The Lions lost their first district ballgame last Friday night when they were edged 14-12 by the Eldorado Eagles. The two point loss, the second of the year, dropped the Lions' district record to 1-1 and season record to 2-2. As a result of their win, the Eagles shot into the District 8A lead, as the leader, Iraan, was trounced 30-6 by Sonora.

Ozona grabbed the lead early in the second quarter when they drove 48 yards for a score. George Cox began the drive with two carries of six and five yards. Billy Carson hit Cox with a short pass, and Cox moved on down to the Eldorado 19. Carson spotted end George Parker for a 9 yard pass play at the 11. For the most part, we County Officials dare say, they were pleased with what they saw on the Attend Convention maps the highway crew had mounted on the walls for display. The four-lane interstate highway, which in many cases completely bypasses towns along its route, will pass directly through Ozona - not exactly through the "middle" but just three blocks south of its present route, which is "down the middle,

It seems from many standpoints, that the Highway De- tor Ralph Hall of Rockwall, partment, and the Engineering staff here, headed by W. F. (Bill) Dixon, has been most generous toward Ozona. Economic Opportunity, and Montgomery. Interstate 10 will have three traffic interchanges by which travelers may quit the highway to stop off in Ozona - one at the east edge of tion with State Highway 163, and one at the west edge of town. A traveler then will have his first chance at the edge of town. He will be informed that he is approaching Ozona and if he misses that turn-off, he will have another as he reaches the middle of town - and he can see the town from an elevated roadway. And if he should overshoot that, he can back at the opposite edge of

The Interstate will overpass Highway 163 in Ozona, another provision in the planning. It is more expensive construction but will consume less adjacent property which would be the case were the state highway to overpass the Interstate. And the elevated roadway will thus overpass both Gurley and Johnson draws, as well as the state highway, through the city.

Although the Interstate will require a 400-foot rightof-way in rural areas, in urban areas this requirement is reduced to a maximum of

Although it is unfortunate that progress will require the sacrifice of even one residential lot in a town that has as few as Ozona, it is, nevertheless, the most fortunate choice that could have been made for the highway consuming the very minimum number of residential and business lots. This is because of the fact that much of the property just south of 14th Street is county property - the county highway department and the Powell Field and Little League baseball parks.

Again, it is unfortunate that these playing fields, dedicated for the purpose in the E. M. Powell deed setting aside the Ozona townsite section, must go in the highway construction project. But maybe in the fullness of time, other play areas can be developed in or near the

This is the year to move ahead to the new. Mercury's year. Your year. And just look at all the news there is! Ride news: the way Mercury moves is unique. Smooth, substantial, hushed — the finest ride this side of the Lincoln Continental. Style news: clean, classic lines—the only car in its class with a look all its own. Power news: engines range up to a muscular 428 cu. in. V-8. Luxury news: options such as the Stereo-Sonic Tape System that uses plug-in cartridges. Safety news: helpful options such as cornering lights that show you the way when turning into dark driveways. Exclusive options such as rear doors that lock automatically at 8 miles per hour. And in every Mercury, without extra cost, you get 12 important safety features, including back-up lights, emergency flasher, padded dash and visors, four seat belts front and rear, and outside rear-view mirror. Model news: the widest choice of Mercurys ever. 17 models in 4 series - sedans, hardtops, convertibles, and 2 wagons with the new Dual-Action Tailgate that turns into a door. Now's the time to see your

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one.

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic incher to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great things for performance.)

The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket

seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers - not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

"One today is worth two tomorrows."

— Benjamin Franklin This famous saying sums up the situation-to-be of many students who will burn midnight oil studying for their six weeks tests.

It is once again time to realize that the first six weeks grades are vital in getting a good start toward the school year. As many know, Thursday, Oct. 7: to fight from behind, from the start, is very discouraging as well as nerve racking. So a minute of studying our notes now will save us much discomfort from cramming the night before the test.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regu-

Once this vine was just a seedling, struggling to survive. Now look at it! Each vear it grows stronger and yields a greater harvest.

The Christian faith has grown and flourished like the vine. From the seeds of the early church, Christianity continues to spread its joyful message to people everywhere.

World-wide Communion Sunday is a day for Christians of every creed to meet in spirit at the Lord's Table. This annual event makes us deeply aware of our brotherhood within the Church whose truths we share.

Come and take part in this special service. Your prayers, and those of all Christians, will combine to strengthen the roots of God's vine throughout the world.

Punting on fourth down from their own 30, midway o fthe 3rd quarter, Ozona had its attempt blocked by James Belk, a 210 pound hard charging tackle. Another 200 pound lineman, Joe Phillips, finally fell on the football in the end zone for the second Eldorado TD. McGregor again added the extra point. Eldorado 14-Ozona 6.

On the kickoff following the second Eagle TD, it appeared that the Lions might score the tying touchdown when Cox took the ball at his own 5 and sped up the middle for a 58 yard return before he was finally tripped up at the Eldorado 37. The Eagles held at their own 19. Another drive by the Lions was stalled at the Eldorado 24 when Ozona fumbled.

As the clock ran out in the fourth quarter, Ozona gained possession of the ball at the Eldorado 38. Cox turned right end and gained 18 to the Eagles 20. Randy Upham then hit off tackle to the Eagles' 14; Cox went to the 11; Carson gained one; and Cox for 7 in two carries; Upham then went the final 3 yards to paydirt for the tying TD. The pass attempt for the tying two points failed. Failing to gain possession on an onsides kick, the Lions could do nothing as the Eldorado team stalled out the remaining seconds of the

game. Leading the Ozona ground game was Cox and Upham with 154 nd 50 yrds. A grading of the game film showed Cox with 16 tackles; Ramos with 11; Williams had 9; and Sutton, 7, for the defensive
