Burglary Series Thot Cleared Up By Arrests

A series of burglaries of Ozona homes and businesses which has kept officers on the jump and householders with the jitters for the past several weeks is believed to have been solved with the arrest early this week of two men and two juveniles, charged in connection with the burglary of at least six Ozona homes and two places of business, the sheriff's department announced this week.

Charges were filed against Joe Molina, 26, and Juan Rodriguez, Jr., in Justice of the Peace A. O. Fields' court.

Molina is charged with burglary and Rodriguez with receiving and concealing stolen property. Bond has been set by Justice Fields at \$5,000 in each case.

Burglary of a number of residences and at the United Department Store has been charged against two juveniles, arrested by Sheriff Billy Mills, on an Ozona street shortly after Mrs. Hugh Childress, Sr., returned to her home to find that intruders had entered it and ransacked several drawers. Two flashlights taken from the home were found in possession of the boys.

Both have been turned over to juvenile authorities and are in custody.

A long and tedious investigation by the sheriff's department, aided by fingerprint experts from the Department of Public Safety, began to show results after the arrest of the two juveniles. Investigators followed leads uncovered in questioning of the two youths and evidence gathered in a painstaking search for the burglars, and later arrested the two men, Molina charged with burglary and Rodriguez with receiving and concealing some of the stolen property.

Molina was arrested Tuesday night in Fort Stockton and made a statement to officers here.

Most of the jewelry taken in the series of home robberies has been recovered, Sheriff Mills said. A diamond ring taken from the V. I. Pierce home has been recovered, and a watch taken in the burglary of the Lindsey Hicks home, and a jewel case with most of the jewelry taken from the Dempster Jones home was recovered. A diamond ring taken from the Hicks home has not been recovered, the sheriff said. Some of the loot taken from the W. E. Friend, Jr., home was also recovered.

Molina was under a two-year probation sentence issued in 112th District Court here April 13, 1964, on a charge of burglary of the Ranch Feed & Supply Co. store.

Shortly before the outbreak of break-ins, Sheriff's Dept. officers were harassed by a series of "purse snatchings" — from parked cars. This was apparently brought to an end with the arrest of three other juveniles. They are also in the hands of juvenile authorities and awaiting disposition of charges.

Lions Sparkle To 23-0 Victory over Bronte L'horns

The Ozona Lions presented new Lion coaches Sam Mosley and Bill Gerber with victory number one Friday night as a large Ozona crowd watched the Lions blank a hard fighting Bronte eleven by the score of 23-0. Ozona was nursing a nine point lead as the fourth quarter opened, but Lion halfback George Cox cut loose with two long scoring jaunts of 79 and 65 yards, and the Lions coasted to their first gridiron win of the year, evening their record at 1-1.

Ozona scored in the first quarter after the Longhorns were stopped inside their own ten yard line. Bronte halfback Boyce Lee, attempting a quick kick, was covered by the Lion forward wall and did not get the kick away, with Ozona recovering at the seven yard line. Quarterback Billy Carson hit Pon Seahorn with a pass over the middle, and Seahorn lunged in for the score. Beto Ramos added the extra point, and the home team went ahead 7-0.

In the second quarter, after holding the Lions at the one, Bronte again attempted to punt out of danger. This time the Lions swarmed in to block the kick. When the ball rolled out of the end zone, the Lions were given a safety, making the score 9-0 at the half.

After a scoreless third quarter, it was the Lions' ball at their own 21 yard line. Taking and the handoff from quarterback Cason, Cox skirted right end, picked up a (Continued on Last Page)

Award Contract For Construction Of New Theatre

Contract has been awarded for reconstruction of the Ranch Theatre, recently almost completely destroyed by fire, Bernie B. Adwell, owner, announced this week.

Bill Taylor, Ozona contractor, has been awarded contract for the work and has indicated that he expects the building to be ready for occupancy by December 1. The rebuilding is expected to cost approximately \$30,000.

