General Rains Boost Farm Outlook

Local Finalists In Miss Grain Sorghum

Two lovely Muleshoe 'Misses' were finalists, along with a former Muleshoe lass, in the Miss Grain Sorghum contest at Dimmitt Saturday night.

Trenea Bryant, the present Miss Muleshoe; Becky Sain, Ro-

around muleshoe with the journal staff

Mrs. Annie Clark is in Muleshoe for a visit. She is the mother of Mrs. Jessie Gray.

Visiting in the homes of Mr. and Mrs. Ray Terrill and Mr. and Mrs. W.J. Lancaster this past weekend were Mr. and Mrs. Donald Ray Lancaster and family from Artesia, New Mexico. He is the brother of Mrs. Ray Terrill. They all attended the Fiddling Contest Saturday at Melrose, New Mexico where Donald Ray Lancaster won third place.

Mr. and Mrs. Jack Hicks and family have recently returned from a weeks vacation of fishing in Colorado.

Mrs. Welda H. Fisher, a former Lubbock resident, has moved to Muleshoe to make her home at 405-B West Avenue E. Mrs. Fisher, who owns a farm in Bailey County, formerly lived at 2817-26th Street in Lubbock.

Mrs. Jackie Tate has announced that the 1970-71 Kildyland Kindergarten classes will begin Monday, August 31 at 9 a.m.

Action in the Bailey County Law Enforcement Center was somewhat lighter over the past weekend to what it has been during past days.

The Muleshoe City Police Department jailed one charged with being drunk and in the country illegally; three for drinking after hours and three for drunk.

The Bailey County Sheriff's office jailed one for driving for intoxicated, the Texas Highway Patrol jailed one person for driving while intoxicated.

Muleshoe Motor Co. of Muleshoe has been selected as one of the nation's outstanding Ford dealerships and will receive Ford Motor Company's Distinguished Achievement Award. The Distinguished Achievement Award is presented "in recognition of progressive

Lazbuddie Teachers To Be Honored

Beginning Friday at noon will be the first teacher appreciation banquet of 1970.

Muleshoe Rotary Club, Lions Club, Jaycees and the Chamber of Commerce will sponsor the luncheons, with the first luncheon scheduled for noon Friday at Lazbuddie.

The other luncheons will include Three Way, Friday, August 21 at 8 p.m.; Muleshoe August 26 at noon and Bula, September 1 at 8 p.m.

Chairman of the Teacher Appreciation Banquets Bob Stovall commented, "As you know, these school systems represent a large segment of our trade.

"Also, and most importantly, anything that we can do to aid in the growth and development of our youth through our teachers will be a benefit to Muleshoe."

There are approximately 250 teachers represented in the four schools.

tary Club Sweetheart in Muleshoe, and Jyniece Calloway of Spearman, a former Muleshoe resident, were among the eight finalists during the pageant.

Miss Muleshoe, Trenea, was tabbed as first runner-up in the annual pageant which was held in Dimmitt, and featured 20 beauties vying for the crown. Trenea, who recently competed in the Miss Texas Pageant, was named as the first runner-up and watched Miss Throckmorton, Charlotte Lee Smith, 17, receive her crown from the 1969 Queen, Karen Lafferty of Farmington, N.M.

The new Miss Grain Sorghum of the Nation, graduated from Throckmorton High School in 1970 and is the daughter of Mr. and Mrs. Fred T. Smith of Throckmorton, Most Outstanding Drum Major at Southern Methodist University Twirling School, 1969; served as drum major for the Throckmorton High School Band for three years and is a member of the McCall's Teen Fashion Board. She received a \$1,000 college scholarship. As first runner-up Trenea, 18, received a \$500 scholarship. She is the daughter of Mr. and Mrs. Don Bryant of the Pleasant Valley community.

Second runner-up was Sheri Lee Kinzer, 18, daughter of Mr. and Mrs. Howard Kinzer of Grandfield, Okla. She is a student at Oklahoma State University. She received a \$250 scholarship, plus a \$50 bond as she placed first in the talent competition.

According to the Dimmitt Pageant officials, some 500 persons attended the event on Saturday night. It was held in the Dimmitt High School auditorium. Trenea will be a contestant in the Greenbelt Football Classic Queen Contest this weekend. Competition will be held Friday and Saturday in Childress. In the Greenbelt Classic, she will be one of 43 contestants trying out for the right to wear the Queen's crown for the next year.

Deputy's Auto Rammed From Front In Chase

Bailey County Deputy Sheriff Ken Petree said he also came in for damage to a county patrol car during a chase within the city limits of Muleshoe early Sunday morning.

As an aftermath of the accident, a local man was jailed on multiple charges and held on \$1,400 bond. Some of the charges included driving while intoxicated, failure to yield to emergency vehicle and leaving the scene of an accident.

The chain of events began, said Petree, when he tried to stop a car to check the occupant. According to the deputy, the man refused to stop and the chase was on in the east part of town. Deputy Petree said the man finally ran upon a dead end in the east part of town by the park where he rammed his car in reverse into the front of the county patrol car. Moderate damage was sustained by the deputy's car and fairly heavy damage was done to the car the other man was driving.

Petree said the man left the car and ran. A foot chase ensued and Petree lost the man in high weeds on the east side of the park. City Police officer Forrest Williams picked up the man on Main Street some 30 minutes later and Officer Williams said the man told him someone had stolen his car from the park. A local wrecker service had at that time impounded the car for the officers.

The deputy was called by the city officer and he said he identified the man he had been

EIGHT MISS GRAIN SORGHUM FINALISTS--Eight finalists in Muleshoe; Dana Cline of Gruver; Sheri Lee Kinzer of Grandfield, Okla., who later was named second runner-up and talent award winner and Connie Worley of Guymon, Okla. The eight finalists were in a field of 18 girls. They were named just after the formal competition and prior to the finalists presenting talent acts again. (Photo by Don Nelson - Castro County News.)

Area Accident Toll Continues To Rise

A Friona youth lost his life Saturday night near Muleshoe in what officers termed 'a freak accident.' First call came in at the Bailey County Law Enforcement Center shortly after 10 p.m., and the caller said an ambulance was needed at a wreck on Highway 70 about six miles east of Muleshoe.

When officers and an ambulance arrived at the county line marking the boundaries of Bailey and Lamb Counties on East Highway 70, they found Raul Lopez, Jr., 19, of Friona, lying in the eastbound lane of the highway near the south edge.

Gunny sacks, which had been set afire by the first persons to drive upon the accident site, cast an eerie glow with their flickering blaze as they warned approaching motorists to slow down to avoid striking the mortally injured man lying on the highway.

Within minutes, cars, pickups and trucks had jammed the accident site, as people left their cars to watch officers and ambulance attendants load the young man into the ambulance. Officers repeatedly asked persons to 'move on and please stay back' from the scene as they were attempting to check with witnesses,

measure marks and keep necessary marks from being obliterated by the many feet trekking back and forth across the highway.

Investigating officers Texas Highway Patrolmen Joel Young and Billy Gene Sisemore were assisted by Bailey County Deputy

Fine Arts Club Schedule Meet For August 24

The Fine Arts Booster Club of Muleshoe High School has scheduled the first meeting for the 1970-71 school year, according to an announcement by President Don Bryant.

Bryant said all members and interested persons will meet in the Muleshoe State Bank community room at 8 p.m., Monday, August 31.

At the meeting, plans will be finalized for the barbecue which will be sponsored by the Fine Arts Boosters on Saturday, August 29.

Sheriff Ken Petree and a city officer as they attempted to keep a smooth flow of traffic around the area.

