480 years doing it! The number of telephones within your reach dramatically emphasizes the usefulness of Long Distance for both personal and business reasons. Frequent and efficient use of Long Distance — which makes the Nation your neighbor — can be your low-cost Tool for Progress. For full information about our many communications services, please call our Business Office.

Chevrolet

workpower

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.

fastest runner last year and may still be. Walters was not used in the 440 or the mile relay last season due to the late date of arrival and the need for points in the dashes but could become the anchor of the mile relay this season since the 440 seemed to be his best race two years ago.

Also joining the 440 corp will be freshman Ernest Vargas, who looked very good in the Jr. High 300 last year.

A new track arrangement begun this year will find an A and B track squad with district meets for each division. B team members can be up through the sophomore class and no Jr. High division will be held this year in connection with the district meet.

The District 8-A meet to be staged here in April will find 9 teams engaged instead of the 5 or 6 that have previously taken part and doubtless prelims and time heats will increase in importance.

The increase to 9 teams will also bring back traditional track entry Junction and will find some able performers present from Menard as well as a strong team entry from Sonora. Iraan will be a new entry from the western zone.

The Lion 440 relay team will be stronger but there may be some strong relay teams around this year. In the 880-relay the Lions should have one of the better teams in the area but this event is not included in state competition.

Sam Cervantez and Bill Carson of last year's pole vaulters are returning but entries in the broad jump

and high jump will remain to be seen.

George Cox, Mike Walters, Randy Upham and Humberto Ramos, with possibly John DeHoyos, will shoulder most of the Lions sprinting, a field that is going to be tough in this district with the state 100 yard dash champion returning from Eldorado, and Sanderson and Menard both expected to come up with top candidates in this field.

In spite of the presence of Tommy Wiegand of Sanderson in the low hurdles, the Lions will once again be strong in the hurdles with David Childress, Rodney Pagan, Pon Seahorn and possibly Bill Carson and Randy Upham.

The Lions will have both milers back, neither of whom did very well last year but who have good potential.

A number of able athletes are included in the squad who have not been assigned to tasks this year and a number of them will have to come through if the squad is to be a threat to repeat for the district title. But some of them seem fully able and Coach Womack was optimistic about his chances.

With the exception of Amthor, who is ill, the following boys reported for duty this week or have been with the squad since workouts began; Jack Applewhite, Bill Carson, Sam Cervantez, David Childress, Dwight Childress, George Cox, John DeHoyos, Oscar DeHoyos, Tomas DeHoyos, Pablo Diaz, Dale Ellis, Baltazar Fierro, Oscar Flores, Margarito Galindo, Pete Garza, Antonio Garza, Rick Hagelstein, Joel Huff, David Jacoby, David Lewis, Rick Logan, Derold Maney, Gary

Owls - Broncos -

(Continued from Page One)

Richard Preston who wound up as the game's top scorer with 21, made menacing gestures throughout the second quarter before going into a tailspin in the third period and pretty well dropping out of contention.

Delrie, a Bronco football standout, did an outstanding job of rebounding and driving, and finished with 16 points while Wuest, who also played well, had 14 for the night's work.

Delrie hit the first five points for Sonora with Eldorado's Preston tying up the score with the Eagles only field goal of the first quarter at 2 and 2.

Eldorado pulled to within 5 points, trailing 30 to 25 at the half, but the Broncos, amid a deafening roar, scored 6 straight points to sew up the contest in the third period as the cold Eagles got only six in the quarter to Sonora's 15.

With 5:20 to go in the final period, the Broncos, holding a 14 point margin, went into an effective stall which killed over two minutes on one possession and nearly another minute on a second possession before the game lapsed into a sort of foul melee in the last minute of play.

Pagan, George Parker, Mike Prater, Humberto Ramos, Win Saunders, Pon Seahorn Glen Southard, Gary Sutton, David Stokes, Randy Upham, Ernest Vargas, Richard Vargas, Mike Walters, Wesley West, Gene Willmon and Larry Williams.

Reflections Of Fashion Is Theme Of Forum's Show

"Reflections of Fashions" is the theme for the 14th annual style show tea which will be presently by the Ozona Woman's Forum on Saturday, Feb. 27th at 3 p. m. at the Ozona Country Club. Tickets are now on sale from any Forum member at \$1.50 each and the public is invited to attend. The style show is the Forum's only fund-raising project of the year, and the proceeds are used to aid the March of Dimes, Heart Fund, Red Cross, Boy's Ranch, McKnight State Hospital, Cancer Crusade, The Local Welfare Fund, Boy Scouts, Girl Scouts, and other worthy organizations.

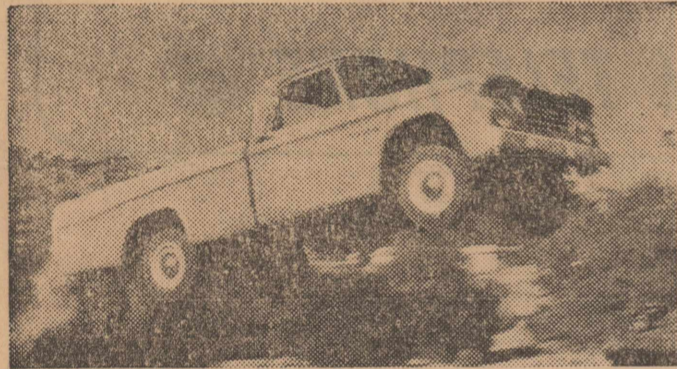

Fashions are to be furnished by Barnes Co. and Florence and Martha Children's Wear of San Angelo. Valuable door prizes will be awarded following the style show. Models for this annual fund-raising project are chosen from Ozona clubs and organizations on the sponsor's invitation, from the Forum's own membership and their guests, and among children and grandchildren of Forum members.

Mrs. T J Bailey is president of the Forum. Music for the style show will feature Mary Carter at the organ. Mrs. Beecher Montgomery will be commentator, and other committee chairmen are: Mrs. Pleas Childress, chairman of models; Mrs. Bill Clegg, chairman of decorations; Mrs. Pete Jacoby, chairman of publicity; Mrs. Brock Jones chairman of the tea hour; Mrs. C. O. Walker, chairman for tickets, and Mrs. Joe Clayton music chairman.