The theatre interior was completely gutted by the fire and a quonset type metal building which formed the rear extension of the structure was salvaged and sold to Joe Bean for a ranch building. The front of the building, of masonry construction, was damaged but will be repaired where needed and used as a part of the new structure. The quonset type building is to be replaced with masonry construction.

Mr. and Mrs. Glenn Sutton have returned from Brownwood where they were called to the bedside of Mr. Sutton's mother who was critically injured in a car wreck last month and suffered a stroke last Friday. She is somewhat improved.

Fort Lancaster Site Is Deeded To Crockett County By H. B. Cox Heirs

Like the ghost of a soldier of long ago who walked his guard post at this lonely outpost on the American western frontier, this barracks chimney and fireplace keeps its silent watch over the crumbling ruins of 111-year-old Fort Lancaster. With donation of site of the fort ruins to Crockett county, the way has been cleared for the preservation, maintenance and partial restoration of the historic fort.

'Nite In Mexico' Planned By South Elementary P. T. A.

South Elementary P. T. A. will have its annual "Una Noche En Mexico" carnival on Saturday, September 18, at South Elementary School grounds.

Everyone is invited to enjoy booths of games, such as fishing pond, ducklings, bingo, spinning wheel and refreshments booths with pop corn, cokes and the sweet sale.

The highlight of the carnival will be a barbecue supper with serving starting at 5:00 p. m. To top it all off, a dance, featuring the music of "The Blue Notes" from Ft. Stockton will begin at 9:00 p. m.

This annual event is the only fund raising project of the South Elementary P. T. A., and Bekie Diaz, president asks that everyone make a special effort to participate.

David Childress has enrolled as a student in the University of Texas at Austin.

Football Double Header Today at Lions Stadium

Ozona football fans will be treated to a football doubleheader this afternoon when the Ozona B team and the Junior High Cubs will entertain visiting teams from Sonora. The junior high game will begin at 5 p. m. and the B-team game is to start at 7.

This afternoon's games will be the first of an eight game schedule for both the B teamers and the Cubs.

Coach Brooks Dozier's squad is composed mainly of freshmen. The squad is made up of those with a minimum of two years' eligibility remaining. Included on the squad are freshman Rodney Pagan, David Huff, Carlos Sanchez, Humberto Diaz, Jesus Ramirez, Fleet Coates, Don Rowan, Armando Tambunga, Charles Childress, Danny Maness, Heberto Vargas, Armando Reina, Dan Rowan, Joe Bob Stephens, Donald Huff, and Johnny Lee Barbee. The six sophomores are Duane Childress, Calvin Montgomery, Eleno Moran, George Venable, James Willmon, and David North. The two junior players are Rex Bland and Blake Ballard.

Coach Chick Womack has a 50 man squad composed of 6th, 7th, and 8th grade boys. Womack's starting lineup this afternoon will be composed of eight 8th graders and three 7th graders. Probable starters are Tom Davidson, center, 8th; Richard Sanchez, RG, 8th; Gregory Stuart, LG, 7th; Sooner Williams, RT, 7th; Steve Hubbard, LT, 8th; Tommy Jenkins, RE, 8th; Mike Womack, LE, 8th; QB, Tony Cullins, 8th; David Pagan, LHB, 7th; Auturo Torres, RHB, 8th; and Tom Conner, FB, 8th.

Eighth graders David Hoover, Gail Cavanaugh, and Joe Bob Fisher are expected to see extensive duty with the first unit, and a second unit will be composed entirely of 7th graders.

As a memorial to Alma and Howard B. Cox, former residents of Ozona and San Angelo, Crockett County has been given by their heirs a deed to thirty-nine acres of land on which stand the remains of historic Fort Lancaster. The generosity of Claude B. Meadows, Jr., San Angelo, Henry E. Meadows, Midland, and Clara Lee Helbing Benckenstein (Mrs. Charles H.) of Beaumont have made this memorial possible.

The Crockett County Commissioner's Court has accepted the gift with deep gratitude for the foresight and interest in the preservation of the remains of Fort Lancaster which it portrays.