A witness who saw the accident occur the 1962 truck driven by the young man went out of control while traveling toward Muleshoe on the highway and veered off the highway to the left. The truck traveled down the side of the road in the ditch until the left wheels struck water in the south ditch. At that time, the driver apparently jerked the wheel of the truck and it went into a broadside skid across the highway. The witness told officers that at one point, the truck was tilted on its two left wheels but did not overturn. As the truck tilted sharply, the left door of the truck came open and the young man spilled out onto the highway, apparently striking his head first on the bed of the truck, then on the highway. The truck crossed the highway and stopped in a pasture after clipping a sign.

Seventeen year old Neal King and Randy Williams drove upon the accident site almost immediately after it occurred. In an attempt to miss Lopez' body, young King swerved sharply to

Muleshoe Host For Swim Meet Saturday Night

Muleshoe will play host to the George White District Swim Meet on Saturday, August 15. The events will get underway at the Muleshoe City Swimming Pool at 7:30 p.m. Saturday evening with scout teams from Levelland, Morton, Littlefield, Earth, Muleshoe, Sudan, Sundown, Anton, Whiteface, and the Bula-Three Way Scouts.

Jeff Smith, chairman of the scout swim meet, has urged everyone possible to attend the evening of competition.

Ribbons will be presented for places one through three in all events with large ribbons presented to the top three troops for compiling the largest number of points in each age group. From Muleshoe, Troops 633 and 634 will be competing. Scoutmasters are Roland McCormick and Owen Jones.

To be included in the competition will be the Free Style Race, the length of the pool with a racing dive; Side Stroke Race, the length of the pool with a racing dive; Back Stroke Race, a bank start in the water for the length of the pool; Ping Pong Race for non-swimmers, the players will walk a ping pong ball on a spoon the width of the pool; Breast Stroke Race, the length of the pool for speed; Free Style Relay Race, four

Moisture Eludes Dry Bula - Enochs Area

Sunday night and Monday rains were spotted in the area, but wide smiles have been noted throughout Bailey County and north in the Lazbuddie, Pleasant Valley and Earth communities.

Generalized rains left from .4 to three inches in varied

spots, although the Bula-Enochs communities remained bone dry.

Around Needmore, Dale Newsom of the Needmore Co-op Gin said scattered rains ranged from a trace to .7. He reported that some places did not receive any rain at all. According to Newsom, west of Needmore Charlie Tiller received between .6-.7 inches and in the Circleback area there was .5 inches. The canyon area south of Needmore had .7. He said approximately one-half inch would sum up the average for the Needmore community for six or seven miles in either direction.

Rotary Club Hears Coach On Football

Members and guests at the noon meeting Tuesday of the Muleshoe Rotary Club heard Muleshoe Athletic Director Fred Hedgecock give the potential program for the 1970 football season in Muleshoe Junior High and High Schools.

It was noted that Muleshoe was listed fourth in the district by Dave Campbell's "Texas Football."

He discussed the overall football-athletic program for the schools and said the basic problem has been the number of participants. "More players make successful football teams," said Hedgecock, "and we wonder what comes first, success or participation."

The athletic director continued, "We have adopted positive approach and our major goal for the seventh through tenth grade is to keep boys interested and that means to put every youngster while he can be coached individually and each boy can play."

"In competition with other schools," he continued, "when boys play in earlier grades, there is a tendency to play only the top teams and a transition has been made to compensate for this."

He explained that seventh grade players were taken out of competition with other schools and divided into four teams, each team with its own coach. They play each other once a week. Thus, they have more

In general, Newsom added, the crops around Needmore are in pretty fair condition and there was a potential for good crops even with the limited moisture and late start. According to Newsom, some 60-70 percent of the crops have been sprayed for insects and the insects seem to be under fairly good control at this time.

Mrs. Buck Ragsdale of the Stegall community in the southwest Bailey County said three inches of rain was recorded at the Stegall Gin Sunday night and 2.3 inches at her home. North of Stegall, she said the rain was lighter with approximately .3 being reported.

In the Goodland-Maple area, there was approximately 1.5 inches of moisture.

She reported that the cotton in the area looks real good even with the late start and the grain is doing well. According to the report from Stegall, there are some insects, and almost

Cont'd. on Page 2, Col. 4

NOTICE

Athletic Director for the Muleshoe School System, Fred Hedgecock, said that any football player, seventh grade through high school, who has not had a physical, may see Dr. Pummill at the Mule Barn Thursday, August 13, at 6 p.m.

He reminded players that physicals are necessary for all boys who plan to play in the 1970-71 football season.

THP Officers Review '70 S-M Vehicle Law

Texas Highway Patrolmen Joel Young and Gene Sisemore have had many inquiries concerning the "slow moving vehicle law" which went into effect in Texas on January 1 of this year.

The two officers decided a review of the law would be timely at this point in the season when many tractors, trailers and farm equipment are moving upon Texas highways and roads.

They explain, "slow-moving vehicles" mean any motor vehicle designed to operate at a maximum speed of 25 miles per hour or less; and includes all other vehicles, implements of husbandry, and machinery, including all road construction machinery, while being drawn by animals or a motor vehicle designed to operate at a maximum speed of 25 miles per hour or less.

Included in the new law are many farm-related vehicles. The identification emblem consists of a fluorescent yellow-orange triangle with a dark red reflector border. The yellow-orange fluorescent triangle is for daytime identification. The reflective border defines the shape of the fluorescent color in daylight and becomes a hollow red triangle in the path of motor vehicle headlights at night.

The emblem shall be entirely and clearly visible in daylight or at night from a distance of not less than 500 feet from the rear when directly in front of the lawful upper beam of headlights.

Law further states that the emblem shall be mounted point up in a plane perpendicular to

the direction of travel. It shall be centrally at the rear of the vehicle, unobscured, and not less than three nor more than five feet above the road surface measured from the lower edge of the emblem.

It may be permanently attached to equipment when practical. Portable emblems shall be mounted by using bracket sockets that will insure steadiness and prevent misalignment of the emblem.

The emblem shall not replace such warning devices as tail lights, reflectors, flashing lights, or warning flags and is not to be used as a clearance marker for wide equipment.

The officers concluded, "Be-

Local Youth In Competition At State Meet

Bobby Henderson, son of Mr. and Mrs. Bob Henderson of Muleshoe, placed 26th in the 113 contestants in the reining competition at the 4-H State Horse Show.

He competed in Amarillo Saturday morning and was the only county youth to be entered in the show.

Bobby commented, "I wish everyone of the kids in 4-H could go to state competition at least once, it was good experience."

"Also, I would like to thank J.K. Adams who came to Amarillo Saturday morning and boosted me."

Craig Barton of Earth placed fourth in the reining competition.

GOING--GOING--NEARLY GONE--Workmen are busy demolishing this old Muleshoe landmark. The building was constructed among the first permanent buildings in Muleshoe by the late R.L. Brown, who had the first mercantile store in Muleshoe. It is presently owned by his brother, D.P. Brown of Lavon. For several years, the building housed a real estate

office, vestiges of which can still be seen on the side. The workmen stripped away a stucco covering and found old painted signs still visible on the side of the building. Found buried at the side of the building was one of the original horse watering troughs in the town. It is presently being reconstructed for permanent display in Muleshoe.

Law...

Cont'd. From Page 1

cause of lack of information and knowledge concerning the "slow-moving vehicle" requirements, or possibly through negligence, the new law has been ignored somewhat since it became a state law the first of the year.

"In order to save lives and protect valuable property," concluded Young and Sisemore, "we urge everyone to check your equipment and put the emblems on them where necessary."

Swim...

Robert Hooten has been a Ford dealer in Muleshoe since 1962. The dealership is located at 106 South 1st.

Classes Begin At SP College

LEVELLAND (Special)--The 1970-71 year of South Plains College will get underway Monday, August 24, when classes begin.

A number of activities for both students and faculty have been scheduled for the previous week.

Departmental chairmen will meet at 9 a.m. on Friday, August 14.

A general faculty breakfast meeting will be held in Texan Hall at 8 a.m. Monday, August 17, followed by a general faculty meeting at 10:30 a.m. Departmental meetings will begin at 1:30 p.m.

Air Drying Onions Boosts Harvesting

COLLEGE STATION, -- A Texas A&M University agronomist is working on a system of air-drying onion bulbs which could take much of the guessing and weather gambling out of harvesting.

The principle is simple and the same as the now-standard methods of drying small grains. Warm, dry air is blown through

Rains...

Cont'd. From Page 1

everyone sprayed to control the bugs.

On the Jim Claunch farm north of Needmore, Christine Sisemore said .3 inches was received Sunday night and another .3 on Monday for .6 total during the two rains.

Jim Claunch reported no rain in Bula, although Richard Black one mile north of Bula received approximately an inch of moisture. He said Levelland received a good rain during the Sunday night general rains.

According to Claunch, on the irrigated ground, crops look real good although cotton is late. He said the irrigated feed crops are in good shape and dryland grain is in fair shape although bugs have been bad.

The farmer-ginner said bugs are under control at this time and the insect situation has lessened.

West of Muleshoe approximately 14 and one-half miles, Mrs. Loyd Stephens said they had .4 inches of rain on Sunday night and no rain on Monday.

Mrs. J.C. Gatewood of the Y-L community said rains deposited 1.7 inches in that community.

Around Pleasant Valley, Mrs. Bonnie Haber reported one inch of rain on Sunday night and .3 on Monday afternoon. Billy Wayne Barlow, four miles west of Earth said 2.15 inches of rain fell in the area around where he lives.

R.L. Barber at Foster Fertilizer said .9 inches was measured at the fertilizer company east of Lazbuddie, with some farmers south of the fertilizer plant measuring up to one and one-half inches. He said bugs are still presenting a problem in irrigated fields around Lazbuddie.

Mrs. Bill Jim St. Clair, northeast of Muleshoe, said they received around one inch of rain in the Sunday night rain and crops look good in that area.

Telephone conversations with farmers surrounding Muleshoe shows a decided optimistic attitude following the overall general rains over the weekend.

South Texas, the engineer says, has a reputation for producing mild, sweet onions. The product is in good demand in early spring, since Texas is the only state where onions are harvested for two to three months each year.

"The major criticism of Texas' short-day onions is their keeping quality," LePori said. "Sometimes the onions deteriorate in shipment, and this is primarily due to improper curing caused by bad weather conditions."

Most onions are field-cured in sacks. He said high humidity and warm temperatures often exist at harvest time, and such conditions can bring on infection of bulbs with decay organisms. Rainfall also boosts loss risks.

Keeping qualities of Texas onions must be improved to maintain stable prices and good markets, LePori said, and this is where air-drying comes in. The A&M engineer is the main figure in development of the widely publicized onion harvesting machine, which digs, lifts, tops and conveys bulbs to bulk bins. His air-drying project complements the machine.

LePori's co-worker is Horticulturist Paul Leeper of the A&M Agricultural Research and Extension Center at Weslaco. Judging from tests done so far, heated forced air can be used to adequately condition bulbs for grading, LePori says bulb maturity appears to be the most important factor affecting conditioning time.

"But with air flow rates of about 7 cubic feet per minute per cubic foot of onions, and air temperature maintained at 95 degrees, freshly harvested onions can be conditioned in 48 hours or less," he added.

He also pointed out that natural air could probably be used much of the time for drying except when humidity is high.

Chase...

Cont'd. From Page 1

chasing, both in the automobile and on foot. The man was jailed pending hearing on the multiple charges against him.

OFFICERS CHECK FATAL TRUCK--Texas Highway Patrolmen Joel Young (looking in cab of truck) and Gene Sisemore (checking for bloodstains) check this truck which veered out of control Saturday night. When the truck went out of control, the youth driving the truck was slung out on the highway and lost his life approximately five and one-half miles east of Muleshoe in Lamb County. Raul Lopez Jr., 19, had lived in Friona only six weeks prior to the accident which claimed his life. Two passengers in the truck were uninjured.

Toll...

Cont'd. From Page 1

the left and stuck his car in a water filled ditch. Neal, who is an orderly at West Plains Memorial Hospital, immediately began working on the youth on the highway. He drove a borrowed pickup into the sandhills to get his mother, Mrs. Harold White, who was chaperoning a Babe Ruth picnic nearby and returned to try to assist Lopez. Meanwhile, Randy and the man who witnessed the accident were directing traffic.

Neal got two towels from his car and put one under the young man's head and used the other to wipe blood from his mouth while waiting for the ambulance to arrive. When the young man appeared to stop breathing Neal administered artificial respiration, but to no avail. The Lopez youth was pronounced dead on arrival at West Plains Memorial Hospital of massive head injuries.

Raul Lopez Jr. had lived with his parents, Mr. and Mrs. Raul Lopez Sr. in Friona for the past six weeks. He was born on July 31, 1951 in Edinburg and formerly lived at Alamo. He was a student at Donna High School and was a catholic.

Other survivors include his grandparents, Mr. and Mrs. Guadalupe Lopez of Alamo and Mr. and Mrs. Jesus Cerna

of Pharr; four sisters and ten brothers.

His body was taken to the DeLeon Funeral Home in Pharr for services and burial in Alamo. Local arrangements were under direction of Singleton Funeral Home in Muleshoe.

Two passengers in the truck were shaken up but received no injuries.

An interpreter had to be secured before officers could talk with the two young men in the truck. They spoke no English.

At the same time THP officers were working with the Lopez fatal accident, which happened just three feet out of Bailey County in Lamb County,

individual coaching and each boy gets to play.

With the eighth grade divided into A and B teams, each boy has more individual coaching and more players participate in the games.

Ninth grade will not play against varsity. They will play their own outside schedule and have their own dressing room. The athletic director said they will be coached by varsity coaches. He added that last year's ninth grade football team lost only one game.

"This year," continued Hedgecock, "it will be the same way for sophomores. They will not play against varsity, nor will they just hold the dummies for the varsity team to paractice."

"Sophomores will play their own schedule against out of town teams and will be coached by varsity coaches."

"The elimination of the sophomores from the varsity team will create a depth problem for varsity in the transition. We may not have a large number of players on varsity, but the outstanding quality of the 1970 varsity team will be tremendous," he added.

Hedgecock concluded, "We intend to teach, preach and talk success to our players at all times. I personally would appreciate people backing the Mules this fall and would certainly appreciate any encouragement which is offered to our boys."

Nickel Finds Many Uses

Nickel is one of the most versatile elements in the world. Fully 820 million pounds of it were consumed in the free world in 1969, and the major uses were for consumer, residential and institutional products. Industrial and transportation equipment came next, followed by the automotive industry, which ranked third.

roads and turnpikes, or in aid thereof.

"(c) Notwithstanding the provisions of Subsection (b) of this Section, bonds may be issued by any county in an amount not to exceed one-fourth of the assessed valuation of the real property in the county, for the construction, maintenance, and operation of macadamized, graveled, or paved roads and turnpikes, or in aid thereof, upon a vote of a majority of the resident property taxpayers voting thereon who are qualified electors of the county, and without the necessity of further or amendatory legislation. The county may levy and collect taxes to pay the interest on the bonds as it becomes due and to provide a sinking fund for redemption of the bonds."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxpayers electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

city officers were checking an accident on Highway 84 in Muleshoe.

Moderate damage was sustained by an automobile driven by Rufus Gilbreath, who was backing out of the store parking lot and was struck by an auto driven by Mrs. Ruby Garner. There were no injuries.

At 2:30 Sunday afternoon, a minor accident in the 500 Block of West Third Street also left minor damages according to investigating officer, Muleshoe Police Chief Harold White.