Set forth in the deed are certain remarks and stipulations which reflect the concern of the donors. "Grantors desire to give the Grantee the site of the Fort for the preservation, maintenance and restoration of Fort Lancaster for public use, benefit and enjoyment as a historical monument and as a memorial to Alma and Howard B. Cox."

The Commissioner's Court has in turn asked the Crockett County Historical Survey Committee to proceed as rapidly as possible with the development of the Fort site according to a Master Plan for Fort Lancaster Historical Park developed by William E. Brown, regional historian, Santa Fe, New Mexico, of the National Park Service.

This Committee has agreed to do and work on fencing for protection, and on access roads to the site from Highway 290, will be started shortly. It must be stressed that until the site is prepared "for the use and enjoyment of the public" the property remains closed to the public and is posted against trespassers and vandalism. Mrs. R. A. Harrell, chairman of the Historical Survey Committee, said. Notice of the opening will be made to the public at the proper time, since it is also stipulated in the deed that "to encourage the enjoyment of the site by the public" is one of the goals to be attained.

Lions Will Face Sanderson Fri. In Dist. Opener

The Lions will be playing for keeps tomorrow night in Sanderson when they tangle with the Sanderson Eagles in their first district game. The tussle with the Eagles will be the first of eight straight District 8A battles. Kick-off time is 8 p. m.

Both Ozona and Sanderson are members of the largest class A district in the state. Other district members include Big Lake, Iraan, Rankin, Eldorado, Sonora, Menard and Junction. The fight for the championship promises to be quite a struggle as the league, from top to bottom, is much stronger than usual.

Big Lake, last year's state semi-finalist, is picked to win but many rate Iraan, Eldorado, and Sonora as very strong clubs. The Lions, rated 5th in the league in a pre-season poll, and suprising Menard, who beat highly touted Robert Lee last week, will have to be reckoned with.

With the 23-0 blanking of stubborn Bronte last week, (Continued on Page Two)

SITE INSPECTION by William E. Brown, regional historian, National Park Service, has led to formulation of a master plan for Fort Lancaster, in far west Crockett county, which the county and the Historical Survey Committee hope to follow in years to come to preserve, and partly restore the historic fort as a national monument and possibly a state park. Title to the site has just been donated to the county for such purpose by the heirs of Mr. and Mrs. Howard B. Cox. Mr. Brown, with members of the Commissioners Court and Historical Survey Committee, are shown inspecting the ruins of chimney, fireplace and wall of No. 1 and No. 2 barracks, from the southeast.

(Continued from Page One)

The Lions evened their record at 1-1 and are hoping for this to be 2-1 when they tangle with Eldorado Friday night of next week.

Despite Sanderson's 0-2 record, the Eagles promise to be tough. Their 50-0 beating suffered last week at the hands of mighty Alpine may not be a good indicator, as Alpine clobbered Big Lake 41-8 the week before. The Eagles suffered a big blow before the season began when Tommy Weigand, speedy 165-lb halfback, moved to Alabama.

The Lions hope to throw a tough defense and a well-balanced offense at the Eagles. The Ozona defense has been double tough so far this season, allowing less than 30 yards rushing against Bronte. The Lion attack has been via the air as well as on the ground. In two ball games, over 350 yards came by rushing and 225 yards by passing.

The Lion squad came out of the Bronte game in pretty good shape. Reserve quarterback Randy Clepper did receive a bad cut from flying cleats. Guard Larry Williams, Lion linebacker and one of the Lions' four captains, did not see action Friday night because of a hip injury. Larry should be ready for duty tomorrow night.

The probable starting lineup for the Lions on offense are Pon Seahorn and George Parker at ends; Gary Sutton and Sandy Stokes at tackles; John DeHoyos and Beto Ramos at guards, and David Lewis at center. In the backfield will be George Cox and Randy Upham at halfbacks, Thomas DeHoyos at fullback and Billy Carson the quarterback.

On defense the Lions will go with Jesus Tijerina, Marlin Farris, Sutton, and Lewis on the line; Oscar Flores and Thomas DeHoyos on the corners; Ramos and Williams at linebacking positions; Carson and Seahorn at defensive halfback spots, and Cox at safety.