As an aftermath of a hit and run Sunday afternoon, a Littlefield woman was jailed by Texas Highway Patrolman Joel Young and charged with driving while intoxicated.

The Littlefield woman was stopped by Young and Muleshoe City Police Chief Harold White at the east edge of Muleshoe after a call from Sudan saying the woman had struck a car driven by Walter V. Rinehart of Abilene. Allegedly the woman did not stop.

A man who was driving behind the Rinehart car followed the woman to Sudan where he stopped and called the Bailey County Law Enforcement Center.

Another hit and run accident was logged at 8:41 p.m. Sunday. According to the police log at the law center, a man reported that a car occupied by two boys had hit three cars at the East Side Courts just outside Muleshoe on east highway 84 and did not stop. He said several children were playing near where the hit and run occurred.

Bailey County Sheriff Dee Clements and other officers sought the youths but they had not been located by Monday afternoon.

Two cars were involved in a minor fender-bender at a local restaurant Monday at noon where slight damage and no injuries occurred.

Sculptor Selects Stainless

Twenty-four constructions in nickel stainless steel, erected by the American sculptor George Rickey, were exhibited recently in the Boymans-van Beuningen museum in Holland. The main exhibit was two 49-foot rectangular stainless steel arms that rock gently in the breeze on a 20-foot-tall pylon. To guard against accidents, Rickey had an engineer check the balance of the structure.

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER FIVE ON THE BALLOT (HJR28)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 52, Article III, Constitution of the State of Texas, be amended to read as follows:

"Section 52. (a) Except as otherwise provided by this section, the Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company.

"(b) Under Legislative provision, any county, any political subdivision of a county, any number of adjoining counties, or any political subdivision of the State, or any defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include, towns, villages or municipal corporations, upon a vote of two-thirds majority of the resident property taxpayers voting thereon who are qualified electors of such district or territory to be affected thereby, in addition to all other debts, may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of such district or territory, except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this Constitution, and levy and collect taxes to pay the interest thereon and provide a sinking fund for the redemption thereof, as the Legislature may authorize, and in such manner as it may authorize the same, for the following purposes to wit:

"(1) The improvement of rivers, creeks, and streams to prevent overflows, and to permit of navigation thereof, or irrigation thereof, or in aid of such purposes.

"(2) The construction and maintenance of pools, lakes, reservoirs, dams, canals, and waterways for the purposes of irrigation, drainage or navigation, or in aid thereof.

"(3) The construction, maintenance and operation of macadamized, graveled or paved

GRADUATES . . . Miss Sandra Garlington, daughter of Mr. and Mrs. W.C. Garlington, 206 W. 10th, Muleshoe, will graduate from West Texas State University, Thursday, August 13. She will receive a degree in Elementary Education. She served as Student Senator one year and was a member of Chi Omega Sorority, where she held offices for three years. This past year she was pledge trainer. She is a 1966 graduate of Muleshoe High School.

Gray's Host Sunday Supper

Mr. and Mrs. Jessie Gray Farwell, and Mr. and Mrs. Robert Shedd and children of Farwell, Sisemore and Young are from the Highway Patrol of Muleshoe, and Greer and Shedd are from the Highway Patrol of Farwell. Gray is a Highway Patrolman in Marshall, Texas.

Mr. and Mrs. Gene Sisemore and children, Mr. and Mrs. Joel Young and daughter, Mr. and Mrs. Mike Greer and children,

Miss Sledge, Winningham United In Hale Center

Marriage vows were pledged Saturday evening in First Baptist Church of Hale Center by Miss Mary Scharlene Sledge, daughter of Mr. and Mrs. Charles H. Sledge, and Don Jay Winningham, son of Mr. and Mrs. B.H. Winningham of Muleshoe. Rev. Walter M. Bartholf Sr., minister of First Christian Church in Muleshoe, officiated the double ring ceremony.

Presenting a program of selected music were Miss Monica Ross, organist, and Miss Vicki Turner, soloist.

Mrs. Terri Bohler was matron of honor and Miss Virginia Carr was bridesmaid. Sherry Nivens, cousin of the bride, and Carla Cotton of Tulsa, Oklahoma, her niece, were flower girls. Other cousins of the bride who acted as candelights were Donnie Weil of Earth and Brenda Steward.

Best man was Mike Burrison of Muleshoe. Richard Stevens of Earth, cousin of the bridegroom, was groomsmen. Ushers were Gary Stewart, the bride's cousin, and Jimmy Bohler.

Given in marriage by her father, the bride wore a brocade gown featuring a Florentine neckline and long petal point sleeves. The empire waist terminated in a front bow with streamers. The controlled skirt was enhanced by a chapel train of English illusion, the tiered bridal veil was attached to a satin bow that was accented with a lace medallion and seed pearls. The bride carried a cascade bouquet of

gardenias and white carnations atop a white Bible.

Her attendants wore pink linen dresses of empire styling and puffed sleeves. The dress front featured a velvet bow and streamers. They varied in color: one was blush pink, the other rose. Head pieces were brief pink illusion veils attached to organly gladiolas.

Following the wedding, a reception was held in Fellowship Hall of the church. Assisting with hospitalities were Mrs. Burt Weil of Earth, Mrs. Glen Thomas and Mrs. Winfred Nivens.

The table was laid with a white lace cloth over pink and decorated with the bride's bouquet flanked by two silver candle-

holders bearing pink tapers.

Both of the newlyweds are students at West Texas State University. The bride is a 1969 graduate of Hale Center High. She is classified as a sophomore.

A graduate of Muleshoe High School, Winningham has a bachelor of science degree from WT and a graduate assistantship in geology. He is affiliated with Alpha Phi Omega and West Texas State Geological Society.

Upon return from a wedding trip they will live in the Varsity Apartments, Apt. 25, in Canyon.

The bridegroom's parents hosted the rehearsal party.

DAVID WILLEBRAND and fiancée, MELINDA RITCHIE

Former Residents Have New Son

Mr. and Mrs. Bob Breckenridge, former Muleshoe residents, are the parents of a son born Friday, August 7, at 5:30 a.m. in Mesquite. He weighed nine pounds and 14 ounces.

Breckenridge, who was a former choir director at Muleshoe High School is now attending Osteopathic School in Fort Worth.

Miss Sherry Moore Honored At Shower

Miss Sherry Moore, bride-elect of Ronnie Barrett, was honored with a lingerie shower, Monday, August 3, from five to seven p.m. in the Muleshoe State Bank Community Room.

The serving table was decorated with a white linen cloth and the center piece was a blue and green floral arrangement.

Green punch and wedding cookies were served by Miss Sammie Mardis. Registering guests were Miss Suzanne Barrett, sister of the prospective groom.

Hostesses were Miss Kay Douglass, Miss Susan Wood, Miss Vicki Julian, Mrs. Sharon Davis, Miss Vanda Spurgeon and Miss Ricki Richardson.

Hostess gift was a negligee, robe and gown set.

Bridal Shower Honors Miss Melynda Ritchie

The Oklahoma Lane Community Center was the scene of a bridal shower honoring Miss Melynda Kaye Ritchie, and her fiancé David Willebrand, Tuesday night August 11, at 8:30 p.m.

Cynthia Dobbs of California, Mrs. Michael Camp and Ellen Herrington served cookies and tangerine colored punch to the guests from a table laid with a white net cloth applied with white satin wedding bells over a tangerine cloth. The floral arrangement was also in the honoree's chosen colors of tan-

gerine and white.

Miss Becky Ritchie, sister of the honoree, registered the guests.

Special guests were Mr. and Mrs. Roy L. Ritchie, parents of the bride-elect, Mr. and Mrs. Gene Dobbs, Mr. and Mrs. H.W. Herrington, grandparents of the bride-elect and her sister, Mr. and Mrs. Fred Followell from Oxford, Mississippi.

Hostesses for the occasion were Mrs. Sam White, Mrs. Jesse Stancell, Mrs. David White, Mrs. James Curtis, Mrs.

Gerald Curtis, Mrs. Leamon Stancell, Mrs. James Ensor, Mrs. James Robertson and Mrs. A.D. Stancell.

The couple plans to be married Saturday, August 15. They are both serving in the United States Air Force in California.

Three Way News

By Mrs. H.W. Garvin

Mr. and Mrs. H.W. Garvin were dinner guests in the Johnnie Wheeler home Sunday evening.

Students Attend Speech Workshop

Greta Bamert and Joe Duke attended a Summer Speech Workshop July 19 - August 1 at Stephen F. Austin State University at Nacogdoches, Texas. Greta and Joe were both participating in Drama.

The final program was presented on Saturday morning, August 1. Joe presented his duo-acting scene - "The Tam-

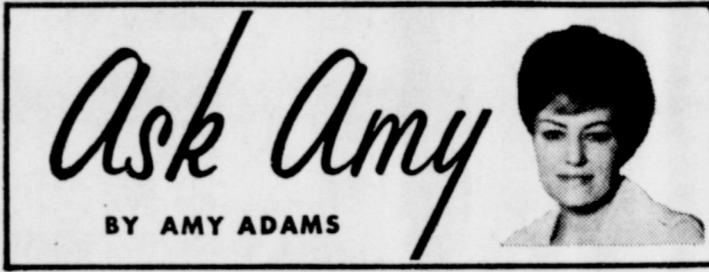

ing of the Shrew" by Shakespeare. Greta presented her duo scene, "The Homecoming" from "Morning Becomes Electric" and also her one-act play, "Please, No Flowers".

At the awards assembly Joe received the "Best Actor" award and Greta received a scholarship to return to the workshop next summer.

YL WSCS Meets Hears Report

The Women's Society of Christian Service of the YL United Methodist Church met August 10 at the church.

President, Mrs. D.B. Head, opened the meeting with scripture followed by a prayer led by Mrs. Aaron Mitchell. Mrs. Bobby Newman reported a note of appreciation had been received from the Heart and Hand House in the Appalachian mountain area for the boxes of clothing sent by the ladies of the WSCS.

SATURDAY NITE IS FOR GUYS & DOLLS

Dear Amy:

My girl and I have been dating now for 8 months. We're both in our early twenties and see each other Friday night, Saturday night and Sundays. Sometimes, we even see each other during the week.

A couple of boyfriends of mine asked me to go out with them on a Saturday night and I said no because I see my girl. Well, they asked again recently (and I felt funny always saying no) so I told them I would.

When I told my girl, she hit the ceiling and would hardly talk to me. She said that Saturday nights a guy spends with his girl, not with the guys. If it were Friday, she could see it, but not Saturday night. She also said that if I would prefer to be with these guys on a Saturday night, then I could just find another girlfriend.

Well, she's calm now, but I know she's still hurt. I told her I wouldn't go if it upset her so much, but she said to go and do whatever I wanted to do and that she couldn't care less.

Amy, am I wrong in wanting to spend a Saturday night with the guys? I happen to love my girl a great deal and I know I could never find any other girl like her. I dated a lot while I was in the service and those girls didn't hold a candle to her and I've never dated anyone since we have been dating.

If I'm wrong about going out with the fellows on Saturday night occasionally, then I won't. I don't want to hurt her or loose her. It took me too long to find a girl like mine.

Jim

It pleases me to know there are good boys still interested in good girls. Boys of that caliber are the kind I like.

A.W.

Dear A.W.:

The letter which you read in my column from the "Social Rejects" was, in my opinion, such a growing problem with young girls today that I chose to print it in an effort to show these girls that they were wrong.

The letters I received from the boys, which you read in my column, proved my point.

Frankly, I do not have hundreds of nice boys hidden away to fill the hundreds of requests I received through the mail, but they are all around you. It's up to you to continue to be discriminating and find them! And believe me, they are there!

Your experiences up till now may have been disappointing. However, until you find boys who admire you like you for what you are and what you stand for, don't give into the other kind. They are not worth having as friends under any circumstances.

PERSONAL TO Nylons:
Regardless of what you say you aren't, you obviously are something which is not normal. You need a psychiatrist on the double!

PERSONAL TO A Dog-Lover:
I have carried out your request but can't possibly print your letter unless you condense it. It was long on lines, and I'm short on space.

PERSONAL TO R.S.V.P.:
If you have put up with such physical and mental torture for 25 years, don't expect a miracle to change him now. The decision to stay with him is yours, but why should you unless you enjoy being battered around and abused. No one you have talked to can help you. You must help yourself!

Address all letters to:
AMY ADAMS

ANNOUNCEMENT
Charles L. Pummill, M.D.
Will Terminate His Practice Of Medicine And Surgery In Muleshoe
Friday, August 28, 1970

Former Area Resident Receives Award

A former Muleshoe resident and graduate of Muleshoe High School received the "Community Service" award last weekend from the West Texas Chamber of Commerce.

Bill Ellis, 1955 graduate of MHS and currently a newspaper publisher in Friona, was presented the award at the annual convention of the West Texas Press Association in El Paso. F.V. Wallace, of Amarillo, presented the award on behalf of the West Texas Chamber of Commerce.

Ellis was cited for his role in helping the city of Friona solve some of the problems it has experienced since the opening of Missouri Beef Packers, such as housing. He also is a member of the Friona city council, and is immediate past president of the Panhandle Press Association.

Ellis was associated with the Muleshoe Journal prior to taking a position with the Friona Star in 1962. He purchased the

newspaper in 1968.

His grandparents, Mr. and Mrs. Willie Ellis, live at 1907 W. Ave. F in Muleshoe.

ESA Members Attend Seminar

On August 8, Mrs. Jack Rennels and Mrs. Cecil Campbell attended the Texas State ESA Leadership Seminar in Amarillo, Texas.

It was held at the Howard Johnson Motor Lodge.

President of the host chapter, Mrs. Frank Matthew, is formerly from Muleshoe where she was a member of Epsilon Chi.

RECEIVES AWARD . . . F.V. Wallace, president of West Texas Chamber of Commerce presents the Community Service Award to Bill Ellis, publisher of the Friona Star, and formerly of the Muleshoe Journal. Mrs. Ellis is pictured with her husband.

WON TRIP . . . Western 66 Company, Inc., Muleshoe, Texas won a trip to the Sea Gun Sports Inn at Rockport, Texas July 30, 31 and August 1 for outstanding sales of Olin agricultural chemicals in their area. Thirty-eight Olin dealers and their wives from West Texas and New Mexico attended the business-recreation conference. Pictured above are from left to right: K.M. Sears, Olin Sales Representative; Mr. and Mrs. Joe King; Mr. and Mrs. Willie James and Mr. and Mrs. Deryl White, District Sales Manager, Lubbock, Texas. Willie James was named champion fisherman.

LED REVIVAL . . . Two sons of Three-Way School Superintendent and Mrs. Dan F. Rankin are shown with Rev. Joe Rice, pastor of the Marksville, Louisiana, First Baptist Church, where they led revival services in July. Frank Rankin, left, has just completed two years of active service in the U. S. Marine Corps, with 13 months in Vietnam. Danny Rankin is a senior at Howard Payne Baptist College in Brownwood, where Frank will enroll this month.

Feature Wheat Products In August Menus

COLLEGE STATION-- Feature bread and other wheat products in your August menus, suggests the Texas Agricultural Extension Service.

Wheat products head the plentiful foods list for August as compiled by the U.S. Department of Agriculture. This year's stocks of wheat, figured at 1.2 billion bushels, is the largest on hand since 1964.

Again the wheat industry has proclaimed August Sandwich Month which ties in with special emphasis given wheat by USDA.