McCamey, Sonora Women Golfers In Tournament Here

Ozona women golfers entertained golfers from McCamey and Sonora last Saturday. Winners in the team play were Mrs. Lee Fawcett of Sonora, Mrs. Pauline Thompson of Sonora, Mrs. Jack Baggett, and Mrs. Dixon Mahon of Ozona.

An unusual feature of the tournament was the presentation of a "Champion of the Rough" trophy to the player with the most strokes. Peggy Elliott of Sonora, golfer of about a month's standing, was the recipient.

After golf play, there was a luncheon at El Sombrero.

Miss Bettye Henderson and sister, Diane will attend Orme School in Mayer, Arizona, this school term. Parents of the girls are Mr. and Mrs. Dick Henderson who plan to spend most of the fall and winter in Quedo.

AMENDING A WORKER'S RELIGION

We thought that the lowest in political hypocrisy had been achieved by those Congressmen who claimed that they were ensuring the workingman's economic freedom by voting to repeal Section 14(b) of the Taft-Hartley Act. But now the Senate Labor Subcommittee, headed by Sen. Morse of Oregon, has endorsed repeal of Section 14(b) and additionally proposed an amendment which would, in effect, make the National Labor Relations Board and labor officials the overseers of some worker's religious beliefs, while pretending to guarantee "freedom of conscience."

To be exempt from joining and paying dues to a labor union, under the amendment, a workingman would have to: 1) obtain "a certificate by the National Labor Relations Board . . . (that he) . . . holds conscientious objections to membership in any labor organization based on his religious training and beliefs, and 2) have timely paid, in lieu of periodic dues and initiation fees, sums equal to such dues and initiation fees to a non-religious charitable fund exempt from taxation . . . designated by the labor organization. . . ."

Read that again, if you wish. And, if you still can't believe it, you may want to contact your own Senator and ask him to send you a complete copy of the proposed amendment. You may want to inquire, at the same time, how your Senator stands on this issue, or to send a note of encouragement to him and his fellow-Senators who are planning to filibuster in defense of Section 14(b) and the workingman's freedom. This proposed "freedom of conscience" amendment ought to be good for a new filibuster record.

As we see it, this amendment would make the National Labor Relations Board the "highpriests" of a workingman's exemption from joining a union, while the union bosses would be the "high priests" of his redemption for refusing to do so. The very fact that a Senator would propose or endorse such an amendment, even under the pretext of guaranteeing religious freedom, is evidence that he realizes the repeal of Section 14(b) would deprive the working man of freedom in the first place. We suppose it would still be permissible, under the "freedom of conscience" amendment, for an unemployed person to pray for a job. But perhaps the amenders should specify in law to whom such a prayer should be addressed.

Recipe of the Week

From Kitty's Kitchen

Beef and Peppers
1 1/2 lb. sirloin steak 1 inch thick
Boiling water
4 cups thinly sliced green-pepper rings
3 tbs. salad oil
3 cups thinly sliced onions
3/4 teaspoon salt
2 cloves garlic
5 green onions, with tops, sliced.
2 teas. monosodium glutamate
1 1/2 teas. sugar
Dash of pepper
1/2 cup sherry
1 1/2 teas. chopped crystallized ginger
3/4 cup canned beef bouillon
3 tbs. cornstarch
2 tbs. soy sauce (or more)
Cooked white rice

To make beef easier to slice store in freezing compartment until partially frozen. Slice into 1/8 inch slivers; thaw completely at room temperature.

Four just enough boiling water over green-pepper rings to cover. Let stand about 3 minutes; then rinse in cold water.

Heat oil in large skillet. Add green-pepper rings, onion slices, salt, garlic, and green onions; cook, stirring and over high heat, 3 minutes.

Then add beef slivers; cook, stirring and over high heat, two minutes.

Add monosodium glutamate, sugar, pepper, sherry, and ginger; cook, stirring 1 minute.

Add bouillon, and bring mixture to boiling point.