Other foods reported plentiful by USDA's Consumer and Marketing Service are fresh summer vegetables, watermelons, fresh plums, peanuts and peanut products.

Make watermelon a regular in your summer meals. It's tasty in fruit salads, desserts -- and just for eating out of hand. There's no end to the number of

Ward's Host 4-H Clubs

SPECIAL-- One of the nation's oldest and largest retailers, and one of the oldest backers of 4-H, is still young at heart. Montgomery Ward has been host and benefactor of 4-H youths, their parents and club leaders for nearly half of its 98-year existence.

"Wards keeps a few steps ahead of changing times and needs of young people," says a 4-H spokesman. This has been noted particularly in its sponsorship of the national 4-H consumer education-home economics program in which 1.3 million girls and boys are enrolled. That is more than half the total 4-H Club membership.

Set up and supervised by the Cooperative Extension Service, the program places strong emphasis on managing money, get-

ting the best value for every dollar spent, and knowing when and where to buy.

By 1973 teenagers will have \$20,000,000,000 (that's \$20 billion) a year to spend, \$2 billion more than they are spending now. With nationwide attention given to "protecting" the consumer, the 4-H consumer education program is doing just that.

A variety of activities are undertaken to show young people how to evaluate purchases. They go on tours of local department, self-service, appliance and furniture stores, super markets, and even through the pages of Wards' catalog.

They examine merchandise, compare price, note weights, measurements, workmanship and quality. The 4-H'ers who are engaged in sewing or cooking projects practice comparative shopping by checking ads for special sales.

The modern program shows the "now" generation what buy-manship is all about, and it helps prepare the teens for future roles of homemakers and parents.

Enochs News

By Mrs. J.D. Bayless

Visiting in the home of Mr. and Mrs. J.B. Vanlandingham Thursday and Friday were their son, Rev. and Mrs. Charles Vanlandingham from Raton, N.M. and their grandson, Mr. and Mrs. Travis Vanlandingham and son from Larnie, Wyo.

Other guests Saturday and Sunday were her sisters, Mrs. Della Ables, Mrs. Lena Eades and Tommie Ranley all from Shawnee, Okla.

Miss Kathie Brasher of Houston, became the bride of James Gillard also of Houston, June 30, 1970. She is the daughter of Mrs. Kenneth Montgomery of Plainview, and the granddaughter of Mr. and Mrs. W.M. Bryant of Enochs.

Mrs. Terry Turner and children, Kelly and Ronald of Las Cruces, N.M. are visiting her parents Mr. and Mrs. C.R. Seagler this week.

Mr. and Mrs. C.C. Snitker were in Brownfield, Friday to visit her sister, Mrs. Clara Peck who is ill.

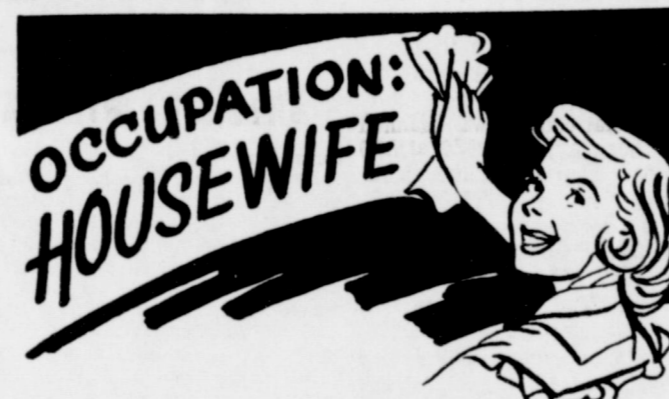

Dinner guests in the home of Mr. and Mrs. R.P. McCall Sunday were her mother, Mrs. Lorean Crockett of Morton, and their daughters, Mr. and Mrs. Burley Roberts and children of Enochs and Mr. and Mrs. Dennis Medlin and children of Brownfield.

Milton Scillian from Hitchcock, Texas visited his mother Mrs. Scillian at the home of his sister, Mr. and Mrs. E.C. Gilliam Friday till Wednesday.

Mr. and Mrs. J.W. Layton took his brother and wife, Mr. and Mrs. John Kelley to Cleburne, Tuesday, where they spent the week visiting their brother, Mr. and Mrs. Frank Layton.

Raymond Austin was able to come home from the Medical Arts Hospital in Littlefield, Monday, where he has been a patient with a broken arm.

Carl Hall received word Sunday morning that his brother, Dan Hall suffered a heart attack at 3:00 a.m. and died Sunday night. Mr. and Mrs. Carl Hall and their son, Mr. and Mrs. Benny Hall were in North Dakota, in the wheat harvest at the time of his death. Fun-

eral services are pending.

Mrs. Clyde Price visited her sister, Mr. and Mrs. Theo Campbell at Las Cruces, N.M. Sunday till Tuesday.

Mrs. H.B. King spent the weekend in Dumas with her mother Mrs. Clara Childers to attend her niece, Susan Gilberts bridal shower Saturday afternoon. Her and her mother attended the old settlers barbecue Saturday night.

Mr. and Mrs. Kenneth Davis of Houston, were guests in the home of Mrs. Olive Angel Sunday afternoon.

Tom Byars of Lubbock, visited his parents, Mr. and Mrs. C.H. Byars Sunday.

Mr. and Mrs. Larry Bowers and son Ty of Levelland, visited her mother, Mrs. Alta Salyer Sunday.

Mrs. Edd Autry went home with her daughter, Mrs. Billy West last week and she visited her sister, Mrs. Mamie Chambers at Burk Burnett, over the weekend.

Visiting in the home of Mr. and Mrs. Arnold Archer Tuesday and Wednesday was her brother Buster Hubbard from Lakewood, California. Lawrence Hall of California also visited Tuesday afternoon, supper guests Wednesday night were her brothers Mr. and Mrs. Pete Hubbard of Lubbock, Mr. and Mrs. John Hubbard of Bula, Buster of California, her sister, Mrs. Bertha Roberts of Morton, and a nephew, Mr. and Mrs. Burley Roberts and family.

Mrs. W.M. Bryant was admitted to the Medical Arts Hospital in Littlefield, Wednesday August 12, for tests and X-rays.

Mr. and Mrs. Larry Pollard and family of Lamesa and Mr. and Mrs. Lamar Pollard and family of Levelland, spent the weekend with their parents, Mr. and Mrs. Loyd Pollard, and they all attended the reunion of the J.M. Phillips families at the American Legion Hall in Muleshoe, Sunday August 9. Everyone carried lunch for the noon meal, all the children were present but one. There were 70 in attendance from Willsboro, Plainview, Littlefield, Hart, Dimmitt, Lamesa, Levelland, Lubbock, Muleshoe, Bula, Amarillo, and Rogers, N.M.

Bird Season Bag Limits Are Announced For 1970

INTERIOR ANNOUNCES SEASONS AND BAG LIMITS FOR BAND-TAILED PIGEONS, WOODCOCK, RAILS, GALLINULES, SNIPES AND DOVES. Hunting regulations for band-tailed pigeons, woodcock, rails, gallinules, common snipe and doves this fall and winter will be slightly more liberal than last year, according to Assistant Secretary Lellie L. Glasgow, who heads the Interior Department's programs for fish, wildlife and parks.

Surveys by Interior's Bureau of Sport Fisheries and Wildlife and State wildlife agencies showed little change in populations of most of these game birds. States in the Eastern dove management unit again may choose a bag limit for mourning doves of 18 daily and 36 in possession, in an experiment to measure the effect of hunting regulations on this species.

Because of a 48 percent increase in the breeding population, the season length on white-winged doves in Texas is increased from two to four half-days. Daily bag and possession limits remain 10 and 20. The experimental nine-day season for band-tailed pigeons is continued in New Mexico and Arizona, and expanded to include portions of Colorado and Utah. Limits remain five and 10 and special permit requirements continue.

The limit on white-winged doves is reduced from 25 to 10 in Arizona because of poor habitat conditions. Habitat is being destroyed by the clearing of trees and shrubs from along streams. The season length on Wilson's snipe is increased from 50 to 65 days and the framework closing date is extended from January 31 to February 15 for Wilson's snipe and woodcock. Limits remain unchanged.

Specific information on seasons may be obtained from State fish and game agencies. Full details of the Federal "framework" regulations were published in the Federal Register.

News of Our SERVICEMEN

James Odom

CLOVIS, N.M.-- U. S. Air Force Staff Sergeant James R. Odom, son of Mrs. Doris G. Odom, 204 E. K St., Erwin, N. C., has arrived for duty at Cannon AFB, N.M.

Sergeant Odom, an administration supervisor, is assigned to a unit of the Air Force Communications Service which provides global communications and air traffic control for the USAF. He previously served at Seymour-Johnson AFB, N.C. The sergeant has completed a tour of combat duty in Vietnam.

He attended Erwin High School and completed requirements for his diploma after entering the Air Force. His wife, Hope, is the daughter of W.W. Parker, Muleshoe.

Futures Trading Grain Market

Seminar Subjects

COLLEGE STATION--"Futures Trading -- A Grain Marketing Tool" seminar is scheduled for Aug. 25-26, 1970, at the Memorial Student Center, Texas A&M University. Enrollment will be limited to the first 50 registrants. John J. Seibert, Extension grain marketing specialist, has announced.

"Even though the purpose of the seminar is geared at answering questions related to futures trading operations of grain elevator managers, grain producers and feedlot managers, bankers and feed processors will also find the program helpful in their business operations," Seibert said.

Included among the first day discussions are the operation and functions of futures market, long-term trends in cash-futures price relationships, trading techniques and understanding and computing basis, Seibert said.

Topics for second day discussions include trading mechanisms, shifting some risk of price change to others, price discovery and futures trading as a grain marketing tool, Seibert said.

Co-sponsors of the two-day program are the Texas Grain and Feed Association and the Texas Agricultural Extension Service. More information along with registration forms and details may be obtained from local county agricultural agents or the Grain and Feed Association office.

South Plains College Slates '70 Orientation

LEVELLAND (Special)--All students who are entering South Plains College this Fall for the first time are required to enroll in Orientation III unless they have received permission from the Academic Dean to have this requirement waived.

All entering freshman students must report to Texas Dome at 9 a.m. Tuesday, August 18.

The purpose of Orientation III is to acquaint the student with the college and provide information that will be helpful to him as long as he remains in college.

Dr. Marvin L. Baker, college president, will extend the welcome after which students will go to assigned areas for group counseling.

Lunch will be served at noon and the program will continue until 3:30 p.m. Tuesday. On Wednesday, August 19, students are asked to report to Texan Dome at 8:45 a.m. and continue with orientation until after lunch in the college cafeteria.

This will conclude the two-day orientation.

Editorial

Campus Unrest

The President's Commission on Campus Unrest met recently, members and witnesses obviously aware of intense publicity being given the hearings. Most of the testimony and some of the statements of members of the commission pertained to the reasons and grievances student agitators and revolutionaries give as causes for their disruptions.

While everyone is willing to give students, even those who have taken the law into their own hands, a chance to explain their attitudes, the point which should be made and which is not being stressed by any commission member, as far as we know, is that the nation cannot and will not tolerate anarchy on its campuses.

The commission would serve the nation's interests if members made it clear to students that they, like older and wiser citizens, must abide by the law, and that they are not in a position to demand the country meet their ideals at once—under threat of anarchy or revolution.

Of course there are grievances today. There always have been. No generation of students has come along in a pink-cloud world. The Vietnam War, the major complaint today, is undoubtedly a dilemma. So was every war to many students. So was the depression of the thirties. But generally, students today are living in a time of unparalleled opportunity. They must learn to appreciate this fact and the fact that everyone in a democracy must obey the law.

John Tower United States Senate COMMITTEE ON ARMED SERVICES

DISASTER ASSISTANCE

Early this past week I was in Corpus Christi during the hurricane and observed the power and indiscriminate destruction of this hurricane called Celia. It was a disaster of tragic dimensions. Many of you saw parts of the destruction which resulted along much of the Texas Gulf Coast. Many of you fought the floodwaters resulting from the heavy rains brought by the hurricane.

Others of you too easily recall the tragedy of three previous disasters which Texas has suffered this year: the tornado which struck across parts of the Panhandle in mid-April, the tornado which dealt such a severe blow to Lubbock on May 11, and the heavy rains and flooding suffered in the San Marcos area only a few days later.

I made tours of the Lubbock disaster area and through much of the coastal area struck by Hurricane Celia. I know of the severe personal hardship caused by these disasters. As a result of Celia, public facilities have been severely damaged. Many are homeless. Storm debris poses potential health hazards. Private property, sometimes representing the labors of a lifetime, has been destroyed. Crops and farms have been left in ruin. Fishing boats upon which some have depended for livelihood are wrecked.

The severity of Hurricane Celia was evidenced by the same-day federal disaster declaration made by the President which immediately provided federal funds to supplement state and local resources in combatting the devastation.

We have not yet found any workable scientific means of stemming the force of a hurricane before it reaches land. In some areas, we have been able to build protective devices, but this is a slow and costly process. Where feasible, protective devices are of course wise. Even these, however, may be overcome by those hurricanes carrying the greatest force. It would take many years and many millions of dollars to provide the protective devices all along the Texas Gulf Coast which would be necessary to provide significant protection from a hurricane as strong as Celia.

For many years the federal government has been assisting Texas with a Gulf Coast Hurricane survey. This survey has already resulted in some protective devices in the Galveston area and other protective devices are being constructed

in Texas City, Port Arthur and elsewhere. Federal funds for this survey are being provided annually, and I expect the Congress to provide this year another \$500,000 for this effort. Eventually, it is anticipated that a degree of protection will be provided for all our urban areas along the coast.

In the meantime, we must utilize all the tools available to individuals and to local and state governments from the federal government to combat the immense task of recovery which follow all types of major disasters.

The arm of the federal government which can work most directly with the individual and has the power to act in emergency situations even without a Presidential disaster declaration, is the Small Business Administration.

Upon the Administrator's declaration of a disaster area, the SBA is empowered to make long-term, low-interest loans to individuals for the repair of private residential property and small businesses. Application for loans must be made by the individual, and the SBA itself determines the need of the applicant and the extent and interest rate of the loan.

Upon declaration of a major disaster area by the President, the whole weight of the capability for federal assistance comes into play. The Congress has empowered the Executive Branch to lend a broad variety of assistance to supplement state and local resources as dictated by the specific emergency situation, upon Presidential declaration.

The declaration issued in the aftermath of Hurricane Celia provides for assistance in the provision of temporary housing, unemployment compensation where the employee is out of work due to the disaster, relief and recovery work, debris removal, restoration of publically-owned utilities, and repair and replacement of streets, bridges and other public facilities.

Our disaster assistance laws are also being improved. Right now, the Senate Public Works Committee is reviewing our current disaster assistance laws and comparing them with the needs we have encountered in our recent major disasters to insure sufficient federal assistance.

In the mean time, however, we must utilize the tools available. I urge all those who face rebuilding needs with insufficient resources to make application for federal loan assistance.

WASHINGTON NEWS REPORT

O'Donnell Speaks— A New Version— Mansfield Boost— Doubts Expressed—

Washington, D.C.—Kenneth O'Donnell, once a power behind the throne in the John Kennedy regime, has finally spoken out in print. He is one of the last of the close intimates of the President to bare the secrets he was a party to in the White House.