Meanwhile in small bowl, combine cornstarch, soy sauce, and 3/4 cup water. Stir into skillet, cook, stirring until sauce is thickened and translucent. Serve with hot rice.

The ports 'o Call Restaurant atop the Southland Life Center in Dallas is famous for its fine oriental, and far eastern food. Several years ago we were served beef and peppers in the Polynesian Room there, and since that time I searched diligently for a recipe to compare with it.

The above must be the same recipe, for it has the same aroma and is the same delicious taste treat.

We were very impressed with the hors d'oeuvres also, and out of five delicious choices, I managed to duplicate one of them. All you need is chicken livers, water chestnuts, bacon and toothpicks. Cut the slices of bacon in half, quarter the chestnuts, and break the toothpicks in half, pre-heat the broiler and you are half finished. Take one chicken liver, place a chestnut in center, fold liver in half, wrap bacon around it and secure with a toothpick. Repeat this process until all ingredients have been used. Place on rack in boiler pan and broil 5 minutes on each side. Serve with hot mustard dip.

EDITORIAL!

By Helen Hayes

To have a successful year a school must have school spirit. It urges the teams on, whether they win or lose, and it builds enthusiasm among students and faculty.

School spirit calls for every one to participate. That include not only students but faculty and team members as well.

There are an unlimited number of ways of displaying school spirit. One can support a team by yelling or by simply having faith in it. Not only openly demonstrative people are needed for school spirit.

School spirit should not apply only to one team or to a time. All school organizations should be equally supported, not only when they win will also when they lose.

School spirit is everyone's responsibility.

NEW TEACHER IN BIOLOGY CLASS

By Jacque Meadows

Mr. D. M. Tyler is teaching for the first time in our school this year. He attended Sam Houston State College where he majored in vocational agriculture and minored in biology. Mr. Tyler is a senior sponsor and said that he would give his opinion of that later after he had more time to think about it. He said Ozona students as a rule are a very disciplined group. His opinion of Ozona — "I love it!"

SENIORS ELECT SPONSORS OFFICERS AND ROOM MOTHERS

By Lynn Cox

The Senior class held its first class meeting on Monday, August 31st, for the purpose of electing class officers, sponsors, and room mothers.

Serving as president is Frank Welch, son of Mr. and Mrs. Bill Welch. Vice president is Billy Carson, son of Mr. and Mrs. Bill Carson, and Lynn Cox, daughter of Mr. and Mrs. Bud Cox, is secretary. Senior sponsor are Mr. Foy Moody, Miss Loretta White, and Mr. D. M. Taylor. A committee of seven Senior mothers was chosen to serve as a group chairman representing all the mothers. Mrs. Beecher Montgomery, Mrs. Bill Seahorn, Mrs. Bud Cox, Mrs. Buddy Moore, Mrs. Quebe Alford, Mrs. Howard Prater, and Mrs. Jack Jones serve on the committee.

The sole objective of the Senior class is to raise money for the Senior trip. The concession stand, open at every home game for all sports, provides most of the funds for the annual trip. The Seniors also plan to sell fruit cakes.

OHS GOSSIP

By Vicki Lynn Montgomery

What girls changed clothes on the band bus on the way to McCamey?

Is it true that the whole school turned out for Sandy's birthday?

Is the new dad really polka dotted skin, right Jackie T.?

What girl found something goofy in the Congressional Record?

Is Dwight C. really the fastest typer to ever enter Mrs. Tallafiero's typing class?

Is it true that Esther helped the Lion defense last Friday night?

Who was riding around with an "ex" in a two-toned blue falcon last Thursday night? How about it Birby?

What senior forgot her horn at the band hall, and had to play the symbols? Was it Suzanne?

Is it true that Lana Alford nearly punched the panic button last Friday night?

Did Jacques M. have two male visitors from Clyde recently?

Mike P., is bookkeeping still your favorite class?

Charles Childress, are you really in love with Flipper?

Now really, Coach Gerber, what were Miss America's measurements?

Who walked out of the classroom without her shoes Thursday?

Better glue them on your feet, Marjorie.