The old Kennedy gang is now split, and some of the anti-O'Donnell faction doubt "Kennedy's" memories. But there can be little doubt that O'Donnell was very close to the late John Kennedy, as his appointments secretary. (Those who cast doubt on O'Donnell's memoirs suspect he was such an ardent partisan of the late President he couldn't view events with an objective eye.)

A reading of O'Donnell's recollections shows President Lyndon Johnson was surrounded by Kennedy men who really didn't like him in his first months in the White House, including O'Donnell. Moreover, it is widely known that O'Donnell was unable to hide his bitterness for the Johnson entourage in the first tragic hours after the President's assassination at Dallas, and on the plane returning Kennedy's body and the new President to Washington.

One of the interesting notes struck in the revelations is the boosting of Mike Mansfield, the Montana Democrat now Senate Majority Leader. O'Donnell claims Mansfield had convinced Kennedy Vietnam was all a mistake and that Kennedy would have withdrawn all U.S. troops from that country in 1965. (Kennedy was the man who first sent U.S. troops into combat in Vietnam, reversing Eisenhower policy of staying out of U.S. shooting involvement.)

He also claims President Lyndon Johnson wanted to dump Hubert Humphrey as his potential Vice President candidate in favor of Mansfield. He says the late Bobby Kennedy delayed announcing for the Senate in New York for two months to allow Humphrey people to continue to use Johnson's fear of a Bobby Kennedy push for the job as a boost to Humphrey's chances.

O'Donnell gives an unusual

All letters to the editor of reasonable length are welcome and will be published. Letters to the Editor must be signed, however, names will be withheld upon request.

version of Kennedy's selection of Mr. Johnson as his running mate in 1960 (and one widely doubted). He says Kennedy chose Johnson to get him out of the Senate where he was Majority Leader, to "tuck him away" in the Vice Presidency where he could do no damage.

The O'Donnell tell-all stirs controversy and speculation. He is, of course, a candidate for public office and the revelation brings him back into the public eye. But the Larry O'Brien faction of the old Kennedy gang doesn't agree with some of Kennedy's memories. There is distrust between the factions.

But one thing is clear; never

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm claims he's trying to set a new trend, but there may be other explanations.

Dear editor: I had just settled down on my front porch yesterday reading a newspaper and had already finished one article reporting Congress was about to set a limit of \$55,000 per farm in government payments next year which I thought was fair, I believe I can just about meet expenses with that amount, it sure beats what I'm getting now, and had wondered to myself, after hurriedly reading that Chet Huntley, on retiring as a television newscaster to open up a tourist attraction in Montana, said he found astronauts boring, if he'd find tourists real exciting -- the one that came by this Johnson grass farm the other day asking directions to Muleshoe didn't seem like he'd be too interesting to know permanently -- anyway, to get on with this sentence which is getting out

WASHINGTON NOTES

DRAFT AND 1970
The draft calls for the rest of 1970 are expected to return to the pre-Vietnam levels of less than 10,000 a month. Defense Secretary Melvin R. Laird reported draft calls for the first seven months of 1970 totaled 124,500.

D.C. CRIME BILL
The Senate has approved and the President has signed the controversial District of Columbia crime bill. It is the first crime bill that Congress has sent the President since he took office 18 months ago.

PHILIPPINE WITHDRAWAL
The Defense Department has announced it will withdraw about 6,000 servicemen from the Philippines before next June. Most of the withdrawals will be Air Force personnel and will leave the United States military strength there at 18,400 men.

CONTINUED SESSION
Senate Democratic Leader Mike Mansfield said recently a post-election session of Congress to deal with electoral reform and the defense budget is a virtual certainty. Mansfield told newsmen he expected lawmakers to return to Washington for an indefinite period in November after a two-week recess beginning Oct. 15.

THE F-111 AGAIN
The F-111 warplane grounded since last December because of operational problems has been returned to the Strategic Air Command at Carswell Air Force Base, Texas, after passing required tests. More than 200 of these planes are expected to be back in service by December.

Crop Pay Limitation

Boosted From \$20,000

Defeat of the \$20,000 per crop limitation on farm payments under the House-passed farm bill August 5 was the result of an exceedingly strong effort from all concerned, according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, Johnson, who was on the scene, said industry representatives, USDA and leading members of Congress on both sides of the aisle worked tirelessly in diluting support for the lower limit and to make it possible to retain the \$55,000 per crop limit sponsored by the House Ag Committee. He added "We are highly grateful to our own Texas Representatives and to others in Congress who gave such solid support when it was so badly needed."

Johnson noted that all of those voting from the Texas delegation voted with House Ag Committee Chairman Bob Poage of Waco and said "This is quite a tribute to Mr. Poage and to our Representatives' ability to understand the severe effects a low level payment limit would have on the nation's largest industry."

He also had special praise for 19th District Congressman George Mahon, Chairman of the House Appropriations Committee, saying that Mr. Mahon "used his influence energetically and unflinchingly in fighting off the lower payment limit." Also singled out for recognition by Johnson were Congressmen Bob Price, Graham Purcell and George Bush of Texas, Speaker John McCormack, Majority Leader Carl Albert, Majority Whip Hale Boggs, Minority Leader Gerald Ford, Minority Whip Leslie Arends and Page Belcher, ranking minority leader of the House Ag Committee.

But Johnson cautions that this is not the last word and that many changes may yet be made both in the basic provisions of a farm law and in the type and level of a payment limit. The next hurdle of course is the Senate Ag Committee where Johnson pointed out that USDA and others, including Plains Cotton Growers, will be seeking to improve on the House version.

"But Johnson cautions that this is not the last word and that many changes may yet be made both in the basic provisions of a farm law and in the type and level of a payment limit. The next hurdle of course is the Senate Ag Committee where Johnson pointed out that USDA and others, including Plains Cotton Growers, will be seeking to improve on the House version."

"The new style in lawn grass," I explained, "Us high fashion people are letting it grow longer this year. Everything is longer this year, Hair is longer, Sideburns are longer, Dresses are longer, Wall Street brokers' faces are longer, Anybody with a crew-cut lawn just ain't with it. This is 1970, man."

"Uh-huh. Well, I guess I'd better be going," he said, and got up and left.

He never did say what he came for.

Yours faithfully,
J.A.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
General Election Nov. 3, 1970
NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:

"(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two years, one for four years, one for six years, and thereafter one member biennially. The Governor shall biennially designate one member as Chairman. Vacancies in the Commission shall be filled by appointment by the Governor for the unexpired term. The provisions of this paragraph shall be self-enacting."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
General Election Nov. 3, 1970
NUMBER THREE ON THE BALLOT (SJRI5)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 1-d, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 1-d. The Legislature shall have the power to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops rather than upon the value of such lands and the crop growing thereon."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
General Election Nov. 3, 1970
NUMBER TWO ON THE BALLOT (SJR10)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Subsection (a), Section 20, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"(a) The Legislature shall have the power to enact a Mixed Beverage Law regulating the sale of mixed alcoholic beverages on a local option election basis. The Legislature shall also have the power to regulate the manufacture, sale, possession and transportation of intoxicating liquors, including the power to establish a State Monopoly on the sale of distilled liquors."

"Should the Legislature enact any enabling laws in anticipation of this amendment, no such law shall be void by reason of its anticipatory nature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 3, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition:

"Repeal of the prohibition against open saloons found in Section 20, Article XVI of the Constitution of the State of Texas."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
General Election Nov. 3, 1970
NUMBER SEVEN ON THE BALLOT (HJR 22)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Subsection (a), Section 64, Article III, of the Texas Constitution, be amended to read as follows:

"Section 64. (a) The Legislature may by special statute provide for consolidation of governmental offices and functions of government of any one or more political subdivisions within any county. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these subdivisions, under such terms and conditions as the Legislature may require."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."