Did Peggy H. really leave her band pants in Ozona when we went to McCamey?

Coach Gerber, how did the water trough feel Sunday?

Heard the seniors dill pickles are really selling. Better hurry and get yours before the prices go up.

Did you get slightly embarrassed last Tuesday in chemistry class, Lynn?

Too bad the two football coaches left the dance early Friday night. They really missed something?

Should a student ever lend a pen or pencil to Mr. Moody? How about it juniors and seniors?

OZONA BAND DECKED IN NEW UNIFORMS

By Celia Houston

The Ozona Lion band made its first appearance of the 65-66 school year in new uniforms in McCamey September 3. The first home appearance was made last Friday night when the Lions were hosts to the Bronte Longhorns.

There are 65 members in the marching band, and a few more are expected in the concert band.

The band is under field direction of Miss Lana Alford, drum major and daughter of

Mr. and Mrs. Quebe Alford. Majorettes are Misses Cynthia Mahon, head twirler and daughter of Mr. and Mrs. Dixon Mahon Majorie Carnes daughter of Mr. and Mrs. S. E. Carnes, Pam Sutterfield, daughter of Mrs. Jody Conway, and Deborah Mills, daughter of Mr. and Mrs. Billy Mills. The girls received a week's instruction from Miss Dianne Farrar, a sophomore and feature twirler at Southwest Texas State College in San Marcos.

Officers were elected the first day of the school year. They are Frank Welch, president; Billy Carson, vice-president; Celia Houston, secretary.

The band will attend the NTL marching contest this year in Midland on November 20. The concert and sight reading contest will be held in Crane in the spring.

MRS. BROADWAY, NEW FACULTY MEMBER AT OHS

Mrs. Pat Broadway is teaching English I and II this year after teaching two years at North Shore Junior High, Galena Park District, a suburb of Houston. She attended Jacksonville College and East Texas Baptist College where she majored in English and minored in history.

She likes teaching in Ozona very much because the classes are smaller and the students as a whole are better than average. They also have a high respect for their teachers. Her "pet peeves" are popping ball point pens, wadding up paper, and chewing gum.

SENIOR CLASS RUNS CONCESSION STAND TO SPONSOR SENIOR TRIP

The Senior Class would like to express their deep appreciation to each and every person who patronized the concession stand during the Bronte-Ozona game. The money will be used to sponsor the annual senior trip.

The stand will be opened at 6:00 p. m. for home games during September and 5:30 p. m. for home games in October and November. For those who will be present at the Junior High and "B" team games, the concession stand will open at 4:30 p. m. every Thursday.

Anyone who wishes to donate concessions to be sold is asked to contact Celia Houston, Barbara Kirby, or Patricia Allen. All Donations will certainly be appreciated.

DEAR BLAB MOUTH

Dear Blab,

Signed, I. M. Bum

Dear Bum,

Go on a diet.

Dear Blab,

I have a terrible problem of sticking my foot in my mouth. When I start talking, it comes out all wrong, and the further I go, the deeper my foot goes. At times I feel like I am strangling. It is a very embarrassing situation at times. Please help me.

Dear Dirty Socks,

Dear Blab,

What am I going to do? All the college kids are gone, even Janis. She has been gone nearly two weeks, and I'm about to go crazy. Do I have a chance?

LIONS TRAVEL TO SANDERSON TO DIST. GAME

Pon Seahorn & David Lewis

The Ozona Lions beat the Bronte Longhorns here Friday night to even up their non-district season record at 1-1. The Lions scored in both halves to wind up with a score of 23-0.

The Lions travel to Sanderson tomorrow night for their first district bout. The kickoff is slated for 8:00.

The Lions narrowly lost their opener 14-12 two weeks ago in a hard fought, exciting contest with the McCamey Badgers.

The Iraan Braves and the Big Lake Owls also meet Friday night in a vital District game. Some feel the outcome of this game will go a long way in deciding the District Championship, however, the Ozona Lions, Eldorado Eagles, and the Sonora Broncos are not to be underestimated as strong contenders for the district crown. It should be an interesting and exciting season for district 8-A.

Landmarks of a Great People

This is one of the snapshots from my vacation trip. Friends ask why I made this the frontispiece in my album rather than that shot of the bald crest of Mt. Marcy — or the telescopic close-up of the Old Man of the Mountains.

Sure, I know this scene is commonplace. I saw a hundred villages with their white steeples peering above the trees and their comfortable old houses nestled around the church. And each one had a pond with pines and birches guarding its shore.

But this picture says more than all the others. It speaks not just of beauty and natural wonder . . . it tells of a good land populated by a great people. It reminds me of God . . . and of my neighbor. It whispers that all I cherish can endure for generations.

The landmarks of a great people proudly point to Faith. The Church belongs at the center of our life. But only you and I can keep it there!

Mrs. Lawrence Janes, Mrs. Sam Fitzhugh and Mrs. Jack Tankersley were hostesses for the unique affair which was held at the home of Mrs. Frankie Jones.

The girls had no idea where the party was being held, and were instructed to follow lime marks from school to find the location. Watermelon was served to 19 girls, who had a wonderful time after they finally got together.

Bronte —

(Continued from Page One) good block at the line of scrimmage and another ten yards down field, and sped past the last Bronte defender— racing untouched into the end zone for the second Ozona TD. The run covered 79 yards. Ramos again added the extra point, and the score was Ozona 16 and Bronte 0, with a little over ten minutes left in the game.

Four plays later, the Longhorns were stalled again by the hard charging Ozona line and were forced to punt. Fielding the punt at his own 35, Cox, perhaps the fastest back in the district, headed right again and found a wall set up for him at midfield. Speeding down the sidelines to the Bronet, 20, Cox cut back over the middle, eluding the last two Bronte men, and went on in for the score. Ramos again kicked the extra point, making it three out of three for the night, and the Lions went ahead 23-0.

As was the case the week before, the Lions' defensive unit was effective—this time allowing their opponents only four first downs and 23 yards rushing. The forward eight of Flores, T. DeHoos, Sutton, Lewis, Tijerina, Ramos, and the Farris, brothers, Marlin and Charles, put constant pressure on the Longhorn offense. The defensive secondary of Seahorn, Carson, and Cox was equally effective — against the pass or run.

Although it did not mount sustained scoring drive, the Lions offensive unit displayed an equally balanced attack, with Carson hitting on 8 of 17 passes for 92 yards and one touchdown, and the Lion backs picking up 220 yards on the ground. End Seahorn snared 5 passes for 46 yards, and Cox led the ground attack with 148 yards on 12 carries.

Double Header —

(Continued from Page One) lineup will have Duane Childress, QB; Rodney Pagan, and Carlos, HB; Fleet Coates, FB; Donald Huff and Johnny Barbee at ends; Rex Bland and Joe Bob Stephens at tackles; guards are Everto Vargas and Beto Diaz; Don Rowan, center. David Huff and Danny Maness will see action on the offensive unit.

On defense, Dozier will have Eleno Moran, Jesus Ramirez, James Willmon, and Blake Ballard along with the starting offensive unit.

Ft. Lancaster —

(Continued from Page One) project is evident in Ozona— various civic groups, the Chamber of Commerce, individuals, and others are most interested and the Committee anticipates early action on the whole project. Mrs. Harrell has been a prime mover in the effort to save what remains of the fort.

The basic priorities in the Master Plan as outlined by Mr. Brown, are broken down into five main stages, and will be followed in so far as possible by those working on the project.

1. Immediate protection and preservation of the site.
2. Launching of archeological and historical research

leading to stabilization and limited restoration of the ruins.

3. Preparation of interpretive prospectus.

4. Preparation of development plan.

5. Preparation of management plan.

A joint resolution expressing the thanks of the Commissioner Court and the people of Crockett county and the Historical Survey Committee for the generous gift made by the Meadows and Helbing families, was approved by the group and will be dispatched to each individual.

The Survey committee in turn expressed its thanks to the Commissioners Court for its interest and for fencing the land and building the road, soon to get under way.
